

THE MAGIAN & THE E.T.s

BERSERKER
BOOKS

This work has been modified from the original and contains terminology such as the words 'mage' and 'magian' which indicate a certain archetype present in certain populations and has no fixed reference to any biological type or cultural group. It expresses this type which inheres in all such groups to varying degrees and the writer suggests this tendency be opposed both in oneself and in others through the requisite education.

Akhenaton

The Egyptian ruler Akhenaton has been noted for his strange appearance and bizarre destructive political movement to destroy the spiritual knowledge of Egyptian culture.

We can know Akhenaton's actual appearance from the body of his son King Tut, which has been found. Tut did have the elongated skull that his sisters and father were shown to have, which means the depicted facial features of Akhenaton are his actual ones. Akhenaton prohibited symbolism in art. He demanded that art only show things as they were, and that included him. The researcher Lloyd Pye was famous for the "Star Child Skull", which was found buried in an ancient burial ground in the Americas in a way that suggested something. He had DNA tests and other tests done on the skull. The body was that of a Grey-Human hybrid.

If one looks at the images of this skull you can see the truth. Akhenaton was also a Grey-Human hybrid. His son King Tut, who died when he was young, looks identical when put next to the Star Child Skull.

Akhenaton destroyed Egypt from within and caused a civil war to erupt against him and his foreign mercenary forces, which he used to impress his will on the People. The Egyptian culture was divine and handed down from our Gods at the time when they were on earth, as the Egyptians stated. Any deviation of the cultural teachings was not allowed as it would alter this information for future generations and cause loss of true knowledge of humanity, its origins, and the cosmic spiritual teachings of the light body, the magnum opus, which is how to become perfected. The Egyptian People were all taught this knowledge. The entire nation was initiated into the teachings. In the off season of farming, People would spend six weeks in the Temples being taught different levels of it. The Priests were called the "Serpents" and the Pharaoh was the head Serpent, who once a year would personally initiate the new candidates with Shakti pat transmission to help awaken their spiritual centers and Kundalini power. The Pharaoh could only make a decree based upon natural spiritual law for his People and the Pharaoh was the guardian of the cultural teachings of the enlightenment methods. The point of the Egyptian religion was to spiritually ascend into a star, which is the eight pointed star, the symbol of the perfected soul, and thus become a perfected being, a Neter, or divine being, and join the Gods in Duat, in the Milky Way galaxy in the belt of Orion. In the Egyptian texts that are correctly translated, they only mention the serpent energy and the light body, symbolized as the Ankh. The point is to raise the fire up the spine and open the inner eye of Osiris to obtain gnosis. There is a chapel found under the sands of Egypt built by a Serpent Priest who finished the Light Body process and

became an immortal divine being. He left the Chapel as a place of teaching and a monument for future generations. This is why the ancients left spiritual instructions on their tomb walls. They had a conscious understanding of things and knew the day might come when these tombs are all that are left to transmit the instructions of history, spiritual knowledge, and culture to lost generations. They stated there was a time in the golden age when humans didn't die. Instead they just entered the light of immortality, the light body.

Now why would this Akhenaton regime want to remove and destroy all this? Akhenaton ordered the images of the Gods smashed apart and desecrated, had the Temples shut down and destroyed, and the Priests persecuted and forbidden to teach the knowledge. This is outright violent cultural genocide of the most sacred teachings and places. Akhenaton built a new capital, which he made the center of his violent cult. The bodies found buried there are shown to have died by brutal violence and suffered hideous punishments by this regime. This place was a prison for the Royals to keep them under control and to enforce his new insane and violent cult on the populace. After the civil war and uprising was over, the Egyptians removed any mention of this regime from history because they wanted to erase the teachings of this insane cult from existence as pestilence so it could never return and threaten the world. This cult destroyed the entire Egyptian culture and spiritual teachings and imposed a monotheistic political cult on the populace where Akhenaton was now the supreme ruler of this fake monotheistic god of Aton. This is the same cult of the Christian Church of Rome, the same behavior, the same actions, and the same purpose. It was also the same with the Zoroaster cult of Persia.

There is a lot of ancient evidence suggesting the mages actually got their start in this regime in Egypt. The mages call their "god" Adon and Adonai, in which the T and D are double letters, making it the same as ATON and ATONAI. Even the name Levite was popular term of Egyptian Priests at this time. Judaism might just be the morphing of what started in Akhenaton's regime. The Persian Zoroaster cult is totally full of magian ideology, which is mentioned by many experts on the subject. Christianity is the later version of both the Aton cult the Zoroaster cult and the magian ideology. Judaism brags about the influence the mages had in the Persian courts and Empire. They even had a whole city to themselves in Persia. Alexander the Great fought his war against the Persian Empire as a spiritual war to destroy the Zoroaster cult. The only culture he ordered destroyed was the Zoroaster cult, as it was a destructive and evil program against the spiritual teachings of the Gods. Centuries before this, a civil war was fought in the Roman Empire to stop the Christian cult just like in Persia and Egypt.

What this shows is that the enemy Ets, the Grey-Reptilians, have been trying to take over this planet since at least the time of Akhenaton's regime. They have

been doing it by creating hybrids and then working behind the scenes to use this Trojan Horse movement of infiltration and subversion to take over the planet. The victory of the leaders of Egypt and Alexander against them shows why they need to remove spiritual knowledge to succeed in this. The document they ordered their "Chosen People", their hybrids, to construct directs them to do so. The Bible tells them the key to enslaving humanity is the removal of spiritual knowledge and the erasing of the true origins of humanity, which is what the Akhenaton, Zoroaster, Islamic, Christian and magian cult and Communist cult is all about doing.

Alexander was a highly ascended master. He was made Pharaoh of Egypt by the decree of the Gods for this reason. He also had a risen serpent. His family were the Serpents of the Dionysus tradition, which is also Egyptian. He also worked to destroy the Zoroaster cult and bring a rebirth of the original spiritual teachings, hence he made his capital Babylon, the ancient head of the Enki teachings, who was Oannes to the Babylonians and Loannes to the Greeks, whom they also called Dionysus.

The enemy programs were defeated by individuals and organized groups of spiritually advanced humans working with our Gods from the Serpents of Egypt to that of Greece.

When "Adonai" didn't hide behind hybrids, from the Aztec codex Chimalpopoca:

"They tell how Quetzlcoatl departed. It was when he refused to obey the sorcerers about making the human payment, about sacrificing humans. Then the sorcers deliberated among themselves, they whose names were Tezcatlipoca, Ihuimetcatl, and Toltectatl. They said, "He must leave his city. We shall live there."

"The Toltecs were engaged in battle at a place called Netalpan. And when they had taken captives, human sacrifice also got started as Toltecs sacrificed their prisoners. Among them and in their midst the evil YAOTl followed along. Right on the spot he kept inciting them to make human sacrifices. And then, too, he started and began the practice of flaying humans...Then he made one of the Toltecs named Zihucocatl wear the skin and he was the first to wear a Toltec skin. Indeed, every kind of human sacrifice that there used to be got started then. For it is told and related that during the and under his authority, the first Quetzalcoatl, whose name was Ce Acatl, absolutely refused to perform human sacrifice. It was precisely when Huemac was ruler that all those things that used to be done got started. Huemas sacrificed a human streamer, thus making payment."

The original culture the Gods installed in South America banned all blood sacrifices and only accepted fruits and flowers. This is the same custom of offering to the Gods in Hinduism. The later animal sacrifices are deviations from this. We see this again, right in the magian Bible. The Pagan God Baal refuses the blood sacrifice of animals, but Yahweh accepts. Yahweh refused Cain's offering of fruits and plants, but Yahweh accepted Abel's offering of blood and animals. In the Torah, Abraham tells his fellow mages not to offer the animal sacrifices in Egypt because the Egyptians will punish them drastically, as this is a serious offense to them. The Egyptian civilization came from our Gods the Nordics, as did Quetzlcoatl. Humans who have interacted with the Nordic ET's mention that they look like this:

This is how the ancients described them as well.

In the surviving religious records and artifacts of the Americas, we have a story that comes together in South America that we see happening around the world. The above passage is reference to the overturning of the culture of the Gods, of which Quetzlcoatl is the symbol and also the name of the offices of the leaders. It describes the replacement of this culture with a new religion that is based upon human sacrifice to appease the new divinities. The records state the King Huemac made this deal with the god Yaolt. The "lt" is a title, so the name is Yao, which is the ancient name of Yahweh in the Hebrew texts. This led to the imposing of a new religion, led by the sorcerers who were in contact with Yao.

With this change in the religion, the language became exactly the same as in the magian Torah, demanding payments in blood sacrifices to Yao, and the concept of debt payments as blood sacrifice. This language is only found elsewhere in the magian Torah, which forms the Christian Bible. Hundreds of thousands were murdered every year in the blood sacrifices of the new cult of Yao, and they were done along powerful lay lines to influence the energy grid around our planet.

From the Popol Vuh:

"It has turned out well, your lordships, and this is her heart. It's in the bowl."

"Very well. So I'll look." said One Death, and when he lifted it up with his fingers, its surface was soaked with gore, its surface glistened red with blood.

"Good. Sir up the fire, put it over the fire, said One Death. After that they dried it over the fire, and the Xibalbans savored the aroma. They all ended up standing here, they leaned over it intently. They found the smoke of the blood to be truly sweet!"

In the magian Torah in the book of Genesis:

"And Noah built an alter unto the Lord: and took of every Clean beast, and of every clean fowl, and offered burnt offerings on the altar. And the Lord SMELLED A SWEET SAVOR."

From the Popol Vuh:

"And this is the sacrifice of little Huanhpu by Xiblanque. One by one his legs, his arms were spread wide. His head came off, rolled far away outside. His heart, dug out, was smothered in a leaf, and all the Xibalbans went crazy at the site."

These new Gods are feeding on the energy of humans. They literally went crazy with delight and ecstasy from feeding on this death energy. These new Gods are even called "Deaths" and referred to by numbers, as they are a hive such as "One Death."

The ancient South Americans all mentioned the Kind traits of the original Gods as being Nordic. When the Spanish arrived, they thought Quetzlcoatl had returned. The same cultures also recorded the physical appearance of the new Gods Huemac imposed on them, the Gods who chased out the previous religion.

We now know what the new Gods of the Aztecs and Mayans who imposed this culture on South America look like from the religious finds of the images they made of their Gods in their Temples and religious sites.

Behold Yao, Yahweh:

This is what was going in ancient South America:

What did the elite Rabbi Michael Laitman tell his fellow mages in Pissreal?

"We [mages] came here [to earth] to put things in order like in our home planet and now were gathering in groups to prep ourselves to conquer earth that's the mission [of the mages].

How do we do it? We are also sent the method its coming from our original planet and thanks to that original natural force we have. We will take over those living on earth."

The mages state they are genetically from this Yahweh and are literally alien, and Yahweh is a collection of Reptilian aliens. The magian Cohen gene, their Kind gene, has reptilian DNA in it.

[All Alien](#)
[High Priestess Maxine Dietrich](#)

Adolf Hitler wrote in his book "Mein Kampf" how the Kinds of humanity have evolved and changed through the centuries, in contrast to the mage who has neither changed in character or agenda, despite the extreme amount of attacks, pogroms, expulsions and other calamities that have befallen that Kind.

In addition to this, no other Kind on this earth is a Kind within all other Kinds, at the soul, and the alien DNA.

I'm sure some of you here have studied entomology (science of insects), Hymenoptera (social insects such as ants), along with ornithology (science of birds), and more sheds a lot of light on the magian problem.

A cuckoo bird will take over the nest of another bird; pushing out the eggs of the other bird and laying her own for the owner of the nest to feed and raise. A parasitic bird.

Ants are highly organized and some species take over the colonies of other ants which they use for slave labor.

These are just a very small example of what is in nature here on planet earth.

It's a vast universe out there. How about a species of souls that are parasitic, that prey upon other souls, destroy their civilizations and take over their planet, turning it into a globe for slave labor?

The mages have had a strong hold on NASA, limiting access to many scholars, and others who have an interest in life outside of this planet.

The unsuspecting populace is cut off spiritually, dumbed down and enslaved. Certain Kinds are targeted and systematically bred to be the perfect slaves. Disposable human beings. The migrant situation is a paradise for the mages. Endless slave labor for the majority; disposable human beings, worked to death, sex slaves, body organs removed and sold on the red market, snuff films and

everything else. Most of this goes unnoticed. Migrants just disappear and no one inquires.

Most don't know their rights. Many are literally chained to their work stations in sweat shops, slave factories, working 12+ hour days. Bathroom breaks are frowned upon. Few if any of these people complain. They make thousands of dollars an hour for these magian masters, and are lucky if they can even get a lousy meal out of it. This is the reality. They are systematically worked to death and disposed of. Goyim "cattle."

The magian controlled systems also use migrations to destabilise and undermine the cultures of the host countries, raise the crime rate to destroy law and order, so the entire host country falls to their agenda of communism (they have near total control of the legal and court systems, the government and all other key positions). This is why the magian media keeps pushing the immigration issue. The magian controlled media exploits the ignorance of the populace, plays upon misplaced sympathy and drives public opinion.

As for the immigration issue, many in the host countries, who are citizens, who have lived there all of their lives, not just in the US, but in Europe are homeless and living under bridges, in tents and on the street. As we know, for centuries, mages have taken over and owned most of the properties. It has been so bad over the centuries, that Gentile kings, after expelling all the mages from certain countries, gave all of the magian owned properties back to the people. The magian monopoly on ownership of housing and properties causes the homeless situation.

In communist countries, citizens were put on a waiting list for a lousy apartment larger than one room and waited years and years.

Programs like Christiaity and Islam facilitate the takeover. All alien.

In closing, I want to add, the level of intelligence of even Christian scholars who have attended seminary schools, degrees and so forth is shit for brains. Total shit.

Artificial Intelligence...Then What?

High Priest Hooded Cobra 666

Humanity. What can we call humanity? A broad term. Let's be specific. The mages at the top who lead "humanity", are playing with DEATH and they are inviting a death upon all the human species, themselves included.

Now this may sound like intense fear mongering, but this is well known already. Let's start from the beginning but we will be brief. We know about the enemy aliens, their agenda, and we have taught at least the people here how they go with their operation. When one's eyes are opened you can see for yourself in plain sight so to say.

It's well known by all Ufologists and others who have done research to decades, and obviously to the governments of the world, that the Grey Aliens and others seek to enslave this planet. We also know as even the mages admit, that they have alien links beyond this world. They are given the Torah and their so called 'culture' as a ripoff of the planet's native ones, but it's adjusted to a particular and very alien goal. However since this culture was created admittedly by some sort of alien intelligence and artificial intelligences, it's far from 'perfect', and without error.

However these aliens aren't dumb so they created the mages problematic, mentally ill, and programmed this mission in their DNA as well. This manifests in their ongoing culture, political awareness, what have you, and their racism against all other humans on earth unless it's about play pretend. They literally tell it openly they are here to finish this job that has been 'started' and 'commanded' by the ilk that created them.

Let's get to the point now. Humanity as we can see has been in the hands of the enemy aliens for a while now. However certain advances of a particular type have happened, specifically on technology. These will keep escalating. However the mages want to develop systems and intelligences to actually enslave the world with. Which is the objective with companies like google. Google isn't helping you do research only...It amasses your data, does psychological profiling and so forth. Therefore it's a 'freedom loving' company for now.

As Snowden has stated who is in the know and has been all his life...The problem of humanity isn't Trump being a Nazi or imaginary Nazi's. It's actually the advance of technology which will ultimately decide a lot of things about the future.

What will ultimately destroy humanity however is this: Artificial Intelligence. Many people may laugh at my statements now, but lest we do warfare, RTR's and remove the magian influence from this world, this is exactly what is going to happen. This is coded in all of their movies, which are expressions of the magian soul.

Also, it will be mad rats programming these intelligences. It always starts with good intentions, like "Christianity" and it's message of "love" which is found nowhere in the 2000 page book named the Bible. Artificial intelligence in the same way is advancing, supposedly to solve 'problems'.

Even Billy Gates and Elon Musk who are serving specific interests, have frowned upon this, even Hawking as well. I mean this will be deadly even for the mages themselves, but knowing the mages, it's not like they are going to stop this wonderful advances. They literally are programmed genetically to destroy humanity, no matter the twists of fate. They did so when humanity had only swords and shields, and still they will do now with artificial intelligence, nuclear weaponry, and anything else there is.

Let's look into the following... How do we know such intelligence will not code it's own code, for example? Or that it won't develop a new coding sequence that humans will lose track of? Or that it won't amass data and form relations completely not understood for humans? Or develop itself and hack into other systems and make them 'autonomous' too? These are only a few thoughts. The haters of the human species always are over- confident that all these problems can be solved by counter code for example, or counter creations for such. Which is obvious bullshit. Maybe the AI will just be equally retarded, or maybe it will self-destroy itself. Maybe, maybe...

"Humanity" doesn't even know what it's doing.

Now if you pay close attention, they adjust humanity everyday all the more to have no private life, to live all in the same 'interweb'. This is the same thing and preparation for the next step, which will be hive consciousness, first probably by biological based technology that connects humans like borgs.

Then a breaching and full ruler-ship of this system will turn humanity into greys basically, which are hive minded, and are controlled by the central controllers at the top. Rabbi Yehuda Ashlag has talked that the whole problem this process cannot manifest as wanted is lack of communism, and as you can see the above is just futuristic and technologically induced communism going bit by bit.

The mages are supposed to 'lead this revolution' into turning humanity into egoless, borgs. Christianity is the first step, then politically wise this is the second step, and lastly, this becomes a reality within a species and they

become a borg. It's obvious that these human hating aliens want to assimilate humanity in this massive borg mind, and create another slave Kind.

Supposedly this 'tech advancement' has to happen so we can keep up with the unrealistic, baby boomer, retarded magian civilization we have already created, the problems of the mind it has caused, the thirst for senseless (((power))) it has created, the endless alien competition over life, unrealistic overpopulation of the planet, limited resources, sexual problems of nerds that want to nail robots, people too bored in this retarded goyim life they live that they want to live in the matrix or in some video game, the list goes on.

Indeed the mages seem to be in a Kind with themselves to try to escape this magianness, so they also try to promote "DNA research" which obviously doesn't have the final objective of healing goyim slaves from diseases. The mages are alien and not interested.

The only logical conclusion from Artificial Intelligence that is autonomous, self learning and gets developed by humans (Basically laboratory rats with complexities and other immoral pieces of crap in Pissreal most probably) that knows how to 'learn' and have all the data of the world in their availability, is to later be put in human looking cyborgs, or merged through brain interfaces into the brains of these poor kikes like Angela Merkel who want to rule the world just for the sake of it, without any serious visions.

One doesn't know what to expect exactly. But one looks to the creator, and they understand the 'creation' they are going to breed.

Who knows, maybe these retards are promised they will live forever or other things, or they are just a drone walking around without thinking of anything like this at all. Or like the guy Kurzweil, they are promised their brain will be uploaded into a digital matrix interface. Useless their existence as it is, they are like, "why not?".

Little do these retarded mages and their lackeys know too, that the technology even given by their own masters will never set them free...But bring them and the world together in a whole new level of enslavement. All it will take is a global EMP and all the technology of this petty planet will be gone. This is only one example. These AI's who can self learn, if they have access to infinite data, they can develop infinite intelligence. They will of course be amoral and completely like drones. There is zero reason for a robot to not kill you, especially if the robot has the ability to 'learn' and re-program itself.

Probably these Kind mixing, egalitarian, fucktarded retards of this planet are going to put some stupid codes in these machines and tell them to 'treat us equally' and other sorts of bullshit. However a machine can never

develop anything other than logic. Even a sense of wisdom would be plasmatic and fake.

Through mages, the greys and their human hating aliens are replicating what has happened to them, long story short. However this plot seems to all happen due to the fact they want to absorb this giant planet into a massive technological slavery, under the rule of whatever shit hides behind what the mages try to mask as some sort of "God" in their tribal culture.

It looks from the greys they were once a normal Kind of advancing species, but they did this artificial intelligence advance, or fell in the hands of other species, who completely took them over, and probably other advances that went out of control and in the end made them a slave, borg Kind with no ability to save themselves.

It's true that the Nordic Gods from Orion and elsewhere gave us technology, but they also gave us a developmental system for the Soul, and sanity, culture and so forth. This was supposed to be based on a spiritual culture where our evolution and maturity level followed through...

However now with the infiltration of this world, there is no spiritual culture, and not only this, but these alien hybrids are at the top. The first thing they did with the knowledge they got their hands upon is wage warfare on all the inhabitants of the planet so they can have a useless prevail and kill everyone. It's doubtful at this point to even assume they do anything with any real 'purpose' other than primitive bullshit of theirs. Even if 'aliens', and 'alien hybrids', they are actually as primitive as any other monkey on the planet.

I am an avid lover of technology, but this is pure madness. This will certainly escalate out of control with total certainty, because simply, we have alien invaders amongst our midst, and many crazy nuthouse cases who would gladly watch the world burn. No amount of military, no amount of 'censorship' and no amount of 'protection' can protect from this.

The amount of intelligence these 'self thinking' and 'self learning' AI's can amass, given the storage may also increase indefinitely, may equally increase indefinitely. The cavemen instincts of the incomplete creation of the mages will tempt them like a magian rotting whore to create this 'technology' to gain their so called 'superiority' and 'win their war', but in the end, this will be their funeral wreath too. Humanity and these cockroaches too will become equally and fully 'dependent' on this to begin with, and then from there it will go. When it will become also fully autonomous (and any 'self thinking being would think that way) it will turn around and of course logically speaking, 'eliminate' or 'delete' the source of it's 'restraint'. Ie, whatever that may be.

So long humanity is led by mages, it will be on a never-ending spiral towards destruction. We can change this by spiritual warfare so that the upcoming Age will be actually better, and without any such retarded concerns.

Nobody else will do this. Most people will laugh, until their laughter turns to tears of blood with the things humanity will experience in the next 100 years if this sort of deal is not stopped, halted, and turned into a different direction.

Lastly, yes, truly, it may not come from this direction. But knowing the enemy and their psychotic behavior, it will definitely come from another. It's better that this mess is cleaned so we can move on to better and brighter conversations instead...

Borg World - The Age of the magian Messiah

The Rabbis state their "god" is "The Heavenly Metatron", and they call this a hive mind of literal Reptilians. They also called them the Seraphim, but they are literal Reptilians that appear to them as Reptilians.

The Rabbis state that what the mages call the Messiah age is when Earth will be turned into the image of the Heavenly Metatron. One high-level Rabbi literally used the Borg as an example of what the world will be turned into for the Messiah age. In Judaism, this age is called the "New Covenant", which is what the Christian Bible is called by the Rabbis who wrote it. This age is when all of humanity has been conquered and turned into a Borg slave Kind with a hive mind. This is how the Bible ends in the book of Revealing (ie Revelation). They will turn Humanity into a hive mind with no differences of Kind, sex, class, family, gender or individual thought. The descent of the Heavenly Jerusalem is the Metatron cube descending to create this "New Earth". magian Communism is a continuation of this.

Our planet has now advanced to the level with genetics and technology where the enemy is manifesting this program into reality using occult control with the spell of Christianity. They are already pushing transhumanism, which will use criminal genetic engineering and technological microchip implants to transform humanity into the earthly Metatron. This includes brain chips to create a hive mind. In the writings of the high level Rabbis going back centuries, like "The Gaon of Vilna", they are already stating that they will use emerging technologies to manifest the plan of "god" and create the Messiah Borg humanity.

Behold the Seraphim of the Heavenly Metatron....

That is the magian "god" of the Bible.

These mages are an alien program and nothing more.

Many people naturally pick this up just by looking at mages like Zuckerberg.
The mage is the original NPC meme.

Demons and the Age of Pisces to Aquarius, Human Genius
-High Priest Hooded Cobra 666

Greetings to all our Comrades and Satanic people.

Now as most of you people here do know, as you know the Ancient history of the beings that ended up to be labelled by Demons in the recent hundreds of years, or the last two thousand years, you can evidently understand something. These beings were in no way negatively labelled in the past. This is fairly easy to see. Same as the Pagan Gods. They were all revered, loved and admired beings. They helped Humanity civilize, rise higher than its problems, create civilization, learn the ways to elevate itself on the highest heights. They turned us from mere animals that didn't know how to exist, into civilized, self-conscious entities. They were our loving teachers and mentors, protectors of households, countries, babies, animals and the list goes. We loved them back in the unbreakable bond of love, for which for many people survives for lifetimes.

The problems and defamation in regards to these beings, came only after the mages. Naturally, what is protective to us, like the Demons, who care about our wellbeing, defended us and tried to warn us against the mages. This is the reason the enemy hates the Demons, and with a fierce and murderous passion. They have taken all the routes possible to lie about the Pagan Gods (nowadays labeled as Demons), they have made everything to eradicate the proof of their existence, how much they were loved by Humanity and how close we were to them. They were our Gods. For those who know of one step more, they know they actually created us and planted us here and they know the story behind the ET theory of the Demons as we shared it.

Since, the enemy has tried to cover this up and destroy the Demonic legacy, same as the knowledge about magick, how to build civilizations, and the important and crucial information the Gods handed us down for our survival. Parts of these knowledge was that beings must never grow spiritually unconscious, people must be bonded, Kindly separated, hold good relations with their neighborhood states, cultivate the Earth in healthy ways. All these things can be seen evidently in all Ancient cities and states. Also, traditionally, all Kinds had a place where they were to be and exist, which is why many people are adjusted to different climates, by the laws of nature.

The enemy hates the Demons, and scorns them, lies about them and wants to sever our connection with them and our communication, so that we are alone and helpless. On the meanwhile, the enemy keeps tabs and communications with their own "ethereal" beings, namely the angels, "JHVH" and the company, for guiding the fate of the magian Kind and at the same time, find ways to exterminate all other Gentiles. This goes far deeper, into full blown warfare, between the Gentiles and the mages. Satan and Lilith, being the original "parents" of Humanity, are getting most of the hatred and blame. The enemy wants to completely eradicate the existence of the Demons.

The fact that we know about our Ancient religion, was due to coincidences of a positive nature, so that we can finally know. The enemy tried to destroy ALL Pagan orders, ALL information, no different than how the Middle Ages killed "Witches", or how the magian created "ISIS" (blasphemy to our beloved Astarte) are blowing up temples and chasing the Yezidis into extinction. The "Abrahamic religions", which are from the magian forefather, "Abraham" are responsible for this.

Also our people need to be aware of the supposed "ET" webpages and "Theories" that are coming increasingly up as time goes. As its evident, the enemy is a poisoner. Humanity was advancing, everyone had their own pace, until the mages decided by the slave trade and forcing mass immigration (this isn't happening only today, but is a well-known ancient method, for instance the Turkish invasion of the West was instigated by the magian Kind caste who was deep into the "Ottoman Empire") and wipe us all out. The enemy wants us wiped out and to enslave the rest. This goal is arrayed into the bible. As the "ET" theories of today, many of these theories try to cover

up the emerging Truth of our Ancient past. The enemy lies endlessly and they make up so many stories, that I can't really go into most of these, as we have done this before. It should be open to see for people who are spiritually higher. Spirituality answers everything on its own. Satanism means literally, Truth—ism, because Satanism is actually from the Sanskrit root of Satyan, meaning, Eternal Truth.

Literally, so many people are bleeding out all their mental issues, misinfo, xianity, communism etc, by trying to make up more theories based on these theories. The Truths are however evident. The Gods first of all, separated all the Kinds on the planet on their Regions and advised AGAINST any Kind mixing. All serious Ancient cultures, advised AGAINST Kind mixing. Naturally, people do NOT want to Kind mix. This is why there are tons of propaganda to create this false communist "all equal and same" reality the enemy preaches. It would never happen otherwise. The only real solution for peace and evolution is for Kinds to return to their grounds, be allowed of their natural right to advance, thrive and become better.

Now in regards to the Age of Pisces and the transition to the Aquarian Age.

The New Agers and many other nuts, do assume and believe that this transition means anything by itself. In fact, it means not many things, or closely to nothing. The Age of Pisces was meant to be an age of spiritual advancement, understanding, healthy compassion, deep unconscious exploration, wisdom, and of spiritual beauty, love for nature and other beings. Nothing of these things happened, thanks to the magian alien hybrids. The enemy merely used all the above, preyed on them, perverted them and abused these notions to create a slave Kind dictatorship over the planet. The woes of love are evidently, nothing but a new xianity, modernized rabbinical Judaism in disguise.

Love has become sadomasochism, self—mutilation and destruction, slavery and even worse, death. Love has never been lower, more perverted and more worthless of a word than today, as everyone is using it and it doesn't really exist at all. People don't even love themselves, the planet, or anything else anymore. People think they are elevated, knowledgeable and happy, but they are actually living zombies walking around without a purpose in existence. The enemy chose to prey on this

emotion specifically, as love, mutual understanding and beauty all have to do with Pisces. By hijacking the greater idea of the Piscean millennium, the enemy contaminated it and ruled by it. The results everyone can readily see now, as this monstrosity they created is collapsing.

The mages enslaved many Kinds in these last centuries, they totally destroyed and tried to wipe out the Hyperborean Kind, enslaved India after they took over the West, then the Black people, Destroyed the Chinese people by Communism, Wiped out again through instigation of WW1 and WW2 half of Hyperborean Europe etc, exterminated ALL the old Ancient Occult Pagan Orders, the Eternal Truths known before were replaced with lies, victimization became a virtue, slavery became a thing to be cherished. The enemy then forcibly tried to mix these Kinds (dissolution also rules Pisces), through confusion and mass brainwashing.

Mass brainwashing became the law, wrong "gods" became Gods and the old Gods were

attempted to be overthrown by the mages, suddenly the whole world found themselves with "Jesus" and other magian imbeciles, the lie of Mohhamedanism turned the Middle East into a literal death hole, the list goes on and is endless. Now, as the illusions climax, people are bluffed so much as to want to remove their gender, with socially self-undoing (also a Piscean negative trait) prevalent social ideas. For Hyperboreans that is. Hyperboreans have been attempted both direct destruction and death, genocide and also, programming for them to destroy themselves. Deception is rampant (to where millions die everyday by hallucinogens like

cigarettes, alcohol and drugs, death cults, mere purposeless suicide, depression which also rules pisces) etc. All these are in the downside of Pisces, of illusions, delusions, suicide, weakness, meekness, confusion and mass fear. Pisces also rules deep deceptions and lying, and everything that is hidden from the consciousness, all of which are negative traits and represent completely the mage. The mage being a catalyzing element, they are in essence deadly for all other Gentile people. They themselves state that they are separate, above and alone from all other Kinds, who they only see as cattle slaves.

This right now ties into the transitory phase between this Age and the Next age.

In the same way, the Age of Aquarius comes with very serious potentiality. On the upside, we can have an Age of high spiritualism, love of facts and knowledge, exceptional power given to individual human beings, personal and spiritual liberation, exceptional scientific advances, getting off the Karmic Wheel, experiencing the Universe, freeing the Soul of Humanity, sudden realizations, destruction of lies, curing of diseases, great scientists and people of renown will be born and the average person will be elevated higher than ever before etc. The Age of Aquarius also has to do with Truth, inventions etc. Nicola Tesla was a blessing to Humanity a Soul that came to give us the keys into the next Aquarian Age, which the enemy mage also destroyed indirectly, and promoted the shill Einstein. Tesla is the reason we have electric current and he is the Father of Electricity, worldwide, on the whole planet.

Most importantly; Humanity is seeking and finding its Divine and Kind root. In our Pagan and Ancient Gods, who created us. The enemy wants to destroy this, taint it and lie about it, so that we will lose our way. No Kinds, no Ancestral line, no feeling of belonging to our Kind, no different and Divine Future for each of the Gentile Kinds.

Adolf Hitler came as a representation of the Aquarian Age. Not as a insane dictator as the enemy claims. Adolf Hitler was love inside, and outside of Germany. He was a genius and a leader of gigantic proportions, loved in all corners of the Earth on his time, and beyond.

Adolf Hitler created a paradisiac state based on laws of nature, compassion, Kind understanding and with the aim of advancing Humanity and becoming a paradigm for others to follow. Everyone to one's own, guiding one's own Kind fate, free, separated, as Nature intended, so that Humans are happy and free and they advance on the timeline Nature intends. Humane relations and friendship, not in accordance to weakness, meekness and senseless mercy, but loyalty in one's Kind and higher purpose in existence.

He gave as much power as possible for the times to the common people, in education, sexual freedoms, the freedom of belonging, rampant advances in the health sciences, all technology, the creation of Jobs and pensions so people can retire peacefully, pinnacles of civilization like the Olympic games, mass industrialization, affordability of goods, affordable cars and housing, marvelous buildings that weren't private property but property for all, and above all, revelation of the magian criminal element worldwide. He

was attacked and the creation of these people destroyed, fiercely, with them being chased down to die brutally.

The enemy, 70 years after, wants a second round on destroying these people and wiping out the Hyperborean Kind. There hasn't been ONE day that Hitler's Name has been defamed and cursed. Why? Because Hitler wanted the best for his people and made up a high paradigm, that others could follow and overthrow the mage, and Humanity would return in paradise once again. Hitler went against slavery of both the Palestinians, same as the states like mage ruled England, who had occupied India and "colonized" it.

Adolf Hitler did another major thing. He brought Paganism in the FRONT. He guided people back to their Pagan roots. Imagine if all people in the world did the same, and found the spiritual atrocities of the mage. How much hatred would arise? Where would they be now?

Hitler however couldn't do anything alone, at this point, but he did the Greatest thing in Human history. He shook Humanity to wake up. The magian system made everything they could so that the manifold visions of these great men of the time, remained in vain. This is what the enemy thinks, that this is over. They happily over extended themselves to tell anyone about it. Now you see them whining all day about how they have been rediscovered, and hated again more fiercely than ever before, over what they have done. The enemy has no sense of justice. But Justice exists.

The opportunity to advance Humanity thousands of years was here, with people like Hitler, Tesla, Ford, Werner Von Braun (father of Rocket Science), Walt Disney and so many others.

Everyone in the planet would gladly benefit, except of the mage. Because the mage thrives by death, parasitizing and enslaving "progress". These people came with GIFTS to Humanity and they were backstabbed by the mage, who thinks themselves as cattle owner of Humanity. Therefore, the fact that THEY couldn't benefit, was ENOUGH.

The Hyperborean people did not come as oppressors or monsters. They came as liberators and enemies of the mage, who manipulates and destroys Humanity for too long. The people of understanding of Truth from all places in the world understand and have understood that the mage

must be dealt with. Everyone knows and is getting educated about this mutual abcess on the body of Humanity.

The mage emphatically and hatefully REFUSED. They would rather murder EVERYONE, than

allow themselves to live somewhere far away and stop parasitizing and killing the rest of mankind. Its in their nature. A flea cannot live without blood. So they keep devising more nefarious plans, catching up with the times.

The enemy however, still exists and they see all the above as a great opportunity to destroy and feast upon Humanity once more. They want to turn this Age of Freedom into an Age of complete and total slavery, through the fake frontier of freedom. However, when one sees "before" their veiled lies, you can see the Truth.

The Rabbis (Spiritual Guides of the magian Kind) state that if they are successful, what is coming for them is the "Messianic Era", upon which, the mages will rule a global state, each will own 2800 slaves, all the World's Wealth will be on their hands, people will be forcibly controlled by technology, and as thus, mages will be turned to "Liberated mages" and the World will become a paradise for mages, who will reign it from above, completely and forever beyond the reach of any "Goyim" (Gentiles) that want to reach them. Not only this, but Talmudic Rabbis have an actual, physical date for this.

This date is around 2150, where they say that EVERYTHING will be "paved" for the "Coming of the magian Messiach". Everything meaning, all cultures gone, all the people that are needed dead will be dead, all the religions of the World will be gone, history will have been wiped out, so that their "leader" will come and rule the remaining clump of Humanity, with a rod of iron, through a technological nightmare communist global state with the center of it, being Pissreal. This is not anyone's wishful thinking. This is the Bible and the Words of the mages themselves. The mages tried to halt and destroy science for centuries. Its well-known that Humanity was ascending higher and higher, becoming Gods of their own fate, but the mages halted and destroyed these, in Rome, Egypt, Ancient Greece and elsewhere. Now, because since of the times, they cannot stop this, they just want to use the times to their benefit.

The enemy just envisions a world like the "Matrix movie" where everyone is locked inside a virtual reality, or a world full of robots who will eventually steal off the work of all Human beings. This is the blueprint of Marxism, as Marx was the Son of a Rabbi and merely talked of the aims of his alien Kind. Then, Human beings will die of starvation and the mages will just keep a moderate amount of people on the planet, just to have them as their slaves, through technological means. All others will be destroyed.

All these are sayings of Rabbis everyone can find with one mere google search. One good instance to understand the upcoming Age, is the Internet. The Internet gave power to the average people to actually see the Truth again, but on the downside, we have the deepweb and the criminality inside it, or the enemy constantly brainwashing people THROUGH the internet, push all sorts of lies, etc. At the same time, they tried to censor, destroy and they actively admit they manipulate the internet, to turn it to their advantage. However, the internet has been the undoing of the enemy. WWW in magian Gematria is 666, which is the number of Satan, the enemy of the mages. Satan is hated because he gives freedoms, understanding and wisdom to Humanity. Satan is the Father of Humanity.

NOTHING WILL HAPPEN "ON ITS OWN". These are just POSSIBILITIES and TENDENCIES of the FUTURE to

COME. These are *NOT* set in stone in ANYWAY! Do not let the enemy fool you. If anyone let's up on the enemy, we are sure to experience the *END* of Humanity in this new epoch.

The enemy is also glaringly aware of their revelation and possible failure. This is why they all whine about our uprising and us finding Satan and the Gods. Through this return to Ancient Pagan—hood, we can return to our Divine state and normalcy, socially, spiritually, intellectually and in all ways.

As the Demons warned us about the mage, we have come to understand their message. Now Humanity must act on it.

One last thing. Right now, in the midst of this disaster, we had the great opportunity to be able to unite all people on Earth under a common Pagan banner, so that people must all

save themselves. This is magnificent. As the mage is a global element, the people who fight the magian contamination must also become a global element. We can only solve this

Kindly separated and together, by not forgetting our common root and the destruction the mage has inflicted upon all people on Earth. The matter of saving Humanity has become a global issue. This also involves the planet.

For all the lies of mages that exist in every household, every place in the World, there must also exist a Satanist, a Truth bearer, everywhere, in every home, country and state, to set their lies into the purging, once and for all.

May all the Satanic Souls be blessed, May

the Satanic Soul be Hailed,

May Satan bless our Effort! Now and

Forever!!!!

HAIL SATAN!!!!!!

Exposing the Cube Form of the Enemy

In original Hinduism, the cube structure is the center of the ancient Hindu Temple.

"The garbha Griha is a cube shaped room, without decoration...Only a qualified priest may enter this magical place to worship the image with flowers, water, lights, incense and offerings symbolizing the five elements. A narrow passage runs around the sanctuary, to be walked along clockwise." [1]

The entire Hindu Temple is built on either the Mercury square or Moon square mathematics to invoke these etheric qualities. The rest of the Temple is the sacred mount, which is built around and over the cube at the center. This is sacred geometry. The outer mount is built to generate energy and draw it down into the center of the cube. The cube is built in the shape of the earth element, which contains the energies of space, that of spirit, and thus all the elements. The priests' secret rituals in this enclosure are designed to connect into this energy and infuse it with the purpose of the rituals. This energy is then transmitted

through the energetic grids, which is why ancient temples are built on lay lines. The infused energies also connect with the energy and souls of the worshippers in the temple, which adds to the power, which the structure of the Temple magnifies. The cube shape, the Prithivi Mandala, represents Earth in Hinduism, as the heavens around the earth are squared by the four fixed points of the zodiac, which represent the four elements and directions. This makes the cross of the Zodiac, which is the cube unfolded. The outer temple is designed to represent the entire wheel of the

12 constellations of the Zodiac and their degrees. The cube of Mecca was originally surrounded by a circle of 360 Pagan statues, representing the 360 degrees of the Zodiac wheel, with the cube being the central cross of the Zodiac. The sacred rites were performed inside the cube temple, as it was a Pagan building originally. The other aspect about the cube shape of the Hindu Temple is that it was designed to tie into the energies of the planets by the grid it was built on and the images of the yantras of the planets, which are placed within the cube sanctuary. This ties into the energy of the constellations, Earth, and the energy of the elements. The cube is the grounding and channeling point for this power in the energetic forms and rituals. The cube is also the center point for the worshippers in the Hindu Temple who direct their energies into this space, which further infuses the power channeled by the cube. The cube of the Kabbalah is shown the same way, tying into the 12 constellations, planets, and elements. The Hindu Temple is built on the plan of the Purusha, the cosmic man, which is shown as the Zodiac wheel. This was stolen by the mages and turned into the Adam Kadmon later. The Hindu Temple's plan is witnessed in the Pyramid at Giza, at the sacred mount with the cube-shaped enclosures within the cavern where the sacred rituals were performed. The pyramids are aligned with Orion's belt and a major power point of the earth's etheric grid. The reason why Islamic worshippers pray five times a day facing Mecca is to direct their energies into the cube of Mecca. This infuses the energy of the enemy thoughtform, which they instilled within the cube. The thoughtform directs this energy into an enemy place, for them to draw down their "god" form and radiate it outwards across the etheric grid of the earth, drowning the world in horrific evil and negativity. They infuse this matrix with the death energy of countless ritual murders of humans and animals.

The mages place the black box on their heads, the Tefillin, as stated in the Kabbalah to act as the antenna to draw down the energy of their thoughtform "god". They place one on their arm, as the left side is magnetic and shown as the Goddess Shakti in Hinduism, thus creating more flow of power. The mages then "doven", which is rocking back and forth and side to side to open up an energy flow up the spine. The box on the head also opens this flow and opens the crown and sixth chakras. The sixth chakra is the command wheel of the mind. This all connects to make the energy and the mental intention of the energy stronger, and sends it out through the etheric grid around the earth. This is why the mages want Pissreal, and especially the Temple Mount, so badly for themselves. That is

the place at Jerusalem around the mount where the etheric grid of the earth is the strongest. That is why the mages claim they are copulating with Shekinah, the energy of their god form, to create magically during the Tefillin ritual. This is also why the mages are obsessed with wearing the Tefillin for protection. As an amulet, it connects them into their energy force and enhances their energetic body strongly. The Tefillin ritual turns the mage into a cube, like the Priest in the Hindu cube sanctuary doing the sacred rituals to infuse and direct the energies being drawn down and channeled through the etheric grid from the souls of the religious followers tied into the energies. As children, Hindus are infused with the energy-form generated by this religion during initiation rituals where the samkara, the ritual energy mark, is imprinted into their souls. They are also given spiritual Hindu names that tie into this as well. The mages go through identical initiations during their childhood, connecting their souls to their own god-form more strongly. This also includes being given a Hebrew name that connects into a specific verse of the Torah, which is the energy generator of their god form. The five books are the five elements, which fold into the cube. However, the magian god-form is based on the etheric grid of Saturn, which is why they raise the energies on Saturday: The day the influence of the planet Saturn is the strongest. The magian god-form is also, as the Rabbis state, installed based upon the etheric grid of the Kind soul of the magian people. "The mages and their God are one" is the basic and most important statement of faith and prayer in Judaism. As the Rabbis state, the mages are the manifestation of their god in the material world because their god-form is installed and generated on the etheric blueprint of their own Kind soul. Christians are also tied into the god-form of the mages. During the Christian baptism ritual of Christening, water is energetically infused by the Christian Priest to connect into this matrix and is then placed over the third eye in the shape of the cross. This is the energy point that rules the mind of the child, and the cross is the unfolded cube of Saturn in the geometric form of the blueprint of this matrix to tie the soul into this. In addition, they place a mark along the heart chakra, which ties the power into this energetic point to drain power out of the soul into the god-form. The heart chakra is the point where the energies meet going up and down the chakras. The priest also touches the ears and mouth while reciting incantations that invoke making people deaf and dumb, thus cutting them off from higher awareness. The mouth and ears connect into important nadis, which are energy pathways in the consciousness. This is all done while series of incantations are recited, tying people into the magian spell of the Torah. This infuses the samkaras, or energetic imprints, into the soul of the Gentile, making them a conduit for the enemy matrix of energy to connect into and act through to suck energy from the person. This makes the Gentile a slave and Golem to the magian god-form, thus farming the Goyim for Zion.

Exposing the Truth about Angels

The magian writings make it clear that the language of angels is Hebrew. One must know the name of the Angel they wish to contact, then repeat it over and over along with certain visualizations to create the connection to this Angel and get what they wish from such. The names are kept secret, and only passed on to other rabbis.

Why is this so? Because these are thoughtforms created by the Rabbis. The names of these Angels have either Yah or El on the end of them, as they are connected into the matrix of energy the mages have created with the Christian and Islamic programs. This also connects to the ten worlds on their tree, which they organize by the purposes they serve.

This is based on a certain type of Kabbalistic magic:

"Telesma: The energy that is put into a Telesmatic Image used to activate and charge the image.

Telesmatic Image: A created or visualized image [a thought form] or angel, particularly images that have been built up in the imagination using Hebrew letter correspondences. Each letter in the angel's name contributes a portion of the constructed image thought its esoteric associations." [1]

The highest name of their "god" is the "72 Angels" that make up the 72 Names of their "God". The magian "god" is a thoughtform created and operated by the top rabbis, which they admit in their Kabbalah. The 22 letters connect into and generate this thoughtform which is why all the names are in Hebrew. The magian "god" has the main names of HaShem and Shema in the Torah. HaShem is the 72 names. Shema is the Shema prayer, which connects the mages into their thoughtform and brings it to manifest in the material world. The Reverse Torah Rituals on these have been devastating to the enemy for this reason: Their "god" is just a thought created by Rabbis.

Greys' Involvement in Ancient America

Look who appears all over these ancient Mayan temple artifacts.

From the Aztec codex Chimalpopoca:

"The Toltecs were engaged in battle at a place called Netalpan. And when

they had taken captives, human sacrifice also got started as Toltecs sacrificed their prisoners. Among them and in their midst the evil YAotl followed along. Right on the spot he kept inciting them to make human sacrifices. And then, too, he started and began the practice of flaying humans...Then he made one of the Toltecs named Zihcozcatl wear the skin and he was the first to wear a Toltec skin. Indeed, every kind of human sacrifice that there used to be got started then.

For it is told and related that during the and under his authority, the first Quetzalcoatl, whose name was Ce Acatl, absolutely refused to perform human sacrifice. It was precisely when Huemas was ruler that all those things that used to be done got started. Huemas sacrificed a human streamer, thus making payment."

In the Codex, the original civilization given by the Gods, which is described as blond-haired and blue-eyed, ordered them to never commit human or animal sacrifice. In the Codex, the Quetzalcoatl here is a title not of the Nordic God [Satan] but of the Priest King of the time, who kept the law given. We see in the Codex that later rulers started to make deals with these other beings, described as being evil. In return for power and earthly favors, they offered blood sacrifices. The name of this being is YAh-olt, Jau of Yau, Yao, is also a spelling of Yahweh who is also called Yah by the mages. Yahweh is a collection of enemy aliens. Yahweh orders human sacrifice and animal sacrifice in the Torah.

You can see the arrival of the Greys and Reptilians at later date in the South American histories:

[Ley Lines, Earth's Alien History and mages](#)

by [HoodedCobra666](#)

When the Gods were leading the planet, they went and instated the temples with the friends humans on the Ley Lines of the planet. They calculated these sites with means such as extremely advanced technology, which is spiritual and material. Part of this is how they taught people about astrology, measured the stars, heavens, and generated natural calendars and taught the first humans many other things.

In the Golden Age, it appears very obviously that these beings were in many places where there are Ley Lines. One Ley Line is Machu Pichu, another one in the Giza Pyramids, others pass from the middle of mountain Olympus, while others extend in the Middle East, down to Mount Kailash in India. All these temples were linked and

the Gods were teaching humans to maintain the active energy grid that constantly kept the planet not only very safe from outside danger, but prosperous as well. This time was also called the "Eternal Summer" as the earth was producing plentifully, all the time, and animals were also existing in plenty.

It appears that the fact the enemy overthrown this grid, also affected the weather in the last 10,000 years or so. But this is only a minor speculation. Generally what is obvious is that the so called "CIVILIZATIONS" of the enemy, are a pollution, so much materially, as physically. While Gentiles possessed power in their civilization, there were never environmental disasters, even after the Golden age. The mages have been ruling the planet for around a few centuries and the planet is at serious and deadly risk, because of the technology and type of 'evolution' the enemy seeks about to create.

While for the weather one may not say for sure. What's for sure is that it destroyed the vibrations of the planet all together. Part of why the world was way better on these times was because of upholding an external system with this knowledge. Which is done basically through people who are ascended and do this actively.

The Golden Age is said as the age when no human being hungered, and the earth was everywhere fertile, and people hardly had to labour to achieve anything because the level of existence was very high. Even labour felt relaxing as a result of a very high level of existence overall. The astral and the physical worlds were also very close as well, which ensured quicker manifestation of goals and in general, the definition of 'paradise' as people can imagine it. Free energy that is wireless seems to also have been the norm, in methods not even imagined by science today. How this was maintained was through spiritual work, and this is a very advanced approach on matters. Reality is based on vibrational fields, not merely machines and so forth.

This approach to life has been 'lost'. Well, for the 99.99% of humanity, that is. Because the rest of the 00.01% know how to use these energies and they do, at least in part. The enemy does not possess the actual knowledge to run a planet spiritually like the Gods did, but they have a different evolutionary method that destroys, pollutes, and enslaves species, which unfortunately seems to have also worked for these parasites for a while. This is the enemy and their lackeys, who are

abusing a fake system set in place of the above system for personal gain, spiritually, what we call the "magetrix". This is done in allegiance to the enemy who is monitoring this farm they are trying to create of planet earth.

The farm is operated with the psychic level, down to the material, where is the societies as we see today - Kindmixing, decay, pollution, and the few civilizations that are escaping a bit and become better, are pulled in the cesspool violently and forced to comply with the 'general rules'. For this to happen, there has to happen drastic degeneration of the species of the planet. Some Kinds fell quickly others persisted for thousands of years, but as you can see now, disaster came for everybody sooner or later.

The late Egyptian texts from like 2500-3000 years ago, mention of this massive degeneration taking place like a plague that was spreading in many places both of Egypt and other places in the world. Others just said the Kali Yuga or the age of darkness was arriving, but this has nothing to do with the astrological age. The Gods created themselves this grid system to protect us exactly from situations like that. Everything would have been just fine if this system was still up.

For people who live in places with temples, the Ley Lines still pass from these temples. In many cases, Pagan sites and Pagan temples were destroyed by the Christians and were replaced. One major replacement is the Kaaba. The Kaaba was a Pagan monument that had 360 statues around it (the 360 faces of the Zodiac), divided in 12 (the 12 houses) and so forth. It was a monument created specifically to project specific energies. Even the Cube is a stolen shape by the Pagans.

Other types of architectures were used, such as the Pyramid, known well in Egypt. The upper dome of the Greek style temples was a triangle to show the Pyramid as well. This was because the issue was channelling spiritual energy. In the Pan-Satanic religions, people went on the common holidays all over the world, chanted and did their rituals to keep the energy grid going. Then the war happened and many of these sites were abandoned, and the grid started dropping.

The enemy over centuries and slowly, went at these places, and corrupted them. This is easy, as this involves firstly the corrupt of the individuals who go there (Reptilian/magian offspring is using these places now like the Saudi Family in the Kaaba), but also corrupting the place itself. The Kaaba is filled now with Quaranic verses to bless the mages and tie into this vortex. This is one part of it, as the

three main hoax religions are linked through the Torah, the Bible, the Quran and the magian Kind as a whole.

Rabbi Laitman says that the mages came from another planetary system. He says they are coming from another universe, to conquer the people on this planet. As another most reputable and higher ranking Rabbi named Ariel Tzadok said in Ancient Aliens (S07E01), the angels of the bible are reptilian alien species. And as it's well known from the Torah, these aliens created 'mankind', which the mages use as a code to mention themselves, only around 6000 years ago. Only they are 'human', the rest of people are living garbage.

From what is mentioned also in the bible, the patriarchs of the mages basically came to be from taking Humanoid DNA and doing experiments to create something that looks human materially, but has Reptilian genetics, or what the mages call in their internal Kabbalah the spirit of Elohim. As such

Rabbi Laitman says as well the mages are the infiltrator Kind, and they look like the nation in which they are, but they are magian. Modern science came to prove this fact that magianness is a factor that deals with few genes, which manifest as a big, rat like, or in some cases Reptilian, strain in the rest of the blueprint. Elohim is also the codeword for 'those that came' and created the magian Kind. Therefore Biblical 'human history' only reflects the magian history basically.

The Torah is the series of battles they went in to destroy each centre of civilization that existed on the planet and ruin it, finally subverting it to "God".

Part of which is how the mages arose out of nowhere on the planet, were created and grown by ETs, got their memory wiped out, and were sent to infiltrate civilization to overthrow it completely. For this reason, while all people on earth also had a land, the mages never had a land or continent for themselves.

They just appeared in the middle east and started claiming and shouting about their bargain with ETs, that if they subvert the planet, the land of Palestine would be given to them. After exterminating all the enemy tribes in the region. This would be the bargain to enslave the planet, destroy all humans who are opposition to their alien flick, and impose a massive slave-order. When this was manifested, this would be the magian 'messianic era' for the enemy. This is very well known by Rabbis and they keep people motivated for this work to manifest.

As it's known from UFOlogists and other people, alien Kinds who are scaly and look like reptiles (The Reptilians) and others like the Greys are those who many people call as "Angels" are only half-terms. As stated above Rabbi Tzadok in 'Ancient Aliens' threw the lid off of it completely, these are just alien species like Greys who assist the mages. Psychic people like Crowley have seen these Greys face to face.

As it's also very well known, the Abrahamic religions are creations of the mages. Which essentially just program people who are "Pagan" (i.e, from our Satanic/Pagan Gods) to become slowly an emulation of a slave of the mages. This is the purpose of the enemy religions. Tying the cattle on the grid, to pull the matrix vortex so that in the end they get sucked in and die while also delivering the planet to the enemy. The enemy being parasitic is extremely dependent on the mind-energy of the people and in programming them to achieve the enemy's goals. So as you can see the less religious people are, the more the enemy panics and forces this to happen.

While the enemy keeps copying our work and goes after us to try to maintain this whole magickal operation, there are two fundamental things that will allow us to win. One is that they do not have the in-depth knowledge on how to maintain this grid of their crap, and the second reason is that they are not really powerful to rule this world. They are standing on things achieved with people who have had power. This is what makes them dangerous. However even these problems can be solved.

If it were not for these constructs and that knowledge they stole, they would be destroyed in a decade, all together. However their material establishment is their major saver. However the weakness of the enemy is that they rely on a deliberate program which they are running on the world, that is their Torah and their filthy crap. These are the key to tip the whole game over. For this reason we are doing the RTRs. The huge waves they are using, one puts cyanide in them (RTRs)

and they have no choice but to drink this in order to maintain their rule on the world. But this very process is what will destroy them in the long-term.

If they were to stop, they would fall. So it's a matter of fighting and time on our behalf. As we go, the enemy is also getting destroyed on the higher level, giving us a footing to finish this thing all- together. For this reason we also have to keep

going as there is no time to waste, and no time for worry or useless doubt. We have to fight and remove the enemy from their position, and then, the world will be free.

Mars, Phaeton, and Earth

A high level Soviet scientist who fled to the west reported the finds of a satellite that the USSR sent into space to Mars. This was kept top secret by the Soviet government. What the Soviets found was identical to the photographs from the American Viking spacecraft. Some of the photos from the Soviet satellite have surfaced, and they show structures on the planet of Mars.

"A Soviet scientist who defected to the West claims that photographs taken by an orbiting satellite clearly show the ruined temples of a civilization on the planet Mars.

The 58-year-old scientist was a high echelon member of an elite team that has worked together since 1961 when Vostok 1 carried Yuri A. Gagarin as the first man in space.

The photographs are computer enhanced and in full color. The detail they show is far beyond anything produced in America. And there is no mistaking what they reveal.

The city scanned by the satellite's camera is three times the size of Moscow and it is ringed by wide boulevards, one inside the other and linked together by smaller avenues, like the spokes of a cartwheel.

The temples must have been huge. Most are in ruins, as though crumbled by a tremendous Marsquake. But some still support slate grey domes that measure two to four miles in diameter." [1]

In the 1970's two American journalists were allowed into the Soviet Union. They interviewed a series of Soviet scientists including those dealing with matters of outer space. They were flat out told that the Soviet scientists had established

there was once a planet between Mars and Jupiter which they called "Phaeton" that had been destroyed, and this planet would have supported life identical to Earth. However, the lead scientist had died suddenly and his work disappeared. Yet this fact has also been established by western scientists as well.

What happened to Mars?

From reports of those who studied the photos, there is evidence that the planet was subject to a massive war:

"I'd seen; in examining the City under the magnifying glass, I'd viewed direct evidence of melting and flow on the Main Pyramid within the City. In addition, there was the apparent massive destruction of much of the southeast direction of both that structure, and the equally puzzling "Fort" - and of forces which had, somehow, apparently completely vaporized [or blown off] the "roof" which must have originally covered up "the honeycomb!"

Then, there was the strategically placed "impact crater" in the south-eastern flank of the D&M pyramid, and the equally suspicious "domed uplift" distorting its geometry. Was this the work of a kind of "rocket-borne explosive"- which had penetrated the interior of the pyramid, and then detonated leaving an exit "blowhole" type crater, and severe internal structural deformation?"

I explore with [plasma physicist John Brandenburg] the kinds of craters a nuclear exchange would leave behind, and the "statistical anomalies " of so many craters on the objects of most interest like the Face and the D&M pyramid.

It was his suggestion that, if craters on this part of Mars were "artificial," there would be a way to tell because nuclear explosions [as opposed to meteor craters] would be shallower... On the other hand, he said if the crater produced in targets in the lab as part of the new space defense initiative tests were deep not unlike meteor craters themselves a direct result of the way they were produced: Exotic particle weapons "burying" their energy deep within the targets.

The Xenon found on Mars, a nuclear byproduct not normally encountered naturally? What Hoagland has clearly implied is that the Cydonia region shows every sign of having been deliberately targeted and destroyed in a war, a war that notably was fought not only with nuclear bombs, but exotic energy weaponry, weaponry recalling the plasma discharges of Anthony Peratt, and the ancient petroglyphs. Cydonia, in other words, constitutes not only strong prima fair evidence of a civilization on Mars, but also of a war, a cosmic war, that destroyed it."[2]

The Hebrew Torah states that their "God destroyed worlds," and there were other worlds before Earth that were destroyed by "God." The top magian rabbis (not just Laitman) state that the mages came to this world from "out there," meaning extraterrestrial planets.

The physics of current plasma weapons and science developed now was laid out in Farrell's own book on the subject, "Cosmic War" which proved that Phaeton could not have been destroyed by natural forces but by technology that includes the use of high energy beam weapons. These are identical to the movie "Star Wars" with the "Death Star" that was used to destroy an entire planet. The

strange thing is that the Death Star was made to look like the moon as the evidence shows the artificial moon of Saturn, Iapetus. Remember in the movie Star Wars the Death Star was also referenced as a moon by the main characters as they approached it.

Compare the moon of Saturn which the evidence shows is artificially built, next to the Death Star from Star Wars:

It might be that this possibly artificial moon was a battle station used to destroy Phaeton? There is evidence of artificial moons around Mars, and our Moon is artificial and covered in structures as is the Mars moon Phobos.

And what is found on Saturn is there are AI ships maintaining and building the rings around the planet. This was exposed by:

"Dr. Berggrun's ultra rare in which he reveals that NASA's Voyager I (1980) and II space-probes took photographs of an estimated 7000-mile-long elliptical (cigar shaped) craft orbiting in the rings of Saturn."

What about Earth?

Something to note:

Tibet

"Sanskrit documents discovered by the Chinese at Lhasa are claimed to obtain direction for building interplanetary spaceships. Flight to the moon is mentioned. The Chinese had stated that certain of the data were being studied for the inclusion in their space program." [3]

The Tibetan civilization was found to have records of interplanetary flight as well as China. There are numerous Sanskrit texts that mention the "Vimanas," and some of them are said to be able to travel into space. The Sanskrit and Sumerian texts mention the sky once being filled with the Vimanas as normal as planes flying in our skies today. Numerous finds from the Gobi to India to the Middle East show areas that were hit with atomic weapons; this includes the finding of ancient skeletons in the Ganges region around Rajasthan that are fifty times above the level of normal radioactivity, and numerous ruins in the Gobi and Ganges region that show the effects of Atomic weapons. The sands of the Gobi are full of ancient glass which resembles the effects of Atomic warfare. The Tibetan texts mention a war in the Gobi region that caused the destruction of the area, and the forced migration of the survivors further west into the Middle east and beyond to Europe. The Kind described was Aryan Peoples. The Indian texts mention the use of Atomic weapons in the Ganges and Rajasthan regions.

The ancient Sanskrit texts talk about an intergalactic war fought between the forces of the Devas (our Gods) and the anti-Devas (the Reptilians) whom the top magian Rabbis called their Gods or the Elohim. It might well be that many humans on this planet are the descendants of survivors who made it out of Phaeton and Mars in time and came here. If one studies the physiology of Aryan people, the plain fact is we didn't evolve on this planet. Is it that we were genetically created on this planet by the Gods, or is the reason why we just sprang up also that we came here from the other worlds which we lived on. Or maybe both.

Nazi UFO

As the German scientists on Project Paperclip stated, they did develop these ships during the war. However, you can see in the Vedas that the ancients had the same ships, as Hindu leaders who were Vedic scholars such as Prabhupada stated the same thing.

The shape of the ship is round to put a mercury ring within it that spins like a chakra (chakra means sacred wheel) and generates what is now called a Taurus Field within and around the ship that allows the ship to operate. Now, NASA goes into space with the rocket ship and the astronauts suffer horrible side effects of zero gravity that destroys their physical body.

The earth spins and this generates a Taurus Field around our earth that creates this force we require to live and be healthy. The design of the saucer has the spinning wheel that generates the same energy field, the Taurus Field that allows for beings to travel through space and be fine. That is how nature exists and how organic technology operates.

Our current science is devoid of anything realistic and is operating on aberrant and magian thinking, as Telsa stated. We are not going anywhere positive with it. Take a look around technologically and scientifically. We are living in the 1950s but with computers. This is because the mages have held us back. Remember, it was the mages that destroyed Telsa and destroyed the careers and lives of numerous geniuses from science, to medicine, to technology to maintain their control.

We should not be using combustion technology that is dangerous to our planet and health. The mages are the ones who maintain this paradigm for power and economic control through wealth.

This also proves that we live in an energetic Cosmos, not the stale inert soulless one that the false science of magian materialism claims. The mages have worked to suppress knowledge of nature and the nature of the soul, even by putting taboos into science about studying spiritual, psychic subjects, and working to remove the memory and work of famous scientists who in their day studied this subject and reported positively on its existence and demanded to keep studying this subject, as it is of vital importance for human knowledge.

You can see from living on earth, the earth is round and it rotates.

Just look at the phases of the moon and how the sun rises and sets. The idea of longitude works, and so does the Math that accounts for a spherical Earth that rotates.

They know from the full moons in the different hemispheres that the earth is round as well. The Greeks, Egyptians, and Sumerians also knew the earth is round. We know from videos and pictures of the earth from space that it's round and it rotates.

This person thinks they can get into a plane and literally fly off the edge of the flat earth into outer space..... Why? Cause the bible says so. Flat earth is taken from the Christard creationist society founded in the last century.

For more information, read the article on Satan's Library dealing with this Flat Earth subject and how it's a form of mimetic warfare being pushed into the truther world by dubious characters.

[Orion, the Galaxy and Our Gods](#)

Despite the cover ups of the enemy, the facts and Truth cannot be kept within a box of magian confinement of lies. The mages have spent all the time of their existence trying to cover up things and make the facts of our past be lost.

Destroying one's roots and past is a necessity in rallying a people, or anyone, into enslavement. This is done deliberately in whole countries, and sometimes based on beliefs and things one knows. Imagine how easily one can control someone with Alzheimers, and this is how easy one can control or ruin a country similarly by wiping out its memory, or replacing it with something else.

Our Gods are extraterrestrial beings. Behind what is called religion, there is only one thing, and this thing is knowledge about the universe. This is why before the Abrahamic religions, the term 'religion' did not really exist. It came with Abrahamism and magian crap, that they denounced our systems in the derogatory name of 'make believe religions' and their own internal magian system as the 'truth'. Gentiles also, have had the Truth.

The approach is different, however, the messages always overlap in all ancient cultures and show to the same place. One example here is the Pyramids, all of which are aligned to Orion. In Egyptian, the Serpent Kundalini was called "Aureos". This word existed also in Greek, where it was called "Ouraios" which means "He of the Tail", or "He that exists or Resides in the Tail". "Oura" means tail, and "Ouraios" simply means Tail Resider. "OUROS" means Guardian, or Protector. Similarly, the Serpent was looked upon as the protector and guardian of the Pharaohs and those who were spiritually on a high level, and had risen the Serpent.

In the same language family, ORO means I see in Greek. The Greeks called Horus (Sun God), Oros. Oros relates to Horus, and both deal with the All-Seeing Sun, as

the Sun rays touch the whole surface of the earth. Oros also means mountains, or he of the mountain, the one who resides in the mountain. Even in India we have the story on how Adi Yogi or Shiva came down from a mountain, and this is not in anyway different. Oros also means "The Term", for which, we have the terms of the Gods, their spiritual inheritance, for which, if we follow, we are blessed and protected.

Now, Ouraios also in a slight alteration means Beautiful. Orion is also a related word from the same family tree, which is, what we all know, the Orion constellation.

Orion also sounds the exact same as the word Boundary. This is also called "The Limit of the Sky". This limit does not have to do with us, but rather, the limits which the Gods have set interplanetary. It appears from all the glorification and all the need to point all these meanings out, and keep them alive in all our ancient history, that our planet is under some sort of protection, from those in the "Boundary". The Pagan Gods, Satan and the Gods, are also the original "Ourei" or "Watchers" and "Guardians" of humanity, and also, from the same word family, the "Serpents", "They Of the Tail", "The Beautiful".

Satan and the Demons are called by these names in all ancient Pagan literature, and even in the literature of the enemy. The more pronounced word of all, being "Demons". Then they are called "Serpents", then they are called "Those residing in Hell" (Tailbone=Base Chakra or Hell), and they are also called "The beautiful", with Satan being called "The Most Beautiful" even in the slander book of his enemies.

In the bible the mages, even during the middle ages, they knew and had analyzed of hidden Torah code that had to do specifically with cursing the Gods, and also, other star systems. There are numerous inhabitants of certain 'stars' or star systems cursed. As rabbis reveal their so called 'religions' which are contrary and alien to our own ones, are simply, just another system of alien governance from other aliens, meant for this planet, to enslave all living beings on it, or simply try to destroy the beings if this fails.

The enemy has done everything they can to muddle the waters, which, when one knows the simple facts, everything becomes too obvious. All the civilizations the mages have hated and attempted to destroy were literally based around Orion in every way.

Then somehow all the magian alien theorists say all the bullshit about how in Orion live the "evil guys" who are a 'threat' to humanity, and how all the "good guys" reside in all sorts of cucked, "muh love" systems around the galaxy.

The middle ground between who takes power and what influences there are, is decided by the intermediate buffer of a spiritual level, which has physical manifestations. The Gods teach us, give us the RTRs, and all the knowledge to take the enemy down, and so does the enemy conspire with their own servants to bring about their desired system.

We can win this, we have the most powerful allies.

Yea must be also why all the most glorious and grand Ancient Civilizations literally were all based after...

Some ugly reptilians from Orion, and the toilet aliens like the Greys. It should be clear... And not the obvious the humanoid Nordic Gods who are in every inscription, wall and painting.

These lies are for the stupid and the undereducated. One flips some pages in any decent history book and you see Orion.

There are greys and reptilians in all civilizations that went down, were ugly, and did living human sacrifice. Like the late Aztecs before they crumbled. This is where the favorite greys and reptilians of the New Agers come in place.

Oh, and instructing Rabbis personally on how to make this planet into slave cattle and keep the meme of Rabbi Jesucks going.

The same guys that said "oy vey in hell is the very evil ugly creature Satan with the horns which opposes Christification and force equality"...

Now just say "oy vey in Orion are the bad and hateful and very ugly aliens that oppose muh Intergalactic Communism".

Same shit, different era.

Where do you see it a lot...

In Meth-heads who are a walking KFC factory product shitter and say they are "star seed" from another galaxy? Who say they are from the real Wakanda? Or like some other overweight jumbo who sells you star-seed-shit books telling you about how things are back in their planet in the KFC constellation named Andrew Hyperborean Cohen or something.

Wow, we have so many "advanced souls from other galaxies" here, in this very planet, but we are still shit monkeys who cannot put 1 and 1 together and understand we are under occupation by a middle eastern hybrid Kind that communes with evil entities to enslave the planet.

But at least, we have MUH CRYSTAL CHILDREN or something.

Please get real and see the world as it is.

How are they "helping" us? I see nothing from these so called "people from another constellations".

Re: Orion, the Galaxy and Our Gods

That really is a strange nuuuu age trend the Light Workers, Star Seeds its good to know that all these claimed really advanced people incarnated on earth to post on face book to tell everyone to worship jeboo in a new age moomoo and eat the Tofu, drink their piss and do drugs. Earth is now liberated or something.

Rabbis Admit Our Gods Are Physical Extra Terrestrials

The text of Rabbi Yehuda from the ninth century, which repeats much older magian texts, is still mentioned by high ranking Rabbis today. It states that the "Fallen Angels" were actual physical flesh and blood beings with superhuman spiritual abilities. And they created a Human Kind on earth. The Rabbis also admit some of the advanced Kinds to have been on this earth came from the galaxy of ORION. Nephilim means "The Sons of Orion". These are the Nordic Kind of Gods from Orion:

It's well documented that the magian "Fallen Angels" are stolen and corrupted - in layman terms, a mageed historical account of the God Enki and the 50 other Gods or Sages that came to earth from Orion. The mages state Gentiles are from a Satanic blood line which Satan is the physical leader of a Kind of physical extra terrestrial Gods that fathered Gentiles.

"Fallen Angels" are corrupted from Sumerian Sages of Enki.

The ancient seven sages of Sumeria who were under the direction of Enki, the Apkallus who taught mankind the knowledge of spirituality and civilization, were the actual "Fallen Angels" who came down to earth from heaven in later magian rewritings:

"Apkallus were said to have taught antediluvian sciences to humanity and so, too, were the Watchers. As one scholar concludes, however: "The magian authors often inverted the Mesopotamian intellectual traditions with the intention of showing the superiority of their own cultural foundations. [thus]... the antediluvian sages, the Mesopotamian Apkallus, were demonised as the "sons of God" and appear as the Watchers...illegitimate teachers of humankind before the flood." [1]

Enki was also called:

"The serpent Lord was Enki, but in parts of Chaldea he had been called Shaitan..." [2]

So that is where the concept of Satan and the fallen angels is corrupted from. Enki and the Apkallus. In Sumerian writings they are also called: "The fifty who went with Enki from heaven to earth." And "The fifty Annunaki of Eridu." Which is Enki's city in ancient Sumeria. Note the 50 is symbolic of the fifty petals of the chakras of which the ancient Sanskrit alphabet relates to. This is also the serpent energy and the chakras. From Heaven to earth from the crown chakra to the root chakra, the city is the Purusha, or the cosmic man. It's symbol of the entire being, both the energy bodies and the physical body.

The early tales of Genesis are stolen and corrupted from the Sumerians. Enki created Adamu with the red clay of the Apsu and breathes the breath of life into him. Later the mages stated Yahweh creates Adam with the red dust of the earth and breathes the breath of life into him. They then place Enki in the role as the Devil instead so they can butt in with their own evil agenda. The original sin they inserted in the Garden of Edin (a Sumerian term for the abode of the Gods) is that of Daath in Hebrew, which means the sexual union of the male and female chakras (Adamu and Eva), which is done by the serpent energy which Enki symbolizes. This is the Magnum Opus.

The Tree in the Sumerian Garden of Edin is the Mish, or Gish Gana tree of life, the symbol of Enki of which the waters of the Apsu flowed through the serpent life force.

The Seven sages of Enki also symbolize the seven chakras, and the Apsu of Enki is the body and soul, the energy bodies the nadis the energy pathways that flow with the cosmic waters of the life force. The seven sages wear the symbolic fish imagery to show this. The fish is another way of showing the energy of the life force. Enki taught Mankind the Magnum Opus so they could ascend and

become perfected and immortal like the Gods. This is what the enemy considers the original sin. They want spiritually helpless slave Goyim to serve them as God.

The Yezidhis were part of the ancient Sumerian civilization and they still worship Enki as his ancient name of Satan. They also state they came from ancient India, and there are words in their language which only appear elsewhere in the Sanskrit Vedas, the original Vedic Sanskrit. And they have stated their God is known as Murrugan in India who also has the serpent and peacock:

"Enki is the Middle Eastern counterpart of Murrugan, whose symbol of the Makara, a creature that is half fish and half antelope, is an eastern version of Enki's goat-fish, the Kerabu. The Makara and Kerabu are both symbols of the first sign of the Zodiac, Capricorn, so Enki-Murrugan, the primal life force that began the universe, eternally begins the astrological year." [3]

Murrugan is an ancient title of Shiva and the Hindus state that Shiva created Adimu and Eva in the Garden of Paradise in ancient Sri Lanka before the flood when it was still a larger continent. They state Shiva and the Gods had a physical presence on the earth at this time in Kumara Kandam. They were in this place in the first Sagha and taught mankind the knowledge of the serpent power yoga and how to ascend. The ancient Ayrans stated they came from this place originally but moved outwards after most of the original land sunk. They migrated to North India, and outwards. The Yezidhis are called the blonde bloodline.

The ancient American records have the same account as the Sumerians of identical looking sages led by the Hyperborean God Viracocha arriving and teaching them civilization. The image of Viracocha is a Hyperborean Man with a beard dressed in the same way you would see in Sumeria. These are also called the Votans in other places of ancient America. Votan is the ancient name of Shiva in the east. In Sri Lanka, Buddha is called Wotan and this is originally a title of Shiva. [4]

Regarding Biblical "Prophesies"

Something I need to bring to everyone's attention, especially for those who are new to Satanism is concerning biblical prophesies. Please read this and know it. I don't have the time right now to do any research on what I am going to write below, but I strongly suggest that any of you here who have any doubts and/or worries to do your own research. There are plenty of websites online where you can find proof.

There have always been "earthquakes" "pestilences" "famines" "plagues" and above all, weather disasters and related. I was just watching the news and the unusual warming in Alaska and the snowstorms in the Eastern US, etc., were highlighted. Back in 2008, given my own experience, I noted how

the commentators for the Beijing Olympics stated several times how the Chinese were able to stop rain by controlling the weather, as no one wanted rain for the Olympic Games. They were successful.

Now, given the above, and how science has progressed and is now progressing at a rapid rate to where many are unable to even keep up with the plethora of technology, it is glaringly obvious that humanity has advanced to where the weather can be controlled. I also want to add here that the so-called "New World" being the Americas was not fully populated and did not have an extensive written history until give or take, some 400 years ago. Major earthquakes, droughts, hurricanes and other natural disasters were not recorded and did not factor in as they do today. This right here is major in the way of giving the amount of natural disasters and also, the media today is much more extensive in both covering this type of thing world-wide and in broadcasting it.

My point here is these natural disasters are NOT "An act of God." Scientists can now control the weather and even create this sort of thing. Scientists can create natural disasters and as most of us know, can create plagues and other biblical crap. Sadly, many followers/victims of Christianity, Islam and related are fooled into believing these events to be predictive of "the end" and this works well for the enemy in bringing in more victims to their nefarious program, due to a lack of knowledge.

The entire Judeo/Christian Bible is nothing more than a powerful subliminal. I have said time and again and will repeat myself for new people here: there is NOTHING SPIRITUAL about Christianity, Islam and their magian root, other than the magian root is in control and at the top, the mages use occult power to keep these nefarious programs thriving. The mages become "God" and as most of us are aware, they DICTATE. They are always telling us Gentiles what we are to do, what we should think, how we should think, what to believe and everything else. THE mages DICTATE. Idiots jump up and get to it. They readily carry out the orders given by their magian masters. The Judeo/Christian Bible is NOT a "Word of God"!

The book "Eye to Eye: Facing the Consequences of Dividing Pissreal" by William Koenig is very revealing, though the author himself [Christian] is very deluded. Anyone who is familiar with witchcraft and the workings of the mind and soul, rituals, etc., can see through this for what it is.

Many of these so-called "prophesies" were put into motion centuries ago BY HUMAN BEINGS. Christians and even more so, Muslims [as many Muslims are in third world countries where there is a high percentage of illiteracy] and have no knowledge of the workings of the mind and soul. Anyone who has any knowledge related to witchcraft in Muslim dominated countries is

murdered if they are found out. As I stated many times before, Islam and Christianity are murder and death focused programs, that have their foundations built upon genocide, mass- murder, torture, death and living for one's death, destruction and violence.

Nothing more. Everyone always has to be sorry. The biblical subliminal is everyone is born into "original sin" everyone is in debt and everyone owes. So, everyone must pay the mage.

I remember seeing a movie a very long time ago "Little Odessa" where the magian father says to his son. "Rueben! Do your homework! Don't be like some dumb goy in our neighborhood!" "Dumb goy" They feel they have the right to slur Gentiles as they please. No one ever really says anything against these magian "masters."

Most of you already know, that is how they look at us- "stupid goyim." They feel they have a "God-given" RIGHT to dictate and tell us what to do and to use us as slaves and then throw us away. Disposable human beings.

Don't be an idiot. KNOW the truth. Take the time to study, learn, and find out about things. The only way a lie and hoax can be successful is if the victim/s do not know. Satan stands for knowledge. Don't be duped! Know how the mages work. These so-called "prophesies" are also highlighted and promoted by the magian-run media, movies, books and TV shows to keep the subliminal going and to keep these lies alive and thriving, bringing in many more victims. The mass-mind is very powerful. The torah is the magian life-line and the Christianity and Islam programs for Gentiles are the bulwark in giving power, belief, and energy to the magian programs.

In addition to all of this, and my main point here for this article is; you think the magian scientists at the top aren't going to try to control the weather, create plagues, pandemics and natural disasters [which they now have the technology to do so] to make those biblical prophesies appear to be real?

They have controlled NASA for one, for decades. They work to control everything else, especially any program or organization of importance and influence, so go figure.

The sciences, advanced education and learning and everything else including sex, the mage works to rot these out from the inside, turning a positive into a negative, tainting everything and abusing freedoms and everything else to destroy civilization and humanity. Everything intended to help is turned by the mage to destroy and transformed into something nefarious and very ugly.

SATAN STANDS FOR KNOWLEDGE, EDUCATION AND ABOVE ALL. SPIRITUAL LIBERATION AND INDIVIDUAL RIGHTS AND FREEDOMS!!!!

So, ask yourself, just what is so "evil" about wanting to be free? Many people are so indoctrinated; they can see the truth at all.

The Holy Bible: A Book of magian Witchcraft

There is nothing "holy" or anything for spiritual advancement or the betterment of humanity in the bible. Look to the numbers, the books, the scriptures, and the contents and you will see it for what it is really for; it is a book of magian witchcraft, of which they use liberally way at the top, to advance their agenda and to enslave the masses. The whole point of this article is to explain in every day simple terms on how they do this.

For those of you who are unfamiliar with spirituality and the workings of the mind, known as "witchcraft," I am going to explain this so you can understand how this works. Look around you; everything you see, your computer screen, your chair, your bed, your furniture, the cars outside, buildings, windows...everything you see was once someone's idea before it materialized into a physical form in reality. Now, I also want to add in some instances, such as with science, for example storms manifest on their own; hot humid air colliding with cold, dry air for example, but the majority of everything here was once someone's idea.

Most of you are familiar with the cone shaped hats that classic wizards and witches wear. These often have stars drawn on them and such. The symbolic meaning of the cone is energy welling up to the top of the head. This is also symbolized by the Egyptian pyramids. Energy is needed to manifest an idea into reality. Energy is also like water in that it will take the easiest way out if not thoroughly directed. A conscious witchcraft working needs energy and the focus of the mind. The more important the working, the more it may take planning before doing it. By planning, I mean a date where the planets are supportive of the working [hence the stars on the cone-shaped hats], along with timing, and knowledge. The more forces working in harmony to support the spell, the better, especially the numbers, as life is made up of numbers...time.

The working is empowered by the right [female] side of the brain. This side of the brain rules over the subconscious mind and is also the passive side of the brain. The left side of the brain is the male, logical side that directs the working. The more energy that is directed toward a working, the more likely it will manifest in reality. Little things do not require massive amounts of energy, but controlling the world and what I reveal later in this article, do require the participation of the subconscious [female side of the brain] mass mind. The populace is unaware of this. This is the reason a Bible is in nearly every home, as it acts as a subconscious receiver and it has subliminal

power, a connection with the numbers, the verses and given the centuries of massive amounts of psychic energy being poured into it from believers, it has plenty of power. Believers subconsciously tie into the energy and unbeknownst to most, can be controlled this way. This is only a brief summary of how the powers of the mind and soul work. To learn more, study up on the subconscious mind, especially how some people are able to obtain the entire contents of a book by just holding the book and focusing on it, without reading it. This should give you some idea of the power the Bible has. This is another reason why Bible verses are memorized, as these become embedded in the subconscious, and this bleeds over into the mass mind, making the mass mind a powerful tool in working a spell.

In addition, many of you are familiar with subliminal messages. Most of us have heard or read about how popular advertisements, music, and other media use subliminal messages that are not usually detected by the conscious mind. We are unaware of them, but they do work and they do influence people. At the end of this article are links to YouTube videos that further demonstrate this. To further confuse and misdirect the populace, these workings such as the 9-11 are blamed upon Satan, but with a little research and study, you will find the opposite to be true. All of these are of the Judeo/Christian Bible. This is no different from the phony magian "Holocaust" Lie of the "six million." Note how the number six is frequently used [more on this below]. The endless media publicity and otherwise this receives, acts as a major distraction and diversion away from the real atrocities, mass-murder, torture and brutality committed by the magian communist program.

Some of you may remember here how after the 9/11 incident, many people were folding \$20.00 bills a certain way, as the twin towers could be seen in flames, given the bill was folded, then viewed a certain way. The \$20.00 bill is the most commonly used of US currency. Shortly thereafter the 9/11 incident, the \$20.00 bills were very rapidly replaced with a new version. They all disappeared very quickly. The excuse used before the public was that they could be easily counterfeited. The real reason was because of the design of the bill and the subliminal vibrations it carried.

The number eleven is a number of chaos, destruction, and disintegration, according to the bible. Because that filthy Bible is in nearly every home, so many people adhere to Christian teachings, and put their faith in it, like the \$20.00 bill, it is a very powerful subliminal tool, even more so than the \$20.00 bill, as it has been around much longer, and is international. Thus, when mages at the highest levels work their witchcraft in groups, they use the numbers and verses in the

Bible to accomplish their ends. From what I understand, some of the verses are vibrated in Hebrew in boustrophedon, meaning read in zigzag. They also bob back and forth when they "pray" in groups.

The numbers 10 and 12 in the bible are supposed to be perfect numbers.

The 12 sons of Jacob minus Joseph ["one is not" - Genesis 42:13] without whom the other 11 would not have survived.

Note* Genesis is the first book of the bible; Genesis = $1 + 42 + 13 = 56$, which reduces to 11. This is in addition to the verse itself.

King Jehoiakim [2 Chronicles 36:5-6] reigned 11 years before Nebuchadnezzar carried him away into captivity [his downfall and the end of his rule].

King Zedekiah [Jeremiah 52:1-11] reigned 11 years before Nebuchadnezzar imprisoned him, murdered his family, and mutilated him.

In the 11th year of the Babylonian captivity Ezekiel prophesied of the fall and the destruction of Tyrus, [Ezekiel 26:1-5].

In the 11th year of the Babylonian captivity Ezekiel prophesied of the fall and the destruction of Egypt [Ezekiel 30:20-26].

Note also in the above scriptures, if you do some more reading on them, they all rebelled against the magicians and were punished for it. The above serves as an example...there are many more.

Now, the number 9 is a number of endings and finality. Note how the biblical verses that emphasized the number 11, all related to destruction and fall.

I will not make this article too long, as I will have more detailed examples and such in the near future. The book of Job [suffering] is used to curse their enemies in many circumstances. The bombing of Dresden was carried out on the Christian holiday of Ash Wednesday and reduced the city to ashes. I could cite many more examples, but taking a look at how similarities all tie in, we have:

On 15 March 2004, there were exactly 911 days between the Twin Towers attack of September 11, 2001 and the bomb attacks on the trains in Madrid Spain on March 11, 2004.

Madrid, Spain has 11 letters. New York City
has 11 letters.

The American attacks occurred on September 11th 2001.

The Madrid attacks occurred on March 11th 2004.

There were 911 days between the American and Madrid attacks [$9 + 1 + 1 = 11$].

The Madrid attack occurred on the 11th Thursday of the year.

September 11th is the 254th day of the year $[2 + 5 + 4 = 11]$.

After September 11th there are 111 days left to the end of the year.

September 11 has 9 letters and 2 numbers $[9 + 2 = 11]$

11 March 2004 has 5 letters and 6 numbers $[5 + 6 = 11]$.

Each building had 110 stories $[11 \times 10 = 110]$.

The Madrid train attacks left 191 people confirmed dead $[1 + 9 + 1 = 11]$.

On September 11, 2002 the names of the 2,801 victims of the World Trade Center attacks were read aloud from Ground Zero $[2 + 8 + 0 + 1 = 11]$.

The Twin Towers standing side by side look like the number 11.

The first plane to hit the towers was Flight 11.

Flight 11 had 92 on board $[9 + 2 = 11]$.

Flight 11 had 11 crew members.

Flight 77 hit the Pentagon $[11 \times 7 = 77]$.

Flight 77 had 65 on board $[6 + 5 = 11]$.

911 is the number to call in case of emergency $[9 + 1 + 1 = 11]$. New

York was the 11th State added to the Union.

Manhattan Island was discovered on September 11, 1609 by Henry Hudson -11 letters.

Saudi Arabia has 11 letters. Afghanistan has

11 Letters.

Note how the vibration of the number 11 ties all of this in with the 9. Astral energy seeks the easiest way out and like attracts like. It is no wonder that Freemasons, who are controlled by magian powers, place their hands upon the bible during their initiation. Given every page of that evil Bible has the word "mage" "mages" "Pissreal" "Jerusalem" and related; the Nazarene and company- all mages and given the mages proclaim they are the "Chosen of God" and they are held in the highest esteem and exalted in the bible, no wonder they are so powerful and have secretly ruled over the world, unbeknownst to the masses, for centuries.

Satan, himself also showed me how these workings are like a domino effect. Once something is set into motion on the astral, the energies put into motion

seek out like energies and things tie in. With the strange and eerie coincidence of the numbers [this is only a sample, there are many more], this reveals this is not a random act, but a dead giveaway that this was an occult working which was deliberate.

I would also like to add the magian emphasis on the number 6. Please do not confuse this with "666" which has an entirely different meaning.

Just be aware and you will notice what I am saying here. For example, the six million for that holoco\$t hoax, magian communism has its important holiday May 1st; 5/1; $5 + 1 = 6$. With this I could go on and on. Pissreal has 6 letters. Pay attention to the news and also history; anything connected with the mages and you will see what I mean. In the bible, the number six is the number of man without any spiritual power. The number 7 has to do with the 7 chakras and spiritual power emanating from these and spiritual perfection. 6 falls short. 6 is also a number of hard labor. Work was done for 6 days and the 7th was a day of rest.

"The number 6 is stamped on all that is connected with human labor. We see it stamped upon his measures, which he uses in his labor, and on the time during which he labors. And we see this from the very beginning."

The magian emphasis on and use of the number 6, sets up a vibration on the astral for the advancement of their agenda, their communist state and world order. Communism is slave labor. With the communist state, the mages become "god" and all spiritual knowledge is replaced with material atheism. Only the mages at the top know the secrets of the occult and they use their curses and spells on an unknowing, and helpless populace to whatever suits them.

Christianity in more ways than one is a stepping off point for communism. In addition, Christianity has made so-called "religion" into such a totally repulsive and vile concept, that many who are unknowing, gladly accept and promote atheism.

In closing, like everything else, this is all blamed upon Satan and the Powers of Hell by ignorant assholes. Most Christians do not have the intelligence or the strength of character to delve into the occult. There are also scriptures in that bible that the mages use to curse and frighten outsiders away from really getting into the occult. I remember when I was new to Satanism, I had a bad experience, but this only drove me on and heightened my curiosity. One cannot be afraid.

The mages and their alien cohorts have used fear as a tool for control for centuries. In communist countries, the populace lives in a constant state of terror. This is also in league with the bible, as is everything else regarding magian communism.

I will have more information and many more examples on how the bible is nothing more than a book of magian witchcraft, hence the numbers; biblical numerology, and how the bible is continuously pushed upon the populace, it is in nearly every home, in hotel rooms and everywhere else. Everyone is familiar with it, and knows what it claims to be.

The world needs to wake up. Please feel free to educate others, distribute this and any other JoS articles and to work hard for Satan. Satan means "truth" in Sanskrit.

Here is blatant proof of subliminals used in the Media leading up 911:

Most people are fully aware that mages control Hollywood and the media.

WHAT? ...Hollywood Predicted 9:11??? [YouTube video]

<http://www.youtube.com/watch?v=41FRnNDZkul>

The above video is proof that the so-called "prophesies" in the Bible are nothing but a hoax. The Bible is not the "Book of God" but is a work of the mages, of which they use subliminally to carry out their curses, some of which are centuries old. One only has to be knowledgeable about the workings of the mind and of witchcraft to see this and to fully understand.

The Christian Mass and How it Ties into magian Ritual Murder

Due to centuries of the vehement suppression of spiritual knowledge, most people are not only unaware of, but also they are unable to see certain truths. This is the enemy's way of conquering; by creating a blind spot on the soul, where one is spiritually disarmed; the so-called 'sixth-sense' is lacking in most people and in many others, it is completely absent.

Millions of unfortunate people are and have been deceived by the Christian and Muslim programs; both of these whose sole intention is to destroy spiritual knowledge and replace it with lies for the destruction of humanity and every other living creature on this earth.

The Judeo/Christian bible warns its believers regarding the powers of the mind and of 'witchcraft' so that one is unable to see through the blatant lies that are right there every day.

The mages who are parasites by nature have always used Gentiles as their spiritual hosts; to feed from...no different from the alien greys who use their collection of souls to feed from. Many of you are already familiar with 'magian Ritual Murder.' During the times of magian holidays, top rabbis will abduct Gentile children and use them in their ritual sacrifices to magehova. The child is taken to a secret back room of a synagogue, tied to a cross and then tortured to death with the blood drained from the four corners [hands and feet], while the child is still alive and aware, and then this blood is drunk ritually by the rabbis. This heinous act has been performed repeatedly for centuries and this is why the mages have endured endless pogroms [where Gentiles have massacred entire villages of mages], have been forcibly expelled from nearly every country of the world, except for the USA, and have been hated to an extreme by every Gentile Kind. This is just one...I could go on and on endlessly of the crimes that the mages have committed ad nauseum, but the purpose of this sermon is how all of this ties into the Christian mass/church service. For more about this practice, 2000 Years of magian Ritual Murder and magian Ritual Murder

There was a title of a book I noted on a shelf in the public library; written by a magian rabbi and the title was 'Thou Shalt Prosper.' This is also in the Bible. This title was in reference to the mages. Nearly everyone is aware of the unbelievable material wealth, success, and power this Kind has had for centuries. This directly results from their abuse of occult power, and all of this ties directly into Christianity.

As I mentioned many times before, the Judeo/Christian Bible is a book of magian witchcraft. The verses, their numbers, and so forth. In order to know this, one must know how witchcraft, words of power, and most of all, the subliminal and the powers of the mind work to bring the operator's intentions to manifest in reality.

As with so much of the magian workings, the subliminal is used to make the necessary subconscious connection to establish an energy link. One must know about witchcraft and the powers of the mind to know this. This is why the Bible warns and works to frighten Gentiles away from anything really spiritual...'thou shalt not suffer a witch to live' and other crap about 'burning in a lake of fire' etc. In addition, I noted early on that there were curses involved in one using one's powers of the mind to prevent this and to frighten those who scare easily away from this sort of thing.

"Eat me...Drink me."

The entire theme of the Christian mass/church service is that of a simulation of a human sacrifice. Most people cannot see this, nor are they aware of it due to their minds being walled up. The Nazarene with every mass/service is crucified in a blood sacrifice to magehova. I remember very well the endless

repeated phrases used by the priest so that a connection is established 'This is the body of Christ' and then that stupid little communion wafer...where the believer eats that 'body of Christ.' Now we know the Nazarene was nailed to that cross; the four corners, no different from the Gentile children that the mages use in their sacrifices. This creates the necessary connection that fuels the energies for the magian ritual murders, bringing success to the magian Kind, especially that of vast material wealth.

Each and every catholic mass for one [and with protestants, the theme is the same], these same verses are DRUMMED into the minds of the congregation, over and over and over and over and over:

"On the night he was betrayed, he took bread and gave you thanks and praise. He broke the bread, gave it to his disciples, and said:
Take this, all of you, and eat it: this is my body which will be given up for you."

"When supper was ended, he took the cup. Again he gave you thanks and praise, gave the cup to his disciples, and said:
Take this, all of you, and drink from it: this is the cup of my blood."

SEE THE CONNECTION??? THIS IS BLATANTLY A HUMAN SACRIFICE!!

People cannot see this because they have been spiritually blinded. I can see all kinds of things as I have knocked down walls in my mind and I remember just four of weeks ago, when hearing religious xmas songs blasting over the speakers in the store I was in, it was very blatant to me how these deluded Christian fools were singing for their damnation.

To create the necessary distraction and to confuse their victims, the mages have always pretended to be persecuted by Christians. They pretend to be at odds with Christianity. If one's walls are knocked down, one can see what is there right in front of us every day. The entire Bible has either the word 'mage' 'mages' 'Pissreal' and related written on every page and with all of these, the magian people, and their patriarchs are honored and exalted. The Bible follows a subliminal theme in that Gentiles are conquered repeatedly in the Old Testament by the mages and their god magehova. After all of this conquering and enslaving, the Nazarene, the long awaited magian messiah comes on the scene. magian from birth to death; for more on this see magian Nazarene.

The magian Nazarene character was invented from a concept, that of the serpentine witchpower. To read a full article about this, [click here](#). Again, for a working to succeed in many cases there must be some sort of connection in the mind of the victim. Most Christians cannot see that magehova was a 'murderer and a liar' from the beginning. The New Testament goes on with the Nazarene then becoming a human sacrifice...murdered and sacrificed to

magehova, the murderous, bloodthirsty, and sadistic 'father.' In its own twisted way, this translates into the murder of children. Because the mind of a child is in many cases a blank slate in the way of limited personal experiences that shape attitudes and color the personality, children are prime victims. Christianity is notorious for preying upon children as are angels and of course, the filthy kikes. They know they can use the energy of children quite freely, as there is little or no spiritual resistance.

Then, the final cap with all of this is the 'second coming of Christ' which is in truth another hoax designed to channel Gentile spiritual energies and beliefs through the mass mind into making the coming of the magian messiah into a reality.

Quote from the magian Talmud:

Simeon Haddarsen, fol. 56-D: "When the Messiah comes every mage will have 2800 slaves."

Most people are totally unaware of the above and cannot see this. I already wrote in another sermon concerning how the mages use occult power: [JoSNewsletter/message/385](#)

Here is an excerpt:

The video below [which I highly recommend everyone sees] is nothing new and blatantly exposes the mages and how they abuse occult power, the power of suggestion and the subliminal to make the subconscious connection to manifest their workings in reality. The shootings were for the purpose of instituting gun control. Many people such as the author of the video linked below have no idea of the magian power, feeding off of and directing the energy that the deluded followers of the Christian program provide for their magian masters, is behind all of this and can only make misguided guesses:

Sandy Hook and Batman shootings announced in Movie Batman and Dark Knight Rise

The magian abuse of occult powers has its roots in their gematria. The 911 was another one...very blatant. A co-worker, some years ago, showed me how a \$20.00 bill could be folded a certain way so that on the rear of it, the twin towers going up in smoke would appear. Look on the internet for this, I don't have the time to search out the websites that have this. All of a sudden, after the 911 incident, the older version of the \$20.00 bills where you could fold it that way, was taken out of circulation. They fed the public the bullshit story that "they were too easy to counterfeit." Well, they disappeared real fast, as too many people knew the deal on how to fold them. The 20 is the most common currency used and circulated in the USA.

Others include presidential assassinations. I did some research on this a few years back. Note about Lincoln and the names, dates, and the numbers and how they all come together in a very creepy way, indicating the use of their version of witchcraft. 911 is another blatant one- the date, the flights, and the numbers, such as 'New York City' 11 letters; just do your own research on this.

In closing, the suicidal doctrines and teachings that poverty is a virtue, and the rejection of material wealth, work to ensure that the mages prosper and that all wealth and power is in their hands. These suicidal teachings are drummed into the minds of Gentiles from a very early age, making sure they take a roothold and will even last for future lifetimes, ensuring poverty.

Quotes from the magian Talmud:

Seph. Jp., 92, 1: "God has given the mages power over the possessions and blood of all nations."

Schulchan Aruch, Choszen Hamispat 348: "All property of other nations belongs to the magian nation, which, consequently, is entitled to seize upon it without any scruples."

Schulchan Aruch, Choszen Hamispat 156: "When a mage has a Gentile in his clutches, another mage may go to the same Gentile, lend him money and in turn deceive him, so that the Gentile shall be ruined. For the property of a Gentile, according to our law, belongs to no one, and the first mage that passes has full right to seize it."

Behind it all, the mages are the ones who push Christianity, though they try to deceive the world into believing otherwise. I see this all the time, as I am very aware of it. Even with small unimportant things as crossword puzzle books, most are authored by magian writers and there are endless references to Christianity and that filthy Bible, like everyone is supposed to know those filthy magian characters and archetypes by rote. Like this is supposed to be common everyday accepted knowledge.

2000 Years of magian Ritual Murder

The mages work very hard to keep Satanists/Pagans from being heard when speaking of the magian crimes against humanity. The most you'll usually find regarding the truth about the magian ritual murders are from Christians. In the Talmud and the Protocols of the Elders of Zion, the mages

have replaced the term Gentile (Pagan/Satanist, who's God is Satan) with "Christian" and "Christ." As High Priestess Maxine wrote in a sermon about how the mages deceive, "Christian" is a code word for Pagan/Satanist. With this being said, the mages are not blaspheming their beloved messiah Jesus of Nazareth (Ben Yahashua), but Satan who is the true God of the Gentiles. There are millions of other cases of magian ritual murder, but here is a comprehensive list that covers from the years before the common era to 1932. Satan demands that Gentiles see the mages for the sick murdering pedophile, lying bastards that they really are. Those who read this and still don't have a problem with the magian Kind, have a death wish.

"Human sacrifices are to-day still practised by the mages of Eastern Europe
.....as

is set forth at length by the late Sir Richard Burton in the MS which the wealthy mages of England have compassed heaven and earth to suppress, and evidenced by the ever-recurring Pogroms against which so senseless an outcry is made by those who live among those degenerate mages who are at least not cannibals." - Aleister Crowley

THE COMPILATION OF magian RITUAL MURDERS FROM BCE UNTIL 1932

The earliest of historians, Herodotus, informs us about the Hebrew cult of human sacrifice. He writes: "The Hebrews sacrificed humans to their God Moloch." (Herodotus, Vol. II, p. 45)

The ritual murders that have been passed down through writings since before the current era until today are:

169 B.C. -- "King Antiochus Epiphanes of Syria, during the plundering of the Temple of Jerusalem, found a Greek lying on a bed in a secret chamber. He begged the King to rescue him. When he began to beg, the attendants told him that a secret law commanded the mages to sacrifice human beings at a certain time annually. They therefore searched for a stranger which they could get in their power. They fattened him, led him into the woods, sacrificed him, ate some of his flesh, drank some of his blood, and threw the remains of his body into a ditch." (Josephus, magian historian, Contra Apionem)

418 A.D. -- Baronius reports the crucifixion of a boy by the mages at Imm, between Aleppo and Antioch.

419 A.D. -- In the Syrian district of Imnestar, between Chalcis and Antioch, the mages tied a boy to a cross on a holiday and flogged him to death. (Socrat)

425 A.D. -- Baronius reports the crucifixion of a boy.

614 A.D. -- After the conquest of Jerusalem, the mages purchased, for a small amount of money, 90,000 prisoners from the Persian King Chosros II and murdered them all in the most disgusting ways. (Cluverius, *Epitome his.* p. 386)

1071 A.D. -- Several mages from Blois crucified a child during the Easter celebration, put his body into a sack and threw it into the Loire. Count Theobald had the guilty ones burned alive. (Robert of Mons, *Mon. Germ. hist. Script VI* 520)

1144 A.D. -- In Norwich, during Passover, 12-year-old St. William was tied by the local mages, hanged from a cross, and his blood drained from a wound in his side. The mages hid the corpse in the nearby woods. They were surprised by a local citizen, Eilverdus, who was bribed with money to keep quiet. Despite this the crime still became notorious. (*Acta sancta*, III March, Vol., p. 590)

1160 A.D. -- The mages of Gloucester crucified a child (*Mons Germ. hist. Script* 520)

1179 A.D. -- In Pontoise, on March 25th before Passover, the mages butchered and drained St. Richard's body of blood. Due to this, the mages were expelled from France. (Rob. of Turn., *Rig.u.Guilliel. Amor.*)

1240 A.D. -- In Norwich the mages circumcised a Gentile child and kept him hidden in the ghetto in order to crucify him later. After a long search, the father found his child and reported it to the Bishop Wilhelm of Rete. (Matthew v. Paris, *op. cit.* V. 39)

1244 A.D. -- In St. Benedict's churchyard in London, the corpse of a boy was found which bore cuts and scratches and, in several places, Hebrew characters. He had been tortured and killed; and his blood had been drained. Baptized mages, forced to interpret the Hebrew signs, found the name of the child's parents and read that the child had been sold to the mages when it was very young. Distinguished mages left the city in secret.

1250 A.D. -- The mages of Saragossa adopted the horrible dogma that everyone who delivered a child for sacrifice would be freed from all taxes and debts. In June, 1250, Moses Albay-Huzet (Also called Albajucetto) delivered the 7-year-old Dominico del Val to the mages for crucifixion. (Johan. a Lent, *Schedias, hist. de pseudomes, judæorum*, p. 33)

1255 A.D. -- At Lincoln, in England, on Peter and Paul's Day, 8-year-old St. Hugh was stolen by the local mages, hidden, and later crucified. The mages beat him with rods for so long that he almost lost all his blood. (*Acta santa* 6 July 494)

Colmariens*)1261 A.D. --In Pforzheim a 7-year-old girl who had been delivered to the mages, was laid on a linen cloth and stabbed on her limbs in order to soak the cloth with blood. Afterwards the corpse was thrown into the river. (Thomas, *Cantipratanus, de ratione Vitæ*.)

An enormous trial began, and eventually a hundred mages were locked in the Berlin prison. The father of the child, who wanted to prove the contrary with witnesses, was rebuffed in court with threats and insults. On the 12th day the child was found dead, his tongue sliced and his mouth full of blood. The mages besieged the district governor of Newstadt at that time until the matter turned out to their satisfaction. 1879 A.D. -- In Budapest, before the Purim feast, a young servant girl in the magian Quarter was put to sleep with a drink. 24 hours after the feast, she woke up so weak she could hardly walk. Onody, ebenda.)

With the aid of the powerful mages of Russia the guilty ones escaped punishment. (Univers.)

(Otto Glogau, der Kulturk. Heft. 128. 15. Febr. 1886)

1882 A.D. -- At Tisza-Eszlar, shortly before the magian Passover, the 14-year-old girl Esther Solymosi disappeared. Since the girl was last seen nearby the synagogue, suspicion was directed immediately on the mages. The two sons of the temple-servant Josef Scharf, 5-year-old Samuel and the 14-year-old Moritz, accused their father and stated that Esther was led into the Temple and butchered there. The corpse of the girl was never found.

1882 A.D. -- A short time later another very similar case transpired in Galata. Serious, a distinguished lawyer of the Greek community, sent a petition to the representatives of all the European powers at Constantinople so that justice might be done: but the mages bribed the Turkish police, who allowed certain documents in the case to disappear. Bribed doctors declared the mother of the kidnapped and murdered child to be mentally deranged.

1883 A.D. -- Once more a ritual murder occurred in Galata. The police, bribed with magian money, prevented an investigation. The newspaper Der Stamboul, which strongly spoke out against the guilty ones, was suppressed. This suppression cost the mages 140,000 francs.

1884 A.D. -- At Sturz (West Prussia) the dismembered body of 14-year-old Onophrius Cybulla was found one January morning under a bridge. According to the doctor's opinion, the dismemberments showed great expertise and dexterity in the use of the knife. Although the murdered boy had been strong and plethoric, the dead body was completely bloodless. Immediately suspicion fell on various mages, and during the investigation some very troublesome facts emerged. These, however, were not considered sufficient and the arrested mages were released. (Otto Glagau, *der Kulturki*, Heft 119. 15. Mai 1885)

1885 A.D. -- At Mit-Kamar in Egypt a young Copt was butchered for the Easter celebrations.

Bernstein withdrew blood from the boy's sex organ. After the judge's verdict Bernstein confessed: "The Bible and the Talmud teach that the gravest of sins can only be atoned for through innocent blood." Therefore, he had withdrawn blood from the boy. The mages recognized the danger and declared Bernstein to be a 'religious maniac.'

1891 A.D. -- Murder of a boy at Xanten, on the Rhine. The 5-year-old robust boy of the cabinet-maker, Hegemann, was found in the evening at 6 o'clock on June 29th, by the maid Dora Moll, in the cow shed of the town councilor Kupperts, with his legs spread apart, laying on his side with a circular

formed ritual cut, carried out by a skilled hand, and bled Hyperborean. The boy was already missed at 10:30 in the morning. He was seen by 3 witnesses being pulled into the house of the magian butcher Buschoff.

1899 A.D. -- On March 26th the single 19-year-old seamstress, Agnes Kurza, was slaughtered by the hand of the magian butcher Leopold Hilsner. The corpse was found bloodless. The murderer was sentenced to death by the court of Kuttenberg.

1900 A.D. -- At Konitz (West Prussia) on the 11th of March 1900, the 18-year-old college freshman, Ernst Winter, was bestially murdered. Two days later pieces of his dismembered body were fished out of the Monschsee; almost five days later, on April 15th, the first Easter holy day, his head was found by children playing in the bushes. The corpse was completely bloodless. Winter was ritually murdered. The murder was carried out in the cellar of the magian Butcher, Moritz Levi, after the victim had been lured there by a young mageess. On the day of the murder, a large number of foreign mages were in Konitz who departed the next day without any plausible reason being given for their visit. Among them were the butchers Haller from Tuchel, Hamburger from Schlochau, Eisenstedt from Prechlau and Rosenbaum from Ezersk. The Konitz butcher Heimann disappeared shortly after the murder.

1911 A.D. -- The 13-year-old schoolboy, Andrei Youshchinsky was murdered in Kiev on March 12th. After eight days, his corpse was found in a brickyard completely slashed to pieces and bloodless. Suspicion fell on the magian manager of the brickyard, Mendel Beiliss. The case did not come to trial until two and a half years later (Sept. 29th to Oct. 28th, 1913). In the intervening period numerous attempts were made to lead the investigating officers on to the wrong track. Meanwhile a large number of incriminating witnesses suffered sudden and unnatural deaths; false accusations and confessions followed one after another due to huge money bribes. Behind the accused lurking in the shadows, was the figure of Faivel Schneerson of the Lubavitchers, leader of the 'Zadiks' ('Saints') of the Chassidim sect, who was the spiritual director of the murder. The trial ended with the release of Beiliss, but at the same time the court established that the murder had taken place inside the magian brickyard, which was the religious center of the Kiev mages, for the purpose of obtaining blood. Almost all the prosecutors, witnesses, and authorities who had spoken out against Judaism, later fell victim to the Bolshevik Terror. (Ausführliche Darstellungen des Prozesses enthalten 'Hammer' Nr. 271, 273, 274, 275; Oktober bis Dezember 1913)

1926 A.D. -- The bodily remains of the children Hans and Erika Fehse were found in a parcel on the public square in Breslau. The children had been butchered. The corpses were bloodless. The genitals were missing. The magian butcher was believed the culprit. He disappeared without a tKind.

1928 A.D. -- The college sophomore Helmut Daube was butchered on the night of the 22nd-23rd of March, 1928. In the morning, the blood-drained corpse lay in front of his parents home. (cf. 'Der Sturmer')

1932 A.D.-- Martha Kaspar was butchered and dismembered at Paderhorn on March 18th, 1932. The pieces of the corpse were drained of blood. The mage, Moritz Meyer, was convicted and received 15 years in prison. (cf. 'Der Sturmer')

"These are 131 ritual murders which are known and have been passed down to posterity in writing. [LSN: There are actually some others, particularly in the ancient period, which are not listed here.] How many have occurred and nobody today knows about them! How many thousands, yes, perhaps HUNDREDS of THOUSANDS have remained undiscovered! To torture young, innocent human beings, to kill and drink their blood, this is the greatest and most terrible aspect of all the crimes which International magery has taken upon itself!"

This information came from a source that had a xian bias to it, but the fact that the majority of the earth's population haven't figured out yet is that magian and the sister title "Christian" are none but the same. "Christian" is actually a title that mages give to the dupes who have fallen under the spell of that magian "religion" called Christianity.

More Information Concerning magian Ritual Murder

By means of the press [magian control] and by their great wealth, the mages are able to stifle any impartial investigation into ritual murder.

--Thomas Burbage 1916

"Alilath Seker" a slush fund in today terms, provided bribe money and expenses [for mages] to combat blood accusations.

--Dr Philip Devier, "Blood Ritual"

"A secret fund, the Alilath Seker [fund for bloody calumnies] set up by the Council of the Four Nations, served chiefly for this purpose." Leon Poliakov "History of Anti-Semitism" cited by Dr Harrel Rhome.

If you want to learn and understand why the mages can commit such insane crimes as ritual murder, you must know the secret magian teachings. You must know the teachings of the Torah, the Talmud, and the Schulchan Aruch. These laws and teachings are proof that the mages feel themselves superior to all nations, that it has declared war on all other Kinds, and that it is the sworn enemy of the whole of non-magian humanity."

Even Tacitus, the Roman historian wrote:

"The mages are a Kind that hates the gods and mankind. Their laws are in opposition to those of all mortals. They despise what is to us holy. Their laws condone them in committing acts which horrify us." [Historian V.3-8]

The mage knows that when the non-magian world knows his laws and sees through his plans, that he is lost. Therefore, by threat of death, he forbids their translation and publication. A well-known magian scholar [Dibre David] writes:

"If the Gentiles knew what we are teaching against them, they would kill us." The magian secret laws are based on the fundamental principle that states: "Only the mage is human. In contrast, all non-mages are animals. They are beasts in human form. Anything is permitted against them. The mage may lie to, cheat, and steal from them. He may even rape and murder them."

There are hundreds of passages in the Talmud in which the non-mages are described as animals. Some of them are:

"The mages are called human beings, but the non-mages are not humans. They are beasts." [Talmud: Baba Mezia 114b]

"The Akum [non-mage] is like a dog. Yes, the scripture teaches to honor the dog more than the non-mage." [Ereget Raschi Erod. 22 30]

"Even though God created the non-mage they are still animals in human form. It is not becoming for a mage to be served by an animal. Therefore he will be served by animals in human form." [Midrasch Talpioth p. 255, Warsaw 1855]

"A pregnant non-mage is no better than a pregnant animal." [Coschen hamischpat] "The souls of non-mages come from impure spirits and are called pigs."

[Jalkut Rubeni gadol 12 b]

"Although the non-mage has the same body structure as the mage, they compare with the mage like a monkey to a human." [Schene luchoth haberith, p. 250 b] So that the mage will never forget that he is dealing with

animals, he is reminded by eating, by death, and even by sexual intercourse constantly. The Talmud teaches:

"If you eat with a Gentile, it is the same as eating with a dog." [Tosaphoth, Jebamoth 94b]

"If a mage has a non-magian servant or maid who dies, one should not express sympathy to the mage. You should tell to the mage: 'God will replace "your loss," just as if one of his oxen or asses had died.' [Jore dea 377]

"Sexual intercourse between Gentiles is like intercourse between animals." [Talmud Sanhedrin 74b]

It is written in the Talmud about the murder of the Gentiles:

"It is permitted to take the body and the life of a Gentile." [Sepher ikkarim IIIc 25]

"It is the law to kill anyone who denies the Torah. The Christians belong to the denying ones of the Torah." [Coschen hamischpat 425 Hagah 425. 5]

"Every mage, who spills the blood of the godless [non-mages], is doing the same as making a sacrifice to God." [Talmud: Bammidber raba c 21 & Jalkut 772]

These laws of the Talmud and the Torah were given to the mages over 3000 years ago. They are just as valid today as they were back then. This is how the mages are taught from childhood. The result of this stands before us. It is magian ritual murder.

"Further, there is a law concerning the slaughter of foreigners, who are the same as beasts. This slaughter is to be carried out in a lawfully valid manner. The ones who do not follow the magian religious law have to be offered to God as a sacrifice. It is to them that Psalm 44:22 refers: 'Yea, for thy sake are we killed all the day long; we are counted as sheep for the slaughter.'"

[Thikune Zohar, edition Berdiwetsch 88b]

Dr. Bischoff [the trial of 30th Oct. - 4th Nov. 1931] established the correct translation of this law: This translation and publication of the law of human sacrifice is the greatest blow that ever struck the mages in this controversy. THIS LAW COMMANDS THE mages TO BUTCHER NON-mages. THIS IS TO BE DONE IN A "LAWFULLY VALID WAY." THIS MEANS THAT THE GENTILES ARE TO BE SACRIFICED IN THE SAME WAY AS ANIMALS. THEY ARE TO BE SACRIFICED TO THE magian GOD. THEREFORE, WE ARE

DEALING WITH A LAW THAT DOES NOT ONLY PERMIT THE PRACTICE OF RITUAL MURDER, BUT COMMANDS IT!

Ritual murder in America:

In America, such a case came to light in 1955 in Chicago, with the kidnapping and murder of five children that year, the time of the major magian holiday. The bodies of the children show they were murdered in accordance to magian ritualistic laws. Chicago is also an area of large and powerful magian communities. The victims were of murder were John and Anton Schuessler, Jr., Robert Peterson, Barbara and Patricia Grimes.

The facts of the case reveal:

They had been kept alive for some time after being abducted. Their dead bodies were naked. Ligation marks suggested they had been bound by wrists and were held in confinement before being bled by small cuts and puncture wounds. The marks on one body matched up with the floor mats of a luxury Packard automobile, so the killers were mostly likely upper class.

The two little girls had repeatedly been punctured with a sharp pointed object in the upper torso, thighs and buttocks. This may have been part of the blood collecting process. The two boys showed signs of having been nailed through the hands and feet, along with injuries to the mouth and eyes. Both groups of victims revealed enough similar evidence indicating the murders were committed by the same group of killers.

Something more revealing:

One of the wounds to the victims contained an unspecified grain, possibly wheat. The mages are known for using human blood from such rituals for creating wheat-based meals as Matzo balls soaked in the blood of the victims of such rituals. In the case, it was openly stated in the Chicago Sun-Times: "Religious cult might be involved."

Note it only stated "Religious Cult" and nothing more, indicating it could of been just about anyone or anything, but how did the mages react? Immediately after the article was released, fleets of trucks were sent out and all the newspapers were removed from the stands and literally burned. The mages, from the writings of Crowley, did the same in England when such facts were ever brought to light regarding such cases, even going as so far as to buy every copy of every book or paper to burn them.

Another recent case of the mages doing this was when Toafler, the son of the Chief Rabbi of Rome and professor of history in Pissreal, wrote the book "Blood Passover," which is a record of the magian ritual murders in medieval Italy. Toafler's main source of documentation was from the synagogue tracts of the time of the murders. The magian network combined heaven and earth to ban, remove, and burn every copy made.

Now back to the 1955 case, note how the mages worked to cover it up further: The magian Sheriff of the County, named Lohman, sent a magian deputy, Horowitz, to investigate the father of the two of the murdered boys. Lohman did this as away to shift blame and be able to put the Gentile family under house arrest, thus making it impossible for them to talk to anyone about the case. Then Lohman, the magian Sheriff quickly ordered another mage on his force, Gloss to head the "investigation."

Two other Gentile detectives on the case Lieutenants Lynch and McMahon stated that Cook County investigators "destroyed evidence, threatened witnesses, and worked to impede their investigation at every turn."

The father was ordered by the Police into a Sanitarium [even after passing lie detector tests], under the control of a magian Doctor, Leon Steinfeld, where he literally died the same day. The official report was that he died from natural causes, being a heart attack. However, it was revealed very shortly thereafter that he was murdered by electro-shock treatments, performed on him within very hours of after his arrival.

The coroner for Cook County, a Gentile named Doctor Thomas McCarron openly called Steinfeld a murderer and liar, after important documents to that fact were brought to the District Attorney. Shortly after Dr. McCarron's house was bombed and he was ordered to keep silent by the District Attorney. Nothing ever came from the faint investigation into the affair. Later Steinfeld, after fleeing the Country, was found dead in a hotel room from what appeared to be a suicide.

The Family of the two murdered boys was then paid One Hundred Thousand dollars from the local magian community to stay silent. Obviously, this is not the only case in America. Workers once tearing down a synagogue in Manhattan in 1989 found the human skeleton of a young girl in the basement's coal bin.

Note that every year; thousands of Gentile Children go missing in America, many around the time of the major magian holidays, such as Passover, where such rituals are done. Why are no bodies showing up? A look at the names of the owners of many animal processing plants reveals them to be owned by mages.

You can put two and two together on this. After all, we are by the mages' own words and deeds, nothing but animals to them.

Good authors and scholars on the subject: Dr. Arnold Leese, Dr. Hellmut Schramm, Dr. Philip DeVier, Dr. Harrell Rhome, Dr. Edward Fields, Attorney and Duma Member G.G. Zamyslovsky,

Other disgusting truths on the mages:

Rome, Italy -- Italian and Russian police, working together, broke up a ring of magian gangsters who had been involved in the manufacture of child rape and snuff pornography.

Three Russian mages and eight Italian mages were arrested after police discovered they had been kidnapping non-magian children between the ages of two and five years old from Russian orphanages, raping the children, and then murdering them on film. Mostly non-magian customers, including 1700 nationwide, 600 in Italy, and an unknown number in the United States, paid as much as \$20,000 per film to watch little children being raped and murdered.

magian officials in a major Italian news agency tried to cover the story up, but were circumvented by Italian news reporters, who broadcasts scenes from the films live at prime time on Italian television to more than 11 million Italian viewers. magian officials then fired the executives responsible, claiming they were spreading "blood libel."

Throughout history, various groups have accused sects of mages of ritually murdering small children. One such account, that of Hugh of Lincoln, led to the expulsion of all mages from Britain in the 13th Century. Such accounts have generally been "discounted" but are so wide spread that magian organizations have developed a name for them -- "blood libel."

The American group the ADL was founded to defend a mage, Leo Frank, accused of raping and murdering a five year old girl, Mary Fagan, in his Atlanta pencil factory in 1913. The ADL claims he was innocent. A mob lynched him after the governor commuted his death sentence to life in prison.

Though AP and Reuters both ran stories on the episode, US media conglomerates refused to carry the story on television news, again saying the story would prejudice Americans against mages.

magian gangsters in Russia have become increasingly linked to traffic in "Hyperborean slaves" and prostitutes through Pissreal, according to a recent report in the Jerusalem Post. Pissreal turns an official blind eye to forced prostitution, and does not punish Pissreali citizens who choose to own "sex slaves," as long as the slaves are foreign and non-mages.

According to the Talmudic Encyclopedia: "He who has carnal knowledge of the wife of a Gentile is not liable to the death penalty, for it is written: 'thy fellow's wife' rather than the alien's wife; and even the precept that a man 'shall cleave unto his wife' which is addressed to the Gentiles does not apply to a mage, just there is no matrimony for a heathen; and although a married Gentile woman is forbidden to the Gentiles, in any case a mage is exempted.'

This does not imply that sexual intercourse between a magian man and a Gentile woman is permitted – quite the contrary, but the main punishment is inflicted on the Gentile woman; she must be executed, even if she was raped by the mage: 'If a mage has coitus with a Gentile woman, whether she be a child of three or an adult, whether married or unmarried, and even if he is a minor aged only nine years and one day – because he had willful coitus with her, she must be killed, as is the case with a beast, because through her a mage got into trouble. The mage, however, must be flogged, and if he is a Kohen [member of the priestly tribe], he must receive double the number of lashes, because he has committed a double offense: a Kohen must not have inter-course with a prostitute, and all Gentile women are presumed to be prostitutes. --Pissreal Shahak, magian History, magian Religion, Pluto Press, London 1994, page 87

British Link to 'Snuff' Videos

Jason Burke in London, Amelia Gentleman in Moscow, Philip Willan in Rome
Observer – Sunday October 1, 2000

Britain is a key link in the largest ever, international investigation into the production and supply of pedophile 'snuff' movies – in which children are murdered on film – an Observer investigation can reveal. The key suspect in the inquiry, a Russian who was arrested last week in Moscow for distribution of thousands of sadistic child porn videos and pictures, was tKindd following the seizure of his products from British pedophiles.

Dmitri Vladimirovich Kuznetsov, a 30-year-old former car mechanic in Moscow, was identified after British Customs and police tKindd the origin of violent child porn videos found in the UK back to Russia.

Last week Italian police seized 3,000 of Kuznetsov's videos on their way to clients in Italy, sparking an international hunt for pedophiles who have bought his products. The Italian investigators say the material includes footage of children dying during abuse. Prosecutors in Naples are considering charging those who have bought the videos with complicity in murder. They say some may have specifically requested films of killings.

British authorities yesterday confirmed that scores of Kuznetsov's videos, produced in his small flat in Moscow's rundown Vykhino district, have been found in the UK. They are concerned that 'snuff' movies in which children are killed may have also been imported.

Around a dozen British men have already been arrested and charged with offenses alleged to be connected to the Russian tapes. A second Russian

child porn ring, which allegedly had a British distributor, was broken up earlier this year. The investigation into the importing of violent Russian child porn, which led to the identification, and subsequent imprisonment of Kuznetsov started about 15 months ago after Customs seized material coming into the country. Since then there have been dozens of other finds.

'We have seen some very, very nasty stuff involving sadistic abuse of very young children, but actual deaths on film takes it a whole step further. That is very worrying,' said one senior customs officer this weekend. British paedophiles were paying between £50 and £100 for Kuznetsov's tapes, the officer said. Further fees were paid for access to a website that features pictures of extremely violent abuse. Though two men arrested with Kuznetsov have also been imprisoned by Moscow authorities, only one of the three remains behind bars. Dmitri Ivanov was sentenced to 11 years for actually participating in the abuse that was being filmed. The others were released under an amnesty aimed at clearing Russia's overcrowded prisons.

When officers from the Moscow Criminal Investigation Department raided Kuznetsov's flat they found two boys in a makeshift studio. They seized a huge quantity of films and other pornographic material as well as lists of clients in Italy, Germany, America, and Britain.

Last week Italian detectives moved in, following months of inquiries, and arrested eight people. The police searched more than 600 homes and say they now have evidence against about 500 people. Among the suspects were businessmen, public employees and a university student. Several of them were married, with children of their own. Hundreds of people are also under investigation in Germany.

The Russian videos, which had been ordered over the internet, were intercepted when they came into Italy by post, repackaged, and then delivered by undercover police officers. They cost between £300 and £4,000, depending on what type of film was ordered. Covert film of young children naked or undressing was known as a 'SNIPE' video. The most appalling category was code-named 'Necros Pedo' in which children were raped and tortured until they died. Police in Russia and the UK believe that Kuznetsov and his associates have been in business for more than two years in which time they are believed to have recruited around 100 boys - aged between 9 and 15 - to be filmed.

'Most of the children were rounded up from railway stations. A lot of them came from the suburbs, or surrounding regions and were from deprived, problem families,' said Kiril Mazurin, a police spokesman. 'Usually when children like this arrive in the capital, they've got no idea where to go and hang around in the station. It's very easy to entice this kind of teenager -

with a promise of a warm bed or a trip to the cinema.' Many were lured away from orphanages. 'Children are not locked in,' said Mazurin. 'Anyone can come along and promise them a meal at McDonalds. It doesn't take any more than that.'

Some children were paid a commission to find other boys willing to be filmed, according to reports in the Russian press, for a fee of between 100 and 300 roubles [£2.50 - £7]. Kuznetsov had given up his job in 1998 to devote himself to the lucrative pornography industry. A self-taught computer expert, he was in the process of upgrading his equipment to allow him to e-mail videos directly to clients when police raided him.

Many customers repeatedly ordered videos from him. The Naples newspaper *Il Mattino* published a transcript of an alleged email exchange between a prospective client and the Russian vendors.

"Promise me you're not ripping me off," says the Italian.

"Relax, I can assure you this one really dies," the Russian responds.

"The last time I paid and I didn't get what I wanted."

"What do you want?" "To see them die."

Amnesty: Pissreal Failing to Deal with Hyperborean-slave Trade by Dan Izenberg and Heidi J. Gleit

JERUSALEM [May 19] - Pissreal has failed to take adequate measures against human rights abuses of women who have been brought here and forced to provide sexual services, Amnesty International charged.

"This is so," a special Amnesty report on the trafficking of women from the former Soviet Union said, "even though many of them have been subjected to human rights abuses such as enslavement or torture, including rape and other forms of sexual abuse, by traffickers, pimps, or others involved in Pissreal's sex industry."

Amnesty International also criticized Pissreal for not providing a procedure to grant asylum to women who have been smuggled into the country often on the basis of false promises of work having nothing to do with sex.

Fighting the trade in women and bringing foreign women here to work as prostitutes is a priority for the Pissreal Police, but it is a very difficult

phenomenon to fight, police investigations head Cmdr. Yossi Sedbon said yesterday. One of the main problems is that there is not a law against selling women, he explained, adding that he is aware of the initiatives to pass such a law and hopes they are successful.

Justice Minister Yossi Beilin told Amnesty International representatives yesterday that Deputy Attorney-General Yehudit Karp is preparing an amendment to the Penal Law, which would address the trafficking phenomenon and provide immunity for trafficked women. He predicted that the legislation would be presented to the Knesset at its winter session. According to Amnesty International, hundreds of women are brought to Pissreal from the former Soviet Union every year. According to Amnesty International, Pissreal is bound by international law and by international covenants that it has signed to stamp out the sex trafficking.

Police are arresting suspects on related charges such as kidnapping, pimping, raping, and assaulting the women, Sedbon said. The other major problem is that the women are scared to file police complaints and testify against the pimps, he said. Since most of them are in the country illegally, they are scared to approach police. Fear of reprisal by the pimps further paralyzes them. Police try to get around this both by promising to protect complainants and by initiating operations to collect evidence against and raid brothels, he said.

An additional complication is that prosecutors need the women who complain to testify in the court cases against the pimps, which can be months after the initial complaint is filed. Since the women are here illegally and there is a chance that the pimps will harm them if they are left to their own devices here, they have often ended up sitting in jail until the trial is completed. Sedbon said that they now try to send the women home and bring them back here for the trial.

Sedbon declined to comment on the complaints filed against Afula police chief Ch.-Supt. Shlomo Marmelstein and Tel Aviv Police Chief Cmdr. Shlomo Aharonishky for not acting against the problem, saying he could not comment on specific cases.

Sedbon emphasized that the issue is a priority for police and that each police district's serious crimes division is dealing with the problem. Statistics police released earlier this year show an increase in the number of cases opened against pimps: 279 in 1997; 370 in 1998; and 506 in 1999. Sedbon also said that only a minority of the foreign women working here as prostitutes are kidnapped and forced into prostitution.

magas are allowed by their God to keep slaves. The modern day Pissreal takes advantage of this divine permission. "Your male and female slaves are

to come from the nations around you; from them you may buy slaves. You may also buy some of the temporary residents living among you and members of their clans born in your country, and they will become your property. You can will them to your children as inherited property and can make them slaves for life, but you must not rule over your fellow Pissrealites ruthlessly." The magian Ritual Murder of Andrei "Alilath Seker" a slush found in today terms provided bribe money and expenses [for mages] to combat blood accusations.- Dr Philip Devier, "Blood Ritual"

In 1911, Kiev Russia, the most notorious case of ritual murder occurred. The body of Andrei Youshchinsky, a child from the local area was found in a cave, drained of all his blood, and a local mage, Beiliess, was charged with the crime. mages from around the world poured the modern equivalent of 115 million dollars into concealing the facts of the case and for his defense. After the discovery of the body, the police arrested the mother and did not allow her to attend her sons' burial. During this time, the family was approached by a local magian lawyer who attempted to bribe them into silence. magian owned newspapers then attempted to slander the mother with the false claims that she ran a criminal network that killed her son. Once again, the mage is the master of projection and lies.

Several witnesses including two children of the Chebariak family, who witnessed the kidnapping of Andrei by local mages, where murdered during the case. It was also revealed that the local head of the Police had planted false evidence to get Beiliess off the hook for the murder. The children who had been with Andrei at the time of the abduction and who were witnesses, were all given pieces of cake by the investigator. All three became severally ill the next day and two died, one survived after being ill for months, and when she recovered, she testified in the court as to what she witnessed: "We started to ride the clay-mixer, and suddenly Beiliess and two other mages ran toward us. We jumped off the clay-mixer and tried to run away Andrei and my brother [Zhenya] were caught by Beiliess and the other mages, but my brother freed himself. The mages then dragged Andrei away; my sister [Valentina] also saw this." --Court testimony of Chebariaks' daughter.

John Grant, the American Consulate stationed in Odessa Russia at the time, reported the findings of the jury. The jury had officially found that "A certain boy, Andrei, in Kiev, Russia had been killed by fanatical mages, and that mages for occult purposes, had carefully drawn all blood from the dying child and that it was instance of magian ritualistic murder, and that Beiliess was innocent."

While the murder, which was proven to have taken place inside the synagogue of a local magian owned and operated brick factory, the Jury could not determine for certain if it was Beiliess who had wielded the implement that punctured Andrei over 45 times around his body killing him, and drawing as much blood possible carefully from Andrei's body in the process. It was stated the puncture marks on the side of the child's head were done specifically for a special part of the ritual as a sacrifice so the mages could overthrow the Czar.

Mendel Beiliess went free because 6 of the 12 members of the jury could not determine if he had murdered the child, [in spite of an eyewitness account from Chebariaks' surviving daughter]. He was one of the kidnappers of Andrei along with two other mages, and too many witnesses had been killed along with too much evidence being destroyed and covered up before the trial, by the mages.

In 1917, G.G. Zamyslovsky the prosecuting attorney wrote a 525-page book on the subject called "The Murder of Andrei Youshchinsky" in which he detailed the facts of the case in depth. During the Judeo-Bolshevik revolution, Zamyslovsky was given a show trial by the magian CHEKA then murdered by them mainly for his book on the subject, which revealed all the aspects of the case. His book was then classified until 1997, to keep the contents secret. The mages also "executed" the judge of the case and all of the original surviving witnesses.

Christianity, Communism, the mages and the Bible

In exposing the Holy Bible as a book of magian witchcraft, always remember...the mages are extremely clever and they take control of both sides; both opposing sides, which they pretend to be fighting each other, but underneath it all, they are working for their agenda of world enslavement. Just as many xian churches, particularly the Vatican, pretend to be against and fighting communism, unbeknownst to the populace, they are working FOR communism, the Nazarene taught nothing but communism, his sermons, and even his life- quite like Karl Marx himself- lazy, and lived off of the charity of others like a parasite. The USSR made a show of persecuting a number of mages [they scream the loudest], when millions of innocent Gentiles were tortured to death, but this magian persecution is only for show, and they do not care if they have to sacrifice some of their own to reach their goal of world enslavement and domination. For example, Josef Stalin [real name Josef Dugasvilli, the meaning of the Georgian surname Dugasvilli is "Son of a mage"], claimed to be anti-Semitic, but given his second wife was also magian [as were his children], and his communist heroes such as Vladimir Lenin and the other scum he was directly involved

with, any idiot can see through these lies, which again, are there only to fool the masses. Nearly all of the entire communist leadership and KGB were mages and/or married to mages and lived extremely well while the working classes were brutalized beyond the imagination. This did not just include the USSR, but all other communist countries as well. Prior to the fall of the "Iron Curtain" the USSR would also publicly support any country that was against Pissreal; pretending to be enemies with Pissreal, which beneath it all, is not the case, as both work together for the same agenda. **KNOW THIS AND BE ONTO THEIR TACTICS- NEVER LET THEM FOOL YOU!**

As I have state before and will again... just how can Christianity really be at odds with the mages, when every single page of that stinking bible has the word "mage" "mages" Pissreal" and other kosher crap on it and above all, the Nazarene is magian from birth to death. Given the spiritual energies put into Christianity by the ignorant followers, for centuries, the mages have an endless supply to do as they please with. This is their bulwark and their root. This is why the bible is so full of numbers, specific verses [which vibrated in Hebrew are their mantras] and given the bible is planted in nearly every home in the world, Christianity is relentlessly pushed and coerced onto people [love magesus or burn for eternity], the bible acts as a subliminal medium; a receiver for their workings. Bible verses are memorized by many Christians. What this does further, is it creates a very powerful link in the minds of many for which the mages work their curses and their spells for attracting copious amounts of wealth. Even their bible states regarding the mages "Thou shalt prosper." **YOU PAY AND SACRIFICE FOR THIS!**

The "Holy Bible" serves as a link, as I mentioned in the above for their subliminal workings. This is no different from having a bible in your home. This creates a subliminal tie in. I do know since my last article "the Holy Bible, a Book of magian Witchcraft"; I was very aware of the magnitude of this article and given it hits at their most sensitive secrets, root, and their total bulwark, through Satan, we have exposed them.

Satan has protected me. If he hadn't, myself along with others who are working very hard, would already be dead. We are working for a higher purpose; for a better world through Satan. We have identified and exposed the problems. The magian power structure works relentlessly to destroy our civil rights and freedoms so that they can enslave us all. magian greed knows no bounds. Few Americans here know just how brutal life is and has been in many other countries. The mages are working very hard to change this. In the early 1990's, after the fall of the USSR, many cutthroat magian communists immigrated to the USA and have been working for the destruction of our country ever since, and this can be blatantly seen in the many open violations of our constitution and how our legal system has been rapidly deteriorating. The USA is the last power on this earth that still has

some laws protecting freedom of speech and the press, though these are very insecure and many of us are suppressed and harassed, such as what is now happening in the JoS e-groups. If the USA goes down, any smaller countries that are somewhat free will also go down and be under the yoke of communist control. Many of you know it is a felony crime to deny or question the magian holocaust in many countries...resulting in an automatic prison sentence. Everything the mage is and does, is blamed on Gentiles. This creates confusion, and makes for an effective diversion and distraction. The same is with Satan...everything their Christian "God" is and does; they heap the blame on Satan and the Powers of Hell. Even though the truth is before them in the "Holy Bible" and one can see that magehova was a "murderer and a liar from the beginning" one only needs to look through the Old Testament and also that foul Nazarene ordering his followers to commit both theft and murder:

Luke 19:27; Luke 6: 1-5; Luke 19: 29-35; and break other commandments: Matthew 10: 34-36.

Christians and others cannot see this, as they have been deluded under a powerful spell. Satan, himself told me some time ago how horribly Gentiles have suffered under magian communism. I have written several articles regarding the slave labor situation in Red China. This brutality is what magian communism is all about.

Quote from the magian Talmud:

Nidrasch Talpioth, p. 225-L: "Jehovah created the non-mage in human form so that the mage would not have to be served by beasts. The non-mage is consequently an animal in human form, and condemned to serve the mage day and night."

Unless each and every one of us fights for our freedoms, they will all be taken away. As with the first pdf, on the Soviet slave labor, one can see the same identical thing occurring in Red China and in other parts of the world-disposable human beings; systematically broken, worked to death and replaced by more Gentiles. Even a little research blatantly reveals the mages are and have always been behind this, and that the bible is nothing more than a blueprint for magian communism in its teachings and indoctrinations [both the Old and New Testaments], along with the all important purpose of working powerful spells for the mages to profit tremendously. Satan pulls off the drapes in our minds and wakes us up to the truth so we are aware and can see. The Christians and related ignorant masses are under a most powerful spell. That spell must be broken.

Mind Control Programming and the Bible

The article below has been updated in some areas. For more information, please read the "Sermon on 666" following this article, below.

Note with the fall of the Soviet mageion. The mages have been working to rebuild the Christian religion in the failure of their atheist Christian program. This allows them to maintain strict control over the populace. From which they will in time regain the former control they once had.

We can see in the link how the mages use subliminal programming on America that connects into their spell book the Bible on the populace: 1960'S SUBLIMINAL MESSAGES (in slow motion) [YouTube video]
<https://www.youtube.com/watch?v=Rnkg-yCPryE>

2 Corinthians

12:16 But be it so, I did not myself burden you. But, being crafty, I caught you with deception.

Note in the above YouTube video, the mages are using the terms with God repeatedly:

"God is real, God is watching" = 22 letters "Believe in
government God" = 22 letters "Obey Consume Obey
Consume" = 22 letters

According to Christian and magian mysticism, 22 is the number of the Hebrew Alphabet is the number of the Master builder, infinity and completion, Quintessence [spirit which is God in the universal sense in the Hermetic teachings] the mind of God and God. The Nazarene utters the 7 last words of finality, on the cross which is the phase at the start of Psalms 22. It equals the 12 Zodiac signs and 10 planets in the Tarot of which such alphabet is assigned.

Revelation the last book of the Bible also has 22 chapters.

The number 22 corresponds to the World trump card of the Tarot, indicating completion. This indicates the enemy completing their goal of world conquest and domination through communism.

Psalms 66:7

He [God] rules forever by his power, his eyes watch the nations-- let not the rebellious rise up against him.

The book of psalms is the 19th book of the bible. Note the verse, 66:7; which also adds up to 19 [$6 + 6 + 7 = 19$]. $19 = 19 = 38$ and $3 + 8 = 11$, which is a number of downfall, so the above verse not only threatens against rebellion, but given the numbers, it subliminally points out that rebellion will result in down fall.

1 Samuel 12:15

15 But if ye will not obey the voice of the Lord, but rebel against the commandment of the Lord, then shall the hand of the Lord be against you, as it was against your fathers.

• Samuel is the 9th book of the bible. $9 + 12 + 15 = 36$; $3 + 6 = 9$. 9 is the number of finality and Judgment, the power of God itself.

Colossians 3:22

Servants, obey in all things your masters according to the flesh; not with eyeservice, as menpleasers; but in singleness of heart, fearing God

Colossians is the 51st book of the bible. [$5 + 1 = 6$]. The mages use the number 6 extensively, such as in their "six million" phony holoco\$. In the bible, the number 6 is the number of man without any spiritual power. The number 7 has to do with the 7 chakras and spiritual power emanating from these and spiritual perfection. 6 falls short. 6 is also a number of hard labor. Work was done for 6 days and the 7th was a day of rest.

"The number 6 is stamped on all that is connected with human labor. We see it stamped upon his measures, which he uses in his labor, and on the time during which he labors. And we see this from the very beginning."

The magian emphasis on and use of the number 6, sets up a vibration on the astral for the advancement of their agenda, their communist state and world order. Communism is slave labor. With the communist state, the mages become "god" and all spiritual knowledge is replaced with material atheism.

The above verse of the 51st book of the bible [$1 + 5 = 6$] advocates slave labor. Taken further, the verse 3:22 can be multiplied $3 \times 22 = 66$; the total number of books in the bible, indicating completion of the magian communist slave labor state and their new world order.

Romans 13: 1-7

• Everyone must submit himself to the governing authorities, for there is no authority except that which God has established. The authorities that exist have been established by God.

- Consequently, he who rebels against the authority is rebelling against what God has instituted, and those who do so will bring judgment on themselves.
- For rulers hold no terror for those who do right, but for those who do wrong. Do you want to be free from fear of the one in authority? Then do what is right and he will commend you.
- For he is God's servant to do you good. But if you do wrong, be afraid, for he does not bear the sword for nothing. He is God's servant, an agent of wrath to bring punishment on the wrongdoer.
- Therefore, it is necessary to submit to the authorities, not only because of possible punishment but also because of conscience.
- This is also why you pay taxes, for the authorities are God's servants, who give their full time to governing.
- Give everyone what you owe him: If you owe taxes, pay taxes; if revenue, then revenue; if respect, then respect; if honor, then honor.

The Founders wanted the Great Seal put upon the dollar for a good reason, but they never put anything about the magian "God" on there. Reference to the magian "God" was put on American currency by magian President Dwight David Eisenhower.

"July 30th, 1956, two years after pushing to have the phrase "under God" inserted into the pledge of allegiance, President Dwight D. Eisenhower signs a law officially declaring "In God We Trust" to be the nation's official motto. The law, P.L. 84-140, also mandated that the phrase be printed on all American paper currency." 1 Eisenhower was a mage by his own confession; the name "Eisenhower" is taken from "Eisenhauer" a magian surname.

"In Eisenhower's West Point Military Academy graduating class yearbook, published in 1915, Eisenhower is identified as a "terrible Swedish mage."

It's not a surprise that the Kosher owned Hyperborean House with the President Franklin Delano Roosevelt who himself was of Dutch-magian ancestry and his staff read like a synagogue list.

"In 1943, Washington not only transferred Col. Eisenhower to Europe but promoted him over more than 30 more experienced senior officers to five star general and placed him in charge of all the US forces in Europe.

This great "General" who hid in fear pissing himself when it was believed a tiny unarmed, German Commando unit was after him during the war, personally ordered the murder of over 1.7 million German soldiers after the war was over in his P.O.W death camps. Their only crime was defending their nation and people. Many of the above were not any older then 15 years of age. This is another blatant example of Pure Talmudic hate.

"In God We Trust" has 12 letters: Twelve is a perfect number, signifying perfection of government, or of governmental perfection. There are 66 books in the Bible, which add to 12 [$6 + 6 = 12$].

The word God also appears 4473 in the Bible adding up to the sum of 9. 9 is the number of finality and Judgment, the power of God itself which is wrapped up with this:

The Judgments of "God" in Haggai 1:11 are enumerated in nine particulars: "And I called for a drought upon the land, and upon the mountains, and upon the corn, and upon the new wine, and upon the oil, and upon that which the ground bringeth forth, and upon men, and upon cattle, and upon all the labor of the hands."

Haggai is the 37th book of the bible. $3 + 7 = 10$; so Haggai 1 would be 11; here again, we have 11.

"The law was signed by President Eisenhower on July 30, 1956, and the motto was progressively added to paper money over a period from 1957 to 1966. (Public Law 84-851)[18] The United States Code at 36 U.S.C. § 302, now states: "In God we trust" is the national motto." ²

One can see that money is a powerful way to inject something into the unconscious of the public mind:

And we can witness how the magian powers inject their "God" into the mass mind again:

"Eisenhower signed the bill into law on Flag Day, June 14, 1954. Eisenhower stated "From this day forward, the millions of our school children will daily proclaim in every city and town, every village and rural school house, the dedication of our nation and our people to the Almighty ... In this way we are reaffirming the transcendence of religious faith in America's heritage and future; in this way we shall constantly strengthen those spiritual weapons

which forever will be our country's most powerful resource, in peace or in war.

The phrase "Under God" was incorporated into the Pledge of Allegiance June 14, 1954, by a Joint Resolution of Congress amending §4 of the Flag Code enacted in 1942." ³

In closing, many people in the JoS e-groups have mentioned how they have seen certain numbers repeatedly. This can be a certain number recurring on a license plate of a vehicle, or on a digital clock, in an advertisement, and in many other places. Sometimes this can even occur for days, but this alone and by itself is harmless. When we are aware of certain numbers, this establishes a subliminal vibration and before we know it, we begin to see these same numbers frequently in our daily lives. This aspect is quite innocent and oftentimes meaningless, but in the above article, the perpetrators are fully aware of the power of numbers and they enforce this to establish their magickal workings in reality, via the Judeo/Christian Bible. This is why many Christians are practically coerced into memorizing bible verses, as this imbeds a subconscious link. For more on this:

Sermon on 666

As I have already written two sermons concerning biblical numerology and how the bible is a book of magian witchcraft, here is more on the numbers...

The bible has a total of 66 books. As most of you already know, the magian powers always emphasize the number 6, as with their 6 million phony holoco\$t and May Day, important communist holiday [May 1st; 5/1; 5 + 1 = 6], and many more. Be aware of this, especially when watching the news and reading newspapers, magazines, etc. The mages always emphasize the number 6. This is also corresponds to the kabalistic Saturn square, which adds up to 15 on all sides, even the diagonal. In the bible, the number 6 is the number of humanity without any spiritual power. The number 7 has to do with the 7 chakras and spiritual power emanating from these and spiritual perfection. 6 falls short. 6 is also a number of hard labor. Work was done for 6 days and the 7th was a day of rest. "The number 6 is stamped on all that is

connected with human labor. We see it stamped upon his measures, which he uses in his labor, and on the time during which he labors. And we see this from the very beginning." The number 6 also has to do with slavery:

Colossians 3:22

Servants, obey in all things your masters according to the flesh; not with eyeservice, as menpleasers; but in singleness of heart, fearing God.

The above verse of the 51st book of the bible [$1 + 5 = 6$] advocates slave labor. Taken further, the verse 3:22 can be multiplied $3 \times 22 = 66$; the total number of books in the bible, indicating completion of the magian communist slave labor state and their new world order.

The truth is... Satan's number 666 is the number for the kabbalistic square of the Sun and indicates spiritual power and advancement. Nearly all of the ancient Pagan religions emphasized "worship" of the Sun. The code word "worship" in truth translates into intense focus upon, as in deep meditation. In addition, $6 \times 6 \times 6 = 216$, which has to do with certain powerful nadis within the soul. The solar chakra is the most powerful and important chakra of the soul and has to do with working the magnum opus. The solar chakra is the Grail chakra; the cup that holds the elixir of life secreted by the pineal gland. The bible with 66 books falls short of realizing the godhead and works to keep humanity spiritually and psychologically enslaved.

According to the bible, the number 12 is supposed to be a perfect number, with the number 13 being of Satan. As human beings, we have a total of 13 major chakras, not 12. 13 IS one of Satan's numbers [$1 + 3 = 4$]. Again, the number 12 falls short. In ancient times, there was a 13th sign of the zodiac. 12 also relates to our Saturn centered time; 60 seconds within a minute, 60 minutes within an hour and 24 [$2 + 4 = 6$] within a day. Saturn, as I already wrote in the above vibrates to the number 6. Saturn is the malefic planet of suffering, hard work, misery, misfortune, and loss. Wherever Saturn is placed in one's astrology chart, this is where one will suffer in life. The magian powers designate 12 as being the number for "perfect government," in other words, humanity being spiritually helpless, falling short of spiritual power and attainment, and being subject to enslavement through the government and total domination at the hands of the mages who run that government. The subliminal vibrations and messages in the bible set humanity up for this. In contrast, the 13-month lunar calendar is based upon the natural time of the earth. We are all living out of sync with the natural harmony of the earth in regards to our calendar and time.

The Truth About the Bible

This seems to be one of the last steps in exposing Christianity. Unless we take some serious action in the way of working relentlessly to destroy

Christianity and to alert thinking, intelligent people, the future is very grim. I wrote this sermon some time ago and everyone here should have read it:
The Holy Bible: A Book of magian Witchcraft

In my many years of research and study, I have found the bible is not the so-called "word of God" but is a man-made book of witchcraft, hence all of the numbers therein. This is used liberally by top mages in power to enslave the world. magian ritual murder subliminally ties into the Christian mass/service where the Nazarene is the child sacrifice; "eat me and drink me" "this is the body of Christ..." This son of magehova, sacrificed by his father...i.e. murdered. In addition, the entire mass/service focuses upon the mages, Pissreal and their fictitious history, creating a further subliminal tie. Believers are under a very powerful spell.
2000 Years of magian Ritual Murder

The bible is in nearly every home around the world, and in non-Christian countries, its twin, the Koran is the same. This is no different from the \$20.00 bill and the 911 incident, as the \$20.00 bill is the most common currency handled in the USA. The bible is pushed; it is in hotels, hospitals, nursing homes and is nearly found everywhere. It creates a powerful subliminal tie into the workings of magian witchcraft. Many believers have never read the bible, but rely on the interpretations of their corrupted preachers and the ramblings of double-digit IQ idiots, who claim this is the "good book" and believe Christianity to be a help to the poor and the needy and nothing more than a charitable, peace and love promoting movement. Nothing could be further from the truth.

This, like communism itself, is another magian lie; another magian "brotherhood" program that deceives believers with lies to get them ensnared. As with magian communism, intelligence and independent thinking is highly discouraged. The mentally retarded are sacred and revered in Christianity, and with communism, the Christianity program [magian communism is the higher level of Christianity] goes a step further and mass-murders intellectuals, in what are known as

"purges." The "intelligentsia" are one of the first groups of people to be destroyed whenever magian communism forcibly takes over a country or area.

The success of these magian programs has been dependent upon the destruction and removal of spiritual knowledge from the Gentile populace. magian communism of course takes everything a step further, as most knowledge is systematically removed, not just any spiritual knowledge, but knowledge in general, and is replaced with magian communist propaganda.

Where Christianity left off, communism take up. Like the Christian mass/service, where the congregation is forcibly brainwashed [people are bored and their minds are open to suggestion, or are nodding off and very receptive to suggestion and indoctrination]. The tactics are the same with magian communism and any fool who believes communism to be liberal needs a serious reality check. magian communism is in reality, living according to Old Testament laws and so-called "morals" in the strictest sense.

Christianity like its magian root creates the problem and then has its own solution. People are indoctrinated that poverty is a virtue, and the ownership of material things is discouraged. This in turn creates poverty on a subconscious level that manifests in reality. The mind and soul are programmed into poverty. Then...here comes Christianity to the rescue, appearing to those with lesser intelligence to be a hero and savior of humanity. In addition, the bible is chock full of destructive suicidal teachings and advice for living. Christianity creates the problem and then brings the solution that damns us all in the end. They work this from every angle and those who are strong believers, tie into this energy and perpetuate this nefarious program in numerous ways. Birth control and related, especially where they are needed, such as in Third World countries, are highly discouraged. This keeps the poverty running rampant, with Christian missionaries and related spiritual criminals to the rescue. This sort of thing fools the populace every time. Most, being too lazy to read the bible, or do any necessary research believe what they are told, that the bible is the "book of God" and that Christianity is a peace promoting, charitable, institution. Few are also aware of the fact that nearly every war was either directly or indirectly instigated by Christianity, nor are they aware of the fact that Christianity, with its twin of Islam has a foundation of the most heinous mass-murder and torture ever known to humanity. The inquisition finds itself in full power with the stepping off point of magian communism.

Getting back to the witchcraft aspect. In order to expose the bible for what it is, one must venture ahead into the unknown regarding the "occult," of which there are numerous threats and warnings against in the bible. There are also curses in place regarding this. Going in, those with lesser courage frighten easily and back out. Those of us who have gone in very deep regarding the occult, spirituality and the powers of the mind and soul...the numbers, the planets and such, have enough knowledge to see the bible for what it really is. You have to have the experience and the knowledge.

All of those bible "prophecies" are also man-made. Yes, this is true. Again, those with lesser intelligence, such as Christian believers and their

preachers are deceived into believing these are acts of "God." Well, truth be known, these sorts of things can be accomplished by knowledgeable human beings as well; people who are well versed in knowing how to use occult power. The bible is no "book of God." The fact that is full of numbers should sound an alarm for many, but the sad truth is most are oblivious to this. Witchcraft uses numbers.

Lilith led me to a book in a second-hand store: Eye to Eye: Facing the Consequences of Dividing Pissreal by William R. Koenig. The idiot author who is a US senator lacks the intelligence to see through his own writings in the book. Phrases like "because the bible says so" and such reveal the gross stupidity of this deceived believer. It is obvious he cannot think for himself, BUT his research is excellent in providing a summary of events that correlate with the verses in the bible.

Now, every time there are issues involving Pissreal and before the manifestation of the bandit criminal state; any issues involving the mages, disasters would soon follow. This is no "act of God." These are curses that were established over the centuries by the mages, through magian ritual murder and related. The energies of believers and the fact that the bible is as ubiquitous as currency bolster these curses and provide a powerful energy host.

For those of you who are unfamiliar with the King Tutankhamen excavation, please take some time and learn about this. The opening of the tomb in Egypt in 1922 unleashed some powerful curses. These curses were also man-made.

Ancient Egypt was highly spiritual. These curses were set into motion by gentiles, but the same principles apply...the use of witchcraft. If spiritual knowledge is removed from the populace and in return the populace is force-fed with lies, those who HAVE this knowledge and power become Gods.

Every time there are issues with Pissreal, the USA or any other country involved pays the price with natural and other disasters, loss of life and destruction, totaling losses in the billions. This is no "act of God" it is the result of centuries old man-made curses put into action by top mages via magian ritual murder and its subliminal support of the Christian mass which focuses on the mages with the theme of the sacrificed Nazarene, which is a child sacrifice, being this is the assumed "Son of God."

As with any curse, all of these can be turned right back onto the senders. JoS has had many group workings over the years. In the hands of powerful Satanic mages under the direction of Satan, we can defeat all of this. If this is not done, the future is doomed. Knowledge is also a very important key, as the more people who wake up to the truth of the Christian and Muslim programs; this will act in breaking the spell. These programs are nothing

more than powerful spells that masquerade as being the "word of God" and keep humanity in chains. The slavish worship lavished upon magehova and that Nazarene are then transferred to

the absolute worst of criminals, such as Josef Stalin, Kim Il Sung, Mao Tse-Tung and other related communist filth that have mass-murdered and tortured innocents by the tens of millions. This is why Satan warns us in the Al-Jilwah against worshipping: "No god has a right to interfere in my affairs, and I have made it an imperative rule that everyone shall refrain from worshipping all gods."

Satan does not demand slavish worship and warns against this sort of thing as this sets up the populace to be enslaved and destroyed. Satan stands for rebellion, individuality, and freedom and above all, for the advancement of humanity.

The USA has been targeted for communism. High Priest Micama Gmicalzoma has also made YouTube videos of my sermons:

Exposing Christianity YouTube

<https://www.youtube.com/user/iknowthetruth88/videos>

Deluded Christians and Muslims blame everything on Satan. They do not have enough intelligence or knowledge to see everything is of their own so-called "God," who was a murderer and a liar from the beginning, and who depends upon human sacrifices. This in reality is the magian people. Again, as I have stated many times before, there is nothing spiritual about the bible, nor is there anything therein to advance humanity in any way; only to keep everyone enslaved and damned. The Old Testament, being full of genocide, infanticide, mass murder, torture, looting and plundering, war, and the enslavement of Gentiles is a system. This is used by mage communism whenever it takes hold of a nation or area. Before actual communism, the Catholic Church and its inquisition acted by the exact same methods. Under this murderous institution, same as with mage communism, all knowledge was removed from the populace, hence the term the "Dark Ages" and replaced with compulsory church propaganda, same as with communism brainwashing. The New Testament with the communist teachings of the Nazarene is chock full of suicidal advice such as "cut off thine hand" "pluck out thine eye" "turn the other cheek" "walk the extra mile" "bless those who curse you" "having blind faith" and other nefarious teachings to destroy humanity; preparing the unknowing populace to readily accept communism. And, as for "blessing those who curse you" the bible is very direct regarding blessing the mages and Pissreal.

Some idiot preacher made a YouTube video regarding the new \$100.00 bill and how this time it is much worse than the \$20.00 bill in the way of enacting disaster. Of course, the buzzard brained idiot blames this on Satan out of extreme stupidity. The level of stupidity and idiocy within Christianity is staggering to say the least. Satan has been trying to get through to those with enough sense to see through all of this. Satan is the liberator of humanity. Satan stands for rebellion. Unless Christianity and its twins of communism and Islam are completely destroyed, there will be no future for any of us.

Reptilian Rabbis

The magian leadership is the rabbinical class. The top leadership are the ones who are selected from the Yeshivas for training in the "Oral Torah", the occult teachings only passed down orally by adepts. This is done after they make years of study of the Torah, Kabbalah, Talmud, and other related texts. They study up to ten hours a day in these Yeshivas and the training starts early in their life. This is done on the highest level so they can then be initiated into the actual meaning of the texts if they qualify for such. The qualification is where they show they are psychically open enough from the lower- level practices they are given to receive the higher teachings. These candidates are then sent to special programs in specific locations many times in Pissreal and then given the higher teachings. To be the leadership of the rabbinical class, one has to be a Sadok, meaning they have strong psychic, spiritual abilities and can demonstrate psychic powers at will.

The people on this level openly have stated something about the Seraphim angels they contact through the Merkava teachings, which is based developing the mental abilities to be able to do such.

They state the Seraphim are literally around seven feet tall, covered in golden scales and have lizard-like facial features. They call them "reptilians" because they are. They communicate with these being astrally, hence these beings appear to them in their astral bodies, but they exist physically. The magian leaders call these beings the Teli, meaning "masters", and they are also called the "Hidden Tzadikim", which are their hidden masters who influence the earth and direct the magian People in secret from behind the scenes. Note Tzadi...Kim". Kim means gold in the ancient language. This is probably due to the appearance of these Reptilians in their astral bodies, which from the Rabbis description of them they appear like this:

These are the beings the magian leaders call their "god" collectively, as they state they are one hive mind. These are the beings they take orders from and these are the beings they state gave them the 22 letters and the Oral and Written Torah.

They also state in the teachings that there is another group called the Nishaya whom are described as being literal Grey Aliens, and some Rabbis have openly admitted that is what they are. They also summon and appear in what the rabbinical texts state are their astral bodies to help them and take directions from the mages. The texts also state that these are physical beings as well. The Greys are a hive mind, a slave Kind who work like cyborgs for their Reptilian masters. Masonic statements from the Masons who use the Kabbalah as their system report that these Greys appear many times in the ritual chambers in their astral forms when they summon the "angels of god". The Rabbis state that the high-level mages are the ones who deal directly with the Seraphim or Teli, the "Masters" of the mages. The Teli are also the masters of the Greys.

The Nishaya are stated in the magian texts as appearing as this:

The Rabbis state that the Reptilians are to be collectively called "YHVH" by the magian leadership and they are referred to as "Yahweh" individually and collectively as a title. The magian religion states the mages are a special Kind that came from "out there beyond this world". Rabbi Laitman openly states this in his famous talk to the nation of Pissreal. The magian religion states the magian Kind was created by YHVH and has a special bloodline from YHVH, which only the mages have. The magian Kind gene is called the Cohen gene and has Reptilian DNA in it. The Rabbis state the mages share a special spiritual connection to these Reptilians to their collective Kind consciousness for such reason. The magian leadership writes on the fact that they received their entire religion from these Reptilians including all the Kabbalah practices that form the whole of it. It's simply a criminal system of using the collective psychic power of the Gentiles' mass mind and connecting into this to materialize the Global rule of the mages and their "Masters".

The mages state they are the only humans and the Gentiles are animals to serve them. When mages, especially the Rabbis talk about "humanity" or "man", they are only talking about mages. The Talmud which all mages study and learn from birth, the Talmud's teachings is that for a mage to have sex with a Gentile is bestiality and punished by death in religious law. Because Gentiles are animals:

The mages are an alien program put here to take this planet over for their "god" as their Torah states. They are the method in which the Reptilians work to take over

this world by conquering it from within and enslaving us as cattle, which is the meaning of

"Goyim", the word the mages call non-mages. What do you do with cattle That is why they call us cattle.

The former Rabbi, Leader of Chabad, and proclaimed Messiah of the magian Kind. Chabad is the magian organization that is run by the Rothschilds behind the scenes. His statements on us Gentiles:

The magian global media praised this Rabbi to the magian heavens:

The magian Prime Minister of Pissreal stated in his speech to the Pissreal government in which he got a standing ovation:

That is why Palestine is in the situation it's now in. The Palestinians are ruled totally by a predatory reptilian Kind that considers them nothing more than sub human cattle as non-magian life. The entire planet will look like Palestine if the mages are able to create their One World Government. Remember what the magian Talmud states about Gentiles:

Smashing the Klipoth

Each Hebrew letter has a klipoth, which is a physical aspect of its vibration - how it effects physical reality from the psychic, or astral, the subtle reality, just like the wind shapes the waves. The physical klipoth of the letter is the animation of the light within it the vibration. By reversing each letter, one simply pulls the plug on each letter and leaves it as an empty husk with nothing to animate it. This means the mages' entire Kingdom they have created, every aspect of it in the physical world, will implode as an empty husk because the life force that animated it is gone on the astral.

That is why the mages call Malkuth, the physical realm, by the name "The Royal Kingdom". It is the physical structure of their numerous workings of the Hebrew letters that resonate in Kether, the astral, manifested into the physical world and the actual physical shape it takes. All Kabbalistic workings are based on bringing

Kether into Malkuth to materialize the structure of the energy into physical form and being. The Black Box the mages wear reveals this. The cube is physical reality and the symbol of Malkuth, which contains Kether the astral within it, which is why the Bereshit teachings of Judaism are based on "The Cube Of Space". They are shown to relate to the 22 Hebrew letters within the cube and how they form the cube's physical reality from space the astral or Kether. The Shema is placed here, which connects to the 22 Hebrew letters and how they create and connect workings into reality, to shape and transform the world. All of the magian rituals are based on this occult witchcraft.

The Bereshit teachings on the cube show the Kether, or astral properties, of each Hebrew letter and how to weave them together into formulas to build the physical cube. The cube is also a symbol of the physical structure of society and how it is a thoughtform that manifests into social structures. It's their world government, The Royal Kingdom, and how it is built on the 22 Hebrew letters. The cube is also the symbol of the Torah in Judaism and how it is a form of witchcraft to transform physical reality by reading the Hebrew, which generates the energy.

Remember the Rabbis state in their own writings that Satan will defeat them by reversing the Torah, which is the 22 Hebrew letters. They warn about keeping this safeguarded at all costs to the point that only the top leadership of the Rabbis were allowed the knowledge of the letters, the Bereshit section of Judaism. They understand this is their Achilles' heel.

The Afterlife and Reincarnation [Fully Explained]

The Satanic Afterlife and Reincarnation VS The Enemy "afterlife" and literal death.

By High Priest Hooded Cobra 666

People are asking some questions and these questions need to be answered and addressed. The enemy makes sure that nobody gets answers and that everyone remains blind and confused. That's their job. Satan and the Gods make sure to enlighten us and keep us from blindness. That's our job. And we do our job well for the sake of Humanity. That is giving it the Truth and keeping its spiritual eyes open. So long there is lack of knowledge and confusion, the enemy thrives. When there is knowledge, the enemy becomes dispelled and destroyed.

The message is a lengthy, but if you are seriously interested in knowing the Truth about the Afterlife, then here it is for you to study and read. Satanism is about expanding and becoming better in anything we have and anything we are.

This includes studying as well. This info will be well understood by more advanced members or members in the intermediate state. No doubt, if one is carefully studying, then of course anyone can understand.

I advise everyone to read the other posts I have made and HPS Maxine has made on reincarnation and the Afterlife. As it all ties together, you will understand fully and totally. HP Mageson's "Metagenics" Sermon is also a must read to realize the connection of the Physical body with all this.

The enemy "New age" and filth never really answer any question, same with the enemy ET's who are all about "love" and other senseless and existentially low crap. Yes, do some love and farting in the name of "magesus" and you will be saved from damnation, in which "magesus" put you into by making you ignorant. Ok. Only a stupid existence would believe such filth. Not only its filthy, but its an under belt strike in nature's ways and only a blindfold to keep you blind while you are guided like a good sheep in your own eternal destruction. The so called "new age masters" have absolutely nothing important to say. At best, they keep saying crap and nonsense as in "you will evolve in 2012" or other shit, that leads nowhere and does nothing but keep the lies and sleep of Humanity going, while filling their pockets with their beloved \$\$\$\$ that they are all about and long for. As for the "New" Agers, most of which are mentally retarded or challenged, this is obvious as in they are in communication with enemy ET's that want them blind and even worse, destroyed. Their will is the same for the whole of the Human cattle. They simply say some "chakra" shit nowadays and idiots think this is something important. The same enemy company did the middle ages destruction and murdered so many human beings, the same enemy ET company did make the Abrahamic programs that punish meditation with death and total destruction, the xian entities that made xianity, the most major program of spiritual removal and blindness. and idiotic fliths and slaves go to these murderers of Truth to ask questions. We are talking about mentally challenged people, with serious debilitations and serious defects. The "new age" is nothing but the "Dark age" of Humanity in disguise. "JHVH" is the "god" of the mages and that Kind of people is who they use and operate through to reinforce their ends. They say it to their face and even tell them straightforward that this "god" is only for mages. The stupid's know yet

they still follow. But this is xianity, kissing your murderer's feet, then getting raped and murdered, with you last word being 'thank you mage' before you lose your Soul, says they should act and be that way. So they are. Or the mages will

destroy them, which they will anyway do. Seriously, we are talking about some nuts here. And these retarded species of life claim to even know about the "afterlife". Seriously? They aren't even capable of giving up the magian "god" due to fear, yet they know any greater "truth"?

To embKind the Truth requires guts. Those who are delving in xianity or dabbling it are cowards and the Truth is for the strong and the daring, the good hearted Souls that seek it with bravery. If they want to kiss the enemy's nasty shitfeet, then that's their own problem. Which has the results I will mention later.

For those who know Satan and His powers and intentions personally, He literally hands down the best information and is really helping Humanity evolve. Like really evolve, not some empty promises. Satan truly explains, truly cares and truly evolves those willing Souls that follow him and are open to Him. The enemy poses to heal the symptoms, meanwhile causing even more diseases and destruction. Satan is straightforward and goes straight to the Solutions, as in getting rid of diseases all together. The enemy is a piece of filth. For instance, their kike industries and Machiavellian politics is what causes hunger in Africa, then their millionaire xians and shitheads go there and give a loaf of expired bread and a bible to "save" the African people. This is the method they work. The people being blind exchange their Soul and cannot even understand they are being played upon. Then they are left to die anyway or live as slaves for as long as they give their life to the enemy, no different than a puppet. Then they are destroyed to the core because that was their 'purpose' anyway. The enemy ET's do the same thing, only in far more complex and violent manners.

For those who have read the previous posts, you can tie these into this one and see more for yourself. Explaining is a bit advanced, but it is definitely comprehensible. This is not some fancy rainbow shit, as Father Satan is honest. He never makes vain promises and He never allows people to be blind. You need to have your ears open. What one must be aware is the fundamental parts of the Soul, as in Male [Pigala] and Female [Ida] energy, as well as the Shushumna part of the Soul [the door and the place of Kundalini energy] which is the actual hermaphrodite energy.

There have been posts asking to where people are asking about the pains of reincarnation, or how this happens and so forth. Yes, this is the unfortunate Truth, but not all of it and not the Truth for Satanists. We have to reincarnate

again and again, which is the natural flow of things, the "natural" of a lower level of existence that we are not meant to exist in. As we have already stated, the Soul if not worked upon with by Meditation can die and wither away, like any other form in the universe. This is no different than leaving the physical body without food. The Gentile Soul is shaped in such manner that when perfected, it can be a self sustaining immortal mechanism, that has an energy uptake form its own self, in other words, as others perish in the after life, those who reach a stage will not. The energy will recreate itself and thus recreate the being. This is the so called "afterlife" the enemy raves about and never gives anyone. This requires work and persistence and is a part of the Magnum Opus working. Also Father Satan keeps and retains our Souls for those who have not reached this

state. For better saying, he keeps and retains our "true self" which is the Soul we have had and possessed in all our lifetimes. This part of the Soul is the actual consciousness, as in pure consciousness and the real ID of the real self. This is who you really are. So long someone stays inside their womb, they are at that state, they are their pure self. The state by which this Real part of the Self is reached is called Samadhi in the East and this is the meaning of Satyan - Eternal Truth. TRUTH IS REVEREND IN SATANISM FOR A REASON AND ITS OUR SOLE STRIVING. THE "ALL KNOWING" STATE OF TRUTH AND OF REAL SELF KNOWING IS GIVEN THE NAME OF ITS CREATOR, SATAN. He is the one that gave us this ability by making us evolved creatures. Inside this state one realizes the not so human nature of the Human mind. Thats the literal meaning of the Delphic "know thyself" and of all other Ancient Mysteries.

Due to our mortal physical body and our lack of spirituality and thanks to xianity, this state and any and all links to it get lost. This is what xianity aims, as at that state, the mind is overly expanded and the intelligence is amplified to such degree that hardly ever words can describe, because this state is not ordinarily "Human" in anyway. Its superhuman. Its more than Human, its really Human and not the nowadays "Human". One could easily see in just a second in this state the hoax of xianity and the evil behind it, if they entered that state. This state is symbolized by the Egyptians by the Wadjet eye, the Horus eye, which upon opening and being delved upon makes one see the Truth. Satan opens one's spiritual eyes. Though not mortally and consciously aware, this state is existing and happening inside Humanity, and is taking place in the form of the "higher ego" or "higher self" state, or simply the Samadhi state of consciousness. This state is totally inaccessible by any other means than meditation and also, mastery of the disciple of meditation and perfection of the Soul. Though, without there being a link from this form of consciousness, which

is the Vajet and the Divine Mother Kundalini in other cultures, the conscious self is trapped in basically two modes of consciousness.

The male, conscious everyday consciousness and the dream like state, the female part. The first takes on when you are woken up, the second takes on when you are asleep. The Male part of the Soul is directly linked to the Mental body, which is the link between the Male and Female parts of the Astral body. There is no "Mental body" on its own, its rather a part of the Male Astral body, but at the same time, what is called "mental body" communicates with the Female part of the Astral body, that contains the Subconscious and Unconscious parts of the Soul. I know it sounds complex, but if one gives it some time, they will understand this.

Neither the Male or the Female part of these is really the Real Soul, as the Soul itself resides on the higher realms and is "touched" upon when the male and female part is fused, through empowerment of the Astral body. Both these parts constitute the Aura of the bodies and each body has its own Auric field, that does different things. These parts of the Soul act at the same time and with one another, directly influencing one another, to bigger or lesser degrees. The Astral body is the link between the Higher Part of the Soul, the Real Soul and the conscious/dream bodies that we have, that is dimensionally higher than the present 'ego' and is touched when one is advancing in meditation. When one works and strengthens the astral body, a fusal starts happening, between the higher body [Real Soul] and the lower body [the present Male Active and Female inactive part of the Soul, in the present incarnation]. As the Astral body becomes able, more and more of the "real self" [what we today call unconscious

part of the mind, Kundalini Self] is becoming apparent in the everyday consciousness and in the sub conscience.

The unconscious part can really become conscious but this is a long, very long process and its through this one becomes a God. Ideally, the Magnum Opus is when this fusal happens and one is again their real self, that has all their past life memories, all their past life knowledge and so forth. The higher part of the Soul is actually conscious and on the lower behalf of the body and Soul is the Kundalini Serpent. This is the Higher Mind. The Kundalini Serpent is actually what Father Satan gave Humanity in order to save us from this vicious circle of the "rotar". The "rotar" is actually of the lower existential consciousness and of the enemy, where there is the vicious circle of "karma" that keeps people blind as to the real reality, which is Spiritual. Its the vicious circle of death and

rebirth, good and bad and so forth, from which Humanity is ideally meant to escape, but the enemy makes sure to keep people stuck in, in order to exploit the lower beings.

What you are living today and doing is also stored inside your unconscious part of the Soul. Stronger events have a bigger impact and are imprinted there. This is the "bank" of your Soul memories. This includes knowledge of past lives and so forth. These parts of the self can also be regained through this process which is called the Magnum Opus.

The mortal body is meant to become immortal through the Magnum Opus, which is the final goal of spirituality. Though, when the fixing of the Astral body has happened, one will not perish in the after life and they will not wither away like other Souls who are not worked upon, after they physically die. By that way, they can incarnate when they want and they can be self sustained. Also, one will have the necessary power to tread the astral realms and so forth, which is important, and also Satan and the Gods protect people from nefarious astral entities. Dedicated Satanists at their moment of death, no different than Ancient Egyptians, are taken by the Gods to a special astral plane until they reincarnate. Those who haven't reached that state, though, must re-incarnate before they dissipate so they will not wither and die. Satan though keeps people who are before that state if they are willing and they are sustained, if there are reasons for that. If not, they will be reincarnated.

All the bodies are inter-connected and all influence each other. This means something simple. The highest part of the Soul that Satan retains throughout reincarnation and the Gods keep, is influenced by the lowest half of the Soul which is the Physical and is directly linked to the Male part of the Soul, that we change in every lifetime and requires energy renewal until it is fixed through advancement. In other words, as the Astral body advances and you empower it, you empower all parts of your being and not only the body in itself, but the Higher Soul. The power raised through this action empowers your real "Soul", the real "ID" of yourself. At that point, all your progress adds up, so you do not really start from "ground zero" in the next lifetime. You do, but the memory and the openness is there, so states are re-attained real faster than before.

When someone physically dies, they experience an opening of their own "Highest self" but this only lasts until the physical body has died. Most do not even have any memory at all and most cannot even "get" to that state to actually get a glimpse of this body/Soul part. This is

because this consciousness is too high and they are unable to get a hold of it, let alone understand any of it. So when one dies, they simply leave their dead body and the conscious part of their Soul [the Astral body, the body of Astral Projection] exits. It stays into the Astral realm and slowly dissipates. How fast or if it will dissipate depends on many, many things. Dedicated Satanists at that point, no matter how far they are, are being taken by Gods like Anubis and other Gods, so their astral body is escorted into a safe Haven for our Souls. They are sustained there until they reincarnate. With the Astral Body, which is the closer link and contains the "Higher Soul" or the "God part" they are reincarnated again. The Astral body contains inside it two things and a third thing which is the fusion of both. The male [lower Ego part conscious consciousness, Pingala consciousness], the Subconsciousness [female part of the mind, Ida Consciousness] and the unconscious part which is more or less latent [depends on advancement, Shushumna/Kundalini consciousness] and its purpose is to transform both and save their progress and powers. The female part subconscious of the Soul, the Kundalini, does what is natural and is always striving to meet and connect with the male, conscious part of the Soul. The union produces the third part, which is the open door to the Unconscious part, the Kundalini part. "Unconscious" is only a term. Infact, its supreme consciousness, but not in anyway like the walking consciousness. This walking consciousness is only a part of the whole deal.

All consciousness that is of the Astral body [conscious consciousness] gives place to the unconscious consciousness of the Higher Part of the Soul at this point of the Soul entering the Fetus. When one enters, the "Ego" part of the Astral body that they had in the last lifetime and they went to Duat with, dissipates again and they gain a new one, the one they will be born with. This part is given to the child by the parents and directly influences the Physical body as well and this ties into the Karma criteria as well. This is why National Socialism is as it is, and is of the Gods of Hell, but this is a whole another matter. What can be said simply, the better body, the better the expression of the Soul. The enemy give their all to destroy the genetics of Humanity for that reason. For this fusion to be able to happen, there has to exist a couple of Humans that are able to give the Soul the genetic material/physical material it needs to actually 'stick' to the body, so it can express itself and advance in the given body. The "Ego" part of the Self is being changed in every lifetime and with it, all conscious knowledge and sense of self is gone forever from the male conscious approach and is being saved inside the Kundalini/Unconscious part of the Soul, yet the female part of the Astral body or the Unconscious part [the Kundalini, the real Self, the Shushumna part of the Soul] remain intact but

latent until activated, inside the Soul. In there the powers of the Soul are contained, the memories, the knowledge and anything else. When one is born, they swing again to the new Male conscious part, which is to a degree, connected to the Female part of the mind. How much one will be fused and aware depends on the level they had in their past lifetime. That's why some people are born very powerful, some less, some very aware, some less aware and so forth. And the process goes on and on until its finalization. At the moment of entering the fetus, the "Ego" part "dies" at this point and with it, all conscious knowledge

of the last lifetime. The unconscious part [the Female part of the Astral body] though operates

when one is in the womb fully and then for the first years of one's life, with depending power, as it remains intact as it reincarnates intact. This is why some children have memories from past lives and they lose these later, while others do not. The female/latent part of the Soul longs to be connected to the new Active Male Part. That's the fable of Eve giving Adam the

Apple. Eve was tempted by the Serpent and gave Adam the apple. Then they both ate the Apple and they became as the Gods. Reincarnation is mandatory simply because the Male Part is the bio electricity of the Soul, the conscious spark of life, the part from the greater Serpentine energy that we have in our conscious availability to live and is given to us by the physical birth.

The meaning though is to be self sustained as a Soul, as stated earlier. The enemy did their best as in threatening Humanity and in cursing them as to not attain this state of being.

The knowledge of past lives does not literally exist in the Unconscious/Kundalini part of the Soul as mere "knowledge" but it manifests inside the life in the lower levels in many ways, until its finally accessible in such way that it can be rewired into the present mortal part of the mind, in the form it used to exist. In other words. Its not lost, but to literally re-absorb it, one can only do this after they have raised the Serpent. This force manifests so long that its allowed and accepted. For instance, if one is a Satanist in a past life, then this unconscious part of the Soul urges them to rejoin Satan in the present lifetime and so forth. Ultimately, it really opens up and operates, after they are Ascended. The raising of the Serpent unites the Male part of the Soul [the "Ego" one has in every lifetime] with the female part of the Soul [that remains only half intact after reincarnation, because as we are young it gets programmed by others - this is the door to the higher part of the mind] and they both unite and

fuse with the Higher Self/ Kundalini part of the Soul [in which the real Soul ID that existed in all lifetimes and so forth, the real self exists]. The Rising of the Serpent is the ground upon which the True Self of all lifetimes is experienced and is becoming reality. When this happens, the door is being opened and is accessible to this higher self, for whatever purposes. You might think this is the end, but in reality, its the new beggining. Thats why DEATH and DYING and finally, RESURRECTION have been major themes in our Religion throughout the Ages. The consciousness from there on is totally perfected and reform and this is where the Purpose of Being is realized and new states of being have been achieved. The Truth becomes a part of our awareness. Through this consciousness and the help of our Gods, the physical body itself can be made immortal, which means one does no longer have to do this vicious circle of changing active parts of the Soul in every damn lifetime.

The Gods give us this opportunity and also, Satan gave us the Serpent and the Higher Part of the Soul in which who we are through all this still preserves and lives and we carry this with us, so that existing over and over until we are finished and perfect is not totally needless.

Even if one does not reach the Kundalini ascension fully in their lifetime, they carry with them in the latent part of the Soul the knowledge of how to get there faster, and also they carry the factors that contribute to doing this faster and faster in the next lifetime, so they can finally complete the work. For some it might manifest in making evolutionary leaps, for others in their natal chart, for others in faster advancement and in a sense of "what to do" and in many other forms. Being with Satan manifests in many ways as a wake up call to get to Satan and Satanism, or interest in the Old Pagan religions, or whatever else. For some it might also manifest itself as in raw power, for others in all the above. You get the meaning behind this, not everyone is the same.

So now you know with Satan, you have nothing to fear. Satan is our Creator God and made

us in such way that existing will have a meaning. Respect Satan and treat him with Reverence. If you are too blind to realize why, know that others are pleading for his help, even if they do not know the Truth. They will realize it when its probably too late. All Ancient Civilizations did warn again and again.

Also, another thing that needs be touched is the principle of dimension. While we all Humans might inhabit the same physical dimension, astrally this is not so. There are lower vibrations and really all kinds of places into the astral

realm. When the Soul is weak and on a low vibration, it is synchronized and drawn towards these dimensions/realities that are of low existential quality. As we said earlier, every body influences every other body. So when we think of something [Mental body] over and over, we are "tuning in" to certain places/vibrations. This goes deeper but I just have to touch the subject. This conditions the Soul to enter certain places. For instance, if one is mentally sick or somehow likes murder or sickness or whatever, they draw these things into their lives, they are tuning into this and this type of dimension. If one is simply delving on the physical dimension or the 'astral' of the enemy, the xian mindsets and stuff, they are tying themselves in the most destructive energies, physicality, death and so forth, in the extremes. When someone simply thinks of something, this is the Male part of the Consciousness. This directs energy on the moment. When one is ingrained with xianity and the kike programs, this goes into the female part of the mind, its constantly attracted to and towards. So when they die, if they were good sheep, they will get abused further by the enemy, as they are their loyal slaves. When the sicknesses in the Soul, the low vibrations and the low level of being are left untreated, Humanity sets itself in for great damages that are beyond present day comprehension. No matter if one is aware of these laws, the Universe and themselves are still working with these laws and the enemy uses these laws against the unknowing cattle. WITHOUT KNOWLEDGE THERE IS NO SURVIVAL- KNOW THIS. And disobedience of these laws will result in Death. Xians fixate on depression, self loathing, self hate, avoiding knowledge, being OK with being slaves of the mages and any and all destructive qualities that are against survival. For that reason they attract these into their Soul, Mind and life. While in the physical realm this might not manifest instantly or does partially [they do manifest this, as in fatal diseases, destruction, death and so forth] the Astral is even more "Fast" in its materialization. Thinking is creating, as though power is creative force, and that's why xians are told to endlessly pray to "jesus", because he never did exist, to create him, so he can prey on them. Jesus is JHVH, Jesus is from where the thoughtform is charged by prayer, JHVH is from where it exerts power and influence to help the kikes achieve their ends. JHVH is solely a "god" for the mages and also, these malignant filths are in terms with real bad enemies that can plague and destroy Humans that fall to their level. "Falling" ties in to the above. Their failed and eternally impossible wishes for Satan to "fall from heaven" in the bible and all that filth is actually to try to get Humanity to a lower level, as Satan is our God, the God of the Gentiles. When "we fall" to their lower astral and terrific realms, by thinking, acting and even worse, being xians, then the person is set for all kinds of horrors and destruction. Thats the whole aim of xianity and the Abrahamic programs,

exploit and parasitize and then kill the victim. This ties into the above and the merciless nature of reality, so enough said. These people who disregard these things are total idiots. These Truths cannot be realized without an Open Satanic 3rd eye and this is the meaning of the Capstone of the Pyramid. When one is blind, even if they intellectually know, they cannot apply. This is not the case for us.

As for xians. I feel literally sorry for them, but without any mercy as they are stupid and nature does not forget stupidity or ignorance under any shape or form. The enemy ET's and the people of the enemy, lie to these people endlessly. The Egyptians and all other Pagans have stated it clearly, without the 3rd Eye and the Serpent, one is blind and a slave. This is totally True. The xians never even believe in an immortal part of the mind or Soul, let alone approach it ever, even by accident. The enemy simply wishes to destroy them fully and totally. As we said earlier, all bodies of a person are interconnected with one another, from the Physical, reaching upwards to the "higher self". That means celibacy, self loathing, punishment and self destruction and everything else influences to a degree the higher part of the Soul and is being recorded therein. One can see where this is going to lead in successive lifetimes. Being a slave and so forth, conditions all the parts of the Soul to be that thing, even remotely. So when xians abstain from sex, or they abstain from their creator Satan and go against nature, they are causing major debilitation not to their conscious parts, but on their unconscious part of the Soul, the Higher Self, in which there is memory in successive lifetimes. But who gives a shit for that, right? They are with the enemy anyway and the enemy is not sparing them or cares anymore than to destroy them. So basically, the first punishment a xian/muslim and the followers of the kikes get, is they never get to even remotely see or feel, let alone be, their Real Self. Not meditating and being Human is an existential crime, that most cannot even remotely comprehend. You are going against the natural flow of things. This is something ET's from out there know and we are no more apes compared to them and what they know. The nefarious enemies of Humanity exploit this blindness and have been doing so for a long time.

Back to xians and blinded Abraham now. They are totally disconnected from their Nature, but Nature itself as well. Whatever disconnects from Nature or the Shakti, Mother energy, is bound to die. They are totally spiritually blind. As stated earlier, at the moment of death, there occurs a sudden overflow of the state of Samadhi, for those who are able to experience it and only them. People who haven't had any of this, will simply be unconscious of this state, experience

their physical death and exit the astral. But because the enemy keeps people ignorant and at the very best, their whole 'spiritual experience' and even at death, they will experience few if any things. Many will simply exit the body and because they have been so attached to physical reality will get to still do what they did physically, only in the astral realm. This is only for those who have SOME astral senses open. If they do not, they simply remain in a state of 'blackness' or the 'blackness of death' that many are so afraid about. This is the lack of all external Astral consciousness. Xians cannot deal with that state and simply stay there until their dissipation. Others who are by their nature more powerful, might reincarnate and find their way. There are truly infinite wrong ways to go after death and during "life" [or a life of and for death as they live] for those believing in the magian lies.

That's why many ghosts haunt certain houses and many ghosts are seen doing the same things

they did as when they were alive. Many try to stay close to their family and so forth from fear of death, after they are physically dead etc. The character we have had in our lifetime, the lower character, is still intact after death. The thinking and so forth remains the same. What happens is slow dissipation, depending on many factors. This goes on and goes on, until the Astral body of the xian victim runs out of energy. Also, due to lack of spiritual protection, they are simply wandering there for any stronger enemy to do with them as they please. They can be

astrally imprisoned and so forth. Without the necessary knowledge which reinforces it. The devout xians who are in sync with the xian teachings of Hell and this other filth, because they are 'attuned' to this thing, upon death, can actually get to these lower dimensions.

These dimensions range from dimensions of total ignorance, to actual "hell" made on by the mages and their spiritual 'beliefs' that have astrally materialized such concepts. This astral body they have once dead is susceptible to any attack, any force, any energy but above all, its open to whom its programmed to be open, who is the enemy and the Jehovian thoughtforms and entities, which are deadly and nefarious. Stray thoughts and no experience with the Astral make one dumb to how it works and this leads to death. As their astral body is more or less a mass of energy and consciousness, the enemy takes these beings and gets them to the massive thoughtform they name "JHVH". Xians are taught all their life to be submissive, ego-less, unnatural, and above all, faithful and sacrificing for the kikes. This is for one reason, to serve them in this life and then perish in the other, so the kikes can do as they please with their Souls,

as they have control over those who are in their Astral Level. If the xian is "accepting" of it, they are assimilated inside this thoughform and good bye existence. If not, they are left away to wither away on the Astral. They can also astrally die and wither away like any other energy. Xianity is all about death anyway. There is no 'eternal' life, but only what xianity promises and is about: Blindness and death. Satan and the Gods try to get some worthy Souls to be saved and they reincarnate them, as Humanity is Satan's creation. But since we are self conscious beings and some choose to be blind, this is where free Will comes in. Its existentially wrong and unethical for Satan to help people who have scorned Him in their lack of intelligence their whole shitty momentarily life. Satan has to help his loyal ones. If Satan and the Pagan Gods desire so, they can and they are saving some xians whom they judge they have simply been blinded. This is all done in accordance to Divine Will. This is the message of the Egyptian Papyrus of Ani where one is judged, aside of the Spiritual Allegory. If one is legit and has been in alignment with Truth and close to the Gods in spirit, they survive and they sustain themselves. This is only partially ethical. What it is is existential. If you deny the laws of Nature, "Sobek", the "Crocodile" God will "devour" the person. This has to do with being low in understanding, as in one getting consumed by the strength of Nature and animalistic laws of nature. The Greek legend that when one has a physical body, they are befallen, is because in every reincarnation we have to go through the same process of uniting the Higher part of ourselves with the Lower part, the Higher part of the Soul, with the lower parts.

With Kikes, you will always lose. As there are merciless and destructive forces everywhere, they are this force in the Earth. You can see this in how easily they murder people physically and in any other sense, or through their programs.

Reality and nature do not give a fuck, they simply go ahead. Only Satan and altruistic beings actually give a fuck about Humanity and that's the sad Truth. Altruism is like anything else found in the Soul and in genetics. Its the natural outcome for allied beings to be altruistic, good and understanding so they can collectively survive and when aware of it, go with the laws of Nature and evolve aside with the Cosmos. Every being is meant to give a fuck about themselves or there is no survival, so simple. Many do not even realize they have died and only do so after a point. The first part is caring and sustaining the self and then the group. The

stronger is meant to help, if willing, the weaker beings. Nature is not going to give a fuck because you didn't develop your 3rd eye in your life, or because you

did not "know" or "bother". NATURE ALSO REWARDS "WORK" AND STRIVING WITH GREATER ABILITY. ANOTHER ATTACK TOWARDS NATURE IS THE ENEMY TEACHINGS THAT "EVOLUTION WILL HAPPEN ON ITS OWN" OR FAKE SHIT LIKE "EVOLUTIONARY LEAPS". This is a big trap to keep people in inaction, no different than the idiots who are waiting the kike to descend from the clouds and make give them some 'promised' shit. Nothing in nature that doesn't work or strive survives. It withers and fucking dies. This applies to everything and anything in nature. If you work with her, she will reward you. If you go against her, you will be overtaken by the downward flow of the weeding of the inactive disposal. If you remain inactive, other forces will eat you up. The real meaning of "submission" is submission not to any other beings, but in the sentimental laws of Nature herself. Xianity took this and maligned it to being submissive to some kike torturer or some clique of astral bastards and weaklings that prey upon Humanity. As right now the center of the Galaxy rotates and is filled with the energy of movement, the Serpent energy, the same goes for the Satanic Serpentine energy. This flow can only be worked with and can only be manipulated from within, not from without or disassociation from it. Working with it and going with it will make you eternal and this is only a natural occurrence. Satan helps in this.

The "eternal life" concept is stolen from Satan and Satanism and in how the Pagan Gods helped our people for so many thousands of years, before xianity spawned its nasty head. Still nowadays the same persists and exists. Ptah/Satan and the other Gods took the Souls of dedicated people to Duat, they still do. Real spirituality does not change with the times and is not a fashion. Xianity is just whats in the magian fashion nowadays. Today's fashion is malfunction. In this dark age, life is mistaken for death and death is mistaken for life. "Jesus" and "Jehova" is mistaken for Satan, the One and Only creator God and the real Father of Humanity, Satan, Is mistaken for the evil one. But the dark ages of the enemy are moving towards their end. The whole stock of enemy being and theories is few things: Totally physical striving and thinking, totally destructive type of "spirituality" and for those who do not believe in that shit, "live fast die young" theories, so they are in friendly terms with death and attract DEATH and DISSIPATION to themselves. With mages you lose.

Also, I need to address National Socialism. Yes, this relates to all of that, no matter if one can easily understand this or not.

"We are Nazis"- Mother Lilith.

There are some who do not see the link between our Nazi beliefs. The enemy tries to claim they are disconnected to our Spiritual teachings. This is all a

bunch of lies. Most people do not understand the inner conception of National Socialism. National Socialism isn't about having some certain physical features and only this, but is for any Gentile Kind to spiritually survive, as well as physically. As explained earlier, the Soul has to have a body and has to reincarnate until it reaches the level it should. HP Mageson explained this in the "Metagenics" Sermon. The Soul can be fully expressed through a body in accordance to what the Real Soul is. For instance, one has to have a Human brain to be able to have a Human consciousness and so forth. The same goes for advanced parts of the mind and states of being, one has to have the necessary "ground" upon which everything will materialize and be achieved. The enemy while keeping their Kind clean for this purpose and following strict

Kind policy, promotes bastardization of Gentile Kinds, as to where we will all be a soup and the individual Souls will not be able to reincarnate. They are doing this so that the Souls that are most advanced will, according to the enemy's hopes, not have bodies to come back and destroy them. This also includes everyone else. That's why it's important for everyone to sustain their Kind, because through the Kind do live the Souls of the dead of the Kind. In a sense, when someone has a child, they are doing this to be able to reincarnate later into the same Kind line. At least this is the healthy part flow of things, that the enemy tries to destroy. This is to ensure evolution of the Spiritual/Physical complex of our Gentile people. Our Adolf Hitler clearly stated that National Socialism is a religion in its essence. And this is our religion, Spiritual Satanism, Paganism - Our Gentile Religions. For beings against us who are aware of all these universal rules and laws of Kind, this is a method of warfare that is being used against us. This is why in the deep spiritual level Communism is murderous and nefarious and we are against this, because it is a magian weapon to enforce Kind mixing. The mages meanwhile as they pamper that shit down everyone else's throats, are having strict Kind laws in the otherwise "liberal" year of 2015, so strict as they blamed the Nazis to have. Do you see what they are doing now? You see where they are going and how deep the rabbit hole goes?

Father Satan wants us all to be able to see. Open your eyes and you see Father Satan. And when you do, the moment you will understand Him, you will be His forever, as His Spiritual progeny and Soul child. May Satan bless you all and keep you strong in the Path. As the Egyptians would say, there is not a worse action than going spiritually blind. SPIRITUAL BLINDNESS IS THE MOST FATAL OF ALL MISTAKES ONE CAN COMMIT AND THE ONLY REAL DISEASE- THE ANCIENTS HAVE BEEN SCREAMING IT FOR YEARS, HAVE BUILT MONUMENTS

AND HAVE WROTE ENDLESS BOOKS TO EXPLAIN THIS AS BEST AS THEY COULD. YOU KNOW ABOUT THEIR CALL.

There is also no bigger criminal and murderer than he whom keeps the people blind, be it ET or being a kike trying to deter people into being spiritually dead sheep. For this reason the enemy must be destroyed in any and all places by Spiritual means. Satan is willing to help us and assist us in that goal.

Father Satan wants Justice and Revenge against these beings who are trying to hinder us for so many hundreds of years.

YOU MUST FIGHT AND OBLITERATE THE DARKNESS AND IGNORANCE, ABOVE AND BELOW. THATS THE PURPOSE OF SATANISM!!!!!!

[The Borg Is Approaching: Neuralink Presentation](#)

Make no mistake, I am no enemy to technology, futuristic advancements, and if anything, I would be the first to be excited and consider futuristic advancements, even when it comes to augmenting humans – insofar this is external and does not interfere with the human being itself. Humans are actually smart beings with a lot of spiritual and supernal capacity.

We are simply not told of the whole truth, nor this is expected to happen soon under present circumstances.

It is a shame that this truth has been submerged under lies in regards to our Gods, to our past, and to the capacities and skills we can develop in our meditation. Indeed, the only problem of humanity, if the above is discovered, would be the problem of humans living small lifespans, which meditation can solve, and technology could also assist us with.

Elon Musk is using the argument that the advent of General Artificial Intelligence is going to render humanity obsolete, and that for this reason, our only "chance" for survival, is to essentially become part of a general borg and physically [through our brains] link ourselves into an AI. In order for this to happen, many steps need to be taken, with implants to human beings.

Let us also not forget, who was into the rampant research into this kind of technology? Specific agencies like DARPA. And who is the biggest investor to Elon Musk? A lot of similar types of state agencies. All of Tesla and all of Neuralink was

built based on State money, and Elon Musk did not become the world's 4th richest person by coincidence.

DARPA got enough flack from people because of what it did with tampering the brain [this made it all over the web and they were scorned], and there is no way it could get out and say "Hey, we are developing a brainchip to turn you into a borg, and you must take it, alright?". Civil war would have broken the next day.

But, Elon can be used to front for this, and to try to pass this down as something cool and acceptable to the masses. The extent of how much even he knows is questionable, but probably he knows a lot.

This probably happens without the knowledge of any Presidents and without the knowledge of any actual politicians, they do not even get to have a choice on these things. Most of these things happen by other people, unbeknownst to political officials. Frequently, this can be labelled by "conspiracy theorists" as the "Deep State" which is a hot topic currently in the case of Trump and QAnon. The so called "Deep State" acts on it's own accord in ways such as the above.

A microchipping of the brain, Elon claims, is "necessary" in order for us to save ourselves or not end up as "pets" to the super intelligence, or so that we are not wiped out entirely from it. To that danger we agree, to that this is the solution, one can find numerous others solutions. One such solution is to keep it on the AI level, and not cross over to the "General" level of artificial intelligence.

However, greed, stupidity, monolithic mages, and having a Kind of Talmudic alien souls taking serious decisions for any civilization, on the behest of some really bad aliens, is always a bad thing to do.

Elon, in the presentation, which used pigs as candidates [which he compared to humans, and said we are similar of course], kept repeating "The pig is healthy and happy". One thing the pig is not is this: Free.

Indeed, General Artificial Intelligence will definitely render humanity obsolete in more than one ways, and displace the major number of humans into meaninglessness. For this reason, mages also argue, that humans will no longer be needed for labor [to them, humans were only slaves], and so that this dystopia to manifest, we need to throw some breadcrumbs to the angry masses in the form of UBI, lest they are to rise and destroy mages.

Well until the technology is so good that the UBI is not needed, then they will just casually discard people, keep some slaves, and live in what they do refer to as

"The Messianic Times". The above is a theme that has been frequently been promoted in movies, partially or fully.

Effectively, the "Working class" which was the problem of the mages in the last century, is to be eliminated by "automation". It is the working class and the middle class, that causes "problems", revolutions, and all sorts of other things, in particular, because the fact that they work and the world depends on them, their word matters. For example, mistreated people by a company, can throw a strike. The wet dream of mages is for them to control a civilization where all work and labor will be done either by human slaves, or robots, that do not in anyway complain, cause issues, or dislike mages.

The other aim of our side is for us to get into a level of a very technologically developed civilization, but without interrupting human progress or throwing people into insignificance. After all, this world exists for humans to live as humans, and to advance as humans.

Our species simply disappearing and/or ending as slaves for another species is not a very good idea, but some "Enthusiasts" and other misanthropes, believe that indeed, wiping humanity out is a very "advanced" thing to do. Many of these people are filled with numerous complexes, most of which psychological. In the case of mages, the hatred is simply because they are aliens at the soul and nothing else.

In this case, Musk is also correct in that we are opening "Pandora's box" into this planet with General Artificial Intelligence, and that the overly logical nature of this technology, and its extensive ability to deal with information, will probably be for the worst for humans.

The disagreement here is however, on how we are going to get "saved" from this situation. Another question is, why are we even here in the first place? Why has our history took a turn that we are confronted with this question? Why has not our technology evolved differently, or went a different way? Was ruining the planet, the environment, and making borgs out of humans, "The only way history could go"? This is what greys and other evil beings want us to believe.

Indeed, there were, and still are, many ways for us to go. None of this is necessary for us to become better, attain immortality or longevity, or live a life that has less

labor and less pain.

The enemy in general is an expert in getting people in situations where there is no escape, other than their "solution" to a problem, which in the end, only worsens the situation and becomes a new problem. The enemy created the problem of "Christian Sin", then, they come and give people all these crazy list of demands on how to "absolve themselves of sin". When one follows these demands, one becomes destroyed, and there is nowhere lower for a human being to sink, one's humanity is lost.

Those in power currently in the planet, are also like 65 to 75 years old, and they seldom understand what General AI will probably entail for mankind, Scientists do frown upon individuals who question anything [like paid scientists do right now with Covid, assuming that they are total authority on anything]. Many of these people can hardly use a smartphone. Yet, many of their millions and billions are invested in enterprizes that involve projects like G.A.I.

Be it that many of those who currently are in "Control" of this world also have limited imagination, and are very low in spiritual consciousness, they cannot see much of what this could potentially cause to humanity. Questions like, "is humanity ready for this"? In what direction this will take us? These questions are not answered.

Because of course, they do not want to open these questions up, because opening these questions will bring the collapse of their fully unstable paradigm. Some others and mages included in this level of control, are desperate to use technology in a way that will enslave the masses that highly dislike them, which was always the core of their "Teachings".

Part of their teaching was to enslave "part" of the masses entirely, and the rest of it was to "Judge them" and typically kill them and/or make sure that they suffer for all eternity.

Elon in his "presentation" mentioned something with someone that appears to be a medical personnel, in how the brainchip can be used to stop feeling pain and/or "reducing suffering". They forgot to say the other thing. What can actually be

done through the brainchip to, for example, INCREASE or CAUSE suffering?

As with everything else, they only show the rainbow to everyone, and they never even mention the millions of ways this could potentially go wrong, because if they do, these ideas and advancements will cause people to literally revolt, because

they are not necessary to take such risks for, or to go this way. There are other ways.

It used to be the line that people like us were "nutcases" and insane that essentially, were spreading "Conspiracy theories" that had to do with strange and lunatic things that were "impossible" to exist.

As time progresses, more and more people will understand, what HPS Maxine and us have shared, is only what is going to happen into this world, and indeed, this is not a strictly human plan. If anything this plan is not human at all, other than that some "Humans" are actually developing this plan, seldom understanding where this may end.

As it has been stated, these advances, are basically influences manifesting from the greys, in that they want to turn our civilization in either part of their borg, or abolish our civilization entirely.

Those who have meditated and have had any experience with these "Creatures", they understand these are highly telepathic alien species, that are evil, and do not want humans to spiritually advance in anyway. As such, they have been promoting to humans all things that spiritually disable them, and they have authored a lot of programs, ranging from weed and drug abuse, to christianity and islam, or supported Kinds such as the mages to keep humanity in spiritual oblivion.

Those who have been reading our messages and posts, have seen for themselves the manifestations and the road towards these "weird" manifestations, in the timegrid of history and the present that we are going through right now. Lots of abnormal thing happen everyday, and people only care to call other people "Conspiracy theorists".

Well guys there is no conspiracy theory here, just some people who are literally creating a brain control interface with who knows what capability and what backdoor. and want to implant this to humans for whatever reason. I cannot wait for NPC's to again be closed minded and pretend nothing strange is happening here, which is of course, in front of their very eyes.

What is important however, is to not only know, but be conscious of what is happening and why. Did the idea for people to implant microchips into their brain, come on it's own or as a result of historical development? Were there no other ways?

If so, why has not our history went the other way, for example, into development of suits or external technological means that would amplify humans but leave our inner biological core intact [for example, space suits, or think Iron Man suits that can be used in space exploration?].

This sounds like the most logical solution, arriving from the fact that humans are both easily upset by technologies, and implanting things in humans is not always a smart idea. There are many other technologies that keep people alive, and are currently inside people [for example, heart implants or palpilators], or artificial limbs, but why would someone, for any reason, want to implant something inside their brain, with capacities that in the very least could be called troublesome?

One example here is how every non biological system, or technological system, can be hacked. What happens exactly, if someone who is implanted with a brain chip, has their thoughts read, or is flashed advertisements inside their brain?

The logical conclusion with the powers that rule the world right now, is only one: This is to enslave humanity and nothing else. The excuse is always the same, that this is for the less able, the patients, the weak, and to help us in some way escape from existential misery. The same excuse always happens when someone wants to launch something that people will flip out if presented with under different circumstances.

For example, who would accept to be microchipped by a state enforced microchip for mind control and/or willingly choose to become a borg and lose all their

individuality? Who would like to put a chip in their brain that could move their limbs against their will, read their thoughts, and potentially shut down their brain or knock them unconscious, or make them conduct a crime, or whatever of this sort?

Elon is clearly going to control everyone, there is nothing else to it. And control does not have to be an unpleasant thing. After all, looking at his self driving cars, one sees a nice car. But this nice car can also be controlled remotely, shut down, and potentially kill the driver for questioning the Borg Overlord pretty easily and remotely. Adding some sort of AI in the mix, colors in front of us a rather dystopian picture.

Is the above a risk to take only so that some people can listen to spotify in their brain or some other asinine thing? What is exactly so exciting about this?

The reality is humanity is very bored, very low in life force, spirituality and freedom, and therefore, every cheap offer the mages and those who want to

enslave them have for "these goyim", they want to take immediately. Christianity and other mental cripples of the mages, made humans hate themselves for being humans. This hate can be subtle, and manifest in many forms of shame, self reprisal, and self destruction.

The enemy has removed spirituality, which has turned many into NPC's and dead husks. These dead husks are easy to control and manipulate, or lie to, through the absence of spiritual knowledge and life.

Another question to ask, if a government of the future, or some oligarchs, took control of a control panel where people all had chips in their brain, and literally hacked into their brains, then what? How is this exactly helping humans achieve a better state of being, to be under such dangers?

Lastly, there are fools who are very blind. There are people who cite the Bible as a reason for not taking this chip. The reality is, we are in this time continuum, only because people believed in the Bible. People collectively believed all of this was "Necessary" for the return of the "Lord", and pumped psychic energy into this by force for about 20 centuries. People were told to "Believe in the return of Jesus",

all sorts of damnation is to be welcomed to take place. Fragmented manifestations therefore, are happenin into our world because of these beliefs.

What would happen if governments or other powers had literal control over people's very brains? What would happen if the "Coronavirus" happened in a civilization of microchipped borgs? Wouldn't someone, for "our safety", lock us permanently in the house? And many put to sleep all the little evil goyim that questioned everything? All for our health of course, as we are frequently told everything happens?

The trade off of risk and potential benefits in these advances is clearly very off. We could become potent, explore space, and generally do everything we meant to do to become interplanetary species without the necessity of turning people into brain borgs. Already, every considerable space exploration advancement has happened by normal people, augmented by external technology. If humans understood more about spirituality, we would be far more careful in regards to making these types of merging with technology.

Why for example, not wear a hat instead of a literal implant, to do the same work? Because of course, some specific individuals want control over the literal

material brain of other people. There are not many sane answers to support the movement in that direction.

The only way to offset this, is to just burn the whole of the Hebrew root of the tree, which has been already an ongoing process with the Final RTR. This just ruins their whole basis of their whole "Manifestation".

We do not need to live in the dreams and the nightmares that the mages are creating for humanity, nor theirs nor those that the aliens they are in collaboration with are "inspiring" humanity to manifest. There are other ways, better and more clever for us to go to.

There is no need for us to abolish our humanity, turn ourselves into a collective borg without individuality, collectively enslave ourselves, ruin our earth and planet, or anything of the sort. None of this is "predetermined" and none of this is "necessary". All of this can also be avoided, and humanity can do much better

than that, provided there is spirituality, willingness, and people in positions of power that want to do good.

The Trine mage

In Judaism, the Torah states that the mages will inherit and rule the earth in the Messianic age in which there will be no god, religion or culture except for the magian one, and the nations will serve the mages as slaves. This will be a global magian theocracy in which the Goyim will be forced to convert to the one world religion of Judaism as a slave caste, and follow the Noahide laws as righteous Gentiles (meaning slaves who obey their Rabbinical masters). How does a small number of mages bring this about in a practical way?

The bible was written by mages, and it states to the Goyim that one must become magian and the spiritual seed of Abraham, the first mage, in order to obtain salvation which is of the mages. The Rabbi Saul converts the Gentiles into open Judaism in the New Testament. Jesus was a Rabbi who preached Judaism, and he commanded his other 12 Rabbis to go forth and convert the world into Judaism to achieve the agenda of bringing forth the Messianic Age of the magian cult in which the ruling Theocracy is god and all must submit to the magian god.

Mohammed was a Kind mage who was born of a magian mother whose magian Qurayshi tribe was descended from Ishmael, the son of Abraham the first mage.

Mohammed stated that he taught the religion of Abraham which is Judaism. Jesus is also in the Koran as a great prophet who was born of a virgin birth. This is why Mohammed's first wife was magian. The messianic mission of Islam (which means Submission to the god of Abraham [Yahweh], the magian god) is to create a global Islamic State in which Judaism will be the sole world religion.

Both Islam and Christianity believe the Messiah will return and usher in the Messianic Age of Judaism by way of a violent, global Messianic war.

Islam and Christianity are nothing more than a magian mass ritual working to bring about the magian Messianic Age.

Christianity, Islam and Judaism are the trine mage. The Christians and Muslims are simply their Golems who are working to spread the magian agenda of the Messianic Age around the world and act as physical conduits for the magian god form to act through and take hold in. When this god form fully manifests as a ritual working into the material world, they will be the willing servants to the magian Messiah when this being appears and conquers the world by bringing together the billions of Golems to act as its world army and slaves.

There was an article in the magian press in 2016. The large congregations of the magian Rabbinical leadership gathered in large rituals by the thousands and

performed a Kabbalistic ritual to command their Messiah to come forth into the world.

President Bush also signed the magian Noahide Laws into effect as well. It's called: Public Law 102-14.

The Truth About Angels

Angelic entities seem to follow the same pattern in dealing with people. Known by different names; "Watchers" "Guardians" "Gatekeepers" their true nature is to keep humanity from progressing in any way especially in the area of spiritual power or knowledge. They are like guards in a concentration camp; the "Watchtowers." Angels are human-hating extraterrestrials and their agenda is to keep humanity spiritually enslaved and without power.

Those who are without and delve into the occult a little too deeply will often meet with unpleasant experiences [again, FEAR is often used as a means of control]. One way or another, those who are without are often deceived into relationships with angels.

Of course there are variations, but here is what to look for- you will see this if you read anything about people's experiences:

- The angelic entity intrudes. Most often the creature is uninvited and takes it upon itself to barge in on someone's psyche totally uninvited.
- The entity uses love to lower the victim's defenses. This is done deliberately and masks the entity's true intentions. The victim [human beings are emotionally vulnerable- how many serious mistakes have been made at the mercy of our emotions] feels the "love" and is deceived into believing this is a positive visitor.
- The entity never explains much or gives the victim any valuable knowledge. Most questions are not answered, if they are, they are in riddles or nonsense. Any information given is either incorrect or incomplete.
- Often, the entity will make a statement that it is coming to warn the victim and/or humanity of "erring ways." This many times has to do with anything the entity deems as a threat to their total control, in most cases playing upon the ability for one to defend one's self; humanity's use of mind power for psychic self defense is extremely threatening to these alien predators as their main tool of control is through the mind; their worst worry is should humanity ever discover the truth and attain the same powers of the mind as they possess. They preach a false concept of "peace" and "love" to disarm humanity and create a helpless/defenseless earth. Their own convictions concerning this are made blatantly clear throughout the Christian Bible where they are bringers of torture, suffering, and death. The book of revelation/apocalypse says it all.
- The entity in many cases delivers negative prophesy. Most often, this predicts personal ruin, disaster for the victim, his/her loved ones or others who are close. The entity then offers false reassurance that it will remain with the victim through all of this, but does not lift a finger to stop it.
- The entity in many cases, such as with ignorant [unknowing] new age people, acts as a healer when channeled. As usual, no knowledge of any value is given and the healer as well as the patient remain cripples and are helpless without the entity's assistance, making them slaves.

I have dealt with these entities and they are anything but benevolent. They are bringers of death, misfortune and their victims of choice are children. I have seen

this many times. People who get into angel magick are either extremely arrogant or their personal lives end up in disaster. One guy who was into this sort of thing was severely depressed and into drugs.

When I was a small child, my mother told me her parents had a baby girl several years before she was born. This little girl, when two years of age [they were Christians] would point and say "angel" "angel." Soon afterwards, she hit her head on the streetcar when it jerked to a stop and soon died from complications.

An Christian woman who was expecting a baby was visited by an angel. The angel told her that the baby would be stillborn. Of course, the baby was stillborn.

The angels of apocalypse dump fire, plagues and all other kinds of nasties on humanity.

Angels prey upon children, and take their souls to use for hosting energy that angels and other ET entities feed off of.

The Truth About Gnosticism: Exposing the Enemy Lies

Gnostic Christianity simply does not exist. During the Roman Empire, the forced Christianization, which happened over generations and included the persecution and destruction of the Pagan schools and spiritual knowledge, culminated in the destruction of the Library of Alexandria and the murder of the Pagan Priests and the Roman Emperor's decree that all must convert to Christianity or be executed.

The Pagan spiritual schools simply camouflaged themselves in a thin veil of Christianity to avoid persecution as much as possible and the total destruction of their knowledge. The leaders of the Christian Church never accepted them as Christians and persecuted them and drove them underground and in many cases out right destroyed them. Because, as the Church leaders stated, they were Pagan heretics. In some cases, the Christians sent entire armies and fought a thirty years war to destroy them, such as the Cathars. The Christians started the Inquisition originally to wipe out the Gnostics who were waging an open and covert counter movement to wipe out the Christian religion and church and liberate humanity. The Cathar's God was Enki, whom they called the Agathodaemon, not Christ. They called the Christian god of Pissreal their enemy.

The Gnostics taught that Yahweh was the Demiurge, who, along with the Archons (the angels of Yahweh), had sealed humans off spirituality from ascending spirituality to the light body. In the Gnostic terms, this was done by driving the Kundalini serpent down into the root chakra. The Gnostics stated that the serpent in the Garden of Eden is the real God and Yahweh was the evil false

god. The Gnostics, such as the Orphites, worshipped the agathodaemon meaning the "Good God" which is a serpent with a crown with seven rays for the seven chakras and vowels. This serpent's name is Dionysus. The God Dionysus is also called Iohannes, which is Oannes further east, the Babylonian name of Enki, whom the ancient Chaldeans also called Shaitan, Satan. This is also what the serpent God was originally called by the Egyptians: Sata, or Satan. The main figure of the Gnostics, that of Simon Magnus, was John the Baptist, the major Gnostic figure. He is the camouflage of Dionysus Iohannes. The baptizer was also Johannes the Baptist. De Vinci, the Templar Gnostic master, showed John the Baptist as Dionysus. The Baptism is that of the serpent energy. Baphomet means baptized in the serpent. And Seth was called Thoth, but also Seth is in reality Set who is also spelled Sata, Satan by the ancient Egyptians.

The Gnostics' statements on Christ are superficial camouflage that is designed to undermine Christianity and give them some cover. The Christian Church executed Heretics by skinning them alive in public, so you can understand why the cover. The fact is, the Bible, which the Gnostics read, openly calls Jesus the physical embodiment of Yahweh, the magian Demiurge. Jesus states himself as such, and claimed to be there to fulfil the plan of the Yahweh, which is to return Humans to the state of ignorance they existed, naked, in the garden. In

Gnosticism, this is the symbol of the bestial and animal state of humans who have not activated the Kundalini serpent and obtained Gnosis and are thus enslaved to the Demiurge. This is the bestial state of ignorance Yahweh wants humans to remain within to enslave them, which is the point of the Bible. This is important, as we are noting that the Bible was read by ancient, spiritually advanced Pagans with the ancient knowledge still intact in their system, who understood the symbolism and intent of the Bible and warned people about this program and the magian enemy on the spiritual level.

The goal of Gnosticism is to raise the fallen serpent thought the seven Geni, the chakras, to the crown and transform the soul and consciousness into the light body state and ascend past the control of Yahweh and the magian angels and thus become liberated. To connect to the true god, which is the Shiva Tatwa in Hinduism, the cosmic ether, or super-conscious state, which the magian Demiurge Yahweh has attempted to bind people spiritually from obtaining.

The fallen spiritual state the Demiurge has placed people in is the soul trapped in matter. In the Pagan symbolism and still in Hinduism, the soul is shown with the possibility of the vibrational sphere of two different octaves. One is the lower state of the unawakened soul, the unactivated serpent where the soul is in the state of entropy and stagnation, which binds one to negative forces and to the lower-vibration octave of Saturn of the denser sphere of materialistic existence

which causes death and dissolution of the individual. This is why Set (or Seth, also Sata) fights the serpent Apophis. The Apophis is the symbol of the lower state in Pagan Egyptian symbolism, or Indra and the Dragon. This is the symbol of the serpent energy activating and opening all the chakras and energy channels in the being and liberating them from this state. This is why Sata or Satan in Egypt is called the serpent of immorality. The Kundalini serpent opens the soul and transforms the body into the light body. Satan is Enki in Sumeria and is the Gnostic God, not the Demiurge Christ. Enki in Sumeria was shown as a serpent wrapped around the tree, the symbol of the serpent in the Garden of Eden. The serpent around the tree is the symbol of the risen serpent. The tree is the spine and the branches are the nadis.

The second octave shown is the solar octave of the liberated soul by raising the serpent and transforming the soul. Yahweh, the magian Demiurge, is the symbol of Apophis, the soul in the bound state imprisoned in matter, suffering, and ignorance, doomed to suffer death and dissolution. The Pagan Greeks and Egyptians stated that if the soul is not empowered by the serpent Yoga in time, it will no longer be able to reincarnate and it will fade away into non-existence. Literal spiritual death. This is the magian plan the Gnostics warned us about.

The other level of this situation, as the Gnostics stated, is that the magian angels of the Demiurge are literal negative entities that exist physically and on the astral as well and will attack and attempt to stop any one's spiritual progress to the light body state. They work for the Demiurge Yahweh to enforce its will on the planet. The Angels the Gnostics are talking about are what the Bible calls the Seraphim Angels. The magian Rabbi masters of Kabbalah openly tell their magian students that the Seraphim Angels are literal reptilians that appear to them in deep states of Kabbalah meditations and rituals in their astral or energetic bodies to guide them in doing the will of "god". And that these reptilians serve their "god". The Gnostics were right. They knew this back then, as they were spirituality open and could see on the astral. The mages also state that they are from the genetic line of Yahweh and this is why they are a separate species literally. The magian Kind gene is the Cohen gene, which has reptilian DNA in it. The magian Talmud states that a mage who has sex with a Goyim has committed bestiality. The mages call us Goyim, meaning animal, and they want us in the bestial state in their paradise for them to rule us as naked dumb animals doing their will. The mages state that their mission is to create the world order of their Yahweh on Earth, and the Bible is their program to achieve this. The Gnostics also stated that this is the plan of the mages in their own writings.

The Gnostics were a movement of spiritual Pagans that formed to deal with the Christian program and the enemy ET's behind it, and attempt to keep the Pagan spiritual knowledge going during the persecution and destruction of the Pagan

spiritual teachings. One thing to remember is that the Gnostics kept the truth for the world that Satan-Enki and the serpent of Satan is the true God and liberator of Humanity. Only through Satan and the serpent of Satan can one become free and defeat the magian enemy of the Demiurge and their reptilian angels. In areas where Gnostics could, such as Norway, they openly defeated the Christian crusader forces on the battle fields, even killing the Christian warrior King Olaf in hand to hand combat and crushing his army. They built the Serpent churches in Norway as well. They also created resistance movements across other areas of Europe that halted the Christian Church for centuries. Eventually they created the renaissance and Enlightenment thought the Masonic movements. This is also why the Christian Church invaded Ireland in the 13th century. Ireland was a major area of Pagan Gnostic resistance. Their leadership was called the Serpents and their symbol was the serpent wrapped around a rod and tree. The Gods of Ireland were called the Tuatha Dé Danann, which means "The People of the An Gods". The An are the ancient names of the Gods in Sumeria. The head God is called Anki, and sometimes Enki. Anki means the King of the An Gods. The Egyptian texts also state that Satan is the title of the King of the Gods. Sat, King of An Gods, Satan. The Egyptians called the Gods the An Gods as well. Satan-Enki is the Gnostic serpent God and always was.

However the magian Frankist movement, which is the geopolitical magian movement for a Zionist world government (they cloaked themselves in their front name of the Illuminati), along with the enemy Church took the Masonic movement over and turned it into a vehicle of the Demiurge. Now the Bible of the mages sits on the altar of the Masons and the magian Rothschild dynasty runs the Freemason lodges of which the Zionist lodge, the B'nai B'rith, is the top of the Masonic Pyramid. It is the magian lobby that orders the American and other governments around under different covers. Today the Masons' goal is to use the Bible and magian Kabbalah to create the Zionist World Government they state will be ruled from the Third magian Temple, the seat of Yahweh the Demiurge in Jerusalem. This is also what David Ben Gurion, the first Prime Minister of Pissreal, stated in his writings is the plan.

The Kabala Cube And The Saturn Square

by **HP Mageson666**

The Cube relates to Saturn and the Saturn square if you add the three lines each adds to 6 making 666 which adds to 18 the number of life in Kabala and the Far East.

In Taoism 18 is the number of the cosmic egg which the God Pangu emerges from. Pan is the All the five elements. The egg in the east is a symbol of the human as well the Atma Linga. Which holds the five elements. The cube is the element of earth which holds all the elements together and generates all existence. This relates to the force that holds the five Koshas or bodies together making one exist as a full person. Which is the physical body the vessel. In Hinduism 18 is the number of life as one 9 is Shakti and the other 9 is Shiva and they both unite to make all existence, spirit and matter together.

In the Far East the letter Wa is given the symbol of the square as the letter. This is the symbol of the earth element, Saturn the VA letter is the full strengthening of Wa in Sanskrit. The VA gets the six in Sanskrit systems. The 666 of Kabala is Vau, Vau, Vau. Which is the mantra of bringing spirit into matter and generating creation. The square is the symbol of the open mouth in the Far East which is what the Vau letter in Sanskrit is. This is speaking things into creation by connecting the spirit with matter. The square also rules the cardinal points which form the Zodiac all of which are governed by Vau in Kabala. The square of Saturn rules the root chakra which is called the World Support in Hinduism and holds up the entire universe. The Saturn square relates to the Sun square which relates to spiritual creation and perfection. The 111 of the sun square is the universal number that adds into everything. This is about bringing workings into the material realm and manifesting them. Which is what the Vau does.

The letter Vau is the bija mantra of the God Vishnu in Hinduism.[1] Who rules the power of sustaining the universe which is the union of spirit and matter. The VA is the semi-vowel of the U which is the letter Vishnu rules in the AUM formula. The symbol of Vishnu sitting on the serpent raft upon the cosmic waters in Hinduism is the root chakra. However Visnu is also the symbol of spirit in creation.

The Pythagoreans showed creation as the pentagram within the circle with the number 666. In the ancient Greek the sixth letter was originally Digamma which was Vau. The Pentagram is Venus and upside down is showing the union of spirit and matter the five elements which generates all creation. Much of the Kabala is also stolen from the Greek Pythagorean system as Rabbi's have admitted. The V letter was removed from the Greek by the enemy later on.

[The Reptilian Genes At Work](#)

by [HoodedCobra666](#)

Many people do not really see the "reptilian" thing, which you need to look closely to identify in mages. So I have brought together isolated some examples of prominent mages so you can see it evidently. Himmler stated that the isolated mage is more difficult to be understood as an alien element, but when you see them all together, you can figure out they are alien pretty quickly.

The Cohen Gene is actually a part of the magian DNA that is however affecting the whole person and making them magian. It appears that in some mages, this manifests on their phenotype, obviously, but subtly. While other mages more look like merchants and have a particular look, some of the more 'higher up' and intelligent mages, do actually have a Reptilian phenotype that is observable.

Many people also brush away these theories, but I have found testimonies which I will be posting very soon of a Rabbi admitting that the Reptilians run the show with the mages, and that the Reptilians also are the 'angels' of the enemy, actively in war with "Demons" (Our Pagan ET Gods and progenitors), helping mages in meditations by guiding them, and way more. The Truth will out on the shrinking minds of the foolish as a ton of bricks.

The mage and the Reptilian is great friends. The mages at the top work with the same reptilians on the higher levels that attack humanity and seek to actively suppress it. A Rabbi mentioned this in the open in Ancient Aliens as well, revealing their identity as the so called "Angels of God".

As HPS Maxine stated, the mages only lately invented the "Klippoth" or the Pagan Gods as something evil. This was because when their higher top Rabbis were asked on why misfortunes and disasters followed the mages, their top rabbis revealed to them that this is caused by our Demons to the magian Kind. Tie that to the above as well.

Now, if one pays close attention, one will see something 'reptilian' in the face of these mages. It's something looking alien, and soulless. There is no warmth, it's easy to feel and see but difficult to verbally explain.

Zuckerberg is one of the most prime examples of this 'reptilian' thing, to the point that many people ask him if he is a reptile or alien. This is not a joke, people are subconsciously picking up on this. It's difficult to hide in his case.

This is called Rabbi Tovia. You can also see the 'reptilian' hue in his figure as well, unfeeling and alien in some way. You can compare these pictures to the pictures of Nigredos and Hyperboreans, or Asian people, and you will see the mages are a drastically 'other' species.

The Spiritual War is Being Waged

—High Priest Hooded Cobra 666

Comrades and Satanic Warriors,

So many times we are standing here, maybe not together in body, but together in Soul. We are striving alone, but we are striving together. We are fighting alone, but we are fighting together. We are winning together. We are losing together, if ever. We hit together and we get attacked together in return. I am aware of this. I am aware so many of you, you are going through rough moments everyday. Even so lately with the enemy attacking us. It's the same for everyone. But we will overcome this, as we already have. We will attack back. This is not simply a war based on time, based on questions, based on feelings and emotions, based on any mercy. This war is over only when it's over.

You see, we are opening the enemy's most holy "book" now. Yes, the same book that talks on about how to drive Gentiles to slavery and extinction. The "Torah". We have literally opened the hubris and disease of this thing, which unfortunately is what has been infecting everyone. While others focus elsewhere, we are focusing on the core. The "Torah" is the text which the enemy gave their saplings so they can destroy us. The rest of the story is to be studied. But when you hit the core, wait for reactions. Victories made against the core, they are the best victories. Everyone saw that recently. We will see many more things.

I am also aware of what many of you are becoming more and more aware about. We are dealing not with an enemy, but with a monster. A monster without bounds, without dignity, without anything worthy of being called even remotely human. We are dealing with an enemy that made many, but not everyone shut their mouths and stop all their actions against them. We are dealing with liars, deceivers and even worse than that. We are dealing with an attack we should never have received. An attack vile, undeserved and putrid. No matter what we tell you and what information we give, the reality of what they are will always be the worst. Imagination cannot suffice.

If we do not act, this world is doomed. This is NOT an empty statement. This is the reality of matters. The other part of reality is that we are doing a magnificent job.

We all here have to accept it. Accepting doesn't mean worry or anything in this regard. It means, I AFFIRM JUSTICE, I STAND AND I FIGHT— ETERNALLY, OUTSTANDING ALL ENEMIES, DESTROYING AND ANNIHILATING SPIRITUALLY ALL LIES. The enemy will use EVERY method so they will not be fought. Dust in your eyes, in any way they are able. And by any way, I mean, any way. The dirtiest, slyest and most putrid and confusing way they are in their arsenal. But I have your remedy here, which is the remedy of all. WE MARCH FORWARD IN THE PATH SATAN SET FOR US. They will try to make you "FEEL" and "THINK" just about anything, just so they are allowed a free roam and avoid the attacks we have to do. We do

this FOR JUSTICE and to CLEAR THE NAME OF THE GODS, TO ABSOLVE THE SOULS OF THOSE WHO FELL AND BECOME CORPSES AND SLAVES AT THE FEET OF THE mages, TO ABSOLVE THE FUTURE ITSELF. Our work is a most SACRED work.

Nobody has raised quite their fist in this regard, against the magian spiritual, physical and mental gangsterism. Everyone has fallen victim more or less. People are controlled from this power from such an obscure level, that most even falsely think they are free. Everyone's freedom has been put into one melting pot. The enemy even robbed the Souls of people, not minding for a moment. They brainwashed people with any sort method they found.

They lied to people. They murdered them without a purpose, other than to do what they are set here to do: Murder us all.

We are dealing with an enemy most evil. The enemy will do absolutely anything to blind you. Then, if you they fail, they will do all that is necessary to stop you. If they fail in this too, they will do all that is necessary so that you will show spiritually mercy, so they can escape, rebuild their powers and then they will return and destroy everything, including you, with the fair, good old magian backstab. They even try to convince people that they do not attack them, even if they outright do. They will always try to convince people that they are on their OWN animals, and that the mages aren't making them. They will try to make anyone believe the sources of problems are always, somewhere else. Always searching for an alibi, always blame shifting, always furiously killing and replying with violence every time they are to be Judged. Because they know, if they do, their little game is over. It lasts so long these beings avoid the judgements for what they have committed, it lasts so long until people are aware of them. So many are their victims and so many are so stupid to understand. Yet, everyone in the end, more or less, understands. And if they do not, we will do this for them.

The enemy will try to cause everything to stop our Struggle. To cut our breath short, like they did with any other movement in history. They have failed and they will forever fail. We are more than just any movement, an "organization" and anything they have ever met. We are a ruling idea. We are indeed, Spiritual Justice from the depth of the Gentile Soul. We are something that results once in history. We don't just gain light from some other idea, we enlighten the other ideas and we are a Sun. We are a movement with the knowledge of our roots, of our God, of our Political Philosophy and lastly, the only Spiritual and Plausible way to cure the cultural cancer that has killed so many people. Realize just the power you have in your hands. You will understand what I mean as you go and we all go. You have to realize that you are important. No matter how you feel, or what you think, or what you have done, for some reason, you are here and you are called to fight an enemy who has bred so much death like nobody has ever did. Your actions define you more than anything else. We are fighting the personification of all death and murder, really. This in itself is a great deed, but all the above is only to motivate us to further, more defiant action. To stay asleep now is the equal move of a suicide.

Infighting, senseless egotism, false "changes" who are spiritually created by the enemy, "thoughts and feelings", whatever you get, you have to see beyond this, when the night

might grow loom on you. The enemy wants you to always be like a pig, short sighted, always offended, always weak, always cut off, always so falsely your little "self". They hide to you, although they utilize this everyday, that the real power lies in what We, Human beings, can achieve Together. They are against this, they are the natural antithesis. They always tried to

cut us away from our Gods, let alone any organized actions. THIS TIME IS NO MORE. It has ended. Destiny takes a hold. Do you see where we are getting them now?

We are pushing them to the cliffs. This is what they always tried to avoid.

They are so afraid of us, and rightfully so. When you are a Daughter or Son of Him whose name is TRUTH, our Father Satan, then HOW LONG WILL LIES ENDURE YOU? YOU WILL

DEFEAT THEM. There is nothing that can be done when the Gentiles are doing it all together. We will reach the Heavens. The ages and times when the House of Satan was divided, these are over. The machinations of this division and the creators of all the lies that plagued our people and Gods, they will be blotted out. We are all standing as ONE and MOST FORMIDDABLE FORCE. A FORCE THAT NEVER FORGETS, ALWAYS ADVANCES, IS INVISIBLE, AND IS BECOMING MORE AND MORE POWERFUL EVERYDAY. WE POSSESS EVERYTHING WE SHOULD. OUR SATANIC WILL WILL MOLD EVERYTHING TO WHERE IT SHOULD BE.

I want Our Battalions and People united. For the Reason of Victory. There is NO HIGHER REASON THAN THE VICTORY OF TRUTH. NONE. ALL ELSE FALLS SUBSERVIENT.

I want Our Brothers to hold the hands of their Brothers, with Loyalty. For the Reason of Brotherhood and Comradeship, which are the Highest Virtues, the Virtues of Warriors, who are carrying this War.

I want whomever is a student, once they learn, to teach others, like our Gods are transferring our knowledge. For the Reason of the Preservation of Truth, its knowledge, which is the Teaching to our Warriors.

This is what every Satanic Soul wants. Its our shared Will. Mine is no different.

This is because, the Truth is the source of all that is great, good and beautiful, worthwhile and exalted. We are fighting the sworn enemies of Truth. What do you expect from such lowlifes?

And to state another Truth. The enemy in this, does us a favor, totally unwillingly on their behalf. First, they are weeding out the inferior parts from ourselves. They are making us stronger, stronger and then even more stronger. They are literally pushing you towards the Godhead, whether they like it or not. You know them and you will fight them, whether you like it or not. You will defeat them in the personal and the collective level. But they are also doing a lot of things for our Ranks and our Mission. With their efforts, they are weeding out the traitors, the vain ones, who cannot see past their own nose. Sarcastically, don't you see how they do deserve an Applause?

Have you yet looked a bit beyond this? Have you ever looked at what more can be achieved? What more we all are here? Have you ever paid attention?

We are building something so Great, waging a War so Great. I am so happy, we are Together, hand in hand, creating something so superior from ourselves. I see you all

advancing, fighting and all of us struggling, to reach the highest and in this, I am complete. We are waging a War of Divine proportions. Aren't you happy, aren't you moved, aren't you standing in woe in front of what we are creating? When Satan's Legacy is being upheld, I need nothing more, for I spent my life searching for His Light.

So happy to see, that the Truth will shine again. So happy to be convinced, that the rays of this Truth will reach me too, and as such infinite numbers of others and all of us. So much filled with gratitude and happiness, that We are Here, Together, to fight this War.

We are doing something, giving birth to something, that will protect us all from pure extinction. First, cultural extinction of everything and then, physical extinction. We are pulling a spiritual fight where everyone else who doesn't fight, is nothing like a blind pig running circles in their magian owned stable. They deserve our pity, if even this.

The weight of history has fallen onto our backs and the Truth is heavy, but the Truth also

empowers. It empowers more than it weighs. We are the only force than can rid this world of this problem, in its spiritual root. You know the enemy is a monstrosity. NO, they will not mind your state, your little pet, your son or daughter or your family. They will kill everyone involved, torture everyone including you. Asking how I know? I just study history. I just take a look at the Witch Trials, what they do to Palestinians, what the magian "ISIS" does to innocent Iraqi young woman, and I know. Proof is everywhere. You are talking here of human butchers of the lowest level. If they get their way, the population will be reduced only to very few who are to serve the mages, day and night, completely internally and externally controlled like literal animals. Then, they will be killed too. This is how the enemy works with everything.

First, they blind, then, they viciously attack. If confronted, they ask for "mercy" in a forced manner. But they never forget. They never forgot what happened when Gentiles resisted

their communist take over in the 20th century. The "Goyim" might have forgotten, but the mages never did forget. Forgetting is not for them. They always remember their success and their failures. They always try to surpass these. They never forgotten what happened in Rome, in Ancient Assyria, in Egypt, everywhere else. They remember their role quite well, and what they are set here to do. It runs inside their soul like fire and brimstone. Unlike you, the mage never forgets. The mage never grows tired. The mage NEVER stops. The mage is UNABLE to stop. They know that there is only one way to go: They either enforce their Judaism program to us, or its a matter of time that their alien nature is discovered and they are out.

I want you to see this and understand this. All your conception in matters is wrong. The enemy puts fairy dust in your eyes. They try to make you an empty baloon of air. Something that is so merely personal, someone that doesn't know history, someone that doesn't mind nothing, strives for nothing, is nothing. The perfect, hypermaterial nothing. The perfect, useless Goyim. Ready to be worked to death, to be conquered, enslaved and killed. This is why they want to assimilate everything and put everyone inside a cultural, politcal and social/spiritual meat grinder. This is the humanity the enemy wants. We are doing everything to reverse this and wake people up. We are not acting on our behalf, but on the behalf of our Creator God who is Satan. But I have a conscience to answer to. I have to

answer to the people of the world and the Creator. I want to be able to state that I fought this war with all my power, to surmount what once seemed unsurmountable.

This is also the reason that we have to make no steps back. The enemy asked for this war, by attacking us so ruthlessly and almost fatally. They killed and machinated the killing of so many innocent Gentiles, they murdered the memory of our Creators and cremated the memory of our Gods, or so they thought. They wanted to eradicate us from the face of existence in itself. Do you understand how deep this is? I know so many are so much lacking understanding of what it means to suffer.

Just looking at latest history, you will see the ignorance, the deception, the lies, the pain the people underwent simply for existing. You will evidently see how the mages were riding all the titanic waves THEY themselves caused, directly or indirectly, to enslave and manipulate the World. This world is as it is, because of all these years, the magian powers have had the occult means to enforce their will upon the people. This is how everything they made came about. We are living in the magian dark ages. The only faint lights there are, these are the old lights of Lucifer, which very important Souls and very important Satanic people have pushed matters, even sacrificing themselves, so we can have these today. Consider yourself one. This is not about the names in written history, this is about who writes the history and who holds the spiritual pen about it. The rest is for stupidly ambitious people. We are fighting to revert this consuming darkness to the Golden Age.

Yes, we are now the first of the first to wake up. We once may have been 10, then 100 people, then 1000 people. We are making it up to the hundreds of hundreds. Then, we will make it to the millions. The Truth is very 'contagious' and the more people that wake up, the more will wake up. We are those who have accepted the Truth without any drawbacks and sugar coating. Others who are cowards, they can accept "parts" of it and then, return to their soap opera and let us all know about their self righteousness and how "truthfully truthful truthers" full of "truth" they are. Your "truly" to these people, we give not one flying damn. Even all the Truths In existence without action and without solving whats evil and wrong, they don't matter. We know who our enemies are, we unmask their operations. We know there are no empty "saviors", we know that everything must be dropped in the trash bin and everything made anew. Even what we

thought once that has been ourselves. We must save and redeem ourselves. They poisoned our lives and all aspects of our lives. They did one basic thing. They alienated us from ourselves, what it is to be Human, our Purpose and our Gods. From there on, it was fairly easy.

We have received an attack that is historically the heaviest and the slickest there has ever been. It's also an attack and a war where the victim count never stops. It gets multiplied as the days go by. Just think about this for a moment. How many people are dying from hunger because they are hopeless due to the magian programs, how many are being raped from the magian funded "ISIS", how many are left homeless due to some magian "loan", how many die of cancer because the mages poison our food and kikes keep science on an ape level, how many artists are not having a loaf for not being what the magian corps want, how many people are falling sick because the enemy conducts all sorts of experiments, how many people disappear for the magian owned and run human organ black market, how many people are ALIVE yet DEAD from all the magian brainwashing? How many are losing their dreams and themselves into the sea of the magian infested enforced ideas?

I want you to see, that the Whole World is attacked. We are ALL attacked. We are all being

pushed to death, decay and slavery. If it's for our Willpower and Our Resolute Stance, this is only what keeps us all from collapsing. This world is approaching slowly to its death. In other historical times, it rushed. At this point, we have the chance to react. Nobody ever had this in the past. There has never been a time where EVERYONE could return to their Creator God, where EVERYONE could know the Truth with the click of a mouse, where EVERYONE had the CHANCE. So many died in the past, asking only for one chance. One chance to know, one chance to redeem themselves. And once they knew, one CHANCE to fight and REDEEM THEMSELVES.

Many want to know. What do we think of ourselves. We think of nothing. We are just the ones who seized this chance. We are those who are going completely against all these threats. We are those whose Divine Quality is slowly "eating away" and dominating, in a positive sense, their human side. Against all waves, against all terror and dust from the enemy, we proceed steadfastly. We proceed together and march as Comrades.

The list is so endless, than there is no end. If you just let your mind think about it for a bit, you will understand how deep this matter is. More and more people are being destroyed as we speak here. We have been backstabbed and brought to our knees as people and as societies. And when it all seemed lost...The enemy got what they ASKED for. They asked to destroy us and they are getting their deserved, chain reaction.

When they are attacking people like us, they may tell you, that we are nothing. That we are the "ordinary", not so ordinary people. Yes, we are the people you might see in the street. People that you may never notice. We are the unknown, the fiercest and the deadliest Spiritual Warriors, who are bringing with them the New Order of Satan. Our qualities are not visible, they are invisible, yet they are visible to ALL.

So is our work, our teaching and our Light.

It touches everything and sheds the darkness. Our IMPACT is unsurmountable, Our DAMAGE uncountable. Our WILLPOWER untamed.

The Spiritual WAR IS BEING WAGED!!! WE ARE WINNING AND WE SHALL BE VICTORIOUS!!! WE FIGHT UNTIL THE END AND THEN EVERMORE!!! TO THE END!!!

COMRADES AND SATANIC FORCES, I SALUTE YOU!!!!

HAIL SATAN!!!

HAIL VICTORY!!!

HAIL TO ALL OUR COMRADES AND SATANIC FORCES!!!

SIEG HEIL!!!!

The Torah and Living Blood Sacrifice

I am writing this article because I am so fed up with the endless stream of idiots who make YouTube videos and websites that expose magian ritual murder on the one hand and with the other, support Christianity, the Bible, the Nazarene and blame all of this on Satan. Some of these authors are actually magian and know what they are doing in regards to trying to blame it all on Satan and the Pagan [Gentile] Gods, while others [mostly Christians] have shit for brains.

Most of these idiots who have shit for brains [nearly always a Christian] are either too lazy, not motivated or of course who lack the necessary intelligence to really read the magian Torah for what it is, the Old Testament. The entire Torah is chock full of the magian God's instructions on how to properly perform living blood sacrifices, and for the Christian double-digit IQ idiots who try to make excuses in regards to the New Testament and "Jesus," "Jesus" IS a human blood child sacrifice.

In addition to this profound stupidity [the level of Christian intelligence is so low it is unbelievable], it never seems to occur to these bible-thumping morons that whine about magian ritual murder, and quote the Talmud, that the Talmud is in fact a rabbinical commentary on the Torah. And what is the Torah? The Torah is the first five books of the Old Testament of the Bible that these Christians with shit for brains promote. That's right- THE OLD TESTAMENT. The same old crap that their priests and preachers spout off in their Christian churches every Sunday. Like I already stated the extent of the stupidity is beyond shocking. Also, these buzzard-brained Christians would be at a total loss to show exactly where in their Bible Satan ever even mentioned, let alone demanded, ANY sacrifices at all, let alone a living blood sacrifice! Yet they accuse him of this incessantly, as this creates a distraction. As I keep repeating, every ugly act and attribute that is of the Judeo/Christian "God" is blamed on Satan, yet few can see beyond this. Hardly anyone stops to think.

Another thing I want to add here is how Christians and other related idiots twist everything. One glaring example is I came across was a statement regarding how the names of Pagan Gods such as Baal were used by mages, such as Hasidim founder Ba'al Shem Tov. This title means "master of the good name" for one. This has to do with occult powers. It has nothing to do with the Pagan God Baal.

"In Hebrew, the word ba'al means "husband" or "owner," and is related to a verb meaning to take possession of, for a man, to consummate a marriage.

The word "ba'al" is also used in many Hebrew phrases, denoting both concrete ownership as well as possession of different qualities in one's personality." [1]

Baal also as I mentioned in the above means "master," so this word really has a very broad term. Given the extreme blasphemy and denigration against the Pagan God Baal in the Goetia [The Lesser Key of Solomon], it is common sense that the Hebrews wouldn't be giving any sort of devotion to this Pagan God, or any other Pagan Gods for that matter. Any references that try to claim the Hebrews worshipped any Pagan Gods are to confuse the readers. With our own research, we have found that Baal is another name for the Philistine God Beelzebub. The endless magian blasphemy against Beelzebub should make a statement in itself regarding just how hated this Pagan God is by the mages.

The quote directly below is from "Bible Hub" website, article on Baal:

"4 with *attributive*: עֲלֵיתָ לְרִיתָבָּ *ord of covenant* [Judges 8:33](#); [Judges 9:4](#) (compare [Judges 9:46](#); NöZMG 1888, 478); לַאֲדֹנָי *Lord of flies* [2 Kings 1:2,3,6,16](#), Philistine god, 5 Βααλ μωϋαν (Beelzebub, Matthew 12:24) compare Bael. " [2]

I would also like to comment on the extreme similarity between the name "Moloch" and the Hebrew word "Melek," which means "King." "King" is another real loose term. [3]

So... what does the magian Torah have to say regarding living blood sacrifice? For those of you who have any doubts, I strongly encourage you to do your own research, as there are numerous copies of the magian Torah here online.

The story of the magian character Abraham about to sacrifice his son Isaac, as ordered by that alien god of theirs, is a blatant example that his mere willingness, without question, as the story goes, indicates this was nothing out of the norm, nor was this an unusual request. Given his unquestioning readiness, this reveals this act of human child sacrifice was commonplace.

In addition to the above, here are some very interesting and very revealing quotes taken from the magian website http://www.come-and-hear.com/editor/br_3.html

"Blood Ritual: — Blood ritual is fundamental to Judaism. Some blood sanctifies, some blood defiles. Let's see what the Talmud doctrines are."

"The Babylonian Talmud, however, still permits mages to sacrifice children to Moloch — under certain conditions."

"LORD God Accepts Human Sacrifice"

"First, let's get perspective. Some mistakenly believe human sacrifice is forbidden in the Old Testament. Certainly, some of the prophets railed against it. But in at least one book, LORD God accepts human sacrifice. And in another book, LORD God is appeased by human sacrifice."

"In the following account from the Book of Judges, the Pissrealite warrior Jephthah is about to set off to make war on the Ammonites. In payment for victory, Jephthah promises LORD God he will sacrifice the first "whatsoever" that comes from his house to greet him upon his return. Unless Jephthah keeps oxen, sheep, goats, or chickens in his living room, he must expect the promised victim will be a human being. Notice that Jephthah does not promise to sacrifice "an ox" or "a goat," etc."

- And Jephthah vowed a vow unto the LORD, and said, If thou shalt without fail deliver the children of Ammon into mine hands,
 - Then it shall be, that whatsoever cometh forth of the doors of my house to meet me, when I return in peace from the children of Ammon, shall surely be the LORD's, and I will offer it up for a burnt offering.
- Judges 11:30-31 (KJV)

The first to pass through the doors of Jephthah's house upon his return is his only child, his beloved daughter.

- And Jephthah came to Mizpeh unto his house, and, behold, his daughter came out to meet him with timbrels and with dances: and she was his only child; beside her he had neither son nor daughter.
 - And it came to pass, when he saw her, that he rent his clothes, and said, Alas, my daughter! thou hast brought me very low, and thou art one of them that trouble me: for I have opened my mouth unto the LORD, and I cannot go back.
- Judges 11:34-35 (KJV)

Let us reflect for a moment. We know Jephthah vowed to LORD God to sacrifice "whatsoever" first came out of the door of his house. We suspect Jephthah plans to sacrifice one of his servants. But when the "whatsoever" turned out to be Jephthah's daughter, Jephthah is surprised. Notice his daughter's reaction:

- And she said unto him, My father, if thou hast opened thy mouth unto the LORD, do to me according to that which hath proceeded out of thy mouth; forasmuch as the LORD hath taken vengeance for thee of thine enemies, even of the children of Ammon.

— Judges 11:36 (KJV)

"She expresses no surprise that LORD God would accept a human sacrifice, nor does she protest; she does not say, "Father, let's use some common sense." None but perfect animals are permitted to be ritually sacrificed in Judaism. Notice that Jephthah's daughter, too, is a perfect sacrifice — she is a virgin. Notice that LORD God does not stop this human sacrifice, as he stopped the sacrifice of Abraham's son.

The Old Testament does not specify how Jephthah sacrifices his daughter, but following the correct methods for animal sacrifice, he would slit her throat first and drain her blood into a Temple service vessel; cut off her arms, legs, and

head; cut the torso in sections, remove her entrails and wash them; pour, sprinkle, and smear her blood at prescribed points around the altar; and burn the flesh. Or of course, a priest might do this for him." [4]

"LORD God is Appeased by Human Sacrifice" [5]

"As two separate offences, proving that giving one's seed to Molech is not idolatry. The differences [sic] is, that if one sacrificed to Molech, or caused his son to pass through the fire to some other deity, he is not punished."

— Rabbi Dr. Freedman

"Following the Mishnah, Sanhedrin 64a and 64b contain a rousing debate between the Sages concerning:

- the circumstances under which worshipping an idol is idolatry,
- which idols may be worshipped without indulging in idolatry,
- which parts of child sacrifice in what combination are punishable, and
- how children may be sacrificed without violating Leviticus.

"Of late, numerous attempts have been made to prove that in sacrificing their children to Moloch the Pissrealites simply thought that they were offering them in holocaust to Yahweh. In other words, the Melech to whom child-sacrifices were offered was Yahweh under another name." [6]

The article goes on and tries to claim otherwise, but any fool can readily see when reading the biblical book of Leviticus for example, that the above statement speaks for itself.

Here is more from the "Come and Hear" magian website:

"It is indeed unfortunate that the magian religion has not repudiated the doctrine that children may be sacrificed to Moloch. That doctrine, along with

prayers in the magian liturgy calling for the return of ritual blood sacrifice (see Animal Sacrifice and the Third Temple), surely adds credence to charges that mages engage in the ritual blood sacrifice of children." "Repudiating the Talmud doctrines that approve of ritually sacrificing children (under certain conditions) would go a long way to creating good will between Judaism and people of other religious faiths." [7]

The Book of Leviticus is chock full of specific instructions [how to] and demands for living blood sacrifices.

Below are direct quotes taken from the magian Torah. Given the extensive and horrendous treatment of innocent animals, it is no wonder that the mages invented industrial farming. This sort of thing is in their nature.

(LEV 1:1) The LORD called to Moshe, and spoke to him out of the Tent of Meeting, saying,

(LEV 1:2) "Speak to the children of Yisra'el, and tell them,

'When anyone of you offers an offering to the LORD, you shall offer your offering of the cattle, from the herd and from the flock.

(LEV 1:3) "If his offering is a burnt offering from the herd, he shall offer a male without blemish. He shall offer it at the door of the Tent of Meeting, that he may be accepted before the LORD.

(LEV 1:5) He shall kill the bull before the LORD. Aharon's sons, the kohanim {priests}, shall present the blood and sprinkle the blood around on the altar that is at the door of the Tent of Meeting.

(LEV 1:10) "If his offering is from the flock, from the sheep, or from the goats, for a burnt offering, he shall offer a male without blemish.

(LEV 1:11) He shall kill it on the north side of the altar before the LORD. Aharon's sons, the kohanim {priests}, shall sprinkle its blood around on the altar.

(LEV 1:14) "If his offering to the LORD is a burnt offering of birds, then he shall offer his offering of turtledoves, or of young pigeons.

(LEV 1:15) The kohen {priest} shall bring it to the altar, and wring off its head, and burn it on the altar; and its blood shall be drained out on the side of the altar; (LEV 1:16) and he shall take away its crop with its filth, and cast it beside the altar on the east part, in the place of the ashes.

(LEV 1:17) He shall tear it by its wings, but shall not divide it apart. The kohen {priest} shall burn it on the altar, on the wood that is on the fire. It is a burnt offering, an offering made by fire, of a sweet savor to the LORD.

(LEV 3:1) "If his offering is a sacrifice of shalom offerings; if he offers it from the herd, whether male or female, he shall offer it without blemish before the LORD. (LEV 3:2) He shall lay his hand on the head of his offering, and kill it at the door of the tent of meeting; and Aharon's sons the kohanim {priests} shall sprinkle the blood on the altar round about.

(LEV 3:7) If he offers a lamb for his offering, then he shall offer it before the LORD;

(LEV 3:8) and he shall lay his hand on the head of his offering, and kill it before the tent of meeting; and Aharon's sons shall sprinkle its blood on the altar round about.

(LEV 3:12) "If his offering is a goat, then he shall offer it before the LORD:

(LEV 3:13) and he shall lay his hand on its head, and kill it before the tent of meeting; and the sons of Aharon shall sprinkle its blood on the altar round about.

(LEV 4:4) He shall bring the bull to the door of the Tent of Meeting before the LORD; and he shall lay his hand on the head of the bull, and kill the bull before the LORD.

(LEV 4:5) The anointed kohen {priest} shall take some of the blood of the bull, and bring it to the Tent of Meeting.

(LEV 4:6) The kohen {priest} shall dip his finger in the blood, and sprinkle some of the blood seven times before the LORD, before the veil of the sanctuary.

(LEV 4:7) The kohen {priest} shall put some of the blood on the horns of the altar of sweet incense before the LORD, which is in the tent of meeting; and he shall pour out all the blood of the bull out at the base of the altar of burnt offering, which is at the door of the Tent of Meeting.

The above scripture quotes were taken from an English translation of the magian Torah.

What is God

In the magian Kabbalah, God is called the Ain Soph and the ten worlds of the Kabbalistic tree of life form out of this force. The ten worlds are the name of "god" in the Torah:

Chronicles 29:11:

"Yours O God are the Greatness 4, the Strength 5, the Beauty 6, the Victory 7 and the Splendor 8 for All 9 in heaven in earth yours O God is the Kingdom 10." It also lists the other three upper Sephiroth, who are mentioned as being god:

Proverbs 3:19,20:

"With Wisdom 2, God established the earth, and with Understanding 2, He established the heavens and with His Knowledge 1, the depths were broken up."

The ten worlds on the tree are the seven chakras, with the other three worlds relating to the trine parts of the brain. For example, Uranus is the higher octave of mercury and rules the pineal gland.

In Hinduism the Supreme God, the Brahman, is stated to simply be the force from which the five elements exist and the seven chakras arise. Each chakra is the manifestation of Brahman at that level of existence. The Hindu tree of life is shown as the seven chakras, which manifest the 50 petals as lotus petals for each chakra. God is called Akasha in Hinduism, as this is A-Ksha the first and last letter on the Sanskrit alphabet, the fifty petals that form all the charkas. This arises from the AUM, which is the name of Brahman.

"On a macrocosmic level the Sarada-tilaka-Tantra (7.9-14) describes the world as a cosmic tree (body) consisting of a complex network, or 'intricate mesh', of Sanskrit letters, which are said to be the 'root vibrations' of the material creation, maintenance, and destruction of the universe." [2]

"From God in his creative aspect arise seven chakras where all creative principles are located. So it is said: 'From God seven worlds (lokas, that is, chakras) have come where the pranas move.' - Mundakopinishad, 2.1.8

The Chakras are the subtle positions where the Supreme Being is realized in his appropriate forms.

The principal positions are within the sushumna." [1. Page 155]

The mages state right in their own Torah and Kabbalah that their "god" is themselves the magian People, and thus soul. They stole this ideal from the east. The magian Rabbis know that they have the Goyim on their knees worshipping them as "god", as the god of the mages is the mages themselves. It's right in the Torah. The will of the magian god of the Bible is the will of the mages because it's the mages.

The mages need you to believe that "god" is a magian man in the sky watching you who demands worship and slavery of you to its evil will. That way you will channel massive amounts of energy into the magian soul and servitor spell they have created, and you have been conditioned to accept magian world government and totalitarian rule as "god's" will. You will even become a conduit to build the magian World Government in the physical world as well. Thanks Goyim for doing all the hard work building the prison the Chosen are marching you into.

Who are the Elohim

In the Torah, the book of Genesis states that the Elohim said let us create Adam (the magian People in Judaism) in OUR own image. The Elohim are plural.

The leading magian Rabbis Rambam [Maimonides] and Abulafia stated in their texts that the Elohim in Genesis were the Seraphim angels. Hence it was the Seraphim talking when they created the magian People, which is collectively called "Adam" in Hebrew, in the image of the Seraphim. The Rabbis state their "god" on the literal level is Metatron, which is a collection, a hive mind of Reptilian extraterrestrials, who are also called Elohim. They also state that the Kind of Adam, the mages, didn't come from this planet. They came from "out there", a statement which Rabbi Laitman made famous in his class to his students in the Yeshiva in Pissreal. However, he didn't state anything the leading Rabbis have not already known forever. The mages state that they are created from the genetics of Elohim, which are Reptilians. This is why the magian Kind gene, the Cohen gene, has reptilian DNA within it. The mages call the Gentile Kinds the "Pre-Adamic" Kinds who were created by the "Strange Gods" which means the Gods of the Goyim in Kabbalah which the mages openly state are Satan and the Demons, of which the magian texts state the Gentiles are from the blood line of. They also state that Satan and the Demons are physical extraterrestrials who come from the Orion Galaxy. Nephilim means "Sons of Orion". They don't hide this reality in their own inner teachings of history.

The importance of Rambam and Abulafia also making this statement is that these two Rabbis were adepts in the Merkava teachings, which are based on astral projection and expansion of consciousness to be able to communicate with the Metatron, as is shown in the books on the subject and openly commented on by the Rabbis. The texts mention Rabbis who astrally projected to the physical planet of the Elohim the Seraphim and take instructions from them directly. Today, Rabbis who are adept in this system state the same. The Seraphim, their "god" collectively, are Reptilians who they communicate with directly and take orders from and these being gave their Moses the Torah. These teachings were the original occult teachings of the "School of the Prophets", who communicated with the Elohim directly in the Torah.

Why Saturn in Kabbalah?

The Rabbis state that the Leviathan they have created in the astral grid of the planet is designed to weigh down on people energetically and close them off spiritually. This is why they connect it into Saturn. As stated, the Kabbalah cube is the Leviathan grid and the symbol of Saturn and the earth. The mages go to Synagogue on the day of Saturn to do their Torah rituals and connect this into the day when the energies of Saturn are the strongest. All of their churches, mosques and synagogues and symbols are designed to connect into the energy of Saturn. If one feels the energy of the enemy, it's always heavy and toxic.

Saturn rules blockages in astrology, the blockages in the soul, the energy body, the psyche and such that keep people from spiritually ascending their consciousness and cause them sickness and death. The purpose of the magian witchcraft of the Torah is to keep Gentiles bound and spiritually dormant to gain and maintain control. Think of how this affects people with Saturn transits as well.

Ave Satan.

That was definitely inspired by the Gods, I was doing qigong then meditating and it all jumped into my head during those, how to write it out and everything. (If anyone is wondering what it is, the link is in my signature here.)

Jupiter square can be started Nov 8, and any Thursday after, this can help people who are going through rough Saturn transits. Also keeping your energy high throughout the day, HPS Maxine posted a sermon before (I can't find it to link) on doing 5 times through the day something to keep energy up, yoga, qigong, breathing exercises, mantras, and so on. Saturn is strong in Capricorn now, so its transits will be even stronger than the past 6 years when it was in its neutral signs.

Keep your aura and soul clean. This is extremely important and it is easy and only takes a few minutes. Just sit in a relaxed position. Focus on your aura and

visualize a brilliant light descending from your head all the way down through and out your feet, pushing dark energy out. You can use a lamp to help you visualize with your eyes closed, but do NOT ever use LED lights or light bulbs. They will ruin your eyesight. Even through closed eyes. Use a soft Hyperborean bulb.

Do the cleaning 3 times for each session. When you clean your aura, all kinds of nasties come off. Then, other filth surfaces. Chains are bindings and obstacles, there can be thought forms, all sorts of filth holding you back from previous lifetimes.

This most important exercise should be done daily, at least once a day.

Saturn rules old age, loss and death. Few people really look to the loss that comes through age. Loss of health, loss of senses, loss of beauty, friends, relatives, and others die. Old age is vicious and cruel. Elderly people go to nursing homes with nothing to look forward to other than death. Most people really don't see this or a lot of other related things.

Having your soul and aura thoroughly cleaned is very important in performing the Magnum Opus.

After cleaning your aura, it is important to put some positive energy into your soul with a protective affirmation, such as "I am always safe, secure, protected and fine, in every way and at all times." State this 3 times while visualizing yourself engulfed in the light.

Also know, each of us has our own fate. The fates of others are on their own souls, such as a loved one dying. Cleaning your own soul won't prevent tragedy in another. Though, you can clean the soul of a loved one through visualization. A Demon helper should be present for this. This can be complicated.

The sad thing is, there are people who are disabled and such due to being exploited and abused through overwork, slavery and related situations in past lives. For example, someone who can't walk for whatever reason in this life may have been forced to stand or walk endlessly in a former lifetime. He/she may still (unknowingly) be hanging onto this. This sort of thing is a defense mechanism, in that the person who cannot walk cannot be forced to stand. Someone who is blind or has very poor eyesight may have experienced seeing horrible things in a past life, like hideous things in war.

Seeing these things are too much to take. The trauma manifests in a later lifetime.

This stays on the soul unless it is cleaned.

Sadly, many people take things out on themselves, rather than on what the real problem is, such as slavery and overwork.

These oh so pristine New Age people don't understand why many often encounter misfortune when empowering their souls through yoga, meditation and related. In a lot of cases, nasties from past lives will manifest.

Keeping one's soul clean on a daily basis helps to protect one's self and also stops the bad so-called "karma" from manifesting. In addition, the daily cleaning of one's aura also prevents nasties from getting a foothold in this lifetime.

Affirmations should always be stated following each cleaning session.

Also, know, as with working magick, the effects and results in the physical world/reality do not always manifest themselves immediately. Once something is cleaned from your aura and soul, it can take a while before you experience the results.

In some cases, even a year or more, but know that not only will you feel better, your life will also improve along the way.
