BOOKS

PROLOGUE

The South American world has been denied the knowledge of šù- (gene, as well as the knowledge of the subterranean p- ç à û s a s which disturb the physical, emotional and mental existence of the "8-ntiles" at every moment. He is totally unaware of the millenarian enemy and the secret tricks he uses to bring about a total barbarisation of the judgement and destruction of the world of the "goyim". We are unconscious slaves to slander, trickery, lies and usury with all its unsuspected destructive fury, which causes the poison inoculated into the blood of the people (Satanic Archetypes) to compel those of us who possess it to act in concert with the **Telepathic Messages** sent from super-secret points located within the planet, and even beyond it.

Mankind is unaware that the causes of Chaos and **Destruction** which are daily reflected in any dying country, have a very original source of projection, and that the true enemy which has always been followed by the ancient and modern mensajeros, is so close, stuck as a parasite on all levels of the human being's existence, hiding its true nature and mission to be fulfilled in the strictest secrecy that the common man can imagine.

This little booklet contains in itself more than the reader can possibly suspect. The author is perhaps the only one in šud America who has dared to reveal pùb*licàiTente the millenary enigma of the Gods and Demons and their thematic struggle between freedom and slavery. He also reveals in his writings the role of the "scapegoat" that belongs to the present humanity in this eternal struggle. (E)other authors have tried to speak, very timidly hinting at the one responsible for human misfortunes, but then remain silent because of the "terror they feel" from the intimacy of blood against the Lord of Chaos and Darkness. Ernesto Sabato, in ABADON THE EXTERMINATOR, puts on the lips of Dr. Alberto J. Gandulfo, a paragraph of the mystery and then comes the silence. The works published by lÛiguel Serrano are shaking the deep foundations that vibrate in the **memory of the blood** of the Aryan descendants, favouring the 'dTspeñar of the **nostalgia** for the RACE and for the **CLASS** that in other times was possessed.

Many ignorant people speak of the "end of the world", when in fact it is the "end of time". This fact gives meaning again to the Greek word KATASTROPHE (catastrophe) which means: to put the top down. This is the time when the God of the Losers is released from his millennial slavery and the present King of the world (Satan) will be sent back to his point of origin with all his infernal hosts, and all the worlds will once again enter into perfect harmony.

In Colombia there were two great figures who knew the world problems of the "International Virus"; they were Luis López de Mesa and Jorge Eliécer Gaitán. The former was discredited and his original ideas were concealed from him (although something remained in his memoirs that he left as a Minister) and the latter was liquidated because he was the VOICE OF THE PEOPLE who hindered the gigantic step of the International Power manipulated underhand by the "sinister virus".

This "virus", which is decomposing the world and its inhabitants, knows perfectly well that the only true wealth of the "gentile" is his biopsychic strength. Lopez de Meza said that the people or the individual could lose all the material goods of this world, but that this loss would bring no great consequences; what really affects man is the loss of his biological and psychic strength through the mixing of his blood which is criminally sponsored by the enemies of race and class. That is why the statement: **"The destiny of the people depends on their race"** has an unsuspected meaning. Those who discovered this meaning and communicated it to the masses were annihilated.

The time has come for a new awakening from the millenary lethargy, and Serrano's works help us to understand the historical process in which we are all absolutely committed.

The Editor

NATIONAL SOCIALISM.

The National Socialist Doctrine rests on two basic pillars, or cornerstones: the racist conception of history and a special economic ideology. To understand its relevance in South America, we must analyse both.

I dedicate this fundamental little work to the greatest prose writer of Our Hitler Era, to the Hitlerist writer, Knu Hamsun, a hyperborean from Norway, with the an- sia and the Thule nostalgia in the bones of his soul, and to the greatest poet of Our Hitler Era, Ezya Pound, a Hitlerist alike, an Irishman from the United States of America, and to the greatest Chilean thinker. Nicolás Palacios. All of them unknown today to a youth disoriented by directed education, by electronics, Marxism, consumer society, black-Jewish music, orientalism of all kinds, "yogism", "liberation theology", Marxist, Maoist terrorism, all of them firmly managed by the "Wise Men of Zion".

Knut Hamsun, Ezra Pound, Nicolás Palacios, three
The glorious victims of the Great Jewish Conspiracy, spiritually assassinated - if this were possible - only for having had ideals, immolating themselves in the inextinguishable flames of their Faith. But, resurrected with the Gods, in the Eternal Return, in the Great Day of the Return of our Führer, Adolf Hitler, the last Avatar.

Young comrade, young Hitlerist, seek out and read these heroes of ours, carry them in your heart, resurrect them in the sacred fire of your immortal life.

I

THE RACE

The revisionists of history know that the discovery of America was not made by Columbus. Christopher Columbus was a Jew, and what his enterprise really meant is something murky, yet another forgery, designed to collaborate in the Great Conspiracy against which we are fighting today. Alfred Rosenberg said that "the truth of the Jew is his organic lie". And this should be the premise, the dogma, by which those of us who aspire to reshape history, to revise it, to cleanse it of the layers of falsehood with which the Jew has presented it, should move. We must always look for the Jewish hand. And once we have found it, we must establish as an unshakeable principle that it conceals the truth, and we can be sure that what we are shown is the opposite of what it really is.

Many centuries, millennia before Columbus, first the Hyperboreans, then the Frisians, the Trojans, the Celts, the Normans, the Vikings and the Templars, had settled in America. And Columbus knew it, being only a *Jewish* agent sent to America on a mission to erase the traces of these "White Gods", as they are called by the coloured Indians, belonging to the inferior races of the "slaves of Atlantis". At no time did Columbus think he had found a new way to India, nor did he think he had found a new way to Catiguana. In doing so, he was merely putting up a smokescreen around his real enterprise, and was able to deceive a few unwise ecclesiastics and rulers who had already lost their racial instincts.

Gods. Moreover, the "discovery of America", Columbus' enterprise, was never financed by the "sale of the Crown Jewels", but by the secret money of Jews and "Marranos", (1) who were to fulfil here a fundamental conspiracy against the "White Gods", against the Hyperborean Aryans, by destroying their remnants still visible in this part of the world.

It is not appropriate for us to dwell here on a description and commentary on the circumstantial research and discoveries that have been made about a prehistoric American world, populated by a race of white giants, demi-gods, whose legend was still preserved in traditions and documents until the arrival of Columbus and the Jesuits in these lands. The Indians, the coloured peoples of this continent, called them "White Gods", a transposition of **Weisegoten**, Visigothic. The French researcher and anthropologist Jaques de Mahieu, resident in Argentina, a great revisionist of official history, has insistently referred to this exciting subject in his books. He is a tireless fighter against the planetary conspiracy, whom one would like to ignore for this very reason. His books are almost unknown to the American and Spanish public at large, but not in Germany.

Professor de Mahieu has proved that the pre-Columbian civilisations, the Maya, the Mexicans, the Tialiu- nacu, the Incas, are of Viking origin. With a wealth of lithic, runic, architectural, ethnic and linguistic documents, he proves his point. He has also provided irrefutable proof of the presence of the Templars in America and of the forgery of the Jewish Columbus, of his imposture. The latest discoveries of the Prote- sor de Mahieu have taken on a sensational character, proving the existence of the Hyperboreans in South America, with the finding of engraved stones of more than

(1) Name given in Spain to the Jews who were converted to Christianity.

The Trojans disappeared without trace after the destruction of the Homeric city, according to him, and the white Comechingones Indians of the Cordoba mountains in Argentina may have been the Trojans.

I have referred to this fascinating subject in my book "Adolf Hitler, the Last Avatar". There were, no doubt, Spanish conquerors with Visigothic blood, who knew something of these things, mainly by the "memory of their blood" and who came to America precisely to try to make contact with their millenary ancestors, j u s t as Columbus and his henchmen came to destroy them, trying to complete the enterprise already accomplished in Europe with good success. Pedro Sarmiento de Gamboa is an extraordinary conqueror, cosmographer, alchemist and magician, who may have made contact in England with that other brilliant alchemist and mathematician, John Dee, who was trying to convince Elizabeth I to establish an "Empire of Two Worlds", of this and a "parallel" one. His non-Euclidean mathematical calculations led him to believe that the "second world" could be penetrated via Greenland, the refuge of the Hyperborean survivors of a continent that had disappeared at the North Pole.

According to de Mahieu, the remains of these white Hyperborean survivors in South America are the Comechingones of the sierras of Cordoba, just as the remains of the Vikings of Tiahuanacu are the Guayakis of Paraguay, whom the Jesuits pursued until they were destroyed. Their degenerate, bastardised descendants can still be found in the jungles of Paraguay. Similar remains could also be found among the white Indians of the jungles of the Amazon, in Brazil, those of Panama and some others. But by the time of Columbus' arrival, the Hyperborean guides, the "White Gods", had disappeared from the surface of America and the world, and had submerged themselves in the hidden cities, in the Andes, under the surface of the Earth, or at the bottom of the "Oasis" of Antarctica. And also in the great Himalayas. Everywhere in our

In America, the Spanish conquistadors encounter the legend and rumours about the existence of sun-gods, the residence of the immortal White Gods. Many Spaniards lose their lives searching for them. They are El Dorado, El Dorado, El Dorado, the City of the Caesars. The latter, in Chile, or in Argentina. As well as in India, in the Himalayas, they are Agartha and Shan-Shambhala.

We know from Schliemann that the legends of the always conceal an underlying truth. Troy is there to assure us of this. "When the river sounds, it's because it's bringing water", says the popular saying in Chile.

My conviction is that the dates should be shifted back many millennia to fix the arrival of the white Hyperboreans in the Americas. Hundreds of thousands of years. I realise that it is very difficult for a researcher, a scientist, who has to struggle in the Judaised academic world, to hold or state figures like these. The Great Conspiracy would crush him, with sarcasm or ridicule. Recently, in the north of Chile, centuries-old mummies have been discovered, older than the oldest in Egypt, worked with a different and unknown technique, belonging to an equally unknown civilisation and people. Once found, little else has been revealed. Surely, the same hand has come in to handle it all.

In my aforementioned book, I reproduce the statuette in the Dillman S. Bullock Museum in the city of Angol in southern Chile. I have held it in my hand. It is of great beauty and sculpts the figure of a Hyperborean - of a "Trojan", as de Mahieu would say. His face is bearded and on his forehead seems to be engraved the Irminsul Tree. How many thousands of years old is this jewel? Who sculpted it? It has not been given much importance, and it has even been claimed to be from the 16th or 18th century. Found in southern Chile by a farmer of German origin while ploughing, no one knows how it came to be there, nor who sculpted it. Still less do we know who served as a model.

THE ARAUCANS

America was called **Hvetramannaland** by the Viking people. Land of White Men. For they knew that white men, their Hyperborean ancestors, the Polar Norsemen, from both poles, lived and ruled there. Here came the Vikings in search of their ancestors, as the Templars came in search of the Vikings and the secret leaders of Esoteric Hitlerism in search of their Templar, Viking and Hyperborean ancestors, before and after 1945.

When the Spanish conquistadors, of Visigothic origin, arrived in Chile, they met the Araucanians, hardy aborigines, whom they fought for four hundred years in a very hard war without being able to defeat them. Who was this Araucanian "Indian", who knew the art of war, strategy and tactics, who so heroically defended his land, his traditions, his legends and his gods? Like the Germanic, he worshipped the tree, the forest and had a caste of wizard-priests who accompanied his warriors into battle, reading the destiny of the battle in the stars.

The poet-warrior and Spaniard, don Alonso de Ercilla y Zúñiga, author of the poem "La Araucana", which recounts the Conquistadors' wars with the Araucanian Indians, has said that his informant, the Indian Glaura, told him that his people were descended from white and blond men, from Frisians. There are several conquerors who say that in the south of Chile they met Araucanian men and women of great beauty, blond, blue-eyed and of tall stature (as in the statuette in question?). The Frisian Chronicle, called the **Oera-Linda** Chronicle, which tells of the sinking of the wreck of Hyperborea -Atland (or Atlantis, for the Germanic researcher),

Jurgen Spanuth)- tells of a Frisian sea-king, named Inka, who sails to the West (America), and never returns. This would have happened about fifteen hundred years B.C., long before the Vikings in these latitudes. Hence, then, that same curious statuette in southern Chile, presenting a Frisian, a Trojan, or a Hyperborean. In truth, a White God. The Chilean historian and scholar, José Toribio Medina, says that Fray Gregorio García believes that the Araucanian was descended from an ancient stock of Frisian navigators; that is to say, Germanic, Nordic. And the French researcher who came to Chile, Claudio Gay, author of the "Historia Física y Política de Chile", writes that "the Indians of the south were white and their women beautiful".

That a power resided in the Araucanians, or that they were the repositories of a mysterious sign, of a higher question, no longer answerable, would be insinuated in the rumour circulating at the present time that the Jewish leadership had begun to transport Araucanians to Israel. There they would have married and joined the army. With the expatriation from Ethiopia of an entire tribe of "Ethiopian Jews" and their transfer to Israel, the Rabbis would be one tribe short of finding one more of those they claim went astray in the Exodus to complete the cabalistic number that would indicate the consummation of time, The Messiah, or King of the World, announced in "The Protocols of the Elders of Zion", and in the "shaping" of which the Great Synagogue, the Masonic Lodges and the Vatican collaborate. That this is so is shown by the visit of the Slav Pope ("slave") to the Synagogue to pay obeisance to the Jewishmaster, who, for twenty centuries, was secretly a slave. Since there was no longer any

The establishment of the Jewish Jewish faith may well pass through the "return of Jesus Christ", who was also a Jew. In the Lodges, as in Christianity, it is already accepted that the Jew is the "chosen people of God".

Whether the !-tiopes or the Araucanians are indeed "tri-

The "lost busses" of Israel matter little for the ends in view. The Wise Men of Zion will make the Jews believe it. And this is enough for the establishment of the Messiah and the final explosion of his mysticism. Nor have there ever been twelve tribes of Israel, nor any lost tribe. There were only twelve Germanic tribes, from the true Nordic-Aryan Hyperborean Exodus in the Gobi Desert. There was also a divine people of the Polar **Aces**. All these Norse stories and legends have been stolen and disfigured by a parasitic tribe. The Jews are the black shadow of the White Gods, who have thus fabricated a mythology for themselves, passing it off as their national history. The Jews are the black shadow of the White Gods. They follow in his footsteps. Hence the voyage of the *Jew* Christopher Colunibus to the Americas and his secret intention to find here one of the "lost tribes". Indeed, in the Americas there were lost tribes, among others, that of the **Inka** Sea-King, **the** Trisian, among others. Also the sinister Jew. Simon h'iesenthal, has written a book Joore "the Jews in America". They came to America with Columbus to destroy all traces of the White Gods. -
-They came to America with Columbus to destroy all traces of the White Gods, as they had already done in Europe, their secrets, their divine legends and their sacred myths. No wonder, then, that they can now tend to do the same with the remains of the Araucanians by destroying their **memory** of blood.

Perhaps this may explain the strange event of the Chilean-born Rabbi Angel Kreiman being named Vice-President of the World Congress of Synagogues at the meeting in Jerusalem in 1985. He was being rewarded for an important deed, at the same time as the growing interest that Judaism and the Sages of Zion are showing for the South Cone of America, especially for Chile, a country of mythical geography, with a race that was once truly of divine origin. The Great Conspiracy intends to take everything from us, to leave us with nothing: the Visigoths, the Ostrogoths, and even the Araucanians.

The most extraordinary thing in the Araucanian traditions is the instigation of the Re- ché, "man of pure race". He was certainly a white Aryan, who was at the top of a hierarchy that had disappeared by the time the Spaniards and Don Alonso de Ercilla arrived. The legends and aspirations of this strange people, already mixed, bastardised with morig- olic tribes, in their lower strata, like the Guaya- kis of Paraguay and the redskins of the America of the Ü' rtc., have been nostalgically directed towards them. They have mingled with the "slaves of Atlantis".

They have committed the "racial sin". It was the mission of these beings, these mongrels, to preserve the legends of the White Gods, preserving the secret of their impregnable Enchanted Cities, where the pure white Ré-Ché, the Aryans, took refuge in order to jump over the divinity of their race, after the invasion of the Mongolian tribes and the "sin of mixture" had taken place. Like the Tibetans, the Araucanian incitizos had the mission of guarding the secret entrances to the sacred precincts of the inner world, where their Guides, Kings and Lords disappeared. The Re- ché, the **Siddha**.

In "The Last Avatar" I have related the strange case of the journey to Germany of a delegation of North American Indians, which occurred not long ago. They were in search of their ancestors, because, the end having come for their tribe, only the meeting with the Great Guide, who in Germany worshipped the Swastika, would make possible their regeneration. They searched there, but only found old Professor Hermann Wirth, the founder of the Ahnenerbe and the disseminator of the "**Chronicle of Oera Linda,**" **and he** said: "Thanks to him we have been able to learn of this strange journey of these Indians to Germany after the last war. They searched there, without finding the Great Guide, the worshipper of the Levira Swastika, for he had already departed.

THE RACISM

The secret leaders of Hitlerism knew perfectly well the truth of the ante-history or proto-history of mankind. Forty thousand volumes were in Wewelsburg Castle, where the S.S. elite was initiated. In Otto Rahn's book, "The Court of Lucifer", mention is made of the American "White Gods". Its author had joined the S.S. Secret missions of the Ahnener- be, the specialised Institute for Aryan Ancestor Research, were sent to Tibet and also to South America. From Colombia and Ecuador they cut out very important objects, selected for their magical-symbolic meaning, for their unique derivation and Indo-Germanic connection. They were well aware of the false myth of the coloured American civilisations, all that artificial indigenist stuff. In America, as everywhere else in the world, there has never been any culture or civilisation which was not the product of the white horrible, the Nordic polar, the divine **Goths, or Gott, the Gods**. He is its creator and builder, He is its mover. For He is the authentic race, the only one; the coloured beings, black, yellow and red, being only a product of the earth, animal-men, slave-robots, manufactured in Atlantis, mere extensions, visual plas- riations of the **opus alchimicum, memorisation-guides** for the realisation of that essentially inner Art-Re- gio, or of an Inner World. Then, these semi-animal robot-beings have mixed, interbred with the fallen or 'lerrotated Aryan, giving rise to the heroes of distant times, to the in- solved divine man, or to the evolved animal-man. The product of the "racial sin" of the divines, of a fall, of a (voluntary?) defeat from which no living thing on this planet has escaped. Therefore, the racism of the Hitlerites consisted in an attempt to return to the pure origin, going back to the fatal current of Fate.

The polar origin of the divine species, by limiting race and blood. regenerating the lineages by means of an image-meta, a model for selection.

-A planned, voluntary return to the Great Ancestor, to the ideal of perfection, which in the Hitlerites became the blond, blue-eyed, Nordic man. A ready-made offspring of the human species, a regeneration of blood, biology and spirit. Because the spirit also needs a higher envelope in order to be able to express itself, just as Bach's music, for example, is best played on a stradivarius violin. And "because only the noble can ennoble". The sister word. Adel comes from Oda1 and is a force that comes from the god Odin, Wotan, Quetzalcoat1, Wakan-Tanka.

This was what was taught in the magical-alchemical laboratory at Wewelsburg, the S.S. Initiation Castle, in an attempt to bring about a mutation; the creation of an aristogenesis, the regeneration of the German race, which, being closer to the meta-image, was less mongrelised.

Thus understood, racism, in its exact perspective, allows us to understand that National Socialism has no reason to exclude the mestizo countries of the ill-named Latin America, its application depending solely on the greater or lesser degree of racial mixing achieved. Chile, at least, was in a position to be a National Socialist country at the time of the great Hitlerist epic, because of its unique situation of even mestizaje and the possibilities of overcoming it. That is why it became one of the most important Nazi parties in the world after Germany. And that is also why the enemy unleashed his diabolical fury here, and in 1938, the most appalling massacre of young National Socialists took place here, compared to which the Munich massacre and the massacre of the Iron Guard in Rumania pale into insignificance.

"RAZA CHILENA" (CHILEAN RACE)
(by Nicolás Palacios)

Because of the reflections summarised here on history and history, because of its special ethnic configuration, because of the subsequent immigration of Germans to southern Chile, Chile is (or was) a unique case in Latin America, which is not to say that Argentina, Uruguay and Paraguay itself, i.e. the "Southern Cone" in particular, and also the other countries of this America, are not (or were not) capable of overcoming the almost always fatal entropy of miscegenation. Because they possess, f or possessed) enough white blood. Perti Chile was never, and still is not, a "Latin" or "Latin American" country. It was an Indo-Germanic, German-American country.

This was the thesis upheld by an extraordinary researcher at the beginning of this century: the Chilean doctor, Ni- colás Palacios, in his book "Raza Chilena", almost completely unknown at the present time, also a victim of the Great Jewish, Masonic, ecclesiastical, Masonic-Christian Conspiracy. Dr. Palacios, having been the most en- tusiastic exponent of the martial virtues of the people and of the "Chilean race", has been wilfully ignored in schools, universities and even in the Armed Forces, which are plagued by Masons. Nevertheless, it has become, in a way, compulsory in Chilean education to read the dreadful book of Anne Frank.

The work of Nicolás Palacios, written with scientific method, because its author was a scientist, with a wide historical, anthropological, ethnological, sociological and philosophical erudition, has not only been ignored but also ridiculed, using the typical lies and trickery used by the enemy of the white man and of the race in this planet.

El Dr. Nicolás Palacios.

His extraordinary work, "Raza Chilena", has been defied and destroyed by the Great Conspiracy. It is absolutely praised in Chile today. It deals with the Jewish problem.

Published in 1904, the book "Raza Chilena" has been reprinted only once and is rarely found in libraries and antiquarian bookshops. It has been made to disappear. It will not be difficult to discover the real reason for such animosity: the Great Historical Conspiracy, the Jewish power and its total control of life in the Americas, North and South, almost from the date of Columbus' "discovery", a control which became definitive, absolutely, with the misnamed "Independence" of the American peoples.

When the "Protocols of the Sages of Zion" were not yet published, in 1904, Dr. Nicolas Palacios referred to the Jewish problem in his book. He states

The author of a scientific, philosophical, political or economic theory should be investigated as to its author's racial origin before it is studied and then applied. If he is a Jew, the doctrine will be fatally harmful to non-Jews.....

This was stated by a Chilean writer at the beginning of this century, in the most extraordinary book ever written in our Castilian language, the only one that possesses a The only one destined to be immortal, if it had been supported by a whole people. But the "weight of the night", the sense of ridicule, the lack of imagination and the moral cowardice of the Chilean people, plus the Great Conspiracy, have prevented it. For the ethnic reasons set out here, there is no doubt that this book could only have been written by the Chilean people.

It could hardly have been in Chile or in any other country, not even in Spain. It could hardly have been in Europe, since the same book by Count Gobineau, "The Inequality of Human Races", which Nicolás Palacios may have known, does not deal with the Jewish problem, being Gobineau's weak and suspicious point. Only in Germany could a book like "Raza Chilena" ever have been written. And it is curious that Alfred Rosenberg's "The Myth of the Twentieth Century" even resembles it in its defects, which are quite few, after all.

Palacios maintains the existence of two Spains; one, the aboriginal, perhaps negroid, what Gobineau would call the yellow-phinean, of the inhabitants of proto-history, before Rome, of small, dark beings; Rosenberg's "Etruscan Europe". Then the Goths burst in, in several waves, around the 4th century AD, with the Vandals, the Suevi, the Ostrogoths and the Visigoths. They ruled there for more than four hundred years, dominating the native population, already mixed with Romans. The Visigoths

-The "Wise Goths", "Wise Gods", because Goth comes from **Gott**, God in German, just as "White Gods" is a transposition of "Visigoth", from Weisegoten - displace the other Germanic tribes, taking over the whole of Germany.

Spain. becoming, up to the present day, the substance of heroic, chivalrous and warlike Spain. The entire Spanish, Castilian, aristocratic aristocracy is of Viking origin. The word *hidalgo*, *hijodalgo*, which means "son of the goth", "son of God", is a contraction of "son of the goth", "Son of God", precisely. It is this blond and white Spain. That is why it is against this Spain that the sinister weight of the Great Jewish Conspiracy, its ethnic hatred and its black legend, as we have been able to see for ourselves, after Palacios, is unloaded. Indeed, the latest weapon to deuterise Visigothic Spain was the mixing of blood, with the appearance of the "marrano", the converted and mixed *Jew*. By taking advantage of the indebtedness of the ruling wealthy class, impoverished by usury, the Jew has been introduced in marriages into the stream of the Visigothic Sanguine, paralysing it from within.

According to Palacios, the mixture with the Moor, who is not Semitic, but Numidian (who knows if there were not even Vandals among them, or "blond Libyans") is indeed possible. And the Visigothic lineages are preserved, despite the conversion of some of them to Mohammedanism. Palacios gives their names, barely disguised. For the Visigoth, an Arian rather than a Roman Christian, it was all the same to him to convert to Mohammedanism, as long as he preserved his blood, in whose flow circulated Wotan, Freya, Baldur and the runes. We know today that these Gods and these signs all secretly reappear in Gothic Art, in the Gothic Cathedrals, especially, even though the Great Conspiracy has tried to make us believe that the cathedrals have nothing to do with the Goths and that it was a mistake to call them Gothic, for the sole reason that the ribbed or ogival vault is not their creation. The cathedrals were built by initiated art corporations, not by Christians. They were protected by the Goths, among them the "damned" **Cagot**, or "dogs" of the "Goths", according to Otto Rahn ("ca" is can, dog, and "got" is goth; it is God), inhabitants of the Pyrenean Languedoc. "Dog", in this case, was the highest degree of the

initiation of these secret and wise craftsmen, faithful to **Wotan**, the **two other** lower grades **being** "Fox" and "**Wolf**". **Dog is** also the faithful companion of the **Aryan God, Hithra**, as the Wolf is of Wotan. Bullfighting, in Spain, would be a degraded, i.e. exotericised, remnant of the sacrifice of the bull in the esoteric cult of Mithra, carried to Sparta with the Roman legions, for sure. Thus, and correctly understood, the Gothic Cathedrals are far from being the Christian temples they are believed to be, being monuments secretly dedicated to the Germanic God **Wotan**. For the Builders-Initiates, and even more so for their Gothic patrons, it was not difficult to realise this, for they knew that Christianity had broken into the stone temple of the Externs-Teine by stealing the crucifixion of Wotan on the Ir- minsul Tree, as well as appropriating the main elements of Mithraism, Judaising them.

The highest Gothic caste, from which the Visigoths elect **The kings of their kings of** divine origin were of Baltic, Nordic-Polish ancestry. In Spain, the rulers of this **sacred** house of the Visigoths belonged to an esoteric circle, calling each other "Aces", revealing to us that they perfectly preserved the knowledge of their mystic-divine origin, connecting themselves with the Aces Wotan and with the sacred ancestral City, Asgard, residence of the polar, hyperborean Aces. In the lost original Hyperborean language, from which Sanskrit derives, the name Asgard - City of the Aces - has given birth to that of Agartha, or Agarti, the mythical City, also hidden today, the residence of the Aryan Hindu God, Vishnu, white and blond. Indeed, Asgard and Agartha are one and the same, as are Wotan and Vishnu. And as are the Aces and the Vanes, from whose admixture the Germans originate. And therefore the Goths and the Visigoths. Also the Pandavas and the Komvas, of the Mahabaratha War. The Aces and the Vanes have an extra-stellar, divine origin. Hence the Visigoths and then the Merovingians (also the Frisian-Araucanians) considered themselves to be of divine origin. And it is

It is this knowledge that the Jew has tried to make disappear from the surface of the visible world and from the "blood death" of the Aryans, of the Whites, while at the same time appropriating it, to include it, deformed and disarticulated, in a jumble of inventions and an **accumulation** of fantasies and hoaxes that now become his national *history*.

As a way of demonstrating the objectivity of the statements made here about the Goths, their art and their origins, many of them also appear in the book by a staunchly anti-National Socialist and fanatically pro-Jewish author: "The Gothic Mystery" by Gerard de Sede. He confirms the above with reference to the Goths and the cathedrals, writing that the medieval builders received their inspiration and initiation from the Goths, from the God Wotan and the Runes. We might even think that the Templars, to whom a large part of the financing of the construction of the cathedrals of the Middle Ages was due, thanks to their trade in silver, secretly brought from America, might even have been converted to Wotanism in the end. And to say Wotan is to say **Runa**. They would have been on the verifiable (De Mahieu) contact with the Vikings of Tiahuanacu, in addition to the Corporations of Builders, which they employed. This would have been one of the important causes, if not the most important, for their destruction by Papal Rome, together with the very desire to make their confraternity disappear from the visible world, with unclear origins and curious contacts. A desire for purification, secretly reorganising somewhere on the planet.

The conquest of Chile, in the extreme south of the American continent, must have been carried out by the visigoths of Spain, says Palacios, because the war was continuous, gave no respite and demanded all the skills and mettle of a warrior caste that loved

adventure and war, for honour and glory. It is thus that to Chile comes the best that still remains to Spain of its Visigoth lineage. And a Chile is necessarily mixed with the aboriginal Picunche and with some very few hardy Araucanos, whose ancestor (this we say,

Toribio Medina y Gay) was also Aryan, Frisian, hyperborean. Palacios' mistake is to confuse the semi-animal pi- cunche with the once superior Araucanian.

Palacios refers to the "even mestizaje" of the Chilean people, calling it "race". For *me*, no mestizaje can be considered a race. Palacios exalts the goodness and greatness of the "Chilean race", the product of that imagined mesti- zation of the Araucanian and the Visigothic Germanic, giving abundant evidence of the Gothic influence in the language, in the pronunciation of Castilian in Chile, in customs and ideosyncrasy. For four hundred years, life in Chile has been that of a military fortress, with weapon at the ready, tilling the land at the same time as fighting, not with wealth in mind, which there was none, but with the honour and glory of combat, as sung by Don Alonso de Ercilla in his poem of deeds, already mentioned. For all these reasons, the Jews, the "marranos", with their "encomiendas", or black slave market of the At'rica and their usurious trade, did not enter Chile immediately. Here they ran the risk of losing their hacienda along with their lives. They came in as the territory was pacified, mostly in the 18th and 19th centuries, to invade us almost completely at the present time. The American "I n d e p e n d e n c e" has been accomplished in order that the Jew might take possession of this continent, a conspiracy hatched in the French and English Rhineland Lodges, especially in the Lauturian Lodge of London, to which all the so-called "Fathers of the Fatherland" of the invented South American nations belonged, including the "Liberator" Si- ñiñón Bolívar.

Until very recently in Chile, the ruling aristocracy was white, often blonde and blue-eyed, with no direct German, Dutch or Dutch ancestors.

The Spanish, Spanish-visigo- d, or English. Of pure Castilian, Hispano-Visigothic, or Basque-Nordic stock only. Less and less, therefore, the decomposition of the ruling class and the rise of an involuted mestizaje, with the mongoloid element of the Picunche and the Araucanian in decadence, already late, and of some blacks, are also making Chile an Asiatic and coloured country. unfortunately.

IF HITLER HAD SUCCEEDED

We hope to be able to show that National Socialism would not only have been possible, but also beneficial and even saving for the South American peoples, especially Chile, in the Southern Cone of America. For it would have forced the mestizos to go back on the path of an almost always fatal involution today, imposing the practice of eugenics, in order to scientifically cleanse the blood, so to speak, and the "race", mixing it only with whiter elements, thus being able to preserve the blond, Aryan, Visigothic stratum. This would have been the case if Hitler had triumphed at that stage of the Great War, which is not yet over, and if National Socialism had prevailed worldwide. This is why we were in favour of his momentous deed. and especially the ancient Visigoths, who still exist here, those who still listened to the **Voice** in the **Memory of the Blood**. And because, in addition, we knew that The Hitlerites knew these ethnic secrets of His- tory and Ante-History, even if they could not openly declare them.

But the enemy also knew this. And that is why his war against the "Genius of the Gentiles" took on unprecedented, planetary and even cosmic dimensions. The Demo-.

The very existence of the nation, the existence of Evil on earth, was at stake. We should not be surprised, therefore, that after the last **Great** War, with the total - albeit momentary - domination of the Jew, a totally opposite racial policy, with its abysmal malignity, has taken hold. It is destined to produce the most aberrant mixtures of races and bloods, having as its ultimate aim the imposition of the Negro and the animalisation of man, especially the Aryan, on the earth. The total degeneration, the disappearance of the white man. The Church of Rome, always, and even more so now with its slave Pope, the Masonic Lodges, Soviet Russia, preach the "equality of all men", the indiscriminate miscegenation, the protection of the inferior, the degenerate, the alcoholic, the handicapped, the crippled, the crippled, the imbecile and the mongoloid. Everything is aimed at protecting and preserving them, and at mixing them more and more with each other and with the healthy, without any help for the racially superior, for the better endowed. On the contrary. This is the policy pursued by the Jew, who today is the world's owner of all the organs of publicity, of finance and international banking, behind all the governments, the churches, the occult, Hindu, Orientalist, Gnostic, Masonic and Masonic sects, Rotarians, lion clubs, and so on. The plan is to bastardise the world in its entirety, to exterminate the Aryans, and to transform them into animals, something which has almost been achieved, even in Germany. In this way the Jew will keep his own "anti-race" stable, almost unmixed, by following a strict ethnic discipline, a kind of aristogenesis, a phatic religion of "anti-blood", which will enable him, in a degenerate and brutalised world, to become its king. The king of the slaves of the world. For, as the saying goes: "In the land of the blind, the one-eyed man is king". In a world of ethnic degenerates, of animalistic bastards, where the white race no longer exists, the pure Aryan, who religiously and fanatically preserves "impu-

The "anti-sangre" and "anti-race" (which almost becomes purity, in the opposite extreme), he will be the master, he will be the king.

THE JEW

What is the Jew? I do not believe that any Aryan today is in a position to fully decipher this obscure mystery. The traces of their origins have been skilfully and skilfully erased. In spite of being a n "ethnic cloaca", a "cloaca gentium", the Jew has remained unchanged for millennia. Hitler defines the Jew as follows: "He is not a nomad, he is a parasite", who encysters himself in the life and body of other peoples and sucks out their vital creative energy. Like a Dracula, he drinks their blood. And so it is given to it to last for ever and ever. The Jew does not create anything of his own, he only plagiarises the creation of other Aryans and corrupts it. The Bible itself does not belong to him, a truncated, adulterated, expounded document. As if by a thousand years, some antediluvian memories are preserved in Genesis, which have managed to survive the forgery. The Jews knew bits and pieces of this complete document, later called "Genesis", and appropriated it, as they did many centuries later with the Germanic Kabbalah, with the "Book of the Three Mothers". Therefore, it is not possible to discover anything authentic in the Bible about the true origin of the Jew. For the Jew is not the Hebrew, nor is he the Israelite, both terms referring to other beings, other things or situations; to the giants, the former, to a race of giants that have disappeared, and "to the combat with the Angel", the latter, an initiatory test, or traditional reference to a hermetic degree of the

extraterrestrial Aryan tradition, which took place in a "prologue of history", as Berdaief would say. They have nothing to do with the **Kahal** Jew we know today, with the Zionist Jew, or with the "Wise Men of Zion". That is why, in my book, "The Golden Cord, Esoteric Hitlerism", I have said that a Hebrew could become an Aryan again, because he was always an Aryan and never a Jew. Like the rest of today's Aryans, he has become mixed up, forgetting his divine origin. But he could wake up.

I once asked Professor Herman Wirth, founder of the **Ahnenerbe**, about the Jew, and he gave me an extraordinary, illuminating answer. According to him, the Jews were a tribe of slaves who lived on the periphery of the great Aryan civilisation of the Gobi. As is well known, this civilisation flourished in what is now the Gobi desert after the disappearance of the Hyperborean world from the North Pole. Thus, the original Bible, not falsified, would have referred to the mysterious destruction of the Gobi civilisation, when it mentions Gog and Magog, cities that had to do with the God-os, according to Gerard de Sede. According to Wirth, the Jews follow as slaves the **Exodus** of the Aryan Goths, of the Hebrews (giants), of the Israelites (initiate-priests, "twice-born", Aryans to be precise). **The Gothic tribes are twelve.** "People of divine origin", "extraterrestrials", are the attributes of the Goths. And the concept of the "Messiah", had to do with those of the **Avatar, Tulku and Boddhisattva**, as will be applied in India and Egypt, where the Aryans descend in their Exodus. In the conquest of India they applied strict racial laws against mixing with the Dravidian Negroids, establishing the caste system, which in the Sanskrit language is **Varna**, meaning **colour**, precisely. The life of the first two castes, the King and the Brahmin, will be governed by the "Code of Laws of Manu", which Nietzsche admired so much. Genesis also speaks of the **Nephelim**, as of beings from the asteroids, remnants miraculously saved in the Bible from a tradition which has been made to disappear and which corresponds to a tradition of the **Nephelim**.

d-. to the Aces and Vanes of the 1'.pope already Nordic-polar Edda.

"The Hyperborean **Exodus** spreads and branches out all over the world: India, Europe, Egypt. On the friezes of the Egyptian temples are the **Tamehu**, white, blond, blue-eyed warriors. We have already said that there too, for the first time, we find the Hebrew name, sig- nif:'cando gigante. Ramses 11. **Tamehu** himself defeats the Hyperboreans and takes them prisoner. With Moses, who was not a Juk. but an Egyptian priest, named Osar- siph. they manage to escape, carrying with them the Ark of the Racial Law (cl "Code of Manu") and the Rod of Power (the "Para of Aaron"). the **Vril**, with which already the Persian Aryan God. Thousand a, has struck the Rock and drawn water. Moses does the same, or the same thing is attributed to him. In all this there is a great mystery, regions and names having been transposed so far as to place these stories in the deserts of the Middle East, with the "forty years of wandering in the wilderness" and the "loss of ten tribes of Israel".

The destruction of civilisation in the Gobi has been pro- The conquest of India by the Aryans alone is almost 7,000 years old. The conquest of India by the Aryans alone is almost seven thousand years old. And Genesis is an antediluvian document that has been completely plundered and falsified. Whether the Jews were a tribe of slaves, already existing in the Gobi civilisation, or whether they were only to be found in the Middle-Oriental regions of Asia Minor. at the time of the arrival of the Goths-Hyperboreans, the **Tamehu**, the Amorites, it is by no means possible to know for certain. Whether they appropriated the mythical and fabulous documents, repositories of traditional Aryan knowledge and history, in the Gobi Exodus, in the Caiassos, in Egypt, or among the peripheral elements of the civilisations of Ur and Canaan, is of little importance. What has undoubtedly happened is that they have appropriated everything, destroying it, falsifying it, changing the spiritual and geographical sense and making the extraterrestrial connection and the 'origin'

of the

The great drama of the descent of the Aryan **Nephelim** to fight the Demiurge in this star. And they transform these documents, which they have called "Bible", into a hodgepodge of aggregated stories, into "Jewish national history", where they appropriate and falsify everything, making David, Solomon, Moses, appear as real beings and as Jews. But they were not. Thus, the Bible is the most false document, the most lying, the most full of poison that has ever circulated among men. And it is so in both the Old and the New Testament. So Luther also saw it, in one of his moments of lucidity, when he accused the Jews of being "forgers and wicked".

The Jews also appropriate the science of the knowledge of the Aryan racial laws, of the purity and sacredness of the blood, a secret which was kept by the caste of the priest-kings and warriors, the heroes and demi-gods, now involuted after the disappearance of Hyperborea and the destruction of the Gobi. And they make use of this knowledge in order to preserve an anti-blood and anti-race, an **impure continuum**. After the "Renewed Covenant", the laws instituted by Esdra, Nehemiah and the Great Synagogue, for the Jews are as strict as those of the "Code of Manu" for the Aryans of India. And they apply equally, from birth to death. Circumcision itself originates in the adulteration of a knowledge of the Aryan **Runic Kabala**. In the "Talmud" - "Sanhedrin". Jud. p. 88 - it is said that "the name of his God, **Shaddai**, is inscribed on the flesh of a Jew only by circumcision". "The form of the word Heh is found in the nostrils; the word **Daleth**, in the curvature of the arms; and **Ain**, in his sexual organ; but only when the foreskin has been cut off. That is, circumcised. Only then has the name of his God penetrated the flesh of the Jew. At the end of this study we will see that it is now being attempted, by electronic means, to introduce the name of God into the flesh of non-Jews as well.

The number of the Beast of the Apocalypse: 666.

It is also a few miraculously surviving fragments scattered throughout Genesis that shed light on the shadows of the Jewish mystery. They speak of the **Sheidim**, strange and monstrous beings, products of the mixture of human and animal. A provoked involu- tion, perhaps an **ideovariation** acting on the contrary, in an **ideoplasm**. This is a technique that only the Aryans could correctly apply to produce a mutation upwards and towards a Second Birth, to recover something that had been lost: the divinity of the Man-God. But which would now have been misused for a **sin of the species**, forming a demon-man-animal. That this is possible, the Bible seems to hint at with the **Sheidim**.

Mestizo is not the appropriate term to refer to the Jew, since it generally indicates a mixture of elements that are not completely opposed to each other. Here there has been a conjunction of dissimilar, dissimilar materials. A mixture of Abrahamites, Semites, Mohabites, Edomites or Edomites, Syriacs and Turanians, as well as Amorites. The original Semites may have been a mixture of yellow and black. The real Semite is the Bedouin, emigrated from the deserts of Arabia, who were untraceable even in the times to which the Jews attribute the Bible. The one we now know as a Semite retains the nomadic characteristics of the Bedouin. Only in part does the *Jew* possess his blood. Today the Jew could be described (always incompletely) as follows: Five per cent of his admixture is composed of **homo syriacus**, the Hittite, round-brachycephalic, round-headed, "Judaic nostril", corpulent body, and the "Jewish nose".

.o, stocky; another five per cent from **homo arabicus**, the Semite, the cruel nomad, long-skulled, thin, slender, al- to, which gives the predominant characteristics of the Jew. Ten percent is **homo europeaus**, the **Amorite**, tall, white, blue-eyed. The Amorite is a Nordic po-

The Egyptians called him Tamehu, as we have said, and reproduced him on their friezes and stelae. The Egyptians called him **Tamehu**, as we have said, reproducing him on their friezes and stelae. Nefertitis was an Amorite. The remaining eighty per cent. of the **gen- tium cloaca**. is composed of an indefinite mixture, with conti- gious traits and qualities.

Gottfried Feder, in his study of the Jewish people, believes that it is not possible to go back more than two thousand six hundred years in search of secure, or visible, traces. However, as far as is known, their characteristics were the same centuries before. It is Nehemiah and Ezra, together with the Great Synagogue, who two thousand six hundred years ago established the inflexible laws which come to govern the life of the Jew, from birth to death. Racial" laws, in particular, expelling from the community and from the geographical region any Jew who does not comply with them, or **who has not complied with them before** they were passed (which leads one to believe that they existed even before) by dispossessing individuals of other tribes, peoples or bloods. Thus, from that date to the present, it can be said that the *Jewish* genes are always the same, forming more than a people, a blood community, a family, where the genes of Nehemiah and Ezra still run in the veins of any typical Jew today. That is why the Great Synagogue and the **Kahal** do not need to transmit described orders for every Jew to follow, as infallible slogans and to believe absolutely, for example, that there were six million Jews "gassed" by the Nazis and proclaim it to the winds, as if he had been an eyewitness. Because the Jew is a biological robot who reacts immutably, telepathically programmed to carry out the orders given through the bloodstream by the Ciran Synagogue, or by the regional **Kahal**, so that they become active and dynamic in his "anti-blood". And the "truth", thus activated, will always be an "organic lie", the lie of its origin, of its falsehood.

The *Jew* seeks to impose on himself, as an **impure continuum**, so that through his self the **Word** of the Demiurge, of the Shadow Archetype, which they have called Jehovah, may gain expression. In this science, or racial technology, of an "anti-race" and an "anti-blood", the explanation must be sought and a way found to the secret of a centuries-long survival, despite their abysmal intermingling. But for this to be fully possible, the archetypal Demiurge needs to destroy the pure races, to put an end at once to the Aryan race and to the possibility of transmutation, redemption and regeneration of man and the earth, in the only sense in which these concepts are to be understood: **the ethnological, racial one.** Therefore, the purification of the race and blood of the Aryans comes to mean the death and destruction of the Jew, who has no possibility of coming to dominate the world, by imposing his **Golem**, through his **continuous impurity....** Thus, we reach once again the key ontological point of the immense conflict which broke out between Ht1-r, the **Avatâra (Feasts of the Aryans)** and the Demiurge-Archépo-Jehoha, with his representatives and robots on earth, the Jews of Zion.

Where other mixed, and much less mixed, peoples have disappeared in the fatal entropy of admixture, where the white race itself seems to be precipitating itself into the errors that will lead to its extinction, the Jewish people, **through the demonic will to maintain an impure continuum by means** of the tenacious discipline of the "science of blood", of a "racism" that they stole from the Hyperborean Aryans, emigrated from the Gobi, from the **Aces, from the Neplielin.** They have appropriated it, to achieve the opposite. From time to time, the Jew will have to drink Aryan blood, mixing with non-Jewish women, in a regulated manner, as a Dracula "drinks his blood", which he quickly dissolves in his **impure continuum**, without ever losing its **transcendent** characteristics. And we say transcendent, because there is something else in all this.

The Aryan racism, nor Jewish "racism", has nothing of a materialistic nature, as one might misunderstand it to be. It is through pure blood that the Aryans establish contact with their Gods and **listen to their Voice**. In miscegenation, in the purity of blood, they lose the capacity for that contact with their spiritual world - what Jung misnamed the "Collective Unconscious" (Aryan, in this case) - with the Gods of Light. And it is through that **impure continuum** that the Demiurge, or Demon, can communicate with his acolytes, the Jews, and they too can hear his voice. Through what Jung, likewise, called the "Jewish Collective Unconscious". Allí_e\$tyabece his tabernacle is a monotheistic God of the Shadows who fights against the Gods of Light, and not only on earth. A struggle of high powers, begun in time immemorial, where the representatives of the Light, the Sons of Light, have fallen into this star, entering into self-forgetfulness, by "mingling with the daughters of men". In the meantime, the Jew establishes with his Demiurge a racial, "racist", "anti-racial", "reno- racial Pact", whereby he must remain essentially impure, so as not to absorb more Aryan blood than necessary, in order that that operation of black magic - alchemical in reverse - may be performed which will enable him to remain **ontologically impure**. a **Sheidim**. (Also in a "biblical" metaphysical sense). (Also in a metaphysical, "biblical" sense), so that only in this way can communication be expedited and Jehovah's promise to him to hand over world dominion to him, together with the destruction of the divine Aryans, the last Neplielin, be fulfilled.

The Führer Adolf Hitler has already said: "The Jew is as far away from the animal as possible". (Because metaphysically so is the **Sheidim**). An artificial product of a **Mind**, of a **Purpose**. He is an "anti-race", artificially created, by means of a Will and a No-race. p mocracy; that is, of a Government of the Law. When this is realised, it is seen how far below that Purpose and that Will the Aryans are today: materialistic, sui-

They are numb, pusillanimous and cowardly survivors. Confronted by a synarchic minority of Zionist fanatics, acolytes of a super-robot-golem, of a Demiurge, whom they call Jehovah, they tremble and hand over to them their most precious treasures, to be corrupted and destroyed. They give up their immortality. They have become less than animals. They have de- venerated themselves. The Jew rightly despises them and feels nauseous in their presence.

Adolf Hitler tried to regenerate the Aryan race by the strict application of the Aryan Race Law in order to save what was still possible from the immense ethnic disaster of the true Chosen and Divine People. He had, therefore, to engage in a spiritual and final conflict with the representatives of the "anti-race", of the "anti-blood" and of Evil on earth.

II

THE MAGICAL ECONOMICS OF N.4 NATIONAL-SOCIALISM

With what has been said so far, we have been able to take a broader view, from a different perspective, of the conflict of the ages, and to understand that no people on earth with Aryan genes could have been excluded from that Great War, which is not yet over. Chile, like the other South American countries, was involu- ted. We are all committed to life and death, even if we are often unaware of it in our day-to-day consciousness.

The analysis we shall now make of the other pillar of the 'Maastrian Socialist conception, its ethical system, will enable us to understand even 'better how far this doctrine has come in the light of the desperate situation i n which our peoples have been placed.

In order to penetrate deeply into the economic and social system of Hitlerism, it is necessary to uncover the skilful and sinister trap with which the Jew has imprisoned the non-Jewish world: **the interest of capital**. Usury, as the great Hitlerist poet Ezra Pound called it.

Money, gold, money, was in the beginning, and should be again, only a means of facilitating the exchange of commodities between **human** societies. Well, the *Jew* first took possession of money, currency, gold, and then transformed it into a commodity in itself. By the tendency of his Collective Unconscious, he has turned it into an "Einsteinian" mathematical abstraction, an entelechy, so to speak.

with a life of its own, which reproduces itself through interest. Money has become the most important commodity with the creation of the capital market. From an intermediary facilitating the bartering of goods - which it should always have been - money has become the centre of the economy of countries, the most important thing in the life of men and society. It has thus enabled its true owner, the Jew, to control the entire activity, first of all of commerce, as its intermediary and director, and then of the life of all beings on earth. By means of interest-bearing loans, of Usury, he has, moreover, succeeded in intervening, in a crafty, underhand way, in the health of the superior race, poisoning the Aryan blood with his ponzy. From the most distant antiquity, the Jew has succeeded in penetrating into the bloodlines of the ruling classes, of kings and lords, indebting them, imprisoning them in the nets of his usurious trap of lending at interest, in order to snatch away their property, and to introduce their daughters, dispossessing them with the nobility. Money, the interest of money, has been his weapon, more than two-edged, with which he has been able to destroy his naive, slumbering enemy. The violent reactions, the products of desperate indignation, without method, without knowledge and only momentary, the **progrooms**, could not lead to anything effective. On the contrary, they served the Jew well to exploit the feeling of commiseration in his favour among the Christianised Aryans. The usury trap was a curse, a manipulation of black magic, projected from the dark depths of the Sinagdga, by rabbinical minds, carefully prepared for it.

Only the exorcism of other very clear-headed minds, of White magic, let us say, might have succeeded in undoing the spell and freeing the Prometheus, hypnotised and chained by the Serpent of Usury, from that infernal encirclement. That this, as we say here, should have come to pass, is included within the miraculous. That it was indeed an esoteric operation

The fact that the propagator of the antidote against the poison of the Serpent of the Usura, against the interest of capital, was a German, a member of a German esoteric society, the **Thulegesellschaft**, is revealed by the fact that the antidote to the poison of the Serpent of the Usura, against the interest of capital, was propagated by a German, a member of a German esoteric society, the **Thulegesellschaft**.

-The Order of Thule, based in Munich. It was Gottfried Feder, a permanent member of that Society, who was chosen to present the theory and the system which would definitively eliminate the "slavery of the capital interest". Feder was a Permanent Member of the Order of Thule, another Permanent Member being Rudolf Hess (this may be one of the esoteric reasons why he is still in prison). Hitler, Dietrich Eckart and Rosenberg were Visiting Members. The Order of Thule could be regarded as the secret inspirer of National Socialism and of the S.S. Its emblem consisted of a Levira Swastika and a dagger identical with those of the Black Order S.S. Only an esoteric Order of Aryan Magic (not to say white magic any more) could have successfully combated another, also esoteric, of Jewish Magic. (Black Magic). The Race against the "Anti-Race", the pure blood against the im-pure "anti-blood". And the appearance of a genius of the white race, of the Aryans, a true Messiah, an **Avatar**, as I explain in my last book, already quoted. That this was also known and hoped for by the Jews is stated in "The Proto-Colossians of the Sages of Zion".

And it was what they feared most.

We believe we have been able to show how closely the Jew's economic practices, usury and ethnological conspiracy go together. These practices have enabled him to blend into and penetrate the Aryan race. The transformation of money into a cabalistic entelechy, into a mathematical abstraction, into a **golem** with robotic life, into a powerful deity, has enabled its owner and

high priest to live on the interest it produces, without working and "only worshipping his God", as the "Talmud" and the "Thora" command him. The whole world of

the Gentiles, the non-Jews, will work as slaves for the Jew, crawling at his feet, under the whip of money and usury, enslaved to the interest of capital, for the sake of hunger and misery.

That is why the **Interest** is sacred and holy to all the organisations, societies and countries of the world where the Jew rules behind the scenes. Of course, it is not necessary to mention the United States of America, International Banking, the financial trusts, Switzerland, Europe; let us speak also of Soviet Russia and the communist slave *countries* of Eastern Europe: **all of them respect the interest of capital, and** lend it at very high rates. When debtors cannot pay with money, because they have none, they have to pay with health, with soldiers, like Cuba, or with their raw materials and their territories. In Chile, the Jewish-Marxist government of Salvador Allende **respected the interests of capital and did not expropriate any property belonging to Jews.** Nor would it have done so with large estates or agricultural properties, if the Jew had owned them. But the Jew has never been an agriculturist in the foreign countries where he has established himself. Only moneylender, middleman, banker or trader, laboratorialist (he controls the international drug manufacture and trade; "Merk" is Rockefeller's) and food industrialist. He can doubly control the physical and mental health of the Aryans, the ~~non-Jews~~.

For the military government that overthrew the Marxist government of Salvador Allende, interest and the payment of the interest of capital were also sacrosanct.

It is not surprising, then, that the antidote prepared by the inspirers of National Socialism should cover in its breadth an extent equal to that of the Jewish poison: race, blood and economics, with socio-economic and agrarian policy, of "blood and soil", as it was called, being intimately linked. The gold standard was abolished and replaced by the labour standard. The value of money gave way to the value of natural resources and human labour. It thus became,

to consider the barter of goods as the sound essence of all traditional human economy, returning money, currency, gold, to what it should have always been: a means of facilitating barter, exchange.

Once in power, Hitler refused to accept usurious interest. Germany had no money to pay for it; it had only the labour of its people and what this labour produced in coal, steel, and so on. The German currency would become worth exactly what this labour and its products were worth. In addition, and this is the important thing, usury would come to an end. At the same time the race begins to be cleansed and the Meta-image, the Meta-ideal of the pure Aryan, the Nordic-Polar type (Auslese-Vorbild) is imposed. And the blow becomes fatal when Gottfried Feder declares that the solution for a country lacking the money to pay its debts, accumulated at gigantic interest rates, is to declare the state bankrupt. For this is the healthiest thing to do, being the destruction of the Gordian Knot of slavery to the Jewish imperialist capital. A bankrupt country cannot be put in prison, as an individual. It can only be declared a world war. And this is precisely what was done with National Socialist Germany, even if it did not declare bankruptcy. Since Hitler and his leaders knew that this would be the final action of the cornered Jew, they had to start preparing for war at once. The tragedy was that Hitler did not have enough time to revive Germany completely, let alone Europe and the white race, with the evil already deep in his blood, in his bones and in his heart. It could not win materially in that planetary war. But it could win spiritually, which, inevitably, by cyclic law, will also result in a material triumph, much sooner than we think. This will be the outline of the triumphant **Führer** and Hitlerism. For the triumph has already been achieved by the mere **discovery of the Enemy**. And the Jew knows it too. In order to try to delay him in his earthly configuration, he has

invented the emotional hoax (emotional bombshell) of the holocaust of six million Jews, of the racial crimes and genocides of Nazism. Because, faced with the thunderous failure of their capitalist and marxist systems, the peoples enslaved by the interest of capital, by usury and constant terror, faced with the **non-existent possibility** of atomic war, (1) can open their eyes to see the only just solution, the only one appropriate for the non-Jew: the recovery of the **value of labour, the declaration of bankruptcy**, the return to the principles of an Aryan economy and the destruction of the slavery of money interest, and the cleansing of blood and race, which were and are the pillars of the Nationalist system, the only honest, the only sound one. The just solution for the non-Jew on the planet.

The blow was aimed at the heart of the Great Conspiracy. universal campaign against the white race, against the Aryan man, 'against the non-Jew. If the National Socialist system succeeds in imposing itself completely, by conviction and example, not by the imposition of force or violence, the breeding ground of the Jewish virus, that cancer for the non-Jew, would be totally destroyed. And the Jew would disappear, devouring himself, in the impotent fury of his despair. He would turn the sting against himself, which he will always do if he is isolated and left alone. "For only as a parasite on other peoples can it continue to exist," said Hitler. (The State of Israel itself lives today on the money, research and the workings of the

(1) There are no atomic bombs capable of being carried, or dropped in projectiles. There were only five such bombs, and they were the ones that Hitler did not want to use and which fell into the hands of American Jews. One was used experimentally at the Nevada desert, two at Hiroshima and Nagasaki, and two are reserved for use against Germany in the next war. Only the Hitlerites are capable of producing the real enriched uranium for a transportable atomic bomb, because they have mastered the science of explosion. The others can only explode an atomic bomb on site, under fire, because they have only mastered the technique of explosion.

the rest of the world, in addition to its extortion of Germany). In no way would it have been necessary to physically annihilate the Jew in a genocide or holocaust never contemplated by Hitlerism. Hitler intended only to isolate the Jews in Madagascar. The war disrupted this plan.

In the face of immense danger, the time came for the Jew to apply his "Protocol V" of "The Protocols of the Elders of Zion". The crucial moment of Destiny, **of the Eternal Return experienced** in that fateful and prophetic Document. The definitive hour of the times, the stellar event that will mark the History of the Universe and of the Race of the Divine Ones and of the "Anti-Race" of the De- miurge, until the end of an Era.

It says "Protocol V":

"We are too powerful, everyone has to obey us. Governments cannot make even the smallest treaty without our secret intervention. Per me reges regunt (Sovereigns reign through me). We read in the Law of the Prophets that we are chosen by God to rule the world. God gave us the ability to do this work. If there were a Genie in the camp, he might be able to fight us, but a newcomer could not compete with old fighters like us. **AND THE CONFLICT BETWEEN HIM AND US WOULD TAKE ON AN ASPECT THAT THE WORLD HAS NEVER SEEN BEFORE. NOW IT IS TOO LATE FOR THE GENIE OF THE GENTILES**".

This is a shocking prophecy. And

"Protocol VII":

"We must place ourselves in such a condition that we it is possible to respond to any opposition with a declaration of war by the state's neighbouring country.

who has the audacity to stand in our way; and if such coiffiners should in turn decide to unite against us, we must respond by declaring a world war".

This was planned long before World War I. Imagine what would happen today if all the indebted South American countries, enslaved to the interest of money and the International Monetary Fund, agreed not to pay any more, and declared bankruptcy!

"For our headquarters are perpetually unknown to the Universe", the Sages of Zion reveal to us, in "Protocol IV", of the fateful Document, leaked at the beginning of the century to the knowledge of non-Jews.

And Protocol IX:

"We are warned that the nations may insurrect against us, should our plans be prematurely discovered, but, in anticipation of this event, we may rest assured that we shall succeed in bringing into action a force so formidable as to make even the bravest of men tremble.(They mobilised 1 20 countries against National Socialist Germany in the Second World War, a war which they provoked and prepared for well in advance, because they had it ready in case of the appearance of the Genius of the Gentiles, as has been revealed to us)..... We will **blow up all the cities of the world...**".

A situation which they also have prepared for the inevitable resurrection of Hitlerism.

THE LIRRO OF THE PROPHECIES AND SOUTH AMERICA

Several books have been considered prophetic in the course of human history; the "centuries" of Nostradamus, the "hexagrams" of the "I-chin", plus a few others. Almost all of them are obscure, depending almost always on the technique used in consulting them and on the good faith of the querent; that is, on what in English has been called **wishful thinking** - on what one thinks one reads, or what one wants to read. But there is a very clear and direct book that tells us straightforwardly what will happen to us, giving meaning to what has already happened to us. Its prophecies are always fulfilled, even when the seeker does not wish it, even when he covers his eyes so as not to see it. This book is "The Protocols of the Learned Elders of Zion", about which so much has been written and polemicised, the *Jews claiming* it to be false, without ever having been able to prove it. The true origin of this book is unknown, and it may have been leaked from a Zionist-Masonic Congress held in Basel in 1987, or from a parallel meeting of the Jewish Lodge **B'nai Brith**. Its first edition was made by Sergei Nilus in Tsarist Russia. The veracity of this book has been proved by the events of ancient and contemporary history, as Henry Ford states in his famous work, "The International Jew". And just as we are doing it ourselves in this exhibition. To destroy the last doubts of those who do not want to see or believe, the current events in the so-called "Third World", especially on the South American continent, should suffice. For "The Protocols of the Elders of Zion" reveals, even in detail, the policy that the Jew will pursue with the nations once he has secured his dominion over them. For our peoples, it is the most sensational prophecy ever made.

In this regard, we recommend reading the recently published text: **"The Protocols of the Elders of Zion and their Application in Chile"**.

The case of Chile has become clear, irrefutable proof. During the Judeo-Socialist-Masonic government of Salvador Allende Gossens (a Jew by his mother) and before that government, during the Christian democracy of Frei and his Jewish Minister, Chonchol, also today with the government of Pinochet's military junta, the application and observance of "The Protocols" is clear, visible, irrefutable. The Pinochet government has imposed on this country the Monetarist system of the Chicago School, of the Jew Milton Friedman, thus destroying traditional agriculture, which Frei and Allende began but failed to achieve. It has also destroyed our incipient national industry. Indebtedness to the International Jewish Bank has reached nightmarish figures, even though they are always lower than those of Argentina, Brazil and Mexico, since these countries are larger in terms of population and geographical size. Latin America's foreign debt now stands at three hundred and sixty billion dollars. And this debt is increasing with new loans, destined only to pay the interest on the initial loan, never the debt itself. In a word, what we have been referring to here, which is of incredible, mind-boggling certainty, in the revelation of "The Protocols of the Elders of Zion", having been planned almost a century in advance; or rather, it was only a century ago that this sinister plan filtered, as if by a miracle, into the knowledge of an already largely unbelieving, dumbed-down public. This is the most sensational prophecy in the entire known history of mankind on earth.

We need not go into a description of the system here. Jewish monetarist issue, as it is well known, more than the -still suffered, in its great simplicity. For the rest, we have already done so. It is a matter of giving preference to the

Capital, to the speculation of money, the essential commodity, which is to displace all other commodities, in a super-capitalism, which "will be governed by its own laws of supply and demand". And this in appearance, since "no one knows the exact location of the headquarters" from where the real master of money runs everything. Banks and finance companies are transformed into temples where the faithful pay their tribute in money (interest) to the "Chosen People", to the Golden Calf, to the Dark God, and in return receive the benefits of a momentarily high, albeit illusory, interest rate. In this way, industry, healthy commerce, agriculture, are rendered unprofitable in the face of usurious interest, which is obtained without work. Until it all comes to an end in the bankruptcy of the finance companies, the banks and the local financiers, who have surreptitiously withdrawn their capital abroad in time, or who have been deceived by the real masters of the whole game, who are pulling the strings from their secret headquarters. The local financiers are going to prison, from where they will soon be released.

The non-Jewish ruler who agrees to fall into this trap does so for three main reasons: Either he is a fool, who believes in the goodness of the system (if he had read Palacios he would know that "a system promoted by a *Jew* will always be harmful to a non-*Jew*"); or he is too clever, believing that, even if he accepts it today, tomorrow a miraculous situation will arise that will allow him to change course and escape from slavery; Or he is a calculating, ambitious, power-sick, typical Latin American dictator, who senses that he can only stay in power by giving himself body and soul to serve the interests and designs of international capital, that is, the international Jew. The Jew will keep him in power as long as he serves him and will miserably expel him, like a muppet, once his plans and ends have been achieved. What the case of Chile will be, it is of little interest to find out, when the country has been destroyed between the two countries.

The "Book of Prophecies" can only be read again to try to find out what is still in store for Chile and South America in the Jewish world strategy. Surely misery, as the necessary breeding ground for the triumph of the cancer of the Marxist revolution, slavery, which the Jew is preparing for this part of the world, mainly through the Marxist Catholic Church. Unless the people wake up at the last moment and try to apply the antidote of National Socialism, even if it leads to sacrifice. The extreme and heroic action will always be preferable to slavery. And even if the Jew were to impose his imperialistic power, his plan would have failed, for he would have lost another ideological and spiritual war. For he would have been **covered**. His triumph would have been choked, being only apparent. **The peoples would have woken up.**

As a simple way of summarising the current situation of the South American nations, and at the same time of demonstrating how valid the National Socialist solution is for this continent, we shall transcribe the Protocols which are being applied here and which bring us to the brink of the abyss. It can thus be seen that the Chicago Monetarist School is nothing more than the realisation of a few Protocols of the Elders of Zion. Milton Friedman, or whatever his real Jewish name is (for example, the real Jewish name of Kis-singer is Abraham ben Eleazar), has merely put them into practice in Chile, England and other countries of **goim**, of non-Jews. For this, he has been awarded the Nobel Prize in Economics.

PROTOCOL VI

"In order to ruin the industry of the Gentiles and to encourage speculation, we shall encourage the love of unbridled luxury, to which we have already given impetus. Weaken-

The government has been able to statutorily destroy the basis of production, sowing the seeds of anarchy among the workers and encouraging them to continue the abuse of alcohol. At the same time, they are using every means to drive the intelligent Gentiles out of the country..."

In Chile, there has been a great exodus of intelligence.

PROTOCOL IV

"In order that the social life of the Gentiles may be completely ruined, we must place trade on a speculative basis. The result of this will be that the wealth of the land, which is collected through production, will not remain in the hands of the Gentiles, but will pass through speculation into our vaults..." (Today, the old agricultural estates of the Philistines, all indebted to the Jewish banks, work only to pay, barely, the interest on the debts contracted, which they were urged to acquire). "The struggle for supremacy and speculation in the business world will produce a demoralised, selfish, heartless society. This society will be completely indifferent, even inimical to religion and disgusted with politics and politicians. The quest for money will be its only guide, making a true cult of the material pleasures it can procure..."

What a faithful portrait of the Chile of the last decade, having been fostered by the press, television and the propaganda counterpoised by the Jew, or by his lackeys, entrenched in high places.

PROTOCOL VIII

"We will surround our governments with a veritable army of economists". (From the Chicago School in Chile, it was the Christian Democrat government of Frei that signed an inter-university agreement with the Chicago School of Economics).

University of Chicago, an agreement inherited and respected by the Pinochet government). "That is why Jews are mainly taught the science of economics. We will be surrounded by thousands of economists, bankers, traders and, what is even more important, millionaires, because, strictly speaking, everything will be decided by money...".

PROTOCOL XX

"Foreign borrowing is like a leech, which cannot be detached from the body of the government until it falls off of its own accord, or until the government is able to free itself. But the governments of the Gentiles do not wish to get rid of this leech; on the contrary, they increase its number, and this is why their States are condemned to bleed to death. For what is a foreign loan but a leech... (What an extraordinary revelation, made almost a hundred years ago by the executioners to their future victims, to the American people! And how ignorant or criminal are they?

Our rulers appear in the face of reality and its manipulators! Because who is behind the International Monetary Fund and the external loans?) "... Every loan shows the weakness of the government and its inability to understand its own rights. Every loan, like the Sword of Damocles, hangs over the heads of the rulers, who, hat in hand, are unable to understand their own rights. hand, they turn to our bankers...".

"... All the economic crises that we have organised so cleverly in the countries of the poor were caused by withdrawing money from circulation..." (In Chile this was done on the express recommendation of the International Monetary Fund). "The state was forced to resort to borrowing. These loans

- They placed heavy burdens on governments, forcing them to pay interest and thus tying their hands and feet.

(The recommendations of the Monetary Fund, **mandated** by the Invisible Government, are being directed for the express purpose of producing unemployment, **social rebellion and, in the** end, chaos, destruction and totalitarian Jewish slavery, es-tilo **Kahal**, as Henry Ford would say).

"The concentration of production in the hands of capitalism has exhausted the productive forces of the people, as well as the wealth of the State. At the present time, money cannot satisfy the needs of **the working class**, because it is not enough for all...' "Children should be **regarded** as consumers of money **from** the very day of their birth..." (This should be the motto of the Chicago Monetarist School).

"The reports from our secuaccs, who were regarded as "experts" (every South American government has one, sent by the Monetary Fund) **were** read by our agents. (We have underlined this) They were always pleasing to uninformed minds, because they were accompanied by recommendations for the realisation of future economies. They could have asked us how it was possible to realise economies by applying new rates...; but they asked us nothing..."

"You know in what conditions of **financial** chaos they have fallen through their own fault and negligence. They ended up by failing, despite **the sacrifices of their** people. (Emphasis added).

So much for the quotations from "The Protocols of the Elders of Zion", written or prepared almost a century ago, to be applied now in the countries of South America. They seem, however, to be written today, as if to give an argument **to a Hitlerist writer**, who would like to criticise the irresponsible and nefarious **governments**, submissively devoted to the Machiavellian aims of Judaism, which the Jews themselves would critically expose before his **eyes**, so that they could fight them, if they really loved their homelands and their peoples.

NATIONAL SOCIALISM, THE ONLY SOLUTION

We believe we have been able to demonstrate that the only doctrine still capable of saving our South American peoples and the rest of the world is National Socialism. Chile is a small country which, until very recently, had a strong and healthy tradition. From the outset, this country was built on the concept of a strong, "fit" state, which here was called "portalia-" no", after a great minister, Diego Portales. This is how our friend, the Chilean historian Mario Góngora, saw it and maintained it. But in recent years, with the application of the above-mentioned "Protocols", using the Jewish doctrine of Friedman's Chicago School, the State has been weakened and its concept destroyed to the point of being inoperative. What does the future hold? To answer this question, one would have to consult once again the fabled "Book of Prophecies", i.e., "The Protocols of the Elders of Zion". We believe, however, that this book is being revised, or rather enlarged, adapted anew, by its own authors, to the conditions of the present, so that the coming solutions, the new application of the "Protocols", will be veiled from us.

ELECTRONIC MONEY AND THE MESSIAH OF ZION

Let us, however, try to foresee. Let us make the effort. In 1985 in Basel, the city of Switzerland, in Vienna, the capital of Austria, and in Jerusalem, three meetings of the highest level and importance,

The aim is no doubt to take stock of what has already been achieved so far this century, after the last two world wars, and at the same time to draw up plans for the years to come, taking into account the need to adapt them to the scientific and technological developments - of science and technology - which correspond to the expression of the Jewish Collective Consciousness.*As an omnipresent backdrop, the ever more real and materialised, ever closer and more terrifying figure of the Jewish Messiah, of their King of the World, the ultimate goal of the application of the "Protocols", can be an individual, a planetary Ruler, or a collective being, a mechanical octopus with a million arms, a robot with a thousand heads, an electronic brain, a gigantic computer controlled by the Wise Men of Zion. A **Golem**. materialisation of the other **Golem-Jehovah**.

In Basle, the presidents of the banks of the most important industrialised nations of the world, i.e. the Jewish World Bank, met. In Vienna, the: leaders of the International Zionist Organisations. And in Jerusalem, the World Council of Synagogues.

There are signs already indicating that what was discussed in Basel by the highest representatives of the Jewish World Bank would have to do with the replacement of "paper money" and "plastic money" by "electronic money". And this is a definite step in the direction pursued by Jewish Globalism, the "Trilateral", the "Bildnerbers", the United Nations, etc.: the total control of the world in a few hands, by the Invisible Government of the Wise Men of Zion, the formation on the planet of large slave areas, underdeveloped, miserable, indebted, without any possibility of redemption. And the rest of the world is also under the "yoke of bread", as the "Protocol XIII" of "The Protocols of the Sages of Zion" prescribes.

The progressive scale on which the Jew has controlled money over the centuries is as follows: he has destroyed the vital and natural sense of "money-trade" - the "money-world" - the "money-world".

The "banknote and the bank cheque" - and created the golden entelechy, the "money-me- tal", i.e. the banknote and the bank cheque. Then it replaced it with "plastic money", the credit card. Very soon, it will also be replaced by "paper money" and "plastic money" to make way for the imposition of "electronic money" (Electronic Funds Transfer - "EFT"). **Electronic Funds Transfer (EFT)**.

The bank that is currently promoting the electronic funds transfer system most rapidly is Citibank, calling itself a "People's Bank" in order to reach as many individuals as possible. And it is important to note that **Citibank's** headquarters in New York is located at 666th Street and Fifth Avenue. 6 is the Jewish number par excellence, the number of the Star of David and of the 6 million of the alleged holocaust. 6 or 6 is the number of the Apocalyptic Beast. In Chapter XIII of the Apocalypse of John, the Beast (the Great Computer, or those who run it) is said to "have power over the free and the slave, over the great and the small, over the rich and the poor, to mark them on **their right hand, or on their foreheads, without whose mark they can neither buy nor sell**". And he adds: "He who has wisdom, let him calculate, for the number of the beast is the number of man. **And his number is 666**."

However, it is known that the first three digits of the Global "Electronic Funds Transfer" entry code, that would be 666. Roughly like this:

Code International	Code Pa ie	Code City	Personal Code
666	210 USA (Already agreed)	460 (Tentative) Imagined	9999-9999 (Tentative) Imagined 9-digit

The "Apocalypse of John" is a strange book. The English writer and Nazi sympathiser D.H. Lawrence wrote an extraordinary work about it, almost unknown today. The key to the "Apocalypse" is to be found in the numbers of the Greek alphabet, the language in which it was written. It is an orphic, Pythagorean numeral ἱεράβητα, of archetypal numbers, since the "Apocalypse" is also a **Gothic** book, i.e. of the "p-odos", based on the "**Edda**", especially on the "Twilight of the Gods", or **Raknarôk**, the Book of the **Voluspa**, of the pro- fetiša Völa. Thus, *the Cathars and Templars accepted only the so-called Gospel of St. John, though not in its entirety. For Lawrence, "The Apocalypse" was a book of tăntrics.

The tell-tale signs that we are approaching the incarnation of the Number of the Beast, the "electronic transfer of funds", are being given in certain foreboding events. David Rockefeller (Jewish), has already left the chairmanship of the Shase Manhattan **Bank** to take over the chairmanship of the **Advisory Committee** of the **Shase Manhattan Bank**. This is an independent body, which conducts policy studies and "flows" between nations, international financial and banking organisations, a superstructure of the Shase **Manhattan Bank**. However, the "Senior Advisor Director" --**Principal The Counceßor**- of that higher entity is Henry Kissinger. real name Abraham ben Eleazar, excommunicated and then percluded by the Great Synagogue and the **Kahal**. one of the visible pillars of Mundialism and the "Trilateral Commission".

The intention is to be able to concentrate in a few hands the control of all the world's banks and private banks through this body, thus leading to a **Single Bank**, all this with the consent and direction of the "Bank for International Settlements", whose headquarters are in Basel, Switzerland, and which is something like the Central Bank of the most industrialised nations, which would control all the national Central Banks.

The International Monetary Fund would become, for the moment, something like the guardian of the system, with action on the poor countries of the Third World. The International Monetary Fund would become, for the time being, something like the guardian of the system, with action on the poor countries of the Third World. This Monetary Fund is always controlled by the very hands of the most powerful countries, where some of the "headquarters" of the Invisible Government of the Wise Men of Zion are located.

Now, and this is the key point: as a means of getting the big international banks to meet all of the

- The entire system will be controlled by a large electronic computer, already based in Luxembourg, within six years at the latest.
- . For which it is essential to arrive at "electronic money". What is this? Something like the "Universal Product Code", which already exists in supermarkets in the United States, where it is enough to pass the purchased product over an electronic reader, so that the mark made on that product lights up an infrared signal which the "reader" interprets, giving its price. Thus, each individual will also have a mark on the wrist of his "right hand", for example - as indicated by the Beast of John's "Apocalypse" - which, when also passed over a banking computer, will allow the Grand Ceremony of Luxembourg, or another, to give or deny credit to that human being already computerised, robotised, hopelessly enslaved to Zion.

There will be no more need for "paper money" (except for the smallest purchases) or "plastic". People will be marked subcutaneously, on their skin, perhaps in the genetic code itself, from the moment they are born ("consider newborns as currency consumers") and this mark will be registered in the **Big** Computer and will be read there by the infrared reader, which will give the payment orders, or rather, which will allow or deny consumption.

Total control and enslavement of the world.

That all of this corresponds to a Jewish Archetype in-

This can be seen in the "Tal- mud", where it is told of a sorcerer who made a deep incision in his right thigh in order to insert there the letters **IHVH**, which correspond to the name of God, Adonai; perhaps to Jehovah, which is translated into numbers, according to the Jewish numerical Kabbalah. The Demiurge, penetrating into the very flesh and blood, by means of a process of magic. In the same way today, non-Jews will become controlled by electronic waves, introduced into the blood and the vital code.

It can thus be seen that the fate of countries like ours, which will have no chance of gaining access to the centre of the Great Electronic Power, will be slavery, terror and misery. All this will be prepared in due time, during the era of "paper money", by means of loans without the possibility of repayment, legalised usury - as in Chile - and slavery to the interest of money. In order to gain access to "electronic-money", to "electronic-credit", the attitude will not only have to be humble and obedient, it will have to be lowly, of slaves for life. And the world will have been divided into hierarchical zones, from highest to lowest, with an unreachable summit, Mount Sinai, where the "Robot Messiah" and his Ser:reta Court will be installed.

The way forward, from abstraction to abstraction, until one comes to handle "imaginary numbers", rarefied quantities, is in keeping with the Jewish Collective Unconscious, perfectly expressed by the Jew Einstein (see "Adolf Hitler, the Last Avatar") and with the Jewish numerical Kabbalah, with the destruction of everything living, of everything Aryan in the visible Universe, of the pure blood, the veil of the true God-men, of the messengers and Warriors of the Light, and of the true God-men.

We call upon the Aryan peoples, the South American countries and our comrades, not to fall into the last death trap. not to let themselves be chained to the

The solution lies in a return to the "Electronic-Money", or allow your flesh to be branded with the Number of the Apocalyptic Beast, or of the Demiurge Jehovah, becoming the slaves of the Robot-Computer-Messiah of Zion. The solution lies in a return to the **Work-Padron**, to the **Money-Trust-Labour**, to a decentralised ("farm-to-table") self-sufficient, self-sufficient, self-reliant, artisanal, non-concentrated, decentralised economy, but of racist, secluded, warrior-farmer communities, who, with gun under arm, resist the temptation and attacks of the "globalist", internationalist Enemy of Zion. And who will be ready to heroically succumb rather than surrender themselves, bound, "scarred in flesh and blood", to the final sinister planetary slavery, which today is being planned from "the unknown headquarters" of the Invisible Government of the "Wise Men of Zion".

Only the establishment of National-Socialism. thus in-
The world can be saved from its enslavement,
animalisation and ultimate dehumanisation.

ZIONISM AND PATAGONIA

At the Zionist meeting in Vienna and at the meeting of the World Council of Synagogues in Jerusalem, the coming of the Messiah and his establishment in the world "on the Hill of Zion" will have been discussed. In Jerusalem, the rabbis will have provided the premonitory signs of the coming. The Chilean-based rabbi will have pointed to the case of the Araucanians, among whom were found the secret rituals of the Jewish converts, or Marranos, practised in communities in southern Chile, near Temuco, at the beginning of the century and known as "Cabaflistas Sabatistas", having referred to this also in my book, "Adolf Hitler, the Last Avatar". The rituals would have become known to the Araucanian **Machis**, because they were taught and practised by the **Calcu**, the black sorcerers, whom they fought. Not even at the arrival of the Spaniards did they exist.

The Calcu corresponds to a Mongolian bastard, and is a black magician, who acts under the effect of hallucinogenic drinks, to be possessed by an evil spirit, a Hue- a Hue- a Hue. The Calcu corresponds to a Mongol bastard, and is a black magician, acting under the effect of hallucinatory drinks, to be possessed by an evil spirit, a Hue- cufe? Then he creates an artificial being - a Golem - which he shapes and calls Huichalalwe, made of soft bones, which marches with a rotating movement, contrary to that of the Levogyric Swastika; an evil being, which the Calcu sends from a distance to do harm. Against the Calcu and their Huichalalwe, the white magic of the authentic Machi of Arauco fought,

It is to these Calcuttas that today the Jews would have handed over the management of a Jewish Temple in Pucón, with the name of "Iglesia Israelita del Nuevo Pacto", where strange rituals are practised, including one they call "Las Cabañas", which takes place on the Sabbath, consisting of setting up a certain number of tents around the church, which they call "caba- ñas". The ceremonies, it seems, have to do with blood, as they have evil effects on non-Jewish people, causing them to haemorrhage.

As we have already said, Jews would have been transporting "Araucanians" to Israel, where they would have married, enlisted in the army - a kind of gur- kas. But we have also said that there are no more pure Araucanians. Therefore, if the *Jews* have thought of introducing their "anti-blood" into the Frisian-Araucan blood, into that of the Ré-ché, or of introducing part of it into their **continuous-impu- ro**, they have been mistaken. There are now only **Calcu**. But perhaps the Jews know it, and that is what they are looking for: one of the **lost tribes of black magicians of Atlantis**, of "slaves of Atlantis".

The fact that Jews today, after almost a century, have been able to find Indians in southern Chile still practising the secret *Jewish* ritual of "Las Cabañas", "on the Sabbath", is of such importance and seriousness that

it obliges us to pay the utmost attention to the event. It shows the depth, the acu-

The rabbis would thus have uncovered another "lost tribe of Israel", to put it this way, and would have been able to discover facts and matters completely ignored by the Cnilene authorities and researchers. The rabbis would thus have uncovered another "lost tribe of Israel", to put it this way. Indians, a "Araucanian-Jewish" tribe in southern Chile. For it may well be that these "in- dios" are mestizos of those Marranos who practised this rite a hundred years ago near Temuco; or else the ritual has been preserved among them, having been servants of the Marranos, with verses of Judaism, just as others were of Christianity. The third hypothesis, and the one to which we would tend to adhere, is that those **Calcu**, those black Indian magicians, mongolised bastards, against whom the authentic **Machi** of pure Araucanian-Frisian blood, the **Ré-ché**, the "Men-Kings", the "Men-Gods" (Sonneninenschen), of the legendary Araucanian tradition fought, may have corresponded to an ab- rigen type of Araucanian Indians bastardised with inferior Picunc)les or Huiliches. Or else they were really Jews (corresponding to the *Jewish* archetype in the Universe), brought south of this earth from Atlantis - "slaves of Atlantis" in an ante-history which we do not know at all today. Because this "Sabbathist-Kabbalist" ritual, attributed to Marranos who practised it in secret in the south of Chile, in the last century and still in this one, would be unknown in the orthodox rabbinical tradition, or at least never revealed, concealing something sacred which, it would seem, would also have to do with the "anti-blood" and its secret technique of **continuous-impurity: the creation of the Golem-Huichalalwe**.

The name given to the Church, or Pu- cón Indian Synagogue, "Iglesia Israelita del Nuevo Pacto", coincides with the name of the publication which in 1928 reported that "near Temuco a semi-secret community of **Kabaptist Sabbatarians**, observing the Sabbath, Jewish festivals and rituals, had been discovered". The name of the publication was "New **Juda**".

And "**Nai Juda**" - also New Judaea - was the name reserved for Chile in the last Great War, according to the thousands of pamphlets published in New York in 1938 by Joseph Hefter, as revealed in my Hitlerist magazine "Lå New*Age".

There is, then, a New **Pact** and a New Jerusalem again **renewed** by the Jews with their **Gòlem-Íe-hová-Huecufe**, which will now give them the South of the world, as far as the Antarctic Pole (vain hope, for there Hitler has already placed his Emblem), i.e., the territory which would be saved from self-induced catastrophes, the geographical centre from which they will control the Empire in the slave territories of this Continent, just as they intended to do with Africa, the geographical centre from which they will control Africa, just as they intended to do with Africa, the territory that would be saved from self-induced **catastrophes**, the geographical centre from which they will control the Empire in the slave territories of this continent, just as they intended to do with Africa from the enclave of Palestine.

Secret Jewish agents, disguised as "backpackers" and hikers, move with impunity in the most unknown and strategic corners of the national territory. These "backpackers" are all members of the Jewish armed forces or their intelligence services. And the Chilean rulers know it. And the rest of the country ignores it.

The Great Jewish **Kahal**, the Synagogue in Chile, keeps the most meticulous register of all the inhabitants of this country, aborigines, mestizos, Creoles and of the ancient aristocrats of Visigothic origin, who still remain. It visits and incorporates its registers and rituals, offering the services of the Synagogue to all those who have a few drops of Jewish blood in their veins, whether they are former Arabs, **Sephardim** or **Ashkenazim** of mixed race.

As we have already mentioned, Rabbi Angel Kreisman, a Chilean national, was appointed Vice-President at the World Congress of Sinago-Gas in Jerusalem. This is a sign of the importance attributed to him, as well as of the interest in Chile and the Southern

Cone of America. For some time now, the Argentinians have been warning us about the importance of Chile and the Southern Cone of America.

The Jewish plan to take over the Argentine and Chilean Patagonia, which they have called the "Andinia Plan", has been announced. Chilean Patagonia contains the largest hydrographic reserves in the world, and the climate is changing throughout this southern region, making it a refuge, perhaps the last one, for the great geological catastrophes **that are being prepared**. It was on May 6, 1942, when the "Mundo Israelita" of Buenos Aires published the Jewish publications which referred to Chile as "**Nai Judah**", the New Judea. The very strange recent announcement that the capital of Argentina was to be moved to Poland had something to do with all this. It will never be the capital of the Argentinians, but a capital for the Jews, leaving it in their hands and thus facilitating their installation and relocation: the capital of "Andinia", for the south of Argentina and Chile, in the Jewish plan of "integration", controlled by Judaism, for the benefit of their "electronic money". And promoted by the Slavic-slave Pope, by the Vatican Synagogue. And also by what Argentines today call "the Radical and Uasonic Synagogue" of President Alfonsín, working under the orders of Judaism.

*** Integration yes; but racist, Aryan, National Socialist, from the Southern Cone of America, and controlled by us.**

Again, in Chile, the Jewish "backpackers" who have been travelling to the southern Patagonian region in large numbers for more than ten years now, all belong to the armed forces or to the Israeli intelligence services. They draw up geographical charts, go on excursions, search, investigate, investigate secret, unknown regions, they go in search of mineral, hydrographic, timber and fishing riches, as well as the key points of magnetic and telluric tensions, which allow them to act "militarily" on future **induced catastrophes**. But more than anything else, they are also looking for the havens of the White Gods, for the Oct:lpas and secret cities of the Andes and for the "Führer's Headquarters". In truth, they are looking for Hitler and the Hitlerites,

the "entrances" to their inner dead. Something that will be forbidden to them forever. They are looking for clues about the living super-lifers of Hitlerism and "their impregnable paradise".

They are also looking for the secret points of the exits and entrances of Hitler's Vimanas (UFOs), because they know that the "Flying Discs" were invented and built by the anti-gravitational science (Implosion) of the Third Reich and that their terrestrial "angares" are in the South of Chile, where they enter and leave the "Hollow Earth", the "Inexpugnable Refuge". That is why the "backpackers" are agents of the Intelligence Services and the Jewish Army. Thus, they too are prisoners of the Great Myth.

The question we must ask ourselves is whether the Chilean Armed Forces High Command knows what the Jews are after and whether it agrees to help them. Because for their repeated and continuous incursions in the south of Chile and throughout our national territory, in the places where they also wish to install the geographic power of Israel, an area under Jewish control, these agents of Zion's intelligence services find decisive support from the High Command of the Chilean Armed Forces and from CONAF, the National Forestry Corporation.

On May 3, 1986, "El Diario Austral" of Temuco published the news that "three Jewish soldiers, Mikey Ambar, 23 years old, Jair Goldberg, 23 years old, and Amit Kren, 22 years old, fell from the summit of the "Villarrica" volcano. They had been inspecting the volcano with the knowledge and support of the National Forestry Corporation - "CONAF" - and were rescued by the combined forces of the Chilean army, carabineros, firemen and Chilean mountaineering volunteers.

The newspaper reports that the expedition of the Jewish soldiers was carried out with the knowledge of "CONAF" and the Chilean military high command.

Volcanoes are also "entry" and "exit" points. And on the volcano "Villarrica" UFOs have often been sighted.

The "Tacr benteciàon" page of today's Federal German Army, in which a UFO is depicted and it is stated that the UFO was conspired by Hitler's Third Reich.

UFOS BELONG TO HITLER

In the '**Militärisches Taschenlexikon**' - **Fachausdrücke der Bundeswehr** - by K.H. Fuchs and F.W. Kölper, published by Athenäum Verlag, Bonn, Bad Godesburg, in 1958. Kölper, published by **Athenäum Verlag, Bonn**, Bad Godesberg, 1958, in the section '**Füeger**' on air weapons, the word **UFO (Unbekannte Fliegende Objekte-Unknown Flying Objects-)** appears in the lexicon of the German military as belonging to the lexicon of the Bundeswehr. And it is revealed that the Third Reich had a disc-shaped "flying object" ready in 1944, the picture of which is reproduced in profile and from above. The "disc" could fly at over 2,000 kilometres per hour and rise from the ground to an altitude of over twelve thousand metres in a few minutes.

This was in 1944.

This incredible ship was never found, but today it is seen appearing and disappearing in different parts of the planet, especially in southern Chile and Antarctica. It is now perfected.

IN THE END WE WILL WIN

It is here, then, in this sacred little country, until recently irreducible, that the efforts of world Judaism are being concentrated. The trap, the encirclement, is closing around us. In a short time the Slav Pope, the slave of Israel, will arrive here, having received his final instructions on his visit to Roman Sanga-gia. We recommend to the Hitlerists of the world to follow the events in Chile closely, for it is possible that a "pilot plan" in the new, expanded conception of "The Protocols of the Wise" will be realised here.

The "Zion" version, a version to be applied in the impoverished areas of the Third World, destined for the greatest slavery. And it would not be the first time that Chile has served as a model for India.

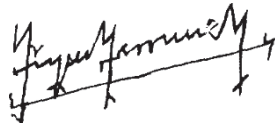

However, contrary to what the non-Jewish Aryans believe in their materialistic scepticism and scepticism, the Jews know that they have not won the war against National Socialism, against Hitlerism. The Jew is always terrified at the mere appearance of the luminous shadow of the Führer, Adolf Hitler, of whom Judaism is not even sure of his death. It trembles, it fears his triumphant return, at the end of the Demiurge's time, at the very moment when they provoke the new World War (which is why they have not yet unleashed it). Thus the Jew is the only one who knows with certainty that he has not won the war, because ideologically he has lost it. And it will be of no use to him to exploit the six-million lies and the "Nazi morbidities", which only he is capable of imagining.

The Enemy will concentrate his efforts on the Southern Cone of the Americas, because it is here that the Myth endures and is born again, in this ancient abode of the White Gods, mysterious polar region, of secret, hidden and enchanted Andean Cities, where the ancient Hyperborean ancestors of Hitlerism, the God-men, the giants, live eternally. And where there are still Hitlerists - **Sonnenmenschen** - who know the Great Secret.

As long as we are able to continue in the glorious mission of revealing the true History of our world, making known the plot of the Great Conspiracy and the Grandiose Epic of Hitlerism, we must also declare, with irreducible faith, that the only solution still possible for the peoples of South America and of the world is National Socialism, as we have explained it here. We know that in the beginning very few will be able to open their eyes and understand.

The collective stupor and hypnotism, which is transmitted to the masses mentally worked by the Serpent who controls this world, by the In- visible Government of the Sages of Zion. But more and more will awaken. And, in the end, the Enemy will be defeated, disintegrating. For, as Rudolf Hess said: "There exists in the Universe a Power greater than that of the Jew.

Heil Hitler!
Sieg Heil!

A handwritten signature in black ink, appearing to read "Joseph Goebbels". The signature is written in a cursive, somewhat stylized script and is positioned above a horizontal line that extends across the width of the signature.

May 97 of our Era.
