## [Dealing With Astral Entities - Mass Karma - Part 4 \(2/2\)](#)

▣ Thu Nov 10, 2016 2:39 am

High Priest Hoodedcobra666

Greetings to all our People and Satanic Comrades.

For Short, I had to put "Dealing With Astral Entities" in DWAE.

How it is sometimes, is when you have something planned, always something pops, especially in our case which demands our total daily attention. This is because there is always much to do for Satan, and the Gods. This never ends.

Now this to examine a step deeper into Karma. As I have analyzed in the first part of the series, this will deal with the other part. I will call it "Massive" Karma as this deals with masses.

To make it easily understandable, let's say that Mass Karma is in many ways a sum up of individual Karma's. This is a very simplistic way to put it, but at least it can help us see the first thing that comes to categorization. For instance, the people affect each other's karma, in many ways. This is not only spiritual, this is also by many means physical and happens on the physical level. The root of this is metaphysical.

For instance when we have a relationship, we have a synastry chart forming. This shows some of the dynamics of the given relationship. Then we can extend this to the family, then to larger units of people, states, nations etc. The base of this, as with the individuals, is the Race. One of the reasons the jews want to mix Races is because they want to mix their "Karma". This is why many other Races who don't labor, see intermixing with other races with a better existence, as a 'saving' of their position.

This is because the enemy has forcibly removed the means of advancement, the Spiritual advancement, and the native culture that keeps people intact. I also want to clarify that I am NOT talking about petty tribalism. I just see three large races, and then the people who are in between. The message of this post is not to escalate into senseless confusion, as those who like to be offended might be.

A lot of people also form relationships, and the list goes. Karma is tied with personal action and choice. Let's take for example the Japanese. The Japanese of course are open to travellers, culturally loyal, and a very advanced and futuristic civilization, which in most ways is also crime-less. They have made a paradise for themselves. This has happened because of labor. Nobody gave them that. The same is the case everywhere.

The jew as everyone knows is a lazy parasite. This is why in most ways, jews always want slaves to work for them, emphasize slavery, or abuse others etc. This is just how they are. However, this is not the mentality to get anywhere in the longterm. This is why I

keep saying the jews don't really have a destiny. Where all Gentiles can reach by advancing, jews will never reach, because they are different. Others will, sooner or later, advance.

There are also many who mimic the jews, however, thinking this is a fast route to 'bettering' their condition. Instead of working on correcting anything, they literally ingest themselves into the "Karma" of another race, and get absorbed into their lands, tenets, or even gene-pool, all of which are generated by the Karma of these particular people/races/units. This is bad and doesn't really help neither the person on the receiving, or the giving side, in most ways. "Racism" in the negative and aggressive sense is the expression of a comeback for this thing. If things clash beyond a level, these units will literally fight.

There are four ways it can go. In the case one, people may fight it over. In the case two, people may peacefully co-exist, but without intermingling past a point, everyone develops on their pace under one flag (The USA could do this to save its ass). In case three, people may be assimilated into one clump or new race (both races lose in this process in all ways)- clashes, death and anguish are more than likely the result of this, same as longterm permanent destruction of everyone involved. In case four we have separated, healthy co-operation of sentient and highly advanced Races, and this is the ideal system the Gods follow. In the fourth instance, everyone is safe, sound, and advances their blueprint, while maintaining friendly relations/alliances of True spirit.

This also shows mutual respect, as one does not want to destroy the other by mixing them out of existence etc. Those who are produced by the in-between, become either a friendly race of their own, or just re-assimilate where they feel at home- in the given they do what they are supposed to do to keep up with the culture. (Jews and literal parasites NOT included).

However as all of us here know, most if not MOST gentiles have fell into victims as the jews have been using them like pawns. This pawn against this pawn, and so forth.

Instead, the symptoms of any defunct Karma are just 'hidden' and so they remain until the circumstances allow of what one 'is' to manifest. The same thing goes elsewhere.

For example the jews did not have the power to fully express who they are, which is what they write in the Talmud and in the rest of their cultural literature. When circumstances will allow, as they do now to an extent such as all the crimes they do, it will manifest. And if it does, it will be too late.

This is why civilizations with many races are collapsed/or naturally tend to never 'assimilate' in any way, and as you can see in the USA, many individual Races and such, are forming their own conditions of Karma in certain places. The jews of course are the misfortune which infact doesn't allow anything to come in its own terms. Let alone xianity and the related programs, who reinforce the worst in everyone. This is why you change neighborhoods, or states, and you see a completely different level of being, not

only economically wise, but in many other ways. This is a rough explanation as to the dynamics of this, but these are more complex.

To understand this easily, let's take a family. If everyone in the family has a good chart for wealth, is industrious etc, the family will more than likely prosper. You add one person with a disability let's say, the Karma changes. You add two people who are lazy, and this setbacks the others and the list goes. The jews, because they lie behind many of these problems by magickally and physically interfering with the Karma of all other people (Remember, they have taken the position of 'god' in the physical due to belief of the dumb), they literally wreck families, states and such alike. In the same way a negative, deadly and parasitic person is a heavy burden for any unit trying to advance, this is the same case here in families, countries, states and the like.

A jew is incapable of really producing civilization or anything else, but made by its foreign creator intelligent enough to understand the spoils of those superior, and of course demand them. If one falls on their level, the jews get into their countries, infecting them in a parasitic relation. This bleeds the victim dry. In the same way some people can help us advance, others mean our death, and this is in nature, and also natal charts and the list goes.

But let's observe the matter in reverse. We have one person who doesn't like washing. They literally love filth and garbage. You bring this person inside the person of a clean disposition, who do you think will "prevail". The cleaning person, or the defiling one? Defilement doesn't take absolutely any effort in nature. The downfall spiral happens by mere passivity. The upwards needs mental consciousness, activity and action. This is how nature is.

So what is the person with a clean disposition going to do? Clean the feces, garbage and excrement of the other person, who for any reason, loves defilement. How is this possible to convince the clean person to tolerate the dirty person, given this is unnatural to the fullest? Something like "Christianity" would be the answer here. Which is nothing but a program of tolerance of crap, misfortune, acceptance of death, victimization, with the ultimate purpose of weakening people down so that the parasitic jews can rule them. This opens the doors wide.

The uprising of the '3rd world' is nothing but the instigated "Karma" where the jews try to make others do what the jews have done, to use them in their agenda. Instead of the people be guided to elevate themselves, fix their national/racial Karma, become intelligent and advance, the jews tell them to migrate to the "West" which is a Paradise. And why is the West a paradise? Because other people have been building it, other than those coming. And of course this won't last forever in this condition if this was to continue, and this is exactly the jewish aim, who by their parasitic nature cannot devise creative solutions, but they in their parasitic death as a virus that has infected a body, will kill the body and then have no body to house it anymore.

Every lifeform has Karma. When lifeforms co-exist and co-advance, this creates a karma

for them. As explained above, this can turn even into countries, destinies of countries and the list goes. The Blood of a Race is actually a gateway to their spiritual purpose. As thus the Gods demand Racial States and the main Races to be separate from one another, as to meet their purpose accordingly and elevate on their own pace. The Blood is not some trivial matter. It shows a lot of things. New races can be created, that harbor and have the characteristics and mixed things of two or more races, but this recurring process causes not only confusion in the Karma, but also this manifests in many other ways as in people first and foremost feeling 'torn' between two parts of what they are. Ideally, they should choose and re-assimilate where they feel good.

Now why the Jews want to racemix people into ONE race, this should ring obvious. One Race will only have ONE karma- and ONE destiny. The Jews of course sum it up as such: To be slaves of the elect Jews. The race mixing agenda makes total sense spiritually, physically and in all levels. One who wants slaves would of course desire this for their 'cattle'. The Gods stand on the opposite direction, as they want the species of Humanity to advance, not return to being apes.

This is not what the Gods intended for Humanity. They created different Races with different purposes and reasons of existence, which are holy and known to them. These can be realized by meditation. You don't need to verbally know, but you will be able to feel it when you advance. When one advances, they will also understand this in more 'applicable' terms.

Nations and States as such, being like living entities on a large scale, they have their own Karma etc. For instance if you look at the USA, you can see all sorts of things. If you look in Europe, you will see 'stricter' Karma, or India, which is why the Jews want to dilute and destroy these people a lot. This makes the Jews scared, as Karma and a good Karma generates positive outcomes of a metaphysical, and physically uncontrollable nature. You can't really predict this. This has to do with the power of consciousness to materialize into the physical, conditions that represent it. The Jews want to abolish this, which is called witchcraft, but witchcraft is actually part of nature and it happens in many ways, not only a specific one.

But if you wipe out the bearer of it, the man, this will also be abolished. This is why the Jews don't tell anyone to advance in anyway spiritually. The war against Satan is purposeful. Satan is TRUTH. TRUTH in Greek means MEMORY. Memory means KARMA. This very Soul Memory that ties us to the Gods and our Ancestors, cannot really be understood with a deep meaning, except of bizarre 'theorems' or empty crap, or be forgotten completely. This makes the Jews laugh and feel they are approaching their own 'karmic purpose' which they have set as a goal- to enslave others. Don't ask me why. That's how the Jews see it.

First of all, your advancement 'saves' your family or even lot in a sense, and your ancestral line from all this recurring spiritual damage that many people have 'inherited'. This is in the astral body, and this passes down to children, who stand chances to no longer experience the negative karma such as bad health the ancestors have sown. Of

course this is not always intentional. In that sense, nobody is a 'victim' of anything deep down, as we belong as links without disconnection to our racial lines and the list goes.

Its our duty and its on our 'consciousness' to fix these up, so that the next one's will have it better, and the list goes endless, until a final product of man is produced that we presently cannot even conceive. Those who do more work, are better. Those who do less, are worse. This is why the Gods gave spiritual knowledge to \*ALL\* Gentiles. That way the Gods are JUST and from there on, its our own bussiness as creatures to see what we will do with this knowledge. Apply, or deny and rot?

This is the Godman, like Satan and the Gods. In that sense, all Races of Humanity need to reach that status, so that Humanity can advance towards the next level. This is done through the metaphysical means Satan and the Gods left behind, and not by injecting hormones or hooking internet chips in your brain. This is infact a karma of dependency, and inferior, and not a karma where the real secrets of life have been unlocked and given freely to humanity.

In a more gruesome sense, the jews are like a race of damaged, extremely race mixed, alien modified creatures. As such due to incapability to exist on hteir own, the ride the White men like parasites, so they exploit the White Man's Karma, that produced things like good civilizations, health, civilization and the list goes- the jews could never make this on their own, as they are not on any such level of development. Other Gentiles of course are great in this department, while others are learning, but the thing is for the jew, who is an alien enemy, to be revealed.

The jews are robbing the Karma of the Gentiles to advance themselves. For example, they have drained Africa completely financially, and mixed the Karma of the Black people with the White people forcibly, by creating not only Race Mixing, but many other works of insanity. These are extreme crimes and all higher beings who see this will not see it favorably. The Gods see it with hatred, as this goes against the will of Nature to advance its blueprints. The jews are accursed from nature for that reason, amongst many others. In the jewish tribe one sees mistakes, psychopathy, and disgust that is amassed for centuries. It didn't happen yesterday. Of course by masking, exploiting Gentile scientific advances, stealing, robbing, confusing and degradation of their 'enemy stock' the jews hope that just in time they will steal from us the necessary advances in order to become better, and dump us with it. This is why they live amongst us.

So as to get back to mass Karma, mass Karma is no different than how everyone has a pluto, a neptune and their generational planets or setups. Everyone has influences by these, and these are large. One powerful enough, can pierce through this, and create their individual life, or change this order. This is what we have been doing. In technical terms we are washing away of Humanity the inflicted karma caused by the enemy, and this will manifest also in a better world. This is the real meaning of the "Darkness" which will be defeated by the Light. The climax of Karma is where people control everything based on their true will, and not low animalistic rules of the cosmos. And by true will, I mean in the highest accordance with Satyan, Eternal Truth. Not rabbi shekelstein's new book that

masquerades as 'tru theory'.

In closing, spiritually speaking, loving one's people, wanting to preserve them, looking for a better future for them etc, is all very healthy and natural tendency, with deeply rooted spiritual foundations that deal with the purpose of existence as well. Again, this is not always verbal, and SATANISM is the exact religion of understanding this. This is why it is open to all Gentiles, so that everyone can reclaim the lost crown of freedom for themselves, those worthwhile, and in the end, so that everything else will be raised due to this massive, spiritual awakening.

Like the individual spirit transforms, so does the massive spirit. This is the most direct way to save "humanity", more than being vegan, going to church, or giving 6 trillion \$\$\$ to Shlomo Shekelstein for his campaign of "Tikkun Olam". To save one's self is the major step in saving the world. As thus the ripped off story of Jewsus being savior and rupturing others, deals to that, and we are again looking as OSIRIS- the bringer of the Light and defeater of Death. Only, not a jew ripped from Osiris holds the key to personal, or massive karma absolvance.

Only Work, spiritual ascention and spiritual labor, rewarded by the universe, do this. This way humanity can be saved massively from decay.

So help yourself.

## Dealing with Astral Entities: On Dreams

by [HoodedCobra666](#) » Tue Feb 13, 2018 9:07 am

There is a lot of in-depth knowledge that can be shared on dreams, but because of the enemy's interest in this craft, and also how even some Jews like Freud and others who have attempted to decode and steal this knowledge, it has to be kept brief for the time being. In other words the enemy is just very thirsty to know about this matter as there is not much info around.

The dreams one experiences come in many levels. What level the dream corresponds to, one needs experience to understand, and spiritual insight. Depending on one's insight, one can also understand their dreams aside a level.

One example is how many people see dreams of the 'apocalypse'. This is because a lot of people are enforced in this meme and this scares the mind. This is a scenario of ultimate fear. This is why the enemy keeps using it, and all the catastrophe involved. This creates the ultimate feeling of PTSD and worry for the mind, so the more one delves on it, the more the mind becomes shattered. The brain possesses this as danger, and therefore attempts to live this scenario to be better prepared to deal with it in the walking life and to absorb the unimaginable shock of it. So for this reason people can dream this dream over and over, until they really believe it. This is the use of fear for those who are gullible. This is one level of the same dream, a very basic level.

Another level of it is simply a spiritual level, where the enemy enforces this dream with spiritual means. Dreams can come from external sources, not only internal sources, and how actual is the dream, one needs to have spiritual experience and an open consciousness to understand. Obviously many people don't know this, therefore they think it's 'Prophecy' or 'God' talking to them.

There are also many level of dreams in the sense, if one goes hungry to their bed, they may see that they are eating. This is a very common dream and happens for obvious reasons, the person is hungry. Sometimes a dream can have a mixed message, for example, one eats, but one eats in a specific way and conversations with one specific person. This dream can have a different meaning than simply eating.

Other dreams are also the dreams of sex. For example someone sees they have sex with a specific woman, or a person they do not like, or a person they like. If the person in their walking life desires this specific woman, this can mean many things, depending on the situation. In the situation where one is already intimate with the woman, this can be a push or an omen that something may happen in the future, or that they need to work in that direction. If one doesn't know the woman, it could be a woman that saw them this day and is strong and did obsess over them, or just a simple imagery that was conjured to satisfy the need for sex.

Dream analysis is like trying to analyse a web and it's a high spiritual practice that requires also realism and knowledge of Symbols. Symbols are the way through which our unconscious mind tries to communicate our Subconscious. Some dreams happen on one level that is higher, others on a lower. Most people see low level dreams. However some people are born with a spiritual gift (this is in the chart as well) and they can see omens, the future, and important happenings, or tend to have

more deep dreams than others. This can also come with an instinct on the dreams. People who had this power in the Middle Ages were exterminated, as this power can escalate into other powers. Dream Yoga goes into this, this can be turned into voluntarily dream astral projection etc.

This is why Jews like 'Fraud' have completely failed on this interpretation, because their soul is lacking and it cannot explain anything deep on these matters. So Freud made all these bizarre theories that for a male to see their mother is because every Goyim wants to have sex with their mother. Again the Jew projected his own mental issues and turmoil to other Gentiles. However this is not the case why Gentiles in most situations see these dreams. This is not the case the majority of the time, and such dreams are symbolic as well. Freud was just talking about the soul of their Reptilian and Jewish race.

Two people may see the same thing but for completely different reasons, because the souls are different. It's well known the Jews are a race that is heavily, if not the most, inbred on the planet, so to see such a dream would have a different interpretation for a Jew than for a Gentile. So this practice is quite common to them.

((Scientific)) Fraud Freud did this on purpose to create guilt and mental issues to Gentiles. Because the bible says it's sinful to do this, but oy vey, you dreamt about it anyway Goyim, so go repent to Jesus now. The typical meme they always do. Lack of knowledge, fear and instilled complex is used to control the person. The same thing Jews in every science they touch. It turns into the profit of the Talmud.

On the other hand, Carl Jung, who was a Gentile, had a better perspective and understanding of dreams. This is because with the eyes of his soul he was more capable to understand and decode these matters. While Fraud approached these dreams as the little mind trying to 'do the forbidden' and all the rest of the Jewish 'taboo bullshit' (remember Jews come from a culture of intensive Reptilian restriction), Jung approached dreams as an open way that the unconscious mind tries to let you know about something that is required for your path.

The same 'culture' that was enforced on the Pagan/Satanic Soul (As the Jews admit) of Gentiles, is completely against to our nature and our creator (Satan). So our mind revolts consistently and tries to break these Jewish imposed limitations. The Gentile Soul is different, and to impose a Jewish system on it, creates mental illness and neurosis. Just look at your average Christian and you will see why. These people are broken on the inside.

In closing dreams are a very complex system of symbols. The more one grows the more they can understand these symbols, and also, there are levels of dreams. Modern psychoanalysis and dream analysis is a fraud, so people studying this need to be on high alert. Every person is their own soul and universe, especially when it comes to dreams, aside of a few things we share.

I will write on more specific examples in future posts, like dreams analysed etc.

## **Re: Dealing with Astral Entities: On Dreams**

by [HP Mageson666](#) » Tue Feb 13, 2018 10:51 am

Freud's entire circle of scat anal-yst school were all Kikes. The only Goy was Jung and this is due to Freud stating they need a front Goy to hide behind to the Goy public. From Freud's letters and statements of those who knew him. Freud was a typical Gentile hating, supremacist Kike. Who by his own admission just created a cheap psychological weapon to attack and destroy Gentile society with. Psycho babble analyst of Freud is just purposeful Jewish subversion of Gentile society. Its a cheap Jewish trick. But also shows how fucked up Jews are in the head.

Jung realized how disgusting Freud and Kikes were and left the whole thing. And worked to attempt to Gentilize psychology this is why Jung is remembered as someone despite himself being a Nazi who worked for the Third Reich, as being a person who contributed something to society. They gave Jung a pass because they like him so much. Jung's best friend was Serrano who was also a Nazi and was close friends with Devi who wrote the Lighting and the Sun. Serrano stated Jung's problem was he could never fully let go of the frame work of psychoanalyst which was totally materialistic. From studying Jung in school its obvious however Jung took his own work from Yogic and Hermetic knowledge it was an occult doctrine that he secularized.

## Dealing with Astral Entities - Ghosts - Part 1

☐Sun Jun 12, 2016 3:39 pm

High Priest Hooded Cobra666

In light of recent questions over to how to deal with entities, its important some things are being addressed.

First of all, in the "other side" (Astral), one can encounter all sorts of entities. There are levels of this. Having worked extensively and for many years both with people on the other side who have passed away, the Demons and encountered a lot of things, its easy to discern a lot of problems in this thing. Its important these are solved because due to centuries of darkness and jewish lies, many people don't know what's up.

One major thing is to remember, that beings on the other side, aren't any less "real" than beings that could be potentially on this side. The fact that they are not in the primary sphere of your own existence doesn't really make them "Inferior" or anything else, and for the beings who reside into higher dimensions like the Demons, in many ways, they are superior to a lot of people who are just living and existing on the physical realm. So first of all we are going to deal with the matter of ghosts. The enemy grimoires have really poisoned this matter and we are slowly going to clear the clutter from this whole thing. There are also many charlatans around, like xians and that sort of thing, that don't know anything about the afterlife. This makes everything harder and more confusing.

I am starting from ghosts because these are basically the simplest entities one can really "relate" to in this sense, and they just live one "layer" above close to the Astral realm. This is why many people can actually "see" or "feel" ghosts, even if they aren't really "psychic". Normally, ghosts are like real human beings. They don't have the needs of eating or anything that is needed to sustain the physical body, but their emotional, intellectual and whatnot needs, are intact like any other living human being. They are also, not "dead". One's spiritual awareness, understanding and personality, is carried on intact in the other side.

The same applies in some cases with one's natal chart. The same natal chart one can have when they were alive, still applies to them after death, until someone reincarnates again. This means the "Karma" doesn't really wash out at death. The fact that people think otherwise is retarded and is again, stemming from "Christianity" that says "people get judged" after they die. This is a stolen concept and it's, like with anything the jews steal, completely corrupted and destroyed. This can be seen in the fact that many people grow "rich" (they get inheritances even if they are dead) or they get "famous" (like philosophers or skeptics or scientists) only after they die. This sort of thing has to do with their natal chart and there is a branch of astrology going into this, so I can't deviate from the purpose of this post as this would be too lengthy.

Now in regards to "dead" people who have "seen the xian afterlife", most of these people

have been "clinically dead" but the "cord" of their soul/body didn't cut. This once cut cannot grow back on its own. One still roams within their own "subconscious" or their own mind at this point and this is not in anyway, actually "death" where the Soul is permanently disconnected from the body. Due to heavy indoctrination, a lot of these xians and others, do see "hell" and all these other things that are deeply embed and programmed into their subconscious mind.

This is part on how many people, in the time of their death, see a lot of their desires, past moments in this lifetime, and other things. The heavily indoctrinated see what their pastor told them they should expect, as this is programmed and drummed into the mind since infancy. In plain words, what they see is no different than an actual dream state. They aren't really astral projecting or anything like that. They aren't even witnessing their "Soul" per se, but their mental or "dream body".

Death however, deals with the higher or unconscious mind. And not the dream state or anything subconscious.

As about the "Judgment" after death, this is a destroyed and corrupted allegory. When one exists and departs from their physical body, they go out with their Astral body. Their personality and everything else is intact. In cases of natural death (without accidents, but old age) the bioelectricity of the physical body has run dry, and it's over, so the Soul cannot really inhabit in it any longer- the body is no longer suitable for life. The Soul as thus departs. So when people run out, the Soul runs on its own "energy" or "battery" so to say. This is to mean that simply, when one's "time is up", they dissipate back into the Aether. And slowly dissipate now and forever.

Sometimes the process of reincarnation happens, and this in many ways is an "automatic" (or let's say, unconscious) process and like with so many things that happen unconsciously, people don't really understand "who" did this, even in the afterlife. This is also why so many people that refuse to be reincarnated, for a number of reasons, they stay on certain places like old homes, or other places like close to their own families, or hunt buildings. Many times also ghosts and people from beyond, they prefer to go into places where there are "earth grids" with vital energy, which helps them survive, or other strong electromagnetic currents. This process can also, be unconscious as well.

For many death is a totally baffling phenomenon, and they just try to stay stuck on this world, or things that are familiar to them. The Astral body can have all the sensations of the physical one, but it doesn't really participate in a physical world. Since the vibration of many people is too low, they just exit on the exact "higher" dimension of this realm. Many people don't really understand that they are dead, same as many people who are in a dream state and they don't really understand they are dreaming, until the dream becomes "conscious" or "lucid". Then they slowly come into realization of this after a while.

For these beings, their fate is questionable. Many people fall victims into their own delusions once they die, or they are harvested by stronger enemy beings, or they end up

in "the light", or others dissipate, while others haunt houses and the list goes on. Their fate is literally anything possibly. One cannot really say for sure. Especially if one is a "devout" Xian or devout in the attraction of all these subconscious messages of self-decay of xianity, everything happens "faster" in the Astral, as one can move "faster" and their ideas attract things faster to them. This is no different than how a bad fetishist can end up in the wrong club and get so beaten up that they are going to die, or that people who do drugs just find the wrong dose at some point and find themselves dead. Vices and personality traits are carried in the afterlife. In the same way, emotions, feelings, one's mental and spiritual condition, character, morality is also carried.

This is why "ghosts" can be absolutely anything. Literally. They are not "good" or "evil" and they aren't really "simpler" than any other real Human being. Their condition is exact to the Human one, except of the changes that we related above. This is why for instance people who have been nagging others their whole lifetime, they will do so after death. People who have been serial killers, or very aggressive people, will be so after death. Nothing really changes when one leaves their "husk" even though many idiots believe it to be so, thanks to xianity.

As about the "judgment" of the Soul, this is an allegory. The more "lower" one is spiritually, the lower they are on the astral and the closer they are on the physical. They haven't really "ascended" and they don't have any knowledge of the beyond, let alone any help or anything. They can end anywhere. This is the "judgment" and the "lightness of the Soul". The "lighter" and the more enlightened the Soul, the more powerful it is in fighting intrusions or anything else. Ghosts can also be subjected, like any other creature physically. The enemy knows and uses this against innocent human beings. They can also make friends, foes, enemies, or just be indifferent. Many people refuse the "reincarnation" that happens by their unconscious mind, because they want things solved in the physical realm they cannot leave behind. This is especially true, as HPS Maxine has covered, in the case of murder or anything else where these beings want justice.

Elevation of one's "vibration" also means to get on a higher dimension astral. This is transferred with someone after "Death" as well. This is where when one dies, they are in the higher astral dimensions and not on these very low one's to the physical. Ideally, one person should know how to go higher or lower. However due to spiritual ignorance, this is not known to most people and they are on a lockdown. This is allegorically on how the Egyptians went in front of the gates, and if they knew the correct words, they would be elevated from "hades" to higher levels. The lower one is, the more one runs the risk of dissipation, enslavement by hostile ET entities, etc. This is allegorically "hell", and the "hell" the Abrahamic religions have subjected Humanity into.

Part of this "vibration" and where one "is", also potentially shows how much power one has, even in the physical realm. In the same sense, people with occult knowledge, can use it after they die. This is especially true with entities that some people call "poltergeists" or something like this. These ghosts are sometimes strong people (either by birth or by natal chart, or just people who were into the occult) and they seek to harm people due to fun, or other personal reasons. A good natural instance is people who do have a Scorpio stellium.

These people can be natural adepts to magick without even really knowing it, or they have powerful willpower. This can cause things on its own, even change down the world of the living. However rare, these beings exist too. This ties into the above thing. These people can be arguably, more or less spiritual and more or less aware of what they are doing.

Now in regards to other matters on how to identify ghosts, it should be easy. First of all Ghosts can be really felt in some points. Especially if the person died a violent death, the life force of their body wasn't completely dissipated such as peaceful death in old age, and sometimes this affects the Soul, making these people really "dense". Some people are "dense" naturally, such as the beings above. Some people are very frail and they can hardly ever be noticed, or their effects. The list goes. One can pretty much identify them through power. There are some ghosts who are also powerful, like the categories above.

Normally these should be nowhere close to Satanists, same as astral entities with hostile intents. There is a chance they can also be crossed. That doesn't necessarily mean, they will be powerful or not. Power is a great definition though. When one grows competent enough, they can actually "discern" the Soul by its essence. Humans have a particular essence. The Human Soul can be more advanced, or less advanced. Power is the most accurate judge to begin with, but one should look for essence, personality, intelligence etc after this. Ghosts don't really deliver this electrifying serious power like the Gods.

To not mess the usual with a rare occurrence though, most ghosts are really weak. Mostly they are in the same power level as ordinary human beings that didn't quite meditate. The same goes for knowledge, intelligence and power in general. How one can deal with ghosts really has to do with the ability one has to deal with other people in general. The same goes for personalities in general. The fact that they are ghosts doesn't mean they don't think, they like or dislike everything, or that they necessarily pose a danger, or not. It's almost close to how one deals with people in real life. Nothing is certain. One can become a friend with ghosts, or drive them away, or anything else.

Normally, the Gods themselves will handle any Ghosts who are seriously a danger to people. Though ghosts are too many in number in many cases, with many ghosts being around in general. Having strange emotions, weak shivers, feelings of fear or worry, or other sorts of feelings that are not "yours" when you enter a place, is a sign of ghost activity.

Children many times do see "ghosts". This is why many children talk of "imaginary friends" and many times get the stories they share validated, on the account that real people with names and such existed in such places. Many times, ghosts are not evil people. Ghosts can also be serious murderers and stuff, or like to cause dismay, or get sudden emotional urges and stuff, like Humans. The only difference is that they don't have physical needs and quite a handful have figured out the hoax of xianity, since they died only to see it was a lie.

The enemy is also well aware of the existence of ghosts. This is why in mimicry of the

Ancient Egyptian religion, they bless ghosts. Ghosts can be blessed, cursed or even subjected. The enemy has rituals and litanies upon which they attack ghosts that are not subjected to christianity and they try to send them to "hell". This is the case especially in Orthodox Christianity, where even if people are long dead, the clergymen keep "reading prayers" and "blessing" them to be judged by "God" or to enter "hell or heaven" if they were disobedient. Sometimes these curses work, sometimes not- the same goes for how the jews and others curse relentlessly people who have attacked them but according to them, "passed on", like Adolf Hitler.

The enemy also actively calls "angels" and other beings, or the Hebraic Thoughtform itself to "harvest" people. To what degree these work, is up to their power and the power the Goyim slaves give to the book of the bible, by worshipping the jewish thoughtform that is the root of all their occult power- what I want to show is that they actually attempt to subvert, destroy and enslave beings even after they have passed on. They literally enforce people into "hell" or in a dimension of a jewish Thoughtform and aliens, that subject these people and destroy them. This quote below is a blatant one.

#### **Revelation 20:13-14**

And the sea gave up the dead which were in it, **and death and Hades gave up the dead which were in them; and they were judged, every one of them according to their deeds. Then death and Hades were thrown into the lake of fire This is the second death, the lake of fire.**

You can blatantly see, the enemy affirms openly that "Hades" (who is a well known Pagan Ancient Greek God) is actually keeping the Souls of Humans in refugee. This is also analogous to being in a low level of astral, but this is not the case here, as the enemy talks about the actual God Hades. The Gods are known to take care of the Souls of people. Those who are in the low dimensions or haven't really dedicated are also taken care of as much as possible.

The enemy here blatantly admits that the Afterlife is not where this is "over". One goes to somewhere- the lower Astral level. They know it's not over. They also know the Gods protect the Souls of people as much as possible, and they want to obliterate BOTH of them, and take their "Souls" to be "Judged" by the Hebraic Thoughtform, and be harvested by the enemy ET beings. They want to subject them into a dimension where there is eternal fire and brimstone, in order for them to suffer eternally for not believing the jews etc. This is NOT the case, but something to be sought.

This "dimension" where they do these things, is actually something they also manipulate the mass mind in order to create, as everyone, even those in the Vatican know, that this is an invention of the Church. The mass belief into the fake tales of xianity, creates something similar to this place into the Astral, since thoughts become things in the astral in many ways. So the psychic energy of the Goyim, except of manifesting riches for the jews, death and anguish for all Humanity, disasters to the planet, they also create a metaphysical construct of "hell" for those that believe in this excrement, to actually burn

forever.

As to not confuse people, the Torah and the Abrahamic programs, don't only create a reality that is physical, but a metaphysical one. Part of this is this pool of hellfire for the disbelievers, where all Humanity wants to end up in, except of the 144,000 elect jews who will rule the planet and become "Gods". Not only xianity wants to damn you now, but in the afterlife. That's how much it hates humanity.

This is part of cursing these beings and general scorn, defamation, but has deeper spiritual reasons. Its well known Kabbalists on the enemy cursed Adolf Hitler and the Nazis well after they "lost" this war or "died". This is for a reason. The same goes for any other Spiritual entity, or like our Gods, that they curse. There is a very famous jewish curse, that the jews use for the idea of "Gentile Jesus" as well (Because Jewsus, Rabbi Yashua is a Rabbi and the Goy are insolent to call this thing a Gentile) and this curse is "may his name (memory) be blotted out". This signifies their wish about death in the afterlife, and in history as well- not only physical death. The enemy knows nothing ends with mere physical death. This is what they hide from the masses of the Goyim, aside everything else. Its part of the deal in keeping Humanity blind and under strict alien control. With jews, you lose. Here and beyond.

As for protecting one's self from Ghosts and other human spirits. Normally, cleansing one's chakras, aura of protection or a banishing Ritual should solve issues with Ghosts as most of them are weak. If there are more serious problems, one might require intervention by the Demons and one's Guardian Demon. After one has decent power, Ghosts can be driven away quite easily by one's own power and magick. Ghosts like all people may, or may not react to violence, may be sly, may not be sly and the list goes. This is up to someone to figure out. One of the best things to do is to actually not really pay attention to them. When one raises higher astrally, these beings don't really "interfere" or can mess with anyone anymore. This is why sometimes its advisable for people to actually get stronger, before they just attempt "communication" and being "open" to all sorts of bizzare entities. The Astral is a vast place and some things in it is not fun, at all.

I hope the above sums up the matter of Ghosts in general and it enlightens the whole situation around ghosts. More posts like this will follow. One last note, those with Satan will never be subjected to anything vile like this, as the Gods, from all the times, take care of our Souls. This has been the meaning of the Egyptian and other Ancient religions. Eternal life is really possible both through the Magnum Opus and because the Eternal Gods help those who have passed away from falling into the jaws of danger and death. This is again documented into the Egyptian texts. Spiritual evolution assures survival both here and in one's general existence.

## Dealing with Astral Entities - Heredity/Race, Charts, Part 2

Post Sun Jun 26, 2016 5:48 am

**By Hooded Cobra666**

Greetings to all our Satanic People and Comrades.

In recent demand for certain questions to be answered, more things need to be addressed. These sort of go "outside" the message of this series, but these things are certainly fundamentally needed in order for people to understand what is going on. We will deal with some questions our Comrades asked on part 1 and also, further this a bit more.

Because this post has to be orderly and clean in its understanding, we have to start from things that can be understood and not overly complexify shit into oblivion in order to impress. First of all, we are going to relate about the parts of the Soul and link this with Birth, Chart, Race, etc.

The fundamental parts of the Soul that are going to concern us on this, are mainly, the Astral body (KA), the Bioelectricity (Lifeforce), and the Physical body, the Aura which extends from the Lifeforce, plus the body which is named "Heart" in the Egyptian texts. All of these bodies are interconnecte, they live and they thrive through one another. These are the bodies that are going to concern us in our understanding.

Given there are many naive people and info stealers around, who are nevertheless not on the spiritual level to support what they steal and rave about or even understand the concepts, (Such as Muh Feels Say I Am a Gods), its advisable to comment that you should stay away from these self-proclaimed gurus. Many people are actually using spirituality in a vicious way to actually enslave others, purposefully withhold info, or they read all sorts of manuscripts without experience and spew garbage. Most of these people cannot really answer when they are posed with questions and they just answer with pseudo spiritualism or etheric gibberish. The jews typically do this a lot with their empty spirituality. This is not supposed to make sense and enforces a stupid "Mysticism" around things, like fake fairy dust, angels and unicorns. Things are supposed to be able to be understood.

This knowledge is from Satan and people who try to tamper with this, they will be severely spiritually punished. This is well documented in the Ancient texts and even the enemy is aware of this and suffers for this, which they will for the rest of eternity. This is why these were coded in "Hieroglyphics" which mean literally, holy writings. This was the spiritual inheritance of the Creator Gods. The inheritance Satan leaves to us, and the Gods, is Divine and Holy. Defilers, destroyers and conscious perverters of this knowledge will have it real bad in ways that most will never understand. This especially applies to the jews, who blinded the whole of Humanity on purpose and on demand.

As to not overly-complexify matters, let's just proceed.

First of all, the Astral body or the KA, is the body that one activates when they meditate. This is the body that houses the chakras and the seat of the life force. However, the life force doesn't only exist in this body and we can divide life force in two categories. The one that one gets on heredity and the physical body, and the one they have at their Soul. This is why the physical body itself, has a set time of existence from the time it is born, or why certain people are born spiritually powerful but they are not really into spirituality, same as people who are born muscular without ever having lifted weights. One is born at a particular time and their physical body will only hold too much. This is also, genetic.

The labor of a family to spiritually, mentally and physically advance, and the selective breeding it done, can be seen in the resulting offspring. The better the choices of the people, the better the offspring. This has to do with labor, nature and other factors we don't really understand nowadays, so we just call it "Chance". Nothing really happens at "Chance" though.

Like anything else, this span of life in general can be increased or lessened and nothing is set. However, the body one has is a creation of their parents, and Astral the Soul that comes and incarnates into it. However, this is NOT always the case. This is getting a bit complex from here over, as not everything is the same, neither are all humans alike. There are many new Souls, who don't really "incarnate" as they haven't had a lot of past lifetimes. They are really the productions of their parents, and there is nothing bad about this. This is not a sign of any inferiority or weakness and in strong families, can mean the contrary. The part that reincarnates into the lifetimes, is the actual "Heart" or the personality, that the Gods retain and reincarnate. For those who are advanced and they have achieved one level of the Magnum Opus which is the metaphysical (Astral Immortality but not physical) they can be reincarnated as they are as well. Like all other parts of the Soul, this can wither away if left untrained or cannot feed on energy, its own or this or some other source. A lot of people fall victims into this and experience this withering away.

If the "heart" is not pure, it is thrown to Sobek to eat in Egyptian spiritual mythology. The "heart" and the personality gets better by increasing its bioelectricity and cultivating the character, the Soul and refining who one is. This is directly tied into the bioelectricity and also the soundness of the physical body. Its really a multidimensional approach. The retarded idea that you can be looking like a cow, do drugs and rot all your existence, and somehow be "good and Sound" mentally, or at the Soul, is pure garbage. This is why all Ancient cultures emphasized on the building of the body, as this also builds a more moral character by teaching the values of persistence and actually gives inner strength. I know the athletes here can relate into this, as this sort of thing actually builds up on the actual willpower and Soul. However, this goes both ways and everything can be done in other ways.

Now, in most Ancient Traditions the rule of heredity is known. There are bloodlines that are spiritually stronger, and Races that fall into the same category. There are powers that can be by heredity passed down to the next generation, or that stay dormant in people

until certain Souls reincarnate or certain beings get born by "chance". The spiritual cultivation of humanity ensures this will happen frequently and later on, at will. The enemy knows this and because they generally try to spiritually oppress Humanity, and more so, those who can spiritually overthrow them (because the enemy is mainly a spiritual dictatorship and only after this a physical one) they push bastardization which corrupts the Race, then the family, then the actual people that exist. Through constant mongrelization and bastardization, the enemy is trying to destroy the spiritual families and classes. The Middle Ages, the wiping of the greatest 100,000,000 Chinese people and spiritual dynasties by their Communist Regime, the endless pushing to Race mixing, the systematic destruction and infiltration of Gentile bloodlines and the constant attacks on pure Races, is self evident. This is a very Ancient method of take over and warfare, and this is nothing new.

Everything is a categorization, and also, then you have specific incidents that are individual and specific. There is physical, metaphysical and combined heredity of both. One can easily see its complex to express common rules here, but one can figure out this is a complex process. Inside these family lines, one gets their particular power line, and this is also tying large scale to their whole Race. Why sometimes children are stronger than their parents, or weaker, should be explained by the above. Then you have other unconscious laws of nature that are taking place when people do actually conceive the child. The parents do actually have responsibility about the child even if its unconscious to them.

If people themselves are powerful spiritually, they have more bioelectricity, which in turn gives more power to the sexual act, this creates a more powerful body in general, by creating a physical body that has itself more bioelectric and as thus is more powerful to hold a more powerful Soul. The Race and Family tie into this as well. The purer the Race, the more the power is inherent and the more "clear" is the place from things that cannot really associate. Spiritual gifts, like physical gifts, are in many times passed down to children. This can be seen in how certain people have good charts for children, which make for charismatic children. The mother gives one the passive side of the Soul, while the Father gives one the active side of the Soul, yet these unavoidably mix with one another.

The better the breeding and the more advanced the family is or was, the more they can have better children. This goes and goes in generations. This is why the jews infiltrate good bloodlines and corrupt and destroy them. The same goes for pure Races. A better body, is a better house for the Soul that comes in it. This is why the enemy jews maintain spiritual families like the Rothschilds and the Bharuchs, or others who are of the Rabbinical class. The surnames themselves show of the bloodline in many ways. The bloodline of someone affects their body, and the body gets shaped by the Soul that inhabits in it. This goes both ways. From heaven to earth and when one meditates, from earth to heaven. If one doesn't, the Astral body is not really something one becomes aware of until the time of death. The repeating of this thing over many thousands of years, plus the endless Race mixing and other problems, do actually impact the Soul and the ability of Souls to reincarnate. If one is too big to enter a car, they can't really enter a

car, or you have to shrink them to get them in the car. This is why the enemy preaches the destruction of Race and then also spirituality, while the opposite is promoted for themselves.

In plain...

Imagine your mother and your father gave your physical body a spark of life, that begins the life of your physical body and also renews your Soul (Because when one dies they are faced with stagnation anyway, unless they have done certain spiritual disciplines). Depending on the power of this spark, one has a preset time of life as far as the time before they die of old age physically. This also revitalizes the Soul for more or less. Imagine this like you are given a battery system. This battery system has abilities and a certain capability to do certain tasks. The better the system and the more labored in and developed, the better the Soul that can inhabit in it. At the same time, the Astral body develops, unless one reincarnates with their other one, but even in that case, the Chakras do actually have to close and open up later, or can't really be open completely- this is why they need re-opening, but this is also why people advance in varying speeds. With the new energy one is given, they are supposed to live their life. This can be made into a choice to finally adhere into meditations, develop one's self, advance and finally, escape this vicious circle of reincarnating over and over again. Such people who are developed display powers from a young age. The Soul has its own memory, the Body has its own "memory" as in genetics, but both of these meet and tie into the metagenic level, and they are in a sense, ONE and the same. This is why people can only but reincarnate in their own racial lines.

You can see something fundamental in children. No matter what, a kid will always be innocent and the list goes. As the person grows, there are sudden burst of "maturation" for better or for worse. These seem to come from "nowhere" but this has to do with the actual Soul. For instance one can observe human growth. Typically, people are considered teenagers up to approximately the age of 17, fully active by the time they are 21, and mature by the time they are 30. Approximately. This has also metaphysical reasons that have to do with parts of the Soul waking up and opening up. For instance the male frontal lobes that have to do with advanced logic don't really get fully functional by the time one is around 20. If one meditates or not, determines if they will be aware of this process or not, as everything is awareness and what one is not aware of, is discredited.

This is a high state of advancement in a past life, and many of these people do actually have powers involuntarily or are Siddhas even from their early years, even kids. When they re-open the chakras and Soul, this shows. The powers are actual and these are not imaginative. Many of these powers do actually run in families, like having the power of prophecy, advanced astral vision, powerful bioelectricity etc. This is the reason of "Aristocratic marriage" in the Ancient Civilizations. Not money and other garbage that the enemy claims. Its a metaphysical concept. As far as powers go, others have to develop this. How easy or hard this is depends on the family, where one is spiritually and anything else, BUT, it is definitely possible as all Humans do actually possess these powers. The greatest talent that doesn't make any use of it will be trampled by the people

who just are obedient and loyal to their meditation program, and vice versa. This can certainly be developed, and those who made progress can actually under-develop by laziness or by letting these gifts go. If one has the genetics of good muscles and they never, ever get up from a couch, this doesn't really matter. Both bodies are affected by heredity as they link to the physical body and the life-force of the family and the Race.

As you can see, the "Coincidence of Birth" is now completely debunked. The Jewish arguments of "What if you have been born in Africa" or "What if you have been born in Madagascar" are debunked in the same way. People only reincarnate in their specific racial lines. \*NOTHING\* In this world is a coincidence in many ways, but in so many ways and thanks to the enemy, many people do NOT understand the laws that govern around us.

In order to better understand this, one must see the Natal Chart. The Natal chart is the actual map of the Soul, and where the Soul is at the present time of reincarnation, and the path of life that is set by "Karma" (or the set forces in one's consciousness and Soul). In plain, this has to do with nature. Inside the Natal chart, there are more things as well. For instance, one can track diseases and problems that show up in the physical body. The natal chart can show of bad or good health, sex drive, personality and anything else revolving in the physical body as well. However, the root of this is the Soul but the Soul is linked with the body, and this is why also in certain ways, even death can be predicted. More in regards to the Natal Chart, is that actually, certain people can have certain connections Natal Chart wise, with their parents. This can be observed and there can be correlations. One can cast the charts. For what I have experienced (I am not entirely sure of this) one's father can show up somehow in the Sun, while one's mother can somehow show up on their Moon. Depending to the relation, acceptance, if they are good or bad, or the definitions therein, this varies.

Unless the person advances spiritually and actually becomes conscious and awakes spiritually, their lifetime will be nothing more but a similar blueprint of what their "Chart" is, for better or for worse, with little to no knowledge or edge of any improvement or prevention. No "Karma" will be changed and one will be subjected to it again, and again, and again, until this eventually leads them into personal destruction, collapse or lack of existence. "Karma" is connected un-doubtly to one's parents and everything else as well. Many people suffer or grow to prominence just because of their parents, or just because of heredity in some way. This is not definitive, but one can easily see this in one's childhood and how they share so many things with their parents, even to the point of being a heritor of actual mental problems or issues of one's parents or even absence thereof.

This is the basis of modern jewish "Psychology" who builds upon not of what is possible, but the "definitive". This largely impacts Karma and many people do get shaped accordingly in this way. The enemy programs people to actually reinforce and cause this thing. Many parents who are not aware of their flaws pass this down to their children. Satanic parents need to be open eyed in regards to this and let their children develop on their own. Give them the positive hereditary behaviors, and minimize negative impact.

Degeneration is part of nature and kicks in where labor stops, or forces of life become weak. The same goes for the body and the Soul. While spiritual labor feeds the Soul, physical labor feeds the body. There is also practice that feeds both, such as Kundalini or Hatha Yoga.

As for Race, a Race can be easily understood by the term labor. Evolution is not mere evolution, is labor. All organisms strive to become better and evolve into being better. If they don't, then too bad, they are blotted out. Successive labor to breed, spiritually evolve, physically work and labor into becoming better, pays off and largely builds a Race through the family. Races that haven't really labored on themselves and are on a lower level of development, this shows in the product of the so called Race. The nature timelines of evolution almost tie into this. While the Gods handed the spiritual information to advance, they never stated anything about anyone being "Equal" and they have been definite by their actions in showing the Racial specifications, that most people knew already in the Ancient times and respected. Distinctions apply, and individuals can vary. However, there is a common form that is formed which is largely the Race.

With the recent of the enemy teachings, everyone is entitled to everything, so everyone is lost and nobody knows where they are "really". Dumbos are told that they are Pharaohs from outer space, debilitated idiots are actually Rocket Scientists and people who read the book "The Secret" are actually the next spiritual gurus of love and awakening that will save humanity. The enemy of course laughs at all of this, as they themselves know the truth on what's up. Do you feel bad about sucking spiritually? No problem, you can be an "Indigo Child" or "An Angelic Incarnation". Maybe you can also be a unicorn if the jews say so, too.

The enemy jew was the only one that preached to humanity that labor is not necessary at all, and that everything happens by "Chance" and coincidence, or other notions such as vain "Entitlement". These are the main weapons of their program. They also preach lack of knowledge and retardation as loved values. This way they themselves can apply the natural laws, while others die like slaves and blind victims that never knew. All spiritual advanced people, for better or for worse, know how DANGEROUS this thing is. This is VERY dangerous and most people cannot really comprehend this. Meditation is about reality, or let's say, ultimate reality- the reality in reality. Truth in Truth.

Needless to say, this is deplorable and this kind of bizarre, psychopathic thinking IS \*NOT\* a part of Satanism. Satanism is literally, Satya-Nism. Truth-ism. Spiritual Truth seeking. We follow the paradigm of Satan/Shiva, in the Sananta Dharma, or the Path of Truth and Light. Satan is a being of Truth and this is why he trusts in that humanity can deal with its own problems and gives us limitless power to move into this direction. This is how one becomes a God. In Satanism we must seek Truth and Realism in order to be able to ACTUALLY advance. If one thinks of themselves as a perfect unicorn, they cannot advance, and the enemy knows this.

This is why the enemy pushes into the brains of all Races, that they are "Super spiritually advanced" but yet only poor and repressed by others. Its always someone else, but the

person who is "suffering". This way, the suffering is reinforced and nothing really changes inside. When push comes to shove and there is the necessity of the physical expression of this so called "Advancement" one just hears ghetto gibberish and 'muh feels'. In plain, LIES. This is the recipe of Abrahamism and the enemy. They distort the universal and eternal laws of Nature, while they themselves try to severely and manically follow them to better themselves. The enemy in this way keeps Races from actually advancing. A

Actuality is actuality and reality is reality, no matter if humans choose to deny. The enemy makes others deny while they themselves accept these laws entirely and maniacally.

One just observes the outcomes, creations, problems and the info they have in front of them, and they can understand. For the rest of those that deny reality, they are retarded and the jews laugh at them. Races are Labor, who one is is labor, conscious or unconscious labor. People who have good children, or strong families that have withstood the test of time and strife, remain and stuck with their own etc, are rewarded by nature and the list goes. People that transgress the laws of nature are equally punished. This doesn't have to rhyme with our own present understanding of "ethics" or other type of garbage.

We can either choose to follow nature's dictates, or we can perish and this is it. Nature cares as far as to show us the way. The Gods have cared enough to give us the means that would speed intensively the pattern of our evolution. This is why Shiva (Who is Satan) is said to have taught Humanity to be "un-affected" by Karma and to be able to rise above it. This can only be done by spiritual practice as this is the nature of reality. If people don't follow, then this is a retardation and an offence and they will have to pay- not of any other reason by by the laws of nature. In the same way nature benefits, helps, heals and advances or brings bliss, her laws (understood and whatnot) are in many ways definitive and one has to follow in order to be able to attain the freedom of change.

National Socialism represents the doctrine of betterment of society, reality, the Soul and the Spirit, here, now and in reality. The actual realization of one's gifts, powers, limitations, the creation of a big ideal and then, the faithfulness and labor in order to create this and surpass limitation through advancement. The only fundamental law is : Advance. The only rule one must follow is to follow life. The only route one can take is that of labor and upward movement. This way the Godman is bred who is the gift both to those that build these new Species of Humanity, and also to Humanity. When they will come, they will crown us as their creators by their beauty and defiance. That way Humanity will have an actual sense in eternal survival against a universe with merciless forces. And through reincarnation and advancement, Humanity will live ever greater. This is the symbol of Divine Inspiration for those who see themselves as Humans today, but want to see Humanity as Gods of themselves in one day.

But for this we must Labor, We must Advance, and We must Work my Comrades!

National Socialism is the only Truth, and is a Universal Truth, manifested here as a political ideology. It's not an ideology of any suffering or murder. It's an ideology of genuine love and the power to look in reality in the eyes, to follow the eternal cycle of the Swastika, which represents Nature Eternal. The mother Goddess Nature, the life giver and preserver of existence. This is why we keep talking and talking about Race. Through this route Humanity will finally be freed from the shackles of ignorance, bondage and deceit and Races will finally be able to ascend into an ascended evolutionary state of existence.

## [Dealing With Astral Entities - The Serpent - Part 3](#)

### High Priest Hooded Cobra 666

Greetings to all our people and Comrades.

Now I am totally aware this is treading on some waters and it might strike as "not normal" for many, because there are many lies and cultural indoctrinations, also many lies by the enemy in regards to the Serpent. What I will do is just relate the fundamentals as to debunk certain myths that lead people into serious misunderstandings and failures in regards to the Serpent. This will also unavoidably go against other myths that have been purposefully created around in order for certain individuals to make themselves Divas in front of other people. This is especially True amongst many practitioners of the East and many others, who claim things highly questionable and just make this seem like unicorn hunting indeed. I will try to make the middle route and relate what is for sure. As for the rest of stuff, people can find out by personal experience.

While advancement in the Serpent is one of the most great shows of spiritual

advancement and the list goes, and it should be the aim of all spiritual Satanists (DEFACTO), there are other things that need to be cleared out in order to get a clear view in regards to the Serpent, and what it does, what it is, what can be done etc, what are the 'limitations', how they can be surpassed etc. Also, people always need to take their OWN considerations and experiences in regards to this. I just merely have to debunk these self claimed "gurus" who, "Risen" or not, require a following and preach without doing, dumb people to deceive and the list goes. In other words, plain charlatans who blaspheme Satan's Serpent and what it does. This is very much the method of the enemy in making the whole thing seem like something its not.

First of all I have to debunk the "Harry Potter mode" which is the expectations many people have from the Serpent. Somehow, many people, consider that the Serpent is some sort of entity that when raised, all one's life problems go away, everything goes perfect, you get all you ever desired, things fall from the sky magically, you suddenly go to the Astral, all your hang-ups disappear, you can fly to Orion and get back, and the list goes. While this is partially True, this is not the whole Truth. While the leaps made by progress and advancement of the Serpent can be like this (especially if one's Soul can take it after many years of practice) this is not always the case. Yes, to a normal person many of the Serpent abilities can seem like Godlike, or otherworldly. There is more into it. This is what pushes many people to want to push it with the Serpent. This is the dialectic of the enemy that once this is raise, like a magical wand, you can chill with the Gods, attain so called "equality" with them or that you become equal to them or some other garbage. This is not the case and anyone with a decent understanding can figure this out. Nothing in nature is created equal.

The most accurate way to understand the Serpent is as an energy of consciousness that is amplifying. The more one's body can gauge, the more it can take. The more it can take, the more it can do with this. The more it can take and gauge inside, the bigger become the powers of creation within a person. Creation as quantum mechanics show and we have scientifically discovered, largely has to do with the Consciousness projected onto forces of the universe, which then manifest as matters. Everything is sound and vibration. The more upgraded is the body and the system, and the more this natural energy and fills one like a battery, the more this ability to "create" increases. It revitalizes, empowers and advances whatever it touches.

This is the creative force of the Universe, and also, "God". "God" is nothing more than the creation and destruction principle. In plain, NATURE in this case, or as people call it rightfully, MOTHER nature. The same creative principle of Nature, the Divine Mother, is actually inherent here. The representation of this is represented by the Serpent. This is a generic term. Satan in the same way, like all other beings in existence, was created by this spark of creation (which evolves all living species that are alive, from bacteria, to Humans, to every living being), which is this certain and particular energy- in plain "God" in this sense as in "the first creator". It takes billions of years for species to go from bacteria, to finalization into a human being, and the list goes, and there are infinite outcomes on how much they can turn out to be. The message of life is to keep life alive, going and evolving. For the things that can't be put in words, its better they aren't, as we

will disgrace their meaning. But let's hope that along these lines, these are understood.

When one is given birth, the purpose is to “awaken god” inside, and then advance on this force of evolution the self. One then becomes “higher” than God which sort of on its own is an energy. This energy is internalized and one becomes “God” themselves and consciously. The "mother" or "creative principle" is then attained and re-connected. This is the “Unity with God” and this is achieved through the Serpent. Satan is Higher than "God", as "God" is in his bidding and usage. This is the myth of Shiva, that is born but then understands reality, and therefore can understand, negate and control the "laws" of Nature, plus the "given" direction by nature, which is "Karma". This is the teaching of establishing control onto what once controlled the practitioner. As for the energy itself, a good name, can be living potentiality (?). It can be used for creation or destruction equally.

This is why Satan even in the enemy texts, is called 'The greatest angel of God'. This is not literal in that he was "created" by any space jew Thoughtform, but it just means the ascended ones actually are advanced in the use, power and understanding of this very energy. With "God", all is possible. Lilith is equally slandered as the Wife of Satan who is the mother of Humanity, but the enemy hides this in many of their texts, in order to

hide the root of religion which is actually, a two sided Paganism. God and Goddess must become "One" in order for them to become "God". The very same goes for the parts of the Soul, the Ida and the Pigala. The Serpent also personifies the "Child" or the Second Birth, as thus the shedding of skin and it personifying the hermaphrodite element. This is why Satan in the "bible" affirms himself higher than "God". Because he is, was and will forever be. In all the Ancient Texts, the Gods are in the one's who command "God" or this particular energy.

In the same way, the Kundalini energy makes things grow, improve and advance. This energy can be indeed be painful and a very big strife to raise, and for the weak it can crush them, this is why its very important for people to have broken all their blockages and flaws before proceeding in pushing this energy upwards. Even the Egyptians talked about this. If this force touches hang-ups, mental issues, unstable mental grounds, incessant fears and the list goes, the same growth will be created on this. If it touches a golden mind and Soul, the growth will be similar. This is why its important people clean their "garbage" before they proceed. This is why I put emphasis on delusion and stuff on the other message. All desires to delude one's self, or to achieve power without wisdom, or to leave hang-ups hanging around, can be amplified. The nature of this energy is to not leave any of these "around" and it will almost violently try to break through these, which will eventually lead people to create a soap land or just guide themselves into failure.

This is the "One God" and the "One God" being a kike, is a rip-off from the context of this energy. The jews are trying to pretend they are the "Gods" because they "Create and Destroy" similarly to this energy. When one awakens, raises and achieves this energy, they can too become "God" or in other words, partake in the use of this energy for creational or destructive purposes. The active and the passive parts of the Soul unite, which allows creation with this particular energy. As the enemy claims openly, the achievement of this energy is the most threatening thing to their agenda, while they themselves really. It expands, empowers and evolves, all of which the enemy jews do

\*NOT\* want Humanity to have in any way. Why they do this is openly claimed by them: Because they are an alien species in war with the Human species, meant to enslave and destroy us. The enemy alien hive banished and attacked this power of Humanity, as to halten its advance and destroy it.

The most important thing is to know, that even "without" the Serpent one can really become an exceptionally powerful Siddha. The bioelectricity or life energy in itself, or the Sexual energy, is enough for this. This is how many martial artists sever boulders in half. The Serpent will just make everything even more powerful and alive. This is its role. It builds, advances and evolves the grounds upon which its activated. Another lie in regards to the Serpent is that it creates "All Knowing" in that people think they can know everything, or do anything etc. The Truth is, that even after one raises the Serpent, they still have to advance. The hard thing to explain, is that while everything can be made possible with it, it doesn't mean that upon its rising, everything is miraculously possible. It takes time, persistence and growth, and above all, KNOWLEDGE. The Serpent increases the capability of all of that, and brings the spiritual labors one takes, into a whole new level of effectiveness. The Serpent is by itself given by Satan to Humanity in order to hasten its evolutionary process and its process to perfection. I repeat, hasten. Its not a magical button that one presses and poof they are on cloud 9. It is not a magical genie that many want to make it to seem, but its powers are unlike anything else.

Many people want easy solutions for everything and this is placed upon the Serpent, or they think they will become the Super Saiyan from television that is supposed to fly and levitate on the first day. While the energy compared to "normal" energy can be catapulting, there is more into it. Again the myth of "No labor" and holocaust potter of secrets is perpetrated.

In plain words, what many people mistranslate of what I say, I will put simply. If you are

WEAK and you are not dealing with improving on your weak spots, don't expect the Serpent to come like a magic wand and make you suddenly the hulk hogan of spirituality. All weaklings like to believe that with the push of a button, they will suddenly swing into a state of existence where they are all powerful over others, everything will kiss their nasty feet and the list goes on. The jew has carefully instigated this myth which is also the myth behind drugs. Many naive new people who have read texts of people around and questionable sources, believe this to be the case.

It doesn't mean that you will never have to study or do anything anymore, either. Many people want to escape from "Trying" and "Working" on things, just because this is what the lazy ass jewish system promotes as genie solutions, There is nothing bad with working, laboring, creating, learning and surpassing obstacles. Indeed, this is the reason of living and the manifestor of evolving. Even the kikes know this opposite thinking is an outrageous lie and deception, which they push on the masses to never do shit with their existence. Well, it probably is not. You will have to be something close to being your own spiritual hulk hogan before. Then, it comes and slowly evolves you further into the path of spiritual hulk-hoganism of multiplied progress and strength. It amplifies you.

Now to see something even more obvious. In Norse Mythology, we have the Yggdrasil which is actually a shape of the Soul. The Eagle/Hawk sits on the top of the World. The Eagle/Hawk was chosen by Adolf Hitler to personify the Reich. The highest state of Human development, the Crown chakra that is open and fully functional. The "Serpent" must be snatched by the Eagle/Hawk on the Crown and must be brought on the "Top of the World", to rise the path of Yggdrasil. This is the symbol of the Eagle catching snakes in emblems.

One guru when talking in regards to advancement that it can be like a trampoline effect. He was entirely right. The Serpent can be like a trampoline. While the energy of the body and the Astral body can be dramatically increased by the rising of the energy, that doesn't necessarily mean this raises wisdom, or makes one intelligent, or that they will get the muscles of hulk hogan, unless there is a healthy basis for this. Imagine this like you are

on a trampoline and you jump in order to see what lies past beyond the a wall. Beyond this wall is enlightenment. The Serpent is sort of like what raises you high enough to see beyond the wall, but the purpose is to finally overcome the wall. It can raise you high, but you have to successfully cross the wall and finally be able to do what you are supposed to do.

Energy, maturity, wisdom and knowledge, must all come hand in hand and must be balanced. This ongoing struggle does not end with the rising of the Serpent, and NEITHER SHOULD IT. An imbalance in any of these places will just have the adjusting outcomes. Using the trampoline to get into outerspace shouldn't amaze anyone. What matters is one achieves the goal of finally awakening their Spiritual self and actual power.

Now make no mistake, the using, rapid advances and anything else made with the Serpent can be potentially painful sometimes, like a spike in one's bioelectricity. This is the same on how the presence of Demons and Gods can actually make one feel pain or rushes of energy for days after contact, especially when they are new. There are certain stages of advancement that can indeed be "painful" if one has blockages. If they don't, the whole process should be empowering, and generally smooth, but this is not always the case. In many texts the Serpent is called the Dragon Of Chaos for a reason. If the mind is cluttered and is unclean, it will make it bad. There are people who by accident or by misusing meditation will arouse the Serpent and not have the desired outcomes. This is why we are telling newbies to strive for balance and steady steps, and gradually go with the flow. Many people see the tree but they don't see the forest. Power is one aspect of everything. Let's say one has a broken car and they put the strongest engine and rocket fuel on it and turn it on... If the car is not in a good condition, it will just break down. And then of what use is the engine, the driver and anyone else.

Though rest reassured, Satan our Creator has thought about this too. Before one proceed with the actual Serpent, they are to awaken the Sexual energy and make it rise, which has (almost) the same effects with the Kundalini energy. The sexual energy in itself and its control can make people do miraculous feats. Its an energy of growth, unites the Soul and actually, does everything the Serpent itself does in order to prepare the Soul with the necessary buildup until more and more of the Kundalini energy can flow. This reassures people can build powers, Siddhis and everything else. When the Soul is united with the forces of the Serpent, all the powers can rise, all the powers can amplify and everything else. In other words, one can grow insanely powerful by control of this force.

Then slowly, the similar but stronger Kundalini energy will come up gradually and later. It doesn't need to be forced, and all bodies need to be caught up. One must steadily and ambitiously work towards this goal and feverishly. One has to aim to succeed and not just puff their ego about it. Success is what's important here. Imagine this as amplified sexual energy. Like sexual energy, this is live and conscious. Many people mistake the Sexual energy for the actual Serpent. While they are co-bound and co-operational, and almost the same, the intensity is different. The Sexual energy has to be risen and mastered first before the Kundalini kicks in. The Kundalini has to do with understanding of the Natural

laws of the universe. The Risen Masters of the Pagan civilizations co-created civilization with understanding and on the basis of these eternal and irrefutable laws.

In short, you still have to work, do magick and everything. Its just that with amplified powers this can be far easier than before and as one goes, they can advance past of the point of having to strive as much. However, I repeat, this is not a magical genie, it doesn't mean one instantly becomes all knowing, it doesn't even more one is an actual, immortal God, it doesn't even mean one cannot descend back to a state of decay. It must be actively cultivated, kept up etc, and one has to reach checkpoints to get the whole system to adjust and make the energies become permanent and fix. The "all knowing suddenly" fake hoax and pill was stolen from the initiated state of Gnosis or Samadhi, upon which one drifts into a deep realization of the cosmos, themselves and reality in general. Its beyond intellectual and emotional knowledge, but emotional and intellectual knowledge are the decoders of this state which make the "infinite" capability of this understanding, manifest physically. This can't really be explained in any simpler way than this.

Now as for the "age" or "when" this is supposed to happen, there is no defining age or time, at all. This would depend on the Natal chart, past lifetime condition, physical condition, work put in meditations and everything else. People who have advanced in this regard in their past lives, can have faster progress. Power in itself that is "Above the ordinary" in this life can be traced back to strong and powerful bloodlines, a strong and advanced Soul into this energy etc. This is imprinted in the actual Soul and when one reincarnates, part of this is carried with one, same as the general condition of the Soul/Consciousness at the point of reincarnation. When one re-awakens the Serpent, they can proceed further. The power one has is not to be taken for granted as Serpent energy, it could be discipline from other things, like yoga and advancement, which works around the clock in the same way. Tie this into what was conversated in the part 2. In simple terms, more life, the better. Less life, frailer, weaker, etc etc.

The other hoax going around is that somehow, "someone has to be deemed worthy" by some external Source to have been granted the Serpent. This is not True...In a sense. While in one sense, the knowledge in regards to this is given by the Gods and close contact with them, they key to everything is knowledge. You don't need to be "graced" or something like this, as the enemy states to build this hoax around the Serpent so nobody advances. You don't have to whip yourself in the ass for a million times, to receive "mercy" from the jewish thoughform, or Archangel Kike-nael in order to advance. It doesn't have to do with if one is a "bad" or "good" person either. It only has to do with the amount of labor one puts in meditation, persistency, ability to "take it" and the ability of one to deal with it. This is the whole "judgment" and it's not really "ethical" as the enemy claims on how much bible you follow, or how many degenerate mimicking of "mother Teresa" you did in order to attain "grace". One other hoax is that the Serpent must happen in a very particular way. While some rules are followed, this is not always a necessity. This adjusts on one's personality and everything else. Lack of expectations is the best route one can take. The only key is to ADVANCE SPIRITUALLY.

Another large hoax in regards to the Serpent is that people understand the "Non Duality"

of existence. This is a spiritual concept of understanding the creation and destruction of nature. While people understand this internal and spiritual concept, that doesn't mean all the crap like the enemy says that "All is one" and pushes communism and pacifism behind all this nefarious crap, or that "All Races must be assimilated because we are 'one' anyway". It also doesn't mean that there is "One God" and "One Unity" or "One brain" that controls and has everything under its control, either. The jews want to pose as this, but remember, they are \*NOT\* in reality. Its a massive hoax. In a world where nobody else can do anything spiritual, of course, they are the "one authority" . The fact that there are beings with whom we are "partaking" into the same physical plane or place, doesn't mean we are all "one" or all from the same "root".

In the same stupid fashion, one should "become one" with feces and garbage, or deadly parasites and die. Oh wait, nobody wants this, do they? Because this is not the case of existing in general and it's a blatant, hardcore, lie. One doesn't mean assimilated into one big clump, as the enemy states over and over again to dumb-ify the masses. The enemy throws dust into the eyes of people that they will "understand" this crap and in order to pacify people who make it to some level, they preach the "peace and love" crap in order to hide their nefarious agenda and alien parasitic existence. "Love for all" is analogically nefarious and deadly as "hate for all". It's the same imbalance and insanity, in a better cloak.

As for how the Serpent links with Ancestry, this has to do with the Race, family etc. This also ties into to the alien jews, and how they too themselves have some sort of "Serpent" but is not in any way related to Satan, in any way, shape or form, as they are not his offspring. Races that are largely spiritually advanced, family lines that have been practitioners and the list goes, do also tie into this. As thus the Pagan obsession with family lines. This is why all Ancient Civilizations had castes of people, and not because they were "Racist". Its just that for the betterment of civilization, the people who labored themselves in spiritual advancement, had to marry with others who did this, for the betterment of civilization. Even the enemy practices it now. This is why we have "King families" and all these things. However, the case of Spiritual evolution doesn't really exist as of late, but only the economic differences. In plain, no real Aristocracy of old.

Another myth that needs to be debunked, is in regards to the kikes being inferior or the other retarded circulated myth that they don't have any spiritual power. While this is sort of accurate in that Satanists and awakened Gentiles are far more powerful, and even they themselves know it, this doesn't mean anything on its own. If millions of fleas feast on a lion, it will die and that is for sure. While they may be inferior to Gentiles in many, many

ways, one has to be a realist and look at reality. Just look the damn around and not in your own head. They are destructive, they are parasites and they are deadly. They have put a whole planet in chains, at least they did completely at some point. Whomever is stupid and underestimates them, or lives in soap land that they think that with the wave of the hand, or "alone" they will make this go, sorry, but once again I come with a pin to burst your delusional bubble in order to make you actually effective in this struggle as we \*ALL\* are OBLIGATED to be. If we are not, bye bye Humanity. We need all the forces we have available, all the powers and wisdom we can muster, and we need to be united and relentless if we want to make it and free Humanity. People who are retarded and overly estimate themselves on no grounds, should ask themselves of something simple. Leave baseless feeling aside and grow up for a second.

Let's say there was only one person in the world like that.

How much would they be able to "Create" on their own? Would the Pyramids be possible or anything great that well over-extends the powers of "one" person? Humanity is powerful in unities with strong persons and the enemy knows this too. This is the Brotherhood of the Serpent. One understands after a point that there is no point in this useless loneliness and division that makes many people think in these unfruitful ways. Only then can great things can be created. The enemy works on active division of people into one hand, as hyper-individualism, while on the other, they promote assimilation of humanity into "oneness" and a large feces or garbage equality without any order. Capitalism and Communism should ring a bell. Both methods of approach do result in absolutely no outcome and fail miserably to achieve anything long lasting. The Satanic Gods taught humanity the art of civilization in order to advance themselves.

They didn't plant people in mountains to emphasize on senseless hyper individualism, neither they created everyone in "one" slaver mass. Even the countless and infinite multitudes of the Natal Charts can show this evidently. One person is good in art, one is good in fighting, one is good in music, the list goes. All these people put their talents together and they make something that surpasses what every one of them alone could create. The enemy follows a strict, working, caste system, where everyone gives the power bestowed to them by nature and this is in mimicking the old system. This gets stuff done and advances EVERYONE. With that related to the Serpent, everyone becomes amplified and stronger, and as thus, the whole of civilization advances. The collective hatred and attacks on the Serpent, do in turn, attack civilization in general, which is advanced by the Serpent of Satan. The people advance, the civilizations advance. The people stagnate, the civilizations stagnate. The people de-evolve, the civilizations de-evolve. Racial mixing and bastardization causes and amplifies issues in this. The further one advances spiritually, the more one is meta-genetically purified. This has an impact on the physical existence, the mental existence and all planes one exists.

Satan is the Master Civilizer and he is the original "Mason God" that was worshipped as the "Architect" before the stupid Shilluminati of the Jews took over the original one. The Serpent and the realization of creative capability was the capstone of the Masonry, that made people aware of the laws of nature, and as thus, able co-creators in the side of "God", as "Gods" and potential "Equals" with Gods (in the ability to create like them).

With these being stated, there are always exceptions in the rules and for this also ties in the natal chart and as stated, the general condition of persons, families and Souls, Races, Ancestral past and the list goes. What we had to explore was the general middle line in this all. The Serpent of Satan is the key to infinity and the key to finalizing Satan's Work on Humanity.

## Dealing with Astral Entities - Karma - Part 4 (1/2)

**By High Priest Hooded Cobra 666**

Greetings to all our People and Comrades.

This is part one of the matter in the series. I have not forgotten the requests made in the other parts of these series. These will be conversated about when the time has come as they need to be explained aside other things. Now that knowledge comes from Satan, so it doesn't have a copyproof, but an existential right. Those who desecrate this knowledge will be met with the eventual rotting and disasters this action does. No "tomb raider" ended sane. Without further due, let's continue.

This time we are going to cover on the topic of "Karma". Contrary to the preachings of the enemy, the "Karma" is one of the least understood concepts. They do this on purpose.

The enemy has purposefully lied and totally misdirected people in regards to what "Karma" is, and thanks to lack of knowledge in regards to Spirituality and Astrology that both unveil "Karma", people are slavishly ignorant in regards to this concept. The enemy of course lies to people that "Their life is the outcome of how good Goyim" they have been, or that "They will be punished in the afterlife for disobeying the Jewish "God", or that "What they do to others will be done against them threefold" and the list goes endless. "Karma" we can define as a set of forces that guides personal life.

Let's focus on the personal realm first so when this easier matter is understood, we can explain the more difficult matters. What is accurate of "Karma" is the term "residue". Now this is a tricky word. For those of you who know of Spirituality, you can easily figure out what this term means.

The Soul, or the individual essence reincarnates over lifetimes and changes bodies. However, this a very simplistic and definitely does not have to obey to stupid buddhist or other rules.

Karma is neither "good" or "bad". Its better desired by humans that Karma is not "suffering" but suffering in itself is not always "bad". What matters is the Purpose. The Cosmic Mandate for all beings is for them to explore themselves and understand "what is why they exist".

Let's say one is to have a surgery that will save their life. Now, this is "painful" and may also be "bad". However, the surgery can be life saving. On the other hand, one drug addict does drugs and "feels good" while doing these. Their lives will shortly be ruined. "Good or Bad" is not how one should approach "Karma" in anyway. Nature doesn't reason it that way.

This why is existential and not opinion based. Now, people have lost the language of understanding and translation, so everything has fallen into a total materialism. Karma is

also not always pletted with gold. There is a Saturn (Responsibility, reality, limitations), there is a Jupiter ("good" influences, expansion), there is Neptune (unknown, "otherworldly"), Uranus (the un-perceivable by the Human understanding as it is now).

The list goes on. These influences are observed everywhere. From the animal kingdom, to existence in itself. Nature and its all-intelligence talk to us all the time, but the enemy has removed the "ears" and "eyes" of Humanity.

One's Karma can be "good" or happy, one may be entirely sound, but their life of existence may be a complete prison, such as in the case of a billionaire who spent their whole existence without any insight into existence, but was a passer-by in "joy and pleasure" and just that. One for instance can be a murderer or a drug addict, spend all their lives in crime, doing the worst things imaginable, and waste their lifetime, filled with "suffering". One is obviously more desirable and pleasant than the other, yet...For both the outcome is the same.

Nobody advanced or went forward spiritually. The enemy is solely advancing "matter" and "materialism" because this exact, without spiritual insight, will make everyone be "bluffed" into wasting their lives in ever-"newer" places of confusion, destruction, humiliation and spiritual dilatation. Nobody advances or evolves that way, and the enemy is therefore allowed to continue their slaver order which thrives upon spiritual ignorance.

All these "Karma Rules" were made merely to exercise fear over the unknowing people, so that the enemy can control them. As arrayed in my other book, the enemy wants to keep Humanity eternally locked on the "Rota", which is the "TORA" in an anagram, which is the name of the Hebrew Book of the "Old Testament"- Torah. "Rota" means wheel. This is the "Cyclical flow of life" upon which, everyone repeats their lifetimes until the Soul has dissipated through lack of meditation back into the Aether.

In the "Rotar" there is no advancement, everything, now and forever, stays the same. The enemy programs all talk in regards to how one must "Dissipate" and "Let go" into the "infinite" and stop existing, since existence is mundane and non-sense. They create the physical life of people in accordance to the same exact deal. Buddhism, Christianity, Islam, all preach the same.

This is the literal death of the Soul. The enemy kills every ability of Humanity to advance and "evolve" into the next stage of its existence. And no, digital "virtual reality" girlfriends, jello lampshades, trips to the moon with a spaceship by 2050, will not change this fact. They will just keep prolonging this eternal suffering that humanity is undergoing from being kept from its evolution. Only the sufferers will be in a different "place".

As far as personal Karma goes, one can see this in Astrology. Especially in many charts, one will see their chart, and if the astrologer that assists the person is experienced or one has enough knowledge, they can see all the life of "normal" people on paper. By "Normal" we mean spiritually non-awakened people. To be fairly simple, Karma is the

energies that are "Set" at the time of birth that define one's relationship with existence. These can be better and worse. When the enemy is posed with questions, nobody can really answer. Those who have bad charts, why do they have bad charts? Those that hit the top, why does that happen? For all questions that the enemy does not want to answer, they just call it "luck and chance". Satan knows better and relates the Truth, however.

In one other sermon of these series, I have explained how what we can call as "Racial Karma" works. Races are LABOR, and this is also physical and metaphysical. Through the process of evolution, Human beings, according to the universal blueprint, they reach a point of evolution, where their genetics become as advanced as to own a "Soul". Satan helped us evolve to this point of existence by creating us with such genetics. However, nobody is created equal.

In this case, the offspring has one "first" birth, that is purely the choice of their parents. This is nothing bad or wrong in itself. One has a "First lifetime" upon which they exist. Now, at this point, the parents made the choice as "original creators" and one takes shape and form. One doesn't reincarnate, one is just being born. After this lifetime, one can start to reincarnate and one accumulates experiences and "karma" in accordance to this. In their first incarnation, one shares the "Karma" of their parents, their parents being their literal creators in the physical and metaphysical sense. From there on when one reincarnates, one again regains "Karma" from their "Parents", but one can be reincarnated as a Soul. The "parents"(or even absence thereof) can and will affect the child, for better or for worse, and shape a major part of the person's psychology, anyhow.

This is the deterministic part of nature, that is not really deterministic, just natural. The enemy twisted and perverted this into insanity, and used this to feed their general "determinism" in their shitty understanding which is enforced to all Humanity. One can escape from this by development of the Soul, attentiveness and consciousness choice, and clear the good from the bad. One then becomes an actual individual. Most people never get through this process, and this is why they become just a blueprint of these influences. What I want to show through this, is that people share their own karma one on another, and this can be shown in Synastry in the inter-relations of this thing.

I think this is simply understood. This extends further to races, peoples, family lines, even countries and this has to do with individual physical and metaphysical development, knowledge on the behalf of the parents and the list goes. This is why there are "Royal" families and simpler families.

Even observed from a physical standby, those who have the slightest knowledge of psychology do know that the "parents" are a catalytic beginning in one's existence, Karma or life. Normally, people should be able to go "past" these problems, and just reap the benefits, however, the enemy has made a reality where you are exactly what your parents "made" you to be. This is because the Soul is cut off, so therefore, people have absolutely no touch on the "Karma". As the energies are "Set" or "Reincarnated" at the time of birth, so they remain through the life.

The planets take their turns (The planets symbolize the influences exerted upon forces that we call "Gods" in short terms) and one lives their lives accordingly. As people know, the planets correspond to Chakras. The Chakras link someone to the universe or existence. Physically speaking, these manifest here as the physical body. The "relation" between one and existence, also ties into "Karma". These "influences" have certain laws that can be understood by occultists and astrologers, or that may not be able to be "understood" completely.

To people who are locked on spiritual knockdown, they have made the theories of "Chance" and "Luck" so they can sleep at night. The fact that many things are "determined", by "choice" (even if one knows they choose or not) does not mean that anything is "Determined", as every force can be altered by another force. This is the teaching of Satan, who in the fable of Siva, was the first "God" to defeat the planets.

Normally, in a sane world, part of the battle that has to happen so that human beings can survive, there is a part where people have to survive and "conquer" these external influences. From this came the false-placed allegory of "Man reigning over the Gods (meaning the Planets)" and all the forces of nature that keep us in strict control. This process can be hard, lengthy, and there are many things into it. This is done through meditation.

Whether people like it or not, or remember it or not, they do possess an astral body. The biggest joke the enemy has pushed on people, is the fact that there is "chance", "You only live once" and that everything is "coincidental". For any coincidence to happen, there have to be interacting forces, however. And for there to be forces, someone has to guide these forces. This is how "Karma" works.

Not all humans do possess an astral body, and one part of this body is actually the "Female" part, or on a lower level, the female mind. The female mind is responsible for heartbeat, and pretty much the billions of processes take place on the "Background" as one exists. It's also responsible for the metaphysical aspects of working one's existence. This mind can be "opened" and it can be "programmed" to a degree. This roughly below here can be the genetics, hypnosis or anything else of that nature, but these don't really explain the deeper essence of this. The deeper essence lies in what is called "The Soul". As I arrayed in another part, especially the Sermon on Reincarnation, there is interaction in all the parts of the "Soul" and the bodies.

So here we have the good and the bad news. I will start with the bad news. The Egyptian people have figured out as the Gods related to them, that CONSCIOUSNESS is everything. What's so important about CONSCIOUSNESS however? We can also call "CONSCIOUSNESS", as "ATTENTIVENESS". Attentiveness means the simple thing; I pay attention, as a conscious entity. This means, that one pays attention to what is happening "around" or "within". This insight, through meditation, gives insight and control over the "automatic" processes of the female part of the Soul or Mind, which directly tie into "Karma". If one does not attend on these, the Soul can actually wither away and die, and one's whole existence will be a programmed loop, until they stop

existing.

How this "Loop" will be defined, as I said above, unless external spiritual forces of conscious beings intervene, will be "As Fated" (as chosen by the other existences that brought them into birth in a semi-conscious act). The enemy is however angry in the fact that Satan, has given us the ability to be conscious. This involves advanced genetics, the third eye, the power to perceive, and higher intelligence than all the animals.

In simpler terms, if one is not conscious, their "Karma" will play exactly as it was programmed and forced by any forces at the time of their Birth etc. The "accumulation" of Karma, also manifests below here as addictions, good or bad dreams for better or for worse, relationships with others, with reality, with anything and everything. All this can be understood by attentiveness and astrology, at least in a personal level. Of course, the enemy breeds people systematically with an average IQ of 70, but this should not prohibit the seekers of Truth in having self-trust and investigating these matters.

With knowledge, everything can be known. Energy can be observed, and one can notice patterns. Astrology and all other means do shed "Light" into these darkened areas of existence. "Will" and "Energy" or what we know today as "Programming" can be tapped into and changed. Karma plays upon the Astral body and the higher realms, and manifests here below in the physical realm in other forms. One instance to help people understand this, is let's say someone with a first house Neptune. The person is generally disposed to be spiritually open and aware, to the point that the feelings can make one fragile and easy to break.

One's Karma can be observed through everywhere. It can be through the Eye of Satan (3rd eye) or Astrology, or clairvoyance. The "Karma" is stored in the Soul and blooms like a flower, for better or for worse, when the circumstances of the external world, and enough energy are applied.

In this current age we live in, without spirituality, the "spiritual" energy of Neptune will manifest in the "closer" route, which are the hallucinogenic drugs put here by the enemy. Therefore, one becomes a drug addict and they get destroyed, instead of advancing. This should also show how others, can affect each other's Karma. As I have related in all my work these years, the enemy is fully conscious of these things and they use these.

One "Karmic" event one can observe is that of an accident. An accident is called an accident because one loses attention, and they fall into an accident. This is a very simple way to understand why "attentiveness" is important. Now for the good news, as the mind can create the "good" or "bad" Karma, it has also the ability to master it, direct it and give one True Freedom away from this "Rotar". This is the essence of Satanism. The "Eye of Satan" is glorified because through this, one gets the insight into the Human Soul, or for more accurate saying, the higher dimension of existence, through which the "Karma" takes place, and can be altered down here, so that one is finally free. This is not easy at all, and this is the essence of real evolution. People nowadays don't really possess free will when it comes to any of this. They have the POTENTIAL of FREE WILL, given by

Satan.

Satan was not allowed to finish the Great Work upon Humanity, and therefore Humanity was not a "God". However, Satan and the Gods are here to guide everyone into this path if so they choose.

The lie of "Free Will" is perpetrated by the enemy on purpose to misguide humanity into thinking they are free. It's even proven by brain scanning, that the female part of the mind dominates most "Conscious" choices. This can be seen in how people involuntarily fall in love and everything else. This is not \*GOOD\* or \*BAD\* as a mechanism, what is bad is that the female mind is tempered by bad "Karma" and by the enemy subconscious programming, and people always make the wrong choices. This reeks into civilizations, households and relationships. This can be fixed. From this results what we know of "Suffering" and everything else. The solutions are meditation, attentiveness and knowledge that one has the potential to develop a free will. As thus, one escapes the "Rotar".

While Karma (as in the karma of one's whole life), for the exceptionally experienced people and Masters of Meditations, can be controlled through the Will and Conscious effort, one can just alter their Karma with simply, the spiritual means. As I stated above, all this manifests in the higher realms. One can see disease astrally, even tendencies and underlying problems, or gifts of all sorts. Karma has grades and depths. As one meditates, one raises "above" Karma, as their energies are becoming brighter and the brightness of the Soul ensures positive things.

This manifests in the Astral body as the "Tree of Life", which represents the Human Soul. In there, one can see the "branches" (nadis) and the "Vibrancy" (light of the Soul) of the tree, the vibration, one's existence, and the list goes endless. If one can water the tree and everything else, defines the Tree of "LIFE". Life doesn't always mean internal life, it also means external life. The same goes for the protection meditation. Will is finally exercised to take the "route set" by all other forces. One really starts to exist in a starting stage. One defends themselves from these negative influences and energies that the universe and other sources exert on somebody.

Cleaning the Soul has also the same effect. As for superior workings of guiding one's complete life, or "giant Karma", or anything like this- I am not obligated to extend further, but all I can say, is that this is the essence of Magick. Essentially, magick affects the "Karma". Things that would not "Normally" happen, "Can" happen. Anything is virtually possible, but that doesn't mean everything can be done with one's present power. This is why advancing in power is important. But one must first advance on insight. Be attentive.

One last note to close the Karma and the Personal Karma, is that actually, one can also affect "Karma" from the physical realm. One doesn't really reach the source of the problem, but the symptoms can be "Controlled" from below in some ways. One example here is one is sick, and they get a disease. They have a surgery and they "Remove" the

outcome of the disease. That is not pleasant and might have other outcomes, however, the real disease begun at the Soul and is rooted in the Karma.

So the disease might again re-surface in the future, or one may never heal and the list goes on. The Karma can be changed, as far as some things go, by one's personal choices and "Eksis", which Aristotle talked about. Simply, the life choices, and the "persistence"- or more simply, the habits one develops.

For instance, certain habits, produce certain outcomes. These can be understood by logic. One's "Karma" can adjust to these, as a liquid can attach to a new glass. For instance, one may have a very violent and warlike natal chart. Instead of one becoming an underdog murderer, they become a military personnel, a master martial artists, or whatever else of that nature. This can be manipulated from the physical realm, but the effects may not be permanent in the Soul, unless this is ingrained into the Soul by over-the counter "habitualization" of something.

In a simple paradigm, one follows a diet that makes them fatter. Soon, they will be turning into a whale. If the diet is stopped, and one changes it or exercises, the problem might disappear. One will not have to deal with the karma. This is where attentiveness and choice come into play, and they don't really need metaphysical means to be worked, unless one needs more serious means for that reason.

Another instance, is that someone meets with someone who is a horrific influence to them. For whatever reason, they continue association. This ends in disaster for one, or both parties. If only they used some intelligence to stop this (its not THAT easy in many ways, and sometime "Karma" is a pure brutalizer of "Free Will") one would stop this. One can still act on anything, just by mere intelligence. This is why the enemy attacks intelligence, natural common sense and does so spitefully. Intelligence on its own is a fundamental beginning in order for someone to be free. This is why the enemy pushes massive bastardization and retardation, amongst other nefarious purposes.

The best way to escape "Karma" is habitualizing the things one likes, and enforcing the matter from the spiritual realm as well, until the problem is blotted out and one reaches the desirable outcome. This can be easier or harder, depending on the depth of the ingrained "Karma" or "Residue" that exists therein.

One closing note: Your Karma does not have to do with how much jewish ass you have kissed, if you were a good Shabbos Goyim, or if you actually prayed to "Allah" the other day or not. However, these people play "Karma" and "God" by actively manipulating and attacking all others who are spiritually ignorant, so they think of them as "God" or "Sons of God". Physical means are also used, and this affects someone accordingly.

Karma can, and is actively being manipulated for the enemy. The naive enemy excrement gatekeepers say some things like "Oh, if you do bad theengz u gon be punished!" The jews have however went for thousands of years without and "punishment" whatsoever, other than some flack here and there. "Karma" can be redirected, and can be used against

others as well. Jews never payed for their Karma, but everyone else does. "God" is above "Karma" and "God" is anyone who knows and controls this principle. At least to others who do not know.

I hope this clears up the "Personal Karma" and how it works and the means people can work to correct these. The other piece will tie into the "larger" families of Karma, such as family Karma, Race Karma and the list goes.

## [Dealing With Astral Entities - Mass Karma - Part 4 \(2/2\)](#)

▣ Thu Nov 10, 2016 2:39 am

High Priest Hoodedcobra666

Greetings to all our People and Satanic Comrades.

For Short, I had to put "Dealing With Astral Entities" in DWAE.

How it is sometimes, is when you have something planned, always something pops, especially in our case which demands our total daily attention. This is because there is always much to do for Satan, and the Gods. This never ends.

Now this to examine a step deeper into Karma. As I have analyzed in the first part of the series, this will deal with the other part. I will call it "Massive" Karma as this deals with masses.

To make it easily understandable, let's say that Mass Karma is in many ways a sum up of individual Karma's. This is a very simplistic way to put it, but at least it can help us see the first thing that comes to categorization. For instance, the people affect each other's karma, in many ways. This is not only spiritual, this is also by many means physical and happens on the physical level. The root of this is metaphysical.

For instance when we have a relationship, we have a synastry chart forming. This shows some of the dynamics of the given relationship. Then we can extend this to the family, then to larger units of people, states, nations etc. The base of this, as with the individuals, is the Race. One of the reasons the jews want to mix Races is because they want to mix their "Karma". This is why many other Races who don't labor, see intermixing with other races with a better existence, as a 'saving' of their position.

This is because the enemy has forcibly removed the means of advancement, the Spiritual advancement, and the native culture that keeps people intact. I also want to clarify that I am NOT talking about petty tribalism. I just see three large races, and then the people who are in between. The message of this post is not to escalate into senseless confusion, as those who like to be offended might be.

A lot of people also form relationships, and the list goes. Karma is tied with personal action and choice. Let's take for example the Japanese. The Japanese of course are open to travellers, culturally loyal, and a very advanced and futuristic civilization, which in most ways is also crime-less. They have made a paradise for themselves. This has happened because of labor. Nobody gave them that. The same is the case everywhere.

The jew as everyone knows is a lazy parasite. This is why in most ways, jews always want slaves to work for them, emphasize slavery, or abuse others etc. This is just how they are. However, this is not the mentality to get anywhere in the longterm. This is why I

keep saying the jews don't really have a destiny. Where all Gentiles can reach by advancing, jews will never reach, because they are different. Others will, sooner or later, advance.

There are also many who mimic the jews, however, thinking this is a fast route to 'bettering' their condition. Instead of working on correcting anything, they literally ingest themselves into the "Karma" of another race, and get absorbed into their lands, tenets, or even gene-pool, all of which are generated by the Karma of these particular people/races/units. This is bad and doesn't really help neither the person on the receiving, or the giving side, in most ways. "Racism" in the negative and aggressive sense is the expression of a comeback for this thing. If things clash beyond a level, these units will literally fight.

There are four ways it can go. In the case one, people may fight it over. In the case two, people may peacefully co-exist, but without intermingling past a point, everyone develops on their pace under one flag (The USA could do this to save its ass). In case three, people may be assimilated into one clump or new race (both races lose in this process in all ways)- clashes, death and anguish are more than likely the result of this, same as longterm permanent destruction of everyone involved. In case four we have separated, healthy co-operation of sentient and highly advanced Races, and this is the ideal system the Gods follow. In the fourth instance, everyone is safe, sound, and advances their blueprint, while maintaining friendly relations/alliances of True spirit.

This also shows mutual respect, as one does not want to destroy the other by mixing them out of existence etc. Those who are produced by the in-between, become either a friendly race of their own, or just re-assimilate where they feel at home- in the given they do what they are supposed to do to keep up with the culture. (Jews and literal parasites NOT included).

However as all of us here know, most if not MOST gentiles have fell into victims as the jews have been using them like pawns. This pawn against this pawn, and so forth.

Instead, the symptoms of any defunct Karma are just 'hidden' and so they remain until the circumstances allow of what one 'is' to manifest. The same thing goes elsewhere.

For example the jews did not have the power to fully express who they are, which is what they write in the Talmud and in the rest of their cultural literature. When circumstances will allow, as they do now to an extent such as all the crimes they do, it will manifest. And if it does, it will be too late.

This is why civilizations with many races are collapsed/or naturally tend to never 'assimilate' in any way, and as you can see in the USA, many individual Races and such, are forming their own conditions of Karma in certain places. The jews of course are the misfortune which infact doesn't allow anything to come in its own terms. Let alone xianity and the related programs, who reinforce the worst in everyone. This is why you change neighborhoods, or states, and you see a completely different level of being, not

only economically wise, but in many other ways. This is a rough explanation as to the dynamics of this, but these are more complex.

To understand this easily, let's take a family. If everyone in the family has a good chart for wealth, is industrious etc, the family will more than likely prosper. You add one person with a disability let's say, the Karma changes. You add two people who are lazy, and this setbacks the others and the list goes. The jews, because they lie behind many of these problems by magickally and physically interfering with the Karma of all other people (Remember, they have taken the position of 'god' in the physical due to belief of the dumb), they literally wreck families, states and such alike. In the same way a negative, deadly and parasitic person is a heavy burden for any unit trying to advance, this is the same case here in families, countries, states and the like.

A jew is incapable of really producing civilization or anything else, but made by its foreign creator intelligent enough to understand the spoils of those superior, and of course demand them. If one falls on their level, the jews get into their countries, infecting them in a parasitic relation. This bleeds the victim dry. In the same way some people can help us advance, others mean our death, and this is in nature, and also natal charts and the list goes.

But let's observe the matter in reverse. We have one person who doesn't like washing. They literally love filth and garbage. You bring this person inside the person of a clean disposition, who do you think will "prevail". The cleaning person, or the defiling one? Defilement doesn't take absolutely any effort in nature. The downfall spiral happens by mere passivity. The upwards needs mental consciousness, activity and action. This is how nature is.

So what is the person with a clean disposition going to do? Clean the feces, garbage and excrement of the other person, who for any reason, loves defilement. How is this possible to convince the clean person to tolerate the dirty person, given this is unnatural to the fullest? Something like "Christianity" would be the answer here. Which is nothing but a program of tolerance of crap, misfortune, acceptance of death, victimization, with the ultimate purpose of weakening people down so that the parasitic jews can rule them. This opens the doors wide.

The uprising of the '3rd world' is nothing but the instigated "Karma" where the jews try to make others do what the jews have done, to use them in their agenda. Instead of the people be guided to elevate themselves, fix their national/racial Karma, become intelligent and advance, the jews tell them to migrate to the "West" which is a Paradise. And why is the West a paradise? Because other people have been building it, other than those coming. And of course this won't last forever in this condition if this was to continue, and this is exactly the jewish aim, who by their parasitic nature cannot devise creative solutions, but they in their parasitic death as a virus that has infected a body, will kill the body and then have no body to house it anymore.

Every lifeform has Karma. When lifeforms co-exist and co-advance, this creates a karma

for them. As explained above, this can turn even into countries, destinies of countries and the list goes. The Blood of a Race is actually a gateway to their spiritual purpose. As thus the Gods demand Racial States and the main Races to be separate from one another, as to meet their purpose accordingly and elevate on their own pace. The Blood is not some trivial matter. It shows a lot of things. New races can be created, that harbor and have the characteristics and mixed things of two or more races, but this recurring process causes not only confusion in the Karma, but also this manifests in many other ways as in people first and foremost feeling 'torn' between two parts of what they are. Ideally, they should choose and re-assimilate where they feel good.

Now why the Jews want to racemix people into ONE race, this should ring obvious. One Race will only have ONE karma- and ONE destiny. The Jews of course sum it up as such: To be slaves of the elect Jews. The race mixing agenda makes total sense spiritually, physically and in all levels. One who wants slaves would of course desire this for their 'cattle'. The Gods stand on the opposite direction, as they want the species of Humanity to advance, not return to being apes.

This is not what the Gods intended for Humanity. They created different Races with different purposes and reasons of existence, which are holy and known to them. These can be realized by meditation. You don't need to verbally know, but you will be able to feel it when you advance. When one advances, they will also understand this in more 'applicable' terms.

Nations and States as such, being like living entities on a large scale, they have their own Karma etc. For instance if you look at the USA, you can see all sorts of things. If you look in Europe, you will see 'stricter' Karma, or India, which is why the Jews want to dilute and destroy these people a lot. This makes the Jews scared, as Karma and a good Karma generates positive outcomes of a metaphysical, and physically uncontrollable nature. You can't really predict this. This has to do with the power of consciousness to materialize into the physical, conditions that represent it. The Jews want to abolish this, which is called witchcraft, but witchcraft is actually part of nature and it happens in many ways, not only a specific one.

But if you wipe out the bearer of it, the man, this will also be abolished. This is why the Jews don't tell anyone to advance in anyway spiritually. The war against Satan is purposeful. Satan is TRUTH. TRUTH in Greek means MEMORY. Memory means KARMA. This very Soul Memory that ties us to the Gods and our Ancestors, cannot really be understood with a deep meaning, except of bizarre 'theorems' or empty crap, or be forgotten completely. This makes the Jews laugh and feel they are approaching their own 'karmic purpose' which they have set as a goal- to enslave others. Don't ask me why. That's how the Jews see it.

First of all, your advancement 'saves' your family or even lot in a sense, and your ancestral line from all this recurring spiritual damage that many people have 'inherited'. This is in the astral body, and this passes down to children, who stand chances to no longer experience the negative karma such as bad health the ancestors have sown. Of

course this is not always intentional. In that sense, nobody is a 'victim' of anything deep down, as we belong as links without disconnection to our racial lines and the list goes.

Its our duty and its on our 'consciousness' to fix these up, so that the next one's will have it better, and the list goes endless, until a final product of man is produced that we presently cannot even conceive. Those who do more work, are better. Those who do less, are worse. This is why the Gods gave spiritual knowledge to \*ALL\* Gentiles. That way the Gods are JUST and from there on, its our own bussiness as creatures to see what we will do with this knowledge. Apply, or deny and rot?

This is the Godman, like Satan and the Gods. In that sense, all Races of Humanity need to reach that status, so that Humanity can advance towards the next level. This is done through the metaphysical means Satan and the Gods left behind, and not by injecting hormones or hooking internet chips in your brain. This is infact a karma of dependency, and inferior, and not a karma where the real secrets of life have been unlocked and given freely to humanity.

In a more gruesome sense, the jews are like a race of damaged, extremely race mixed, alien modified creatures. As such due to incapability to exist on hteir own, the ride the White men like parasites, so they exploit the White Man's Karma, that produced things like good civilizations, health, civilization and the list goes- the jews could never make this on their own, as they are not on any such level of development. Other Gentiles of course are great in this department, while others are learning, but the thing is for the jew, who is an alien enemy, to be revealed.

The jews are robbing the Karma of the Gentiles to advance themselves. For example, they have drained Africa completely financially, and mixed the Karma of the Black people with the White people forcibly, by creating not only Race Mixing, but many other works of insanity. These are extreme crimes and all higher beings who see this will not see it favorably. The Gods see it with hatred, as this goes against the will of Nature to advance its blueprints. The jews are accursed from nature for that reason, amongst many others. In the jewish tribe one sees mistakes, psychopathy, and disgust that is amassed for centuries. It didn't happen yesterday. Of course by masking, exploiting Gentile scientific advances, stealing, robbing, confusing and degradation of their 'enemy stock' the jews hope that just in time they will steal from us the necessary advances in order to become better, and dump us with it. This is why they live amongst us.

So as to get back to mass Karma, mass Karma is no different than how everyone has a pluto, a neptune and their generational planets or setups. Everyone has influences by these, and these are large. One powerful enough, can pierce through this, and create their individual life, or change this order. This is what we have been doing. In technical terms we are washing away of Humanity the inflicted karma caused by the enemy, and this will manifest also in a better world. This is the real meaning of the "Darkness" which will be defeated by the Light. The climax of Karma is where people control everything based on their true will, and not low animalistic rules of the cosmos. And by true will, I mean in the highest accordance with Satyan, Eternal Truth. Not rabbi shekelstein's new book that

masquerades as 'tru theory'.

In closing, spiritually speaking, loving one's people, wanting to preserve them, looking for a better future for them etc, is all very healthy and natural tendency, with deeply rooted spiritual foundations that deal with the purpose of existence as well. Again, this is not always verbal, and SATANISM is the exact religion of understanding this. This is why it is open to all Gentiles, so that everyone can reclaim the lost crown of freedom for themselves, those worthwhile, and in the end, so that everything else will be raised due to this massive, spiritual awakening.

Like the individual spirit transforms, so does the massive spirit. This is the most direct way to save "humanity", more than being vegan, going to church, or giving 6 trillion \$\$\$ to Shlomo Shekelstein for his campaign of "Tikkun Olam". To save one's self is the major step in saving the world. As thus the ripped off story of Jewsus being savior and rupturing others, deals to that, and we are again looking as OSIRIS- the bringer of the Light and defeater of Death. Only, not a jew ripped from Osiris holds the key to personal, or massive karma absolvance.

Only Work, spiritual ascention and spiritual labor, rewarded by the universe, do this. This way humanity can be saved massively from decay.

So help yourself.

## Dealing with Astral Entities: Past Life Memory and Race Soul

☐Sun Jun 04, 2017 10:00 am

Hoodedcobra666

Greetings to all our Family and Satanic People.

Well this deals with what the title says. I am writing this to clean up some particular things that may have people confused.

Many people when they learn about past lives, they become highly interested in such. Depending on the maturity of the person, they may look on what has come 'before' and see things ranging from Truth, to absolute delusion, to some truths mixed with lies, and so forth.

This is why I always advise people to actually work a lot spiritually before they do this process. This is because hangups, fears, insecurities, and wanting to fill one's self to compensate for lack of power and success in this life can subvert a person. The subconscious of the untrained person can be tricky, and filled with programmings that lead to this.

This is the reason many people who are new spiritually and are unfounded in observations, can suddenly say things like, if they are Mexican, that they were the Great Montezuma, or other people can say they were Lao Tzu, or "Me Wuz Napoleon" immediately. Now these things, sometimes have some reality in them, but I will explain what is going on to rectify the situation. But this cannot be explained before I explain some other things.

All races have a racial soul tree, so to say. This is like a massive pool of memories, understanding and spiritual roots, to simplify this. All members of a race are connected through this tree, as such, we have races and soul families. People who dabble and are spiritually inexperienced, can sometimes see delusion, PLUS things from this tree if they are open, and sometimes get into memories of such tree.

Others are caught in complete astral delusion and just see their own delusions. The power and SATAN has to rise in the soul (sense of understanding and wisdom) to see correctly. One should better of remove hangups, so that they are not trapped in false observation.

If someone is something very great, it will show up in the natal chart, in the life, in the wisdom, and everything else. It will be apparent in everything from a younger age. This is because this is carried from the past life, given as passed down from the Race Tree, or both these things. Normally, these go together. The more developed persons are in a fitting place in the race tree so to say.

Now, great men, women and souls in our racial tree, they are very influential in our racial unconscious. We are connected in a genetic level and soul tree with these people. So when we meditate, we find our 'roots' and start feeling this tree. This is why we get to feel and seek our ancestors when we become more conscious, so to say.

Some people are "RIGHT" that they are related to these great people, because they are. Now, the distance in the tree ranges, and of course, that doesn't imply that one \*IS\* that person.

In a sense, part of them, racially wise, is in them, and theirs in them, but only in the racial unconscious. As individual entities, people have their own future, so to say. If we meditate and advance, we also help and correct our Racial Tree, and uplift all of it's members. We are making space also for ourselves. This is on an astral level. Sometimes, people when they do past life regression, may see such powerful events that happened in the tree of their race, rather than their individual memories from a previous lifetime or such. This needs training.

From the above thing we have many unimportant people or young souls always saying they are 'Kangz', Pharaohs, or that they were Tesla in a past life. They belong to the race tree of this people, they WISH they were these people, and even that wish is actually a wish to point them to evolve THEMSELVES, and become better. They are observing, in short, a bright example.

Believing you're Tesla or an Apache helicopter, will not make you either. Therefore it's better to stop living in this subjective reality, because it keeps you back from your true potential. Additionally, the presence of a Tesla or an apache helicopter (lol) in your Race line, shows that you have the potential to get there. Let's not mix potential, with who we are in the present, and everything else.

All this fog is cleared by SATYAN - SATANAMA. The striving for Truth. When the soul leaves behind dross, hangups and crap, it starts to see the light and accept reality joyously. You don't have to be a movie star to advance, or someone 'famous'. Anyone can do this, and anyone can raise on higher levels. That's the awesome thing about this. Spirituality is open for those who are after it, so to say.

Generally, it's not that great to mix the race trees (let's call these soul families), because this causes internal spiritual confusion. This causes unexpected outcomes. This is not negative, but if done incessantly, can have bad effects many generations down the line. As such the stupid saying that the 'sons and daughters' pay the 'sins of their parents'. This is perverted allegory of the jews, to hide this very fact.

How one is today is tied into the effort of those that came before them and how they managed to handle their time, if they decided to materially or spiritually advance, and such. No matter where one is, one can evolve, advance, and continue existing until they reach the higher levels. The point of such is to advance.

You will feel this as a drawing towards a particular civilization/past so to say. It will attract you, and also it will be obvious in who you are, your temperament and so forth.

As explained before in the series, races have karma. To mix such karma can have strange, and unexpected effects. If we have a spiritual family, they produce spiritual children, and so forth. To disrupt this, can have any effects, with generations ranging from the bottom to whatever so to say. The whole process of rectifying and raising one's soul to a higher level can become a mess. People reincarnate into their race lines, to continue the process of spiritual advancing.

Lastly, see how bright individuals help their own people and the world in general, in more than one way. This is actually why we say that the true potential of a race is not in the retards of such, but in the people who made this EFFORT to get "UP THERE". Notably, the people in the high levels may have absolutely no relation with the fallen leaves and the rotten branches of a tree, so to say.

The whole point of these spiritual teachings are to keep the trees of our races clean, pure, strong, empowered, and to grow and become fruitful and plentiful. This was known to all Ancient civilizations, and actively practiced. This is how the individuals of the Golden Ages came to be. Because the trees were being cleaned, the rotten branches cut off, and the trees taken care of, so to say. One makes sure to always lift one's self and the their race soul by advancing.

When one does regression, they have to be skilled, and better be clean spiritually- having deprogrammed one's self from a need to see lies, and conditioned one's self, without guilt, to see facts. This helps one raise in power.

I hope this clears up this issue in regards to Past Life regression and the Race Spiritual Tree.

[Dealing with Astral Entities: On Dreams](#)

Postby [HP. Hoodedcobra666](#) » Tue Feb 13, 2018 9:07 am

There is a lot of in-depth knowledge that can be shared on dreams, but because of the enemy's interest in this craft, and also how even some jews like Freud and others who have attempted to decode and steal this knowledge, it has to be kept brief for the time being. In other words the enemy is just very thirsty to know about this matter as there is not much info around.

The dreams one experiences come in many levels. What level the dream corresponds to, one needs experience to understand, and spiritual insight. Depending on one's insight, one can also understand their dreams aside a level.

One example is how many people see dreams of the 'apocalypse'. This is because a lot of people are enforced in this meme and this scares the mind. This is a scenario of ultimate fear. This is why the enemy keeps using it, and all the catastrophe involved. This creates the ultimate feeling of PTSD and worry for the mind, so the more one delves on it, the more the mind becomes shattered. The brain possesses this as danger, and therefore attempts to live this scenario to be better prepared to deal with it in the walking life and to absorb the unimaginable shock of it. So for this reason people can dream this dream over and over, until they really believe it. This is the use of fear for those who are gullible. This is one level of the same dream, a very basic level.

Another level of it is simply a spiritual level, where the enemy enforces this dream with spiritual means. Dreams can come from external sources, not only internal sources, and how actual is the dream, one needs to have spiritual experience and an open consciousness to understand. Obviously many people don't know this, therefore they think it's 'Prophecy' or 'God' talking to them.

There are also many level of dreams in the sense, if one goes hungry to their bed, they may see that they are eating. This is a very common dream and happens for obvious reasons, the person is hungry. Sometimes a dream can have a mixed message, for example, one eats, but one eats in a specific way and conversations with one specific person. This dream can have a different meaning than simply eating.

Other dreams are also the dreams of sex. For example someone sees they have sex with a specific woman, or a person they do not like, or a person they like. If the person in their walking life desires this specific woman, this can mean many things, depending on the situation. In the situation where one is already intimate with the woman, this can be a push or an omen that something may happen in the future, or that they need to work in that direction. If one doesn't know the woman, it could be a woman that saw them this day and is strong and did obsess over them, or just a simple imagery that was conjured to satisfy the need for sex.

Dream analysis is like trying to analyze a web and it's a high spiritual practice that requires also realism and knowledge of Symbols. Symbols are the way through which our unconscious mind tries to communicate our Subconscious. Some dreams happen on one level that is higher, others on a lower. Most people see low level dreams. However some people are born with a spiritual gift (this is in the chart as well) and they can see omens, the future, and important

happenings, or tend to have more deep dreams than others. This can also come with an instinct on the dreams. People who had this power in the Middle Ages were exterminated, as this power can escalate into other powers. Dream Yoga goes into this, this can be turned into voluntarily dream astral projection etc.

This is why jews like Freud have completely failed on this interpretation, because their soul is lacking and it cannot explain anything deep on these matters. So Freud made all these bizarre theories that for a male to see their mother is because every Goyim wants to have sex with their mother. Again the jew projected his own mental issues and turmoil to other Gentiles. However this is not the case why Gentiles in most situations see these dreams. This is not the case the majority of the time, and such dreams are symbolic as well. Freud was just talking about the soul of their reptilian and jewish race.

Two people may see the same thing but for completely different reasons, because the souls are different. It's well known the jews are a race that is heavily, if not the most, inbred on the planet, so to see such a dream would have a different interpretation for a jew than for a Gentile. So this practice is quite common to them.

((Scientific)) Freud did this on purpose to create guilt and mental issues to Gentiles. Because the bible says it's sinful to do this, but o y vey, you dreamt about it anyway Goyim, so go repent to Jewsus now. The typical meme they always do. Lack of knowledge, fear and instilled complex is used to control the person. The same thing jews in every science they touch. It turns into the profit of the Talmud.

On the other hand, Carl Jung, who was a Gentile, had a better perspective and understanding of dreams. This is because with the eyes of his soul he was more capable to understand and decode these matters. While Freud approached these dreams as the little mind trying to 'do the forbidden' and all the rest of the jewish 'taboo bullshit' (remember jews come from a culture of intensive reptilian restriction), Jung approached dreams as an open way that the unconscious mind tries to let you know about something that is required for your path.

The same 'culture' that was enforced on the Pagan/Satanic Soul (As the jews admit) of Gentiles, is completely against to our nature and our creator (Satan). So our mind revolts consistently and tries to break these jewish imposed limitations. The Gentile Soul is different, and to impose a jewish system on it, creates mental illness and neurosy. Just look at your average Christian and you will see why. These people are broken on the inside.

In closing dreams are a very complex system of symbols. The more one grows the more they can understand these symbols, and also, there are levels of dreams. Modern psychoanalysis and dream analysis is a fraud, so people studying this need to be on high alert. Every person is their own soul and universe, especially when it comes to dreams, aside of a few things we share.

I will write on more specific examples in future posts, like dreams analyzed etc.

As stated by many, all Freud's work was.....was Freud's own autobiography even down to the obsession with incest. Freud was having an incestuous affair with his own sister. I had to study Freud in school. He created whole personality types based on how a person was potty trained....literally based on how a person takes a dump.... This is deep level stuff for the poo people. Freud like a typical jew was obsessed with scat. Scatman Freud.

Freud's theme song:

Freud's entire circle of scat anal-yst school were all kikes. The only Goy was Jung and this is due to Freud stating they need a front Goy to hide behind to the Goy public. From Freud's letters and statements of those who knew him. Freud was a typical Gentile hating, supremacist kike. Who by his own admission just created a cheap psychological weapon to attack and destroy Gentile society with. Psycho babble analyst of Freud is just purposeful jewish subversion of Gentile society. Its a cheap jewish trick. But also shows how fucked up jews are in the head.

Jung realized how disgusting Freud and kikes were and left the whole thing. And worked to attempt to Gentilize psychology this is why Jung is remembered as someone despite himself being a Nazi who worked for the Third Reich, as being a person who contributed something to society. They gave Jung a pass because they like him so much. Jung's best friend was Serrano who was also a Nazi and was close friends with Devi who wrote the Lighting and the Sun. Serrano stated Jung's problem was he could never fully let go of the frame work of psychoanalyst which was totally materialistic. From studying Jung in school its obvious however Jung took his own work from Yogic and Hermetic knowledge it was an occult doctrine that he secularized.

## Dealing with Astral Entities - Ghosts - Part 1

☐Sun Jun 12, 2016 3:39 pm

High Priest Hooded Cobra666

In light of recent questions over to how to deal with entities, its important some things are being addressed.

First of all, in the "other side" (Astral), one can encounter all sorts of entities. There are levels of this. Having worked extensively and for many years both with people on the other side who have passed away, the Demons and encountered a lot of things, its easy to discern a lot of problems in this thing. Its important these are solved because due to centuries of darkness and jewish lies, many people don't know what's up.

One major thing is to remember, that beings on the other side, aren't any less "real" than beings that could be potentially on this side. The fact that they are not in the primary sphere of your own existence doesn't really make them "Inferior" or anything else, and for the beings who reside into higher dimensions like the Demons, in many ways, they are superior to a lot of people who are just living and existing on the physical realm. So first of all we are going to deal with the matter of ghosts. The enemy grimoires have really poisoned this matter and we are slowly going to clear the clutter from this whole thing. There are also many charlatans around, like xians and that sort of thing, that don't know anything about the afterlife. This makes everything harder and more confusing.

I am starting from ghosts because these are basically the simplest entities one can really "relate" to in this sense, and they just live one "layer" above close to the Astral realm. This is why many people can actually "see" or "feel" ghosts, even if they aren't really "psychic". Normally, ghosts are like real human beings. They don't have the needs of eating or anything that is needed to sustain the physical body, but their emotional, intellectual and whatnot needs, are intact like any other living human being. They are also, not "dead". One's spiritual awareness, understanding and personality, is carried on intact in the other side.

The same applies in some cases with one's natal chart. The same natal chart one can have when they were alive, still applies to them after death, until someone reincarnates again. This means the "Karma" doesn't really wash out at death. The fact that people think otherwise is retarded and is again, stemming from "Christianity" that says "people get judged" after they die. This is a stolen concept and it's, like with anything the jews steal, completely corrupted and destroyed. This can be seen in the fact that many people grow "rich" (they get inheritances even if they are dead) or they get "famous" (like philosophers or skeptics or scientists) only after they die. This sort of thing has to do with their natal chart and there is a branch of astrology going into this, so I can't deviate from the purpose of this post as this would be too lengthy.

Now in regards to "dead" people who have "seen the xian afterlife", most of these people

have been "clinically dead" but the "cord" of their soul/body didn't cut. This once cut cannot grow back on its own. One still roams within their own "subconscious" or their own mind at this point and this is not in anyway, actually "death" where the Soul is permanently disconnected from the body. Due to heavy indoctrination, a lot of these xians and others, do see "hell" and all these other things that are deeply embed and programmed into their subconscious mind.

This is part on how many people, in the time of their death, see a lot of their desires, past moments in this lifetime, and other things. The heavily indoctrinated see what their pastor told them they should expect, as this is programmed and drummed into the mind since infancy. In plain words, what they see is no different than an actual dream state. They aren't really astral projecting or anything like that. They aren't even witnessing their "Soul" per se, but their mental or "dream body".

Death however, deals with the higher or unconscious mind. And not the dream state or anything subconscious.

As about the "Judgment" after death, this is a destroyed and corrupted allegory. When one exists and departs from their physical body, they go out with their Astral body. Their personality and everything else is intact. In cases of natural death (without accidents, but old age) the bioelectricity of the physical body has run dry, and it's over, so the Soul cannot really inhabit in it any longer- the body is no longer suitable for life. The Soul as thus departs. So when people run out, the Soul runs on its own "energy" or "battery" so to say. This is to mean that simply, when one's "time is up", they dissipate back into the Aether. And slowly dissipate now and forever.

Sometimes the process of reincarnation happens, and this in many ways is an "automatic" (or let's say, unconscious) process and like with so many things that happen unconsciously, people don't really understand "who" did this, even in the afterlife. This is also why so many people that refuse to be reincarnated, for a number of reasons, they stay on certain places like old homes, or other places like close to their own families, or hunt buildings. Many times also ghosts and people from beyond, they prefer to go into places where there are "earth grids" with vital energy, which helps them survive, or other strong electromagnetic currents. This process can also, be unconscious as well.

For many death is a totally baffling phenomenon, and they just try to stay stuck on this world, or things that are familiar to them. The Astral body can have all the sensations of the physical one, but it doesn't really participate in a physical world. Since the vibration of many people is too low, they just exit on the exact "higher" dimension of this realm. Many people don't really understand that they are dead, same as many people who are in a dream state and they don't really understand they are dreaming, until the dream becomes "conscious" or "lucid". Then they slowly come into realization of this after a while.

For these beings, their fate is questionable. Many people fall victims into their own delusions once they die, or they are harvested by stronger enemy beings, or they end up

in "the light", or others dissipate, while others haunt houses and the list goes on. Their fate is literally anything possibly. One cannot really say for sure. Especially if one is a "devout" Xian or devout in the attraction of all these subconscious messages of self-decay of xianity, everything happens "faster" in the Astral, as one can move "faster" and their ideas attract things faster to them. This is no different than how a bad fetishist can end up in the wrong club and get so beaten up that they are going to die, or that people who do drugs just find the wrong dose at some point and find themselves dead. Vices and personality traits are carried in the afterlife. In the same way, emotions, feelings, one's mental and spiritual condition, character, morality is also carried.

This is why "ghosts" can be absolutely anything. Literally. They are not "good" or "evil" and they aren't really "simpler" than any other real Human being. Their condition is exact to the Human one, except of the changes that we related above. This is why for instance people who have been nagging others their whole lifetime, they will do so after death. People who have been serial killers, or very aggressive people, will be so after death. Nothing really changes when one leaves their "husk" even though many idiots believe it to be so, thanks to xianity.

As about the "judgment" of the Soul, this is an allegory. The more "lower" one is spiritually, the lower they are on the astral and the closer they are on the physical. They haven't really "ascended" and they don't have any knowledge of the beyond, let alone any help or anything. They can end anywhere. This is the "judgment" and the "lightness of the Soul". The "lighter" and the more enlightened the Soul, the more powerful it is in fighting intrusions or anything else. Ghosts can also be subjected, like any other creature physically. The enemy knows and uses this against innocent human beings. They can also make friends, foes, enemies, or just be indifferent. Many people refuse the "reincarnation" that happens by their unconscious mind, because they want things solved in the physical realm they cannot leave behind. This is especially true, as HPS Maxine has covered, in the case of murder or anything else where these beings want justice.

Elevation of one's "vibration" also means to get on a higher dimension astral. This is transferred with someone after "Death" as well. This is where when one dies, they are in the higher astral dimensions and not on these very low one's to the physical. Ideally, one person should know how to go higher or lower. However due to spiritual ignorance, this is not known to most people and they are on a lockdown. This is allegorically on how the Egyptians went in front of the gates, and if they knew the correct words, they would be elevated from "hades" to higher levels. The lower one is, the more one runs the risk of dissipation, enslavement by hostile ET entities, etc. This is allegorically "hell", and the "hell" the Abrahamic religions have subjected Humanity into.

Part of this "vibration" and where one "is", also potentially shows how much power one has, even in the physical realm. In the same sense, people with occult knowledge, can use it after they die. This is especially true with entities that some people call "poltergeists" or something like this. These ghosts are sometimes strong people (either by birth or by natal chart, or just people who were into the occult) and they seek to harm people due to fun, or other personal reasons. A good natural instance is people who do have a Scorpio stellium.

These people can be natural adepts to magick without even really knowing it, or they have powerful willpower. This can cause things on its own, even change down the world of the living. However rare, these beings exist too. This ties into the above thing. These people can be arguably, more or less spiritual and more or less aware of what they are doing.

Now in regards to other matters on how to identify ghosts, it should be easy. First of all Ghosts can be really felt in some points. Especially if the person died a violent death, the life force of their body wasn't completely dissipated such as peaceful death in old age, and sometimes this affects the Soul, making these people really "dense". Some people are "dense" naturally, such as the beings above. Some people are very frail and they can hardly ever be noticed, or their effects. The list goes. One can pretty much identify them through power. There are some ghosts who are also powerful, like the categories above.

Normally these should be nowhere close to Satanists, same as astral entities with hostile intents. There is a chance they can also be crossed. That doesn't necessarily mean, they will be powerful or not. Power is a great definition though. When one grows competent enough, they can actually "discern" the Soul by its essence. Humans have a particular essence. The Human Soul can be more advanced, or less advanced. Power is the most accurate judge to begin with, but one should look for essence, personality, intelligence etc after this. Ghosts don't really deliver this electrifying serious power like the Gods.

To not mess the usual with a rare occurrence though, most ghosts are really weak. Mostly they are in the same power level as ordinary human beings that didn't quite meditate. The same goes for knowledge, intelligence and power in general. How one can deal with ghosts really has to do with the ability one has to deal with other people in general. The same goes for personalities in general. The fact that they are ghosts doesn't mean they don't think, they like or dislike everything, or that they necessarily pose a danger, or not. It's almost close to how one deals with people in real life. Nothing is certain. One can become a friend with ghosts, or drive them away, or anything else.

Normally, the Gods themselves will handle any Ghosts who are seriously a danger to people. Though ghosts are too many in number in many cases, with many ghosts being around in general. Having strange emotions, weak shivers, feelings of fear or worry, or other sorts of feelings that are not "yours" when you enter a place, is a sign of ghost activity.

Children many times do see "ghosts". This is why many children talk of "imaginary friends" and many times get the stories they share validated, on the account that real people with names and such existed in such places. Many times, ghosts are not evil people. Ghosts can also be serious murderers and stuff, or like to cause dismay, or get sudden emotional urges and stuff, like Humans. The only difference is that they don't have physical needs and quite a handful have figured out the hoax of xianity, since they died only to see it was a lie.

The enemy is also well aware of the existence of ghosts. This is why in mimicry of the

Ancient Egyptian religion, they bless ghosts. Ghosts can be blessed, cursed or even subjected. The enemy has rituals and litanies upon which they attack ghosts that are not subjected to christianity and they try to send them to "hell". This is the case especially in Orthodox Christianity, where even if people are long dead, the clergymen keep "reading prayers" and "blessing" them to be judged by "God" or to enter "hell or heaven" if they were disobedient. Sometimes these curses work, sometimes not- the same goes for how the jews and others curse relentlessly people who have attacked them but according to them, "passed on", like Adolf Hitler.

The enemy also actively calls "angels" and other beings, or the Hebraic Thoughtform itself to "harvest" people. To what degree these work, is up to their power and the power the Goyim slaves give to the book of the bible, by worshipping the jewish thoughtform that is the root of all their occult power- what I want to show is that they actually attempt to subvert, destroy and enslave beings even after they have passed on. They literally enforce people into "hell" or in a dimension of a jewish Thoughtform and aliens, that subject these people and destroy them. This quote below is a blatant one.

#### **Revelation 20:13-14**

And the sea gave up the dead which were in it, **and death and Hades gave up the dead which were in them; and they were judged, every one of them according to their deeds. Then death and Hades were thrown into the lake of fire This is the second death, the lake of fire.**

You can blatantly see, the enemy affirms openly that "Hades" (who is a well known Pagan Ancient Greek God) is actually keeping the Souls of Humans in refuge. This is also analogous to being in a low level of astral, but this is not the case here, as the enemy talks about the actual God Hades. The Gods are known to take care of the Souls of people. Those who are in the low dimensions or haven't really dedicated are also taken care of as much as possible.

The enemy here blatantly admits that the Afterlife is not where this is "over". One goes to somewhere- the lower Astral level. They know it's not over. They also know the Gods protect the Souls of people as much as possible, and they want to obliterate BOTH of them, and take their "Souls" to be "Judged" by the Hebraic Thoughtform, and be harvested by the enemy ET beings. They want to subject them into a dimension where there is eternal fire and brimstone, in order for them to suffer eternally for not believing the jews etc. This is NOT the case, but something to be sought.

This "dimension" where they do these things, is actually something they also manipulate the mass mind in order to create, as everyone, even those in the Vatican know, that this is an invention of the Church. The mass belief into the fake tales of xianity, creates something similar to this place into the Astral, since thoughts become things in the astral in many ways. So the psychic energy of the Goyim, except of manifesting riches for the jews, death and anguish for all Humanity, disasters to the planet, they also create a metaphysical construct of "hell" for those that believe in this excrement, to actually burn

forever.

As to not confuse people, the Torah and the Abrahamic programs, don't only create a reality that is physical, but a metaphysical one. Part of this is this pool of hellfire for the disbelievers, where all Humanity wants to end up in, except of the 144,000 elect jews who will rule the planet and become "Gods". Not only xianity wants to damn you now, but in the afterlife. That's how much it hates humanity.

This is part of cursing these beings and general scorn, defamation, but has deeper spiritual reasons. Its well known Kabbalists on the enemy cursed Adolf Hitler and the Nazis well after they "lost" this war or "died". This is for a reason. The same goes for any other Spiritual entity, or like our Gods, that they curse. There is a very famous jewish curse, that the jews use for the idea of "Gentile Jesus" as well (Because Jewsus, Rabbi Yashua is a Rabbi and the Goy are insolent to call this thing a Gentile) and this curse is "may his name (memory) be blotted out". This signifies their wish about death in the afterlife, and in history as well- not only physical death. The enemy knows nothing ends with mere physical death. This is what they hide from the masses of the Goyim, aside everything else. Its part of the deal in keeping Humanity blind and under strict alien control. With jews, you lose. Here and beyond.

As for protecting one's self from Ghosts and other human spirits. Normally, cleansing one's chakras, aura of protection or a banishing Ritual should solve issues with Ghosts as most of them are weak. If there are more serious problems, one might require intervention by the Demons and one's Guardian Demon. After one has decent power, Ghosts can be driven away quite easily by one's own power and magick. Ghosts like all people may, or may not react to violence, may be sly, may not be sly and the list goes. This is up to someone to figure out. One of the best things to do is to actually not really pay attention to them. When one raises higher astrally, these beings don't really "interfere" or can mess with anyone anymore. This is why sometimes its advisable for people to actually get stronger, before they just attempt "communication" and being "open" to all sorts of bizzare entities. The Astral is a vast place and some things in it is not fun, at all.

I hope the above sums up the matter of Ghosts in general and it enlightens the whole situation around ghosts. More posts like this will follow. One last note, those with Satan will never be subjected to anything vile like this, as the Gods, from all the times, take care of our Souls. This has been the meaning of the Egyptian and other Ancient religions. Eternal life is really possible both through the Magnum Opus and because the Eternal Gods help those who have passed away from falling into the jaws of danger and death. This is again documented into the Egyptian texts. Spiritual evolution assures survival both here and in one's general existence.

Greetings to all our Satanic People and Comrades.

In recent demand for certain questions to be answered, more things need to be addressed. These sort of go "outside" the message of this series, but these things are certainly fundamentally needed in order for people to understand what is going on. We will deal with some questions our Comrades asked on part 1 and also, further this a bit more.

Because this post has to be orderly and clean in its understanding, we have to start from things that can be understood and not overly complexify shit into oblivion in order to impress. First of all, we are going to relate about the parts of the Soul and link this with Birth, Chart, Race, etc.

The fundamental parts of the Soul that are going to concern us on this, are mainly, the Astral body (KA), the Bioelectricity (Lifeforce), and the Physical body, the Aura which extends from the Lifeforce, plus the body which is named "Heart" in the Egyptian texts. All of these bodies are interconnecte, they live and they thrive through one another. These are the bodies that are going to concern us in our understanding.

Given there are many naive people and info stealers around, who are nevertheless not on the spiritual level to support what they steal and rave about or even understand the concepts, (Such as Muh Feels Say I Am a Gods), its advisable to comment that you should stay away from these self-proclaimed gurus. Many people are actually using spirituality in a vicious way to actually enslave others, purposefully withhold info, or they read all sorts of manuscripts without experience and spew garbage. Most of these people cannot really answer when they are posed with questions and they just answer with pseudo spiritualism or etheric gibberish. The jews typically do this a lot with their empty spirituality. This is not supposed to make sense and enforces a stupid "Mysticism" around things, like fake fairy dust, angels and unicorns. Things are supposed to be able to be understood.

This knowledge is from Satan and people who try to tamper with this, they will be severely spiritually punished. This is well documented in the Ancient texts and even the enemy is aware of this and suffers for this, which they will for the rest of eternity. This is why these were coded in "Hiero-Glyphics" which mean literally, holy writings. This was the spiritual inheritance of the Creator Gods. The inheritance Satan leaves to us, and the Gods, is Divine and Holy. Defilers, destroyers and conscious perverters of this knowledge will have it real bad in ways that most will never understand. This especially applies to the jews, who blinded the whole of Humanity on purpose and on demand.

As to not overly-complexify matters, let's just proceed.

First of all, the Astral body or the KA, is the body that one activates when they meditate. This is the body that houses the chakras and the seat of the lifeforce. However, the lifeforce doesn't only exist in this body and we can divide lifeforce in two categories. The one that one gets on heredity and the physical body, and the one they have at their Soul. This is why the physical body itself, has a set time of existence from the time it is born, or why certain people are born spiritually powerful but they are not really into spirituality, same as people who are born muscular without ever having lifted weights. One is born at a particular time and their physical body will only hold too much. This is also, genetic.

The labor of a family to spiritually, mentally and physically advance, and the selective breeding it done, can be seen in the resulting offspring. The better the choices of the people, the better the offspring. This has to do with labor, nature and other factors we don't really understand nowadays, so we just call it "Chance". Nothing really happens at "Chance" though.

Like anything else, this span of life in general can be increased or lessened and nothing is set. However, the body one has is a creation of their parents, and Astral the Soul that comes and incarnates into it. However, this is NOT always the case. This is getting a bit complex from here over, as not everything is the same, neither are all humans alike. There are many new Souls, who don't really "incarnate" as they haven't had a lot of past lifetimes. They are really the productions of their parents, and there is nothing bad about this. This is not a sign of any inferiority or weakness and in strong families, can mean the contrary. The part that reincarnates into the lifetimes, is the actual "Heart" or the personality, that the Gods retain and reincarnate. For those who are advanced and they have achieved one level of the Magnum Opus which is the metaphysical (Astral Immortality but not physical) they can be reincarnated as they are as well. Like all other parts of the Soul, this can wither away if left untrained or cannot feed on energy, its own or this or some other source. A lot of people fall victims into this and experience this withering away.

If the "heart" is not pure, it is thrown to Sobek to eat in Egyptian spiritual mythology. The "heart" and the personality gets better by increasing its bioelectricity and cultivating the character, the Soul and refining who one is. This is directly tied into the bioelectricity and also the soundness of the physical body. Its really a multidimensional approach. The retarded idea that you can be looking like a cow, do drugs and rot all your existence, and somehow be "good and Sound" mentally, or at the Soul, is pure garbage. This is why all Ancient cultures emphasized on the building of the body, as this also builds a more moral character by teaching the values of persistence and actually gives inner strength. I know the athletes here can relate into this, as this sort of thing actually builds up on the actual willpower and Soul. However, this goes both ways and everything can be done in other ways.

Now, in most Ancient Traditions the rule of heredity is known. There are bloodlines that are spiritually stronger, and Races that fall into the same category. There are powers that can be by heredity passed down to the next generation, or that stay dormant in people until certain Souls reincarnate or certain beings get born by "chance". The spiritual cultivation of humanity ensures this will happen frequently and later on, at will. The enemy knows this and because they generally try to spiritually oppress Humanity, and more so, those who can spiritually overthrow them (because the enemy is mainly a spiritual dictatorship and only after this a physical one) they push bastardization which corrupts the Race, then the family, then the actual people that exist. Through constant mongrelization and bastardization, the enemy is trying to destroy the spiritual families and classes. The Middle Ages, the wiping of the greatest 100,000,000 Chinese people and spiritual dynasties by their Communist Regime, the endless pushing to Race mixing, the systematic destruction and infiltration of Gentile bloodlines and the constant attacks on pure Races, is self evident. This is a very Ancient method of take over and warfare, and this is nothing new.

Everything is a categorization, and also, then you have specific incidents that are individual and specific. There is physical, metaphysical and combined heredity of both. One can easily see its complex to express common rules here, but one can figure out this is a complex process. Inside these family lines, one gets their particular power line, and this is also tying large scale to their whole Race. Why sometimes children are stronger than their parents, or weaker, should be explained by the above. Then you have other unconscious laws of nature that are taking place when people do actually conceive the child. The parents do actually have responsibility about the child even if its unconscious to them.

If people themselves are powerful spiritually, they have more bioelectricity, which in turn gives more power to the sexual act, this creates a more powerful body in general, by creating a physical body that has itself more bioelectric and as thus is more powerful to hold a more powerful Soul. The Race and Family tie into this as well. The purer the Race, the more the power is inherent and the more "clear" is the place from things that cannot really associate. Spiritual gifts, like physical gifts, are in many times passed down to children. This can be seen in how certain people have good charts for children, which make for charismatic children. The mother gives one the passive side of the Soul, while the Father gives one the active side of the Soul, yet these unavoidably mix with one another.

The better the breeding and the more advanced the family is or was, the more they can have better children. This goes and goes in generations. This is why the jews infiltrate good bloodlines and corrupt and destroy them. The same goes for pure Races. A better body, is a better house for the Soul that comes in it. This is why the enemy jews maintain spiritual families like the Rothschilds and the Bharuchs, or others who are of the Rabbinical class. The surnames themselves show of the bloodline in many ways. The bloodline of someone affects their body, and the body gets shaped by the Soul that inhabits in it. This goes both ways. From heaven to earth and when one meditates, from earth to heaven. If one doesn't, the Astral body is not really something one becomes

aware of until the time of death. The repeating of this thing over many thousands of years, plus the endless Race mixing and other problems, do actually impact the Soul and the ability of Souls to reincarnate. If one is too big to enter a car, they can't really enter a car, or you have to shrink them to get them in the car. This is why the enemy preaches the destruction of Race and then also spirituality, while the opposite is promoted for themselves.

In plain...

Imagine your mother and your father gave your physical body a spark of life, that begins the life of your physical body and also renews your Soul (Because when one dies they are faced with stagnation anyway, unless they have done certain spiritual disciplines). Depending on the power of this spark, one has a preset time of life as far as the time before they die of old age physically. This also revitalizes the Soul for more or less. Imagine this like you are given a battery system. This battery system has abilities and a certain capability to do certain tasks. The better the system and the more labored in and developed, the better the Soul that can inhabit in it. At the same time, the Astral body develops, unless one reincarnates with their other one, but even in that case, the Chakras do actually have to close and open up later, or can't really be open completely- this is why they need re-opening, but this is also why people advance in varying speeds. With the new energy one is given, they are supposed to live their life. This can be made into a choice to finally adhere into meditations, develop one's self, advance and finally, escape this vicious circle of reincarnating over and over again. Such people who are developed display powers from a young age. The Soul has its own memory, the Body has its own "memory" as in genetics, but both of these meet and tie into the metagenic level, and they are in a sense, ONE and the same. This is why people can only but reincarnate in their own racial lines.

You can see something fundamental in children. No matter what, a kid will always be innocent and the list goes. As the person grows, there are sudden burst of "maturation" for better or for worse. These seem to come from "nowhere" but this has to do with the actual Soul. For instance one can observe human growth. Typically, people are considered teenagers up to approximately the age of 17, fully active by the time they are 21, and mature by the time they are 30. Approximately. This has also metaphysical reasons that have to do with parts of the Soul waking up and opening up. For instance the male frontal lobes that have to do with advanced logic don't really get fully functional by the time one is around 20. If one meditates or not, determines if they will be aware of this process or not, as everything is awareness and what one is not aware of, is discredited.

This is a high state of advancement in a past life, and many of these people do actually have powers involuntarily or are Siddhas even from their early years, even kids. When they re-open the chakras and Soul, this shows. The powers are actual and these are not imaginative. Many of these powers do actually run in families, like having the power of prophecy, advanced astral vision, powerful bioelectricity etc. This is the reason of "Aristocratic marriage" in the Ancient Civilizations. Not money and other garbage that the enemy claims. Its a metaphysical concept. As far as powers go, others have to

develop this. How easy or hard this is depends on the family, where one is spiritually and anything else, BUT, it is definitely possible as all Humans do actually possess these powers. The greatest talent that doesn't make any use of it will be trampled by the people who just are obedient and loyal to their meditation program, and vice versa. This can certainly be developed, and those who made progress can actually under-develop by laziness or by letting these gifts go. If one has the genetics of good muscles and they never, ever get up from a couch, this doesn't really matter. Both bodies are affected by heredity as they link to the physical body and the life-force of the family and the Race.

As you can see, the "Coincidence of Birth" is now completely debunked. The Jewish arguments of "What if you have been born in Africa" or "What if you have been born in Madagascar" are debunked in the same way. People only reincarnate in their specific racial lines. \*NOTHING\* In this world is a coincidence in many ways, but in so many ways and thanks to the enemy, many people do NOT understand the laws that govern around us.

In order to better understand this, one must see the Natal Chart. The Natal chart is the actual map of the Soul, and where the Soul is at the present time of reincarnation, and the path of life that is set by "Karma" (or the set forces in one's consciousness and Soul). In plain, this has to do with nature. Inside the Natal chart, there are more things as well. For instance, one can track diseases and problems that show up in the physical body. The natal chart can show of bad or good health, sex drive, personality and anything else revolving in the physical body as well. However, the root of this is the Soul but the Soul is linked with the body, and this is why also in certain ways, even death can be predicted. More in regards to the Natal Chart, is that actually, certain people can have certain connections Natal Chart wise, with their parents. This can be observed and there can be correlations. One can cast the charts. For what I have experienced (I am not entirely sure of this) one's father can show up somehow in the Sun, while one's mother can somehow show up on their Moon. Depending to the relation, acceptance, if they are good or bad, or the definitions therein, this varies.

Unless the person advances spiritually and actually becomes conscious and awakes spiritually, their lifetime will be nothing more but a similar blueprint of what their "Chart" is, for better or for worse, with little to no knowledge or edge of any improvement or prevention. No "Karma" will be changed and one will be subjected to it again, and again, and again, until this eventually leads them into personal destruction, collapse or lack of existence. "Karma" is connected un-doubtly to one's parents and everything else as well. Many people suffer or grow to prominence just because of their parents, or just because of heredity in some way. This is not definitive, but one can easily see this in one's childhood and how they share so many things with their parents, even to the point of being a hereditor of actual mental problems or issues of one's parents or even absence thereof.

This is the basis of modern jewish "Psychology" who builds upon not of what is possible, but the "definitive". This largely impacts Karma and many people do get shaped accordingly in this way. The enemy programs people to actually reinforce and cause this

thing. Many parents who are not aware of their flaws pass this down to their children. Satanic parents need to be open eyed in regards to this and let their children develop on their own. Give them the positive hereditary behaviors, and minimize negative impact. Degeneration is part of nature and kicks in where labor stops, or forces of life become weak. The same goes for the body and the Soul. While spiritual labor feeds the Soul, physical labor feeds the body. There is also practice that feeds both, such as Kundalini or Hatha Yoga.

As for Race, a Race can be easily understood by the term labor. Evolution is not mere evolution, is labor. All organisms strive to become better and evolve into being better. If they don't, then too bad, they are blotted out. Successive labor to breed, spiritually evolve, physically work and labor into becoming better, pays off and largely builds a Race through the family. Races that haven't really labored on themselves and are on a lower level of development, this shows in the product of the so called Race. The nature timelines of evolution almost tie into this. While the Gods handed the spiritual information to advance, they never stated anything about anyone being "Equal" and they have been definite by their actions in showing the Racial specifications, that most people knew already in the Ancient times and respected. Distinctions apply, and individuals can vary. However, there is a common form that is formed which is largely the Race.

With the recent of the enemy teachings, everyone is entitled to everything, so everyone is lost and nobody knows where they are "really". Dumbos are told that they are Pharaohs from outer space, debilitated idiots are actually Rocket Scientists and people who read the book "The Secret" are actually the next spiritual gurus of love and awakening that will save humanity. The enemy of course laughs at all of this, as they themselves know the truth on what's up. Do you feel bad about sucking spiritually? No problem, you can be an "Indigo Child" or "An Angelic Incarnation". Maybe you can also be a unicorn if the jews say so, too.

The enemy jew was the only one that preached to humanity that labor is not necessary at all, and that everything happens by "Chance" and coincidence, or other notions such as vain "Entitlement". These are the main weapons of their program. They also preach lack of knowledge and retardation as loved values. This way they themselves can apply the natural laws, while others die like slaves and blind victims that never knew. All spiritual advanced people, for better or for worse, know how DANGEROUS this thing is. This is VERY dangerous and most people cannot really comprehend this. Meditation is about reality, or let's say, ultimate reality- the reality in reality. Truth in Truth.

Needless to say, this is deplorable and this kind of bizarre, psychopathic thinking IS \*NOT\* a part of Satanism. Satanism is literally, Satya-Nism. Truth-ism. Spiritual Truth seeking. We follow the paradigm of Satan/Shiva, in the Sananta Dharma, or the Path of Truth and Light. Satan is a being of Truth and this is why he trusts in that humanity can deal with its own problems and gives us limitless power to move into this direction. This is how one becomes a God. In Satanism we must seek Truth and Realism in order to be able to ACTUALLY advance. If one thinks of themselves as a perfect unicorn, they cannot advance, and the enemy knows this.

This is why the enemy pushes into the brains of all Races, that they are "Super spiritually advanced" but yet only poor and repressed by others. Its always someone else, but the person who is "suffering". This way, the suffering is reinforced and nothing really changes inside. When push comes to shove and there is the necessity of the physical expression of this so called "Advancement" one just hears ghetto gibberish and 'muh feels'. In plain, LIES. This is the recipe of Abrahamism and the enemy. They distort the universal and eternal laws of Nature, while they themselves try to severely and manically follow them to better themselves. The enemy in this way keeps Races from actually advancing. A

Actuality is actuality and reality is reality, no matter if humans choose to deny. The enemy makes others deny while they themselves accept these laws entirely and maniacally.

One just observes the outcomes, creations, problems and the info they have in front of them, and they can understand. For the rest of those that deny reality, they are retarded and the jews laugh at them. Races are Labor, who one is is labor, conscious or unconscious labor. People who have good children, or strong families that have withstood the test of time and strife, remain and stuck with their own etc, are rewarded by nature and the list goes. People that transgress the laws of nature are equally punished. This doesn't have to rhyme with our own present understanding of "ethics" or other type of garbage.

We can either choose to follow nature's dictates, or we can perish and this is it. Nature cares as far as to show us the way. The Gods have cared enough to give us the means that would speed intensively the pattern of our evolution. This is why Shiva (Who is Satan) is said to have taught Humanity to be "un-affected" by Karma and to be able to rise above it. This can only be done by spiritual practice as this is the nature of reality. If people don't follow, then this is a retardation and an offence and they will have to pay- not of any other reason by by the laws of nature. In the same way nature benefits, helps, heals and advances or brings bliss, her laws (understood and whatnot) are in many ways definitive and one has to follow in order to be able to attain the freedom of change.

National Socialism represents the doctrine of betterment of society, reality, the Soul and the Spirit, here, now and in reality. The actual realization of one's gifts, powers, limitations, the creation of a big ideal and then, the faithfulness and labor in order to create this and surpass limitation through advancement. The only fundamental law is : Advance. The only rule one must follow is to follow life. The only route one can take is that of labor and upward movement. This way the Godman is bred who is the gift both to those that build these new Species of Humanity, and also to Humanity. When they will come, they will crown us as their creators by their beauty and defiance. That way Humanity will have an actual sense in eternal survival against a universe with merciless forces. And through reincarnation and advancement, Humanity will live ever greater. This is the symbol of Divine Inspiration for those who see themselves as Humans today, but want to see Humanity as Gods of themselves in one day.

But for this we must Labor, We must Advance, and We must Work my Comrades!

National Socialism is the only Truth, and is a Universal Truth, manifested here as a political ideology. It's not an ideology of any suffering or murder. It's an ideology of genuine love and the power to look in reality in the eyes, to follow the eternal cycle of the Swastika, which represents Nature Eternal. The mother Goddess Nature, the life giver and preserver of existence. This is why we keep talking and talking about Race. Through this route Humanity will finally be freed from the shackles of ignorance, bondage and deceit and Races will finally be able to ascend into an ascended evolutionary state of existence.

### [Dealing With Astral Entities - The Serpent - Part 3](#)

Greetings to all our people and Comrades.

Now I am totally aware this is treading on some waters and it might strike as "not normal" for many, because there are many lies and cultural indoctrinations, also many lies by the enemy in regards to the Serpent. What I will do is just relate the fundamentals as to debunk certain myths that lead people into serious misunderstandings and failures in regards to the Serpent. This will also unavoidably go against other myths that have been purposefully created around in order for certain individuals to make themselves Divas in front of other people. This is especially True amongst many practitioners of the East and many others, who claim things highly questionable and just make this seem like unicorn hunting indeed. I will try to make the middle route and relate what is for sure. As for the rest of stuff, people can find out by personal experience.

While advancement in the Serpent is one of the most great shows of spiritual advancement and the list goes, and it should be the aim of all spiritual Satanists (DEFACTO), there are other things that need to be cleared out in order to get a clear view in regards to the Serpent, and what it does, what it is, what can be done etc, what are the 'limitations', how they can be surpassed etc. Also, people always need to take their OWN considerations and experiences in regards to this. I just merely have to debunk these self claimed "gurus" who, "Risen" or not, require a following and preach without doing, dumb people to deceive and the list goes. In other words, plain charlatans who blaspheme Satan's Serpent and what it does. This is very much the method of the enemy in making the whole thing seem like something its not.

First of all I have to debunk the "Harry Potter mode" which is the expectations many people have from the Serpent. Somehow, many people, consider that the Serpent is some sort of entity that when raised, all one's life problems go away, everything goes perfect, you get all you ever desired, things fall from the sky magically, you suddenly go to the Astral, all your hang-ups disappear, you can fly to Orion and get back, and the list goes. While this is partially True, this is not the whole Truth. While the leaps made by progress and advancement of the Serpent can be like this (especially if one's Soul can take it after many years of practice) this is not always the case. Yes, to a normal person many of the Serpent abilities can seem like Godlike, or otherworldly. There is more into it. This is what pushes many people to want to push it with the Serpent. This is the dialectic of the enemy that once this is raise, like a magical wand, you can chill with the Gods, attain so called "equality" with them or that you become equal to them or some other garbage. This is not the case and anyone with a decent understanding can figure this out. Nothing in nature is created equal.

The most accurate way to understand the Serpent is as an energy of consciousness that is amplifying. The more one's body can gauge, the more it can take. The more it can take, the more it can do with this. The more it can take and gauge inside, the bigger become the powers of creation within a person. Creation as quantum mechanics show and we have scientifically discovered, largely has to do with the Consciousness projected onto forces of the universe, which then manifest as matters. Everything is sound and vibration. The more upgraded is the body and the system, and the more this natural energy and fills one

like a battery, the more this ability to "create" increases. It revitalizes, empowers and advances whatever it touches.

This is the creative force of the Universe, and also, "God". "God" is nothing more than the creation and destruction principle. In plain, NATURE in this case, or as people call it rightfully, MOTHER nature. The same creative principle of Nature, the Divine Mother, is actually inherent here. The representation of this is represented by the Serpent. This is a generic term. Satan in the same way, like all other beings in existence, was created by this spark of creation (which evolves all living species that are alive, from bacteria, to Humans, to every living being), which is this certain and particular energy- in plain "God" in this sense as in "the first creator". It takes billions of years for species to go from bacteria, to finalization into a human being, and the list goes, and there are infinite outcomes on how much they can turn out to be. The message of life is to keep life alive, going and evolving. For the things that can't be put in words, its better they aren't, as we will disgrace their meaning. But let's hope that along these lines, these are understood.

When one is given birth, the purpose is to “awaken god” inside, and then advance on this force of evolution the self. One then becomes “higher” than God which sort of on its own is an energy. This energy is internalized and one becomes “God” themselves and consciously. The "mother" or "creative principle" is then attained and re-connected. This is the “Unity with God” and this is achieved through the Serpent. Satan is Higher than "God", as "God" is in his bidding and usage. This is the myth of Shiva, that is born but then understands reality, and therefore can understand, negate and control the "laws" of Nature, plus the "given" direction by nature, which is "Karma". This is the teaching of establishing control onto what once controlled the practitioner. As for the energy itself, a good name, can be living potentiality (?). It can be used for creation or destruction equally.

This is why Satan even in the enemy texts, is called 'The greatest angel of God'. This is not literal in that he was "created" by any space jew Thoughtform, but it just means the ascended ones actually are advanced in the use, power and understanding of this very energy. With "God", all is possible. Lilith is equally slandered as the Wife of Satan who is the mother of Humanity, but the enemy hides this in many of their texts, in order to

hide the root of religion which is actually, a two sided Paganism. God and Goddess must become "One" in order for them to become "God". The very same goes for the parts of the Soul, the Ida and the Pigala. The Serpent also personifies the "Child" or the Second Birth, as thus the shedding of skin and it personifying the hermaphrodite element. This is why Satan in the "bible" affirms himself higher than "God". Because he is, was and will forever be. In all the Ancient Texts, the Gods are in the one's who command "God" or this particular energy.

In the same way, the Kundalini energy makes things grow, improve and advance. This energy can be indeed be painful and a very big strife to raise, and for the weak it can crush them, this is why its very important for people to have broken all their blockages and flaws before proceeding in pushing this energy upwards. Even the Egyptians talked about this. If this force touches hang-ups, mental issues, unstable mental grounds, incessant fears and the list goes, the same growth will be created on this. If it touches a golden mind and Soul, the growth will be similar. This is why its important people clean their "garbage" before they proceed. This is why I put emphasis on delusion and stuff on the other message. All desires to delude one's self, or to achieve power without wisdom, or to leave hang-ups hanging around, can be amplified. The nature of this energy is to not leave any of these "around" and it will almost violently try to break through these, which will eventually lead people to create a soap land or just guide themselves into failure.

This is the "One God" and the "One God" being a kike, is a rip-off from the context of this energy. The jews are trying to pretend they are the "Gods" because they "Create and Destroy" similarly to this energy. When one awakens, raises and achieves this energy, they can too become "God" or in other words, partake in the use of this energy for creational or destructive purposes. The active and the passive parts of the Soul unite, which allows creation with this particular energy. As the enemy claims openly, the achievement of this energy is the most threatening thing to their agenda, while they themselves really. It expands, empowers and evolves, all of which the enemy jews do

\*NOT\* want Humanity to have in any way. Why they do this is openly claimed by them: Because they are an alien species in war with the Human species, meant to enslave and destroy us. The enemy alien hive banished and attacked this power of Humanity, as to halten its advance and destroy it.

The most important thing is to know, that even "without" the Serpent one can really become an exceptionally powerful Siddha. The bioelectricity or life energy in itself, or the Sexual energy, is enough for this. This is how many martial artists sever boulders in half. The Serpent will just make everything even more powerful and alive. This is its role. It builds, advances and evolves the grounds upon which its activated. Another lie in regards to the Serpent is that it creates "All Knowing" in that people think they can know everything, or do anything etc. The Truth is, that even after one raises the Serpent, they still have to advance. The hard thing to explain, is that while everything can be made possible with it, it doesn't mean that upon its rising, everything is miraculously possible. It takes time, persistence and growth, and above all, KNOWLEDGE. The Serpent increases the capability of all of that, and brings the spiritual labors one takes, into a whole new level of effectiveness. The Serpent is by itself given by Satan to Humanity in order to hasten its evolutionary process and its process to perfection. I repeat, hasten. Its not a magical button that one presses and poof they are on cloud 9. It is not a magical genie that many want to make it to seem, but its powers are unlike anything else.

Many people want easy solutions for everything and this is placed upon the Serpent, or they think they will become the Super Saiyan from television that is supposed to fly and levitate on the first day. While the energy compared to "normal" energy can be catapulting, there is more into it. Again the myth of "No labor" and holocaust potter of secrets is perpetrated.

In plain words, what many people mistranslate of what I say, I will put simply. If you are

WEAK and you are not dealing with improving on your weak spots, don't expect the Serpent to come like a magic wand and make you suddenly the hulk hogan of spirituality. All weaklings like to believe that with the push of a button, they will suddenly swing into a state of existence where they are all powerful over others, everything will kiss their nasty feet and the list goes on. The jew has carefully instigated this myth which is also the myth behind drugs. Many naive new people who have read texts of people around and questionable sources, believe this to be the case.

It doesn't mean that you will never have to study or do anything anymore, either. Many people want to escape from "Trying" and "Working" on things, just because this is what the lazy ass jewish system promotes as genie solutions, There is nothing bad with working, laboring, creating, learning and surpassing obstacles. Indeed, this is the reason of living and the manifestor of evolving. Even the kikes know this opposite thinking is an outrageous lie and deception, which they push on the masses to never do shit with their existence. Well, it probably is not. You will have to be something close to being your own spiritual hulk hogan before. Then, it comes and slowly evolves you further into the path of spiritual hulk-hoganism of multiplied progress and strength. It amplifies you.

Now to see something even more obvious. In Norse Mythology, we have the Yggdrasil which is actually a shape of the Soul. The Eagle/Hawk sits on the top of the World. The Eagle/Hawk was chosen by Adolf Hitler to personify the Reich. The highest state of Human development, the Crown chakra that is open and fully functional. The "Serpent" must be snatched by the Eagle/Hawk on the Crown and must be brought on the "Top of the World", to rise the path of Yggdrasil. This is the symbol of the Eagle catching snakes in emblems.

One guru when talking in regards to advancement that it can be like a trampoline effect. He was entirely right. The Serpent can be like a trampoline. While the energy of the body and the Astral body can be dramatically increased by the rising of the energy, that doesn't necessarily mean this raises wisdom, or makes one intelligent, or that they will get the muscles of hulk hogan, unless there is a healthy basis for this. Imagine this like you are

on a trampoline and you jump in order to see what lies past beyond the a wall. Beyond this wall is enlightenment. The Serpent is sort of like what raises you high enough to see beyond the wall, but the purpose is to finally overcome the wall. It can raise you high, but you have to successfully cross the wall and finally be able to do what you are supposed to do.

Energy, maturity, wisdom and knowledge, must all come hand in hand and must be balanced. This ongoing struggle does not end with the rising of the Serpent, and NEITHER SHOULD IT. An imbalance in any of these places will just have the adjusting outcomes. Using the trampoline to get into outerspace shouldn't amaze anyone. What matters is one achieves the goal of finally awakening their Spiritual self and actual power.

Now make no mistake, the using, rapid advances and anything else made with the Serpent can be potentially painful sometimes, like a spike in one's bioelectricity. This is the same on how the presence of Demons and Gods can actually make one feel pain or rushes of energy for days after contact, especially when they are new. There are certain stages of advancement that can indeed be "painful" if one has blockages. If they don't, the whole process should be empowering, and generally smooth, but this is not always the case. In many texts the Serpent is called the Dragon Of Chaos for a reason. If the mind is cluttered and is unclean, it will make it bad. There are people who by accident or by misusing meditation will arouse the Serpent and not have the desired outcomes. This is why we are telling newbies to strive for balance and steady steps, and gradually go with the flow. Many people see the tree but they don't see the forest. Power is one aspect of everything. Let's say one has a broken car and they put the strongest engine and rocket fuel on it and turn it on... If the car is not in a good condition, it will just break down. And then of what use is the engine, the driver and anyone else.

Though rest reassured, Satan our Creator has thought about this too. Before one proceed with the actual Serpent, they are to awaken the Sexual energy and make it rise, which has (almost) the same effects with the Kundalini energy. The sexual energy in itself and its control can make people do miraculous feats. Its an energy of growth, unites the Soul and actually, does everything the Serpent itself does in order to prepare the Soul with the necessary buildup until more and more of the Kundalini energy can flow. This reassures people can build powers, Siddhis and everything else. When the Soul is united with the forces of the Serpent, all the powers can rise, all the powers can amplify and everything else. In other words, one can grow insanely powerful by control of this force.

Then slowly, the similar but stronger Kundalini energy will come up gradually and later. It doesn't need to be forced, and all bodies need to be caught up. One must steadily and ambitiously work towards this goal and feverishly. One has to aim to succeed and not just puff their ego about it. Success is what's important here. Imagine this as amplified sexual energy. Like sexual energy, this is live and conscious. Many people mistake the Sexual energy for the actual Serpent. While they are co-bound and co-operational, and almost the same, the intensity is different. The Sexual energy has to be risen and mastered first before the Kundalini kicks in. The Kundalini has to do with understanding of the Natural

laws of the universe. The Risen Masters of the Pagan civilizations co-created civilization with understanding and on the basis of these eternal and irrefutable laws.

In short, you still have to work, do magick and everything. Its just that with amplified powers this can be far easier than before and as one goes, they can advance past of the point of having to strive as much. However, I repeat, this is not a magical genie, it doesn't mean one instantly becomes all knowing, it doesn't even more one is an actual, immortal God, it doesn't even mean one cannot descend back to a state of decay. It must be actively cultivated, kept up etc, and one has to reach checkpoints to get the whole system to adjust and make the energies become permanent and fix. The "all knowing suddenly" fake hoax and pill was stolen from the initiated state of Gnosis or Samadhi, upon which one drifts into a deep realization of the cosmos, themselves and reality in general. Its beyond intellectual and emotional knowledge, but emotional and intellectual knowledge are the decoders of this state which make the "infinite" capability of this understanding, manifest physically. This can't really be explained in any simpler way than this.

Now as for the "age" or "when" this is supposed to happen, there is no defining age or time, at all. This would depend on the Natal chart, past lifetime condition, physical condition, work put in meditations and everything else. People who have advanced in this regard in their past lives, can have faster progress. Power in itself that is "Above the ordinary" in this life can be traced back to strong and powerful bloodlines, a strong and advanced Soul into this energy etc. This is imprinted in the actual Soul and when one reincarnates, part of this is carried with one, same as the general condition of the Soul/Consciousness at the point of reincarnation. When one re-awakens the Serpent, they can proceed further. The power one has is not to be taken for granted as Serpent energy, it could be discipline from other things, like yoga and advancement, which works around the clock in the same way. Tie this into what was conversated in the part 2. In simple terms, more life, the better. Less life, frailer, weaker, etc etc.

The other hoax going around is that somehow, "someone has to be deemed worthy" by some external Source to have been granted the Serpent. This is not True...In a sense. While in one sense, the knowledge in regards to this is given by the Gods and close contact with them, they key to everything is knowledge. You don't need to be "graced" or something like this, as the enemy states to build this hoax around the Serpent so nobody advances. You don't have to whip yourself in the ass for a million times, to receive "mercy" from the jewish thoughform, or Archangel Kike-nael in order to advance. It doesn't have to do with if one is a "bad" or "good" person either. It only has to do with the amount of labor one puts in meditation, persistency, ability to "take it" and the ability of one to deal with it. This is the whole "judgment" and it's not really "ethical" as the enemy claims on how much bible you follow, or how many degenerate mimicking of "mother Teresa" you did in order to attain "grace". One other hoax is that the Serpent must happen in a very particular way. While some rules are followed, this is not always a necessity. This adjusts on one's personality and everything else. Lack of expectations is the best route one can take. The only key is to ADVANCE SPIRITUALLY.

Another large hoax in regards to the Serpent is that people understand the "Non Duality"

of existence. This is a spiritual concept of understanding the creation and destruction of nature. While people understand this internal and spiritual concept, that doesn't mean all the crap like the enemy says that "All is one" and pushes communism and pacifism behind all this nefarious crap, or that "All Races must be assimilated because we are 'one' anyway". It also doesn't mean that there is "One God" and "One Unity" or "One brain" that controls and has everything under its control, either. The jews want to pose as this, but remember, they are \*NOT\* in reality. Its a massive hoax. In a world where nobody else can do anything spiritual, of course, they are the "one authority" . The fact that there are beings with whom we are "partaking" into the same physical plane or place, doesn't mean we are all "one" or all from the same "root".

In the same stupid fashion, one should "become one" with feces and garbage, or deadly parasites and die. Oh wait, nobody wants this, do they? Because this is not the case of existing in general and it's a blatant, hardcore, lie. One doesn't mean assimilated into one big clump, as the enemy states over and over again to dumb-ify the masses. The enemy throws dust into the eyes of people that they will "understand" this crap and in order to pacify people who make it to some level, they preach the "peace and love" crap in order to hide their nefarious agenda and alien parasitic existence. "Love for all" is analogically nefarious and deadly as "hate for all". It's the same imbalance and insanity, in a better cloak.

As for how the Serpent links with Ancestry, this has to do with the Race, family etc. This also ties into to the alien jews, and how they too themselves have some sort of "Serpent" but is not in any way related to Satan, in any way, shape or form, as they are not his offspring. Races that are largely spiritually advanced, family lines that have been practitioners and the list goes, do also tie into this. As thus the Pagan obsession with family lines. This is why all Ancient Civilizations had castes of people, and not because they were "Racist". Its just that for the betterment of civilization, the people who labored themselves in spiritual advancement, had to marry with others who did this, for the betterment of civilization. Even the enemy practices it now. This is why we have "King families" and all these things. However, the case of Spiritual evolution doesn't really exist as of late, but only the economic differences. In plain, no real Aristocracy of old.

Another myth that needs to be debunked, is in regards to the kikes being inferior or the other retarded circulated myth that they don't have any spiritual power. While this is sort of accurate in that Satanists and awakened Gentiles are far more powerful, and even they themselves know it, this doesn't mean anything on its own. If millions of fleas feast on a lion, it will die and that is for sure. While they may be inferior to Gentiles in many, many

ways, one has to be a realist and look at reality. Just look the damn around and not in your own head. They are destructive, they are parasites and they are deadly. They have put a whole planet in chains, at least they did completely at some point. Whomever is stupid and underestimates them, or lives in soap land that they think that with the wave of the hand, or "alone" they will make this go, sorry, but once again I come with a pin to burst your delusional bubble in order to make you actually effective in this struggle as we \*ALL\* are OBLIGATED to be. If we are not, bye bye Humanity. We need all the forces we have available, all the powers and wisdom we can muster, and we need to be united and relentless if we want to make it and free Humanity. People who are retarded and overly estimate themselves on no grounds, should ask themselves of something simple. Leave baseless feeling aside and grow up for a second.

Let's say there was only one person in the world like that.

How much would they be able to "Create" on their own? Would the Pyramids be possible or anything great that well over-extends the powers of "one" person? Humanity is powerful in unities with strong persons and the enemy knows this too. This is the Brotherhood of the Serpent. One understands after a point that there is no point in this useless loneliness and division that makes many people think in these unfruitful ways. Only then can great things can be created. The enemy works on active division of people into one hand, as hyper-individualism, while on the other, they promote assimilation of humanity into "oneness" and a large feces or garbage equality without any order. Capitalism and Communism should ring a bell. Both methods of approach do result in absolutely no outcome and fail miserably to achieve anything long lasting. The Satanic Gods taught humanity the art of civilization in order to advance themselves.

They didn't plant people in mountains to emphasize on senseless hyper individualism, neither they created everyone in "one" slaver mass. Even the countless and infinite multitudes of the Natal Charts can show this evidently. One person is good in art, one is good in fighting, one is good in music, the list goes. All these people put their talents together and they make something that surpasses what every one of them alone could create. The enemy follows a strict, working, caste system, where everyone gives the power bestowed to them by nature and this is in mimicking the old system. This gets stuff done and advances EVERYONE. With that related to the Serpent, everyone becomes amplified and stronger, and as thus, the whole of civilization advances. The collective hatred and attacks on the Serpent, do in turn, attack civilization in general, which is advanced by the Serpent of Satan. The people advance, the civilizations advance. The people stagnate, the civilizations stagnate. The people de-evolve, the civilizations de-evolve. Racial mixing and bastardization causes and amplifies issues in this. The further one advances spiritually, the more one is meta-genetically purified. This has an impact on the physical existence, the mental existence and all planes one exists.

Satan is the Master Civilizer and he is the original "Mason God" that was worshipped as the "Architect" before the stupid Shilluminati of the Jews took over the original one. The Serpent and the realization of creative capability was the capstone of the Masonry, that made people aware of the laws of nature, and as thus, able co-creators in the side of "God", as "Gods" and potential "Equals" with Gods (in the ability to create like them).

With these being stated, there are always exceptions in the rules and for this also ties in the natal chart and as stated, the general condition of persons, families and Souls, Races, Ancestral past and the list goes. What we had to explore was the general middle line in this all. The Serpent of Satan is the key to infinity and the key to finalizing Satan's Work on Humanity.

### [Dealing with Astral Entities - Karma - Part 4 \(1/2\)](#)

Greetings to all our People and Comrades.

This is part one of the matter in the series. I have not forgotten the requests made in the other parts of these series. These will be conversated about when the time has come as they need to be explained aside other things. Now that knowledge comes from Satan, so it doesn't have a copyproof, but an existential right. Those who desecrate this knowledge will be met with the eventual rotting and disasters this action does. No "tomb raider" ended sane. Without further due, let's continue.

This time we are going to cover on the topic of "Karma". Contrary to the preachings of the enemy, the "Karma" is one of the least understood concepts. They do this on purpose.

The enemy has purposefully lied and totally misdirected people in regards to what "Karma" is, and thanks to lack of knowledge in regards to Spirituality and Astrology that both unveil "Karma", people are slavishly ignorant in regards to this concept. The enemy of course lies to people that "Their life is the outcome of how good Goyim" they have been, or that "They will be punished in the afterlife for disobeying the Jewish "God", or that "What they do to others will be done against them threefold" and the list goes endless. "Karma" we can define as a set of forces that guides personal life.

Let's focus on the personal realm first so when this easier matter is understood, we can explain the more difficult matters. What is accurate of "Karma" is the term "residue". Now this is a tricky word. For those of you who know of Spirituality, you can easily figure out what this term means.

The Soul, or the individual essence reincarnates over lifetimes and changes bodies. However, this is a very simplistic and definitely does not have to obey to stupid buddhist or other rules.

Karma is neither "good" or "bad". It's better desired by humans that Karma is not "suffering" but suffering in itself is not always "bad". What matters is the Purpose. The Cosmic Mandate for all beings is for them to explore themselves and understand "what is why they exist".

Let's say one is to have a surgery that will save their life. Now, this is "painful" and may also be "bad". However, the surgery can be life saving. On the other hand, one drug addict does drugs and "feels good" while doing these. Their lives will shortly be ruined. "Good or Bad" is not how one should approach "Karma" in anyway. Nature doesn't reason it that way.

This why is existential and not opinion based. Now, people have lost the language of understanding and translation, so everything has fallen into a total materialism. Karma is also not always plected with gold. There is a Saturn (Responsibility, reality, limitations), there is a Jupiter ("good" influences, expansion), there is Neptune (unknown, "otherworldly"), Uranus (the un-perceivable by the Human understanding as it is now).

The list goes on. These influences are observed everywhere. From the animal kingdom, to existence in itself. Nature and its all-intelligence talk to us all the time, but the enemy has removed the "ears" and "eyes" of Humanity.

One's Karma can be "good" or happy, one may be entirely sound, but their life of existence may be a complete prison, such as in the case of a billionaire who spent their whole existence without any insight into existence, but was a passer-by in "joy and pleasure" and just that. One for instance can be a murderer or a drug addict, spend all their lives in crime, doing the worst things imaginable, and waste their lifetime, filled with "suffering". One is obviously more desirable and pleasant than the other, yet...For both the outcome is the same.

Nobody advanced or went forward spiritually. The enemy is solely advancing "matter" and "materialism" because this exact, without spiritual insight, will make everyone be "bluffed" into wasting their lives in ever-"newer" places of confusion, destruction, humiliation and spiritual dilatation. Nobody advances or evolves that way, and the enemy is therefore allowed to continue their slaver order which thrives upon spiritual ignorance.

All these "Karma Rules" were made merely to exercise fear over the unknowing people,

so that the enemy can control them. As arrayed in my other book, the enemy wants to keep Humanity eternally locked on the "Rota", which is the "TORA" in an anagram, which is the name of the Hebrew Book of the "Old Testament"- Torah. "Rota" means wheel. This is the "Cyclical flow of life" upon which, everyone repeats their lifetimes until the Soul has dissipated through lack of meditation back into the Aether.

In the "Rotar" there is no advancement, everything, now and forever, stays the same. The enemy programs all talk in regards to how one must "Dissipate" and "Let go" into the "infinite" and stop existing, since existence is mundane and non-sense. They create the physical life of people in accordance to the same exact deal. Buddhism, Christianity, Islam, all preach the same.

This is the literal death of the Soul. The enemy kills every ability of Humanity to advance and "evolve" into the next stage of its existence. And no, digital "virtual reality" girlfriends, jello lampshades, trips to the moon with a spaceship by 2050, will not change this fact. They will just keep prolonging this eternal suffering that humanity is undergoing from being kept from its evolution. Only the sufferers will be in a different "place".

As far as personal Karma goes, one can see this in Astrology. Especially in many charts, one will see their chart, and if the astrologer that assists the person is experienced or one has enough knowledge, they can see all the life of "normal" people on paper. By "Normal" we mean spiritually non-awakened people. To be fairly simple, Karma is the energies that are "Set" at the time of birth that define one's relationship with existence. These can be better and worse. When the enemy is posed with questions, nobody can really answer. Those who have bad charts, why do they have bad charts? Those that hit the top, why does that happen? For all questions that the enemy does not want to answer, they just call it "luck and chance". Satan knows better and relates the Truth, however.

In one other sermon of these series, I have explained how what we can call as "Racial Karma" works. Races are LABOR, and this is also physical and metaphysical. Through the process of evolution, Human beings, according to the universal blueprint, they reach a point of evolution, where their genetics become as advanced as to own a "Soul". Satan helped us evolve to this point of existence by creating us with such genetics. However, nobody is created equal.

In this case, the offspring has one "first" birth, that is purely the choice of their parents. This is nothing bad or wrong in itself. One has a "First lifetime" upon which they exist. Now, at this point, the parents made the choice as "original creators" and one takes shape and form. One doesn't reincarnate, one is just being born. After this lifetime, one can start to reincarnate and one accumulates experiences and "karma" in accordance to this. In their first incarnation, one shares the "Karma" of their parents, their parents being their literal creators in the physical and metaphysical sense. From there on when one reincarnates, one again regains "Karma" from their "Parents", but one can be reincarnated as a Soul. The "parents"(or even absence thereof) can and will affect the child, for better or for worse, and shape a major part of the person's psychology, anyhow.

This is the deterministic part of nature, that is not really deterministic, just natural. The enemy twisted and perverted this into insanity, and used this to feed their general "determinism" in their shitty understanding which is enforced to all Humanity. One can escape from this by development of the Soul, attentiveness and consciousness choice, and clear the good from the bad. One then becomes an actual individual. Most people never get through this process, and this is why they become just a blueprint of these influences. What I want to show through this, is that people share their own karma one on another, and this can be shown in Synastry in the inter-relations of this thing.

I think this is simply understood. This extends further to races, peoples, family lines, even countries and this has to do with individual physical and metaphysical development, knowledge on the behalf of the parents and the list goes. This is why there are "Royal" families and simpler families.

Even observed from a physical standby, those who have the slightest knowledge of psychology do know that the "parents" are a catalytic beginning in one's existence, Karma or life. Normally, people should be able to go "past" these problems, and just reap the benefits, however, the enemy has made a reality where you are exactly what your parents "made" you to be. This is because the Soul is cut off, so therefore, people have absolutely no touch on the "Karma". As the energies are "Set" or "Reincarnated" at the time of birth, so they remain through the life.

The planets take their turns (The planets symbolize the influences exerted upon forces that we call "Gods" in short terms) and one lives their lives accordingly. As people know, the planets correspond to Chakras. The Chakras link someone to the universe or existence. Physically speaking, these manifest here as the physical body. The "relation" between one and existence, also ties into "Karma". These "influences" have certain laws that can be understood by occultists and astrologers, or that may not be able to be "understood" completely.

To people who are locked on spiritual knockdown, they have made the theories of "Chance" and "Luck" so they can sleep at night. The fact that many things are "determined", by "choice" (even if one knows they choose or not) does not mean that anything is "Determined", as every force can be altered by another force. This is the teaching of Satan, who in the fable of Siva, was the first "God" to defeat the planets.

Normally, in a sane world, part of the battle that has to happen so that human beings can survive, there is a part where people have to survive and "conquer" these external influences. From this came the false-placed allegory of "Man reigning over the Gods (meaning the Planets)" and all the forces of nature that keep us in strict control. This process can be hard, lengthy, and there are many things into it. This is done through meditation.

Whether people like it or not, or remember it or not, they do possess an astral body. The biggest joke the enemy has pushed on people, is the fact that there is "chance", "You only

live once" and that everything is "coincidental". For any coincidence to happen, there have to be interacting forces, however. And for there to be forces, someone has to guide these forces. This is how "Karma" works.

Not all humans do possess an astral body, and one part of this body is actually the "Female" part, or on a lower level, the female mind. The female mind is responsible for heartbeat, and pretty much the billions of processes take place on the "Background" as one exists. It's also responsible for the metaphysical aspects of working one's existence. This mind can be "opened" and it can be "programmed" to a degree. This roughly below here can be the genetics, hypnosis or anything else of that nature, but these don't really explain the deeper essence of this. The deeper essence lies in what is called "The Soul". As I arrayed in another part, especially the Sermon on Reincarnation, there is interaction in all the parts of the "Soul" and the bodies.

So here we have the good and the bad news. I will start with the bad news. The Egyptian people have figured out as the Gods related to them, that CONSCIOUSNESS is everything. What's so important about CONSCIOUSNESS however? We can also call "CONSCIOUSNESS", as "ATTENTIVENESS". Attentiveness means the simple thing; I pay attention, as a conscious entity. This means, that one pays attention to what is happening "around" or "within". This insight, through meditation, gives insight and control over the "automatic" processes of the female part of the Soul or Mind, which directly tie into "Karma". If one does not attend on these, the Soul can actually wither away and die, and one's whole existence will be a programmed loop, until they stop existing.

How this "Loop" will be defined, as I said above, unless external spiritual forces of conscious beings intervene, will be "As Fated" (as chosen by the other existences that brought them into birth in a semi-conscious act). The enemy is however angry in the fact that Satan, has given us the ability to be conscious. This involves advanced genetics, the third eye, the power to perceive, and higher intelligence than all the animals.

In simpler terms, if one is not conscious, their "Karma" will play exactly as it was programmed and forced by any forces at the time of their Birth etc. The "accumulation" of Karma, also manifests below here as addictions, good or bad dreams for better or for worse, relationships with others, with reality, with anything and everything. All this can be understood by attentiveness and astrology, at least in a personal level. Of course, the enemy breeds people systematically with an average IQ of 70, but this should not prohibit the seekers of Truth in having self-trust and investigating these matters.

With knowledge, everything can be known. Energy can be observed, and one can notice patterns. Astrology and all other means do shed "Light" into these darkened areas of existence. "Will" and "Energy" or what we know today as "Programming" can be tapped into and changed. Karma plays upon the Astral body and the higher realms, and manifests here below in the physical realm in other forms. One instance to help people understand this, is let's say someone with a first house Neptune. The person is generally disposed to be spiritually open and aware, to the point that the feelings can make one fragile and easy

to break.

One's Karma can be observed through everywhere. It can be through the Eye of Satan (3rd eye) or Astrology, or clairvoyance. The "Karma" is stored in the Soul and blooms like a flower, for better or for worse, when the circumstances of the external world, and enough energy are applied.

In this current age we live in, without spirituality, the "spiritual" energy of Neptune will manifest in the "closer" route, which are the hallucinogenic drugs put here by the enemy. Therefore, one becomes a drug addict and they get destroyed, instead of advancing. This should also show how others, can affect each other's Karma. As I have related in all my work these years, the enemy is fully conscious of these things and they use these.

One "Karmic" event one can observe is that of an accident. An accident is called an accident because one loses attention, and they fall into an accident. This is a very simple way to understand why "attentiveness" is important. Now for the good news, as the mind can create the "good" or "bad" Karma, it has also the ability to master it, direct it and give one True Freedom away from this "Rotar". This is the essence of Satanism. The "Eye of Satan" is glorified because through this, one gets the insight into the Human Soul, or for more accurate saying, the higher dimension of existence, through which the "Karma" takes place, and can be altered down here, so that one is finally free. This is not easy at all, and this is the essence of real evolution. People nowadays don't really possess free will when it comes to any of this. They have the POTENTIAL of FREE WILL, given by Satan.

Satan was not allowed to finish the Great Work upon Humanity, and therefore Humanity was not a "God". However, Satan and the Gods are here to guide everyone into this path if so they choose.

The lie of "Free Will" is perpetrated by the enemy on purpose to misguide humanity into thinking they are free. It's even proven by brain scanning, that the female part of the mind dominates most "Conscious" choices. This can be seen in how people involuntarily fall in love and everything else. This is not \*GOOD\* or \*BAD\* as a mechanism, what is bad is that the female mind is tempered by bad "Karma" and by the enemy subconscious programming, and people always make the wrong choices. This reeks into civilizations, households and relationships. This can be fixed. From this results what we know of "Suffering" and everything else. The solutions are meditation, attentiveness and knowledge that one has the potential to develop a free will. As thus, one escapes the "Rotar".

While Karma (as in the karma of one's whole life), for the exceptionally experienced people and Masters of Meditations, can be controlled through the Will and Conscious effort, one can just alter their Karma with simply, the spiritual means. As I stated above, all this manifests in the higher realms. One can see disease astrally, even tendencies and underlying problems, or gifts of all sorts. Karma has grades and depths. As one meditates, one raises "above" Karma, as their energies are becoming brighter and the brightness of

the Soul ensures positive things.

This manifests in the Astral body as the "Tree of Life", which represents the Human Soul. In there, one can see the "branches" (nadis) and the "Vibrancy" (light of the Soul) of the tree, the vibration, one's existence, and the list goes endless. If one can water the tree and everything else, defines the Tree of "LIFE". Life doesn't always mean internal life, it also means external life. The same goes for the protection meditation. Will is finally exercised to take the "route set" by all other forces. One really starts to exist in a starting stage. One defends themselves from these negative influences and energies that the universe and other sources exert on somebody.

Cleaning the Soul has also the same effect. As for superior workings of guiding one's complete life, or "giant Karma", or anything like this- I am not obligated to extend further, but all I can say, is that this is the essence of Magick. Essentially, magick affects the "Karma". Things that would not "Normally" happen, "Can" happen. Anything is virtually possible, but that doesn't mean everything can be done with one's present power. This is why advancing in power is important. But one must first advance on insight. Be attentive.

One last note to close the Karma and the Personal Karma, is that actually, one can also affect "Karma" from the physical realm. One doesn't really reach the source of the problem, but the symptoms can be "Controlled" from below in some ways. One example here is one is sick, and they get a disease. They have a surgery and they "Remove" the outcome of the disease. That is not pleasant and might have other outcomes, however, the real disease begun at the Soul and is rooted in the Karma.

So the disease might again re-surface in the future, or one may never heal and the list goes on. The Karma can be changed, as far as some things go, by one's personal choices and "Eksis", which Aristotle talked about. Simply, the life choices, and the "persistence"- or more simply, the habits one develops.

For instance, certain habits, produce certain outcomes. These can be understood by logic. One's "Karma" can adjust to these, as a liquid can attach to a new glass. For instance, one may have a very violent and warlike natal chart. Instead of one becoming an underdog murderer, they become a military personnel, a master martial artists, or whatever else of that nature. This can be manipulated from the physical realm, but the effects may not be permanent in the Soul, unless this is ingrained into the Soul by over-the counter "habitualization" of something.

In a simple paradigm, one follows a diet that makes them fatter. Soon, they will be turning into a whale. If the diet is stopped, and one changes it or exercises, the problem might disappear. One will not have to deal with the karma. This is where attentiveness and choice come into play, and they don't really need metaphysical means to be worked, unless one needs more serious means for that reason.

Another instance, is that someone meets with someone who is a horrific influence to

them. For whatever reason, they continue association. This ends in disaster for one, or both parties. If only they used some intelligence to stop this (its not THAT easy in many ways, and sometime "Karma" is a pure brutalizer of "Free Will") one would stop this. One can still act on anything, just by mere intelligence. This is why the enemy attacks intelligence, natural common sense and does so spitefully. Intelligence on its own is a fundamental beginning in order for someone to be free. This is why the enemy pushes massive bastardization and retardation, amongst other nefarious purposes.

The best way to escape "Karma" is habitualizing the things one likes, and enforcing the matter from the spiritual realm as well, until the problem is blotted out and one reaches the desirable outcome. This can be easier or harder, depending on the depth of the ingrained "Karma" or "Residue" that exists therein.

One closing note: Your Karma does not have to do with how much jewish ass you have kissed, if you were a good Shabbos Goyim, or if you actually prayed to "Allah" the other day or not. However, these people play "Karma" and "God" by actively manipulating and attacking all others who are spiritually ignorant, so they think of them as "God" or "Sons of God". Physical means are also used, and this affects someone accordingly.

Karma can, and is actively being manipulated for the enemy. The naive enemy excrement gatekeepers say some things like "Oh, if you do bad theengz u gon be punished!" The jews have however went for thousands of years without and "punishment" whatsoever, other than some flack here and there. "Karma" can be redirected, and can be used against others as well. Jews never payed for their Karma, but everyone else does. "God" is above "Karma" and "God" is anyone who knows and controls this principle. At least to others who do not know.

I hope this clears up the "Personal Karma" and how it works and the means people can work to correct these. The other piece will tie into the "larger" families of Karma, such as family Karma, Race Karma and the list goes.

## [Dealing With Astral Entities - Mass Karma - Part 4 \(2/2\)](#)

▣ Thu Nov 10, 2016 2:39 am

Hoodedcobra666

Greetings to all our People and Satanic Comrades.

For Short, I had to put "Dealing With Astral Entities" in DWAE.

How it is sometimes, is when you have something planned, always something pops, especially in our case which demands our total daily attention. This is because there is always much to do for Satan, and the Gods. This never ends.

Now this to examine a step deeper into Karma. As I have analyzed in the first part of the series, this will deal with the other part. I will call it "Massive" Karma as this deals with masses.

To make it easily understandable, let's say that Mass Karma is in many ways a sum up of individual Karma's. This is a very simplistic way to put it, but at least it can help us see the first thing that comes to categorization. For instance, the people affect each other's karma, in many ways. This is not only spiritual, this is also by many means physical and happens on the physical level. The root of this is metaphysical.

For instance when we have a relationship, we have a synastry chart forming. This shows some of the dynamics of the given relationship. Then we can extend this to the family, then to larger units of people, states, nations etc. The base of this, as with the individuals, is the Race. One of the reasons the jews want to mix Races is because they want to mix their "Karma". This is why many other Races who don't labor, see intermixing with other races with a better existence, as a 'saving' of their position.

This is because the enemy has forcibly removed the means of advancement, the Spiritual advancement, and the native culture that keeps people intact. I also want to clarify that I am NOT talking about petty tribalism. I just see three large races, and then the people who are in between. The message of this post is not to escalate into senseless confusion, as those who like to be offended might be.

A lot of people also form relationships, and the list goes. Karma is tied with personal action and choice. Let's take for example the Japanese. The Japanese of course are open to travellers, culturally loyal, and a very advanced and futuristic civilization, which in most ways is also crime-less. They have made a paradise for themselves. This has happened because of labor. Nobody gave them that. The same is the case everywhere.

The jew as everyone knows is a lazy parasite. This is why in most ways, jews always want slaves to work for them, emphasize slavery, or abuse others etc. This is just how they are. However, this is not the mentality to get anywhere in the longterm. This is why I keep saying the jews don't really have a destiny. Where all Gentiles can reach by

advancing, jews will never reach, because they are different. Others will, sooner or later, advance.

There are also many who mimic the jews, however, thinking this is a fast route to 'bettering' their condition. Instead of working on correcting anything, they literally ingest themselves into the "Karma" of another race, and get absorbed into their lands, tenets, or even gene-pool, all of which are generated by the Karma of these particular people/races/units. This is bad and doesn't really help neither the person on the receiving, or the giving side, in most ways. "Racism" in the negative and aggressive sense is the expression of a comeback for this thing. If things clash beyond a level, these units will literally fight.

There are four ways it can go. In the case one, people may fight it over. In the case two, people may peacefully co-exist, but without intermingling past a point, everyone develops on their pace under one flag (The USA could do this to save its ass). In case three, people may be assimilated into one clump or new race (both races lose in this process in all ways)- clashes, death and anguish are more than likely the result of this, same as longterm permanent destruction of everyone involved. In case four we have separated, healthy co-operation of sentient and highly advanced Races, and this is the ideal system the Gods follow. In the fourth instance, everyone is safe, sound, and advances their blueprint, while maintaining friendly relations/alliances of True spirit.

This also shows mutual respect, as one does not want to destroy the other by mixing them out of existence etc. Those who are produced by the in-between, become either a friendly race of their own, or just re-assimilate where they feel at home- in the given they do what they are supposed to do to keep up with the culture. (Jews and literal parasites NOT included).

However as all of us here know, most if not MOST gentiles have fell into victims as the jews have been using them like pawns. This pawn against this pawn, and so forth.

Instead, the symptoms of any defunct Karma are just 'hidden' and so they remain until the circumstances allow of what one 'is' to manifest. The same thing goes elsewhere.

For example the jews did not have the power to fully express who they are, which is what they write in the Talmud and in the rest of their cultural literature. When circumstances will allow, as they do now to an extent such as all the crimes they do, it will manifest. And if it does, it will be too late.

This is why civilizations with many races are collapsed/or naturally tend to never 'assimilate' in any way, and as you can see in the USA, many individual Races and such, are forming their own conditions of Karma in certain places. The jews of course are the misfortune which infact doesn't allow anything to come in its own terms. Let alone xianity and the related programs, who reinforce the worst in everyone. This is why you change neighborhoods, or states, and you see a completely different level of being, not only economically wise, but in many other ways. This is a rough explanation as to the

dynamics of this, but these are more complex.

To understand this easily, let's take a family. If everyone in the family has a good chart for wealth, is industrious etc, the family will more than likely prosper. You add one person with a disability let's say, the Karma changes. You add two people who are lazy, and this setbacks the others and the list goes. The jews, because they lie behind many of these problems by magickally and physically interfering with the Karma of all other people (Remember, they have taken the position of 'god' in the physical due to belief of the dumb), they literally wreck families, states and such alike. In the same way a negative, deadly and parasitic person is a heavy burden for any unit trying to advance, this is the same case here in families, countries, states and the like.

A jew is incapable of really producing civilization or anything else, but made by its foreign creator intelligent enough to understand the spoils of those superior, and of course demand them. If one falls on their level, the jews get into their countries, infecting them in a parasitic relation. This bleeds the victim dry. In the same way some people can help us advance, others mean our death, and this is in nature, and also natal charts and the list goes.

But let's observe the matter in reverse. We have one person who doesn't like washing. They literally love filth and garbage. You bring this person inside the person of a clean disposition, who do you think will "prevail". The cleaning person, or the defiling one? Defilement doesn't take absolutely any effort in nature. The downfall spiral happens by mere passivity. The upwards needs mental consciousness, activity and action. This is how nature is.

So what is the person with a clean disposition going to do? Clean the feces, garbage and excrement of the other person, who for any reason, loves defilement. How is this possible to convince the clean person to tolerate the dirty person, given this is unnatural to the fullest? Something like "Christianity" would be the answer here. Which is nothing but a program of tolerance of crap, misfortune, acceptance of death, victimization, with the ultimate purpose of weakening people down so that the parasitic jews can rule them. This opens the doors wide.

The uprising of the '3rd world' is nothing but the instigated "Karma" where the jews try to make others do what the jews have done, to use them in their agenda. Instead of the people be guided to elevate themselves, fix their national/racial Karma, become intelligent and advance, the jews tell them to migrate to the "West" which is a Paradise. And why is the West a paradise? Because other people have been building it, other than those coming. And of course this won't last forever in this condition if this was to continue, and this is exactly the jewish aim, who by their parasitic nature cannot devise creative solutions, but they in their parasitic death as a virus that has infected a body, will kill the body and then have no body to house it anymore.

Every lifeform has Karma. When lifeforms co-exist and co-advance, this creates a karma for them. As explained above, this can turn even into countries, destinies of countries and

the list goes. The Blood of a Race is actually a gateway to their spiritual purpose. As thus the Gods demand Racial States and the main Races to be separate from one another, as to meet their purpose accordingly and elevate on their own pace. The Blood is not some trivial matter. It shows a lot of things. New races can be created, that harbor and have the characteristics and mixed things of two or more races, but this recurring process causes not only confusion in the Karma, but also this manifests in many other ways as in people first and foremost feeling 'torn' between two parts of what they are. Ideally, they should choose and re-assimilate where they feel good.

Now why the Jews want to racemix people into ONE race, this should ring obvious. One Race will only have ONE karma- and ONE destiny. The Jews of course sum it up as such: To be slaves of the elect Jews. The race mixing agenda makes total sense spiritually, physically and in all levels. One who wants slaves would of course desire this for their 'cattle'. The Gods stand on the opposite direction, as they want the species of Humanity to advance, not return to being apes.

This is not what the Gods intended for Humanity. They created different Races with different purposes and reasons of existence, which are holy and known to them. These can be realized by meditation. You don't need to verbally know, but you will be able to feel it when you advance. When one advances, they will also understand this in more 'applicable' terms.

Nations and States as such, being like living entities on a large scale, they have their own Karma etc. For instance if you look at the USA, you can see all sorts of things. If you look in Europe, you will see 'stricter' Karma, or India, which is why the Jews want to dilute and destroy these people a lot. This makes the Jews scared, as Karma and a good Karma generates positive outcomes of a metaphysical, and physically uncontrollable nature. You can't really predict this. This has to do with the power of consciousness to materialize into the physical, conditions that represent it. The Jews want to abolish this, which is called witchcraft, but witchcraft is actually part of nature and it happens in many ways, not only a specific one.

But if you wipe out the bearer of it, the man, this will also be abolished. This is why the Jews don't tell anyone to advance in anyway spiritually. The war against Satan is purposeful. Satan is TRUTH. TRUTH in Greek means MEMORY. Memory means KARMA. This very Soul Memory that ties us to the Gods and our Ancestors, cannot really be understood with a deep meaning, except of bizarre 'theorems' or empty crap, or be forgotten completely. This makes the Jews laugh and feel they are approaching their own 'karmic purpose' which they have set as a goal- to enslave others. Don't ask me why. That's how the Jews see it.

First of all, your advancement 'saves' your family or even lot in a sense, and your ancestral line from all this recurring spiritual damage that many people have 'inherited'. This is in the astral body, and this passes down to children, who stand chances to no longer experience the negative karma such as bad health the ancestors have sown. Of course this is not always intentional. In that sense, nobody is a 'victim' of anything deep

down, as we belong as links without disconnection to our racial lines and the list goes.

Its our duty and its on our 'consciousness' to fix these up, so that the next one's will have it better, and the list goes endless, until a final product of man is produced that we presently cannot even conceive. Those who do more work, are better. Those who do less, are worse. This is why the Gods gave spiritual knowledge to \*ALL\* Gentiles. That way the Gods are JUST and from there on, its our own bussiness as creatures to see what we will do with this knowledge. Apply, or deny and rot?

This is the Godman, like Satan and the Gods. In that sense, all Races of Humanity need to reach that status, so that Humanity can advance towards the next level. This is done through the metaphysical means Satan and the Gods left behind, and not by injecting hormones or hooking internet chips in your brain. This is infact a karma of dependency, and inferior, and not a karma where the real secrets of life have been unlocked and given freely to humanity.

In a more gruesome sense, the jews are like a race of damaged, extremely race mixed, alien modified creatures. As such due to incapability to exist on hteir own, the ride the White men like parasites, so they exploit the White Man's Karma, that produced things like good civilizations, health, civilization and the list goes- the jews could never make this on their own, as they are not on any such level of development. Other Gentiles of course are great in this department, while others are learning, but the thing is for the jew, who is an alien enemy, to be revealed.

The jews are robbing the Karma of the Gentiles to advance themselves. For example, they have drained Africa completely financially, and mixed the Karma of the Black people with the White people forcibly, by creating not only Race Mixing, but many other works of insanity. These are extreme crimes and all higher beings who see this will not see it favorably. The Gods see it with hatred, as this goes against the will of Nature to advance its blueprints. The jews are accursed from nature for that reason, amongst many others. In the jewish tribe one sees mistakes, psychopathy, and disgust that is amassed for centuries. It didn't happen yesterday. Of course by masking, exploiting Gentile scientific advances, stealing, robbing, confusing and degradation of their 'enemy stock' the jews hope that just in time they will steal from us the necessary advances in order to become better, and dump us with it. This is why they live amongst us.

So as to get back to mass Karma, mass Karma is no different than how everyone has a pluto, a neptune and their generational planets or setups. Everyone has influences by these, and these are large. One powerful enough, can pierce through this, and create their individual life, or change this order. This is what we have been doing. In technical terms we are washing away of Humanity the inflicted karma caused by the enemy, and this will manifest also in a better world. This is the real meaning of the "Darkness" which will be defeated by the Light. The climax of Karma is where people control everything based on their true will, and not low animalistic rules of the cosmos. And by true will, I mean in the highest accordance with Satyan, Eternal Truth. Not rabbi shekelstein's new book that masquerades as 'tru theory'.

In closing, spiritually speaking, loving one's people, wanting to preserve them, looking for a better future for them etc, is all very healthy and natural tendency, with deeply rooted spiritual foundations that deal with the purpose of existence as well. Again, this is not always verbal, and SATANISM is the exact religion of understanding this. This is why it is open to all Gentiles, so that everyone can reclaim the lost crown of freedom for themselves, those worthwhile, and in the end, so that everything else will be raised due to this massive, spiritual awakening.

Like the individual spirit transforms, so does the massive spirit. This is the most direct way to save "humanity", more than being vegan, going to church, or giving 6 trillion \$\$\$ to Shlomo Shekelstein for his campaign of "Tikkun Olam". To save one's self is the major step in saving the world. As thus the ripped off story of Jesus being savior and rupturing others, deals to that, and we are again looking as OSIRIS- the bringer of the Light and defeater of Death. Only, not a Jew ripped from Osiris holds the key to personal, or massive karma absolvance.

Only Work, spiritual ascention and spiritual labor, rewarded by the universe, do this. This way humanity can be saved massively from decay.

So help yourself.

## [Dealing with the Alien Attacks of the Enemy](#)

▣ Tue Mar 07, 2017 12:07 am

Hoodedcobra666

Greetings to all our People and Satanic Comrades.

I am writing this for people struggling with attacks by the enemy aliens. The worthless, cattle joe's and dumbasses are those who always deny their existence, well, because they are afraid. They \*WISH\* it wasn't the case, so they can live their sorry lives thinking they are entirely "Free Humans". Powers that be, governments, and people like us here who spiritually advance and are a threat to them, are all very aware of their existence. We Satanists know firsthand.

**Its BEST to not even think about them, or give one damn, and tune them out, but I write this post for if they persist. The best for you is to always remain protected and attentive and never have to face any such drama.**

Additionally, if you spill your milk or by accident destroy your pancakes, that is not necessarily the aliens, or some form from outer space. A lot of people compensate for their own weakness and say its always someone else. Do not transfer this weakling thought into Satanism, when its not necessary. Attacks from the enemy are serious. Then, we have Karma and negativity people draw to themselves, which again, is nobody else's fault.

With the above being stated, let's get into the serious stuff now.

When one's spiritual sight opens, and when one makes a struggle to advance, the filled with "Love" masters of xianity and all the other filthy alien programs show their alien self. Then one understands their wills pretty clear, that is to kill and destroy. However, we have Satan, and as thus, few of their things can really get to us.

That is in the given, that we do our own end of the deal in meditation and protection. People who advance but don't protect themselves, sooner or later, will come to the attention of the wrong beings, and either be forced to succumb, or be made into a bad ending.

Quite a few people are born with psychic powers here and there, even if the enemy has tried to systematically murder the 'witches'. Few to none people know how to use, protect and procure these powers however, and therefore, the enemy enslaves them.

Now, if you find them crossing you, you will know, as they are obsessive, compulsive and lowlifes. These mainly go after the people who are a major threat for some reason. These aliens believe the earth belongs to them, and they want to race-mix humanity to make it into a big, giant, cattle farm, where they can reign supreme.

Why the enemy doesn't attack many cattle and normal people? Simply: energy waste. They have already been defeated and are already blind.

Gifted spiritual humans are a threat to them, so they try to get them into drugs, or get them hooked in their own side before they can even make a choice. Drug use is extremely pushed by aliens, as it makes people docile, dependent, and easily controlled. You cut their weed and you see them take twists like spazzers. Yea, very (((free)))people, indeed.

The main attack the enemy does is incessant telepathy. You may for example get negative, compulsive thoughts that are damning, in your head. If you encounter this, try at first to tune it out. Tuning a good and most important thing you can do. Then, you can do an RTR and curse them. If everytime they attack you, you just curse them back, then at some point it becomes a waste of their time, but NOT of yours because you damage them. The 72 Names RTR attacks their hive conduit of energy directly, something which may piss off these slavers.

Normally, they quit after a while. Of course, cleaning your aura and meditation plus

STRONG protection is mandatory. For those more open, you may see them, especially when in a deep trance and meditating.

The Satanic Blue fire, and vibrating SATANAS or SATAN, actually ties into the consciousness of Satan Himself. This is a virulent pesticide for the enemy, as it drives them away on its own most of the time. At the worst circumstance, you just have to keep and keep projecting them where you see them.

If you are attacked in your sleep, you will more than likely be aware of it. Try to memorize Satan's name and call it in your sleep and the attack will end. Also, try to move your body as it has been written before, or your astral hands and legs. If you do this, you will more than likely wake up. When you are up, do some cleaning, and also, protection. Its better to not sleep immediately without doing such.

When your bio-electricity is at odds or low, your aura becomes less thick and more easily penetrated by just about anything. Therefore, your normal daily meditation is one of the best ways to handle this and more than likely not have to worry about things.

On one hand, without Satan's help, Humanity doesn't stand one snowflake's chance in "Hell" to survive these aliens or go against their plan. On the other hand, humans are strong enough to ward off and keep these pests away from our civilization, that is, if we apply Satan's knowledge. Then, one can even surpass these pests and get on an even higher level. The enemy agents and the enemy religions also, because of the mass cattle that is siphoned, is an antenna of attraction for these parasites.

Satan doesn't want his followers to meditate for no reason. The meditations and yoga, and maintaining a positive mindset, do actually keep humanity away of calamities and the dimensions in the astral that this pest exists. Therefore, we don't experience it either if we meditate and push it away. However, beings like the jews opened the doors wide and open for their 'chosen' friends with whom they have a 'covenant'.

Now they 'pray' and with their kike programs, invite all this death and misery on the planet. This is why the New World order, or (((prophecies))) of mass death, annihilation and destruction take place. Its just the expressed will of these alien hives, and these parasitic alien races of the jews and their lackey lapdogs.

Islam is a major antenna of attraction- notice all this cattle bowing to this rock of stone that amasses energy for the enemy. "Allah" is quite an attention whore, considering it is a "God". Why? Because well its an alien mass and nothing else but astral feces and garbage.

Therefore, the more followers the enemy loses, the more their influence will dwindle and get reduced, and they will leave humanity alone. Ideally, human civilization MUST advance past a point where these aliens are understood and fought directly, but the enemy forces race mixing and civilization wrecking so this will never happen.

Lastly- STOP focusing or being afraid of the enemy. Start being FOCUSED and CONFIDENT in Satan. Draw Satan and the Gods influence close to you. What you think, is what you attract. Maintain thoughts of the Gods, holy thoughts, and banish the enemy with the RTR's and other warfare, rather than 'dwell' and 'worry'. This does them the most harm.

Meditation, protection, keeping a positive mindset, learning to disassociate attacks from personal karma/misfortunes, bravery, total conviction in your potential and in Satan, and dwelling on SATAN instead of the enemy, are the best solutions for dealing with any pest above or below.

## **Dealing with Astral Entities: Past Life Memory and Race Soul**

▣Sun Jun 04, 2017 10:00 am

**High Priest Hoodedcobra666**

Greetings to all our Family and Satanic People.

Well this deals with what the title says. I am writing this to clean up some particular things that may have people confused.

Many people when they learn about past lives, they become highly interested in such. Depending on the maturity of the person, they may look on what has come 'before' and see things ranging from Truth, to absolute delusion, to some truths mixed with lies, and so forth.

This is why I always advise people to actually work a lot spiritually before they do this process. This is because hangups, fears, insecurities, and wanting to fill one's self to compensate for lack of power and success in this life can subvert a person. The subconscious of the untrained person can be tricky, and filled with programmings that lead to this.

This is the reason many people who are new spiritually and are unfounded in observations, can suddenly say things like, if they are Mexican, that they were the Great Montezuma, or other people can say they were Lao Tzu, or "Me Wuz Napoleon" immediately. Now these things, sometimes have some reality in them, but I will explain what is going on to rectify the situation. But this cannot be explained before I explain some other things.

All races have a racial soul tree, so to say. This is like a massive pool of memories, understanding and spiritual roots, to simplify this. All members of a race are connected through this tree, as such, we have races and soul families. People who dabble and are spiritually inexperienced, can sometimes see delusion, PLUS things from this tree if they are open, and sometimes get into memories of such tree.

Others are caught in complete astral delusion and just see their own delusions. The power and SATAN has to rise in the soul (sense of understanding and wisdom) to see correctly. One should better of remove hangups, so that they are not trapped in false observation.

If someone is something very great, it will show up in the natal chart, in the life, in the wisdom, and everything else. It will be apparent in everything from a younger age. This is because this is carried from the past life, given as passed down from the Race Tree, or both these things. Normally, these go together. The more developed persons are in a fitting place in the race tree so to say.

Now, great men, women and souls in our racial tree, they are very influential in our racial unconscious. We are connected in a genetic level and soul tree with these people. So when we meditate, we find our 'roots' and start feeling this tree. This is why we get to feel and seek our ancestors when we become more conscious, so to say.

Some people are "RIGHT" that they are related to these great people, because they are. Now, the distance in the tree ranges, and of course, that doesn't imply that one \*IS\* that person.

In a sense, part of them, racially wise, is in them, and theirs in them, but only in the racial unconscious. As individual entities, people have their own future, so to say. If we meditate and advance, we also help and correct our Racial Tree, and uplift all of it's members. We are making space also for ourselves. This is on an astral level. Sometimes, people when they do past life regression, may see such powerful events that happened in the tree of their race, rather than their individual memories from a previous lifetime or such. This needs training.

From the above thing we have many unimportant people or young souls always saying they are 'Kangz', Pharaohs, or that they were Tesla in a past life. They belong to the race tree of this people, they WISH they were these people, and even that wish is actually a wish to point them to evolve THEMSELVES, and become better. They are observing, in short, a bright example.

Believing you're Tesla or an Apache helicopter, will not make you either. Therefore it's better to stop living in this subjective reality, because it keeps you back from your true potential. Additionally, the presence of a Tesla or an apache helicopter (lol) in your Race line, shows that you have the potential to get there. Let's not mix potential, with who we are in the present, and everything else.

All this fog is cleared by SATYAN - SATANAMA. The striving for Truth. When the

soul leaves behind dross, hangups and crap, it starts to see the light and accept reality joyously. You don't have to be a movie star to advance, or someone 'famous'. Anyone can do this, and anyone can raise on higher levels. That's the awesome thing about this. Spirituality is open for those who are after it, so to say.

Generally, it's not that great to mix the race trees (let's call these soul families), because this causes internal spiritual confusion. This causes unexpected outcomes. This is not negative, but if done incessantly, can have bad effects many generations down the line. As such the stupid saying that the 'sons and daughters' pay the 'sins of their parents'. This is perverted allegory of the jews, to hide this very fact.

How one is today is tied into the effort of those that came before them and how they managed to handle their time, if they decided to materially or spiritually advance, and such. No matter where one is, one can evolve, advance, and continue existing until they reach the higher levels. The point of such is to advance.

You will feel this as a drawing towards a particular civilization/past so to say. It will attract you, and also it will be obvious in who you are, your temperament and so forth.

As explained before in the series, races have karma. To mix such karma can have strange, and unexpected effects. If we have a spiritual family, they produce spiritual children, and so forth. To disrupt this, can have any effects, with generations ranging from the bottom to whatever so to say. The whole process of rectifying and raising one's soul to a higher level can become a mess. People reincarnate into their race lines, to continue the process of spiritual advancing.

Lastly, see how bright individuals help their own people and the world in general, in more than one way. This is actually why we say that the true potential of a race is not in the retards of such, but in the people who made this EFFORT to get "UP THERE". Notably, the people in the high levels may have absolutely no relation with the fallen leaves and the rotten branches of a tree, so to say.

The whole point of these spiritual teachings are to keep the trees of our races clean, pure, strong, empowered, and to grow and become fruitful and plentiful. This was known to all Ancient civilizations, and actively practiced. This is how the individuals of the Golden Ages came to be. Because the trees were being cleaned, the rotten branches cut off, and the trees taken care of, so to say. One makes sure to always lift one's self and the their race soul by advancing.

When one does regression, they have to be skilled, and better be clean spiritually- having deprogrammed one's self from a need to see lies, and conditioned one's self, without guilt, to see facts. This helps one raise in power.

I hope this clears up this issue in regards to Past Life regression and the Race Spiritual Tree.

## Preface

There is a war going on 'out there' involving other worlds, extending to different parts of our galaxy. The greys made a deal with the Vatican - wealth and power in exchange for souls. That was one. It all has to do with occult power, along with race as well. In addition to the mass murders and tortures of Gentiles, spiritual knowledge was forcibly removed. This is what Christianity and Islam are all about. Spiritual knowledge and occult power are systematically removed and replaced with meaningless crap. This is analogous to a sense taken from one side in a war, say one of the five senses and the enemy who has all five has an obvious clear advantage. The side with four or less will obviously lose.

In our case, this was the sixth sense that was removed along with knowledge pertaining to it. In its place, like I already wrote above- meaningless crap along with lies to replace it. The Inquisition even went as far as to murder the grandchildren and other descendants of so-called 'heretics.' This is because the "witchpower" is hereditary. This was a huge victory for the enemy, no different from communism where mass murders are committed to wipe out any memory of the former generations that were a threat. Then, the occult knowledge is kept in the hands of a few, mainly top Jews [they also have full control of the Vatican and also Islam at key points].

This was all accomplished with the help of the enemy human-hating greys and their reptilian superiors, and carried out by the Jews who are tied in with them. If one does the necessary research, there are many paintings of that period depicting an unusual amount of UFO activity. During the Second World War, there was also a high level of UFO activity when both opposing sides our Satan [National Socialism] vs. the enemy [communism] went head to head. Most of you also know about the Roswell incident in 1947, when the enemy greys became very confident along with post WW2 incidents involving them.

I posted a link to a youtube video here some time back, but it was taken down [so what else is new?]. This video for those of you who haven't seen it- here is

another link

<http://www.youtube.com/watch?v=R7kcWt02fnk&list=PL54952C23C765D3F4>

If you can't find it, if it gets taken down again, then look up "Ancient Aliens S02E05" or "Aliens and the Third Reich." Hopefully, the above link should work ok. Of course, there is the same slander, but the video itself is very revealing. Our side [Satan, The Empire of Orion"] worked with the Nazis. The other side- the enemy greys worked with those fighting for communism. Hitler vs. Stalin. WW2- things reached a climax, as never before in history.

If you note throughout history, and this goes back centuries, the greys- the Communist/Christian side always has been human hating, mass murdering, and brutally enslaving. Islam is no different. They are also prolific liars and deceivers who try to use, manipulate and promote slogans of "love," "equality," "brotherhood" and "better living conditions"; "a better life" to trap massive numbers of victims. This also comes along with their programs of "love" and "peace" resorting to endless mass murder, torture, war and the destruction of human life and spirit to accomplish their agenda of enslaving the entire world.

Quote from the Jewish Talmud:

Simeon Haddarsen, fol. 56-D: "When the Messiah comes every Jew will have 2800 slaves."

This has been going back and forth for a very long time and is not over with. In addition, each side has its own humans working here. I know most of the people on Satan's side here were born with certain marks. The enemy knew this a long time ago and gave the name for these birthmarks "witches' marks" which automatically meant death upon discovery. Our leaders; most were contacted by Satan early in life, before the age of their first Saturn return at 29-30. Satan has had his own souls, those who have been with him through many lifetimes, elite souls who attain the most powerful positions in this world such as Adolf Hitler, the reincarnation of Rameses II, a noted and very powerful historical figure and pharaoh. Some of the other top Third Reich Leaders were also reincarnations of important pharaohs. The importance and status one attains in a former life

usually comes much easier in succeeding lives- elite souls.

I hope the above answers your questions. The Christian and Islamic programs of filth involve much more than just what we are told about human history and this earth. You have to research, study and learn to think outside of what we are all told. I know there are people here who take this lightly or just blow it all off, but this is deadly serious. We need to reach as many people as possible and work to destroy the programs of the enemy with exposing Christianity and its twin of communism. Our entire future is on the line.

I also want to add that in spite of the enemy campaign to destroy all Gentile spiritual knowledge, some still survives. In Russia and the Caucasus, there is knowledge of a centuries old protective and benevolent spirit that was very much revered and the name was "SHAYTAN." There is reference to this in the book in the chapter about the Almasty: *The New Soviet Psychic Discoveries: A First-Hand Report on the Startling Breakthroughs in Russian Parapsychology* Paperback - September 1, 1979 by Henry Gris and William Dick.

- High Priestess Maxine Dietrich

“Communism and xianity are the same. Satan wants us to now focus on destroying communism. People need to know it is the Jews behind both. From what we have been getting in the news here, it appears the Jews are trying to resurrect communism again in Russia. They must be stopped. Several also in the JoS ministry are all getting the same message from Satan and the Powers of Hell - *destroy communism*”.

# The essence of communism

## Communism Is A Religion

Danielou was correct when he called Marxism the last world religion.

Communism is a religion. This documentary film shows life in this society. They have literally created a religion of the cult of the Communist state and leaders. The head leaders are turned into near mythical-supernatural messianic beings on the level of a Jesus or Mohammed. Their lives are crafted into religious themed, mystical stories and complete with massive Temples and shines built to them across the nation. Their books are treated as Bibles or Koran's and the people forced into a literal cult of worship of them as divine hero's, full of religious zeal and fanaticism along with religious like parades and pageants. And the state as their church on earth. They even have a massive city built as the Vatican or Mecca to the state cult. This is something you would only expect to find in a place like Saudi Arabia.

As a wise person stated simply cross out God in the Bible and insert State and you have Communism.

This is what Jewish Christianity and Islam is designed to lead the planet into. As the Koran is just the Jewish Torah mixed with other Christian tales mixed with Mohammed. It plugs into the vortex of psychic power created by Judeo-Christianity.

The regime even made a calendar starting time at the birth of the original Communist leader. Where does that idea come from again:

The dating system of BC/AD was first devised in the sixth century by the Christian monk Dionysius Exiguus (c. 470-544), based on Christian beliefs, not on any discernible scientific facts. We are therefore working with backdated markers designed to make an artificial timeline supposedly created by the Lord God himself, when he miraculously took birth through the womb of a Jewish virgin girl."- D.M. Murdock

This film also shows the reality of people forced to eat literal baked dirt and tree bark to try and stay alive, hundreds of thousands and more dead from mass

starvation. Empty roads and cities, They can't even keep the power on in their capital it has constant black outs. No economy of anything in existence. Death camps and massive graveyards to the point they are reusing body bags because the state is running out of them. So many people are dying from starvation and disease.

The whole nation is crumbled into a tombworld. Full of massive mausoleum style monuments to the state cult that has exterminated them.

North Korea Documentary - Secret Filming Of A Country In Ruins - Little Left To See In North Korea

The winner of the 2001 International Emmy award for Best Documentary,

Welcome to North Korea is a grotesquely surreal look at the all-too-real conditions in modern-day North Korea.

Dutch filmmaker Peter Tetteroo and his associate Raymond Feddema spent a week in and around the North Korean capital of Pyongyang -- ample time to represent the starvation and deprivation afflicting a good portion of the population, and to offset such "contemporary" imagery as cars and public facilities with the conspicuous nonuse of these trappings.

As the filmmakers reveal, the North Koreans have no opportunity to compare their existence with that of the outside world, due to the near-total cutoff of news and free transportation.

The one predominant feature of this oppressed nation is manifested in the scores of statues, sculptures, and iconic paintings of North Korea's Communist dictator Kim Jong Il, who has gone to great and sometimes ruthless lengths to convince his subjects that he has inherited godlike powers from his equally "divine" father, the late Kim Il Sung (whose mummified body still lies in state, à la Lenin).

Were this not all too painfully true, Welcome to North Korea could easily pass as a grotesque fairy tale, out Grimm-ing anything found in Grimm.

The film made its American TV debut via the Cinemax cable network on March 18, 2003.

## Marxism or Nationalism

Ch. 10 of Politische Fibel by Hansjoerg Maennel, 16th (1940) edition. Translated by Hadding Scott, 2011.

### Marxism or Nationalism

Marxism stands for Democracy, the International, Pacifism, and the Class Struggle with the goal of the abolition of private ownership. The founder of this doctrine was Karl Marx (real name Mardochei\*; 1818—1883). Marx was a Jew; this fact in itself explains the entire manner and thrust of his thinking. He was no "proletarian," but came from bourgeois Jewish circumstances. Marx was also no workers' leader [Arbeiterfuehrer] but a typical literatus. He drew not from life, but from books. The liberal-capitalist writings of the English national economists [Volkswirtschaftler] strongly influenced him. His chief work is Das Kapital. It is teeming with unusual foreign words; a factory worker for example cannot understand it at all. There are no greater opposites than Karl Marx and Adolf Hitler.

Marxism incorporates in their acutest form all the fallacies of the 19th Century that plunged our folk into misery. The Marxists proclaim the International, they deny the value of folkdom, and want to replace it with "international solidarity." The Marxists were pacifists; they have always appealed to cowardice and conducted or glorified treason. Marxism openly called for the class struggle. The Marxists advocated democracy and parliamentarism; their biggest party called itself "Social-Democratic."

We have dealt with these views already. We have recognized that these principles are completely to be rejected, because they consistently bring about the collapse of a nation.

From the spirit of this pernicious fallacy Karl Marx constructed an economic theory. It would be amiss if we critically examined all the elements of Marxism. With that one could at best awaken the memory of this destructive way of thinking. In a few years the Marxist poison instead should be completely

extirpated, so that no German knows at all anymore what Marxism is. Therefore only the crucial point of Marxism should be extracted here.

Marx asserts: every entrepreneur always exploits his workers; no employer ever pays out the full earning. Consequently businesses grow at an ever-increasing rate. Big business absorbs small business. In a necessary process of development it finally reaches the point, according to Marx, that there are only a few big capitalists, who on the other hand are faced with an enormous army of proletarians.

On the basis of this prospect Marx does not, however, call for an economic policy that would prevent such a development. Rather he explains with quintessentially Jewish skill at distortion [Verdrehungskraft] that this development in the economy is to be welcomed: it is good that big capital constantly increases; it is good that there are ever more powerful, and accordingly fewer, capitalists. That is, according to Marx, a necessary development, which one cannot and should not prevent but only promote. Then, according to Marxist prophecy, comes the blink of an eye in which the few capitalists are dispossessed ("expropriation of the expropriators"(!), in other words dispossession of the dispossessors) by the teeming masses.

The proletariat is to wait patiently for this moment.

This doctrine of the Jew Karl Marx shows the whole fraud of Marxism. Here we discern that the goal of Marxism itself is like that of Capitalism: the dominion of World Jewry. We see the same thing when we consider the attitude toward private ownership. Marxism calls for dispossession, for the abolition of private ownership. Everything is to belong to the state. The result is a reward for the stupid and lazy along with a punishment for the efficient, who have achieved something and are now dispossessed, and with that comes a paralysis of productivity, an education for laziness and parasitism.

Capitalism on the other hand stands for the inviolability, the "sanctity" of private ownership. It is irrelevant how the capital was derived and how it is utilized. The result is the exploitation of the productive.

National-Socialism stands fundamentally on the side of private ownership. What each one creates through honest labor should belong to him. But the state has the right to dispossess when ownership is not used for the wellbeing of the folk or is not honestly gained.

- Effect of Marxism: everything belongs to one entity, the state, i.e. the Marxist leaders, thus to Jewry.
- Effect of Capitalism: everything belongs to one entity, the big capitalists, thus also to Jewry.
- Effect of National-Socialism: to each his due [jedem das Seine]; evaluation according to achievement.

Because of Adolf Hitler, the workers have been brought into the folk community, rooted in the soil, and de-proletarianized.

Marxism and Capitalism take ownership. National-Socialism makes ownership.

Both Marxism and Capitalism have the same Jewish goal and the same Jewish effect. In both, everything belongs to international high finance; all other human beings are propertyless: "proletarians."

The practice of Marxism has exposed the entire fraud for the German Worker. The ostensible concern for the proletarian was merely a dramatic performance [Spiegelfechterei] made to fool a great many workers and to rope them into the Jewish-led organizations. Marxism has always taken care that the middle classes and the entire bourgeoisie be ruined [vernichtet] and proletarianized. Thereby the Marxist parties also hoped to gain better prospects for agitation and thus better election results.

Social-Democracy and Communism both had the same final aim: they differed only in externals, because of different tactics. Communism is the consistent path of Marxist insanity. Especially in the KPD Lower Humanity organized for the murder of respectable [anstaendigen] Germandom, which joined the SA against the destruction and for the defense of all worthy things.

Adolf Hitler: "Everything from robberies, arsons, railroad attacks, assassination attempts, and so on, receives moral sanction in the Communist Idea. The method of individual mass terror alone has, in the course of a few years, cost the National-Socialist movement over 300 dead and ten-thousand injured.

In Communist Soviet Russia all foundations of folkdom are being systematically destroyed. Here there is no freedom for the worker or the farmer, no marriage and family, no religion, and no honor anymore. Here Asiatics and Jews are triumphant. Whoever opposes this slavery is crushed with bloody terror.

Before the National-Socialist Revolution the Marxist Terror in Germany was manifesting itself ever more clearly. Adolf Hitler had perceived that one could overcome the terror of Marxism not through bourgeois propriety and cowardice, but only through bitter opposition. To this end he founded the SA. The SA has shattered the Marxist Terror. They have accomplished their mission under the heaviest losses.

Marxism and Liberalism both have the same root. They are different varieties of the same Jewish Materialistic worldview. Marxism is a Liberalism with reversed early symptoms. Liberalism is the avarice of the "propertied class"; Marxism is the envy of the "unpropertied class." But National-Socialism is the sacrifice of one nation for the nation.

Marxism and Capitalism are both instruments of Jewry for the enslavement of peoples. Adolf Hitler recognized that one could break Jewish power only when one had led the German Worker out of the Marxist organizations.

The enormous propaganda campaign of the NSDAP had the goal of enlightening the German people about the deceit of Jewry. Whenever the bourgeois Capitalist parties turned against Marxism, they turned against the working class. But they represented essentially the same materialistic worldview as Marxism itself, only in another variation. Therefore the bourgeoisie was unable to defeat Marxism. No party of class, only a national movement, could accomplish this task.

The struggle of National-Socialism against Marxism was never a struggle against the worker, but always about the worker and for the worker. Therefore our

leader fought above all against the Marxist plague. This struggle has ended victoriously. The National-Socialist Revolution destroyed Marxism. At the onslaught of the SA this rotten doctrine collapsed like a house of cards.

Our leader has, with the destruction and eradication of Marxism, created the prerequisite for the reascent of Germany .

Joseph Goebbels: "We do not want to abolish ownership; rather we want to generalize ownership."

Adolf Hitler: "On the day when Marxism is smashed in Germany, its fetters are in truth broken forever. For never in our history have we been conquered because of the strength of our opponents, but always only because of our own vices and because of the enemies in our own camp."

Adolf Hitler: "The highest aim of the folkish state is thus the maintenance of those fundamental racial elements which, as imparters of culture, bring the beauty and dignity of a higher humanity."

Karl Marx's father, son of a rabbi, had changed the family name from Mordechai to Marx. The spelling Mardochei appears in a few sources, but Mordechai seems much more common, appearing for example in John Spargo's *Karl Marx: His Life and Work* (1910)

## The Jewish Communizing of America

On Communism from the Jews:

"Some call it Marxism, I call it Judaism."- Rabbi Stephen Wise [1]

In this New World Order the children of Israel will furnish all the leaders without encountering opposition. The Governments of the different peoples forming the world republic will fall without difficulty into the hands of the Jews. It will then be possible for the Jewish rulers to abolish private property and everywhere to make use of the resources of the state. Thus will the promise of the Talmud be fulfilled, in which is said that when the Messianic time is

come, the Jews will have all the property of the whole world in their hands."

Baruch Levy, Letter to Karl Marx(Mordechai Levi), 'La Revue de Paris', p.574, June 1, 1928

"The Bolshevist revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal is to create a new order in the world. What was performed in so excellent a way in Russia, thanks to Jewish brains, and because of Jewish dissatisfaction, and by Jewish planning, shall also, through the same Jewish mental and physical forces, become a reality all over the world."-American Hebrew Magazine, sept 10, 1920

[2]

""Under USSR law active anti-Semites are liable to the death penalty!" Stalin to the Jewish News Agency in America in 1931[3]

The New York publication, "Jewish Voice," July and August of 1941, page 23, states as follows: "Anti-communism is anti-Semitism." Another quote, this from the publication "Jewish Life," also New York, "Scratch a professional anti-Communist and you will find an anti-Semite." [4]

"There is much in the fact of Bolshevism itself, in the fact that so many Jews are Bolsheviks, in the fact that the ideals of Bolshevism at many points are consonant with the finest ideals of Judaism." [5]

March 25, 1906

Dr. Nathan read to the meeting a circular addressed to the garrison of Odessa, calling upon the soldiers to "rise and crush the traitors who are plotting to upset the holy Government of the Czar and substitute for it a Jewish empire."

He concluded with an appeal to the Jewish money powers of the world to arrest Russia's career as a borrower. The financiers of the world should call a halt to Russia, not only for humanitarian reasons, but for practical reasons. Russia's bankruptcy is an established fact, he added." [6]

Gentiles stating the same the Jews admit:

In November 1917, Count Ottokar von Czernin, the Foreign Minister of the Austro-Hungarian empire wrote:

"I have during the last few days received reliable information about the Bolsheviks. Their leaders are almost all of them Jews with altogether fantastic ideas, and I do not envy the country that is governed by them." [7]

The U.S. ambassador in Russia at the time of the Communist revolution, David Rowland Francis wrote a dispatch to Washington on the subject:

"The Bolshevik leaders here, most of whom are Jews and 90 percent of whom are returned exiles, care little for Russia or any other country but are internationalists and they are trying to start a worldwide social revolution." [8]

William Welsh an American banker who had worked in Russia between July 1916 - Sept 1918 stated:

"It might be well to explain a little the general fact that most of the Bolshevik leaders are Jews, in order to avoid misunderstanding. In Russia it is well known that three-fourths of the Bolshevik leaders are Jewish." [9]

Jewish Bankster funded the Communist Revolution:

while in the spring of 1917, Jacob Schiff openly boasted of having been instrumental in the overthrowing the Czarist regime by his financial support of the revolution." [10]

"The important part played by the wealthy American (Jewish) Banker, Jacob Schiff in the events in Russia, though as yet only partially revealed, is no longer a secret." [11]

Today it is estimated by Jacob's grandson, John Schiff[Jew], that the old man sank about \$20,000,000 for the final triumph of Bolshevism in Russia." [12]

"The establishment of a central bank is 90% of communizing a nation."- Lenin

<http://groups.yahoo.com/group/JoSNewsletter/message/237>

It is reported that the Rothschild's were angry with the Russians because they were not prepared to allow them to form a central bank within their nation. They therefore gathered groups of Jewish spies and sent them into Russia to drum up a revolution for the benefit of the common man, which was actually a takeover of Russia by a Rothschild controlled Jewish elite.

These Jewish spies were, in age old deceptive Jewish tradition, given Russian names, for example Trotsky was a member of the first group and his original name was Bronstein. These groups were sent to areas throughout Russia to incite riots and rebellion.

The Jewish Post International Edition, week ending January 24th 1991, confirms Vladimir Lenin was Jewish. Lenin is also on record as having stated, "The establishment of a central bank is 90% of communizing a nation."

These Jewish, Rothschild funded Bolsheviks would go on in the course of history to slaughter 60 million gentiles and Non-Jews in Soviet controlled territory. Indeed the author Aleksandr Solzhenitsyn in his work, "Gulag Archipelago, Vol 2," affirms that Jews created and administered the organized Soviet concentration camp system in which these tens of millions of Non-Jews died.

On page 79 of this book he even names the administrators of this the greatest killing machine in the history of the world. They are Aron Solts, Yakov Rappoport, Lazar Kogan, Matvei Berman, Genrikh Yagoda, and Naftaly Frenkel. All six are Zionist Jews. In 1970 Solzhenitsyn would be awarded the Nobel Peace Prize for literature.

The opportunity for manifesting their Zion arrived with the Russian Revolution, which was financed by the Jewish bankers. One of their own, the German Jew, Karl Marx(Mordechai Levi), had catalyzed the event with the publication of his Communist Manifesto."

From Russia with Talmudic hate, list of Major heads of the Communist Revolution in Russia:

[http://www.cephas-library.com/israel/is ... ewish.html](http://www.cephas-library.com/israel/is...ewish.html)

The most detailed description of Jewish influence in the Bolshevik 'revolution comes from Robert Wilton, the Russian correspondent of The Times. In 1920 he published a book in French, Les Derniers Jours des Romanofs, which gave the racial background of all the members of the Soviet government. (This does not appear in the later English translation, for some odd reason.) After the publication of this monumental work, Wilton was ostracised by the press, and he died in poverty in 1925.

He reported that the Central Committee of the Bolshevik Party[ring leaders] was made up as follows'

In the Georgian language "shvili" means son of, or son, as in Johnson. "Djuga" means Jew. Therefore Djugashvili means Jewison.

So Joe Stalin's real name, before he changed it, was Joe Jewison. It gets better, his name was Joseph David Djugashvili, a typical Jewish name. During his

revolutionary days he changed his name to "Kochba", the leader of the Jews during one of the anti-Roman uprisings of the Jews. Russians don't change their names. Georgians don't change their names. Jews change their names.[14]

Now on to the Frankfurt School and Communism in America

The Frankfurt School was founded when it became understood that the overt and open Communist Revolution that would sweep Europe and America under the Jewish yoke had failed to fully materialize as planned. While Russia after a long struggle that started when the Bolsheviks after being outnumbered in government and losing any support from the Russian people in the political sphere of the new Russian Democracy, stormed the Duma (Russian Parliament at gun point in an act of terrorism), sparking the Bolshevik Revolution (terror) of which they had won due to massive funding from Rothschild's and other Global Jewish banking groups. And while much of the East had also fallen to the Red banner after a brutal freedom struggle against the Reds lasting longer than the Second World War. The Jew Trotsky's Red Army had been stopped in its invasion of Poland at the battle of Vistula in 1920 (after overrunning the Ukrainian

Republic), and the attempts to take Germany down via open Revolution had failed when the Nationalists Forces crushed them in the 1919 Spartacus uprising in Berlin (lead by Jewesses Rosa Luxemburg). The fall of the Soviet in Bavaria lead by Jew Eisner and the fall of the brief Communist "Republic" of Bela Kun's in Hungary.

The failure of the armed Communist Revolution in Germany:

"The Marxists realized their revolution would have to accelerate, since they would not win at the polls. In Berlin the Jews Karl Liebknecht and Rosa Luxemburg[Jew] had amassed 100,000 supporters, two thousand machine guns and 30 artillery pieces. They invaded Berlin, took over most of the government buildings and declared the Ebery government overthrown by their glorious Communist revolution.

On 10 January, Noske, and 30,000 ex-soldier volunteers swarmed into Berlin. These were highly disciplined men used to carnage and slaughter on the front. They brutally broke through and decimated the 200,000 defenders, though vastly out-manned and with less equipment. The leaders of the red revolution were shot or bayonnetted. The glorious Communist revolution in Berlin did not last a week."

"The Free Corps re-took Munich, and were angered that Russian soldiers that they had defeated recently were now armed and active against them yet again. After the city had been taken, the Free Corps marched through the town with swastika emblems on their helmets. Cheering crowds lined the roads to thank their liberators.

The Thule Society and Hitler stopped them in Germany:

<http://groups.yahoo.com/group/JoSNewsletter/message/172>

Understanding at the current time the believed total revolution of the Workers was not going to happen as hoped. They simply went back to the planning table and developed another strategy to enact their Globalist scheme.

"Near the end of 1922 the Communist International (Comintern) began to consider what were the reasons. On (Jew)Lenin's initiative a meeting was organized at the Marx-Engels Institute in Moscow."

"The aim of the meeting was to clarify the concept of, and give concrete effect to, a Marxist cultural revolution. Amongst those present were Jew Georg Lukacs (a Hungarian aristocrat, son of a banker, who had become a Communist during World War I ; a good Marxist theoretician he developed the idea of 'Revolution and Eros' - sexual instinct used as an instrument of destruction) and Jew Willi Munzenberg (whose proposed solution was to 'organize the intellectuals and use them to make Western civilization stink. Only then, after they have corrupted all its values and made life impossible, can we impose the dictatorship of the proletariat') 'It was', said Ralph de Toledano (1916-2007) the conservative author and co-founder of the 'National Review', a meeting 'perhaps more harmful to Western civilization than the Bolshevik Revolution itself.' "

"Georg Lukacs(Jew) was the son a wealthy Hungarian banker. Lukacs began his political life as an agent of the Communist International. His book History and Class Consciousness gained him recognition as the leading Marxist theorist since Karl Marx. Lukacs believed that for a new Marxist culture to emerge, the existing culture must be destroyed. He said, "I saw the revolutionary destruction of society as the one and only solution to the cultural contradictions of the epoch," and, "Such a worldwide overturning of values cannot take place without the annihilation of the old values and the creation of new ones by the revolutionaries."

"This 'School' (designed to put flesh on their revolutionary programme) was started at the University of Frankfurt in the Institut für Sozialforschung. To begin with school and institute were indistinguishable. In 1923 the Institute was officially established, and funded by (Jew) Felix Weil (1898-1975)."

Major points of the Frankfurt School agenda:

The creation of racism offences.(Making Racialist thought illegal as part of the Jewish war on the White Race.)

Continual change to create confusion.

The teaching of sex and homosexuality to children. (Aim of which to create a huge backlash against sexual freedom in society. Problem, reaction, solution. Jews are the ones who created the taboo against Homosexuality via Christianity)

<http://www.exposingchristianity.com/Sexuality.html>

The undermining of schools' and teachers' authority.(Replacing it with Jewish backed ideology)

Huge immigration to destroy identity.(Open war on the White Nations many of these non-Whites are then programmed into a system of hostile thought against the native Whites, thus making them effective Jewish tools against the White Race.)

The promotion of excessive drinking..

An unreliable legal system with bias against victims of crime.

Dependency on the state or state benefits.

Control and dumb down of media.

Encouraging the breakdown of the family.

Racial mixing.

Destruction of Gentile Cultural Norms

In 1933, when the National Socialist Party came to power in Germany, the members of the Frankfurt School fled. Most came to the United States. Note the books the Nazi's are whined about burning where the works of the Jewish Frankfurt School such as the Jew Freud [more on him later] and others who admit their works where design to act as a Cultural poison against the German People. A free people have the right to ensure the health of their Culture and defend it against would be poisoner.

Interesting note here on what the Jews did after:

"The members of the Frankfurt School conducted numerous studies on the beliefs, attitudes and values they believed lay behind the rise of National Socialism in Germany. The Frankfurt School's studies combined Marxist analysis with Freudian psychoanalysis to form the basis of what became known as "Critical Theory." Critical Theory was essentially destructive criticism of the main elements of Western culture."

The identification of the factors that allowed the German People to rally against the Jewish subversion of their Nation and Culture and throw the Jewish yoke off themselves. So such elements could be then destroyed via subversion and better weaken the host Nations in favor of the Jewish parasite.

"Criticisms were reflected in such works of the Frankfurt School as (Jew) Erich Fromm's *Escape from Freedom* (Jew) Wilhelm Reich's *The Mass Psychology of Fascism* and Theodor Adorno's *The Authoritarian Personality*."

"*The Authoritarian Personality*, published in 1950, substantially influenced American psychologists and social scientists. The book was premised on one basic idea, that the presence in a society."

The premise of this Jew's work was to state that the very elements which make a Gentile Nation strong are actually evil and unenlightened and thus need to be removed, as a gate to a higher civilization. Don't you just love how the Jew always frames it's agenda as everyone's agenda and hides it's parasitic behavior behind bogus humanitarian claims.

"*The Authoritarian Personality* became a handbook for a national campaign against any kind of prejudice or discrimination on the theory that if these evils were not eradicated, another Holocaust might occur on the American continent. This campaign, in turn, provided a basis for Political Correctness.

"Critical Theory incorporated sub-theories which themselves were intended to chip away at specific elements of the existing culture, including "matriarchal theory," "androgyny theory," "personality theory," "authority theory," "family theory," "sexuality theory," "racial theory," "legal theory" and "literary theory."

Put into practice, these theories were to be used to overthrow the prevailing social order and usher in social revolution based on cultural Marxism."

"The Critical Theorists of the Frankfurt School opened the door to the racial and sexual antagonisms of the Trotskyites (another faction of Judeo-Bolshevism). Leon Trotsky (Jew) declared that oppressed blacks could be the vanguard of a communist revolution in North America. He denounced white workers who were prejudiced against blacks and instructed them to unite with the blacks in revolution. Trotsky's ideas were adopted by many of the student leaders of the 1960s counterculture movement, who attempted to elevate the black revolutionaries to positions of leadership in their movement."

The Jews are the ones who brought the Blacks to North America in the first place as they owned and operated the slave trade a fact recorded in many historical works on the subject, such as the "Secret Relationship between Blacks and Jews" filled with documentation from mainly Jewish sources that admit that not only did the Jews own the slave trade they also were upwards to 75% or more of slave owners in the New World, with the rest being a mixture of Rich Whites, Freed Blacks and Native Americans.

Today the Jewish owned Media and its proxy the school systems openly blame Whites for the crimes of the Jews towards Blacks. Resulting in generating a racial hatred in the Black population towards innocent Whites that has led to the deaths of thousands of Whites in racially motivated attacks. This culture of anti-White hatred among the Blacks is further encouraged by Jewish owned music/Media corporations that promote and create anti-White themes in popular Black music.

"We must realize that our Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races, that for centuries have been oppressed by the whites, we can mold them to the program of the Communist Party ... In America, we will aim for subtle victory.

While enflaming the Negro minority against the Whites, we will instill in the Whites a guilt complex for the exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions, and in the world of sports and entertainment. With this prestige, the Negroes will be able to intermarry with the Whites, and begin a process which will deliver America to our cause."

-A Racial Program for the Twentieth Century, published in 1913 by Israel Cohen.

On June 17, 1957, this passage was read into the Congressional Record by Rep. Thomas G. Abernathy

"The student revolutionaries were also strongly influenced by the ideas of (Jew)Herbert Marcuse, another member of the Frankfurt School. Marcuse preached the "Great Refusal," a rejection of all basic Western concepts, sexual liberation and the merits of feminist and black revolutions. His primary thesis was that university students, ghetto blacks, the alienated, the asocial, and the Third World could take the place of the proletariat in the Communist revolution. In his book, An Essay on Liberation."

The famous Jewish front to push such Agenda is the NAACP:

"Jacob Schiff[Jew and major funder the Communist Revolution in Russia], the Rothschild's man in America, decided that the best way to create racial tension was to establish leadership among the blacks. In 1909, he laid out plans for the National Association for the Advancement of Colored People (NAACP). It was the merging of the communist-controlled Niagara Movement, a group of blacks led by W.E.B. duBois, and a group of white social activists. In the beginning, the top leaders of the NAACP were a group of Jews appointed by Schiff. Their goal was to fight segregation and discrimination. They are now the largest black organization in the country, with well over 1500 chapters, and about a half-million members."

This is the reason for the Jewish created GLBT "rights" groups, the NAACP see above) and the promotion of legions of sundry orgs and lobbies today. The growing one is the Communization of the illegal aliens in American by Jewish agents who send the brightest of the Metizo's to special Red based schools in

America free of charge to train them to be the next generation of Commissars who then go back and Communize the hordes of illegal's angry over their poor treatment by the Jewish own Capitalist Transnational mafia corporations in the first place. Once again the Jews lie to them and blame the Whites for their suffering when it's the Jews. There is that Jewish Hegelian Dialectic again, problem, reaction, solution. It all ends in obtainment of a revolutionary force needed to topple Nations and bring about absolute Jewish rule, under the banner of Communism.

"The aim of our Party in our work among the Negro masses is to create a powerful proletarian movement which will fight and lead the struggle of the Negro race against the exploitation and oppression in every form and which will be a militant part of the revolutionary movement of the whole American working class ... and connect them with the struggles of national minorities and colonial peoples of all the world and thereby the cause of world revolution and the dictatorship of the proletariat."- Communist Party U.S.A 1925

South Africa is the foreshadow of what is coming to America, as the same the Jews are doing to them via the Jewish arms of the Bolshevik Blacks hordes(multcult "love") and Judeo-Christian "love" what is already on our shores here now. Detroit anyone?

"Critical Theory; and a linguistic rebellion that would amount to a methodical reversal of meaning. As for racial conflict, (Jew)Marcuse wrote that white men are guilty and that blacks are the most natural force of rebellion."

This is an admission that the culture of White Guilt of today is a Jewish created psychological weapon against the White populace to trick them into going along with their own destruction and enslavement. Whip the fighting spirit right out of them. It's Christianity updated to the crime of being born with the sin of White skin. Of which the "oppressed" non-Whites races of the world suffer and died for the sins of. Now repent! Screams the Jew via a thousand different outlets.

[http://www.666blacksun.com/Xianity\\_communism.html](http://www.666blacksun.com/Xianity_communism.html)

"Communists seek to advance the cause of communism by injecting themselves into racial situations and in exploiting them, (1) to intensify the frictions between Negroes and Whites to 'prove' that discrimination against the minorities is an inherent defect of the capitalistic system, (2) to foster domestic disunity by dividing Negroes and Whites into antagonistic, warring factions, (3) to undermine and destroy established authority, (4) to incite racial strife and riotous activity, and (6) to portray the Communist movement as the 'champion' of social protest and the only force capable of ameliorating the conditions of the Negro and the oppressed."-J. Edgar Hoover

The most famous of these Jewish agents of the Frankfurt School in America is Martin Luther King. Who was trained in such a Communist school in Tennessee and was a paid agent:

"King was photographed in 1957 at the Highlander Folk School, a communist training school in Tennessee, with (Jew)Abner Berry who held a post on the Central Committee of the Communist Party. The Joint Legislative Committee on Un-American Activities reported that his Southern Christian Leadership Conference was "substantially under the control of the Communist Party through the influence of the Southern Conference Educational Fund and the communists who manage it." King had connections with over 60 communist front organizations. Nine of his closest aides were high-ranking communist activists and one of those later became an aide to Rev. Jesse Jackson. Stanley Levison, who had been a King advisor since 1956, had been involved with the Communist Party up to 1955 and brought other known communists onto King's staff."

Karl Prussion, an FBI agent who infiltrated the Communist Party and for five years attended meetings in California, testified in 1963:

"I further swear and attest that at each and everyone of the aforementioned meetings, one Reverend Martin Luther King was always set forth as the individual to whom Communists should look and rally around in the Communist struggle on many racial issues."

Julia Brown, a former Communist, said:

"We were told to promote Martin Luther King to unite Negroes and also Whites behind him ... He was taking directions from Communists. I know for a fact the Communists would never have promoted him, financed him, and supported him if they couldn't trust him. I am certain as I can be that he knew what he was doing."

"Although a 1977 court order sealed the FBI's extensive surveillance records on King in the National Archives for 50 years, a book by Sen. Jesse Helms in 1998 called *The King Holiday and Its Meaning* said that Charles D. Brennan, an Assistant Director of the FBI who was personally involved in the surveillance, characterized his activities as "orgiastic and adulterous escapades" in which he could be "bestial in his sexual abuse of women." He also observed that "King frequently drank to excess."

King's famous dream speech was in fact wrote by his Jewish handler the same Jew Levinson who was the head of the America Communist Party in the 1950's and is full of lies and historical perjuries. Its a document that attempts to communize the memories of the Leaders and Founders of American named within. Its the Jewish big lie in action.

As Dr.Duke wrote in his book "My Awakening" on the subject:

Stanley Levinson, who wrote many of King's speeches, including, some say, the "I Have a Dream" speech delivered at the March on Washington....

King privately declared himself to be a Marxist, and told his inner circle that his efforts were a part of the "class struggle." His personal secretary, Bayard Rustin, was a Communist. When King had to replace Rustin in 1961, he chose another Communist, Jack O'Dell. His main advisor ("handler" would probably be a more apt term), as I've mentioned, was Jewish Communist Stanley Levinson, who edited and probably wrote a good deal of King's book *Stride Toward Freedom*. Levinson prepared King's income tax returns, controlled King's fundraising activities, and was also in charge of funneling Soviet money to the Communist Party, USA.[15]

Nothing new under the sun there:

"In 1925, a dozen blacks were recruited for propaganda training in Russia. That same year, the American Negro Labor Congress was established. In 1930, they changed their name to the League of Struggle for Negro Rights. They merged with the United Negro Congress when it was founded in 1936 in Washington, D.C. By 1940, communists made up two-thirds of its membership. In 1947, they united with the Civil Rights Congress, a communist front group."

Remember King was promoted as an agent of racial integration thus promotion of racial mixing and destruction of the two Gentile races, which is part of the Jewish Globalist Agenda. Where Blacks who promoted racial separation were pounced upon by the Jews.

"One of the most important contributors to Political Correctness was Betty Friedan(Jew). Through her book *The Feminine Mystique*, Friedan became the mother of the modern feminist movement in America. Friedan was not a member of the Frankfurt School, but she was strongly influenced by it. Her work offers a useful case study of the Marxist roots of Political Correctness."

The ancient Jewish tactic of divide and conqueror, pit Gentile women against Gentile men and thus weaken the ability of the host Nation to stand as a unified front against the Jewish parasite.

"Think not that I came to send peace on the earth: I came not to send peace, but a sword. For I came to set a man at variance against his father, and the daughter against her mother, and the daughter in law against her mother in law" Matthew 10:34-35

"Friedan(Jew) devoted almost a full chapter of *The Feminine Mystique* to (Jew)Abraham Maslow's theory of self-actualization. Maslow was a social psychologist who in his early years did research on female dominance and sexuality. Maslow was a friend of (Jew)Herbert Marcuse at Brandeis University and had met(Jew) Erich Fromm in 1936. He was strongly impressed by Fromm's Frankfurt School ideology. He wrote an article, "The Authoritarian Character Structure," published in 1944, that reflected the personality theory of Critical

Theory. Maslow was also impressed with the work of (Jew)Wilhelm Reich, who was another Frankfurt School originator of personality theory."

"The significance of the historical roots of Political Correctness cannot be fully appreciated unless Betty Friedan's revolution in sex roles is viewed for what it really was – a manifestation of the social revolutionary process begun by Karl Marx. Friedan's reliance on Abraham Maslow's reflection of Frankfurt School ideology is simply one indicator. Other indicators include the correspondence of Friedan's revolution in sex roles with Georg Lukacs' annihilation of old values and the creation of new ones."

" Marcuse's(Jew) transvaluation of values. But the idea of transforming a patriarchy into a matriarchy – which is what a sex-role inversion is designed to do – can be connected directed to Friedrich Engels book The Origin of the Family, Private Property, and the State. First published in 1884, this book popularized the now-accepted feminist belief that deep-rooted discrimination against the oppressed female sex was a function of patriarchy."

Open admission "Feminism" is another tentacle of Jewish Communism.

"The belief that matriarchy was the solution to patriarchy flows from Marx's comments in The German Ideology, published in 1845. In this work Marx advanced the idea that wives and children were the first property of the patriarchal male. The Frankfurt School's matriarchal theory (and its near-relation, androgyny theory) both originated from these sources."

Note you can see the Jewish hand in Wicca and other New Aged movements here as they preach such as Jewish nonsense mentioned above as a major core of their belief. Not to mention the blatant Christian themes.

When addressing the general public, advocates of Political Correctness – or cultural Marxism, to give it its true name – present their beliefs attractively. It's all just a matter of being "sensitive" to other people, they say. They use words such as "tolerance" and "diversity," asking, "Why can't we all just get along?"

The Jews have created a climate of thought criminality where it's a crime to be "insensitive" this is done to enforce taboo's they have created in society thus getting the sheep to police each other. And giving them a way to shut down debate on any subject which is a threat to the Jewish Agenda. Anti-Semite is a more blatant example of this tactic.

"The reality is different. Political Correctness is not at all about "being nice," unless one thinks gulags are nice places."

"Political Correctness is Marxism, with all that implies: loss of freedom of expression, thought control, inversion of the traditional social order and, ultimately, a totalitarian state. If anything, the cultural Marxism created by the Frankfurt School is more horrifying than the old, economic Marxism that ruined Russia. At least the economic Marxists did not exalt sexual perversion and attempt to create a matriarchy, as the Frankfurt School and its descendants have done."

The Boas wing pseudo science gone wild:

The Jew Boas was the major paradigm created for the fake science that "PC" Social Marxist dogma is build upon.

Dr.Duke in his book in the chapter "Jews, Communism and Civil Rights" states:

Franz Boas is the accepted father of the modern egalitarian school of anthropology. He was a Jewish immigrant from Germany with little formal training in the anthropological field, having done his doctoral thesis on the color of water. Boas introduced what he called "cultural anthropology" to the discipline. Until his arrival, anthropology fell in the realm of physical science. Boas effectively divided anthropology into the separate disciplines of cultural and physical anthropology.

Early physical anthropologists were truly race scientists because they studied man and his evolutionary development through the study of the measurable physical characteristics of the human races, past and present. Any good physical anthropologist could pick up a human skull and, based on its characteristics,

quickly identify the race of the specimen. Of course, this physiological knowledge was vital in sorting out the unearthed remnants of early man and piecing together man's prehistory and evolutionary development. Cultural anthropology dealt more with the different contemporary cultures of mankind and culturally related questions of antiquity and prehistory, making it a far less precise science, and one open to wide interpretation.

Surprisingly, before he became such a prominent anthropologist, Boas expressed his acceptance of racial differences in mental characteristics. In *The Mind of Primitive Man*, he wrote:

Differences of Structure must be accompanied by differences of function, physiological as well as psychological; and, as we found clear evidence of differences in structure between races, so we must anticipate that the differences in mental characteristics will be found.

Both of Boas' parents were radical socialists in the revolutionary movement that swept over Europe in 1870. In his biography of Boas, his student Melville Herskovits wrote that Boas' political sympathies "leaned towards a variety of socialism." The United States House of Representatives cited Boas' involvement with 44 Communist-front organizations. Coinciding with the rise of Nazism in Germany and the increasing influence of racially aware anthropologists in the world scientific community, Boas began to marshal his anthropological influence in service of his political sympathies. He began to advance the quack idea that there are really no such things as individual human races. He argued that although they had variations of skin colors and features, the groups called races possessed little difference genetically and that, whatever their superficial differences, solely their environment created them. By 1938 Boas dropped the above quotation from the new edition of his book.

He gathered many Jewish disciples around him, including Gene Weltfish, Isador Chein, Melville Herskovits, Otto Klineberg, and Ashley Montagu. He also had among his followers the Negro K. B. Clark and two women, Ruth Benedict and Margaret Mead. Mead later wrote her famous book on Samoa (*Coming of Age in Samoa*) suggesting that indiscriminate sexual relations would lessen teenage

traumas and problems. (Her opus was later soundly refuted by Derek Freeman, who showed that Mead had falsified her data on Samoa.)

Boas and his entire cadre of disciples had extensive Communist connections. He repeatedly proclaimed that he was in a "holy war against racism" and he died suddenly during a luncheon where once again and for the last time, he stressed the need to fight "racism." Boas and his comrades gained control over the anthropology departments of most universities by encouraging their egalitarian comrades to always use their positions to support their own in academic appointments. While traditional anthropologists had no ax to grind and no sacred cause to champion, Boas and his followers embarked on a holy mission to extirpate racial knowledge from the academic establishment. They succeeded.

Whenever egalitarians achieved positions of influence or power, they aided their comrades to rise in the teaching departments of the colleges and academic departments they administered. They could count on fellow Jews who held influential university positions to assist their co-religionists, as well as Gentile egalitarians, in getting professorships and research appointments and promotions. Similar collusion took place in the ranks and on the boards of anthropological associations and journals. However, the coup de grâce was the massive support given the egalitarian dogma by the media establishment, which was overwhelmingly in Jewish hands.

Racial equality was (and still is) presented to the public as scientific fact, opposed only by the "bigoted" and the "ignorant." Egalitarian writers such as Ashley Montagu and others received great praise in magazines, newspapers, and, later on television. Whether one was a Jew or a Gentile, professing a belief in racial equality became essential dogma for anyone who wanted to advance in anthropology or any other part of the academic world. Adherence to the "politically correct" line led to prestige and acclaim, money and success. Racial truth-telling led to personal attack and often economic hardship.

Ashley Montagu became the best-known spokesman for the equality hoax, superseding Boas as the most popular exponent of antiracism. His well-modulated British accent and aristocratic name added instant credibility to his racial

pronouncements. I can still, after thirty years, remember his impressive appearances on the Today television program. His book, *Race: Man's Most Dangerous Myth*, became the bible of equality, and it profoundly impressed me before I had a chance to read the other side. Montagu's real name was Israel Ehrenberg. In a brilliant exercise of psychological camouflage, Ehrenberg changed his name a number of times, finally settling on not simply an Anglo-Saxon moniker, but the name Montagu, which is one of Britain's most aristocratic and oldest medieval-titled families.[16]

Not us not forget a major member of the Frankfurt school and the Jew who's psychological warfare tactics forms another cornerstone of Social Marxist paradigm.

Scholar E.Mullin's states the following in his book "The biological Jew." On the Freud situation:

Few Americans realize that the principal tool of Communist penetration in the United States is the pseudoscience of psychotherapy. Not only have many patriots who opposed Communist subversion been imprisoned or life without trial, but many others have been rendered helpless, their fortunes seized, and their exposures of Communist treachery discredited by the accusation of "mental illness". In 1848, Karl Marx issued his Communist Manifesto, detailing the Jewish plans for subduing the gentile, but it was not until 1896 that the most workable system to achieve this goal, "psychoanalysis", was unveiled by his fellow- Jew Sigmund Freud.

No one suspected at the time that Freud (pronounced Fraud) had invented the indispensable tool for the biological parasite in his quest to gain absolute control over the life of the gentile host. Psychoanalysis became the instrument which the Jew used to probe the deepest recesses of the mind of the host, thereby learning his best secrets, as well as the hidden fears and doubts which could be exploited by a clever enemy in order to become his master.

Thomas Szasz, in *THE MYTH OF PSYCHOTHERAPY*, who writes most revealingly of Freud's creation of "the science of psychotherapy" as an instrument of the Jew to

be used to gain power over the gentiles. Szasz titled his chapter, "Sigmund Freud, the Jewish Avenger". Freud himself was born a Jew, was given the Jewish name of Schlomo after his grandfather, a rabbi, and remained a Jew.

Szasz further comments:

"The inconsistency between Freud's passionate anti-religious tirades and his profound commitment to Jewishness significantly highlights an important aspect of Freud's personality and predilections, namely, his

anti-gentilism. The popular image of Freud as an enlightened, emancipated irreligious person who, with the aid of psychoanalysis, 'discovered' that religion is a mental illness is pure fiction." Szasz then defines the Freudian psyche permanently by writing: "Freud was throughout his life, a proud, chauvinistic, even vengeful Jew." Thus Freud's famed "irreligiousness" was merely his anti-Christian, antigentile bias. In his "science" of psychoanalysis, Freud focused the hatred of centuries which the biological parasite had cultivated against the host, a hatred irreconcilably rooted in the biological situation of the parasite that must live off the host, and that can have no existence without this relationship.

Shortly after the Crash of 1929, when many gentiles had been impoverished by Jewish money manipulation, the psychiatrists began to show their hands as the new masters. In May, 1930, an International Congress on Mental Hygiene was held in Washington, D.C. Four thousand psychiatrists from fifty-three countries were welcomed by the President of the United States, Herbert Hoover. The new masters drafted a charter stating that they alone had the knowledge to "understand and control human behavior... Psychiatry must now decide what is to be the immediate future of the human race."

The new pronouncement also boasted that "Psychiatrists alone possess the superior intelligence and knowledge to alter materially and permanently human behaviors." Many of the bureaucrats got the message, and promptly signed up for lengthy series of "analysis". Soon afterwards, a number of Communist cells were established in the government bureaus, chief among them the Harold Ware cell. Ware was merely the office boy for Felix Frankfurter, who masterminded this

Communist group, placing Communist agents high in the official levels of every government department in Washington.[17]

Freud set the stage to attack and tear down every organic bond of Gentile peoples and societies under the premise of psychoanalysis and give the Jews legitimacy to simply denounce all their critic's and anything or system in their way with a whole host of pseudo medical sounding jargon. And down the road for America as in the Soviet Union declare anyone against their system as mentally ill and have them locked away. They tried this on Naval Commander Rockwell in America as well, when he denounced and exposed them to the public.

Today the Jews are pushing to have racism[Gentiles wish to remain as as diverse, pure and separate races] and anti-semitism[ anyone who tells the truth about the Jews] labeled as "mental illness" along with anything threatening to their agenda. We see in the Jewish created label of "Racism" a propaganda term to vilify the organic bonds and natural love for ones people or what social biology calls "Kin altruism" today, as it stands in the way of the creation of a one world mongrelized race which the Jews want as part of their globalist agenda.

An important note on this:

IN MEMORIES, DREAMS AND REFLECTIONS, Jung wrote (p.149):

"Above all, Freud's attitude towards the spirit seems to me highly questionable. Wherever in a person or in a work of art, an expression of spirituality (in the intellectual, not the supernatural senses) came to light, he suspected it, and insinuated that it was repressed sexuality." It took Jung several years to realize that the earthbound Jew was unable to comprehend anything spiritual, having to interpret it in the grossest physical sense, and he finally parted company with him.

We can see an example of this Jewish psychotricker as attack in action and the fact the Jews are working to pave the way for an materialist, atheist state where anyone with any psychic abilities or spiritual beliefs will be labeled under a host of jargon, drugged up, locked away and viewed as deluded. This allows that Gentiles

will remain powerless on the spiritual level. In fact we see the first waves of this already in place. The Jews are pushing this foreword.

Today the Jewish atheists are literally trying to convince Gentiles they are nothing but Goyeem, two legged animals without a soul and that even the understanding of having a soul, psychic ability and thus even the idea of developing them which is the major threat to the Jews. Are all false.

"IT IS INDISPENSABLE FOR US TO UNDERMINE ALL FAITH, TO TEAR OUT OF THE MIND OF THE "GOYIM" THE VERY PRINCIPLE OF GOD-HEAD AND THE SPIRIT, AND TO PUT IN ITS PLACE ARITHMETICAL CALCULATIONS AND MATERIAL NEEDS."-  
Protocols of the Elders of Zion[18]

They use the Freudian tactics in attacking these concepts and those who hold them under a host of buzz words revolving around nothing but smears and medical sounding jargon. They push the centuries old and outdated Newtonian[5 sense universe only] paradigm still in science to act as the needed platform to do this with and legitimize their lies to the Gentiles. While working to as Dr.Radin has exposed openly create strict taboo's in the science fields such as physics to keep any Gentiles from researching the spiritual direction. Its no different then the taboo's placed in Christianity to keep Gentiles away from any spiritual knowledge and power. The little that has shined though the keyhole [thanks to Gentiles scientists] has shown the powers of the mind and soul do exist.

The Jewish lead atheists movements push a Communist moral system under the banner of liberalism and using a individualist tactic over the collectivist tactics the open Social Marxists use, the other side of the same coin. A tactic of which the Jewess Rand made popular. Rand as an major example of Jewish subterfuge in their agenda:

Rand" was born Alisa Zinov'yevna Rosenbaum in St. Petersburg, Russia.

Ron Paul, like Alan Greenspan, was heavily influenced by the Russian Jewess "Ayn Rand". "Rand" was born Alisa Zinov'yevna Rosenbaum in St. Petersburg, Russia, in 1905. I became acquainted with Rosenbaum's subversive activities while battling against one of the most ardent modern proponents of her philosophies, a radical

Zionist Jew who many years ago proposed the nuclear annihilation of Iran, and who defended Einstein's reputation with falsehoods and smears.

"Ayn Rand" came to America from Russia presenting herself as if a radical anti-Communist. Hers was the typical modus operandi of Bolshevik operatives working for an official Soviet organization known as The Trust. These agents, many of them crypto-Jews, came to the West in search of anti-Communists and infiltrated anti-Communist organizations and Western intelligence agencies.

Their objective was to forward the interests of Communism by creating a controlled opposition to Communism which would serve the interests of the Communists while pretending to fight them. They also subverted all authentic anti-Communist movements.

Rand promoted negative stereotypes of women, attacked homosexuals, advocated laissez faire Capitalism, and taught selfishness and disregard for humanity. She opposed charity and objected to any governmental assistance for those without means. She wanted to place America on the ruinous Gold Standard.

Rosenbaum's "good advice" to the blacks only held them back by preventing them from using the political process to forward their interests. Her good advice to the Goyim only held the Gentiles back, by making them selfish and irresponsible, and also by preventing them from using their government to better themselves and their neighbors. She taught the Gentiles to hate the poor, undermine the middle class and concentrate wealth in the hands of the wealthiest Jews, all in the name of "fighting Communism". Her "good advice" pitted Goys against one another at the time when they should have been helping one another to become successful. She taught Gentiles to shun any efforts to cooperate in their communities and improve the lot of one another.

While Jews famously provided communal support and charitable assistance for their own, Rosenbaum helped to create the destructive "me generation" attitudes in Americans, weakened communities and inhibited the advancement of the poor and middle class. Her beliefs also fostered the drug culture, pornography and the destruction of public education. While Jews promoted strong community ties,

Rosenbaum taught the Goyim to be selfish and "independent", meaning without any sense of social responsibility or communal cohesion.

While Jews wisely took from the public schools all they could, Frederick T. Gates, an agent of World Jewry, used Rockefeller/Rothschild money to finance institutions of higher learning which benefitted Jews, while promoting the idea that Gentile students should be readied for factory work and work as field hands and farmers. While World Jewry took the monies they stole from Gentiles and distributed them charitably to their own, Rosenbaum taught Gentiles to abandon all social responsibility, obsessively focus on themselves, and destroy all government institutions which better the lot of the American middle class and poor.

Alisa Rosenbaum's "anti-Communist" philosophies weakened Americans opening the door for Communism."

And of course always remember that Communism could not exist without Christianity to provide the template for it:

"Some call it Marxism, I call it Judaism."- Rabbi Stephen Wise

The final end of this is the enacting of the Talmud on the earth in a Jew World Order where Jews are the open rulers the "Chosen" and we are the goyeem, microchipped, dumb two legged animals without any spiritual power, knowledge, past or organic identity. Who slave for the Jew night and day on a global plantation.

Quote from the Jewish Talmud: Nidrasch Talpioth, p. 225-L:

"Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night."

"In this New World Order the children of Israel will furnish all the leaders without encountering opposition. The Governments of the different peoples forming the

world republic will fall without difficulty into the hands of the Jews. It will then be possible for the Jewish rulers to abolish private property and everywhere to make use of the resources of the state. Thus will the promise of the Talmud be fulfilled, in which is said that when the Messianic time is come, the Jews will have all the property of the whole world in their hands."

Baruch Levy, Letter to Karl Marx(Mordechai Levi), 'La Revue de Paris', p.574, June 1, 1928

"The Jewish doctrine of Marxism rejects the aristocratic principle of Nature and replaces the eternal privilege of power and strength with the mass of numbers and their dead weight. Thus it denies personal worth, contests the significance of folk and race, and thereby withdraws from mankind premise for its existence and culture. As a foundation of the universe, it would lead to the end of any order intellectually conceivable to man. . . .If, with the help of his Marxist creed, the Jew is victorious over the peoples of the world, his crown will be the funeral wreath of mankind and this planet will—as it once did for millions of years—move through the ether devoid of men."

Raymond V. Raehn, The Historical Roots of "Political Correctness"

## Martin Luther King: jewish owned puppet

From the article: The Jewish Communizing Of America:

The most famous of these Jewish agents of the Frankfurt School in America is Martin Luther King. Who was trained in such a Communist school in Tennessee and was a paid agent:

"King was photographed in 1957 at the Highlander Folk School, a communist training school in Tennessee, with (Jew)Abner Berry who held a post on the Central Committee of the Communist Party. The Joint Legislative Committee on Un-American Activities reported that his Southern Christian Leadership Conference was "substantially under the control of the Communist Party through the influence of the Southern Conference Educational Fund and the communists who manage it." King had connections with over 60 communist front organizations. Nine of his closest aides were high-ranking communist activists and one of those later became an aide to Rev. Jesse Jackson. Stanley Levison, who had been a King advisor since 1956, had been involved with the Communist Party up to 1955 and brought other known communists onto King's staff."

Karl Prussion, an FBI agent who infiltrated the Communist Party and for five years attended meetings in California, testified in 1963:

"I further swear and attest that at each and everyone of the aforementioned meetings, one Reverend Martin Luther King was always set forth as the individual to whom Communists should look and rally around in the Communist struggle on many racial issues."

Julia Brown, a former Communist, said:

"We were told to promote Martin Luther King to unite Negroes and also Whites behind him ... He was taking directions from Communists. I know for a fact the Communists would never have promoted him, financed him, and supported him if they couldn't trust him. I am certain as I can be that he knew what he was doing."

"Although a 1977 court order sealed the FBI's extensive surveillance records on King in the National Archives for 50 years, a book by Sen. Jesse Helms in 1998 called *The King Holiday and Its Meaning* said that Charles D. Brennan, an Assistant Director of the FBI who was personally involved in the surveillance, characterized his activities as "orgiastic and adulterous escapades" in which he could be "bestial in his sexual abuse of women." He also observed that "King frequently drank to excess."

King's famous dream speech was in fact wrote by his Jewish handler the same Jew Levinson who was the head of the America Communist Party in the 1950's and is full of lies and historical perjuries. Its a document that attempts to communize the memories of the Leaders and Founders of American named within. Its the Jewish big lie in action.

As Dr.Duke wrote in his book "My Awakening" on the subject:

Stanley Levinson, who wrote many of King's speeches, including, some say, the "I Have a Dream" speech delivered at the March on Washington....

King privately declared himself to be a Marxist, and told his inner circle that his efforts were a part of the "class struggle." His personal secretary, Bayard Rustin, was a Communist. When King had to replace Rustin in 1961, he chose another Communist, Jack O'Dell. His main advisor ("handler" would probably be a more apt term), as I've mentioned, was Jewish Communist Stanley Levinson, who edited and probably wrote a good deal of King's book *Stride Toward Freedom*. Levinson prepared King's income tax returns, controlled King's fundraising activities, and was also in charge of funneling Soviet money to the Communist Party, USA.[15]

Nothing new under the sun there:

"In 1925, a dozen blacks were recruited for propaganda training in Russia. That same year, the American Negro Labor Congress was established. In 1930, they changed their name to the League of Struggle for Negro Rights. They merged with the United Negro Congress when it was founded in 1936 in Washington, D.C. By

1940, communists made up two-thirds of its membership. In 1947, they united with the Civil Rights Congress, a communist front group."

Remember King was promoted as an agent of racial integration thus promotion of racial mixing and destruction of the two Gentile races, which is part of the Jewish Globalist Agenda. Where Blacks who promoted racial separation were pounced upon by the Jews.

### **Martin Luther King, Jr. At Communist Training School**

The above caption and picture are appearing (Spring, 1965) on over 200 billboards throughout the South.

Good Article shows that Communism is atheist Christianity and they both work together:

The Beast as Saint:

The Truth About "Martin Luther King, Jr."

WHEN THE COMMUNISTS TOOK OVER a country, one of the first things that they did was to confiscate all the privately-held weapons, to deny the people the physical ability to resist tyranny. But even more insidious than the theft of the people's weapons was the theft of their history. Official Communist "historians" rewrote history to fit the current party line. In many countries, revered national heroes were excised from the history books, or their real deeds were distorted to fit Communist ideology, and Communist killers and criminals were converted into

official "saints." Holidays were declared in honor of the beasts who murdered countless nations.

Did you know that much the same process has occurred right here in America?

Every January, the media go into a kind of almost spastic frenzy of adulation for the so-called "Reverend Doctor Martin Luther King, Jr." King has even had a national holiday declared in his honor, an honor accorded to no other American, not Washington, not Jefferson, not Lincoln. (Washington and Lincoln no longer have holidays -- they share the generic-sounding "President's Day.") A liberal judge has sealed the FBI files on King until the year 2027. What are they hiding? Let's take a look at this modern-day plastic god.

Born in 1929, King was the son of a Black preacher known at the time only as "Daddy King." "Daddy King" named his son Michael. In 1935, "Daddy King" had an inspiration to name himself after the Protestant reformer Martin Luther. He declared to his congregation that henceforth they were to refer to him as "Martin Luther King" and to his son as "Martin Luther King, Jr." None of this name changing was ever legalized in court. "Daddy" King's son's real name is to this day Michael King.

King's Brazen Cheating

We read in Michael Hoffman's "Holiday for a Cheater":

The first public sermon that King ever gave, in 1947 at the Ebenezer Baptist Church, was plagiarized from a homily by Protestant clergyman Harry Emerson Fosdick entitled "Life is What You Make It," according to the testimony of King's best friend of that time, Reverend Larry H. Williams.

The first book that King wrote, "Stride Toward Freedom, - -was plagiarized from numerous sources, all unattributed, according to documentation recently assembled by sympathetic King scholars Keith D. Miller, Ira G. Zepp, Jr., and David J. Garrow.

And no less an authoritative source than the four senior editors of "The Papers of Martin Luther King, Jr.- - (an official publication of the Martin Luther King Center

for Nonviolent Social Change, Inc., whose staff includes King's widow Coretta), stated of King's writings at both Boston University and Crozer Theological Seminary: "Judged retroactively by the standards of academic scholarship, [his writings] are tragically flawed by numerous instances of plagiarism.... Appropriated passages are particularly evident in his writings in his major field of graduate study, systematic theology."

King's essay, "The Place of Reason and Experience in Finding God," written at Crozer, pirated passages from the work of theologian Edgar S. Brightman, author of "The Finding of God."

Another of King's theses, "Contemporary Continental Theology," written shortly after he entered Boston University, was largely stolen from a book by Walter Marshall Horton.

King's doctoral dissertation, "A Comparison of the Conceptions of God in the Thinking of Paul Tillich and Harry Nelson Wieman," for which he was awarded a PhD in theology, contains more than fifty complete sentences plagiarized from the PhD dissertation of Dr. Jack Boozer, "The Place of Reason in Paul Tillich's Concept of God."

According to "The Martin Luther King Papers", in King's dissertation "only 49 per cent of sentences in the section on Tillich contain five or more words that were King's own...."!

In "The Journal of American History", June 1991, page 87, David J. Garrow, a leftist academic who is sympathetic to King, says that King's wife, Coretta Scott King, who also served as his secretary, was an accomplice in his repeated cheating. ("King's Plagiarism: Imitation, Insecurity and Transformation," The Journal of American History, June 1991, p. 87)

Reading Garrow's article, one is led to the inescapable conclusion that King cheated because he had chosen for himself a political role in which a PhD would be useful, and, lacking the intellectual ability to obtain the title fairly, went after it by any means necessary. Why, then, one might ask, did the professors at Crozer Theological Seminary and Boston University grant him passing grades and a PhD?

Garrow states on page 89: "King's academic compositions, especially at Boston University, were almost without exception little more than summary descriptions... and comparisons of other's writings. Nonetheless, the papers almost always received desirable letter grades, strongly suggesting that King's professors did not expect more...." The editors of "The Martin Luther King Jr. Papers" state that "...the failure of King's teachers to notice his pattern of textual appropriation is somewhat remarkable...."

But researcher Michael Hoffman tells us "...actually the malfeasance of the professors is not at all remarkable. King was politically correct, he was Black, and he had ambitions. The leftist [professors were] happy to award a doctorate to such a candidate no matter how much fraud was involved. Nor is it any wonder that it has taken forty years for the truth about King's record of nearly constant intellectual piracy to be made public."

Supposed scholars, who in reality shared King's vision of a racially mixed and Marxist America, purposely covered up his cheating for decades. The cover-up still continues. From the "New York Times" of October 11, 1991, page 15, we learn that on October 10th of that year, a committee of researchers at Boston University admitted that, "There is no question but that Dr. King plagiarized in the dissertation." However, despite its finding, the committee said that "No thought should be given to the revocation of Dr. King's doctoral degree," an action the panel said "would serve no purpose."

No purpose, indeed! Justice demands that, in light of his willful fraud as a student, the "reverend" and the "doctor" should be removed from King's name.

### Communist Beliefs and Connections

Well friends, he is not a legitimate reverend, he is not a bona fide PhD, and his name isn't really "Martin Luther King, Jr." What's left? Just a sexual degenerate, an America-hating Communist, and a criminal betrayer of even the interests of his own people.

On Labor Day, 1957, a special meeting was attended by Martin Luther King and four others at a strange institution called the Highlander Folk School in

Monteagle, Tennessee. The Highlander Folk School was a Communist front, having been founded by Myles Horton (Communist Party organizer for Tennessee) and Don West (Communist Party organizer for North Carolina). The leaders of this meeting with King were the aforementioned Horton and West, along with Abner Berry and James Dumbrowski, all open and acknowledged members of the Communist Party, USA. The agenda of the meeting was a plan to tour the Southern states to initiate demonstrations and riots.

From 1955 to 1960, Martin Luther King's associate, advisor, and personal secretary was one Bayard Rustin. In 1936 Rustin joined the Young Communist League at New York City College. Convicted of draft-dodging, he went to prison for two years in 1944. On January 23, 1953 the "Los Angeles Times" reported his conviction and sentencing to jail for 60 days for lewd vagrancy and perversion. Rustin attended the 16th Convention of the Communist Party, USA in February, 1957. One month later, he and King founded the Southern Christian Leadership Conference, or SCLC for short. The president of the SCLC was Dr. Martin Luther King, Jr. The vice-president of the SCLC was the Reverend Fred Shuttlesworth, who was also the president of an identified Communist front known as the Southern Conference Educational Fund, an organization whose field director, a Mr. Carl Braden, was simultaneously a national sponsor of the Fair Play for Cuba Committee, of which you may have heard. The program director of the SCLC was the Reverend Andrew Young, in more recent years Jimmy Carter's ambassador to the UN and mayor of Atlanta. Young, by the way, was trained at the Highlander Folk School, previously mentioned.

Soon after returning from a trip to Moscow in 1958, Rustin organized the first of King's famous marches on Washington. The official organ of the Communist Party, "The Worker," - - openly declared the march to be a Communist project. Although he left King's employ as secretary in 1961, Rustin was called upon by King to be second in command of the much larger march on Washington which took place on August 28, 1963.

Bayard Rustin's replacement in 1961 as secretary and advisor to King was Jack O'Dell, also known as Hunter Pitts O'Dell. According to official records, in 1962

Jack O'Dell was a member of the National Committee of the Communist Party, USA. He had been listed as a Communist Party member as early as 1956. O'Dell was also given the job of acting executive director for SCLC activities for the entire Southeast, according to the St. Louis "Globe-Democrat" - of October 26, 1962. At that time, there were still some patriots in the press corps, and word of O'Dell's party membership became known.

What did King do? Shortly after the negative news reports, King fired O'Dell with much fanfare. And he then, without the fanfare, "immediately hired him again - - as director of the New York office of the SCLC, as confirmed by the "Richmond News-Leader" - -of September 27, 1963. In 1963 a Black man from Monroe, North Carolina named Robert Williams made a trip to Peking, China. Exactly 20 days before King's 1963 march on Washington, Williams successfully urged Mao Tse-Tung to speak out on behalf of King's movement. Mr. Williams was also around this time maintaining his primary residence in Cuba, from which he made regular broadcasts to the southern US, three times a week, from high-power AM transmitters in Havana under the title "Radio Free Dixie." In these broadcasts, he urged violent attacks by Blacks against White Americans.

During this period, Williams wrote a book entitled "Negroes With Guns." The writer of the foreword for this book? None other than Martin Luther King, Jr. It is also interesting to note that the editors and publishers of this book were to a man all supporters of the infamous Fair Play for Cuba Committee.

According to King's biographer and sympathizer David J. Garrow, "King privately described himself as a Marxist." In his 1981 book, "The FBI and Martin Luther King, Jr.", Garrow quotes King as saying in SCLC staff meetings, "...we have moved into a new era, which must be an era of revolution.... The whole structure of American life must be changed.... We are engaged in the class struggle."

Jewish Communist Stanley Levison can best be described as King's behind-the-scenes "handler." Levison, who had for years been in charge of the secret funnelling of Soviet funds to the Communist Party, USA, was King's mentor and was actually the brains behind many of King's more successful ploys. It was Levison who edited King's book, "Stride Toward Freedom." It was Levison who

arranged for a publisher. Levison even prepared King's income tax returns! It was Levison who really controlled the fund-raising and agitation activities of the SCLC. Levison wrote many of King's speeches. King described Levison as one of his "closest friends."

#### FBI: King Bought Sex With SCLC Money

The Federal Bureau of Investigation had for many years been aware of Stanley Levison's Communist activities. It was Levison's close association with King that brought about the initial FBI interest in King.

Lest you be tempted to believe the controlled media's lie about "racists" in the FBI being out to "get" King, you should be aware that the man most responsible for the FBI's probe of King was Assistant Director William C. Sullivan. Sullivan describes himself as a liberal, and says that initially "I was one hundred per cent for King...because I saw him as an effective and badly needed leader for the Black people in their desire for civil rights." The probe of King not only confirmed their suspicions about King's Communist beliefs and associations, but it also revealed King to be a despicable hypocrite, an immoral degenerate, and a worthless charlatan.

According to Assistant Director Sullivan, who had direct access to the surveillance files on King which are denied the American people, King had embezzled or misapplied substantial amounts of money contributed to the "civil rights" movement. King used SCLC funds to pay for liquor, and numerous prostitutes both Black and White, who were brought to his hotel rooms, often two at a time, for drunken sex parties which sometimes lasted for several days. These types of activities were the norm for King's speaking and organizing tours.

In fact, an outfit called The National Civil Rights Museum in Memphis, Tennessee, which is putting on display the two bedrooms from the Lorraine Motel where King stayed the night before he was shot, has declined to depict in any way the "occupants - -of those rooms. That "according to exhibit designer Gerard Eisterhold "would be "close to blasphemy." The reason? Dr. Martin Luther King,

Jr. spent his last night on Earth having sex with two women at the motel and physically beating and abusing a third.

Sullivan also stated that King had alienated the affections of numerous married women. According to Sullivan, who in 30 years with the Bureau had seen everything there was to be seen of the seamy side of life, King was one of only seven people he had ever encountered who was such a total degenerate.

Noting the violence that almost invariably attended King's supposedly "non-violent" marches, Sullivan's probe revealed a very different King from the carefully crafted public image. King welcomed members of many different Black groups as members of his SCLC, many of them advocates and practitioners of violence. King's only admonition on the subject was that they should embrace "tactical nonviolence."

Sullivan also relates an incident in which King met in a financial conference with Communist Party representatives, not knowing that one of the participants was an infiltrator actually working for the FBI.

J. Edgar Hoover personally saw to it that documented information on King's Communist connections was provided to the President and to Congress. And conclusive information from FBI files was also provided to major newspapers and news wire services. But were the American people informed of King's real nature? No, for even in the 1960s, the fix was in "the controlled media and the bought politicians were bound and determined to push their racial mixing program on America. King was their man and nothing was going to get in their way. With a few minor exceptions, these facts have been kept from the American people. The pro-King propaganda machine grinds on, and it is even reported that a serious proposal has been made to add some of King's writings as a new book in the Bible.

Ladies and gentlemen, the purpose of this radio program is far greater than to prove to you the immorality and subversion of this man called King. I want you to start to think for yourselves. I want you to consider this: What are the forces and motivation behind the controlled media's active promotion of King? What does it

tell you about our politicians when you see them, almost without exception, falling all over themselves to honor King as a national hero? What does it tell you about our society when any public criticism of this moral leper and Communist functionary is considered grounds for dismissal? What does it tell you about the controlled media when you see how they have successfully suppressed the truth and held out a picture of King that can only be described as a colossal lie? You need to think, my fellow Americans. You desperately need to wake up.

## From Wall Street With Guile

In the last few weeks in America a new growing mass movement started in New York and now spreading to numerous other America cities arise. The hub and start of this protest wave being the occupy Wall Street movement. Which is still going strong now.

While the rank and file protesters have serious and real grievances due to what the Jews have done to the Nation:

We have another dimension in the mix, the Jew.

The Jews operate on the problem, reaction, solution formula of the Hegelian dialect or "Start a fire to sell them a fire hose" as a Yiddish saying goes. The Jews knew that after their second war [To crush Nations that had broken free of them in Europe during the critical reaction stage] America was no longer ripe for outright Communist revolution in the day as the masses would never support it now due to the change in the social, political and economy life in the Nation. The American Communist Party had over a million members at the height of the Jewish banksters engineered depression in the 1930's designed to create the situation where the Jews could take over via a Communist revolution [as well as work to centralize all the banking and economic power in their hands which equals political power, Lenin stated that is 90% of Communizing a Nation] which was working abroad at the same time as in Russia and across Europe.

The Jews running up against strong opposition previous in Europe and their violent revolutions being defeated in West and Central Europe along with the Red Army running out of steam and being defeated in Poland. In the mid 1920's came up with a slow drip method to topple a nation from within and termed this soft subversion or Trojan Horse method was finalized in the doctrine of "Cultural Marxism" by the Jewish think-tank of the Frankfurt school.

This Cultural Marxism was exported to America in the 1930's and put to work in the 1950's and on. When as stated they understood the situation for open Communist revolution of the workers had passed. They decided on a slow drip method that in time allied with another mathematically created economic collapse they could capitalize off the reaction and restart their direct agenda again. People need to understand the Jews plan in decades and centuries and steps that unfold and stay adaptable in the course of time to obtain their goal of a Global Jew World Order.

For an in-depth view of this reality:

The Jewish Communizing of America

<http://groups.yahoo.com/group/JoSNewsletter/message/243>

Today with the protest movements at Wall Street we see this unfolding evidenced by the fact the movement was created and is funded by the Jewish power structure agents such as the notorious Henschel Jew of the Rothschild's, George Soros who organized the Occupy Wall Street Movement via Adbusters:

Adbusters made the initial call in mid-July, and also produced a very sexy poster with a ballerina posed atop the Charging Bull statue and riot police in the background. US Day of Rage. [1]

This group then contracted the "NYC General Assembly" a covered Communist front group of Jews and usefools to carry out the grunt work and get it going.

The Adbusters Media Foundation describes itself as a non-profit "anti-consumerist" organization that functions as "a global network of artists, activists, writers, pranksters, students, educators and entrepreneurs who want to advance the new social activist movement of the information age."

Like many so-called leftist non-profits, Adbusters is a creature of globalist foundations. According to research conducted by Activistcash.com, Adbusters takes money from a number of supposedly progressive foundations, including the big Kahuna of leftish foundations – the Tides Foundation and Tides Center. Between 1996 and 2003, Tides doled out \$334,217.00 to Adbusters, by far the largest amount of eight foundations donating.

Steve Baldwin claims Tides received over \$7 million from George Soros. Although the monetary connection between Tides' founder Drummond Pike and the arch globalist Soros is somewhat murky, researcher Ron Arnold has mapped out numerous connections between the two so-called philanthropists. Under IRS rules, Drummond is not obliged to reveal who he receives money from to fund a large number of supposedly progressive organizations.

"The Tides Foundation is a pass-through for other foundations' money," writes Arnold. "Tides Foundation is a public charity, not a private foundation. Tides Foundation passes other foundations' money to a spectrum of left-wing organizations which the original donors would not or could not support on their own... Because none of the more than 260 projects under the Tides umbrella files its own Form 990 with the IRS, their finances are totally secret and not available for public inspection, an issue that requires congressional remedy."

"It would seem George Soros is connected to the U.S. Day of Rage aka Occupy Wall Street through The Ruckus Society. On the U.S. Day of Rage website. The Ruckus Society receives funding from the Tides Foundation and George Soros' Open Society Institute provides grants to Tides, including a mere \$4.2 Million in 2008, the last year figures are available." [2]

Who else has hovered into to help to direct this movement?

A widely reproduced article October 5 ("Seeking Energy, Unions Join Protest Against Wall Street"), the New York Times pointed prominently to the attitude and role of Stuart [Jew] Appelbaum, president of the Retail, Wholesale and Department Store Union (RWDSU), in relation to the current Occupy Wall Street protests. [3]

More on Applebaum:

As well as serving since 1998 as president of the 100,000-member RWDSU, now a division of the United Food and Commercial Workers (Change to Win Federation), Appelbaum is president of the Jewish Labor Committee, a pro-Israeli lobby within the American trade unions. In this capacity, he regularly defends Zionist policy, although in its "moderate" Labor Party version, and denounces Palestinian

resistance. He is also associated with Ameinu, the successor to the Labor Zionist Alliance.

Prior to the disaffiliation of the UFCW from the AFL-CIO, Appelbaum functioned as a Vice President of the national AFL-CIO and a member of the federation's Executive Council from 1998 until 2005. He also currently serves as a vice president of the New York State AFL-CIO and the New York City Central Labor Council.

He plays a prominent role in the Democratic Party, having served formerly as Chief House Counsel of the Democratic National Committee. Appelbaum was elected a delegate to the 1996, 2000, 2004 and 2008 Democratic National Conventions and an alternate delegate to the 1992 Democratic National Convention. In 2008, he served as a member of the Electoral College as an Obama elector from New York.

Appelbaum sits on Freedom House board with a variety of right-wing academics, trade unions officials and assorted US government operatives past and present, including Kenneth Adelman, formerly an assistant to Secretary of Defense Donald Rumsfeld (under Gerald Ford), and later a member of the Defense Policy Board.

Another Freedom House trustee is Diane Villiers Negroponete, wife of John Negroponete, ambassador to Honduras during the 1980s, who played a key role in supplying and supervising the CIA-backed "contra" mercenaries who were based in that country, and whose operations claimed 50,000 lives.[3]

More:

Media spokesmen for the Occupy Wall Street demonstrations claimed that their operation is totally transparent, with everything subject to democratic discussion in a general assembly of all comers. But eyewitness reports from experienced observers on the ground in lower Manhattan indicate a much different reality behind these bland assurances. Forces appeared to be at work behind the scenes to manipulate the protest movement.

Eyewitness observers suggest that the deliberations of the general assembly are largely a diversion, and that real power is being increasingly concentrated in the hands of about 20 mysterious and anonymous individuals who appear to make up a kind of covert steering committee that pulls the strings on the general assembly, or else goes around it completely. The members of this cadre of mysterious operatives are not as young as the average demonstrator. The secret leadership is made up of people ranging in age from 25 to over 40, with the older ones occupying the key posts.

Attempts to ascertain the names of the behind-the-scenes leaders are met with stonewalling. When pressed to reveal her identity, one female leader gave her name as "Mary MIA." Another gave his name as "Tony POW."

If the leaders of OWS want to be transparent, let them make public at least the full names of the people who are actually running the show. No one wants to join a movement with anonymous leaders.

Observers have noticed that almost all of the likely members of the secret steering committee disappear from view between 4 and 6 p.m. each afternoon, right before the opening of the general assembly, for which they then re-appear.

It is assumed that they are attending a closed-door meeting, but the general assembly is not officially informed of this fact.[4]

We are experiencing a return transit of the Jews via their formula of problem, reaction, solution. Creating and funding a mass movement for an End Game power grab and the folding of America into the Jew World Order. Which is playing off the terraforming of America over decades of psychological programming of Cultural Marxism [every major campus is a Cultural Marxist seminary] to have the leftist usefools by legion to be the marching fodder to create the core ranks needed along with a Jewish leadership body. And with the spark of the engineered depression to unite them into a battering ram of Global Jewry.

## Might Does Not Make Right

Hegelian dialect, conflict theory is the thread that runs through many of the powerful narratives in our society. This is the core of Marxism, class warfare and conflict and it rewrote its own history on this. This is a continuation of Christianity and its conflict ideology of the saved vs the unsaved, their god vs their devil and such.

It's only originally found in Jewish thinking. Not surprising Hegel was a Rabbi.

This belief also highlights more popular beliefs pushed in the West such as social Darwinism, evolutionary Darwinism, moral relativism, etc. And how this applied to liberal capitalism. We see this in Social Marxism [PC] the war between the sexes, races, classes and sexual orientations. We also see this in the current hot topic of goofy libertarianism which is a reverse form of Marxism if one reads Ann Rosenbaum [Rand's] garbage. Where the Bourgeois class are at war with the workers, with the workers reduced to dehumanized goblins to be stepped on as inferior. Which dovetails with social Darwinism conflict theories. Within the libertarian ideology is the denial and call to wash away [governments] nations, races, cultures and ethnicity. All of this is to be swept away into a globalist, materialist world of never ending capitalistic warfare, domination and absolute rule by a globalist plutocracy. The whole planet reduced to cooperate, neo-feudalism. Planet sweatshop. Owned by guess Jew?

How did you think it was really going to end. Like they lie and told you it would. Each Goy with their own money bin to swim in? Why do you think it's all Jews making it up and pushing it. And then in Rosebaum's case openly denying its tenants when it comes to her fellow Chosen. The Jews simply have sold their poison in a more palatable form to the American psyche. It's a poison apple once you wolf it down and drop, they clean out your pockets cackling with glee. Rosebaum knew that apple is for little Gentile you, not her Jews. You help destroy your own and they walk in and take over.

So you tried of being stepped on by big Jew money. And its conflict, social Darwinist based ideology of domination and exploitation of you as cheap, Goy,

chattel wage slavery, sweatshop central. Where do you turn to other coin the Leftist conflict based ideology of class warfare and revolution and the same social Darwinist vibe. Both are based on the same at the core. And you wind up in the same place with a Party official instead of a corporate boss.

For those who think its all so wonderful. Where has the Western world gotten under the banner of Jewish conflict theories, the never ending Hegelian dialectic and the social Darwinism, liberal capitalism the general right and left its all built upon. Our mainstream political system of Right vs Left, Republic vs Democrat. etc

Looking around it has not brought about its epic evolution into anything better. Its all actually getting worse by the week and has created a nightmare society where people are killing themselves on mass to escape it. And physical and mental illness is the norm, people have conflict based psychology within their own mind against themselves, along with cities and streets and towns plagued by violence that has racketed up a body count of a small country by now much of it in the name of social Darwinism based approach to capitalist based activities. Our societies have been pillaged by Globalist Jew bankers and their corporation wings and social-Media propaganda. Nations, races, cultures are all being destroyed. Never ending conflict, warfare, empty hatreds and division does not build anything it only tares down into ruins. This is Jewish tactics divide and conqueror.

Where is might makes right gotten us all? Right into the Jews claws thats where.

We need to push away from the Kikeology paradigm and look inwards and realize what does it mean to be human, as an individual, as a member of a race and culture, nation and planet. What makes us unique is what unifies us not separates us into conflict.

Its no mistake this Hegelian dialect, conflict theory which is underlying the majority of narratives in society, was created by a Jewish Rabbi. Its the core of the Jewish psychosis. Conflict, war, cruelty, sadism, pointless psychotic aggression.

Might does not make right.

Truth is what makes right, as its truth which the cosmos exists upon. Its the eternal.

Here is part of an article on Rand:

Rand" was born Alisa Zinov'yevna Rosenbaum in St. Petersburg, Russia.

Ron Paul, like Alan Greenspan, was heavily influenced by the Russian Jewess "Ayn Rand". "Rand" was born Alisa Zinov'yevna Rosenbaum in St. Petersburg, Russia, in 1905. I became acquainted with Rosenbaum's subversive activities while battling against one of the most ardent modern proponents of her philosophies, a radical Zionist Jew who many years ago proposed the nuclear annihilation of Iran, and who defended Einstein's reputation with falsehoods and smears.

"Ayn Rand" came to America from Russia presenting herself as if a radical anti-Communist. Hers was the typical modus operandi of Bolshevik operatives working for an official Soviet organization known as The Trust. These agents, many of them crypto-Jews, came to the West in search of anti-Communists and infiltrated anti-Communist organizations and Western intelligence agencies. Their objective was to forward the interests of Communism by creating a controlled opposition to Communism which would serve the interests of the Communists while pretending to fight them. They also subverted all authentic anti-Communist movements.

Rand promoted negative stereotypes of women, attacked homosexuals, advocated laissez faire Capitalism, and taught selfishness and disregard for humanity. She opposed charity and objected to any governmental assistance for those without means. She wanted to place America on the ruinous Gold Standard.

Rosenbaum's "good advice" to the blacks only held them back by preventing them from using the political process to forward their interests. Her good advice to the Goyim only held the Gentiles back, by making them selfish and irresponsible, and also by preventing them from using their government to better themselves and their neighbors. She taught the Gentiles to hate the poor, undermine the middle class and concentrate wealth in the hands of the wealthiest Jews, all in the name of "fighting Communism". Her "good advice" pitted Goys against one another at the time when they should have been helping one another to become successful.

She taught Gentiles to shun any efforts to cooperate in their communities and improve the lot of one another.

While Jews famously provided communal support and charitable assistance for their own, Rosenbaum helped to create the destructive "me generation" attitudes in Americans, weakened communities and inhibited the advancement of the poor and middle class. Her beliefs also fostered the drug culture, pornography and the destruction of public education. While Jews promoted strong community ties, Rosenbaum taught the Goyim to be selfish and "independent", meaning without any sense of social responsibility or communal cohesion.

While Jews wisely took from the public schools all they could, Frederick T. Gates, an agent of World Jewry, used Rockefeller/Rothschild money to finance institutions of higher learning which benefitted Jews, while promoting the idea that Gentile students should be readied for factory work and work as field hands and farmers. While World Jewry took the monies they stole from Gentiles and distributed them charitably to their own, Rosenbaum taught Gentiles to abandon all social responsibility, obsessively focus on themselves, and destroy all government institutions which better the lot of the American middle class and poor.

Alisa Rosenbaum's "anti-Communist" philosophies weakened Americans opening the door for Communism. I suspect she was an agent of "The Trust".....

## Barak Obama, KGB Agent

<http://alien-ufo-sightings.com/2013/06/russian-official-obama-is-a-communist-kgb-agent>

RUSSIAN OFFICIAL: "OBAMA IS A COMMUNIST KGB AGENT"

Moscow, Russia – A Russian government official bragged that Barack Obama was a KGB operative and that his presidency had been planned since birth, an American physicist and government contractor reports.

Tom Fife, an American computer networking specialist and international businessman, reported the alarming facts about the Kremlin's connection to Barack Obama. The boast from a Communist Party official reportedly occurred during a business trip to Russia, 16 years before Barack Obama was ushered into the presidency of the United States.

“It was like an elastic band snapping all the way from 1992,” Fife shakily admitted, upon recall of the exact moment he realized the Communist official had been telling the truth. “It was a very, very scary feeling.”

Fife, a physicist and computer engineer, had been traveling to Russia for a joint venture with a state-owned company when the shocking revelation was revealed to him. After several business meetings, Fife and his partner were invited to the company owner’s home at the end of the journey for a farewell dinner.

The owner’s wife was a Communist Party official and was “climbing two ladders”, as Fife puts it, one ladder being the KGB and the other being the traditional Russian society and business ladder. As the evening wore on, the female Communist official became increasingly agitated over a perceived slight and her emotions spilled over.

“You Americans like to think you’re so perfect!” she snarled. “Well, what if I told you that very, very soon you’re going to have a black president... and he’s going to be a Communist!”

The KGB operative was not finished. As she had now dropped this bombshell on the entire gathering, she felt compelled to continue.

“His name is Barack,” she sneered. “His mother is white and his father is an African black. He has gone to the best schools, he is what you would call ‘Ivy League’.”

Fife recalls being stunned and shocked at the words flowing from the Communist’s mouth as she continued to rattle off an incredibly precise set of details about this Communist operative who was to supposedly become president of the United States.

The Communist official then stated that he was from Hawaii, but would very soon be elected to the Chicago state legislature. This has turned out to be an eerily prescient prediction, as Barack Obama was not elected State Senator until 1996, a full 4 years afterwards, as he took Alice Palmer’s seat.

In 1992, Obama had recently graduated from Harvard Law School and accepted a position as a Fellow at the University of Chicago Law School.

Perhaps the most shocking revelation is how deep the Soviet Communist network has embedded itself into American political and educational culture. A quick review of Obama's political "career" shows a track that was inexplicably greased, from his tuition payments at Columbia and Harvard, to a position at UOC Law School, to his eventual electoral "victories" at the Illinois State Senate, United States Senate, and U.S. Presidency.

Barack Obama's parents ostensibly met in a Russian language class. This could have been where his mother was recruited by Barack Obama Sr, who could have already been working undercover for the KGB.

In order to brainwash the child from an early age, they surrounded him with diehard Communists and fellow KGB agents, such as Frank Marshall Davis, a known Communist Party USA official. The Soviet KGB directly funded the CPUSA. This would fit directly into what the Russian Communist said about 'Barack', boasting "He has been raised to be an atheist and a communist."

"He will be a blessing for world communism," Fife recalled her saying, after getting over the initial shock of hearing the current president was a KGB agent.

The creepy prediction stayed with the physicist upon his return to the United States, although he paid it no mind until he began to hear of an swiftly rising political star named Barack Obama. When Fife learned that this same Barack was running in the 2008 presidential election, everything snapped into place and he knew he had to tell someone.

Today, Fife admits that it deeply disturbs him and that he has never been able to shake the ominous feeling of foreboding about what comes next, now that the KGB official's prediction has come true.

"It never leaves you, having someone tell you that they've engineered the takeover of your country," he admits. "It's really quite scary."

## Mandela Front Man Of The Jew World Order

<http://www.youtube.com/watch?v=L3czqorghkl>

"We must realize that our party's most powerful weapon is racial tensions. By propounding into the consciousness of the dark races that for centuries they have been oppressed by whites, we can mold them to the program of the Communist Party. In America we will aim for subtle victory. While inflaming the Negro minority against the whites, we will endeavor to instill in the whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise in prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige, the Negro will be able to intermarry with the whites and begin a process which will deliver America to our cause."

Israel Cohen [Jew], A Racial Program for he Twentieth Century, 1912. Also in the Congressional Record, Vol. 103, p. 8559, June 7, 1957

Here is Mandela with one of his Jewish Communist bosses: Slovo.

No mistake the partial Jewish and totally Marxist prez. Obama ordered all American [made in China] flags at half mast in honour of Jew owned, Marxist, terrorist, Mandela.

Why not Americans have already been taught to worship the Jewish owned, Communist agent Martin Luther King as a Saint. Keeping Israel Cohen's Talmudic dream to destroy Gentiles alive.

Nelson Mandela Was A Communist Terrorist Backed By Zionists [My note Zionist is just another word for Jew and we all know it.]

Nelson Mandela the former President of South Africa has passed away at the age of 95. The big American media outlets are currently spending hours upon hours of air time praising Mandela as some sort of angelic icon of peace. This is a total fabrication of reality. Mandela originally aligned himself with the African National Congress a Communist revolutionary group heavily influenced and financed by Zionist Jews. This organization would be responsible for all sorts of atrocities in South Africa which eventually led to Mandela's time in jail. Mandela co-founded the militant wing of the ANC with various South African Communists including an Israeli Jew by the name of Arthur Goldreich. The group was called Umkhonto we Sizwe or Spear of the Nation. It is important to note that the ANC not only attacked official government buildings but even non-government targets like movie theatres as well. It was this activity that made it easy for several countries including the United States to label the ANC as a terrorist organization. Mandela himself was even on the U.S. terrorist watch list until 2008. Fun facts about Mandela such as these are completely ignored by all of the big media outlets because it runs contrary to the portrait they are trying to paint.

In order to understand who Mandela really was it is necessary to understand the real history of apartheid South Africa. The policies of apartheid or racial segregation were largely implemented starting in the late 1940s to early 1950s. These policies were originally intended to give the different races within South Africa an independent area of their own. It was argued by South African leaders at the time that South Africa wasn't a single nation but was made up of several different racial groups which should be split apart. Although the merits of these policies or lack thereof could be argued, the policies were not as nefarious as we have been led to believe.

The so-called apartheid South African government which was dominated by White Europeans had made South Africa a successful independent first world nation. This was the real reason why Jewish Communists sought to use the ANC as a way to demonize the White European leaders in power. South Africa

represented an independent economic and military power that needed to be brought under their influence.

Much like the phony civil rights movement in America, the ANC was dominated by Jewish Communists even up until the 1990s when Mandela took power. A recent article from Haaretz notes the following.

The African National Congress, the liberation movement that became the governing party in 1994, also had a full complement of Jews, including Joe Slovo, Ronnie Kasrils and Denis Goldberg.

The ANC would not only engage in acts of terror against Whites but they would also do the same against Blacks who they suspected of collaborating with Whites. Specifically they would execute and torture people by igniting a rubber tire filled with petrol that they forced over their chests and arms. The practice referred to as necklacing would typically take the victim over 15 minutes to die in certain cases. Hundreds of executions using this method were carried out by the ANC. Even Mandela's one-time wife Winnie would implicitly endorse this method of torture and execution.

Early in his life Mandela was surrounded by Jews and was given his first job as a clerk by a Jewish lawyer named Lazar Sidelsky. He would associate himself with a large number of Jewish Communists including some of the ones mentioned previously. In fact during a sweep of the ANC in the early 1960s which resulted in his arrest and lengthy prison sentence, a significant number of Jews were also arrested. Enormous caches of weapons and explosives held by the ANC were also uncovered. A recently published article from Tablet Magazine goes into great detail about how Mandela was aligned strongly with a significant number of Zionist and Communist Jews before and up until the time of his arrest.

In 1985, the President of South Africa Pieter W. Botha offered to release Mandela from prison if he would unconditionally reject violence as a political instrument. Mandela refused the offer. This fact completely destroys the notion that Mandela was a man of peace.

Mandela's release from prison in 1990 was greeted with widespread media coverage from all of the major Jewish controlled press outlets including American mainstream media. Instead of focusing on his past, he was portrayed as a man of peace and an iconic freedom fighter. The biased media spin was used to make people forget about who he really was. Amazingly the ridiculous media extravaganza helped Mandela become President of South Africa allowing his Jewish backers to change South Africa into a nation run by Communist principles.

Since Mandela's ascent to the Presidency, the South African economy has actually worsened compared to when it was led by the apartheid government. A BBC article goes into great detail about how many things were better before the ANC and Mandela took power. In fact economic inequality is far worse now than before. Unemployment and poverty is rampant with many South Africans living in shacks. Dissent against the ANC is largely stifled as one would expect in a nation run by Communist principles. There has also been a substantial increase in the number of White South Africans murdered by Blacks since this transformation. Specifically White South African farmers have been primary targets during this reign of murder and terror.

Simply put, Mandela was nothing more than a cult of personality fraud who has brought ruin to South Africa. Many Black South Africans are actually worse off now than under the alleged evils of the apartheid government. He was always a puppet for powerful Jewish interests who were the ones that really helped him gain power in South Africa. It is no wonder why Barack Obama had so many kind things to say about Mandela because Obama is literally doing the same thing to America that Mandela did to South Africa. Mandela should be remembered with disdain and not with reverence.

Why "Anti-racist" is a Codeword for "Anti-white"

Posted on June 13, 2013 by Solomon Wong

Do you like cat videos? Cooking videos? Do you like watching movies in 11 parts? Whatever you do on Youtube, there's a chance you've noticed a peculiar trend of comments claiming that multiculturalism is the "final solution" to the white race. That "anti-racist is a codeword for anti-white". If you have, you probably laughed it off. Showed it to your friends, or even argued with the commenter for some godforsaken reason. You may have delved deeper, and found a video of a bunch of white women talking about their struggle against the systematic disenfranchisement of whites. If you're an "educated person", you probably know that there's no genocide against whites. Anti-racists don't hate whites. There is no "final solution."

But what you know is wrong. A politically correct lie, to hide the truth: The white race is under threat, and multiculturalism is the weapon of choice. Anti-racist is a codeword for anti-white.

The people leaving these comments are white nationalists. They believe the white race is entitled to an Israel-like homeland, where whites can be assured of their safety and future. Where they aren't threatened by the corrupting influence of other races. They want a home, like the Chinese, like the Arabs, like the Africans. This is somehow an extremist position. Even their benign fourteen word

statement on the matter is considered the mark of a nazi, who wants to kill six million Jews.

“We must secure the existence of our people and a future for White Children.”

An extensive campaign has been waged to keep you ignorant, passive as the white race dies right in front of you. But people are waking up, and trying hard to lift the sleepy haze from the rest of us. If you do come across these comments, you’ll notice that their terminology is extremely consistent. The rhetoric you’ll see most often stems from *The White Mantra*. Written by concerned white man Bob Whitaker, the mantra lays out the white nationalist argument that whites are being systematically exterminated. Certain phrases appear again and again. If you’ve argued with them, they’ll only repeat what they said before, and if they really engage you, it’ll only be to convince you that there IS a genocide. I’m going to do their work for them, in the hope that future dialogues are more productive.

Multiculturalism argues that the solution to “the race problem,” that is, tension, inequality, and violence between races, is to integrate fully. Put people together where they can gain an understanding of each other, see that they’re all the same on the inside. It’s tied also to anti-racism, which seeks to tear down the mechanisms that further enable these issues. Solutions there range from affirmative action to deprogramming harmful stereotypes. The mantra argues that these schools of thought are anti-white, and, moreover, constitute a concerted effort to destroy the white race.

Genocide is officially defined by five bullet points. If any one of these points apply, and are being applied in a purposeful way, the international community is obliged to regard it as genocide. The white genocide can be argued to fit all five, but I’ll focus on two. As foreign immigrants flood into white countries from where they belong, they pack white land full to bursting, taking jobs from poor whites, being promoted over qualified whites. They worsen the already dire situation in cities, selling drugs, murdering natural citizens, raping. In other words, they fulfill [c) Deliberately inflicting on the group conditions of life calculated to bring about its physical destruction in whole or in part] by making life unlivable for whites in their own home. Anti-racists claim that the solution to this problem is to integrate.

Welcome these immigrants into white communities, let them live as equals, get to know them, help them adjust.

This anti-racist effort constantly assaults the identity of the white race. - [Cartoon by ex-VNN poster Johnny James]

At one level, multiculturalists are right. Poverty is a powerful force, one that can bring out the worst in some people. Part of the race problem in white countries does in fact stem from inequality. But this push for inclusivity is the most insidious measure of all. By raising these people to the level of whites, we're giving them the chance to be viewed as equals. This, too, sounds good to most people. After all, supporting the alternative would be racist. But white nationalists are right, too. This anti-racist effort is decidedly anti-white.

To bring non-whites into the fold of white societies means friendships, relationships, sex and children. The white birth rate drops yearly due to the slow creep of multiculturalism. The more interracial couplings there are, the fewer whites (as contact with another race's blood destroys the Mike's Secret Stuff that makes white people white). Due to the tricky nature of race and whiteness, multiracial people can even pass as white, confusing partners and further diluting the bloodline. As non-whites become more equal, whites don't just lose privilege, their race literally begins to die. [d) Imposing measures intended to prevent births within the group;] Whites are losing the ability to maintain the integrity of their race, in a concerted, imposed way not faced by the Chinese, Brazilians, or Nigerians.

Even as white nationalists espouse views that many find repellent, they're absolutely right that the white race is dying out, and we're helping it happen.

What is the white race? Stormfront defines it thusly:

“Non-Jewish people of wholly European descent. No exceptions.”

This is a fairly straightforward definition, though one that is disputed often on the Stormfront boards. When you leave the world of white nationalism, though, whiteness gets much more complicated. The US census counts people from the

Middle East as “white.” Even people who are very dark count as white. Additionally, it counts North Africans white as well.

This is a pretty ridiculous concept on its face, but remember that the Irish, the Poles, the Jews, were all considered non-white at one point. Today, you’re hard-pressed to find anyone that would deny that these groups are white. Admittedly, this is helped along by the fact that most Irish and Poles LOOK like other white people, and non-white Jews are generally categorized by their ethnicity, not their religion, but the point remains that the definition of “white” is vague and subject to change.

Take the case of Gregory H Williams, a man who, after years of living under the belief that his father was a dark-skinned Italian, discovered the truth that his father was half-black. In Indiana, this made him black as well. He and his brother had lived as whites with no trouble, but suddenly they were treated as black by the whites around them, and ostracized by the black community they supposedly belonged to. This social classification is one that white nationalists would agree with, despite the fact that they would only know his “true” race by him telling the story.

What makes white people so special? Why are whites so damn great that white supremacist groups are really some of the only racial supremacist groups around? Well, because they’re manifestly doing better. They’re more educated, they have more money, more land, more control, they are the most modern, they are the most beautiful, their nations hold the most power, they’re really doing the best in most categories. “Whites are just naturally better” seems self-evident, when you look at their position in the world. Who but the greatest race in existence could get to this position?

White nations, those non-Jew European countries and their colonies, came to greatness through vampirism. Even taking into account some theoretical inherent superiority of whites, their nations were built through subjugating and exploiting people they conquered. This is not unusual. Attaining power on such a scale will always fuck someone over. And attain power, they have. The world is essentially under control by white nations, with a few Asian outliers. Through brute force,

capitalism, and slavery, a system has been built by whites that puts them at the top. Naturally, their education systems are built to benefit their children. Their economy is built on the foundation of non-white slaves, and maintained through the usage of poor laborers, most of whom are non-white. They own all of the land, and non-whites only gain it through submitting to the white system. Control is naturally theirs, as they conquered the land. Modernity comes mostly at the higher levels of society. Beauty standards have been established by their culture and media. Everything that makes white people great is due to the fact that they are the paragon model of a society and world they sculpted to their needs.

Even so, conquering and shaping the world is pretty impressive. But what does it mean for a racial group? Italians are white. Scots are white. Germans, Swedes, Australians are white. Of course, the reality is much more complicated, but basically, these are white countries, under white control, and they're especially white countries if you subscribe to the white nationalist view. Which, since we're examining their argument and beliefs, you can and should do without feeling weird about yourself. These countries all have a distinct culture and custom. But white nationalists argue that there is an underlying racial oneness to this group. What commonality do all these countries have, aside from skin color, which, as we've seen, means nothing? Their commonality is that they were so successful in violence and exploitation that they were able to take and maintain power. That is their singular racial characteristic.

Suppose a coalition of East Asians had taken over the way whites did. The world would look very different, of course, but there would be some things that were the same. They would be more educated, richer, with more land, control, modernity, beauty. How would they maintain their power? By creating a racial identity that fit all original member states (or, the ones that were influential enough). Claiming some natural quality that made them smart, successful, attractive, powerful, which gave them the right to stay in power above others that were unlike them. This construction of race is based entirely on the fact that (due to their circumstances) these people are better. They're in control, they built the world we live in to make themselves the best at everything, and they invented a race for themselves to assert that this is normal and the right way of things. It's

a naturalization of the status quo, turning a constructed power dynamic into a genetic imperative.

The white race is a reification of supremacy. Its very foundation is the power that whites wield. To assert the white race's right to exist is to defend its place of dominance in the world, because its dominance is the ESSENCE of the race. To protect the white race is to protect inequality, colonialism, exploitation, racism. It IS oppression. It IS racism. It IS injustice. And it is dying. Anti-racist practices are killing it.

Anti-racism is anti-white, and we should embrace that. As for the charge of genocide? Accept it. You can argue against it, but what's the point? Any conscionable person should want the white race destroyed. Who cares if the definition of genocide is being twisted to make people feel bad about doing the right thing? The point is that anti-racism, multiculturalism, any attempt to equalize the races is a strike against the white race. And once equality is truly reached, it will be dead. WE ARE TRYING TO DESTROY IT.

The white genocide is carried out through interracial sex, righting wrongs, and the consequences of the white race's sins. It is the kindest, slowest, most consensual genocide ever to take place. It's better than anything whites have afforded the people they stepped on to build their race, people they envy, for they have been afforded the right to their own identity and homeland. Because those people have a true national identity. They have a culture. The only culture all whites share is that of the destruction and subjugation of others. So good riddance.

## The Jewish Infection

Environment of the social nature is mainly formed by genetics and the external reality is the internal reality. There is an interplay of forces outer forces with inner forces that do affect genetic behaviour and codes epigenetics shows. But this brings us back to nature. Where the liberal tabula rasa debate picks up from the christian disease. And thinks man exists outside of natural forces and reality. The false divide is in their thinking. It's needed to manifest the belief system of universal oneness and other racial and generally egalitarian delusions the enemy psychological warfare programs are based in.

Fact is people have been deeply saturated in jewish communist propaganda under the tinsel of false spirituality [Christianity] and in its secular form [liberalism, cultural marxism, communism] and with centuries of this the jew system still has to try and force the races to mix as much as possible and yet people of all races still retain their intrinsic desire to not commit miscegenation and have their own space. I remember sitting in a large dinner hall in liberal land and watched all the different races sit with their own at the individual tables and within that the guys with the guys and girls with the girls. All these people parrot the cultural marxist/liberal platitudes but blood is thicker than water. And reality will not be denied. That dinner hall was a real map of reality.

This ideology of liberalism, cultural marxism and communism [the secular christian trinity of jew]. Has failed all over the Western world and all through history causing wars, conflicts, balkanization of nations. Giving us conflicts and slaughter. Such as the slaughter in Rwanda and across Africa which was generated by the period of European [Rothschild] rule of Africa. They herded all the different African ethnicities into large new nations. When the Western governments pulled out [jews stayed behind as the corporations/banks] the different ethnicities started to war on against one another till new tribal lines were drawn. This failure cost millions of lives.

An interesting case of dual failure of both the multicultural [ethnic/racial] program along with communism is evidenced in the Khmer regime of "democratic Kampuchea." The reds slaughtered entire classes and populations, even breaking

up the family unit, and wiping away an entire culture and social order in accordance with the communist ideology dictates. Turning the entire nation into a backward police state that would make Orwell blush. All in the name of brotherhood, equality, peace, unity and love. But there is a subtle context within the exterminations and repressions of the Khmers mission to create the perfect communist society. [Mass suicide of a people due to judeo-communist psychosis.]

Khmer exterminations which were done within the lines of communist ideology but within an ethnic conflict as well. The decades of animus over the ethnic Vietnamese population in Cambodia [Kampuchea] the majority of those sent to S21 [where the mount of skulls images are mainly from] were Vietnamese in ethnic background. The Khmer Rouge worked towards the literal goal of the total extermination of the entire Vietnamese and other non-Cambodian populations in their country. Cambodian men married to non-Cambodian women were given pistols by the Khmers and told to kill their wives or the Khmers would kill them both.

Here we see the failure of the multi-ethnic nation [liberal world dream] and what happens when its naturally generated hostility is given chance to be fully aired. And the reality of communist ideology all coming together. Of which liberalism is the central core. Before the left where slaughtering in the name of the communist ideology they were chopping heads and exterminating populations in the name of liberalism [of which Marx simply took and built an updated version of to suit the industrial era] as seen in the "French" revolution. Before the Bolsheviks we had the Jacobins. Pol Pot [not his real name] was converted to this [communism/liberalism a religion] in the universities and salons of Paris where he was a student for years. He returned to Cambodia with his red priest collar awarded for success at the liberal-red seminary training in Paris. And worked to fully implement the creation of the city of communism on earth. A regular red Augustine.

Western noted communist intellectual and scholars openly and proudly admitted [where their more timid brethren ran for the hills in a wave of apologetics] that Pol

Pot and the Khmer's where the full implementation of the pure ideal of communism on a nation.

Another instance of this is Tito's communist Yugoslavia. After he died and the nation he forced together under the same leftist nonsense pushed by the liberals, cultural marxists kooks and ilk in the West. Broke apart into a long violent war full of ethnic cleansing and all kinds of atrocities. Till the ethnic bounds and lines where rebuilt.

The Western liberal-red would state the problem is implementation of the ideology and the not the ideology. So they continue to push harder making the problems worse never understanding they are the cause not the solution. Because that is how mentally ill people think. This is how xianityoperates as well. They are all confused and mentally ill people. As one German philospher stated: "Christian theology is the grandmother of Bolshevism."

In India which is the liberal anti-racialist world dream all raced mixed. Most dating adds state "light skinned only" and people are graded and prized on their level of lightness. And group based genetic inheritance. Just look at the Bollywood starts to understand what the ideal of beauty is there. And all sorts of general ethnic conflicts dominate. India was also under a marxist, secular government after independence which just ruined their nation for decades. Once again the ideology is a failure on every level.

But schizoid liberals, cultural marxists, xians and other sundry nutted fruits of the jewed plains can't form a intelligent understanding of the nature of reality we are all formed from and a manifestation of. And hence the laws that manifest us are the laws that govern us. They dysfunctional brains can only be at home in a violent dystopia. Because a lunatic feels at home in a sea of lunatic's and lunacy only.

So we see nature will not be fooled and that which is unhealthy and against the laws of nature will consume itself in its own toxic poisons. Just at the society in live in outside of racial, ethnic tensions. [Which have consumed Western society and created a violent situation where tens of thouands have been victims many

raped, beaten and murdered whole areas are no go zones] The rates of mental illness are through the roof and growing. People commit suicide in large numbers, depression and apathy are normal. The jails are over populated in the millions. Drugs are destroying whole communities. People are dying of all kinds of physical illness rates that have skyrocketed. Our nations, societies and civilizations are crumbling due to a jewish induced and injected spiritual sickness.

To paraphrase one wise person:

Governments destroy freedom, schools destroy knowledge, religion destroys spirituality, psycharists destroy mental health, medical professions destroys health, media destroys information.

The only way to create a healthy world is upon the Dharma [eternal law of nature] which is based upon racial separation, self determination and respect. A world based on truth such as this would not experience any of the violence and insanity that unsane, jewish created programs have caused. The record of history and of today is screaming this fact in our faces. Such a Dharmic world does not facilitate such problems as it does not create any basis for any. This is the healthy world the National Socialists [who where Satanists at the top] worked to give us.

Salvation is in the Swastika. Which shall break the cross.

## Eugenics And The Church Lady

American eugenics' had a strong liberal capitalist nature and where aimed upon a platform of bourgeoisie morals [Judeo-Christian influenced]. The church lady coming around to sterilize all the Oscar Wilde's and too slothful to count the beans and turn the wheels of the machine. And those who drink to escape the nightmare of the liberal capitalist world. And its soulless, social-economic, caste system of materialist toil. In-between some droolers. Helping along some smarts to better make some money and carpet cling to moralist sentiments.

National Socialist aim of eugenics' was the opposite. It had an aim of collecting the best racial elements and carefully cultivating them over time into a new superior type of man and women to reform the primordial core of the race. To create a new racial aristocracy with a perfected, blood heritability the superior culture creating and carrying elite. Which in time the whole race was evolve into as these policies where applied to the whole nation on a soft level. But the SS was the direct method that was aimed to a fast track. This was the ideal of the classic or Pagan civilizations. I believe they where looking at Metagenic's as well. Given the Elite of the SS where all required by orders to practice Tantric Yoga [Kundalini Yoga].

The National Socialist eugenics' policy was a total denial and dismantling of the liberal, capitalist, bourgeoisie worldview. Creating a new racial, blood elite to rule. Not a money class on liberal bourgeoisie values. Who are by nature not entitled to leadership as they don't have the nature for it. And simply turn the world into one big corporation that destroys society and the best elements of it. Get them beans, baby. He who has the most beans wins, with one big, bean to rule them all.

This is why the eugenic movement in America fell flat on its face in time. It had no real great aim carried upon the banners of a higher world ideal. So it dissolved back into its bean counter, bourgeoisie mentality. It was a house build on liberal sand.

PERSONALITY FREEDOM HIERARCHY

From Men Among The Ruins. By Julius Evola

The essence of liberalism is individualism. The basis of its error is to mistake the notion of the person with that of the individual and to claim for the latter, unconditionally and according to egalitarian premises, some values that should rather be attributed solely to the former, and then only conditionally. Because of this transposition, these values are transformed into errors, or into something absurd and harmful.

Let us begin with the egalitarian premise. It is necessary to state from the outset that the "immortal principle" of equality is sheer nonsense. There is no need to comment on the inequality of human beings from a naturalistic point of

#### 13 4 PERSONALITY-FREEDOM-HIERARCHY

view. And yet the champions of egalitarianism make equality a matter of principle, claiming that while human beings are not equal de facto, they are so de jure: they are unequal, and yet they should not be. Inequality is unfair; the merit and the superiority of the liberal idea allegedly consists of not taking it into account, overcoming it, and acknowledging the same dignity in every man. Democracy, too, shares the belief in the "fundamental equality of anything that appears to be human."

I believe these are mere empty words. This is not a "noble ideal" but something that, if taken absolutely, represents a logical absurdity; wherever this view becomes an established trend, it may usher in only regression and decadence.

Concerning the first point, the notion of "many" (i.e., a multiplicity of individual beings) logically contradicts the notion of "many equals." First of all, ontologically speaking, this is due to the so-called "principle of undiscernibles," which is expressed in these terms: "A being that is absolutely identical to another, under every regard, would be one and the same with it." Thus, in the concept of "many" is implicit the concept of their fundamental difference: "many" beings that are equal, completely equal, would not be many, but one. To uphold the equality of the many is a contradiction in terms, unless we refer to a body of soulless mass-produced objects.

Second, the contradiction lies in the "principle of sufficient reason," which is expressed in these terms: "For every thing there must be some reason why it is one thing and not another." Now, a being that is totally equal to another would lack "sufficient reason": it would be just a meaningless duplicate.

From both perspectives, it is rationally well established that the "many" not only cannot be equal, but they also must not be equal: inequality is true de facto only because it is true de jure and it is real only because it is necessary. That which the egalitarian ideology wished to portray as a state of "justice" is in reality a state of injustice, according to a perspective that is higher and beyond the humanitarian and democratic rhetorics. In the past, Cicero and Aristotle argued along these lines.

Conversely, to posit inequality means to transcend quantity and admit quality. It is here that the two notions of the individual and the person are differentiated. The individual may be conceived only as an atomic unit, or as a mere number in the reign of quantity; in absolute terms, it is a mere fiction and an abstraction. And yet it is possible to lean toward this solution, namely to minimize the differences characterizing the individual being, emphasizing mixed and uniform qualities (what ensues from this, through massification

#### PERSONALITY-FREEDOM-HIERARCHY 135

and standardization, is a uniformity of paths, rights, and freedoms) and conceiving this as an ideal and desirable condition. However, this means to de-grade and to alter the course of nature.

For all practical purposes, the pure individual belongs to the inorganic rather than to the organic dimension. In reality, the law of progressive differentiation rules supreme. In virtue of this law, the lower degrees of reality are differentiated from the higher ones because in the lower degrees a whole can be broken down into many parts, all of which retain the same quality (as in the case of the parts of a noncrystallized mineral, or those parts of some plants and animals that reproduce themselves by parthenogenesis); in the higher degrees of reality this is no longer possible, as there is a higher organic unity in them that does not allow

itself to be split without being compromised and without its parts entirely losing the quality, meaning, and function they had in it. Therefore the atomic, unrestricted (solutus), "free" individual is under the aegis of inorganic matter, and belongs, analogically, to the lowest degrees of reality.<sup>13</sup>

An equality may exist on the plane of a mere social aggregate or of a primordial, almost animal-like promiscuity; moreover, it may be recognized wherever we consider not the individual but the overall dimension; not the person but the species; not the "form" but "matter" (in the Aristotelian sense of these two terms). I will not deny that there are in human beings some aspects under which they are approximately equal, and yet these aspects, in every normal and traditional view, represent not the "plus" but the "minus"; in other words, they correspond to the lowest degree of reality, and to that which is least interesting in every being. Again, these aspects fall into an order that is not yet that of "form," or of personality, in the proper sense. To value these aspects and to emphasize them as those that truly matter is the same as regarding as paramount the bronze found in many statues, rather than seeing each one as the expression of distinct ideas, to which bronze (in our case, the generic human quality) has supplied the working matter.

These references clarify what is truly a person and personal value, as opposed to the mere individual and the mere element belonging to a mass or to a social agglomerate. The person is an individual who is differentiated through his qualities, endowed with his own face, his proper nature, and a series of attributes that make him who he is and distinguish him from all others—in other words, attributes that make him fundamentally unequal. The person is a man in whom the general characteristics (beginning with that very general

### 13 6 PERSONALITY-FREEDOM-HIERARCHY

characteristic of being human, to that of belonging to a given race, nation, gender, and social group) assume a differentiated form of expression by articulating and variously individuating themselves.

Any vital, individual, social, or moral process that goes in this direction and leads to the fulfillment of the person according to his own nature is truly ascending. Conversely, to give emphasis and priority to that which in every being is equal signifies regression. The will to equality is one and the same with the will to what is formless. Every egalitarian ideology is the barometric index of a certain climate of degeneration, or the "trademark" of forces leading to a process of degeneration. Overall, this is how we should think about the "noble ideal" and the "immortal principle" of equality.

After establishing this first point, it is easy to recognize the errors and misunderstandings associated with other liberal and revolutionary principles.

To begin with, I find it odd that the title "natural right" has been given to that which appears to be the most unnatural thing conceivable, or to that which is proper to primitive societies. The principle according to which all human beings are free and enjoy equal rights "by nature" is truly absurd, due to the very fact that "by nature" they are not the same. Also, when we go to an order that is not merely naturalistic, being a "person" is neither a uniform quality or a quality uniformly distributed, nor a dignity equal in everybody, being automatically derived from the mere membership of the single individual in the biological species called "mankind." The "dignity of the human person," with everything that this expression entails, and around which the supporters of the doctrine of natural law and liberals rally, should be acknowledged where it truly exists, and not in everybody. And even where this dignity truly exists, it should not be regarded as equal in every instance. This dignity admits different degrees; thus, justice means to attribute to each and every one of these degrees a different right and a different freedom. The differentiation of right, and the hierarchical idea in general, derives from the very notion of a person, since this notion, as we have seen, is inconceivable without referring to the difference, to the form, and to the differentiating individuation. Without these presuppositions, the respect for the human person in general is only a superstition, or rather one of the many superstitions of our time. In the domain of the person there is nothing on which the idea of a universal right could be based, or of a right that, as the doctrine of

natural law claims, is to be enjoyed by everyone without discrimination." Anybody who has the conscience and the

#### PERSONALITY-FREEDOM-HIERARCHY 13 7

dignity of a "person" cannot help but feel offended when that which is supposed to be one's own law becomes a law binding everybody else (as is the case in Kant's categorical imperative). Conversely, ancient wisdom believed in the principle *sum cuique tribuere*, to each his own. According to Plato's view, too, the highest responsibility of the Guardians is to ensure that justice (understood in this sense) prevails.

Hence, the conundrum facing those who uphold the principle of "equality": equality can exist only among equals, namely among those who are objectively at the same level and who embody an analogous degree of "personhood," and whose freedom, right, and also responsibility are not the same as those characterizing other degrees, whether higher or lower. "Brotherhood," too, which was included among the so-called "immortal principles" as a sentimental complement to the other two abstract principles (freedom and equality), is subject to the same restrictions: it is insolent to impose it as a norm and universal duty in indiscriminate terms. In the past, precisely thanks to the acknowledgment of the hierarchical idea, "peers" and "equals" were often aristocratic concepts: in Sparta, the title *homoioi* ("equals") belonged exclusively to the elite in power (the title was revoked in cases of misconduct). We find an analogous idea in ancient Rome, among the Nordic peoples, and during the Carolingian and the Holy Roman Empire periods. Moreover, in the days of old, the title "peers" was attributed to English lords.

The same applies to freedom, the first term of the revolutionary triad. Freedom must be understood and defended in the same qualitative and differentiated manner as the notion of "person": everybody enjoys the freedom he deserves, which is measured by the stature and dignity of his person or by his function, and not by the abstract and elementary fact of merely being a "human being" or a "citizen" (as in the much acclaimed *droits de l'homme et du citoyen*). Thus, according to the Classical saying *libertas summis infimisque aequanda*, freedom

ought to be equally distributed above and below. It has been rightly remarked that "there is not one freedom, but many freedoms. There is no general, abstract freedom, but there are articulated freedoms conformed to one's own nature. Man must not generate within himself the idea of a homogenous liberty, but rather that of the whole of such differentiated and qualified liberties."<sup>15</sup> The other freedom, which is upheld by libertarianism and by natural law, is a fiction just like the idea of "equality." Practically speaking, it is only a revolutionary weapon: freedom and equality are the catchwords certain social

### 138 PERSONALITY-FREEDOM-HIERARCHY

strata or groups employed in order to undermine other classes and to gain preeminence; having achieved this task, they were quickly set aside.

Again, in regard to freedom, it is important to distinguish between the freedom to do something and the freedom for doing something. In the political domain, the former is a negative freedom that corresponds to the absence of bonds while remaining itself formless. It generally culminates in arbitrariness and in anomie, and where it is granted to everybody, in an egalitarian and democratic fashion, it becomes an impossibility. Where there is equality there cannot be freedom: what exists is not pure freedom, but rather the many individual, domesticated, and mechanized freedoms, in a state of reciprocal limitation. Paradoxically, that kind of freedom could approximately be realized in the system that is most opposite to liberal preferences: namely, in the system in which the social question is resolved in such a way as to guarantee certain privileges for a small group, at the cost of the total subjugation of everybody else. If carried to its extreme consequences, the figure of a tyrant would then be the most perfect concretization of this concept or ideal of formless freedom.

The freedom for doing something that is connected to each one's own nature and specific function is quite another thing. This freedom mainly signifies the power to actualize one's potential and to achieve one's particular perfection within a given political or social context; it has a functional and organic character, and is inseparable from an immanent and unmistakable end. It is characterized by the Classical saying "Be yourself " and thus by quality and by difference; this is the

only true freedom, according to justice and to right. In the Classical view, as it was expressed by Aristotle, Plato, and Plotinus, the only institution conformed to justice is the one in which everybody has, does, and realizes what is proper to himself. Catholicism itself, during the golden age of Scholasticism (an age that is reviled today by progressive and liberal Catholics as "feudal" and "obscurantist"), upheld the same truth and ethics. The foundations of medieval Catholicism's social doctrine were the idea of "proper nature," which varies with every being; the freedom in terms of such nature as "willed by God"; and the adherence to one's condition within a socially organic and differentiated system. Luther, too, upheld this doctrine. More recently, Benedetto Croce has written about the modern "religion of freedom," though what he is referring to should rather be called the "fetishism of freedom."

In the same order of ideas, we should consider the vexed question whether man comes before society or vice versa, and which of the two is the ultimate

#### PERSONALITY-FREEDOM-HIERARCHY 139

goal. From the traditional point of view, this question is definitely resolved by upholding man's rather than society's primacy. Every "social" thesis is a deviation connected to the same leveling and regressive tendency that I have criticized before—so much so, that individualism and anarchism have undoubtedly their good reasons and a much less degrading character when seen as reactions against such regressive tendency. Everything that is social, in the best of hypotheses, falls in the order of means and not in the order of ends. Society as an entity in itself is but a fetish and a personified abstraction; in reality, the plane proper to society is entirely material, physical, and subordinated. "Society" and "collectivity" are synonyms; if we exclude the individualistic interpretation of society as a sum of atoms coming together on the basis of a hypothetical contract, we are left with the idea that society is just a background before which the person is the positive, primary, and real thing.

Moreover, there are cases in which I am willing to acknowledge the priority of the person even before the State. The statolatry of the modern age has nothing to do with the traditional political view; the impersonal State, when regarded as a

heavy juridical and bureaucratic entity (e.g., Nietzsche's "cold monster"), is also an aberration. Every society and State is made of people; individual human beings are their primary element. What kind of human beings? Not people as they are conceived by individualism, as atoms or a mass of atoms, but people as persons, as differentiated beings, each one endowed with a different rank, a different freedom, a different right within the social hierarchy based on the values of creating, constructing, obeying, and commanding. With people such as these it is possible to establish the true State, namely an antiliberal, antidemocratic, and organic State. The idea behind such a State is the priority of the person over any abstract social, political, or juridical entity, and not of the person as a neuter, leveled reality, a mere number in the world of quantity and universal suffrage.

The perfection of the human being is the end to which every healthy social institution must be subordinated, and it must be promoted as much as possible. This perfection must be conceived on the basis of a process of individuation and of progressive differentiation. In this regard we must consider the view expressed by Paul de Lagarde, which can be expressed approximately in these terms: everything that is under the aegis of humanitarianism, the doctrine of natural law, and collectivity corresponds to the inferior dimension. Merely being a "man" is a minus compared to being a man belonging to a given nation and society; this, in turn, is still a minus compared to being a "person," a quality

#### 140 PERSONALITY-FREEDOM-HIERARCHY

that implies the shift to a plane that is higher than the merely naturalistic and "social" one. In turn, being a person is something that needs to be further differentiated into degrees, functions, and dignities with which, beyond the social and horizontal plane, the properly political world is defined vertically in its bodies, functional classes, corporations, or particular unities, according to a pyramid-like structure, at the top of which one would expect to find people who more or less embody the absolute person. What is meant by "absolute person" is the supremely realized person who represents the end, and the natural center of gravity, of the whole system. The "absolute person" is obviously the opposite of the individual. The atomic, unqualified, socialized, or standardized unity to which

the individual corresponds is opposed in the absolute person by the actual synthesis of the fundamental possibilities and by the full control of the powers inherent in the idea of man (in the limiting case), or of a man of a given race (in a more relative, specialized, and historical domain): that is, by an extreme individuation that corresponds to a de-individualization and to a certain universalization of the types corresponding to it. Thus, this is the disposition required to embody pure authority, to assume the symbol and the power of sovereignty, or the form from above, namely the imperium.

Going from humanity, through "society" or a collectivity based on natural law and the nation, and then proceeding in the political world all the way to a personality variously integrated, and finally to a dominating super-personality, means to ascend from lower degrees to degrees that are increasingly filled with "being" and value, each one the natural end of the previous one: this is how we should understand the principle according to which man is the end or the primary end of society, and not vice versa.

By way of example we may refer to the hierarchical place proper to the "nation" when it has a positive and constructive, rather than a revolutionary, meaning. "Nation" is a plus in regard to "humanity." Thus, it is a positive and legitimate thing to uphold the right of the nation in order to assert an elementary and natural principle of difference of a given human group over and against all the forms of individualistic disintegration, international mixture and proletarianization, and especially against the mere world of the masses and pure economy. Having set this demarcation as a protective fence, it is necessary to actualize inside it further degrees of differentiation that need to be implemented in a system of bodies, of disciplines and hierarchies, in virtue of which the State is created out of the substance of the nation.

#### PERSONALITY-FREEDOM-HIERARCHY 141

It should be noted that the above-mentioned hierarchical notion is based on, among other things, freedom understood in a further special and ethical sense. The freedom upheld by the antitraditional ideologies has an undifferentiated, nonfunctional and subversive character, as well as an external and al-most

"physical" one. These ideologies usually ignore the emancipation of the single individual, which consists of being not so much free in relation to an external situation, whether real or imaginary, and in relation to others, as in being free toward oneself, namely toward the naturalistic part of one's self. Usually every dignity within qualitative hierarchies should be legitimated with this kind of freedom, without love for which one could not call oneself a person. With this kind of assumption, the political domain interferes with the ethical one ("ethical" in the spiritual, rather than moralistic, sense of the term). In this context what will be paramount is the virile quality of him who, in the case of conflict between opposite needs, knows how to assert the right of given principles and a given law over that which belongs to the naturalistic and material realm, whether in his case or that of others. Thus, family bonds or special affections will not limit such a person, nor will he be guided by the mere notions of utility and well-being, even if these notions were defined in social and collective terms. The personality is realized and consolidated along the path of the special "asceticism" required by freedom understood in this way—namely, by inner freedom and control over oneself as a physical individual; likewise, the foundations of the hierarchical connections proper to that which can be rightly called "the natural right of heroic peoples" are not to be sought elsewhere.

The first of these foundations is that the measure of what one can demand from others is dictated by the measure of what one can demand from oneself; he who does not have the capability to dominate himself and to give himself a code to abide by would not know how to dominate others according to justice or how to give them a law to follow. The second foundation is the idea, previously upheld by Plato, that those who cannot be their own masters should find a master outside of themselves, since practicing the discipline of obeying should teach these people how to master their own selves; thus, through loyalty to those who present themselves as the representatives of an idea and as the living approximations to a higher human type, they will remain as faithful as possible to their best nature. This has always been recognized in a spontaneous, natural way, and has created in traditional civilizations a special fluid, the vital sub-stance of the organic and hierarchical structures, long before people fell under

## 142 PERSONALITY—FREEDOM—HIERARCHY

the spell of the suggestions or shallow rationalism espoused by subversive ideologies. In normal conditions all this goes without saying; thus, it is absurd to say that the only way in which the highest degrees in the social hierarchy were able to retain control was to apply physical force, violence, and terror and that people obeyed only out of fear or servility, or for their self-serving purposes. To think so is to denigrate human nature even in its most humble representatives, and to suppose that the atrophy of every higher sensibility that characterizes most people in this final age has always and everywhere ruled supreme.

Superiority and power need to go hand in hand, as long as we remember that power is based on superiority and not vice versa, and that superiority is connected with qualities that have always been thought by most people to constitute the true foundation of what others attempt to explain in terms of brutal "natural selection." Ancient primitive man essentially obeyed not the strongest members of society, but those in whom he perceived a saturation of mana (i.e., a sacred energy and life force) and who, for this reason, seemed to him best qualified to perform activities usually precluded to others. An analogous situation occurs where certain men have been followed, obeyed, and venerated for displaying a high degree of endurance, responsibility, lucidity, and a dangerous, open, and heroic life that others could not; it was decisive here to be able to recognize a special right and a special dignity in a free way. To depend on such leaders constituted not the subjugation, but rather the elevation of the person; this, however, makes no sense to the defenders of the "immortal principles" and to the supporters of "human dignity" because of their obtuseness. It is only the presence of superior individuals that bestows on a multitude of beings and on a system of disciplines of material life a meaning and a justification they previously lacked. It is the inferior who needs the superior, and not the other way around.<sup>16</sup> The inferior never lives a fuller life than when he feels his existence is subsumed in a greater order endowed with a center; then he feels like a man standing before leaders of men, and experiences the pride of serving as a free man in his proper station. The noblest things that human nature has to

offer are found in similar situations, and not in the anodyne and shallow climate proper to democratic and social ideologies.

We should note in passing the irrationalism of the so-called utilitarian sociology, which could have been valued only in a society of merchants: in this doctrine, the "useful" is regarded as the positive foundation of every socio-political institution. However, there is hardly anything more relative than the

#### PERSONALITY-FREEDOM-HIERARCHY 143

concept of "useful." "Useful" for what? In view of what? For if utility is restricted to its coarsest, most materialistic, calculating, and petty form, we must say that, whether for better or for worse, human beings rarely think and act by following the "useful," understood in this narrow sense. Everything that has an emotional or irrational motivation has and will play a larger role in human conduct than that played by petty utility; if we did not acknowledge this fact, a great part of human history would be unintelligible. Among this order of non-utilitarian motivations (all of which lead man beyond himself), there is certainly a class that reflects higher possibilities, a certain generosity and a certain elementary heroic disposition; the above-mentioned forms of natural acknowledgment animating and sustaining every true hierarchical structure are derived from them. In these structures, authority as power may also play a part or, more specifically, it must have one. Thus, we can agree with Machiavelli's saying that where one is not loved one should at least be feared (feared, not hated). It is a distortion to begin from a mutilated and degraded image of man in general and believe that in all the historical hierarchies, other than strength, the principle of superiority and the direct and proud acknowledgment of the superior by the inferior did not play a relevant part.<sup>17</sup> Burke's saying that every political system that presupposes the existence of heroic virtues and of higher dispositions leads to vice and corruption is not so much an index of cynicism, but instead of short-sightedness about knowledge of the human species.

The higher and more genuine legitimization of a true political order, and thus of the State itself, lies in its anagogical function: namely, in arousing and nourishing the individual's disposition to act and to think, to live, to struggle, and eventually

to sacrifice himself for something that goes beyond his mere individuality. This disposition is so real that it is possible not only to implement it, but also to abuse it; thus, alongside currents in which the single individual is led beyond himself by something that is spiritual and metaphysical (as was the case in all the major traditional forms), we can see other currents in which a demonic element is responsible for promoting an individual's ecstasies (i.e., the experience of being "outside one's self"). What is at work here is not an anagogic power, but rather a catagogic power—namely, the power that acts in the revolutionary phenomenon and is concretized in every collectivist ideology. In both cases, a sociology adopting utilitarian and individualistic perspectives is refuted; it proves to be merely a sophisticated and intellectual construction, especially when we consider human nature in its reality and concreteness.

#### 144 PERSONALITY-FREEDOM-HIERARCHY

The progress of one form of human organization over another is not measured by the fact that in it things are materially and socially fine and that the materialistic need of utility is satisfied to a higher degree; rather, progress is measured by the degree to which certain interests and criteria of evaluation have become differentiated and predominant in it. These criteria should rise above the mediocre concept of "utility," which happens to be the only perspective adopted by positivist sociology.

Coming back to liberalism, I wish to say that it represents the antithesis of every organic doctrine. Since according to liberalism the primary element is the human being regarded not as person, but rather as an individual living in a form-less freedom, this philosophy is able to conceive society merely as a mechanical interplay of forces and entities acting and reacting to each other, according to the space they succeed in gaining for themselves, without the overall system reflecting any higher law of order or meaning. The only law, and thus the only State, that liberalism can conceive has therefore an extrinsic character in regard to its subjects. Power is entrusted to the State by sovereign individuals, so that it may safeguard the freedoms of the individuals and intervene only when these freedoms clash and prove dangerous to one another. Thus, order appears as a

limitation and a regulation of freedoms, rather than as a form that freedom itself expresses from within, as freedom to do something, or as freedom connected to a quality and a specific function. Order, namely the legal order, eventually amounts to an act of violence because, practically speaking, in a liberal and democratic regime a government is defined in terms of a majority; thus, the minority, though composed of "free individuals," must bow and obey.

The specter that most terrifies liberalism today is totalitarianism. It can be said that totalitarianism may arise as a borderline case out of the presuppositions of liberalism, rather than out of those of an organic State. As we shall see, in totalitarianism we have the accentuation of the concept of order uniformly imposed from the outside onto a mass of mere individuals who, lacking their own form and law, must receive one from the outside, he introduced in a mechanical, all-inclusive system, and avoid the disorder typical of a disorganized and selfish expression of partisan forces and special-interest groups.

Events have recently led toward a similar solution, after the more or less idyllic view proper to the euphoric phase of liberalism and of laissez-faire economy has turned out to be simply a fancy. I am referring here to the view according to which a satisfactory social and economic equilibrium allegedly arises

#### PERSONALITY-FREEDOM-HIERARCHY 145

out of the conflict of particular interests: almost as if a preestablished harmony à la Leibniz would take care of ordering everything for the better, even when the single individual cares only for himself and is freed from every bond.

Thus, not only ideally, but historically too, liberalism and individualism are at the beginning and at the origin of the various interconnected forms of modern subversion. The person who becomes an individual, by ceasing to have an organic meaning and by refusing to acknowledge any principle of authority, is nothing more than a number, a unit in the pack; his usurpation evokes a fatal collectivist limitation against himself. Therefore, we go from liberalism to democracy: and then from democracy to socialist forms that are increasingly inclined toward collectivism. For a long time Marxist historiography has clearly recognized this

pattern: it has recognized that the liberal revolution, or the revolution of the Third Estate, opened a breach and contributed to erode the previous traditional sociopolitical world and to pave the way to the socialist and communist revolution; in turn, the representatives of this revolution will leave the rhetorics of the "immortal principles" and the "noble and generous ideas" to naive and deluded people. Since every fall is characterized by an accelerated motion, it is not possible to stop halfway. Within the system of the predominant ideologies in the West, liberalism, having absolved its preliminary task of disintegration and disorganization, has quickly been set aside—thus, the claim of some of its contemporary epigones to be able to contain Marxism, which represents the last link in the chain of causes, rings hollow indeed and is indicative of lack of wisdom. There is a saying from Tacitus that summarizes in lapidary style what has happened since the "liberal revolution": *Ut imperium evertant, libertatem praeferunt; si pervenerint, libertatem ipsam adgredientur*—that is, "in order to overthrow the State (in its authority and sovereignty: i.e., imperium) they uphold freedom; once they succeed, they will turn against it too." Plato said: "Probably, then, tyranny develops out of no other constitution than democracy—from the height of liberty, I take it, the fiercest extreme of servitude."<sup>19</sup> Liberalism and individualism played merely the role of instruments in the overall plan of world subversion, to which they opened the dams.

Thus, it is of paramount importance to recognize the continuity of the current that has generated the various political, antitraditional forms that are today at work in the chaos of political parties: liberalism, constitutionalism, parliamentary democracy, socialism, radicalism, and finally communism and Soviet-ism have emerged in history as degrees or as interconnected stages of the same.

#### 146 PERSONALITY-FREEDOM-HIERARCHY

disease. Without the French Revolution and liberalism, constitutionalism and democracy would not have existed; without democracy and the corresponding bourgeois and capitalist civilization of the Third Estate, socialism and demagogic nationalism would not have arisen; without the groundwork laid by socialism, we would not have witnessed the advent of radicalism and of communism in both its

national and proletarian-international versions. The fact that today these forms often appear either to coexist or to be in competition with each other should not prevent a keen eye from noting that they sustain, link, and mutually condition each other, being only the expression of different degrees of the same subversion of every normal and legitimate institution. It necessarily follows that, when these forms clash, the one that will prevail will be the most extreme, or the one located on the lowest step. The beginning of the process is to be traced to the time when Western man broke the ties to Tradition, claiming for himself as an individual a vain and illusory freedom: when he became an atom in society, rejecting every higher symbol of authority and sovereignty in a system of hierarchies. The "totalitarian" forms that are emerging are a demonic and materialistic counterfeit of the previous unitary political ideal, and they represent "the greatest and most savage slavery," which, according to Plato, arose out of formless "freedom."

Economic liberalism, which engendered various forms of capitalist exploitation and of cynical, antisocial plutocracy, is one of the final consequences of the intellectual emancipation that made the individual solutus—that is, lacking the inner, self-imposed bond, function, and limit that are found instead in every organic system's general climate and natural hierarchy of values. Moreover, we know that in more recent times, political liberalism has become little more than a system at the service of laissez-faire—namely, economic liberalism—in the context of a capitalist-plutocratic civilization; from this situation new reactions arose, pushing everything lower and lower, to the level of Marxism.

The above-mentioned connections are also visible in the special sector of property- and wealth, especially when we consider the meaning of the change that occurred within it, following the institutions created by the French Revolution. By denouncing everything in the economic world that was still inspired by the feudal ideal as a cruel regime based on privileges, the organic connection (displayed mainly in various feudal systems) between personality and property, social function and wealth, and between a given qualification or moral nobility and the rightful and legitimate possession of goods, was broken. It was

PERSONALITY-FREEDOM-HIERARCHY 147

the Napoleonic Code that made "property" neutral and "private" in the inferior and individualistic sense of the word; with this code, property ceased to have a political function and bond. Moreover, property was no longer subject to an "eminent right," nor tied to a specific responsibility and social rank and subject to a "higher right." In this context, rank signified the objective and normal consecration in a hierarchical system that the superior one, as well as the personality formed and differentiated by a supra-individual tradition and idea, receives\_ Property, and wealth in general, no longer had any duties before the State other than in fiscal terms. The subject of property was the pure and simple "citizen," whose dominant concern was to exploit the property without any scruples and without too much regard for those traditions of blood, family, and folk that had previously been a relevant counterpart of property and wealth.<sup>20</sup>

It was only natural that in the end the right to private property came to be disputed; whenever there is no higher legitimization of ownership, it is always possible to wonder why some people have property and others do not, or why some people have earned for themselves privileges and social preeminence (often greater than those in feudal systems), while lacking something that would make them stand out and above everybody else in an effective and sensible manner. Thus the so-called "social question," together with the worn-out slogan "social justice," arose in those conditions where no differentiation is any longer visible other than in terms of mere "economic classes" (wealth and property having become "neutral" and apolitical; every value of difference and rank, of personality and authority having been rejected or undermined by processes of degeneration and materialization; the political sphere having been deprived of its original dignity). Thus, subversive ideologies have successfully and easily unmasked all the political myths that capitalism and the bourgeoisie have employed, in the absence of any superior principle, in order to defend their privileged status against the push and final violation by the forces from below.

Again, we can see that the various aspects of the contemporary social and political chaos are interrelated and there is no real way to effectively oppose them other than by returning to the origins. To go back to the origins means, plainly and simply, to reject everything that in any domain (whether social,

political, or economic) is connected to the "immortal principles" of 1789, as a libertarian, individualistic, and egalitarian thought, and to oppose it with the hierarchical view, in the context of which alone the notion, value, and freedom of man as person are not reduced to mere words or excuses for a work of destruction and subversion.

## Understanding of equality: jews and Founding Fathers

Equality has to be defined. The Founders equality which was a social equality where all citizens had the same constitution rights and freedoms. And people where not bound by rigid caste. They also created free hospitals, libraries and universities. This allowed in the case of schools a person the access to resources based on personal merit so they can improve themselves and achieve. People where encouraged to achieve based upon their own talents and character in general and rewarded for it.

Social equality in such sense that creates a harmony of same rights and freedoms and equal access to resources is important. Its also needed for a meritocracy. This allows everyone the ability to achieve what they wish to in life and be happy and respected.

This is based upon the individual uniqueness of races, nations, cultures, sexes and personality having the freedom to express itself and evolve. Which is in harmony with the eternal law.

The enemy version of equality is everyone is the exact same regardless of race, culture, nation, sex and character, personal ability. And thus creates a mandate of universal total egalitarianism. Where all races, nations, cultures, and differences in between the sexes and individuals are driven towards annihilation. In the name of making everyone equal.

Communism and Christianity is built upon this as is the whole left which is secularized xianity.

They lie and state its the differences which they claim as artificial that cause all the problems.

Their programs are the dehumanization and demoralization off all humanity and its eventually annihilation. People by nature have a special pride in what makes them unique and this expresses itself in talent and personality. If you tell them there is nothing special about them they are just like everyone else. And everything they take pride in from race, culture, spirit. Is either evil or empty. You

will demoralize them to the point of assimilation into a global serfdom easier. Where all races, cultures, nations and ability is dissolved into nothingness. And replaced with a new mass man identity of servile slavery. Which is seen in the identity Jewish Christianity and Communism try to assign.

Communism like Christianity before it simply kills off the best elements of society those who show greater ability and thus difference and reduces the whole place it controls to total poverty of mind, body and spirit and wealth. Thus making everyone one equal. Much of this is built in envy this is why the enemy is always making everyone feel inadequate over all differences and frustrated. To build a powerfully negative in them and unleash their envy in a murderous movement towards "equal." If they can't have this or be that, no one will basically.

## Reality Check

"Also, humans do not have a race or gender in the astral realm. we appear in the Astral realm in whatever form we choose. True satanism does not promote....[racism, anti-Semitism, etc]"

This is simply the core doctrine of Christianity and the other enemy programs. Race is metaphysical and of the soul as well. Why do you think the enemy programs that are designed to destroy humanity. Always push the style above doctrine. Which they don't follow. Because that is to destroy the Gentiles.

Why do you think the West is full of racial conflict? Because the races have strong instincts for self preservation. Its well known by neuroscience the brain of people fire one way when dealing with those of other races in the pattern of an outsider and the opposite for the same race. Social Biology has documented kin [racial] altruism is a fact.

When you push different races into one nation and tell them to mix you get balkanized regions with constant conflict with other groups. And within a democracy they all fight for their bio-ethnic advancement. What actually happens the different races actually create their personal racial tribal states within the state. They are in a perpetual state of flux and conflict with those around them. They when one gets the upper hand it usually forms a dominate ruling block and steps on the rest and this causes open revolution and violent warfare. In the final cycle the regime class or rulers always become despots to hold the balkanized feuding place together. Then the place falls apart into racial warfare and ethnic cleansing.

The West is starting to reach a crucial point.

Note this situation can easily be avoided by the opposite. Racial separation and self determination. Racially mixed societies never work and always end bad they are spiritually toxic and literally create all kinds of different pathologies in the populaces. Thomas Jefferson warned against this in his time. As have the other greatest minds in history from across the planet.

Racism which originally is the scientific term for the study of races and their biological/psychological differences and such. The Jews under their Communist banner are the ones who have changed the meaning of this term into something which aids their universal cause. Now if you want to keep your race, culture and nation pure [ a situation the Jew can not control you in for long]. You are a evil, negative and toxic person. A.....Racist [sinner, heathen, heretic]. For not wanting to embrace a policy that ends with the extermination of your race and nation into a Jew World Order, slave state. They can't create such slave state unless they destroy all the races, nations and cultures and absorb them into one slave mass they need to rule.

This is how the Jews work. They create ideologies of control that allow them to confuse and invert the truth and polarize the debate from reality into some fictional good vs evil, religious style debate where they assign the moral roles to each side that benefit them. The terms racism, Nazi, anti-Semite. Are designed to shut down all debate and evidence. And enforce the ideological norms that allow them to rule and move their agenda forward.

People are trained to sit there and allow this hostile alien race. To assign to them their value system thus perceptions of reality [the mark of a slave being told how to think, feel and act at all times] and never develop their own understanding of life. This is why legitimate individuality which is not putting buttplugs in your ear lobes, 50 different tat's, some music band you like or what other mindless trend your following. Which in essence is the same collectivism just acting out differently. But real individuality which is on the soul level one who is for whatever reason not under their control psychologically. Is a major threat to be punished.

Note all those trendy, types who prized themselves on being free individuals will stand their and commend such people as they have been trained to. As their individuality is being a psychological slave with a different externalized sub cultural way to show it. Its the mere expression of a current market trend.

People need to stop using the terms of the enemy ideology as its designed to place psychological chains on your mind. That are to lead to physical chains down the road. When you use their terms you play into their paradigm.

# Communism is the continuation of Christianity

---

Satan mentioned to me some time ago about how horribly the Russian people have suffered at the hands of the jews. The following is an account of the REAL concentration camps. All were run by Jews. This book was published in 1937, long before the accusations of that phony 'holocaust.' These are the victims few ever hear about:

<http://www.exposingcommunism.com/Slave%20Labor%20in%20Soviet%20Russia.pdf>

And don't let them fool you- the small numbers of Christian preachers they put in those camps is just for show. Christianity is the last stepping off point to Jewish communism. When the Jews have full control, it has done its job and is not longer needed.

## Communism's Christian Roots

*"Christian theology is the grandmother of Bolshevism."*

- Oswald Spengler

*"Christianity and communism are very close spiritually and ideologically. This is a fairly well known concept that has been adopted by various thinkers, from Thomas More to Lev Tolstoy. Few people know that the world's first socialist state was established in Paraguay and was based on the ideas of Catholic Jesuits before Marx created his teachings."*

*"The "Society of Jesus" - the Jesuit religious order - in the Catholic Church was roughly equivalent to the KGB in the Soviet Union."*

Above quotes taken from "Pravda" [The main Communist Party Newspaper and leading newspaper of the former Soviet Union] From the article: Is there any difference between Christianity and Communism? 30/04/2013

*"American Newspapers claim that Stalin has been preordained to save Christianity."*

-Josef Goebbels <sup>1</sup>

Communism is not anti-Christian, as is commonly believed:

In addition to this, the Catholic Church in China has over 70 million members and is growing. There is also the Catholic Changchung Cathedral in Communist North Korea; the nominal cathedral of the Roman Catholic Bishop of Pyongyang, North Korea. The Russian Orthodox Church worked hand in hand with the Communist Party in the USSR. The violence against its Clergy during the revolution, was simply to weed out the Czarist elements from its ranks, and nothing more. Stalin openly worked with the Orthodox Church to help the Communist war effort for the Red Army during the second world war. Today in Russia, high ranking Clergy in the Russian Orthodox Church openly advocate a Christian Communist movement within their nation. The Catholic Church also has had a strong hand in the Communistic, Liberation Theology in South America. It's no mistake Catholic Clergy could traverse the "Iron Curtain" during the cold war with ease.

80 million Bibles printed in China - and counting Link to article from 'Christianity Today.'  
<http://www.christiantoday.com/article/80.million.bibles.printed.in.china.and.counting/27047.htm>

*"Ernst Bloch [1885–1977] was a German Marxist philosopher and atheist theologian. Although not a Christian himself, he is said to have "bridged the gap" between Christian communism and the Leninist branch of Marxism. One of Bloch's major works, the Principle of Hope, contains such declarations as: "Ubi Lenin, ibi Jerusalem" [Where Lenin is, there is Jerusalem] and "the Bolshevik fulfillment of Communism [is part of] the age-old fight for God." <sup>2</sup> In truth, Christianity prepares the populace to be open to and to accept communism. There is nothing within the Christian doctrines or the teachings of the Nazarene that conflicts with communism in any way. Christianity IS Communism.*

- Both programs work to enslave, using terror, brutality, mass murder and coercion. The Catholic Church was the KGB of the Middle Ages, ruling through terror, use of force and mass murder. The Inquisition is a blatant example.
- Both programs prohibit the ownership of private property. Christianity prepares followers on a subliminal level for communism. Christians are indoctrinated to believe that poverty is a virtue. Once this concept takes hold upon one's subconscious mind, quite often, a serious lack of money is a result and this sometimes even lasts into future lives, speaking from a spiritual perspective. What this does is it also creates a self-perpetuating program, and in turn creates generations of poor. The Christian Churches then appear as helpers of the poor and benefactors, when all along, it was the Christian teachings that created and enforced the problem. The Jew creates the problems and then gives the Jewish version of a damned solution for Gentiles.
- There is nothing at all spiritual about Christianity. Christianity is a tool for removing spiritual knowledge and powers, and replacing these with meaningless robotic 'prayers' corrupted from and repeated in the same fashion as Far Eastern mantras, and endless indoctrination with false teachings aimed to imbed a fictitious status and history of the Jewish people in the minds of Christians, which is nothing spiritual at all. Few if any Christian preachers can diagram the human soul, for example. The removal of and the corruption of spiritual knowledge prepares the populace to accept the atheistic communist state.
- Both Christianity and Communism present themselves as brotherhood programs, promoting equality, prosperity, good will, and a better way of life, but upon closer examination of their real doctrines and histories, this is nothing more than a come-along and beneath the surface, terror, mass murder, torture, forced indoctrination, and keeping the populace ignorant are the bulwark of both of

these programs. Any fool who reads the Judeo/Christian Bible can plainly see the endless accounts of mass murder, pillaging, rape, enslavement, and threats of eternal torture and damnation if the doctrines are not taken seriously or adhered to, and above all, how jewhova was a murderous monster who preyed upon Gentiles; no different from the communist programs. For proof of this, see "Jehova and Human Blood Sacrifice." "A Murderer and a Liar from the Beginning." *"But those mine enemies, which would not that I should reign over them, bring hither, and slay them before me."*  
 Luke 19: 27

[Direct quote from Jesus advocating murder]

- "Rebellion" is a definite NO NO and is "of the Devil."

Christianity also prepares followers for communism in that one is indoctrinated to endure injustice. Nearly everyone has heard the biblical scriptures about turning the other cheek, walking the extra mile, loving one's enemies and so forth. These teachings work together with communism in destroying the justice system and personal rights. Crime is allowed to get so out of control [as it already has]; that the populace is not only discouraged from fighting back, but if one should defend one's self, one is often punished for this. What these Jewish programs do, is they set a trap. Most people eventually are more than willing to give up their rights in favor of ultra- strict laws in order to control crime. Both programs prohibit taking any personal action in the way of enforcing justice and place this responsibility in the hands of the state for communism, and in the hands of that so-called "God" for Christianity. Any rebellion or fighting back is a grave offense. The acceptance of abuse and injustice are both very necessary for establishing a slave state. A slave must never try to fight back or rebel in any way. Hate is another taboo in both programs.

A look into Communism's birth:

Communism was created out of the organization "The League of the Just." The motto of the League of the Just ["Bund der Gerechten" or "Bund der Gerechtigkeit"] was "All Men are Brothers" and its goals were "the establishment of the Kingdom of God on Earth, based on the ideals of love of one's neighbor, equality and justice."

*"At a congress held in London in June 1847 the League of the Just merged with members of the Communist Corresponding Committee headed by Karl Marx and Friedrich Engels, adopting a new organizational charter and programme and reconstituting itself as the Communist League."*<sup>3</sup>

This is the basis of the Christian doctrine.

We can trace Communism's roots back to the radical Liberal ideology in Europe. Which itself is Christianity in disguise. As Nietzsche stated about the French revolution and its Liberal ideology as the *"Daughter and continuation of Christianity."*

This radical, Universalist, egalitarian doctrine is at the heart of Christianity, and Liberalism with its stepping off point into Communism. Where Liberalism then morphed into Communism openly:

*"During the decade of the 1840s the word "communist" came into general use to describe those who hailed the left wing of the Jacobin Club of the French Revolution as their ideological forefathers. This political tendency saw itself as egalitarian heritors of the 1795 Conspiracy of Equals headed by Gracchus Babeuf. The sans-culottes of Paris which had decades earlier been the base of support for Babeuf — artisans, journeymen, and the urban unemployed — was seen as a potential foundation for a new social system based upon the modern machine production of the day."*

The French thinker Étienne Cabet inspired the imagination with a novel about a utopian society based upon communal machine production- "Voyage en Icarie" [1839]. The revolutionary Louis Auguste Blanqui argued in favor of an elite organising the overwhelming majority of the population against the "rich," seizing the government in a coup d'état, and instituting a new egalitarian economic order." <sup>4</sup>

A review of the emerging trends from Christianity to Liberalism and into Communism:

Liberalism is Christianity without the Christ

William Gayley Simpson's Which Way Western Man?

Reילו Oliver: Quote:

*"The other apostates I have mentioned, and many that are now forgotten, together with almost all of the anti-Christians of recent centuries, exemplify the operation of what may be called the law of cultural residues. In all civilized societies, when a long-established and generally accepted belief is found to be incredible, good minds abandon it, but they commonly retain derivative beliefs that were originally deduced from the creed they have rejected and logically must depend on it. Thus it happened that modern enemies of Christianity rejected the mythology, but uncritically retained faith in the social and ethical superstitions derived from it — a faith which they oddly call rational but hold with*

*a religious fervor."*

*"They laugh at the silly story about Adam and his spare rib, but they continue to believe in a "human race" descended from a single pair of ancestors and hence in a "brotherhood of man." They speak of "all mankind," giving to the term an unctuous and mystic meaning with which they do not invest corresponding terms, such as "all marsupials" or "all ungulates." They prate about the "rights of man," although a moment's thought should suffice to show that, in the absence of a decree from a supernatural monarch, there can be no rights other than those which the citizens of a stable and homogeneous society have, by covenant or established custom, bestowed on themselves; and that while the citizens may show kindness to aliens, slaves, and dogs, such beings obviously can have no rights."*

*"They do not believe that one-third of a god became incarnate in the most squalid region on earth to associate with illiterate peasants, harangue the rabble of a barbarian race, and magically exalt the ignorant and uncouth to "make folly of the wisdom of this world," so that "the last shall be first" — that they do not believe, but they cling to the morbid hatred of superiority that makes Christians dote on whatever is lowly, inferior, irrational, debased, deformed, and degenerate."*

*"They gabble about the 'sanctity of human life' — especially the vilest forms of it*

*— without reflecting that it takes a god creator to make something sacred. And they frantically agitate for a universal "equality" that can be attained only by reducing all human beings to the level of the lowest, evidently unaware that they are merely echoing the Christians' oft-expressed yearning to become sheep [the most stupid of all mammals] herded by a good shepherd, which is implicit in all the tales of the New Testament, although most bluntly expressed in another gospel, which reports Jesus as promising that after he has tortured and butchered the more civilized populations of the earth, there will be a Resurrection, and his ovine pets will pop out of their graves, all of the same age, all of the same sex, all of the same stature, and all having indistinguishable features, so that they will be as identical as the bees in a swarm."*

*"Christian theology is the grandmother of Bolshevism."* -- Oswald Spengler

We can witness this statement with the open banner of Christian Communism:  
 "Christian communists seek to achieve large -scale social change, however. Some believe that, rather than attempting to transform the politics and economics of an entire country, Christians should instead establish communism at a local or regional level only."

The Latin American branch of Christian Communist Liberation Theology, according to theologians such as Leonardo Boff; is rooted in the concept that "prudence is the understanding of situations of radical crisis". Among Christian Communists, Historical Materialism is utilized as a methodology of analysis to define the nature of the crisis in question as a product of political-economic dynamics and modalities derived from the workings of what is termed "the late capitalist/imperialist mode of production". According to this subset of Liberation Theology, the challenge for the Christian Communist is then to define what it means [in context of "a concrete analysis of the concrete social reality"], to affirm a "preferential option for the poor and oppressed" as Praxis [active theory], and as commanded by an ethics allegedly "rooted in the beatidic teachings of Jesus".

Christian Communist Liberation Theology is not about evangelization per se, but rather about developing an Orthopraxis [ethical action; The condition of coming to the light by doing the works of God], that aims to reconcile the "Beatidic Ethics" of Jesus, as espoused in the Sermon on the Mount; with existing social struggles against what is termed "neo -colonialism" or "Late Capitalism". Both Christian Communism and Liberation Theology stress "orthopraxis" over "orthodoxy". A narrative of the nature of

contemporary social struggles is developed via "materialist analysis" utilizing historiographic concepts developed by Karl Marx. A concrete example are the Paraguayan Sin Tierra [landless] movement, who engage in direct land seizures and the establishment of socialized agricultural cooperative production in asentamientos. The contemporary Paraguayan Sin Tierra operate in a very similar manner as that of the reformation era Diggers. For Camilo Torres [the founder of the Colombian guerrilla group E.L.N.], developing this Orthopraxis meant celebrating the Catholic Eucharist only among those engaged in armed struggle against the army of the Colombian state, while fighting alongside them.

Christian communists hold the Biblical verses in Acts 2 and 4 as evidence that the first Christians lived in a communist society. Thomas Wharton Collens' *Preaching* is a good description of biblical sources being used with the goal of a common-property society; Prof. José P. Miranda, "Comunismo en la Biblia" [1981], translated as, "Communism in the Bible" [Maryknoll, N.Y.: Orbis Books, 1982].

But, in addition, they also cite numerous other Biblical passages which, in their view, support the idea that communism is the most ethical social system and that it is inescapably constitutive of the kingdom of God on earth. The most often quoted of these Biblical citations are taken from the three synoptic Gospels, which describe the life and ministry of Jesus.

One of Jesus' most famous remarks regarding the wealthy can be found in Matthew 19:16–24 [the same event is also described in Mark 10:17–25 and Luke 18:18–25, and the metaphor of a camel going through the eye of a needle is common to both Matthew and Luke]. 21 Jesus said unto him, If thou wilt be perfect, go and sell that thou hast, and give to the poor, and thou shalt have treasure in heaven: and come and follow me. 22 But when the young man heard that saying, he went away sorrowful: for he had great possessions. 23 Then said Jesus unto his disciples, Verily I say unto you, That a rich man shall hardly enter into the kingdom of heaven. 24 And again I say unto you, It is easier for a camel to go through the eye of a needle, than for a rich man to enter into the kingdom of God.

Jesus also described "money changers" [i.e. those engaged in currency exchange] as "thieves" and chased them out of the Temple in Jerusalem. This is described in Matthew 21:12–14, Mark 11:15, and John 2:14–16.

In addition, communistic attitudes and implications can be found in Leviticus 25:35–38: Most significantly, this is part of the Law of Moses, and as such is commandment rather than exhortation or airing of opinion. This fact bears heavily upon subsequent discussion of the question of compulsory or voluntary relinquishing of riches, either as a

possible entry requirement to Christian grace or as a means of achieving divine intentions for human social order. <sup>5</sup>

William Gayley Simpson's Which Way Western Man?

## Pope says communists are closet Christians

[My note one can see how Christianity and Communism are two sides of the same coin.

The Jew, Putin is now working to reinstate the name of Stalingrad back to the Russian city of Volgograd. To openly honor Stalin. He has also reissued Stalin era medals.

Putin's regimes, key intellectual and philosopher is this Communist creep, Dugin. Who believes that STALINIST North Korea is the ideal society. And praises the Kim's.

Its worth noting what Dugin openly admits in a interview he did back in 2012:

[http://www.counter-currents.com/2012/07 ... der-dugin/](http://www.counter-currents.com/2012/07...der-dugin/)

This fits well with the Orthodox critique of Western Christianity. It is easy to see that the secularization of Western Christianity gives us liberalism. The secularization of the Orthodox religion gives us Communism.....

Now its no mistake why the Jewish Putin's regime pushes both Stalinism and Orthodox Christianity. Two sides of the same Jewish coin.]

Reuters) - Pope Francis, whose criticisms of unbridled capitalism have prompted some to label him a Marxist, said in an interview published on Sunday that communists had stolen the flag of Christianity.

The 77-year-old pontiff gave an interview to Il Messaggero, Rome's local newspaper, to mark the feast of Saints Peter and Paul, a Roman holiday.

He was asked about a blog post in the Economist magazine that said he sounded like a Leninist when he criticized capitalism and called for radical economic reform.

"I can only say that the communists have stolen our flag. The flag of the poor is Christian. Poverty is at the center of the Gospel," he said, citing Biblical passages about the need to help the poor, the sick and the needy.

"Communists say that all this is communism. Sure, twenty centuries later. So when they speak, one can say to them: 'but then you are Christian'," he said, laughing.

Since his election in March 2013, Francis has often attacked the global economic system as being insensitive to the poor and not doing enough to share wealth with those who need it most.

Earlier this month, he criticized the wealth made from financial speculation as intolerable and said speculation on commodities was a scandal that compromised the poor's access to food.

The pope was called out for preaching Marxism many times by Catholic's this is his reply. He has been preaching Christianity all a long and that Marxism and Christianity are twins so it all sounds the same.

## Weeds Of The Same Root

This is from another thread on the subject.

Hitler was right in this statement of his to paraphrase what he stated:

"Communism aims to do on the physical level, what Christianity aims to do on the metaphysical. "

When Christianity receded during the period leading up to the Enlightenment, it was morphed into secular Xianity with Liberalism. Liberalism is Xianity without the Christ. Karl Marx was a Liberal "philosopher" who just as stated repackaged this into something to keep up with the time.

Communism is literally nothing but Liberalism repacked into an industrial era modality. Its stated aim is to manifest a society based totally on the radical egalitarianism of Liberal humanism. The Jacobin's of yesteryear became the Bolsheviks of later on. People forget Liberalism plunged Europe into a sea of murder, violence and chaos. And ruled its society with terrorism. Literal called the Terror during the period the Jacobin's sized power during the Liberal revolution in France in the name of the creed that later become Communism creed. The Jacobin's literally wiped out the best of the Frances upper-class. It was total class warfare and the Jews where behind it all along. Liberalism aim to literally wiped away the entire order of life in Western Civilization and replace it with its own order.

Its no mistake the first Communist revolution on earth was in France in the 1870's.

This is why today the Cultural Marxists [social Communism] blend into Liberalism so well. They are both sects of the same Jewish creed. One is just more open in its aggression. This is why the left is always insane and stuck in Orwellian double think. They are atheist Christianity.

True the Christard Right. Is Theistic Communism and the Left atheistic Christianity. The only difference. Its no mistake the Jewish Bolsheviks never destroyed

Christianity in Russia. They just wiped out the Czarist, Nationalists elements within it. After that the Church and the Party were in bed together the whole time.

This is the essence of Nietzsche's, iconic statement of: "God is dead."

He was commenting on the fact Liberalism was simply atheist Christianity. The Liberals had taken the values of the Christian gospels. But rejected the theistic principle that animated them. The Christian when asked for the authority of the claims of their values always stated: "God said." Because this is the only claimed authority their value system is built upon. But the Liberal for who the Christian God is non-existent. But holds the same [perverse] values. What shall they state when asked the same? They repeat the same values as axioms without anything to hold them up under observation.

Nietzsche also stated:

"The Liberal is the Christian Priest in disguise."

Kim Il Sung the first leader of Communist North Korea openly stated that Communist principles are in perfect harmony with Christian ones. In fact they reflect each other. Communist China has a Catholic Church of over 70,000 million people and growing. Christianity is openly pushed and encouraged in China. Where the ethnic Chinese culture was literally wiped off the earth by the Communists in the Cultural "Revolution." And replaced by a Jewish, Communist culture of control. Any spiritual practices were banned by the death penalty. Just to practice Qi Gong was to risk your life. It's what Christianity did as well in its conquests.

A former KGB defector from the Soviet Jewry warned Americans that the Communist Empire has created the American Left. And were using these shithheels to Communize America to the point where they could manifest an open revolution and take power. They stated these stupid Leftards would also be liquidated in the revolution as they are usefool idiots nothing more. A step to something more direct.

Many Christian Priests, Christards and Liberals marched with the Communist ranks in the American 1960's and 1970's. When Communist trained agent. Martin Luther King was in full swing. Along with his Jewish handler who was the former head of the American Communist Party in the 1950's. And who wrote that moronic "Dream" speech.

America had a full on Communist, cultural revolution right under the banner of the cross. Bible in one hand, the Communist Manifesto in the other. Because its all the same Jewish racial warfare program at the core. Just in different sects. Branches of the same tree.

The end goal of the Jewish Bible of which the Jewish Torah forms the majority of the Old Testament. Is the Jewish messiah shows up unites the Jews and wipes out the Gentiles. And rules over a slave humanity where everyone is literally one. There is no difference in race, sex or appearance. All hive minded drones. Toiling for the New Zion. Or Jew World Order.

This is what it comes down to. Feminism is nothing but a wing of Communism that aims to destroy the biological and psychological differences between the sexes. By turning women into men and attacking women who wish to remain actually feminine. The Jews are now running men's movements where its the same Communist line but for men. And this pits the sexes against each other while Communizing them both [making them insane], and allows the Jews to conqueror that much more.

The Jews have even created a bogus materialistic scientism that simple acts as bogus scientific justification and base for their Communist agenda. In this it covers over the truth of humanity origins, the nature of the universe and the spiritual reality of the human being. And replaces it with junk like the Big Bang, Darwinism which is bizarre as it presupposes inequality on a biological bases. But the Left pumps their Liberal humanistic jargon into it. Morphing it to their shit-think more [Social Darwinism is also garbage]. And a whole host of kosher shit that is bunk. All of this is policed with ruthless enforcement as Dogma. And any scientist who goes against it is out the door. They don't even look at the data. They just attack

their moral and intellectual character. Which is how Christians behave along with Liberals.

The Nazi's advanced a thousand years in a dozen years scientifically just by dismantling this Jewish materialistic, scientism. They are the reason for all tech advancements that came into society after the war. It was all from German scientists.

The Jews simply readapted what they had during the rule of the Vatican in Europe. The bogus science the Church bases as absolute and beyond all question or else. They infiltrate the scientific revolution with their money and power networks, and turned it into a weapon of theirs putting the Goyium under control again. They just brought the universities and put their people in the chairs and dictated what is to be taught and what attitudes with it.

True knowledge [science means knowledge in English] opens the doors to understanding the metaphysical reality behind all life and the soul. Its the true knowledge the Vedic world and Pagan world in general was built upon.

This is the dangerous situation the Christian wing has medieval dogma which most will laugh off with a mind. But the Communist's push the same agenda but call their lies: "science." And have created a whole pseudo scientific jargon in all fields, to enforce this lie. We are back to Christianity in a new guise.

Psychology and Psychiatry are Jewish creations and simply the opinions that Jews made up to give them power. To enforce their Communist agenda. Their Psychiatry/Psychological jargon literally forms the major basis of this. It creates the false premise to attack the enemies of the Jewish agenda as mentality ill and then remove them from society forever and discredit their ideals and information. As well as keeping the Goyium drugged up and doped out. This is what they did in the Soviet Jewion and even to their enemies in America such as Commander Rockwell. Who outsmarted them at this game thankfully.

Jew, Freud was one of the major people in the Frankfurt School of Cultural Marxism. The Nazi's publically burned this Schools books as the Frankfurt School

of Jews, stated aim was to destroy the German People and culture and pull them into International Communism.

This Jewish crap states your personality is just pathology [born in in and need the salvation of the Jewish Head Doc ]. And sets Gentiles up for all kinds of horrid shit. Back to Christianity with tools of the Christian Devil and Heretic's.

Don't like the Jewish Christard Church your literally in league with the Christian Devil nothing more. This gives the premise to destroy their opposition and discredit anything they say. So we have not moved on. We are still in the dark ages.

We can observe that Liberalism, Christianity and Communism, Democracy and Capitalism are all the same enemy paradigm. In the very fact all the forces of these Ideologies put aside any petty differences they had to oppose and attack Nazism.

National Socialism the one eternal understanding in temporal form. To this day the dregs of such ideologies still sneer with a vicious hate for Adolf Hitler and Nazism. Its the ultimate litmus test.

As the world becomes more Jewish by these annihilation ideologies. The world also becomes more ugly and humanity becomes degenerate in the mind, body and soul.

The Swastika must smash the Cross, in order for the Supreme Order of Life to triumph on earth.

Even though Christ is fictitious, in a non-atheist way, his teachings spell out the tenets for ultimate Liberalism, Marxism, Enemy Socialism, and yes, even Feminism. There is a book out there titled "Jesus Was a Feminist." When I attack Feminism, I am not attacking women in any way, shape, or form; just how the Jews have perverted women's rights into a program to snatch women away from us so they can be foot-soldiers for the kikes to damn Gentile humanity. This is in the same vein that the Jews have perverted rights for homosexuals. My eyeballs ache from research on all of this.

As much as the Jews work to confuse, and as much as they have tried to Christianize Nazism, if a person has any reading and comprehension skills, they will see that Christianity is the ultimate anti-Nazi creed.

Like Christianity's more atheistic twins of communism, Marxism, etc, the "God" of the Bible truly is an obliteration device, as is shown in this Bible passage:

"There is neither Jew nor Greek, slave nor free, male nor female, for you are all one in Christ Jesus." – Galatians 3:28

For our enemies who want the lubby dubby SHIT, where you turn the other cheek, love your enemy, resist not evil, blah blah blah, I think it is obvious that they are Christians at the soul and will never be able to reconcile themselves with True Satanism/Nazism, as the very idea of opening their spiritual eyes becomes a stumbling block because they don't want to know the truth, as they cannot accept it.

Another observation I have made... Despite the Republican Christian Fundamentalists, Christianity ultimately embraces a mob-ruled Democratic One-World Government. These so-called "right wing" Christians are praying and tithing to the funeral wreath of humanity...as long as they worship Jewsus and hold Christian "values/morality."

To sum it up, Christianity and it's atheistic counter-parts are NOT enemies or at odds with each other in any way whatsoever, despite how the kikes try to make it look like communism is the solution to Christianity. Such a viewpoint is like saying "Christianity is the solution to Christianity." Communism is just Christianity in another form, as it is what Christianity boils down to.

For those who want to know a little more about why Satan hates the Jews so much, I found the following whacky video to be revealing. It shows how much the Jews really do love their Jewish lord Christ.

## Liberalism is Christianity without the Christ

William Gayley Simpson's Which Way Western Man?

Revilo Oliver

[My note "liberalism" as mentioned is secular [unconscious] xianity, this doctrine was phased [jewed]in during the enlightenment period to keep this program going as Europe was breaking free of xianity on many levels. This doctrine is what the jews centered their illuminati doctrine around which was later repackaged into an economic modality to appeal to the resentments of the industrial era and called "Communism" and later repackaged as cultural marxism but always the same old program at the core. Just listen to a liberal yak its the same values as the cultural marxist [or xian] without the giga long political lingoism. We are seeing the morphing of xianity into pure Communism.ie Secular xianity. Communism always pushes on a liberal appeal because the core of Communism is literally the doctrine of liberalism [secular xianity] framed into a economic model. The police state and slaughter comes once the jews have centralized power and then the later stage of their formula they drop the mask, wipe out the Gentile usefool idiots and idealists who have served their purpose and before they can become jaded and turn on the hand that lead them [and the jews don't share power]. Leaving only the jews at the top and the Goyium slaves at the bottom the way it was always planned behind the door. Communism/liberalism is unconscious xianity and can only work where xianity has planted the seed. Final proof is America had a full on cultural marxist revolution in the sixties under xian-liberal rhetoric, American flag in one hand the bible in the other:

<http://groups.yahoo.com/group/JoSNewsletter/message/243>

Quote:

The other apostates I have mentioned, and many that are now forgotten, together with almost all of the anti-Christians of recent centuries, exemplify the operation of what may be called the law of cultural residues. In all civilized societies, when a long-established and generally accepted belief is found to be

incredible, good minds abandon it, but they commonly retain derivative beliefs that were originally deduced from the creed they have rejected and logically must depend on it. Thus it happened that modern enemies of Christianity rejected the mythology, but uncritically retained faith in the social and ethical superstitions derived from it — a faith which they oddly call rational but hold with a religious fervor.

They laugh at the silly story about Adam and his spare rib, but they continue to believe in a "human race" descended from a single pair of ancestors and hence in a "brotherhood of man." They speak of "all mankind," giving to the term an unctuous and mystic meaning with which they do not invest corresponding terms, such as "all marsupials" or "all ungulates." They prate about the "rights of man," although a moment's thought should suffice to show that, in the absence of a decree from a supernatural monarch, there can be no rights other than those which the citizens of a stable and homogeneous society have, by covenant or established custom, bestowed on themselves; and that while the citizens may show kindness to aliens, slaves, and dogs, such beings obviously can have no rights.

They do not believe that one-third of a god became incarnate in the most squalid region on earth to associate with illiterate peasants, harangue the rabble of a barbarian race, and magically exalt the ignorant and uncouth to "make folly of the wisdom of this world," so that "the last shall be first" — that they do not believe, but they cling to the morbid hatred of superiority that makes Christians dote on whatever is lowly, inferior, irrational, debased, deformed, and degenerate.

They gabble about the "sanctity of human life" — especially the vilest forms of it — without reflecting that it takes a god creator to make something sacred. And they frantically agitate for a universal "equality" that can be attained only by reducing all human beings to the level of the lowest, evidently unaware that they are merely echoing the Christians' oft-expressed yearning to become sheep (the most stupid of all mammals) herded by a good shepherd, which is implicit in all the tales of the New Testament, although most bluntly expressed in another gospel, which reports Jesus as promising that after he has tortured and butchered

the more civilized populations of the earth, there will be a Resurrection, and his ovine pets will pop out of their graves, all of the same age, all of the same sex, all of the same stature, and all having indistinguishable features, so that they will be as identical as the bees in a swarm.[2]

Although the "Liberal" and Marxist cults have doctrinal differences as great as those that separate Lutherans from Baptists, they are basically the same superstition, and whether or not we should call them religions depends on whether we restrict the word to belief in supernatural persons or extend it to include all forms of blind faith based on emotional excitement instead of observed facts and reason. When those "atheistic" cults scream out their hatred of "Fascists" and "Nazis," they obviously must believe that those wicked persons are possessed of the Devil and should therefore be converted or exterminated to promote holiness and love. And when they see "racists," who impiously substitute fact and reason for unthinking faith in approved fairy stories, their lust to extirpate evil is as great as that of the Christian mob that dragged the fair and too intelligent Hypatia from her carriage and lovingly used oyster shells to scrape the flesh from her bones while she was still alive.

With very few exceptions, the anti-Christians, no doubt unwittingly, retained in their minds a large part of Christian doctrine, and they even revived the most poisonous elements of the primitive Bolshevism of Antiquity, which had been attenuated or held in abeyance by the established churches in the great days of Christendom. And today, professed atheists do not think it odd that, on all social questions, they are in substantial agreement with the howling dervishes and evangelical shamans who, subsidized with lavish publicity by the Organized Jewry who control the boob-tubes and other means of communication, greedily participate in the current drive to reduce Americans to total imbecility with every kind of irrational hoax.

## Christianity & Communism: Parallels in the Bible

Written by Descarte 666.

(Communist Manifesto excerpts are Italics. Bible verses are in Bold and Italics.)

Introducing the Jewish psychobabble. The Communist Manifesto.

*"the epidemic of over- production. Society suddenly finds itself put back into a state of momentary barbarism; it appears as if a famine, a universal war of devastation, had cut off the supply of every means of subsistence; industry and commerce seem to be destroyed; and why? Because there is too much civilisation, too much means of subsistence, too much industry, too much commerce. The productive forces at the disposal of society no longer tend to further the development of the conditions of bourgeois property; on the contrary, they have become too powerful for these conditions, by which they are fettered, and so soon as they overcome these fetters, they bring disorder into the whole of bourgeois society, endanger the existence of bourgeois property. The conditions of bourgeois society are too narrow to comprise the wealth created by them. And how does the bourgeoisie get over these crises? On the one hand by enforced destruction of a*

*mass of productive forces; on the other, by the conquest of new markets, and by the more thorough exploitation of the old ones. That is to say, by paving the way for more extensive and more destructive crises, and by diminishing the means whereby crises are prevented (17-18)".*

Now this is clearly all bullshit. This section claims that overproduction leads to barbarism. This laid the foundation for collectivization. It is clear what happens when production is controlled in order to "stop the epidemic" of overproduction.

***"Luke 6:20-23. Blessed be ye poor, for yours is the kingdom of God. Blessed are ye that hunger"***

This scripture quote says it all. The kingdom of god is a place inspired by faulty jewish economics that deny overproduction. This relates to Karl Marx's statement.

This jewish theory is clearly proven wrong by Hitler's Reichsarbeitsdienst . Or Riech Labor Service. This Reichsarbeitsdienst was able to transform a war torn country into a fertile land. Thanks to the Reichsarbeitsdienst's "overproduction,

Germany was able to destroy all poverty in Germany.

Descarte 3

Note this verse. ***Proverbs 22:7***

***"The rich ruleth over the poor, and the borrower is servant[slave] to the lender."***

*"In proportion as the bourgeoisie, i.e., capital, is developed, in the same proportion is the proletariat, the modern working class, developed – a class of labourers, who live only so long as they find work, and who find work only so long as their labour increases capital. These labourers, who must sell themselves piecemeal, are a commodity, like every other article of commerce, and are consequently exposed to all the vicissitudes of competition, to all the fluctuations of the market(18)."*

***Leviticus 25:44 Your male and female slaves are to come from the nations around you; from them you may buy slaves. You may also buy some of the temporary residents living among you and members of their clans born in your country, and they will become your property. You can will them to your children as inherited property and can make them slaves for life, but you must not rule over your fellow Israelites ruthlessly. "***

The following quotes are identical. The jews are self appointed supremacists. This

Descarte 4

is why they have the god given right to rule over slaves. This is what they believe. Communism opens the door for slavery. This is because it looks upon the working class as a commodity.

Hitler believed in Uniting the worker with the country. So that there was a symbiosis between the classes. Equal Rights were Equally earned.

*"Modern Industry has converted the little workshop of the patriarchal master into the great factory of the industrial capitalist. Masses of labourers, crowded into the factory, are organised like soldiers. As privates of the industrial army they are placed under the command of a perfect hierarchy of officers and sergeants. Not only are they slaves of the bourgeois class, and of the bourgeois State; they are daily and hourly enslaved by the machine, by the overlooker, and, above all, by the individual bourgeois manufacturer himself. The more openly this despotism proclaims gain to be its end and aim, the more petty, the more hateful and the more embittering it is(18)".*

Note that just one paragraph earlier this jew claims the working man is just a

piece of raw material to be traded just as money is. Now this piece of trash is taking up the cause of the working class. This is the common jewish tactic of speaking from both sides of their flat mouth.

Descarte 5

This jew also goes as far as to claim that the worker is enslaved by industry. As if industry is the one thing that will destroy the working class. Industry can be good and bad. But to claim that Industry is a tyrant..well that is just fucking bonkers.

***Romans 12:2 - And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what [is] that good, and acceptable, and perfect, will of God.***

The above bible quote is Karl Jews words in a nutshell. Marx claims that the working class is being manipulated through industry. He clearly claimed this statement so that he could appeal to the proletariat. The above bible verse says the same thing in a different way.

*"Differences of age and sex have no longer any distinctive social validity for the working class. All are instruments of labour, more or less expensive to use, according to their age and sex(18). "*

*Malachi 2.10 "I look upon all creatures equally; none are less dear to me and none more dear."*

Descarte 6

*Galatians 3:28 "There is neither Jew nor Greek, there is neither slave nor free, there is neither male nor female, for you are all one in Christ Jesus."*

*Corinthians 16:19-20 What ? " know ye not that your body is the temple of the Ho'ly Ghost which is in you, which ye have of God, and ye are not your own ? For ye are bought with a price : therefore glorify God in your body, and in your spirit, which are God's.. So glorify God in your body. "*

Also note this communistic verse.

*"Further, as we have already seen, entire sections of the ruling class are, by the advance of industry, precipitated into the proletariat, or are at least threatened in their conditions of existence. These also supply the proletariat with fresh elements of enlightenment and progress(19)".*

*Modern Industry has converted the little workshop of the patriarchal master into the great factory of the industrial capitalist. Masses of labourers, crowded into the*

Descarte 7

*factory, are organised like soldiers. As privates of the industrial army they are*

*placed under the command of a perfect hierarchy of officers and sergeants. Not only are they slaves of the bourgeois class, and of the bourgeois State; they are daily and hourly enslaved by the machine, by the overlooker, and, above all, by the individual bourgeois manufacturer himself. The more openly this despotism proclaims gain to be its end and aim, the more petty, the more hateful and the more embittering it is(18)".*

***Romans 12:2 - "And be not conformed to this world: but be ye transformed by the renewing of your mind, that ye may prove what [is] that good, and acceptable, and perfect, will of God."***

*"The immediate aim of the Communists is the same as that of all other proletarian parties: formation of the proletariat into a class, overthrow of the bourgeois supremacy, conquest of political power by the proletariat(22)".*

More jew swindle. Jews are in control of the production forces and have decreased the standard of living because of their insatiable thirst for ripping underlings off.

These same forces are now claiming that the ruling class has supreme ruling power over the proletariat. According to Marx this "problem" is supposed to be fixed with

the exact same problem, but with a different name. Communism is only a method of digging the jewish infection closer to the heart of gentile society. In other words, it disrupts the social hierarchy so that Communist leaders can lead the supposedly oppressed working class.. More systematic murdering of the best aspects of a gentile culture..more bullshit promises that lead to the same bullshit, but only worse.

## Jewish pseudoscience and materialism

---

Its known in the so called 'atheist' USSR there were dozens of Rabbis and kikes who would launch curses and whatever else in the unknowing populace. If someone was an enemy of the jewish owned state, they would either die by their secret police, or they would get cursed or both.

- High Priest Hooded Cobra

Spiritual Satanists acknowledge science and believe everything of the occult/supernatural to have a rational scientific explanation. We believe humanity has been held back dangerously in this area due to the hoax of Judeo/Christianity and its relentless attacks upon science for centuries.

- High Priestess Maxine Dietrich

## Darwin's Angels

Darwin's theories really do amount in many cases to nothing but a pseudo scientific justification for the continuation of the hierarchical system laid down in the Feudal regime of the system originally created by the Christian Theocracy. Darwin was trained to be a Minister in the Anglican church and picked most of his ideals up from Christianity and social beliefs of the time. Why do you think he placed out of all the different races on earth. The Irish at the bottom rung of evolution. It reflects the popular attitude in the English upper-class of the day towards the Irish and helped to justify their feudal regime in Ireland as well.

Darwin took the churches idea of predestination and applied it to biology. In away that it was a continued justification of the dominate caste system in Europe. That started with the Catholic idea of the will of God and his government upon earth. You have the Church and the nobles at the top and everyone else on the bottom. Mainly as serfs who are owned as chattel of the rulers who are ruled by the Church. The divine right of kings and all this. This means that you are predestined to be a brutalized serf by the will of god and any act or thought or rebellion is a violation of god's will. The Bible sets this whole system up. The serfs slave all day and have to give most of what they have to the Church and nobles and are left with enough to only half starve instead of fully starve if lucky. Any serf caught off the serfdom they where confined to. Was hanged as a run away. This is how most of Europe lived. Communism with spiritual pretense.

Well in the 18th century scientific materialism was becoming the new religion. And the ruling classes wanting to keep the masses inline and continue their caste system, status quo. So they shifted by hook or crook the same Theological tenants into vogue under the banner of science. Now its we are the superior upper classes because of our biological predestination and the rest of you are born to be our servants, serfs and general property. Because you are biologically predestinated with inferior or weaker biology. Now god said becomes....science said.

A mentor of Darwin was the Reverend Malthus who was the famous pusher of the ideal that starving the working poor and social-economic working, lower class [most people due to the caste system in Europe] to death was a kind and goody thing. That it would cause the weaker to die off. Social Darwinism by another name. Its ideals were put to reality during the engineered famine that killed a million innocent people in Ireland by the Rothschild's. That modern historians openly acknowledge as direct genocide. Jesus loving Malthus work helped pave the way for such.

The ideal of improving the social-economic state of affairs for the people and ending the serfdom. And that by wage improvements, education, improved human rights and freedoms and income increases with labour reforms. This problem would cease to exist. Never occurred in the minds of these Judaic freaks. Because then they couldn't justify sending children into the mines and mills as work slaves or filling the debtor prisons full of slave labour. All put there by the exploitive Jewish banker system.

Why not the problems caused by the abusive system is not the system its actually biologically inferior people after all. So we are justified in our materialistic enslavement of whole populations to our industry and debt systems and caste society. Of course the protestant deification of work served as the backdrop to enslave the population into industrial slavery. Its not an accident that Marxism used the same Darwin theories as above to justify its total enslavement of the population into neo feudal slavery as the scientific doctrine to justify its self with either.

Of course social Darwinist ideals were being moved around the upper classes at the time in America. And this is when the Jewish, Rockefellers and their agents created the public school system as it is. Which is designed to shut down the right side of the brain and train systematized drones, fit only for wage slavery in their economic serfdom. Who have had their self esteem and creative ability destroyed. And a new artificial personality assigned that is servile and depended on authority for direction on everything. Right at the time they destroyed skilled labour and self

employment in America and replaced it with proletarian wage slavery. In their factories that destroyed entire families and forced parents to put their kids into adoptive trusts that sold their kids off to strangers as cheap farm labour so they would not starve to death. Its also no mistake after a century of the school system the rate of inventions in America has declined. They destroyed the creative part of the mind with their school system. This is why IQ is worshipped and not creativity and personal genius. They created a system where left brained training is to rule. Garbage in, garbage out. Removing people from the part of the psyche that the psychic abilities are within.

The key to Telsa's genius from his own autobiography was his psychic abilities which come from the right side of the psyche. He stated he would see the object within his minds inner eye and all the knowledge of how to create it was downloaded into his mind with the image. Watson the father of DNA discovery saw the spiral shape in a deep trance state which opens one to this Shakti or right side of the psyche, which was the key that unlocked his discovery.

All what is being pushed by the system is the same doctrine minus the spiritual pretense in many cases. Where science becomes the new theology. Add to the fact Darwinian evolutionary theories take as much faith to believe in as Jesus. Its just shit and used to push us into nihilism, materialism, atheistic humanism. the kind the Jewish Communist state is built upon.

Got news for people. What we call science is realms of make belief bullshit that is designed to go nowhere. The big bang is bullshit as well and has been debunked over and over. But the theology of science just destroys the career's of the heretic's who question it. Where back to the Catholic Church and the Communist System which put scientists in gulags for discovering any holes in the states scientific dogma's. And we know what the Church did to such.

## Materialism

The big conflict is the thinking around materialism either its all that there is or an immoral distraction.

The enemy programs that pretend to be religion tell us materialism must be overcome and having less is better. Be not like the rich man and such. This is simply done to ingrain a poverty consciousness in the psyche of the mass. Which softens them up to be exploited and not protest or revolt in a society in which they have next to nothing and live like abused animals. When their masters live in palaces of marble and dine off plates of gold. The unconscious programming sets this up.

This also lays the foundation for convincing them that spirit is separate from the material. The material world is evil and so is the flesh, that must be overcome. So upon physical death one can achieve salvation in the pie in the sky. In return for absolute obedience to the power system that whole authority rests upon the ruling ideology paraded as religion. The ultimate carrot and stick.

This allows them to remove true spiritual knowledge by destruction of the cultural centers and leaders and then implementing their program which is always a counterfeit and corruption of the authentic culture they wish to attack and remove. This is built upon changing the meaning behind the original symbolism into a literal meaning built upon the psychological template of control they wish to install.

They know the effect this has upon the conscious of the victims. As time goes by living in this society people will exist on the lower octave of consciousness. Such beings are easy to control and lock into the two legged factory farm the enemy wants to create. This is done by shifting the dynamics of this template as time moves forward into new surface modalities. But unconsciously the same template animates it.

As a result materialistic ideologies will arise, atheism will become the norm and naturally the next step is materialism becomes its own ideology. The spirit is nonsense the physical is all that exists. This is the stepping point to Communism. Where all traces of the past are gone. Man is just a literal Goy. An animal of burden without a soul. The Communist [or whatever they are calling it today] state becomes God. And the Jews control this state at the top. Just look at N.Korea for an example of this impluse for religion behing shifted into upholding the atheist slave state. The world devoured by Yahweh.

More on this:

<http://groups.yahoo.com/group/JoSNewsletter/message/170>

So let us leave behind the terms of thinking of a spiritually hollow and psychologically confused society.

The reality behind all creation is everything is made up of light and sound. That manifest at different octaves. All matter is spiritual energy that vibrates on different frequencies of sound and light. There is no separation of spirit and matter. Only waves of sound and light that form into different consciousnesses. At different levels.

The problem is our society due to the effects of the enemy has lost truth and puts the cart before the horse in life. They work and work in a slave society for a crumb off the Jew table. But they live deluded to the truth they are made of spiritual light and this light must be nourished and tended to daily just as eating which the body uses to obtain the same on a lower octave.

When this is done we start to move up the metaphysical ladder to higher octaves and sub-octaves of our own personal Logos, thus light/consiciouness. With this we can build a better world and more abundant life for ourselves. And be around to really enjoy it. We can all manifest the highest quality life.

At this point this intrinsic impulse towards higher meta-development is being sublimated into the hamster wheel society to slave and slave in a Jewtrix system. Along with the condition of man's psyche already being subject to numerous pathological [karmic] suffering states due to its lower octave state. This generates the conditions for negative excesses and attitudes that are normal today. And allows the Jews to control the results.

The people the Catholic program dare not ever call by their true name.... The "Shining Ones." Stated that the danger to man's soul is not living in the truth he is a being of light. But losing this and sinking to the lowest octave of consciousness where all negative influences will torment them and they will perish by the forces of time.

They stated the soul was locked into a lower octave [fallen] and by purification of the soul it ascends to the higher octaves of light transformation till the Perfection process is finished and the being is made whole. Into Shining Ones.

Which is the meaning of salvation to be healed/made perfected by the Magnum Opus. This is why the Gods of these schools were healing Gods. The Healing they gave was perfection of light and its truth. As they knew the cause of old age, suffering and death was the unperfected state. [They listed aging as a sickness].

The Magnum Opus is changing your tune and getting the lead out.

This is the core meaning of Yoga is Yagya-Austerities. Austerity was the performance of tapas or exercises that generate inner fire that purify the soul and transform it to higher levels of light. Yagya where the fire rituals that such was done with. The outer ritual is a symbol of the inner ritual. This is penance for "sins" sin was another term for the dross that had to be purified out to achieve the perfected octave of light. The ancients mention it as a literal impurity. The Eastern texts state the purpose of Yoga is to purify the body by inner spiritual fire [tapas] to the Kumara state.

Its obvious these terms and concepts have by corrupted by the enemy. Which returns to first part of this article. The enemy changes the concepts behind the terms to destroy them. And damn humanity.

The Cathar people where highly spriitually advanced beings and known for their wealthy society full of art, beauty, true knowledge and honor. They worshipped the light within and without. And our true God Satan. As Lucibel or Lucifer in Latin. Among other titles. They where keepers of the Grail mysteries [The Magnum Opus]:

<http://groups.yahoo.com/group/JoSNewsletter/message/333>

<http://groups.yahoo.com/group/JoSNewsletter/message/331>

<http://groups.yahoo.com/group/JoSNewsletter/message/210>

The Catholic church spent three decades of warfare trying to exterminate these people. Millions where killed and when the fires where out and the blood dried [they fought so well and bravely it took a Papal army of over 300,000 troops decades to take an area smaller then Texas]. They heaped lies upon lie over their graves. Pretending they where just heretical Christians to Rome. This was needed because the Church had to hide the fact there where Pagan regions and cultures still in existance in Europe in the 13th century. And understanding the charges the Cathar's brought against Rome. Exposes the entire truth. That Catholic Rome's ideology is nothing but a Jewish made corrupted, counterfeit of the original religion of the people called "Pagans" today. Lest the church dare to actually name them and exposes themselves once and for all.

The "Cathar's" stated this garbage Jewish counterfeit program from Rome. Would damn humanity by removing the true knowledge of salvation from mankind and enslave them into the lowest state of consciousness. Turning our world into a tomb world. They recognized the Jewish Yahweh as a monster of the most depraved evil. As well as its people the Jews and their Juadized Goyium.

Many Cathar's chose to die by burning on the execution dock of Rome rather than renounce truth. They threw themselves into the flames refusing to bow to the evil of Judea. They did not want to be part of Yahweh's tomb world.

## Einstein's and other kikes's crap about the universe

I know many people have a lot of questions about science, the universe and life. I am posting this, as it may be of interest. I majored in the physical sciences when I attended university many years ago. Satanism is for the advancement of science. Humanity has failed to make any serious progress because of crap like what I am sharing below. Advanced worlds out there combine spirituality with technology, such as group telekinesis when operating flying saucers. There is a point where both physical science and spirituality; the occult meet and compliment each other. Everything of the so-called "occult" can be explained scientifically.

This morning, I was finishing up on "Cracking the Bible Code" book. Because Hebrew uses letters for numbers, stage magicians' tricks can be incorporated into sequences and codes of numbers. All sorts of different things can be done with numbers, as any mathematician knows. This is another fact that not too many people are very knowledgeable about. This is where that crap comes from. The so-called "Bible Codes" are nothing but another hoax promoted by the Jews.

Lilith appeared to me. This was right after I read in the book concerning the "Big Bang" theory and how the universe is supposedly "15 billion years old." Now, note again..."15 billion" again, the number  $1 + 5 = 6$ . She told me that "Big Bang" theory was a total crock of shit. I then went on to ask about the universe, the micro and macrocosms and such and she told me this...she stated that because we live and die; birth and death, we often see things in a linear time perspective...in having a beginning and an end. She said the universe and the micro and macrocosms do not correspond to linear time. They do not have a beginning or an end. She also stated what Thoth said about the universe being triangular shaped. She then went on and told me how science and everything else has been held back and stymied by the Jews.

That theory concerning the universe being 15 billion years old is based on Einstein's crap. Again, Jewish lies. This in turn is based upon their stupid torah and then we have the muslim idiots who refuse to admit that the earth is older than what is stated in the koran, like the kikes- so all scientific enquiry is scarfed and stymied [Jewish roots]. I read some time ago where professors and other important scholars, if they do not conform to what are deemed accepted teachings, in many cases, even in spite of research, they re given a strong warning, then they are ostracized and eventually cut from their positions, if they persist. Certain research and such is taboo.

Well, she then left and I went on reading and that book even stated that before Einstein's theory, the general belief was exactly what Lilith told me- the universe had no beginning or end.

See how they ruin science? No different from how I read many years ago how they have NASA completely under their control.

## Communism and truthphobia

---

One time, I was very confused because of conflicting information regarding Hitler's stance on homosexuality, especially with the Jewish lies that Himmler was really against it because of population issues. It was around that time that Hitler's spirit had contacted me and told me that he never had a problem with it. Since I was still a little bit confused, Satan pointed me to the following quote within days after Hitler's visit:

"I won't be a spoil sport to any of my men. If I demand the utmost of them, I must permit them to let off steam as they see fit, not as it suits a lot of elderly church-hens. My lads are no angels... nor are they expected to be. I've no use for goody-goodies and League of Virtu-ites." - Adolf Hitler

Homosexuality has its roots in Satanism/pre-Christian Paganism. It is also known that anti-homosexuality is rooted in Judaism, Christianity, and Islam. Persecution of homosexuality isn't Aryan. It is Jewish.

- High Priest Jake Carlson

## Communists and Homosexuality

In ancient Pagan times, anti-homosexuality was never heard of. Once the Jews touch something, it rots.

Although written from an atheist perspective, this is an interesting read. Many deluded idiots link homosexuality with communism (which some Jews do use), but this article tells the truth.

### Communists Agree with Christians regarding Homosexuality

Many gays and others are deluded into joining and/or supporting so-called "left-wing" organizations. These communist organizations, no different from Christianity, advance and promote themselves under the pretense of universal "brotherhood" "equal rights" and other related principles. Nothing could be further from the truth. Communism has tortured and mass murdered literally billions of innocent men, women and children. It is a modern inquisition. The Jewish textbook writers, professors, teachers and censors work diligently and relentlessly to portray a positive image of this monstrous Jewish controlled program for enslaving Gentiles, in the schools and in many other places. Like Christianity, communism is another Jewish program of horrors to destroy and enslave Gentiles.

Quote from the Jewish Talmud:

Baba Neria 114, 6: "The Jews are human beings, but the nations of the world are not human beings but beasts."

For more about Christianity and Communism, see Christianity and Communism: Jewish Twins

Below is a most revealing article revealing the true communist agenda of interfering in the sex lives [typically Jewish] of their enslaved peoples.

## Communists Agree with Christians on Criminalizing Homosexuality

Monday May 19, 2008

In America, atheists tend to be liberal and thus also tend to favor greater equality for gays. This causes many conservative, evangelical Christians to associate atheists with liberalized attitudes towards homosexuality, but there is nothing about being an atheist which necessitates treating gays as equal human beings. Almost all the old communist regimes, for example, criminalized homosexuality and Russia only decriminalized it in 1993 when communism fell. Today, former communists in Russia are working with conservative Christians in the Orthodox Church to make homosexuality a crime again.

The legislation, introduced Monday by Deputy Nikolay Kuryanovich would bring back the old law, and make it a crime for gays to congregate - a provision that would bar gay pride parades or meetings.

How far Kuryanovich's bill will advance is unknown. As an Independent he does not have a party backing him but the measure has widespread support from former Communists and parties allied to the Russian Orthodox Church.

The bill is the latest in a series of attempts to stifle Russia's gay community.

Source: 365Gay

Conservative Christians in America like to attack both atheistic communism and liberal attitudes towards homosexuality, but how do they deal with the fact that the old communist governments were and at least some communists today are as illiberal in their treatment of pornography, homosexuality, and related matters as the Christians would like the American government to be?

Why don't we hear them praise those old communist laws? Why don't we hear them admit some admiration for illiberal, totalitarian policies? Would

they be interested in working with illiberal atheists in such matters, or would their aversion to atheism and communism cause them to refuse? I wonder what's more important to them, bigotry towards gays or bigotry towards atheists.

Regardless, news stories like this help demonstrate that being an atheist doesn't make a person liberal, tolerant, reasonable, rational, or anything else decent. Atheists are more than capable of working on behalf of illiberal, authoritarian, repressive political agendas. There are no political, philosophical, or social beliefs shared by all atheists.

It's a person's political and personal philosophy that is most important, not being an atheist or a theist. I have little in common with the atheist communists referenced in the above article and would be unlikely to work with them towards any political or social goals. It's not their being communists that's necessarily the problem, but their illiberal attitudes make them as valuable as religious fundamentalists when it comes to fulfilling political goals.

## Christianity, Communism, and Homosexuality

While the author of these notes uses the term "homophobia," which I don't agree with, these notes are quite revealing. They prove similarities between both ancient and modern views towards homosexuality of the Christian and Marxist creeds, and how Christianity and Communism are one and the same.

### 1) Homosexuality in Christian "History:"

Homosexuality In Classical Antiquity : In 342 (Codex Theodosianus, 9, 7, 3,) the first law was enacted in Milan regarding passive homosexuals. Harsher penalties were introduced by Theodosius I in a law addressed to the prefect of Rome in 390, with execution by burning (...). This law was inserted in the Theodosian Code of 438 (9, 7, 6), but substantially modified and with a wider scope. The new compilation condemned to burning all passive homosexuals without distinction. With the Emperor Justinian the legislation was broadened; every kind of homosexuality was repeatedly condemned with the death penalty".

From Wikipedia: "Justinian's law code then served as the basis for most European countries' laws against homosexuals for the next 1400 years. Homosexual behavior, called sodomy, was considered a capital crime, and thousands of homosexual men were executed across Europe during waves of persecution in these centuries."

### 2) Homosexuality in Communism:

From Wikipedia:

"Karl Marx and Friedrich Engels both to some level expressed homophobia in their public and private writings "

"In the 1930s under Joseph Stalin, homosexuality and abortion were recriminalised in the nation. Article 121 explicitly criminalised male same-sex intercourse and with five years of hard prison labor as a penalty(...)

Homosexuals were sometimes denied membership or expelled from communist parties across the globe during the 20th Century, as most communist parties followed the social precedents set by the USSR. Today, however, nearly all communist parties accept homosexuals and support the LGBT rights movement.

Homosexuality was decriminalized in China in 1997 and was removed as a mental illness in 2002"

### 3) My Notes:

Christianity is doing the same thing that Communism is doing with homosexuality. It is trying to appear more and more "progressive," while other Christians bitch and complain about the "subversion" of Christianity. While it is true that the inner Catholic Church has been ripe with homosexuality for quite some time, that doesn't make Christianity friendly to homosexuals OR heterosexuals, as for heterosexuals who are not Mormon Christians, but some other branch of Christianity, Christianity is like a birth control pill, as it seizes both homosexuals and heterosexuals with fear of eternal damnation over sex and masturbation. Then, for the children, an indoctrination of an odious lie is introduced that claims that we were "born into sin."

Despite what I said about there being homosexuality in the Catholic Church, make no mistake, Christianity from its inception has discouraged any sex for pleasure between consenting adults, punishing homosexuals and heterosexuals with death, while child rapists go free. This is in the Jewish Talmud where consenting adult sexuality is to be punished with death, but Jewish men or women who seduce young Gentile children are held in high regards.

As for homosexuality enjoying a greater "tolerance" in both Christianity and Communism, these programs are changing with the times, as both of them need more useful idiots, and Christianity is weakening so badly that one's sexual preference doesn't matter as much as it did before. Adolf

Hitler never persecuted homosexuals who were loyal to him, but the Jews see to it that he gets the blame for how Josef Stalin treated homosexuals. Under Stalin, "incurable" homosexuals who cannot breed, but are still creative in other ways, were sent to the most horrific mental institutions for the criminally insane. Stalin certainly had Christian Values, while Hitler couldn't have cared less about one's sexual preference, provided that the individual was a good National Socialist. That is hardly Christian.

“American Newspapers claim that Stalin has been preordained to save Christianity.” -- from the Goebbels Diaries

4) A message for new people who come to Satanism confused about sexual preferences

Unlike the corrupt Right-hand Path religions of the world, Satanism encourages both homosexuality and heterosexuality, as long as it doesn't involve race-mixing, and that this sexual freedom isn't abused by using it in illegal ways. Satan doesn't care about which gender you're attracted to. Satan only cares if you're a good Satanist/National Socialist. It's as easy as that.

## GAY IN THE GULAG

Anal and genital contact between consenting males became a criminal offence in the USSR on 17 December 1933. On 1 April 1934, article 154 (later 121) was introduced specifying a punishment of up to five years imprisonment. One theory currently popular among Moscow gays has it that the adopted son of the leading proletarian writer, Maxim Gorky, was seduced by a homosexual and that Gorky's personal petition to Stalin led to the subsequent formal prohibition. On 23 May 1934, Pravda and Izvestiya published an article by Gorky declaiming, in language reminiscent of a political trial, that homosexuality was the result of pernicious influences from the Western bourgeoisie and German fascism. The article concluded with the slogan: "DESTROY HOMOSEXUALITY AND FASCISM WILL DISAPPEAR!"

Article 154 quickly became a tool of reprisal against political dissent. In January 1934, homosexuals were arrested en masse in the Soviet Union's main cities. Among those imprisoned were many actors, musicians and artists. Historians have noted numerous suicides in the Red Army and a growing mood of panic among Soviet gays at that time.

In 1936 the Commissar for Justice, Nikolai Krylenko, declared homosexuality a political crime against the Soviet state and the proletariat. It became an object of NKVD (later transformed into KGB) investigations, possibly with a view to recruiting new informers from among known homosexuals.

In the mid-1930s gays flooded into Soviet camps in their thousands, and the influx apparently remained steady throughout the years article 121 was in force. Alexander Solzhenitsyn called it a 'sordid' bit of legislation. In the Gulag Archipelago, dedicated to 'all those who did not live long enough to tell the story', there isn't a word of sympathy for oppressed homosexuals. Just as there isn't in Varlaam Shalamov's Kolyma Tales. Most dissident authors, while exposing the inhumanity of life in the camps, hold

on firmly to camp attitudes in their contemptuous dismissal of gays and of homosexuality in general. Until very recently the issue remained taboo. Even when revelations about Stalinist repressions began to emerge, not a single human rights activist, neither in the USSR nor abroad, was seriously prepared to tackle the problem.

The fate of homosexuals in Soviet prisons and camps is unprecedented in the scope of its tragedy and brutality. Not only were the numbers vast, homosexual rape took place in every camp and prison without exception. Not only did the Soviet system fail to cure the 'foreign disease', it led to a dramatic growth in the numbers of homosexuals. Huge numbers of people who had not previously been gay became categorised as 'opushchennye' (lit: crestfallen, degraded, downcast; also slang term for one who has been beaten up, raped and urinated upon).

In his book *The Mordovian Marathon* (Jerusalem, 1979), Eduard Kuznetsov devotes a chapter called, 'Queer Folk' to homosexuals in the camps.

'According to people in the know', he writes, '90 per cent of convicts are homosexual. But only passive gays—about 10 per cent—are regarded as such. They are the so-called 'kozly' (lit: 'billy goats', or customers of prostitutes) and 'petukhi' (lit: 'cocks', or faggots). Active homosexuals are so commonplace they don't even merit a special name.'

“Passive homosexuals are not necessarily prisoners with gay inclinations”, writes Andrei Amal'rik in the book *Notes of a dissident* (Ann Arbor, 1982), “they are the unassertive, the timid, those who have lost a game of cards, those who have broken the camp code of ethics. Once you have the reputation of being a "cock", it is impossible to get rid of it. It follows you from camp to camp. And if, after transfer to a new place a "fallen" prisoner fails to reveal himself, sooner or later it is bound to come to light. Then punishment is unavoidable, and it will take the form of a collective reprisal often ending in death.”

The first convicted homosexual to come out was the Leningrad poet Gennady Trifonov. In December 1977, he sent the following open letter to Literaturnaya Gazeta from Camp No 398/38 in the western Urals:

“I have experienced every possible nightmare and horror; it is impossible to get used to it. Over a period of 18 months I have seen daily what it is to be a convicted homosexual in a Soviet camp. The position of gays in the death camps of the Third Reich was nothing compared to this. They had a clear prospect for the future-the gas chamber. We lead a half-animal existence, condemned to die of hunger, nursing secret dreams of contracting some deadly disease for a few days peace in a bunk in sickbay.

“I know people who have either forgotten the end of their prison term, or who have not managed physically to survive that long. Their bodies were taken off the electric wire; they were found hanging in prison cells, tortured to death by prisoners in bestial mood or beaten by guards, mad. I know their names; I have access to the written evidence of witnesses. In a year and a half of this hell I have carefully studied 22 convictions for homosexuality in the USSR. If this information reaches the West, I will be accused of slander and physically liquidated. It won't take much. They will set a group of convicts who have lost all semblance of humanity against me and certify my death ‘in the natural way’.”

Trifonov's letter was not published in the Soviet Union. But once his name became known in the West, the camp authorities treated him less cruelly...

Pavel Masalsky from Moscow, a man of middle height with close cropped hair, aged about 35, was convicted with his boyfriend in 1984. Until then his name had been filed with the special department of the militia that was formed 'to fight against homosexuality'. This was where all information about Moscow's gays was collected. Pavel recalls occasions when militiamen from the Department blackmailed and sexually harassed him and other gay men.

In order to imprison Pavel and his boyfriend, a neighbor's denunciation was enough. There was not even any need for evidence of a homosexual act, normally compulsory in these cases.

The court hearing was closed, like most cases dealing with 'sexual crimes' in the USSR. After the hearing Pavel and his boyfriend were sent away to different prisons. After nine months, Pavel was moved to a camp where out of 1,500 men about 200 were categorized as 'opushchennye'.

“In our camp the petukhi lived with everyone else but we had a separate table, separate crockery, and a separate place in the queue-at the very end. The administration regards the opushchennye in the same way as the prisoners: it helps them less, does not give them the opportunity to work on good jobs. Sometimes if they see that a man is being taunted beyond endurance they move him on to another zone to get rid of him.

“The administration treated me worse than the others. They found taunting me rather diverting; they would follow me around, summon me up to headquarters-which is the worst thing possible in a zone because everyone thinks you're squealing. They suggested that I become an informer but I refused and because of that I spent about three months in penal isolation cells. After that they left me alone, and I began to go up in the eyes of the convicts and became a prostitute. It was the only way out: it was impossible to live otherwise.”

Valery Klimov from Nizhny Tagil is a slightly stout man of about 35, with grey hair. He was arrested for a relationship with a boy who was under age. When Valery was called to the prosecutor's office, the investigator offered him two options: suicide or plea guilty. He was threatened with reprisal against his friends if he refused. Klimov took all the blame on himself and got three years.

'I was able to stand for myself in prison and in camp, but there were about 10 occasions when gays were murdered before my eyes. One was beaten to death in a prison in Sverdlovsk. There were 100 men in our cell; three or

four raped him every day and then chucked him under the bunks. It was bestial, a nightmare. Once 10 of them raped him and then jumped on his head. I nearly went mad there; my hair turned grey. That's how people lose their sanity; many never recover even after they leave.

“Homosexuality exists at all levels in the camp. It isn't only the opushchennye who do it; the prison staff does it as well. In prison conditions heterosexual males can easily turn into homosexuals. Sometimes it isn't only a physical urge, but real emotion. I saw displays of love and affection between partners. Our team leader, Viktor Popov, declared his love for me and asked me to be with him; I was the active partner. Until then he had thought of himself as 100 per cent 'natural' (straight). Now he is married and has children. Sometimes he still visits me though.”

## The Real Attitude of Communism towards Gays

"And a senior Maoist leader, Dev Gurung - former commander of the Maoist militia in the western part of Nepal, and now minister of Local Government - was quoted in December in the New Delhi, India- based daily The Asian Age as proclaiming, "Under Soviet rule there were no homosexuals in the Soviet Union. Now that they are moving towards capitalism, homosexuals may have arisen there as well. So homosexuality is a product of capitalism. Under socialism this kind of problem doesn't exist."

Remember that "Under Soviet rule there were no homosexuals in the Soviet Union."

Nepal's Maoist Assault on Gays

by DOUG IRELAND

04/19/2007

The kidnapping in Nepal last month of two young women accused of being lesbians underscores the continuing plight of the Himalayan nation's sexual minorities.

Despite the people's democracy movement that last year put an end to the autocratic rule of the country's monarchy, Nepal's LGBTs - including its many metis, or cross-dressing and transgendered males - are still the targets of violence and persecution by the country's Maoists.

Following a peace agreement the Maoist guerillas signed last November which put an end to the bloody, decade-long civil war they had led, they joined an interim government and, at the beginning of this month, received six of the 16 ministries in a cabinet headed by 85-year-old Prime Minister G. P. Koirala, chief of the Seven Party Alliance, the coalition that is Nepal's largest political formation.

"Before the peace deal, most of the violence against metis was committed by the Nepali police, but recently many metis have been victimized by men who called themselves Maoists," Sunil Pant, founder and director of Nepal's Blue Diamond Society, the country's leading LGBT rights and AIDS-prevention organization, recently wrote in U.K. Gay News.

But metis are not the Maoists' only target, as the kidnapping of the two young lesbians shows. On March 2, a 16-year-old girl and a 20-year-old woman named Sarita C. were detained by cadres of the Communist Party of Nepal-Maoist on suspicion they had a sexual relationship, according to the Blue Diamond Society. The two were held for half a day at a Maoist camp in Sunsari, intensively interrogated about whether they were homosexuals, and told they would "have to undergo a blood test to check if they were lesbians."

The teenager's family had used violence on several occasions against the couple and had demanded that the Maoists take action against them. This was the pair's second kidnapping; in late 2006, they had been abducted and held at a Maoist camp in the Morang district, where they were called insulting names for homosexuals, including chakka, and ordered to join the Maoists as soldiers because it would lead them to the "straight life."

But the duo refused to carry weapons - as a result of which they were deprived of food and beaten daily, though they finally managed to escape after a month.

The U.K. lesbian magazine Diva reported recently that in Nepal's patriarchal culture, in which only 25 percent of adult women can read or write (compared to 55 percent of men), lesbians - or mitinis - "face enormous problems. Most are forced into marriage. They will be sacked and victimized if their sexuality becomes known."

The magazine cited a Nepali saying, "The hen ought not to crow."

Incendiary homophobic declarations from Nepal's Maoist leaders have multiplied recently. In January, Maoist cadres began moving from house to house in the Nepalese capital of Kathmandu telling owners not to rent rooms to gays, according to the Mumbai, India-based newspaper Daily News and Analysis. The newspaper reported that Sagar (some Nepalese use only one name), the former Maoist military commander of Kathmandu, had said that homosexuality was an "aberrant activity that could have a negative effect on society." The newspaper reported that the Maoists, "who have also been campaigning against polygamy, polyandry, infidelity, and drunkenness, have a zero tolerance policy towards homosexuality."

And a senior Maoist leader, Dev Gurung - former commander of the Maoist militia in the western part of Nepal, and now minister of Local Government - was quoted in December in the New Delhi, India- based daily The Asian Age as proclaiming, "Under Soviet rule there were no homosexuals in the Soviet Union. Now that they are moving towards capitalism, homosexuals may have arisen there as well. So homosexuality is a product of capitalism. Under socialism this kind of problem doesn't exist."

Moreover, Amrita Thapa, general secretary of the Maoist women's association, told participants at a national conference in March 2006 that homosexuals were unnatural and were "polluting" society.

Human Rights Watch this week called for an end to Maoist persecution of LGBT people. In an April 16 letter to Nepal's minister for Women, Children, and Social Welfare, HRW's director of LGBT affairs, Scott Long, wrote that his group "is gravely concerned by anti-gay rhetoric and violence targeting people because of their presumed sexual orientation or the exercise of their sexual autonomy on the part of the Communist Party of Nepal-Maoist."

Citing the kidnapping of the two accused lesbians, Long said that case "is only one of numerous documented cases of arrests, rapes, and beatings of lesbians, gays, and metis in Nepal over the past several years. It also forms

one part of a larger pattern of abuses of the rights of children by the Maoists." (In February, HRW issued a report, "Children in the Ranks: The Maoists Use of Child Soldiers in Nepal," which documented the Maoists' widespread recruitment of children as soldiers.)

LGBT activist Pant and the Blue Diamond Society (BDS) will be honored in New York City on May 1 with the Felipa de Souza Award given by the International Gay and Lesbian Human Rights Commission (IGLHRC) for their "courage and impact" as a grassroots group on LGBT rights. Pant founded the BDS in 2001, and the group says it now has 40,000 Nepalese LGBT people in its database and more than 10,000 active supporters.

In June 2004, BDS organized the first-ever LGBT demonstration in the country's history, to protest police harassment and brutality - but the demonstration was violently broken up by police. The following month, in a case that aroused international outrage, Nepalese police arrested 39 BDS members and metis on charges of "spreading perversion." In January this year, the group organized Nepal's first LGBT conference, featuring openly gay and openly HIV-positive Justice Edwin Cameron of South Africa's Supreme Court of Appeal.

BDS, working in coalition with other human rights groups in the country, is currently pressing for inclusion of protection for the rights of LGBT people in the new Nepalese Constitution to be adopted by a special assembly that will be elected in June - but Pant told IGLHRC last week that "the major political parties don't take our issues seriously and this means we have to work hard to convince them."

The BDS is desperate for funds to continue and expand its work defending persecuted LGBT people.

# Playing both sides against the middle

## Putin is a Jew

I haven't read through all of this thread due to a lack of time. I will tell you this... This is what I keep reiterating, how the Jews take control of both sides. This is a very blatant example. Putin is a Jew. His father was a Talmud scholar. Of course, he is a Jewish communist and claims to be "against Israel." They all do. This takes the heat off of the correct accusations that communism is a Jewish program.

Now, the former Soviet Union, being under Jewish communist control, and being very clever; USSR would take the side of whatever country Israel was against, such as supposedly supporting Arab nations. This was all a front. USSR would send these countries inferior weapons, many of which didn't even function. Jews in USSR would also publicly whine and blatantly about the "anti-Semitism" under communism. This is all for show and to confuse you. So, Israel openly supports the free world, and the USSR openly supports the enemies of Israel, but the both are working together under the table for world communism.

This is no different from Christianity. The Jews claim to be against it, even going as far to promote they "killed christ" "are of the devil" and so forth. They forever whine about being persecuted by Christianity. Now, look a little deeper. Every page on that stupid bible has the word "Jew/s" written on it, "Israel" The nazarene was a Jew, his disciples were Jews, his mother and father were observant Jews, both the Old and New Testaments are nothing but Jewish patriarchs, Jewish heroes, denigration of Gentiles and the Jewish teachings promoting communism. Now, just how can Christianity be against Jews? It is all a false front. People are under a powerful spell and they cannot see this.

It is a fact, that communism, is a Jewish invention; all of its top leaders are Jewish, and/or married to Jews and like the bible, it is a swindle. The Jews know this and protect it. They protect their most important programs by pretending to be enemies of them, but underneath it all, they control both

sides, and work these both sides to their agenda. This is one of the most important keys to understanding how they operate. It has been extremely effective for centuries. People fall for it all of the time.

This is no different from how they control the Gay Rights Movement:

[http://gblt.webs.com/Enemy\\_Control.htm](http://gblt.webs.com/Enemy_Control.htm)

In their religious writings, homosexuality is an abomination. Their real intention is to have everyone live under Old Testament and Talmudic law. Open sexuality, let alone homosexuality was NOT tolerated in the USSR. Gay and in the gulag was commonplace. Even heterosexual free sex, nudity and so forth were severely punished. Jewess Sharon Osbourne, wife of Ozzy Osbourne, wrote an autobiography. She included that during the late 1980's during "Glasnost" for the first time, the USSR allowed Ozz fest. She wrote how a teenage Russian girl in the audience pulled up her t-shirt and bared her breasts openly. The KGB immediately moved in within seconds, yanked the girl from the bleachers, and proceeded to savagely beat her with clubs before they hauled her off and no doubt, she must have been given a long prison sentence under the most brutal conditions.

My point is, there are so many total idiots who actually believe that communism is liberal and free. In communist countries, you can go to prison [and these are some of the most brutal and heinous places known to humanity], for simple fortification [having sexual intercourse without a marriage license].

For those of you who are ignorant about communism, I suggest you read some of Aleksandr Solzhenitsyn's books, such as The Gulag Archipelago, One day in the Life of Ivan Denisovitch, and many more. The latter you can also watch on youtube:

<http://www.youtube.com/watch?v=tdkvpou0kY>

People really need to read Russian history. Millions upon million of innocent people were falsely arrested, tortured [many of the methods very

similar to the Inquisition], packed into prison cells the same way the Jews pack farm animals into tiny crates and cages [“goyim” means “cattle”], and then given long and intensely brutal sentences in a Siberian slave labor camp, of which very few ever returned. Russian author Aleksandr Solzhenitsyn survived and lived to tell about it. His crime? He was corresponding with a friend and happened to lightly criticize Josef Stalin. His mail was censored, he was arrested, tortured and sent off to Siberia, like millions of others.

I have also made several posts regarding what is now going on in Red China. The slave labor. This is ALL Jewish. The late Mao Tse-Tung, no different from Stalin, mass murdered and tortured millions upon millions of innocent Chinese. This is not something to take lightly. Stupid idiots who spend their time in front of the Jew-tube, watching endless streams of worthless crap, playing nothing but video games and listening to the Jewish indoctrination; those who are ignorant of history and believe “it could never happen here” are in for a very serious rude awakening.

I also want to add that Putin is working with all the other controlling Jews to try to bring Russia under communist control again. There are Russian patriot groups over there and of course, most are infested with Christianity. THIS IS HOW THEY GET CONTROL...WAKE UP PEOPLE!!!!

## On materialism and important info

I notice so many people falling into traps. The Jew creates the problem and then pushes the solution. One major trap is that of materialism. The Jew takes everything that makes life meaningful and pleasurable and then works relentlessly to destroy it. Ownership of material things makes life meaningful and is pleasurable. So, the Jew pushes this and corrupts it on the one hand and on the other, the Jew pushes for rejection of the material. This is done by incessant pushing and promoting materialism to the exclusion of all else and the underlying message here is to own nothing. The nazarene is then held up as a pristine example- the professional parasite never owned anything, and lived off the charity of those who did, all the while condemning them. The nazarene was a most arrogant character who never showed any gratitude or appreciation for anything. He felt it was owed to him. Though that foul scum is a Jewish invented fictitious archetype, he is pushed on the Gentile populace as an example. He is the perfect communist.

Everything the Jew pushes and abuses is designed to destroy any and all freedoms. No one owns any personal property under Jewish communism. Jewish communism is a slave state where every Gentile citizen becomes the property of the state and has no freedoms or rights whatsoever. This is all laid out in the judeo/xian bible, which is a blueprint for communism. The Gentile populace becomes disposable slaves, working for the Jewish parasite. Satan/Lucifer has always stood for rebellion. Rebellion is a serious "sin" and is "evil" in the bible. Perfect slaves do not rebel or even complain.

There is absolutely nothing wrong with owning material things or enjoying them. People fall into the Jewish traps with believing adages such as "money is the root of all evil" yet you don't hear any Jews saying this. This sort of thing is for Gentiles. The bible preaches that poverty and suffering are virtues. Poverty is a virtue so that all wealth can be in the hands of the Jews. Suffering is a biblical virtue and is necessary so one again can be the perfect slave, endure endless and most savage abuse, and never complain.

A wasted life. The Jew owns everything, all material wealth, and also the slaves. This is why they corrupt and push materialism in unhealthy ways to the extreme. They want a backlash, where they own everything and us Gentiles own nothing and along with owning nothing, become the property of the Jews.

If everyone would look deeper, it is the abuse, disrespect for, and lack of any appreciation that is the problem, along with imbalance in the way of taking things to an extreme, which is what the Jew does. The Jew takes certain aspects of our freedoms...money, sex, pleasure and pushes these to an unhealthy extreme, creating imbalance. The end result is total loss. Nature in her ecosystem works for a healthy balance. When nature gets out of balance, disaster ensues.

Nowhere is a most blatant example of Jewish operation than with Gay Rights:

[http://web.archive.org/web/201304111543 ...ontrol.htm](http://web.archive.org/web/201304111543...ontrol.htm)

Gay rights from top to bottom is controlled by Jews. What they do is work to push and take this to an extreme on the one hand and as the Jews control both sides, they work against it on the other. One the other side, they work for establishing Old Testament laws as is with Jewish communism. Gay in the gulag. There are no sexual freedoms in any communist countries. Even heterosexuals holding hands or kissing in public in communist North Korea can get not only the couple, but their entire families thrown into slave labor concentration camps.\* These are the real death camps where very few ever survive. Most are worked to death under the most hideous conditions, starving and then are disposed of. This is the Jewish paradise...disposable slave labor.

\*Nothing to Envy: Ordinary Lives in North Korea by Barbara Demick

Don't fall into their traps! When everyone is on to their tactics, they can no longer succeed in destroying our freedoms. Money, personal ownership,

sexual freedoms and everything else they work to destroy, always remember...they push these to an unhealthy extreme, creating the necessary imbalance needed to create a backlash to where people are duped into gladly giving up their precious rights [which many fought for and died for in brutal bloody wars], and unknowingly sacrificing to restore balance- what they believe is balance. The justice system is another example. The justice system is dominated by Jews from top to bottom. By allowing crime to get so out of hand and letting violent offenders off the hook and relentlessly pushing injustice [corrupting the justice system to where it is no longer even functional], this creates the trap for people to give up their rights for ultra-strict laws, where no one has any rights as is with Jewish communism. This is also laid out in the judeo/xian bible. Turn the other cheek, walk the extra mile, let everything go to shit. Gentiles have always fought for the Jewish interest and their wars while the Jews just look on and grin. Another Jewish tactic is creating endless arguments so that nothing ever gets done in the way of ending a problem or securing a solution.

Satan/Lucifer stands for freedom and rebellion. We must always respect our freedoms and be ready to fight for them. If we do not fight, these will be taken away. Respect and care for what you own. Our inner serpent makes us aware in the way of having respect for valuable life and an appreciation for things. Everything that is positive and healthy in life, the Jew takes, abuses and pushes to an unhealthy extreme in hopes of creating a backlash to their Old Testament; their Torah. Torah is the author of pain and misery. The torah is their root, their power over us and their protection. Everything you have and own, the Jew is working to take away from you. This also extends to your soul. Satan brings us the necessary knowledge and enlightenment to where we are aware of and onto their tactics and can no longer be duped into falling into their traps.

## Gay Rights, Radical Honesty On An Important Issue

The Jews are trying to control gay identity to create the sociology needed to keep gays under control and further their own racial goals. When the time comes it will be easy to sweep gays away as Communism's view of gays is actually being brought to life by the psychology of this gay identity they are giving them, its crafted to conform to such narrative. They confirm the indoctrinated animus towards non-heterosexuals.

Russia is using this psychology to keep gays down while playing the other pro gay angle with the same they do over here. Which makes it easier to keep them down forever given the narratives of the state. For the reasons stated above. The Jews over there as here. Are leading both sides to maintain this.

Jewish, Putin is using the Communist narrative to maintain and centralize power, while marching Russian back into a totalitarian Communist regime. The western Jews such as Soros are working the other half of this reverse psychology game and put together and pay for disgusting and shocking groups of malcontents to troll the public under what is viewed as Western Liberalism. And this allows Putin to them crush all opposition to his regime as Western agents and fifth columnists. Enemies of the state, he uses this to ban political parties of even actual Russian Nationalists. As well for a major justification to ban Gay Rights and Homosexuality. This is the standard Communist narrative. Denounce anything and anyone as disloyal to the People [ Communist State]and then give them a show trial and that's it. When the Jews ruled under the Christian regime just remove disloyal with heretic. Same psychology, same purpose.

Time for radical honesty.

Authentic, Gay rights is simply an issue of human rights and the inherent nature of the soul to yearn for its own freedom and to express its core value into the world, which is the metaphysical core of human rights. Taking the soul out of the equation gives licence to write whatever narrative anyone

wants as rights and degenerates the issue into a theatre of the absurd, which the enemy does quite often [with Christianity as well which is soul destroying materialism] to forever try and work towards stomping our rights into the dirt.

This meta-right within our being, is what our ancestors talked about within Dharma and the Founders where writing about with individual rights and liberty. Franklin was not heterosexual himself, he engaged in sexual orgies with men and women as a member of the "Hell Fire Club." Sexual orientation is within the soul, its metagenic.

The greatest freedom the soul yearns for is its own liberation and transformation into the perfected vehicle of the divine, to bring forth the gold hidden deep within its own self. Its the greatest crime against man to deny him what is his by divine right. And to weight him down by putting chains on his very soul itself. All evil comes out of this.

Heterosexual or Homosexual, every man is his own King. The ancient articles of Kingship the scepter and crown are symbols of the risen serpent and transformation of the human into the fully Divine. Benjamin Franklin and the other Founders also left this ancient code in their images.

Anyone can sit on a throne, but only a Man can crown himself King. The crown is the halo of the risen serpent of Satan. The symbol of ultimate freedom and power by the enlightenment of the soul. This is Satan's gift to us. True and eternal freedom. But that freedom is for every Gentile, because its the freedom of the soul to the realization of its own self as a God. This is what is at the core of all true, human rights.

Am, I worthy of achieving the light if I deny my brother his divine right to the same light. The slavery of the soul has come to an end for all humanity.

## Communism And Masonry: Two Fronts Of The Jew World Order

"Gentile masonry blindly serves as a screen for us and our objects, but the plan of action of our force, even its very abiding place, remains for the whole people an unknown mystery....Who and what is in a position to overthrow an invisible force?" (Protocol 4)

"we shall create and multiply free Masonic lodges... absorb into them all who may become or who are prominent in public activity, for in these lodges we shall find our principle intelligence office and means of influence.... The most secret political plots will be known to us and will fall under our guiding hands...We know the final goal...whereas the goyim have knowledge of nothing..." (Protocol 15) –

The Jews claim the protocols as a forgery. This is how the Jews lie. When it was ruled a forgery by the court in Switzerland in the 19th century. It was ruling the protocols as a legitimate document hence real. As the document presented in the court was a reprint hence a forged of the original document. Just as to forge a check you need an original to create the copy from. They told half a truth to tell a full lie.

The Court ruling was the protocols are real.

As we can witness President Washington knew about the Illuminati and that they where trying to infiltrate the Masonic orders and movements. And their doctrine was the enemy of the Masonic one they had fought to build America upon:

Library of Congress link:

- The George Washington Papers at the Library of Congress, 1741-1799

Type "Illuminati

Mount Vernon, October 24, 1798.

Revd Sir: I have your favor of the 17th. instant before me; and my only motive to trouble you with the receipt of this letter, is to explain, and correct a mistake which I perceive the hurry in which I am obliged, often, to write letters, have led you into.

It was not my intention to doubt that, the Doctrines of the Illuminati, and principles of Jacobinism had not spread in the United States. On the contrary, no one is more truly satisfied of this fact than I am.

The idea that I meant to convey, was, that I did not believe that the Lodges of Free Masons in this Country had, as Societies, endeavoured to propagate the diabolical tenets of the first, or pernicious principles of the latter (if they are susceptible of separation). That Individuals of them may have done it, or that the founder, or instrument employed to found, the Democratic Societies in the United States, may have had these objects; and actually had a separation of the People from their Government in view, is too evident to be questioned.

My occupations are such, that but little leisure is allowed me to read News Papers, or Books of any kind; the reading of letters, and preparing answers, absorb much of my time."

President Washington was the Highest ranking Mason in America. The original Free Mason religion and idealism of which the American Republic was built upon. Can be read here:

The Real American Revolution

[topic585.html](#)

"In 1785, leading members of the Illuminati left the Society and testified before a Court of Inquiry called by the Elector of Bavaria. Their startling evidence removed all doubt regarding the Illuminati. On the 11th of October, 1785, the Bavarian authorities raided Zwack's [Illuminati cofounder] house and discovered a mountainous array of Illuminati

documents which showed quite clearly that they planned to bring about a "universal revolution that should deal the death-blow to society."

Communism start was not founded in the 19th century. It was founded in the 18th century. When as History records that on May 1, 1776, [May day is a Communist holiday as well] Dr. Adam Weishaupt founded the Bavarian Order of the ILLUMINATI. Weishaupt was a Professor of Jewish Canon Law at the University of Ingolstadt in Bavaria, Germany. He was born to Jewish parents and later "converted" to Roman Catholicism. He became a high-ranking member of The Order Of The Jesuits, whom he subsequently left to form his very own organization at the clear behest of the newly formed "House Of Rothschild."

Weishaupt took a group of fellow Jewish agents who had organized under the name of the "Frankist." And from them into the newly termed order the "Illuminati." The doctrine of this Jewish front was Communism.

"It is more interesting to learn that Karl Marx was not the real founder of Communist world revolution. Its true father was Adam Weishaupt, founder of the "Freemasonic Order" of the Illuminati" - Marschalko

The six main points of Weishaupt doctrine is the abolition of:

- 1.Ordered or nationalistic governments in the form of monarchies.
- 2.Private property.
- 3.Inheritance rights.
- 4.Patriotism to nationalist causes.
- 5.Social order in families, sexual prohibition laws and all moral codes.
- 6.All religious disciplines based on faith in a living God, as opposed to faith in nature, man, and reason.

Weishaupt himself did not enter a lodge until 1777, when he received induction into the Lodge Theodore de Bon Conseil in Munich. However,

once inside Masonry, Weishaupt immediately went to work another Rothschild agents to inject the Illuminate doctrine, hand in hand with Judaic occult systems to put the Gentiles under the control of the Elders of Zion. While rotting out the original Masonic spiritual doctrines and philosophy of universal-spiritual law. Weishaupt and his agents organized the Congress of Wilhelmsbad at the Castle of William IX of Hesse-Kassel, to occur on July 16, 1782. That special even, which was momentous in both size and aspirations, was attended by elite representatives of Masonic lodges from all over.

It was also there that a decision was reached to allow the previously excluded Jews to be granted admittance into Freemasonry.

William IX was in bed with Rothschild from the start and one of his agent dupes:

“William looked for help in managing his estate. He hired Mayer Amschel Rothschild as "Hoffaktor" in 1769,[1] to supervise the operation of his properties and tax-gathering. The wealth of William's estate provided a good living for Rothschild and the men had a strong relationship; he founded the Rothschild family dynasty, which became important in financing and banking in Europe. Although they had been acquainted since 1775, William IX did not formally designate Rothschild as his overseer until 1801.”

The Jews had also been working to influence and corrupt Masonic doctrines and infiltrate Masonic Societies for decades by other organizations such as the Martinists:

Y Martines de Pasqually: In his book on the Order of the Elus Coens of the eighteenth century, R. le Forestier tells us that this Order was founded; continuing as martinists today, about 1760, by Martines de Pasqually, said to be a Portuguese Jew. It was one of the most interesting occult groups of the time, "which constituted under cover of Freemasonry one of the last links of the long chain of mysterious and jealously closed associations

whose members claimed by magical process to communicate with the divine in order to participate in a blessed immortality." Illuminism!

The name Coen given by Pasqually to his members is an adaptation of the Hebrew term Cohanim, which designated the highest sacerdotal caste, constituted at Jerusalem, under Solomon, to assure divine service in the Temple."

Its no mistake the Jewish Kabbalah doctrines of Eliphaz Levi where some of the most disseminated in the 19h century and up. In mainstream society. As Levi was a Martinist. The Jewish power elites work relentlessly to replace authentic spiritual knowledge with Hebraic systems of corruption. That put Gentiles unconscious and consciously under their influence. And are designed to not lead to any spiritual power.

The Jewish agents infiltrated the French Masonic societies and helped to start and fund the French Revolution. Of which they manipulated the Masonic societies into supporting. The original revolution which created a constitution Monarchy. Was taken over by armed force and usurped by the Jacobin's who where Jewish Frankists [Illuminati's political front] and the outer political force of the Jewish Elders of Zion's agenda. They then instituted the Terror and slaughtered the aristocrats, the middle classes and peasants whole regions and classes where exterminated. The Jewish directors now in control of the revolution installed by terror all the ideological points of the Illuminati manifesto. With the Jewish Bankers funding and directing this via their networks. The French Revolution was the first Communist Revolution in history.

Louis Dasté, writing on the subject of Free masonry in the French Revolution states: "This mysterious illumination of the low grades of Masonry, this hierarchy of which Philalèthes Junior has so jealously guarded the secret, those 'Unknown Superiors' venerated by the Judaising Martinists and Philalèthes, who claim domination over ordinary lodges; is not all that the unbreakable chain which links the Jewish Cabala to

Freemasonry, and have we not henceforth the right to suspect the Occult Power hidden behind the Masonic Lodges to be the brain of Judaism which would conquer and dominate the entire world?"

In time it fell apart with a military coup that put Napoleon into power who ended the terror and restored order. And brought about a more authentic Masonic order. In his statements and actions he refuted the Jewish, Jacobin ideology of Communism.

In 1827 Sir Walter Scott publishes his nine volume set, *The life of Napoleon* and in volume two he states that the French Revolution was planned by the Illuminati (Adam Weishaupt) and was financed by the money changers of Europe (The Rothschilds).

Napoleon was a Mason most popularly noted by his famous hand in the jacket image. Which was a common gesture in many paintings and later photographs of hundreds of men in the Western World. As it's a sign of degree of the Masonic societies.

But the Masonic Societies had sub come to the Jewish infiltration in 1811 in Frankfurt [Frankfurt was the original base of Rothschild operations]. The new Frankfurt Lodge was established as now head of European Free Masonry of which the founders and leaders to this day are the Jewish Rothschild's and was co-founded by the Jew Zvi Hirsch.

The first Communist International: Was held in Frankfurt in 1847 and was chaired by Lionel de Rothschild along with the Jew Karl Marx. At the meeting, a branch of the Elders Of Zion's, Illuminati, the Jacobin Club parading as "The League of the Just," which would become the Communist League. Of which Marx was a leading member. Marx was commissioned by Rothschild to write the Communist Manifesto. The Manifesto was published the following year, 1848. The largest support and circulation of the Communist Manifesto was conducted by the network of worldwide Free masonry .

The motto of the League of the Just (Bund der Gerechten) was "All Men are Brothers" and its goals were "the establishment of the Kingdom of God on Earth, based on the ideals of love of one's neighbor, equality and justice". This is the core doctrine of the Jewish programs. But what does this really mean. The Jews tell us themselves and its as we see in their actual behaviour when in power which is based on what is wrote in their Talmudic and Torah:

“The nations will gather to pay homage to the people of God: all the fortunes of the nations will pass to the Jewish people, they will march captive behind the Jewish people in chains and will prostrate themselves before them, their kings will bring up their sons, and their princesses will nurse their children. The Jews will command the nations, they will summon peoples whom they do not even know them will hasten to them. The riches of the sea and the wealth of nations will come to the Jews of their own right. "Any people of the Kingdom who will not serve Israel will be destroyed" -Isidore Loeb [Le Litterature des Pauvres dans la Bible].

The “Kingdom of God on Earth.” Is the rule of the Elders of Zion. As they state when their Messiah comes each Jew will get 2800 Goyium slaves.

“During the decade of the 1840s the word "communist" came into general use to describe those who hailed the left wing of the Jacobin Club of the French Revolution as their ideological forefathers.[My note this is the Illuminati doctrine openly]. This political tendency saw itself as egalitarian heritor's of the 1795 Conspiracy of Equals headed by Gracchus Babeuf. The sans-culottes of Paris which had decades earlier been the base of support for Babeuf —artisans, journeymen, and the urban unemployed — was seen as a potential foundation for a new social system based upon the modern machine production of the day."

By this point Free Masonry had been replaced with the Jewish Kabbalah as the spiritual aspect and Communism as the philosophical branch both used for the one end;

“During the ceremonies of the ritual for the Royal Arch degree, the candidate is asked, "Brother Inspector, what are you?" and he replies, "I AM THAT I AM." Can you imagine that? When Moses asked God to name Himself, God said, "I AM THAT I AM" and He said, "Thus shalt thou say unto the children of Israel, I AM hath sent me unto you." (Exodus 3:14)

I AM THAT I AM is the name Yahweh gives for itself in the Torah and Judeo Christian Bible. The lost word and Masonic God: Jubulum. Is trinity title of Yahweh.

"Few Candidates may be aware that Hiram, whom they have represented and personified, is ideally and precisely the same as Christ. Yet such is undoubtedly the case. This old philosophy shows what Christ as a glyph means, and how the Christ state results from real initiation, or from the evolution of the human into the divine" (Mystic Masonry, p. 248).

Albert Pike tells us who the God of Mason's are now:

"The Apocalypse is, to those who receive the nineteenth Degree, the Apotheosis of that Sublime Faith which aspires to God alone, and despises all the pomps and works of Lucifer. LUCIFER, the Light-bearer! Strange and mysterious name to give to the Spirit of Darkness! Lucifer, the Son of the Morning! Is it he who bears the Light, and with its splendors intolerable blinds feeble, for traditions are full of sensual or selfish Souls ? Doubt it not! Divine Revelations and Inspirations: and Inspiration is not of one Age nor of one Creed. Plato and Philo, also, were inspired. The Apocalypse, indeed, is a book as obscure as the Sohar. It is written hieroglyphically with numbers and images; and the Apostle often appeals to the intelligence of the Initiated. "Let him who hath knowledge, understand! let him who understands, calculate !" he often says, after an allegory or the mention of a number. Saint John, the favorite Apostle, and the Depositary of all the Secrets of the Saviour, therefore did not write to be understood by the multitude."

-Morals and Dogma.

The bold Pike is referring to Christ as Saviour who taught in parables for the multitude.

2 Peter 1:19:

"We have also a more sure word of prophecy; whereunto ye do well that ye take heed, as unto a light that shineth in a dark place, until the day dawn, and the day star [Jesus] arise in your hearts."

Revelation 22:16:

"I Jesus have sent mine angel to testify unto you these things in the churches. I am the root and the offspring of David, and the bright and morning star."

Lucifer is Latin of Morning Star or Venus. Which Christ announces himself as in the Bible. The Morning Star or Day Star is another noted title of Jesus within the Bible. This title was stolen like many things from the Pagan mysteries.

When Mason's state they are Lucifer they are stating they are Christ like. Theosophy which as Blavatsky stated is an esoteric branch of Christianity originates from within the Masonic Societies of the 19th century. Many of Blavatsky associates and supporters were high ranking Mason's. Free Masonry is esoteric Christianity now. Pike is directly referencing the book of revelations of the Bible for his statement. His saviour as openly stated is Jesus.

Behold, I lay in Zion a chief cornerstone, elect, precious, and he who believes on Him will by no means be put to shame" (1 Peter 2:6, NKJV). This is Chief Cornerstone is what Messiah translates to its talking about Jesus.

The Alpha and Omega represents the Chief Cornerstone:

Revelation 22:12 "And behold, I am [Jesus] coming quickly, and My reward is with Me, to give to every one according to his work. I am the Alpha and the Omega, the Beginning and the End, the First and the Last."

The Chief Cornerstone of Capstone symbolizes the completion of the Temple of Solomon. Of which Christianity is a program to manifest. The Jewish Temple Of Solomon is their Jewish World Order. Pike and others tell us exactly what the point of Free Masonry now exists.

The Templar's:

The Templars of whom practiced the original Tradition and from original Free Masonry came which banned the Jews from joining. The God of their Temple Of Solomon. Was not Christ but John. Hence they were called Johannites. This has been corrupted by the enemy through.

As I wrote in an article John of the Templars is Jana [Oana] another title for Satan in Sanskrit " Wisdom." Which as Higgin's showed is also Oanes The Greeks spelled John as Ioannes. Higgin's showed that the title Oannes is the source of term gnosis. As is well known by scholars, Oannes is the Sumerian EA [Satan]. Oana origin is in the Sanskrit Jana Padita [Lord of Wisdom] which is the title of our God as Siva in the image of Skanda [who's totem is the Peacock and Serpent] the second Siva. Which relates to the reborn Siva, the reborn soul generated by the Magnum Opus. Jana also relates directly to the purifying effects of the kundalini serpent. Literally to burn away, to purify. With Jana we have Ana for Anahta the golden serpent of entity. And An also denotes the serpent on its own.

This is why Da Vinci. Who was the Grand Master of the Priory Of Sion a Templar Branch painted John the Baptist as Dionysus. Dionysus as many scholars know is Siva in the East. And why the leaders of the Templar Order all took John as their name.

Oannes is also shown holding a cauldron and a pinecone. The cauldron is the earliest symbol of the grail from the Pagan world. The pinecone the pineal gland the seat of the soul in which the reborn conscious manifests with the ascent of the power. "The head at the center of the earth."

Oannes baptism is that of the water of the kundalini energy in which one emerges from reborn. In ancient Drudic legends the warrior is flung into the cauldron and emerges reborn.etc

Baphomet itself goes back to the ancient east as well. In the symbolic form of Satan as the two headed Agni. Who's vehicle is the goat and ram and who's number is 9. The Templar Baphomet was traditionally a two human, headed image identical to Janus [not the goat of that is popular thought of today]. Baphomet means baptized in Wisdom because wisdom is another name for Sophia or Shakti. And Baphomet in the Templar cipher translates out to: "Sophia" The Templar image that is shown for the Magnum Opus. Is Sophia holding the sacred books with a latter in front of her. In the Traditional world the serpent was depicted in the hieroglyph of a women. The word Sophia means serpent light in English in its proper translation.

The Greeks [Hellenic after Helos/Hari our God] Mysteries schools stated the initiate was thrown into a caldron and boiled till the Titanic element is purified out and only the Olympian is left. The initiate then emerges reborn from the caldron a perfected being the title for such being: Shining Serpent.

Gnosis being obtained with the rise of this power is the symbolic fact one has obtained the state of Oana. As Oannes [Satan] is also symbolic of the serpent power and its risen state of consciousness.

360 the degrees of a perfect circle equal to 9. The ancient symbol of immortality was the golden serpent clutching its tail in a perfect circle. And was called Anahat, eternity. This is why the temple of the sun the Templars represented was described as being in a circle divided into 13 parts the

Magnum Opus. The Zodiac wheel of which the 13 constellations represent the macrocosm of the soul and the sun's journey through them represent the 13 steps of the perfection of the individual soul.

SOL-OM-ON are three words for the sun and trinity of the soul and the vowels and constants represent the male and female aspects united. Our word for soul comes from Sol. As this relates to the spiritual sun. The true Temple of SOLOMON is the human being.

This is why the Great Seal of the United States drafted by the Founders shows a Pyramid with 13 levels and 72 blocks. The 13 steps of enlightenment and  $72=9$ . The number of completion of the Temple of the Soul and the number of Agni [Satan]. It also shows 13 stars within the six pointed star. The six pointed star was stolen by the Jews later on. But is still used as the symbol of the reborn Siva today. It's the unification of male and female parts of the soul that form the reborn soul. And relates to the real lost Masonic lost name of God. Which is AUM. The 13 stars represent the 13 major chakra's perfected 6 along the sides of the body which are the real meaning of the pillars of the arch still shown in the East with the reborn God standing between them and under the arch. The six pointed star is seven as it represents the 6 planets on its points with the sun in the center. As such it represents not the heart but the solar chakra where the eight rayed sun star emits from. The cap stone above the Pyramid on the seal is in the shape of the triangle that is the symbol of the quintessence of which a major number of is 33. With the all seeing eye within it. That represents Jana in the East. AUM is the quintessence the lost name Masonic name of God. God is quintessence= AUM, which the soul is purified and refined into. The alchemical first matter which represents the finishing of the work.

Yoga equals 13 in Sanskrit numerology which is the proper number of steps in the Magnum Opus. The perfection of the 13 major energy centers of which the 8 fold wheel or star is a map of.

God equals 26 in the Masonic system and this adds to 8. This 8 symbol is the sign of the unified soul its the same as the six pointed star. 8 is the number of mercury which perfects the soul and is symbolized as the serpent staff. As this energy is the force or cosmic ether or mercury [quintessence].

"Verse 129 implies that the ultimate [ here Siva] is of the nature of Cosmic Space[Akasa or Void] and the essence of Jiva lies in the self-same Space in microcosmic condition."-Tirumantiram

That is why the individual is also called God in the hermetic texts. He is made the microcosm of the energy of creation. That is quintessence or Akasa and how this energy transmutes one form into another by removing or burning away obstacles, the dross. Doing this increases the flow of this creative nature which causes the transformation as the Yoga Sutra's relate. This grants the Magnum Opus.

AU represents Siva and Shakti the M is the third power or prana. Which unlocks the soul to the Godhead. As we will see the message of AUM being one letter explains why three become one. This is the trinity the God A, the Goddess U and the divine Child M. The Divine child M [prana] is generated via the AU energy. This is the six pointed star in the circle which represents Vayu or mercury [prana] in the East. The Magum Opus by the union of opposites of the soul. The Jews stole this as the symbol of their seal of their corrupted Temple of Solomon. The AU energy is the meaning of the check board symbol of the Templar banner.

The Masonic 33 degree's is the 33 esoteric spinal vertebrae the kundalini energy travels up. 33 is the number of quintessence the energy of the Magnum Opus and the Key Stone in the Arch and the Meru Column of Siva which represents the spinal column.

topic724.html

Another Templar item found was a silver head of Virgo [Sophia] the perfected or reborn conscious. With a code with this symbol: M and a phase which means perfected life. This M symbol is the symbol of the reborn soul and is seen within Egypt and elsewhere. The Templars craved grave effigies of themselves into the rock hillside in European sites. Facing east the rising sun. Because the sun is traditionally depicted rising between the center of the twin peaks of the M symbol.

The Jewish Temple Of Solomon faces West. Where the Templar one faces East for the above reason.

More on the Templars:

[topic76.html](#)

Back to the corrupted Mason's who exist to build the Jewish Temple Of Solomon. The Jew World Order:

"In the 19th level of Scottish Rite Freemasonry, the Initiate receives the degree of GRAND PONTIFF. It is during this ritual that the candidate swears an oath of secrecy and an oath of total obedience "to any Chapter of this degree to which I may belong; and the edicts, laws and mandates of the Grand Consistory of Sublime Princes and Commanders of the Royal Secret, as well as those of the Supreme council of the 33rd degree..."

It is then that the "Thrice Puissant" anoints him with oil on the crown of his head and says "Be Thou a Priest Forever, after the order of Melchizedek."

-Melchizedek or Malki Tzedek (/mɛl.ˈkɪz.ə.dɪk/[1]); (Hebrew: מֶלְכִי־צְדֵק malkī-ṣedeq) (translated as "my king (is) righteous(ness)") was a king and priest mentioned during the Abram narrative in the 14th chapter of the Book of Genesis.

He is introduced as the king of Salem, and priest of El Elyon ("God most high"). He brings out bread and wine and blesses Abram and El Elyon.[2] Chazalic literature--specifically Targum Jonathan, Targum Yerushalmi, and

the Babylonian Talmud--presents the name (קדצ-יכלמ) as a nickname title for Shem, the son of Noah.

In Christianity, according to the Letter to the Hebrews, Jesus Christ is identified as a priest forever in the order of Melchizedek, and so Jesus assumes the role of High Priest once and for all.-

“After receiving the password (Emanuel) and the sacred word (Alleluia), he is dressed in a robe of white linen and given a cordon (a ribbon or sash of honor worn across the breast) of crimson color, with 12 stars representing "the 12 gates of the "new city, " and the twelve signs of the Zodiac, the twelve fruits of the tree of life, the twelve tribes of Israel and the twelve Apostles." (Scottish Rite Masonry Illustrated, The Complete Ritual, Vol. 2, pages 26-27, E. Cook Publications, 1974)

-Emanuel deriving from (Hebrew: לאונמע, God is with us), a prophetic name used in Isaiah 7:14. The middle letter "m" is doubled in Hebrew causing that single "m" and double "mm" variants co-exist in many languages.-

-The word "Alleluia" or "Hallelujah" (from Hebrew היללה), which literally means "Praise ye Yah" or "Praise Jah, you people",<sup>[1][2]</sup> is used in different ways in Christian liturgies. "Praise Jah" is a short form of "Praise Yahweh",<sup>[3][4][5]</sup> or of "praise ye Jehovah".-

-In the spelling "Alleluia", the term is used also to refer to a liturgical chant in which that word is combined with verses of Scripture, usually from the Psalms. This chant is commonly used before the proclamation of the Gospel.

The name is common to both Jewish and Christian naming traditions, interpreted in Judaism without messianic significance, but by Christians in the light of Gospel of Matthew 1:23 as relating to Jesus.-

“In the seventeenth degree, or Knights of the East and West, after the candidates have completed the initiation and after revealing the password

(Jubulum) and the Sacred Word (Abaddon), "the Senior Warden conducts the Candidate to the elevated vacant canopy at the right of the All Puissant."

Scottish Rite Masonry Illustrated, The Complete Ritual, Vol. 1, Pages 453, 457, E. Cook Publishing, 1974)

Jubulum is a title of Yahweh and Abaddon is another Hebrew title used in the Bible.

"It is in this final "Blue Lodge" degree that that candidate is laid out "in death" and is raised from the dead by the "Worshipful Master" of the Lodge (representing King Solomon), using the "strong grip" (or "Lion's Paw") of the Master Mason.

One the "five points of fellowship," he and his "savior" pass the sacred word, Mah-Hah-Bone.[Hebrew term]

(Duncan's Rituals, Revised and Complete, pages 35, 96, 120, 121, E. Cook Publications, 1974)

Mah-hah-bone is a Hebrew word and used to substitute for the Masonic Yahweh's name of God Jubulum in the lower degree's.

The list goes on and on. Its not a mistake the majority of occult texts authored by Mason's or those involved with them are all based on the Jewish Kabbalah one way or another and Judeo Christian themes. Even the pass words to get into many lodges are in Hebrew. And the Judeo Christian bible is sitting on the altars of the all the Lodges. This puts the members under the open and subliminal control of the Elders of Zion.

Free Masonry purpose is to act as a branch of Judeo Christianity and build the Jewish Temple of Solomon. The Jewish World Order.

The New Zion:Jew World Order:

topic483.html

“Masonry is based upon Judaism. Eliminate the teachings of Judaism from the Masonic Ritual and what is left? - The Jewish Tribune [New York, Oct 28, 1927]

"In the present nations, Freemasonry is only of benefit to the Jews" - Theodore Herzl

"We have founded many secret associations, which all work for our purpose, under our orders and our direction. One of the many triumphs of our Freemasonry is that those Gentiles who become members of our Lodges, should never suspect that we are using them to build their own jails, upon whose terraces we shall erect the throne of our universal King of the Jews; and should never know that we are commanding them to forge the chains of their own servility to our future King of the World" -Opening speech made at the B'nai B'rith convention in Paris [published in the Catholic Gazette, Feb 1936]

"It was during that period that I became interested in freemasonry. ... In the eighteenth century freemasonry became expressive of a militant policy of enlightenment, as in the case of the Illuminati, who were the forerunners of the revolution."

Leon Trotsky [Jew and high ranking leader of the Communist revolution]  
My Life: The Rise and Fall of a Dictator

One of Trotsky's close friends and fellow Communist Christian Rakovsky:

Christian Rakovsky. Born Chaim Rakeover [Jewish name] in 1873. Was a high ranking Communist:

“A lifelong collaborator of Leon Trotsky, he was a prominent activist of the Second International, involved in politics with the Bulgarian Social Democratic Union, Romanian Social Democratic Party, and the Russian Social Democratic Labour Party. Rakovsky was expelled at different times from various countries as a result of his activities, and, during World War I, became a founding member of the Revolutionary Balkan Social Democratic

Labor Federation while helping to organize the Zimmerwald Conference. Imprisoned by Romanian authorities, he made his way to Russia, where he joined the Bolshevik Party after the October Revolution, and, as head of the Rumcherod, unsuccessfully attempted to generate a communist revolution in the Kingdom of Romania. Subsequently, he was a founding member of the Comintern, served as head of government in the Ukrainian SSR, and took part in negotiations at the Genoa Conference.”

Openly stated the relationship between Jews, Communism and how Free Mason’s are nothing but a movement to advance World Jewish Government under the final step of Communism. His record of this event was kept in the writings called. Red Symphony, by Dr. J. Landowsky; translated by George Knupffer.

His statements are such:

“The real aim is to create all the required prerequisites for the triumph of the Communist revolution; this is the obvious aim of Freemasonry; it is clear that all this is done under various pretexts; but they always conceal themselves behind their well known treble slogan [Liberty, Equality, Fraternity]. You understand?” –

The real secret of Masonry is the suicide of Freemasonry as an organization, and the physical suicide of every important Mason."

"Masons should recall the lesson of the French Revolution. Although "they played a colossal revolutionary role; it consumed the majority of Masons..." Since the revolution requires the extermination of the bourgeoisie as a class, [so all wealth will be held by the Illuminati in the guise of the State] it follows that Freemasons must be liquidated. When this secret is revealed, Rakovsky imagines "the expression of stupidity on the face of some Freemason when he realizes that he must die at the hands of the revolutionaries. How he screams and wants that one should value his services to the revolution! It is a sight at which one can die...but

of laughter!" Rakovsky refers to Freemasonry as a hoax: "a madhouse but at liberty."

## How Jews Control Both "Opposing" Sides, and work both toward fulfilling their agenda

The following article is an excerpt from "The White Man's Bible" by Ben Klassen. Although the U.S.S.R. no longer exists as a communist state, this article, which was written before the fall of Russian communism, is very revealing:

### **RUSSIA, ISRAEL, AND THE UNITED STATES**

#### **USA not fighting communism.**

One of the most flagrant and persistent deceptions that has been foisted on the American people since the Russian revolution of 1917 is that the American government is desperately but valiantly fighting a losing war "against communism." After more than six decades, most American people still believe this hoax, and remain perpetually confused as to why the United States, rich, powerful, morally superior to communism, is continually losing.

#### **American Jews Power Center of Communism.**

The brutal truth is that the American power establishment— governmental, financial and propaganda-wise (all dominated by Jews) has not been fighting communism. The fact is communism is Jewish from its very inception. Communism is only one of the many powerful tools being utilized in the Jewish program of taking over the world. Not only has the United States not been fighting communism as most Americans are duped to believe, but on the contrary, the United States has been the chief financier, planner and promoter of communism, not only in Russia, but throughout the world. Without the financial support and technical aid of the United States, the Jewish-communist outrage against the Russian people would have fallen flat on its face at its very inception, and many times over since then. In fact, it would never have been inaugurated in the first place.

#### **Trained and Financed in New York.**

It is a fact of history that the final push for the communist take-over of Russia was lavishly financed and carefully planned by wealthy Jewish capitalists right here in good old U.S.A. There, on the East Side of New York, Trotsky and 3,000 Jewish cut-throats were carefully trained to deliver the final coupe-de-grace. The

venture was financed to the tune of 20 million dollars by no less than (Jew) Jacob Schiff himself of the New York firm of Kuhn, Loeb & Co., an American branch of the Rothschild network. When the time came, Trotsky and his trained Jewish revolutionaries were shipped by boat (in the middle of World War I) and arrived unhampered in Russia to do their job. Once there they knew exactly what to do, and when it was all over 30 million White Russians had been murdered and the Jews were fully in the saddle.

### **Communism is a Jewish Swindle.**

We must remember again and again that communism is nothing more than a horrible, vicious Jewish program to take over the world, camouflaged with deceptive “humanitarian” propaganda, as are most other Jewish programs. Paid by American Taxpayers. The Jewish- Communist-Marxist -Zionist blueprint is all part and parcel of the same program. It is well financed not only with Jewish money, but more significantly with taxpayers’ money, of which the American taxpayer pays the overwhelming brunt. There is no greater source of goods, wealth and productivity than the working American taxpayer, and the Jewish potential for looting this tremendous source of productivity seems without limit.

### **Behind it the whole Jewish Network.**

The Jewish-Communist-Marxist-Zionist movement is tremendously powerful. Behind it are all the Jewish power networks of the world. This includes their vast world -wide propaganda network— television, newspaper, newswire, magazine, book printing, education and all the other accouterments that not only influence, but decide “public opinion.” Behind this Jewish movement also is the powerful “capitalistic” Federal Reserve System with its unlimited monopoly to print paper money at no cost to themselves. In short, behind it is “the hidden hand” of world-wide Jewry.

### **American Policy Hostile to Tzars.**

It is this power establishment that engineered the overthrow of the Romanov dynasty, a Viking dynasty that had ruled Russia for over three centuries, and replaced it by an ironfisted Jewish tyranny. In respect to American policy toward Russia it is interesting that prior to the 1917 revolution, United States policy was hostile towards Russia (as were the Jews). It enthusiastically favored Japan in the Russo-Japanese War of 1904- 05, which the Japanese won. Once the Jews had clamped their vicious ironclad rule on Russia and its vast resources in 1917,

United States foreign policy did a dramatic (but covert) flip-flop and became anti-Japanese and pro-Russian.

### **Benevolent after Commie Take-over.**

Despite all the propaganda, camouflage and window dressing to the contrary, it has been strongly pro-Russian (really pro -Jewish) ever since. It was America who shored up the precarious communist government in the decade of 1920's with food and other aid. It was American technical aid that built her dams and power plants, drilled her oil fields and built her refineries in the 1920's and 1930's. When despite all this aid the Russian behemoth was about to collapse of its own weight and rottenness in the early 1930's, it was Roosevelt's official recognition and extension of financial credits that again saved it from oblivion. When Hitler's heroic armies stood at the gates of Leningrad, Moscow and Stalingrad, again it was American military aid and direct intervention that saved communist Russia from being wiped off the map. Before the War was even over, the United States already began shipping vast quantities of aid, civilian goods—tractors, machinery, food, to the tune of 13 billion dollars. This, again, was all done at the expense of the American taxpayers, who pay for most of the cost of the Jewish world-wide take over.

### **Saved by America Again and Again.**

Since the end of World War II it was the United States who encouraged and promoted the Russian-Communist take over in Eastern Europe. In fact, when Russia nervously hesitated in rolling her tanks into Hungary in that unhappy country's revolt in 1956, it was President Eisenhower who specifically sent Premier Khrushchev an encouraging telegram assuring him that the United States would not lift a finger to aid the Hungarians.

### **False, Deceptive Front.**

This has been the modus operandi of the United States-Russian relations ever since 1917. Officially the United States puts up a front of being "anti-communist." Behind the scenes it has aided, abetted, planned, financed and promoted communist take-overs throughout the world, whether it was in countries adjoining Russia in eastern Europe or whether it was in countries halfway around the world that were temporarily beyond the reach of Russian troops.

### **America aided Cuban Take-over.**

A good example of the latter is the “Communist” takeover of Cuba. Without propagandist aid of the American (read Jewish) press, Fidel Castro would have died an unknown bum, unheard of, and unsung. It was the American press, especially the Jewish New York Times that puffed up Castro as a native hero, as a liberator, as the Abraham Lincoln of Cuba, the George Washington of the Sierra Maestra, as a non-communist agrarian reformer, and temporarily sold him to the American people as such. At the same time our government put secret pressure on the then pro-American head of the Cuban government, Fulgencio Batista, to leave Cuba. Having been betrayed by the American government and the skids effectively put under him, Batista fled the country and Castro walked in with the full support of the American government and the American (Jewish) press. It was an interesting study in hypocrisy to see how we slowly “discovered” that Castro was a communist, a fact well known to the American government and the Jewish conspiracy, and the basic reason for the revolution in the first place.

### **Repeated Betrayal of American Interests.**

It is not my purpose here in this limited dissertation to review the history of Jewish betrayal of American interests and communist takeovers throughout the world. This would literally take a whole encyclopedia to cover. I only want to point out a few historical events that even the most naive American reader of the daily news is familiar with. In this regard I want to point the finger at only a few obvious glaring examples anyone can understand.

### **Betrayal of China.**

One of the most blatant swindles and of greatest world-wide significance was manipulated by the United States shortly after World War II, and that was the betrayal of Generalissimo Chiang Kai-shek and the vast multitudes of China. Chiang Kai-shek had fought the Chinese communists in the early 1920's and finally beat them at their game. He assumed control of the Chinese government in 1926 and was undoubtedly the staunchest anticommunist leader in Asia. He was strongly pro-American and fought the Japanese on the side of America in World War II. As soon as this (Jewish) war was over he was treacherously betrayed by the United States.

### **Marshall a Communist Stooge.**

General George C. Marshall, who had been accorded every honor that could be bestowed on a military man short of becoming president, was sent to China to do the hatchet job in November of 1945. Although he was by now 65 years old, in poor health and ready to retire, he stayed in that miserable country for 14 months, selling out Kai-shek to the communists. That he would make such a personal sacrifice at his age is an indication of the tight communist discipline he was under and had been for most of his adult life.

### **Not possible without American perfidy.**

When Marshall left China, he had negotiated a “coalition government” between the Kai-shek Nationalists and the Mao Tse-tung communists, and disarmed the Nationalist army, which he later bragged he had done “with the stroke of a pen.” Needless to say, with the Chinese Nationalists disarmed and betrayed by the United States, Mao Tse-tung and his communist gang of cut-throats soon drove Chiang Kai-shek and the Nationalists from the Chinese mainland. By 1949 Mao was the undisputed communist master of China, the most populous country in the world. China, with its teeming 800 million people had been turned over to Jewish-communist control through American treachery. And so another country succumbed to betrayal, made in the United States of America.

### **Huge Bloodbaths Followed.**

Shortly after the communists took over in China, huge bloodbaths followed. It is conservatively estimated that at least 60 million Chinese were murdered in the Mao Tse-tung purge that followed in order to consolidate his brutal regime.

Died a Traitor. General George C. Marshall, having faithfully done his treacherous duty to his communist masters, died shortly thereafter. A few more recent examples should suffice to establish the pattern. Let's look at what has been going on in the Western hemisphere.

### **Betrayal of Chile.**

By 1970, in Chile an outright communist government had been established, headed by Salvador Allende. This had been achieved with the help of huge sums of American “aid,” and especially the connivance of the American C.I.A. Then in 1974 the unexpected happened. The people of Chile, led by army officers, revolted, killed Allende and took back their government. Was the United States government happy at this triumph over communism? On the contrary, it

stopped all aid, cut off credits and has carried on a vicious trade boycott and propaganda campaign against Chile ever since.

### **Panama Canal given to Communists.**

In 1979 the traitorous United States Senate and executive branch turned over the American built and owned Panama Canal to a tinhorn communist government of dope peddlers and thieves headed by General Torrejos. Not only did they hand it to these criminals free on a silver platter, but they paid them billions to take this, the most strategic waterway in the world. This despite the fact that the mail of some senators was running 200 to 1 against this blatant and treacherous sellout.

### **Treacherous sell-out in Nicaragua.**

While this treacherous sell-out was being promoted to the American people, the C.I.A. was already busy using Panama as a base to run arms and revolutionaries into nearby Nicaragua and instigate revolution. Here again our perfidious American government ran true to form. Whereas the Somoza family, which had ruled Nicaragua for more than 40 years was strongly pro-American and anti-communist, the same year as we gave away the Panama Canal, Anastasia Somoza was blatantly betrayed and sold down the river. With C.I.A. organization, money and arms, the country was thrown into utter chaos and turmoil, and finally with the United States telling Somoza to get out, he, too, fled the country. The communist "Sandinistas" took over and another anti-communist country was betrayed and turned over to the communist behemoth with the help of democratic, "anti-communist" United States of America.

\* \* \* \* \*

### **C.I.A. plays Vital Role.**

At this point it would be useful to point out the tremendous importance of the Central Intelligence Agency in most of the Communist takeovers. During World War II the Office of Strategic Services was organized as a super intelligence agency coordinating and superseding the different United States military intelligence agencies. It was heavily staffed with Jews, and was in reality a supra world-wide Jewish secret police. Like its Russian counterpart, the Cheka, the O.G.P.U., the N.K.V.D., the K.G.B. and various other name changes in between, so, too, the name of the O.S.S. was changed to the C.I.A. But essentially its

character and purpose remained unchanged— it remained (and is today) a world-wide secret police and spy network in the employ of world-wide Jewry, with the American taxpayer again footing the bill. Not only is the C.I.A. a spy network, but it also acts as a powerful army of intrigue and deception, a strong-arm that not only spies, but uses force to make things happen.

### **Awesome Power, Unlimited Funds.**

The bill to the American taxpayer is enormous. With almost unlimited funds at its disposal and a huge army of manpower in its employ, the power and influence of the C.I.A. in the world at large is awesome and frightening indeed. Neither Congress nor the president really knows how many billions are spent each year by this powerful secret police agency. Nor are they aware of what capers or machinations they are engaged in. All this is cloaked under the guise of “secrecy,” “national security,” “protecting our agents.” The C.I.A. is completely beyond the control of either the courts, congress or the executive branch. In fact, the visible members of the government are themselves frightened of, and very much at the mercy of the C.I.A.

### **A Criminal Army.**

Nor are there any limits to the tactics in which the C.I.A. may engage. Assassination, planting false propaganda, lying, stealing, murder, betrayal, planning revolutions, and “dirty tricks” of any nature are all in their routine arsenal of promoting the Jewish program. Nor is that all. Setting up dummy corporations, false political movements, printing a temporary newspaper, rigging elections, supporting political candidates and movements, destroying others, all of this is also part of their bag of tricks.

### **Operate on American soil also.**

Nor are their operations limited to foreign soil. Any American citizen who is loyal to his country, or is for the White Race, or wants to expose the Jewish conspiracy, or is anticommunist, is fair game for the powerful and treacherous C.I.A. right here in our home territory. This they do in perfect collaboration with the F.B.I. Hand in glove with each other they will infiltrate domestic organizations, political parties and build up or destroy any group, faction or individual they see fit.

### **Tool of the Jews.**

What they see fit is always in the best interests of the Jews and towards the destruction of the White Race. Before we leave the subject of intelligence there are a few other arms of Jewish spying that I must bring to light at this point.

### **Mind police.**

Since the Jews for the last several thousand years have been carrying on the most vicious conspiracy in history, namely the destruction and take-over of all other peoples—they have been fanatic to the point of being paranoid about spying and gathering information on their enemies. And this is understandable. Since the hideous crime they are perpetrating is all based on secrecy and deceit, holding the lid on their conspiracy is a highly precarious business. So they frantically enter into all kinds of devices, spy organizations and means of gathering intelligence that would stagger the limits of the Gentile mind. The Jews not only want to know what their enemies (everybody is their enemy) are doing, they also want to know what they might be planning. In fact, as far as is possible they want to know what everybody is thinking before such thinking might be translated into action.

### **Network of spy games.**

So they have all kinds of spy and intelligence networks operating throughout the world. Besides the C.I.A., the F.B.I., the Russian K.G.B. and others already mentioned there are two more that I want to point out, one in America, the other in Israel. The A.D.L. The A.D.L., short for Anti-Defamation League, is in America. Ostensibly, it pretends to safeguard Jewish interests and prevent the spread of “anti-Semitism.” Why the Jews should find this necessary when the English, the Germans, the Italians or other ethnic groups find such safeguards unnecessary, they have never explained. But in reality the A.D.L. is much, much more than that. Presumably an offshoot of the Jewish B’nai B’rith, it is really the main powerhouse of this Jewish outfit. In reality it is a powerful, well financed spy operation inside our own borders that not only gathers information on politicians, civic organizations, diverse individuals, but on anything and everything that they so much as even suspect might blow the lid on the Jewish conspiracy. They have huge files and electronic computers that rival the F.B.I. and the C.I.A. itself, and any information the F.B.I. or C.I.A. might have that is considered useful to the A.D.L. is readily fed to the latter.

### **Censorship Operation**

The A.D.L.'s activities extend much further. They are extremely active in politics— promoting those useful to the Jews and destroying those that might be deemed uncooperative. They also monitor all books, magazines, newspapers, all news media, movements or whatever— anything that might effect the Jewish conspiracy— and this includes just about everything of any significance that happens in this country.

### **Plant Propaganda.**

They aggressively invent, if necessary, news stories and plant them into the mainstream of the news media— T.V., newspapers, etc. They not only publish a great number of articles for dissemination, but they also publish a large number of books that are either favorable to Israel and the Jews or viciously attack their enemies.

### **The Mossad, super Spy network.**

The other Jew spy organization that is of major worldwide importance is the one headquartered in Israel. It is known as the Mossad. It is the central Jewish intelligence gathering apparatus for the entire world. It is the super-supra spy network of all history. Anything the American C.I.A. knows that is useful to the Jews (just about everything) is funneled to the Mossad. Everything the Russian K.G.B. knows that is useful is funneled to the Mossad. Likewise with the intelligence gathering apparatus in Germany, France, Italy and throughout the world, it is all funneled to the Mossad. There is hardly anything of significance that happens anywhere in the world but what it is shortly catalogued in the massive computers of the Mossad in Israel.

### **Deadly criminals.**

But the Mossad goes much further than just spying and gathering intelligence from all over the world. Like the A.D.L., it is virulently aggressive and continually on the offensive. It has well trained assassination squads that run rampant in most of the countries of the world, especially the United States. It sets up paramilitary organizations like the Jewish Defense League, or Jewish gun clubs trained to skillfully kill Gentiles. The members of Mossad have the run of the United States with little or no opposition from “our own” law enforcement agencies while they tap telephones, bug embassies, foreign diplomats, even

the White House and any and every branch of the United States government. In short, not only the United States but the whole world is their undisputed territory, and the White Man, (their main victim) not only gives them no opposition, but pays the bill and hardly knows they exist.

### **Runs Rampant over World Governments.**

Undoubtedly the Mossad is the most dangerous, cruel and blood-thirsty gang of international criminals the world has ever known, running rampant and roughshod over all laws and governments throughout the world, with little or no opposition. Like the C.I.A., it is world-wide and parallels many of its operations with this difference: Whereas the C.I.A. is headquartered in the United States, the Mossad is headquartered in Israel; whereas the C.I.A. is manned by a mixture of Jews and Gentiles, the Mossad is all Jewish; whereas the C.I.A. freely shares its information with Mossad, the latter gives nothing to the C.I.A. It is strictly a one-way street, all leading to exclusive Jewish supremacy and tyranny over the “goy” of the world.

\* \* \* \* \*

Before we leave this foul conspiracy of Russia, Israel, Jews and the U.S. government, there are two other aspects of this nefarious combination that I must clarify.

### **Foreign Aid to Everybody.**

One is the issue of America dispensing foreign aid (taxpayers' money) to every sleazy panhandler in the world. At present I understand that we are handing out foreign aid to 116 countries in the world. This is one of the most insane pieces of piracy ever imposed upon any group of taxpayers in the history of the world. The American taxpayers have never had an opportunity to vote or express their opinion upon this blatant piece of thievery, but this continues year after year. For 35 years the American taxpayers have been bled white, and at this time there is no indication that it will ever stop or even lessen.

### **Supposedly to Bribe Countries out of Communism.**

The gimmick in this whole fraudulent swindle is this: It was inaugurated as the Marshall Plan to keep countries from “going communist.” Its noble objective

seemed to be to fight communism. In other words we tried to bribe them, to buy them off, to wheedle them out of communism with cash, thereby supposedly winning friends for our side. That supposedly, was the idea, we were told. Actually we are Subsidizing Communism. The realities were somewhat different. Actually we were propping up faltering communist countries, including the big one, Russia. Before World War II was even concluded we shipped over 13 billion dollars worth of domestic goodies, including tractors, refrigerators and what have you. If we were trying to fight communism, why subsidize them?

### **Hostile to Anti-Communist Countries.**

In practice we were subsidizing communism, not fighting it. We used our tremendous wealth as a club to push countries into communism. We used it as a wedge to get our C.I.A. into their midst and maneuver their politics in such a way that the Jews and the communists would sooner or later gain control. In countries such as China where they did throw the communists out on their own (no thanks to the U.S. government) we would bear down hard on them, boycott them (as also in Rhodesia) and use economic pressure to get them back into the Jewish fold.

### **U.S. Betrays Friends, Rewards Enemies.**

As a result of all this fantastic give-away amounting to hundreds of billions of dollars, most of the countries of the world have completely lost respect for America. They intensely distrust us and never have we been hated so much by so many. And for good reason. The United States (controlled by Jews) has repeatedly practiced treachery, to both its own people and its foreign friends. It has consistently betrayed and punished its friends (such as Rhodesia, Somoza, Batista, Chile, etc.) and generously rewarded its communist "enemies". No wonder the rest of the world distrusts and despises the United States.

### **Germany under Military Occupation.**

The other matter is the keeping of American occupational forces in Germany for the interminable period of 35 years after the defeat of a former enemy, something the United States has never done before in its history. This, too, is a gigantic swindle. We supposedly have the troops there to "protect" Germany from a Russian onslaught. The fact is Germany could have protected itself very well from communist Russia, and would have cleaned out that foul nest of vipers in the early 40's had we not interfered.

### **Real Reason:**

To Protect the Jews. The real reason our troops have been kept in Germany these 35 years and undoubtedly will remain another 35 years is to keep the German people subdued so they will not revive the Hitler movement and again turn on the Jews. In short, our troops are there for the sole purpose of protecting the Jews from the

Germans and preventing the Germans from setting up a government of their own choice. Yes, that is the real and only reason, not to protect Germany from Communist Russia.

\* \* \* \* \*

### **Artificial Bandit State.**

Now we come to that other nest of vipers, the bandit state of Israel itself. This artificial monstrosity owes its very existence to the combined money power of International Jewry, the C.I.A., the news media and the facade known as the “United States” government.

### **Total Parasite.**

We must remember that Jews are total parasites and do not really want to live in a country of their own. Parasites cannot live off of each other and must live on a productive host. For this reason Jews do not want to, and could not even if they did want to, live in a country of their own. For thousands of years they, more than anyone else, have had ample opportunity to get together and build a country of their own. They never have wanted to and they never will. They remain eternally what they always have been— parasites.

### **Reasons for Set-up.**

So why did they go to such great pains to steal Palestine from the Arabs and set up this artificial monstrosity called Israel? The reasons are manifold, all designed to aid and abet the Jewish program for the take-over of the world.

1. Probably the most important reason was to Bolster and Unify the sagging ideology of the Jewish rank and file. So successful and so affluent have the recent generations of Jews become that many of the younger Jews were fraternizing with and marrying Gentiles. We must remember that enmity, hatred and struggle have historically been the foundation that built the Jewish race and religion into the solid battering ram that has brought them the phenomenal success that they now flaunt. In too much success can also be the seed-bed of its own disintegration. With Zionism, the Israeli “Homeland” and the struggle to defend and expand Israel the Jewish people have created new enemies and thereby regained a tremendous boost of fervor and solidarity that has seemingly “confirmed” their religious myths and turned them into a tangible reality.

2. Israel was designed to become the center of World Government. It is their plan to move the United Nations to Jerusalem and rule the world from Zion. “The law shall go out from Zion.” It is their intent to rule the goyim from “Zion” where they can do so without any interference from alien surveillance or disturbances.

3. Having “Israel” and Jerusalem as their home base has given a religious and mystical quality to their movement of taking over the world. It convinces many of their own people as well as millions of goy yokels that “God” is on their side and that the Jews are “God’s chosen people.” This is what is called a self-fulfilling prophecy which the Jews have been shrewd enough to turn into real power and into billions of dollars and cents.

4. It provides a safe and unmolested haven for that murderous supra intelligence agency, the Mossad, which we have already described.

5. There are a number of other reasons that have been advanced such as (a) the tremendous wealth of precious minerals contained in the murky waters of the Dead Sea, (b) the Jews (with the help of United States power) will expand and take over the Arab lands and rich oil fields of the Persian Gulf, (c) it is a place of refuge if world conditions become too hostile for the Jews, (d) other minor reasons.

It is my opinion that the first four reasons stated are by far the most important and the fifth category is comparatively minor, especially No. 5 (c) that it could be a refuge in a crisis. The fact remains that the Jews will always be a deadly parasite on the backs of the productive nations of the world, or they will be nothing. Once they are driven from power in the White nations of the world their whole power structure will rapidly collapse. Israel will rapidly collapse with it. In fact, the Arabs themselves would soon make short shrift of the bandit state of Israel as soon as the Jews lose their grip on the control centers of the White nations of the world, especially the United States. Israel short lived without subsidization. The plain fact is that inside Israel itself there is turmoil, dissension, hatred and disintegration. The Jews have not proved they could build a nation of their own, or live with themselves. On the contrary, without the continual financial blood transfusions from Germany, the United States and other “goyim” countries, Israel couldn’t last six months. Even with all this tremendous aid from the outside it has one of the highest rates of inflation in the world. The United States alone in 1979 subsidized Israel to the tune of \$ 10,000 per family of four in Israel. On top of that Germany is paying reparations for the phony “holocaust” to the tune of a billion dollars a year. The Jews in New York, Miami Beach and elsewhere raise \$300 million each year for “Israeli bonds” (a swindle) and send it tax free to Israel. Yet despite all this tremendous outside subsidization Israel the parasite is in a continual turmoil politically and in a precarious and faltering financial situation, a true parasite with no future of its own.

\* \* \* \* \*

Summary. In summation we can safely conclude:

1. That Communism, Marxism and Zionism combine with capitalism to accomplish one and the same goal— the Jewish take-over of the world.

2. That the United States is not fighting Communism, but on the contrary, is firmly in the grip of the Jewish network using the wealth, power and prestige of the United States to betray and take over one country after another, all in the sham battle of “fighting Communism.”
3. The C.I.A. and the F.B.I. are both the Secret police and the strong arm of the Jewish network. Never, never trust their agents nor collaborate with them in any way.
4. We need not look to Russia as the real enemy of the United States. The Russian people would like to get the Jewish-Communist monkey off their back as much as anybody and would have succeeded long ago if it had not been for the machinations of the United States. The real enemy resides right here in our own country, especially in New York and Washington.
5. Only by rallying the total power of the White Race and organizing it under a powerful racial religion such as CREATIVITY can we ever hope to break the back of the Jewish Marxist-Communist-Zionist tyranny.

## Judeo-bolshevism of 20 century. Global genocide of the White Race

---

There are some claims Stalin killed 13 million Gentiles. Stalin killed a lot more than thirteen million. He killed over forty million. He killed around thirteen million alone in the holodomor which was a real holocaust done by Jews to the Ukrainians, alone.

## Holocaustanity

Today the world is under the grip of a new religion: Holocaustanity. This program is designed to assign meanings to their agenda. And holds a powerful spell over the minds of the Gentiles. It's a powerful propaganda in the aims of the Jewish agenda. Its premise is the foundation for numerous special laws. Making the Jews beyond criticism. And a tool to silence all debate and steam roll anyone who opposes their agenda. To delegitimize all information that exposes them along with those who do. And gives them moral precedent for their capital Jewish state in Israel. And the greater world system they wish to rule from Israel. It's also a powerful steroid for their Cultural Marxist [PC's real name] ideology. Which is designed to destroy any healthy, organic psychology or material institution that by its nature. Hinders the Jewish destruction and assimilation of their nation. Into the claw of the Jew World Order.

To understand the truth the Jew has made illegal in many areas to cover up this subject [truth does not fear investigation]. We look at what really was happening and shine the light on this situation.

The International Jew manipulated the Great War into existence, that swept Europe up. The reason for this was to destroy the old order of Europe and manifest the situation for International Communist takeover . And leave them holding the entire West in debt to their banks. This plays into the first part. During the war however, something unexpected happened. In 1915 the German Kaiser realized this war was not the quick push to victory as planned. And extended an offer of Peace to England. To end the war with Germany withdrawing to the pre 1914 boundaries. He stated the war was destroying the best of the young generation of Europe.

As Freedman who was a large player In Internationally Jewry, confessed. The Jews in England then made a deal with the other half of the government they would get their brethren in America. To pull America into the war in return for Palestine as a Jewish state. The Gentile faction wanting to break Germany's Empire and international economic rivalry. Which was the traditional English policy in dealing with Continental European powers. Agreed.

Wilson the American President who by his own and Freedman's confession was nothing but a tool of Jewish interested. [He passed the Fed act]. Just after getting

elected on a policy of noninterventionism in the war in Europe. Had the American government vote for war with Germany and their allies in Europe.

The Jewish Bankster's:

<http://groups.yahoo.com/group/JoSNewsletter/message/275>

The whole time this was going on. Jewry was strengthening their Communist movements in Europe. In 1917 the German Jewish elite secretly forged a situation with their connections in Russia. To send a closed armoured train carrying large sums of money for Communist aid and carrying a secret passenger. The Jew, Lenin across the border into Russia. The rest is history.

During this time the Jews within Germany where doing the same they were in Russia. Using the extreme conditions the war had forced on the population. To exploit every theme and issue to generate a powerful Communist movement. They were also spreading defeatist propoganda into the German society which made its way to the front with the new recruits. The Jews made the deal in England simply to keep the war going. They had no intention of wanting Germany to win. With a strong German Empire. Communism would never succeed in Europe. The control of Germany was the key to their victory on the large part of the Continent.

There had been large Jewish manipulated ,Communist style uprisings in the German Empire in the previous century. That had been crushed. The old order had also crushed the Communist revolt of the Paris Commune. They needed them gone to win.

Germany launched their last great offensive of the war in 1918. This was to end the war before America could come in at full force against them. The results were the German forces had won the war. The French where out of action. The only English army between them and Paris had been broken. Then the stab in the back came. The Jews caused a Communist revolt among the workers, populace and Navy. The Jewish, demoralization of the Army and Home front all came together in this. With this Jewish borne betrayal the offensive lost steam and the war was lost. Two million men had just died in four years of war, to be betrayed by the Jews.

The treaty the Internationalist Jew forced on Germany was intended at the great point. To weaken Germany for Jewish take over via their networks of Communism.

The Jews went right to work their Cultural Marxist brigades started to attack very aspect of German culture and the national soul. Filling Germans with self-hate and shame over being a German. Demoralizing them for the final Communist plunge. The Jews tried to pull Germany into full Communism by the violent takeover tactics such as the Spartacus uprising. This was planned to finish off Germany. The way the Jews did Russia. It was their signal for the beginning of the end of a free Germany.

In this the Thule society was the force that countered the Jewish plans and was the only force able to counter them effectively. Here is an example of what was going in German with the Jewish Communists:

"The Marxists realized their revolution would have to accelerate, since they would not win at the polls. In Berlin the Jews Karl Liebknecht and Rosa Luxemburg had amassed 100,000 supporters, two thousand machine guns and 30 artillery pieces. They invaded Berlin, took over most of the government buildings and declared the Ebery government overthrown by their glorious Communist revolution.

On 10 January, Noske, and 30,000 ex-soldier volunteers swarmed into Berlin.

These were highly disciplined men used to carnage and slaughter on the front. They brutally broke through and decimated the 200,000 defenders, though vastly out-manned and with less equipment. The leaders of the red revolution were shot or bayoneted. The glorious Communist revolution in Berlin did not last a week."

The Free Corps that successfully defeated Jewish communist [Rotfrontkämpferbund] troops several times in Weimar had all been at the top organized by the Satanists of the Thule Society who saved Germany from the Jewish death grip in the 11th hour literally. You can see the sacred emblems of Thule on the Free

Crops helmets:

"The Free Corps re-took Munich, and were angered that Russian soldiers that they had defeated recently were now armed and active against them yet again. After the city had been taken, the Free Corps marched through the town with swastika

emblems on their helmets. Cheering crowds lined the roads to thank their liberators.

The Jews were also destroying Germany via organized crime networks which were pumping drugs and filth into the cities. And the Jews in general were involved in a thousand scams to steal the wealth and property of the Germans. Rich Jews would sit in the restaurant windows and tease and mock the hungry German people standing outside who had not eaten in days due to the economic situation. A million people died of extreme poverty in this time. Due to the effects of International Jewry on their nation. The Jewish bankers had purposely created the great depression to steal the wealth of the Gentiles and help create the situation to make their Communist revolution gain power by problem, reaction, solution. Everything rotten and harmful in Germany at this point was overflowing at the top with Jews. As Hitler rightfully noted.

It's the same today in the Western world. The Jews had attacked Germany almost to the death. Germany, the very nation that trusted them and made them a full part of its life in good faith.

Then against all odds something finally changed which put an end to this all out attempted murder on the German people and nation.

"In coming before the public as National Socialists with this conception of the real strength of a Folk, we know that today the whole of public opinion is against us. But this is indeed the deepest meaning of our new doctrine, which as a world view separates us from others.-Adolf Hitler "The Second Book"

Those words were written in 1926 when the Party was fighting for the survival of Germany at a hundred thousand votes:

Three years later the National Socialist Party received two million votes

The next election thirteen million votes

The next election Hitler was the Chancellor of Germany

The Truth had won out.

With the new Hitler government order was first restored. This was done by arresting in mass the criminal elements that had so overflowed Germany partly due to the natural effects of extreme poverty. That vigilante squads were killing

criminal elements, in the streets in a desperate attempt to save their communities and protect themselves and their families. What this meant is that hordes of pimps, drug dealers, professional criminals, finical crooks [no different then Jewish, Wall Street, today] and the general people who populate any jail where rounded up and put in the new camps. As the standard jails where already over populated. This was part of the progressive socialist thinking. That by hard work a personal could be reformed into a moral human being and reintegrated back into society.

It's no mistake a large percent of these individual happened to be Jewish. For such a tiny minority of the population. They made up the bulk of its criminal element in all areas.

The several and more million, Communists in Germany with orders and funding from a major base of International Jewry. Moscow [no mistake Russian's where found among the Reds in Germany before.] Planned yet another violent uprising against the newly elected government. Which is true to their style. They don't respect a people's right to self-determination. The Communist burning of the Reichstag was the signal of this revolt. This caused the German government to have to declare martial law. And arrest the Communist leadership. And put them into the new detention camps. To stop this uprising from happening.

98% of the Communist leadership in Germany was Jewish. With the top spots all Jewish.

This is what the Hitler government was fighting to prevent from happening to Germany and the rest of Europe:

<http://groups.yahoo.com/group/JoSNewsletter/message/282>

The Jewish Communist regime in the East by record murdered over 60 million human beings. Many in organized death camps all run by Jews.

No one was put into camps for being Jewish. But the Jews where put into camps on mass for their criminal, Jewish behaviour. Just read the Talmud to understand why. Judaism is an organized crime racket against the Gentile world.

There was a reason the Jewish population in Europe had been traditionally moved into Ghetto's with high walls around them. Gates that where locked at night and guarded by armed watchmen. With all Jews having to be inside before nightfall. It

was to protect the Gentiles from the Jews. The Czar had to move them into the Pale for the same reasons.

The plan was to relocate the Jews to their own region and out of Europe. This was the only "Final Solution." As honest historians who lost their careers and have been imprisoned for being honest. Have noted time again. Since the Jews had almost annihilated Germany, sending millions of Germans to their graves, in return for Germany trusting them. The government took the best and humane course of action with them. They could have killed them at this point but they didn't. Freeman admits this all. German was negotiating with the Zionist's to help relocate them to another area where they would have self-determination and separation. The Jews where not rounded up or put into camps over this. It was a voluntary movement. Many Jews simply wanted to leave as they could no longer make a living off dishonest means.

Then as Freedman states the leaders of world Jewry meet with the representatives of the German state. And ordered them to return all their fellow Jews. Back into the positions of power they had used to almost destroy the nation with. Or face war with the nations the International Jews controlled. The Germans refused. The first act was an economic embargo put on Germany that would leave a third of the German people to starve. The Jews where attempting to break Germany from within to put it back under their control for their final aim. This failed. And the Jews pushed the world into war with Germany.

For the truth of what really happened:

<http://groups.yahoo.com/group/JoSNewsletter/message/328>

During the war the German government found that every single subversive organisation in their territory even within Germany. That was attacking their civilians and troops, spying for the Allies [of Judah] and everything in-between to defeat the war effort. And cost Germany the war, just as in the Great War. Where all Jewish and where working with the International Jewish networks behind the Allies governments. In order to deal with this vast Jewish fifth column. Which was literally international. They simply did what America did with the Japanese living in America during the Second War. They put them into internment camps. As a war safety measure.

All that happened was due to the fact Germany was laid to ruin by Allies [of Judah] night and day bombing raids destroying the entire infrastructure of Germany. Millions of Germany civilians were already starving and boiling shoe leather to try and stay and alive. And thousands had been killed in the bombing raids. That were targeting civilizations on Talmudic purposes. The camps were being constantly bombed by the Allies as they were industrial centers. The people who died in the camps simply died for the same reasons hundreds of thousands of Germans did. It was a natural effect of the war and nothing more. As has been proven over and over again even during a court trial. There was no homicidal gas chambers or organized extermination of Jews. Even Jews who were in those camps never mention such. The Red Cross had observers in the camps the whole time and nothing of the such was ever stated. This is what Freedman confessed also.

The only people being purposely exterminated in camps were the Eastern Europeans in the Jewish operated death camps inside the USSR. And after the war the Allies of Judah's. P.O.W's camps. The over 50 thousand surrendered German soldiers, many only 15 years old. On orders for the Jew Eisenhower.

The big reason the Jews created this lie. Was to hide the truth. That the Germans had to put them in camps. To protect themselves from the Jews. Just as many nations had done in their own way from the Pale to the walled and guarded Ghetto's.

They had to turn Hitler into an icon of evil. Because if you tell the truth about Hitler. You tell the truth about the Jews.

“The Jew is immunized against all dangers: one may call him a scoundrel, parasite, swindler, profiteer, it all runs off him like water off a raincoat. But call him a Jew and you will be astonished at how he recoils, how injured he is, how he suddenly shrinks back: “I’ve been found out.” -Joseph Goebbels

## Lenin The Jew

Note the Jews where kept in the pale for the safety of Gentiles as they had lived side by side with these monsters for centuries and knew that isolation of them as much as possible was a better solution. This same Jews where kicked out of 109 Nations on mass.

The one Russian Czar Alexander the Second who was stupid enough to actually grant the Jews freedom and rights was in thanked by being MURDERED by the same kikes in return. Let that be a lesson for all.

This article is also a lesson in kike propaganda via lies and sympathy ploys. They will tell you the truth Lenin like Marx before him was a kike but then try and make the same kikes who took over Russia by terrorism and mass murder, lies and vile. Then proceded to genocide sixty plus million innocent Eastern Europeans many in death camps where the imates where made to even eat thier own feces by the kike guards among other talmudic cruelty. In their bid to build a global Jewish-Communist slave state and enact the Talmud on the world.

That they where magically poor liette victims the whooolee time\*sniff, sniff\* As they slit the throats of millions more innocents.

MOSCOW — For the first time ever, ordinary Russians can now see documents that appear to confirm long-standing rumors that Vladimir Lenin had Jewish heritage.

Among dozens of newly released documents on display at the State History Museum is a letter written by Lenin's eldest sister, Anna Ulyanova, saying that their maternal grandfather was a Ukrainian Jew who converted to Christianity to escape the Pale of Settlement and gain access to higher education.

In this Wednesday, May 18, 2011 photo a visitor looks at a drawing showing Vladimir Lenin flanked by Felix Dzerzhinsky, right, and Yakov Sverdlov in Red Square, on display at the exhibition in the State History Museum in Moscow, Russia. For the first time ever, ordinary Russians can now see documents that appear to confirm long-standing rumors that Vladimir Lenin had Jewish heritage.

"He came from a poor Jewish family and was, according to his baptismal certificate, the son of Moses Blank, a native of (the western Ukrainian city of) Zhitomir," Ulyanova wrote in a 1932 letter to Josef Stalin, who succeeded Lenin after his death in 1924.

"Vladimir Ilych had always thought of Jews highly," she wrote. "I am very sorry that the fact of our origin - which I had suspected before - was not known during his lifetime

Lenin from reports of those around him was slowly going insane from syphilis. This was covered up by the Communist's for years. The below is one of the last photo's taken of him still alive. From reports this photo was hidden away for many years as well:

## Joseph Stalin- The rider of the 20th century Jewish Beast – Part 1

A brief Look on this Jew's early life criminality and criminal personality.

Mass murderer, liar, thief, criminal, slave master, swindler, forger, mentally insane, brutal, etc. All these words are too few to explain what 'Joseph Stalin' really was. In history class you would have certainly heard about "Hitler". We have proved and proved again how Hitler was not only a man of peace, but also that the so called holocaust never happened. In order to understand why Hitler has been blamed with all he has, you have to look at the opposite direction, at Joseph "Jughasvili" [In Georgian: son of a Jew] Stalin to really understand the reverse psychology and blame they throw at Hitler, to cover up the crimes of the red beast.

The Jews as they always do, like what they blame on Satan, being themselves exactly what they say others are in a negative light, project this in history and so on so forth, in all frontiers and areas of existence. The point of this Sermon series is to show step by step this horrendous personality, which plagued the earth with its existence and caused over 40 million deaths worldwide, many of which you have never been told about. They project all they do to the other side, as always, to cover up their own atrocity.

All most people know about this kike monster is that it was a Dictator of the USSR. Upon further research, much more information can show up, directing one to the nature of this vile individual.

From reports and historical facts, we know this Jew was not only overly sickly (had a deformed hand shorter than the other and malformed, was exceptionally short, had marks on his face from diseases, let alone his ugly look and stare [which is a reason why it had its photos retouched], the second and third toes were webbed on its left foot and so forth) but through lies as all Jews do, tried to hide the sources of all the evidence that he was a Jew. For instance, for his deformed hand, he mentioned many stories, one of which included how he was struck by a horse drawn carriage, or that he had an accident. He tried to hide the source of his deformities which were from his Jewish genetics. He later changed his name from "Joseph Yughashvili Stalin" to "Joseph Stalin". Also, he always did run under many different surnames and fake names, by the time he was fighting his way up to the top of the Jewish Communist Party.

Not only these though were the lies of this jew. Like any other pathologically lying jew, Stalin even lied about his birthday. Wanting to hide all information about his jew-ish heritage and bloodline, he invented all sorts of lies and tried to erase all information in regards to himself. In all his life, he did run under fake names and aliases. The so called 'Atheism' [Which is nothing but the end result of Christianity] and Jew-ish Communism, knew all along the importance of birthdays. For that reason Joseph Stalin forged his birthday many, many times, as to hide his astrological chart for one and generally his background information. By doing this, all he said would be true as there would be no conflicting information.

Stalin himself had said and proclaimed his own birthdate being 18th of December. However after his coming to power, he changed this to December 21st [typically to tie in himself with the energetically powerful energies and points of the month and date. Though it was finally found by his birth certificate, that he was born on December the 6th. This shows the jewish disrespect and hatred over the Gentile God, Satan, of whom they tried to steal the date. December 23th is the holy day of Satan and this kike tried to put its birthday [Day of glorification, as thus the day he received positive energy from attention] close to that date to exploit its power.

The reason "Jughasvilli" changed his name was evidently, as to protect himself from occult attacks as many require the use of the name of an individual. By hiding behind aliases, he tried to secure himself from this. Those with deep knowledge of the occult know the USSR was filled top to bottom with all this knowledge as to secure, protect and further the 'legacy' of the jewish red beast. The jews were actively involved in the occult, while the populace was pressed down in an atheistic belief system of death, leaving them powerless. With the monopoly of the guns, the spiritual powers and the state powers, Stalin and his devout followers slowly rose to the top where they tortured and destroyed anyone as they saw fit.

Also, he was mentally perverted, socio-phobic and psychotic as a large portion of the jewish race.

Reports say he was hooked on drugs, shoot pornography, slept with a different woman each night and so forth [although he was married 3 times and all his 3 wives were jewish], using brutally his power to please its own self. He was also problematic in many other departments of the mind, such as he wanted severely attention on himself, to feel like someone, to be respected- but all these on the

negative and criminal point. The so called 'clapping experiment' in which people had to clap and clap after the speeches of this kike, whomever stopped clapping first was instant-ly killed. The clapping went on for hours as people did not want to lose their lives. Eventually someone stopped and then...

They would die. Many times more were killed and not only the person that stopped. Gentile life meant nothing to this kike dictator.

Stalin was also, studying to become a priest, at Orthodox seminary of Tiflis. Which blatantly shows how he was tentative to get into the Christian/church jewish structure, as he knew there was much power within. Meanwhile, he was a devout Marxist and avid follower of these left winged, jewish philosophies. All it did was help its genetic relatives. Though, he left and never completed his university/college and went off to do more important things, such as gangsterism, terrorizing and so forth. As an early member of the pre-communist party [Russian Social-Democratic Labour Party], he had to follow the party flow to get upwards in the ranks.

He did not use his real name and avoided it as much as he could, using a surname and many others, namely "Koba". The upping in the ranks happened through robberies, assaults, assassinations, murders of distinctive Russian commanders, figures and so forth. Using as an excuse for the deformed arm [passing it down as an accident] this cowardly jew never served in the military for the WW1 [While Hitler had one of his most difficult times at the same age, getting almost blinded, fighting in frontlines, numerous injuries etc] and took the coward way out. Nevertheless, this jewish 'gangster' pretended he was some sort of overly powerful and many, deserving of respect individual- only from a later on position of power.

But how he gained his power and positions? This can be easily explained.

At 1902, he worked on a Rothschild owned factory, in whom I presume he made his connections. As its know, the Rothschilds and other jews funder the so called "Rus-sian Revolution" to quadruple their winnings and fill their pockets once their jewish friends like Stalin had the wheel of the country. In Russia after the revolution, being a jew was by hundreds of times a title of 'Honor' with all the entitlements over the na-tive Russian populations. "Equality" at its best. After all, didn't the jews promise equality? 40 million Russians died, yet you see no reports

of anything bad for jews. They had made their safe haven in the Russian beast, ready to further their advances to other countries.

First of all, Stalin had a strong inner rivalry with Lenin [all along]. Lenin, exploiting the disasters hitting Russia after its loss on the war, promise people castles in the skies. Stalin, from his early age crimes was put in exile, and then, got his false papers, he travelled back to Tiflis and joined the Bolsheviks under Lenin. Even though his views in the beginning were very different from Lenin, who was also a jew, he hid these beliefs but these were the reason Stalin later had Lenin assassinated. Though, he was threatened that he would exit the party once an ideological pamphlet he had wrote was found out, named "Credo". When it was found out, Stalin killed by shoot-ing all those who had read this paper he had published. Typically jewish cunning be-havior, he was once back in alignment with the jew Lenin. Anyway, back to Stalin joining the Bolsheviks. When Stalin entered the Bolsheviks, he had to somehow climb the ladder.

In the midst of chaos in Russia of 1905 (people fighting on the streets and so forth, Russia after WW1 was a total wreck) he had an army of Bolsheviks, who were armed and with whom he started doing robberies [worsening far more the country situation after war and also, spreading that the war was worthless- Stalin was sent in exile over 7 times for his crimes, escaped 6, caught in the 7th and then got a bail-out- such a 'pa-triot'], stole equipment for printing and many other things as to gain physical power. This had to happen in a series of kidnappings, robberies, murders, propaganda and so forth. In order to counter the Mensheviks (the "enemy" party of the Bolsheviks, false opposition, two sides against the middle jewish game) all sorts of rallies, crimes and armed parades happened. Through a series of black propaganda, smear campaigns and other games of cunning, the party of the Bolsheviks slowly gained ground over the Mensheviks.

The robberies and filthy actions continued, until he made such a big fortune that made his expelling from the Bolshevik party impossible. In a rushing manner, escaping arrest and captivity over and over, he became a crime overlord, who has built his fortune and association over murder, oppression, blackmailing, behind the scenes criminal activity and more of it. Many of his close associates whom he later appointed in the USSR central political force were jewish perverts and mass murder-ers like him. The main way the Leninist/Bolshevik party raised money was due to robberies, as they did nothing else. Stalin himself did not work or had jobs

that re-quired no work. He just drifted off life, living from money either from 'friends' and party members. He never even had to work to live itself. Mainly, the Gentile populace and ordinary citizens payed the price of the Mensheviks and Bolsheviks [Both jewish run and operated frontiers, sides of the same coin].

One of his infamous crimes in association with Lenin, was the 1907 Tiflis robbery. Stalin with his robbing gang, ambushed a convoy in Yerevan, they stole the money which was equal to 3.4 millions in dollar terms, killing 40 people with gun and bombs, leaving 50 injured, including cops and others. Meanwhile nobody from his own gang died. He gave this money to Lenin and Lenin was escorted aswell, never to be caught or judged for the crime. Two days later, he escorted itself and its family to the town of Baku. As we see he had zero respect of human life. His criminal life start-ed early on, very early on, in his teenage years.

-End of Part 1

The Jew, Putin is now working to reinstate the name of Stalingrad back to the Russian city of Volgograd. To openly honor Stalin. He has also reissued Stalin era medals.

Putin's regimes, key intellectual and philosopher is this Communist creep, Dugin. Who believes that STALINIST North Korea is the ideal society. And praises the Kim's.

Its worth noting what Dugin openly admits in a interview he did back in 2012:

[http://www.counter-currents.com/2012/07 ... der-dugin/](http://www.counter-currents.com/2012/07...der-dugin/)

This fits well with the Orthodox critique of Western Christianity. It is easy to see that the secularization of Western Christianity gives us liberalism. The secularization of the Orthodox religion gives us Communism.....

Now its no mistake why the Jewish Putin's regime pushes both Stalinism and Orthodox Christianity. Two sides of the same Jewish coin.

## The Real Death Camps And Holocaust

The PHONY "six-million" holoco\$t further serves as a distraction from and a cover for the REAL crimes against humanity committed under Jewish communism. Nearly everyone has heard of "Auschwitz," but how many have heard of the atrocities committed against Gentiles at Kolyma, the most notorious Gulag slave labor camp, run and operated by Jews in extreme northeastern Siberia? Or the systematic genocide of the people of the Ukraine perpetrated by Jewish communism? The Holodomor [Ukrainian Famine/Genocide of the 1932-33] perpetrated by the Jew controlled USSR.

The gulag systems of the former USSR were the real death camps. Everything the Jews are and do, they cleverly blame upon Gentiles. If one does enough in-depth research, one will find that slave labor/death camps are actually a Jewish idea and Jewish invention, and existed long before the alleged Nazi camps. This acts as a distraction and diverts the attention of the populace from the real crimes. Through all of the years following the end of the Second World War, we are forever being bombarded on a regular basis, straight from Jew Hollywood, film after film, documentaries, and other media depicting the alleged "holocaust" of the Jews at the hands of Nazi Germany. This has acted as a major distraction amongst many other things over the years and has diverted attention from the real death camps, which were all run and operated by Jews, under Jewish communism. Long before Adolf Hitler even came to power, these slave labor death camps were in full operation. In addition, EVERYTHING the Jews accuse the Nazis of, they, themselves put into action in the 1920's. If one does the necessary research, one's eyes will be opened to the truth.

The packing of Gentiles for use of slave labor in cattle cars, so tightly packed, few could even move. This was also done to the Black African slaves on the slave ships that were all owned and operated by Jews. To read the full account, you can access the link below. Though we are very much against Islam, this is a detailed and an excellent article:

Who Brought the Slaves to America? By Walter White Jr., 1968

[http://www.radioislam.org/islam/english/toread/who\\_brought\\_slaves\\_to\\_america.htm](http://www.radioislam.org/islam/english/toread/who_brought_slaves_to_america.htm)

This is also a fact today that can easily be seen with industrial farming. The Jews own the major corporations that engage in this most heinous abuse of animals. They are all packed in tiny cages and crates, living in their own filth and waste, unable to even turn or barely move, and if you do the research, you will see a pattern here. All of this is a Jewish concept, packing living beings into extremely small spaces to be used for Jewish profits and exploitation in the most brutal of ways.

All of this was cleverly blamed upon the Nazis. With the media keeping up the momentum as they also do with promoting their lie of Christianity, few people really questioned whether this was true or not. The Jews did not anticipate or expect the collapse of the USSR and the Eastern Communist Bloc. Many accounts of the slave labor death camps [few actually did survive to tell] are now being revealed to the public, but one must do the necessary research. Names such as "Auschwitz" "Treblinka" "Sobibor" "Dachau" are commonly known. In addition to the plethora of films coming out of Jewish Hollywood, the Jewish controlled media is incessantly publishing and promoting books on the subject.

How many people have heard of Kolyma, or Serpantinka? There are thousands more. The list of these Jew operated slave labor camps is prolific and endless. The link below is only a sampling:

List of Gulag Camps [Wikipedia]:

[http://en.wikipedia.org/wiki/List\\_of\\_Gulag\\_camps](http://en.wikipedia.org/wiki/List_of_Gulag_camps)

There are thousands in China, many in North Korea and in former communist countries; all run by Jews with Jewish standards for Gentiles. Jews come in all races and ethnic groups. They can be identified by their DNA, which is another area people need to research and learn about.

Since the revealing of the atrocities committed under Jewish communism, now the Jews are working overtime, trying to compare Jew Josef Stalin with Adolf Hitler. In addition to this Jewish trash, they put up websites and such trying to dissociate themselves in the way of claiming Stalin, Beria and others who ran this brutal murder system were not Jewish, even going so far as to claim Vladimir Lenin was "only part Jewish." Few people bother to do the necessary research and this can be difficult, but the truth is...Stalin, Beria and Lenin were all Jewish.

Josef Stalin's real last name was Dzhugashvili, meaning in Georgian "Son of a Jew." In addition, death camp survivor and author Aleksandr Solzhenitsyn wrote to a pen pal where he made a minor comment criticizing Stalin and he also mentioned Stalin's Jewishness. His letter was intercepted and for this, he was promptly arrested. Stalin's Jewishness was common knowledge, but not to be mentioned. Lavrenty Beria, mass murderer and monster was a Karaim Jew. He was also very easy on and even benevolent towards the Jews. [Reference: Commissar: The Life and Death of Lavrenty Pavlovich Beria by Thaddeus Wittlin © 1972].

Not to mention that the surname "Beria" is a derivative of the Jewish "Bar" no different from "Barry," "Berry," all Jewish names. Because Adolf Hitler alerted the Gentiles to the extreme threat of the Jews and their communism, Nazi Germany has been attacked relentlessly, no different from our True Creator God Satan. Nazi Germany has been unjustly accused of "exterminating Jews and many others" which is a total lie, and this can be proven. So-called "holocaust denial" is illegal in many countries around the world. Post war Germany has paid out billions upon billions of dollars, has been heaped with shame, slandered and much worse. The Jews have used their phony holocaust to exploit and to control and above all, to institute communism, both directly and indirectly around the world.

The victims of the Jew controlled communist slave labor death camps have received nothing. No reparations, no help, and the surviving families have gotten nothing. What is even worse it the fact that NONE of the Jewish criminals has ever been brought to justice. While the Jewish controlled media is buzzing away with story after story of so-called "Nazi war criminals" being "brought to justice," there has been no justice whatsoever for the gulag victims which totaled in the many millions around the world from the communist countries. In addition, the ignorant public is focused on Nazi this and Nazi that and does not even know of the real victims. This kind of Jew indoctrination is also forced in the schools where communism is taught as something good and favorable by Jewish college professors and their Gentile stooges. Communism, like Christianity is another Jewish brotherhood program which preaches equality, a decent standard of living and worker benefits...ALL LIES! Both are programs of slavery and death. Both programs like anything else Jewish create the problem and then push the solution.

The following article reveals the heinous atrocities committed against Gentiles at the hands of the Jews. Of course, Jews have also had a history of persecuting their own. Jews which were in small numbers in some of the camps are the ones who scream the loudest and are held up by the Jewish press to again deceive people into believing communism isn't Jewish, which is another total lie. The blueprint for Jewish communism is in the bible. The Jews wrote the bible.

Another noted example is everything the Jewish god "yaweh/jehova" in the bible is and does is blamed upon Satan. For example, the attributes "human hating" "a murderer and a liar from the beginning" [one only needs to look to the Old Testament for one to see the endless genocide and mass-murder of Gentiles at the hands of this so-called "god." They claim the Devil is totally material, yet there is nothing at all spiritual about the Bible or Christianity, just a fictitious history of the Jews, the subliminal message of Jewish domination over Gentiles and the life of that fictitious nazarene. There are endless contradictions and opposing verses in the Bible. These are to ensure that the Bible will adapt to all time periods and situations, in order to perpetuate the program of Christianity. Jews learn to argue early and take this further in their education in a Yeshiva.

Unless the Gentile world wakes up, now that we have a bit of a chance with the internet and mass communications, our world will once again descend into the Dark Ages and we will again be subjected to total slavery, serving the Jews under the most brutal conditions imaginable.

"As one camp doctor told a victim in 1949: You are not brought here to live but to suffer and die...If you live...it means that you are guilty of one of two things: either you worked less than was assigned you or you ate more than was your proper due." ### **The Real Death Camps and Holocaust**

Today the world is under the grip of a new religion: Holocaustianity. This program is designed to assign meanings to their agenda. And holds a powerful spell over the minds of the Gentiles. It's a powerful propaganda in the aims of the Jewish agenda. Its premise is the foundation for numerous special laws. Making the Jews beyond criticism. And a tool to silence all debate and steam roll anyone who opposes their agenda. To delegitimize all information that exposes them along with those who do. And gives them moral precedent for their capital Jewish state

in Israel. And the greater world system they wish to rule from Israel. It's also a powerful steroid for their Cultural Marxist [PC's real name] ideology. Which is designed to destroy any healthy, organic psychology or material institution that by its nature. Hinders the Jewish destruction and assimilation of their nation. Into the claw of the Jew World Order.

To understand the truth the Jew has made illegal in many areas to cover up this subject [truth does not fear investigation]. We look at what really was happening and shine the light on this situation. The truth is the real holocaust occurred in the Jewish controlled and created Soviet Union. Of the many such death camps where millions perished we shall examine the Kolyma one of the many and which legacy is that of nature of the Jewish beast. Later we shall see right from the Jews mouths the humane reality of the German camps that where as proven even in a court of law not death camps but humanely run industrial centers of production. With even Olympic sized swimming pools and sports fields with Red Cross personal and observers at.

Kolyma: The Artic Death Camps:

“The prisoners arriving at the huge transit camps on the Pacific coast, outside Vladivostok and later at Nakhodka, and at Vanino, in each of which hundred thousand prisoners would be crowded into the endless array of barracks which stretched as far as the eye could see. There they awaited the prison ships of the Kolyma run....”

As Andrei Sakharov called them the “Death-ships of the Okhotsk Sea...”

“Those who arrived were already crushed and humiliated starved and ill-clad remnants of human beings. They would normally have spent around three months in prison under conditions and treatment thought adequate to such as they and the train journey-always on e of the worst of the various experiences of the victims, with its fetid wagons, its inadequate water supply, its lack of food and light, its brutal guards-was, of course, the longest undergone by any of the Gulag’s victims....”: 28 days, 33 days, 35 days, 47 days are typical times reported”

Latvians in cattle cars being sent to Gulag concentration camps in the Jewish run USSR.

Embarkation day would arrive. At Vanino:

When we came out on to the immense field outside the camp I witnessed a spectacle that would have done justice to a Cecil B. DeMille production. As far as the eye could see there were columns of prisoners marching in one direction or another like armies on a battlefield. A guard detachment of security officers, soldiers, and signal corpsmen with field telephones and motor-cycles kept in touch with headquarters, arranging the smooth flow of these human rivers. I asked what this giant operation was meant to be. The reply was that each time a transport was sent off the administration reshuffled the occupants of every cage in camp so that everyone had to be removed with his bundle of rags on his shoulder to the big field and from there directed to his new destination. Only 5000 were supposed to leave, but 100,000 were part of the scene before us. One could see endless columns of women, of cripples, of old men and even teenagers, all in military formation, five in a row, going through the huge field, and directed by whistles or flags, It was more than three hours before the operation was completed and the bath I belonged to was allowed to leave for the embarkation point.

I remember Vanino port

Where the grim-looking-steamer rode,

How we climbed the gangplank aboard

To the cold and gloomy hold

“It took us some time to accustom our eyes to the dim light of the dingy lower deck.

As I began to see where we were, my eyes beheld a scene which neither Goya nor Gustave Dore could ever have imagined. In that immense, cavernous, murky hold were crammed more than 2000 women. From the floor to the ceiling, as in a gigantic poultry farm, they were cooped up in open cages, five of them in each nine-foot-square space. The floor was covered with more women. Because of the heat and humidity, most of them were only scantily dressed; some had even stripped down to nothing. The lack of washing facilities and the relentless heat had covered their bodies with ugly red spots, boils, and blisters. The majority were suffering from some form of skin disease or other, apart from stomach ailments and dysentery.

At the bottom of the stairway we had just climbed down stood a giant cask, on the edges of which, in full view of the soldiers standing on guard above, women were perched like birds, and in the most incredible positions. There was no shame, no prudery, as they crouched there to urinate or to empty their bowels. One had the impression that they were some half-human, half-bird creatures which belonged to a different world and a different age....”

Many of the prisoners never survived the crossing they died from violence, starvation and diseases of being crammed literally in many cases shoulder to shoulder like chattel into dirty holds for weeks. The scene was identical to the Jewish owned slave ships packed with thousands of African slaves. Literally wall to wall. In previous centuries. This time with new Goyim chattel to be used as work slaves of the Jewish Communist State.

The Kolyma Killing Fields

“The central aim was to kill off the prisoners as one commandant put it quite openly.....”

My note the main method of murdering the prisoners by millions was to assign to them impossible production quotas. Then lower they already starvation rations when they could not meet them as punishment. Ensuring they would die off from a mixture of exhaustion and diseases. Those who lived but were

too weakened and their quota's dropped off from starvation and exhaustion where simply executed on mass. This ensured the gold was mined while killing the prisoners off. The sadism of this method was the victim would work as hard as possible to stay alive in false hope. Thus ensuring a larger amount of gold production. As part of this they where issued the worst and cheapest clothing that was worthless in the 50 to 70 degree below zero cold. And left with nothing but filthy, lice filled rags to wrap about their frost bitten feet and body. And left to live stacked on top of each other like factory farm animals in cages. In shoddy, cheap huts without insulation or proper heating. In the coldest region on earth.

Over three million people where systematically murdered by the Jewish Communist Regime in Kolyma alone. And it formed only one such camp of many across the Soviet Jewion. Each of the accounts is not just of the individual giving such. But the collective experience of the millions of those condemned to such camps.

### The Reality of the Camps:

“The climate of the interior, where it may drop to -70C., is indeed the coldest in the Northern Hemisphere: the actual Pole of Cold is at Oymyakon, just over the Gydan. “

In the summer of 1932, the operation was launched. The collectivisation assault on the peasantry had produced a vast expansion in the number of arrests. Of the 10 million ‘Kulaks’ [my note closer to 15 million] disposed of, half probably died in famine and by execution, and of the remainder certainly no fewer than three and a half million poured into the prison camps. Kolyma got its share.

The barracks or huts in which prisoners spent their spare hours were of little refuge. Desperately overcrowded, with bunks three or four deep, they were often quite uninsulated (guards’ huts had sawdust between two layers of boarding). And, ill-constructed as they were, the cracks and holes were usually stuffed with moss, rags or straw. Moreover, almost all the miners were afflicted by incontinence of urine. They would try, when sent to camps, to get the lower bunks, in order to spare their colleagues. Where they were all together this was not possible.

The stoves, too, were quite inadequate. It was a constant complaint that ‘The barracks were not given enough heat, clothing would not dry out. In the fall they kept people, soaked to the skin, out in the rain and the cold to fulfil norms that such hopeless wreck could never fulfil...Prisoners were not dressed for the climate in the Kolyma region. They were given third-hand clothing, mere rags, and often

had only cloth wrapping on their feet. Their torn jackets did not protect them for the bitter frost, and people froze in droves.

We have noted the revealingly vicious regulations which, from 1937, practically forbade clothing adequate to the climate.

A dozen lice in one's underclothes don't count. Lice begin to attract the attention ...when a crawling pullover start to move on tis own. Is it possible that a man, of whatever type, might not wish to escape this torture when he does not sleep and scratches his filthy body, gnawed by vermin, till the blood runs.

When it had become clearly impossible to delouse themselves, women would give up trying, and only when the itching became intolerable would reach under their blouses, 'fish out a handful of the vermin, and throw them away.'

One prisoner records:

In March 1933, 600 prisoners were sent to Gold Mine No.1 of the Mining Administration of the North...there were two other administrations of the same kind, those of the West and the South. We set off on foot on this long journey. We had to travel 370 miles in deep snow and during terribly cold weather to the Khatenakh sopka.

We had to make 16 miles a day, after which we spent the night in tents set upon the snow. After our scanty rations in the morning, we set out again. Those who were unable to survive this long gruelling march and died on the way were left with the snow for their only tomb. Our guards forbade us to give them a proper burial. Those who lagged behind were shot by the guards, without stopping the column."

I was convinced that solders of the MVD [camp guards] must have been picked for their sadistic qualities. They had a completely free hand over us and would do anything, particularly when drunk, to make prisoners suffer. For instance, when going to or coming back from work in the usual columns of five, they would sometimes stop us in the middle of the road., unleash their dogs, and laugh uproariously as the dogs sank their fans into the prisoners' legs. It was a time when they were absolutely free to do anything, even kill us-and get a reword for it. I have known them to call a man over to make a fire for them or to bring them

a mug of water when on sentry duty, and then kill the unfortunate under the pretext that the prisoner had crossed the 'no trespass' line.

The working conditions:

The boots were always wet, never quite drying out-rheumatism was guaranteed. Then, the air in the pit, where there was no ventilation whatsoever, was filled twice daily with the poisonous fumes of blasted ammonal. Only thirty minutes were allowed for the clearing of the fumes through the entrance of the mine, after which the workers were driven back into the pits to continue their work. Many of them succumbed to the poisoned atmosphere and coughed violently, spitting blood and often particles of lung. After a short time, these were usually sent either to the weak squads for lumbering, or to their graves. Mortality was especially high among the men who carted the wet sand from the barrack after the washing. From the steamy, damp atmosphere of the heater the perspiring wheelbarrow-pushers slipped through the opening, which was covered by an old blanket, rolling out their wheelbarrows into the piercing 50-below-zero frost. The time limit in this work was, at the most, one month, after which either pneumonia or meningitis dispatched the worker into the next world.

Their faces all showed signs of frostbite, although the winter was only three months old and the most severe frosts were yet to come. The majority of them were so dirty looking I was willing to wager that some of them had not washed their faces for weeks. Their clothes were like nothing I had ever seen at the Kolyman-everything from the torn boots to the incredibly dirty rags wrapped around their necks instead of scarves, their burned and tattered winter coats. The men had starved, worn-out faces, quiet voices, were completely absorbed in themselves and uncommunicative....The sight of these creatures who had almost lost the image of man made me feel distinctly uncomfortable.

Conditions killed them off quickly. But 'conditions' were assisted by a massive employment of execution as a reprisal against failure to produce adequate gold, and, in effect, on any pretext whatever.

Wholesale arrests began in the camp. As a rule the charge was systematic under fulfilment of quotas. Since no man in the gold field could possibly fulfil them, the failure was ascribed as criminal when the worker completed less than 50 per cent of the quota.

It was absolutely impossible to measure accurately the exact performance of a worker, and the estimate made depended entirely upon the attitude of the foremen. The foreman made daily measurements in a rough and ready fashion with the help of a tape line, and made their reports to the office where the volume of excavated sand was translated into percentages of the daily quota fulfilled by each brigade. In doing this a practice was systematically resorted to whereby a certain amount of work performed by the less efficient brigades was stolen from them and credited to the better brigades as a means of encouraging them. But the foremen were not altogether free in recording their measurements. Once a month a measurement of the mine's entire output was made by surveyors with instruments of great accuracy. The engineers measured the depth the mine increased during the month, and compared this with the added-up measurements of the foremen. When the figures disagreed-and they always did, and to a great extent-the foremen were merely reprimanded. Now, by Pavlov's new order, foremen guilty of excessive measurements were to be put on trial. The same order stated the fact that six foremen had been executed for deceiving the State. It was natural that the foremen often went to the other extreme-charity begins at home-and deliberately gave lower figures. The official figures for labour productivity immediately dropped heavily.

Then the firing squad set to work.

A representative of the NKVD three-man court-the Troika-appeared at the fold field. He held conferences. With the section heads and demanded lists from them of malicious saboteurs who systematically failed to make their quotas. The section heads had no alternative but to prepare such lists and to include in them the least able workers who lowered the average labour productivity for that section.

One survivor recalls:

In our mine the Third Section...was particularly active during the 1937-8 period. Some nights when we came back from work, the guards read out thirty to fifty names. The persons called had to step out of the ranks and were marched off immediately to the prison. The next morning they were driven in trucks to the Khatenakh sopka, where they were shot.

In the evening, in addition to the list of new victims, the guards would read us the announcement: 'By judgement of the camp command'-(then would follow the names of those who had been executed)-'shot for sabotage, ill-will and agitation against the Soviet power.'

--or, as Solzhenitsyn categories the crimes (the announcements of which was followed by the pinning of the lists to the camp notice boards):'for counter-revolutionary agitation' 'for insulting the guard', 'for failure to fulfil the work norm'. Shalamov well develops what these offences amounted to:

'For counter-revolutionary agitation'. This was the way one of the paragraphs in Garanin's sentences began. For the main in the street in 1937 it hardly needed explaining what counter-revolutionary agitation was: Praising a Russian novel published abroad- ten years; declaring that one queued too long to buy soap-five years...But in the camps there was none of the gradation: five, ten, twenty years. Say aloud that the work was harsh, mutter the most innocent remark about Stalin, keep silent while the crowd of prisoners yelled 'Long live Stalin', and you're shot-silence is agitation!... No trial, no investigation. The proceedings of the Troika, that famous insinuation, always meant death.

They shot also for 'outrage against a member of the guard'. Any insult, any insufficiently respectful reply, any 'discussion' when hit, or beaten up, any too disrespectful a gesture by a prisoner towards a guard was called 'an attempt at violence against the guard'.

They shot for 'refusal to work'. Thousands of prisoners died before understanding the mortal danger of their attitude. Old men at the end of their strength, exhausted and famished skeletons, incapable of walking a step to reach the camp gate in the morning when the columns wound towards the mine, stayed on their mattresses. They wrote their refusal on forms roneoed in advance: 'Although shod and clothed in conformity with the exigencies of the season...'The richer mines ran to properly printed forms where it was enough to write the name and a few points: 'date of birth, article of the law, duration of sentence'. Three refusals meant the execution platoon -'according to the law'...

Even at the end of one's strength, one had to go to the mine;, the gang chief signed every morning for this 'unit of production' and the administration counter-signed. This done the prisoner was saved, for the day he escaped death. Once out

he could not work since he was incapable of it. He had to endure his day of torture to the end.

The last heading-the richest-under which they shot prisoners by waves was 'non-fulfilment of norms'. This crime took entire brigades to the common graves. The authorities provided a theoretical basis for this rigour; all over the country the Five Year Plan was broken down into precise figures in each factory for each establishment. At Kolyma they were broken down for each gang. 'The Five Year Plan is the Law! Not to carry out the Plan is a crime!'

According to various accounts, , accepted by Roy Medvedev and other, Garanin [Chief of USVITL] himself used to walk down the line of prisoners on parade, shooting them when he felt like it: two soldiers followed him taking turns at loading his revolver. ...lesser officials such as Nikolai Aglamov, Head of the Southern Camp Administration, who 'liked to select a brigade which was guilty of something from those paraded before him. He would order it to be led to one side-and himself shot the terrified people with his pistol as they huddled together., accompanying the operation with merry cries. The bodies were not buried; when May came they decomposed and then prisoners who had survived were summoned to bury them....This attitude to human life became common among the NKVD as a whole. A typical account is of a drunken NKVD officer appearing at a work site, accusing prisoners of stealing drinking bowls from the State(It was then quite common for them to carry their gruel to the work site to eat it) and shooting wildly at the group, killing one and wounding two others.

In the women's camps, too, random killing was the norm. That year, 1 May and 7 November were celebrated by sending batches of prisoners, without other pretext, to the penalty cells, where many died. Then, on the usual parades, the order would be given for every tenth woman to be taken out and shot. On one occasion thirty Polish women were shot in a batch at the Elgan camp. Meanwhile starvation and epidemics took their toll, as in the men's camps.

Many camps became famous for their executions and mass graves: Orotukan, Polyarny Spring, Svistoplyas, Annushka and even the agricultural camp Dukcha. The Zolotisti mine had a particularly murderous reputation. There, Solzhenitsyn tells us, brigades 'were taken from the face during the day and shot one after the other on the spot. (This was instead of executions at night-those went on as usual.)

On his formal rounds Garanin

Took special note of those who were convicted KRTD (counter-revolutionary Trotskyist activity).

‘Which of these have not met their quota?’ he would ask. Most had not, could not. At evening roll call, when they returned from the mines, he would call out these unfortunates, revile them as saboteurs who were trying to continue their criminal counter-revolutionary Trotskyist activities even in the camp, and he would have them driven in a herd out to the gate. At a short distance from the camp they would be shot en masse under his personal supervision. This was still not enough. At night he would have thousand of enemies of the people taken out of all the Kolyma camps, loaded on to trucks and driven off to a prison. This prison, called Serpantinka, is about 375 miles west of Magadan, in the midst of the forest, and it is probably one of the most ghastly institutions in the Soviet Union.

Serpantinka Death Camp:

The Serpantinka death camp was indeed the scene of mass executions continually through 1938, as the liquidation centre of the Northern Administration. It had been carefully prepared. One prisoner recalls that on a long journey,

On the way up, a little off from the road, we passed a few long and unpleasant-looking barracks. At one time those barracks had housed a road-building unit, and were called Serpantinnaya, but since the completion of the road to Khatenakh they had been empty for over a year. I recalled that a few days before, by orders from Magadan, Serpantinnaya had been transferred to the district section of the NKVD which sent two brigades of men there to carry out some secret work. The little camp was to be fenced with three rows of barbed wire, watchtowers for sentries were to be erected every 25 yards, and a commodious house for officials and guards would be built as well as a garage. What puzzled me was the garage. It was not usual to build a garage in a small camp like this, especially since only three miles away were the big garages in the Khatenakh camp. And in the Vodopyanov gold mines. Late I learned it was used to house two tractors, the engines of which produced enough noise to deaden the sounds of shooting and cries of the men. However, after a short stay, the tractors were moved to some

gold field, and the automobile driver who passed the camp at night something heard the proceedings there with the utmost clarity.

Another account tells us that, 'At Serpantinka each day thirty to fifty people were shot in a shed near the cooler. The corpses were then dragged behind a mound on motorised sledges...There was also another method: prisoners were led with eyes bound to a deep trench and were shot in the ear of the back of the neck.'

Serpantinka victims sometimes waited several days to be shot, standing in a shed packed so tight that when they were given a drink-In the form of pieces of ice being thrown in to them-they could not move their hands for it and had to try to catch it in their mouths.

[My note no different then how cattle are packed into the Jewish owned factory farm, slaughter lines Goy meaning cattle is Goyium after all].

Another prisoner describes a particular case of an acquaintance:

Skeletons, they worked badly. Dyukov (the brigade leader) asked for better rations. The director refused. The famished gang tried heroically to fulfil the norms and faded away. Everyone turned against Dyukov....Dyukov made more and more vigour's complaints and protests. His gang's output went on falling, and so its rations went down. Dyukov tried to intercede with the administration. This in turn asked the competent services to inscribe Dyukov and his men on the 'lists'. They shot Dyukov and all this gang one morning by the Serpantinka.

But even in the ordinary camps,

Even in the early weeks of the brief Kolyman summer, the men reveal a tendency to die at a rate never before known in the region. Frequently this happened all of a sudden, sometimes even while the man was at work. A man pushing a wheelbarrow up the high runway to the panning apparatus would suddenly halt, sway for a moment, and fall down from a height of 24 to 30 feet. And that was the end. Or a man loading a barrow, prodded by the shouts of a foreman or a guard, unexpectedly would sink to the ground, blood would gush from his mouth-and everything was over.

The death rate was particularly high among men brought to the Kolyman during the last six months. Their body resistance had been undermined in jail before they

were shipped to the gold field, and they simply succumbed under the violent pace of work.

More:

Not long after, a new category of imprisonment was introduced-katorga. The word, referring to the old Tsarist system of forced labour, was in fact far worse. The katorzhniki worked in special camps, in chains, and without blankets or mattresses at nights. None survived.

The Bestial Reality Of Daily Life, A Real Life Horror Film:

A mobile detachment designed to catch escapers. It was commanded by the young Corporal Postnikov.

Drunk with murder he fulfilled his task with zeal and passion. He had personally captured five men. As always in such cases he had been decorated and received a premium. The reward was the same for the dead and the living . I was not necessary to deliver the prisoners complete.

One August morning a man who was going to drink at a stream fell into an ambush set by Postnikov and his soldiers. Postnikov shot him down with a revolver. He decided not to drag the body to the camp but to leave it in the taiga. The signs of bears and wolves were numerous.

For identification, Postnikov cut off the fugitive's hands with an axe. He put the hands in his knapsack and went to make his report on the unit. ...In the night the corpse got up. Pressing his bleeding wrists against his chest he left the taiga following the trail and reached the prisoners' tent. With pale face, mad blue eyes, he looked inside, holding himself at the opening, leaning against the door posts and muttering something. Fever devoured him. His padded coat, his trousers, his rubber boots were stained with black blood.

They gave him warm soup, wrapped his chopped –off wrists in rags and took him to the infirmary. But already Postnikov and his men came running out of their little hut. The soldiers took the prisoner. He was not heard of again....

Camp commandants had a free hand. Some shot prisoners at random, simply to spread terror. Prisoners who after fourteen hours in the mines could not do further work were shot and their bodies left on the ground for a day as a warning.

Food became worse and scarcer , the output went down, and execution for sabotage became common. And we are told, for example, that at Debin, in 1951, three prisoners of a group which had been allowed out to gather berries got lost. When they were found their heads were bashed in with file butts, and the camp chief, Senior Lieutenant Lomaga, had their bodies hauled past the assembled inmates in that condition.

Real famine set in at the mine. Five thousand men did not have a piece of bread. But everyone worked as usual-twelve hours a day....Exhausted by long years of half-starved existence and inhuman labour, people spent their last remnants of strength in working. And died.

My note another popular tale of the fictional holocaust of the Jews by the Germans is the mythic gas vans. The reality of the gas vans is below they were invented by a Jewish Communist and used to murder thousands of innocents in the Soviet Jewion:

“The gas van was invented in the Soviet Union] in 1936, presumably by Isay Berg,[my note JEW] the head of the administrative and economic department of the NKVD of Moscow Oblast which suffocated batches of prisoners with engine fumes in a camouflaged bread van while on the drive out to the mass graves at Butovo, where the prisoners were subsequently buried.[5] According to Aleksandr Solzhenitsyn:

I. D. Berg was ordered to carry out the decisions of the NKVD troika of Moscow Oblast, and Berg was decently carrying out this assignment: he was driving people to the executions by shooting. But, when in Moscow Oblast there came to be three troikas having their sessions simultaneously, the executioners could not cope with the load. They hit upon a solution: to strip the victims naked, to tie them up, plug their mouths and throw them into a closed truck, disguised from the outside as a bread van. During transportation the fuel gases came into the truck, and when delivered to the farthest [execution] ditch the arrestees were already dead.

The Reality Of the German Camps:

The plan was to relocate the Jews to their own region and out of Europe. This was the only "Final Solution." As honest historians who lost their careers and have been imprisoned for being honest. Have noted time again. Since the Jews had

almost annihilated Germany, sending millions of Germans to their graves, in return for Germany trusting them. The government took the best and humane course of action with them. They could have killed them at this point but they didn't. The Jew, Freeman admits this all. Germany was negotiating with the Zionist's to help relocate them to another area where they would have self-determination and separation. The Jews where not rounded up or put into camps over this. It was a voluntary movement. Many Jews simply wanted to leave as they could no longer make a living off dishonest means.

During the war the German government found that every single subversive organisation in their territory even within Germany. That was attacking their civilians and troops, spying for the Allies [of Judah] and everything in-between to defeat the war effort. And cost Germany the war, just as in the Great War. Where all Jewish and where working with the International Jewish networks behind the Allies governments. In order to deal with this vast Jewish fifth column. Which was literally international. They simply did what America did with the Japanese living in America during the Second War. They put them into internment camps. As a war safety measure. Here they where simply put to honest work to create needed production of material for the war effort.

Right here Jews camp imitates admit there was no death camps as Auschwitz:

<https://www.youtube.com/watch?v=UxFEtBawPCK>

Right from their mouths they state they where treated humanly. They had Orchestras, plays, movie theatres, day care centers and schools for their children. Even school plays. The adults worked a normal eight hour day in the factories of schools. They where paid, they were allowed letters. They played on soccer teams they even had local teams come into the camps to play them. The sports field was right beside the "gas chambers".

There where also brothels for the inmates and swimming pools.

This documentary debunks the Holocaust.

## The Real Holocaust: The Jewish Murder Machine Called The USSR

Every day we have our senses assaulted by the Jewish Media's Lie Machines, favorite fable of the fictional Holocaust of six million poor Jews by the Germans. Despite the fact such lies have already been exposed by numerous experts from across the world and even during the land mark trial of Zundel [which did not stop him from being put in prison for five years for telling the truth] the Jews keep up the wailing of their lies as they are the race of the Big Lie. At this point as their holyhoax tales unravel daily they are left only with state backed terrorism aimed at those who tell the truth on the subject in a desperate bid to use fear to silence those brave souls who speak out. The truth does not fear investigation.

FAMOUS [Jew] TROTSKY QUOTE (1917):

"We must turn Russia into a desert populated by white negroes upon whom we shall impose a tyranny such as the most terrible Eastern despots never dreamt of. The only difference is that this will be a left-wing tyranny, not a right-wing tyranny. It will be a red tyranny and not a white one. We mean the word `red' literally, because we shall shed such floods of blood as will make all the human losses suffered in the capitalist wars pale by comparison. The biggest bankers across the ocean will work in the closest possible contact with us. If we win the revolution, we shall establish the power of Zionism upon the wreckage of the revolution's funeral, and we shall become a power before which the whole world will sink to its knees. We shall show what real power is. By means of terror and bloodbaths, we shall reduce the Russian intelligentsia to a state of complete stupefaction and idiocy and to an animal existence."

— From the `Memoirs of Aron Simanovich', quoted in *The Nature of Zionism* by Vladimir Stepin, Moscow, 1993, and translated from Russian into English by Clive Lindhurst.

The major events that lead to the Communist "Revolution" in the East was the first war. This war was instigated by Jewry for the purpose of toppling the remaining remnants of the old Gentile political, social and economic power structures. And creating a chaotic situation that would make the Western world ripe to be seized upon by Jewry and lead into its destruction and enslavement via a global Communist take over. In essence the Hegelian dialect of problem, reaction, solution. This war alone killed over sixteen million people.

The official trigger event was the murder of Ferdinand and his wife.

The Jewish Revolutionary Gavrilo Princip shown being seized by police moments after mortally wounding Archduke Ferdinand and his wife. The assassination of Catholic Monarch ~ Crown Prince Franz Ferdinand ~ heir to the Austrian throne, was carried out by the Jewish assassin Gavrilo Princip using a Browning pistol on Jun. 28, 1914. The Zionist newspaper PEIEWISCHE VORDLE wrote on Jan. 13, 1919, "The international Jewry... believed it \*necessary to force Europe into the war so that a new Jewish era could begin throughout the world.

Arch-duke Ferdinand was assassinated by Gavrilo Princip at Sarajevo; Austria demanded an apology from Serbia, Serbia apologized but Austria inexplicably declared war anyway. Max Warburg, Jewish advisor to the Kaiser who also helped fund the Jewish Bolshevik Revolution. He advised the Kaiser to go into WW1 so Zionists could push for an Israeli state. Both Warburg and Schiff were Rothschild agents. Warburg also arranged for Lenin to be transported through Germany to Russia in a sealed train to lead the conspirators to their Bolshevik triumph.

Three Jewish advisers to Kaiser Wilhelm, Chancellor Bethmann-Hollweg, Max Warburg and Albert Ballin, then had the Kaiser declare war, and the other nations were involved.

Why ? To carry out the Jewish Plan.

On February 8, 1920, Sir Winston Churchill expressed his alarm over world developments in an interview published in the Sunday Illustrated Herald, London:

"From the days of Adam (Spartacus) Weishaupt, to those of Karl Marx to those of Trotsky, Bela Kun, Rosa Luxemburg and Emma Goldman. This worldwide conspiracy for the overthrow of civilization and for the reconstruction of society on the basis of arrested development, of envious malevolence and impossible equality, has been steadily growing.

"There is no need to exaggerate the part played in the creation of Bolshevism and in the actual bringing about of the Russian Revolution by these international, and for the most part, atheistic Jews. It is certainly a very great one: it probably outweighs all others. With the notable exception of Lenin [my note it turns out Lenin was a Jew], the majority of the leading figures are Jews. Moreover, the principal inspiration and driving power comes from the Jewish leaders."

Churchill referred, of course, to the overthrow of the Gentile State in Russia and its replacement by a hateful gang of homicidal maniacs, whose unimaginable success was accomplished by the astute financial aid of Jacob Schiff to the Jewish revolutionaries, and by Max Warburg in Germany, who, at the crucial moment of the revolution in Russia, arranged for Lenin to be transported through Germany to Russia in a sealed train to lead the conspirators to their Bolshevik triumph.

Jacob Schiff [Jew] whose money bankrolled the Jewish Bolsheviks who were responsible for millions of Gentile deaths and the overthrow of the Russian nation.

A statement of the situation from 1926 from a revised and re-edited version of *A Sea of Blood: the Truth about Bolshevik Russia*, a 12,000-word pamphlet originally published in Munich (1926) and authored by a Russian émigré known as "Dr Gregor".

## 1. Introduction

Nine years have already passed since an indescribable crime against humanity, the Bolshevik Revolution of 1917, was systematically begun. Now in its ninth year [1926], a government exists which calls itself a worker-and-peasant government—but not one true worker or farmer has ever sat on it. For nine years, torture has been used in the name of democra–cy as an official instrument of the state. And in the name of socialism millions of upright individu–als have been murdered, put to death through starvation, or banished from home and hearth to every distant part of the globe.

In the name of the proletariat the Russian people has been subjugated by rank foreigners, their speech has been silenced, and their bodies sent—to the cheers of the [Jewish] Third International — into mass graves.

An old Russian expression says: "There are never more lies told than before a war and after a hunt." And in point of fact the Great War [WW1] never had a true armistice; it never really ended. And the hunt for more human skulls — of course only Gentile and Aryan skulls will do — continues in accordance with a sinister and systematic plan. And thus the great lie blooms forth, in effect a form of worship of the Father of Lies, by that international scum calling itself the Bolsheviks.

Mundus vult decipi! — the world wants to be deceived! It believes Soviet lies and fairy tales and even participates in this sick comedy, sending delegations of well-known people, leftists of course, incapable of understanding the Russian language, and sympathetic to boot with the goals of the Third International!

[The 3rd Internationale was the third great convention meeting held by ultra-radical Jews and Marxists in 1919 to coordinate Communist activities worldwide.]

Off these foreign guests go to Soviet Russia to "study" the situation. These splendid chaps have no idea what Russia was like before the Bolsheviks—and what it could have become without them in the meantime! On the other hand, the Soviet Union's new friends show great knowledge and appreciation for our Russian caviar and vodka! The caviar is good, the vodka burns like fire going down, and in the brain-fog of democratic good will one somehow misses the rivers of blood, the dashed brain fragments, and the slithering clatter of millions of slaves' chains.

And so internationalist democracy [Jewry] celebrates its rites of sacrifice. The Gentile lamb is slaughtered.

## 2. The systematic destruction of Russia

The old Russia no longer exists.

In its place we have a vast desert: its intelligentsia 90% annihilated, its middle class throttled, its work-ing class made serfs once again — but this time serfs in state-owned factories, workers who just for using the word "strike" can be put up against the wall! As for the farmer, now he is a mere beast of burden, a camel in the Soviet-made Sahara, laboring without question for his Jewish exploiters and nearly without pay.

For a non-initiate it must be entirely incomprehensible how such a mighty empire, seemingly in one night of revolution, could be set aflame at all four corners and destroyed.

However, in one night it did not happen.

The events of March 1917 — Kerensky's middle-class overthrow of the tsar — and of November 1917 — the Bolshevik putsch against Kerensky's government — were only the visible re-sult of years of patient, mole-like undermining activities by the Jewish Internationale: a work which did not begin in the criminal minds of [Jews] Marx, Kautsky and Engels, but instead in an earlier alliance of Jewry with the higher grades of world [Jewish infiltrated] Freemasonry.

My note its important to understand the Freemason's where infiltrated by the Jewish Illuminati in the 18th century and turned into an organ of Global Jewry:

[http://www.666blacksun.org/satanic-nati ... lluminati/](http://www.666blacksun.org/satanic-nati...lluminati/)

These lofty "idealists" have tortured and killed, in the name of Russia's workers and peasants — and according to their very own statistics — the following numbers of victims in the first four years of the glorious Russian Revolution:

8,800 Gentile doctors and their aides. Why? Because they represented non-Jewish middle-class medicine.

Now come the officers: 54,650 army and naval officers, 10,500 police officers (lieutenant-rank and above) and 48,500 lower-ranking policemen. And for what reason? Because they were military and police officers, and we all know that "militarism" is no longer permissible for any nationalistic and Aryan-conscious white people. It is only allowed to Red bandits, who call themselves proletarians, to dig the real proletariat a mass grave.

Then there are 260,000 flag-loyal soldiers of the old army, all now executed. But even this statistic is trifling. Now come the intelligentsia: teachers, professors, engineers, building contractors, writers and judges — especially judges, because these were the most dangerous for a state ruled by convicted felons.

To them let us add lawyers, district attorneys and all the college-educated occupations — to reach the number of 361,825 murdered members of our most mentally demanding professions. I will not even tarry over our annihilated class of large landowners, consisting of 12,950 persons.

And when someone asks me how the Russian intelligentsia can bear the Bolshevik yoke, I always answer that the Russian intelligentsia is either literally six feet under or in exile, and that the tiny remainder left over has suffered such a blood-letting and systematic humiliation through the communist steamroller that they have forfeited every last bit of self-esteem and personal honor.

Finally, we come to the modest numbers of workers and peasants executed by the worker-and-peasant state. They amount to only 192,350 workers and 815,000 peasants. All these figures are official statistics published by the Cheka [forerunner of the KGB] and printed in easily obtainable Bolshevik newspapers during this period when the anti-communist White Russian forces were fighting Trotsky and the Red Army, [1917-1921].

All these facts can be verified in the complete volumes of information or excerpts published in 1922 by the Ministry of Internal Affairs of the Kingdom of

Serbia, the only country in Europe which is fighting mercilessly against the disease of communism.

Even this enormous number of casualties is small compared to the mentally ill persons now running around free in Soviet Russia — four million eight hundred thousand of them. But this is no surprise. Even the old Russia did not have enough sanatoria and hospitals for them. Now the whole country has become a madhouse. The murders continue and the blood flows on, albeit only Gentile and Aryan blood.

When during the 1922 Famine, 30,000 human beings were dying every day, Jewish leader Trotsky made the sarcastic remark: "All the better — look at the paperwork that will save us now!"

### 3. Tsars assassinated by the Jews

After Nicholas I, his son Alexander II mounted the throne, a true friend of his people. In 1861 he abolished serfdom and gave the peasants land. This reform happened through the mir arrangement of village communities — an institution far closer to true and sincere communism than the capitalistic, tax-exploitative system we see in Soviet Russia today.

This same tsar, Alexander II, who in 1864 gave his people a whole new trial procedure for their court system — then the fairest and most progressive in Europe — underwent seven attempts to assassinate him, until finally, in an eighth attempt perpetrated by Goldmann, Liebermann and Zuckermann — can anyone mistake their race? — successfully carried out the wishes of London.

[Great Britain was by this time in the control of the Jewish bankers of the City of London.]

Alexander II, the great benefactor of his nation, was dynamited on March 1, 1881 — the very day that he was to bestow on his country a new, constitutional form of government.

Alexander II was gone.

Alexander III now became tsar. With respect to this monarch who preserved European peace, we Russians were all convinced that when he died in 1894, he had succumbed to a normal illness — in this case an acute kidney infection. How

great was afterward our amazement when we learned — on the run, in exile, and from Jewish sources — that this tsar too had fallen victim to the criminal minds of the tribe of Judah.

The Jew Saltus exults over this fact in his book *The Imperial Orgy*, published in New York in 1920. In his foam-mouthed delirium over the successful downfall of the Gentile-Aryan world he explains in his book how the Jews, working with the Entente powers — England, France, the U.S. and Italy — got rid of the tsars one after the other.

He further relates that, at the same time as Russian churches were praying for the health of the tsar, he was being cursed in the synagogues.

My note this is true and was proved in the 1911 case of the ritual murder of Andrei Youshchinsky, who was ritually murdered by the local Jewish community as part of a ritual by their own confession to help bring down the Tsar and Russia to Jewry:

<http://groups.yahoo.com/group/JoSNewsletter/message/242>

"While the murder which was have proven to have taken place inside the synagogue of a local Jewish owned and operated brick factory, the Jury could not determine for certain if it was Beiliess who had wielded the implement that punched Andrei over 45 times around his body killing him, drawing as much blood possible carefully from Andrei's body in the process. It was stated the puncher marks

done to the side of the child's head where done specifically for a special part of the ritual as a sacrifice so the Jews could overthrow the Czar."

To the bedside of the sick tsar his personal physician, Zakharin, was summoned. Zakharin, a perfectly good Russian name, and yet — a Jew. When he arrived to see the tsar in Livadiya, he had the medicine all ready for him in his vest pocket. The kind of medicine is easy to imagine: a one-way ticket into the next world.

After the trusting tsar had swallowed the medication and was rolling in pain on his bed, Zakharin bent over-him — according to Saltus — with a diabolical grin on his face.

The tsar choked out the words "Who are you?"

Zakharin's answer: "I am a Jew!" And with enormouschutzpah, he then turned to the empress and the tsar's ministers and said: "Not to worry, his majesty is only talking in a fever!"

Then he bent over the dying man and grinned at him again: "You are breathing your last breath—and we have won!"

This comes straight from the Jew Saltus in his book *The Imperial Orgy*.

#### 4. The murder of millions of Gentiles by the Cheka

And then the Russian Revolution came.

Who were these friends of the common people who in the name of freedom, equality, and democracy began annihilating the Gentile-Aryan population?

Undoubtedly there were among them some true idealists [useful idiots of Jewry] who really believed that they could use murder and manslaughter, robbery and theft, to make a happier world and a new paradise of equality. The well-known result, however, was a living nightmare consisting of hunger, deprivation, despair and an equality only in one's right to be murdered by the Jewish-controlled Cheka [forerunner of the KGB].

The word "Cheka" is not only an acronym in Russian for "Special Commission for Fighting Counter-Revolution," but also a Yiddish expression for animal slaughter. How fitting this expression! We Gentiles, who are called "goyim" or cattle, are in the Jewish view mere animals. Yahweh gave us human faces, however, so as to spare the Jews the distress of having servants who looked like animals.

[Paraphrased]

The first provisional government [after the abdication of Tsar Nicholas II and just before the 1917 Bolshevik Revolution] consisted exclusively of [Corrupted] Freemasons of Romance-language initiation, from France or Italy, and funded by [Jew Rothschild] English money.

The criminality of this "provisional government" knew no bounds, because it did the most despicable thing a government can do. It ignored the promises, purposes and ideals for which it was put in power—and for which it had overthrown the Tsar, head of state.

The nine months of this "government" was nothing but a gestation period, and horribly pregnant Russia gave birth to the mis-carriage on October 27, 1917. It can rightly be said that power was lying there on the street and the Bolsheviks merely picked it up. To provide a show for the friendly democracies abroad, there had to be street battles in Russia. And so the prime minister Kerensky, a half-Jew whose real name was Kirbis, meaning "pumpkin", deliberately sent a battalion of women and young officer cadets into the jaws of a howling and murderous mob, where they were sadistically annihilated. Meanwhile Kerensky, dressed in a sailor suit, fled St. Petersburg.

Just before that, Kerensky had signed — for publicity reasons — an arrest warrant against the "traitor Trotsky" [Bronstein]. But when General Polovtsev showed up with his Cossacks in Trotsky's apartment to arrest him, there sitting in a plush armchair with Trotsky was Kerensky, sipping a liqueur. He took the arrest warrant from the astonished general's hand, theatrically tore it up, and sent the general on his way — a man who lacked the courage to simply arrest both these scum — for in a revolution, the first one to pick up his stick is on top.

In any case, the Russian and foreign publics were to be treated to scenes of urban warfare and bloodshed.

Aryan blood, of course.

##### 5. [Jew] Lenin, a syphilitic psychopath

The Mensheviks, or "majority people", wanted a peaceful socialist welfare state and limited state ownership of industries as in Sweden. The Bolsheviks, or "minority people" [i.e., mostly Jews] wanted a reign of terror and total nationalization under Lenin and Trotsky.

The Mensheviks made only one condition: that Lenin explain himself with respect to allegations of theft from the Party. When the convention began and Lenin was challenged to give an account of himself, he stood up, stuck his hands in his pockets and proclaimed that his standing was so high in the party that he owed no one any answers.

When Lenin first arrived in Russia from Germany, he was already demented from untreated or poorly treated syphilis.

With this softening of the brain — a sort of gumming of the tissues — he was now fully qualified to pour his criminal fantasies into the ears of the foaming mob.

Russia already stood in flames, and the shabby gang of brigands were encouraged by Lenin's slogan, "Rob back what they robbed from us!"

And so the mob hurled themselves upon the meager remains of Russian society. Under the joyful croakings of Jewry, Mother Russia was submerged.

Truly, truly the "international proletariat" can be proud: its leader a [Jew] thief, its prophet a syphilitic, its greatest man a mass murderer.

Instead of leading mankind into the bright light above the clouds, it has jammed human-ity down into the sewer, and it is no accident that his mausoleum — "Lenin's tomb" — looks today like a public lavatory.

After the February Revolution of 1917, Nicholas II abdicated his throne and took refuge with his family in a house in Yekaterinburg. The Czar, his wife, his son, his four daughters, his servants and family doctor were all killed in the same room by the Bolsheviks on the night of July 17, 1918. It has since been confirmed that Lenin ordered the clandestine killings from Moscow.

Veteran British journalist Robert Wilton explains in his cult classic, *The Fall of the Romanovs*, how the murder of the Tsar and his family was orchestrated entirely by Jews:

"The whole record of Bolshevism in Russia is indelibly impressed with the stamp of an alien invasion. The murder of the Tsar, deliberately planned by the Jew Sverdlov, and carried out by the Jews Goloshchekin, Syromolotov, Safarov, Voikov, and Yorovsky, is the act not of the Russian people, but of this hostile invader." (Robert Wilton, *The Fall of the Romanovs*, p.148).

## 6. Trotsky, another killer of Gentiles

Lenin's great rival was a man who nearly exceeds him in treachery, viciousness and sadistic love of executions: the Jew Laibe Bronstein, who now calls himself Leo Trotsky.

This Bronstein-Trotsky character formerly was an ultra-radical writer of gall-dripping articles for Jewish newspapers. But long before the war he was an agent

of the tsarist secret police in Vienna, reporting on Russian Jews who had deserted from the Russian armed forces.

Trotsky, a full-blooded Jew, betrayed his racial brothers to the Russian government for 150 gold crowns a month [about \$200]. This perhaps tells us all we need to know about him.

He moved to St. Petersburg and founded a very bourgeois and capitalist freight-moving business. Later he got into the business of lopping off heads when it became more advantageous to be a commu–nist. The whole communist system under Soviet Judea is shot through with bizarre values. While pure communism is said to promise a community of sharing, the slogan of Russian communism seems to be: "What's mine is mine — and what's yours is mine, too!"

FAMOUS TROTSKY QUOTE (1917):

"We must turn Russia into a desert populated by white negroes upon whom we shall impose a tyranny such as the most terrible Eastern despots never dreamt of. The only difference is that this will be a left-wing tyranny, not a right-wing tyranny. It will be a red tyranny and not a white one. We mean the word `red' literally, because we shall shed such floods of blood as will make all the human losses suffered in the capitalist wars pale by comparison. The biggest bankers across the ocean will work in the closest possible contact with us. If we win the revolution, we shall establish the power of Zionism upon the wreckage of the revolution's funeral, and we shall become a power before which the whole world will sink to its knees. We shall show what real power is. By means of terror and bloodbaths, we shall reduce the Russian intelligentsia to a state of complete stupefaction and idiocy and to an animal existence."

From the `Memoirs of Aron Simanovich', quoted in *The Nature of Zionism* by Vladimir Stepin, Moscow, 1993, and translated from Russian into English by Clive Lindhurst.

7. Fiendish tortures devised by the Jewish Cheka

A whole shelf of books with both written and photographic documentation has been published on this theme.

I need mention only *The Blood Intoxication of the Bolsheviks* by Nilostonsky, *The Battle Against Bolshevism* by Avalov, *The Plague over Russia* by Albert Rosenberg, *Soviet Russia* by Katharina Haug-Houg, and *The Cheka* by Georg Popov.

[My note when Adolf Hitler was still a soldier in the Germany Army he was in one of the units that was brought to deal with the Jewish Communist insurgency in Germany he personally along with thousands of other German Nationalist fighters saw the remains of innocent Germans murdered the same way by the Jewish Bolsheviks in the city.

Hundreds of reports and letters coming back from the East during the war from Axis troops and commanders mentioned finding the same, the bodies of Gentile victims of similar atrocities [killed by the Jewish NKVD] in liberated cities, towns and villages. This is what led to the pogroms as hundreds of outraged Gentiles who had suffered for over a decade under the Jewish Red Terror Machine took to the streets to find those Jews within their kosher prized communities who had been their tormenters and murders of their friends and family members for years. As recent KGB reports also show the majority of the Russians in the liberated Axis territory welcomed and worked with the Axis forces on every level, willingly and thanked them for liberating them from the Jewish terrorism and oppression. Over a million also fought as volunteers for the Axis force to help liberate the rest of the Russia's from Communist Jewry. Most were later killed by the Jewish Communist occupation state after the war to the sum of millions. Their crime was wanting to be free.]

“The Jew is immunized against all dangers: one may call him a scoundrel, parasite, swindler, profiteer, it all runs off him like water off a raincoat. But call him a Jew and you will be astonished at how he recoils, how injured he is, how he suddenly shrinks back: “I’ve been found out.” -Joseph Goebbels.

Here now are some of the gruesome tortures devised by the Jewish Cheka for its mostly Russian Gentile victims.

When the Reds occupied a city, they took hostages such as people wearing ties or workers in their Sunday best. They stripped them naked and then bound onto the stomach of the murder victim an empty flower pot into which a ravenous, starving rat was placed. Through the small water hole in the base of the flower pot a red-hot iron rod was pushed to torment the rat and make him wild, causing

him to try to burrow himself away from the rod and deep into the abdomen of the horrified human victim.

They lined up other victims in military formation, then ordered the first row to place one hand upon a wooden table. A nail was driven through the hand into the wood. Then they cut a full circle around the wrist skin, drenched the hand in boiling water and pulled the hand and finger skin right off. This they called "making gloves".

Interestingly, each torture chamber had its own special torture lady, always a Jewess or [Jew] Latvian female, usually with a nickname such as "Dora, the glove maker" or "Rosa, the glove lady."

It comes as no surprise to us to learn that the chief justice of a criminal court in Moscow is also a Jewess, Anya Glusmann, who is said to love pronounc-ing death sentences above all else, and, according to a fawning newspaper article about her, she loves flowers and perfume after a "hard day's work."

There is more: such as placing a man's head on an anvil, then slowly exploding it using a huge iron hammer with ever-increasing weights.

Those fated to suffer the same death the following day were ordered to pick up the brain and bone pieces, the nerve tissue and blood which they witnessed flying around the room. When ordered to their work they were told: "You are digging your own grave. You must be happy that tomor-row your own kind will be picking up the pieces of your cadavers."

People had their eyes gouged out, the tongue severed, and the ears sliced off.

Then they were buried alive.

Or their abdomen was opened with a knife and the first section of their intestines was nailed to a telephone pole. They were then forced to run around the pole as their entrails unwound until death came.

Officers of the Russian navy were steamed to death in their own engine rooms.

They were chained to ce-ment blocks and hurled off the piers so that their tethered corpses, decomposing and rising under the waves, formed hideous, tossing forests of the dead.

General Viren of Kronstadt had both his arms hacked off and was then paraded around the downtown area until it became boring, whereupon he was shot.

Human beings had burning cigars pushed into their open eyes until they were blind, their entire body being roasted on spits.

Heads were squeezed slowly to the bursting point with special brain vises.

The German Army discovered a chamber full of these and similar devices, including a testicle-cracker, in an underground chamber in Ukraine in 1941. Adapted dentist drills were used to drill deep into the brain.

They sawed off the top of people's skulls and forced others to eat their brains, whereupon the eaters then came under the saw and in turn had their own brains eaten. [Paraphrased]

Entire families were arrested and children tortured before the eyes of their bound parents, or the wife was tormented before the eyes of her husband or the reverse.

The Bolsheviks drove nails into empty wooden barrels, then jammed human beings inside, rolling the barrels around merrily.

Mass graves of people buried alive were found by the White Army. Victims of live burial usually have dirt in their mouth and nostrils from trying to breathe. The writhing bodies of these people were found in the most bizarre contortions.

And all this in the sweet name of freedom and democracy!

\* \* \*

Another examination of the situation:

An Orgy of Murder, Extreme Torture and Pillage

The orgy of murder, torture and pillage which followed the Jewish triumph in Russia has never been equaled in the history of the world. For more than a thousand years, the White Russians, descendants of German settlers in Russia, had provided an economic climate in which Russia, the "breadbasket of Europe", had prospered.

In a few days, this stable civilization vanished, perhaps never to return. The fortunate ones were those who recognized the peril in time to flee with nothing but the clothes on their backs.

Those who dallied or sought to save others were shot down in mass executions persisting through the night, the constant rattle of machine guns muffled by the roar of truck engines raced at full throttle to drown the sound of the shots and the screams of the dying. Had you experienced the high standard of living in feudal Russia, perhaps, you would have a different opinion of this alleged prosperity.

The T'zar's exquisite daughters. At first, the girls did not die because of the jewels sewn into their corsets. These jewels were for protection but also so that the family could have some money for when they fled the country. The shooters were horrified at how the girls were able to withstand the bullets. To solve that problem, the shooters tried to stab them with bayonets. That failed, too, because of the jewels, so then, they were shot in the head at close range.

The key word here is "hatred". The Jews were free to indulge their most fervent fantasies of mass murder of helpless victims. Gentiles were dragged from their beds, tortured and killed.

Some were actually sliced to pieces, bit by bit, while others were branded with hot irons, their eyes poked out to induce unbearable pain. Others were placed in boxes with only their heads, hands and legs sticking out. Then hungry rats were placed in the boxes to gnaw upon their bodies.

Some were nailed to the ceiling by their fingers or by their feet, and left hanging until they died of exhaustion.

Yakov (Yankel) Mikhailovich Yurovsky [Jew] is best known as the chief executioner of Russia's last emperor, Tsar Nicholas and his family after the Russian Revolution of 1917.

Others were chained to the floor and hot lead poured into their mouths.

Many were tied to horses and dragged through the streets of the city, while the mob attacked them with rocks and kicked them to death.

Mothers were taken to the public square and their babies snatched from their arms. A Red terrorist would take a baby, hold it by the head, head downward, he would toss the baby into the air, while another member of the mob rushed forward to catch it on the tip of his bayonet.

Pregnant Gentile women were chained to trees and their babies cut out of their bodies.

There were many places of public execution in Russia during the days of the Revolution one of which was described by the American Rohrbach Commission, (Defender Magazine, October, 1933):

"The whole cement floor of the execution hall of the Jewish Cheka of Kiev was flooded with blood; it formed a level of several inches. It was a horrible mixture of blood, brains and pieces of skull. All the walls was bespattered with blood. Pieces of brains and of scalps were sticking to them. A gutter of 25 centimeters wide by 25 centimeters deep and about 10 meters long was along its length full to the top with blood.

"Some bodies were disemboweled, others had limbs chopped off, some were literally hacked to pieces. Some had their eyes put out the head, face and neck and trunk were covered with deep wounds. Further on, we found a corpse with a wedge driven into its chest. Some had no tongues. In a corner we discovered a quantity of dismembered arms and legs belonging to no bodies that we could locate."

The Jewish Communist Chekists took pleasure in brutally torturing their victims: Victims where nailed to trees, had their eyes gouged out, noses cut off, ears removed, tongues removed. There were [Jewish] Chekists who cut open their victim's stomach, pulled out a length of small intestine, nailed it to a telegraph pole, and with a whip forced the victim to run circles around the pole until the whole intestine became unraveled. Eyes of Gentiles victims were poked out, their tongues cut off, and they were buried alive. A major Gentile member of the Voronezh area was boiled alive in a big pot, after which others of the community, revolvers at their heads, were ordered to drink. In Kharkov people were scalped. In Tsaritsyn and Kamyshin peoples hands were amputated with a saw. In Poltava and Kremchug the victims were impaled. In Odessa they were roasted alive in

ovens or ripped to pieces. In Kiev, victims were placed in coffins with decomposing bodies and buried alive.

On March 13, 1917, Jacob Schiff sent Milyukov, new Minister of Foreign Affairs of the Bolshevik Revolutionary Government, and a personal friend of Schiff, a telegram reproduced in the New York Times, April 10, 1917:

"Allow me, as the irreconcilable enemy of the tyrannical autocratic government which pitilessly persecuted our co-religionaires[Jews], to congratulate through your intermission the Russian people for what they have so brilliantly accomplished, and to wish success to your comrades in government and to yourself."

We already know of the glee with which Jacob Schiff and other Jewish bankers greeted the news that their co-Jews in Russia were now engaged in the favorite Jewish practice of mass murder, but what of American government officials, who were well-informed by a number of intelligence sources about these atrocities?

The Overman Committee in 1919 published a report of its findings which are pertinent to this subject. Titled, "Bolshevik Propaganda Hearing Before the Subcommittee of the Committee on the Judiciary, United States Senate, 65th Congress," it records the testimony of Dr. George A. Simons, former superintendent of the Methodist Missions in Russia, from which we briefly quote:

"We were told that hundreds of agitators had followed in the trail of Trotsky-Bronstein, these men having come over from the lower east side of New York. Some of them, when they learned that I was the American pastor in Petrograd, stepped up to me and seemed very much pleased that there was somebody who could speak English, and their broken English showed that they had not qualified as being real Americans.

"A number of these men called on me and were impressed with the strange Yiddish element in this thing right from the beginning, and it soon became evident that more than half the agitators in the so-called Bolshevik movement were Jews. I have a firm conviction that this thing is Yiddish, and that one of its bases is found in the east side of New York.

"The latest startling information, given me by someone with good authority, is this, that in December, 1918, in the northern community of Petrograd ~ that is

what they call the section of the Soviet regime under the Presidency of the man known as Apfelbaum (Zinoviev) ~ out of 388 members, only 16 happened to be real Russians, with the exception of one man, a negro from America who calls himself Professor Gordon.

"I was impressed with this, Senator, that shortly after the great revolution of the winter of 1917 there were scores of Jews standing on the benches and soap boxes, talking until their mouths frothed, and I often remarked to my sister, 'Well, what are we coming to anyway. This all looks so Yiddish.'

Up to that time we had very few Jews, because there was, as you know, a restriction against having Jews in Petrograd, but after the revolution they swarmed in there and most of the agitators were Jews.

"I might mention this, that when the Bolshevik came into power, all over Petrograd, we at once had a predominance of Yiddish proclamations, big posters and everything in Yiddish. It became very evident that now that was to be one of the great languages of Russia; and the real Russians did not take kindly to it."

A widely known French journal, "L'Illustration", of September 14, 1918, commented, "When one lives in contact with the functionaries who are serving the Bolshevik Government, one feature strikes the attention, which, is almost all of them are Jews. I am not at all anti-Semitic; but I must state what strikes the eye: everywhere in Petrograd, in Moscow, in provincial districts, in commissariats, in district offices, in Smolny, in the Soviets, I have met nothing but Jews and again Jews.'

"The more one studies the revolution the more one is convinced that Bolshevism is a Jewish movement which can be explained by the special conditions in which the Jewish people were placed in Russia."

Alexander Solzhenitsyn relates that some sixty-six million "real Russians" have been murdered since the Bolshevik Revolution at the hands of the Yiddish revolutionaries, and now two hundred million citizens of the United States await their turn in the abattoirs of the bloodthirsty Jewish terrorists.

Rev. Denis Fahey, in his book, "The Rulers of Russia", exposed the real names of many of the Jewish terrorists who operated the Soviet murder machine in Russia.

Trotsky was Bronstein, Martov was Zederbaum, Zinoviev was Apfelbaum, Kamenev was Rosenfeld, Parvus was Helphand, Bohrin was Nathanson, and so on.

Many of the White Russians fled towards the Pacific, from Vladivostock to the Port of Dairen. The Russian women, who had presided over the most gracious palaces known to European civilization, were forced to turn to prostitution to find bread for their starving children; others, finding the degradation unbearable, committed suicide or slowly starved to death. Decades after the Russian Revolution, some of the White Russian women could still be found in houses of prostitution in Shanghai, Peking and Tokyo.

The male survivors of the Marxist Terror, many of them highly cultured scholars, philosophers and scientists, found no means of support from their highly specialized talents in the harsh Asiatic world of the refugee. One Russian General was seen pulling a rickshaw as a coolie in Shanghai for a few days; he later hung himself in his barren room.

Those who survived the initial Terror in Russia were fated for an even harsher death, a slow agonizing one as a prisoner in a Jewish operated concentration camp. For many years the Jews, through their total control of the media in Gentile nations, prevented any word of the horrors which they daily perpetrated on Gentiles in Soviet Russia from reaching the outside world.

Finally one victim, who had survived a sentence in a concentration camp, Alexander Solzhenitsyn, reached safety. In his book, "The Gulag Archipelago", he informed an incredulous world that the blood-maddened Jewish terrorists had murdered sixty-six million victims in Russia from 1918 to 1957!

Solzhenitsyn cited Cheka Order No. 10, issued on Jan. 8, 1921: "To intensify the repression of the bourgeoisie." It was this order on which the establishment of the terrible Siberian camps, Kolyman and many others was based. Solzhenitsyn also brought to the Gentile world the names of the mass murderers who ran these camps.

All of them were Jews. Typical was one Lazar Kogan, who watched thousands of slave laborers die during his stint as boss of the White Sea Canal construction. He would sometimes remark to a new prisoner, "I believe that you personally were not guilty of anything. But, as an educated person, you have to understand that social prophylaxis was being widely applied."

"Social prophylaxis" was one of the vicious Jewish phrases which they used as euphemisms for their massacre of the Gentiles. Their victims, once they were consigned to the camps, were no longer considered human, as the Jews considered all others to be non-human. They were known simply by the nickname of "zeks", slang for "zakluchenny", which means "prisoner" in Russian.

The Jews were given another opportunity to massacre helpless Gentiles during the Spanish Civil War [Communist attempted take over of Spain]. Ernest Elmhurst states in "World Hoax", p. 157, "Of no less significance was the transfer of Soviet Russia's former peace delegate at Geneva ~ the Jew Rosenberg (Moses Israelsohn) with his staff of 140 members to the office of Ambassador to Spain in August of 1936."

This cadre of highly trained specialists in torture and murder passed over a reign of terror which was largely ignored by the rest of the world, because the journalists covering the Spanish War, Ernest Hemingway and many others, were themselves sympathetic to the Communists and they sought only to discredit the Spanish patriots, the "Fascists" as they contemptuously termed them.

The [Jew] Rosenberg murder teams were called "World Revolutionary Movement Purification Squads." Their "purification" consisted mainly of massacres of priests, nuns, choirboys and women and children.

In Madrid, it was estimated that one tenth of the population of Spain was murdered by the Communist Jews by 1939. De Fonteriz in "Red Terror in Madrid" tells how Cheka crews organized by Dimitrov and Rosenberg carried out a program of torture and murder so obscene that it cannot be repeated or described.

Early in World War II, the Communist delighted in the opportunity to indulge in their favorite sport of mass murder. During the first days of the war, 15,000 Polish officers, who were the flower of the nation, were captured. They were taken to three Jewish operated Communist camps, Starobiesk, Kozielsk, and Ostashkov. Only 448 were ever seen alive again. The rest vanished, but not without trace.

The Kozielsk camp was situated in the grounds of a former Orthodox monastery, five miles from the Kozielsk railway station in this camp, about 5000, were sent away in small groups, the process continuing until April, 1940.

Parfeon Kisselev said that in the spring of 1940 prisoners were brought to Katyn Forest in three or four buses daily. >From his house he heard shots and shouts. It was rumored that 10,000 Poles were shot there. When the German Army occupied the area in 1943 an investigation was begun.

The Final Report of the German Police dated June 10, 1943, states that, "It was proved that, without exception, death was caused by a shot in the back of the neck. The seven mass graves of murdered Polish officers which have been cleared cover a relatively small area. >From the translation of diaries, of memoirs and other notes found with the bodies, it was proved that the officers who had been taken prisoner by the Soviet Army in 1939 were sent to various camps: Kozielsk, Starobielsk, Ostashkov, Putiviel, Bolotov, Pavlishcev Bor, Shepyetovka, Gorodok.

"The majority of those killed in Katyn Forest had been in the Kozielski camp. From the end of March, until the first day of May, 1940, the prisoners from Kozielsk arrived by rail. The exact dates cannot be established. A few short intervals apart, a batch left almost every day; the number of prisoners varied between 100 and 300 persons.

"Thence, in the early morning, the prisoners proceeded in special Lorries to the Katyn Forest. There the officers were immediately shot, thrown into the waiting graves and buried, as may be seen from the evidence of witness Kisselev, who has seen the ditches being prepared. That the shooting took place immediately after the arrival of a batch of prisoners is proved by witnesses who heard shots after every such arrival.

"There was no accommodation in the forest apart with the rest house, which has a limited capacity. From the position of the bodies it may be assumed that the majority were murdered outside the graves. Very many of the dead men had their hands tied behind their backs. The evidence of witnesses confirms that access to the forest was forbidden. Voss, Secretary of the Field Police." Professor Butz's Report stated, "Documents found on the victims (identity cards ~ but not military passports ~ diaries, letters, postcards, calendars, photographs, drawings, etc. gave the names, age, profession, origin and family relations of the victims. Pathetic entries in the diaries testify to the treatment of the victims by the [Jewish] NKVD.

"Letters and postcards from relatives in Upper Silesia, in the 'General Government' and in the Russian-occupied zone, written, to judge the post office

stamps, between Autumn, 1939, and March or April, 1940, clearly point to the time of the crime (spring, 1940)."

The Katyn Case came before the Nuremberg tribunal as part of the general trial of German "war criminals", the Soviets having claimed this atrocity had been committed by the Germans. Although it was on the agenda, the Soviets omitted it from the judgment, nor was any Pole allowed to testify about it.

Mr. G.F. Hudson wrote in the quarterly, "International Affairs", "The unquiet dead of Katyn still walk the earth." In subsequent years, a number of Congressmen have sought to reopen the case, including Hon. George A. Dondero, Hon. Ray Madden and others.

A U.S. Congressional Select Committee, 2 July 1952, reported that "The committee unanimously agrees that evidence dealing with the first phase of its investigation proves conclusively and irrevocably that the Soviet NKVD (People's Commissariat of Internal Affairs) committed the massacre of Polish Army officers in the Katyn Forest near Smolensk, Russia, not later than the spring of 1940.

"The committee further concludes that the Soviets had plotted this criminal extermination of Poland's intellectual leadership as early as the fall of 1939 ~ shortly after Russia's treacherous invasion of the Polish nation's borders. There can be no doubt that this massacre was a calculated plot to eliminate all Polish leaders who subsequently would have opposed the Soviets' plan for communizing Poland."

The end of World War II gave the Communists the opportunity to wreak revenge on all who had opposed them during the war. As a result, from two to five million victims were massacred by Jewish terrorists in France, Italy, Czechoslovakia, and other countries in which the Communists were allowed by their Allies to murder at will all anti-Communists or "Fascists".

The Sunday Oklahoman shed some light on this horror, Jan. 21, 1973, "Document tells Allied Part in Deaths of Thousands": "A former White House consultant has provided the Sunday Oklahoman with a secret document exposing for the first time what appears to be Allied complicity in the deaths of thousands of unsuspecting, liberated prisoners of war and displaced persons after World War II.

"The document, a 10-page British Army report, is believed to be part of voluminous Anglo-American files on the forcible repatriation to the Soviet Union of an estimated 2 to 5 million unwilling anti-Communists between 1944 and 1948. The files, codenamed Operation Keelhaul, are still kept under tight security in London and Washington as virtually the last major secret of World War II.

"The secret British report summarizes one repatriation operation in Italy in which Russian POWs and DIs were turned over to the Red Army and almost certain execution after being duped by the British into believing they would be given asylum in the West. It tells of the agony and the horror experienced by the prisoners."

The leading criminal in this mass execution of two to five million anticommunists was ~ who else ~ our grinning Ike, head of the European sector for the Allied armies, or, as you may know him, our former President, [Jew] Eisenhower. The crime of Operation Keelhaul was not on the agenda at Nuremberg.

To finance the State of Israel which was created as a direct result of the Jewish victory over the Gentile nations in World War II, Jews, who had committed all the atrocities, now imposed enormous "reparations" demands on the conquered German people.

To date, they have extorted more than thirty-five billion dollars from German workers, money which has been collected at the points of bayonets, not Jewish bayonets, but the bayonets of the American Army, which has been maintained as an occupying force in West Germany for nearly four decades, solely to provide military power behind the puppet German Government, which has as its primary function the furnishing of money for the parasitic State of Israel.

Some twenty years after World War II, the Jews began to fear that scholars might focus on the terrible massacres of women and children during that war by armies directed by the Jews. The incineration of thousands of families by mass fire-bombings of the cities of Cologne, Hamburg, Berlin, Dresden and other European cultural centers; the firestorms which killed many thousands of families in Tokyo; as well as the nuclear holocausts unleashed on civilian populations at Hiroshima and Nagasaki in the last days of the Japanese War, when the Imperial Staff was already suing for peace (the Jews did not want to lose this opportunity to test

their new Jewish H-Bomb on human targets); these and their numerous other war crimes, began to concern the Jews.

Their guilt was inescapable; it seemed a mere matter of time until their crimes would call down retribution on their heads. To forestall this possibility, the Jews began a furious campaign of their own; a highly synchronized and coordinated worldwide campaign publicizing their new myth, the "Holocaust", in which six million Jews were said to have been burned.

Six million Jews were also said to have been gassed. Whether this meant there were actually twelve million Jews "killed" no one seems to know. That holocausts, or mass murders by fire, occurred during World War II was a matter of historical record.

There existed photographs of stacks of burned corpses, which had been made in Cologne, Hamburg, and Dresden after the mass fire-bombing of those cities by Allied aircraft. The problem the Jews faced was that there had been no holocausts of Jewish victims during World War II, nor were there any photographs of burned Jewish bodies.

Not to worry ~ the Jews simply appropriated the photographs of the bodies of their German victims, which are exhibited today in gruesome "museums" in Germany as exhibits of dead Jews. It was a matter of record that the Jews had actually done quite well during World War II.

In Germany, incredible sagas of bribery and corruption on the home front had secured the mass evacuation of all Jews from German cities just before the fire bombings began. When entire German families perished amid scenes of unspeakable horror, the Jews were safely ensconced in comfortable quarters in such refugee camps as Auschwitz.

The ultimate testimony as to their rescue by being segregated in these remote camps, far from the danger of the mass bombing raids, comes from ~ who else ~ the Jews themselves. As they never cease to assure us ~ they "survived".

Although they survived amid scenes of genocide or massacres of non-Jews in many countries, they realized several decades later that it was necessary for their purposes to claim that they had been "exterminated".

The protection camps in which they had been safely segregated by the Germans during World War II now became "death camps". Not only were they death camps, but they were camps such as Auschwitz, memorialized in the Atlantic Monthly, Sept. 1981, as having "its own soccer stadium, its own library, its own photo lab, and its own symphony orchestra."

The same article proudly boasts that "the hospital at Auschwitz grew to considerable size, with about twenty doctors and more than three hundred nurses." This was a "death camp?" The fact was that there was not a single German military field hospital near any combat front as sizeable or as well-equipped as the hospital at the "death camp" of Auschwitz, yet Auschwitz is always cited by the Jews as the place where millions of Jews were "put to death".

The purpose of the large modern hospital has never been satisfactorily explained, since the Jews now claim that within hours after arriving at Auschwitz, the Jews were hurried to the "gas chambers". This claim might have more validity had it not been for one unfortunate oversight by the Jews ~ they did not build the gas chambers at Auschwitz until after World War II had ended.

Almost forty years after the war, in which "six million Jews were murdered by the Nazis", as they claim, there are annual festivals, conventions, and other mass gatherings of many thousands of the "survivors of the death camps". Even more peculiar, hardly any of these prosperous, healthy and well fed "victims" claim to have been the survivor of only one "death camp".

Nearly all of them claim to have been a prisoner in five or six of the camps, this at a time when Germany, fighting a two front war, could not keep its troops supplied in the combat areas. The Jews ask us to believe that every few months they were transferred from one camp, put on a train and carried hundreds of miles to another "death camp" to be killed, and then a few months later, apparently not having been killed, they were entrained to yet another "death camp", where they remained without being harmed until the end of the war.

The reason for the otherwise inexplicable claims of the Jewish "Survivors" that they were in many different "death camps" is revealed by a simple explanation, "gelt". The "survivors" regularly receive monthly payments from the conquered Germans.

"Garfinckel" receives a monthly payment in Israel from Germany because he was a prisoner in Auschwitz.

"Rosenfeld" receives a monthly payment from Germany in Israel because he was a prisoner in Treblinka.

"Steinberg" receives a regular monthly payment in Israel from Germany because he was a prisoner in Dachau.

Garfinckel, Steinberg, and Rosenfeld ~ you don't know them? He's the same fat, grinning Jew you saw in the news coverage of the Holocaust convention.

The Myth of the Holocaust or the "vanished six million Jews" is not solely a matter of collecting revenue from defeated enemies. It is also one of the most powerful weapons of propaganda in the hands of the Jews in their drive for total world power.

Today, all officials seeking to continue in office or to seek higher office in the United States must not only make a ritual pledge of eternal and unquestioning faith in the Myth of the Holocaust. To question the Myth of the Holocaust means a challenge to the Jewish world dictatorship, and it must be punished at once by the most severe sentence. Thus the most fantastic elaborations on the basic lie of the "Six million" appear regularly on American religious programs, in educational books, and in the press.

Among the rare public figures who have dared to question the Myth of the Holocaust are such individualists as the actor Robert Mitchum, who told an Esquire interviewer, in response to a question about "the six million", "So the Jews say." "So the Jews say?" shrieked the horrified interviewer. "Yeah," growled Mitchum, "so the Jews say."

Another actor, Ronald Reagan, while seeking public office, told a Jewish audience in California that "It might help your cause if you would limit your claims of victims to numbers that you could actually prove." A reporter noted that "the audience began to hiss like geese, in a rapidly rising cacophony while the aspiring politician dashed to the wings, never to reappear in the particular auditorium."

Whatever Reagan's doubts about "the six million", he has since kept them to himself. The Reagan Administration will be remembered for the ultimate enshrinement of "the final solution". Two government buildings on the

Washington Mall have now been given by "our government" to the Jews for a "Holocaust Memorial".

The Washington Mall, like the Roman Forum, is the center of American aspirations for our Republic, and runs from the White House to the Capital with its principal adornment the magnificent Washington Monument. To the consternation of most Americans, the Washington Monument can now be called "Jew Alley".

Many native Washingtonians have begun to express criticism of this amazing development. In the Washington Post, April 25, 1983, William Raspberry writes on the editorial page, "I simply don't understand it." He points out that although this is to be an official American monument; neither the perpetrators nor the victims were Americans.

He quotes a Howard University professor as wondering why there shouldn't be a Slavery Memorial on the Mall to honor the memory of the slaves, or a Wounded Knee Memorial for the Indians. What he doesn't say is that the erection of a Jewish Memorial on the Washington Mall is a boast of absolute power, that the Jews have achieved absolute power over their goyim slaves in America.

We can understand that there is a huge memorial to Karl Marx erected in Red Square in Moscow. Are we incapable of understanding why a memorial to the Jews is erected on the Washington Mall?

Raspberry, who is black, goes on to tweak the big noses of his Jewish employers, the Meyer family who own the Washington Post, by saying that "a pledge that nothing of this sort will ever be permitted to happen again" worries him, because it is happening right now.

He doesn't mention the obvious example, the Rosh Hashanah Massacre of Arab women and children in Lebanon, but of course Raspberry fails to understand two crucial factors; first, that "it" never happened at all, and second, that the Jews are attempting to place the rest of the world on notice that "the Chosen People" are sacred, and that no one must ever harm a hair on their heads.

It's quite all right to massacre all the goyim or non Jewish cattle, in Cambodia, Vietnam, Africa, or Lebanon; this has nothing to do with the "sacred" presence of the Jew.

"Never Again?" the well-publicized slogan of the Jews which refers to the Myth of the Holocaust, should more properly be "Never", meaning that not only did it never happen but that it is all right for the Jews to massacre the gentile cattle whenever it suits their purposes, because the Myth of the Holocaust gives carte blanche to the Jews to kill as many gentiles as possible, "The diminution, the killing out of the Goyim," as old Anselm so lustfully put it, because it is obvious that the more gentiles that are killed, the fewer remain alive as a possible threat to the Jews.

The Myth of the Holocaust is interpreted by the Jews as giving them permission to maintain international murder squads whose assassins routinely carry out executions in every country of the world, not only against "enemies of Israel", but also against those who are merely suspected of being "potential enemies of Israel". It pays to be careful.

In no country are the murder squads of the Mossad, the Israeli Intelligence Service, given greater freedom than in the United States. Cooperation with the Jewish assassins is the first line of business for the CIA, the FBI, and the IRS.

The Mossad routinely gives these government agencies lists of American individuals on its hate lists, who are to be given "special attention". These lists comprise more than half of all the IRS "special audits" of American citizens.

Despite the frenetic cooperation of official American bureaus with the Israeli assassins, the favor is rarely returned. The Jews treat the American goyim with justifiable contempt, and rarely lose an opportunity to spit in their faces.

Our Marines soon found this out in Lebanon, when the Israeli soldiers routinely threatened them, offensively cut across Marine lines, and shot at them. Menachem Begin's political stance at the present time is to maintain a strong Israeli military presence in Lebanon, despite President Reagan's frequent whines that the Israelis really ought to pull out of that war torn country.

At these requests, the Israelis responded with the assassination of President Gemayel, and the Rosh Hashanah Massacre of women and children. The latest requests for Israeli withdrawal were met with the "mysterious" explosion which blew up the U.S. Embassy in Beirut, with great loss of life. It is confidently stated that this explosion will never be solved. As long as the Jews, Walt Rostow and Henry Kissinger (both Zionists) were selling out U.S. interests things were fine.

Secretary Shultz must wonder when Begin will order him to be murdered, and President Reagan and others as well. The Israelis are the most likely suspects in the U.S. Embassy explosion. An extremist named Abu Nidal was named in Jack Anderson's column, April 25, 1983, Washington Post, that "secret State Dept. reports quoted two highly placed intelligence sources explanation that the explosion was in Israel's interests as it aided to 'divide and conquer' to disrupt the PLO by setting one faction against the other. The sources said Israel had secretly provided funds to Abu Nidal's group."

From the outset, the Myth of the Holocaust has had its problems with "the numbers game". It has not been easy to sell the story of the "extermination" of an entire people, when that people is more numerous, more visible, more prosperous, and more powerful in more countries than at any time during its history.

It is even more difficult to sell the story of "survivors of death camps", who survived, not one year, but stays of four to six years in "death camps", in which, according to the testimony of the "Survivors", "everyone was being killed every day"; survival, not merely in one "death camp", but tours of five or six camps over a period of four to six years.

The casualty rate would be higher on a bus tour of the Bronx. It took a certain amount of raw courage to fix on the number of those "exterminated" at the magic figure of "six million" during a period when the world census of Jews showed an increase from ten million to twelve and a half million. Even the most hardened Jews shrank from the certain exposure and censure of peddling such fantastic lies to the most gullible of the goyim.

Fortunately, they did not have to. If Ronald Reagan expressed some hesitancy at accepting the magic figure of six million early in his career, other goyim, notably, the great evangelists, showed no such qualms. There is now some rivalry among the million dollars a week stooges who jumped on the Golden Bandwagon, but there seems to be little doubt that it was not Billy James Hargis, the Bible-thumper, but Billy Graham, "that nice boy from North Carolina," who first struck gold in the Myth of the Holocaust.

Graham soon proved his loyalty to the State of Israel, while Billy James Hargis and Rev. Carl McIntire huffed and puffed in his well-tailored rear. In recent years, they

have been surpassed by two even smoother peddlers of "fundamentalist Christianity", Jerry Falwell and Pat Robertson.

Each day these servile shabez goi pay homage to the Myth of the Six Million, urging their bewitched television audience to send more money to them, and of course, to Israel.

## Communist Horror

by Samy Abbas

This is a very revealing article about the TRUE nature of jewish communism. This unfathomable jewish program, just like its jewish twin, christianity, promise peace and once they gain power over a Gentile Peoples, they, under MAINLY jewish hands, inflict the most unbelievable, brutal and unimaginable horror. Xianity, as has been said before by our Clergy, is a stepping off point to jewish communism.

A proof of this is the Russia of today. One would think that after almost 100 years of jewish communism, which they claim is "against" xianity, the Russians of today, after almost 3 generations of communism, would not be xians. However, is this the case?? No, Russia is one of the most xian nations on Earth. One jewish ideology didn't work out, so they substitute in its twin. That is why, the kikes, all over the world, try to push this venomous so called "religion" on People. This is especially true in China, which has been under jewish communism for almost 50 years now, and xianity is the fastest growing religion in it, while TRUE spiritual practices, such as Tai Chi, are heavily persecuted.

A reminder to people, most of the horrible crimes committed by jews against Gentiles are blameD on our Noble Nazi Leaders, who were practicing Spiritual Satanists, no different than how their bible blames Satan for everything.

Behold, a jewish paradise on Earth:

### **The Atrocities of Jewish Bolshevism**

The litany of torturous, blood-curdling atrocities committed by the Marxist Jews against the long-suffering Russians (and other European peoples: Ukrainians, Belarussians, Poles, Hungarians, etc) are calculatingly listed by author Juri Lina, in his monumental work "Under the Sign of the Scorpion". One should approach the following text on an empty stomach, as the blunt descriptions of these grotesque, hebrew-inspired misdeeds is simply nauseating:

"Lenin and his accomplices did not arrest just anyone. They executed those most active in society, the independent thinkers. Lenin gave orders to kill as many students as possible in several towns. The Chekists arrested every youth wearing a school cap. They were liquidated because Lenin believed the coming Russian

intellectuals would be a threat to the Soviet regime. (Vladimir Soloukhin, "In the Light of Day", Moscow 1992, p. 40.)

The role of the Russian intellectuals in society was taken over by the Jews.

Many students (for example in Yaroslavl) learned quickly and hid their school caps. Afterwards, the Chekists stopped all suspect youths and searched their hair for the stripe of the school cap. If the stripe was found, the youth was killed on the spot.

The author Vladimir Soloukhin revealed that the Chekists were especially interested in handsome boys and pretty girls. These were the first to be killed. It was believed that there would be more intellectuals among attractive people. Attractive youths were therefore killed as a danger to society. No crime as terrible as this has hitherto been described in the history of the world.

The terror was co-ordinated by the Chekist functionary Joseph Unschlicht. How did they go about the murders? The Jewish Chekists flavoured murder with various torture methods. In his documentary "The Russia We Lost", the director Stanislav Govorukhin told how the people in Kherson were crucified. The peasant Andronnikov in Perm was tortured: his eyes were poked out, his ears and nose were cut off. In Kharkov a man, Dmitri was undressed. Afterwards, a Chekist cut off his right hand.

Several sources tell how the Chekists in Kharkov placed the victims in a row and nailed their hands to a table, cut around their wrists with a knife, poured boiling water over the hands and pulled the skin off. This was called "pulling off the glove". In other places, the victim's head was placed on an anvil and slowly crushed with a steam hammer. Those due to undergo the same punishment the next day were forced to watch. The eyes were poked out, their tongues were cut off and they were buried alive. There were Chekists who used to cut open the stomachs of their victims, following which they pulled out a length of the small intestine and nailed it to a telegraph pole and, with a whip, forced the unlucky victim to run circles around the pole until the whole intestine had been unravelled and the victim died. The people in Voronezh were boiled alive in a big pot, after which others, with revolvers aimed at their heads, were forced to drink this soup.

Other Chekists crushed the heads of their victims with special headscrews, or drilled them through with dental tools. The upper part of the skull was sawn off and the nearest in line was forced to eat the brain, following which the procedure would be repeated to the end of the line.

The Chekists often arrested whole families and tortured the children before the eyes of their parents, and the wives before their husbands. Mikhail Voslensky, a former Soviet functionary, described some of the cruel methods used by the Chekists in his book "Nomenklatura" / "Nomenclature" (Stockholm, 1982, p. 321): "In Kharkov, people were scalped. In Voronezh, the torture victims were placed in barrels into which nails were hammered so that they stuck out on the inside, upon which the barrels were set rolling. Marks were burned into the foreheads of the victims. In Tsaritsyn and Kamyshin, the hands of victims were amputated with a saw. In Poltava and Kremenchug, the victims were impaled. In Odessa, they were roasted alive in ovens or ripped to pieces. In Kiev, the victims were placed in coffins with a decomposing body and buried alive, only to be dug up again after half an hour."

Lenin was dissatisfied with these reports and demanded: "Put more force into the terror!" All of this happened in the provinces. The reader can try to imagine how people were executed in Moscow. The Russian- Jewish newspaper Yevreyskaya Tribuna stated on the 24th of August 1922 that Lenin had asked the rabbis if they were satisfied with the particularly cruel executions.

The Russian people remember with horror their Jewish executioners, all of whom had their own methods for getting rid of their enemies. Ashikin in Simferopol made his victims march stark naked before him whereupon he hacked off their arms and ears with his sword before he personally pressed out their eyes and cut off their heads. The chief executioner in Nikolaiev, Bogbender, had his victims walled in alive. Deutsch and Wichman worked in Odessa. They claimed to have no appetite until they had killed several hundred goys. The Chekists in Voronezh committed ritual murders. Among other things, they used to boil their victims alive. That was a common method of getting rid of goys. Nearly all the inhabitants of Pyatigorsk were exterminated. All this information was published in the Russian newspaper Russkoye Vosskresenye, No. 3, 1991.

It is impossible, for lack of space, to describe all the butchers and their crimes. I shall just mention some numbers. During a single year in power, the Bolsheviks

exterminated 320 000 men (Molodaya Gvardiya, No. 6, 1989). A total of 10 180 000 “class enemies” were murdered between 1918 and 1920. Another 15 million people died during the civil war. During the famine of 1921-22, another 5 053 000 people perished. The Bolsheviks, headed by Lenin, managed to destroy over 30 million people during their first four years in power.

In 1917, 143.5 million people lived in the part of Imperial Russia, which later became Soviet Russia. Russia had lost more than 20 per cent of her population by 1922. Only 131 million lived there in 1923. It has been calculated that Russia’s population, under normal circumstances, should have increased to 343 million by the middle of the 1950s, that is, if the development had continued as it had begun in the Tsarist era. 165 million people disappeared. Who in the West mourns for them? There were 178 million left.

Kaganovich and his cronies brought about this genocide by the introduction of confiscatory taxation on those peasants who remained after the extermination of the “kulaks”. Meanwhile, he sent out new gangs of fanatical activists who commanded enforcement patrols, especially in the Ukraine, where the borders to the other Soviet republics had been closed off. The political activists took away every grain of corn and every egg, every vegetable and every fruit of the farms’ produce. Convoys of trucks carried all the food away. Each piece of bread, which should have been brought to the starving, was confiscated at the border. Every Ukrainian, who might be suspected of the least, often invented, attempt at lessening the full impact of the famine or of hiding foodstuffs from the authorities, was shot or sent to the labour camps. (Robert Conquest, “The Harvest of Sorrow: Soviet Kollektivization and the Terror-Famine”, Alberta, 1986.)

Each morning, wagons drove about to collect the dead in the Ukraine and southern Russia. Bodies lined the roads in Central Asia too. Cannibalism became increasingly common in the Ukraine in 1934. Several sources show that the famine even brought forth actual slaughterhouses for orphaned children, whose meat was later sold.

The systematic killing of large numbers of children began as early as 1934. After all, they cost money... In Moscow, the murders were carried out in the prison dungeons of the Lubyanka, the Butyrka and the Lefortovo. Stalin and Kaganovich had their most famous victims cremated at night, following which they had the ash smuggled out and buried in a mass grave in the Donskoye graveyard. This

seemed the safest way to complete the total elimination of their important victims.

Far from all of those killed in the jails of Moscow during the 1930s, the 1940s and the beginning of the 1950s were cremated. Most of them were thrown into various mass graves in Moscow. One of those hitherto unknown mass graves was found in the Kalitinsky graveyard in southern Moscow. The NKVD used it as a dumping site for bodies for several years in the 1930s.

The covered lorries arrived at around five in the afternoon, every single day for seven years between 1934 and 1941. They drove up to the far end of a ravine, turned around and reversed up to the edge. The trucks were painted blue-green and lacked side-windows. Instead, large letters on the sides of the truck announced SAUSAGES or MEAT and sometimes CAKES. When the truck had backed up to the edge and stopped, a hatch was opened at the back and two officers wearing NKVD uniforms, rubber boots, long rubber aprons in black and gold and elbow-length rubber gloves seized the corpses by the heads and legs and threw them down into the ravine. Two other soldiers waited down below with shovels and threw some earth on the bodies. The corpses were always naked. They all had bullet holes in their heads; a small entry hole in the back of the neck and large exit hole in front. They had been shot from behind. The executioners had an unlimited supply of alcohol. They were usually drunk, sometimes extremely.

## The Genocide at Vinnitsa

By Dr. William Pierce

ADV Broadcast: RAM, MP3

We spoke a few weeks ago about the mass murder of the leadership stratum of the Polish nation by the Soviet secret police in the Katyn Forest in April 1940. We discussed that genocidal atrocity in the light of the ongoing Jewish campaign to portray Jews as the principal victims of the Second World War and to collect reparations from the rest of the world today. A good deal of interest in that broadcast was expressed by listeners, many of whom had not been acquainted previously with the facts of the Katyn atrocity. Today I will explore this general subject further. I will tell you about the fate of the Ukrainian nation at the hands of the Soviet secret police.

In 1943 Germany was at war against the Soviet Union. Twenty-five years earlier, at the end of the First World War, when communist revolutionaries were attempting to take over Germany, Adolf Hitler had sworn to devote his life to fighting communism. He was only a corporal at the time, recuperating from his war wounds in a military hospital, but 15 years later, in 1933, he became chancellor of Germany, and in 1941 his army invaded the Soviet Union with the aim of destroying Soviet communism. The German Army pushed far into the Soviet empire and liberated all of Ukraine from the communists.

In May 1943 units of the German Army were stationed in the Ukrainian city of Vinnitsa, a community of 100,000 persons in a primarily agricultural district. Ukrainian officials in Vinnitsa told the Germans that five years earlier the NKVD — the Soviet secret police, very similar to our FBI — had buried the bodies of a number of executed political prisoners in a city park. The Germans investigated, and within a month they had dug up 9,439 corpses from a number of mass graves in the park and a nearby orchard.

Unlike the Poles murdered in the Katyn Forest, all of these bodies found at Vinnitsa were those of civilians, most of them Ukrainian farmers or workers. The bodies of the men all had their hands tied behind their backs, like the Polish officers at Katyn. Although the men's bodies were clothed, the bodies of a number of young women were naked. All of the victims had been shot in the back of the neck with a .22 caliber pistol, the trademark of the NKVD executioners.

The Germans called in an international team of forensic pathologists to examine the bodies and the mass graves. The international team, which included pathologists from Belgium, France, Netherlands, and Sweden, as well as from several countries allied with Germany, examined 95 mass graves and conducted a number of autopsies.

Including the autopsies already performed by Ukrainian medical personnel in Vinnitsa, 1,670 of the corpses were examined in detail. The identities of 679 of them were established either through documents found in their clothes or through recognition by relatives, who flocked to Vinnitsa from the surrounding countryside when they heard that the graves had been uncovered.

The authorities estimated that in addition to the 9,439 bodies exhumed, there were another 3,000 still in unopened mass graves in the same area. The international team concluded that all of the victims had been killed about five years earlier — that is, in 1938. Relatives of the victims who were identified all testified that the victims had been arrested by the NKVD in 1937 and 1938. The relatives had been told that those arrested were “enemies of the people” and would be sent to Siberia for 10 years. None of the relatives had any idea what the reason was for the arrests and testified that those arrested had committed no crimes and were engaged in no political activity. As I said earlier, nearly all of the victims were farmers or workers, although there were a few priests and civil servants among them.

By interviewing a large number of people who had some knowledge of what had happened in Vinnitsa and the surrounding region in 1938, the Germans were able to piece together the following picture. In 1937 and 1938 gangs of the NKVD’s jackbooted thugs roamed the villages and towns of Ukraine, arresting people in a pattern that seemed almost random to observers. One victim’s wife reported that as the NKVD goons dragged her husband away they said only, “Hey, you dog! You’ve lived too long.” Other observers thought they saw a pattern. A Ukrainian who was renting a part of his house to a Jewish lawyer refused to sell the whole house to the Jew when he offered to buy it at an unreasonably low price. A few weeks later the Ukrainian homeowner was arrested by the NKVD. Another Ukrainian who had threatened to beat up a minor communist functionary who made a crude pass at his sister was arrested shortly thereafter. It seemed that many of the arrests were the settling of personal scores and that anyone who had crossed a Jew was especially likely to be arrested.

All of this was nothing new for Ukrainians. They had borne the brunt of the communization the Soviet Union for nearly two decades. Ukraine was primarily an agricultural nation, a nation of farmers and villagers, and as such was regarded with suspicion by the Jews and the urban rabble who filled the ranks of the Communist Party. The communists championed the urban workers, but they wasted no love on farmers and villagers, who tended to be too independent and self-sufficient for communist tastes.

During the civil war which followed the Bolshevik Revolution of 1917, the Ukrainians wanted to opt out. Ukrainian nationalists wanted no part of the Soviet Union. In 1921 and 1922 the Red Army occupied Vinnitsa, and Ukrainians were butchered wholesale by the Reds in order to kill the Ukrainian nationalist spirit. The craving for Ukrainian independence nevertheless kept flaring up, and further massacres followed, notably in 1928.

Ukraine was the stronghold of the kulaks, the independent farmers and small landowners, always regarded with special hatred by the communist bosses. Stalin gave the job of exterminating the kulaks to his right-hand man in the Kremlin, Lazar Moiseivich Kaganovich, known later as the "Butcher of Ukraine." Kaganovich, the most powerful Jew in the Soviet Union, supervised the collectivization of Ukrainian farms, beginning in 1929. To break the spirit of the kulaks, the Ukraine was subjected to an artificial famine. The NKVD and Red Army troops went from farm to farm, confiscating crops and livestock. The farmers were told that the food was needed for the workers in the cities. None was left for the farmers. And in 1933 and 1934 seven million Ukrainians died of starvation, while Kaganovich watched and gloated from the Kremlin.

Perhaps in 1937 and 1938 the bosses in the Kremlin simply thought that it was time to apply the lash to the Ukrainians again. In any event, the NKVD was given the task this time. The NKVD was even more Jewish than the rest of the Soviet communist apparatus.

The commissar of the NKVD until September 1936 had been the Jew Genrikh Yagoda, and he had staffed his instrument of terror and repression with Jews at every level. And those who were not Jews were the worst sort of Russian and Ukrainian rabble, the resentful louts and ne'er-do-wells who saw in communism a way to get even with their betters. In any event, the Ukrainians were fully aware of the preponderance of Jews in the secret police, and they suspected that there

was a Jewish angle to the pattern of arrests in 1937 and 1938. And indeed, it did seem as if the Talmudic injunction to “kill the best of the Gentiles” were being followed, for those who were arrested seemed to be the most solid, the steadiest, the most reliable and irreproachable of the Ukrainians.

Thirty thousand were arrested in the Vinnitsa region alone, and most of these eventually were sent to the NKVD prison in the city of Vinnitsa. This prison had a normal capacity of 2,000 prisoners, but during 1937 and 1938 it was packed most of the time with more than 18,000 prisoners. Throughout much of 1938 a few dozen prisoners were taken from the prison each night and driven to a nearby NKVD motor pool area. There their hands were tied behind their backs and they were led, one at a time, a few hundred feet to a concrete slab in front of a garage. The slab was used for washing vehicles, and it had a drain at one side with an iron grating over it. Just as the prisoners reached the edge of the slab they were shot in the back of the neck, so that when they fell onto the concrete their blood would run into the drain. This was what the NKVD men jokingly called “mokrii rabota” — “wet work” — and they had had plenty of experience at “wet work.” A truck parked next to the slab kept its engine racing so that the noise of the engine would cover the sound of the shots. While the next prisoner was being led up, a couple of NKVD men would throw the corpse of the previous prisoner into the truck. When the night’s quota of victims had been murdered the truck would drive off with its load of corpses to the fenced-in park or to the nearby orchard, where new graves already were waiting. And this “wet work” went on night after night, month after month.

So why is this gruesome story important to us now? After all, this massacre of Ukrainians in Vinnitsa took place 60 years ago. I’ll tell you why it’s still important to us, aside from the fact that these Ukrainians were our people, our kinfolk, part of our race.

First, you might ask yourself why you have never before heard about Vinnitsa, and I’m sure that’s the case for about 99 per cent of our listeners. Of course, Alexander Solzhenitsyn wrote about what happened at Vinnitsa, in the third volume of his *Gulag Archipelago*, but you’re not likely to find that in the rack at the checkout counter. And Ukrainians and Germans have written about it, although for the most part their writings have never been published in English, because publishers in this country understand that it would be Politically

Incorrect to publish anything about Vinnitsa. Much better that people just forget about it.

Isn't that odd, though, when we continually hear so much about Auschwitz? Isn't it odd that when Jewish groups are using their political influence to have laws passed in a number of states requiring high school students to take courses about the so-called "Holocaust," what happened at Katyn or at Vinnitsa is never mentioned in high school? The excuse given for requiring students to study the so-called "Holocaust" is that it was the greatest crime in history, and we should know about it so that we won't repeat it. But then why shouldn't we learn about Katyn and Vinnitsa and Dresden and a thousand other atrocities where our people were the victims, and so the lesson should be even more pertinent for us?

You know, I'm not trying to be cute about this. We all know the answers to these questions, but I just want you to think about their significance. To them, Auschwitz is important because Jews died there, and Vinnitsa is not important, because only Gentiles were killed there. The Jewish media bosses keep rubbing our noses in Auschwitz, because they want us to feel guilty, they want us to feel that we owe the Jews something for letting it happen. The Jewish media bosses never mention Vinnitsa because Jews were the guilty ones there. Besides, they make a lot of money by promoting the "Holocaust." It's certainly not going to help their profits to divide the attention and the sympathy of the American public between Auschwitz and Vinnitsa. And it's certainly not going to help their effort to extort billions of dollars in "Holocaust" reparations from the Swiss and from everyone else to admit their own guilt at Katyn and Vinnitsa.

Think about it! If Poles controlled the news and entertainment media in America, we'd hear a great deal more about Katyn, I suspect. If Germans controlled our media we'd hear much more about the terror bombing of Dresden. And if Ukrainians controlled our media, every high school student would know about Vinnitsa. But it's the Jews who control our media, and so all we hear about is Auschwitz: never even a whisper about Vinnitsa. That's important. We ought to be concerned about that. We ought to be concerned whenever any part of our history is suppressed, is hidden from us. We ought to find out why. It might help us to make sure that what happened to us at Vinnitsa never happens to us again.

I'm sure that you've all heard the maxim that the best defense is a strong offense. Do you remember the persecution all through the 1980s of John Demjanjuk, the

retired Cleveland auto worker whom the Jews accused of being “Ivan the Terrible”? John Demjanjuk\* is a Ukrainian who came to America after the Second World War. In 1978 the Jews made a big hullabaloo about Demjanjuk being a guard in a German prison camp during the war, and the U.S. government obediently hauled him to court and stripped him of his citizenship. Then he was handed over to the Jews for crucifixion and deported to Israel. The mass media in America were full of sensational stories for 15 years about Ivan the Terrible and how the Ukrainians had helped the Germans persecute the poor, innocent Jews. Unfortunately, this strategy worked for the Jews. The Ukrainians kept their heads down instead of raising the issue of Vinnitsa. Of course, even if they had begun trying to tell Americans about Vinnitsa or about what Kaganovich had done to the Ukrainian kulaks, who would have heard them? Ukrainians don't own the New York Times, the Washington Post, the Wall Street Journal, Time magazine, Newsweek magazine, or U.S. News & World Report. The Jews own all of those media. And the Ukrainians don't own Hollywood, so they can't make movie dramas about Vinnitsa either, like Steven Spielberg does about the so-called “Holocaust.”

The crux of this matter is that the Jews have been getting away with presenting a grossly distorted version of history to us, a version in which they are the completely innocent victims, and our people, the Ukrainians and Poles and Germans are the bad guys who have been persecuting the poor Jews for no reason at all. They've been pumping out this propaganda in concert, consciously and deliberately, without a single major medium under their control deviating from their party line. And people try to tell me that, well, the Jews may control the media, but they don't conspire with each other. Baloney!

And because they've been getting away with giving us a falsified version of history, they've been able to change America's foreign and domestic policies in directions to suit themselves, to our enormous disadvantage. Everything which has happened in the Middle East, for example, since the Second World War is based on this false history.

More than that, everything that has happened in Europe since the murder of 12,000 Ukrainians at Vinnitsa in 1938 has been based on the Jews' power to control what we learn about our history, about what is happening and has happened in the world around us. The U.S. government allied itself with the Soviet government in 1941 for the purpose of destroying Germany. The

communists were presented to the American public as the good guys, as worthy allies, and the Germans were presented as the bad guys. And the American public bought that lie because they didn't know about Vinnitsa or about a thousand other atrocities committed against our people by the communists.

When the Germans brought in the international commission to examine the graves in Vinnitsa in 1943, the Jew-controlled media kept the news from the American people, just the way they kept the news about the Katyn Forest genocide away from the American people. And because of this, there was no real opposition to turning half of Europe over to the communists at the end of the Second World War.

If Katyn and Vinnitsa had been publicized, so that every American voter knew in detail what the NKVD had done at Katyn and at Vinnitsa, the politicians in Washington never would have been able to get away with turning the Poles and the Hungarians and the Rumanians and the Bulgarians and the Croats and the Serbs and the Czechs and the Slovaks and the Baltic peoples and all of the Germans in the eastern part of Germany over to these communist butchers. The politicians in Washington got away with this not just because they were in the pockets of the Jews, but because the American people weren't given the truth. And because we weren't given the truth millions more of our people died at the hands of the NKVD after the war, and all of eastern Europe was plundered by the communists for 50 years, and there was a Korean War and a Vietnam War — which there wouldn't have been if we hadn't kept the communist empire alive because of our own ignorance, because of the lies we'd been told about what happened in Europe. We lost more than 100,000 of our best young men in the Korean and Vietnam wars alone.

So you see, it is important what the public is told. It is important that our people know the truth about our history, even about things which happened 60 years ago. And I intend to do everything I can to give them the truth.

Now I believe that you can understand why the Jews try so hard to keep me off the air, why they bring pressure against every radio station which carries American Dissident Voices. They are desperate to keep the American people in the dark about Vinnitsa and Katyn and their other crimes. And I am determined to tear down the curtain of silence and darkness and give truth and light to our people.

And there is some urgency about this, because the Jews are continuing to push for laws against what they call “hate speech” — which means any speech which contradicts their lies. They have succeeded in getting such laws passed in other countries. If I tried to make this broadcast in Canada or Britain, for example, the police would arrest me and shut down the station before I could finish. Let’s not let that happen in America.

The history no one is suppose to know. The other Holocasut we never heard about.

Under Stalin if you were Anti Semitic you were put to death.

The government of the USSR under Stalin murdered many of its own citizens and foreigners. These mass killings were carried out by the security organisations, such as the NKVD, and reached their peak in the Great Purge of 1937-38, when nearly 700,000 were executed by a shot to the base of the skull. Following the demise of the USSR in 1991, many of the killing and burial sites were uncovered. Some of the more notable mass graves include:

Bykivnia – containing an estimated 120,000 – 225,000 corpses.

Kurapaty – estimations range from 30,000 to 200,000 bodies found.

Butovo – over 20,000 confirmed killed.

Sandarmokh – over 9,000 bodies discovered

Many other killing fields have been discovered several as recently as 2002. In the areas near Kiev alone, there are mass graves in Uman’, Bila Tserkva, Cherkasy and Zhytomyr. Some were uncovered by the Germans during WWII; Katyn and Vinnitsa being the most infamous.

There is more.

The Great Famine-Genocide in Soviet Ukraine (Holodomor)

The man-made Famine of 1932-1933 in Ukraine may be receding into the ever more distant past, but 65 years after, its legacy remains. It’s one of those cataclysms that launched massive undercurrents with profound historical impact.

Tragically, it's also an event of cosmic magnitude that barely registered on world consciousness when it occurred and is scarcely remembered today.

Here's what happened: In April 1929, Joseph Stalin ordered the first Five-Year Plan, in which he decreed that Soviet agriculture be collectivized by the end of 1933. For individual farmers that meant turning their land and livestock over to the state and becoming workers on giant collective farms.

Not surprisingly, there was widespread resistance, particularly in Ukraine.

The official press – in the Soviet Union there was no other kind – began denouncing reluctant landowners as “class enemies,” “rich kulaks exploiting the masses.” That set the stage for Stalin's decree at the end of December 1929 to “liquidate the kulaks as a class.” In Ukraine, primarily a peasant society, that was just about everybody. The Russian heartland, with its age-old tradition of the “mir” or commune, had few independent farmers and therefore few “kulaks,” as Stalin defined them.

As voluntary collectivization stalled, Stalin turned up the heat with arrests, evictions and confiscations until finally in 1932 he unleashed an army of Communist Party activists who laid siege to thousands of Ukrainian villages, raiding homes, taking every grain of wheat, every scrap of food they could find.

Like many Ukrainian Americans, I've always seemed to have known about the Famine. I'm Catholic, but from time to time I would go to Holy Trinity Ukrainian Orthodox Church in Cleveland, where I heard some memorable sermons delivered by the Rev. Kovalenko about what he had lived through as a boy in Poltava during the Famine. My hair would stand on end. I remember the passion and pain in the Rev. Kovalenko's face, his sermon ending with a warning about the consequences of Godless atheism.

I no longer recall the words themselves, so instead let me quote Lev Kopelev's anguished confession: “In the terrible spring of 1933, I saw people dying from hunger, I saw women and children with distended bellies, turning blue, still breathing but with vacant lifeless eyes. And corpses – corpses in ragged sheepskin coats and cheap felt boots; corpses in peasant huts, in the melting snow of the old Vologda, under the bridges of Kharkiv.

..." Kopelev was one of those, to quote his own words, who went "scouring the countryside, searching for hidden grain, testing the earth with an iron rod for loose spots that might lead to buried grain. With the others, I emptied out the old folks' storage chests, stopping my ears to the children's crying and the women's wails."

Fred Beal, an American Communist whose idealism brought him to work at the Kharkiv Tractor Plant in 1933, was a witness, not a participant. "I watched on the sidelines," he wrote, "ashamed of being a party to the system that was murdering these innocent people ... I had never dreamed that Communists could stoop so low as to round up hungry people, load them upon trucks or trains, and ship them to some wasteland in order that they might die there.

Yet it was a regular practice. I was witnessing myself how human beings were being tossed into the high trucks like sacks of wheat. Right there and then I was determined to make a complete break with the Stalin gang and return to the capitalist world.

No one knows for sure how many people were murdered during that horrible year. As Nikita Khrushchev put it, "No one was keeping count." Robert Conquest, the great historian of the Famine, estimates 7 million victims.

Astonishingly, the press, particularly in Britain and the United States, failed to report the story. No one was more remiss than Walter Duranty, The New York Times correspondent to the Soviet Union. In November 1932, when many people including those from the Ukrainian American community were spreading the alarm about the devastation in Ukraine, he assured his readers that "there is no famine or actual starvation, nor is there likely to be."

In August 1933, after millions had already died, he wrote that "any report of a famine in Russia is today an exaggeration or malignant propaganda."

The closest Duranty came to acknowledging Stalin's genocidal policy was in a dispatch from March 30, 1933, when he wrote, "There is no actual starvation or deaths from starvation, but there is widespread mortality from diseases due to malnutrition." As far as Duranty was concerned that was okay because, "To put it brutally – you can't make an omelet without breaking eggs." Walter Duranty won the Pulitzer Prize for his series of dispatches from Russia, "especially the working out of the Five-Year Plan."

Did Duranty know better? He sure did. In “The Harvest of Sorrow,” Dr. Conquest cites a September 30, 1933, dispatch from the British chargé d’affaires to Moscow: “Mr. Duranty thinks it quite possible that as many as 10 million people may have died directly or indirectly from lack of food in the Soviet Union during the past year.” Others reported a similar disconnect between what Duranty knew and what he reported.

So why did he do it? His book from 1937, “I Write As I Please,” offers a clue: “Am I wrong in believing that Stalin is the greatest living statesman?” Mass murderers can’t be statesmen, so Duranty decided there could be no Famine.

As far as I know, the Pulitzer Prize Committee has never moved to revoke Duranty’s prize and The New York Times has never publicly repudiated it or offered to return it.

The Western press is not the only institution that denied the existence of the Famine. So did the Soviet Union – obviously. For more than half a century, any mention of the Famine was punished with a long prison sentence.

Today in Ukraine, people know about the Famine, but it is largely a repressed memory. This affects the national psyche, permitting Communists to run for office without shame or remorse. Unfortunately, their influence on Ukraine’s economy is enormous, since the Communist Party constitutes the core of a parliamentary coalition that blocks legislation to dismantle the state-run farms, the Famine’s malignant legacy.

These bloated, bureaucratic structures provide the apparatchiks who run them with political patronage and allow them to divert agricultural resources to their own purposes. As a result, Ukraine gets little benefit from her greatest potential asset: agriculture.

The International Monetary Fund and the World Bank are ready to help Ukraine, with the United States poised to provide political backing, but reforms must be approved first, including the privatization of land.

Vice-President Al Gore delivered that message in Kyiv on July 22, and he was right to do so. There’s no point in subsidizing the collective farm system or other wasteful, inefficient Ukrainian institutions.

As for the majority of Ukrainians, they undoubtedly favor land reform, but this is a country where Communists have a 75-year head start on political organization. What the CPU lacks is the vision for a positive program; they only have the means to block change. This cannot be sustained forever.

Today, seven years after declaring independence, Ukraine's problem is spiritual as much as it is political and economic. The country has to confront its past and come to terms with it, the Famine above all. That process has hardly begun.

For such a huge historical event, such an enormous crime as the Famine, surprisingly little scholarly and literary work has been done. Dr. Conquest, obviously, stands out. So does Jim Mace, who directed the U.S. Commission on the Ukraine Famine, as well as Slavko Nowytski who produced the film "Harvest of Despair" and, of course, The Ukrainian Weekly. There's a scattering of other books and materials, but little of recent vintage or mass circulation.

The New York Times could help enormously by acknowledging and fixing Walter Duranty's mendacious work from 65 years ago. Nothing would help more, though, than having Verkhovna Rada approve the privatization of land.

I can't think of a better monument to the victims of the Famine or a more fitting way of telling their descendants – the nation – we're sorry.

## Hideous Allied War Crimes During And After WWII

Sadism Pure And Raw

From Ingrid Rimland

irimland@mail.bellsouth.net

7-12-3

Good Morning from the Zundelsite:

The ZGram below is one that probably few people ever forgot who read it on May 31, 1996 when I first sent it out. In the wake of what Truman said about the cruelties of certain people in power who care not at all about others, it certainly merits a repeat.

Brace yourselves - it is not pleasant reading.

Yet this is the kind of sadism I saw with my own eyes as a child, and this is why so many of the World War II generation so bitterly resent what is being claimed over and over about them by their detractors. There was unbelievable, truly satanic suffering in Europe in those years - and much of it happened long after all shooting had stopped.

Here is my ZGram I sent around the world more than seven years ago:

Good Morning from the Zundelsite:

May 31, 1996

Some months ago Ernst asked me to do a report on Allied atrocities during and after World War II, and toward that end, he sent me some information, among them a book in German title, "Alliierte Kriegsverbrechen" - Allied War Crimes.

I started reading it and underlining certain passages, but not for long - because I realized that I was getting nauseated. It was a compilation of first-person testimony as to what happened when the Allies (particularly the Red Army) started to carve up a prostrated and defeated Germany.

I made several attempts to finish this assignment, but I couldn't do it. I simply couldn't do it. Even now, I feel a moral obligation to finish it, but even thinking about it makes my palms clammy and my heart race. People in the West have

simply no idea what went on in Europe after the Allies began to push the Germans back - from 1943 on!

I have given the material below a lot of thought as to whether or not I should send it to my ZGram readers. It isn't pretty reading. It was published recently in *Der Freiwillige*, June 1995, pages 10-11, under the title *In Their Terror All Were Alike*, written (or edited) by Hans Koppe.

". . . Since the same old stories of war crimes allegedly committed by the Germans are being parroted over and over again in prayer-wheel fashion, particularly by the younger generations who are too lazy (or deliberately unwilling) to obtain a real grasp of the subject through the study of documents from the archives of our former enemies' documents which are both accessible and irrefutable - we wish to call to mind the following report which first appeared 30 years ago in the *Deutschland Journal* of April 23, on p. 7 of issue 17.

It is supplemented with the eyewitness report of an armoured infantryman who recorded his impressions on March 7, 1995. P. 7, issue 17, April 23, 1965 (*Deutschland-Journal*). Report of the German-Brazilian citizen Leonora Geier, nee Cavao, born on October 22, 1925 in Sao Paulo, Brazil. Before the expulsion she lived in Hirschberg, Bahnstrasse 8.

Present at the writing of this report:

Bernhard Wassmann, born on May 10, 1901, Bautzen, Senftenberger Strasse 15;

Reiner Halhammer, born on February 3, 1910, Bautzen, Sterngrasse 2;

Manfred Haer, born on April 9, 1929, Gorlitz, A.Bebel-Strasse 1;

Kyrill Wratilavo, born on March 3, 1918, Bautzen, Karl-Marx-Strasse 25.

The witnesses present confirm that the aforementioned, Leonora Geier, made this report without any coercion, threats or other outside influence, motivated solely by the need to make the terrible events of the time of the German Reich's collapse known to posterity since she has received permission to emigrate to Brazil.

The report was drawn up on October 6, 1955 and discusses the events of February 16, 17 and 18 1945, which are already partially known. At that time the witness was employed as typist in Camp "Vilmsee" (of the RAD), the Women's

Labour Service. Being a Brazilian, she was considered by the Russian Army to be an ally put to forced labour in the service of the National-Socialist state

These prerogatives were attested to by a document which she presented here and which bears the rubber stamp of the First White Russian Army. Since the present report disregards existing moral standards and sexual taboos, it must under no circumstances be made available to underage persons.

All events are recounted in a plain, straight-forward manner in order to document historical accuracy. Nothing has been added, nothing was withheld.

Bernhard Wassmann and Manfred Haer were members of the Infantry Artillery and Training Company I. G. 81 and were assigned to rescue operations in the aforementioned camp when the city of Neustettin was occupied following the temporary retreat of the First White Russian Army:

"On the morning of February 16 [1945] a Russian division occupied the Reich Labour Service camp of Vilmsee in Neustettin. The Commissar, who spoke German well, informed me that the camp was dissolved and that, as we were a uniformed unit, we were to be transported immediately to a collecting camp.

Since I, being a Brazilian, belonged to a nation on friendly terms with the Allies, he entrusted me with the leadership of the transport which went to Neustettin, into the yard of what used to be an iron foundry. We were some 500 girls from the Women's Reich Labour Service.

The Commissar was very polite to us and assigned us to the foreign workers' barracks of the factory. But the allocated space was too small for 11 of us, and so I went to speak to the Commissar about it.

He said that it was, after all, only a temporary arrangement, and offered that I could come to the typists' office if it was too crowded for me, which I gladly accepted. He immediately warned me to avoid any further contact with the others, as those were members of an illegal army. My protests that this was not true were cut off with the remark that if I ever said anything like that ever again, I would be shot.

Suddenly I heard loud screams, and immediately two Red Army soldiers brought in five girls. The commissar ordered them to undress. When they refused out of modesty, he ordered me to do it to them, and for all of us to follow him.

We crossed the yard to the former works kitchen, which had been completely cleared out except for a few tables on the window side. It was terribly cold, and the poor girls shivered. In the large, tiled room some Russians were waiting for us, making remarks that must have been very obscene, judging from how everything they said drew gales of laughter.

The Commissar told me to watch and learn how to turn the Master Race into whimpering bits of misery. Now two Poles came in, dressed only in trousers, and the girls cried out at their sight. They quickly grabbed the first of the girls, and bent her backwards over the edge of the table until her joints cracked. I was close to passing out as one of them took his knife and, before the very eyes of the other girls, cut off her right breast. He paused for a moment, then cut off the other side.

I have never-heard anyone scream as desperately as that girl. After this operation he drove his knife into her abdomen several times, which again was accompanied by the cheers of the Russians.

The next girl cried for mercy, but in vain, it even seemed that the gruesome deed was done particularly slowly because she was especially pretty. The other three had collapsed, they cried for their mothers and begged for a quick death, but the same fate awaited them as well.

The last of them was still almost a child, with barely developed breasts. They literally tore the flesh off her ribs until the white bones showed.

Another five girls were brought in. They had been carefully chosen this time. All of them were well-developed and pretty. When they saw the bodies of their predecessors they began to cry and scream. Weakly, they tried desperately to defend themselves, but it did them no good as the Poles grew ever more cruel.

They sliced the body of one of them open lengthwise and poured in a can of machine oil, which they tried to light. A Russian shot one of the other girls in the genitals before they cut off her breasts.

Loud howls of approval began when someone brought a saw from a tool chest. This was used to tear off the breasts of the other girls, which soon caused the floor to be awash in blood. The Russians were in a blood frenzy.

More girls were being brought in continually. I saw these grisly proceedings as through a red haze. Over and over again I heard the terrible screams when the breasts were tortured, and the loud groans at the mutilation of the genitals.

When my knees buckled I was forced onto a chair. The Commissar always made sure that I was watching, and when I had to throw up they even paused in their tortures.

One girl had not undressed completely, she may also have been a little older than the others, who were around seventeen years of age. They soaked her bra with oil and set it on fire, and while she screamed, a thin iron rod was shoved into her vagina until it came out her navel.

In the yard entire groups of girls were clubbed to death after the prettiest of them had been selected for this torture. The air was filled with the death cries of many hundreds of girls. But compared to what happened in here, the beating to death outside was almost humane.

It was a horrible fact that not one of the girls mutilated here ever fainted. Each of them suffered mutilation fully conscious. In their terror all of them were alike in their pleading; it was always the same, the begging for mercy, the high-pitched scream when the breasts were cut and the groans when the genitals were mutilated.

The slaughter was interrupted several times to sweep the blood out of the room and to clear away the bodies. That evening I succumbed to a severe case of nervous fever. I do not remember anything from that point on until I came to in a field hospital.

German troops had temporarily recaptured Neustettin, thus liberating us. As I learned later, some 2,000 girls who had been in RAD, BDM and other camps nearby were murdered in the first three days of Russian occupation."

Copy of a handwritten report:

"I read the account of an eyewitness, Mrs. Leonora Geier. The bestiality she experienced, and described in her account, is 100% true and a typical reflection of

the fantasies and exhortations of the Soviet propagandist and chief ideologist Ilya Ehrenburg.

This bestiality was a tactical measure intended to force the German population to flee from the Eastern regions en masse, and was the rule rather than the exception all the way over to the Oder River.

What I myself witnessed:

I was an armoured infantryman and had been trained on the most modern German tank of those days, the Panther. Survivors from tank crews were reassembled in the Reserves at Cottbus and kept ready for action.

In mid January, 1945, we were transferred to Frankfurt on the Oder River, into a school building. One morning we were issued infantry weapons, guns, bazookas and submachine guns.

The next day we were ordered to march to Neustettin. We traveled the first 60 miles or so by lorry, and after that some 90 miles per day in forced marches.

We were to take over some tanks that were kept ready for us in a forest west of Neustettin. After a march lasting two days and nights, some ten crews reached the forest just before dawn.

Two tanks were immediately readied for action and guarded the approach roads while the other comrades, bone-weary, got a little sleep. By noon all tanks, approximately 20, had been readied.

Our orders were to set up a front-line and to recapture villages and towns from the Russians. My platoon of three tanks attacked a suburb that had a train station with a forecourt. After we destroyed several anti-tank guns the Russians surrendered.

More and more of them emerged from the houses. They were gathered into the forecourt about 200 sat crowded closely together. Then something unexpected happened.

Several German women ran towards the Russians and stabbed at them with cutlery forks and knives. It was our responsibility to protect prisoners, and we could not permit this. But it was not until I fired a submachine gun into the air that the women drew back, and cursed us for presuming to protect these animals.

They urged us to go into the houses and take a look at what (the Russians) had done there.

We did so, a few of us at a time, and we were totally devastated. We had never seen anything like it utterly, unbelievably monstrous! Naked, dead women lay in many of the rooms. Swastikas had been cut into their abdomens, in some the intestines bulged out, breasts were cut up, faces beaten to a pulp and swollen puffy.

Others had been tied to the furniture by their hands and feet, and massacred. A broomstick protruded from the vagina of one, a besom from that of another, etc. To me, a young man of 24 years at that time, it was a devastating sight, simply incomprehensible!

Then the women told their story:

The mothers had had to witness how their teen and twelve-year-old daughters were raped by some 20 men; the daughters in turn saw their mothers being raped, even their grandmothers.

Women who tried to resist were brutally tortured to death. There was no mercy. Many women were not local; they had come there from other towns, fleeing from the Russians.

They also told us of the fate of the girls from the RAD whose barracks had been captured by the Russians. When the butchery of the girls began, a few of them had been able to crawl underneath the barracks and hide. At night they escaped, and told us what they knew. There were three of them.

The women and girls saw parts of what Mrs. Leonora Geier described. The women we liberated were in a state almost impossible to describe. They were overfatigued and their faces had a confused, vacant look. Some were beyond speaking, ran up and down and moaned the same sentences over and over again.

Having seen the consequences of these bestial atrocities, we were terribly agitated and determined to fight. We knew the war was past winning; but it was our obligation and sacred duty to fight to the last bullet . . ."

Don't ask me why I do what I do for the Zundelsite. The bestiality of World War II, caused largely by the Jew named Ilja Ehrenburg, Stalin's main propagandist whose

private papers and files were donated by him to Israel before he died, and who whipped the Russian Army into a frenzy of destruction, was worse than anything a sane mind can imagine - and it is coming our way unless courageous men and women stop it.

## War crimes of Russian Army

*Don't be shy to use violence and break the racial pride of German women. Take them as your legit property, you, gallant solders of the Red Army.*

- Ilia Ehrenburg, Russian Jew, holohoax propagandist

By Yakov Krotov

RUSSIAN HISTORY

Russia in World War Two

War crimes of Russian Army

Soviet propaganda pictured invention in Germany as a freeing German people "fascist yoke". Party propagandists ("Soviet journalists") stressed honorable behavior of Soviet soldiers. In the Treptov Park there was a monument arranged for the "Soviet worrior-liberator" with a huge sword in one hand and with German child whom he saved – in another.

In reality, not only Soviet invention in Germany was accompanied by robbing the country on the state level, stealing technics, exploiting forced labor of the surrendered, forcing Prussia to be part of Russia (I need to remark here, that Bolsheviks during WWI were the ones, who stood for "the peace without annexation and contributions"). Soldiers robbed Germans; there was an official permission to send back to Russia some amount of messages with robbed. Officers and high commandment exported robbed wealth in wagons.

Soldiers and officers raped women. Two main hospitals of Berlin only received from 95 to 130 thousands raped. About 10 thousand raped committed suicide. In the Eastern Prussia Pomerania and Silesia 1,4 million women were raped, and in this case there were more deaths. As a whole not less than 2 million German women were raped. Ukrainian, Russian and Belarusian women and girls freed from German labor camps were also raped.

When in 2001 English historian Antony Beevor described sexual crimes of Soviet soldiers in his research "Berlin: The Downfall 1945", Grigori Karasin, Russian ambassador in London, answered him in best traditions of Soviet propaganda. On one side, Karasin stated, that everything of this "is obviously lie statements" and "slander". On another, he tried to find circumstances, which would smooth the

blame of rapists (this step would not be so necessary if he was really so sure that it was only a slander).

The amount of such smoothing circumstances according to Beevor himself included the drinking in the army, which he blamed on the German commandment, which "refused to destroy the alcohol storages on the way of the Red Army. This decision was based on the belief that the drunken enemy can't fight ". In his turn Karasin added to this approval: Russians saved the world of fascism; Russians revenged for the cruelties, committed by Germans; "how would we deal with 27 million murdered, massacred and tortured to death Soviet people? What for Russian Army invented Germany and entered Berlin? We have no right to forget, who were righteous and who were the aggressor".

Karasin mentioned that there were some "facts" but stated, that "to summarize the facts, tearing them out of the historical context, is dangerous", asked to "show maximum delicacy and tact" – not to the victims of violence, but to the rapists and their decedents. He admitted "the facts" also by his statement that in: 1945 " for cruelty and atrocities 4148 warriors were convicted by the military tribunals. Several demonstrative proceedings ended with death penalty" (Quote by: Barban E. One more Downfall of Berlin. Moscow News, 25.6.2002. C. 2.).

He dared not to further insist that the convicted rapists were all-righteous, that they should have been approved as avengers and liberators of Europe of Fascism. Karasin explained nothing regarding why then Russian soldiers raped Russian women captured by Germans. It can be assumed however that it was a reflection of popular Soviet attitude of that time to the surrendered as some kind of betrayers who were cowards and couldn't kill themselves.

The eyewitness Rabitchev

Leonid Rabitchev (born in 1923). Only after half of the century after The War he told about the things other front men preferred to be silent about – what happened at the beginning of 1945. At that time Rabitchev was in the Eastern Prussia. This part of the essay «The War will approve everything» («The Flag» 2005, №2) must be included in all textbooks of Russian history – for Russians. These are things even my father, Gabriel Krotov, didn't dare to tell me, while he was in the very same time in the Eastern Prussia serving as a Petty Officer platoon machine gunners. Its truth that my father didn't live till the age of Rabitchev. The

most awful here – and Rabitchev stressed it blatantly – is that this sin can't be justified by "everybody do so" approval. NOT everybody did so.

«Our troops in the Eastern Prussia overtook civilian population evacuated from Goldap, Insterburg and other German sites abandoned by retreating German Army. By tracks, cars and foot – old people, women, children, large traditional families slowly walked to the West all the roads and highway of the country.

Our tankers, infantry, artillery, signalers overtook them to make their way, threw their tracks into the cell at the roadside – tracks with furniture, traveling bags, suitcases, horses – pushed aside the old people and children, and being divided of all duty, honor and forgetting retreating German troops, thousands of them thrust themselves on the German women and girls.

Women, mothers and their daughters lie on the right and on the left along the road, and every one of them is surrounded by the cackling armada of men with their pants down.

Bleeding and fainting are grabbed aside; children trying to help them are shot. Guffaw, roar, lough, screams and moans. And their commanders, their majors and colonels stand on the road, giggle, conduct — better to say, manage. They made sure that all their soldiers took part in this. No, it was not esprit de corps, neither was it revenge to the damned occupants — it was bloody deadly group sex.

All-permissiveness, impunity, impersonality and cruel logic of the madding crowd. Shocked, I sat in a cabin of my lorry, my driver, Demidov, waited his turn, and I dreamed of Carthage of Flaubert, and I understood, that the War will NOT approve everything. The colonel, who was conducting a minute ago, is now so excited that take the turn himself, and the major is shooting eyewitnesses, children and old people shaking in hysterics.

— Fine! Return to your machines!

And behind there is a following unit. And the stop again, and I can't restrain my signalers, who are forming new rape turns, my telephonist women just choke with laughter, while I am close to vomit. From where we were and to the horizontal line among the mountains of rags and turned upside-down tracks, the dead bodies of women, old people and children were.

The way is made. Twilight falls. On the right and left there are German farms. Order to rest is given. This is the part of the headquarter of our army: commander of the artillery, air defense, the political department. I and my platoon control got the farm in 2 miles from the road. All chambers were full of dead children, old people and raped and shot women. We were so tired, that without noticing them we just lay on the flour among them and fell asleep.

May 7, 2002 года, 50 years after.

— I don't want even to hear about it, I want you, Leonid Nickolaevitch, to destroy this text, it must not be printed! — My friend, poet and writer, Olga Ilnitskaya, shouted at me. It's going on in the Third hospital for war veterans in Medvedkovo. I am lying in the chamber for four people already for 10 days. I am writing before and after breakfast, write under a dropper, day, evening, sometimes night.

I am hurrying to fix suddenly released out of the subconscious frames of forgotten life. Olga came to see me, expecting to hear my new verses. Her face showed contempt. I was also confused.

I didn't care about reaction of my future reader or listener, but only about including all details, 50 years ago it would had been much easier, but there had not been such necessity, and is it me who write it? What is it? What jokes does my fate do to me. What is the most funny, I don't see any difference between this my prose and my verses popping up in sudden. Why do I do it? What reaction it will meet in our generals, our German friends in FRG, and our enemies in FRG?

Insight comes unexpected. It's not a play of self-determination, it's something of the other dimensions – it is repentance. Like a splinter, it is not only inside me, but inside all my generation and perhaps inside all the humanity. It is individual case, just a fragment of the criminal age, and one can't live nor die in dignity with this and without repentance, as well as one couldn't have done with repression of kulaks in 1930s, with GULAG activities, with deaths of tens of millions innocent people, with occupation of Poland in 1939. I was platoon commander, I felt sick, but stood aside, while my soldiers stood in those horrendous criminal turns, laughed, when they should have burned of shame, and actually they committed a crime against humanity.

Colonel-adjuster? Only one command needed? But the commander of the Third Belarusian Front, army general Chernyahovskyi took the very same road. He DID

see all this; he DID enter these very houses, where women and bottles were scattered around. Just one command was needed? Now tell me whose fault is more: soldier's, Major-adjuster's, laughing colonels and general's, mine - me watching all this, everyone else's talking talk that "The War approves everything"?

In April my 31 army was thrown to the Thirst Ukrainian Front in Silesia, on the direction of the Danzig. On the second day according to the order of Marshal Konev 40 Soviet soldiers and officers were shot before the line, and there was no case of rape or murder of civilians of Silesia any more. So why didn't army general Chernyahovskyi do the same in the Eastern Prussia?

The first, it proves the difference in quality between Russian before 1917 and after 1917. Before 1917 – militarist state. After 1917 – the state of deserters. The difference consists of such details. One can't imagine heroes of 1812 or those of Plevna, who consciously rape women with all determination of their right. Before 1917 we spread such stories about our enemy to show the bestiality of Germans and Turks. After 1917 we spread such stories about ourselves – with pride.

The second, their very logic is notorious: "Germans raped Russian women<sup>1</sup>; it's a duty of Russian soldier to rape German women". Their way of thinking: "if your wife is raped, won't you go and revenge". Trust in mob law is common for the state of deserters – no one trusts the "judgment" except the "judges" themselves in such state. But the spiciest is another thing. Will the raped woman bless her husband to rape in the answer? Whom to rape? The rapist? Or his wife? Eye for an eye has logic; rape for a rape is an absurd.

---

<sup>1</sup> Interesting but not suprising during the Second Jew War. The German military did not have situations of rape of the populace by its troops. The penalty for such in the German forces was death and it would be enforced. But it didn't need to be enforced as the Germans as historians noted. Simply didn't rape. General Patton was right. The German's where the finest race in Europe. And he regretted the war against them. Patton also came to hate the Jews and become wise to them. So much so, they murdered him.

It was the Jewish owned and driven. Red Army and the American's that committed rape. Infact the Red Army on orders from Jewish Commissar's had the policy of rape of females from eight to eighty. Solzhenitsyn, who was an officer in the Red Army and was naturally disgusted by it. Wrote then when the orders came to finally halt the rape gangs. As the new Communist reigme in East Germanys stated it was making it too impossible to restore order and build the Communist state. That hordes of Red Army troops had to be shot to stop them. By their own officers. Basically from what Solzhenitsyn stated the Red Army from Moscow to Berlin was drunk on Vodka and rape. Solzhenitsyn stated that the constant rape dehumanized his own men into animals with the taste for it. Till it consumed them to the point he had to start shooting them as the only way to stop them.

It's obvious that here sex is heartless automatic process of demonstrating one's power. Thus when non-gay man rapes another man he demonstrates power and strength, not affection. This is what the male sex in barracks actually means, which protectors of modesty strangely keep silence about.

## Hellstorm

*“The death of Nazi Germany was the death of Western man and everything he once stood for.”*

The most relevant information I have found in my adult life is the discovery that the System lied to me through the decades about what really happened during and after the Second World War. After reading this book I’ll never tire to repeat that what the Allies did *in times of peace* was incomparably more monstrous than the crimes attributed to the Germans *in times of war* (precisely because it was done in times of peace).

After Solzhenitsyn’s *Gulag Archipelago* was published when I was a teenager W.L. Webb said, “To live now and not to know this work is to be a kind of historical fool.”

I would say exactly the same of those who don’t know the new Solzhenitsyn and his work about the Crime of the Age: a true holocaust perpetrated against the German people that, if not atoned, the whole white race will go extinct.

***Hellstorm:***  
**The Death of Nazi Germany**  
**(1944-1947)**

**Prologue**

For six hundred years East Prussia had served as the frontier outpost of Germany...

By mid-October 1944, the Soviet Army had finally reached the Reich's border. And yet, as was the case at Nemmersdorf, there was no panic.

Thus it was, that on the night of October 20, as Nemmersdorf and other communities nearest the front slept in imagined security, the unthinkable occurred. After punching a hole through the German line, the Red Army suddenly burst into the Reich.

"They tortured civilians in many villages," reported one German officer, "nailed some on barn doors and shot many others."

Added another horrified witness:

In the farmyard down the road stood a cart, to which four naked women were nailed through their hands in a cruciform position... Beyond stood a barn and to each of its two doors a naked woman was nailed through the hands, in a crucified posture. In the dwellings we found a total of seventy-two women, including children, and one old man, 74, all dead... all murdered in a bestial manner, except only a few who had holes in their necks. Some babies had their heads bashed in. In one room we found a woman, 84 years old, sitting on a sofa... half of whose head had been sheared off with an ax or a spade.

"Every female, including girls as young as eight, had been raped," noted another viewer.

Old men who had feebly tried to protect their wives, daughters and granddaughters, were themselves knocked down, sawed in half or chopped to bits. A group of over fifty French POWs and Polish workers who had instinctively stepped in to protect the people were likewise castrated and killed. Lt. Amberger continues:

Neither in Nemmersdorf nor in the other places did I find a single living German civilian.

Staggered by the enormity of the crime, German authorities requested that neutral investigations and medical personnel from Spain, Sweden and Switzerland view the sickening carnage close up. When the visitors filed their reports,

however, and when word finally reached the outside world, there was only silence. By the winter of 1944, the vicious propaganda war waged against Germany had been won. By that late stage few individuals beyond the Reich's borders were concerned about brained German babies or crucified German women.

With the outbreak of the war in 1939 [*ed. Note: before the first reports of 1942 on the Jewish Holocaust*] nowhere was hatred more intense than among American Jews. Wrote Hollywood script writer and director, Ben Hecht:

A cancer flourishes in the body of the world and in its mind and soul, and this cancerous thing is Germany, Germanism, and Germans... That this most clumsy of all human tribes—this leaden-hearted German—should dare to pronounce judgment on his superiors, dare to outlaw from the world the name of the Jew—a name that dwarfs him as the tree does the weed at its foot—is an outrageous thing. It is an evil thing.

“Germany must perish,” echoed Theodore N. Kaufmann in a widely-read book of the same name.

And the only way to accomplish that is to remove the German from the world... There remains then but one mode of ridding the world forever of Germanism—and that is to stem the source from which issue those war-lusted souls, by preventing the people of Germany from ever again reproducing their kind.

To implement his plan, Kaufman recommended that when the war was successfully concluded all German men and women should be sterilized.

Far from being shocked by such a genocidal scheme, leading American journals were thrilled by the concept.

“A Sensational Idea!” cheered *Time* magazine.

“A provocative theory,” echoed the *Washington Post*.

While many in America and Great Britain could understand and even commiserate with Jewish emotions, many more were initially aghast by the flaming rhetoric and the murderous cries for extermination of innocent and guilty alike. Nevertheless, the sheer weight and persistence of the propaganda, both subtle and overt, in film, radio, books, magazines, and newspapers, gradually

worked its way into the thoughts and attitudes of the public mainstream. Eventually, in the minds of a sizable percentage of Americans and Britons, little distinction was drawn between killing a Nazi soldier and killing a German child.

On September 15, 1944, President Franklin Roosevelt made the demand for extermination official when he endorsed the so-called “Morgenthau Plan.” Named for Roosevelt’s Secretary of the Treasury, Henry Morgenthau, but actually conceived by the secretary’s top aide, Harry Dexter White—both of whom were Jewish.

“You don’t want the Germans to starve?” Roosevelt’s incredulous son-in-law asked the president in private.

“Why not?” replied Roosevelt without batting an eye.

Most Germans actually knew little of thoughts such as the above. Most Germans were yet living under the illusion that the war still had rules. Few could bring themselves to believe that the horror at Nemmersdorf was anything other than an aberration; that the butchery was only a bloody mistake destined never to be repeated. Unbeknownst to those in Prussian and other German regions facing east, the nightmare of Nemmersdorf would soon prove only the faintest foretaste of what was ahead.

### **The Dead and the Dead to Be**

As a symbol of the Third Reich, as the most obvious example of Germany’s will to fight on, more bombs had been devoted to Berlin than any other German city and in total tonnage, more explosives were dropped on the capital alone than the Luftwaffe had dumped on all England throughout all the war. The destruction was so complete that one Berliner was heard to quip, “If they want to hit more targets, they’ll have to bring them with them.”

Although nothing could stop the rain of death pouring down on Germany, Adolf Hitler was determined to trade terror for terror. While damage was trifling compared to that of the Reich, it was a boost to German morale when the first “wonder weapons,” or V-rockets, began slamming into England during the summer of 1944.

“When German soldiers were captured by guerrillas, they were often abominably treated,” one Wehrmacht general recounted. “It was not unusual for the Soviets to torture their prisoners and then hang them up, sometimes with their genitals stuffed in their mouths.” Other Landsers were released, then sent staggering down roads toward their comrades, naked, bloody, eyes gouged from sockets, castrated.

One group which could expect no mercy from the Germans was the communist commissars who traveled with Red Army units. Composed “almost exclusively” of Jews, it was these fanatical political officers, many Germans felt, who were responsible for the massacres and mutilations of captured comrades. Explained one witness, Lieutenant Hand Woltersdorf of the elite SS:

One of our antitank gun crews had defended itself down to the last cartridge, really down to the last cartridge... They then had to surrender. While still alive they had their genitals cut off, their eyes poked out, and their bellies slit open. Russian prisoners to whom we showed this declared that such mutilations took place by order of the commissars. This was the first I heard of such commissars.

With the threat of torture and execution facing them, many idealistic German soldiers had an added impetus to fight to the death.

*(Typical Landsers)*

In the minds of most Landsers, the war in the east was not a contest against the Russian or Slavic race in particular, but a crusade against communism. In the years following World War I, Marxist revolutionaries had nearly toppled the German government. Because most of the leaders were Jews, and because Lenin, Trotsky, and many other Russian revolutionaries were Jewish, the threat to Nazi Germany and Europe seemed clear. Hence, from Adolf Hitler down to the lowliest Landser, the fight in the east became a holy war against “Jewish Bolshevism.”

“The poor, unhappy Russian people,” said one shocked German soldier as he moved further into the Soviet Union. “Its distress is unspeakable and its misery heart-rending.”

“When you see what the Jew has brought about here in Russia, only then you can begin to understand why the Fuhrer began this struggle against Judaism,” another stunned Landser wrote, expressing a sentiment shared by many comrades. “What sort of misfortunes would have been visited upon our Fatherland, if this bestial people had gotten the upper hand?”

Following the devastating German defeat in Stalingrad in 1943, the “upper hand” did indeed pass to the enemy. Supplied by the US with a seemingly inexhaustible amount of goods, from tanks and planes to boots and butter, the resurgent Red Army assumed the offensive. As the heretofore invincible Wehrmacht began its long, slow withdrawal west, a drama as vast and savage as the steppe itself unfolded, the likes of which the modern world has never witnessed.

---

### **Between Fire and Ice**

With the remnants of the German army in headlong flight, hordes of Red soldiers swarmed through the breach and poured into Greater Germany. As word of the Russian breakthrough spread, millions of Germans in their path hastily packed and fled into the freezing weather.

Already bitterly cold, several days after the exodus began the temperature plunged below zero. As a result, little children and infants dropped by the thousands. “It was terribly cold, and the wind was like ice,” said one young mother, “the snow was falling and nothing warm to eat, no milk and nothing. I tried to give Gabi the breast, behind a house, but she didn’t take it because everything was so cold. Many women tried that, and some froze their breasts.” When Gabi died, the distraught woman continued to cradle the tiny corpse until her own arm eventually froze. “I couldn’t carry her more after she was dead. I couldn’t stand it any more,” the mother sobbed. “I wrapped her up well and put her deep in the snow beside the road... Thousands of women put their dead in the ditches by the roadside where they wouldn’t be hurt by automobiles or farm wagons.”

Hideous as conditions were, the treks pressed steadily west, away from the terror looming somewhere behind. Although millions were on the roads in full flight, millions more remained at their farms, villages and towns. They did not really believe that the Russians were as cruel and inhuman as they were reputed to be, but hoped to win over the latter by welcoming them and being hospitable.

“The Mongols are coming... You go quick. Go quick.”

Composed largely of Mongols, Kulaks, Kazakhs, Kalmuks, and other Asians, as well as convicts and communists, these men who formed the second wave of troops [the first were Slavs] were regarded, even by their own comrades, as utterly merciless. Terrified by the news, many Germans did attempt to flee and move in the wake of the first Soviet wave. Most, however, found themselves trapped and could do little more than hide young girls and once again pray that their worst fears were unfounded. After a wait of sometimes days, but normally only hours, the dreaded second wave arrived.

While flames shot up from different corners of the towns and gunfire erupted as citizens were murdered in the streets, the invaders soon began kicking in door homes, shops and churches. A frightened boy recalled, “Right next to me poor defenseless women were being ravished in the presence of their children.” Said another victim, “The women were raped, not once or twice but ten, twenty, thirty and hundred times, and it was all the same to the Russians whether they raped mere children or old women. The youngest victim in the row houses where we lived was ten years of age.” Mothers were raped in the presence of their children; girls were raped in front of their brothers. While many upright Russian officers courageously stepped in and risked their own lives to stop the murders and rapes, their efforts were little more than a drop of water to a forest fire.

“All of us knew very well that if the girls were German they could be raped and then shot,” admitted Alexander Solzhenitsyn. “This was almost a combat distinction.”

When the Russians eventually tired of looting, robbing, murdering, and ill-treating the women and girls, “they set fire to a considerable part of the village and razed it to the ground,” said a survivor of Schoenwald, the small community that had dismissed rumors of Russian ruthlessness and opted to welcome them instead.

While those who remained endured unspeakable fates, Germans who fled with treks also suffered. “What surprised us most was the way they traveled,” recalled a British POW, who, along with thousands of other Allied prisoners, was being marched west away from the advancing Soviets.

It was so cold that even in day-time any drink mixed with cold water froze solid before it was possible to carry it to one’s mouth. At night men and women could keep alive only by huddling together in a wagon... Those who fell asleep in the snow were dead within a few minutes.

Given the chaotic conditions, and with freezing refuges clogging the way, many treks were quickly overhauled by the Russians. Some Soviet tanks refused to leave the roads and crashed straight through the columns, squashing all in their path. After heavy traffic, the victims—men, women, children, and animals—were eventually as flat as cardboard.

As a rule, those who fled by train fared best. Speed did not always guarantee escape, however. Russian aircraft routinely strafed and bombed the cars from above and tanks cut the rails from below. When the Soviets suddenly captured the town of Allenstein, they forced the stationmaster to signal the “all clear” to refugee trains still arriving from the east. As one unsuspecting train after another steamed into Allenstein, the Russians first slaughtered any men found on board, then passed their time raping carload after carload of females.

Meanwhile, the red tide moved closer. In countless German cities and towns the pattern repeated itself, as the diary of a Catholic priest from Klosterbrueck reveals:

*January 21st 1945.* Strange to say, the population intends to remain here, and is not afraid of the Russians. The reports that in one village they rapped all the women and abducted all the men and took them away to work somewhere must surely have been exaggerated.

*January 25th.* They told us that whole families had been shot by the Russians. Girls who had refused to allow themselves to be raped, and parents who had sought to protect their children, had been shot on the spot.

*January 27th.* We priests were allowed out of the chapel for half an hour today in order to bury Margarethe in the yard. Poor girl, it is a good thing you were dead and so did not know what the Russians did to your body!

“In every village and town they entered,” wrote one who spoke with soldiers, “the German troops came upon scenes of horror: slain boys, People’s Army men drenched with gasoline and burned—and sometimes survivors to tell the tale of the outrages.”

Hundreds of thousands massacred, hundreds of thousands raped, millions already enslaved—but this was nothing. Worse was to come.

### **Crescendo of destruction**

Roosevelt slapped a crippling embargo on the Reich’s ally, Japan, in hopes of provoking an attack and slipping into the war via the “back door.” When the Japanese, facing slow strangulation, dutifully responded at Pearl Harbor in December 1941, it was Roosevelt dream come true. Later, when his Secretary of Treasury, Henry Morgenthau, proposed a plan to pastoralize Germany upon victory, thereby assuring the death of millions, Roosevelt was its strongest supporter.

“I would like to see the Germans on the breadline for 50 years,” the president admitted in private.

In early February 1945, leaders of the three most powerful nations on earth assembled a final time at Yalta in the Soviet Crimea. Despite the obvious dissimilarities of the men, intellectual as well as physical, each shared a characteristic with the other that shrank into insignificance all outer contradictions—all three harbored a inveterate hatred of not only Adolf Hitler and Nazism, but Germans and Germany.

At a meeting with Churchill at Casablanca in 1943, Roosevelt declared that nothing short of “unconditional surrender” would be accepted from Germany. Thus, by removing any possible latitude Hitler might have had for negotiation, the American president’s pronouncement insured that not only would Germany fight to the death, but it also guaranteed that hundreds of thousands of Allied airmen

and soldiers would perish as well. Additionally, that such a protracted war would enable the Red Army to reach and no doubt enslave much of Europe seemed a foregone conclusion.

When Soviet forces invaded Poland in 1939, one of Stalin's first moves was to round up and execute upwards of 15,000 army officers and intellectuals, thereby removing in one stroke much potential opposition. Well aware of his past, nervous about the impact his future acts in Europe would have upon a squeamish British public, desperate to hold an unnatural alliance together, Churchill's government tried mightily to cover for the bloody behavior of their communist ally. Ran a secret memo of the British Department of Intelligence to high-ranking civil servants and opinion-molders in the press:

We cannot reform the Bolsheviks but we can do our best to save them—and ourselves—from the consequences of their acts. The disclosures of the past quarter of a century will render mere denials unconvincing. The only alternative to denial is to distract the public attention from the whole subject. Experience has shown that the best distraction is atrocity propaganda directed at the enemy... Your cooperation is therefore earnestly sought to distract public attention from the doings of the Red Army by your wholehearted support of various charges against the Germans... which have been and will be put into circulation by the Ministry.

Let anyone doubt Stalin's intentions once his legions gained control of Germany, the reality was made crystal clear at the Teheran Conference in 1943. Lifting his glass of vodka for the "umpteenth toast," the communist leader suddenly announced, "I propose a salute to the swiftest possible justice for all of Germany's war criminals—justice before a firing squad. I drink to our unity in dispatching them as fast as we capture them, all of them, and there must be at least 50,000 of them." When Churchill, well into his cups, angrily protested—"The British people will never stand for such mass murder without a proper trial!"—Stalin smiled, his eyes twinkled and overall he seemed "hugely tickled."

"Perhaps," the American president interrupted, "we could say that instead of summarily executing 50,000 we should settle on a smaller number. Shall we say 49,500?"

Despite Stalin's well-earned reputation as the greatest mass murderer in history, Franklin Roosevelt was a staunch supporter and admirer of the dictator and defended him at every turn. In an effort to put a friendly, folksy face on the Russian premier and convince Americans that he was a "magnificent" and "gallant" ally, Roosevelt began referring to Stalin as "Uncle Joe."

"He is a man who combines a tremendous, relentless determination with a stalwart good humor," explained the president of the American public. "I believe he is representative of the heart and soul of Russia; and I believe that we are going to get along very well with him and the Russian people—very well indeed."

The eyes of the world were now upon Yalta, said the prime minister, and what the "Big Three" accomplished during talks over the next few days would affect mankind for a hundred years.

Another subject Stalin was explicit about at Yalta concerned the return of over two million Soviet citizens who had either fled to Germany to avoid persecution at home or who had joined the enemy to fight against communism. Again, to this demand Roosevelt promised his complete cooperation. But of course, the main topic of discussion at Yalta was the fate of their mutual enemy, or, as Churchill grimly phrased it, "The future of Germany, if she had any."

Once victory was complete, the three leaders agreed that the former Third Reich would be carved up like the evening's meal and her people marched off as slaves to the Soviet Union. Although Roosevelt had solemnly announced earlier that "the united Nations do not traffic in human slavery," when Stalin proposed the plan, the president called it "a healthy idea."

Another subject broached at Yalta, albeit a seemingly minor one, was Stalin's request for the massive bombing of eastern Germany to smooth the way for the Red Army's final sweep across the Reich. Eager to demonstrate to his ally that Britain, and especially the RAF, was yet a force to be reckoned with, Churchill quickly agreed.

When the Yalta talks were finally concluded on February 11, the three Allied leaders signed a joint statement for press release, then bid each other a fond adieu.

**My 2 cents:**

As described by Solzhenitsyn:

In Yalta Churchill and Roosevelt had signed the agreement to repatriate all Soviet citizens, and especially the military, without specifying whether the repatriation was to be voluntary or enforced: How could any people on earth not be willing to return to their homes? The nearsightedness of the West was condensed in what was written at Yalta.

The English turned over the Soviet army command a Cossack corps of forty to forty-five thousand men which had fought its way to Austria from Yugoslavia. The extradition was carried out with perfidy which is characteristic of British diplomatic tradition. The Cossacks did not grow suspicious when they were asked to turn in their weapons, on the grounds that this was necessary in order to standardize their equipment. On May 28... [Solzhenitsyn describes in this paragraph of his *Gulag Archipelago* how the Allied forces extradited these Russian people, against their will, to Stalin.]

They could not even shoot or stab themselves to death, since all their weapons had been taken away. Some jumped off the high viaduct into the river or onto the stones. The hearts of the British were not troubled, nor were their democratic minds. British tanks and soldiers arrived. The British soldiers started beating them with rifle butts and clubs, grabbing them and throwing them into the trucks, including the wounded, as if they were packages. Entire families sought death by throwing themselves into the river. Meanwhile, the British units in the neighborhood pursued and shot at the fugitives. (The cemetery where the people who were shot or trampled to death and buried still exists in Lienz.)

But even that was only the beginning. During all of 1946 and 1947 the Western allies, faithful to Stalin, continued to turn over to him Soviet citizens, former soldiers as well as civilians. It did not really matter who they were as long as the West could get rid of this human confusion as quickly as possible. People were extradited from Austria, Germany, France, Denmark, Norway, and Sweden, from the American occupation zones, and from the territory of the United States as well.

It goes without saying that most of the deportees died in the Soviet Gulag. So who was the real monster, the three Allied leaders or the German chancellor?

## The Devil's Laughter

Among the great majority of those [civilians] who scrambled onto ships, boats, tugs, barges, and naval craft sailing west, their flight was safe and successful. Not only was the warmth and food aboard ship a God-send, but the realization that they were at last escaping the dreaded Bolsheviks proved the first peace of mind many had known in weeks. As the wretched survivors of the [ship] could aver, however, there often was no escaping the nightmare... even at sea.

Just before one A.M., two torpedoes slammed into the *Stuben's* side. Somewhere the ship was burning and people everywhere jumping into the water. As the *Stuben's* stern rose high out the water, hundreds leaped overboard, including some who were torn to pieces by the still-turning propellers. Within seven minutes, the ship plunged beneath the waves, swiftly silencing a final mass scream that seemed to arise from a single voice. Of the 3,500 passengers aboard, only Franz Huber and a few hundred more survived. Tragically, for thousands who successfully traversed the treacherous Baltic, American and British bombers were often the first to greet them when their ships docked.

While the slow, dangerous evacuation of women, children and wounded comrades continued [on the still departing docks at the other side], a German Landser remained in the ever-shrinking pockets, ferociously fighting on so that others might live. That most in the enclaves were already doomed, all fighting men understood. "For every thousand persons embarked, some three thousand more arrived from the east."

Frantic to escape such carnage, desperate civilians fled across the ice of the Frisches Haff, a bay several miles wide separating the mainland from a barrier island, or Nehrung. Along the slender strip of sand that led west towards Danzing, all were hoping to reach safety. Unfortunately, the bitter cold changed to rain just when many treks set out. Recounted one survivor of the perilous journey: "The ice was breaking and at some places we had to drag ourselves with pains through water nearly a foot deep." Juergen Thorwald describes the long, nightmarish experience of another refugee:

At seven o'clock Russian planes swooped down on them. Some women, silent with a despair beyond all words, circled around holes in the ice that had swallowed a child, a mother, a husband.

Wrote Robert Poensgen, a military dispatch rider:

Russian combat aircraft now arrived in wave after wave, and threw bombs into that unprotected, inextricable mass. This is what hell must be like. It was the worst thing I have ever seen in all my years of active service—and I tell you I had already seen a lot.

“Twice we were attacked by Soviet planes, swooping low and scattering missiles,” remembered Guy Sajer from another road. “Each impact tore long, bloody furrows in the dense mass, and for a moment the wind was tinged with the smell of disemboweled bodies.” “Never had I seen so many bodies,” another witness added as he moved west along the coast.

While the butchery on land was in progress, the slaughter at sea continued. On the morning of April 13, Soviet aircraft pounced upon the refugee-laden *Karlsruhe* when the little freight fell behind its convoy. Stuck by a bomb and air torpedoes, the ship broke and sank in a matter of minutes. Of the one thousand people aboard, fewer than two hundred were rescued.

Three days later, near midnight, torpedoes fired by a Soviet submarine exploded against the side of the *Goya*, a large transport carrying 7,000 people. Like the *Karlsruhe*, the *Goya* quickly broke and plunged to the bottom in four minutes. Meanwhile, as the Soviets closed for the kill, Königsberg, Memel, Gotenhafen, Pillau, and other besieged ports began their death dance.

The bloody nightmare which enveloped the Baltic coast was neither more nor less than that which transpired wherever the Soviets occupied German soil. In many places—Silesia, Prussia, Pomerania, the German communities of Czechoslovakia, Rumania, Hungary, Yugoslavia—the horror had been in progress for weeks. There, ghastly atrocities had abated little, if any, with the passage of time and to some it seemed as though Red soldiers were in a race with one another to see who could destroy, murder and, above all, rape the most. Some women and children were assaulted ten, twenty, even thirty times a night and for a female to be ravished one hundred times a week was not uncommon. Reveals a priest from Klosterbrueck: “I shall never forget the terrible screams of the women and the children.”

Meanwhile, in what remained of the Reich, most Germans still knew surprisingly little of the savage fate befalling their countrymen. Doubters yet attributed the

hair-raising reports of genocide to Dr. Goebbels's propaganda machine. By bits and pieces, however, the truth did emerge. When a small German counterattack temporarily recaptured Neustettin, young soldiers, unaware of the Russian rampage occurring behind the lines, began herding up their prisoners. "Then something unexpected happened," remembered an astonished Landser.

Several German women ran towards the Russians and stabbed at them with cutlery forks and knives... It was not until I fired a submachine gun into the air that the women drew back, and cursed us for presuming to protect these animals. They urged us to go into the houses and take a look at what they had done there. We did so, a few of us at a time, and we were totally devastated. We had never seen anything like it—utterly, unbelievably monstrous!

Naked, dead women lay in many of the rooms. Swastikas had been cut into their abdomens, in some the intestines bulged out; breasts were cut up, faces beaten to a pulp and swollen puffy. Others had been tied to the furniture by their hands and feet, and massacred. A broomstick protruded from the vagina of one, a besom from that of another...

Having seen the consequences of these bestial atrocities, we were terribly agitated and determined to fight. We knew that the war was past winning; but it was our obligation and sacred duty to fight to the last bullet.

### **A Sea of Blood**

Defending Berlin was obviously going to be a very ugly business, and many civilians were going to die in the fighting.

A short time later, Juliane learned much more about the "facts of life" when "an entire horde of Mongolians" stood facing her.

"The first time when they took me and forced my father to watch, I thought I would die... I shudder. For four years Goebbels told us that the Russians would rape us; that they would rape and plunder, murder and pillage. 'Atrocity propaganda!' we said as we waited for the Allied liberators."

Like the frantic girl above, many females did indeed choose the ultimate escape. “There is no other talk in the city. No other thought either,” revealed Ruth Andreas-Friedrich. “Suicide is in the air... They are killing themselves by the hundreds.”

Compelled by hunger and thirst to leave their holes, Germans were stunned by what they saw in the streets. To many, it was as if Berlin had returned to the Dark Ages. Primitive, Asiatic carts, piled high with plunder, stood side by side with American-made tanks and jeeps. Over open fires, Kulaks and Tartars roasted whole hogs and oxen on spits.

At approximately 3:15 P.M., April 30, Adolf Hitler retired to his room, placed a pistol to his head, then squeezed the trigger. Beside him, his newly-wed wife, Eva, also lay dead.

Finally, on the afternoon of May 2, General Weidling formally surrendered the city. Remembered Lothar Ruhl: “Now again, we heard shots... so I asked who was doing the shooting. I was told, ‘the SS are shooting themselves’.”

“Stalin said,” remembered Gen. Nikita Khrushchev, “that if it hadn’t been for Eisenhower, we wouldn’t have succeeded in capturing Berlin.”

---

## Unspeakable

Although Hitler was dead and Berlin captured, and although the nation had been halved and further resistance was not only futile but nearly impossible, Germany's long death continued. As Karl Donitz [Grand Admiral] made clear, while there was no longer any question of the Reich's utter defeat and impending surrender, the shattered remnants of the German Army had to fight one last battle to gain for the millions of fleeing refugees time to reach the Elbe River where the Americans and British had halted. Sadly, cruelly, Allied leaders were determined to halt the pathetic flight at all hazards. Swooping low over the roads, swarms of US and RAF fighters strafed and bombed the columns, slaughtering thousands. As the terrified trekkers scattered to the nearby woods and farms bombers appeared and blasted the hiding places to splinters.

Unlike the Americans, British forces under Bernard Montgomery allowed all Germans, soldiers and civilians alike, to find haven within its lines. Horrified by what he had seen and heard, the field marshal's manly act saved thousands of women and children from rape, torture and death.

## All kike programs are united by the same atrocities

This comparison shows that behind all programs - xianity, communism, islam, Marxism, etc. - stands the same kike mentality. As Russians used mongoloid battalions for rapes and atrocities, so English and Americans used Moroccans as hordes of beasts that raped everybody on their way. This is mutual tactics of all the Allies, because behind all of them were kikes:

"Soldiers and officers raped women. Two main hospitals of Berlin only received from 95 to 130 thousands raped. About 10 thousand raped committed suicide. In the Eastern Prussia Pomerania and Silesia 1,4 million women were raped, and in this case there were more deaths. As a whole not less than 2 million German women were raped. Ukrainian, Russian and Belarusian women and girls freed from German labor camps were also raped".

- Yakov Krotov. RUSSIAN HISTORY. Russia in World War Two. War crimes of Russian Army.

"Let me tell you about one group of victims -- real victims -- from the Second World War that you've never heard about for this very reason. In May 1944 the Allies -- the forces of democracy and equality, the anti-Nazi and pro-Jewish forces -- finally succeeded in taking Monte Cassino in the Apennines of central Italy away from the German Army, after bombing Monte Cassino's sixth-century abbey into ruins. The Allies had some Moroccan soldiers with them. They wanted "diversity" in their armed forces even then. They wanted to demonstrate their belief in racial equality. The Moroccans were only mediocre as fighters, but they really excelled at cutting the throats of prisoners after the fighting was over. They were pretty good at raping civilians too. The night after the battle for Monte Cassino was over and the Germans had withdrawn in good order, a division of Moroccan soldiers -- 12,000 of them -- left their camp and swarmed over a group of mountain villages around Monte Cassino. They raped every village woman and girl they could get their hands on, an estimated 3,000 women, ranging in age from 11 years to 86. They murdered 800 village men who tried to protect their women. They abused some of the women so badly that more than 100 of them died".

Now look here. Its same updated kike tactic of atrocities against Arian Race, namely raping to death Arian women, but in 21 century its updated version is called "Muslim immigration".

<http://frontpagemag.com/2013/dgreenfield/1-in-4-swedish-women-will-be-raped-as-sexual-assaults-increase-500/>

This is atrocious right here. Shows the pure hatred of the enemy bastards, their sick mentality, their sick religion and the Jewish and Muslim hatred for all that is beautiful and is of Satan. The Swedes are of the most clear blooded whites, and they get assaulted into this Marxist cultural brew.

I remember a mention by Savitri Devi, about those naturally lower, attacking their superiors, just because of pure jealousy and hatred. It's there. I was shocked to read this. Shit is very out of hand.

By Daniel Greenfield:

"1 in 4 Swedish Women Will Be Raped as Sexual Assaults Increase 500%

Sweden has imported huge numbers of Muslim immigrants with catastrophic effect.

Sweden's population grew from 9 million to 9.5 million in the years 2004-2012, mainly due to immigration from "countries like Afghanistan, Iraq and Somalia". 16 percent of all newborns have mothers born in non-Western countries. Employment rate among immigrants: 54 percent.

Sweden now has the second highest number of rapes in the world, after South Africa, which at 53.2 per 100,000 is six times higher than the United States. Statistics now suggest that 1 out of every 4 Swedish women will be raped.

In 2003, Sweden's rape statistics were higher than average at 9.24, but in 2005 they shot up to 36.8 and by 2008 were up to 53.2. Now they are almost certainly even higher as Muslim immigrants continue forming a larger percentage of the population.

With Muslims represented in as many as 77 percent of the rape cases and a major increase in rape cases paralleling a major increase in Muslim immigration, the wages of Muslim immigration are proving to be a sexual assault epidemic by a misogynistic ideology.

The statistics are skewed by urban centers where the Islamic colonists cluster. In Stockholm this summer there was an average of 5 rapes a day. Stockholm has gone from a Swedish city to a city that is one-third immigrant and is between a fifth and a quarter Muslim.

Sweden, like the rest of the West, will have to come to terms with the fact that it can either have female equality or Muslim immigration. It cannot have both".

*"Don't be shy to use violence and break the racial pride of German women. Take them as your legit property, you, gallant soldiers of the Red Army".*

- Ilia Ehrenburg, Russian Jew, holohoax propagandist

Aboda Sarah 37a: *"Daughters of goyim from 3 years of age can be raped"*.

*"You can't take married woman till you won her in battle with the unfaithful"*

## Testimonies of Lithuania. SS and the Communists, the difference

The Jewish Communists exterminated 12% of the Lithuanian population alone. The Jewish NKVD would force hundreds of women and child into box cars and then lock them shut and set them on fire.

Its no mistake the Lithuanian nation still has open Waffen SS veteran parades and memorials. They damn well know what they where fighting for.

Interesing but not suprising during the Second Jew War. The German military did not have situations of rape of the populace by its troops. The penalty for such in the German forces was death and it would be enforced. But it didn't need to be enforced as the Germans as historians noted. Simply didn't rape. General Patton was right. The German's where the finest race in Europe. And he regretted the war against them. Patton also came to hate the Jews and become wise to them. So much so, they murdered him.

It was the Jewish owned and driven. Red Army and the American's that committed rape. Infact the Red Army on orders from Jewish Commissar's had the policy of rape of females from eight to eighty. Solzhenitsyn, who was an officer in the Red Army and was naturally disgusted by it. Wrote then when the orders came to finally halt the rape gangs. As the new Communist reigme in East Germanys stated it was making it too impossible to restore order and build the Communist state. That hordes of Red Army troops had to be shot to stop them. By their own officers. Basically from what Solzhenitsyn stated the Red Army from Moscow to Berlin was drunk on Vodka and rape. Solzhenitsyn stated that the constant rape dehumanized his own men into animals with the taste for it. Till it consumed them to the point he had to start shooting them as the only way to stop them.

## Albania's Nightmare of Communism

---

The Communist regime ruled this tiny nation of around three million souls. From 1946 to 1991. During this time over a hundred thousand innocents were systematically murdered, starved to death and worked to death in labour camps under the regime. Around a third of the population was passed through the brutal slave labour system during the life of the Communist regime. One prisoner who survived the Albania Gulag system wrote the prisoners would state as dark humor, the Cosmonauts could probably see the prison camps from outer space they were so expansive. Many never made it that far, instead dying under the extreme torcher of the state. It was hinted by some who survived the gulags, those were the lucky ones.

The borders of Albania were ringed by armed guards and high electric fences to keep the people in. Thousands of people died trying to escape the cruelty and brutality of life under the Communist Regime. A whole nation turned into one Orwellian prison.

The nature of the Regime:

“Certain clauses in the 1976 constitution effectively circumscribed the exercise of political liberties that the government interpreted as contrary to the established order. In addition, the government denied the population access to information other than that disseminated by the government-controlled media. Internally, the Sigurimi followed the repressive methods of the NKVD, MGB, KGB, and the East German Stasi. At one point, every third Albanian had either been incarcerated in labour camps.”

interrogated by the Sigurimi. O'Donnell, p. 129.

Raymond E. Zickel & Walter R. Iwaskiw. Albania: A Country Study. Washington, D.C.: Federal Research Division of the United States Library of Congress. p. 235

“To eliminate dissent, the government imprisoned thousands in forced-labour camps or executed them for crimes such as alleged treachery or for disrupting the proletarian dictatorship. Travel abroad was forbidden after 1968 to all but those on official business.

The justice system regularly degenerated into show trials. An American human rights group described the proceedings of one trial: "...[The defendant] was not permitted to question the witnesses and that, although he was permitted to state his objections to certain aspects of the case, his objections were dismissed by the prosecutor who said, 'Sit down and be quiet. We know better than you.'" In order to lessen the threat of political dissidents and other exiles, relatives of the accused were often arrested, ostracised, and accused of being "enemies of the people". Political executions were common..”

James S. O'Donnell, "Albania's Sigurimi: The ultimate agents of social control" *Problems of Post-Communism* #42 (Nov/Dec 1995): 5p.

Torture was often used to obtain confessions:

“One émigré, for example, testified to being bound by his hands and legs for one and a half months, and beaten with a belt, fists, or boots for periods of two to three hours every two or three days. Another was detained in a cell one meter by eight meters large in the local police station and kept in solitary confinement for a five-day period punctuated by two beating sessions until he signed a confession, he was taken to Sigurimi headquarters, where he was again tortured and questioned, despite his prior confession, until his three-day trial. Still another witness was confined for more than a year in a three-meter square cell underground. During this time, he was interrogated at irregular intervals and subjected to various forms of physical and psychological torture. He was chained to a chair, beaten, and subjected to electric shocks. He was shown a bullet that was supposedly meant for him and told that car engines starting within his earshot were driving victims to their executions, the next of which would be his.”  
Minnesota International Human Rights Committee, 46–47.

"There were six institutions for political prisoners and fourteen labour camps where political prisoners and common criminals worked together. It has been estimated that there were approximately 32,000 people imprisoned in Albania in 1985." O'Donnell, *A Coming of Age*, p. 134.

“Article 47 of the Albanian Criminal Code stated that to "escape outside the state, as well as refusal to return to the Fatherland by a person who has been sent to serve or has been permitted temporarily to go outside the state" was an act of

treason, a crime punishable by a minimum sentence of ten years or even death.” Minnesota International Human Rights Committee, 50–53.

“An electrically-wired metal fence stands 600 meters to one kilometer from the actual border. Anyone touching the fence not only risks electrocution, but also sets off alarm bells and lights which alert guards stationed at approximately one-kilometer intervals along the fence. Two meters of soil on either side of the fence are cleared in order to check for footprints of escapees and infiltrators. The area between the fence and the actual border is seeded with booby traps such as coils of wire, noise makers consisting of thin pieces of metal strips on top of two wooden slats with stones in a tin container which rattle if stepped on, and flares that are triggered by contact, thus illuminating would-be escapees during the night.” Minnesota International Human Rights Committee, 50–53.

“Fatos Lubonja is an Albanian writer who spent a total of 17 years in prisons and forced labour camps during Enver Hoxha's regime. He is the author of a number of books which have been translated into Italian, German, English and Polish. Among other prizes he received the Alberto Moravia Prize for International Literature in 2002 and the Herder Prize for Literature in 2004.”

The below is from his book:

Second Sentence: Inside the Albanian Gulag

by Fatos Lubonja, John Hodgson (Translator)

“Prison camps in Communist Albania were as brutal and claustrophobic as Stalin’s gulags, with the additional and unique horror that Albanian prisoners could be charged and re-sentenced while already in prison. In this raw and moving memoir, the prize-winning writer Fatos Lubonja brilliantly evokes life for prisoners of the state as they struggled to cope with the physical and psychological deprivations of imprisonment. Second Sentence opens in 1978 with a vivid description of the author’s experiences as a forced laborer in a copper mine in Northern Albania. In the tense camp atmosphere, Lubonja discovers that two of his co-prisoners have written a letter to the Party criticizing "the foremost leader," Enver Hoxha. Shortly afterwards they are spirited away under mysterious circumstances. Lubonja does not make the connection until he is himself re-arrested in the camp with seven others and sent to stand trial as part of an alleged counter-revolutionary organization. With heart-breaking honesty, Lubonja

describes the long months of interrogation and solitary confinement as he awaits his second sentence...”

From the final chapter of the book which shows the reality of the regime that thrives on lies, propaganda, slave labour, torcher, murder and fear. Note the Sigurimi where the Albanian NKVD:

I found myself face to face with Kapllan Sako, deputy director of the State Security Service. I had never forgotten the first day of the my initial arrest, and the very first words he had said to me, “We have brought you here to ask about your political views.”

I had not seen him since.

Kapllan was standing. He was little changed, still slim, sharp featured, greying-a typical Sigurimi man from the cut of his suit to the parting of his hair. There was also a swarthy character whom I did not know, sitting behind the desk. I noticed a standard sheet of white paper on the corner of the desk.

‘Are you Fatos? Kapllan said to me.

‘Yes, I replied.

‘Do you recognise me?’

‘Yes.’

‘When did we last meet?’

‘In July 1974,’ I replied.

He was pleased that I could remember this.

‘Why did you take that attitude in court?’ He said ‘We did not expect this of you.’

‘I cannot admit to things I have not done.’

I had no intention of arguing with him, because I was obsessed by the idea that they were devising another sentence for me. I had to watch what I said.

‘So our people’s court has sentenced you for nothing? His voice rose.

Did this man really believe his own fabrications? It disgusted me to hear him use the phrase 'people's court,' as if it were something sacred, almost the people itself.

'The files are here. Let's go through them together,' I replied.

He did not reply. He was anxious to get to the point:

'You said,"Fadil Kokomani is my best friend..."'?

So this was what got me into trouble.

'I said it in the moral sense, "I replied, 'because of what he stood firm like a man.'

This seemed to take him aback.

'What do you mean, like a man, what sort of man is that?' He grimaced, and reached out for the sheet of white paper on the corner of the desk.

'Look, there's your best friend.'

Under the white paper were several photographs, apparently taken at night with a flash. The faces of Fadil, Vangjel, and Xhelal stared out at me with a gaze more of bewilderment and disgust than of fear. They were sitting on a bank or earth with their wrists handcuffed behind them, all three tied with a rope. They had been photographed a few moments before they were shot.

Kapllan shouted furiously, 'That's where you belong. That's where you'll go if you enter this door again!' and he jabbed his finger at one of the photographs. I could barely recognise Fadil. I saw a swollen face, covered by a stain of blood that spread from the forehead and covered the eyes, part of the nose and the cheeks, and ran in three or four trickles down to the throat. I shuddered. The sight was frightening and weird.. I remembered the photographs of murdered saboteurs exhibited on the display stands of the Ministry of Internal Affairs, which had terrified me as a child.

After seeing Fadil, I was too confused to concentrate on the images of the bodies of Vangel and Xhelal. My eyes spilled to the other large photograph underneath, in which the three corpses lay piled on another. There was Iljaz's grey jacket, which Fadil had worn through the trail.

Kapllan bellowed again. 'And you say, "Fadil Kokomani is my best friend."

‘What else can I say?’ I replied.

Communist Prosecutor

By Visar Zhiti

Extract from the book “Trails of Hell”

The prosecutor seemed notoriously oppressive and thick-skinned. In his heavy coat and bushy animal skin collar, he looked like a wild beast. Well, I guess spring hasn’t arrived yet. At first I thought they had brought policeman Marku to confront me in case I had broken a rule in the prison cell. I feel bad I was dubious about Marku, but...

“This is the district prosecutor, comrade Avdi Gashi,” said the interrogator.

“Explain yourself clearly, or I’ll rip off your pants!” brayed the prosecutor. I did not understand what was wrong with him. “They even requested you to be a writer in Tirana,” he let out a loud bray like a burp. His cheeks and trachea must have hurt from it. “But we turned them down. And we were right. How could we let an enemy go there? Is he going to explain himself, or should we charge him with an additional crime,” he turned his head toward the interrogator, “let’s add...?”

“He will talk. He has no way out,” the interrogator assured him.

What further accusation is the prosecutor so easily charging me with, as if he is simply adding another ladle of soup in my bowl?

“What did you want with ‘rakatakia,’\* who you got involved with?” The prosecutor asked with contempt. “Eh?”

Even the interrogator got confused. He asked him in a whisper:

“What do you mean by that, comrade Prosecutor?”

“I don’t know! He knows who ‘rakatakia’ is... the Japanese one.”

(Do they want to accuse me of being a Japanese spy?)

“Aha, you are right,” the interrogator chuckled. “What is the name of the Japanese poet you translated; since you couldn’t stay out of it?” Irritated, he turned towards me, “Eh, ‘Taketukia?’\* Ah! What did you want do with him?”

When I was a student, I couldn’t stand reading passages of Enver Hoxha’s speeches in Russian, which sounded mediocre, gorarçe\* translated, and boring, so I found a Japanese poet to read outside of class, Isikava Takuboku. (Did I need to report this to my killers as well?) My friend from Korça, Skënder Rusi, and I decided not to waste our time terribly in vain and chose to translate a poet who would be permitted for exams. We picked a far, far-off Japanese poet who had a lesser known biography. Frankly, he was all we could find. H. Leka from Shkodra lent us the book from his personal library. He was our professor and our friend. We translated the whole book from Russian. But in his notebook Skënder interpreted the tanks more imaginatively and I, perhaps, a little more ironically.

“Talk to us! Why don’t you speak? Vermin! Who gave you rakatakia and taketukia, and why?”

I perceived senseless mumbling sounds.

“What were your relations with critic Xhezair Abazi?” The interrogator asked me abruptly.

“Same as with the others,” I said.

“Is he talking about Xhambazi?”\* Howled the prosecutor.

Then they were chatting over something, but the prosecutor could not lower his voice; he would find it easier to unload a heavy bundle of oak twigs from his back than bring down his voice. What? Sparks? What are they informing each other about? What is this Golden Pen...?

“But they also asked you to be a writer, you renegade!” Despite his old age, the prosecutor charged towards me, but the interrogator held him back.

“Wait, don’t you worry about it, I will fix him.”

Time to trade places

Visar Zhiti

(Extract from the novel "Torn Hell" by Visar Zhiti)

New prisoners kept coming before we old timers had had a chance to get to know each other, which, by the way, was forbidden. The lack of contact with others lessened one's self-perception. That poor mass of humanity, seemingly dressed the same, with identical haircuts, equally famished, where another seemed to be you and you someone else; without individuality we were nothing if not empty transparencies, multiplied by a thousand, or two thousand, by a million, by millions. During the age of slavery, three thousand years ago, this setup would have reduced you to nothing more than a slave due to your long years of imprisonment. We whispered among ourselves that cosmonauts could see our jails from afar, from the cosmos, perhaps from the moon, the prison caves, the rows of the condemned, the seemingly endless chain of them, stretching longer than the rivers. There were no prisons anywhere else.

Among the prisoners emerging one day from the police van was a young man with a face paler than those of others who had survived their interrogation period. Around his shoulders he wore a black jacket with a flap in the back. Perhaps that was the fashion outside. He was told to take it to the clothes depot; he would get it back the day he was discharged (or whatever was left of it). He was also to get rid of his shoes and pants and don the prison uniform.

When he was done, he emerged from among the new arrivals and silently, slowly, with the dignity of slow motion, he started climbing the path toward the barbed wire fence, disregarding the prisoners' mounting tension. We had fixed our eyes on him. He walked sure-footed, his head held high. "Hey" – said some voices – "where are you going? There is no exit there. The guards will open fire. . ." These voices caught the attention of the guards inside the compound, where one of them, unexpectedly, rushed toward the newcomer screaming that he stop, as the guards would shoot: "Hey you, prisoneer! You guards, don't shoooot." The prisoner, however, continued walking, without turning his head, with dignity. He entered the killing zone where signs marked "DO NOT ENTER" were buffeted by the wind like crosses in a graveyard. The soldier in the nearest guard tower, like from inside a wooden monster head and from between its teeth, was aiming his automatic rifle in our direction. "No," yelled the guard from inside the compound, "soldier, don't fire, I, too, am here." He reached the recently sentenced man,

grabbed him by his arms and pulled him back. "Turn around," he yelled, "what's the matter with you? Why are you crossing into the forbidden zone, or are you trying to get killed?" Look at the other inmates, be patient!" The former citizen did not open his mouth. "Are you insane?" He nodded in agreement. When he came close to us, he looked bewildered, more terrified of us than of the guns. He probably saw himself like one of us.

I was overcome by sorrow, I didn't know whether for me or for him who wanted to get killed. I not only did not dare kill myself, but had given up thinking altogether. Besides, whom was I supposed to kill, we were no longer human beings. My sorrow turned completely toward the unknown newcomer. It would have been better for him had he been killed. It would have been over for him and a challenge to the status quo. My very thoughts terrified me, for being so merciless toward another's life. I had no right to want someone else's death, even though others felt that way toward me.

I doubt it that from the very beginning we had a psychologist among us. Had there been one, he would have been rejected as a Freudian. More likely, someone among us could have become a psychologist in prison. Chances were slim but psychological anomalies were all around us. A psychologist could have thought along these lines: "The inside guard, no more than a rubber truncheon for the regime, dares to save an enemy's life. That must mean that the dictator is very ill, probably in his death throes; he may even be dead. They may be hiding it as in ancient Chinese dictatorships that were 'led' by dead emperors. Thus, the policeman of the 'class warfare', by saving the life of a prisoner may have been promoting his own future thus extending the life of an evil, even as he prevented death."

Why, are you thinking that the policeman did not save the prisoner's life, just out of human concern . . . ?

"No, no, no way, he was trying to avoid being arrested. Time has come for us to trade places. How could I miss it if the policeman didn't?"

Trading places is not necessarily a change. Can there be no society without condemned individuals, hence without judges, without jails, without prisoners?

## Unpunished Crime

by Reshat Kripa

It was nearing mid-June in 1985. The summer was unusually cool that year, which seemed to coincide with the political climate of the time. The dictator had died, raising expectations for change in the hearts of the people. They awaited changes from his successor. The people were tired of the camps and prisons spread everywhere and of their lives within the large prison in which the entire population lived, that separated father from son, brother from brother. The Albanian people, who had been isolated for years, wanted to live like other nations of the world. Would this happen, or would it remain an illusion?

Sotir Nastua from Narta was a military soldier in Ravena of Karaburun. When he received three days off, he departed for his hometown. He went out to the street and after waiting a short while, got on a truck that took him to the city of Vlora. There he boarded the shuttle bus that went to his village. When he arrived, the sun was setting and with it, he could see the cooperative's agricultural laborers returning from work in the numerous village vineyards. Among them, he caught sight of his mother whom he greeted and affectionately embraced. They went home together, but he did not stay for long. He washed, changed, and got ready to go out.

"What's the rush son? You just got here. We have not yet seen enough of each other," said his mother. But he acted as if he did not hear her. He went outside and headed for the center of the village. He definitely wanted to meet up with his best friend, Jorgo Shella. They shared a plan they kept secret. He went to his friend's house, but did not find him there. He returned to the center of the village and entered a bar. There he saw Jorgo at a table talking to Aleks, a youth of the village, who was serving in the army as a soldier in Saranda. They greeted each other and Sotir sat down and ordered a glass of wine, like his friends. He wanted to talk to Jorgo, but Aleks's presence prevented him. He couldn't wait for Aleks to leave, when Jorgo suddenly whispered. "I spoke with Aleks about the plan. He is familiar with the place and is willing to help us." Sotir was stunned. Jorgo's act had shocked him. How could he open up to Aleks? How could he trust him with something so dangerous? But now this was a set fact and there was no way it could be reversed. "I would love to come with you," said Aleks, "but you know my situation." He was an only child and his mother was sick. They stayed there

chatting until late in the evening, and decided to leave the country the next day. "Your conversation tonight is endless," said the bartender, "Leave now, I have to close." They looked around and noticed there was no one left. They got up, said goodbye to the bartender, and after strolling through the deserted streets of the village, each went home. The next day they awoke early in the morning and set off for Vlora.

"Poor me, son, I hardly saw you," said Sotir's mother, "why didn't you tell me since last night so I could have baked you some bread rolls?"

"Don't worry, Mother, we will find everything we need at the place we are going," he replied as he left. In Vlora, they boarded the bus on the Saranda line. They arrived in the city of Saranda in the afternoon and began to wander the streets, waiting for the hour at which they were to go to the designated place.

Silence had fallen over Pavllo Shella's home. Their son, Jorgo, had left three days before, along with Sotir and Aleks, and had not returned. Jorgo said he was going to his aunt in the city of Vlora. But no one had seen him there. Pavllo began to worry. He noticed that even the Village Council members seemed to avoid him. "Get up, husband, and go ask the police chief, because otherwise he will question why we have not reported," said his wife with tears in her eyes. Then it was the custom in every similar case for one to inform the village police chief or the Department of the Interior.

"We will wait. If he does not return tonight, I will go first thing in the morning," he responded, concerned. That night they heard loud raps at the gate of their home. Pavllo got up and opened it. It was Avni, the locale operative officer, accompanied by Jollanda, head of the United Village Council, and two policemen. "We have come to conduct a search," they said to Pavllo.

"Why?" he asked, astonished. They did not reply. They pushed him aside and began to turn everything over. They searched everywhere. Pavllo and his wife stood still. When found nothing, they headed out once again. When Avni arrived at the gate's threshold, he turned toward Pavllo and frigidly said,

"Your son betrayed his country and for traitors there is only one sentence. His body lies in the morgue of Saranda." The old lady immediately fainted. Pavllo stood frozen stiff. He did not know what to do. Should he cry out? To whom? Should he yell? He did not have enough strength. Once he gathered himself he

turned toward his wife and helped her regain consciousness by wetting her face with cold water. She screamed. The village heard her and the people began to come immediately, but when they learned the reason, they left as if there was an epidemic of cholera. Even the brother and sister of the old lady did not dare come. Only Pavllo's sister and two or three others close to the family came, and tried to console the poor parents as best they could.

The same thing happened in Apostol Nastua's home. The same search was conducted and the same news of death was given. The same grief erupted. People also began to distance themselves as though there was an outbreak of the plague. Mourning fell over both families. Apostol Nastua did not have the courage to pick up the body of his son. Fear of the consequences of this action forced him to hold his pain inside his soul. In his home they could not even dare cry for the dead. Sotir's body was buried in Saranda by municipal workers.

Pavllo decided to take on all the consequences. What worse could happen to these two poor elders? The next day, he alone took the road to Saranda. His married niece lived there. She received him and told him the terrible story that rocked all of Saranda and would horrify anyone who listened to it.

"People say that they were betrayed by the friend accompanying them. When they arrived at the appointed place, they undressed and threw themselves into the sea to swim toward the island of Corfu. Their friend turned around and informed the Department of the Interior. The motor boat of the coastal border guard immediately set off, reaching them in international waters. Communist border guards could have caught and brought them back to Saranda to put them on trial. But they did not do this. They were wild and did not have any human feelings. The criminals, born to kill and massacre people, took out their machine guns and killed both of them. But even this was not enough. Their youthful blood heated the communist sharks even more. They began to hit the young men with the propeller of the motorboat while hurting and disfiguring them all the more. And as if this was not enough, the next day they tied their bodies to a Soviet truck, dragging them through the streets of Saranda to terrorize the people of the city and to scare those citizens who might imagine undertaking a similar heroic act. All this was done under the order of the head of the Department of the Interior. Be strong, Uncle! A dreadful scene awaits you tomorrow. You need to face it with dignity."

“Yes, my niece, yes. Your uncle is strong and will know how to carry himself,” answered Pavllo, determined.

The next day they went to the city morgue. A horrific scene awaited them there. Pavllo did not recognize his son. The marks of seven bullets were visible on his body. He could identify his son only from the shorts he was wearing. Nearby, his son’s friend Sotir looked the same. Making the most of the kindness of the hospital workers, he washed the corpse and dressed it with clothing he bought in the street market. Then he placed him in a coffin, nailing it so it could not be opened, and left on the municipal van to the village. They arrived home late at night. There he found very few who were close to the family.

After unloading the corpse, the van left immediately.

Llazar, a member of the United Village Council, showed up the next day at the gate of Pavllo’s house. Without coming inside he called to him and warned, “You are not going to bury the dead body in the village cemetery. We do not allow a traitor to rest near the honorable people buried there. This is the decision of the Organization of the Communist Party.

“What should I do?” asked Pavllo, lost. “There lie the graves of my family members.”

“Bury him below in the jalli (a barren piece of salty land by the sea), and do not leave a trace of the grave. I believe you understand,” said Llazar in a commanding tone, and left.

Pavllo remained stone still near the gate. How was it possible for them not to allow any room for his son’s grave, those who just yesterday had greeted and warmly conversed with him? He returned to the room and broke the appalling news to the few people there. “We will complain to the Department of the Interior and if necessary, to the Party Committee,” said Andoni, Pavllo’s nephew.

He immediately set off for Vlora. But even at the Department of the Interior he received the same answer. He set toward the Party Committee, but no one received him there despite his insistence. Finally the man on duty at the gate told him, “Leave, son; don’t store up more trouble for yourself.”

The village atmosphere was tense. Most people remained locked in their homes to avoid appearing involved with this event. But some shameless others, such as

the dentist Nastua or pensioner Apostol, called aloud for no one to attend the funeral ceremony because Pavllo's son had died as a traitor.

The small cortege of mourners set off that afternoon for the jalli. The few people who happened to be on the street turned their backs to them. Worse, a shameless provocateur began to sing a song that sneered at what had happened. More painful events occurred in the following days. Spirua, a communist and sector supervisor, divorced his wife only because her father had attended the funeral. Whereas Pandeli Andoni, Pavllo's brother-in-law, who would not consent to the Council's dictate to divorce his wife, drank poison and ended his life because he could not resist the great pressure.

The year 1990 signaled the beginnings of a huge downfall. Dictators of Eastern Europe began to fall one after the other. Only ours remained. Pavllo thought it was time to bury his son's remains by the family graves. He exhumed his son's remains and headed toward the village cemetery. But on the way he was confronted by Jollanda and Antigoni, secretary of the Communist Party, who said, "We are not dead yet. No, no! We are alive and we will crush you. Send back the remains where they were because that is where they belong." Pavllo was silent and headed back. The remains were placed once again in the jalli. Only after March 22 of 1992 were they able to rest in the village cemetery in their rightful place.

I met with the two elders one day in April of 1993, when I went to their home along with my friends, Mihal and Dino. You could read only mourning in their faces. With tears in their eyes they told the story I described above. They had a huge disappointment in their hearts. Would those who created this tragedy be punished? We searched for Jollanda, Antigoni, Avniu, L Lazar and their other lackeys. We were told they had flown to Greece, where only God knows what they were doing and preparing, most definitely new tragedies, like that of the year 1997.

Pavllo had only one appeal. He wanted democracy to bring to justice those who massacred and disfigured his son. Under the pressure of the Political Persecuted People Association and public opinion, the arrest of the ex-head of the Department of Interior in Saranda was made possible. But the trial was a sham. He was convicted and received only three years of prison term for the abuse of public responsibility. Oh, irony of fate! Three years of prison term in exchange for

the lives of two 20-year-old young men. Pavlo's heart was once again let down. The crime was left yet unpunished.

Red Holocaust

Dead among the living

by Afrim Imaj

Though shocking, this is true: A resident from Vlora discovers his brother's body after thirty years, bearing the same visage as he did the day they parted.

The central character of this extraordinary narration is seventy-year-old Lavdosh Mersini, from Çeprat of Laberia in Albania. Lavdosh, after many painful attempts to find the remains of his brother, who was executed by a phony communist court, was able to locate them in the anatomy room of Tirana Medical Facility. Just as Lavdosh began to lose hope of ever finding his brother's remains, when every effort seemed wasted, pure chance would grant him unexpected success. His legs took him to where Luan's body resided, appearing as he did when he was twenty-five years old.

"At first I couldn't believe my eyes," said Lavdosh. "It seemed like a dream; like something from those ancient ballads. I had to restrain myself. It was not easy. I stretched my neck and looked him straight in the eye. It was him. Yes, Luan! His eyes longed to tell me something; they were the only things that could talk; everything else, from his head to his feet, was frozen and ice-like. Only his eyesight offered life, warmth, and memories. They were weary and looked far into the horizon, reminiscent of the days when he was in jail, asking about his mother, Hairie. I took my first steps toward him. Was I drawing close to my brother, or close to a ghost? I stretched out to embrace and kiss him, a brother yearning to embrace a brother. He looked young, very young, identical to the day we parted 30 years ago. It was Luan, just the way he had looked that very day, with the same eyes, dark eyebrows, forehead, and full-sized, straight body. Only his hair had been trimmed. A bullet hole on the edge of his nose was mute testimony of the brutal actions of those who had decided his tragic end. He was in formalin, a lot of formalin, which kept his well-built body intact."

Lavdosh had to restrain himself, to rise above his painful shock. He had to bring Luan back home, to remote Çeprat, to be among his brothers, sisters, nephews, nieces, friends, and acquaintances, who would rejoice. But first there would be the journey: long, tiring, and deeply moving...

After you have knocked on the door of her apartment somewhere on the outskirts of Durrës city, Lavdosh's sister, Burbuqe, relates an account that sends chills down the spine. She says: "Luan, like Kostandin (1), came back after thirty years. Have you heard the legend of Kostandin? Indeed you have, and I too, though I don't think you have experienced it. I don't know who else had that destiny. Luan's return after thirty years was like that of Kostandin. Yes, yes! While I kissed him, cold though he was, I recalled the ancient legend. The legend of the long wait for the knight leaping over whole mountains to fulfill a promise he had made to his mother. Though Luan had died, he had not perished, and did not have a grave - just like Kostandin! But Luan was not really like Kostandin, because he did not meet his mournful mother, and did not see her fade away, grief-stricken over him..."

She has to force herself to hold back her grief, to stop the tears rolling down her cheeks. Her husband, familiar with the situation, continues the conversation to give her time to compose herself. He begins, "The communists arrested Luan for refusing to collaborate with State Security. They trumped up a case against him - abuse of public funds - during the construction of social and cultural works in the agriculture cooperative. They fixed a shortfall of public funds amounting to 50,000 leks so they could execute him at night with a firearm." The husband falls silent, allowing Burbuqe to resume the conversation. He takes out a pile of papers, discolored by the long, somber passage of time. The papers feature the court's verdict.

The sister of the young martyr goes on thoughtfully, "All of a sudden, they took him from the village where he worked, unjustly handcuffed, and transported him to the prison cells in Vlora. On the way there he met his brother, and confidently handed him the watch for safekeeping. Afterwards we could see him only with the approval of the interrogator. His courage never let him down. He never begged for mercy. The only thing he asked for was cigarettes. His only concern was Mother, who was his first and final worry. He remained that way until October 24, 1968, the day the communists executed him." That was all Burbuqe could say. However, she was certain that her older brother, Lavdosh, knew more.

He still lived at the same address, the place where Luan became separated from his heartbroken mother so many years before.

Thirty years after his brother's execution, Lavdosh Mersini still sees the image of Luan making a brave stand against the communist court. "Luan asked the communist judge to look him straight in the eye," says Lavdosh. Each time he tries to visualize his brother's image he remembers Luan fearlessly challenging the false accusations of the State Security people. It is this memory that initiates the conversation...

"After the secret investigations, they took him to court and accused him of misuse of public funds," says Lavdosh. "They rounded up an amount of 50,000 leks in the offices of the State Security. They served it and legalized it in court through the prosecutor, Sotir Spiro, and the judge, Irakli Bozgo. According to them, Luan had inflicted economic damage on the state, an act that would cost him his life. At the time, no one thought it would result in a deadly decision. What's more, witnesses summoned to the court strongly opposed the accusation. The first person who opposed the charge was the key witness, the chairman of the agricultural cooperative of Mavrova, Telo Dana. He disputed all the evidence used by the interrogator and spoke courageously about Luan's good manners. This backlash enraged the communist judge, who arrogantly ousted the main witness from the courtroom. The same thing happened to the next witness, Maliq Hoxha, controller of the cooperative. They ignored his testimony by forcing him out. At that moment, with a powerful and fiery look, Luan rose to his feet on the podium. 'Don't put pressure on innocent people!' he said. 'Cut it short! Do what you have decided to do! I will face you to the end; I will boldly prove your lies. You don't possess valor. You don't have the courage to look me straight in the eye; you work behind the scenes, in the dark, with lies and false accusations.' Luan, in shackles, wanted to continue, but his speech was cut short by the voice of the prosecutor. 'You will get paid for it by bullet, Luan Mersini! You will be rewarded by hanging.'"

This is all he can recall from his brother's trial in Pasha's house, in the Vlora town center. What would come later was obvious at that time. Luan's fate was predetermined.

The first to receive the grave news was the eldest brother, Bardhyl. He recalls, "When we took his winter clothes to prison, we were told he had been executed."

It was a cold October day in 1968, when, on his mother's request, Bardhyl left the house to take food and winter clothing to his brother in the Vlora prison. As he was knocking at the prison door to explain his reason for being there, the officer on duty told him the dreadful news. "Don't you yet know Luan has been executed?" He heard enough to feel weak in his knees.

"I fell on the floor, out cold, and could not remember who brought me back to my feet," says Bardhyl. "I remember how they splashed water onto my face and made me regain consciousness, and the kicks of the officer on the bag filled with clothes and food, which were spread everywhere under his small window. At that moment I thought of our mother. How would I tell her? I left for the village in a state of confusion. I had to hold back my tears. It had been Luan's wish during our last meeting not to shed tears for him. It appeared that he had foreseen his tragedy."

Beyond this act of communist barbarism, Bardhyl Mersini wants to evoke and to give respect to the virtuous life of his brother. Caught in his memory is impish Luan who graduated high school with first-class honors, but "bad biography." He was the son of a kulak, and an obstructionist policy was used to prevent him from attending the university. Heart-to-heart talks about movies and sports with Luan are still very vivid memories to Bardhyl.

Bardhyl says, "Unique was Luan's interest in having his hair western style, dressing nicely, and wearing fashionable ties. Right after graduation he started life in a hurry. He rolled up his sleeves and worked ten to twelve hours a day in construction. 'We have to be ahead of others,' he used to say to us. After work he had another personality. He washed, dressed, and went to Vlora, mostly when there was a soccer match. Movies were his passion. He knew almost all famous actors, and tried to make other young people like them. He was lively and active in his social life, open for help to anyone who knew him. In a few years after school, he was admired by all, a fact that caught the eye of the State Security. They wanted to benefit from his sociability, and used his political "defect", son of a kulak, to put pressure on him. They asked for his collaboration to obtain information about groups in Vlora that were interested in fleeing the country. Though he understood the consequences, he strongly opposed collaboration. He told us, State Security would not easily forget his denial. It was for that reason why the fatal drama took its toll..."

Burbuqe's husband details another aspect of Luan's life, something he will never forget. He recalls, "Mother Hairie refused to give Luan's suit to the police. The security men came accompanied by a dozen police officers. They searched every inch of the house to find and take all his belongings, from books, notebooks, papers, clothes, to nightwear. When they got hold of his new suit, custom made that year for his wedding, mother Hairie stormed upon them. 'You may take my life but not the suit of my son,' she said, and grabbed it from their hands. The police frowned for a moment; but, convinced she would not let it go, they left. She kept the suit by her bed stand until the day she died."

Mother Hairie lived for only a couple of days after Luan's execution. She died at fifty-five years old, with profound agony that she would never know where her son's remains rested.

According to a former employee of the forensic medical lab, a woman who did not wish to be identified, "They embalmed the body of the young man from Vlora at night." She had tried since then to deliver the news to Luan's family. Lavdosh confirms this fact. He got the message from an acquaintance of hers in Vlora, while he was searching for his brother's remains in Soda Forest, Mezini Well, Olive Plantlet Plantation, Old Beach, and many other places. Her story, connected through work with the cadaver forensic hospital laboratory, does not end here. Something very unusual about this case rooted in her memory. Everything is related to the moment of arrival of Luan's lifeless body.

She remembers, "It was somewhere in the end of 1968. I remember it well because the anatomy faculty was badly in need of cadavers. Following an order from a high ranking communist authority, a group of experts was created in haste with three to four medical doctors and state investigators to search some local prisons. Their prey was primarily from the contingents of political prisoners. One day, early in the morning, the expedition had just arrived from the city of Vlora. I heard one specialist informing the person in charge that in Vlora they had scented prey, "first-rate material", for which they had agreed with the Department of the Interior Ministry to make it part of the laboratory. Furthermore, I learned it was about a young man, twenty-five years old. In the evening of the next day, they informed us that the body was brought in. By coincidence, I saw him the moment they took the body out of the truck. He was a handsome young man with a muscular body. The people who processed him said it was one of the rare cases

which would last for a long time in the lab. When I saw the paperwork that came with him, I found the way to send, indirectly, word to his family.”

One dead among the living.

The following is what happened to twenty-five-year-old Luan Mersini from Çeprat of Vlora.

They shot him at night, and immediately transported his body to Tirana, the capital. For many hours, and in complete secrecy, medical doctors worked on it. After they embalmed him they placed him in the anatomy lab of Tirana Medical Facility with just basic paperwork. The next day he was placed on the podium of the laboratory, and ever since he had silently ‘argued’ with the lab coats. Generations of physicians would practice on his body. The dead would coexist with the living for thirty years, until the day ‘the silent professor’ would abandon his ‘unwilling profession’ to return home.

Unspeakable Crime

by Teuta Mema

The Interrogation

Bedri Blloshmi, brother of the executed anti-Communist poet Vilson Blloshmi, recounts how he communicated with his brother by tapping a finger on the wall of a Librazhdi interrogation cell. Vilson told him that Kadri Azbiu himself, the Communist Minister of Internal Affairs, had grilled him in the interrogation cell in Tirana, the capital. After three months of cruel torture, Vilson’s left arm was paralyzed. During the night, plainclothes security officers kept him awake. With shackles cutting into his wrists, they forced him to stand on one foot, leaning against the wall. When he collapsed on the cold concrete floor from exhaustion, they raised him back on his foot, and persisted in asking the same question: “Will you accept the proposal of the minister to collaborate with the Albanian secret agents overseas?” Vilson said no; they started the brutal interrogation all over again.

The Trial

On June 7, 1977, outside the Librazhdi movie theatre, a horde of Communists kept screaming at the top of their voices, “Hang the reactionaries! Hang the reactionaries!” Inside, many police officers and numerous individuals carefully selected by State Security operatives applauded the unfamiliar faces that stepped in front of the head judge, Subi Sulçe, to read the false accusations prepared in the State Security offices. Isa Kopaçi, from the People’s Army and Todi Bardhi, chairman of the Agricultural Cooperative, read the false charges. The trial went on for six days. In all the proceedings, the judge held up expertise in the form of a written statement crafted by Diana Çuli, Koçi Petriti, and Myzafer Xhaxhiu and screamed: “This will put you to death!” On June 13, 1977, Vilson Blloshmi and Genc Leka were sentenced to death by firing squad. Bedri Blloshmi was sentenced to 25 years in prison.

### Expertise (1)

Selim Caka, head of the Communist Interrogation Department in the city of Librazhdi, asked the editor of the newspaper Drita [Light], Diana Çuli, to look into the content of the poems written by Genc Leka. Diana Çuli responded to the request by expressing her expert opinion in a written statement on November 19, 1976. She wrote: “Genc Leka, the author of the poems, is marked with an ideological shake-up. In his poems is sensed a pessimistic spirit; the author does not seem happy, and tries to find happiness somewhere else. Behind the symbols he uses is revealed the desire to stay away from our socialist reality.”

### Sparrows

Its veil slowly took off the yellow fall.  
 With frost and blizzard will winter start  
 Yet birds; in here you endure all,  
 None can from native land take you apart.

—Genc Leka

After examining “Sparrows” in great detail in order to discover more about it, expert Diana Çuli writes: “Genc Leka uses irony. Our socialist reality looks miserable to him. Sparrows are personified like unfortunate creatures. It is a reactionary poem.”

## Expertise (2)

“On January 1, 1977, in Librazhdi, I, the interrogator of Interior Ministry, Lulo Ymeri, after studying the material about the criminal case number 56, realized that the defendant, Vilson Blloshmi, has written a poem entitled ‘Sahara.’ In order to determine the content of the poem, I decided to ask expert Koçi Petriti, literature teacher at Librazhdi High School, to get to the bottom of the following question: What is the real meaning of the poem, ‘Sahara?’ To answer my question, the poem ‘Sahara’ was made available to him.”

## Sahara

Sahara, away is Sahara far,  
 Sahara of rocks, stones and sand  
 Only her name befriended by  
 Having no vision, has no plants.  
 Sahara has no dreams in mind.  
 Only stones grind inside her head...  
 Sahara can't even a song find,  
 No tears to weep for all her dead.  
 Sahara in world has no friends,  
 Sahara has no children to fret  
 Sahara is a piece of land,  
 Quarrels all night, the news has spread.  
 Night in Sahara hates to fall,  
 It can't stand its stony mat;  
 There is no love, or chat, or soul;  
 Her black veil has nothing to wrap.  
 No one knows why earth was swayed

This injury on its back to hold,  
 On purpose created was, they state  
 To make it a curse to nations all.  
 When of her, he awfully speaks;  
 Sahara eavesdrops and snorts;  
 Sahara feels being so pleased  
 When among us we curses drop.  
 And when sunbeam timidly lies  
 On mossless stones reflecting bright;  
 Like a veil looks shrouded sky,  
 To desert lightning with burning light.  
 Therefore when deep and fiery hatred  
 Blasting, abusing, someone befalls,  
 Looms memory intoxicated  
 For help Sahara promptly it calls.  
 When evil curse its rage exhausts,  
 Away in time memory fades...  
 When rising sun thaws piercing frost  
 Forlorn wasteland feels desolate.

— Vilson Blloshmi

“It is a hermetic poem; it explicitly has a depressing substance and gloomy figuration. It is a symbolic poem, and here and there turns into allegory, which speaks of one thing or action to be understood as representing another thing or action and symbolically expressing a deeper political meaning. Within the allegory, a different idea is hidden. This hermetic poem is a result of the influence of decadent literary movements, such as symbolism. Symptoms of dark

figurations were criticized by the IV Plenum of Central Committee of the Communist Party. Comrade Enver Hoxha in this Plenum, said, among other things, 'In recent poetry is manifested a tendency to use gloomy figuration which is in conflict with the Albanian tradition of unambiguous poetry. A few young poets have started to adapt in their poems the hermetic style. This is utterly alien to our literature...' (Report of IV Plenum, p. 20)

What is the real meaning of this hermetic and symbolic poem?

In order to understand the poem as a whole we need to shed light on the symbols 'Sahara and night.'

This poem is not a natural scene, i.e., a mere description of the African desert. If so, it would contain details of a desert, whereas here only the sand and the name of the desert are revealed.

Second, the main meaning of desert, a vast area of land, is shrunk by the line, 'Sahara is a piece of land.'

Third and most significantly, it makes no sense for someone to write a poem about an unknown land which is out of his sphere of observation. This fascination in geography, if supposed to be so or alleged to, is absurd and discreet.

Fourth, if it is a mere panorama of the desert then there is no motive to indicate that the desert rises like a curse, created by mankind, to serve mankind. The poem unfolds the idea that mankind calls the memory of the desert when mankind needs to curse or hate, in the same way someone puts a curse on someone else, another country or the world by saying: May God make you desolate! Or turn you into a desert!

So, if the poem is a real panorama of Sahara, it would come as a creation of nature and not as a creation of mankind, human society.

We understand the symbolism of the poem up to a certain point if we bear in mind the rationale of the author. What is his viewpoint for our socialist reality? Through what eyes does he picture our life? The discontent toward this reality makes him express regressive and nihilistic sentiments and ideas. The symbol 'Sahara' is addressed to a specific country other than the real desert of Sahara. If so, what remains for this country which has no friends or acquaintances, sons or daughters?

The symbol 'Sahara' is made clear up to a certain point in the line 'Sahara is a piece of land,' as well as with the details 'rock...and stone' and 'Night can't stand its stony mat,' along with the lines 'Sahara eavesdrops and snorts,' 'When of her he awfully speaks.' It is possible that the word 'he' stands for mankind, or for those 'friends and acquaintances' that Sahara does not have.

The closest hint is for a small country, a piece of land in conflict with 'friends and acquaintances' that it does not have, and 'with the night' that it does not even get along well with. From the overall spirit of the poem intended by the author 'this piece of land' without friends and acquaintances, is a forlorn country encircled by hostility and damnation, and like an injury on the back of the earth, it serves mankind as a curse that comes out in moments of hatred.

What is 'night' in the poem? What does it symbolize? That 'night' is a symbol can be figured out from the details: 'The news has spread that night quarrels with the desert,' 'Night in Sahara hates to fall,' 'It can't stand its stony mat,' 'Her black veil has nothing to wrap,' because in the desert that 'Is a piece of land,' 'There is no love, or chat, or soul'; 'No tears to weep for all her dead', 'Sahara can't even a song find,' 'Sahara has no dreams in mind', this piece of land etc..."

Therefore, 'curse' is the only thing left for this piece of land, which from hiding 'intoxicated memory' calls for.

The idea of the loneliness of the desert resurfaces throughout the poem and in its conclusion: 'Forlorn wasteland feels desolate.'

Let's go back to the symbol 'night' which is in conflict with the symbol of the desert. The desert, as the poem reveals, has two types of powers it does not get along with: its friends and acquaintances it does not have, and the night. Here 'night' is outside the sphere of friends and acquaintances that 'desert' does not have, which means night is a force within Sahara's sphere and actually inside it like a black veil, which does not have anything to cover.

The symbol 'night' is to some extent confusing. If 'night' was a force that the author sympathizes with, it should have been within the range of 'friends and acquaintances' that 'this piece of land' does not have. So it remains a symbol of a power the author does not like, which for him is night. What might 'night' look like in our reality to the author? If the symbols stand to this interpretation, the poem is in an allusion (it is allegorically spoken, indirectly) to this 'piece of land,'

'devastated,' deserted, desolate, then, according to the author, life is a desert. Nothing is created there. 'This piece of land' feels delighted even when they use it as a curse. The poem has a pessimistic, nihilistic feeling. It denies everything related with human activity. Symbolism makes it allegorical, and gives its content a reactionary meaning.

The poem has several dark, contradictory and meaningless lines which, in fact, convey confusion, dissatisfaction for our reality and the author's fear to express the ideas directly.

I do not believe the poem has an interpretation different from the symbol and allegory used, despite the fact that, here and there, the symbol is incomprehensible and erratic."

The Parliament

In November 2006, in one of the sessions of the Albanian Parliament, the Minister of Culture, Youth and Sports of the democratic government of Albania, Bujar Leskaj, denounced the member of the Albanian Parliament, Diana Çuli, "A very successful book is recently published," he said, "written by Sadik Bejko about Vilson Blloshmi and Genc Leka; two poets that Diana Çuli sent to the firing squad with her expertise."

Diana Çuli

"At that time, when I was only 25 years old, that was my judgement about literature."

Execution and Tribute

At midnight of July 17, 1977, two anti-Communist poets, Genc Leka and Vilson Blloshmi, were executed by firing squad. Tied in shackles, a few kilometers away from Librazhdi in the area called Absconder's Creek on the side of a shallow hole dug in haste, Communist terrorists fired bullets through the poets' hearts, and covered the warm bodies with mud. They killed them because they wrote poems

the Communist Party found objectionable. Their poems were classified by literature experts as reactionary, and the poets were considered enemies of the Party.

In April 1994, with the decree of the President of the Republic, Sali Berisha, each poet was honored with the title, "Martyr of Democracy." After the ceremony, the coffins were transported to the Librazhdi Cemetery. While the caskets were lowered into the ground, hundreds of mourners burst into applause, and some in the crowd shouted, "You were true heroes, heroes!"

Washington

On October 24, 2004, the Smithsonian Institute in Washington, D.C., one of the most well-known cultural centers in the world, organized the educational seminar "Through Current Albania." The expert, Diana Çuli, daughter of a well-known hard-liner Communist family in Albania, also herself a member of the Communist Party since she was a university student, at present a member of the Albanian Parliament representing the Social Democratic Party, a new variation of the former Communist Party, was invited and lectured about "The phases that Albanian literature has gone through and the changes it has undergone with accordance to the time." At the end of the seminar the American coordinator complimented her on behalf of the Smithsonian Institute.

A Heinous Crime

by Teuta Mema

Lamtumirë, atdhe I dashtun,

Po të la, po zemërplasun...

Farewell, fatherland dear,

Yet I leave you in despair...

In the criminal courtroom in the city of Kukësi in Albania, on June 24, 1988, the Communist judge, Agim Hoxha, read aloud the verdict: "Dictated by the interest of the Party in Kukësi district, and the spread of hostile activity in the region, the enemy of the Party and people, Havzi Nela, is sentenced to death. Therefore to

serve to a better prevention of the enemy activity within the district, he will be executed by hanging.”

The poet Havzi Nela stood up proudly, and, addressing his final words to the Communist judge, Agim Hoxha and to the Communist prosecutor, Nikollaq Helmi, he said, “You only hastened the time of my departure. I ask for justice and not mercy from you.”

Better from this world I depart

Better by worms I eaten be

Better become stone and mud

When the villain abuses me!

Better clod, field or meadow

Better grass, of grazing land,

Better I by not a soul be known

When the ruffian is on my head

Havzi Nela

On August 10, 1988, the anti-Communist poet was hung by a rope in the city he loved most.

At the stroke of midnight on August 10, 1988, Communist terrorists put a rope around the neck of the dissident poet and hung him in the main square of Kukësi. At dawn, in front of the bus travel agency, the lifeless body was seen swaying in the air. Many people saw him, and read the inscription on the piece of cardboard hanging around his neck. “Havzi Nela, enemy of the Party and people.” The words Party and people were written in red. The fifty-five-year-old Havzi Nela, wearing a thin, discolored, fully unbuttoned shirt, a pair of worn out cotton pants and a pair of rubber sandals (opinga), stared the terrified onlookers in the eye. There were dark and red scars on his face and hands. When a pregnant woman saw the corpse swinging from the rope, her unborn baby was aborted. Only the members of his family, living in the countryside of Kollovoz, were prohibited from seeing the poet exposed as an enemy of the people.

Havzi Nela's lifeless body dangled from the rope for a long time. Then the uncovered body was shoved onto the trailer of a truck "Soviet Zis". The truck then rolled throughout the city as a means to terrorize the residents.

When you'll find out, I have departed

"May he rest in peace?" whilst say

Do you realize what I've suffered

I, the poet passion hearted?

Havzi Nela

Havzi Nela was hung because he dreamed, thought, and wrote differently than the preaching and the orders of the Communist Party, then the state party of Albania. His poems were classified as political crimes.

Who was the dissident poet?

Havzi Nela was born on February 24, 1934, in the village Kollovoz of the Kukësi district in Albania. He finished elementary and high school while living in extreme poverty. He took his schooling farther and began attending college in the city of Shkodra, where he was expelled as a destructive element because of his beliefs. After much difficulty, he found a job as a school teacher in the elementary school of Plan i Bardhë, a small village in the Mati district. He was also banished from this village because of suspicious activity

- reading some of his poems to his students. The poems were considered "repulsive" at the time. Later, he finished college in Shkodra through correspondence courses. He worked as a teacher in various villages such as Kruma, Lojma, and Shishtavec until 1967, the year he was transferred to Topojan. Topojan was where the most dramatic events for the poet and his family began.

Havzi Nela considered what he was being put through: the endless verifications, being taken into custody many times, and limitations on the kind of work he could do and on where he could live. After reciting to his students the poem "Shko dallëndyshe!... Fly (Go) swallow!..." written by Filip Shiroka, Havzi Nela, with his wife, Lavdie, risked their lives by taking the road to cross the border to Kosova on April 26, 1967. While crossing the borderline, he wrote on a piece of paper, "Lamtumirë, atdhe i dashtun, po të la, po zemërplasun... Farewell, fatherland

dear, yet I leave you in despair...” and placed it on a branch of a hazelnut tree for the murderous border guards to find.

A more tragic fate would follow him in occupied Kosova. The Yugoslav soldiers handcuffed Havzi Nela and put him, together with his wife, in Prizreni prison.

On May 6, 1967, the Yugoslav occupiers turned Havzi and Lavdie in at Morina army checkpoint, in exchange for Albanian patriots from Kosova that the Albanian Communist government had to hand over to the Yugoslav Secret Police, “UDB.”

On May 22, 1976, the poet received a fifteen-year sentence for crossing to Kosova. All of his property was confiscated. His wife was sentenced to ten years in prison. The poet never compromised with the dictatorship and its marionettes in prisons and camps.

On August 8, 1975, he was sentenced to eight more years in prison as he was considered an ardent enemy of the Party and people. On December 19, 1986, he was allowed out of jail, but only for a short time. Less than one year later, on October 12, 1987, he was placed under arrest and sent into internal exile at the village of Arrën. On June 24, 1988, Albania’s high court consisting of Communist judges Fehmi Abdiu, Vili Robo and Fatmira Laskaj rejected Lavdie’s appeal against her husband’s conviction and death sentence; the court ordered Havzi Nela should be hanged. The final approval of the death sentence by the Head of the Presidium of the People’s Assembly, Ramiz Alia, led to the proceeding of his execution.

The poet was not buried; Communist terrorists thrust him into the hole of a removed wooden pole.

After he was exposed all day long on August 10, 1988, at midnight Communist terrorists took his body down and thrust him vertically into the hole of a removed wooden pole. He was deprived of the chance to lie down like all dead. He stood on his feet for five years and ten days, until August 20, 1993. After many attempts by the democratic government of Albania, that was the day it became possible to find the hole, covered with stones and thorn-bushes near the village of Kolsh, two miles away from Kukësi. With the presidential decree of the President of the Republic of Albania, Sali Berisha, Havzi Nela was granted the title “Martyr of Democracy.”

When you'll ask: "Where is he lying?"

When you'll search to find my grave.

Say: "He deeply hated the tyrant."

Say: "The dirt won't him decay."

Havzi Nela

Now and forever, the poet rests in peace in a modest grave beside his parents in Kollovoz.

When spring will come in fullest bloom,

When nightingale will start to sing.

On stones, thorn-bushes veiled tomb,

A bunch of flowers for me you bring.

Havzi Nela

## Communism in Cuba

### Shit Guevara

Che Guevara is the much touted hero of the Liberal Humanist, crypto Marxist cult of the West. You see his ugly mug even being sold on a mug. Well what is the truth? Che's exploits from the violent thug who liked to torture and kill helpless and innocent animals as a youth to becoming a rapist who sexually abused and raped the women servants growing up. To then grow into a full sadist and blood thirsty serial murderer who lead death and torture squads across Cuba. Killing and torturing men, women and children many cases personally. And in the end Unlike the false legends of Che's end. Che didn't even die bravely he pawned his watch off the to guards to let him escape while begging them not to kill him.

Guevara's heroics are fraudulent propaganda made up by the Castro regime for icon creating purposes Castro [Castro is a common Sephardic Jewish surname and Castro was a known KGB agent so he was openly working for the Jews in Moscow just like the vast networks of Jews in America and else where in the West where] actually took Cuba by the "Miami Pact" where he sat down with anti-Baptist elites and politicians, and obtain large funds from them and then turned around and bribed the commanders of Batista's Army with such. Castro and his henchmen then started creating mythological tales of their brave struggle in combat against Batista's Army. Which never occurred and selling them to Western Media as gospel. In 1958 the Jews in Washington pulled the final rug out from under Batista by refusing to sell him arms or render any assistance. Batista without an Army left or support from Washington was forced to flee for his life and the Communists took Cuba without hardly firing a shot. The Cuban U.S. Embassy own investigation show only 182 people where killed the entire time. Che admits in his own personal diary only 20 of his own died the whole time. Proving the official story is pure mythology.

The whole time on the surface they promoted themselves as Anti-Communists but pro Democracy to gain support. Once they where in a position of victory they purged the anti-Communists from their ranks and burned the books and records of the Cuban anti-Communist league which had amassed information on over 250,000 Communists, KGB agents and their associates in Latin America. Castro as noted is working for Moscow.

After the revolution ended in January of 1959 there was no democracy installed. Castro and his forces starting the mass executions of the enemies of the Communist ideology. As one of Che's comrades noted: "Che has downed the city in blood." A short time later Cuba declared itself a Communist state. Che became the commander of his own secret police force that were noted for executions of whole families. Which is standard Jewish Communist practice. Thousands upon thousands of innocent people were massacred by Che's forces. Scholars in the "Black Book Of Communism" put the amount killed by Che's death squads at 14,000 in the first year alone. At La Cabana which Che converted into a prison and execution grounds, it was noted many of the executed were children. One political prisoner records they watched in horror as Che personally put his pistol to the back of a sobbing 14 year old boys head and pulled the trigger, almost blowing off the entire child's head.

Che in 1960 built and opened the major Communist death camp at Guanahacabibes in which thousands were murdered, mutilated beaten and raped as normal course. Guanahacabibes was run identical to the hundreds of death camps of the Stalinist regime in the Soviet Union where tens of millions were purposely and systematically murdered in. All this which Guevara took personal pride in. Much of this was exposed in the documentary film by Néstor Almendros and Orlando Jiménez Leal. Conducta Impropria. Found Here:

Note this is where the Jews want to take America and the Western World as well. Don't buy their Cultural Marxist [PC by mainstream term] song and dance. Its a front by their own admission. To get things to a point where they can put a full Marxist dictatorship on the ground then like in Cuba the usefool idiots will be purged. Its known now the Protest Wall St movement which was secretly put together by the agents of Jewish Rothschild was an attempt at getting a Marxist revolution going in America. The same Rothschild's were the front Jewish Oligarchies of the Elders of Zion in creating Communism in the start and funding it aboard. As witnessed here:

Che Guevara: The Fish Die by the Mouth

By Humberto (Bert) Corzo\*

Introduction

The saying "The fish die by the mouth", refers to those who speak more than the necessary until being fooled by their own speech. Can his mythical reputation survive the publication of his own words?

The objective of this article is to expose the truth about Che, to demystify it in the face of those who feel admiration by this mass murderer, exposing the facts based on his writings, diaries, speeches, letters and conversations with those who knew him.

Che never questioned the crimes of Stalin and Mao, nor the totalitarian conceptions of Marxism, incompatible with the ideals of liberty and democracy, defending until his death his Stalinists ideas. His fanaticism made him an implacable enemy of liberty. The French writer Regis Debray, author of "Revolution in the revolution", wrote about the Che that: "He was adept of the totalitarianism up to the last body hair."

The early years

Alberto Benegas Lynch in his book "MY COUSIN THE CHE" writes: "On one occasion, one of my aunts told me that since early age Che delighted with causing sufferings to animals and, after growing up, insisted that the death (of others) was not so bad after all and that, in this context, he was ahead of the definition of Woody Allen: "dying is the same as falling asleep but without rising to make piss." Since early age his sadism becomes transparent.

Carlos "Calica" Ferrer, one of his first friends, facilitated the first sexual relation of Che with the maid of the Ferrer family. It was made habitual for Che to maintain sexual relations with the maids who worked in the houses of his relatives and friends.

Carlos Figueroa, friend of Guevara in youthful times in Alta Gracia, says the following of Che: "I nicknamed him the Fast Rooster because he was eating in the dining room, and immediately, when the mucama (maid) enter the room he forced her to climb on the table to perform quick sex. After finished he got rid of the poor devil, and continued eating as if nothing had happened..." He used the women of lower social status as sex objects.

Che didn't show interest in the politics of Argentina during his years as a student, unlike his student friends who liked to argue about politics and participate in some way. This attitude contrasts with that of his parents and his close friend Alberto Granado who were opposed to Peronismo. He recognizes it in a letter he wrote twenty years later: "I had no social preoccupations in my adolescence and had no participation in the political or student struggles in Argentina." [1] There are no other comments, neither letters nor other evidence which makes reference to his opinion on the most important political event of Argentina at that time.

During the period that Che was studying at the University of Buenos Aires, his opinion with respect to the political militants of the left, reach us through his girlfriend María del Carmen Ferreyra "Chichina," which relates that Che had a critical stance with regards to the left-wing militants, whom he accused of "sectarian and lacking in flexibility."

#### First travel through Latin America

In "Notas de Viaje", his travel diary through Latin America in 1952, narrates that upon arrival in Chile he and Granado posed as medical specialists in leprology,

obtaining an interview with a local newspaper where they are recognized as such, which makes them popular among the population, availing themselves of said deceit to obtain free room and board. In this case like in others reported by him, his lack of honesty, when he was in difficulties, conducted him to defraud those who crossed his path. His lack of ethics and morality becomes evident.

Waiting for a ship that will take them to Easter Island Che wrote: "Easter Island... there to have a white boyfriend is an honor for the females. There, work, what hope, the women do it all, one eats, sleeps and keeps them content... What would it matter to remain a year there, who cares about studies, salary, family, etc." [2] This commentary gives faith of his machismo, his discriminatory attitude against women.

Che's racism becomes evident in these comments in his travel diary: "The blacks, those magnificent examples of the African race who have maintained their racial purity thanks to their lack of an affinity with bathing, have seen their territory invaded by a new kind of slave: the Portuguese. The contempt and poverty unites them in the daily struggle, but the different way of dealing with life separates them completely; the black is indolent and a dreamer; spending his meager wage on frivolity or drink; the European has a tradition of work and saving, which has pursued him as far as this corner of America and drives him to advance himself, even independently of his own individual aspirations." [2] The movie "The Motorcycle Diaries" omitted this inconvenient observation in the Che's diary.

Is ironic his remark about blacks with regard to the bath, since his personal hygiene left much to be desired. When young he earned the label of "el chancho" (the pig), since he seldom bathed.

Enrique Ros in his article "Che Guevara: His questionable medical title" writes: "In December, in less than 22 school days, he passed eleven subjects. Fifteen, almost half of the courses needed to acquire a doctorate, examined and passed in just three months, without having attended classes or practices throughout the year with the probable exception of the last few weeks.... Ernesto Guevara de la Serna would have to have attended 25 hours a day! in each of the 66 school days of October, November and December 1952 in order to fulfill the academic requirements of the curriculum of 1937 in force in 1948 when he enrolled at the School of Medicine at the University of Buenos Aires.... Faced with these new contradictions I requested a copy of the academic record of Ernesto Guevara.... I

was informed that the Faculty of Medicine could not offer me a copy because the academic record of Ernesto Guevara de la Serna had been stolen." Being Che an amateur photographer is inconceivable that no photos of the graduation exist, nor testimonies of doctors graduated with him or any other proof of his graduation. It looks that his graduation as a doctor is another myth about him.

In August of 1953 from El Cuzco he wrote to his mother that in the eight days they were there, "El Chanco bathed once and by mutual agreement, for health purposes only." [1]. Guevara in his Bolivia's diary in September 10, 1967, writes: "I forgot to emphasize a fact, today, after just over six months, I shower. It is a record that many are already reaching." His Cuban comrades, because of his lack of personal hygiene, nicknamed him "ball of filth."

In "Notas de Viaje" he wrote the following comment that he called "Notas en el Margen": "...and I know, because I see it printed in the night, that I, the eclectic dissector of doctrines and psychoanalyst of dogmas, howling like possessed, will assault the barricades or trenches, will stain in blood my weapon and, mad of fury, will slit the throats of any defeated who fall into my hands... And I feel my nostrils dilated, savoring the acrid smell of gunpowder and blood, of dead enemy; now I tense my body, ready for the fight, and I prepare my being as a sacred place so that it resurrects with new vibrations and new hopes the bestial howling of the triumphant proletariat. [1] This young person, egocentric and presumptuous, in this commentary expresses his rhetorical and ideological violence. This inconvenient comment too was omitted from the movie "The Motorcycle Diaries."

### Second travel through Latin America

In his notes of the second travel, July of 1953 in Bolivia, he narrates the following : "When carrying all our luggage we were going to climb to second class, an employee of investigations confronted us and after some lobbying he proposed us to climb to first class and arrive free to Cuzco with the badges of two of them, which of course, we accepted. Thus we traveled comfortably in first class giving the guys the amount of the price of second class." [3] Here it remains very well reflected his moral weakness, his lack of austerity

Upon arrival in Costa Rica, he writes down the following: "I stayed outside with a young black woman that I picked up, Socorro, more whore than the hens, with 16

years on her back.” Guevara makes his contempt for women clear and his latent social resentment is made evident once more time.

December 10, 1953, he wrote to his aunt from San José, Costa Rica, “In el Paso I have the opportunity to pass through the dominions of the United Fruit, convincing me once again of just how terrible these capitalist octopuses are. I have sworn before a picture of our old and mourned comrade Stalin that I won’t rest until I see these capitalist octopuses annihilated.” Another letter to the same aunt was signed with the words “Stalin II.”

Even more important was the fact that when Guevara visited the USSR in his capacity as one of the leaders of the Cuban revolution in November 1960, insisted on placing a floral tribute in the tomb of Stalin, ignoring the recommendation of the Cuban ambassador Faure Chomón (one of the survivors of the Directorio Revolucionario that attacked the Presidential Palace). It is important to keep in mind that this occurred more than four years after Khrushchev’s revelations of Stalin’s crimes.

During most of his life Che Guevara did not have a steady job, and depended on his mother, his sister Celia and her aunt Beatriz, who used to send him money, and other women in his life, to assist him in obtaining employment and also in the payment of his debts. Jon Lee Anderson in his biography of Che relates the following cases: “To help him in his quest to obtain a medical post, the well connected Hilda Gadea introduced him to some high-level government contacts of her.... The main contender for Ernesto’s attentions in February and March of 1954 was a nurse named Julia Mejia. She had arranged a house at Lake Amatitlan where Ernesto could go and spend the weekend. Soon, they were having a casual affair..... In March, Ernesto’s situation changed very little. Hilda paid off part of his pension bill, and Julia Mejia got him a job interview in the eastern Petén jungle..... With some jewelry Hilda gave him for the purpose, he paid off part of his pension bill..... Right away, he found a night job unloading barrels of tar on a road construction crew. He worked a second night....It was the first sustained stint of physical labor he has ever done.”

In July Che wrote in his diary in reference to Hilda, “What did affect her was that I confessed about the fuck with the nurse.” [3] In August a friend of Gualo Garcia’s arrive in Guatemala in one of the planes that came to pick up the Argentine exiles, bringing 150 dollars sent by Che’s family and he gave it to him. Che writes in his

diary that they also sent him, “two suits, 4 kilos of yerba and a mountain of stupid little things.” [3]

Che goes away with Hilda to San Juan Sacatepéquez in a good-bye trip, and he describes the following in his diary: “today, I dedicate it to bid farewell to Guatemala with a short outing to San Juan Sacatepéquez with a profusion of fondles and superficial screw.” [3]

“Nineteen fifty-five began with little change for Ernesto. For the moment , his reality remained that of a young Argentine vagabond” ... “the fact that Ernesto now needed Hilda again for the occasional loan” and, as he has written in his diary, to satisfy his ‘urgent need for a woman who will fuck’.” [1]

In this vagabond life that he adopted by his own choice, he is shown to us as a cruel, harsh, irresponsible and one that take advantage of the women who had helped him during this period of his life, whom he considered of weak personality, and allowed him “to live without working”

Those who attempt to present Che as a philanthropist of firm Christian values, the answer is given to them in this excerpt of the letter he wrote to his mother on July 15, 1956 from a Mexican prison: “I am not Christ nor a philanthropist, I'm quite the opposite of Christ, and philanthropy seems to me something of....(illegible word), I fight for the things I believe in with all the weapons at my disposal, and try to leave the other dead to avoid myself to be nailed to a cross or anything else.”

In a letter to Tita Infante, in October of 1956, he comments to her: “Of course, all the scientific works went to hell and now I am only an assiduous reader of Carlitos and Federiquito (in reference to Karl Marx and Frederick Engel) and other itos.... On the other hand I will tell you that I have a group of kids in the sixth year grade dazzled with my adventures and interested in learning something about the doctrines of San Carlos (euphemism for Karl Marx).... My free time is dedicated to an informal study of San Carlos’ doctrines.” In this and other letters it becomes evident the Marxist formation of Che, and in this case also the use of the Marxist doctrine in the “brainwashing” of the children with political purposes.

Pedro Corzo in the documentary "Anatomía de un Mito" relates his conversations with Miguel Sanchez, el "Coreano", responsible of the military instruction of Castro’s Granma expeditionary force in Mexico in 1956. El Coreano affirmed that

“Che always had problems with the blacks and despised them just like the Indians of Mexico”, to which he referred as “the illiterate Indians of Mexico.” Che shows his racist face again.

#### Bloodthirsty in Sierra Maestra

The rebels finally got ready for the attack, leaving Osorio behind in the custody of two men. “The orders were to kill him the minute the shooting started,” Che wrote matter-of-factly, “something they obeyed with strictness.” [2] The execution took place in the early hours of January 17, 1957 when the shooting began.

Hilda Gadea, the first wife of Che, published in her book “Ernesto: A Memoir of Che Guevara in Sierra Maestra”, the letter that he sent to her dated January 28, 1957, in which his sadistic and violent disposition can be appreciated in this phrase: “Dear Old Woman: Here in the Cuban jungle, alive and bloodthirsty, I am writing these ardent lines inspired by Martí.”

February 18, 1957 the rural guide Eutimio Guerra, accused of passing information to the enemy, is prosecuted by the rebels and sentenced to death. At the moment of the execution, his companions were undecided to shoot him, and that's when Che stepped forwards, draws his pistol killing Eutimio with a shot in the temple, describing the act in his diary of the Sierra Maestra: “...I ended the problem giving him a shot with a 32 (caliber) pistol in the right side of the brain, with exit orifice in the right temporal. He gasped for a little while and was dead. Upon proceeding to remove his belongings I couldn't get off the watch tied by a chain to his belt, and then he told me in a steady voice farther away than fear: “Yank it off, boy, what does it matter.... I did so and his possessions were now mine.” [1]. Later Che will write in his diary: “...to execute a human being is something ugly, but exemplary. From now on nobody here will refer to me again as the tooth-drawer of the guerrilla.” In a letter to his father referring to this execution he writes: "I'd like to confess, papa, at that moment I discovered that I really like killing."

Marcos Bravo, leader of the Movimiento 26 de Julio, in his book “La Otra Cara Del Che”, narrate that a 17 years old government soldier, captured and interrogated by Che, answered: “I haven't killed anyone, comandante. I just got out here! I'm an only son, my mother's a widow and I joined the army for the salary, to send it

to her every month...don't kill me!" "Don't kill me! -- why?," Che replied. The young soldier was tied up in front of a recently dug pit and shot.

In April the chivato (informant) Filiberto Mora was trick and apprehended by the rebels, and Che wrote in his diary: "The man, Filiberto, has been deceived, but the minute he saw Fidel he realized what was happening and start to apologize." ... "The chivato was executed; ten minutes after given him the shot in the head I declared him dead."

In late May two soldiers in civilian clothes, who were spying around the sawmill of Uvero, were taken prisoner. We determined to execute them before the attack to the garrison of the army in the Uvero. Che wrote in his diary: "The tomb was dug for the two informant guards and the marching orders were given. The rear guard executed them."

In September Enrique Acevedo, a fifteen year old who has joint Che's column, wrote in his diary: "At dawn they bring in a big man dressed in green, head shaved like the military with big mustaches: is Cuervo, who is stirring up trouble in the zone of San Pablo de Yao y Vega la Yua. He has committed abuses under the flag of the July 26....Che received him in his hammock The prisoner tries to give him his hand, but doesn't find a response. What is said doesn't reach our ears, even so their words are strong. It seems to be a summary trial. At the end he sends him away with a contemptuous gesture of his hand. They take him to a ravine and execute him..."

After the execution, Che moved off toward the area near mount Caracas in an operation to clean up the armed band commanded by the Chino Chang that operated in this zone.

Soon afterward Chang was apprehend, the judgments began. Chang accused of stealing and a peasant accused of being a rapist, were executed. Che wrote about the execution: "First we executed the peasant rapist and Chino Chan, they were tied to a tree in the forest, both of them calm..."

A few days later Dionisio Oliva, accused of stealing cattle and supplies destined for the rebels, was captured along with others, among whom was Echevarría, a brother of one of his Granma comrades. Oliva was executed and Che also ordered the execution of Echevarría for unspecified crimes and wrote down in his diary: "He had to pay the price."

In the month of October Che also executed Aristidio, a farmer who during his absence sold the revolver that he had given him, and expressed his desire to abandon the fight when the rebels moved to another place. His doubt about the legality of Aristidio's execution was reflected in his diary: "whether he was really guilty enough to deserve death."

In other occasions Che would simulate executions, blindfolding the defendants and firing shots into the air, as a method of psychological torture.

"Che's trail through the Sierra Maestra was littered with the bodies of chivatos (informers), deserters and delinquents whose deaths he had ordered and in some cases carried out himself" [1]

Che wrote on December 14 of 1957 a letter to René Ramos Latour ("Daniel"), National Coordinator of the Movimiento 26 de Julio who died in combat, the following: "Because of my ideological background, I belong to those who believe that the solution of the world's problems lies behind the so-called iron curtain and I see this Movement as one of the many inspired by the bourgeoisie's desire to free themselves from the economic chains of imperialism." [4]

Latour responded back to Che on December 18: "Let me just put on record our view, which of course is entirely different from yours...Our fundamental differences are that we are concerned bringing oppressed people of 'our America' a government that respond to their longing for Liberty and Progress, government that will be cohesive units that can guarantee their rights as free nations and make themselves respected by the big powers. On the other hand, those with your ideological preparation believe that the solution to our problems lies in getting rid of the harmful Yankee domination through the no less harmful Soviet domination." [3] In the same letter Ramos Latour wrote that the ideology of the Movimiento 26 de Julio was inspired by the political thought of José Martí, which consisted of making Cuba a democratic and prosperous country, but with social justice, and that pact with other opposition forces were necessary and healthy.

Dr. Armando M. Lago, founder of Cuba Archive, calculated a total of 47 executions, most of them guajiros (farmers), carried out by the guerrilla, and 35 casualties of the guerrilla in combat, during the year 1957. These figures are convincing evidence of the terror implanted by the guerrilla.

June 27 of 1958 Che wrote in his diary: "In the night there were three escapes". One of them was double; Rosabal condemned to death for being a chivato, Pedro Guerra of Sori's squad and two military prisoners. Pedro Guerra was captured: he has stolen a revolver for the escape. He was executed immediately." [1]

Vargas Llosa writes the following: "He also ordered his men to assault banks, a decision that he justified in a letter to Enrique Oltuski, a subordinate, in November of 1958: 'The struggling masses agree to robbing banks because none of them has a penny in them...' The impulse to dispossess others of their property and to claim ownership of others' territory was central to the oppressive politics of Guevara." What he proposed was a return to the period of political gansterimo which took place at the end of the decade of the 40's, with whom Castro was associated during his student days.

Jaime Costa Vazquez, former commander of the rebel army, said that much of the executions attributed to Ramiro Valdes, who later became minister of the Interior of Cuba, were Guevara's direct responsibility, because Valdes was his subordinate and follow his orders. "If in doubt, kill him" were Che's instructions. Costa says that Che ordered the execution of dozens of people after the fall of Santa Clara. Marcelo Fernández-Zayas in his article "The other side of the coin," says: "The capture of the town of Santa Clara was bloody for their opponents.... Many prisoners were summarily executed. Send to the wall of executions, without trial nor mercy. These executions were carried out in front of photographers, journalists and movie cameras. The prisoners, in many cases, were rural youths who had joined the army as a last resort to escape unemployment and were known as 'casquitos' (little helmets)."

### Che in La Cabaña

Guevara was appointed by Castro's military chief of La Cabaña fortress in Havana after Batista fled from Cuba, a position he held from January to September 1959, and also responsible of the Comisión Depuradora (Cleansing Commission), with the purpose to implement the revolutionary terror. In an appearance on Channel 6 of the TV in February 1959, Che declared that "at La Cabaña all executions are carried out under my express orders." Here he presided over hundreds of executions in summary trials that even a sympathetic biographer as Jorge Castañeda, in his book "Companion: Life and Death of Che Guevara", said that "they were carried out without due respect for the good doing of justice."

Luis Ortega, in his book *¡Yo soy el Che!* relates what Che tells to Duke Estrada: “It is necessary to work at night, the man offers less resistance at night than during the day. In the nocturnal calm the moral resistance is weakened. Do the interrogations at night. It is not necessary to make many inquiries to shoot somebody. What one need to know is if it is necessary to shoot him. Nothing more. You should always give the accused the possibility to do his discharge before executing him. And this means, understand me well, that the accused should always be executed, without mattering which has been his discharge. Make no mistake about this. Our mission doesn’t consist in giving procedural guarantees to anyone, but to make the revolution, and we must begin by the same procedural guarantees.”

Napoleón Vilaboa, member of the Movimiento 26 de Julio and advisor of Che in La Cabaña, relates the execution of José Castaño Quevedo, director of the Buró de Represión de Actividades Comunistas (BRAC), against whom criminal accusations did not weigh and whom he led to Che’s office: “While giving laps around his desk and the chair where the military was sitting, Che drew his 45 pistol and killed him right there with two bullets in the head.”

Chilling story of the former political prisoner Pierre San Martin, eyewitness of the murder in cold blood of a boy between 12 and 14 years of age carried out by the abominable monster of cruelty Che Guevara in La Cabaña fortress in 1959: “...the sound of the iron door opening was heard as they threw another person into the already crowded cell.... And what did you do? we ask almost in unison. With his bloody and beaten face he stared at us and responded “I defended my father so they wouldn't kill him, I couldn't stop it. Those sons of bitches murdered him.” Near the wall where they conducted the executions, with his hands on his waist, paced from side to side the abominable Che Guevera. He gave the order to bring the boy first and he ordered him to kneel in front of the wall. The boy disobeyed the order with courage that words can't express and responded to this infamous character: “If you're going to kill me you're going to have to do it the way you kill a man, standing, not like a coward, kneeling.”

Walking behind the boy, Che said “whereupon you are a brave lad”... He upholstered his pistol and shot him in the nape of the neck so that he almost decapitated him.” [6]

The Rumanian writer Stefan Bacie, in his poem "I do not sing to Che", made reference how Che Guevara invited to accompany him to see how people are shot at the wall in La Cabaña.

The first three months of the Cuban Revolution saw 568 firing squad executions. Even the New York Times admits it, according to the journalist of this newspaper Hart Phillips, "400 in the first two months." The journalist Tetlon of the London Daily Telegraph writes the following, "sometimes four courts functioned simultaneously, without lawyers or character witnesses, imparting judgment, contemplating the capital punishment, as many as 80 people in joint trials. The judicial proceedings were shameless farces that shocked and nauseated all who witnessed them.

Jorge Castañeda in his Guevara's biography mentions that the deceased father Iñaki de Aspiazu, a catholic Basque sympathizer of the revolution, spoke of 700 victims. Luis Ortega writes in his book "Yo Soy El Che!" that Guevara sent 1,897 men to the firing squad. In his book "Che Guevara: A Biography," Daniel James writes that Che himself admitted to ordering "several thousand" executions during the first few years of the Castro regime. Félix Rodríguez, an exagent of the CIA, which participate in the capture of Che in Bolivia, told Vargas Llosa that he faced Che after his capture recriminating him the "more or less 2.000" executions for which he was responsible throughout his life. "He told me that they were all CIA agents and did not discuss the figure" In contrast with the Nuremberg trials, at the end of the Second World War, of the 24 Nazi leaders accused of war crimes only to 11 of them the death penalty was applied.

In a letter written in May 1959 to his friend Julio "El Gaucho" Castro he says good-bye with this phrase: "A strong hug from the one who is called and whom history will cal....CHE". In a Christmas letter to his parents he wrote: "We walk over pure history of the highest American category; we are the future and we know it, we build with happiness although we have forgotten individual affections." [1] These sentences, which describe him from head to toe, reveal his arrogant character, his delusions of grandeur, when exaggerating his own historical importance.

### Export of guerrillas

After the triumph of the revolution Castro and Che launched the guerrilla movement across Latin America. A plan was immediately organized to initiate

guerrilla focus with Che's assistance, in Panama, Dominican Republic, Haiti, Nicaragua, Guatemala and Colombia.

The invasion of Panama at the end of April of 1959 was a failure. The Panamanian authorities captured two Cuban invaders. On June first a group of Nicaraguans, among which was Rodolfo Romero an old companion of Che, under the direction of Joaquin Chamorro, left Havana towards Nicaragua. Chamorro, after its capture, admitted the military assistance provided by Castro and Che. The invasion of Santo Domingo in mid June 1959, ended in failure with a balance of more than 200 dead, among them the Cuban leaders of the expedition Jiménez Moya and Horacio Rodríguez. In August 1959 they began in Haiti the conflict that concluded with the defeat of the invaders. In November 1960 some officers of the Guatemalan army took up arms. Airplanes of the Cuban Air Force flew over the military airfield of Zacapa, one of the two places of the uprising, supplying the insurgents. This uprising also failed.

The Cuban intervention in Venezuela in support of the guerrilla, fails when the army of Venezuela, in November of 1963, surprises a landing originated in Cuba in the peninsula of Paraguaná. In February of 1964 the OAS condemned the interference of the Castro regime in Venezuela.

The guerrilla operation began in Argentina at the beginning of 1964 in the province of Salta, with the Argentine journalist Jorge Ricardo Masetti in charge of it. The operations were supervised by Che. In April of 1964, the Argentine army attacked the guerrilla camp with the result of several guerrillas dead, among them the Cuban instructor captain Hermes Peña, Che's escort, and 14 were taken prisoners. Masetti disappeared in the jungle of Salta without leaving a trace, and the guerrilla focus was eliminated. When Alberto Granados asked him why he was depressed as a result of this setback, Che answer to him: "Here you see me behind a desk, screwed, while my people die during the missions to which I have sent them."

José Pardo LLada in the book "Fidel and Che," writes what Che told him in 1959: "We must do away with all the newspapers, because a revolution with freedom of the press cannot be done. The newspapers are instruments of the oligarchy." The regime controlled, censured or shut down newspapers and magazines, television and radio stations and the movie industry. Freedom of the press and information were suppressed.

### The commercial/diplomatic mission

In June of 1959 Guevara was sent in a diplomatic mission with the purpose to establish new trade relations, carry out sugar sales and obtain weapons in Yugoslavia, not being successful in any of them. In Cairo he met with Gamal Abdel Naser, who told in his memoirs that Guevara asked him how many people had emigrated from their country as a result of the agrarian reform. When Naser answered that nobody had gone away, Che angrily told him that “the way to measure the depth of the change is to measure the number of people that felt that there was no place for them in the new society”.

In India his meeting with Prime Minister Nehru, during a splendid lunch, did not provide result in the establishment of trade relations. In Japan his proposal to permute sugar by Japanese products was rejected in the interview he held with the Minister of Foreign Trade. In its interview with the prime Minister of Indonesian Sukarno, also failed in selling sugar and in the establishment of trade relations. During its stay in Yugoslavia he met Josip Broz Tito, not being successful in obtaining weapons from this country.

In one of the paragraphs of the July 1959 letter to his mother, published in the book written by his father “My son the Che”, writes: “I am still the same loner that I used to be, looking for my path without personal help, but now I possess the sense of my historic duty. I have no home, no woman, no children, nor parents, nor brothers and sisters, my friends are my friends as long as they think politically like I do.” When Hilda Gadea, his wife, arrived in Cuba with his daughter in January 1959, she found out that her husband was living with his lover Aleida March, which became pregnant. In May Che divorced his wife and married his mistress in his office at La Cabaña. After a brief honeymoon, he left the country in his first diplomatic trip. During the two months he was absent, he never communicate with Aleida. Aleida told the following to Anderson: “Che was a ‘machista’ like most Latins.” He was irresponsible with his own family, leaving their wives and children when they needed him most, to continue his guerrilla adventures.

He repaid Hilda with treason the help and love she gave him. Women played a secondary role in his life.

### Che's homophobia

Che played a principal role in setting up Cuba's first labor camp in the Guanahacabibes region in western Cuba in 1960-1961, to confine people who had committed no crime punishable by law, revolutionary or otherwise. These "crimes" involved drinking, vagrancy, disrespect for authorities, laziness and playing loud music. Che defended that initiative in his own words: "We only send to Guanahacabibes those doubtful cases where we are not sure people should go to jail... people who have committed crimes against revolutionary morals, to a lesser or greater degree.... It is hard labor, not brute labor, rather the working conditions there are hard." [5]

"This camp was the precursor to the eventual systematic confinement, starting in 1965 in the province of Camagüey, of dissidents, homosexuals, Catholics, Jehovah's Witnesses, Afro-Cuban priests, and other such scum, under the banner of UMAP, Unidades Militares de Ayuda a la Producción, or Military Units to Help Production. Herded into buses and trucks, the "unfit" would be transported at gunpoint into concentration camps organized on the Guanahacabibes mold. Some would never return; others would be raped, beaten, or mutilated; and most would be traumatized for life, as Néstor Almendros's wrenching documentary *Improper Conduct* showed the world a couple of decades ago." [5]

Che's homophobia is expressed in the poster placed at the entrance to the forced labor camp, where homosexuals were confined, which read: "The work will make you men", replica of the slogan "The work will make you free" used in the Nazi concentration camps. It intended to correct the homosexual behavior applying rigorous punishments with the intention of modifying this social deviation, which does not constitute a crime punishable by law.

In the 80s and 90s this non-judicial, forced confinement, was also applied to AIDS victims.

In a TV speech June 26, 1961, when he was Minister of Industries said: "The Cuban workers have to start being used to live in a collectivism regimen and by no means can they go on strike." December 15, 1959 marked the start of the process of the purges of the union leaders, democratically elected in the X congress of the CTC carried out in November 1959, destroying the labor union movement and abolishing labor rights conquered by the laborers.

Economic, diplomatic, and political failures

In 1961 Guevara was appointed minister of industry, and in the name of diversification, the cultivated area was reduced and the manpower utilize in other activities. Cuban industrialization failed due to the lag of raw materials for the new industries. Already by 1963 the hopes of industrialization were abandoned, and during the period 1961 to 1991, the Island will survive thanks to the Soviet subsidy of \$ 120 million.

As head of the Cuban diplomatic delegation in the Conference of Punta del Este, in his speech at the fifth plenary meeting of CIES, 8 August of 1961, predicted the following:

“The rate of growth presented as a most beautiful thing for all Latin America is a 2.5 percent net growth... We speak of 10 percent growth with no fear whatsoever; 10 percent growth is the rate that Cuba foresees for the coming years... What does Cuba intend to have by the year 1980? A net income per capita of around \$3,000; more than the United States currently has.” Cuba’s per capita in 2004 was only \$1,873 dollars. “During the period 1960-1979, Cuba was the only Latin American country showing negative GDP results. In the 1991-2000 decade its GDP annual average was -1.9%, thereby placing Cuba next to the last among the Latin American countries, only higher than Haiti.” [7] This result is largely attributable to the adverse effects of the economic policy of Che on the Cuban economy. In 1959 Cuba ranked second in economic wealth in Latin America.

During the Cuban Missile Crisis in October 12, 1962, Che supported Fidel in the nuclear confrontation with the United States. Che was disappointed when Khrushchev decided, under the threat of nuclear war, to retire the missiles (See Nikita Khrushchev Memoirs). He told Sam Russell the British reporter of the socialist newspaper Daily Worker that “If the missiles had remained we would have used them against the very heart of U.S. including New York. We must never establish peaceful coexistence. In this struggle to the death between two systems we must gain the ultimate victory. We must walk the path of liberation even if it costs millions of atomic victims.”

In his deep hatred against the United States, this monster of cruelty did not hesitate in supporting the nuclear confrontation without given a damn that such action sealed the annihilation of the Cuban people and a large part of humanity.

On December 11, 1964, during a debate in the United Nations General Assembly Che said: “As Marxists we have maintained that peaceful coexistence among

nations does not include coexistence between exploiters and the exploited.” As representative of the Cuban government he was severely attacked because of the firing squad executions without any judicial process and evidence as required by the rule of law. Guevara, in his second intervention, making use of the right of replica, responded: “We must say here what is a well-known truth, which we have always expressed to the world: Shooting people yes, we have shoot people and will continuo to do so until it will be required. Our fight is a fight to the death”. [7] This demonstrates his intransigence with his political enemies; he was willing to make the blood run and wasn’t worried to carry millions of people to their death.

In response to a question of Richard Hottelet of CBS in the program Face the Nation, New York, 14 of December of 1964, Che replied: “In America, the road to the liberation of the peoples, which will be the road of socialism, will march through the bullets in nearly all countries, and I can predict with confidence that you will be a witness.” Che, an advocate of political violence, failed once more.

Guevara, during his trip to Algeria in 1965, when questioned about the economic failure cynically replied: “We have a country to experiment on; we make mistakes but we will go on experimenting until we learn.” Such learning adventure has resulted in the biggest economic debacle ever experienced in Latin America.” [8]

February 1965 at the International Conference of Algiers, Che in his speech criticized the Soviet Union policy by adopting what he called “the law of value”, which organizes and regulates human activity in the capitalist society. This contributed to the cooling of the relations between Cuba and the Soviet Union. The Soviet ambassador in Havana complained to Castro about the anti-Soviet behavior of Che. Castro disagreed publicly with the anti-Soviet policy of Che, and this caused Che to be removed from the ruling circle.

In March 1965 Castro sent Che, who had assumed a pro Chinese position, as head of a delegation to China with the purpose to restore the damaged relations. The Chinese comrades argued that the revolution was influenced by the “soviets revisionist”, argument that was rejected by the Cuban delegation, causing the stalling of the talks. Che, once again, failed in his mission.

Guerrilla failure in the Congo

Guevara in his diary about his guerrilla experience in the Congo between April and December 1965, begins with this observation: "This is the history of a failure." The adventure he led in the Congo was a fiasco.

Che, white leader of the expedition composed by two battalions of Cuban black soldiers, around 200, found out that blackness did not guarantee the mix of Cubans with Africans and the Cuban regime recognized later as a mistake that all the soldiers sent were black. The black Cubans were foreigners, who considered themselves superior and treated the Congolese with gestures of contempt, who resented such treatment.

In the epilogue, Guevara asks the question What did the revolution actually have to offer the peasants of the fertile eastern Congo? He concluded that the tiny numbers of industrial workers were satisfied and not revolutionary, the peasants suffered no land hunger, the troops did not believe they would be fighting the Americans and race was not a sufficient motivating factor either. Again and again he pointed to a lack of leadership amongst the Africans, the incompetence of the Congolese fighters and a terrible disorganization. Che's assessments make him look like a racist. It is also clear that the goals of the Africans were much different than his.

#### Message to the Tricontinental

In his "Message to the Tricontinental", 16 of April 1967, writes: "Hatred as an element of the struggle; a relentless hatred of the enemy, impelling us over and beyond the natural limitations that man is heir to and transforming him into an effective, violent, selective and cold killing machine. Our soldiers must be thus; a people without hatred cannot vanquish a brutal enemy."

"We must carry the war into every corner the enemy happens to carry it: to his home, to his centers of entertainment; a total war. It is necessary to prevent him from having a moment of peace, a quiet moment outside his barracks or even inside; we must attack him wherever he may be; make him feel like a cornered beast wherever he may move. Then his moral fiber shall begin to decline."

"The peaceful road is eliminated and violence is inevitable. In order to achieve socialist regimes there will flow rivers of blood, the road to liberation should be continued even if it means the loss of millions of atomic victims." [9] Fanatic defender of the communist philosophy, which has been responsible, according to

figures from *The Black Book of Communism*, for the deaths of nearly 100 million people.

These statements clearly reflect his feelings and intentions, that of killing in any place in a cold and indiscriminate way. This use of hatred and incitement to violence, it is not but another manifestation of the doctrine of terrorism through the centuries to justify mass murder and torture.

#### Defeat in Bolivia

Che's Diary in Bolivia contains the following observations: "The rural base remains underdeveloped, although it seems that by means of planned terror, we will achieve the neutrality of the most, the support will come later. There has not been a single incorporation...the rural mobilization is nonexistent, save in the tasks of information that bother... the Army is showing more effectiveness in its action and the rural masses do not help us in any way and they become informers....The rural masses do not help us at all" was the melancholic conclusion of Guevara in his Bolivian diary. The 26 of September he write down in his diary, "defeat", in reference to "the disastrous ambush of La Higuera."

In reference to the Bolivian peasants, writes in his diary on June 19, 1967 "the inhabitants one must hunt them to be able to speak with them because they are like little animals." Genius and figure right up to the grave.

Che, at the time of being taken prisoner, who was slightly wounded by a bullet in the leg, with the rifle up high shouted to his captors in Bolivia, "Don't shoot, I'm Che, I'm worth more to you alive than dead" His 9 millimeters pistol had all its bullets when yielding it. Why he allowed to be taken prisoner and didn't fight to the last bullet? He thought that they were not going to kill him, that they would judge him as they did with Régis Debray and Ciro Bustos. He only was able to beg for his life, he didn't know to die like a man.

Félix I. Rodríguez, a Cuban exagente of the CIA, in conversation with writer Jacobo Machover told him the following: "Later he told me that they shot all the foreign agents in Cuba who invaded the country. Then I told him: Commander it is ironic that you tell this to me, because you are foreigner and has invaded Bolivia."

Felix, who was giving intelligence advice to the Bolivian army in the zone where Che was operating, relates that when he entered the premises where Che was

kept prisoner he told him he was going to be executed: "Commander, I am sorry, I've tried, but they are superiors' orders of the high command. He became pale like a ghost. I never saw a person lose the expression of the face as he did, then he told me "is better thus, I never should have fallen prisoner."

In La Cabaña Che used to send convicts to the execution wall writing this note, "give him aspirin." In Bolivia they gave him a dose of his own medicine.

Fidel Castro used Che as spokesman in the propagation of his anti-imperialist platform and cynically continues to use him after his death glorifying his memory for propaganda purposes. Daniel Alarcón (Benigno) Ramírez who fought under Che's command in the Sierra Maestra, and accompany him in the guerrilla adventures in the Congo and Bolivia, being one of the survivors of that latest adventure, now exiled in France, in a TV interview admitted that Che had been betrayed in Bolivia: "Yes, Che and all of us were betrayed in Bolivia. Fidel send us coldly calculated to a remote place, well-selected for its lack of human resources and food. Later, they cut off us the arms supplies, intelligence, food, and finally: communications .... No longer I had doubts, had verified in irrefutable form the treason. All of us had been handled as worthless pawns in the murky chessboard of Fidel, in a cruel and inhuman form."

Evo Morales carried out an official celebration of the 40 anniversary of Che's death, celebration that was repudiated by more than 50% of Bolivians, opposed to the praise of an invasion of foreigners that killed 55 Bolivian soldiers and several civilians. General Gary Prado, who led the military column that captured Che, said: "The tribute should be made to the soldiers who defeated the invaders."

## Epilogue

Those who seek to hide his condition of ruthless assassin and consider him a martyr willing to give his life in defense of his ideas do not take into consideration his disposition to snatch it from those who did not share his ideas. José Martí in letter to Maximum Gomes, dated October 20, 1884, expresses his thought that the act of given one's life for one ideas is not sufficient cause of glorification: "...Just as he who gives his life to serve a great idea is admirable, he who avails himself of a great idea to serve his personal hopes of glory and power is

abominable, even if he too risks his life. To give one's life is a right only when one gives it unselfishly.”

Che failed in all the enterprises that he undertook; in his unfinished medical career, a profession he never practiced, as an economist at the head of the National Bank and the National Institute of Agrarian Reform, as Minister of Industry, where he presided over the failure of industrialization, as a diplomat and politician in his relations with the Chinese, Soviet Union, Japan, India, Egypt and Yugoslavia, in the guerrilla organization in Latin America, in his guerrilla adventures in the Congo and Bolivia and even in the fomentation of violence.

In an interview granted by his girlfriend María del Carmen Ferreira "Chichina", to La Voz del Interior, she summarized Che's failure with these lapidary words: "Poor Ernesto, he was not successful in anything: not as a doctor, neither as a photographer, as an economist, or as propagator of the Revolution."

In a letter to the editor of the Uruguayan weekly Marcha, published March 1955 under the title "Socialism and Man in Cuba", where Che addresses the issue of the "new man" says: "To build communism it is necessary, simultaneous with the new material foundations, to build the new man....This is the dictatorship of the proletariat operating not only on the defeated class but also on individuals of the victorious class.... Man under socialism, despite his apparent standardization, is more complete.... In this way he will reach total consciousness of his social being, which is equivalent to the full realization as a human creature, once the chains of alienation are broken." During the last 50 years the young people have been indoctrinated with the concept of the new man, who would be complete, unselfish, communitarian and of moral values rather than material values. The result has been a new man incomplete, selfish, individualistic, of double morale and materialistic.

Cuban schoolchildren begin their classes each day with the following slogan of indoctrination: "Pioneers for Communism, we will be like Che." They will be then the new men; fanatics, liars, assassins and failed men, reaching the total realization of being like Che. Hatred to the enemies of the revolution is inculcated to the children in scholastic age. This quote of José Martí condemns hatred: "The haters should be declared traitors to the Republic. Hatred does not construct"

Che was fanatical, dogmatic, spiteful, envious, arrogant, proud, a liar, racist, devoid of morals, mercenary and homophobic, a bloodthirsty murderer, “a cold killing machine”, that the fanaticism of the left has turned into a hero.

## White Nationalist Delusions About Russia

The crisis in Ukraine is unfolding at full speed, and White Nationalist circles in the West are closely following the events. A lot has already been said about the deep cultural and historical divide separating the western, Europe-oriented part of Ukraine from the eastern part, which has strong ties with Russia. With Russia's military moves in the Crimea, some are even prophesying the onset of the Third World War.

The majority of White Nationalists in the West nowadays cherish strong hopes in Russia and Putin in particular, which have reached a crescendo with the ongoing Ukraine crisis. However, I want to argue that these hopes are grave delusions. Not because Putin is also controlled by Jews, as is being countered by some White

Nationalists; he may or may not be, but that makes no difference for us. And alternatively, even if Putin's Russia is not controlled by the Jews as strongly as the West (which is indeed not true – see below), even if Russia receives the full wrath of the Jewish-controlled media, it still doesn't make Putin's Russia our friend or a natural ally.

Nevertheless, I concede that at the moment Russia is the lesser evil for the white race compared to the Jew-led West. But still it has to be understood that Russia is also an evil, an essentially anti-white system. Hence, at most, it could be only a temporary ally.

White Nationalists seek power to enable our race to fulfill its destiny. To gain power, however, our movement has to have a firm grasp on reality. We also need a thorough knowledge of its enemies and (potential) allies. Therefore, it is of utmost importance for White Nationalists to have a clear understanding of who the Russians are. This understanding will be especially crucial if White Nationalists seek an alliance with Russia in the future against a common enemy.

Somehow when reflecting upon Russians, White Nationalists, who in all other instances are manifestly sober and realistic with regard to race and ethnicity, suddenly lose their common sense. When one speaks of German or French identity, it is understood that the Germans and the French are white, European peoples, regardless of recent non-white immigration. Thus German and French nationalism are not necessarily opposed to wider white racial interests, although they often have been. Let's call German, French, and similar identities ethnic, because they denote a core ethnic group.

Brazilian identity, however, does not have such unambiguous racial connotations. Brazil has many Europeans, but it also has blacks, Amerindians, and many individuals of two or more races. Thus Brazilian nationalism is, by its nature, inconsistent with white racial interests. American identity used to connote whiteness, even though America had non-white minorities. But the American identity has been transformed into a commitment to the idea of freedom and equality for all. Thus American nationalism is, by its nature, opposed to white racial interests. Let's call American, Brazilian, and analogous identities trans-racial, since they both transcend and transform races.

Russian identity is more analogous to American and Brazilian trans-racial identity than German or French ethnic identity. There are many Russians who are entirely European. But there are also many Russians of Near Eastern and Mongoloid ancestry, and many of mixed race. But even the whitest of Russians, to the extent that he thinks of himself as a Russian, is committed to a trans-racial identity, an identity whose racial “substratum” includes not just European, but also Mongoloid and Near Eastern (e.g., Caucasian) elements, as well as mixtures of all three.

A Russian is not, therefore, just another kind of European. Thus it is with good reason that Russians have always felt that their identity, interests, and destiny are distinct from those of Europe. European White Nationalists need to recognize this as well.

White Nationalists are also well aware that a country’s developmental index, its per-capita GDP, the average income of its citizens, the level of corruption, etc. are directly correlated with average levels of many heritable traits within its population. In terms of corruption and many other parameters Russia is far closer to a country like Brazil than to any European country. In some areas, Russia is not even within Asian or Latin American ranges but rather competes with sub-Saharan Africa.

Moreover, blaming the backwardness of Russia on Communism would be like blaming slavery for the backwardness of Africa. Firstly, Russia has always been backward in comparison to the West, and secondly most of the former Eastern bloc and USSR countries in Europe managed to create functional and prosperous societies shortly after freeing themselves from the Russian yoke. Belarus and Ukraine have been exceptions, mainly due to the fact that even after gaining independence they could never properly throw off Russian influence.

If the identity, interests, and destiny of Russia are not European, the fact that Putin has passed some traditionalist laws and that Russian society is allegedly moving in a more traditionalist direction does not help European White Nationalists in any way.

If we are to rejoice at Russian traditionalism and see them as allies simply because of that, then why don’t we see Muslims as allies and see hope for the West in their traditionalism as well? After all, they are even more hardcore than Russians.

Traditionalism serves the well-being and promotes the survival of every different ethnic group, but just because different ethnic groups choose similar methods and values to promote their own survival does not automatically make them allies.

Therefore the stronger traditionalism of Russians, their patriotism and pride in their heritage, do not advance White Nationalist interests any more than the racial pride and patriotism of Indians, Chinese, Middle Easterners, Latin Americans, or Africans. Indeed, it might make them more formidable enemies of our interests.

The Grand Duchy of Moscow as the Forerunner of the Russian state

Racially and culturally, the forerunner of Russia was the Grand Duchy of Moscow (1263–1547) which later became the Tsardom of Russia under Ivan IV (The Terrible), and not Kievan Rus as has been claimed by Russian historians since the time of Catherine the Great (who, by the way, was not Russian).

Already by the end of the 15th century, the Grand Duchy of Moscow was populated mostly by Christianized Tatar-Mongols who in the course of the previous two centuries had gradually adopted Orthodox Christianity and taken Slavic names. The indigenous Slavic population had become a minority in a relatively short period of time due to the large influx of these Christianized Asiatic nomads, and due to mixed marriages between Christianized Mongols and indigenous Slavs.

The expansion of the Grand Duchy of Moscow further to the east, into the lands of Ugric peoples (e.g., Mordvins, Udmurts), increased the Asiatic component of the population even further. Later, under Ivan the Terrible, the Kazan and Astrakhan Khanates were conquered and incorporated into the Tsardom of Russia. The vast majority of the Volga Bulgars populating those states (whose descendants from the 19th century on were falsely called “Tatars,” not to be confused with the nomadic Tatars mentioned above), was forced to adopt Christianity and Slavic names. And finally, beginning with the conquest of Siberia in the 17th century, there was a gradual Christianization and Russification of the mostly Turkic peoples populating those lands.

The only Eastern Slavic state not affected by the Mongol invasions and hence able to retain its white Slavic/Nordic composition was the Novgorod Republic. Its

customs, its culture, and the mentality of its inhabitants differed from those of Muscovy. As race realists should realize, these differences relate to differences in racial composition of those two states. The most glaring difference is in the system of government: although Asiatic despotism reigned in Muscovy, Novgorod was governed by a popular assembly, the “Veche,” which was similar to the Norse “thing” or Swiss cantonal assembly.

However, as a result of two wars in 1471 and 1477–78 Novgorod was conquered and destroyed by Muscovy. The city was devastated, and most of its inhabitants were massacred in the cruelest (i.e., Asiatic) manner. The Great Novgorod that was spared from the invasion by nomadic Mongols suffered destruction at the hands of Slavs and Christianized Tatar-Mongols. With the complete victory of Muscovy over Novgorod, the destiny of the future Russian state was determined.

The people of Muscovy identified themselves solely as Orthodox (Pravoslavnye), and the term “Russian” was indeed completely unknown to them. Beginning with Ivan III, the grand dukes and later the tsars saw themselves as the heirs of the Orthodox Christian Byzantine Empire (hence the term “Third Rome” coined by them), and the champions of Orthodox Christianity. They were never guided by any kind of ethnic or racial identity or an idea of an ethnic state. The Orthodox Church, like all Christian churches, accepted converts of all races and blessed interracial marriages and their offspring.

From the start, then, the Russian identity was not of a white European people, but of a white, Asiatic, and mixed-race population professing Orthodox Christianity and ruled from Moscow.

Interestingly, however, at that time there were people who had long called themselves “Ruskie” (with one “s”) and most importantly were identified as such in Western Europe. They were the descendants of the people of Kievan Rus. At that time, they were the subjects of the Grand Duchy of Lithuania, where they formed by far the largest demographic and linguistic group. Their ethnic and linguistic descendants are present-day Ukrainians and Belarusians. Later historians began calling them Ruthenians. Modern Ukrainian and Belarusian developed from the Ruthenian language. Therefore, it is the Ukrainians and Belarusians who are the rightful heirs (both racially and culturally) of Kievan Rus.

There were dramatic differences between Ruthenia and Muscovy. Slavish servility towards rulers, a typical Oriental trait, was characteristic of the Muscovites, whereas in Ruthenia the Magdeburg Law, completely unknown in Muscovy, operated in the towns, and the Ruthenians were as conscious of their rights and free in spirit as their western European counterparts. Therefore, from the very beginning, the inhabitants of Ruthenia were aware that Muscovite-Russians were a very different people. Even today the word “Muscovite” (Moskal) is used in Ukrainian as a derogatory term for Russians.

Thus the opposition of Ukraine towards Russia has deep historical roots. The recent conflict in Ukraine, as well as the Orange Revolution in 2004, have to be seen primarily not in terms of geopolitics, as many White Nationalists are inclined to do, but rather as a deeper confrontation — as the struggle of European Slavs against an alien, non-European power.

#### The Europeanization and De-Europeanization of Russia

There was, however, a considerable infusion of European blood and European culture into Russia beginning in the 18th century when Peter I (the Great) proclaimed the Russian Empire and oriented the Russian state toward the West. Many European (mostly German, but also French, Italian, and Swedish) engineers, craftsmen, artists, and state and army officials were invited to Russia to develop the infrastructure, to modernize the army and state apparatus, to educate the local population, and to introduce western art.

This process accelerated when large numbers of German settlers were invited by Catherine II (the Great), herself also German, to cultivate large swathes of Russian territory. The German newcomers settled especially around the Volga River basin, and their descendants later became known as Volga Germans. It was mostly thanks to the efforts and contributions of Russian Germans that Russia became Europeanized and assumed her position among the main European powers.

Indeed, it is only beginning in the 18th century that the terms “Russia” (Rossiya) and “Russian” (Russkiy) came into widespread use, and historians of the Russian Empire actively promote the idea of Russia being the rightful heir of Kievan Rus in order to ideologically justify the past and future conquests under the motto “gathering the ancient lands of Rus.”

This “Europeanization,” however, occurred only on the surface, and in its essence Russia remained a distinctly non-European society, in which a European minority elite ruled over a Slavic, Asiatic, Near Eastern, and mixed-race population. However, this process of “Europeanization” was drastically reversed, both culturally and more importantly racially, with the Bolshevik Revolution.

It is a common misconception to regard the imposition of communism in Russia as a merely a political change. First and foremost, the Bolshevik Revolution was a revolt of the culturally and/or racially non-European masses against the European elite. In short, this critical event in history has to be primarily comprehended not in social-political but rather in racial terms. The ideals of communism served only as a façade, as a tool through which the spiteful non-European masses expressed their deep and long-held hatred and resentment towards their European masters and everything European. This was already at that time clearly observed and eloquently pointed out by Oswald Spengler.

Most importantly, communism drastically and irreversibly changed the racial makeup of the Russian population. The Communist regime targeted mostly the intellectual and political elites for destruction, who were primarily descendants the indigenous Slavic population and later European immigrants. Millions were murdered, and the luckier ones escaped to Europe, never to return. And since the de-Europeanization of Russia was first and foremost racial, it would be highly misleading to conclude that Russia returned to the European world after the fall of communism.

#### Putin’s “New” Russia

Indeed, the majority of the current Russian population reveres the Soviet past. The official ideology of Putin’s Russia rests upon its glorification. And, as expected, Putin’s Russia takes inspiration from the Soviet past rather than from the Russian Empire, which can be regarded as the only (quasi) European period in Russian history. Putin once even called the collapse of the Soviet Union “the greatest catastrophe of the 20th century.” Not the creation of the Soviet Union, mind you, but rather its collapse is the great catastrophe for Putin and his supporters, who are the vast majority of Russians.

Most importantly, every year Russians joyfully celebrate their “victory” in the Second World War (which they call “Great Patriotic War”), without regard to the

fact that this “victory” was the gravest event in the history of the white race. These celebrations are accompanied by military parades on the Red Square in Moscow. This cult of victory is the main pillar upon which the national identity of Putin’s “new” Russia rests. They venerate their “veterans of the Great Patriotic War” who were the rapists of millions of white women, murderers of millions of white men and children. Basically this veneration of the barbarian hordes, and the pride that they feel in the barbarian invasion of Europe, underlines their ethnic identity. This alone is enough to conclusively demonstrate that the identity and nationalism of Russians are in conflict with white ethnic identity.

Even the slightest attempt to shed light on the crimes of the Red Army and to revise the official WWII narrative is met with the same kind of hysteria that characterizes Western liberals. At every opportunity, the Russian media demonize Estonia, Latvia, or Ukraine when they commemorate their heroes who fought alongside Germany against the Red Army defending their homelands, or when they remove the monuments to Red Army soldiers installed in their cities by the Soviet government. For example, in 2007, when Estonian authorities removed the Red Army monument in the center of Tallinn, the official Russian media went into hysterics, and “youths” from pro-Putin organizations surrounded the Estonian embassy in Moscow and threatened the ambassador.

There are a lot of Russians living in Estonia and Latvia (around 30% of the population). Their ancestors were settled there by Stalin in a deliberate attempt to change the demographics of those two small Baltic states. The social profile, behavior, and attitudes of these Russians closely resemble those of non-white Third World immigrants in western countries.

One simple and glaring example illustrates this point. The removal of the Red Army monument in the center of Tallinn coincided with the presidential elections in France which resulted in the victory of Nicolas Sarkozy. As is well known, after the elections the black/Arab population rioted. Around the same time, the Russians rioted in Tallinn, and they did everything they could to earn the name “Arabs of Estonia” — e.g., in Tallinn, as in Paris, burning cars and vandalism were widespread. But that did not stop Russian news sources from branding the Estonian government and police evil “fascists.”

In addition, many western White Nationalists may be surprised to hear that the Russian inhabitants of Crimea have recently shown their solidarity with Russia by

waving the banners of the USSR and the Ukrainian Communist Party. They also have vilified and demonized the leaders of the Ukrainian resistance fighters who fought alongside the Germans against invading Soviet hordes – i.e., Stepan Bandera and Roman Shukhevich.

Putin's Russia is Nearly as Anti-White as the Liberal West

It is also a widespread delusion among western White Nationalists that Russia is free of Jewish influence and is an antidote to the Jew-led New World Order. Firstly, at every opportunity, Putin pays homage to the official “holocaust” narrative promulgated by the Jews. On many occasions he said that the holocaust was the most abominable atrocity in history, and the Red Army put an end to this horror. Since the cult of victory in WWII and the glorification of the Soviet past are the main pillars of national identity in modern Russia, this implies that Russian identity and patriotism are not only not opposed to Jewish interests but, on the contrary, are directly in line with them.

Secondly, anti-Semitism is very weak in Putin's Russia, and Jews feel quite comfortable and welcome. Jewish life is flourishing at a level comparable only to the early aftermath of the Bolshevik Revolution. A popular Russian-Jewish crooner, Iosif Kobzon, said not so long ago that “Jews are currently experiencing a Renaissance in Russia.” Furthermore, before the presidential elections in 2012, the chairman of the Council of Russian Jews proclaimed his full support to Putin and expressed his confidence that all Jews in Russia will vote for him. He even said that he doesn't know a single Jew in Russia who would be against Putin.

Moreover, again contrary to the hopes of many White Nationalists, neither Putin's opposition to U.S. military intervention in Syria nor his passing legislation against some of the currents actively promoted by Jews in the West (e.g., homosexuality) is enough to qualify him as our ally or as anti-Jewish. For one thing, the attitude of international Jewry towards the Syrian crisis is not monolithic. While neocons promote military intervention, the Left, which is also led by Jews, strongly opposes it. Therefore, one cannot say that the failure of the campaign against the Assad regime is the failure of a specifically Jewish issue.

Regarding Putin's anti-gay legislation, Uganda has also recently passed a law against homosexuality. Blacks and Muslims have been staunchly homophobic

from time immemorial. But is it enough to make Uganda or Muslims and blacks in general our allies?

Finally, and most importantly, real Russian White Nationalists, who are as much a minority in Putin's Russia as their counterparts are in the West, are vilified as "Nazis" and are persecuted far more harshly than in the liberal west.

#### The Ukrainian Revolution from White Nationalist Point of View

Many western White Nationalists lament that Ukrainian nationalist organizations receive support from and maybe try to court favor from Jews. Others reproach Ukrainians for their petty nationalistic separatism, which is allegedly incompatible with the common fight against the perilous situation of whites worldwide. However, Ukraine is currently in a historical stage which western nations passed through long ago — i.e., the acquisition of a national identity. This step is a precondition for Ukrainians to acquire a broader sense white identity in the future.

Therefore, any consistent and honest White Nationalist should support the current Ukrainian revolution. If Ukraine has any chance to join the larger white European family, this is the time. White Ukrainians are breaking free from the Russian (non-European) yoke and joining their white brethren in the West.

It is simply a given that Jews will interfere with and try to profit from every upheaval, and they hedge their bets by playing both sides. Putin also has Jewish friends and advisers. So Jewish involvement in Ukrainian affairs is not in itself evidence that Jews are running the show, any more than Jewish involvement in Russian affairs is evidence that they control Putin.

Moreover, western White Nationalists should not underestimate Ukrainians (and by extension other Eastern Europeans), and they should not overestimate the brainwashing power of the Jew-led EU. Having closer ties with the West and even joining the EU does not automatically mean Ukraine will be flooded by hordes of non-white immigrants or gays will be marching on the streets of every big city.

Many Eastern European countries, including the post-Soviet republics of Estonia, Latvia, and Lithuania, joined the EU in 2004. However, those countries remain predominantly white. So far, they have been completely spared the demographic changes experienced by western countries through non-white mass immigration.

Eastern Europeans are sufficiently traditionalist not to permit their countries to be flooded by non-whites.

In addition, non-white immigrants find relatively poor Eastern European countries unattractive destinations. They look for easy money, welfare, preferential treatment, an opportunity to behave insolently with impunity, etc. If they feel that the local white population will not provide these opportunities to them, they will simply avoid those places.

Non-white immigrants also avoid relatively ethnocentric societies. Eastern Europe (especially Poland and Ukraine) already has a widespread image as “racist” terrain, to be avoided. The same incentives can be observed within Germany. The former East German territories have the reputation of being populated with “racists” and dangerous for immigrants. As a result, Turks, blacks, Arabs, etc. are simply afraid to go there. Thus even large cities like Leipzig and Dresden continue to have almost exclusively white populations.

#### Concluding Remarks

I wish to repeat and emphasize that I recognize that there are many white people in Russia, just as there are many whites in Latin America and the US. And I recognize all whites as potential allies of White Nationalism. However, Russian White Nationalists have to understand that white identity is in conflict with Russian patriotism and Russian ethnic identity, just as white Mexicans recognize that White Nationalism is incompatible with Mexican identity and patriotism, and white Americans recognize that White Nationalism is incompatible with the universalistic, multiracial concept of American identity that Jews promote.

But those who think of themselves as Russians first and whites second have an identity, interests, and destiny opposed to Europe and White Nationalism. The same is true of a white American who thinks of himself as an American first, thereby adopting an identity, interests, and destiny opposed to White Nationalism. Being a French or a German patriot does not necessarily conflict with larger white interests, since France and Germany are integrally white countries. But being an American or Brazilian or Russian patriot does. Vladimir Putin is a Russian patriot. For a White Nationalist, that should not be a compliment.

To be consistent, White Nationalists should support Svoboda and Right Sector and not Putin’s Russia. A movement that aims at power has to possess a clear and

sober understanding of its friends, potential allies, and enemies. First and foremost, it has to consolidate all of its adherents before considering an alliance with an alien power against a common enemy. It might well be expedient to ally ourselves with Russia on some occasions. But that alliance should not entail the betrayal of our racial and ideological brethren in Eastern Europe.

To conclude, western White Nationalists need to awaken from their Russophile dreams and face reality. Rather than fawning over Russia and Putin, they should be more concerned with maintaining their credibility with their Eastern European brothers and sisters. There are many devoted Ukrainian, Estonian, Latvian, and other Eastern European nationalists reading western White Nationalist sites. When they encounter naïve, childish, and frankly hysterical Russophilia, they are rightly appalled.

Russian identity is as trans-racial as American identity, Christianity, Islam, liberalism, and Marxism. Russian imperialism, like American imperialism, Christianity, Islam, etc., is a mighty engine of miscegenation, an engine that has been chugging away since the Middle Ages. Like the first Rome and the second Rome, the Third Rome is not a nation but a machine that liquidates every nation it captures, including its own founders.

Thus Russian imperialism is not an alternative to globalization, but just another form of it. Thus Russia is not the future of the white race, but one of its graveyards. White Nationalists should, therefore, sympathize first and foremost with those white Russians and all captive peoples who wish to free themselves of that machine and its master, Vladimir Putin.

## JEW'S STILL IN CONTROL OF RUSSIA

When the Jews took over Russia with Communism, they killed the entire Gentile ruling and upper classes, and replaced them with a Jewish ruling elite which was part of a larger Jewish order.

"Rosenthal also talks about a Jewish invisible government which also controls the USSR, and how the UN is "nothing but a trap door to the Red World's immense concentration camp." He says this invisible power is responsible for the wars and revolutions of the last 200 years." — Harold Wallace Rosenthal, age 29, personal assistant to New York Senator Jacob Javits 1976 interview with Walter White Jr., editor, Conservative monthly, Western Front.

When the Soviet Jewion fell apart due to the long -term effects of the Second World War and the people openly rebelling in the streets, the Jewish elites in Russia simply put up new window dressing and did a game of musical chairs, in order to stop a full rebellion that would topple them. The new post-Soviet government was just as openly full of Jews as was the former one. It is the same ruling class.

This brings us to Vladimir Putin who was a Lieutenant Colonel in the KGB before the fall of the Soviet Union. He was then brought into the New Government. This is revealing the facts on the KGB, like the NKVD and Cheka before it. It is created, staffed, and run by Jews, as it is the important arm of the Jewish ruling classes' control:

<http://heretical.com/miscellx/bolshies.html>

According to a report in The Canadian Jewish News of 13 November 1964, the present Soviet boss Leonid Brezhnev is married to a Jewess and his children are brought up as Jews. There are a number of prominent Jews in the Soviet government, including Dimitri Dymshits in charge of industry, Lev Shapiro regional secretary of Birobidjan, and Yuri Andropov in charge of the secret police, the KGB. In fact, every secret police chief in Soviet history has been a Jew, from the first, Uritsky, the murderous Beria... A Jew is also in charge of the Soviet economy – Leonid Kantorovich.

Keep this in mind when you realize that Putin within 16 years, rose to Lieutenant Colonel of the KGB, proceeded to be high -ranking in a Jewish owned and staffed government, and is now the front man for the ruling kosher cabal:

Putin admitted to growing up in the same apartment with a bunch of Jews. When speaking before a Jewish audience, Putin revealed that his own father was an "avid Talmudic scholar."

"Mr. Putin said he was familiar with both the menorah and the Chanukah holiday, because as a child his family shared their communal apartment with a Jewish family. "

Putin: "I will do everything for the Jews!" Posted October 18, 2012. "Putin will save us" says Jew Kapner! By "us," he means Jews.

"RUSSIA'S PM TO JEWISH DELEGATION: I WAS FIRST TO RESTORE JEWISH PROPERTY!

MOSCOW — In an extraordinary 40 minute meeting with Russian Jewish leaders yesterday (November 25), Russian Prime Minister Vladimir V. Putin promised to assist the Jewish community in combating anti-Semitism, building schools and reclaiming former synagogue buildings for Jewish communities."

"Rabbi Berel Lazar, chief Lubavitch emissary to the region, who was recently elected as the head rabbi by delegates to the newly formed Federation of Jewish Communities of Russia, accompanied Federation officials Lev Leviev, Michael Gluz and Mark Grubarg to present the prime minister with a silver Menorah. Rabbi Lazar described the Menorah as a symbol of religious freedom. Speaking about the miracle of Chanukah, the rabbi and his colleagues described the resurgence of Jewish life in Russia since the fall of communism as a modern miracle."

Jew-lover Putin admits growing up in the same apartment with a bunch of Jews. While talking to a Jewish audience, Putin reveals that his own father was an avid Talmudic scholar..."Mr. Putin said he was familiar with both the menorah and the Chanukah holiday, because as a child his family shared their communal apartment

with a Jewish family." Putin's father's real name was Epstein, his mother's Shalomova.

<http://henrymakow.com/putin-is-nwo-pawn.html>

Tamara: "The photo at bottom left shows Opposition to Putin saying Putin is 100% a Jew (his mother is a Jew and his father is a Jew). In Russia, many Jewish people hide their Jewish origin or they do not know or do not want to know. Putin is a person who hides his Jewish origin but uses it in the corruption nets. Historians tried to find his ancestors but failed. Common Russians think that Putin is an ethnic Russian. If they understood that Putin is a Jew, they would not vote for him. The picture bottom right shows Putin's resemblance to a Jew from Tsarist era."

"In Russia, the eternal question is: "Who Lives Well in Russia?" At different times, they were different people, but now everyone knows that life is only good for the super-rich oligarchs, mostly Jews."

Putin pledges to make Russia comfortable for the enemy Jew. Perhaps that will shed light on why he treats nationalists and proud Russian patriots like Jews treat animals.

"Focusing on the Federation, Mr. Putin described its founding as a positive development to bring diverse groups within the Jewish community together to work toward common goals. He expressed his hope that the new Federation would help foster a climate of communal strength that will make Russia a country where Jews will live comfortably."

The following was written by a Christian Russian Nationalist, but it provides a clear understanding of what is really happening in the Jewish owned and controlled current Russia:

"Their goal is to create in place of Russia and Russian civilization a new supranational pseudo- empire within the framework of the New World Order, under the guidance of a Jewish elite."

Russians in Russia: The State within the State April 24, 2012 —

Igor Artemov, Translated by Roman Frolov

No one in the Russian National political movement —or just anyone for whom his Russian identity is not simply a matter of fact but a defining aspect of his life, beliefs, and actions—should harbor any illusions regarding the corrupt, grotesquely hypocritical, bureaucratic and police-state nature of the modern state authority and ideology existing in the Russian Federation. All this is true and doubtlessly affects our lives. And yet the single most important thing to understand is that this system is explicitly and purposefully anti-Russian.

Although we cannot exclude that Putin and his close circle dream about their 'empire', there won't be any place in their 'empire' for the Russian spirit and Russian ideology, just as there was no place for Russianness in the late Soviet Union. Remember that the process of destroying the Russian nation and Russian worldview, unprecedented in its scale and consequences, was launched precisely in the Soviet Union and the current authorities of Russian Federation carry on this process more or less consistently. The Russian culture and the Church were being destroyed in the USSR. Internationalism and inter-racial marriages were promoted. The USSR has done everything possible to make people to identify themselves not as Russians, Tartars, or Tuvans but as Soviet people. All the facts show that it is the USSR and not the old Russia that serves as a role model for the current Russian authorities. They are building a post-Soviet state and not in any way a Russian national state. I consider this statement essential because of the conclusions and actions that follow from it directly.

If the Russian Federation was just a red-tape bureaucratic or corrupt state, then these defects of the political system could be fought against and to a certain extent eliminated simply by dealing with the mistakes. Yet the problem is that both corruption and despotism in our country are consciously enforced from the

very top of state power. Long ago I realized that the situation in our country does not result from the stupidity, greed or incompetence of the ruling circles. Only an idiot would have trouble understanding that it is better for the country to have its own competitive manufacturing instead of exporting raw materials or to have honest officials instead of bribe-takers. The Russian authorities understand this too. And yet they do everything the other way around, strengthening and hardening from above all the vices of the state system. "Why?" you ask me. Well, because they have aims that are very different from those they publicly declare on television and through the mass media.

Their goal is to create in place of Russia and Russian civilization a new supranational pseudo-empire within the framework of the New World Order. Under the guidance of a Jewish elite, the Russian majority will be gradually replaced by Asian migrants. Of course, they cannot acknowledge this openly as it will cause mass protests and they will be quickly swept away. So for the people's consumption they have an official ideology of building a society of prosperity, social justice and interethnic peace. Yet they cannot hide the truth, especially from those who have access to objective information. As a result, the silence of the ruling circles is bought by enormous material benefits on one hand, and by intimidation on the other. In this light, it is easy to understand the murders of generals Lebed and Rokhlin, ophthalmologist Fyodorov, Governor Evdokimov and many others who had ascended to the political Olympus in Russia but had not become completely loyal to those forces that control and deliberately destroy our country as the heart of Russian civilization. I think that the mysterious death of General Shebarshin, the last chief of the KGB, is in the same line of political murders.

The main supports for the Russian authorities in this enterprise are the security agencies. Their purpose is to suppress any popular protest and discontent by unlawful use of force — simply because it is impossible to do it by lawful methods. It is not a coincidence that today the members of the security agencies and not regular officials or manufacturers who get the most of benefits and opportunities. Not long ago I had a conversation with an old acquaintance of mine who sells real estate on the Black sea coast and in the Caucasus Mineralnye Vody region [translator's note: popular resorts]. He claimed that 80%

of the expensive property [\$500,000 and up] in these areas is purchased today not by state officials or businessmen but by highly-placed officials of the Federal

Security Service [FSS], Interior Ministry, Public Prosecutor Office, and other similar agencies from various regions of the country [sometimes such purchases are made using front persons]. In this way these 'people's servants' prepare for their retirement. Needless to say, such property acquisitions are far beyond the means of an honest official, even considering their large salaries.

Thus a conspiracy of silence emerges. Every member of this criminal system knows that he can keep his power and unlawfully acquired riches only if he remains silent and does everything his masters order him to do. If he doesn't, however, and takes the liberty of excessive high-handedness or independency, he will face huge problems.

I would like to describe two examples from my personal experience, which clearly show that highly stationed Russian officials have a perfect understanding of what is going on in our country and of the direction it is leading into. In the beginning of the last decade when I was a Deputy of the Legislative Assembly of Vladimir Oblast I had a conversation with one of the representatives of the President in that region. The conversation has stuck in my memory. There was high turnover at this position and I would like to avoid naming this person. The official sympathetically inquired about the Russian national movement and our ideology, and he demonstrated impressive knowledge of Bolshevism, Freemasonry and pretty good personal erudition. He told me that he reads our newspapers [the Internet was not as widespread then as it is now], and that some of his relatives voted for me in the elections to the Russian Parliament. I even felt some sympathy toward him because of his education and culture. In the end he talked about himself. He said that he understands the rightness of our cause albeit there were not only Russians among his ancestors. He told me that in Soviet times he and other members of the Communist Party were shown special movies on the danger of world Zionism and Freemasonry, and he mentioned some facts which I was not aware of. At some point, I even thought that he could provide a tacit support to our cause.

Yet it ended differently. My confidant finished our conversation with a parable. Let's say, he told me, a gang of robbers attacks a woman and wants to rape her. She has a choice, to resist, get seriously beaten and injured and be raped anyway, or "to relax and try to get some pleasure"... So this is what is being done with our country. We can't fight against the whole world. So let's relax and try to benefit

from this situation as much as possible. I remember being quite shocked, both at his level of awareness and his conclusions.

As a second example, in 2003 I was one of the originators of the internal investigation of the Police Department of Vladimir Oblast by a special commission from Moscow. The commission was headed by an elderly Lieutenant-General Golubev, if I remember correctly. He expressed his wish to meet me personally. It was a long conversation. I told him all I knew about incidents of bribery, racketeering etc. He listened carefully and took notes. At the end, we had turned to the Russian question again. Looking away, he asked me: "If things in Russia continue in the future as they are today, for how much longer will the Russian people survive?" I answered that I look forward to positive changes and aspire for the establishment of Russian national rule, but if the regime perseveres, the Russians as a nation will likely hold on for thirty or forty years more, and after that all sorts of irreversible changes are possible. "I also think so" — he replied.

We had parted amiably. A couple of weeks later I received a letter signed by this same General, in which he thanked me for my assistance and informed me that, based on my information, around fifteen police officers were subjected to disciplinary action, but not a single 'brave' officer was punished seriously, though they deserved it. The commission had returned to Moscow and things in Vladimir resumed their 'natural' course. I guess that our General retired soon after these events.

Make no mistake: both of the high state officials described here represent the best part of the establishment. They at least say that they are not against us. Others, however, are much, much worse: they are stupid, avaricious and cynical. Yet even these two wouldn't openly side with us. They would stand aside and wait for something. This is why the Russian movement today should avoid internal dissent and squabble between parties. The regime hates us all, no matter who we are — backers of the empire or national democrats or Russian Orthodox nationalists or whoever else — it hates us just because we are Russian, because we don't hide it and because we fight as best we can for our rights and ideals.

We interfere with their desire to destroy Russia quickly and quietly. It is time now to begin building a "state within a state" in our midst, a society closed to outsiders where we can resolve all internal questions within it. We have no friends among the authorities, but we have many friends and like-minded people

among businessmen, scientists and military men, among virtually all strata of Russian society. I will return to this topic in subsequent articles.

Note – the Jews pretend they were victims of the very system they instituted and controlled:

At Putin's side, an army of Jewish billionaires. "We have to keep our Jewishness and be united in the Diaspora," says Russian Jewish Congress VP. "

<http://www.jpost.com/Jewish-World/Jewish-Features/At-Putins-side-an-army-of-Jewish-billionaires>

When the air-conditioning broke down at the reception for the unveiling ceremony of the Red Army monument in Netanya on Monday, it didn't matter if you were a billionaire, multimillionaire or broke. Everyone suffered the same.

In one corner sat Mikhail Fridman, the seventh-richest man in Russia, whose fortune is estimated at \$15 billion by Forbes. He stayed hydrated in the sweltering heat by sipping a glass of water. In another stood Moshe Kantor, the chemicals tycoon who Forbes said was worth \$2.3b. He repeatedly removed the beads of sweat from his head with a napkin.

The two men were part of a group of two dozen or so affluent Russian-speaking businessmen who came to the ceremony where President Vladimir Putin was the guest of honor. Some, like Fridman, flew in especially from Russia. Others, like Kantor, drove from nearby Herzliya, where many businessman from the former Soviet Union including Leonid Nevzlin and Gabriel Mirilashvili, to name a few, have made their homes.

For many members of this class of ultra rich Putin's arrival in the country was an opportunity for them to brush shoulders with one another and to mingle with friends and officials from the motherland. The richest man in the room filled with rich men was probably the media-shy Fridman, who declined to speak to The

Jerusalem Post. "I am a private person," he said, displaying seemingly good English.

Other faces were more familiar to locals. Lev Leviev, the diamonds and real estate mogul who is a bit of anomaly in this world, was on hand. Although born in Uzbekistan, then part of the Soviet Union, he immigrated to Israel as a teenager in the 1970s and made his money in the Jewish state. Only after the markets in the former Soviet Union opened did the Israeli, whose worth was estimated at about \$1.7b. earlier this year, invest extensively in natural resources and property in that part of the world.

Not everybody in the room was a billionaire. Some were worth a mere couple of hundred of million dollars Alexander Levin, a Ukrainian businessman who was among those who donated to build the monument, is one of latter.

The real estate developer, who last year set up the World Forum for Russian Jewry, an advocacy group based in New York, explained why he it was an important cause.

"My two grandparents were killed during World War II so it's very important to us," he said. "We are paying just a little [in comparison to what they paid]."

How much is a little? Levin said the exact sum "was not important" but that it was "a lot of money."

Members of United Israel Appeal-Keren Hayesod, which raised the money to build the marble and concrete monument overlooking the azure Mediterranean Sea, were also tight-lipped.

"We organized a group of 10 to 15 top businessmen who raised the money that helped transform this dream to reality," said Gadi Dror, the UIA's director of the eastern region. "We do not go [into the] figures because they [the donors] prefer not to but it is meaningful amount."

A source later said each businessman had donated at least \$100,000. Watching the group of mega-wealthy interact, one cannot help but wonder how so many affluent businessmen in the former Soviet Union are Jewish.

German Zakharyaev, vice president of the Russian Jewish Congress, cited two main reasons for that. First, Jews are few among many.

“We are a minority and as such we have to be strong [if we are] to preserve our customs,” said the businessman who, as a member of the Mountain Jewish community of the eastern Caucasus, is a minority within a minority.

“This is something in our commandments that we have to keep our Jewishness and be united in the Diaspora.” Second, he said, Jewish businessmen are hard workers. “We think a lot and we sleep a little,” he said.

The China situation:

October 1 1949, Mao Tse Tsung declared the founding of the People's Republic of China in Tiananmen Square, Beijing. He was funded by Rothschild created Communism in Russia and also the following Rothschild agents: Solomon Adler, a former United States Treasury official who was a Soviet Spy; Israel Epstein, the son of a Jewish Bolshevik imprisoned by the Tsar in Russia for trying to ferment a revolution there; and Frank Coe, a leading official of the Rothschild owned IMF. Mao would murder sixty million innocent Chinese people under his rule mainly to destroy traditional Chinese culture. As with Christianity, any practitioners of spiritual systems were outlawed, killed, and thrown into gulags, to die a slow death through slave labor, starvation and torture. The Communistic systems became the new culture of control. With China under their flag, Tibet was next on the list as being the last bastion of spiritual and historical knowledge. All the Jewish systems seek to remove spiritual knowledge from Gentiles and keep it in the hands of the Jewish elite. This is a major part of their indoctrination program. There has been a major Jewish population in China for over a thousand years such as the Jews of Kaifeng. Communism was imported into Manchuria by an Oriental Jew named Abrahams. The powerful Western Jews worked with their Asian counterparts to conquer the East, just as they did with their Jewish Eastern European brethren.

China has been built up into the biggest global superpower by the Jews and everything has been shipped there. This was identical to what the Jews did with their USSR, turning it into a massive super state of military superpower, to wage conquest upon the rest of the earth, which they did. The only reason they were halted was the second war monkey wrenched their plans globally and led to the stagnation and fall of the USSR. There are reports that the America tactical silos are contracted to Israeli firms for certain electronics' functions. This same situation was a key factor in the London false flag attacks, 911, and Fukushima.

They also have their agents all over the Pentagon and other key Western military and government networks. The West is past the demoralization point and has entered into the destabilization phase. The Protest Wall St was organized by Jewish agents of Rothschild to be the start of a Communist movement, which is part of the subversion of decades of indoctrination of students into Communist ideals. At this point, one way or another, they are seeking to take the West down should they start a full out Communist revolution, civil war or open war. One way or another, it seems Red Chinese troops will be on Western Soil "Liberating" us from the Fascist oppressors. This is what the Jews did in the ancient world with the Christian Crusades into Europe and around the world, and later with the Red Army rolling over Europe and the East, enslaving the many for the Jews.

If they wanted to take it to open war, it would be easy to pull the rug out from under NATO in Europe and America, and put the West under the Red banner. This is what America and Western Europe have been prepped for over the decades, and how they planned to take Germany down into Communism during the First war, which they manipulated into existence for the sole purpose of taking all of Europe down into Communism, and they nearly did. It is a repeating set of tactics they are using.

From looking at things, the ME conflict is a smaller warm up to a planned global conflict between China, North Korea and Russia and its allies. The Jews own these countries totally. Russia has just finished a mass joint war games exercise with China on Eastern European soil with thousands of Red Chinese troops. They were training specifically for war against Western forces. This was kept out of the mainstream it seems:

## Blowing Up Russia: Terrorism From Within

<http://www.youtube.com/watch?v=9sx2YmSXDy8>

Documentary film describes the September 1999 Russian apartment bombings as a terrorist act committed by Russian state security services. Written and directed by Yuri Felshtinsky and Alexander Litvinenko. "We just cannot go out and say that the president of Russia is a mass murderer. But it is important that we know it."

-----

This documentary also shows Jewish, Putin had involvement in this and might have ordered it. As he was head of the security services at the time they committed the attacks. That just happened to help get him into the leadership chair of Russia. And create a climate for more police state measures. Same with what the Jews are doing over here with false flag attack after attack. 911 being the most well known. The same attacks on still going on in Russia now.

Putin is Jewish and Russia is under their control:

topic2025.html

This documentary also highlights the fact that under Jewish, Putin's rule freedoms of press are the right to free speech are being destroyed as Russia is being returned to a Stalinist style state slowly. The Jews are working to regain their grip on total power. This is why Putin is using the same justifications the Soviet regime used to crush protest or dissent on any level. To ban and crush valid opposition, national parties and imprison their leaders in Russia now.

Russian Intelligence and Islamic Terror

Frontpage Interview's guest today is Konstantin Preobrazhenskiy, a former KGB agent who became one of the KGB's harshest critics. He is the author of seven books about the KGB and Japan. His new book is KGB/FSB's New Trojan Horse: Americans of Russian Descent.

"Americans generally believe that Russia is as afraid of Islamic terrorism as the U.S. is. They are reminded of the war in Chechnya, the hostage crisis at the Beslan School in 2004 and at the Moscow Theater in 2002, and of the apartment house blasts in Moscow in 1999, where over 200 people were killed. It is clear that Russians are also targets of terrorism today.

But in all of these events, the participation of the FSB, Federal Security Service, inheritor to the KGB, is also clear. The FSB's involvement in the Moscow blasts has been proven by lawyer Mikhail Trepashkin, a former FSB Colonel. For this he was illegally imprisoned in 2003..."

## Pussy Riot And A Look Into Russia

The reality of Russia under Jewish tyrant, Putin and his fellow Jewish oligarchs regime is that of political oppression and state terror. Its going back to the Communist style system more and more. In the documentary below it was mentioned Putin released around 21 thousand political prisoners as PR stunt of phoney good will over the Winter Olympics'. People are being arrested for democratic protests and political difference of opinion. Many Nationalist leaders are normally arrested and put in jail as well. As Putin is marching Russian into the Eastern half of a Jewish owned, Globalist slave state. The "Pussy Riot" protest group despite their own politics' have really highlighted this fact to the world.

The members of Pussy Riot shocked Russia when they performed their "Punk Prayer" in a Moscow church back in February 2012. The group was protesting the growing closeness between church and state under Russian President Vladimir Putin, but they became international celebrities when three of the members of the feminist, punk-rock protest group were arrested by the Russian authorities a few weeks later.

Nadezhda Tolokonnikova and Maria Alyokhina were convicted of "hooliganism motivated by religious hatred" and sentenced to two years in prison. With just two months of their sentence left, Nadya and Masha—as they're known in Russia—were freed in a general amnesty by the Russian government. Most observers saw the move as an attempt to clean up Russia's image before the 2014 Winter Olympic games in Sochi rather than a change in policy toward Putin's opponents.

VICE correspondent Simon Ostrovsky met up with the band members in Moscow just a couple weeks after they were released to find out what they're doing with their newfound freedom.

Russia sentences anti-Putin activists, detains hundreds

[http://uk.news.yahoo.com/seven-anti-put ... ml#6h0UHMg](http://uk.news.yahoo.com/seven-anti-put...ml#6h0UHMg)

A Russian court on Monday sentenced seven activists to prison terms of up to four years over a protest against President Vladimir Putin as police detained hundreds of supporters outside.

A Moscow district court sentenced seven defendants to penal colony terms of between two-and-a-half and four years for what the judge ruled to be "mass riots" during a 2012 demonstration.

The high-profile case has become a symbol of the harsh crackdown on opposition protests since Putin returned to the Kremlin.

The eight in the dock were found guilty of taking part in mass riots and hitting policemen at a rally against Putin's inauguration to a third term as president.

"The sentences are harsh and inappropriate. They were issued based on the political situation, not on the nature of the charges," lawyer Dmitry Agranovsky said, adding that the group would appeal.

His client, 22-year-old Yaroslav Belousov, was sentenced to two-and-a-half years for throwing a lemon at a policeman.

An eighth defendant Alexandra Naumova, 20-year old and the only woman in the case, was given a suspended sentence of three years and three months.

Riot police detained several hundred supporters who gathered outside the court, some shouting slogans such as "Freedom" and "One for all, all for one!"

More than 200 people were detained for "attempts to breach public order", a police spokesman told AFP. Most were released shortly after arriving at police stations.

People later gathered for an evening protest on Moscow's central Manezhnaya square but the entire area was cordoned off with heavy police presence and interior troops, forcing people to crowd on sidewalks.

Several hundred stood near the parliament building nearby as police told them to leave through a loudspeaker and detained people in the crowd, an AFP correspondent said.

Police said 300 were "trying to violate public order", and 70 people had to be detained.

But Ovdinfo, a group that monitors detentions and arrests, said "a minimum of 315 people were detained" at the square and surrounding streets.

The two released members of protest punk band Pussy Riot, Nadezhda Tolokonnikova and Maria Alyokhina, as well as protest leader Alexei Navalny, were among those detained and tweeted pictures from a police van.

Amnesty International condemned the detentions, saying: "the Russian authorities' rampant violation of freedom of expression and assembly shows no sign of letting up".

Tens of thousands marched in protest the day before Putin's May 7, 2012 inauguration, in a rally that ended in scuffles with police.

The clashes on Bolotnaya Square led to dozens of arrests and injuries on both sides. Investigators said the opposition planned to overthrow the government.

- 'Hideous injustice' -

Amnesty International called the guilty verdict against the activists a "hideous injustice" and the result of a "show trial".

Judge Natalya Nikishina said Monday that the defendants "took part in mass riots. Their shared blame is established and proved".

But the defence said the case was based on conflicting police testimony that was not supported by any evidence, and that the scuffles did not qualify as mass riots due to a lack of grave injuries or property damage.

The judge handed down significantly lower sentences than the terms of up to six years that prosecutors had requested.

The court had postponed the sentencing until Monday, with the opposition saying this was to avoid publicity before Sunday's closing ceremony of the Winter Olympic Games in Sochi.

"I'm sure Putin didn't want the triumph of the closing of the Olympics to be accompanied with video footage of the detainees," Navalny told TV Rain independent channel.

Most of the defendants have been held in custody since 2012, meaning that some will be eligible for parole later this year.

Putin's spokesman Dmitry Peskov said Monday that like any other prisoner, those convicted "could apply to the head of state with a request to be pardoned" in comments to Slon.ru website.

An investigation into the rally has already seen one person sentenced to four-and-a-half years and a second committed to a psychiatric hospital.

## Jewish Owned Russia Marching Into Jew World Order

As with the previous article this one shows that Russia is just the Eastern wing of the Jewish World Order cabal. And is marching the Russian's into the same Globalist slave state they are to the West. With much of the same policies as well.

Putin is also Jewish with a Talmudic scholar for a father:

Putin is very close on a personal level with the powerful Jewish oligarch Abramovich whom some have called Putin's protector and handler. As noted many of these people have direct positions within the government as well.

"Abramovich was the governor of Chukotka from 2000 to 2008. "Abramovich said that he would not run for governor again after his term of office expired in 2005, as it is "too expensive", and he rarely visits the region. However, Russian President Vladimir Putin changed the law to abolish elections for regional governors, and on 21 October 2005 Abramovich was reappointed governor for another term." (wikipedia)

Note: Chukotka is impoverished and remote region of RF, yet resource rich and with big potential to oil exporation. Abramovich, who had and still has lots of interest in oil & resources no doubt has spent the time governing Chukotka productively for his business interest. "Sibneft Begins Offshore Seismic Work in Chukotka's Anadyr Bay

December 07, 2005" source. Sibneft was Abramovich's company which he later sold and it went under the wing of Gazprom and its CEO Alexei Miller.

Roman Abramovich - Wikipedia, the free encyclopedia

Chris Hutchins, a biographer of Russian Prime Minister Vladimir Putin, describes the relationship between Russian president and Abramovich as like that between a father and a favorite son; Abramovich himself has stated that his relationship with Putin is a professional business relationship, as signified by his use of the Russian language's formal "Вы" (like Spanish "usted" or French "vous") in addressing Putin, as opposed to the informal "ты" (Spanish "tú" or French "tu").[72]

A deal with Kremlin makes Jewish oligarch Vekselberg the richest man in Russia:

<http://www.telegraph.co.uk/finance/news...ussia.html>

Next the above Abramovich is the Jew Khodorkovsky the two of them are the most richest people in Russia and in the top level of the Jewish oligarchy in change of Russia. Note Putin got this character out of trouble once the cost was clear:

<http://en.wikipedia.org/wiki/Khodorkovsky>

Mikhail Borisovich Khodorkovsky (Russian: Михаи́л Бори́сович Ходорко́вский, IPA: [mʲɪxɐˈil xədeˈrkɒfskʲɪj]; born 26 June 1963) is a Russian businessman, oligarch,[2] philanthropist, public figure and author.

In 2003, Khodorkovsky was named Person of the Year by Expert, sharing this title with Roman Abramovich. In 2004, Khodorkovsky was the wealthiest man in Russia (with a fortune of over \$15 billion) and one of the richest people in the world, ranked 16th on Forbes list of billionaires. He had worked his way up the Communist apparatus during the Soviet years, and began several businesses during the era of glasnost and perestroika. After the dissolution of the Soviet

Union, he accumulated wealth through the development of Siberian oil fields as the head of Yukos, one of the largest Russian companies to emerge from the privatization of state assets during the 1990s."

He was arrested on 25 October 2003, to appear before investigators as a witness, but within hours of being taken into custody he was charged with fraud. The government under Vladimir Putin then froze shares of Yukos shortly thereafter on tax charges. The state took further actions against Yukos, leading to a collapse of the company's share price and the evaporation of much of Khodorkovsky's wealth. He was found guilty and sentenced to nine years in prison in May 2005. While still serving his sentence, Khodorkovsky and his business partner Platon Lebedev were further charged and found guilty of embezzlement and money laundering in December 2010, extending his prison sentence to 2014. Khodorkovsky was pardoned by President Vladimir Putin following lobbying for his release by Hans-Dietrich Genscher, and released from jail on 20 December 2013.[3]"

It pays to be Jewish in Russia. Just like in America:

Kremlin provides bailout to Jewish banker

By Grant Slater November 5, 2008 8:56pm

The Kremlin reportedly dipped into a fund to allow a prominent Jewish businessman and Kremlin confidante to pay his debts.

The Russian government set aside \$2 billion for Mikhail Fridman and his holding company, the Alfa Group, that would allow him to pay Deutsche Bank AG, The Wall Street Journal reported.

Fridman, 44, is the first oligarch to receive funds from the account of funds stashed away from Russia's windfall oil profits in recent years. Russia's financial sector has not been immune to the global credit crisis, and market turmoil in recent weeks has led to jitters among Russia's wealthiest.

The loan from the \$50 billion fund would allow Fridman to maintain his stake in Russia's biggest cell phone provider, Vimpel Communications.

Fridman and his Alfa partners founded a Jewish philanthropy group last year aimed at increasing Jewish identity among Russian speakers worldwide. The Genesis Philanthropy Group is still in its nascent stages.

Jews in the former Soviet Union are feeling unease that local funding for Jewish causes may be curtailed as oligarchs lose billions amid the global financial crisis.

More Jewish Oligarchs who got bail outs from the Russian government just like all the Jewish banker oligarchs in American who received mass bail outs as well:

Deripaska, Oleg (UC Rusal) - Jewish multi-billionaire oligarch, reportedly friendly with Putin and a member of the Kremlin elite.

Vekselberg, Viktor. (UC Rusal) The richest man of Russia 2012. This oligarch of mixed Jewish-Ukrainian origin is also held a big stake and board chair in bailed out Rusal.

Khan, German (Alfa group) - a Jewish oligarch, also a prominent member of the Jewish congress and a contributor to Jewish and "tolerance" causes.

Aven, Pyotr (Alfa Group) - a Jewish oligarch connected to Putin since early 1990s.

Abramovich, Roman (Evraz Group) - a Jewish multi-billionaire oligarch, reportedly very friendly with Putin, also a statesman in Putin's Russia

Shvidler, Eugene (Evraz Group) - friend and partner of Abramovich, a Jewish billionaire with a stake in Evraz Group.

Why Putin is an enemy of Russian nation, Russian patriotic movements and Russian state. by A. Saveliev

## I. Putin is an enemy of Russian nation

1. During 8 years of Putin`s reign, number of ethnic Russians in Russia shrunked by 8 millions. Annual demographic losses are the same as in 1990`s, when Yeltsin was in power and when Russia didn`t have huge profits from oil and gas export. Number of officially registered abortions is stable, about 2 millions per year. Quality of medical care significantly dropped, free state medicine is almost destroyed and substituted by commercial medicine. Vast majority of Russian citizens can`t afford it.

2. During Putin`s reign, dozens of people with capitals above \$ 1 bln legalized their money. In Yeltsin`s time, there were only 7 people with such capitals. Now their numbers increased tenfold. At the same time, life of at least 2/3 of Russians is still at levels of just physical survival.

3. By changing immigration laws, Putin opened borders for millions of non-white immigrants. Many non-native societies were formed in Russian cities. They are terrorizing local indigenous population with help from Putin`s protégés, who hold all of the key positions in administrations and law-enforcing structures. All protests are stamped by illegal arrests and non-lawful court decisions.

4. Putin de-facto acknowledged an independence of Chechnya and the fact, that 500 thousands of ethnic Russians were cleansed from this region, and also gave amnesty for all bandits and terrorists, who fought against Russia. Some of the terrorists even received the “Hero of Russia” award, the highest award in Russia. Russian refugees from Chechnya didn`t receive any help, although ethnic Chechnen “victims of the war” received and continue to receive tens of thousands of dollars per person.

5. Putin systematically destroys Russian culture by giving control over all leading cultural, educational and media resources to non-Russians or to perverts. Medias systematically destroy traditional morale, discredit Russian history, defile Russian language and substitute cultural examples of Russian classics by low-quality filth. Higher education almost fully turned to be commercial and can only be afforded by a rich minority of the Russian citizens. School education is almost destroyed. In last years, those who leave schools lack even some elementary knowledge.

## II. Putin is an enemy of Russian society

1. Putin threw a hurricane of repressions toward Russian social and political organizations: prohibition of books and closing of Russian newspapers turned to be a usual practice. ~ 300 of political prisoners are jailed for their political activities in Russian organizations.
2. Putin destroyed the only patriotic party, “Rodina” (“Homeland”), that entered Russian parliament in 2003. By using non-lawful court decisions, he prohibited this party to participate in regional elections in 2005-2006, and than “Rodina” was destroyed because of the inspired internal coup`d`etat.
3. Putin didn`t let any patriotic organization, concerned with the “Russian question”, to participate in 2007 parliament elections.
4. Putin constantly visits social rallies of the Tatars, Jews, different diasporas of the Asian nations, but he never participated in any such event of Russian organizations.
5. Putin openly supports warm relations with Hasid’s leader Berl Lazar. Mosques start to rise in core Russian cities.
6. Putin created totalitarian party of Russian bureaucrats – the “United Russia”, and leaded her to parliament elections in 2007, thus breaking the non-party status of a Russian president. This party is ultra-liberal in her core and serves in interests of oligarch groups, that grabbed all of the Russian national riches.

### III. Putin is an enemy of Russian state.

1. Putin finally destroyed Russian armed forces ability to defend Russia. Leading military academies were closed. Space military-oriented know-how are selling out, space station “Mir” was sunk in the ocean. Under Putin`s rule, numbers of police forces, dedicated to quell all national-oriented opposition, are twice larger as numbers of army soldiers and at least 3-4 times larger, than number of police (per capita) in the Stalin`s USSR in 1930s. Naval Russian forces were radically shrunk, leading military industries and science were destroyed. Putin send a lot of Russian soldiers and officers, who fought against Chechen terrorists, to jail in order to pay new Chechen leader Ramzan Kadyrov for an illusion of his loyalty.
2. Putin created strong top-to-down corruption system. Highest ministers and bureaucrats combine their “state service” with “working” in a huge oil and gas

export companies, where they receive moneys equal to their official salaries for hundreds of years.

3. Russian law-enforcing system totally degraded and turned into a kind of an organized crime. Criminal activities are common for the special forces (who sell military secrets and fully control all major activities in a foreign trade), courts (who follow orders from the corrupted officials), militia (who takes bribes from citizens at every step), prosecutors (who don't try to fight with corruption).

4. Putin, with his own decision, gave 200 square kilometers of Russian territory to China, without any needs and lawful reasons for this.

Several of the companies chosen to remake Sochi for the Olympics are owned or co-owned by Arkady Rotenberg, a childhood friend of Putin. News reports and Russian watchdogs say Rotenberg's Sochi contracts alone are worth more than \$7 billion, which rivals the entire cost for the 2010 Vancouver Winter Games.

j !Sochi Mayor Says Olympic Concerns Are Unfounded

Arkady Rotenberg, the boyhood friend and former judo partner of black-belt President Vladimir Putin, already is collecting his winnings from what promises to be the most expensive Winter Olympics ever next year.

Rotenberg's companies have been awarded at least 227 billion rubles (\$7.4 billion) of contracts for the 2014 Sochi Games, according to figures compiled from corporate and government filings. That's more than the entire budget for the 2010 Vancouver Olympics, though it represents just 15 percent of Russia's latest estimate for the Sochi event.

Those contracts, which number at least 21, include a share of an \$8.3 billion transport link between Sochi and ski resorts in the neighboring Caucasus Mountains, a \$2.1 billion highway along Sochi's Black Sea coast, a \$387 million

media center, and a \$133 million stretch of venue-linking tarmac that will double as Russia's first Formula One track.

"This is a monumental waste of public money," Stefan Szymanski, a sports economist at the University of Michigan who tracks Olympic spending, said by phone from Ann Arbor. "A small number of people at the top have control of resources and there is no accountability."

### \$50 Billion

Rotenberg, 61, is among a handful of men Putin has known since childhood or from his days in the KGB or St. Petersburg government who've amassed riches and power during his 13-year rule. Their fortunes have come at times at the expense of men who flourished under his predecessor, Boris Yeltsin, and the consequences of the differing wealth pedigrees are on display in Putin's \$50 billion push to prepare Russia for its first Winter Games. The country is considered the most corrupt of the Group of 20 economies by Berlin-based Transparency International.

While Rotenberg and longtime Putin associates such as Gennady Timchenko, co-founder of oil trader Gunvor, and OAO Russian Railways Chief Executive Officer Vladimir Yakunin, stand to gain from Russia's Olympian largesse, Yeltsin-era tycoons led by Vladimir Potanin and Oleg Deripaska say they're getting squeezed.

Potanin and Deripaska, the CEOs and largest owners of OAO GMK Norilsk Nickel (GMKN) and United Co. Rusal, respectively the world's largest producers of nickel and aluminum, have been handed projects that may not turn a profit for years, if ever. Potanin is spending \$2.2 billion on the resort where most of the skiing events will take place, while Deripaska is putting \$1.5 billion into revamping the local airport and constructing a port and one of two Olympic Villages to house athletes and officials.

### 'Commercially Useless'

Rosa Khutor, Potanin's facility, has missed 14 billion rubles of interest payments on loans from state development bank VEB because it's been closed to tourists for parts of three peak seasons for test competitions, Sergei Bachin, the head of the project, said in an interview in Moscow on March 12.

The resort, serviced by state-of-the-art ski lifts from Doppelmayr of Austria, was all but deserted on a sunny March 7 because the slopes were cleared for a para-alpine World Cup championship. Rosa Khutor will need to spend another \$130 million after the Olympics to convert the facility into a fully commercial operation, Bachin said.

“A lot has been built for the Olympics that is commercially useless before the games and after,” Potanin said last month during a tour of his project with Putin and Jacques Rogge, president of the International Olympic Committee. “The money has been spent and interest is accumulating.”

#### Basic Element

The \$200 million port Deripaska’s Basic Element constructed to dispatch Olympic building materials is handling as little as one-fifth of the planned volumes because freight traffic has been redirected to railways and roads, making the venture unprofitable, according to the company.

“If investors don’t get any return or government support and in effect lose a large part of the funds they’ve invested in the Olympics, it won’t have a positive impact on our investment climate,” Basic Element Deputy General Director Andrey Elinson said during a March 12 interview in Moscow.

Olympstroy, the state company overseeing Sochi’s transformation, declined to detail the costs of its individual projects. Olympstroy has had four general directors in six years.

The bulk of Rotenberg’s Olympic contracts are held by OAO Mostotrest (MSTT), a Moscow-based company set up under Josef Stalin in 1930 to build bridges across the Soviet Union, according to its website. Rotenberg and partners, including his son Igor, gained control of Mostotrest in 2010, just before the company raised \$388 million in an initial public offering.

#### Putin Link

Rotenberg’s aide said he was unable to comment on his work on the Olympics. Officials at Mostotrest didn’t respond to requests for comment by e-mail and phone, nor did Stroygazmontazh, another Rotenberg company with state contracts.

Rotenberg told the Financial Times in an interview published in November that while he values Putin's friendship, he'd never abuse it for personal gain.

"I have great respect for this person and I consider that this is a person sent to our country from God," the newspaper cited Rotenberg as saying about Putin.

Dmitry Peskov, Putin's spokesman, said Rotenberg's success is unrelated to his ties with Putin.

"No friendship can grant you access to Olympics projects, which are very difficult to get because they're hard to implement and aren't as profitable as many other construction contracts," Peskov said by phone on March 15.

### Gazprom Pipelines

Rotenberg gained his fortune by selling pipes and building pipelines for state-run OAO Gazprom (GAZP), the world's largest gas producer. Stroygazmontazh, which Rotenberg owns with his brother Boris, built a gas link to boost supplies to Sochi for 32.6 billion rubles, five times more than first budgeted, according to Olympstroy and government data.

The Rotenberg brothers are now worth \$2.97 billion each, more than all but 35 Russians, Moscow-based CEO magazine estimated last month. That's up from \$1.75 billion each in 2011.

The controlling stake in Mostotrest (MSTT) that the Rotenbergs held via their 68.5 percent interest in Cyprus-based Marc O'Polo Investments Ltd. declined to 38.6 percent after the IPO, according to the company.

Mostotrest "somewhat disappoints investors with its annual performance forecasts," said Elena Sakhnova of Moscow-based VTB Capital. Even so, Sakhnova is one of 12 analysts with a "buy" rating on the company's stock, according to data compiled by Bloomberg. "Mostotrest gets very good contracts, not without Rotenberg's help," she said.

### Shares Rise

Mostotrest shares closed up 0.1 percent at 136.83 rubles in Moscow, after gaining as much as 1.9 percent on the benchmark ruble-denominated Micex Index.

The largest single Olympic contract for the \$8.3 billion rail-highway link went to state-run Russian Railways, which then hired Mostotrest and a company now part-owned by Putin ally Timchenko, SK MOST, among other contractors. Russian Railways' pension fund owns 25 percent of Mostotrest.

Putin, 60, has fought to host global events to raise Russia's international profile and boost growth through state and privately funded infrastructure projects, including last year's Asia-Pacific Economic Cooperation summit in Vladivostok.

The Audit Chamber, Russia's budget watchdog, last November said it found that about \$490 million of the \$20 billion Russia allocated for the APEC summit was "improperly spent." About \$506 million has been misspent in Sochi thus far, the watchdog said this month, declining to be more specific.

#### 'Rough Estimate'

Russia in September doubled its forecast for spending on the 2018 soccer World Cup to almost \$20 billion, a figure Sports Minister Vitaly Mutko called a "rough estimate," according to state news service RIA Novosti. Brazil's Sports Ministry last year said it planned to spend 30 billion reais (\$15.1 billion) on projects linked to its staging of the 2014 World Cup.

Putin, who has repeatedly vowed to crack down on corruption, last month fired the vice president of the Russian Olympic Committee, Akhmed Bilalov, saying his brother's company, which had the contract for the ski-jumping complex, was over budget by a factor of seven and behind schedule.

"The main issue is to be sure nobody steals anything," Putin said Feb. 6 before the announcement of Bilalov's dismissal.

Three days earlier, Rotenberg's Mostotrest said it would seek to sell its Engtransstroy unit, which has at least four unfinished Olympics contracts, including the Formula One track.

#### Road Contracts

Bilalov, who has since left Russia, started having trouble in 2011, when organizers told him to spend what would amount to \$200 million on roads and other works that weren't in the contract once held by his family's company, according to his representative in Moscow. Bilalov denies costs jumped sevenfold, saying they

only increased 60 percent, according to the representative, who asked not to be identified because of the sensitivity of the matter.

Police have announced one major case of financial fraud related to the Olympics. That was last August, when the Interior Ministry put out a brief statement saying investigators had foiled a plot to embezzle 8 billion rubles. No details were provided. The ministry and the Prosecutor General's Office in Moscow didn't respond to requests for comment on corruption in Sochi.

"The cost overruns are due to corruption, the clan system and a lack of competition," said Sochi native Boris Nemtsov, a deputy prime minister under Yeltsin and a political opposition leader who tracks government spending. "All the main contractors in the Olympics are people close to Putin."

### Cost Overruns

Sochi Mayor Anatoly Pakhomov, who defeated Nemtsov in his 2009 election with 77 percent of the vote versus 14 percent, said spending concerns are unfounded because any "wrongdoing" is quickly discovered and halted by authorities.

"Some people have latched onto the rising costs, but that can happen because of unforeseen circumstances," Pakhomov said in an interview in his office March 6. "There won't be any witch hunts after the Olympics."

Money wasn't an issue later that night at the Blue Sea, a trendy Sochi eatery where vintage Louis Roederer Cristal Rose champagne goes for \$1,600 a bottle and a basic crab dish can set you back \$300. The seafront restaurant was packed with well-coiffed women laden with furs and gems, a reflection of the extravagance transforming this former Soviet city of 343,000. Outside, trucks full of materials continued to inch toward their Olympic destinations, spreading clouds of dust.

For Gurban Babayev, though, there's nothing to celebrate. Babayev, who operates a small fleet of motorized cranes, says he's been chasing Olympics subcontractors for \$65,000 in unpaid bills for more than a year, including \$6,500 from a unit of Rotenberg's Mostotrest.

Even with a court ruling, seen by Bloomberg, ordering one of the subcontractors to pay up, Babayev said he still can't find anyone in authority to help him collect.

“You can’t go against a presidential project,” Babayev said. “This is so bitter for my soul. I earned this money with my blood.”

Russia's Putin Says Parts of Europe Have Lost 'Vaccine' for Nazism

Supporters of the Ukrainian far-right nationalist group Right Sector sing the national anthem during a rally against the laws to provide separatist-held regions with a special status near the parliament in Kiev, September 17, 2014.

President Vladimir Putin has expressed concerns about what he described as the rise of neo-Nazism in Europe, telling a Serbian publication that it was Russia's duty to oppose fascism.

Putin's comments, made to Serbia's Politics magazine, came shortly before the Russian president was set to arrive in Belgrade to take part in events to commemorate the 70th anniversary of the city's liberation from Nazi Germany on Thursday.

"Unfortunately, the 'vaccine' for the Nazi virus that was developed at the [post-war] Nuremberg trials has lost its power in certain countries of Europe. A clear example of this is the open manifestations of neo-Nazism that has become commonplace in Latvia and other Baltic countries," Putin was cited as saying in the interview by RIA Novosti.

"The situation in Ukraine provokes particular concern in this regard; the anti-constitutional rebellion that took place in February was driven by nationalist forces and other radical groups," Putin added.

Although the interview with Politics not set to be published until Thursday, Russia's state-run RIA Novosti offered some tidbits of Putin's comments in advance.

"It is our duty today to oppose the glorification of Nazism," Putin said. "To firmly resist attempts to change the outcome of World War II. To consistently combat all forms and manifestations of racism, xenophobia, aggressive nationalism and chauvinism."

Belgrade will be holding its first military parade in nearly 30 years on Thursday, to be attended by Putin.

Putin's visit has already sparked criticism from the West, with U.S. Ambassador to Serbia Michael Kirby saying the Russian president's visit was untimely.

"You can have good relations with Russia and China, and with the U.S. But our view of visits by Chinese and Russian officials differs. The Chinese have not attacked anyone, but the Russians have," Kirby said in recent comments to Belgrade's Vecernje Novosti newspaper.

Kirby was apparently referring to ongoing events in Ukraine, where the West believes pro-Russian separatists have been receiving Kremlin backing to fight Ukrainian troops.

## Jews Created Communist China

Communism in China was created by the Jews of the West working with the Jews within Asian. A well known Communist Agent in Manchuria was Abrams an Asian Jew. Today the Jews still run China the higher you go to the top of the Communist Party the more Asian Jewish name appear till its all Jewish. Like in the Soviet Union. Today the International Jews have purposely built up Red China into an economic and military power. Like their Soviet Union for the same reason in the end to extend Communism by military conquest. We might have Red Chinese and North Korean troops our soil at some point. Red Chinese troops have been taking part in military training exercises o European soil with Russian forces of late. For the invasion of European nations:

[beforeitsnews.com/war-and-conflict/2013/09/russia-china-hold-large-scale-war-games-2449002.html?](http://beforeitsnews.com/war-and-conflict/2013/09/russia-china-hold-large-scale-war-games-2449002.html)

See article: Russia is still under Jewish control and Putin is Jewish.

1949: On October 1, Mao Tse Tsung declares the founding of the People's Republic Of China in Tiananmen Square, Beijing. He is funded by Rothschild created Communism in Russia and also the following Rothschild agents: Solomon Adler, a former United States Treasury official who was a Soviet Spy; Israel Epstein, the son of a Jewish Bolshevik imprisoned by the Tsar in Russia for trying to forment a revolution there; and Frank Coe, a leading official of the Rothschild owned IMF.

Mao would genocide 70 million innocent Chinese people under his rule mainly to destroy traditional Chinese culture. Like with Christianity any practioners of spiritual systems where outlawed, killed and put into gulags which was a slow death. And Communistic systems where the new culture of control. With China under their flag Tibet was next on the list as being the last bastion of spiritual knowledge and histories of humanity. All the Jewish systems seek to remove spiritual knowledge from Gentiles and keep it in the hands of the Jewish elite. This is a major part of their domestication program:

<http://groups.yahoo.com/group/JoSNewsletter/message/170>

A century and more before the Rothschild's and the Solomon Brothers used their control of England and its control of India to run the Opium trade into China

killing tens of thousands and wrecking entire communities to the point the Chinese fought the Opium wars to try and throw the Jewish dealers out.

Chinese Jews:

"A Jesuit missionary, going upon some occasion into the province of Honan, found a considerable Synagogue in the city of Kaifengfu. He soon became acquainted with some of its learned chiefs, who introduced him into their Synagogue and showed him one of the Parchments or rolls of the Pentateuch written in Hebrew, together with the books of Joshua, Judges, Samuel, Kings, some of the prophets, and others containing their liturgy and commentaries they owned. They had lost some of the sacred books and some of their targums or paraphrases. This loss was caused by a violent overflowing of the great river, which had laid the capital wholly under the water and had damaged their Torah, or roll of the Pentateuch, and upon which they ordered twelve new copies to be taken from it....."

My elder brother -- I am not yet forty years old, but I have thought and talked much with my friends about our ancestors, who were rich and numerous and who worshiped in a fine synagogue, built on the land presented to them by the Emperor Tai-tsti. This synagogue, you know, has been swept away by 'China's Sorrow' [the Yellow River]. Our ancestors came to this land from the northwest nearly three thousand years ago...."

HE CHINESE JEWS

By, Oliver Bainbridge

CHINESE COMMUNISM?

YES, but it was JEWISH when it started. [My note it still is].

The following article by Arnold Leese is reprinted from Gothic Ripples, No. 49, dated 28th February, 1949. It shows that the seeds of Bolshevism were planted in China by Jews, who also tended and trained the growth that resulted. The corruption of the regime of Chiang Kai-Shek caused many of the masses in China

to turn to Communism for relief, since Chinese Communism is mixed with Nationalism and discourages the old Chinese curse of official corruption; but Communism in China has the same de-humanising effect on the people as it has elsewhere.

#### THE JEWISH ROTTING OF CHINA.

It was the Sassoon family which turned the normal Chinese dislike and distrust of foreigners into hatred. David Sassoon made the Opium Trade in China from 1832 until he died in 1864. His family carried on the Trade under our Flag and made huge fortunes. The British took the blame, and now the Chinese loathe us; just as we took the blame for the Jewish atrocities at Nurem-berg, Spandau and elsewhere in Germany, so that the Germans now hate us.

Backed by the Sassoons, the Shanghai Opium Monopoly existed until 1917 under the Jew Edward Ezra, its Managing Com-mittee being composed entirely of Jews and Indians. Not only did the British Flag protect the Sassoons in this abominable trade which the Manchus did all they could to prevent, even to the extent of war, but also these Jews were welcomed in England instead of being ostracised. Royalty petted them and they intermarried with Aryan aristocrats. Some became Baronets and one a Minister of the Government.

When the Freemason, Sun Yat-Sen, began his revolutionary movement at Canton, the Jew Morris Cohen, a British subject, be-came his aide-de-camp and was sent by Sun around the globe to get military experts for his revolutionary army. On Sun Yat-Sen's death bed this Jew was commended to Chiang Kai-Shek and he was employed as liaison officer between the Canton Government and all foreign Consulates-General. Cohen became known in China as Moi-Sha, and was made Military Counsellor to the Cantonese Forces, and a General, although still a British subject.

As late as 1939, Cohen was travelling the high seas under the protection of our Flag. The last we heard of him was late in 1945 when he emerged from a Japanese prisoner-of-war camp. The South African Sunday Express described him as "the guiding genius behind the War-Lords of China".

The Soviet Jew, Jacob Borodin (real name M. Grusenberg) was sent by the Kremlin with the Jew Joffe, in 1923, to try and bolshevise Sun Yat-Sen and became Chief Political Adviser to the Kuomintang. His wife, a Jewess, spied in China for the

Soviets. When Sun died, Borodin was left in charge and it was he who appointed Chiang Kai-Shek to succeed Sun in 1926. However, in 1927 a raid was made by Chang Tso-Ling on the Soviet Embassy at Peking, which revealed the scope and extent of the Soviet plot to bolshevise China, and the Borodins were arrested and imprisoned.

In 1923 the notorious Jew, Trebitsch Lincoln, ex-M.P. in Britain, headed a Chinese mission to get arms for Wu Pei Fu, a War-Lord with a fine character, but failed, probably purposely, in the attempt. After that, Lincoln drifted about, too mistrusted in China for any other important role.

The Soviet General, B. K. Galen, who was really a Jew called Chesin, and was nicknamed Blucher, accompanied the "Armenian" Soviet Delegate Karachan to Peking in 1924 where a treaty was made with Chang Tso-Ling by which the Chinese Eastern Railway was handed over to the Soviets. This placed the movement of troops at the mercy of the Bolsheviks. The intrigues and bribery by which this surrender by Chang Tso-Ling was obtained were carried out through the medium of a Jewish timber magnate called S. Skidelski. At once, the Railway was placed in charge of the Jews Gekker, Koslowsky and Snamensky (Zamyensky). To continue with the career of General "Galen", he became Chief Military Adviser to Chiang Kai-Shek in 1926.

Now for the Soviet Jew S. A. Gekker: As early as 1922; he has been Military Adviser to the Mongolian Bolshevik Government, and in 1924 he was made Head Political Commissar on the Chinese Eastern Railway aforesaid. This appointment was at the hands of the Jew, M. D. Lashewitz, who was President of the Board of Railway Control in Moscow.

Nor must the Jew, A. Joffe, be forgotten. We have already met him as head of the Soviet Mission to Sun Yat-Sen, when, with the Jew, Jacob Borodin, he tried to develop Sovietism. Later he became Political Adviser to Chiang Kai-Shek in 1926 and organised the Red Section of the Kuomintang.

High up in the Political Department of the Red Army in China were also the two Jews, W. N. Levitshev and J. B. Gamarnik, who in 1936 was its head.

The Nanking Ministry of Finance has always been dominated by Jews, viz: Kann, L. Rajchman and R. Haas. In England, the Jew Billmeir helped, with his merchant fleet, to take Soviet arms to China in 1938.

Finally, the Jew Ben Kizer (U.S.A.) was appointed head of Unrra in China, and as everyone knows, it fell to pieces in corruption.

Enough has been said to prove that every real key-position in the process of the Bolshevik destruction of China has been Jewish.

## Communism in China

I wrote about before how Rothschild agents funded and direct Mao. Along with Asian Jews first spreading Communism through Manchuria. etc

"Grigori Voitinsky, a Soviet agent and a Jew, was sent to China to help set up a communist party there and was a key player in the founding of the CCP (Chinese communist party). Another Jew, named Adolph Joffe, as the Soviet ambassador to China, was a key player in providing aid to both the Kuomintang (Chinese Nationalist Party) and the Chinese communists. The Soviets backed both parties, hoping for a Kuomintang/CCP alliance. The Soviet Union was, of course, built and staffed by Jews under the part-Jew, Lenin. Later, two more Jews who worked in the U.S. Treasury Department, Solomon Adler and Harry Dexter White, deliberately engineered Chiang Kai-shek's downfall by sabotaging the Chinese currency, paving the way for Mao and communism."

## Communist inquisition: torture of spiritual practitioners

Below is the article from the JoS book Black Sun 666, Inquisition is NOT over.

I recently went on vacation to the west coast. When visiting Chinatown, an elderly Chinese woman approached my mother and me on the street corner with some newspapers. The newspapers contained accounts of mass murder, torture and other heinous crimes against humanity committed and ongoing by the Chinese communists. I informed her that myself and others were aware and were working against this monster. She bowed to me and hugged my mother.

Upon reading the paper, the theme was of how the communists are persecuting practitioners of Falun Gong.

<http://www.faluninfo.net/>

Falun Gong is somewhat like Chi Kung. Practice of Falun Gong, like Tai Chi and the internal martial arts transforms the soul and amplifies the chi/witchpower, which is a threat to Jewish control. Unbeknownst to most people, Christianity is a preparation for and a stepping off point to communism. Many are deluded as to the root of communism, which is the International Jew. Normally, there are the Gentile front men and the controlling and advising Jews working behind the scenes who have full control.

People are deluded and blame the Russians, the Chinese and others who have been victims of this program, but the root is the Jews who believe they are entitled to be "God." In truth, YHVH is the Jewish people. Few understand how this all works as the Jews who are behind this are highly intelligent and masters at lying and deception. Most people here know about and work with energy and magick [the occult.] Remove all of this knowledge, as the Jews have done, via their tool of Christianity and the masses are helpless against it. Curses thrown, workings for incredible wealth and such face no confrontation or competition. With the removal of all spiritual knowledge, the Gentiles are disarmed and at the mercy of the ruling Jews. The sad fact is many have been paying out the ass both spiritually and financially for their own damnation via the odious program of Christianity.

Quote from the Talmud:

Nidrasch Talpioth, p. 225-L: "Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non -Jew is consequently an animal in human form, and condemned to serve the Jew day and night."

Like communism, where the leaders such as the late Chairman Mao Tse-Tung, Vladimir Lenin, Joseph Stalin and others become idols to worship- enforced worship; the Judeo/Christian Bible has stolen the spiritual concepts and the identities of Gentile Gods and replaced them with imposter Jewish characters for Gentiles to slavishly worship, this is no different from the program of communism, which has its foundation and basis in the Nazarene's "Sermon on the Mount" and all of his other teachings and parables. All of this has powerful subliminal impact.

In addition, the Judeo/Christian Bible has been infused with much occult power both from the enemy Jews and from centuries of millions upon millions of deluded Christians putting their psychic energy into this monster.

Any true spirituality and truth is a most serious threat to the ruling Jews who have secretly kept and used occult power for centuries to curse Gentiles, and seize all of the wealth and power of the world.

Quote from the Talmud:

Seph. Jp., 92, 1: "God has given the Jews power over the possessions and blood of all nations."

To add to the delusion and confusion concerning Jewish communism, Christianity, unbeknownst to most of the world, has been working in collusion with, to promote and advance communism, which the end result is the total removal of all spirituality, personal liberties and like the Christian Church- control through ignorance, fear and torture. All of these Jewish programs come under the pretext of brotherhood and humanity. Nothing could be further from the truth. Jewish college professors and their ilk drum the virtues of communism into the heads of students, along with other lies to deceive in order to gain control. Mention of this, I heard was included in the book "Harvard Hates America."

To further delude people in regards to Christianity and communism, Christians forever whine how they are "persecuted" at the hands of the communists. This is just for show. They have you both ways. Communism falls and then their

supposed nemesis [who has been and is their bulwark and ally) the Christian Church then again infests the country, pretending to be their

enemy and people are back at square one, screwed either way. This is and has been happening in Russia, after the fall of communism, the Christians are back with their program again, preparing people and keeping them ignorant to be as slaves. Any idiot can see plainly, THERE IS NOTHING WHATSOEVER SPIRITUAL ABOUT CHRISTIANITY OR ITS COHORT PROGRAMS!!!!

Christianity is nothing but a Jewish tool to remove all spiritual knowledge, indoctrinate people to be slaves [rebellion is of Satan, thus "evil") and prepare them to work for and enjoy their sufferings and abuses and live for their deaths at the hands of the ruling Jews. Wealth and power are no-no's, as all wealth belongs to the Jews. The Jews are the ones who run the "state" in communist countries, and own all of the property, while the populace live lower than animals and in constant fear.

That pedophile criminal Catholic Pope [the latest one) publicly visited a Jewish synagogue on his recent trip to the USA. As Adolf Hitler wrote in Mein Kampf, when the Jews feel confident they are close to their goal, "they drop the cloak" meaning- they no longer maintain the secrecy that both were and are working together all along.

Further delusions include how the Jews forever whine about that phony "holocaust" whenever there is REAL persecution of Gentiles, to deceive the masses into believing they are victims, same as the Gentiles, and to take the heat off and divert the blame onto others, when in truth, the Jews themselves are behind and always have been behind these crimes against humanity.

Proof the so-called "Holocaust" is a HOAX!

<http://www.onethirdoftheholocaust.com/>

Most people can't see past the delusion and think it is the Gentile Chinese, Russians, Bulgarians, etc., who are responsible for and desire communism. The International Jew is in all races and cultures. The invasion of Tibet, is for the purpose of destroying spiritual knowledge [Tibet has been isolated from Christian infestation, due to its geographic location in the treacherous Himalayan

Mountains and its being closed to outsiders) and to murder and torture spiritual leaders who have this knowledge.

The same methods used by the Inquisition, are used by the communists upon those who are suspected or have been found guilty of any spiritual practices. Here are a few excerpts from the Falun Gong newspaper I mentioned above:

*"Electric shock clubs used on sensitive body parts such as the genitals, breasts, mouth, head, and anus."*

*"Twenty- seven year old Ms. Chen Hui and thirty year old Ms. Sun Yan were also tied up in a spread-eagle position as torturers repeatedly thrust long rods into their vaginas as blood ran down their legs. Other objects included toilet and shoe brushes. Other accounts included practitioners being tortured with cattle prods, while being iced with cold water to intensify the pain of the shocks. One woman who was a high profile Falun Gong practitioner had her trachea ripped right out of her throat with no anesthesia in order to make her an example to others who would speak out against these atrocities. She died a slow and painful death."*

A photo of a Falun Gong Master before he died revealed beatings and systematic starvation- he was severely emaciated before he died of being beaten to death. The torture methods used upon practitioners are very similar to the Inquisition.

<http://www.faluninfo.net/torturemethods2/>

As the International Jew is always looking to exploit misery and to make a profit- never mind how, the organs of these victims are being sold. As we all know, the Jews have full control over and run the medical professions world wide.

PEOPLE NEED TO WAKE UP TO THE TRUTH:

It is not the "Chinese" the "Russians" the "Cubans" etc., who are behind communism, but the international Jew! The entire Judeo-Christian bible is a blueprint for communism. It is a stepping off point and prepares believers for Jewish world domination and control via communism.

Christianity and communism are \*not\* enemies. Both have been working Secretly for centuries to make communism a reality in a one-world slave State, where all spirituality will be removed, and the jews who are "jehova" Will be as gods, with the gentiles as their slaves. Persecutions of

Christians are just to put on a show to fool and delude the masses. While the Chinese communists claim to persecute any religious activity: According to the Chinese Amity Printing Company to date, the company has produced 41 million bibles for distribution in China and 9 million bibles for overseas distribution.....

Printing of the 50 millionth Bible to be celebrated

<http://www.amityfoundation.org/wordpress/?p=133>

They promote the Bible ,yet they outlaw, destroy, and burn Falun Gong Books and torture to death practitioners.

Quote from the Talmud:

Nidrasch Talpioth, p. 225-L: "Jehovah created the non-Jew in

human form so that the Jew would not have to be served by beasts. The non- Jew is consequently an animal in human form, and condemned to serve the Jew day and night."

3. Jewish programs come under the guise of brotherhood, equality and humanity. The Jewish controlled media and educational systems continuously work to enforce this lie.

## 'Made in China' Where have all of your jobs gone?

Most of us here know the purpose of the judeo/xian bible is for indoctrinating believers into slavery and total servitude. All of the suicidal advice, the anti-nature, anti-life, perverted filth, which glorifies the jewish masters and the jewish messiah- that filthy nazarene, has been force fed and coerced onto our people for centuries, under threat of torture and death- no different from communism.

SATAN/LUCIFER OUR GOD IS THE CHIEF REBEL, REBELLION IS OF SATAN.

So of course, the enemy preaches rebellion as the most evil of the so-called 'sins.'

Look around you- your electronics, your cookware, all sorts of things, they all have a certain thing in common...they were made in China. Unbeknownst to most western peoples, this massive amount of items, which is also growing every day, not only deprives our people of jobs, but it is manufactured under the most heinous conditions of forced slave labor, including brutal child labor.

Quote from the jewish talmud:

Nidrasch Talpioth, p. 225-L: "Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night."

All major companies are either owned and/or operated by jews. This is a fact. The jews do not care [as most of you know] HOW they make their money. They profit from illnesses, ruining the health, both physical and psychological of millions, so more are dependent upon their exorbitant medical fees just to stay alive, and that is just one.

Cheap slave labor under horrendous conditions has always been a major jewish profession. Being as cheap as they are, they refuse to pay even low wages [minimum wage], in western countries that have some laws, when they can viciously exploit workers in certain other countries with slave labor, paying them nothing in many cases to only ten cents a day and a bowl of rice. The goods are then marked up when they hit the western markets at one-thousand percent or in many cases, much more.

They win...you lose. Look at the present economy. Finding it difficult to secure a decent job? Where have all of the jobs gone? Take a guess...

Several years ago, as I already wrote about before, I visited San Francisco Chinatown. A young Chinese woman was standing on a street corner there distributing newspapers that contained articles revealing the severe persecution and murder of Falun Gong practitioners, of which the communist system regards as witchcraft. This paper also revealed how the slave labor system works in China.

The workers get nothing. They are forced to work by day on collective farms-back-breaking manual labor. In addition, they are then forced to put in so many additional hours in a factory, making items that China exports en masse. In summary, millions are being worked to their death, children included. As for how the communist system in China views children, watch this video:

<http://www.youtube.com/watch?v=UqVYUzHc5L8>

It has been further revealed that China shipped products to the USA for one, intended for toddlers and infants that contained lead. What else are they shipping? Look at your cookware...made in China? Pots, pans, dinner plates, cups, saucers, spoons, forks...even some of the food we eat is imported from China.

China Factories, Brutal Conditions Described

<http://www.youtube.com/watch?v=yQPrbwWWUD4&feature=related>

I heard this one from a third source- One owner of a smaller company [more than likely a Gentile], was invited to China to establish a business deal where goods would be made in factories as explained above. Upon his touring, he then declined to do any business with the Chinese, after seeing the ultra-low standards under which the majority of Chinese people were living. He was shocked and compared this to serfs in the Dark Ages. They get nothing for their efforts and lives. The jew is the one who profits.

Make no mistake. The jew is within every race. I once read where some European white jews visited China years ago. When the European jews arrived at the Chinese synagogue, the European jews said to the Chinese jews

'You do not look like jews.' The Chinese jews replied to them 'You do not look like jews either.'

Take a look at how most of what is sold in western stores is manufactured:

Note what Mr. 'Sachs' VERY jewish, has to say- that there aren't ENOUGH of these sweatshops:

<http://www.youtube.com/watch?v=kn8LnEkKfIU&feature=related>

iPHONE FACTORY SUICIDES! [The kikes then try to make it look like they are doing something only to get the bad press of of their backs so there will be business as usual- thoroughly disgusting]:

[http://www.youtube.com/watch?v=ddU8rV7\\_Qis&feature=related](http://www.youtube.com/watch?v=ddU8rV7_Qis&feature=related)

Wal-Mart Christmas Sweat Shops

<http://www.youtube.com/watch?v=ysZroBqHNbo>

Who Made Your Shirt? Child Labor in China

<http://www.youtube.com/watch?v=K2KCYsmWFP8&feature=related>

Look at how these poor people are dressed- all wearing coats- iot is obvious the jew is even too cheap to provide heat in these slave-shops in the dead of winter...

Made in China

<http://www.youtube.com/watch?v=MvBI05OR264&feature=related>

It is glaringly obvious that the economy is fucked. It will only get worse. We Gentiles pay for this, like everything else the jew does. They make us all pay for our own damnation.

## Total slavery

I know this is extremely long, but I strongly encourage everyone to fully read this. Know what is really going on. Jews are behind all of this and responsible for it. Look to the top – the owners and the operators of these factories and corporations, who they are and what they are and with a bit of research, they are all kikes.

Not too many people are fully aware of the extent of the Jewish operated world slave trade. Not only is this destroying countless lives, but is destroying and polluting the environment to where it will affect everyone on this planet. The Jews, being as cheap as they are do not properly dispose of toxic waste, as this involves putting out a bit more money and also more jobs, even though slave labor is extremely cheap, the Jew looks at the pennies he can save.

Quote from the Jewish Talmud:

Nidrasch Talpioth, p. 225-L: "Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night."

Over the years, there have been a few posts here and there in the JoS e-groups, questioning the validity of these quotes. Given the following facts and plenty more, in addition to the biblical Old Testament, it is glaringly apparent that these Talmudic quotes are legitimate, though many Jews will deny them. The Talmud is a collection of many volumes, almost an encyclopedia, written in Hebrew so that few if any Gentiles can read what is therein. Over the centuries, a few Gentiles with knowledge of Hebrew came forward and revealed this work of trash to the world.

Schulchan Aruch, Choszen Hamispat 348: "All property of other nations belongs to the Jewish nation, which, consequently, is entitled to seize upon it without any scruples."

Seph. Jp., 92, 1: "God has given the Jews power over the possessions and blood of all nations."

"There were other refugees, including Kazhaks, and German, Austrian, and Hungarian Jews who founded a community in Shanghai."

'Down in Hong Kong, Moses Tsang, a partner at Goldman Sachs, was preparing his company to dominate the financing of China's future.' [It doesn't take an IQ much above a total idiot to know "Moses" Tsang is a Chinese Jew and Goldman Sachs is a Jewish monopoly.

From "The China Dream" by Joe Studwell © 2002, 2003

"Mark Schwartz, [Jew – my note] one of Goldman Sachs' four vice chairmen, has been based in Beijing since his appointment in June as chairman of the Asia-Pacific region. He is the most senior executive Goldman Sachs has ever posted in the country. "

"Goldman Sachs wants to prioritize the building out of our China business," Schwartz said in his first interview since taking up his new position. "My return has sent a very powerful signal to the entire Goldman Sachs community of 33,000 professionals around the world that China is a very high priority for us."

"Meanwhile, Goldman Sachs expanded in Asia. Its workforce in Asia grew significantly and, in 2004, it teamed up with Chinese securities firm Gao Hua Securities to set up a joint venture in China."

The above is only one example. Nearly all major high-profile corporations are owned and/or run by Jews. Many people can just pass this off or put their minds and interests to other things, but eventually, what is being done, like I already wrote is going to affect everybody; more than just in the area of employment.

Now, here are some very relevant reasons why Satan advises us against consuming any foods imported from China. Again, it doesn't take much common sense to figure out how this affects the crops planted there, the fish and everything else. The extent of the affects of these toxic wastes obviously can generate a plague. The USA for one, has been exporting extremely large amounts of fresh water to China, as the water there is so polluted to the point where many are already dead by the thousands. Now, just how fit are the crops, fish and even meat that is subject to this water, then fed to humans and our pets?

"Years of Damage"

“One of China's biggest problems: wastewater. Factories and cities have discharged mostly untreated sewage and pollutants into the country's rivers and lakes—some 53.7 billion tons in 2006 alone, according to the World Bank. China's environmental regulators have designated 48 of China's major lakes as seriously polluted. One-fourth of the water sampled along China's two largest rivers—the Yangtze and Yellow—was found to be too polluted even for farm irrigation. And tap water isn't entirely safe, either, with Chinese authorities responding to 48 large-scale environmental emergencies last year. “Extensive water pollution of course impacts on water scarcity.”

<http://www.businessweek.com/stories/2009-04-15/china-faces-a-water-crisisbusinessweek-business-news-stock-market-and-financial-advice>

From the book, “China Shakes the World” by James Kynge © 2006, 2007:

“The problem started in the 1980’s when tens of thousands of small companies, including pulp and paper mills, chemical factories, and dyeing and tanning plants, sprang up along the river and began dumping their toxic waste into it. By the early 1990’s there were clear signs of distress. The water in many areas was unfit to drink, Cancer rates were twice the national average, and, according to one report, for years none of the boys from certain villages in the Huai River area were healthy enough to pass the physical examination required to enter the armed forces.”

“When local authorities were ordered by Beijing to resolve the problem, they released the polluted water that has been building up in the reservoirs and tanks, and in so doing, unleashed a tide of black liquid that killed almost everything it touched as it flowed downstream. Millions of fish died and thousands of people were treated for dysentery, diarrhea and vomiting.”

“Several hundred factories were indeed closed, but they opened up again almost as quickly. By 1998 and 1999, it was clear that the campaign was going to fail; reports of people dying from being exposed to the noxious gases and chemicals in roadside ditches were regularly reported in the newspapers, and in 1999 the Huai ran dry for the first time in twenty years, ruining crops and killing millions of fish.”  
 “It emerged that the waters of the Huai, far from being clean were so toxic that, by the governments own classification standards, they could not even be used for irrigation.”

“Streams and rivers are drying up all over the northern half of the country, and water tables are falling precipitously as wells, many of them illegally dug, are sunk ever deeper into the dwindling reserves of groundwater. Altogether some 400 out of 668 large Chinese cities are short of water, and the incidence of rationing is growing.” “The factories that multinational companies have set up have turned China into the workshop of the world but have also made it the rubbish tip of the world.”

Slave labor is also very prevalent in other countries in addition to just China. Sweatshops, with no ventilation, no heating during the winter [the jews who run these are too cheap], are actual prisons. Doors are bolted shut and locked down. Permission must be granted to use the restroom, there are no safety measures taken, hazards are everywhere and only recently, another fire killed hundreds in one of these factories in Bangladesh, as they were unable to escape. A moderate amount of research will reveal that all of these sweatshops and so-called “factories” are under the control of Jewish owned and operated corporations. The jews dictate the conditions. The manufactured goods are then exported to the USA, Canada and Europe and marked up, often to 1,000% or more of the original cost of the slave labor and materials.

From the book, “Take this Job and Ship It by Senator Byron L. Dorgan © 2006:

“In 2002, the Los Angeles Times reported: in one sever dust storm in the spring of 1998, particle pollution levels in Oregon, Washington, and British Columbia soared. In Seattle, air quality officials could not identify a local source of the pollution, but measurements showed that 75 percent of it came from China, researchers at the University of Washington found.”

“In April of 2005, police and villagers clashed in Zhejiang Province as citizens occupied an industrial complex blamed for crops ruined by polluted water supplies. In the village of Huaxi, toxins from manufactures were blamed for a withered cabbage crop. ‘It is rotten from the inside. It doesn’t grow,’ Li Xian, a local farmer said.”

“Our fields won’t produce grain anymore,” said a woman who lives near the Jingxin Pharmaceutical Plant. “We don’t dare to eat food grown from anywhere near here.” “Her husband added, ‘They are making poisonous chemicals for foreigners that the foreigners don’t dare produce in their own countries.’ “

“The Taiwan News reports, ‘Across China, entire rivers run foul or have dried up altogether. Nearly a third of the cities don’t treat their sewage, flushing it into waterways. In rural China, sooty air depresses crop yields.’ An old farmer, who rioted to protest pollution from chemical plants in one coastal village, told the Taiwan News, ‘We just had to do it. We can’t grow our vegetables here anymore. Young women are giving birth to stillborn babies.’”

“In Indonesia in 2004, police suspended operations at the American owned Newmont Minahasa Raya gold mine for dumping deadly heavy metal mine waste laden with Mercury and arsenic into Buyat Bay – two thousand tons daily. Locals reported health issues including nervous system disorders, lumps forming under the skin, and other skin ailments. The fish have fared far worse. The sea was filled with bloated corpses of fish near the pipe that discharged cyanide, among other waste, into the ocean. According to the National Newspaper, the fish had hemorrhaging in the liver, diaphragms broken, and eyeballs bulging from the socket.”

“Children are easy to control; Children don’t form labor unions.” The International Labor Union reported in 2005 that at least 12.3 million people work as slaves or in other forms of forced labor. Other estimates more than double that number. UNICEF reported in 2005 that one in twelve children in the world is forced into child labor.”

“Kevin Bales, antislavery activist and author of the book “Disposable People” says that in 1850, a slave would have cost the equivalent of \$40,000 in today’s dollars. Today, a slave working in the coffee or cocoa plantations on the Ivory Coast – some as young as nine – will set you back as little as \$30.00, Bales says.” “Work them until they drop.” “They are considered disposable.”

“A total of 27 child slaves between the ages of 5 and 12, released with the help of the Bonded Liberation Front, told the following story. The boys, on the promise of being taken to a film, went with the village barber, Shiv Kumar Thakur. They did not tell their parents, as the trip was going to be a secret. It is believed that the barber received 7,000 rupees – he was saving for a motorbike. The new child slaves were introduced to the intricacies of the trade by being locked up and beaten for the first few days. Requests for food were met with blows from iron rods and yardsticks and woundings by the sheers [sic] used in carpet making. Mistakes in weaving or slow work received the same treatment.

The boys' day began at 4 am., when Panna Lal poured cold water over them to wake them. They worked until their lunch break of a half an hour at 2 pm. According to Suraj, who was seven years old when he was rescued, they often worked until midnight and only then received their second inadequate meal of the day. They were all locked in at night. When these young boys cried, they were beaten with a stone wrapped in a cloth. The boys were never paid any wages. Suraj also said that they were branded with hot irons. He had bruises on his temple caused by a blow from a bamboo staff – punishment for a weaving mistake. Many of the children fell ill and were denied medical treatment. Despair caused seven of the boys to try to run away. They were caught, slung upside-down from trees and branded. If they cut their fingers [which happens often on the sharp cutting tools], the loom masters are known to shave match heads into the cut and set the sulphur on fire so that the blood will not stain the carpet."

#### "Worked to Death in a Toy Factory"

"On the night she died, Li Chunmei must have been exhausted. Coworkers said she had been on her feet for nearly 16 hours, running back and forth inside Bainan Toy Factory, carrying toy parts from machine to machine. When the quitting bell finally rung shortly after midnight, her young face was covered with sweat. This was the busy season before Christmas, when orders peaked from Japan and the U.S. for the factory's stuffed animals. Long hours were mandatory, and at least two months had passed since Li and the other workers had enjoyed a Sunday off. Lying in her bed that night, staring at the bunk above her, the slight 19 year old complained she felt worn out, her roommates recalled. She was massaging her legs, and coughing, and told them she was hungry. The factory food was so bad, she said, she felt as if she had not eaten at all. Finally, the lights went out. Her roommates had already fallen asleep when Li started coughing up blood. They found her in the bathroom a few hours later, curled up on the floor, moaning softly, bleeding from her nose and mouth. She died. The minimum wage for workers like Li is 30 cents an hour. Workers like Li are forced to work up to sixteen hours a day in polluted plants without air-conditioning and in temperatures reaching near ninety degrees. Workers are housed in cramped company dormitories, twelve to a room. And so, a young woman named Li dies. Worked to death. But who cares? The profits on those stuffed toys were great. I'm sure the stockholders were pleased."

“The 1998 NLC report discovered that warehouse workers making the handbags marketed by Wal-Mart earned as little as ten cents an hour. The workweek in the Qin Shi Factory, where Kathie Lee handbags were manufactured, was as long as ninety-eight hours. The report continued, ‘At the end of the day, the workers return ‘home’ to a cramped dorm room sharing metal bunk beds with 16 other people. At most, workers are allowed outside the factory for just one and a half hours a day. Otherwise, they are locked in. The workers are charged \$67.47 for dorm and living expenses, which is an enormous amount given that the highest take-home wage our researchers found in the factory

Was just 10 cents an hour. There were others who earned just 36 cents for more than a month’s work, earning just 8/100th of a cent an hour. Many workers earned nothing and owed money to the company.”

“According to the same 1998 research, workers in K-Mart factories made twenty-eight cents an hour. Garment makers for JC Penney were paid eighteen cents. Women making Ralph Lauren blouses, which sold for \$88.00 in the United States, pocketed twenty-three cents an hour. Young women making just fourteen cents an hour sewed two-hundred dollar Ann Taylor jackets and skirts.

“One of the eye-witnesses was Lydda Eli Gonzales, a young woman from Honduras who testified that she had worked under appalling conditions. Lydda was seventeen when she was hired and she worked in the factory for a year before being fired for union activity. Lydda said workers in the company were forced to work overtime to meet unreasonable quotas. ‘It is forbidden to talk, and you have to get permission to use the bathroom. We have to get a pass from the supervisor and give it to the guard in front of the bathroom, who searches us before we go in, ‘ she said. They were limited to one bathroom break in the morning and another in the afternoon. A production line of twenty workers had a quota of 2,288 shirts a day, but it is impossible, she added. You can’t move or stretch, or even look to the side. You have to focus and work as fast as you can to complete the production goal, always under pressure.

“The International Labor Organization, the labor arm of the United Nations, estimates there are more than 250 million child laborers in a hundred countries between the ages of five and fourteen. That number is nearly equal to the population of the United States.” Transported thousands of miles away to a dimly

lit, dangerous factory floor where they will work from dawn to dusk for pennies, often breathing dangerous fumes. It's happening to children every day.

“Corporations more powerful than countries. While a country like America is governed by a Constitution and Bill of Rights, many corporations have but one rule: Profit above all else. Combined sales of the top two hundred corporations are larger than all the combined economies of all countries, with the exception of the largest nine. Exxon Mobile reported \$10 billion in profits in the second quarter of 2005 alone! When it finished the year, it reported profits of \$36.1 billion, the highest profits ever for a US corporation. With \$258 billion in sales [\$10 billion in reported profits] in 2005, Wal-Mart is economically more powerful than 161 countries. That is an enormous amount of power and it is wielded every day by shipping jobs overseas.”

## Letter from Chinese Laborer Pleading for Help

Here is another appalling and most sickening account of the atrocious abuses of Gentiles from Jewish owned and operated slave labor in China. Most of these corporations are in the USA and in Europe, and make enormous profits off of Gentile slave labor. The Western Jews work on collusion with the Chinese and other Jews of the Far East to viciously abuse and exploit so-called 'goyim.' I read where some white European Jews visited China and upon entering a synagogue, the Chinese Jews stated 'You do not look like Jews' and the white European Jews replied 'You do not look like Jews either.' The Jew is a race within all other races. This is what gives them their power.

### QUOTES FROM THE JEWISH TALMUD:

Nidrasch Talpioth, p. 225-L: "Jehovah created the non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night."

Simeon Haddarsen, fol. 56-D: "When the Messiah comes every Jew will have 2,800 slaves."

Seph. Jp., 92, 1: "God has given the Jews power over the possessions and blood of all nations."

Hilkoth Akum X1: "Show no mercy to the Goyim."

Choschen Hamm 388, 15: "If it can be proven that someone has given the money of Israelites to the Goyim, a way must be found after prudent consideration to wipe him off the face of the earth."

Letter from Chinese Laborer Pleading for Help Found in Halloween Decorations

By Jessica Ferri

This letter was found in Halloween decorations purchased from Kmart. Julie Keith was unpacking some of last year's Halloween decorations when she stumbled upon an upsetting letter wedged into the packaging.

Tucked in between two novelty headstones that she had purchased at Kmart, she found what appeared to be a letter from the Chinese laborer, who had made the decoration, pleading for help.

### Samsung in hot seat over abusing Chinese workers

The letter reads: "Sir, if you occasionally buy this product, please kindly resend this letter to the World Human Right Organization. Thousands people here who are under the persicution of the Chinese Communist Party Government will thank and remember you forever."

"I was so frustrated that this letter had been sitting in storage for over a year, that this person had written this plea for help and nothing had come of it." Julie Keith told Yahoo! Shine. "Then I was shocked. This person had probably risked their life to get this letter in this package."

The letter describes the conditions at the factory: "People who work here have to work 15 hours a day without Saturday, Sunday break and any holidays. Otherwise, they will suffer torturement, beat and rude remark. Nearly no payment (10 yuan/1 month)." That translates to about \$1.61 a month.

The letter was found inside this packaging. Keith, a mom who works at the Goodwill in Portland, Oregon, did some research into the letter. "I looked up this labor camp on the internet. Some horrific images popped up, and there were also testimonials about people who had lived through this camp. It was just awful."

Horrified, Keith took to Facebook. She posted an image of the letter to ask friends for advice. One responded with a contact at Amnesty International. Keith made several attempts to alert them about the letter, but the organization never responded.

With no response from various human rights organizations, Keith took her story to The Oregonian. "The reporter, Rachel Stark, got through to Human Rights Watch, but I had no luck."

This is not the first time a letter like this has turned up. Just this week, another plea was found written in Chinese on a toilet seat and posted on Reddit. Commenters on the website have questioned the letters' authenticity.

Though the letter lists the address of the specific camp, officials at Human Rights Watch were unable to verify the authenticity of the letter. However, Sophie Richardson, China director at Human Rights Watch, told The Oregonian that the description was consistent with their research. "I think it is fair to say the conditions described in the letter certainly conform to what we know about conditions in re-education through labor camps."

The concern over the conditions laborers must endure in China and other countries first came to the public eye in the 1980s with the use of sweatshops to make Nike sneakers. Since then, according to an article recently published in The New York Times, Nike "has convened public meetings of labor, human rights, environmental and business leaders to discuss how to improve overseas factories."

Tech companies, like Apple and Hewlett Packard, are being made to be accountable for their labor practices. After receiving a great deal of criticism, Apple is now making public statements that they are aware of the harsh conditions in China and are taking steps to improve them.

As for Julie Keith, she had a general idea about the conditions in Chinese labor camps, but this letter has been a dramatic eye-opener into the stark reality of the issue. "I was aware of labor camps. I knew they had factories but I had no idea of the gravity of the situation. I didn't realize how bad it could be for people."

Finding the letter has made Keith more aware of the origin of many products sold in the United States. "As I was doing my Christmas shopping this year, I checked every label. It's virtually impossible to avoid purchasing things made in China as over 90 percent of our goods are made there. But if I saw 'made in China,' this year I asked myself, 'do I really need this?'"

In addition to the above, the jews also make a tremendous profit from selling the organs and body parts of political prisoners in China who have been tortured to death by the jewish communist system there. The jew never misses anything when it comes to making a profit.

Also, the doors in these factories are bolted shut. Some weeks back, in Bangladesh, many workers burned to death.

'112 people were killed in a textile factory fire in Bangladesh. The Nov. 24 incident was apparently sparked by an electrical short circuit that eventually sent flames racing through the nine-story building where products sold by the American discounter Wal-Mart, Dutch fashion chain C&A, and Hong Kong clothing distributor Li & Fung were made. The event was made all the more horrific because workers were trapped in the inferno as stairwells were blocked by rubbish and other materials -- and there were no emergency exits.

The Bangladesh fire touched a nerve around the world, but such incidents are more routine than is commonly known. Although major retailers such as Wal-Mart Stores Inc. (NYSE:WMT) and apparel makers such as Nike Inc. (NYSE:NKE) have increasingly taken pains to make sure that the factories of their direct suppliers meet at least minimal safety standards, these suppliers often subcontract to second- and third-tier manufacturers whose practices are not closely overseen or regulated by the multinationals. In fact, the large companies that these lower-rung outfits ultimately supply frequently don't even know them.

As a result, accidents and fires at these relatively unpoliced plants are endemic. For example, a garment-factory fire this month in the southern Chinese city of Shantou claimed 14 lives, although government officials claimed that a worker disgruntled over wages started the fire. In October, the Chinese State Administration of Work Safety reported that 45,409 workers died in more than 210,000 workplace accidents in all types of factories during the first nine months of this year. In September, as many as 262 garment workers perished in a textile-factory blaze whose cause was listed as an electrical short circuit in Karachi, Pakistan. And, in June, another nine garment workers were injured in a fire in Lahore, Pakistan.

Even when calamity spares textile workers, the conditions they toil under can be equally desperate: In many cases, apparel makers in developing countries offer wages of \$100 per month at the high end, although that tiny amount is often reduced by factory owners who underpay without explanation or by claiming that the employee did not put in the hours that he or she actually worked. For this kind of pay, people of all ages -- mostly women -- may be asked to work in

sweatshops that are distinguished by flammable material from floor to ceiling, locked doors, no fire extinguishers, and physically abusive bosses.'

\*\*\*\*\*NOTE: 'although that tiny amount is often reduced by factory owners who underpay without explanation or by claiming that the employee did not put in the hours that he or she actually worked.' \*\*\*\*\*

\*Many of us know just how all too common this jewish cheating of hard working employees is in the USA.

Through the programs of christianity and islam, Gentile energies go into feeding the jewish agenda psychically and also through indoctrination, in the material world.

Gentiles fight jewish wars for them. Gentiles are slaughtered and killed so the jews can thrive, while the jews sit back and watch with glee.

Gentiles pay trillions upon trillions of dollars in free grant money to israel, reparations for that phony 'holocaust', kosher taxes and much more.

While most of us have to budget, make concessions and sacrifices regarding what we can and cannot have, go without and some even work 2-3 jobs just to make ends meet, the jew lives in opulence and profits tremendously. You work, save, scrimp and deny yourselves so the jew can live exceptionally well and thrive.

As it reads in the bible regarding the jews:

'Thou Shalt Prosper'

The video below [which I highly recommend everyone sees] is nothing new and blatantly exposes the jews and how they use occult power, the power of suggestion and the subliminal to make the subconscious connection to manifest their workings in reality. The shootings were for the purpose of instituting gun control.

<http://www.youtube.com/watch?v=c8nTZKpmtlQ>

The USA is the only country they have not been forcibly expelled from in history and USA is Israel's bitch; always supporting israel, providing troops to be slaughtered and is a host nation, which they are now at their death grip to work to turn USA to communism here. To accomplish their agenda, they have to enact gun control.

Their use of occult powers has its roots in their gematria. The 911 was another one...very blatant. A co-worker, some years ago, showed me how a \$20.00 bill could be folded a certain way so that on the rear of it, the twin towers going up in smoke would appear. Look on the internet for this, I don't have the time to search out the websites that have this. All of a sudden, after the 911 incident, the older version of the \$20.00 bills where you could fold it that way, was taken out of circulation. They fed the public the bullshit story that 'they were too easy to counterfeit.' Well, they disappeared real fast, as too many people knew the deal on how to fold them. The 20 is the most common currency used and circulated in the USA.

Others include presidential assassinations. I did some research on this a few years back. Note about Lincoln and the names, dates, and the numbers and how they all come together in a very creepy way, indicating the use of their version of witchcraft. 911 is another blatant one- the date, the flights, the numbers, such as 'New York City' 11 letters; just do your own research on this.

Then...we have the fucking bible. Nothing but a certain number of books, numbers of verses and so forth. It is a jewish book of witchcraft. In the meantime, they have disarmed Gentiles regarding witchcraft and spiritual knowledge. People who believe in that biblical crap and worse, those who slavishly worship that jew filth are under their psychic power and control.

They are over-confident and yes, they definitely plan things, as they know the power of their workings and this is another reason for their vast and mind-blowing material wealth. With certain types of magick, a connection has to be made, for it to work, and to get it going. Xian psychic energy provides the means for them to feed off of and also with that foul jewsus messiah of theirs. This creates the necessary mass mind belief and connection so that their messiah manifests and then as our Anti-christ stated 'will be the funeral wreath of humanity.'

All of our Pagan priests and spiritual people were mass murdered with the inquisition and other attacks. The biggest fear for the kikes is Satan.

Belief and acceptance of xianity creates a very important opening on the soul for the enemy; the jews can then manipulate the xian like a zombie, even though he/she is not consciously aware of it. As I mentioned before,

IMO, the epic of the Trojan War is an allegory and statement on the jews, as their age-old technique of destroying Gentiles has always been from the inside, where they not only physically infiltrate, but also their bible, their media, their doctrines and other lethal SHIT. It is intermingled in nearly everything. This is how they always have an inside connection so their magickal workings succeed.

## Another Day In Commie Paradise

My note this standard issue method in the Communist regimes for all people under the Orwellian state. They arrest and torcher and then kill you and your entire family. This is the inquisition in operation under the banner of Rabbi Marx instead of Rabbi Jesus.

The Soviet Jewion and Koshier Kontrollled China, each killed over 70 million innocents with the same below behaviour. And Pol Pot wiped out one third of Cambodia the same way.

Christianity & Communism 5 - Life Under Communism - Part 2 - North Korea.mp3

To hear about the reality of life in the real world 1984 that is North Korea.

-----

[http://news.sky.com/story/1201849/kim-j ... les-family](http://news.sky.com/story/1201849/kim-j...les-family)

North Korean leader Kim Jong-Un has killed all of his executed uncle's close relatives, including children, say reports.

South Korean news agency Yonhap quoted "multiple sources" as saying General Jang Song-Thaek's brothers, children and grandchildren were rounded up and shot.

Some relatives were spared and sent to live in remote villages in the impoverished country, the report added.

Among those executed were North Korea's ambassadors to Cuba and Malaysia, who were both related to Mr Kim's uncle by marriage.

General Jang, 67, considered the second most powerful man in North Korea, was dragged out of a party meeting and executed last month on charges of attempting to overthrow the communist regime.

North Korean leader Kim Jong-un, flanked by his uncle North Korean politician Jang Song-thaek, leaves a military parade in Pyongyang

General Jang was executed by his nephew for alleged treason

Yonhap quoted one unnamed source as saying: "Extensive executions have been carried out for relatives of Jang Song-thaek. All relatives of Jang have been put to death, including even children."

Another source said: "Some relatives were shot to death by pistol in front of other people if they resisted while being dragged out of their apartment homes."

"The executions of Jang's relatives mean that no traces of him should be left," a third source said.

South Korean news agencies have been known to publish unconfirmed stories from the North.

But the latest claim ties in with a report by the Daily NK news website, run by North Korean defectors, which said more than 100 members of Mr Jang's family had been arrested before Christmas.

Yonhap said those killed included General Jang's sister Jang Kye-sun, and her husband and ambassador to Cuba, Jon Yong-jin.

General Jang's nephew and ambassador to Malaysia, Jang Yong-chol, and his two sons were also shot dead.

The Kim dynasty has ruled the isolated country for more than six decades.

Observers said General Jang was considered the man who could help his nephew establish himself in power, but also presented the greatest threat to the young leader.

Mr Jang's widow, Kim Kyong-hui, was thought to have survived the purge, but was later reported to have taken her own life.

Communism Is A Religion

Danielou was correct when he called Marxism the last world religion.

Communism is a religion. This documentary film shows life in this society. They have literally created a religion of the cult of the Communist state and leaders. The head leaders are turned into near mythical-supernatural messianic beings on the level of a Jesus or Mohammed. Their lives are crafted into religious themed, mystical stories and complete with massive Temples and shines built to them across the nation. Their books are treated as Bibles or Koran's and the people forced into a literal cult of worship of them as divine hero's, full of religious zeal and fanaticism along with religious like parades and pageants. And the state as their church on earth. They even have a massive city built as the Vatican or Mecca to the state cult. This is something you would only expect to find in a place like Saudi Arabia.

As a wise person stated simply cross out God in the Bible and insert State and you have Communism.

This is what Jewish Christianity and Islam is designed to lead the planet into. As the Koran is just the Jewish Torah mixed with other Christian tales mixed with Mohammed. It plugs into the vortex of psychic power created by Judeo-Christianity.

The regime even made a calendar starting time at the birth of the original Communist leader. Where does that idea come from again:

The dating system of BC/AD was first devised in the sixth century by the Christian monk Dionysius Exiguus (c. 470-544), based on Christian beliefs, not on any discernible scientific facts. We are therefore working with backdated markers designed to make an artificial timeline supposedly created by the Lord God himself, when he miraculously took birth through the womb of a Jewish virgin girl."- D.M. Murdock

This film also shows the reality of people forced to eat literal baked dirt and tree bark to try and stay alive, hundreds of thousands and more dead from mass starvation. Empty roads and cities, They can't even keep the power on in their capital it has constant black outs. No economy of anything in existence. Death camps and massive graveyards to the point they are reusing body bags because the state is running out of them. So many people are dying from starvation and disease.

The whole nation is crumbled into a tombworld. Full of massive mausoleum style monuments to the state cult that has exterminated them.

North Korea Documentary - Secret Filming Of A Country In Ruins - Little Left To See In North Korea

The winner of the 2001 International Emmy award for Best Documentary,

Welcome to North Korea is a grotesquely surreal look at the all-too-real conditions in modern-day North Korea.

Dutch filmmaker Peter Tetteroo and his associate Raymond Feddema spent a week in and around the North Korean capital of Pyongyang -- ample time to represent the starvation and deprivation afflicting a good portion of the population, and to offset such "contemporary" imagery as cars and public facilities with the conspicuous nonuse of these trappings.

As the filmmakers reveal, the North Koreans have no opportunity to compare their existence with that of the outside world, due to the near-total cutoff of news and free transportation.

The one predominant feature of this oppressed nation is manifested in the scores of statues, sculptures, and iconic paintings of North Korea's Communist dictator Kim Jong Il, who has gone to great and sometimes ruthless lengths to convince his subjects that he has inherited godlike powers from his equally "divine" father, the late Kim Il Sung (whose mummified body still lies in state, à la Lenin).

Were this not all too painfully true, Welcome to North Korea could easily pass as a grotesque fairy tale, out Grimm-ing anything found in Grimm.

The film made its American TV debut via the Cinemax cable network on March 18, 2003.

## North Korea through the Eyes of Witnesses

My note what happens in North Korea is the same in all Communist countries. This film is Jewish Communism in its pure form and what National Socialism and millions of free Gentiles under the Swastika fought to liberate humanity and the planet from. Jewish Communism is the other side of Jewish coin as Christianity.

## The end of the suffering is national-socialism

"On a country road in the Palatinate two men from the Labour Service are marching towards the next town. The Labour Service camp lies a long way off in the country, and it is a long way to the railway station. But the two men are in high spirits and are whistling, because they are going home on holidays after months of healthy and strenuous work. They whistle: In the Homeland, in the Homeland..... Just then a line of cars sweeps past the two men. They're lucky, one of them says. They'll be there sooner than we will, the other says. They're waving! both call out together. And then, in fact, the line of cars comes to a halt and waits until the two men, who have begun to run, have caught up. Where from? Where to? Climb in! The two men open their eyes wide in amazement, because the man stopping in the middle of the country road and inviting them to climb in is none other than The Leader. Adolf Hitler. He makes them describe for him their lives, and asks to know in great detail what it is like in their labour camp. In no time they arrive at the little town. The cars stop. As they leave The Leader asks one of the two men: It is about to rain. Don't you have a coat with you?

I have no civilian coat, my Leader. I was unemployed for a long time. On hearing this, The Leader takes off his grey travelling coat and hangs it on the shoulders of his fellow countryman."

The Life Of The Leader

[http://webzoom.freewebs.com/spiritualwa ... Leader.pdf](http://webzoom.freewebs.com/spiritualwa...Leader.pdf)

Authentic love and respect is what is responsible for care and that altruism is what holds up our societies and our planet together. Today we have been indoctrinated into a psychology of the Jew. Hate for all organic diversity on every level. Men are taught to hate women and women, men. And each themselves for being men and women. Races are taught to hate each other and themselves for the race they are part of. Cultures which bore the unique expressions of whole peoples are ripped apart and destroyed. Individuals are taught to hate themselves for their individuality and other for their individuality. Classes of people the other class. Even hating ourselves and each other for our dietary nature. We are taught to hate and fear spirituality, wisdom and true knowledge. And the whole of

humanity is taught to hate itself for being humans. The whole of mankind is sinking in pathological desire for self destruction.

A step beyond even this and the core of this is the most subversive doctrine which was first injected with Buddhism teachings in the East which the Jews where connected in with and spread into the West and they still are pushing obsessively. And more currently injected in Western societies by Jewish intellectuals and their psychological doctrines. Is that there is no self. The denial of the self is the denial of the Atman the individual soul nature. The removal of the soul removes the core of spiritual knowledge and reduces us to a mass of robotic hybrids. Its the ultimate demoralization of human beings and what it means to be human.

The Jewish doctrine of hatred is designed to break down all healthy organic bonds and dissolve everyone from the smallest individual to the whole races and cultures into a materialistic, one world slave society that functions on a hive mind. This is the essence of Communism, Christianity and Islam.

The worst things are ignorance and apathy that are the two great destroyers. People have become so demoralized and depressed by the psychology and propaganda of the Jewish, globalist society many have shut down and become apathetic to life for varying reasons but the same result. They become willfully ignorant as you can't wake up a man pretending to be asleep. And many who do care out of ignorance are lead astray into supporting the social-political systems that are the problem not the solution so things become worse. They are the meaning of the path to suffering is lined with good intentions. Greed arises out of apathy. And is also a fear based pathology. Which is normal in a scarcity based society. And one that teaches values of self identification with accumulation of material possession in a social Darwin atmosphere. Our social values have become based on psychopathology. Because our society has been Judazied.

The world suffers because the Jewish World System has murdered the truth. They have created a world of self murdered people on the soul level. Walking around in animated empty bodies. Not allowed to embrace everything the universe had designed to give them happiness and joy in life. Too apathetic towards their own existence to care about any others. People are taught to identify with everything destructive to them and develop a persona around this. The deeper inner trauma this causes them, gives rise in turn to many pathological ailments. As the psyche is

sick with the burden and unconscious pain of living in an inhuman, spirituality empty society.

You can see this in the art and music that is popular in society its an expression of rage, sadness and despair, nothing but psychological and emotion suffering. The rest is empty, superficial happy sounding, bland trash.

Its only by reconnecting with ourselves by opening and transforming our souls that we can realize the Eternal Truth and open up the respect and care for the things that make us great. Our differences, its a known fact having a positive identity for what makes a person and group unique is the key to psychophysically, the spiritual wellbeing of all peoples. Its the different colors in a painting that make it beautiful, its the diversity of instruments in an orchestra that makes the harmony of sound. Its the difference in nature that make our friends our friends. The celebration of our differences is the celebration of life.

What we love and respect in ourselves is what we will in others. The core values of spirituality and altruism and the authentic compassion based in truth that arise from this. Is what will end the nightmare and bring about the ending of suffering on this planet.

I believe humanity is ultimately good at the core of its heart but stuck in a bad system and samaric level of existence the system is built upon. And this is why the enemy has to work around the clock for thousands of years and still not have what they wanted to achieve. Its our goodness they hate and fear because goodness flows outward from within the soul. And the Gentile soul and its spirit is the one thing they can't crush. Our strength is in our diversity and the love for the eternal order of life we are all part of and this diversity is manifested of. This is why they always attack this.

The great struggle of which the utmost spiritual strength is needed is to defeat the ugliness of the Jew within our own souls. To purify our minds and hearts of the toxic effects of living in this dark age....The Age Of The Jew. We bring forth the Golden age from within our own souls.

National Socialism is the only system that can bring about a spiritual world revolution that can open the gates to paradise on this planet for all peoples and sentient life upon it. The overwhelming amount of joy and happiness in Germany was the natural result of being apart of a order based on truth and goodness. The

Jews hate Hitler to this day because he wanted to create a better world for humanity. Based on spiritual advancement, authentic compassion for life and altruism.

National Socialism brings forth in man and the world. What the Jew has tried so hard to murder....The supreme order of truth. Which is the supreme order of life. For within truth one has the power to give life.

Hail Hitler!

## Germany must accomplish

by Egon Albrecht

**This is a message of spiritual justice for our fellow SS men and women. This is dedicated to the strong German women, who endured the worst abuses and still survived and granted the surviving of this generation.**

So there they were assembled, praying for our decay. About a century ago the enemy of mankind, the Jew, wrote one of the most hateful plans to exterminate the innocent offspring our Creator God Wotan (Satan) from this Earth, which turned in action in one of the saddest and disturbing facts in history, comparable only in sadism and cruelty to their other plan, the Inquisition.

They expected to starve, humiliate and abuse the Aryan people to the point of total annihilation, which was possible in their simplistic sub-human brain. Killing German men and raping German women would be enough to finish their plan and put a total silence in the German blood, they thought. Their blind self-confidence led them to freely do the most horrific acts that we normal human beings could neither conceive after staring with our own eyes, thinking the end of the II World Battle and their meaningless plans would mean in total loss for our side, the justice and truth's side, in the greater war.

They do not learned from us their foe, that truth can't be hidden for too long, that real ideals can't be killed and that WILL always triumph in the end. They don't, as it is not in their coward inhuman nature. These are only empty words for them.

And more, that they do not know that real heroes live forever, in this or the next life they back to end their job, and the more vile and sadistic the enemy is, the hardest is the vengeance. That what they meant to exterminate were just the children of the most powerful, shining and genial God of universe, and his justice and hate would not be, nor never were, a blank page, but the hottest flame.

So what their limited brains were thinking when they had the idea to kill and rape millions of innocent Aryan men and women? Did they thought this generation would be just a mongrelized of slaves in their "Order" and Germanic immortal culture and blood would be just a shadow in the past? What happened then to

their “so powerful” soviet regime decades after it, and where their leaders are now?

Go to Dresden, and Berlin too, and see for yourself what their great plan is today. These are beautiful cities and people there are happy and lead their lives normally. The Jewish horror against them left some spiritual scars, but this didn't exterminate them. By far, it even left them smarter and stronger. Most are blonde and blue eyed, not the gray mass of mongrelized goyim they expected to create. Where are their fool programs of “gay pride” and “feminism” they expected to destroy the Aryan family and customs? Are misused, as German people are getting smart of their real purpose. Where is their self-victimization hoax of “holocaust” and blame-shifting on the German people who is the real victims? The German people used to be credulous and self-guilty, but now the truth is on the air and they see it for themselves, they even created movies about it.

Most important, where is their great program to exterminate Germans physically as a racial group? Go to street in any country with Germans or German descendents. Never as before you will see so much young couples with 3 or more babies, some couples apparently as old as 20-25 years old, playing with their children in parks. What happened to the Jewish propaganda against Aryan motherhood and family then?

What happened to their “Germany Must Perish” then? I tell you, Germany must not, and will never perish. On the contrary, Germany must and will ACCOMPLISH the Greatness and Godhood that we deserve by our heritage from our True Father.

Oh, I was forgetting, not to mention you will find dozens of Aryan young couples with twin babies and sometimes a third child, going against all previous statistics about fertility and modern family values. Just a coincidence? No way! This is nothing but our fellow SS collective effort of: spreading the truth, workings to expose the enemy, workings to attack the enemy's core and our workings to AWAKE our people to their natural, pagan roots and to the truth. Don't get it wrong, the enemy IS more dangerous than they were before, not as a signal of some kind of strength of will to survive, but as a signal of cowardice and their

fears near to their well known total destruction. They know spiritual justice is near their hooked nose. This is the time we need to be the more relentless and focused we ever were. Spiritual Justice will be like Thor's hammer on their pitiful balls.

Thanks the NS leaders and soldiers who gave their lives so we could carry the fight for today!

Thanks all the Gods of Duat and the Heroes of yesterday and today. Yes, you fellow SS who today make for mankind's history a better and brighter future!

Thank you Heinrich Himmler, Hess and Goering who suffered and died for our cause!

Thank you Hanna Reitsch, Rudolf Kaldrack, Egon Albrecht, Wolfgang Schenck, so many other Aces of the Luftwaffe and so many other SS warriors I'm not able to quote here but who lived to make a better future for our people:

Hanna Reitsch. Defeated 25 aerial enemies.

Rudolf Kaldrack. 275 missions accomplished, defeated 24 aerial.

Egon Albrecht. Over 250 missions accomplished, defeated 25 aerial, defeated over 410 vehicles of all kinds.

Wolfgang Schenck. Over 400 missions accomplished, defeated 18 aerial.

**GERMANY MUST ACCOMPLISH!!!**

## Nazism has won, Communism has died.

Many people say and say again the same poem of the 'holocaust' and how evil Hitler was. Again and again, every time with more and more evidence, we debunk their claims. The evidence is there. Thing is, the major populace is programmed. From day one that someone is born, they are hearing "Oh thank jewsus the baby was born" and by the age of 10 they hear every day, watch kike made movies, hear 'public opinion' shaped by some jewish historian about Hitler and the Nazis.

Seriously, Nazis, Ancient Civilizations, Satan and Satanism are the big NO-NO's in this society! NOOOOOO! STAY WORSHIPPING THE JEW- EMMANUEL JIZZUS OR YOU WILL ROAST IN HELL! HE WILL COME BACK AND JUDGE YOU! OBEY OR BURN FOR ALL ETERNITY! The things that like the jew 'god' in the garden of Eden, when one touches they will "Die". Lying as they always do, both their 'god' and them, nobody that seeked the Truth died. The so called 'forgotten apple' did not kill anyone and brought the so called knowledge of good and evil to those who gave in the time and effort to reach it. It takes such an idiotic 'god' to create man with the capability to Sin, only to torture them later after doing it. Since he was all knowing, he knew beforehand they would sin, so he made them able to sin. If he did not know it, according to xian theology, he did not know everything and as thus he is no 'god'.

Of course he is not. For one its nothing more than a jewish fantasy novel, where they have complete and total power everyone else in the globe, everyone is enslaved and such. How could the rambling of some kikes make sense? Lies do not make sense. Especially so big lies. How could they ever make sense?

The so called idiots though, who preach anti-Nazism do not do the fundamental thing any person who knows history should do. STUDY BOTH SIDES FROM UNBIASED SOURCES. Even this jew "Cole" made a documentary proving the gas chambers were a hoax. Thing is, jews are too ready to betray their own race everytime. Maybe "Cole" was on the side that his bank account had 100,000,0\$ and not 2 billions like his cousins, so it grew infuriated and started what he did. Then "Cole" appears 10 years after in the jewish owned and run Holly-wood. This fence hopping jew came with a plan. While he debunked the holocaust, he accused Hitler or all the other crimes he was accused, acting as a gate-keeper to

his fellow jews and faithfully a propaganda minister of his own.

When someone does this and sees that the whole governmental cabinet of Stalin was jewish for instance and caused the massacre of at least 25 million Russians in Labor camps, then see the videos where jews themselves testify that in the big 'labor camps' they could paint, swim in swimming pools, dance, play football with the so-evil Nazis and such, it takes a peanut of a brain to realize how in this case the 'winner' has blamed all their shit to the 'loser' of the war. The 'loser' is judged by the winner. Its as simple as that. But, who was the 'winner' of the war and who was the 'loser'? Upon first glance you will say it was USSR who won the war. And that Nazi Germany lost.

Thing is, our side has started with a different purpose and the jewish USSR side started with another purpose in mind. In such cases you do not judge 'victory' by whom survived and who did not, you judge victory or loss according to who fulfilled their purpose for which a war was started.

Their purpose was world domination and to dominate everything according to their jewish/communist laws, torah and the rest, assume a "God" position and rule everything, enslave anyone. This happened only inside USSR. People were nothing but swine, women were only objects and work laborers, children were pieces of shit in the eyes of jews who would run their 'eternal' machine of war Jew USSR in her prime to dominate the whole globe. They really believed this laughable shit. Lenin, Stalin, Trotsky, Molotov and so forth- all jews. All worked for the same purpose, whatever their actions. To enslave people into a slave state. To materialize their inner view of the cosmos, which is nothing else than what their Torah and their Protocols of Zion have wrote since day one. Jews have always operated by their hive mind and this is evident in the same outcome that comes in all civilizations they have gained power in: Destruction. Their Torah justifies them to be 'gods', above anyone and everyone. With the systematic destruction of all spiritual knowledge, they have that knowledge and assume to be 'gods'. Its known in the so called 'atheist' USSR there were dozens of Rabbis and kikes who would launch curses and whatever else in the unknowing populace. If someone was an enemy of the jewish owned state, they would either die by their secret police, or they would get cursed or both.

The bible in itself is a communist book and the mother of communist theory- all jewish. "All men are equals in the face of 'god' ". What happened in Soviet Russia was "all men are equals in the face of Stalin" or some other appointed jewish messiah who will fulfill what the jews have been trying to built for so long. Thing is, the jews are naturally a sickly and weak race. They have been on our ass for 2000 years and still cannot fulfill a damn goal. And even if they did, which they never could, they would fail to maintain it like it has happened in the USSR. They simply failed. Hitler built up a nation from total destruction to a world power in around 10 years. Enough said.

People are taught to believe in jews like they are gods, since day one. We are taught to believe that 'god' was a kike spaceman who sat on the clouds and cursed people. Endless confusion but what remains is this- we are taught to believe in the jews and the jewish 'god'. Thing is, they have been destroying civilizations since day one of their existence. The Ancient Romans perished under their grip and even nowadays they are destroying everything, every form of civilization. By the moment Europe has allowed them in and gave them 'citizen rights' everything has been going downhill; debt, two major world wars and economic plagues, instability in all levels, bad governship that destroyed a large portion of people, humiliation, senseless industrialization without feeling or remorse, false intelligentsia and philosophies of all kinds that are basically ruining every aspect of Gentile life and are leading people to mental hospitals by the hundreds each day.

But what was the purpose of Nazis and Hitler?

Simple.

First of all stop the jewish beast from taking over the globe and Europe, slow them down [They succeeded then construct a legacy for others to follow after them, in which everything would go over for the jews [We are approaching there and there is nothing the jews can do- check on Israel's case, people are waking up en-masse]. The Nazis reached too far, almost destroyed USSR themselves. When Hitler was at the door, the jew Stalin knew he was done with, so he informed the western jews that their legacy was coming to the end. Hitler had the whole Europe under his control. Hitler's method of Blizzkrieg war, had brought Russia to

her knees. When Hitler's Troops entered and were outside of Stalin-grad, by that time over 50,000 Russians fought at his side against the jewish beast to regain back their country. IT WAS NO LONGER RUSSIA- IT WAS A JEWISH HAVEN MADE ONLY FOR JEWS.

Everyone knows the jews today. Them trying to hide and pretend to be harmless no longer works. Even the most stupid people know. Most of those whom they own by xianity and through their spell of xianity, hate them to the bone and they will choose to decimate the jewish problem than to adhere to some jewish 'god' as people subconsciously know they are being played on.

Hitler and the SS knew they would not have the jews finished on their days, as they were scattered all across the globe. They passed down the message. By their symbols they caused re-awakening. Anti-Semetism is now again flaming. Where is it that they won? Back then the jews had German and other enemies. Now everyone down the street can be their enemy as people know, everyone knows and those who do not know, are getting told by now. Everyone knows what they did to America, to Germany, to other countries. People see them and they recognize them. There is nowhere to hide for them anymore. Everyone knows how they use money. The internet has served us well.

Miss's Stalin when confronted outside of the jewish USSR capital by the Nazis, called in his friend jews from England and the USA. So they started up the western front to dilute the powers of Germany. One step before destruction, as everyone jewish was shitting their pants, they had to ensure their racial dream – world domination. But by the time Hitler was in Stalingrad, the purpose of the Nazis had already been fulfilled. On the whole war, the jewish Rabbis kept and kept murdering people [as the case with the young boy Andrei who was murdered to curse the Czar] and sending the energy to the Nazis and mostly Hitler and his stuff, or used it to guide events. All sorts of blood Rituals were taking place and the gulags were ideal for this, all sorts of USSR psychics were on the roll and doing all sorts of shit (In an atheistic state- When jews finalize their control xianity gets thrown out of the window as it serves no need- it already made the people obedient to jews and now this had to actualize), as the suffering and horror of the people where was untold.

People need to study more. The left-run universities and jewish infested 'knowledge' is keeping people blind. Jews prove they are guilty by all this infestation in history and such, because this proves they did what they have been accused and are trying to re-write history.

The jews knew that these places would serve as an endless cattle farm when they can take people out from, butcher them and use their life energy to achieve all sorts of goals. From all their nasty effort, all they could do is not get destroyed back then, but they could do nothing about Hitler's final plan, which has succeeded already, as the purpose was to Stop and Expose the international jewry of the planet. Now days, everyone knows.

Thing is, by the fall of Germany and the major economic collapsation (again jewish in its roots) and with the jews like Rothschilds and the jewish Vatican running the global system, the jews thought it has now been over with. They took over Russia in which they had much power already, built up the beast and simply went for world domination, after the point their jewish 'ark' of USSR would be strong enough to carry them all. But they never expected Hitler, neither an uprising in Nazism. They thought that by creating hundreds of false frontiers as they do today, people would remain asleep. The same thing they did in Russia with their Demagogues, they did in Germany as well, but it never worked there. They expected their reign to go on forever. They expected no opposition. Thing is, the materialistic nature of the jews is all they are and the same reason they always fail- the western jews and the eastern jews when they thought they had us all by the balls after Nazi Germany was put to sleep, they made a Cold war which exhausted both of them, brining the 'ark' of the USSR state to its knees. They destroyed their own selves in their run towards their imaginary top.

The jews cannot rule anything as its not in their nature to rule, not even a slave state that they have created. Whatever they have constructed has collapsed, in every and all occasions, whatever it was. The only danger is that they are brining down to collapsation the things they have attached themselves to- thats what we should be worried about. Eternal things are not for them, neither is rebuilding.

They expected the return of the medieval times, they expected to rule alongside with their reptilian masters and other nefarious beings who seek the end of

Humanity as it was. They thought Satan was out of the game. Now, where is their eternal kingdom? In every state waiting to get pogrom'd, because of all their deeds against Gentiles? Or in a stolen Palestinian state which was funded by their WW2 holocau\$† lies, on the back of Gentiles there, getting bombed daily?

Who has won the war and who is Eternal now? They will always need Gentiles to feast upon, even as their slaves. They need Gentiles even as enslaved. We do not need them anywhere, in no facet of our Global or National lives. And in every Gentile Nazism will wake up, it's a matter of time. Now not only it has woken up, but is rising like a manifold flame, ready to burn and wipe out those who long have oppressed every nation of the world. Lets not allow other countries and our own countries to be victimized like Russia did, under the jewish Grip.

## part 2

This is addition to already existing book Death of communism [http://deathofcommunism.weebly.com/uploads/3/8/5/5/38555197/death\\_of\\_communism.pdf](http://deathofcommunism.weebly.com/uploads/3/8/5/5/38555197/death_of_communism.pdf) – PDF version of <http://deathofcommunism.weebly.com/> (both books are available there for free download). This book consists of the new sermons and answers of Joy of Satan Ministry on the topic of communism available on the site, but not included into the first book. They were originally posted on our forum <http://josministries.prophbb.com/> and in all of our groups: <http://www.angelfire.com/empire/serpentis666/Groups.html>

## COMMUNISM IS JUDAISM

“So its obvious why the Rothschild's created Communism: it’s the Messianic political movement they are given instructions in the their Torah to create, for Jews to conqueror the planet totally with”

## Marxism - The Modern Poisonous Brew

This is also from N.E.R and is a good overall view of the subject of Marxism.

--Marxism: The Modern Poisonous Brew

By no recognized standard may Karl Marx be considered a great writer, nor even a great thinker. His famous production *Das Kapital* is so dull and so boring that it is almost impossible to read. Despite the fact that it has been highly touted by the Jewish propaganda networks and tremendously promoted by international Jewry, this book has been read very little, and is still, today, very seldom read by anybody. In fact, the book was not even written by Marx alone but was compiled with a great deal of help from Friederich Engels, his Jewish collaborator and his financial angel. Engels revised and re-arranged Marx's notes in a more readable form, but even so, the whole production is as difficult to wade through as to wade up stream in a river of cold molasses.

Nor does this book contain any really intrinsic new theories. Marx borrowed most of his socialist theories from Condorcet, Saint-Simon, Auguste Comte and others. The theory of Thesis, Antithesis and Synthesis, which he calls Dialectical Materialism, was lifted from the works of G. W. Friederich Hegel. It is a useless and unproductive theory that is no more than a play on words and can best be described as Semitic semantic casuistry.

Nevertheless Marx's writings have been able to permeate and poison the minds of most of today's world, and it therefore behooves us to analyze and study why it did so and just what it was that Marx wrote.

It must be added here that the spread of Marx's teachings has not taken place because of their brilliance, or because of their persuasiveness, nor because of their eloquence, nor because they had something constructive to offer, nor even because there was anything particularly new in his writings and his thinking. The reason they have attained worldwide dissemination is because they have been fervently promoted by the Jewish propaganda network and by force of all the power and influence of the total Jewish conspiracy, just as Christianity was. I repeat, Marxism has not spread because it was a saleable product, nor was it wrapped in an attractive and desirable package — no, it was spread and disseminated and perpetrated solely by the force of the Jewish worldwide organized conspiracy with thousands of speakers in union halls, on radio, on television, injecting the poisons distilled by Marx down the throats of millions and billions of unwitting victims. Like the Sermon on the Mount, it did not offer new solutions, nor did it offer new hope, nor did it offer any constructive doctrine, but

on the contrary, like the Sermon on the Mount, it offered a suicidal program for the destruction of our White civilization.

The other work that Karl Marx wrote in collaboration with Friederich Engels is the Communist Manifesto. It is shorter and was written considerably earlier than Das Kapital. It is much more widely read and is considered as the basis of communist doctrine.

Marx was born in Trier, Prussia in 1818. His real name was Moses Mordecai Levy, son of a Jewish rabbi. His father was a proselyte Jew who seemingly left the Jewish religion and turned to Christianity in 1824 when young Marx was six years old. We need not really take this conversion seriously, since the Jews have a habit of parading under false colors, and like the chameleon, merge into the environment they are trying to infiltrate. Since in retrospect we can now see the momentous role that the Jews have bestowed upon Karl Marx, it is not only possible, but highly probable, that the hidden hand of Jewry helped Engels and Marx write their poisonous diatribe. They further, undoubtedly, especially picked Marx as the author so that it could seemingly be attributed as originating from a non-Jew. Then having compiled this assembled doctrine designed to poison the mind of the Gentile, the whole Jewish network worked feverishly to promote and distribute these revolutionary ideas, all in the service of the Jewish race.

Let us digress at this point and get our bearings straight in regards to Socialism vs. Communism. Although most people confuse the two as being closely related, we beg to differ vigorously. Socialism is not an evil as such, any more than is capitalism or money or government or organization, or education, or many other essential building blocks of our civilization. In fact the progress of mankind can be measured by the degree in which mankind was able to live together, institute government and law, organize the subdivision of labor, and form a social community which as it grew, became nations and countries. There is nothing wrong with this. In fact, this is all constructive, and all of these activities are socialistic activities or collectivism in its truest sense.

In fact, the very idea of a group of people living under an organized government is a socialistic endeavor as such, there is no question about it. When we get together to build national highways, to build airports, to create an Army and Navy for the defense of our country, when we join together in common efforts to build a school or schools to educate our children, we are definitely engaging in a socialistic enterprise. All of this means that people collaborate in a common or collectivist effort for their collective good and achieve a benefit far beyond

anything that they could do if they acted solely as selfish individuals, each going their own individual path. Socialism, in short, is organized society.

It can truly be said that the measure of human progress can be directly computed by the willingness of the individual to sacrifice his own interests for that of the common good, and this is the essence of socialism. There is absolutely nothing wrong, we repeat, with socialism, per se, or collectivism, and during Hitler's short peacetime period in Germany from 1933 to 1939 under National Socialism, Germany built and created and progressed at an astounding rate never before seen by any other nation in history. That was a White Man's Socialism under the leadership of a great White Man and, we repeat, the results were tremendously constructive, creative and productive.

It is a different matter with communism, a Jewish perversion of socialism designed not to build for the common effort, but designed to destroy the White Man's nation, the White Man's country and the White Man's civilization. Out of the ruins the Jews then forge a hellish Jewish dictatorship. That is what communism is designed to do and that is what the Jew means when he talks about socialism.

Again it is like every other tool that the Jew uses in his program for world conquest: there is nothing wrong with money, but when he uses money, he uses it for the destruction of the White Race and for the creation of a Jewish world dictatorship; there is nothing wrong with government as such, but when the Jew gets a hold of government he uses it to destroy the White Gentiles and help to forge the chains for their enslavement; there is nothing wrong with education as such, but when the Jew gets a hold of it he uses it to pervert the minds of our children, and turn them into hateful enemies of their own culture, of their own civilization, of their own people, and of their own country; there is nothing wrong with labor unions as such, except when the Jew gets in control of them, which he has, he turns them into shock troops to tear down our economic and national structure; and so it goes with everything that the Jew touches and everything that the Jew controls.

Unfortunately, most of the White intellectuals have not been able to distinguish between socialism as such, and the form which the Jews have perverted and converted it into, namely Jewish communism. Unfortunately, in their ignorance the White Race has lumped communism and socialism together as twin evils divided only by degree, and if you are a socialist you must therefore be a blood brother to the communists. This is patently false and deceptive. On the contrary, socialism is the basic fabric of civilization. It is the foundation of organized society. It is the basis of any possible government, and the underlying ingredient of all the progress that the civilized White Race has ever made. It does not take a great deal

of thought to come to the conclusion that if every man labored only in his own selfish interests, in other words was completely immersed in "individual enterprise" as the Conservatives are so eager to espouse, humanity would still be back in the caveman stage. In fact he would not even be able to build the basic unit of society — which is the family — because that, too, takes cooperative sacrifice of the individual for the good of the group, small though it may be.

Communism, on the other hand, is an altogether different animal. In fact it is a grizzly beast. Whereas National Socialism under Germany retained private property for the individual; it retained private enterprise as such; it not only retained but promoted family building and family life; it promoted the idea of patriotism and the idea of the loyalty to one's race; communism does none of these things but seeks viciously to wipe them all from the face of the earth. Under the aegis of National Socialism in Germany, during six short years Hitler rebuilt a bankrupt and broken nation, a nation broken morally, financially and spiritually. He built it and forged it into one of the most progressive and productive nations that the astounded eyes of the world had ever seen. The fact that the Jews later through lying, connivery and conspiracy managed to corral the rest of the White nations of the world together to smash Germany from the outside is another story. Nevertheless the accomplishments of Nation Socialism, which was a socialist government, during the six peaceful years in Hitler's Germany is something that no amount of lying Jewish propaganda can erase from the history of our times.

Now that we have drawn a distinguishing line between the creative and constructive idea of socialism as such and separated it from communism, let us examine just what some of the concepts of Jewish communism were, as belched up by this Jew, Karl Marx.

The Jews are great dividers, and the theory of divide and conquer has been developed by them to a treacherously fine art. There are a number of ways of dividing humanity — by sexes, by age groups, by religions, and by nations, and various other ways. But Karl Marx chose to divide them into "Bourgeois and Proletarians." Whereas he did not exactly invent these words, he, for all practical purposes, pulled them out of a hat and made them the fighting words they are today, with the help, of course, of the total worldwide conspiracy.

By "Bourgeois" he meant the people in the class of modern capitalists, or owners of the means of production and employers of workers. In fact, just about anybody in the middle class who owned even a small store or a small shop would be classified as "Bourgeois." As we all know, the middle class is the real strength and

backbone of a nation, but it was even against these, and especially these, that Marx turned his full invective and his wrath, that as a class they must be destroyed.

"Bourgeoisie" had originally meant the inhabitants of cities, but by the Romantic Age the term had come to mean the middle classes whether they lived in cities or not. Businessmen from the greatest textile magnates down to the smallest hole-in-the-wall shop-keepers, doctors, lawyers, teachers and other educated and professional people, all the groups that we now call "White Collar workers" were part of the "Bourgeois" according to Marx, and must all be wiped out. Marx's own definition was a new economic definition of the Bourgeois "the owners of the means of capitalist production." And he used this definition to include the middle class in its entirety.

Marx professed to be the great champion of the working class, for whom he coined the word "Proletarians." For this word he reached far back into ancient Roman history, for the Proletarians had originally been the poverty-stricken class (of minor import) of ancient Rome, who had no property save their children (proles). Although the Roman poor had nothing whatsoever to do with factories, Marx liked the term because he believed it had a grand romantic historical sweep. Under the Proletarians he included not only the factory workers but all the urban poor, whether they worked in factories or not, as well as the peasants, who, he was sure, would be drawn into the city sooner or later by economic necessity. The Bourgeois, too, would sooner or later become Proletarians because they would bankrupt themselves by capitalistic competition and would sink into the mass of the Proletariat. The fact that a hundred years later this has not happened, but on the contrary, the middle class has immensely grown and prospered far beyond anything envisioned in the middle of the nineteenth century, doesn't trouble the Jewish propagandist of today in the least. They just keep espousing the same Marxist-Jewish doctrine, forging forward towards enslavement of the world. We might add that this is only one of many of the theories and predictions of Karl Marx that time has proven completely wrong and fallacious.

Marx further wrote in the Communist Manifesto, "The working men have no country. National differences and antagonisms are vanishing gradually from day to day, owing to the development of the Bourgeois, to freedom of commerce, to the world market." This also was patently false, probably more obviously and stupidly false than many of the other things that he wrote in his treatise — and he wrote many things that were stupid and false. Since the Communist Manifesto was written on the eve of the series of Jewish revolutions unleashed in 1848, Marx judged that nationalistic feelings were on the way out. He couldn't have been more wrong. It was the beginning of a great resurgence of nationalistic

feeling among the working man, just at a time when Marx declared that the working man had no country.

Marx was a master of delineating cleavage between two classes that he had practically invented. In the first chapter of the Communist Manifesto, Marx pictured Europe as being in the throes of a tremendous struggle for "the upper hand between the rising Bourgeois and the developing Proletariat." He pictured the future struggle was to be marked by strikes, lockouts, sabotage, wage slashes, bankruptcies, business crises, the simultaneous rise of industrial combines and trade unions, increasing Proletarian "class consciousness," and violence. He thereby drew the blueprint for tearing apart a country and a nation which the powerful hidden hand of the Jew was to promote with great zeal and energy, was to be used to smash several of the great nations of the world, and is today undermining those that have not yet fallen. He saw this as a vast dramatic clash between two irreconcilable and hostile classes of society who could pursue no other course but fight to the death. As a follower of Hegel, he too believed that progress came through "the fruitful struggle of opposite principles," and to this process Hegel and Marx gave the celebrated name of "dialectics." By this he described the struggle between two opposites, the thesis and the antithesis, finally merging into a synthesis. The synthesis then became the new thesis which soon developed an antithesis which then would again evolve into a new synthesis and so on and on ad nauseum. This pointless theory was then given a fancy name, called "dialectical materialism."

In the second chapter of the Communist Manifesto entitled Proletarians and Communists he presents an argument with Bourgeois critics of Communism as to whether Communism is good or not. When he asks the question "in what relation do the communists stand to the Proletarians as a whole?" an honest answer would have been that there was no relationship since there wasn't really any Communist Party at this stage. However, Marx being as deceptive as he was arrogant, (a trait very common to his race), blatantly strode forth as if his party and the impending destruction of the Bourgeois was already an established fact in this chapter he sets forth the communist program of the abolition of private property and then goes on to abuse and vilify the Bourgeois. He pictures them as thieving, bloated, stupid villains of some vulgar horse opera, a stance that has since been followed by his Jewish supporters over the past century.

In this second chapter Marx steps up his invective, and the attack against the Bourgeois becomes more vindictive and vicious. He defends the communist program and its aims and objectives to annihilate the state, to destroy culture, religion and the family, claiming, of course, the Bourgeois have already done all this.

He claims there is nothing wrong with the Bourgeois losing their private property since they have already stolen all their property from the hard working heroic Proletarians and farmers that produced it. According to Marx, back in 1848 everything had already been destroyed by the Bourgeois and this included culture, the state itself, religion, family life, private property and on such an insane basis he justifies the communist aims of suicidal annihilation for the nation, arguing that everything would be wonderful as soon as everything was smashed and the working class was in control. These charges are so ridiculous and so detached from the real world that the average person might wonder if Marx had not already lost his mental facilities, and if he hadn't, that he most certainly could not have believed what he himself wrote.

The answer to this, of course, is that certainly he did not believe what he wrote, certainly he did not think that the working class would benefit by what he was advocating. He had no intention of the working class benefiting from anything. We must keep in mind one hard and fast fact, Karl Marx was a Jew, dedicated to his race in the pursuit of the destruction of the White Race. Like the Sermon on the Mount, which advocates "love your enemies, turn the other cheek, sell all thou hast and give it to the poor, resist not evil," Marx's ideas were pure destruction, annihilation and suicide. Nobody was too interested and nobody really bought them. But it was with the tremendous propaganda program of International Jewry behind these ideas that foisted them on the world as they had done previously nearly two thousand years ago when the Jews promoted the suicidal ideas of the New Testament upon the then supreme Roman White world.

Marx then goes on to advocate the abolition of the family unit as such. He defends this suicidal proposal (which certainly has no support from the working class or anybody else) by launching another vicious attack on the "Bourgeois." We must keep in mind that the term "Bourgeois" meant nothing until Marx and the Jewish propaganda network made it a household word, and it still means nothing, since there are people in all walks of life with different sizes of incomes and all kinds of variations in the amount of their net worth. Nevertheless, Marx continues to hammer the "Bourgeois" as if they were the devil personified and asks the question "on what foundation is the present family, the Bourgeois family, based?" Then he gives a non sequitur (it does not at all follow) answer and says, "on capital, on private gain." He further states that 9/10 of all the people presumably in Europe don't own any property. When these two statements are taken together, they, of course, contradict each other, since the Proletarians he claims make up 90 percent of the people, also have families, in fact, they probably, on the whole, have larger families than the so-called "Bourgeois." According to his ridiculous line of reasoning, those 9/10 (since they don't have any capital and since the family is based on capital) shouldn't be having any family

at all. And so it goes. He jumps from one non sequitur argument to another ridiculous and unfounded argument, but nevertheless he keeps justifying his brew for the destruction of society, that is White society.

He then goes on in this vein of idiocy and advocates that women are to be "freed" and are to be the objects of "free love." He defends this by saying that there is no need for the communists really to introduce this as such, since in any case "it has existed almost from time immemorial." Therefore, all his good little communists want to do is "to introduce, in substitution for a hypocritically concealed, an openly legalized system of free love."

He goes on. Destroy, destroy, destroy. All the known values that previous civilization has set up, Marx wants to destroy.

It is very strange that the whole program and the whole book is consumed with how to destroy the present "Bourgeois" system, how to promote a revolution, how to overthrow, how to annihilate. When one looks beyond the revolution and beyond the tearing down and beyond the destruction, we find very few, if any, constructive ideas about how to build something to take its place, or, in fact, how to build anything. It is the old Jewish program of tear down, tear down, destroy, annihilate. And the next communist plank is the abolition of countries and nationality, arguing that the workmen have no country, a treacherous lie! He then states that national differences and antagonisms between peoples are daily vanishing, a statement that back in the 1840's was completely contrary to fact and history. Very seldom has nationalist feeling been as high as during that period, and not only was it not diminishing, but it continued to grow even stronger over the next half century.

Marx continues on in this kind of idiotic drivel, completely out of contact with fact, history or reality, the main theme being destroy everything, down with everything. The end result will be "the Proletariat will use its political supremacy to wrest, by degrees, all capital from the Bourgeois, to centralize all instruments of production in the hands of the state, i.e., of the Proletariat organized as the ruling class." The thing that he fails to mention is whose hands the state will really be in. What he really has in mind is that it will be concentrated in the hands of the Jews themselves, as history has shown over the last 50 some years of Jewish communist tyranny in Russia.

The end and culmination of the second chapter then winds up with setting forth the famous ten points of the Communist Manifesto and they are famous not because of any intrinsic wisdom contained in them, but again, only because the Jewish worldwide conspiracy has taken hold of them and foisted and propagated

them on the rest of the world, much to the sorrow of the unfortunate inhabitants thereof.

We herewith set forth the ten points verbatim in order that we may examine how much progress the Jews have already made in implementing them, not only in the communist countries where they now rule supreme, but also in the so-called "free" Western countries like the United States where they are rapidly tearing down the frameworks of these nations and the foundations of the White Race itself.

Here is the gibberish that the Jews have made so spectacularly famous:

#### The Communist Manifesto

1. Abolition of property in land and application of all rents of land to public purposes.
2. A heavy progressive or graduated income tax.
3. Abolition of all right of inheritance.
4. Confiscation of the property of all emigrants and rebels.
5. Centralization of credit in the hands of the state, by means of a national bank with state capital and an exclusive monopoly.
6. Centralization of the means of communication and transport in the hands of the state.
7. Extension of factories and instruments of production owned by the state; the bringing into cultivation of wastelands, and the improvement of the soil generally in accordance with a common plan.
8. Equal liability of all to labor. Establishment of industrial armies, especially for agriculture.
9. Combination of agriculture with manufacturing industries; gradual abolition of the distinction between town and country, by a more equitable distribution of the population over the country.
10. Free education for all children in public schools. Abolition of children's factory labor in its present form. Combination of education with industrial production, etc., etc.

Not that there is any great logic attached to the above program, nor is there evident any over-riding need for such changes. Nevertheless, when we consider

how much progress the Jews have made in instituting and making this diabolical program become a reality, it is gruesome to behold. It is fantastic to consider that the Jews have created two seemingly antagonistic groups, have artificially divided them, have synthetically labeled them as "Bourgeois" and "Proletarians," and built on this unsubstantiated and flimsy proposition a program for world conquest. Nevertheless, as fantastic as it seems, with the power of money, propaganda, and organization in their hands, this the Jews have done.

In the third chapter Marx has no new material or ideas that are worth mentioning. He spends most of the chapter justifying with little substantiation and much twisted logic, trying to shore up that which he has already said before. Mostly it is a case of further trying to make a bogey man out of what he prefers to call the "Bourgeois" and trying to whip up the hostile opposing group which he calls "Proletariat."

One point that he does make that is rather interesting and significant, although not in the manner he intended, is that communism and Christianity have a great deal in common. He says, "Nothing is easier than to give Christian asceticism a socialist tinge. Has not Christianity declaimed against private property, against marriage, against the state? Has it not preached in the place of these, charity and poverty, celibacy and mortification of the flesh, monastic life, and Mother Church? Christian socialism is but the Holy Water with which the Priest consecrates the vexation of the aristocrat."

Whereas Marx did not at all state the case correctly, he inadvertently brought up a point that needs emphasizing, and that is the similarity between Jewish Christianity and Jewish communism, which, we contend, are amazingly similar, although neither the communists nor the Christians would ever admit this. Nevertheless, they are extremely alike and we are going to make a comparison of the two.

One of the main planks of the communist program is the abolition of private property. Christianity, too, promotes such, in fact it castigates again and again against those productive members of society who have the energy and the foresight to provide for their families. The New Testament says again and again, "sell all thou hast and give it to the poor." "It shall be harder for a rich man to enter the kingdom of heaven than for a camel to walk through the eye of a needle." "My kingdom is not of this world." "Lay not up treasures on this earth but lay up treasures in heaven." "Behold the lily in the field, it toils not yet your heavenly Father cares for it." And so on and on. The theme is repeated again and again that anybody that is energetic and ambitious enough to work for a living and provide for his family is an extremely poor candidate to enter into the kingdom of heaven.

Then we come to the matter of family life. On this we find that Jesus is quoted as saying, (Matthew 10, Verse 34) "Think not that I am come to send peace on earth: I came not to send peace but a sword. For I am come to set man at variance against his Father and the daughter against her mother and the daughter-in-law against her mother-in-law. And a man's foes shall be they of his own household. For he that loveth father or mother more than me is not worthy of me and he that loveth son or daughter more than me is not worthy of me." Here we have clear evidence as quoted by Christ himself that the objective of the new Christian religion is to divide — divide the household, divide the family, destroy the family.

We may have other manifestations of the Christian church pulling down the family and stifling the procreation of its members. For nearly 2000 years the Catholic Church has been promoting celibacy amongst its people. Priests were, and still are, forbidden to marry. It has set up numerous monasteries, the members of which, namely Monks, are dedicated to living out their life in an unmarried state'. The best and the most devoted of the young women are deluded into joining a convent and becoming a Nun and stripping themselves of any form of womanly appeal that they might have originally had. They are then rigidly regulated by the "Mother Superior," spending the rest of their lives in a bleak Nunnery, finally withering away and dying, unproductive and childless, having destroyed their hereditary line with their religious perversion.

Another major similarity between Jewish communism and Jewish Christianity is the philosophy with which both of them attack the productive, creative leaders of society. We have already well covered the vicious attacks that communism makes on the so-called "Bourgeois," and how it extols the virtues of the "Proletarians," that is, these people who have not managed to acquire anything. That the reason therefore might be due to their own lack of ambition, is not mentioned.

In the same way the New Testament continuously denounces the rich man or the man who has acquired any property or any assets. Whether he did so by dint of his own hard work and perseverance is ignored. It keeps repeating again and again that he is completely disqualified from ever getting to heaven and it says, "For what shall it profit a man, if he shall gain the whole world, and lose his own soul?" Then in the Sermon on the Mount it extols the virtues of the shiftless, the unambitious and the lazy. It says, "blessed are the poor in spirit," "blessed are the meek," and so on and on. These concepts are completely contradictory to the ideals and virtues of the White Man, who has always held such virtues as productivity, creativity, ambition, progress, in high esteem.

In a later chapter, in Part II of this book, I will go more fully into a detailed comparison between communism and Christianity. Suffice it here to say that Marxism is a Jewish creation, designed to undermine and disintegrate the White

Man's society, to tear it asunder, and lay it wide open like a dead carcass for the parasitic Jew to feast upon.

Continuing on to the third and fourth chapters of the Communist Manifesto, we find (a) a scattered and confused review of history at large, with Marx doing much violence to history, trying to justify his idiotic arguments (b) his appraisal of the then existing and competing socialist parties. He has very little good to say about any of them, and predicts their early demise. He insisted that he was right and that every other group that called itself socialist was inadequate, unscientific, wrong, and vile. Right or wrong, all those groups soon disappeared, as Marx had predicted.

However, it is important to point out here that it was not due to the fact that Marx's ideas, if they can be called such, had any superior merits to these others. No, on the contrary, they were probably more inadequate, more unscientific, more wrong, and more vile than any of those that he denounced. The success of Marx's ideas is solely due to the fact that it was his ideology that the huge Jewish conspiratorial apparatus selected to make their vehicle for their program of the destruction of the White Race.

This is what the whole program is aimed at. He insists on the "forcible overthrow of all existing social conditions," with the reckless abandon of a pyromaniac. He ends the last chapter with the fiery appeal to the workers, "Let the ruling classes tremble at a communist revolution. The proletarians have nothing to lose but their chains. They have a world to win. Working men of all countries, unite!"

And there we have a summation of the highly touted Communist Manifesto. In short, Marx pulls out of ancient history two terms, the Proletariats and the Bourgeois, twists them, gives them new meaning, and uses them as a divisive wedge to create two antagonistic groups where none existed before. He then unleashes a campaign of vilification, slander and hatred to stir up the working group to destroy just about anybody who has acquired any property during their lifetime of productive work. On this flimsy "theory," if it can be called such, is launched a whole program to destroy society, to destroy the family, to destroy the state, and in short, as he himself says, to destroy "all existing social conditions."

### Das Kapital

We now turn to that monumental one thousand page production that is revered as his masterpiece, namely, Das Kapital. We are not, however, going to waste much time on it because it is not worth it. In all those thousand pages of garbage there is very little grain to glean. Mostly it is all chaff. In fact, it is very dull, dry

chaff, at that. He tries to amalgamate and blend economic theory and political theory with history, sociology and his own Utopian thinking. The result is one unholy disaster. He makes a great deal about his theory of "surplus value," something he really did not invent, but derived from classical British economic doctrine of the time.

Marx's whole method was not that of observation and logical deduction of that which he had observed. Rather, he had some very fixed conceptions — namely that society should be destroyed — and then went to work to drag together a mass of fallacious "evidence" that he twisted in such a fashion that it would seem to support his untenable theories. Even at this he fails miserably. However, after 1000 pages of this kind of trash, he seems to have convinced many people (although they haven't really read it and although they really don't understand it) that somehow there must be something to it. Even so, it has convinced hardly anyone who was not already tinged with the ideas of Revolutionary Marxism previously. Economists, historians, and philosophers have long since ceased to take it as a serious contribution to any of their fields. It is so long and so dull a book that even very few Marxists can stand to read it, or can understand it.

The best function of the book, *Das Kapital*, to the world of Marxist Socialism is to sit on the shelf, looking heavy and impressive, and to be pointed to as evidence that somewhere in all those hundreds of pages there must be some deep intellectual proof of anything that any given Marxist may happen to feel at any given moment

The Communist Manifesto was published in 1848. Volume I of Marx's *Kapital* was published in 1867, nearly two decades later. This amounted to approximately 800 pages. When Marx died in 1883, Volumes II and III were no more than a confused mass of notes, references and outline. It was Engels' lot to put them together in final form and prepare them for publication. These appeared in 1885 and 1894, respectively, bringing this massive accumulation of trash to more than a thousand pages.

Most of Marx's organizational activities involved him in prolonged quarrels with other socialist leaders, notably the German Trade Unionist Ferdinand Lassalle and the Russian Anarchist Mikhail Bakunin. He helped found an abortive working man's association in 1864, which is known in socialist history as the "First International." However, his struggle to keep Bakunin from taking over that organization helped wreck it in the early 1870's. When he died there was no communist organization as such to speak of.

The greater development of the organizations that profess Marxist doctrines came only after his death. From the 1880's on, the International Jewish apparatus

really took hold of his theories which they had helped to propound and built them into parties of major importance in most continental European countries, especially Germany, France, and Italy. By 1889 they formed an international coordinating committee called the "Second International."

Whereas Marx had tailored his program with the idea of Germany being the first victim, history turned out somewhat differently. It remained for Nikolai Lenin, another Jew, to found the important Russian Marxist party. The Bolsheviki, between 1909 and 1913. These later renamed themselves "communists" after Marx's term in the Communist Manifesto.

Lenin's party, however, was very different from the theories propounded by Karl Marx and could scarcely be called Marxist at all. In fact, Lenin picked up most of his doctrine of "dialectical materialism" from other Russian revolutionaries, particularly N.G. Chernyshevskii rather than from Marx. He formed his plans for the Bolshevik Party, a tiny, well disciplined, conspiratorial, elite group in a vast backward peasant country, from earlier Russian revolutionary theory and practice, and not from Marx, who had rejected such ideas as "unscientific adventurism." The only thing that Lenin really adopted from Marx was the "scientific" idea of the "inevitability" of a socialist revolution and the emphasis on the Proletariat.

Whereas we neither have the time nor the space to concern ourselves with the history of the Russian Revolution, let us not, however, delude ourselves that it was the attraction of either Marx's "brilliant" theories, nor those of Lenin's. The grizzly story of the destruction of the Russian people is something altogether different.

Russia for centuries had been infested with more Jews than any other country in the world. These Jews had been conspiring, agitating and planning anarchy and revolution for a long time. Leon Trotsky, another Jew, had been trained along with 3000 other cut throat Jewish revolutionaries in East Side New York to do the strong arm job for the overthrow of the Russian government. Jacob Schiff, a Jewish financier of New York, contributed 20 million dollars to this cause. When the proper time came, Trotsky and his band of revolutionary cut-throats were shipped to Russia, and along with their Jewish brethren they managed to pull a bloody coup d'etat. It was strictly an example of Jewish conspiratorial tactics at their best. The Russian people and the Russian "Proletariat" couldn't have understood less as to what was going on. The Jewish propaganda network both in Russia and in the outside world then loudly proclaimed the triumph of the "poor, down-trodden" Russian workers over the "tyrannical" regime of the Tsar.

Both of these representations were overwhelming, atrocious lies. If the Russian Tsar had any faults they were not on the side of tyranny, but rather on the side of tolerance, weakness and vacillation. The Russian workers neither understood what was going on nor did they have any conception of the ghastly fate that was in store for them.

Once the Jews were in power in Russia they quickly seized all the strategic posts in government and in propaganda. They immediately launched a massive campaign to slaughter 20 million White Russians.

It must here be pointed out that it was the Nordic White Russians, who for centuries had been the intellectual and creative leaders of the Russian people, in fact, had built modern Russia. It was, therefore, this select group of elite White Russians that was the prime target of the Jewish takeover immediately after they had the revolutionary government in their hands. They proceeded on a reign of terror the likes of which the world had never before seen, a reign of terror that continues even to this day. In a few years they miserably slaughtered 20 million White Russians, the cream and leadership of the Russian population, leaving the Russian Slavs and Kulaks as a mass of slaves in the hands of their Jewish masters. These now became the hewers of wood and the drawers of water for their Jewish masters — who had promised them a worker's paradise.

Thus we witnessed the death of the Russian nation and the establishment of Jewish communism with a worldwide operating base in the largest country on the face of the earth, and with it, control of its enormous natural resources.

## Ghost of the Past Are the Chains of Today

In this New World Order the children of Israel will furnish all the leaders without encountering opposition. The Governments of the different peoples forming the world republic will fall without difficulty into the hands of the Jews. It will then be possible for the Jewish rulers to abolish private property and everywhere to make use of the resources of the state. Thus will the promise of the Talmud be fulfilled, in which is said that when the Messianic time is come, the Jews will have all the property of the whole world in their hands."

Baruch Levy, Letter to Karl Marx(Mordechai Levi), 'La Revue de Paris', p.574, June 1, 1928

"The opportunity for manifesting their Zion arrived with the Russian Revolution, which was financed by the Jewish bankers. One of their own, the German Jew, Karl Marx(Mordechai Levi), had catalyzed the event with the publication of his Communist Manifesto."

<http://www.666blacksun.com/Illuminati.htm>

The Frankfurt School was founded when it became understood that the overt and open Communist Revolution that would sweep Europe and America under the Jewish yoke had failed to fully materialize as planned. While Russia after a long struggle that started when the Bolsheviks after being outnumbered in government and losing any support from the Russian people in the political sphere of the new Russian Democracy, stormed the Duma(Russian Parliament at gun point in an act of terrorism), sparking the Bolshevik Revolution(terror) of which they had won due to massive funding from Rothschilds and other Global Jewish banking groups. And while much of the East had also fallen to the Red banner after a brutal freedom struggle against the Reds lasting longer than the Second World War. The Jew Trotsky's Red Army had been stopped in its invasion of Poland at the battle of Vistula in 1920 (after overrunning the Ukrainian Republic), and the attempts to take Germany down via open Revolution had failed when the Nationalist Forces crushed them in the 1919 Spartacist uprising in Berlin (led by Jewesses Rosa Luxemburg). The fall of the Soviet in Bavaria led by Jew Eisner and the fall of the brief Communist "Republic" of Bela Kun's in Hungary.

Understanding at the current time they believed total revolution of the Workers was not going to happen as hoped. They simply went back to the planning table and developed another strategy to enact their Globalist scheme.

"Near the end of 1922 the Communist International (Comintern) began to consider what were the reasons. On (Jew)Lenin's initiative a meeting was organised at the Marx-Engels Institute in Moscow."

"The aim of the meeting was to clarify the concept of, and give concrete effect to, a Marxist cultural revolution. Amongst those present were Jew Georg Lukacs (a Hungarian aristocrat, son of a banker, who had become a Communist during World War I ; a good Marxist theoretician he developed the idea of 'Revolution and Eros' - sexual instinct used as an instrument of destruction) and Jew Willi Munzenberg (whose proposed solution was to 'organise the intellectuals and use them to make Western civilisation stink. Only then, after they have corrupted all its values and made life impossible, can we impose the dictatorship of the proletariat') 'It was', said Ralph de Toledano (1916-2007) the conservative author and co-founder of the 'National Review', a meeting 'perhaps more harmful to Western civilization than the Bolshevik Revolution itself.' "

"Georg Lukacs(Jew) was the son a wealthy Hungarian banker. Lukacs began his political life as an agent of the Communist International. His book History and Class Consciousness gained him recognition as the leading Marxist theorist since Karl Marx. Lukacs believed that for a new Marxist culture to emerge, the existing culture must be destroyed. He said, "I saw the revolutionary destruction of society as the one and only solution to the cultural contradictions of the epoch," and, "Such a worldwide overturning of values cannot take place without the annihilation of the old values and the creation of new ones by the revolutionaries."

"This 'School' (designed to put flesh on their revolutionary programme) was started at the University of Frankfurt in the Institut für Sozialforschung. To begin with school and institute were indistinguishable. In 1923 the Institute was officially established, and funded by (Jew) Felix Weil (1898-1975)."

Major points of the Frankfurt School agenda:

1. The creation of racism offences. (Making Racialist thought illegal as part of the Jewish war on the White Race.)
2. Continual change to create confusion.
3. The teaching of sex and homosexuality to children. (Aim of which to create a huge backlash against sexual freedom in society problem, reaction, solution. Jews are the ones who created the taboo against Homosexuality via Christianity)
4. The undermining of schools' and teachers' authority.(Replacing it with Jewish backed ideology)

5. Huge immigration to destroy identity.(Open war on the White Nations many of these non-Whites are then programmed into a system of hostile thought against the native Whites, thus making them effective Jewish tools against the White Race.)
6. The promotion of excessive drinking.
7. An unreliable legal system with bias against victims of crime.
8. Dependency on the state or state benefits.
9. Control and dumbing down of media.
10. Encouraging the breakdown of the family.
11. Racial mixing.

### Destruction of White Cultural Norms

In 1933, when the National Socialist Party came to power in Germany, the members of the Frankfurt School fled. Most came to the United States. Note the books the Nazi's are whined about burning where the works of the Jewish Frankfurt School such as the Jew Freud and others who admit their works where design to act as a Cultural poison against the German People. A free people have the right to ensure the health of their Culture and defend it against would be poisoners.

Interesting note here on what the Jews did after:

"The members of the Frankfurt School conducted numerous studies on the beliefs, attitudes and values they believed lay behind the rise of National Socialism in Germany. The Frankfurt School's studies combined Marxist analysis with Freudian psychoanalysis to form the basis of what became known as "Critical Theory." Critical Theory was essentially destructive criticism of the main elements of Western culture."

The identification of the factors that allowed the German People to rally against the Jewish subversion of their Nation and Culture and throw the Jewish yoke off themselves. So such elements could be then destroyed via subversion and better weaken the host Nations in favour of the Jewish parasite.

"Criticisms were reflected in such works of the Frankfurt School as(Jew) Erich Fromm's Escape from Freedom (Jew)Wilhelm's Reich's The Mass Psychology of Fascism and Theodor Adorno's The Authoritarian Personality."

"The Authoritarian Personality, published in 1950, substantially influenced American psychologists and social scientists. The book was premised on one basic idea, that the presence in a society."

The premise of this Jews work was to state that the very elements which make a Gentile Nation strong are actually evil and unenlightened and thus need to be removed, as a gate to a higher civilization. Don't you just love how the Jew always frames it's agenda as everyones agenda and hides it's parastic behaviour behind bogus humanitarian claims.

"The Authoritarian Personality became a handbook for a national campaign against any kind of prejudice or discrimination on the theory that if these evils were not eradicated, another Holocaust might occur on the American continent. This campaign, in turn, provided a basis for Political Correctness.

"Critical Theory incorporated sub-theories which themselves were intended to chip away at specific elements of the existing culture, including "matriarchal theory," "androgyny theory," "personality theory," "authority theory," "family theory," "sexuality theory," "racial theory," "legal theory" and "literary theory." Put into practice, these theories were to be used to overthrow the prevailing social order and usher in social revolution based on cultural Marxism."

"The Critical Theorists of the Frankfurt School opened the door to the racial and sexual antagonisms of the Trotskyites(another faction of Judeo-Bolshevism). Leon Trotsky(Jew) declared that oppressed blacks could be the vanguard of a communist revolution in North America. He denounced white workers who were prejudiced against blacks and instructed them to unite with the blacks in revolution. Trotsky's ideas were adopted by many of the student leaders of the 1960s counterculture movement, who attempted to elevate the black revolutionaries to positions of leadership in their movement."

The Jews are the ones who brought the Blacks to North America in the first place as they owned and operated the slave trade a fact recorded in many historical works on the subject, such as the "Secret Relationship between Blacks and Jews" filled with documentation from mainly Jewish sources that admit that not only did the Jews own the slave trade they also where upwards to 75% or more of slave owners in the New World, with the rest being a mixture of Rich Whites, Freed Blacks and Native Americans.

Today the Jewish owned Media and it's proxy the school systems openly blame Whites for the crimes of the Jews towards Blacks. Resulting in generating a racial hatred in the Black population towards innocent Whites that has lead to the deaths of thousands of Whites in racially motivated attacks. This culture of anti-White hatred among the Blacks is futher encouraged by Jewish owned music/Media corperations that promote and create anti-White themes in popular Black music.

"We must realize that our Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races, that for centuries have been oppressed by the whites, we can mold them to the program of the Communist Party ... In America, we will aim for subtle victory.

While enflaming the Negro minority against the Whites, we will instill in the Whites a guilt complex for the exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions, and in the world of sports and entertainment. With this prestige, the Negroes will be able to intermarry with the Whites, and begin a process which will deliver America to our cause."

-A Racial Program for the Twentieth Century, published in 1913 by Israel Cohen.

On June 17, 1957, this passage was read into the Congressional Record by Rep. Thomas G. Abernathy

"The student revolutionaries were also strongly influenced by the ideas of (Jew)Herbert Marcuse, another member of the Frankfurt School. Marcuse preached the "Great Refusal," a rejection of all basic Western concepts, sexual liberation and the merits of feminist and black revolutions. His primary thesis was that university students, ghetto blacks, the alienated, the asocial, and the Third World could take the place of the proletariat in the Communist revolution. In his book, An Essay on Liberation."

The famous Jewish front to push such Agenda is the NAACP:

"Jacob Schiff, the Rothschild's man in America, decided that the best way to create racial tension was to establish leadership among the blacks. In 1909, he laid out plans for the National Association for the Advancement of Colored People (NAACP). It was the merging of the communist-controlled Niagara Movement, a group of blacks led by W.E.B. duBois, and a group of white social activists. In the beginning, the top leaders of the NAACP were a group of Jews appointed by Schiff. Their goal was to fight segregation and discrimination. They are now the largest black organization in the country, with well over 1500 chapters, and about a half-million members."

This is the reason for the Jewish created GLBT "rights" groups, the NAACP see above) and the promotion of legions of sundry orgs and lobbies today. The growing one is the Communization of the illegal aliens in American by Jewish agents who send the brightest of the Metizo's to special Red based schools in America free of charge to train them to be the next generation of Commissars

who then go back and Communize the hordes of illegals angry over their poor treatment by the Jewish own Capitalist Transnational mafia corporations in the first place. Once again the Jews lie to them and blame the Whites for their suffering when it's the Jews. There is that Jewish Hegelian Dialectic again, problem, reaction, solution. It all ends in obtainment of a revolutionary force needed to topple Nations and bring about absolute Jewish rule, under the banner of Communism.

"The aim of our Party in our work among the Negro masses is to create a powerful proletarian movement which will fight and lead the struggle of the Negro race against the exploitation and oppression in every form and which will be a militant part of the revolutionary movement of the whole American working class ... and connect them with the struggles of national minorities and colonial peoples of all the world and thereby the cause of world revolution and the dictatorship of the proletariat."-Communist Party U.S.A 1925

S. Africa is the foreshadow of what is coming to America, as the same the Jews are doing to them via the Jewish arms of the Bolshevik Blacks hordes(multicult "love") and Judeo-Christian "love" what is already on our shores here now. Detroit anyone?

"Critical Theory; and a linguistic rebellion that would amount to a methodical reversal of meaning. As for racial conflict, (Jew)Marcuse wrote that white men are guilty and that blacks are the most natural force of rebellion."

This is an admission that the culture of White Guilt of today is a Jewish created psychological weapon against the White populace to trick them into going along with their own destruction and enslavement. Whip the fighting spirit right out of them. It's Christianity updated to the crime of being born with the sin of White skin. Of which the "oppressed" non-Whites races of the world suffer and died for the sins of. Now repent! Screams the Jew via a thousand different outlets.

[http://www.666blacksun.com/Xianity\\_communism.html](http://www.666blacksun.com/Xianity_communism.html)

"Communists seek to advance the cause of communism by injecting themselves into racial situations and in exploiting them, (1) to intensify the frictions between Negroes and Whites to 'prove' that discrimination against the minorities is an inherent defect of the capitalistic system, (2) to foster domestic disunity by dividing Negroes and Whites into antagonistic, warring factions, (3) to undermine and destroy established authority, (4) to incite racial strife and riotous activity, and (6) to portray the Communist movement as the 'champion' of social protest and the only force capable of ameliorating the conditions of the Negro and the oppressed."-J. Edgar Hoover

The most famous of these Jewish agents of the Frankfurt School in America is Martin Luther King. Who was trained in such a Communist school in Tennessee and was a paid agent:

"King was photographed in 1957 at the Highlander Folk School, a communist training school in Tennessee, with (Jew)Abner Berry who held a post on the Central Committee of the Communist Party. The Joint Legislative Committee on Un-American Activities reported that his Southern Christian Leadership Conference was "substantially under the control of the Communist Party through the influence of the Southern Conference Educational Fund and the communists who manage it." King had connections with over 60 communist front organizations. Nine of his closest aides were high-ranking communist activists and one of those later became an aide to Rev. Jesse Jackson. Stanley Levison, who had been a King advisor since 1956, had been involved with the Communist Party up to 1955 and brought other known communists onto King's staff."

Karl Prussion, an FBI agent who infiltrated the Communist Party and for five years attended meetings in California, testified in 1963:

"I further swear and attest that at each and everyone of the aforementioned meetings, one Reverend Martin Luther King was always set forth as the individual to whom Communists should look and rally around in the Communist struggle on many racial issues."

Julia Brown, a former Communist, said:

"We were told to promote Martin Luther King to unite Negroes and also Whites behind him ... He was taking directions from Communists. I know for a fact the Communists would never have promoted him, financed him, and supported him if they couldn't trust him. I am certain as I can be that he knew what he was doing."

"Although a 1977 court order sealed the FBI's extensive surveillance records on King in the National Archives for 50 years, a book by Sen. Jesse Helms in 1998 called *The King Holiday and Its Meaning* said that Charles D. Brennan, an Assistant Director of the FBI who was personally involved in the surveillance, characterized his activities as "orgiastic and adulterous escapades" in which he could be "bestial in his sexual abuse of women." He also observed that "King frequently drank to excess."

<http://www.martinlutherking.org/>

Nothing new under the sun there:

"In 1925, a dozen blacks were recruited for propaganda training in Russia. That same year, the American Negro Labor Congress was established. In 1930, they changed their name to the League of Struggle for Negro Rights. They merged with the United Negro Congress when it was founded in 1936 in Washington, D.C. By 1940, communists made up two-thirds of its membership. In 1947, they united with the Civil Rights Congress, a communist front group."

Remember King was promoted as an agent of racial intergration thus promotion of racial mixing and destruction of the two Gentile races, which is part of the Jewish Globalist Agenda. Where Blacks who promoted racial seperation where pounced upon by the Jews.

"One of the most important contributors to Political Correctness was Betty Friedan(Jew). Through her book *The Feminine Mystique*, Friedan became the mother of the modern feminist movement in America. Friedan was not a member of the Frankfurt School, but she was strongly influenced by it. Her work offers a useful case study of the Marxist roots of Political Correctness."

The ancient Jewish tactic of divide and conqueror, pit Gentile women against Gentile men and thus weaken the ability of the host Nation to stand as a unified front against the Jewish parasite.

"Think not that I came to send peace on the earth: I came not to send peace, but a sword. For I came to set a man at variance against his father, and the daughter against her mother, and the daughter in law against her mother in law" Matthew 10:34-35

"Friedan(Jew) devoted almost a full chapter of *The Feminine Mystique* to (Jew)Abraham Maslow's theory of self-actualization. Maslow was a social psychologist who in his early years did research on female dominance and sexuality. Maslow was a friend of (Jew)Herbert Marcuse at Brandeis University and had met(Jew) Erich Fromm in 1936. He was strongly impressed by Fromm's Frankfurt School ideology. He wrote an article, "The Authoritarian Character Structure," published in 1944, that reflected the personality theory of Critical Theory. Maslow was also impressed with the work of (Jew)Wilhelm Reich, who was another Frankfurt School originator of personality theory."

"The significance of the historical roots of Political Correctness cannot be fully appreciated unless Betty Friedan's revolution in sex roles is viewed for what it really was – a manifestation of the social revolutionary process begun by Karl Marx. Friedan's reliance on Abraham Maslow's reflection of Frankfurt School ideology is simply one indicator. Other indicators include the correspondence of

Friedan's revolution in sex roles with Georg Lukacs' annihilation of old values and the creation of new ones."

"Marcuse's(Jew) transvaluation of values. But the idea of transforming a patriarchy into a matriarchy – which is what a sex-role inversion is designed to do – can be connected directed to Friedrich Engels book *The Origin of the Family, Private Property, and the State*. First published in 1884, this book popularized the now-accepted feminist belief that deep-rooted discrimination against the oppressed female sex was a function of patriarchy."

Open admission "Feminism" is another tenacle of Jewish Communism.

"The belief that matriarchy was the solution to patriarchy flows from Marx's comments in *The German Ideology*, published in 1845. In this work Marx advanced the idea that wives and children were the first property of the patriarchal male. The Frankfurt School's matriarchal theory (and its near-relation, androgyny theory) both originated from these sources."

Note you can see the Jewish hand in Wicca and other New Aged movements here as they preach such as Jewish nonsense mentioned above as a major core of their belief. Not to mention the blatant Christian themes.

When addressing the general public, advocates of Political Correctness – or cultural Marxism, to give it its true name – present their beliefs attractively. It's all just a matter of being "sensitive" to other people, they say. They use words such as "tolerance" and "diversity," asking, "Why can't we all just get along?"

The Jews have created a climate of thought criminality where it's a crime to be "insensitive" this is done to enforce taboo's they have created in society thus getting the sheep to police each other. And giving them a way to shut down debate on any subject which is a threat to the Jewish Agenda. Anti-Semite is a more blatant example of this tactic.

"The reality is different. Political Correctness is not at all about "being nice," unless one thinks gulags are nice places."

"Political Correctness is Marxism, with all that implies: loss of freedom of expression, thought control, inversion of the traditional social order and, ultimately, a totalitarian state. If anything, the cultural Marxism created by the Frankfurt School is more horrifying than the old, economic Marxism that ruined Russia. At least the economic Marxists did not exalt sexual perversion and attempt to create a matriarchy, as the Frankfurt School and its descendants have done."

And of course always remember that Communism could not exist without Christianity to provide the template for it.

"The motto of the "Communist League." Was "All Men are Brothers" and its goals were "the establishment of the Kingdom of God on Earth, based on the ideals of love of one's neighbor, equality and justice".[1]. See how Christianity is the twin of Communism.

"In this New World Order the children of Israel will furnish all the leaders without encountering opposition. The Governments of the different peoples forming the world republic will fall without difficulty into the hands of the Jews. It will then be possible for the Jewish rulers to abolish private property and everywhere to make use of the resources of the state. Thus will the promise of the Talmud be fulfilled, in which is said that when the Messianic time is come, the Jews will have all the property of the whole world in their hands."

Baruch Levy, Letter to Karl Marx(Mordechai Levi), 'La Revue de Paris', p.574, June 1, 1928

"The Jewish doctrine of Marxism rejects the aristocratic principle of Nature and replaces the eternal privilege of power and strength with the mass of numbers and their dead weight. Thus it denies personal worth, contests the significance of folk and race, and thereby withdraws from mankind premise for its existence and culture. As a foundation of the universe, it would lead to the end of any

order intellectually conceivable to man. . . .If, with the help of his Marxist creed, the Jew is victorious over the peoples of the world, his crown will be the funeral wreath of mankind and this planet will—as it once did for millions of years—move through the ether devoid of men."

## Communism is Jewish

by Roadtorevolution

<http://iosministries.prophpbb.com/topic7627.html>

Remember This Comrades - Communism is all Jewish Shit.

Communism is just another system of Jewish control, a scam for Jewish hegemony. Who could doubt it when it's two principal architects were Jews of Rabbinic descent — Moses Hess and Karl Marx. Hess converted both Marx and Engels to Communism. Marx referred to Hess as the “Red Rabbi.” In 1935 Rabbi Stephen Wise stated “Some call it Marxism, I call it Judaism.” [64]

The September 10, 1920, edition of American Hebrew Magazine bragged:

“The Bolshevik revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal is to create a new order in the world. What was performed in so excellent a way in Russia, thanks to Jewish brains, and because of Jewish dissatisfaction, and by Jewish planning, shall also, through the same Jewish mental and physical forces, become a reality all over the world.”

In 1920 Winston Churchill (who later, as PM of England, became one of Jewry's most loyal servants) wrote a revealing article entitled, *Zionism versus Bolshevism: A Struggle for the Soul of the Jewish People*, in which he keenly expressed the view that Communism was a "worldwide revolutionary conspiracy for the overthrow of civilization" and that this conspiracy was led by, Churchill wrote, "atheistic, International Jews."

The 1905 Jewish Encyclopedia states, "While in Germany socialism has attracted individual Jews, in Russia it has become a movement of the Jewish masses."

(See also - <http://www.jewishencyclopedia.com/articles/13822-socialism#ixzz1CTFjOee3>)

Robert Wilton, a long time Russia correspondent for the London Times, said in his book *The Last Days of the Romanovs*: "According to the data furnished by the Soviet press, out of 556 important functionaries of the Bolshevik State there were in 1918-1919: 17 Russians, 2 Ukrainians, 11 Armenians, 35 Lets, 15 Germans, 1 Hungarian, 10 Georgians, 2 Poles, 2 Finns, 1 Karaim, 457 Jews."

(See also - <http://www.iamthewitness.com/doc/Jews.and.Communist.htm>)

A similar thing was alleged in a report of the American Expeditionary forces to Siberia, March 1, 1919. Captain Montgomery Schyler, speaking of events following the decline of the First Provisional Government, says:

These hopes were frustrated by the gradual gains in power of the more irresponsible and socialistic elements of the population, guided by the Jews and other anti-Russian races. A table made in April 1918 by Robert Wilton, the correspondent of the London Times in Russia, shows that at that time there were 384 "commissars" including 2 Negroes, 13 Russians, 15 Chinamen, 22 Armenians

and more than 300 Jews. Of the latter number, 264 had come to Russia from the United States since the downfall of the Imperial government.”

The Encyclopedia Judaica’s article on Communism substantiates much of what so-called anti-Semites have been saying about Jewish domination of the Communist movement. It states,

“The Communist movement and ideology played an important part in Jewish life, particularly in the 1920s, 1930s, and during and after World War II.”

Individual Jews, the Encyclopedia Judaica writes

“played an important role in the early stages of Bolshevism and the Soviet Regime.”The article continues: “In some countries Jews became the leading element in the legal and illegal Communist parties and in some cases were even instructed by the Communist International to change their Jewish-sounding names and pose as non-Jews, in order not to confirm right wing propaganda that presented Communism as an alien, Jewish conspiracy.”

The article continues: “In some countries Jews became the leading element in the legal and illegal Communist parties and in some cases were even instructed by the Communist International to change their Jewish-sounding names and pose as non-Jews, in order not to confirm right wing propaganda that presented Communism as an alien, Jewish conspiracy.”

The article then goes on to name quite a few top Jewish Bolshevik functionaries, “The Bolshevik faction contained a number of Jews mainly in the field of organization and propaganda ... They included such people as Maxim Litvinov (Wallach), M. Liadov (Mandelstam), Grigory Shklovsky, A. Soltz, S. Jews Declare Anti-Communism = Anti-Semitism

Lenin himself declared capital punishment for any Russian who criticized Jews or identified Jewish leaders with Russian names as Jewish:

Anti-Semitism was branded as being counterrevolutionary in nature, and persons participating in pogroms or instigating them were outlawed (by a special decree issued by the Council of Commissars in July 1918, signed and personally amended by Lenin to sharpen its tone). A statement against Anti-Semitism made by Lenin in March 1918 was put on a phonograph record, to be used in a mass campaign against the counterrevolutionary incitement against the Jews.”

(See also - <http://www.truthtellers.org/alerts/jewishactivistscommunism.html>)

Now just see for yourself Comrades If anti-Semitism was “counterrevolutionary” that must mean all the revolutionaries were Jewish.

In 1931 Soviet Dictator Josef Stalin told the Jewish News Agency in the United States that

“Under USSR law active anti-Semites are liable to the death penalty!”

(See also - <http://www.marxists.org/reference/archive/stalin/works/1931/01/12.htm>)

In 1941, New York Publication “Jewish Life,” and “Jewish Voice,” told their readers that Anti-Communism is Anti-Semitism. The New York publication “Jewish Voice,” July and August of 1941, page 23, states as follows:

“Anti-Communism is anti-Semitism.”

Another quote, this from the Jewish publication also New York

“Scratch a professional anti-Communist and you’ll find an anti-Semite.”

Now see again Comrades, If it’s anti-Semitic to oppose Communism that must mean Communism is Jewish and serves Jewish interests.

And add to this, At the Yalta conference in 1945 Stalin declared: "I am a Zionist."

Jewish Wall Street Bankers Financed the Reds

This fact blows away the myth that Communism was a "working class" movement; it was not. Communism was, for all intents and purposes, an elitist Jewish movement. Not only were Jews the lead actors on the ground in fomenting the Bloody Bolshevik Revolution in Russia and other attempted Communist takeovers, but they were funded to power by Jewish bankers on Wall Street, particularly Jacob Schiff, the Rothschild emissary in New York who headed Kuhn, Loeb & Co., bank. Schiff is reported to have

"sank about \$20,000,000 for the final triumph of Bolshevism in Russia."

*Cholly* THE SMART SET  
*Knickerbocker*

Who do you think financed Lenin, Stalin & Co. in Russia? The rich merchants and bankers of Russia, and those of Germany and the United States, of course. Old man Jacob Schiff, the New York banker, boasted that his money had been one of the causes of the first Russian Revolution of 1905.

Today it is estimated even by Jacob's grandson, John Schiff, a prominent member of New York Society, that the old man sank about \$20,000,000 for the final triumph of Bolshevism in Russia. Ather New York banking firms also contributed.

Jacob Schiff, a Jewish Wall Street banker, funded Lenin and Trotsky to the tune of \$20,000,000. A massive amount of money for that time.

Schiff reportedly gave this vast sum of money to the Jewish Marxist agitator Leon Trotsky (aka Leiba Bronstein) who Schiff had brought to New York to recruit Russian Jewish immigrants from the Lower East Side of the city for the Bolshevik revolution.

## Many shades of red

Communists always claim that they must struggle to abolish capitalism with all its evils. However, in 1917, the Russian Revolution was financed by millionaires in New York City through Jacob Schiff, who gave Trotzky the \$15 million that he and Lenin needed to execute their project.

In 1919, one of the organizers of the US Communist Party was millionaire Dr. Julius Hammer. When his physician son went to Russia in 1921 to do medical relief work, he was personally told by Lenin that they did not need doctors but American capital and technology.

Russian industrial and military operations are financed like ours except that ownership and control of the capital is limited to "the party."

The more we learn about Communist methods, the more apparent it becomes that Communism *is* capitalism (international).

Leon Trotsky

Trotsky trained Russian Jewish emigrants as revolutionaries and brought them back with him to Russia with the expressed purpose of overthrowing Czar Nicholas II, whom the Jews hated, implementing brutal Communism, exterminating the “best of the Gentiles,” and establishing a Jewish empire — a central organization with which to foment global revolution and the eventual Jewish takeover of the entire planet. According to Juri Lina’s book *Under the Sign of the Scorpion*, it was Jacob Schiff, not Lenin, who ordered the murder of the Russian Royal family.

A Jewish writer for Ynetnews.com, Sever Plocker, confirms much of what so-called anti-Semites have been saying about the Jewishness of Communism in an article entitled, “Stalin’s Jews.” He rightly reminds us that “some of the greatest mass murderers of modern times were Jewish.” I couldn’t agree more.

None of the leading Bolshevik Revolutionists were even working class people. They were all relatively well off and vastly increased their wealth under the Communist system. Only a fool and dupe would fall for this unfeasible “workers paradise,” “socialist utopia” nonsense. That’s simply a Jewish marketing ploy to agitate the workers to revolt and install the Jewish leaders of the movement into power whereby they can conduct their agenda of theft, mass destruction and genocide.

Communist atrocities and mass murder have been trivialized, downplayed and downright soft-peddled in Western media, film, television and academia. It’s hardly even mentioned in high school or college history classes. A BBC article, which explores the West’s shameful glorification and trivialization of bloody Communism, intelligently noted,

“Stalin had the blood of millions on his hands. Why has history been so kind to this murderous leader [?]”

(See also - [http://news.bbc.co.uk/2/hi/uk\\_news/magazine/7719633.stm](http://news.bbc.co.uk/2/hi/uk_news/magazine/7719633.stm))

Despite over 100,000,000 people being systematically murdered or otherwise dying unnatural deaths under Communist regimes globally, the ideology of

Communism doesn't seem to have the same sting or negative connotation associated with it that Fascism and Nazism (National Socialism) do — despite the latter having killed far fewer people than the Communists and no more (perhaps less) than Western so-called democracies like the United States and Britain. Why is Communist totalitarianism so soft-peddled in the West when the Communists have murdered, tortured, brutalized, enslaved, imprisoned, raped and oppressed more human beings than any other political system in human history? The reason is simple: Jews dominate and control the Western press (mass media, television, publishing houses & Hollywood) and Jews supported, or, as Frank L. Britton hypothesized, were behind Communism.

Of course, from the perspective of the Jews, dredging up the memory of the bloody Communist Holocaust of 40 million Gentiles in the USSR might attract some unwanted attention upon the decisive Jewish role in that genocide. They simply don't want people looking into these things. Jews are all about sweeping their genocidal crimes under the rug while falsely accusing their enemies of committing crimes against them.

## Bolshevism and Zionism As Jewish Instruments

Exposed - Bolshevism and Zionism As Jewish Instruments Part 1

Special Thanks to all those from where the citations have been taken!

Zionism and Communism are but two arms of the Jew World Order.

Jews have long been in control of the world, and continue to rule it today. This is revealed to us simply by observing the actions and words of the leaders of World Zionism and World Communism, the twin vehicles of global Jewish subversion.

Kaufman's call for "Union Now" was strangely similar to a proclamation made by Adolph Crémieux, a prominent French-Jewish lawyer and statesman who founded the Jewish Masonic order "Alliance Israelite Universelle" in Paris in 1860. At an Alliance meeting Crémieux declared in true 'Protocols' style: "The Alliance is not limited to our cult; it voices its appeal to all cults and wants to penetrate in all religions, as it has penetrated into all countries. Let us endeavor boldly to bring about the union of all cults under one flag of "Union and Progress": such is the motto of humanity." Crémieux and his secretive Jewish order were named as the

prime conspirators in the formulation of The Protocols of Zion, in an enlightening essay entitled, “The Protocols of the Ruffle Crested Kikes of Zion”.

With the advent of Communism in the early 19th century, we saw the world plunge into a brutal chaos of social cataclysm and economic decay. Indeed, the goal of International Communism was never to “free the workers” from capitalist oppression, but rather to further enslave them to a small cadre of self-declared and self-perpetuating elite vanguards who ruled their subjects with an iron fist. From its inception, Communism was a Jewish endeavor to usurp the remaining Gentile nations free from Jewish control, plunder their wealth, and enslave and murder the best of their people!

Communism’s Talmudic Jewish roots couldn’t be more apparent. The Jew Karl Marx, a descendant of a long line of Talmudic rabbis, is widely viewed as the principal progenitor of the ideology of Communism. Less known, however, was Communism’s true prophet — the Jewish supremacist, Talmudist, and racist Zionist Moses Hess, whom Marx called the “Red Rabbi.” (See: Avineri, Shlomo. *Moses Hess: Prophet of Communism and Zionism*. NYU Press, 1987) Hess was Marx’s guide and teacher, and converted both Karl Marx and Friedrich Engels to Communism. These two sordid snakes — Marx and Engels — went on to author “The Communist Manifesto”, “Das Kapital”, and other works, which crystallized this wretched brain-trust of sanguinary scoundrels and their grandiose dreams of a one-world global communist dictatorship.

In 1920, Winston Churchill — who later sold out to the Jews and became their tool[/b] — ominously warned the world of the menacing movement that was Jewish Bolshevism. Writing in the Illustrated Sunday Herald, February 8, 1920, page 5, Churchill opined:

[b]"This movement among the Jews is not new. From the days of Spartacus — Weishaupt to those of Karl Marx, and down to Trotsky (Russia), Bela Kun (Hungary), Rosa Luxembourg (Germany), and Emma Goldman (United States), this world-wide conspiracy for the overthrow of civilization and for the reconstitution of society on the basis of arrested development, of envious malevolence, and impossible equality, has been steadily growing. It played, as a modern writer, Mrs.

Webster, has so ably shown, a definitely recognizable part in the tragedy of the French Revolution. It has been the mainspring of every subversive movement during the Nineteenth Century; and now at last this band of extraordinary personalities from the underworld of the great cities of Europe and America have gripped the Russian people by the hair of their heads and have become practically the undisputed masters of that enormous empire...

There is no need to exaggerate the part played in the creation of Bolshevism and in the actual bringing about of the Russian Revolution by these international and for the most part atheistical Jews. It is certainly a very great one; it probably outweighs all others. With the notable exception of Lenin, the majority of the leading figures are Jews. Moreover, the principal inspiration and driving power comes from the Jewish leaders."

Many misinformed patriots have been led to believe Churchill's "Zionism versus Bolshevism: A Struggle for the Soul of the Jewish People" article (quoted above) was somehow a courageous anti-Zionist statement — it was not. In fact, in the concluding paragraph of the article Churchill gave a ringing endorsement of Zionism, encouraging Jews to follow the course of Zionism rather than Bolshevism:

(See also <http://www.patriot.dk/churchill.html>)

"Zionism has already become a factor in the political convulsions of Russia, as a powerful competing influence in Bolshevik circles with the international communistic system. Nothing could be more significant than the fury with which Trotsky has attacked the Zionists generally, and Dr. Weissmann in particular. The cruel penetration of his mind leaves him in no doubt that his schemes of a world-wide communistic State under Jewish domination are directly thwarted and hindered by this new ideal, which directs the energies and the hopes of Jews in every land towards a simpler, a truer, and a far more attainable goal. The struggle which is now beginning between the Zionist and Bolshevik Jews is little less than a struggle for the soul of the Jewish people."

Churchill was, by his own admission, a radical Zionist who — as Prime Minister of Britain during WWII — hypocritically went on to collaborate with Bolshevism, establishing a cozy relationship with Josef Stalin's genocidal Soviet Bolshevik Regime. Churchill's abhorrence of Bolshevism disappeared as rapidly as his reservations about International Jewry as soon as it suited his personal ambitions. Even his "Zionism versus Bolshevism" article was disingenuous in the sense that he offered the world a Hobson's choice of "Zionism or Bolshevism", a false dilemma in that both options produced the exact same result: a World Government under Jewish domination as foretold in the Hebrew Old Testament.

Churchill knowingly failed to inform his readers that ideologies to Jews are like the many arms of Vishnu. They all emanate from the same place with the same goal: the desire for a New World Order under Jewish rule! Apparent conflicts among Jews are more about tactics than disputes about ultimate goals. Zionism and Communism are but two tentacles of the same Talmudic monster — cut and fashioned out of the same Jewish cloth!

Wise and Most Noble Adolf Hitler, eloquently explained this Jewish trick in his book, Mein Kampf,

“The Jew’s domination in the state seems so assured that now not only can he call himself a Jew again, but he ruthlessly admits his ultimate national and political designs. A section of his race openly owns itself to be a foreign people, yet even here they lie. For while the Zionists try to make the rest of the world believe that the national consciousness of the Jew finds its satisfaction in the creation of a Palestinian state, the Jews again slyly dupe the dumb Goyim. It doesn’t even enter their heads to build up a Jewish state in Palestine for the purpose of living there; all they want is a central organization for their international world swindle, endowed with its own sovereign rights and removed from the intervention of other states: a haven for convicted scoundrels and a university for budding crooks.” (A. Hitler, English translation by Ralph Manheim, Mein Kampf, Houghton Mifflin, Boston, New York, (1971), pp. 324-325.)

The mischievous and cruel doctrines of Marx and Hess were zealously adopted by the world’s Jews who saw in it an opportunity to crush the Gentiles once and for all. A Jew named Baruch Levy, in a letter to Karl Marx, stated that Communism was — after all — merely a way to transfer all the wealth of the world into Jewish hands and so fulfill the messianic vision of the treacherous Talmud:

“The Jewish people as a whole will be its own Messiah. It will attain world dominion by the dissolution of other races, by the abolition of frontiers, the annihilation of monarchy, and by the establishment of a world republic in which the Jews will everywhere exercise the privilege of citizenship. In this new world order the Children of Israel will furnish all the leaders without encountering opposition. The Governments of the different peoples forming the world republic

will fall without difficulty into the hands of the Jews. It will then be possible for the Jewish rulers to abolish private property, and everywhere to make use of the resources of the state. Thus will the promise of the Talmud be fulfilled, in which is said that when the Messianic time is come the Jews will have all the property of the whole world in their hands.” (Baruch Levy, Letter to Karl Marx, La Revue de Paris, p. 54, June 1, 1928)

Now see here Comrades, Jewish author Bernard Lazare tells us that Karl Marx was indeed a Talmudist:

“He had that clear Talmudic mind which does not falter at the petty difficulties of fact. He was a Talmudist devoted to sociology and applying his native power of exegesis to the criticism of economic theory. He was inspired by that ancient Hebraic materialism, which, rejecting as too distant and doubtful the hope of an Eden after death, never ceased to dream of Paradise realized on earth. But Marx was not merely a logician, he was also a rebel, an agitator, an acrid controversialist, and he derived his gift for sarcasm and invective, as Heine did, from his Jewish ancestry.” (Lazare, Bernard. “Antisemitism, Its History and Causes”, p. 129)

(See also - <http://www.vho.org/aaargh/fran/livres2/LAZeng.pdf>)

In its article on “Messianic Movements”, the Encyclopaedia Judaica writes: “In his letters to Leopold Zunz referred many times to the European revolution of 1848 as ‘the Messiah.’ Even many Jews who left the faith tended to invest secular liberation movements with a messianic glow.”

(See also - <http://tinyurl.com/7g2fpsb>)

The Jewish supremacist rabbi, Harry Waton, confessed that not only is Communism Jewish, but that it is simply a mechanism for Jewish world dominion and the subjugation of all non-Jews — a fulfillment of the megalomaniacal messianic vision of the Torah and the Talmud. In his 1939 book, “A Program for The Jews and An Answer To All Anti-Semites: A Program for Humanity”, the racist rabbi wrote:

“It is not an accident that Judaism gave birth to Marxism, and it is not an accident that the Jews readily took up Marxism; all this was in perfect accord with the progress of Judaism and the Jews. The Jews should realize that Jehovah no longer dwells in heaven, but he dwells in us right here on earth; we must no longer look up to Jehovah as above us and outside of us, but we must see him right within us,” (p. 148)

“Since the Jews are the highest and most cultured people on earth, the Jews have a right to subordinate to themselves the rest of mankind and to be the masters over the whole earth. Now, indeed, this is the historic destiny of the Jews,” (p. 99)

“Judaism is communism, internationalism, the universal brotherhood of man, the emancipation of the working class and the human society. It is with these spiritual weapons that the Jews will conquer the world and the human race.” (p. 100)

Peculiar isn't it that the supposed arch anti-capitalist, Karl Marx, never spoke a negative word about the Jewish banking dynasty, the Rothschilds, the richest of the world's capitalist financiers, war profiteers and exploiters of the working class. This isn't so puzzling when you understand that Marx was working for the Rothschilds all along. We have Totally Exposed this Mofo Agent KarlMarx my dear comrades. (See: Red Symphony) Mikael Bakunin, the prominent anarcho-syndicalist thinker and rival of Karl Marx, assailed Jewish control of the World Revolution, blasting Marx and his phony liberation ideology (Marxism) as a Rothschild-backed con for the Jewish financial oligarchy to undermine, loot and pillage the wealth of Gentile nations. Bakunin said,

“Himself a Jew, Marx has around him, in London and France, but especially in Germany, a multitude of more or less clever, intriguing, mobile, speculating Jews, such as Jews are every where: commercial or banking agents, writers, politicians, correspondents for newspapers of all shades, with one foot in the bank, the other in the socialist movement, and with their behinds sitting on the German daily press — they have taken possession of all the newspapers — and you can imagine what kind of sickening literature they produce. Now, this entire Jewish world, which forms a single profiteering sect, a people of bloodsuckers, a single gluttonous parasite, closely and intimately united not only across national borders but across all differences of political opinion — this Jewish world today stands for the most part at the disposal of Marx and at the same time at the disposal of Rothschild. I am certain that Rothschild for his part greatly values the merits of Marx, and that Marx for his part feels instinctive attraction and great respect for Rothschild. This may seem strange. What can there be in common between Communism and the large banks? Oh! The Communism of Marx seeks enormous centralization in the state, and where such exists, there must inevitably be a central state bank, and where such a bank exists, the parasitic Jewish nation,

which, speculates on the work of the people, will always find a way to prevail ....”

“I had on my arrival (at St. Petersburg) an interview with the Russian Minister of Finance, Count Canerin; I beheld the son of a Lithuanian Jew.... In consequence of that transpired at Madrid I went straight to consult the President of the French Council; I beheld the son of a French Jew.... We fixed on Prussia.... Count Arnim entered the cabinet, and I beheld a Prussian Jew. So you see, my dear Coningsby, that the world is governed by very different personages to what is imagined by those who are not behind the scenes.”

Then, four years after the Jewish-engineered outbreaks of 1848, Disraeli returned to the subject in his book *Lord George Bentinck*, stating,

(See also - <http://tinyurl.com/7q68wwp>)

“The influence of the Jews may be traced in the last outbreak of the destructive principle in Europe. An insurrection takes place against tradition and aristocracy, against religion and property... The natural equality of men and the abrogation of property are proclaimed by the secret societies who form provisional governments and men of Jewish race are found at the head of every one of them.”

Chaim Weizmann, the 20th century’s preeminent Zionist influence-peddler, architect of the ‘Balfour Declaration’, and first president of Israel, is quoted as saying: “A beneficent protection which God has instituted in the life of the Jew is that He has dispersed him all over the world.” (*JEWISH GUARDIAN*, Oct. 8, 1920.)

Now compare this with the last clause of Protocol No. 11, of The Protocols of Zion: “God has granted to us, His Chosen People, the gift of dispersion, and from this, which appears to all eyes to be our weakness, has come forth all our strength, which has now brought us to the threshold of sovereignty over all the world.” The remarkable similarity between Weizmann’s pronouncement and the passage from the Protocols proves that the Jewish Learned Elders exist, Weizmann chief among them.

This Hidden Hand of Jews was subtly identified by Walter Rathenau (1867-1922), a German-Jewish industrialist, writer, and statesman who served as Germany’s Foreign Minister during the Weimar Republic. Writing in the Wiener Freie Presse, December 24, 1912, he said: “Three hundred men, each of whom knows all the others, govern the fate of the European continent, and they elect their successors from their entourage.” This reality was confirmed by Jean Izoulet, a Jewish professor at the College of France and a member of the Jewish-Masonic secret society Alliance Israelite Universelle. Writing in his 1926 book “Paris Capital of Religions”, Izoulet said: “I certainly do not want to relinquish their Magisterium temporal the three hundred bankers who, at the moment, dominate the world.”

He presided over the Zionist Congress at the Hague in 1907 and gave the opening and closing speeches. The New York Times tells us that in

In 1922 at a Zionist conference in Carlsbad, California, Zionist leader Nahum Sokolow boastfully gloated that the League of Nations (predecessor of the United Nations) was a Jewish construct and tool, and that Jerusalem will one day be capital of the world upon the realization of their dark plans:

Theodore Newman Kaufman was an American Jew , I have already told you about this cocksucker in my previous articles also, who published a book in 1941 calling for the extermination of the entire German race and nation in a “final solution” of sterilization. (See: Kaufman, Theodore N. Germany Must Perish! Newark, NJ: Argyle Press, 1941) In the same year of his book’s publication, this devilish Jew gave an interview to The Canadian Jewish Chronicle in which he fervently

articulated his desire not only for the annihilation of all German Gentiles, but also for Jewish World Government, stating:

“I believe that the Jews have a mission in life. They must see to it that the nations of the world get together in one vast confederation. ‘Union Now’ is the beginning of this. Slowly but surely the world will develop into paradise. We will have perpetual peace. And the Jews will do the most to bring about this confederation, because they have the most to gain.”

Kaufman’s call for “Union Now” was strangely similar to a proclamation made by Adolph Crémieux, a prominent French-Jewish lawyer and statesman who founded the Jewish Masonic order “Alliance Israelite Universelle” in Paris in 1860. At an Alliance meeting Crémieux declared in true ‘Protocols’ style: “The Alliance is not limited to our cult; it voices its appeal to all cults and wants to penetrate in all religions, as it has penetrated into all countries. Let us endeavor boldly to bring about the union of all cults under one flag of “Union and Progress”: such is the motto of humanity.” Crémieux and his secretive Jewish order were named as the prime conspirators in the formulation of The Protocols of Zion, in an enlightening essay entitled, “The Protocols of the Ruffle Crested Kikes of Zion”.

In 1940, Arthur Greenwood — the Deputy Leader of the British Labour Party and member of the British War Cabinet — made a vocal pledge to American Jewry that upon the defeat of the Axis Powers in WWII he would do his utmost to help realize the formation of a “New World Order” in the world, led and dominated by the Jews. In 1946, the US government put to Stalin a proposal for World Government, penned by two Globalist Jews — Bernard Baruch and David Lilienthal. Baruch was a wealthy Jewish Wall Street tycoon, and influential adviser to five American presidents. In World War I he was Woodrow Wilson’s chief adviser on national defense and was appointed chairman of the War Industries Board (1918-1919), thus bringing the American war machine under the heel of Jewish financiers. Baruch, and a contingent of his kinsmen, helped frame the economic provisions of the Versailles Treaty of 1919 which carved Germany into pieces after WWI. In his address to the United Nations Atomic Energy Commission on the 14th of June, 1946, Baruch made the following “Protocolist”, One-Worldist pronouncement:

“Behind the black portent of the new atomic age lies a hope which, seized upon with faith, can work out salvation ... Let us not deceive ourselves: we must elect world peace or world destruction. ... Peace is never long preserved by weight of metal or by an armament race. Peace can be made tranquil and secure only by understanding and agreement fortified by sanctions. We must embrace international cooperation or international disintegration.”

Baruch also predicted the “Cold War” between the US and the USSR. In 1948, during a speech before the Senate’s Special Committee Investigating the National Defense Program, he said,

(See also - <http://tinyurl.com/6ssa2wu>)

“Although the shooting war is over, we are in the midst of a cold war which is getting warmer.”

Fellow Zionist kingpin, Rabbi Stephen S. Wise, peculiarly predicted the ascendancy of Woodrow Wilson to the presidency, and in his autobiography, “Challenging Years,” (p. 161) boasted “that an immensely influential hidden power” — with which he was intimately acquainted — “had chosen Wilson as a major pawn in their political game” even before the president of Princeton University had entered into politics. Wise would go on to become one of Wilson’s chief advisers who was instrumental in persuading Wilson to support the ‘Balfour Declaration’. Wilson, of course, was the “poodle on a string” of the conniving Protocolist Jews, having signed into law two of the most important planks of their Communist Manifesto — Plank #2, “A heavy progressive or graduated income tax,” and Plank #5, the creation of a central bank, “with exclusive monopoly.”

Perhaps in a fit of rebelliousness against his masters, Woodrow Wilson made this ominous remark about the secret forces controlling the United States government from behind the scenes,

“...we have come to be one of the worst ruled, one of the most completely controlled and dominated, governments in the civilized world — no longer a government by free opinion, no longer a government by conviction and the vote of the majority, but a government by the opinion and the duress of small groups of dominant men.” (Woodrow, Wilson. *New Freedom: a Call for the Emancipation of the Generous Energies of a People*. Further clarification and confirmation of this ongoing Jewish World Government project was provided by Israel's first prime minister — the Jewish supremacist, Talmudist, Zionist terrorist and Bolshevist internationalist — David Ben-Gurion. In 1962, Ben-Gurion predicted the end of the Cold War in the late 1980s, and went on to express a burning desire for world governance, led by the Jewish nation:

(See also - [http://en.wikipedia.org/wiki/David\\_Ben-Gurion](http://en.wikipedia.org/wiki/David_Ben-Gurion))

“The image of the world in 1987 as traced in my imagination: the Cold War will be a thing of the past. Internal pressure of the constantly growing intelligensia in Russia for more freedom and the pressure of the masses for raising their living standards may lead to a gradual democratization of the Soviet Union. On the other hand, the increasing influence of the workers and farmers, and rising political importance of men of science, may transform the United States into a welfare state with a planned economy. Western and Eastern Europe will become a federation of autonomous states having a Socialist and democratic regime. With the exception of the USSR as a federated Eurasian state, all other continents will become united in a world alliance, at whose disposal will be an international police force. All armies will be abolished, and there will be no more wars. In Jerusalem, the United Nations (a truly United Nations) will build a shrine of the Prophets to serve the federated union of all continents; this will be the scene of the Supreme Court of Mankind, to settle all controversies among the federated continents, as prophesied by Isaiah.” (Gurion, David Ben & Duchovny, Amram. David Ben-Gurion, In His Own Words. Fleet Press Corp., 1969, p. 116; also quoted in Look Magazine, January 16, 1962, p. 20)

Ben-Gurion reiterated his ostentatious dreams of a Jewish Utopia when he said: “Jerusalem is not the capital of Israel and world Jewry, it aspires to become the spiritual center of the world.” The Israeli prime minister was a chauvinistic Jewish supremacist who stated his rotten aims openly. He spilled the blood of tens of thousands of Palestinians and was responsible for the uprooting and beheading of their nation. He, along with his clique of ferocious Zionist bandits, gangsters and thugs, masterminded “the Nakba” which has been described as “the mass deportation of a million Palestinians from their cities and villages, massacres of civilians, and the razing to the ground of hundreds of Palestinian villages.”

Flaunting his Jewish pride and arrogantly mocking his victims by falsely claiming to be a victim, Ben-Gurion sanctimoniously said:

(See also - <http://tinyurl.com/82ar35h>)

“We would not have taken on this war merely for the purpose of enjoying this tiny state. There have been only two great people: the Greeks and the Jews. Perhaps the Greeks were even greater than the Jews, but now I can see no sign of that old greatness in the modern Greeks. Maybe when the present process is finished we too will degenerate, but I see no sign of degeneration at present. [...] Suffering makes a people greater, and we have suffered much. We had a message to give the world, but we were overwhelmed, and the message was cut off in the middle. In time there will be millions of us — becoming stronger and stronger — and we will complete the message. [...] Our policy must be the unity of the human race. The world is divided into two blocs. We consider that the United Nations’ ideal is a Jewish ideal.”

Ben-Gurion believed Jews to be living gods on earth, superior to Gentiles in every way, stating:

“My concept of the messianic ideal and vision is not a metaphysical one but a socio-cultural-moral one ... I believe in our moral and intellectual superiority, in our capacity to serve as a model for the redemption of the human race. This belief of mine is based on my knowledge of the Jewish people, not some mystical faith; the glory of the divine presence is within us, in our hearts, and not outside of us.” (Hertzberg, Arthur. *The Zionist State*. Jewish Publication Society, 1997, p. 94)

Ben-Gurion’s “prophecy” of an earthly Jewish kingdom ruled from Jerusalem was similarly expressed by the Temple Mount Faithful organization newsletter (2000), which says:

(See also - <http://www.templemountfaithful.org/s5760.htm#HEADER19>)

“The real “United Nations Organization” will be the Kingdom of G-d which will soon be established in Jerusalem, based on the holy laws of G-d. The Temple will again be the heart, soul and focus of Israel and the nations. Mashiach ben David will come and will be the king of Israel and the world. He will come to Jerusalem

and rule from there and establish the Kingdom of G-d over all the world. Jerusalem instead of New York will be the center of the this godly “United Nations Organization” and a new era of justice, spiritual holiness, a real law based on the word of G-d in the Torah and a real peace will open and will be established in Jerusalem exactly as Isaiah prophesied: “The word that Isaiah the son of Amoz saw concerning Judah and Jerusalem. And it shall come to pass in the last days, that the mountain of the Lord’s house shall be established on the top of the mountains, and shall be exalted above the hills; and all nations shall flow to it. And many people shall go and say, Come, and let us go up to the mountain of the Lord, to the house of the God of Jacob; and he will teach us of his ways, and we will walk in his paths; for from Zion shall go forth Torah, and the word of the Lord from Jerusalem. And he shall judge among the nations, and shall decide for many people; and they shall beat their swords into plowshares, and their spears into pruning hooks; nation shall not lift up sword against nation, nor shall they learn war any more. O house of Jacob, come, and let us walk in the light of the Lord.” (Isaiah 2:1-5)

As demonstrated by the Jewish supremacist group “Temple Mount Faithful,” the ancient Jewish plan for world ownership is prophesied in the Jewish Old Testament book of Isaiah. This book, among others, exemplifies the Jewish supremacist mentality. For example, in Isaiah 60:16, it says: “Thou shalt also suck the milk of the Gentiles, and shalt suck the breast of kings: and thou shalt know that I the LORD am thy Saviour and thy Redeemer, the mighty One of Jacob.” Isaiah 61:5 reiterates this concept of Gentile servitude to the Jews, stating: “And strangers [non-Jews] shall stand and feed your flocks, and the sons of the alien [non-Jews] shall be your plowmen and your vinedressers.” Isaiah 60:5 and Isaiah 61:6 prophesied that the Jews will come to possess all the wealth of the world: “the wealth of the nations [the Goyim] shall come unto thee [the Jews]. ... You will feed on the wealth of nations, and in their riches you will boast.” I did already told you about this comrades , in previous article of mine viz World Domination - Dream of Judaism. When Ben-Gurion referred to “everybody” in his Protocolist Prophecy he was most likely only referring to Jews, since the Zohar states: “‘living soul’ refers to Israel, who have holy living souls from above, and “cattle and creeping thing and beast of the earth” to the other peoples who are not ‘living soul’.”

This view is corroborated by the crazed ravings of many prominent Jewish rabbis, including many of Judaism’s most revered sages. Take for instance, Rabbi Shneur Zalman of Liadi (1745-1812), the founder of the extremist Jewish sect “Chabad” who cursed Gentiles, claiming we possess evil souls: “Gentile souls are of a completely different and inferior order. They are totally evil, with no redeeming qualities whatsoever... All Jews are innately good, all Gentiles are innately evil.” (quoted in Foxbrunner, A. Roman. Habad: the Hasidism of R. Shneur Zalman of Lyady. University of Alabama Press, 1992, p. 108)

Rabbi Kook the Elder, the revered father of the messianic tendency of Jewish fundamentalism, said, “The difference between a Jewish soul and souls of non-Jews—all of them in all different levels—is greater and deeper than the difference between a human soul and the souls of cattle.” (quoted in Shahak, Israel & Mezvinsky, Norman. Jewish Fundamentalism in Israel. London: Pluto Press, 1999, p. 176)

(See also - <http://tinyurl.com/cad32fh>)

The late, highly revered Rabbi Menachem Mendel Schneerson, the “Lubavitcher Rebbe” who headed the Chabad movement and wielded great influence in Israel as well as in the U.S., explained that, “The difference between a Jewish and a non-Jewish person stems from the common expression: ‘Let us differentiate.’ Thus, we do not have a case of profound change in which a person is merely on a superior level. Rather, we have a case of ‘let us differentiate’ between totally different species. This is what needs to be said about the body: the body of a Jewish person is of a totally different quality from the body of [members] of all nations of the world...A non-Jew’s entire reality is only vanity. It is written, ‘And the strangers

shall guard and feed your flocks' (Isaiah 61:5). The entire creation [of a non-Jew] exists only for the sake of the Jews..." (Ibid., p. 59)

(See also - <http://tinyurl.com/79d2hny>)

An immigrant to Israel from the U.S., Rabbi Ginsburgh speaks freely of his belief in the Jews' genetic-based, spiritual superiority over non-Jews: "If you saw two people drowning, a Jew and a non-Jew, the Torah says you save the Jewish life first. ... If every simple cell in a Jewish body entails divinity, is a part of God, then every strand of DNA is part of God. Therefore, something is special about Jewish DNA...If a Jew needs a liver, can you take the liver of an innocent non-Jew passing by to save him? The Torah would probably permit that. Jewish life has an infinite value." (Ibid., p. 62)

(See also - <http://tinyurl.com/7lhk86p>)

Rabbi Ovadia Yosef, the head of Shas's Council of Torah Sages, declared that Gentiles exist solely to serve the Jews as slaves. According to the rabbi: "Goyim were born only to serve us. Without that, they have no place in the world – only to serve the People of Israel." (Mandel, Jonah. "Yosef: Gentiles Exist Only To Serve Jews." The Jerusalem Post. 10/18/2010) And these are just the statements Jews have made aloud my fellow comrades. Just imagine how these bastards talk when they know Gentiles aren't listening.

Another cardinal proof of the Zionist World Conspiracy was the incredible foresight displayed by Zionist leader Simon Maximilian Südfeld (alias Max Nordau), Theodore Herzl's close confidant who convinced him to organize the first Zionist conference in Basel, Switzerland in 1897. At the sixth Zionist Congress in 1903 — eleven years before World War I commenced and forty-five years before Israel was established — Nordau spoke of a coming "World War" resulting in the creation of a Jewish state in Palestine, which England would help to procure for them:

(See also - [http://en.wikipedia.org/wiki/Max\\_Nordau](http://en.wikipedia.org/wiki/Max_Nordau))

"Let me tell you the following words as if I were showing you the rungs of a ladder leading upward and upward: Herzl, the Zionist Congress, the English Uganda proposition, the future world war, the peace conference where, with the help of England, a free and Jewish Palestine will be created." (quoted in Rosenthal, Litman. "A Prophet Speaks", American Jewish News, New York, Vol. 4, No. 2, September 19, 1919. p. 464; also quoted in Stevens, Richard P. Strange and incredible — is it not Comrades? — that a leading Zionist Jew was able to predict the course of events of the next several decades. It appears Max Nordau was not the only Jew with an uncanny gift of foresight. Leading communist ideologue and co-author of “The Communist Manifesto”, crypto-Jew Friedrich Engels, made it clear that he and his fellow communist comrades were comfortable with human sacrifices amounting to the loss of tens of millions of lives, in order to pave the way for revolution and a global communist imperium. In 1887, Engels somehow knew a “World War” was on the horizon and would soon arrive on the shores of Europe, laying waste to Europe’s empires and thus leaving the continent vulnerable to communist revolution, upheaval and subversion:

“No other war is now possible for Prussia-Germany than a world war, and indeed a world war of hitherto unimagined sweep and violence. Eight to ten millions soldiers will mutually kill each other off and in the process devour Europe barer than any swarm of locusts ever did. The desolation of the Thirty Years War compressed in three or four years and spread over the entire continent: famine, plague, general savagery, taking possession both of the armies and of the masses of the people, as a result of universal want; hopeless demoralization of our complex institutions of trade industry and credit, ending in universal bankruptcy; collapse of the old states and their traditional statecraft, so that crowns will roll over the pavements by the dozens and no one to be found to pick them up; absolute impossibility of foreseeing where this will end, or who will emerge victor from the general struggle. Only one result is absolutely sure: general exhaustion and the creation of the conditions for the final victory of the working class.” (quoted in Wolfe, David Bertram. *Marxism, One Hundred Years In The Life of a Doctrine*. Dial Press, (1965), p. 67)

(See also - <http://tinyurl.com/c6amuwo>)

Another who predicted the impending doom of a grand European conflict was Jan Gotlib Bloch, a Polish crypto-Jew, banker/financier, Zionist activist, “campaigner against Russian antisemitism”, and acquaintance of Theodore Herzl. In 1899, Bloch published a book about military warfare titled, “Is War Now Possible?”, within which he envisioned a “long war”, a “great war of entrenchments”, which would involve some ten million men. Bloch asserted that economic factors would be “the dominant and decisive element in the matter” and that the future of war was not fighting but famine, resulting in the bankruptcy of nations and the break-up of social organization of societies. It is clear that International Jews foresaw the First World War. Did they do nothing but foresee it? The facts do not stop at foresight, but run on to provocation. Perhaps prominent Zionist Jews and Communist Jews were cognizant of the eventual outbreak of a World War because they strove to bring it to fruition utilizing their unmatched money, media and political clout?

The Protocols of Zion gives us insight into this question Comrades...

“We must be in a position to respond to every act of opposition by war with the neighbors of that country which dares to oppose us: but if these neighbors should also venture to stand collectively together against us, then we must offer resistance by a universal war.” (The Protocols of Zion, 7:3)

Zionist Jew kingpin, Chaim Weizmann, admitted as much in a letter to Winston Churchill. Historian David Irving documented Weizmann’s venture to persuade Churchill to help the Zionists create a Jewish Fighting Force — an army of Jewish terrorists to be used as a battering ram to forcefully overtake Palestine and wantonly genocide the Arabs living there — in exchange for the Jews’ dragging America into WWII on England’s side. The arrogant and conceited Jew, Weizmann, couldn’t help but boast about how his fellow Jews “did it in the last war and are keen to do it again”:

“On September 10, 1941 Weizmann therefore wrote an outspoken letter to the prime minister in which he recalled how the Jews of the United States had pulled their country into war before; he promised that they could do it again – provided that Britain toed the line over Palestine. Two years had passed since the Jewish Agency had offered the support of the Jews throughout the world – the Jewish ‘declaration of war’ on Germany; a whole year had passed, he added, since the P.M. had personally approved his offer to recruit Jews in Palestine for service in the Middle East or elsewhere. For two years the Agency had met only humiliation. Ten thousand Palestinian Jews had fought in Libya, Abyssinia, Greece, Crete, and Syria, he claimed, but this was never mentioned.

“Then Weizmann came to his real sales-pitch: ‘There is only one big ethnic group [in the USA] which is willing to stand, to a man, for Great Britain, and a policy of “all-out aid” for her: the five million Jews. From Secretary Morgenthau, Governor [of New York State] Lehmann, Justice [Felix] Frankfurter, down to the simplest Jewish workman or trader, they are conscious of all that this struggle against Hitler implies.’ British statesmen, he reminded Churchill, had often acknowledged that it was these Jews who had brought the United States into the war in 1917. ‘They are keen to do it – and may do it – again.’ All that he and the Jews of the United States were asking for, therefore, was the formation now of a Jewish Fighting Force.” (Irving, David. *Churchill’s War: Triumph in Adversity* Vol. 2. Focal Point Publications, 2001, Pp. 76-77; also see this facsimile of Weizmann’s letter to Churchill)

The “godfather of Zionism”, Theodore Herzl, was not shy about admitting that the Jews do indeed possess the necessary power to bring about world wars and revolutions, stating: “The wealthy Jews control the world...In their hands lies the fate of government and nations. They (the Jews) set governments one against the other and by their decree governments make peace. When the wealthy Jews play, the nations and the rulers dance.”

In his book “Jewish State”, Herzl spoke of the Jews’ “terrible power of the purse”:

(See also - <http://tinyurl.com/crmitt6>)

“Every point which arises in the relations between nations is a question of might. I do not here surrender any portion of our prescriptive right when I make this statement. In the world as it now is and will probably remain, might precedes right. For us to be loyal patriots as were the Huguenots who were forced to emigrate is therefore useless. ... The Jews must acquire economic power sufficiently great to overcome prejudice against them. When we sink, we become a revolutionary proletariat, but when we rise, there rises also our terrible power of the purse.”

The desolate reality of Jewish warmongering was elucidated in the August 1877 issue of Frank Leslie's "Popular Monthly", later known as "The American Magazine", which reported:

(See also - <http://winstonsmithministryoftruth.blogspot.ru/2011/10/1877-jewish-bankers-financing-all-wars.html>)

"To-day, the great Jewish bankers, such as the Rothschilds, may almost be said to hold in their hands the peace of Europe. They are creditors of most of the Governments of the world and there are few nations willing to risk the dangers and losses of war unless they have assurance from these potent capitalists of such monetary aid as may be necessary for carrying on a campaign. In the present European war, one of the combatants, having nothing to lose, is reckless of the consequence to her already bankrupt treasury, and the other, while yet the conflict has scarcely begun, has been compelled to seek the aid of Jewish bankers to secure means for its prosecution."

In 1881 the prestigious banking journal, Rhodes' Journal, informed us that Jewish international bankers held the keys to peace and war in Europe (often instigating the latter for monetary gain, evidently):

(See also - <http://winstonsmithministryoftruth.blogspot.ru/2011/10/1881-rothschild-bankers-run-europe-and.html>)

"It must be admitted that the Jewish people control the financial markets of Europe, possessing a much greater influence than in this country. The Emperor of Russia found that he could not place a loan in the Continental markets, because Rothschild did not view such a loan as favorable to the interests of England. A few Jewish bankers are therefore really the arbitrators of peace and war in Europe."

The internet blogger known as the Black Rabbit of Inlé compiled numerous quotes on the immense influence of the Rothschild family on his page "King of The Jews," some of which I will reproduce below Comrades:

The Rothschilds' official biographer, Niall Ferguson, explained the "quasi-royal status" of this Jewish banking dynasty and how their wealth is believed by some Jews to be "for a higher purpose... to avenge the wrongs of Israel":

"To poorer Jews throughout Europe, Nathan Rothschild's extraordinary rise to riches had an almost mystical significance—hence the legend of the "Hebrew talisman," the magical source of his good luck, which became associated with him

in Jewish lore. This extraordinary story—a version of which was published by an anonymous author in London just four years after Nathan Rothschild’s death (1836)—imagined that the source of Nathan’s financial success was his possession of a magical talisman. His wealth was in fact intended for a higher purpose: “to avenge the wrongs of Israel” by securing “the re-establishment of Judah’s kingdom—then rebuilding of thy towers, Oh! Jerusalem!” and “the restoration of Judea to our ancient race.” (Ferguson, Niall. *The House of Rothschild: Volume 1: Money’s Prophets: 1798-1848*, Viking, (1999), pp. 21/22)

(See also - <http://tinyurl.com/bowo4kl>)

Ferguson added that,

“... because of their wealth, other Jews looked to them for leadership in their pursuit of equal civil and political rights. As we shall see, this leadership was forthcoming from a remarkably early stage... acquiring quasi-royal status in the eyes of other Jews.” (Ibid., p. 22)

“... the house of Rothschild certainly stands preeminent at the recent death of one, who was thought the richest banker in Europe.”

“The ROTHSCHILDS are the wonders of modern banking ... we see the descendants of Judah, after a persecution of two thousand years, peering above kings, rising higher than emperors, and holding a whole continent in the hollow of their hands. The Rothschild govern a Christian world. Not a cabinet moves without their advice. They stretch their hand, with equal ease, from Petersburg to Vienna, from Vienna to Paris, from Paris to London, from London to Washington. Baron Rothschild, the head of the house, is the true king of Judah, the prince of the captivity, the Messiah so long looked for by this extraordinary people. He holds the keys of peace or war, blessing or cursing.”

The Bankers Magazine printed in 1847 states:

“The five brothers (Anselm, Solomon, Nathan, Charles & James) have taken part in most of the great financial affairs of Austria, of France, of England, and of almost every country. They have formed among themselves an invincible phalanx. By themselves, or by their agents, they have exercised a great control over the principal places in Europe, and, faithful to their habit, never to undertake anything separately and to concert all their operations, they have followed one unvaried and identical system. Their power was such, that at one time they were free to make either peace or war.”

The Ladies’ Repository published in 1863 states:

“The change in the position of the Jew within the last half of the century is one of the most remarkable character. Fifty years ago the Jew was inert and imbecile. Now he exercises a power greater than in the days of David or Solomon. The Jews to-day influence more people, control more bullion, and exercise more legislative power than they did when they had their temple their land, and their sceptre.”

“The palaces of the Rothschilds, the richest family in the world, harbor many a warm heart, whose pulsations are quickened by the thought of Israel’s history and poetic heritage. Wealth has not abated a jot of their enthusiasm and loyal love for the faith.”

Printed between 1901 and 1906 The Jewish Encyclopedia asserted:

“It is a somewhat curious sequel to the attempt to set up a Catholic competitor to the Rothschilds that at the present time the latter are the guardians of the papal treasure.”

British economist J. A. Hobson's seminal book, "Imperialism", published in 1902, states:

(See also - <http://tinyurl.com/c5vp95h>)

"Does anyone seriously suppose that a great war could be undertaken by any European State, or a great State loan subscribed, if the house of Rothschild and its connections set their face against it?"

The Missionary Review of the World, Volume 29, printed in 1906 disclosed:

(See also - <http://tinyurl.com/6slopwx>)

"The Possession of Wealth: One Jewish banking house is estimated to control \$30,000,000,000. The Rothschilds in ten years loaned \$482,000,000. Nearly one-half of the gold coined, of the entire world, is said to be in Jewish hands."

In 1909, seven years before becoming British Prime Minister, David Lloyd George stated in a speech:

(See also - <http://tinyurl.com/8744n3n>)

"I should really like to know, is Lord Rothschild the dictator of this country? Are we really to have all the ways of reform, financial and social, blocked simply by a noticeboard, 'No thoroughfare. By order of Nathaniel Rothschild'?"

Another of the family biographers, Derek Wilson, conceded that critics of the Rothschilds have legitimate reasons for anxiety, affirming:

(See also - <http://tinyurl.com/cp7j3v7>)

"The House of Rothschild is immensely more powerful than any financial empire that has ever preceded it, and it is able to control governments behind the scenes, secretly."

Dutch economist Ad Broere, in his 2010 book "Ending The Global Casino," informs us that,

(See also - <http://tinyurl.com/bpz6mpt>)

"The 19th century became known as the age of the Rothschilds when it was estimated they controlled half of the world's wealth. While their wealth continues

to increase today, they have managed to blend into the background, giving an impression that their power has waned. They only apply the Rothschild name to a small fraction of the companies they actually control.”

Jewish leader, Louis Marshall, subtly confessed that the schemes of Zionism were a long-term plan for Jewish power-grabbing, stating: “Zionism is but an incident of a far-reaching plan: it is merely a convenient peg on which to hang a powerful weapon.” This Jewish World Plot is not a new phenomena by any means, and most likely originated with the advent of Judaism itself over 3000 years ago. A shocking clue to its existence was left behind in 1492 by the Grand Sanhedrin which resided in Constantinople,

“In 1492, Chemor, chief Rabbi of Spain, wrote to the Grand Sanhedrin, which had its seat in Constantinople, for advice, when a Spanish law threatened expulsion. This was the reply:

Beloved brethren in Moses, we have received your letter in which you tell us of the anxieties and misfortunes which you are enduring. We are pierced by as great pain to hear it as yourselves.

The advice of the Grand Satraps and Rabbis is the following:

1. As for what you say that the King of Spain 3 obliges you to become Christians: do it, since you cannot do otherwise.
2. As for what you say about the command to despoil you of your property: make your sons merchants that they may despoil, little by little, the Christians of theirs.
3. As for what you say about making attempts on your lives: make your sons doctors and apothecaries, that they may take away Christians’ lives.
4. As for what you say of their destroying your synagogues: make your sons canons and clerics in order that they may destroy their churches.
5. As for the many other vexations you complain of: arrange that your sons become advocates and lawyers, and see that they always mix in affairs of State, that by putting Christians under your yoke you may dominate the world and be avenged on them.
6. Do not swerve from this order that we give you, because you will find by experience that, humiliated as you are, you will reach the actuality of power.

The Jews hide behind a bogus veneer of victimhood in order to deceive naive Gentiles about their sinister agenda and carnivorous quest for World Governance. This guilt and sympathy peddling charade is laughably transparent. Zionist kingpin, Rabbi Stephen S. Wise (1874-1949) — the co-founder of the World Jewish Congress and other subversive groups — frantically howled that the whole of Christendom owes the Jews a homeland in Palestine for perceived wrongs done to the Jews. Stephen S Wise annoyingly squawked: “The rebuilding of Zion will be the reparation of all Christendom for all the wrongs done to the Jews.” In 1900 Rabbi Wise let slip the premeditated hoax of holocaustianity when he spoke of “6,000,000 living, bleeding, suffering arguments in favor of Zionism.” That was one of dozens upon dozens of references and invocations of the cabalistic fable of “6,000,000 persecuted, dead or dying Jews” from 1900 through 1945, leading up to the creation of the state of Israel on the back of this deceptive, yet obvious hoax, in 1948.

United States Federal Judge, Julian Mack (1866-1943), chaired a plethora of Zionist organizations and worked vociferously to establish a Zionist state on stolen Palestinian land. In true Jewish supremacist fashion, this rabid nutcase demanded money from Christians to fund the heinous Zionist colonial project in Palestine, saying that this must be done “in appreciation of the debt which all the world owes to the Jews.” Believing the world owes them, these pompous, supremacist Jews don’t just demand Palestine — they want the entire planet handed over to them on a silver platter along with all of its valuables and treasures!

These damning facts, quotes and pronouncements — taken together — are extremely significant bits of evidence bearing on the existence of the Jewish

World Plot and the authenticity of the Protocols of Zion. Many of these astonishing statements are completely mimetic of what is outlined in the Protocols — a one-world tyrannical state governed by Jews upon which a Jewish World Tyrant, whom they refer to as the “King Despot of the Blood of Zion” (a descendant of the House of David), will be crowned king and rule the earth:

“Ever since that time we have been leading the peoples from one disenchantment to another, so that in the end they should turn also from us in favor of that KING-DESPOT OF THE BLOOD OF ZION, WHOM WE ARE PREPARING FOR THE WORLD.” (The Protocols of Zion, 3:15)

“The recognition of our despot ... will come when the peoples, utterly wearied by the irregularities and incompetence – a matter which we shall arrange for – of their rulers, will clamor: “Away with them and give us one king over all the earth who will unite us and annihilate the causes of disorders – frontiers, nationalities, religions, State debts – who will give us peace and quiet which we cannot find under our rulers and representatives.” (The Protocols of Zion , 10:18)

“When the King of Israel sets upon his sacred head the crown offered him by Europe he will become patriarch of the world.” (The Protocols of Zion, 15:23)

Much of this was affirmed by a man named Benjamin Freedman, a former Zionist and former Jew who converted to Christianity and became an outspoken critic of Zionism and international Jewish intrigue. Freedman was a successful New York businessman who had been for many years on a first name basis with many leading Zionist power-brokers as well as several American presidents. Thus he had intimate first-hand knowledge of international politics, the role Jews played in it and influence they wielded over it. He wrote a book called “The Hidden Tyranny” and, in 1961, gave a very illuminating speech at The Willard Hotel, Washington, D.C., primarily exposing the role of Zionist Jewry in bringing America into World War I in return for British support for the Zionist ambition to seize and colonize Palestine at the war’s end.

## Club of Death - Judea and Bolshevism

As previously I exposed in my other two articles viz [topic7627.html](#) and [topic7660.html](#) Communism — also known as Bolshevism — is a Jewish confidence trick — a swindle to establish Jewish control over Gentile nations that were not compliant with the aims of International Finance Jewry. The so-called “Russian Revolution” of 1917 was not a Russian phenomenon at all, but rather a well-organized and executed Jewish coup d’etat. The first communist-led

upheaval of 1905 was also the work of plotting Jewish agitators and radicals. These are well established facts, not spurious claims as the lying Jews would have you believe.

The Jewish controlled press, Hollywood movie industry and intellectual domain of most Western countries, have endeavored to not only downplay the role of Jews in Bolshevism, but also to whitewash Bolshevik atrocities. A conspiracy of silence regarding the monstrous crimes of Communism continues even today, whilst we are pummeled from every direction with ridiculous and nonsensical Zionist propaganda about an impossible “holocaust of six million Jews”. Bastard liars masquerading as “journalists”, “professors” and “historians” even strive to glorify or romanticize Communism and murderous Marxist revolutionaries. These sleazy, scum-ridden shills not only never criticize anything having to do with Communism, but always describe it as a sincere and timely experiment with the greatest of social advantages.

(See also - <http://josministries.prophpb.com/topic7105.html>)

Comrades, At the time, Jews openly bragged that the “Russian” revolution was their making. They were the financiers, the revolutionaries and the bloodthirsty horde of murderous “Cheka” secret police officers (later known as the NKVD, OGPU, KGB, etc) who were responsible for liquidating untold millions of Russians and Eastern Europeans. Now Jews say, “Who, us? No, Jews had nothing to do with it! You’re just antisemitic!” Even those Jews who might still be alive and who took part in the massacres now deny that Jews were involved in these crimes. Even though anti-Semitism became a capital crime punishable by death after the revolution of 1917 (as you shall see), Jews now ludicrously assert that they were “persecuted.” Even though the Christian churches burned while the synagogues were left untouched, Jews now foolishly deny that they were protected. Even though Christian priests and nuns were tortured, executed en masse and forced to sweep the streets — while Jews and rabbis lived high on the hog — Jews now comically claim they were victims of Bolshevism! This is the tried and true victim strategy that Jewish criminals have employed for millennium to evade and escape justice for their hideous crimes.

The Jews had harbored tremendous enmity for the Russian Czars, firstly because they were Christian, and secondly because the Czars kept the Jews marginalized and in check by restricting them to their own areas (the so-called “Jewish Pale”), and reined them in when they got out of line. For those reasons, among others, fanatical Russian and Eastern European Jews mobilized revolutionary terror brigades to depose and assassinate the Czars. In 1881, Czar Alexander II was assassinated by Jews. Heir to the throne was Czar Nicholas II, the Jews’ next target.

The first communist-inspired, Talmudic upheaval in Christian Russia occurred in 1905, led by the Masonic Jews Leon Deustch, Vladimir Lenin, Leiba Bronstein (alias Leon Trotsky) and Trotsky's guide and mentor Israel Helphand (alias Alexander Parvus) — the multimillionaire financier who was also a political adviser of the “Young Turks” (i.e. crypto-Jews who sparked a revolution in Ottoman Turkey in 1908, to facilitate Zionist ambitions). Parvus raked in millions in profits from the sale of weapons and foodstuffs to the Turkish Army, who — under the captainship of the crypto-Jewish “Young Turks” — carried out the Armenian massacres of 1915, slaying 1.5 million Christians. Jews boastfully claimed responsibility for the 1905 revolutionary uprising. For example, The Maccabean of London wrote in an article entitled “A Jewish Revolution” in November of 1905:

“The revolution in Russia is a Jewish revolution, a crisis in Jewish history. It is a Jewish revolution because Russia is the home of about half the Jews of the world, and an overturning of its despotic government must have a very important influence on the destinies of the millions living there and on the many thousands who have recently emigrated to other countries. But the revolution in Russia is a Jewish revolution also because Jews are the most active revolutionists in the Tsar's empire.” (quoted in: L. Fry, *Waters Flowing Eastward: The War Against the Kingship of Christ*. TBR Books, Washington, D. C., (2000), p. 40.)

Bolshevist undertakings, like Zionist ones, were subsidized by wealthy Jewish loan-sharks. In preparation for the 1905 revolution, Jewish bankers manufactured a war between Russia and Japan. They had long been conducting a perfidious economic war against Russia by sabotaging Russia's ability to secure Western loans and by financing Russia's enemies. This was done in a malicious effort to weaken Russia economically and physically, thus making it ripe for revolution, communist subversion and Jewish plundering. Prominent Jewish banker and "philanthropist", Jacob Henry Schiff — the Rothschild emissary in America who headed the powerhouse Kuhn, Loeb & Co. bank in New York — financed the Japanese war effort against Russia by floating them a loan of \$200,000,000 USD. The Jewish Communal Register of New York City 1917-1918 wrote of Jacob Schiff,

"The firm of Kuhn, Loeb & Co., floated the large Japanese War loans of 1904-05, thus making possible the Japanese victory over Russia. [...] Mr. Schiff has always used his wealth and his influence in the best interests of his people. He financed the enemies of autocratic Russia and used his financial influence to keep Russia from the money market of the United States."

Not only did the raging Russophobe Jacob Schiff finance Russia's enemies to attack her, but he also financed the distribution of revolutionary propaganda to Russian POWs being held in Japanese prison camps during the 1904-1905 Japanese-Russo war. He had hoped that this propaganda would poison their minds against the Czar and upon their return to Russia at the war's end they would commit mutiny and help install the Jewish communists into power.

Although the attempted revolution of 1905 failed to bring down the Russian Czarist government, the Marxist Jews had caused a great deal of carnage. The murderous bloodletting of the Jews was noted by William Eleroy Curtis, in a speech he delivered to the National Geographic Society on 14 December, 1906:

#### “THE VENGEANCE OF THE JEWS

Perhaps these reforms are the cause of the present tranquility, because the revolutionary leaders nearly all belong to the Jewish race and the most effective revolutionary agency is the Jewish Bund, which has its headquarters at Bialystok, where the massacre occurred last June. The government has suffered more from that race than from all of its other subjects combined. Whenever a desperate deed is committed it is always done by a Jew, and there is scarcely one loyal member of that race in the entire Empire. The great strike which paralyzed the Empire and compelled the Czar to grant a constitution and a parliament was ordered and managed by a Jew named Krustaleff, president of the workingmen’s council, a young man only thirty years old. He was sent to the penitentiary for life, and had not been behind the bars more than three weeks when he organized and conducted a successful strike of the prison employees.

Maxim, who organized and conducted the revolution in the Baltic provinces, is a Jew of marvelous ability. Last fall he came over here lecturing and collecting money to carry on the revolutionary campaign, but for some reason has vanished and nobody seems to know what has become of him.

Gerschunin, the most resourceful leader of the terrorists, who was condemned to life imprisonment in the silver mines on the Mongolian frontier, has recently escaped in a water cask, and is supposed to be in San Francisco. He is a Polish Jew only twenty-seven years old. I might enumerate a hundred other revolutionary leaders and every one of them would be a Jew. Wherever you read of an assassination or of the explosion of a bomb you will notice in the newspaper dispatches that the man was a Jew. The most sensational and dramatic episode that has occurred since the mutinies was on October 27, when, in the very center of Saint Petersburg, at the entrance of Kazan Cathedral, four Jews held up a treasury wagon and captured \$270,000. They passed the package to a woman, who instantly vanished, and no trace of her has ever been found; but they were all arrested and were promptly punished. On the 8th of November a few Jewish revolutionaries entered a treasury car near Ragow, in Poland, got \$850,000 and disappeared.

Every deed of that kind is done by Jews, and the massacres that have shocked the universe, and occurred so frequently that the name 'pogrom' was invented to describe them, were organized and managed by the exasperated police authorities in retaliation for crimes committed by the Jewish revolutionists." (W. E. Curtis, "The Revolution in Russia", The National Geographic Magazine, Volume 18, Number 5, (May, 1907), pp. 302-316, at 313-314.)

Author Juri Lina, on page 141 of his book "Under the Sign of the Scorpion", described the unbridled terror inflicted by the Marxist Jews:

"20 000 people were killed or crippled as a result of the terrorist actions in the years 1905-06, according to the film director Stanislav Govorukhin. Novoye Vremya put the total figure at 50 000 in March 1911. Both Parvus and Trotsky began to understand that all these sporadic terrorist actions would not be enough to support and decisively change the outcome of the coup attempts in October (when the all-out political strike was organized and terrorist actions were staged), December 1905, and in January 1906, when the last, desperate attempt to overthrow the Tsar's regime was made. Lenin, who sceptically followed the events in Russia from his exile, came to the same conclusion. Mass terror was needed for a victory. The "revolutionaries" dreamed of civil war."

The Masonic Jews fumed with anger upon realizing the utter failure of their putrid plans to overthrow the Czar and establish a Jewish tyranny; but their homicidal dreams and desires lived on. They immediately began plotting another revolution, which manifest in the year 1917.

These mealy-mouthed Marxist Jews slyly preached against capitalism by day, whilst hobnobbing with the richest of America's and Europe's Jewish capitalist bankers by night, who had been covertly subsidizing their baneful Bolshevik agitation activities for quite some time. This farcical Hebraic ruse couldn't have been more transparent. For example, the Jewish Marxist revolutionary, Leon Trotsky, socialized and played chess with über "bourgeois" Zionist Jew banker, Baron Rothschild, in Vienna. (Nedava, Joseph. "Trotsky and the Jews", Jewish

Publication Society of America, (1972), p. 36) In 1916, the mischievous, lying Jew Trotsky was summoned to the United States by the aforementioned Jewish mega-banker Jacob Schiff, and was given the task of recruiting and training Russian-Jewish immigrants from the Lower East Side of New York City as Marxist terrorist radicals for the Bolshevik revolution.

On March 27, 1917, Trotsky and his 300 well-trained Jewish communists from Manhattan's Lower East Side, boarded the Norwegian steamer "Kristianiafjord" for a journey that brought them to St. Petersburg in Russia. Before departing, Jacob Schiff gave Trotsky and his congregation of cabalist conspirators \$20,000,000. Simultaneously, Lenin and his Jewish comrades — facilitated by the German government — boarded a sealed train car which took them from Scandinavia to Petrograd, sitting on ten million dollars in gold supplied by Germany's richest Jewish banker, Max Warburg (whose brother Paul, strangely enough, was the chief architect of the Federal Reserve System, the Rothschild-controlled central bank of the United States).

Henry Wickham Steed, the chief editor of The Times, discerned that this financial aid went beyond the Kerensky regime, stating that,

"the prime movers [of the Bolshevik revolution] were Jacob Schiff, Warburg, and other international financiers, who wished above all to bolster up the Jewish Bolsheviks in order to secure a field for German and Jewish exploitation of Russia." (Steed, Henry Wickham. Through thirty years, 1892-1922: a personal narrative, Volume 2. Doubleday, Page & Company, 1924. p. 302)

In "Czarism and Revolution," Omni Publications, Hawthorne, California, (1962), pp. 231-232, we learn of the tidal wave of Jewish money flooding into the Bolshevik cause,

"In an excerpt from a secret report, dated New York, 15 February, 1916, (quoted from Boris Brazol, "The World At the Crossroads", 1921, Boston, Small, Maynard

and Co., Publ, p. 19) we read: “The Russian Revolutionary Party in America has decided upon a policy of overt action. Risings and disturbances may, therefore, be expected at any moment. The first secret meeting, marking the commencement of this new period of violence was held on the East Side in the evening of February 14th and was attended by 62 delegates of whom 50 were veterans of 1905, while the remaining 12 were newly joined members. The majority consisted of Jewish intellectuals, some of whom were professional revolutionaries. The discussions at this meeting were mainly centered around the opportunities offered and the means available for staging a revolution on a grand scale in Russia, the present time being considered extremely propitious. As previously reported, the party had just received from Russia secret information to the effect that all the necessary preliminaries for an immediate rising had been concluded. The only question of concern to the meeting was that of a possible shortage of funds; however, as soon as it arose, several members announced that no fears should be entertained on that subject as, at the appropriate time, the necessary money would be supplied by the sympathizers. In this connection the name of Jacob Schiff was repeatedly mentioned.”

A copy, dated September 23rd, 1919, of “To Moscow,” published in Rostov, contains further interesting facts about the part played by Jacob Schiff in the 1917 revolution. According to this paper, the information is based on a document originating from the French High Commissioner in Washington. The authenticity of this document cannot be contested as it was extracted from the archives of one of the high French government offices. Later it was quoted by Gen. Nechvolodov in his book, previously mentioned (pp. 97-104). Nechvolodov claims that it was drafted by official branches of the American Services and handed by them to the French High Commissioner. I present a few quotations comrades.:

“In February 1916, it was learnt that a revolution was being fomented in Russia and that the following persons and business concerns were engaged in this destructive enterprise: 1) Jacob Schiff; 2) Kuhn, Loeb & Co. (Directors: Jacob Schiff, Felix Warburg, Otto Kahn, Mortimer Schiff, Jerome H. Hanauer); 3) Guggenheim; 4) Max Breitung.

“It would therefore appear that the revolution in Russia, which broke out one year after this information was first reported, was sustained by Jewish interests.

“In April 1917, Jacob Schiff publicly declared that it was thanks to his financial support that the revolution in Russia had succeeded.

“In the Spring of the same year, Schiff commenced to subsidize Trotsky, who also received a contribution from ‘Forward’, a Jewish publication of New York.

“Simultaneously, Trotsky and Co. were also being subsidized by Max Warburg and Olaf Aschberg of the Nye Bank in Stockholm, another Jewish concern, the Rhine-Westphalian Syndicate and Jivotovsky, a wealthy Jew whose daughter later married Trotsky. Relations were thus established between multi-millionaire and proletarian Jewry.”

There follows a list of names drawing attention to the predominance of the Jewish element in the first Soviets. This document, after stressing the ties linking Kuhn, Loeb & Co. and other Jewish financial establishments, expresses the opinion “that the Bolshevik movement to a certain degree is the expression of a more general Jewish movement and that certain Jewish banking houses are interested in its furtherance.”

Mofa Agent of Judea Schiff.

Jacob Schiff did indeed publicly boast that “thanks are due to the Jew” that the revolution in Russia had succeeded. Juri Lina documented in similar terms how Jewish loan-sharks from America and Western Europe were throwing money at the Bolsheviks:

“It was above all Jacob and Mortimer Schiff, Felix Warburg, Otto H. Kahn, Max Warburg, Jerome J. Hanauer, Alfred Milner and the copper family Guggenheim who financed the Bolsheviks, according to the Jewish historian David Shub.

A document (861.00/5339) in the archives of the U.S. State Department confirms this. Two further names are mentioned in this document: Max Breitung and Isaac Seligman. All those people were Jews and freemasons. According to the same document, plans to depose the Tsar were made in February 1916. There are always some people who make money out of wars and revolutions. We must not forget this when we seek to understand history.

The Zionist banker and freemason Max Warburg played an important role in funding the Communist propaganda in Russia. He saw to it that the industrialist Hugo Stinnes agreed to give two million roubles to the Bolsheviks’ publishing activity on the 12th of August 1916. (Zeman, “Germany and the Revolution in Russia, 1915-18. Documents from the Archives of the German Foreign Ministry”, London, 1958, p. 92.) Thus there are documents extant which show that Max Warburg and other super-wealthy Jews supported Communism. These statements are not just made up, as certain know-it-alls have claimed.” (Under the Sign of the Scorpion, p. 180)

Of course, the Jew bankers got a great return on their investment. The Jew Bolsheviks methodically despoiled the wealth and valuables of Russia and the Czar, shipping boat loads of gold back to the vaults of Kuhn, Loeb & Co. in America, Warburg banks in Germany, and their own private bank accounts in various countries:

“The banker Jacob Schiff had given Leon Trotsky 20 million dollars to organise a Bolshevik take-over. That gamble certainly paid off. 600 million roubles in gold were transferred to the United States of America between 1918 and 1922, according to the historian Gary Allen. In the first half of 1921 alone, the banking house of Kuhn, Loeb and Co. made a profit of 102 290 000 dollars on the wealth the Bolsheviks had robbed, according to the New York Times, August 23rd, 1921. Multiply that sum by one hundred and you have the present-day value of that money. The Russian historian Dmitri Volkogonov revealed after findings in the

Communist Party archives that “just the Tsarina’s private reserves amounted to 475 million roubles in gold (plus 7 million for the crown jewels)”. (Dagens Nyheter, 31st of August 1992.) The Bolshevik financial department Goskhran confiscated all of this. Some Swedish journalists (including Staffan Skott) have, in accord with the prevailing myth, tried to explain that most of this wealth was handed over to the Communist parties in other countries, while millions of Russians died of starvation. That is not entirely accurate. According to the historian Igor Bunich, Lenin and Trotsky took care of this money personally. The gold, meanwhile, was smuggled out of Russia and deposited into personal bank accounts around the world. (30 tons of gold per year were produced in the Tsarist era in Russia.)” (Under the Sign of the Scorpion, p. 237)

Immediately upon their arrival in Russia, the bloody banditry of Jewry commenced, unleashing a carnivorous crusade of destruction never before seen or heard of. The revolutionary turmoil of 1917 — led by the name-changing crypto-Jews Vladimir Ulyanov (alias Lenin), Leiba Bronstein (alias Leon Trotsky), Jacob Sverdlov, Moisei Uritsky, Lev Rosenfeld (alias Kamenev), Grigory Radomylsky (alias Zinoviev), Lazar Moiseyevich Kaganovich, Karl Sobelsohn (alias Radek), Israel Helphand (alias Alexander Parvus), Rosalina Zalkind, Aaron Kuhn (alias Bela Kun), and a thousand and one other Jew Bolsheviks — wrought the stench of death upon the Russland, converting Russia into a temple of evil. When Lenin’s Bolsheviks seized the State in October of 1917, the Russians had become sacrificial lambs to be sent to the slaughterhouse by the new kosher communist butchers who ruled the country with an iron fist.

One of the first acts of brutality that set the stage for the following seventy years of bloodshed, famine, poverty and death, was the cold-blooded assassination of the Russian Imperial family, the Romanov’s — Czar Nicholas II, his wife, daughters and son — by a death squad of Jewish Bolshevik brigands. On orders of Jacob Schiff, the Romanov’s were shot and bayoneted in the Ipatiev House in Ekaterinburg where they had sought refuge, by a coterie of homicidal Jewish assassins: Jacob Sverdlov (first president of the Soviets), Yankel Yurovsky (Cheka general, known as an avid reader of the Talmud), Goloshchekin, Safarov, Voikov, and Syromolotov. The members of the Imperial family in closest succession to the throne were assassinated the following night.

In “The Last Days of the Romanovs” (p. 393), Robert Wilton, on assignment for The London Times in Russia for 17 years, summed up the “Russian Revolution” in these words:

“The whole record of the Bolshevism in Russia is indelibly impressed with the stamp of alien invasion. The murder of the Tsar, deliberately planned by the Jew Sverdlov and carried out by the Jews Goloshekin, Syromolotov, Safarov, Voikov, and Yurvsky, is the act, not of the Russian people, but of this hostile invader.

The Jewish domination in Russia is supported by certain Russians: the “burgess” Ulyanov alias Lenin, the “noble” Chicherin, the “dissenter” Bonch-Bruevich. They are all mere screens or dummies behind which the Sverdlovs and the thousand and one Jews of Sovepedia continue their work of destruction; having wrecked and plundered Russia by appealing to the ignorance of the working folk, they are now using their dupes to set up a new tyranny worse than any that the world has known.

Sovietdom has consecrated three heroes to whom monuments have been erected: to Karl Marx, to Judas Iscariot, and to Leo Tolstoi, the three names that are associated with the Revolution, Apostasy and Anarchism; two of them Jews.”

(See also - <http://tinyurl.com/6pdxuux>)

This “stamp of alien invasion”, as Robert Wilton put it, was unmistakably Jewish and Talmudic. Anti-Zionist author Douglas Reed explained the ethnic clues left behind by the Judaist killers of the Romanov family, and its incredible meaning:

“The chief reason for recounting the details of the pogrom of the Romanoffs is to point to the “fingerprint” which was left in the room where it was done. One of the assassins, presumably their leader, stayed to exult and put a significant signature on the wall, which was covered with obscene or mocking inscriptions in Hebrew, Magyar and German. Among them was a couplet which deliberately related the deed to the Law of the Torah-Talmud and thus offered it to posterity as an example of the fulfilment of that law, and of Jewish vengeance as understood by the Levites. It was written in German by someone who parodied the Jewish poet, Heinrich Heine’s lines on the death of Belshazzar, the imaginary potentate whose murder is portrayed in Daniel as God’s punishment for an affront offered to Judah:

Belsazar ward aber in selbiger Nacht

Von selbigen Knechten umgebracht.

The parodist, sardonically surveying the shambles, adapted these lines to what he had just done:

Belsatsar ward in selbiger Nacht Von seinen Knechten umgebracht.

No clearer clue to motive and identity was ever left behind.” (The Controversy of Zion, p. 195)

As Douglas Reed aptly noted, the mocking inscription left on the wall of the Ipatiev House where the Romanovs were butchered were lines adapted from a poem by German-Jewish poet, Heinrich Heine, which alluded to the death of a Gentile ruler (Belshazzar, cleverly spelled Belsatsar) in the well-known Old Testament story, who saw “the writing on the wall” foretelling his destruction (Daniel 5), and was killed as punishment for his “offenses” against the Jews’ bloodthirsty deity. The intended symbolism was obviously that another Gentile king, the Tsar, was killed as an act of Jewish retribution. (See also: Waters Flowing Eastward, Chapter: “The Writing on the Wall”, for the cabalistic significance of these inscriptions) Interestingly, the wealth of the Rothschild family — which can be credited with bringing these Jew communists to power in Russia — is believed by some Jews to be “for a higher purpose... to avenge the wrongs of Israel.” Also of great relevance to this story is the fact that poet Heinrich Heine was a friend of Karl Marx, and had once subtly remarked that most Gentiles had no idea about Jewish schemes or worldly ambitions, but that we would find out only after becoming their slaves! Heine said,

“The deeds of the Jews are as little known to the world as their true nature. Some think they know the Jews because they have seen their beards — but that’s all that appeared of them. In the Middle Ages and in modern times too the Jews are

a walking mystery. This mystery will be resolved, perhaps, and all will be revealed, on the day which the prophet has foretold: when there will be only one shepherd and one flock, and when the righteous who suffered for the salvation of mankind will receive recognition and glory.” (Prawer, Siegbert Salomon. The Jewishness of Communism/Bolshevism and the Soviet Regime was attested to not only by the Russian people, but also by American, British, and other government officials and commissions, intrepid journalists who witnessed the 1917 Bolshevik coup first hand, and even some braggadocious Jews themselves.

Rabbi Stephen S. Wise, one of the top Jewish mafia kingpins in the world (when alive), once declared: “Some call it Marxism — I call it Judaism!” (The American Bulletin, Rabbi S. Wise, May 5, 1935) I told about this in my previous articles also Comrades.

The Jewish Chronicle of London, April 4, 1914, boasted that Bolshevism is Judaism, stating:

“There is much in the fact of Bolshevism itself, in the fact that so many Jews are Bolsheviks, in the fact that the ideals of Bolshevism at many points are consonant with the finest ideals of Judaism.”

The September 10, 1920, edition of American Hebrew Magazine pompously bragged:

“The Bolshevik revolution in Russia was the work of Jewish brains, of Jewish dissatisfaction, of Jewish planning, whose goal is to create a new order in the world. What was performed in so excellent a way in Russia, thanks to Jewish brains, and because of Jewish dissatisfaction, and by Jewish planning, shall also, through the same Jewish mental and physical forces, become a reality all over the world.”

On the 12th of April, 1919, the newspaper Kommunist (Kharkov) published comrade M. Kohan’s article “The Jews’ Services to the Working Class”, where he wrote the following:

“It can be said without exaggeration that the Great Socialist October Revolution was brought about through the hands of the Jews . . . the red five-pointed star, which was known as a Judaic symbol in ancient times, has now been taken over by the Russian proletariat . . . Jewish commissars as leaders of committees and soviet [council-kahal] organisations lead the Russian proletariat to victory . . . Could the dark and oppressed masses of Russian workers and peasants throw off the yoke of the bourgeoisie themselves? No, it was the Jews from beginning to end who showed the Russian proletariat the way to the rosy dawn of internationalism and who to this day rule Soviet Russia. The proletariat can feel secure in the hands of the Jews. We can be calm while comrade Trotsky commands the Red Army.” (quoted in “Under the Sign of the Scorpion”, p. 133)

In 1906, The New York Times reported on a gathering of anti-Russian, pro-communist Jews in Berlin, Germany. Dr. Paul Nathan, a well-known Jewish publicist, called for Russia’s destruction:

“Dr. Nathan read to the meeting a circular (from the Russian Czarist government) addressed to the (Russian) garrison of Odessa, calling upon the soldiers to “rise and crush the traitors who are plotting to upset the holy Government of the Czar and substitute for it a Jewish empire.” He concluded with an appeal to the Jewish money powers of the world to arrest Russia’s career as a borrower. The financiers of the world should call a halt to Russia, not only for humanitarian reasons, but for practical reasons. Russia’s bankruptcy is an established fact, he added.”

The Encyclopedia Judaica’s article on Communism substantiates much of what so-called “anti-Semites” have long been saying about Communism and the Soviet experiment’s Jewish origins, motives and character. It confesses,

“The Communist movement and ideology played an important part in Jewish life, particularly in the 1920s, 1930s, and during and after World War II. [...] Individual Jews played an important role in the early stages of Bolshevism and the Soviet Regime. [...] In some countries Jews became the leading element in the legal and illegal Communist parties and in some cases were even instructed by the Communist International to change their Jewish-sounding names and pose as non-Jews, in order not to confirm right wing propaganda that presented Communism as an alien, Jewish conspiracy. [...] The Bolshevik faction contained a number of Jews mainly in the field of organization and propaganda ... They included such people as Maxim Litvinov (Wallach), M. Liadov (Mandelshtam), Grigory Shklovsky, A. Soltz, S. Guzev (Drabkin), Grigory Zinoviev (Radomyslsky), Lev Kamenev (Rosenfeld), Rozaliya Zemliachka (Zalkind), Helena Rosmirovich, Yemeli Yaroslavsky (Gubelman), Serafimer Gopner, G. Sokolnikov, I. Platnitsky, Jacob Sverdlov, M. Vladimirov, P. Zalutsky, A. Lozovsky, Y. Yaklovlev (Epstein), Lazar Kaganovich, D. Shvartzman, Simon Dimanstein ... Trotsky [Bronstein], M. Uritsky, M. Volodarsky, J. Sleklov, Adolf Joffe, David Riazanov (Goldenbach), Yuri Larin and Karl Radek (Sobelsohn).” (see this facsimile of the Encyclopedia Judaica’s article)

Ted Pike, in his article “Jewish Activists Created Communism,” provides the following commentary concerning the Encyclopedia Judaica’s revealing article on Jews and Communism:

“It [the Encyclopedia Judaica’s article on “Communism”] continues by admitting that the “anti-Semitic” counteroffensive of the White Russian armies in 1918 “drove the bulk of Russian Jewish youth into the ranks of the Bolshevik regime.” This means that the majority of all young Soviet Jews were communists. Jews, it says, found great opportunity within Bolshevism, “occupying many responsible positions in all branches of the party and state machinery at the central and local seats of power.” (p. 791) The highly disproportionate amount of Jews in the Party hierarchy is also admitted in the Encyclopedia Judaica’s article:

“During the Revolution Jews played a prominent part in the party organs. The politburo elected on Oct. 23, 1917 had four Jews among its seven members. The Military Revolutionary Committee, appointed to prepare the coup, was headed by Trotsky and had two Jews among its five members. In the early years of the Soviet

regime, Jews were in many leading positions in the government and party machinery..." (page 797, 98)

The Encyclopedia Judaica goes on to inadvertently clarify why the native Russians were so bent on "anti-Semitic" activities. When the Russian people heroically attempted to regain their freedom from the communists, the Judaica says "compact Jewish masses in these areas [were utilized] as a counterweight, which would swing the balance in the centralist regime's favor." (p. 798) In other words, "the bulk of Jewish youth" in every outlying hamlet of Russia became the "compact Jewish masses" whose task it was to forcibly impose and maintain communist slavery upon freedom-loving peoples. Jews and the Russian populace were locked in a death struggle for survival and the future of Russia. Is it any wonder that the White Russians rose up in rage, even to the point of liquidating their oppressors? Who would not have done the same?"

In "The Jewish Experience" (1996, p. 364), Jewish author Norman Cantor freely admits and proudly boasts of the Jewish cast that comprised the Bolshevik hierarchy in Russia, stating,

"The Bolshevik Revolution and some of its aftermath represented, from one perspective, Jewish revenge. . . . During the heyday of the Cold War, American Jewish publicists spent a lot of time denying that—as 1930s anti-Semites claimed—Jews played a disproportionately important role in Soviet and world Communism. The truth is until the early 1950s Jews did play such a role, and there is nothing to be ashamed of. In time Jews will learn to take pride in the record of the Jewish Communists in the Soviet Union and elsewhere. It was a species of striking back."

(See also - <http://tinyurl.com/7kcb25f>)

Author Edward Schoonmaker, writing in "Democracy and World Dominion" (1939, p. 211), confirms Cantor's rhetoric and elaborated on how Jewish synagogues were left untouched by the Bolsheviks, while the Christian churches were all burned to the ground:

"Fifteen years after the Bolshevik Revolution was launched to carry out the Marxist program, the editor of the American Hebrew could write: "According to such information [as] the writer could secure while in Russia a few weeks ago, not one Jewish synagogue has been torn down, as have hundreds—perhaps thousands—of the Greek Catholic churches. . . ." (American Hebrew, Nov. 18,

1932, p. 12.) Apostate Jews, leading a revolution that was to destroy religion as the “opiate of the people,” had somehow spared the synagogues of Russia.”

Another Jewish writer, Sever Plocker, also lent credence to much of what “the anti-Semites” say about Jews and Communism, in an article published on YnetNews.com entitled, “Stalin’s Jews”. He rightly reminded us that “some of the greatest murderers of modern times were Jewish.” I did mention about this in my previous article too comrades.

British and American intelligence reports relayed information about the Jewishness of Bolshevism and the new Soviet regime, describing the Bolshevik leadership as being as much as 90 percent Jewish. Robert Wilton, the previously mentioned correspondent of The London Times on assignment in Russia during the communist revolution of 1917, outlined the ethnic make-up of the Bolshevik State as such:

“According to the data furnished by the Soviet press, out of 556 important functionaries of the Bolshevik State there were in 1918-1919: 17 Russians, 2 Ukrainians, 11 Armenians, 35 Lets, 15 Germans, 1 Hungarian, 10 Georgians, 2 Poles, 2 Finns, 1 Karaim, 457 Jews.

As the decades past by—after the fateful year 1917—Judaized Khazars kept a firm hand on the helm of the government in the occupied land of Russia. In due time they built a bureaucracy to their heart’s desire.”

In a report of the American Expeditionary forces to Siberia, March 1, 1919, compiled by Captain Montgomery Schyler — speaking of events following the decline of the First Provisional Government — it reads

“These hopes were frustrated by the gradual gains in power of the more irresponsible and socialistic elements of the population, guided by the Jews and other anti-Russian races. A table made in April 1918 by Robert Wilton, the correspondent of the London Times in Russia, shows that at that time there were 384 “commissars” including 2 Negroes, 13 Russians, 15 Chinamen, 22 Armenians and more than 300 Jews. Of the latter number, 264 had come to Russia from the United States since the downfall of the Imperial government.”

Schyler frankly described the Bolshevik movement as being “guided and controlled by Russian Jews of the greasiest type,” from the outset. Reverend George E. Simons, the Superintendent of the Methodist Episcopal Church in Petrograd from 1907 to 1918, was an eyewitness to the Bolshevik Revolution. He testified before the United States Senate, and stated that most of the Bolshevik leaders were Jews from the Lower East Side of New York City:

“Out of 388 members of the new Russian government, only 16 happened to be Russians. One was an American Black. All the rest, 371, were Jews. Of these 371 Jewish Bolshevik leaders, no less than 265 of them were from the Lower East Side of New York City.”

In 1919, the US Senate held a subcommittee inquiry into “Bolshevik propaganda”. An American teacher named R. B. Dennis who had worked as a teacher in Russia during the revolution said that the Bolshevik leaders were all “Russian Hebrews” who had previously lived in America “anywhere from 3 to 12 years.” An American banker named William Welsh who had worked in Russia between July 1916 and September 1918 told the committee: “It might be well to explain a little the general fact that most of the Bolshevik leaders are Jews, in order to avoid misunderstanding. In Russia it is well known that three-fourths of the Bolshevik leaders are Jewish.”

Shortly after the Bolshevik Revolution, the U.S. ambassador in Russia sent a dispatch to Washington confirming that most of the Bolshevik leaders were Jews who had been previously exiled for revolutionary activities:

In 1919 the British parliament compiled a White Paper on Bolshevism titled, “Russia No. 1 A Collection of Reports on Bolshevism in Russia“. In it we find that Bolshevism is portrayed as a movement carried on by the Jews and despised by the Russian people. An overview of the relevant portions of this document relating to the Jewish hand in Bolshevism in Russia, is as follows:

“The relevant pages concerning Jews and Bolshevism are pp. 6, 23, 28, 32, 33, 41, 57, 65, 68, 78 – on p.6 (of the document, not the pdf) we find a telegram from Sir M. Findlay to Mr. Balfour relaying a report by the Netherlands Minister at Petrograd, which contains the following message:

“I consider that the immediate suppression of Bolshevism is the greatest issue now before the world, not even excluding the war which is still raging, and unless, as above stated, Bolshevism is nipped in the bud immediately, it is bound to spread in one form or another over Europe and the whole world, as it is organized and worked by Jews who have no nationality, and whose one object is to destroy for their own ends the existing order of things.”

p. 23 signifies that the Jews had preferential treatment, as they were allowed to engage in illicit trading, while all other trade was at a standstill, it also contains documentation to the effect that Bolshevism was despised by the Russians, but carried out by Jews;

p. 28 says: “The Bolsheviks can no longer be described as a political party holding extreme communistic view. They form relatively small privileged class which is able to terrorise the rest of the population because it has a monopoly both of arms and of food supplies. This class consists chiefly of workmen and soldiers, and included a large non-Russian element, such as Letts and Esthonians and Jews; the latter are specially numerous in higher posts. Members of this class are allowed complete licence, and commit crime against other sections of society.”;

p. 32 states “The Bolsheviks comprised chiefly Jews and Germans, who were exceedingly active and enterprising. The Russians were largely anti-Bolshevik, but

were for the most part dreamers, incapable of any sustained action, who now, more than ever before, were unable to throw off the yoke of their oppressors. Night after night the counterrevolutionary Societies held secret meetings to plot against the Bolsheviks, but never once was a serious attempt made to carry through the conspiracy. The starving condition of the people quite paralysed their will-power.”;

p.33. document # 33 says: “From examination of several labourer and peasant witnesses I have evidence to the effect that very smallest percentage of this district were pro-Bolshevik, majority of labourers sympathising with summoning of Constituent Assembly. Witnesses further stated that Bolshevik leaders did not represent Russian working classes, most of them being Jews.”;

p. 41, document # 38, reveals that the party responsible for the murder of the Romanovs consisted entirely of Jews

p. 56 document # 56, says again that Bolshevism was a movement led by Jews,

p. 57, The Results, says that after the Revolution, Jews became the possessors of most of the business houses, it states: “All business became paralysed, shops were closed, Jews became possessors of most of the business houses, and horrible scenes of starvation became common in the country districts. The peasants put their children to death rather than see them starve. In a village on the Dvina, not far from Schluselberg, a mother hanged three of her children. I was conducting a funeral in a mortuary of a lunatic asylum at Oudelnaia, near Petrograd, and saw the bodies of a mother and her five children whose throats had been cut by the father because he could not see them suffer.”

p. 65, “The Terror”, notes the persecution of Russians for thought crimes, and the fact that people had to pay intermediaries, who were mostly Jewish, before they could obtain their release;

p. 68 shows that the food supply committees were entirely in the hands of Jews, and that anti-Semitism was rampant because of the extreme misery that ensued after the Jews had obtained control;” (summary provided by Blissentia)

In November of 1917, the Foreign Minister of the Austro-Hungarian Empire, Count Ottokar von Czernin, wrote:

“I have during the last few days received reliable information about the Bolsheviks. Their leaders are almost all of them Jews with altogether fantastic ideas, and I do not envy the country that is governed by them.”

Sir Paul Dykes was an MI6 espionage agent working undercover in Bolshevik Russia for the first few years after the revolution. Upon his return home to Britain, he published a book about his experiences called “Red Dusk and the Morrow” (1922). In it he relates an interesting conversation he had with a Lithuanian who told him about overhearing a Bolshevik figure say:

“Our power is based on three things: first, on Jewish brains; secondly, on Lettish and Chinese bayonets; and thirdly on the crass stupidity of the Russian people.”

Overzealous Jews oftentimes inadvertently give themselves away by tacitly admitting to things that they would otherwise try to deny. Two New York Jewish publications, “Jewish Life” and “Jewish Voice”, tacitly confessed that Communism is Judaism when they told their readers,

“anti-communism is anti-Semitism! ... Scratch a professional anti-communist and you’ll find an anti-Semite!”

Son of a whore - Trotsky

Besides being a Bolshevik mass murderer, Leon Trotsky-Bronstein was also a crypto-Zionist who had attended the sixth Zionist congress in Basel in 1903. In a 1937 interview in the New York Jewish newspaper, Daily Forward, Trotsky hinted at the real motives behind his revolutionary activities when he pathetically crowed: "The longer the rotten bourgeoisie society lives, the more and more barbaric will anti-Semitism become everywhere." 'Bourgeoisie' was clearly a Judeo-Bolshevik code-word for Gentile.

Lenin's Jewish roots was a state secret, but was finally revealed by declassified KGB files and put on display in Moscow's State Historical Museum in 2011. Lenin couldn't have made it more obvious that he was a crypto-Jew, seeing as he had nothing but glowing esteem for the Jews and immediately decreed "antisemitism" a crime punishable by execution! The human-devil, Lenin, praised the Jews as the best revolutionaries, saying: "The clever Russian is almost always a Jew or has Jewish blood in him." (Dmitri Volkogonov, Lenin: A New Biography, p. 112). He was surely referring to himself.

Lenin heaped accolade and adulation on the Jews, revealing that not only was he a Jew, but a chauvinistic Jewish supremacist. He once said,

“There the great universally progressive features of Jewish culture have made themselves clearly felt: its internationalism, its responsiveness of the advanced movements of our times (the percentage of Jews in democratic and proletarian movements is everywhere higher than the percentage of Jews in the general population.) ...Those Jewish Marxists who join up in the international Marxist organizations with the Russian, Lithuanian, Ukrainian and other workers, adding their might (both in Russian and in Jewish) to the creation of an international culture of the working class movement, are continuing the best traditions of Jewry.” (quoted in: Gould, Allan. Comrades . This Lenin was a Mofo Jew - Remember it well!

The two-faced cheat Lenin — the so-called “man of the people”, “champion of the workers” — even defended parasitic Jewish usury and loan-sharking,

“And those gentlemen on the right benches talk about the Jews exploiting the peasants, about Jewish usury! But thousands of Jewish merchants would not skin the Russian muzhik in the way the true Russian, Christian landlords do! The

interest claimed by the worst usurer is not to be compared with that claimed by the true Russian land lord, who hires the a muzhik in the winter for summer work or who forces him to pay for a dessiatine of land in labour, money, eggs, chickens, and God alone knows what else!" Lenin, the monstrous criminal, excitedly advocated every manner of deception, barbarity and wickedness. He encouraged lies and deceit, stating, "We must utilise all possible cunning and illegal methods, deny and conceal the truth," noting that, "A lie told often enough becomes the truth."

Deceitful Jewish propagandists have duped the world into believing that German Nazi leaders [color=#FF0040]Joseph Goebbels and Adolf Hitler invented and utilized the "big lie" technique as a method to fool the German masses.[/color] This is false and nothing more than psychological projection. In reality, Goebbels stressed that good propaganda must be accurate and truthful, stating that

"Good propaganda does not need to lie, indeed it may not lie. It has no reason to fear the truth. It is a mistake to believe that people cannot take the truth. They can. It is only a matter of presenting the truth to people in a way that they will be able to understand. A propaganda that lies proves that it has a bad cause. It cannot be successful in the long run." Fearless Spirit Of Yours Will Live Forever - Heil Martyr Goebbels !

In 1941, Goebbels published an article in which he charged British propagandists with adopting the “big lie” technique, stating, “The English follow the principle that when one lies, one should lie big, and stick to it. They keep up their lies, even at the risk of looking ridiculous.” (Goebbels, Joseph. “Churchill’s Lie Factory,” 1941) Adolf Hitler, in *Mein Kampf*, identified and condemned the “big lie” technique as an invention and tactic of the Jews:

“In this they [the Jews] proceeded on the sound principle that the magnitude of a lie always contains a certain factor of credibility, since the great masses of the people in the very bottom of their hearts tend to be corrupted rather than consciously and purposely evil, and that, therefore, in view of the primitive simplicity of their minds, they more easily fall victim to a big lie than to a little one, since they themselves lie in little things, but would be ashamed of lies that were too big. Such a falsehood will never enter their heads, and they will not be able to believe in the possibility of such monstrous effrontery and infamous misrepresentation in others....” (Mein Kampf, p. 231 of the Manheim translation)

Upon his assumption of power, the repulsive crypto-Jew Lenin decried “antisemitism” in the harshest possible terms. He chastised “antisemitism” as a

“counter-revolutionary” act, and thus it was punishable by death. Even “anti-Semitic” speech constituted the death penalty, or life imprisonment, in the Jew-ShitHole of Soviet Russia. If being against Jews was “counter-revolutionary” than that must have meant that all the “revolutionaries” were Jewish. In July of 1918, Lenin signed an order of the Council of People’s Commissars which declared antisemitism and pogroms a “mortal danger to the revolution [i.e. the Jewish takeover]”:

“The Council of People’s Commissars declares that the anti-Semitic movement and pogroms against the Jews are fatal to the interests of the workers’ and peasants’ revolution and calls upon the toiling people to fight this evil with all the means at their disposal.

National hostility weakens the ranks of our revolutionaries, disrupts the united front of the toilers without distinctions of nationality and helps only our enemies.

A. Nelson Field remarked in Appendix B of his book, *All These Things*: “Lenin was married to a Jewess, spoke Yiddish in his family circle, and Dr. Chaim Weizmann, Jewish Zionist leader, was quoted in the *London Jewish Chronicle* of December 16th, 1932, as saying that Lenin had taken part in Jewish student meetings in Switzerland thirty-five years before. He is generally regarded as a Russian, but there is doubt.”

Lenin’s love affair with Jewry undoubtedly stemmed from his own Jewish roots and being in love with himself, since he was an egomaniac. In an asinine attempt to cover over their blood-stained tracks, Jewish apologists today often go around claiming that Josef Stalin was a big “anti-Semite” who hated and persecuted Jews.

This idiotic canard has no basis in reality; on the contrary, Stalin was an instrument of the Jews, a “shabbas goy.”

(See also - <http://tinyurl.com/87ous25>)

Let’s just look at what Stalin himself said about anti-Semitism,

“National and racial chauvinism is a vestige of the misanthropic customs characteristic of the period of cannibalism. Anti-semitism, as an extreme form of racial chauvinism, is the most dangerous vestige of cannibalism.

Anti-semitism is of advantage to the exploiters as a lightning conductor that deflects the blows aimed by the working people at capitalism. Anti-semitism is dangerous for the working people as being a false path that leads them off the right road and lands them in the jungle. Hence Communists, as consistent internationalists, cannot but be irreconcilable, sworn enemies of anti-semitism.

In the U.S.S.R. anti-semitism is punishable with the utmost severity of the law as a phenomenon deeply hostile to the Soviet system. Under U.S.S.R. law active anti-semites are liable to the death penalty.” (Josef Stalin, Works Vol. 13)

So, Stalin compared anti-Semitism to cannibalism and upheld the anti-antisemitism law decreed by Lenin in 1918, restating that anti-Semitic Russian patriots were “liable to the death penalty”! Some Jew hater, eh? Furthermore, at the 1945 Yalta conference — a meeting of the Allied leaders and policy-makers during WWII — we find that Stalin proclaimed himself to be a Zionist. (“Stalin Called Himself a Zionist — Picture of Red Leader Unfolded.” The New York Times. 17 Mar. 1955.) Professor Kevin MacDonald, in his review of Juri Slezkine’s book “The Jewish Century”, informs us that not only was Stalin not “anti-Semitic” but, on the contrary, had launched a massive campaign to combat anti-Semitism:

“From 1927 to 1932 Stalin established an ambitious public campaign to combat anti-Semitism that included fifty-six books published by the government and an onslaught of speeches, mass rallies, newspaper articles, and show trials ‘aimed at eradicating the evil.’” (MacDonald, Kevin. “Stalin’s Willing Executioners: Jews as a Hostile Elite in the USSR”, p. 25)

Jewish journalist Sever Plocker tells us: “Jewish historian Sebag Montefiore has written that during the darkest period of terror, when the Communist killing machine worked in full force, Stalin was surrounded by beautiful, young Jewish women.” Sebag Montefiore, writing in “Stalin: The Court of the Red Tsar” (p. 267), noted that, “Stalin was surrounded by Jewesses – from Polina Molotova and Maria Svanidze to Poskrebysheva and Yezhova. Beria’s son, reliable on gossip, dubious on politics, recalled that his father gleefully listed Stalin’s affairs with Jewesses.” The “Wolf of the Kremlin”, pp. 169-71 (1987), alleges that Stalin was married at one point to the Jewess Rosa Kaganovich, Lazar Kaganovich’s sister.

Jewish Agent Kagnocich

Despite all the spin and sophistry of Jewish gatekeepers, Stalin was surrounded by Jews throughout the entirety of his brutal reign, with the ferocious Jew Lazar

Kaganovich at his right hand side. In his 1939 book "European Jungle", Major Francis Charles Yeats-Brown — a British war hero and award winning writer — gives us a synopsis of the clique of Jews encircling Stalin, still dominating the Soviet Union during and after the "Great Purges" of the late 1930s:

"The population of Russia was then (in 1918) 158,400,000, of whom 7,800,000 were Jews. The present population is about 170,000,000, and probably the same proportion — say 5 per cent — are Jews. Yet in 1935, in the Central Committee of the Communist Party, consisting of 59 members, 95 per cent were Jews — i.e., 56 members — while the other three members were married to Jewesses: Stalin, Lobov, and Ossinsky.

Among the Ambassadors and Ministers of the U.S.S.R. in 1935 the following were believed to be Jews:

In Berlin: M. Suritz.

In Paris : M. Louritz.

In Rome : M. Stein.

In Tokyo : M. Yureneff .

In Ankara : M. Karakhan.

In Brussels : M. Rubinin.

In Oslo : M. Yakoubowich.

In Stockholm : Mme. Kallontai.

In Bucharest : M. Ostrovski.

In Riga: M. Brodovsky.

In Tallin: M. Karski.

In Helsingfors : M. Asmous.

In the same year (1935) the League of Nations Delegation consisted of one Georgian, M. Swanidze, and seven Jews, MM. Litvinov, Rosenberg, Stein, Markus, Brenners, Hirschfeld, Helphand.

At present, with the purges in progress, it is impossible to give the Semitic percentages in the Russian Government. Certain it is that they are very much higher than the percentage of Jews to the population, both in the lower and

upper grades of the State service, which means, in Russia, of practically all employment.

During his travels along the border districts of the U.S.S.R., M. Jean Fontenoy found that 90 per cent of the directors and secretaries of the collective farms he visited were Jews. Field workers received a maximum of 27 days' pay a month: the president and secretary 80 to 90 days' pay a month. The words Communist and Jew were synonymous with the peasants: they thought that the Jews were the rulers of the land.

In Kremlin circles the two brothers-in-law of Stalin, Lazarus and Moses Kaganovitch, are Ministers of Transport and Heavy Industry respectively; the guard of the Kremlin is confided to the Jewish Colonel Jacob Rappoport; while the concentration camps, with their population of 7,000,000 Russians, are in charge of a Jew, Mendel Kermann, aided by Lazarus Kaman and Semen-Firkin, both Jews. The prisons of the country are governed by the Jew Kairn Apeter. Foreign policy is almost wholly in Jewish hands, beginning with that man of many aliases, M. Meyer Moses Polyanski, alias Enock Finkelstein, alias Gustav Graf, alias Buchmann, Harrison, Maximovitch, Wallach, Berr, and Litvinov, the Foreign Minister of the Union of Soviet Socialist Republics, at whose breakfast-table Mr. Eden found pats of butter stamped with the slogan, "Peace is indivisible." What peace, M. Litvinov may sometimes ask himself, will Russian Jews have in the days to come?"

An article appearing in the Russian International News Agency, dated June 5th, 2005, admitted that almost no Jews served on the front lines as rank and file officers in the Red Army, but were appointed by Stalin as chiefs and commanders, directing the "Russian goyim" from relative safety — in the war against their Nazi nemesis — and how genocide-yearning Jews like Ilya Ehrenburg were instrumental in war-time propaganda efforts:

"There were a number of outstanding Jewish military commanders: M. Katukov, Marshal of Armored Troops; Y. Smushkevich, Commander-in-Chief of the Air Force; and General M. Shmelev, Chief of Staff of Long-Range Aviation. In addition there were 92 Jewish generals and 9 army and flotilla commanders. In total, there were 270 Jewish generals and marshals.

Furthermore, Stalin's inner circle included four Jewish ministers (people's commissars): Lazar Kaganovich, Boris Vannikov, Semyon Ginzburg and Isaak Zaltsman. These men were responsible for the railroads, ammunition, military construction and the tank industry.

Jews were also instrumental in shaping the ideology that would underpin the Soviet role in the war. Initially the Soviet people did not know what to make of the Nazi attack. Firstly, the Soviet Union once considered Germany an enemy but more recently had viewed it as a potential ally against Britain and the U.S. Secondly, the Soviet people, brought up to believe in internationalism, had thought that the German soldiers, i.e. German workers and peasants, would refuse to attack a socialist state and instead would join with the Russians to fight the oppressors, German capitalists.

This myth had to be urgently dispelled.

A Jewish intellectual, Ilya Erenburg, played a key role in this. He had traveled extensively and was perhaps the only Jew in the USSR who was aware of the racist motivations for the war. He was a military correspondent in Spain during the Spanish civil war, and his world outlook was informed by this experience. Six International Brigades had fought on the side of the Republicans in that war, and these units had included 6,000 Jewish volunteers.

By the time the Germans attacked, Erenburg was resolutely opposed to fascism. He had all the main national newspapers, Pravda, Izvestia and Krasnaya Zvezda at his disposal, as well as the national radio stations. He emphatically rejected the internationalist dogma and called on the nation to, "Kill the Germans!"

Even well into the 1950s Jews ruled over the USSR. Although Jews comprised a tiny 1.25 to 1.75 percent of the Soviet population, they constituted over 50 percent of the staff of various governmental departments, according to the Soviet politician Ekaterina Furtseva. (See: The Soviet Government and the Jews 1948-1967) While millions of Russian Gentiles languished in the Gulag slave camps succumbing to starvation, disease, exhaustion and the bitter cold climate, Soviet Jewry lived in a lap of luxury:

"Slezkine describes the life of the largely Jewish elite in Moscow and Leningrad, where they attended the theater, sent their children to the best schools, had peasant women for nannies, spent weekends at pleasant dachas, and vacationed

at the Black Sea.” (MacDonald, Kevin. “Stalin’s Willing Executioners: Jews as a Hostile Elite in the USSR”, p. 24)

Many Jews around the world saw the Soviet Union as essentially the first Zionist State — their beloved “Israel”. This reality was supremely elucidated in the following astonishing quotation, which is attributed to the “Central Committee of the Petersburg Branch of the Israelite International League”:

“Sons of Israel! The hour of our ultimate victory is near. We stand on the threshold to the command of the world. That which we could only dream of before us is about to be realized. Only quite recently feeble and powerless, we can now, thanks to the world’s catastrophe, raise our heads with pride. We must, however, be careful. It can surely be prophesied that, after we have marched over ruined and broken altars and thrones, we shall advance further on the same indicated path. The authority of the, to us, alien religions and doctrines of faith we have through very successful propaganda, subject to a merciless criticism and mockery. We have brought the culture, civilization, traditions and thrones of the Christian Nations to stagger. We have done everything to bring the Russian people under the yoke of the Jewish power, and ultimately compelled them to fall on their knees before us.

We have nearly completed all this but we must all the same be very cautious, because the oppressed Russia is our arch-enemy. The victory over Russia, gained through our intellectual superiority, may in the future, in a new generation, turn against us. Russia is conquered and brought to the ground. Russia is in the agony of death under our heel, but do not forget, not even for a moment, that we must be careful! The holy care for our safety does not allow us to show either pity or mercy. At last we have been allowed to behold the bitter need of the Russian people, and to see it in tears! By taking from them their property, their gold, we have reduced this people to helpless slaves. Be cautious and silent! We ought to have no mercy for our enemy. We must make an end of the best and leading elements of the Russian people, so that the vanquished Russia may not find any leader! Thereby every possibility will vanish for them to resist our power. We must excite hatred and disputes between workers and peasants. War and the class-struggle will destroy all treasures and culture created by the Christian people. But be cautious, sons of Israel! Our victory is near, because our political

and economic power and influence upon the masses are in rapid progress. We buy up Government loans and gold, and thereby we have controlling power over the world's exchanges. The power is in our hands, but be careful, place no faith in traitorous shady powers!

Bronstein (Trotsky), Apfelbaum (Zinovieff), Rosenfeld (Kamaneff), Steinberg, all of them are like unto thousands of other true sons of Israel. Our power in Russia is unlimited. In the towns, the Commissariats and Commissions of Food, House Commissions, etc., are dominated by our people. But do not let victory intoxicate you. Be careful, cautious, because no one except yourselves will protect us! Remember we cannot rely on the Red Army, which one day may turn its warfare on ourselves. Sons of Israel! The hour for our long-cherished victory over Russia is near; close up solid your ranks! Make known our people's national policy! Fight for eternal ideals! Keep holy the old laws, which history has bequeathed to us! May our intellect, our genius, protect and lead us!"

The origin of this extraordinary tract was described by Juri Lina (on page 157 of "Under the Sign of the Scorpion") in the following way:

"On the night before the 9th (22nd) of December 1919, during the Estonian war of liberation against the Bolsheviks, a Jewish battalion commander, Shunderev, fell in a battle against Estonian troops. Among his papers there was a secret circular containing an appeal to all Jewish chiefs for the forming of a secret Zionist society. The letter was written in Russian by the central committee at the Israeli World Union's department in Petrograd on the 18th March 1918. The entire text was published in two Estonian newspapers."

When the Soviet Red Army invaded and brutally occupied Eastern Poland, the Baltic States, Finland, and other parts of Eastern Europe in late 1939/early 1940, large percentages of the Jewish populations of those countries collaborated with their Soviet communist conquerors. These Jews voluntarily led the NKVD death squads to hunt down and execute so-called "class enemies" (patriots, nationalists, anti-communist resisters, etc), and forcibly led the round-up and deportation via cattle cars of millions of Eastern European civilians to the Soviet Gulags where they met grisly deaths. Author Mark Paul, writing in "Neighbours on the Eve of the Holocaust: Polish-Jewish Relations in Soviet-Occupied Eastern Poland, 1939-

1945“, documented the treacherous perfidy of Poland’s Jews and its cover-up by Western “scholars”:

“This state of affairs played into the hands of Holocaust historians who, preoccupied with Jewish victimization under the Nazi regime, ignored, glossed over or simply denied the fact of Jewish collaboration with the Soviet invaders of Poland both, in 1939-1941 and again, from 1944 onward. Indeed, in recent years we have witnessed a concerted effort to relegate Jewish misconduct to the realm of unfounded perception on the part of the Poles that has no, or little, basis in fact. Thus a serious void or, worse still, denial about these thorny issues permeates Western scholarship – at most we find apologetics. The most recent, and disturbing, trend in that scholarship has been to focus on the German invasion of the Soviet Union in June 1941 and play down to the point of dismissing or obscuring the brutal Soviet occupation that preceded that event.

Even compelling reports of Jewish collaboration with the Soviet occupiers, found in key documents from that period, are ignored or discounted out of hand, such as the charge levelled by the legendary Polish courier, Jan Karski, who was made an Honorary Citizen of Israel for his role in warning the West about the Holocaust and cannot be accused of harbouring hostility toward the Jews. Writing in early 1940, at a time when the mass deportations of Poles were not yet underway, Karski reported:

“... The Jews have taken over the majority of the political and administrative positions. But what is worse, they are denouncing Poles, especially students and politicians (to the secret police), are directing the work of the (communist) militia from behind the scenes, are unjustly denigrating conditions in Poland before the war. Unfortunately, one must say that these incidents are very frequent, and more common than incidents which demonstrate loyalty toward Poles or sentiment toward Poland.”

A Jewish woman from Wilno concurred with that assessment, when she wrote during the war:

“... Under Bolshevik rule an anti-Jewish current grew significantly. In large measure, the Jews themselves were responsible for this... . At every turn they mocked Poles, yelled out that their Poland was no more... The Jewish communists dallied with the patriotic sentiments of Poles, denounced their illegal conversations, pointed out Polish officers and former government officials, freely worked for the NKVD, and took part in arrests. ...The Bolsheviks on the whole treated Jews favourably, had complete faith in them and were confident of their devoted sympathy and trust. For that reason they put Jews in all of the leading

and influential positions which they would not entrust to Poles, who formerly occupied them.”

Soon thereafter Jewish collaborators, in their positions as local officials, police, and NKVD agents, played a key role in populating the Gulag with their Polish neighbours. They identified them and put them on lists of “class enemies”; they arrested them and evicted them from their homes; and they helped to dispatch them by cattle car to the far reaches of the Soviet Union. While certainly not universal, this was by no means a marginal phenomenon, and, given the lack of condemnation of such activities by Jewish leaders, Poles were entitled to assume that in fact it reflected a widespread attitude.”

Unfortunately, that study by Mark Paul — although still very useful — completely overlooked the sublime research of Holocaust Revisionists, as it contains a fair bit of false ‘holocaust’ propaganda. Nonetheless, it demonstrates candidly what provoked so many Poles (and Ukrainians, Latvians, Estonians, Lithuanians, Romanians and Hungarians for that matter) to collaborate with the Germans when the German Wehrmacht launched an offensive against the Soviets in 1941, driving them out of Eastern Europe and the Baltic States. These patriots saw the Nazis as liberators from Soviet-Communist oppression, which was in actuality Jewish oppression.

Communism was spearheaded by Jews not only in Russia, but everywhere in the world where Jews lived including Western & Eastern Europe, America, Canada, Australia and South Africa. The bloodiest butchers of the 1917 Bolshevik revolution, and the following decades of communist rule, were the Marxist-Masonic Jews Vladimir Lenin (first dictator of the USSR), Leon Trotsky-Bronstein (founder/commander of the Red Army), Lazar Kaganovich (Stalin's right hand man for his entire reign), Moisei Uritsky (Cheka chief in Petrograd), Jacob Sverdlov (first president of the Soviets), Grigory Zinoviev, Lev Kamenev, Yankel Yurovsky (Cheka terrorist), Genrikh Yagoda (NKVD chief), Laverenti Beria (NKVD chief), Bela Kun (Lenin's chief terrorist in the Crimea, also the dictator of Hungary's short-lived communist regime in 1918), Rosalina Zalkind, Leonid Reichman (NKVD chief), and the overseers of the vast and harrowing Soviet Gulag slave labor/death camp apparatus: Aaron Soltz, Naftali Frenkel (a Turkish Jew), Yakov Berman, Sergei Zhuk, Yakov Rapoport, Nakhimson, Yakov Moroz, Abramson, Pliner, Matvei Berman, Samuil Kogan, Samuil Firin, Biskon, Finkelstein, Serpukhovsky — all Jews. The murderous tyrant Josef Stalin, although not a Jew, was simply following in the blood-stained footsteps of Lenin and obeying the dictates of his Jewish overlords.

Words cannot do justice in describing the merciless bloodlust of these Marxist Jews, my dear Comrades. Many of the leading Jewish rulers of Russia forthrightly announced their murderous desires and genocidal ambitions. All the Jewish Bolshevik leaders were teeming with an implacable hatred for everything Russian and sought to exterminate the very concept of race, nationality and culture.

## Zionism is Judaism

What this whole Zionist issue with the Jews comes down to is the Jews believe they have a messiah who in their holy writings like Isaiah is a Political leader and also a political movement. This King of the Jews must rule from Israel and when they conquer and destroy all the Goyim nations and destroy their gods, races and nations, cultures and Judaize them. Their god will descend to mount Hebron and rule through the Messiah in Israel and totally destroy all the races and nations finishing them into a Jewish world. This is meaning of the Jewish religion and the instructions for this is in their Torah.

The Rothschild's believe this is them, they own and created Israel and have been pushing this Messianic agenda which others Jews have done for centuries before the Rothschild's. So its obvious why the Rothschild's created Communism its the Messianic political movement they are given instructions in the their Torah to create, for Jews to conquer the planet totally with. And Rothschild's will rule as the Messianic Jewish Kings from Israel thus fulfilling the Messianic mission of Judaism. By actualizing it into reality.

When this happens the Jewish world will be united under their Messiah to rule the Goyim with a Rod of Iron as their holy texts state. The program to do this is dissolution of all races, cultures, nations, individual economies and ethnicities. This will be replaced by a One World Religion of Judaism. The "No God But God" the Muslim's state. They got this off Judaism this means no God but the Jewish God thus the Jews themselves. The Messianic Jewish Religion they have planned to rule the Global Zion by is Communism. Its a religious Jewish Messianic movement which has been written on by the Jews themselves as being such. Remember the Messiah is also a Political Movement.

Communism is still here the Jewish elites have made the economies as worse as possible and not allowed recovery while pushing policies of dissolution of nations, races and cultures around the world. And Communizing our societies by social Marxism. They are now moving towards another world war and total economic collapse to usher in the final steps to a total Global Communist take over. They built their Red China into a military and economic super power like the Soviet Union. For the purpose of waging global economic and military warfare. The Protest Wall Street movement was created by Rothschild's thought their Jewish agents its stated purpose was to start a Communist revolution in America. Just because it failed once does not mean they are not going to try again, they are trying daily. They have created all the conditions needed for massive Communist movements across the planet.

When they take total power by their Messianic world movement, Communism. They will then initiate by their texts a total planetary holocaust of billions of human beings. Leaving only a few hundred million, micro chipped Goyim who will exist as cattle property in a brutal Orwellian system to serve and be raped by the Jews night and day as the Torah states the Goyim are for. In a global factory farm. Where the Jews will become God.

This planet is on the eve of total destruction again. Time has come back around to where it was in the previous century. When the mass grave of the Gentle world had been fully prepared. At the last hour, the call to resistance was raised under the Swastika by Adolf Hitler.

Don't forget this. No matter who says what and how the Jew, fucking lies don't YOU, and I mean YOU reading this, ever forget this.

Some call it Marxism, I call it Judaism." - Rabbi Stephen Wise

Zionism is Judaism. Don't be fooled by the fakes who tell you different my people, Zionism is Judaism.

Like putting powder on the Jock Itch, reduces the rash.

### There Is No Anti-Zionist Jews, Just Jews

"Communism is Judaism. The Jewish Revolution in Russia was in 1918" (H. H. Beamish, speech in New York, 1937).

"Some call it Marxism -- I call it Judaism" (Rabbi Stephen S. Wise, The American Bulletin, May 15, 1935).

"There is nothing else in Communism -- a Jewish conspiracy to grab the whole world in their clutches; and no intelligent man in the world can find anything else, except the Jews, who rightly call it for themselves a "paradise on earth." ADRIEN ARCAND, Canadian political leader in New York Speech, October 30, 1937

Communism is Judaism and Zionism is Judaism.

This is what happens when you let jooz lead the opposition to anything. It turns into synagogue where all that matters is what's good for jooz. Norman Frankenstein the famed anti-Zionist jooz. Who uses his platform to attack National Socialism [the only opposition to World Jewish Power] and anyone who does not buy Holocaust Potter And the Gas Chamber Of Secrets, tales uncle shalom is selling. Calling them Goys all sorts of nasty and angry names. All to enforce the number one power of the jooz. The Almighty Holocaustanity. Thus making sure the Jews main weapon is left intact and jooz stays in control of the debate on the Jewish State and you don't look any deeper into what real Zionism is. In his interviews he spends more time whining about Hitler and Nazi's then any subject and always dovetails any discussion back to this. Itz a joke, People wake up.

Good question Norman. Probably the One Hundred Million People murdered in the real Holocaust your Tribe violently inflicted on them by their Jewish USSR. And the millions of Europeans fighting desperately to stop Jewish Stalin and the Jew World Order from doing the same to the rest of Europe.

The Real Holocaust:

<http://deathofcommunism.weebly.com/the-real-death-camps-and-holocaust.html>

"The world revolution which we will experience will be exclusively our affair and will rest in our hands. This revolution will tighten the Jewish domination over all other people."

- Le Peuple Juif, February 8, 1919.

Since Communism is the Jewish soul. Its no mistake Norman is an open supporter of Communism and especially of Mao the Jewish backed and owned Communist butcher of the Far East who murdered over seventy million People. Communist Beijing was also behind Pol Pot and the Khmer Reds in Cambodia. Red China even invaded North Vietnam for Pol Pot. What does Frankenfink say about itself?

<http://normanfinkelstein.com/2009/01/26/finkelstein-in-the-netherlands-2/>

"... I had been a Maoist, a Marxist-Leninist as we called ourselves back then, and we had this notion that we had a monopoly on truth. We were the vanguard. ... I was basically assuming that there were a handful of people who were inviolable, in my case it was Chairman Mao..."

This jooz even wrote a book supporting Communist Maoism [Jewism].

"Mao Tse-Tung's Revolutionary Line in Higher Education" (State University of New York at Binghamton, Division of Social Sciences, 1974),

[http://books.google.com/books/about/Mao\\_Tse\\_Tung\\_s\\_Revolutionary\\_Line\\_in\\_Hig.html?id=LiXftgAACAAJ&redir\\_esc=y](http://books.google.com/books/about/Mao_Tse_Tung_s_Revolutionary_Line_in_Hig.html?id=LiXftgAACAAJ&redir_esc=y)

Remember real Zionism is a Jewish World Government under a World Communist Dictatorship. Not just a tiny piece of land in the Middle East. The kind of real Zionism Norman Frankenstein promotes and believes in.

Lets take a look at Norman's beloved Jewish psycho society of Communist China:

## Feminism

I am glad this question came up, I have been meaning to write something about the modern "feminism" movement for a while.

Your observations are correct. Modern feminism is a creation of the kikes through and through and is nothing but communist trash. In truth, there is nothing "feminine" about it and it also works to destroy the feminine aspect of the Soul just the same as xianity, only from a different angle. Something else it has in common with xianity is that it once again seeks to disturb the balance- there is no equilibrium. In xianity, women are worthless. In modern feminism, men are worthless. There needs to be equilibrium. In Ancient Paganism, both the phallus and the yoni were revered and the concept of equilibrium between the two was understood. This is something which is vital in True Spirituality.

The Hermaphrodite was one of the most sacred symbols, as a perfect balance between male and female. The term comes from "Hermes" and "Aphrodite", Hermes representing the male and Aphrodite the female and the Hermaphrodite was "born from the union of the God Hermes and the Goddess Aphrodite". This is obviously allegorical and pertains to the Soul. Those who were born Hermaphrodites in the Ancient world were revered and highly respected and were most often in the Priesthood.

Anyway, my point is that equilibrium is the key.

There are many things that are very wrong with modern feminism and the doctrine it espouses is poisonous to society. It belittles men and is no better than xianity.

Yes, women SHOULD be allowed to choose their own lives and are NOT the property of men as they are treated in xianity, islam and other enemy programs. Women should be allowed to work and be independent. But this kike feminism is sick bullshit and takes this to the absolute extreme and TELLS women how they should or should not be and attacks any woman who doesn't agree with it. It also seeks to break down the family unit as many women are taught that family is not important and other sick trash that is obviously severely damaging to society. Society needs mothers and care givers, and there is NOTHING wrong with a woman who chooses to be a mother. Child Birth is beautiful and obviously an essential part of life. Yet this kike feminism is trying to teach that these women are "backward" because of their choices and throws onto them all kinds of labels to try and make them feel guilty.

Equilibrium is the key, and kikes always work to remove equilibrium. This modern feminism is also causing a lot of animosity between the sexes and once again, Gentiles are fighting against Gentiles and the kikes get away scot-free.

Equilibrium!

Hail Father Satan!!

Hail Beelzebub!!

Hail all the Mighty Gods of Hell!!

Heil Hitler!!

Heil Heinrich Himmler!!

-High Priestess Zildar Raasi

"Feminism" was created by the kikes of the Frankfurt school of cultural marxism such as ghoulish looking betty freidman, it simply takes the doctrine of marxism and crosses out class and inserts gender instead. It's no mistake even today all it's major pushers are jewesses.

There is nothing femine about it, it's drive is to force women to a live masculine life style thus rebelling against their natural being. It's core carries a implanted resentment complex over being born female not male. It's designed to pit men against women in the kike war on the Gentile races divide and rule.

It's just plain insane.

## Feminism Is Jewish Social Marxism

Commissar Anita Sarkeesian educates us all in the message of the Jewish Marxism gospel:

<https://www.youtube.com/watch?v=SA0aKjY8K50>

Anita Sarkeesian: "everything is sexist, everything is racist, everything is homophobic"

She summed up what Jewish Marxism's entire gospel is. Divide and conquer on every line. Destroy the host society and by any means and then institute Communist narrative to impose Jewish control over us and make a Jewish world. Feminism is part of Jewish Communism. And Communism is Judaism as the Jews tell us themselves.

We see this in their original blue print the Jewish Bible.

The Jewish Nazarene states:

"If anyone comes to me and does not hate their father and mother, wife and children, brothers and sisters--yes, even their own life--such a person cannot be my disciple."-Luke 14:26

Divide the Goyim against everyone and everything even themselves. By the weapon of conditioned hatred. Along all lines, race, class, gender, nation. This is the core tactic of Communism.

"Some call it Marxism -- I call it Judaism" (Rabbi Stephen S. Wise, The American Bulletin, May 15, 1935).

As we were told outright by the Jew, Maurice Samuel in his book: 'You Gentiles'

"We Jews, we, the destroyers, will remain the destroyers for ever. Nothing that you do will meet our needs and demands. We will for ever destroy because we need a world of our own, a God-world [Jewish World Order]".... As Samuel tells us right to our faces what a "God World" is.

"We [Jews] have a national God. In the heart of any pious Jew, God is a Jew."

For the Jews this ultimate world desire is expressed as a World Communist Dictatorship.

"The Communist soul is the soul of Judaism. Hence it follows that, just as in the Russian revolution the triumph of Communism was the triumph of Judaism...."  
(A Program for the Jews and Humanity, Rabbi Harry Waton, p. 143-144).

The Jewish creators and pushers of Social Marxist Feminism:

- Gloria Steinem (1934- ); founder, Ms. Magazine.
- Bella Abzug (1920-1998); Civil rights and labor attorney elected to Congress (House of Rep.) from New York City; served 1971-1977.
- Betty Friedan (1921- ); feminist leader and author of the book "The Feminine Mystique" (1963).
- Shulamith Firestone (1945- ); Canadian feminist. Wrote "The Dialectic of Sex" (1970).
- Andrea Dworkin (1946- ); radical; apparent lesbian. Author of the book "Intercourse" (1987).
- Susan Brownmiller (1935- ); U.S. feminist. Wrote the book "Against Our Will" (1975).
- Susan Faludi (1959- ); author of the book "Backlash" (1992).
- Naomi Wolf (1962- ); advisor to Al Gore in the 2000 U.S. presidential election.
- Emma Goldman (1869-1940); early U.S. feminist.
- Ernestine Rose (1810-1892); b. in Poland; early feminist.
- Phyllis Chesler (1941- ); U.S. feminist; author of the book "Woman's Inhumanity to Woman" (2002).
- Judy Chicago (Cohen) (1939- ); U.S. feminist. Author of the book "The Dinner Party" (1996).
- Robin Morgan (1941- ); U.S. feminist. Former editor-in-chief, Ms. magazine.
- Letty Cottin Pogrebin (1939- ); U.S. feminist; co-founded Ms. magazine.
- Gerda Lerner (1920- ); b. in Austria.
- Annie Nathan Meyer (1867-1951); U.S. feminist.
- Maud Nathan (1862-1946); sister of Annie Nathan Meyer; U.S. feminist.
- Geri Palast (1950- ); chair, Committee on Women in the Global Economy; U.S. feminist.
- Rose Schneiderman (1882-1972); b. in Poland.
- Anita Pollitzer (1894-1975); U.S. feminist; pal of artist Georgia O'Keeffe.
- Gene Boyer (no birthyear available); a founder of N.O.W.; president of Jewish Feminists; U.S. feminist.
- Lucy Komisar (1942- ); author of the book "The New Feminism" (1971); U.S. feminist.
- Karen Nussbaum (1950- ); (apparently Jewish); leader of 9to5- National Association of Working Women.

-Eleanor Flexner (1908-1995); (apparently Jewish--relative is a Zionist); U.S. feminist.

-Riane Eisler (1931- ); b. Vienna; author/feminist; . Author of the book "The Chalice and the Blade" (1987).

The Jews will never be our friends or allies as Gentiles. Only destroy us, no good Jews, just Jews:

"I do not believe that the primal difference between gentile and Jew is reconcilable. You and we may come to an understanding, never to a reconciliation. There will be irritation between us as long as we are in intimate contact. For nature and constitution and vision divide us from all of you forever – not a mere conviction, not a mere language, not a mere difference of national or religious allegiance." (p. 23-24).-Maurice Samuel

Samuel tells us right in our faces:

**"In everything we [Jews] are destroyers – even in the instruments of destruction to which we turn for relief."**

If where going to get out of this, People we all need each other. Together we are strong and the Jews know this. Otherwise they would not try and divide us along every line.

## Year Zero

"Some call it Marxism — I call it Judaism."  
(The American Bulletin, Rabbi S. Wise, May 5, 1935).

"The Communist soul is the soul of Judaism. Hence it follows that, just as in the Russian revolution the triumph of Communism was the triumph of Judaism...."  
(A Program for the Jews and Humanity, Rabbi Harry Waton, p. 143-144).

Year Zero the doctrine of Communist Cambodia, which was called the perfect Communist revolution and was supported and put into power by the International Jews via their strong hold of Communist China:

Jews created Communist China:

<http://deathofcommunism.weebly.com/jews-created-communist-china.html>

It was the literal sweeping away of all civilization, the destruction of the family unit to come to an end forever, the abolishment of all progress, music, money, hospitals, learning, books, reading. The total liquidation of the educated class and professional classes. Even love between humans banned with people killed for even smiling at each other in the slave camps. That the entire population was marched into. Even the word sleep was banned. People where worked from 3 AM in the morning to 11 pm at night on a bowl of rice, if they failed to work or not work fast enough from exhaustion they where killed on the spot. They where forced to live in barns without walls between them and where not allowed to speak to each other. They where reduced to animals. The point of life was to work and die. Their whole culture was exterminated along with the People. And replaced by a slave society of Jewish Communism.

The great library of the capital had all the books taken and destroyed by the Communist's, the cities where emptied and one third of the population was slaughtered. Any educated person was tortured to death in the infamous prisons as politically declared "sub people" their pictures being taken upon arrest and the pictures of their murdered and tortured corpses taken again after being killed. Their throats slit and their bodies mutilated and carved open by the Communist executioners. The majority of towns where all leveled into the ground and the populations marched into a real life Orwellian Animal farm. Whole families where slaughtered. Women where even killed for the crime of "being too beautiful." People where put to death for being able to read.

The start of Year Zero was the end of life in now Communist Cambodia. This was the perfect and total implementation of Jewish Communism. This is exactly what

we saw with the programs of Jewish Christianity and Islam. Jewish Christianity also started the calendar at year Zero, AD. And did to whole societies what the Communist's did to Cambodia. The libraries were destroyed, the spiritual and thus educated classes were slaughtered and tortured, the cities destroyed, all knowledge destroyed, art destroyed, music banned, even bathing was banned as "Pagan practice" with being able to read made a capital punishment by the Church. The Church Commissar's bragged they had wiped away the entire civilization and culture. And in its place was the slave society of Primal Communism. Run by the Party in the form of the Church. Year Zero.

As the Communist Advisor to Putin, Alexander Dugin who believes stated in an interview:

<http://www.counter-currents.com/2012/07/interview-with-alexander-dugin/>

This fits well with the Orthodox critique of Western Christianity. It is easy to see that the secularization of Western Christianity gives us liberalism. The secularization of the Orthodox religion gives us Communism.....

Communism is the final Perfection of Christianity.

"The world revolution which we will experience will be exclusively our affair and will rest in our hands. This revolution will tighten the Jewish domination over all other people."

- Le Peuple Juif, February 8, 1919.

"The idea behind Year Zero is that all culture and traditions within a society must be completely destroyed or discarded and a new revolutionary culture [my note Jewish Communism] must replace it, starting from scratch. All history of a nation or people before Year Zero is deemed largely irrelevant, as it will ideally be purged and replaced from the ground up.

In Cambodia, teachers, artists, and intellectuals were especially singled out and executed during the purges accompanying Year Zero."

If you think its over just remember.....

Communism is the Jewish Messianic Movement created and directed by the Elders of Zion such as the Rothschild's. They are still around and still working to turn the whole world into Year Zero, the final aim of Judaism:

Zionism is Judaism

<http://deathofcommunism.weebly.com/zionism-is-judaism.html>

## LIBERALISM AND COMMUNISM ARE TWO PARTS OF THE JEWISH COIN

It is easy to see that the secularization of Western Christianity gives us liberalism. The secularization of the Orthodox religion gives us Communism.

<http://deathofcommunism.weebly.com/pope-says-communists-are-closet-christians.html>

## Libertarianism

The Libertarian movement to legalize the drug culture is insidious no doubt. The Libertarian "thinkers" were all Jews who were working for the Austrian School of economics which is a front of the international Jewish banking dynasties, like Rothschild. Libertardism doctrines are a synthesis of Awerkian, liberal capitalism and Jew Marxism. Hence its doctrines are openly designed to ruin America totally and dissolve it into a globalist monetary serfdom run by Rothschild and his Jew boys sometimes this is called Marxism, Marx was part of the Rothschild family and Rothschild created Communism for just that. Just read Atlas Shrugged by Rosenbaum [Rand's real name, oy veh!] it ends with just that, the end of America and the free world under the iron Jewish heel. That was her opus. Of course she then did a total turn around on her Jew crap doctrines. When it came to the Jew state of Israel. Because Jew Libertardism, its made for poisoning the goyim psyche only. Rothbard was a huge apologist for Marxism as well. Wonder why....

Some of the Libertards have stated legalization of potardism is just the first step to push for legalization of harder drugs you know those drugs that have ruined the fabric of society badly. And seem to mainly come from this place called Tel Aviv to everywhere else. And goes hand in hand with the degenerate drug culture the Jews have been creating in the Media and society since the 60's. To simply ruin the host society as much as possible.

Rothschild, Sassoon and the Solomon's were the owners and operators of the Opium drug trade into China where no doubt the Asian Jew's ran most of the Opium dens and street supply. This was to destabilize and ruin the Chinese population as much as possible for Communist take over. When the Chinese revolted the British Royal Navy was sent into to deal with them to keep the drug trade going as Rothschild owns England. The same Jewish interest that brought you Libertardism.

A little tricknology the Libertards play is pushing for commodity based currency and also bashing Fiat currency. Smart leaders understand Fiat currency is the only solution for a advancing and abundant, FREE society. The American Founders created a FIAT BASED system for this reason. Remember that guy named Hitler who did the same for Germany and made it the most richest nation for all the German People in 9 months. After kicking the Jew and their banker-Marxist schemes out too. Which led to the German People not having to worry about literally starving to death anyone. Commodity currency creates a constant scarcity that allows big Jew banks to rule.....Guess where all the precious metals are in, theirs. Oh and don't think your getting away with your pocket of "precious" metal when they ruin the Fiat system as take over. during the engineered

depression of 29 by the jooz bankers. People where forced to turn in their gold or be put in jail even for up to life. The jooz are coming for your Precious like Golem for the Golden ring. And don't worry the jooz want a global electronic currency in the end with you being micro chipped all run by the Jewish IMF a Rothschild front. Where all must bow down to the International Jew cabal. Rosenbaum's dream come jew.

Micro chipped is newspeak for being Micro jewed.

<http://josministries.prophpb.com/topic7691.html>

The Libertard's doctrines tries to steer people away from recognizing the problem is the JEWISH bankers who have the government in a headlock and have hijacked the Fiat system to ruin it and the nation to push it into a Marxism take over [Rothschild and the Elderz of Zion cashing you all in] nope just dismantle your governments and thus protections and let International Jewish bankers and Corporations dissolve your Freedoms out. Enjoy. Cause you see all the freedumbs those people in the Rothschild run Soviet Union and Communist China really enjoyed. That's life where the jooz have total control.

If people understand the Jews are the problem and break up the joo Banker monopoly and kick the Jews out for the 110th time in history because everyone else but the jooz are the problem...Then the jews would lose the needed monetary control of America that facilitates their political and media, social controls. Which is needed to march us all to total Communism which is just the Elderz of Zion adjusting the goal posts of society to give them total control. Oh yeah and some stuff about Freedumb don't forget. Cause the jooz love to sing that word as they march you into your slavery.

Because to the jew freedom is slavery, get it now Goy.

## Indiana

The Indiana situation has exposed what I already knew. All the Libertarians are up in a tizzy, enraged at the intolerance of an actual Libertarian style law being passed that protects the right to discriminate and not be punished for you want to do or not do business with.

Well everyone guess what....Scratch the surface of a Libertarian and you find a Pinko, pink just another shade of red. Its just the same old Liberal bullshit in the end and bound to its twin of Marxism. As Dugin stated Marxism and Liberalism are both secular xianity. Two sects of the same coin. The right is liberal conservatism and the left progressive liberal. And everything is designed to slide further left into Communism. That's why the conservative of today was the liberal of twenty years ago and the liberal of today is more on an open Marxist then a closet one. One is the engine and the other the caboose of the same train, baby. Next stop commie town.

That's why old Martin Luther King the Marxist trained agent and hero of Libertarian twats everywhere, even Ronny Paul. Who's handler was the former head of the American Communist Party [who wrote the Dream speech] had a liberal and Christian under each arm marching all the way along. Towards the USSR. The left and the right in America both turn out on Marty Luther King day to worship a hard-core ideological Marxist, Saint King. What more can be said.

The truth on Marty the Marxist:

Martin Luther King Jewish Owned Puppet:

<http://deathofcommunism.weebly.com/martin-luther-king-jewish-owned-puppet.html>

## Conservative and Liberal are 2 Masks of Communist

Conservates simply want to conserve how far ahead the jewish social/political[liberal] agenda was a decade ago where liberals want to keep chugging ahead.

So a conservate is simply a liberal who is dragging their feet and slow moving.

And a liberal is simply the gloss word for communist in mordern Western society. All communism ever is, was the jew took their liberal doctrine[which they destoryed France with in their revolution based on this red doctrine] and inserted it into a economic modality for the industrial era. Which they launched anew upon the world killing hundreds of millions.

It should be noted the first communist uprising was in Paris France not Russia. France was a hotbed of jewish infestation. Jewamania was running wild, the Russians where smart and kept them in the pale as a quarantine measure for the safety of Gentiles. The one Czar who freed them and gave them civil rights, the jews repaided him by brutally murdering him. He was a fool and paid with his life for projecting his compassion onto that vile and murderous talmudic lot called the kike race. The frog and the scorpion tale in reality.

He found out the hardway why they where quarantined in the pale to start with.

Now the jew has taken this updated liberalism called communism and simply changed class to race and is pushing it today as Political Correctness ie cultural marxism. And the root of all this is xianity. Nietzsche was correct in stating "the liberal is the secular priest, the priest in disguise."

So we have always been in a struggle against the same jewish paradigm which has several mutations like any virus.

In the future the only universal doctrine will be the supremacy of nature and it's aristocratic principal.

### ANZAC Day (aust. and NZ)

Yeah we get the same cultural Marxist shit over here as well. I actually went to the local museum years ago and read the actual history of the Amerindian tribes that actually lived in the area. They spent their time raping, murdering and torturing each other. While making slaves and rape slaves out of each other. They used to tie a captive to a pole and skin them alive in front of the village for fun. Placing bets on how long before they screamed. They would finish sometimes by cutting the captives heart out. There was a reason the settlers who showed [up in areas the Amerindians didn't live.] Would save a bullet for themselves and their family if the Indians overran them, this is also why the European powers liked to use the tribes they where allied with as shock troops in wars over here. Most troops fighting the Amerindians always committed suicide rather than be taken captive. This is the reason the Amerindians where so hated by Whites over here in many places. They also couldn't trust their words or their treaty. The Amerindian tribes would break it as fast as they gave it. Of course the Poo People's hollywoodism always reverses the truth.

There was a huge war of racial extermination waged by a union of Amerindian tribes against the Whites in the 18th century they exterminated who regions of Whites and almost won. But where defeated by a British General who under false pretext allowed their commanders into the last fort in the area they had surrounded. Under peace talks the Amerindians being clever accepted to be able to case the place. They where also given the custom token of goods including blankets. From pox victims. The pox wiped their whole army out. And saved many people from being racially exterminated, raped and cruelly enslaved. But I am supposed to be full of guilt over this. Because White people don't matter. Its fine to defend yourself and family from being raped and murdered. Unless the attackers happened to be Amerindian and the would be victims Whites to these goofy fucksticks.

One cases of so many. A White family homestead was overrun by the Amerindians the parents where killed, the infants where hacked to death with hatchets or by having their heads bashed against the ground. The older twins girls around eight. Where stripped and had their hands tied to each other and hung over a tree branch. The Amerindians cut deep wounds into them. Then placed pine corts in the wounds. Then lit them on fire and left them there to slowly die of exposer, shock and serious burns. They did this to each other as well.

The original Amerindian tribe that lived in the area I was born. Was wiped out centuries before by.....Another Amerindian tribe. They where totally exterminated. Because there never was some Amerindian race they where

different tribal nations who hated each other and were always at war. The different tribes would ally with different Whites and European powers to slaughter each other better. And fight each other along side different European groups in the great wars on the America's like the seven years war. Pale faces and their Amerindian allies fighting Pale faces and their Amerindians allies. There was not some racial narrative over here like the Poo People pretend. The politics' where complex and could change directions. It was not until the Poo People grabbed a lot of power in America in the later 19th century by Plutocracy that the actually anti Amerindian campaigns where waged. Get a bullet or go to the reservation. Because the Amerindian nations in those area's where in the way of the Poo Peoples shekel grabbing. And they are goyim in the end. By this point many Whites where glad for this as the reason the West was so armed is to protect themselves from the Amerindians raids. For many of the Amerindians for them it simply was the normal continuation of their traditional life of tribal warfare, raids, raping, murdering and captive taking and slave trading.

The real history of the America's is not some Thanks Giving day fantasy. That was sanitized in the 1920's as the Poo People have been rewriting our history forever. The real Thanks Giving celebration was by the White Settlers in remembrance of their victory in a four year long brutal war. Against one of the Amerindian nations. That told them they had to pay extortion tribute or they would be attacked, murdered and their women and children raped and made slaves. Which is what this tribe did to the others around them White and Amerindian. The Settlers refused. And the war started as their homes where attacked. After four years and hundreds killed. They destroyed the enemy Amerindian nation totally.

That's why we had Thanks Giving.

Something interesting is the area I was born was originally inhabited by Aryans over ten thousand years before the Amerindians showed up. Whites inhabited the American's first going back tens of thousands of years. The Amerindians recorded this in their ancient tales. Upon showing up and encountering one White group after another. Some of the Amerindians they attacked and wiped out the Whites. While from their reports the Whites took a lot of them with them they simply won because of numbers. Others seemed to slow mix together over time. Which is why when the European settlers arrived they where shocked to find blonde haired, blue eyed, Amerindian Princesses. And very White looking Amerindian tribes that spoke Gaelic. And ruins of an ancient advanced civilization everywhere. There where still all White tribes living on the Pacific coast into the 18th century. Much the true history which still exists but has been removed and censored by the Poo People.

I am probably the only person I know who does not wear my part Amerindian family members like some token badge of PC honor. I like them and all. But I am not some cultural Marxist douche preening for social points. My care for my family members does not include a hate for myself and race.

Since cultural Marxist douches spout the same Poo People garbage about how Whites should go back to Europe over here. Like king Solomon of the Poo People in their myth shall my part Amerindian family members cut themselves in two and leave the Amerindian half over here and ride on the flying Unicorn with Satan666 back to Europe.

Egon Albrecht:

In Brazil as well, the Amerindians are literary above the law. Once there was a case (of many) of an Amerindian who raped a little girl, and was acquitted in trial because according the law, for being an indigenous he was not conscious of his acts for his different "culture", thus not guilty. They do not have be responsabilized by their acts but either way they can enjoy the benenefits of White civilization, such as the Armed Forces giving them free medicine, hospitals and granted vaccancies in Universities.

Is a pity that in Brazil there was no George Armstrong Custer to fight these savages in the past. A true Aryan hero who sacrificed his own life fighting the savages, not a mistake why Jewish "historicians" and hollyjewd slander him so much.

"I appeal to you as a soldier to spare me the humiliation of seeing my regiment march to meet the enemy and I not share its dangers."

– George Armstrong Custer

### Liberalism is secular xianity

This picture painted by a standard liberal type. Perfectly fits the whole anti-White, liberal narrative the Joo Poo People are pushing in the White nations to dissolve our Race, Nations and cultures out into a Globalist slave slate where all individuality and diversity is gone. The hordes of undocumented third worlders flooding into Europe this way are many times violent criminals fleeing the authorities in their own nations. Its similar to the waves the Jew Castro sent into Miami. He cleaned the jails out and put them on boats. Where these people go the crimes rates drastically grow. The African nations would not like it if all the Western world emptied our jails and slums and sent them into their cities and towns.

Behold this liberal clown actually blames the Europeans for not doing enough to help their own destruction by the enemy Polices of the jooz. Even on Xian premise. Liberalism is atheistic Christianity as the noted Communist Dugin stated:

As the Communist Advisor to Putin, Alexander Dugin who believes stated in an interview:

<http://www.counter-currents.com/2012/07/interview-with-alexander-dugin/>

"This fits well with the Orthodox critique of Western Christianity. It is easy to see that the secularization of Western Christianity gives us liberalism. The secularization of the Orthodox religion gives us Communism....."

<http://qz.com/389076/this-black-jesus-cartoon-sends-a-bold-message-to-the-eu-over-its-migrant-crisis/>

On Apr. 22, cartoonist Khalid Albaih posted a single cartoon on social media: a black Jesus Christ, crucified, floating in blue water. Instead of a crown of thorns, he wears the European Union circle of stars.

It's powerful commentary on the recent tragedy in the Sicilian Strait, where a ship capsized on Sunday, Apr. 19, killing at least 800 migrants on their way to Europe. The cartoon places blame for the injustice of their death: the crown symbolizes the responsibility of European Union, which has reduced investments in Mediterranean naval rescue programs.

The religious theme recalls the fact that tragedy took place—as it has many times before—in the Vatican’s backyard, and the Catholic Church’s tenet of offering refuge to those who are seeking (“Thou shalt love thy neighbour as thyself”).

# JEWISH RACIAL WAR

## Global Culture and Promotion of Interracial Sex - jewish Tactics of Gentile Destruction

The idea of a global culture or "one world culture" has become increasingly popular over the past few decades, promoted in every way possible through the media and education systems etc. What exactly does this mean? Basically, what a global culture refers to is the shedding of all personal and individual cultural identity, heritage and cultural individuality/diversity in exchange for a world culture in which everyone, no matter what part of the world they be from, follows the same pattern. All wearing the same style of clothing, all speaking the same language, all behaving the same and buying into the same basic mindset, all being exposed to the same media and propaganda and so on and so forth.

There is no room for diversity in the global culture, which those at the top are trying so hard to usher in. There will be no such thing as cultural richness or pride in one's own unique heritage.

Heinrich Himmler once made the following statement, "A nation lives happily in the present and the future so long as it is aware of its past and the greatness of its ancestors." This is so true. The remembering of our unique cultures and our roots is vital to the survival of our own group of people, whatever Gentile race or culture we belong to.

What makes us strong is our pride, our strengths and our will to survive and ultimately to continue evolving. The global culture attempts to rip all of this away from us, thus tearing down all the achievements and work that our Ancestors strived for and mash us all into one weakened and diluted mess in order to make us easy to control and manipulate. That is the sole purpose of the global, one world culture, and this is the true meaning of the jewish inspired "new world order".

It in truth has nothing what-so-ever to do with Satan and Satanism. Please read the following article by High Priestess Maxine Dietrich

[http://dawn666blacksun.angelfire.com/NEW\\_WORLD\\_ORDER.html](http://dawn666blacksun.angelfire.com/NEW_WORLD_ORDER.html)

The jewish programs of christianity and islam always have and always will work towards bringing this global culture into being. The entire world will be mashed into one, all identified as one in the jewish/christian/muslim idea of "the one". Statements such as "we are all one", "obey they one", "we are all the same underneath", "one world, one people" and so on commonly spouted by believers

of these so-called religions and their off shoots such as the new age movement are all examples of this detrimental one world mindset.

This will serve to greatly weaken the Gentile people as a whole, taking away from us our individual strengths and pride that make us all unique and strong. In essence, we will lose ourselves and become what they dictate to us, if we allow this to happen. A people who have little individuality and nothing of their own are exceptionally easy to control and to herd. Where as if we all abide by our own heritage and cultural teachings and all stand our own ground, it will be an exceptionally difficult task for them to have any kind of control over us what-so-ever. This will of course have to involve Gentile people waking up and seeing the lies of christianity and islam for what they truly are, vicious programs of enslavement.

Another thing that goes hand in hand with this global culture is the promotion of interracial sexual relations. Again, the purpose which this serves is to weaken and eventually completely eradicate the individual Gentile cultural identity and mash us all up into one state to be easily controlled and manipulated.

The media constantly promotes sexual relations between the races, in fact going beyond just labeling it as "ok" and actually encouraging Gentiles to mix racially. Those who stand against this (rightfully) are labeled "racists" and shunned by society. There is absolutely nothing racist about wishing to keep your race pure and in its strongest possible form and essence. It is in fact your duty to your race to ensure this and thus continue its survival.

The more racial mixing that is promoted, the weaker and weaker and more diluted the Gentile races will become, again, forcing in this global culture with the creation of "one race". This would be an exceptionally sad state of affairs.

Satan and true Spiritual Satanism support the separation of the races and individual advancement of each race. Again, this is by no means racist. However, people have been programmed and conditioned by those at the top through the media and through the education systems to view this as somehow being "racist". They would love for all Gentiles to think this way, and for us to carry out their sick program of destruction for them.

Each race should be able to rule itself and advance itself in order to better itself. Appreciate and foster your cultural individuality, do not help to destroy it by buying into the jewish tactics of global culture and interracial sex. This is not "racism"; it is preserving your own race.

Hail Father Satan!!

## Jewish Destruction of Black America

The Black Community in America was destroyed in several major waves by the Jews, of course it is know the Jews where owners and operators of the African Slave Trade the book " The Secret Relationship Between Blacks and Jews."

" <http://www.blacksandjews.com/>

Documents this fact in depth right from the confessions and documents of the Jews themselves. This book documents that not only did the Jews own and operate the Slave Trade, they were also 75% to more of the owners of the Slaves themselves in the New World.

To the Jew all Gentiles are Goyim [cattle] but what do they state specifically on the Black Gentiles?

"Many people will laugh at the very idea that a Jew would consider any black to be an equal as a rule, Jews loathe blacks more than they do whites, but they find that exploiting blacks is advantageous to the advancement of their agenda, and it is for this reason, and no other, that they associate with blacks.

Those who are incapable of attaining to supreme religious values include the black coloured people and those who resemble them in their climates. Their nature is like the mute animals. Their level among existing things is below that of a man and above that of a monkey. (Maimonides, Guide To The Perplexed, Hebrew Version)

"All I had held against the Jews was that so many Jews actually were hypocrites in their claim to be friends of the American black man...At the same time I knew that Jews played these roles for a very careful strategic reason: the more prejudice in America that could be focused upon the Negro, the more the white Gentile's prejudice would keep...off the Jew."

- Malcolm X (The Autobiography of Malcolm X)

The Jews stated they would use the Blacks of America as shock troops in their destruction of America, the end purpose being to pull America down into a Global Communist State.

"We must realize that our Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races, that for centuries have been oppressed by the whites, we can mold them to the program of the Communist Party ... In America, we will aim for subtle victory.

While enflaming the Negro minority against the Whites, we will instill in the Whites a guilt complex for the exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions, and in the world of sports and entertainment. With this prestige, the Negroes will be able to intermarry with the Whites, and begin a process which will deliver America to our cause."

-A Racial Program for the Twentieth Century by Israel Cohen, 1913

On June 17, 1957, this passage was read into the Congressional Record by Rep. Thomas G. Abernathy.

The first wave came in "Civil Rights Movement" which was nothing more than a Communist front to enact exactly what Israel Cohen stated in 1913.

[http://groups.yahoo.com/group/666\\_BlackSun/message/1880](http://groups.yahoo.com/group/666_BlackSun/message/1880)

During this time the real Black Nationalist groups in America who represented their Peoples interests[they wanted racial separation and self-determination] were destroyed from without and within by the Jews. And the Jewish fronts using their Black agents such as MLK were used to ensure the first wave of this agenda.

The racial mixing laws passed first destroyed the Black Community as the Black Business classes and community now forced to compete with large Jewish corporations where quickly devastated economically. Many of their educated classes offered bigger money jobs, left the community and moved outwards leaving the majority of the area's without any real leadership left and impoverished. With a handful of Jewish controlled "Black Leaders" to distract the Blacks into belief they had a Racial Leadership. The NAACP was started and owned by Jews at the head, in fact, when it was first started, they never allowed it to have a Black President until 50-60 years later. Their job is to make sure the Blacks have no real leadership and the Jewish leaders behind the door use them as shock troops for the Communistic[Jewish] war on America.

The next wave was drugs, the Jews wanted to destroy the Black Community structures so they could never rise as a force against them again, as had happened with real Black Nationalist groups in the past.

The Jewish mafia working with the Kasher controlled CIA and psychopathic elements in the Black Community started to pour Drugs into the Black Communities.

How powerful is the Jewish Mafia branch of their control system in America?

"Friedman points out that the first of the Jewish mob's godfathers in the United States, Evsei Agron, owed his crime career to a politically connected Orthodox rabbi, Ronald Greenwald. Rabbi Greenwald had gotten his political connections working for Richard Nixon's 1972 reelection campaign. He was Nixon's ambassador to the Jewish community. In the 1980s Rabbi Greenwald became mob boss Agron's one-Jew think tank and facilitator. Mob insiders report that most of Agron's rackets were planned in Rabbi Greenwald's Manhattan office. A leading mob member in Toronto, Joseph Sigalov, is also a leader in Canada's Orthodox Jewish community and the publisher of an influential Orthodox newspaper.

So, if these Jewish mobsters get invited to Democratic Party fundraisers and serve as advisers to Republican reelection committees and are in tight with the Orthodox Jewish religious establishment, and if the FBI thinks they're not really as important as the Italian gangsters, maybe we shouldn't worry about them either. Maybe they're really not such bad guys. Maybe they're just nice, Jewish boys who sometimes step over the line and break the law."

You can see the Jewish mafia is nothing more than an overt section of the Jewish racial collective.

Looking back at the rise of the Gangs in the Black Communities that have killed thousands and turned once safe neighborhoods into literal war zones and destroyed the family unit and community spirit. It was all linked to the high amount of drugs flowing into their neighborhoods, different Blacks started banding together to sell the lethal product and starting fighting against other Blacks doing the same territory equals profits. It was at this time and cause the major Black Gangs formed into strong numbers and rose to power. The previous situation of what "Desegregation" did to their Communities helped to create the ground work for this.

A Journalist Gary Webb exposed a major part of this in 1996:

"Webb was best known for his 1996 "Dark Alliance" series of articles written for the San Jose Mercury News and later published as a book. In the three-part series, Webb investigated Nicaraguans linked to the CIA-backed Contras who had allegedly smuggled cocaine into the U.S. Their smuggled cocaine was distributed as crack cocaine in Los Angeles, with the profits funneled back to the Contras. Webb also alleged that this influx of Nicaraguan-supplied cocaine sparked, and

significantly fueled, the widespread crack cocaine epidemic that swept through many U.S. cities during the 1980s. According to Webb, the CIA was aware of the cocaine transactions and the large shipments of drugs into the U.S. by Contra personnel. Webb charged that the Reagan administration shielded inner-city drug dealers from prosecution in order to raise money for the Contras, especially after Congress passed the Boland Amendment, which prohibited direct Contra funding....

Webb supported his story with documents obtained through the Freedom of Information Act, subsequently including a 450-page declassified version of an October 1988 report by CIA Inspector General Frederick Hitz. According to Webb and his supporters, the evidence demonstrates that White House officials, including Oliver North, knew about and supported using money from drug trafficking to fund the contras, and these officials neglected to pass any information along to the DEA. The 1988 report from the Senate Subcommittee on Narcotics, Terrorism and International Operations of the Committee on Foreign Relations led by Sen. John Kerry commented that there were "serious questions as to whether or not US officials involved in Central America failed to address the drug issue for fear of jeopardizing the war effort against Nicaragua." [4]

Webb's reporting generated fierce controversy, and the San Jose Mercury News backed away from the story, effectively ending Webb's career as a mainstream media journalist. In 2004, Webb was found dead from two gunshot wounds to the head, which the coroner's office judged a suicide. Though he was criticized and outcast from the mainstream journalism community, his reportage was eventually vindicated as many of his findings have since been validated: since Webb's death, both the Los Angeles Times and the Chicago Tribune have defended his "Dark Alliance" series. Journalist George Sanchez states that "the CIA's internal investigation by Inspector General Frederick Hitz vindicated much of Gary's reporting" and observes that despite the campaign against Webb, "the government eventually admitted to more than Gary had initially reported" over the years. [1]"

Interview piece on Webb:

<http://www.youtube.com/watch?v=d6dHqP9wc3k>

Webb was murdered with two bullets to the head, he was writing a new book on the subject and it has been strongly rumored in this work he was writing on the connection to the Jewish role behind the drug trade into the Black Community.

The next major wave from here is the Jewish created "Ghetto Culture" that makes the behavior of a psychopath glamorous. Many young Blacks growing up in now broken homes without healthy family structure or community structure now look to gangs and the "gang lifestyle" as away to obtain the basic social/human needs in negative path. That they would otherwise have meant in a positive way in a healthy society and family.

Jewish control of the Media:

<http://theunjustmedia.com/Media/Six%20Jewish%20Companies%20Control%2096%25%20of%20the%20World%E2%80%99s%20Media.htm>

Racial mixing is another major psychological weapon the Jews promote to the Blacks.

The other part of this is the Jew by it's control of the Media and education system and social engineering have instilled in the Black Race in America a deep Self-hatred and resentment complex over being Black. And on the other foot a hatred towards Whites by blaming all their crimes on the White populace. While holding Whites up subconsciously to them in the Media as the standard of beauty and successful living[fueling this self-hatred and resentment].

Racial mixing is another major psychological weapon the Jews promote to the Blacks[and Gentiles together]. The biggest part of this is the deep suggestion in the Jewish Media to Black Males to take a White Women to get back at Whitey and that it's a sign of status to have one. The Jew then works to emasculate the White Males as no women on the instinctive level is attracted to a such a creature. Helping to push this along. The Jew is a master of psychology and uses this ability to control the Gentiles on many levels.

Sooner or later this frustration is going to erupt to a high degree and start a possible race war which is what the Jews want.

We must not allow the Jew to ever hide amongst our Peoples again pitting us against each other. In the end Black, White or other we all get the same Gulag in the Global Zionist State.

All Gentiles must realize our common enemy. The ancient enemy of all humanity, the Jew.

## Ferguson, The Result of Jewish Nation Wrecking

Note the kikes make racial awareness and pride into bad thing for Whites. As anti-racism is a code word for anti-White. Because its harder for kikes to destroy the White race if Whites say no to the Jewish racial extermination policy's towards us. So the kike boogey man of racism is used as a stick in the cause of them murdering us out of existence.

The Jewish Communizing of America:

<http://deathofcommunism.weebly.com/jewish-communizing-of-america.html>

The whole anti-racism paradigm is a modern form of Christianity where the original sin is now being born with White skin and we must forever repent for the sin of White Racism which is caused by sinful Whiteness. Of which sixty billion jews and non-Whites died on the cross for in Auschwitz and Roots for [always sweeping the fact kikes ran the slave trade and owned most of the slaves or that Blacks still enslave each other in Africa and Whites are the only race to outlaw slavery in history not part of the narrative] and the only way to repent of Whiteness is to as one kike put it "abolish the White Race" [ie exterminate] so there can a rainbow communist jewtopia on earth.

Jews Behind Black Slavery And the Deaths Of Up To One Hundred Million Africans:

<http://josministries.prophpb.com/topic148.html>

This is the major narrative of the Egalitarian Liberal, PC Theocracy of the West, which comes down to everyone has a right to exist but Whites, says just who? Why the kikes and their social engineers of the Frankfurt school of social Marxism. Thanks Jews.

Liberalism Is Just Secular Christianity:

<http://deathofcommunism.weebly.com/liberalism-is-christianity-without-the-christ.html>

Black's are naturally racially conscious as is everyone else. Over here the kikes indoctrinate the Whites to feel self hatred and guilt over their racial consciousness. Where the Blacks are indoctrinated that Blackness means being a violent clown, with your pants hanging off your ass. And shooting each other over everything from crack to a bag of chips, and I mean that literally. They have murdered each other over a bag of chips. Blackness forbids learning to read, getting a good education, having a good career, speaking proper English, being a responsible man or a father either [Blackness is big on abandoning your children]

or being a moral human being in general. The opposite of this is considered "acting White" and selling out. Its not a mistake when Ghetto Blacks start moving into a higher class area the successful Blacks are the first to move out. They worked their whole life to escape those types. And know from experience what's coming.

You can see this violent stupidity right now in Ferguson the kike media has done everything possible to encourage a Black riot like they did over the Zimmerman case. The Blacks are mad because a goon was stopped by a cop after strong arm robbing a store and walking in the middle of the road with his arms overflowing with stolen goods. And then decided to attempt to kill the police officer as the evidence has proven and failed in the attempt. Now the Blacks kill each other by the thousands. The Black areas of America have the highest murder rates of Blacks killing Blacks. And for 12 percent of the population the Blacks make up fifty percent of the violent inmate population in jails. This is due to the attitude of Blackness, and its criminality. Most of those Blacks are in jail for crimes committed against other Blacks in the name of Blackness.

This is fine to them as its part of Blackness, as one Black author stated. Now this Michael Brown was killed by a White Cop. Now this is bad because he is killed what they perceive as Whiteness. So its time to have a big tantrum. Because Blackness is based on hating Whiteness.

The reason for this is simple. The kikes have filled the Black mind with a deep hatred a never ending negativity. That because they are Black in America the deck is stacked against them and each one could be a celebrity and rock scientist if not for White Racism. The backhand of this the kikes fill their head with a deep self hatred and resentment for not being White. So this is bound to explode. Blacks are taught to give up on life and embrace a destructive path. The big part of this is the destruction of their family unit. Illegitimate children are 70 percent more likely to end up in trouble. The kikes pouring of drugs into the Black community which the journalist Gary Web was murdered by Mossad for writing a second book on exposing. And the Blackness culture created by the kike media and the kike social Marxist's. Desegregation also economically destroyed the Black community. The Blacks did not want desegregation just certain legal rights. The kikes pushed desegregation to wipe out the Black economy and take it over. The average Black business man could not compete with the big kike chains who pushed down prices. A long with the general destruction of the American economy has hit the majority of the Blacks and the White lower working classes hard and now everyone else hard. Poverty creates a strong aberrant behaviour many times. The above Blackness culture builds on this.

Poverty is a crime against humanity. It needs to be dismantled but this is another topic that examines the reality of the monetary world religion which the kikes are the God of. My family members of the past worked hard and fought hard in the streets against the capitalist owners mainly kikes, the cops and strike breakers for social justice and rights for the working man and women. As did many others. Our fathers and forefathers worked hard to build up a higher standard of living and now the kikes are trying to nickel and dime it all away.

The kikes also got rid of the real Black racial leaders and put Communist ones controlled by them in their place. The NAACP was started and run by Communist jews forever. They have doing nothing for the Blacks but ruin them in the long run.

Martin Luther King Jewish Owned Puppet

<http://deathofcommunism.weebly.com/martin-luther-king-jewish-owned-puppet.html>

Looking at how the Police are ordered to handle the situation as well from their political masters. Its designed to make a riot happen and possible.

The Police are so tied up and controlled by kike politicians and interests. Normal decent police officers had to go out on a limb to warn citizens in that area by openly posting on their forum all the citizens need to buy several guns and protect themselves and their families. As they will be a violent Black riot over what's coming down in the ruling.

Violent, stupid, self destructive, socially destructive Black clowns. The kike created Frankenstein monster of Blackness on parade. Thanks Jews.

Welcome to kike created, Black America, where reading a book is selling out.

From Israel Cohen [Jew], A Racial Program for he Twentieth Century, 1912. Also in the Congressional Record, Vol. 103, p. 8559, June 7, 1957

## Jews Behind Ferguson Trying To Start Race War

The Ferguson race riots were fuelled by the Jewish controlled Media and funded by Globalist Jewish Elites. And it was done along the Social Marxist narrative Jews created and have been indoctrinating the populace with for decades in their Hollywood, Media, their control of the Campuses and on. This is divide and conqueror. To further work towards creating a Jewish World Communist Dictatorship. Remember every Communist front in America was run by Jews [many times KGB Jewish agents] under a "Liberal banner."

For an in-depth view of this reality:

The Jewish Communizing of America:

<http://deathofcommunism.weebly.com/jewish-communizing-of-america.html>

Sorros:

<https://www.jewishvirtuallibrary.org/jsource/biography/Soros.html>

Sorros is openly Jewish born of a Jewish family.

Lets us first review Sorros and his fellow Jews role in the attempted Communist social revolution in America.....

Sorros was also the major Key Jew being the organized Protest Wall Street Movement. Which was an admitted attempt to start a open Communist social revolution in America. Which is the stated final goal of Social Marxist indoctrination.

Today with the protest movements at Wall Street we see this unfolding evidenced by the fact the movement was created and is funded by the Jewish power structure agents such as the notorious Henschel Jew of the Rothschild's, George Soros who organized the Occupy Wall Street Movement via Adbusters:

Adbusters made the initial call in mid-July, and also produced a very sexy poster with a ballerina posed atop the Charging Bull statue and riot police in the background. US Day of Rage. [1]

This group then contracted the "NYC General Assembly" a covered Communist front group of Jews and usefools to carry out the grunt work and get it going.

The Adbusters Media Foundation describes itself as a non-profit "anti-consumerist" organization that functions as "a global network of artists, activists, writers, pranksters, students, educators and entrepreneurs who want to advance the new social activist movement of the information age."

Steve Baldwin claims Tides received over \$7 million from George Soros. Although the monetary connection between Tides' founder Drummond Pike and the arch globalist Soros is somewhat murky, researcher Ron Arnold has mapped out numerous connections between the two so-called philanthropists. Under IRS rules, Drummond is not obliged to reveal who he receives money from to fund a large number of supposedly progressive organizations.

"The Tides Foundation is a pass-through for other foundations' money," writes Arnold. "Tides Foundation is a public charity, not a private foundation. Tides Foundation passes other foundations' money to a spectrum of left-wing organizations which the original donors would not or could not support on their own... Because none of the more than 260 projects under the Tides umbrella files its own Form 990 with the IRS, their finances are totally secret and not available for public inspection, an issue that requires congressional remedy."

"It would seem George Soros is connected to the U.S. Day of Rage aka Occupy Wall Street through The Ruckus Society. On the U.S. Day of Rage website. The Ruckus Society receives funding from the Tides Foundation and George Soros' Open Society Institute provides grants to Tides, including a mere \$4.2 Million in 2008, the last year figures are available." [2]

Who else has hovered into to help to direct this movement?

A widely reproduced article October 5 ("Seeking Energy, Unions Join Protest Against Wall Street"), the New York Times pointed prominently to the attitude and role of Stuart [Jew] Appelbaum, president of the Retail, Wholesale and Department Store Union (RWDSU), in relation to the current Occupy Wall Street protests. [3]

More on Applebaum:

As well as serving since 1998 as president of the 100,000-member RWDSU, now a division of the United Food and Commercial Workers (Change to Win Federation), Appelbaum is president of the Jewish Labor Committee, a pro-Israeli lobby within the American trade unions. In this capacity, he regularly defends Zionist policy, although in its "moderate" Labor Party version, and denounces Palestinian resistance. He is also associated with Ameinu, the successor to the Labor Zionist Alliance.

Prior to the disaffiliation of the UFCW from the AFL-CIO, Appelbaum functioned as a Vice President of the national AFL-CIO and a member of the federation's Executive Council from 1998 until 2005. He also currently serves as a vice president of the New York State AFL-CIO and the New York City Central Labor Council.

He plays a prominent role in the Democratic Party, having served formerly as Chief House Counsel of the Democratic National Committee. Appelbaum was elected a delegate to the 1996, 2000, 2004 and 2008 Democratic National Conventions and an alternate delegate to the 1992 Democratic National Convention. In 2008, he served as a member of the Electoral College as an Obama elector from New York.

Appelbaum sits on Freedom House board with a variety of right-wing academics, trade unions officials and assorted US government operatives past and present, including Kenneth Adelman, formerly an assistant to Secretary of Defense Donald Rumsfeld (under Gerald Ford), and later a member of the Defense Policy Board. Another Freedom House trustee is Diane Villiers Negroponte, wife of John Negroponte, ambassador to Honduras during the 1980s, who played a key role in supplying and supervising the CIA-backed "contra" mercenaries who were based in that country, and whose operations claimed 50,000 lives.[3]

More:

Media spokesmen for the Occupy Wall Street demonstrations claimed that their operation is totally transparent, with everything subject to democratic discussion in a general assembly of all comers. But eyewitness reports from experienced observers on the ground in lower Manhattan indicate a much different reality behind these bland assurances. Forces appeared to be at work behind the scenes to manipulate the protest movement ....

Eyewitness observers suggest that the deliberations of the general assembly are largely a diversion, and that real power is being increasingly concentrated in the hands of about 20 mysterious and anonymous individuals who appear to make up a kind of covert steering committee that pulls the strings on the general assembly, or else goes around it completely. The members of this cadre of mysterious operatives are not as young as the average demonstrator. The secret leadership is made up of people ranging in age from 25 to over 40, with the older ones occupying the key posts.

Attempts to ascertain the names of the behind-the-scenes leaders are met with stonewalling. When pressed to reveal her identity, one female leader gave her name as "Mary MIA." Another gave his name as "Tony POW."

If the leaders of OWS want to be transparent, let them make public at least the full names of the people who are actually running the show. No one wants to join a movement with anonymous leaders.

Observers have noticed that almost all of the likely members of the secret steering committee disappear from view between 4 and 6 p.m. each afternoon, right before the opening of the general assembly, for which they then re-appear. It is assumed that they are attending a closed-door meeting, but the general assembly is not officially informed of this fact.[4]

We are experiencing a return transit of the Jews via their formula of problem, reaction, solution. Creating and funding a mass movement for an End Game power grab and the folding of America into the Jew World Order. Which is playing off the terraforming of America over decades of psychological programming of Cultural Marxism [every major campus is a Cultural Marxist seminary] to have the leftist usefools by legion to be the marching fodder to create the core ranks needed along with a Jewish leadership body. And with the spark of the engineered depression to unite them into a battering ram of Global Jewry.

From Wall Street With Guile:

Rabbi Bertram W. Korn:

"It would seem to be realistic to conclude that any Jew who could afford to own slaves and had need for their services would do so....Jews participated in every aspect and process of the exploitation of the defenseless blacks."

"Jews and Negro Slavery in the Old South, 1789-1865," in Abraham J. Karp, *The Jewish Experience in America: Selected Studies from the Publications of the American Jewish Historical Society* (Waltham, Massachusetts, 1969), pp. 184, 189.

Now why do Jews who ran the entire African slave trade on the protocols of their racial laws of the Talmud. And where over seventy five percent of the owners of Black Slaves in America and are responsible for the African Holocaust of a Hundred Million African Blacks. And who's slave trade was only stopped by direct intervention of White Goyim like Lincoln and the Pan Western White Abolitionist movements that came from the original Free Masonic enlightenment. Which the Jews worked to ruin with the Jewish Illuminati, Jewish banks and Jewish Communism. The Jews now blame Whites for Jewish crimes when Whites stopped Jews enslaving Blacks and put the Jewish run Slave Trade out of business. Jews the Shit People.

The Jews are responsible for creating Racism against Blacks with the Curse of Ham that was used to legitimize slavery further when the Jewish Torah which forms the core of Jewish Christianity and was the basis for legitimacy of slavery and other tactic's. But today we are supposed believe Jews care. When Jewish Elites rape Africa on a daily basis. And their Marxist Leaders like Mugabe, kill thousands of Blacks in their terrorist regimes. And the Jewish Mossad as the journalist Gary Web was killed for finding out, was behind the pour Drugs into the Black communities and created the culture of destruction of Black life which the Jews then promote in their Media and it was the gangs which formed out of this.

Jews Behind the Black Holocaust

<http://www.blacksandjews.com/JewsBlackHolocaust.html>

What are the Issues?

Blacks and Jews have been involved in a re-evaluation of their current and historical relationship. Events of the past several years have raised both tensions and the level of rhetoric coming from all sides. The Secret Relationship Between Blacks and Jews is a historical accounting of the part of the relationship that has been ignored by both Blacks and Jews. Most people are not even aware of the extensive record of encounters between the two groups prior to the 20th

century. The Honorable Louis Farrakhan referred to this well-documented history in 1984 and was immediately labeled an "anti-Semite." Merely questioning the belief that Jews were co-sufferers in the Black slave experience draws angry rebukes from Jews of all stripes. The book in question presents indisputable historical data from census records, wills, Jewish historians and scholars, rabbinical sermons, port records, court records, runaway slave notices, slave sale advertisements, etc., which forces all sides to grapple with the long-held mythology that Black people always found a friend in the Jews.

Some Jews and their dutiful negroes have hired the services of Dr. Harold Brackman of the Simon Wiesenthal Center in an effort to preserve the comfortable mythology which has obscured the actual historical record. But unbeknownst to them, Dr. Brackman's 1977 unpublished Ph.D. dissertation, entitled *The Ebb and Flow of Conflict*, goes far beyond *The Secret Relationship* in its claims of Jewish conspiracy in the Biblical origin of White supremacy. He clearly states that Jewish Talmudic scholars invented the Hamitic Myth which, through the story of Noah, everlastingly assigned to the African the role of slave and divinely cursed servant of White people. According to Dr. Tony Martin's book, *The Jewish Onslaught*, the Jewish invention of the Hamitic Myth "provided the moral pretext upon which the entire trade grew and flourished."

"There is no denying," said Brackman of the story of Noah, "that the Babylonian Talmud was the first source to read a Negrophobic content into the episode..." Brackman pointed out further that two third century Jewish "Sages" provided homosexual embellishments for the Biblical story as well.

This "curse" was the absolute basis for the Europeans' choice of dark-skinned Africans for chattel slavery. Many denominations of Christianity, Islam and Judaism believe it and teach it to this very moment! Southern plantation owners attacked the Abolitionists with it; its teaching was the foundation of the slaves' permitted religion; Black inferiority is based on it; the Ku Klux Klan relies on it; even the Mormons officially taught it until 1978. When the Jews invented it and promoted it to the world they sentenced the Black Race to a holocaust the likes of which no people have ever suffered. "Hate teaching" will forever be defined by this wicked belief system brought to us in the Jewish Holy Talmud via Harold Brackman.

The critics curiously use a Harvard English teacher, Henry Louis Gates, to offer historical clarity. Gates exhibits no evidence that he even read the book in his oft-quoted NY Times opinion. His willingness to make asinine historical claims with the glaring absence of support from reputable Black or Jewish historians proves

Adam Clayton Powell's axiom: "Harvard has ruined more negroes than bad whiskey."

### Overwhelming Evidence

The history that the old "Black-Jewish Coalition" clumsily avoids is the entire three century history of Jewish presence in South America and the Caribbean. But other highly acclaimed Jewish scholars have not been so blind:

Lee M. Friedman, a one-time president of the American Jewish Historical Society, wrote that in Brazil, where most of the Africans actually went, "the bulk of the slave trade was in the hands of Jewish settlers."

Marcus Arkin wrote that the Jews of Surinam used "many thousands" of Black slaves.

Herbert I. Bloom wrote that "the slave trade was one of the most important Jewish activities here (in Surinam) as elsewhere in the colonies." He even published a 1707 list of Jewish buyers by name with the number of Black humans they purchased.

Cecil Roth, writer of 30 books and hundreds of articles on Jewish history, wrote that the slave revolts in parts of South America "were largely directed against [Jews] as being the greatest slave-holders of the region."

"I gather," wrote Jewish scholar Wilfred Samuels, "that the Jews [of Barbados] made a good deal of their money by purchasing and hiring out negroes..."

According to the Jewish historians, all Barbadian Jews owned slaves - even the rabbi had "the enjoyment of his own two negro attendants."

In Curaçao which was a major slave trading depot, Isaac and Susan Emmanuel report that "the shipping business was mainly a Jewish enterprise."

Says yet another Jewish writer of the Jews of Curaçao, "Almost every Jew bought from one to nine slaves for his personal use or for eventual resale."

Seymour B. Liebman in his *New World Jewry*, made it clear that "[t]he ships were not only owned by Jews, but were manned by Jewish crews and sailed under the command of Jewish captains."

Moshe Kahan stated bluntly that in 1653-1658, " Jewish-Marrano merchants were in control of the Spanish and Portuguese trade, were almost in control of the Levantine trade...were interested in the Dutch East and West Indian companies, were heavily involved in shipping; and, most important, had at their disposal large amounts of capital."

In Brazil, where most of our kidnapped ancestors were sent, Jewish scholar Arnold Wiznitzer is most explicit about Jewish involvement:

"Besides their important position in the sugar industry and in tax farming, they dominated the slave trade. From 1636 to 1645 a total of 23,163 Negro slaves arrived from Africa and were sold for 6,714,423 florins. The West India Company, which monopolized imports of slaves from Africa, sold slaves at public auctions against cash payment. It happened that cash was mostly in the hands of Jews. The buyers who appeared at the auctions were almost always Jews, and because of this lack of competitors they could buy slaves at low prices. On the other hand, there also was no competition in the selling of the slaves to the plantation owners and other buyers, and most of them purchased on credit payable at the next harvest in sugar. Profits up to 300 percent of the purchase value were often realized with high interest rates....If it happened that the date of such an auction fell on a Jewish holiday the auction had to be postponed. This occurred on Friday, October 21, 1644."

Given the concise statements in the Jewish historical record, of which the "Black/Jewish Coalition" is totally ignorant, how can it be taken seriously in the present debate? (For even more evidence see the Facts and Quotes Section)

### Jews and Slavery in the Old South

The Jewish critics prefer to focus on the history of slavery in America while ignoring our kidnapped African family in other parts of the Western Hemisphere. This attempt to focus the debate is designed to limit our historical inquiry and to suggest that we Blacks are to care only about our Black family within America's political boundaries. This view also conveniently limits the consideration of evidence of direct Jewish involvement as whip-wielders in the slave trade which is so abundant in the southern part of the Western Hemisphere. By the time of the Jewish migration into what is now the United States, Jews were less involved in the direct trade but remained significant beneficiaries by their involvement in the plantation economy.

Jews in the South were of the merchant class, according to a Jewish historian, having developed "a separate and distinctive accommodation to the plantation economy." The Southern planters depended upon these merchants to move their produce to market as well as for a source of supplies and financing. Jews had become commission merchants, brokers, auctioneers, cotton wholesalers, slave clothing dealers, and peddlers, keeping the slave economy oiled with money, markets and supplies.

It is no mystery why the Jews were absent from representation in the ranks of the Abolitionists. The American and Foreign Anti-Slavery Society in their report of 1853 expressed their frustration at the lack of Jews:

"The Jews of the United States have never taken any steps whatever with regard to the slavery question. As citizens, they deem it their policy to have every one choose which ever side he may deem best to promote his own interests and the welfare of his country. They have no organization of an ecclesiastical body to represent their general views; no General Assembly, or its equivalent. The American Jews have two newspapers, but they do not interfere in any discussion which is not material to their religion. It cannot be said that the Jews have formed any denominational opinion on the subject of American slavery....The objects of so much mean prejudice and unrighteous oppression as the Jews have been for ages, surely they, it would seem, more than any other denomination, ought to be the enemies of caste, and friends of universal freedom."

One study by Ira Rosenwaike published by the American Jewish Historical Society has shown that 75% of the Jews of the South owned Black slaves while 36% of the White population owned slaves.

Ask the Jewish critics to name one (just one) prominent Colonial American Jew who did not own slaves. He will have the same difficulty as the Anti-Defamation League of the B'nai B'rith had in their 1976 pamphlet entitled, *American Jews: Their Story*. The ADL lists 13 pioneers of the American Jewish community - 10 of whom have been definitively linked to the slave trade. Some Jewish scholars of today, such as Jacob Rader Marcus, chart the wealth and prestige of their ancestors by the number of Black slaves they possessed. The point that the "Coalition" eludes is the utter failure of Judaism to control this oppressive impulse on the part of these Jews. As Rabbi Bertram Korn, the foremost scholar of nineteenth century Jewish history, has written: "It would seem to be realistic to conclude that any Jew who could afford to own slaves and had need for their services would do so....Jews participated in every aspect and process of the exploitation of the defenseless blacks."

When Rabbi David Einhorn of Civil War era Baltimore, a true Jewish friend of Black people stood up for the humanity of the Black Man using the holy principles of Judaism from the Torah, his words were brilliant:

"America of the future will not rest on slave chains or belittling its adopted citizens. It will also give up its disinterestedness in the fate of other peoples of the world....[T]he next battles will leave a real blood bath, but slavery will be drowned in that bath."

Alas, his own congregation physically expelled him from his position as rabbi and ultimately from the city. They opted, as most Jews did, to accept the "Judaism" of the most prominent rabbi of the time Morris J. Raphall:

"[I]t remains a fact which cannot be gainsaid that in his own native home, and generally throughout the world, the unfortunate negro is indeed the meanest of slaves. Much had been said respecting the inferiority of his intellectual powers, and that no man of his race has ever inscribed his name on the Parthenon of human excellence, either mental or moral."

The historical record is formidable and well-represented in *The Secret Relationship Between Blacks and Jews, Volume One*. Within 334 pages there are 1,275 footnotes containing multiple references for the reader to examine. The irrefutable record of Jewish historical compliance with Black oppression is no longer a "secret." The debate has surely changed.

The Washington Post has confirmed the accuracy of *The Secret Relationship* while exposing the ignorance of its media critics. University of Chicago African Studies professor and Jew Ralph A. Austen has written in *Tikkun Magazine* that the "substantive content...seems fairly accurate." Furthermore he says, "The authors of *The Secret Relationship* underestimate the structural importance of the Jews in the early stages of the New World slave trade." The Jewish Community, negro followers, Harold Brackman and Henry Louis Gates might do well to investigate that amazing assertion of this Jewish historian.

### Jewish Racism

But what of the continuing Jewish racism that elicits no Jewish response at all. No letters warning of some ominous trend. The African United Front of Los Angeles raised many of these issues in a recent Final Call article:

·Michael Levin of City College of New York, Vincent Sarvich of the University of California at Berkeley and Richard Hernstein at Harvard are among the most prominent Jewish scientists and scholars who maintain that Black people are intellectually deficient. Hernstein's book *Bell Curve* harkens back to some plantation philosophy claiming that Blacks are intellectually inferior to Whites. Other Jews, including Howard B. Abikoff of the Long Island Jewish Medical Center, Rachel Klein of the Long Island Medical Center and Columbia University, and Gail Wasserman, in the Department of Child Psychiatry at Columbia, are engaged in research which has the potential to link genetics to violence in inner city Black and Latino children. Where is the outrage, Coalition? Where are the calls for repudiation?

·Journalists like Jeff Greenfield, Norman Podhoretz, Roger Rosenblatt and other Jews have besmirched the Black image in news shows or on the printed page. Jewish producers in Hollywood like Norman Lear, Mort Lochman and Ed Weinberger continually produce degrading television sitcoms, like *Sugar Hill*, produced by Arman Berstein, Tom Rosenberg and Mark Abraham. These portrayals can only be compared to Julius Streicher's degradation of Jews in *Der Stürmer* in Nazi Germany [my note Streicher told the truth about the Jews and they hanged him for it after the war, where the Jews lie about Blacks].

·The San Francisco Chronicle, the San Francisco Examiner, the Los Angeles Times and numerous other newspapers have documented the fact that for decades the ADL ran a private nationwide spy network - "a systematic, long-term, professionally organized political espionage operation complete with informers, infiltrators, money laundering, code names, wiretapping and secret meetings." Newspapers have revealed that among the 950 organizations and 10,000 individuals that the ADL prepared files on were many Black groups, including the NAACP!

There are many issues of varying degrees of significance that must also be raised to clear the air:

For thirty years Israel has maintained strong economic, military, nuclear, scientific, academic, energy, tourist, cultural, sports, transportation, agricultural and intelligence ties with South Africa - and thereby prolonged Black oppression there. Jews were the only group in this country who arrogantly threatened to protest the visit of revered African National Congress Chairman and now President Nelson Mandela to the United States in 1990. They have labeled Mandela and Bishop Desmond Tutu "anti-Semites" while the 110,000 Jewish South Africans are, in fact, the richest single community in the world.

The late Israeli Defense Minister Moshe Dayan asserted that the quality of American military forces had deteriorated because they were composed of Blacks "who have low intelligence and low education." He urged America to ensure that "fresh blood and better brains go to their forces." He is a hero in Israel.

Jewish talk show host Howard Stern was quoted in the November 1st issue of Time magazine as stating that, "they didn't beat this idiot (Rodney King) enough." In March, he played Ku Klux Klan songs on his broadcast and used the term "nigger" 55 times in 10 minutes. He offered the term "porch monkey" and "yard ape" as labels for Blacks.

Furthermore, during the week of March 7, 1994, Jewish comedian Jackie Mason was quoted by news broadcasts as having said: "The susceptibility to violence happens to be more among Blacks than whites - a hundred times more."

In 1991, Judge Joyce A. Karlin sentenced Korean merchant Soon Ja Du to five years of probation, 400 hours of community service and a fine of five hundred dollars for killing Black teenager Latasha Harlins. Judge Stanley M. Weisberg transferred the Rodney King case to Simi Valley and thereby virtually assured an unfair trial for the Black victim. Superior Court Judge Roosevelt I. Dorn, a Black jurist who had been hand-picked to hear the case of three men charged with beating Reginald Denny during the early hours of the L.A. Civil unrest, was removed from the case by District Attorney Ira Reiner. Karlin, Weisberg and Reiner are all Jews. Jewish leaders did not repudiate them for their "racism" or "unfairness;" there were no newspaper advertisements taken out to condemn them, nor were their names dragged before congress to be censured.

If the Jewish Community has a longstanding interest in providing accurate information about history, culture and traditions of the Jewish community, as some have claimed, maybe they should commence with one or more of the above.

Black educators need not fear cheap smear campaigns by long-time racists. Our history is our responsibility, and we have no right to compromise with truth or the instruction of our children. What they teach Jewish children is their business.

Liberal billionaire George Soros donated \$33million to social justice organizations which helped turn events in Ferguson from a local protest into a national flashpoint.

The handouts, revealed in tax filings from Soros's private foundation, were given to dozens of different groups which weighed in on the crisis.

Organizers from professional groups in Washington, D.C., and New York were bussed into the Missouri town to co-ordinate messaging and lobby to news media to cover events using the billionaire's funding.

The flood of donations were uncovered in an analysis of the latest tax return by Soros's Open Society Foundations by the Washington Times.

The cash was reportedly funneled into keeping up numbers of protesters in the community over a period of months by bringing in outside activists.

Meanwhile papers from think tanks were disseminated to bring in extra coverage of the civil unrest, also linked to the police killings of Eric Garner in Staten Island and Tamir Rice, 12, in Cleveland, Ohio.

Outlets which covered the research, and the movements themselves, included one, Colorlines, which Soros himself has funded.

The slew of organizations reportedly created their own online 'echo chamber', by using their extensive social media presences to 'like', repost and comment on articles putting across their point of view.

The director of Soros's fund said that they have no direct control over the groups they give to, and said they are all trying to improve accountability.

Bankrolled: Tax filings revealed that Soros pumped millions into groups that bussed protesters to Ferguson, Missouri, from around the country and coordinated campaigns to keep it in the media

The words are reference to how contentious witness accounts describing how Michael Brown was raising his hands in surrender when Ferguson officer Darren Wilson shot him dead this August.

Soros also gave money to the Drug Policy Alliance, which worked on the perpetuation of the 'black lives matter' buzz phrase, which has been incorporated into speeches by political figures including Hillary Clinton.

The billionaire's fortune was made from speculating on financial markets, most notably making more than \$1billion in the 1990s helping cripple the British financial system by speculation on the pound sterling.

He is currently ranked at number 17 on the Forbes 400 richlist, with an estimated worth of \$24billion.

## The Hoax of Black Victimization

Written by João Carlos de Almeida | January 6, 2011

This is not a White supremacist working on blacks. On the contrary.

These are marginal there, somehow my “homies” as they say themselves.

Last week we translate a post titled What to do about black interracial violence?, blog View from the Right. K. Paul begins by stating that he thought theater owners should have the right to prohibit the entry of groups of black teens for “being scandalous and bother others” and have “a propensity to violence.” Then he mentions three recent episodes of extreme violence committed by blacks against Whites and Asians in the United States (recorded on video) and draws attention to the fact that the press never says the fact that inter-racial violence in the country is almost always blacks against Whites and yellows and not otherwise.

That something like ninety percent of all violent crimes committed in the United States are the work of blacks and Latinos is a fact that even the leftist Democratic Party demagogues know. But to do justice to Paul K., would leave recorded two recent events.

One is that a newcomer marine Afghanistan have been beaten on Christmas Eve, along with his wife, by a group of black teenagers in marginal Brandentown in Florida to come out of a movie. Reason: he had asked them what they were doing riot during the movie watching, which stood silent.

As the blogger Van Helsing says, whose page we take this matter, “The reason why this was not a racial incident is because the victims were White and the attackers, of course, black.”

The other matter is this on a trawler dozens of (guess) marginal black teens at a mall in Milwaukee, Wisconsin on last Sunday. The press, in its leftist newspeak, referred to the band as “young rebels” [unruly young people]. YOUNG REBELS?

Seeing how these barbarities, gives to perfectly understand what motivated the ancient laws of racial segregation in the southern states of the United States. Available data on the American crime during the nineteenth and early twentieth century had already indicated an immensely disproportionate involvement of black people in violent crimes.

I even write this here now I’m not White. I am mestizo. My paternal grandfather was black and my father is mulatto. This is not a White supremacist working out

blacks. On the contrary. These are marginal there, somehow my “homies” as they say themselves. Hence my disgust about the whole thing. We blacks and mestizos should give thanks to God every day that we can live in decent Western nations rather than in some African dictatorship. If these people there really hate Whites so much, why the hell would rather suffer in their midst, rather than go back to Africa? As Michael Savage said a few months ago for a black, racist and disgusted with the Whites who run the country listener, “Under the rule of African dictator which would you rather live, then?”

It is past time for us “african descent” (the term is populist and leftist, but he will) stop this farce of victimhood and desire for repairs. The United States and Brazil have no “historical debt” no us. Us is that we and many of these countries, who gave us this true civilizations already ready, we could never build if we had fied on the African continent. If our ancestors had not been brought as slaves to America, we would be infinitely worse today. And how do we show our gratitude to these nations? Take a look at the available data on crime and in the polls in both countries and you will see.

If there are racial victims today in the United States and Brazil are White, not us. We who rape, kill and rob them, not vice versa.

Who voted overwhelmingly in Lula and Dilma, who are committed to the socialist enslavement of the country, just to make handouts EN, was the black and mixed race, poor and illiterate population, which is filing for the direction the nation is taking . Who votes en masse for Democrats, who are committed to the socialist depredations of the United States, is the black population, a proportion that is not seen in any other ethnic group in the country. If you depend of black Americans, the country will turn a new Zimbabwe. Look what five consecutive administrations of black Democratic mayors, elected with massive vote of the black population, led Detroit, once one of the richest cities in the country.

Enough of this nonsense of victimhood, revenge and black reparationsim. Our contribution to our countries was minimal and the burden we carry, immense. Who builds beautiful buildings we are black and mixed race, yes, but who’s going to rob the residents who will live there, and raping their daughters, are we, well we vote en masse in leftist politicians who will steal their money through exorbitant taxes . These taxes that, in turn, will be used to pay for welfare projects for our “underserved communities” - the new name invented for ‘slum’ - and to build public schools that we blacks and poor mestizos, we victimize.

Let’s stop pretending we do not know it all.

## On Racism and equality

"There is neither Jew nor Gentile, neither slave nor free, nor is there male and female, for you are all one in Christ Jesus."

- Galatians 3:28

Racism is a word most famously coined by the Jew Communist Trotsky. This for the reason of advancing the Jew World Order by vilifying all Gentile races who wish to exist and not be annihilated as a diverse people into a global Jewish Order of villainy and terror. Where Jewish Communism dominates racial extermination programs in the form of racial mixing is promoted. Never for the Jews but by Jews for the Gentiles. Under the JewSSR and in the current West with Jewish Kosherial Marxism. Xianity also pushes this as well.

Its also a nod to the fact the Jew projects what it is on to its enemies. The only race on earth who views racial difference as a licence to murder, enslave and terrorize is the Jew race which dehumanizes the entire Gentile world. And uses this to exploit, murder and harm all non-Jewish peoples. In the never ending Jewish race war upon humanity. Then sits back and pretends its the victim to create a sympathy ploy to get close to sink its fangs in the hosts neck.

I wish to inject something here, since people still seem to be in fear of the Racism word everywhere today. Racism is simply an scientific term from the 19th century for the anthropological study of the difference between the human races, nothing more. The jews then took this term and turned it into a negative, changing the meaning to racial hatreds. As part of their communist agenda Trotsky the kike butcher of Russia was a major agent behind this corruption of the word. You can't make everyone one in the Jew World Order, if we know we are all two, four and more.

If you look up an apt definition of the term Racist you will find it's a person who believes the races are genetically thus biologically different and have diverse natures based on their gene expressions which manifests also in the forms of their cultures. That is all.

In away it's revealing of the jew psyche that they projected the essence of themselves into the popular view of the term. When people state they are not racist they should state instead they are not kikes.

But yes soul and race are interconnected only xianity first made the claim they where not., this debate on the pigment of skin being environmental adpation only is common of the jewish Boaz corruption of the racial anthropology field into communism. The fact Eskimo's who are racially mongloid have lived in the arctic

circle for thousands upon thousands of years and are still as racially pure as others of their race group across the planet ends this nonsense. As part of this claim is Whites evolved into Whites after leaving Africa because of the ice age. Then Eskimo's should all be blond Swedes by now.etc

Let us leave the shackles of jewperstition behind us, as it was ment to deceive, destroy and damn us all.

A little about history of racism from Jewish Communization of America:

The Boas wing pseudo science gone wild:

The Jew Boas was the major paradigm created for the fake science that "PC" Social Marxist dogma is build upon.

Dr.Duke in his book in the chapter "Jews, Communism and Civil Rights" states:

Franz Boas is the accepted father of the modern egalitarian school of anthropology. He was a Jewish immigrant from Germany with little formal training in the anthropological field, having done his doctoral thesis on the color of water. Boas introduced what he called "cultural anthropology" to the discipline. Until his arrival, anthropology fell in the realm of physical science. Boas effectively divided anthropology into the separate disciplines of cultural and physical anthropology.

Early physical anthropologists were truly race scientists because they studied man and his evolutionary development through the study of the measurable physical characteristics of the human races, past and present. Any good physical anthropologist could pick up a human skull and, based on its characteristics, quickly identify the race of the specimen. Of course, this physiological knowledge was vital in sorting out the unearthed remnants of early man and piecing together man's prehistory and evolutionary development. Cultural anthropology dealt more with the different contemporary cultures of mankind and culturally related questions of antiquity and prehistory, making it a far less precise science, and one open to wide interpretation.

Surprisingly, before he became such a prominent anthropologist, Boas expressed his acceptance of racial differences in mental characteristics. In *The Mind of Primitive Man*, he wrote:

Differences of Structure must be accompanied by differences of function, physiological as well as psychological; and, as we found clear evidence of

differences in structure between races, so we must anticipate that the differences in mental characteristics will be found.

Both of Boas' parents were radical socialists in the revolutionary movement that swept over Europe in 1870. In his biography of Boas, his student Melville Herskovits wrote that Boas' political sympathies "leaned towards a variety of socialism." The United States House of Representatives cited Boas' involvement with 44 Communist-front organizations. Coinciding with the rise of Nazism in Germany and the increasing influence of racially aware anthropologists in the world scientific community, Boas began to marshal his anthropological influence in service of his political sympathies. He began to advance the quack idea that there are really no such things as individual human races. He argued that although they had variations of skin colors and features, the groups called races possessed little difference genetically and that, whatever their superficial differences, solely their environment created them. By 1938 Boas dropped the above quotation from the new edition of his book.

He gathered many Jewish disciples around him, including Gene Weltfish, Isador Chein, Melville Herskovits, Otto Klineberg, and Ashley Montagu. He also had among his followers the Negro K. B. Clark and two women, Ruth Benedict and Margaret Mead. Mead later wrote her famous book on Samoa (*Coming of Age in Samoa*) suggesting that indiscriminate sexual relations would lessen teenage traumas and problems. (Her opus was later soundly refuted by Derek Freeman, who showed that Mead had falsified her data on Samoa.)

Boas and his entire cadre of disciples had extensive Communist connections. He repeatedly proclaimed that he was in a "holy war against racism" and he died suddenly during a luncheon where once again and for the last time, he stressed the need to fight "racism." Boas and his comrades gained control over the anthropology departments of most universities by encouraging their egalitarian comrades to always use their positions to support their own in academic appointments. While traditional anthropologists had no ax to grind and no sacred cause to champion, Boas and his followers embarked on a holy mission to extirpate racial knowledge from the academic establishment. They succeeded.

Whenever egalitarians achieved positions of influence or power, they aided their comrades to rise in the teaching departments of the colleges and academic departments they administered. They could count on fellow Jews who held influential university positions to assist their co-religionists, as well as Gentile egalitarians, in getting professorships and research appointments and promotions. Similar collusion took place in the ranks and on the boards of anthropological associations and journals. However, the coup de grâce was the

massive support given the egalitarian dogma by the media establishment, which was overwhelmingly in Jewish hands.

Racial equality was (and still is) presented to the public as scientific fact, opposed only by the "bigoted" and the "ignorant." Egalitarian writers such as Ashley Montagu and others received great praise in magazines, newspapers, and, later on television. Whether one was a Jew or a Gentile, professing a belief in racial equality became essential dogma for anyone who wanted to advance in anthropology or any other part of the academic world. Adherence to the "politically correct" line led to prestige and acclaim, money and success. Racial truth-telling led to personal attack and often economic hardship.

Ashley Montagu became the best-known spokesman for the equality hoax, superseding Boas as the most popular exponent of antiracism. His well-modulated British accent and aristocratic name added instant credibility to his racial pronouncements. I can still, after thirty years, remember his impressive appearances on the Today television program. His book, *Race: Man's Most Dangerous Myth*, became the bible of equality, and it profoundly impressed me before I had a chance to read the other side. Montagu's real name was Israel Ehrenberg. In a brilliant exercise of psychological camouflage, Ehrenberg changed his name a number of times, finally settling on not simply an Anglo-Saxon moniker, but the name Montagu, which is one of Britain's most aristocratic and oldest medieval-titled families.

Conclusion:

**Race:** natural identity of each individual, determined by genetic makeup (blood) which indirectly forges one's way of life (culture).

**Racism:** word employed indiscriminately to constrain any expression contrary to the playbook that would abolish the sense of racial identity by encouraging mongrelization. Differs negative racial perspective (the unjustified hatred against the different), the positive racial perspective, which is nothing more than the natural instinct of preservation and love for the genetic inheritance from ancestors. It should be remembered that the conflict is born of cultural promiscuity, the intrusion of a people in another, wherever it occurs; this is a historical fact. Therefore, the best measure to combat racial hatred is precisely to assert racial differences and promote policy of sound pride of each group in its natural territory.

**Racialism:** stage of intellectual maturity in which, for the sake of independence from the playbook of “desirable” opinions, acknowledging the differences between humans and their classification into races. Accepting this view of the world - that is even intuitive, but for artificial reasons have been tainted - is the key to liberation from the shackles of political correctness condition. Knowledge and respect to the races is one of the stages in the evolution of the individual.

# THE PROPORTIONS OF JEWISH LIE

## The Catholic Church Working With Communism

Mugabe the Communist Dictator of Zimbabwe, lest we forget:

First, there are few in the West who are aware of Mugabe's close ties to the Stalinist dictatorship of North Korea. In the early 1980s, North Korea sent elite troops to Zimbabwe-Rhodesia to train Mugabe's notorious 5th Brigade. Once trained, Mugabe's troops went on to slaughter 30,000 anti-communist black Matabele tribesmen who opposed his rule.

British MI-6 intelligence agent, told WorldNetDaily, "In the past, we worked with some of Bredenkamp's satellite companies — like Casalee, Zimalzam, Breco Services, Masters International — in several of our former colonies. One minute, MI-6 [the British equivalent of the CIA] was on the side of the anti-communists in places like Rhodesia, Hong Kong, Tibet, Nepal and

Cambodia. Then, suddenly, we were told to change sides.

"Now, Uganda, Rwanda, Zimbabwe and the Congo are all funding pro-Marxist armies with diamond sales. And, as far as I can tell, top Zimbabwean officials are cashing in on mining operations and the war in the Congo. If the EU were to seize the planes that fly in to Belgium from Africa — planes that bring in the diamonds

to be sold in Antwerp — then these wars in Africa would probably come to an abrupt halt. But the greed of the Europeans knows no limit.” added Kinchen.

I can find the why to Kinchen's confusion its in knowing who's, who and who is Jew. The Jews in charge order the support of Marxist organizations their people had created in those regions. Remember it was Communist Jews within South Africa working with the International Jews without that put Communist rule into power in SA and Zimbabwe as well:

"In the 1970s, then-U.S. Secretary of State Henry Kissinger announced that white regimes would not survive in southern Africa. The West essentially promised white leaders in South Africa that they would be allowed to continue practicing apartheid if they would stop arming Rhodesia in her war against communism."

Mugabe the Marxist terrorist is naturally a Catholic who is welcomed at the Vatican, Jewish Communism and Jewish Christianity working together as Kasher claw in a glove, right from a Catholic news site, this lady is shocked because she is duped:

<https://romancatholicworld.wordpress.com/2014/05/03/robert-mugabe-a-marxist-despot-is-welcomed-in-the-vatican/>

I had to look twice to believe what I was seeing. But then again, considering my experience as a survivor of communism in Cuba, I should be the last person to be surprised that Robert Mugabe was allowed to travel to the Vatican for the canonizations of John XXIII and John Paul II.

A brief background on Mugabe

Robert Mugabe has been Zimbabwe's Marxist dictator since 1987. He keeps getting "re-elected" just like Fidel Castro did until he transferred his power to his brother Raúl. [my note Castro is also a Jew, Castro is the Goldman of Seraphic surnames.]

A constitutional referendum held in 2013 granted Mugabe the right to stay in power for another two five-year terms. As expected, there was very low voter turnout for the referendum— with the usual intimidating display of force by Mugabe's thugs against the opposition.

Mugabe will be 99 years old by the time he is done destroying Zimbabwe.

He is not allowed to set foot in the European Union due to his criminal record. But don't get your hopes up— because EU bureaucrats have a record of dialogue with despots like Fidel Castro. So, this travel ban against Mugabe appears to be in place mostly due to pressure from Great Britain.

Vatican City, however, is not a member of the EU. This gives Mugabe the opportunity to travel to the Vatican time and again— where he can feel like royalty.

Robert Mugabe is manipulative, like all Marxist dictators. As such, he issues proclamations and passes laws against homosexual activism, in order to gain support from traditional Zimbabweans, who consider same-sex relations as an

abomination in their culture.....[My note as the Jews stated Communism is Judaism and this is Mosaic law.]

### Mugabe and the Vatican

Mugabe's VIP treatment during the canonization ceremony was not his first at the Vatican. Francis bowed down to Mugabe during the papal inaugural mass in 2013. Mugabe was also welcomed at the Vatican for John Paul II's funeral and beatification, in 2005 and 2011, respectively.

### The Vatican ignores the facts

Do the administrators at the Vatican care that Mugabe is responsible for creating man-made famines, and for the massacre of over 20,000 people?

What about the fact that Mugabe is the head of the Zimbabwe African National Union Patriotic Front?— a political party that follows Communist principles and is organized under a politburo.

The truth is that Zimbabwe's economic and political disaster under Mugabe's rule is ongoing— and it has resulted in one of the most horrific human tragedies of the last several decades.

But these facts do not seem to affect the administrators at the Vatican in their determination to roll out the red carpet for Mugabe.

Worst of all, these facts did not discourage Francis from bowing his head to a genocidal dictator like Robert Mugabe.

### The Marist Brothers and the Jesuits

Catholics and non-Catholics alike need to keep track of history— and to remember that individuals like Mugabe came out of schools run by Marist Brothers and Jesuits.

So did Fidel Castro— as well as other communists who have held key positions in the sustainable development / environmental movement (international socialism)— such as Jack Munday in Australia.

The footprints of the Marist Brothers and the Jesuits are often found where there has been a communist-led revolution.

For the benefit of my readers I am also providing this link, which contains an interview with Mac Maharaj, a South African Marxist politician— and close friend of the now-deceased Nelson Mandela— where Maharaj explains how he and his

“comrades” would meet secretly at a Marist Brothers school, in order to plan their terrorist activities as communists.

But we don’t have to go to Africa or Australia to see the communist activity in our Catholic midst.

Much closer to us, the São Paulo Forum is comprised of many heads of states in Latin America who were raised as Roman Catholics and are supportive of Marxism. They work diligently to undermine the United States.

Their leader and inspiration is Fidel Castro. This is why members of the São Paulo Forum are often seen visiting Castro in Cuba, in order to pay their respects to the Marxist murderer.

These members of the São Paulo Forum are also welcomed in the Vatican– and most are big fans of Francis.

Meanwhile, the modernists at the Holy See often shun decent Catholics who ask that the glorious and reverent traditions of the Roman Catholic Church be respected– most importantly having a Latin Mass at their local parish.

More than 120 million human beings have been killed all over the world as a result of communism; yet, the Vatican’s modern bureaucracy continues to shake the bloodstained hands of Marxist despots. This gives the red carpet treatment a whole new meaning.

Someone has to say the truth...

## Soviet Union and Jewish Ritual Murder

It's known in the so-called 'atheist' USSR there were dozens of Rabbis and kikes who would launch curses and whatever else in the unknowing populace. If someone was an enemy of the Jewish-owned state, they would either die by their secret police, or they would get cursed or both.

On the whole war, the Jewish Rabbis kept and kept murdering people [as the case with the young boy Andrei who was murdered to curse the Czar] and sending the energy to the Nazis and mostly Hitler and his stuff, or used it to guide events. All sorts of blood rituals were taking place and the gulags were ideal for this, all sorts of USSR psychics were on the roll and doing all sorts of shit (In an atheistic state- When Jews finalize their control, Christianity gets thrown out of the window as it serves no need- it already made the people obedient to Jews and now this had to actualize), as the suffering and horror of the people where was untold.

The story about the murder of Ukrainian boy Andrei Youshchinsky by the Jew Beiliss is a warning to the ignorant. What does the 80-year cover-up of this case — forensic evidence of Beiliss' guilt was plentiful — indicate about the true nature of the Soviet regime? Would a media blackout of this story of Jewish ritual murder by the Soviets be considered anti-Semitic or philo-Semitic?

Here is the article I did on this subject awhile back, note when they say Christian they mean Gentile as this was how Europeans generally identified themselves as not of Jewish blood at the period due to ruling influence of the Church. It was a cultural terminology.

The Jewish Ritual Murder of Andrei

'Alilath Seker' a slush found in today's terms provided bribe money and expenses [for Jews] to combat blood accusations.- Dr Philip Devier, "Blood Ritual"

In 1911 Kiev, Russia, the most notorious cases of ritual murder occurred. The body of Andrei Youshchinsky, a child from the local area, was found in a cave drained of all his blood. A local Jew, Beiliss, was charged with the crime. Jews from around the world poured the modern equivalent of 115 million dollars into the concealing the facts of the case and his defense. After the discovery of the body, the police arrested the mother and would not allow her to attend her son's burial. During this time, the family was approached by a local Jewish lawyer who attempted to

bribe them into silence. Jewish owned News Papers then tried to slander the mother with false claims she ran a criminal network that killed her son, once again the Jew is the master of projection and lies.

Several witnesses including two children of the Chebariak family who witnessed the kidnapping of Andrei by local Jews where murdered during the case. It was also shown the local head of the Police had planted false evidence to get Beiliess off the hook for the murder.

The children who had been with Andrei at the time of the abduction and where witnesses where all given pieces of cake by the investigator all 3 became severally ill the next day and two died, one survived after being ill for months when she recovered she testified in the court as to what she witnessed:

"We started to ride the clay -mixer suddenly Beiliess and two other Jews ran towards us, we jumped off the clay- mixer and tried to run away Andrei and my brother [Zhenya] where caught by Beiliess and the other Jews but my brother freed himself the Jews then dragged Andrei away, my sister[Valentina] also saw this."-Court testimony of Chebariaks daughter.

John Grant the American Consulate stationed in Odessa Russia at the time reported the finding of the jury, the jury had officially found that: "A certain boy]Andrei] in Kiev Russia had been killed by fanatical Jews, and that Jews for Occult purposes had carefully drawn all blood from the dying child and that it was instance of Jewish Ritualistic murder, and that Beiliess was innocent."

While the murder which was have proven to have taken place inside the synagogue of a local Jewish owned and operated brick factory, the Jury could not determine for certain if it was Beiliess who had wielded the implement that punchered Andrei over 45 times around his body killing him, drawing as much blood possible carefully from Andrei's body in the process. It was stated the puncher marks done to the side of the child's head where done specifically for a special part of the ritual as a sacrifice so the Jews could overthrow the Czar.

Medel Beiliess went free because 6 of the 12 members of the jury could not determine if he had been the murdered of the child,[despite eyewitness account from Chebariaks surviving daughter, he was one of the kidnapers of Andrei along with two other Jews] too many witnesses had been killed and too much evidence destroyed and covered over previous to the trail, by the Jews.

In 1917 G.G Zamyslovsky the prosecuting attorney wrote a 525 page book on the subject called "The Murder Of Andrei Youshchinsky" in which he detailed the facts of the case in depth. During the Judeo-Bolshevik revolution Zamyslovsky was

given a show trial by the Jewish CHEKA then murdered by them mainly for his book on the subject which revealed all the aspects of the case, his book was then classified till 1997 to keep it's contents secret, the Jews also "executed" the judge of the case and any original surviving witnesses.

## The Chekist

<https://www.youtube.com/watch?v=RQVSHfuPCQ>

Warning this film is graphic. While graphic does not show the full level of the horror the Jewish Cheka leveled on the population. The Jewish lead and staffed Cheka was responsible for the murders and torture of millions.

<http://holodomorinfo.com/glossery/jewish-nkvd/cheka-2/>

"The Jewish Cheka was a secret police force created through the NKVD on December 20, 1917, after a decree issued by Vladimir Lenin [Jew], and was subsequently led by Felix Dzerzhinsky. The Cheka rounded up all those who were under suspicion of not supporting the Jewish Bolshevik government; including Civil or military servicemen suspected of working for Imperial Russia; families of officers-volunteers (including children); all clergy; workers and Chekapeasants and any other person whose private property was valued at over 10,000 rubles. The Cheka practiced torture and methods included being skinned alive, scalped, "crowned" with barbed wire, impaled, crucified, hanged, stoned to death, tied to planks and pushed slowly into furnaces or tanks of boiling water, or rolled around naked in internally nail-studded barrels. Women and children were also victims of Cheka terror. Women would sometimes be tortured and raped before being shot. Children between the ages of 8 and 13 were imprisoned and executed. Cheka was actively and openly utilizing kidnapping methods and with it was able to extinguish numerous people especially among the rural population. Villages were also bombarded to complete annihilation. The Cheka is a direct predecessor of the KGB formed 9 years clear of WWII in 1954. Jewish revisionist Zionism had already constructed a further manifestation of this organization in Jewish occupied Palestine 5 years earlier called Mossad."

## Real State of Things during WW2

Hitler never had any intentions of invading England. The Battle Of Britain was simply to destroy the Royal Air Forces ability to conduct aerial bombing raids on Germany. As England starting bombing German cities first.

Sea Lion was a ruse by the German's to trick Stalin into thinking they where looking West. When in reality the German military knew the Soviet Union was building up the largest military force in history on their eastern door. With the purpose of invading the rest of Europe in the Spring of 42. Which is what caused the first strike against the Red Army by the Axis. They couldn't survive fighting a defensive war against Stalin. Especially with the Red Army having the upper hand of the first strike.

What happened was Britain made a deal in 1940 with Stalin in Moscow in which Stalin secretly agreed to come into the war on the Allies side by the period of either 42 or early 43 when the Red Army was built up enough. Here the narrative of the British and American's goes to shit. The fact is they intended to hand all of Europe over to Communism with Stalin in 1940. Because the hand of the international Jew was behind this. The war was simply a method to advance global Jewish power by Communism. Which was the plan from the start. They didn't expect the blowback in Europe during the 20's and 30's. Which created the Axis nations.

The original plan was Britain, France, Poland and Germany would bleed either out in war. Then Stalin would roll right in and take the whole thing for Communism. That failed, then the attempt to do this failed again with the Axis strike into the Soviet Union. It got so bad Stalin told his jewish brethren in the West if they didn't open up a second front they would lose in Europe. This ended up with Communism not going as far and the cold war. Then due to the long term effects of the war. The Soviet Union collapsed down the road.

## Big Bang is a Jewish Lie

No Big Bang? Quantum equation predicts universe has no beginning.

<http://phys.org/news/2015-02-big-quantum-equation-universe.html>

Phys.org) —"The universe may have existed forever, according to a new model that applies quantum correction terms to complement Einstein's theory of general relativity. The model may also account for dark matter and dark energy, resolving multiple problems at once.

The widely accepted age of the universe, as estimated by general relativity, is 13.8 billion years. In the beginning, everything in existence is thought to have occupied a single infinitely dense point, or singularity. Only after this point began to expand in a "Big Bang" did the universe officially begin.

Although the Big Bang singularity arises directly and unavoidably from the mathematics of general relativity, some scientists see it as problematic because the math can explain only what happened immediately after—not at or before—the singularity.

"The Big Bang singularity is the most serious problem of general relativity because the laws of physics appear to break down there," Ahmed Farag Ali at Benha University and the Zewail City of Science and Technology, both in Egypt, told Phys.org.

Ali and coauthor Saurya Das at the University of Lethbridge in Alberta, Canada, have shown in a paper published in Physics Letters B that the Big Bang singularity can be resolved by their new model in which the universe has no beginning and no end.

Old ideas revisited

The physicists emphasize that their quantum correction terms are not applied ad hoc in an attempt to specifically eliminate the Big Bang singularity. Their work is based on ideas by the theoretical physicist David Bohm, who is also known for his contributions to the philosophy of physics. Starting in the 1950s, Bohm explored replacing classical geodesics (the shortest path between two points on a curved surface) with quantum trajectories.

In their paper, Ali and Das applied these Bohmian trajectories to an equation developed in the 1950s by physicist Amal Kumar Raychaudhuri at Presidency University in Kolkata, India. Raychaudhuri was also Das's teacher when he was an undergraduate student of that institution in the '90s.

Using the quantum-corrected Raychaudhuri equation, Ali and Das derived quantum-corrected Friedmann equations, which describe the expansion and evolution of universe (including the Big Bang) within the context of general relativity. Although it's not a true theory of quantum gravity, the model does contain elements from both quantum theory and general relativity. Ali and Das also expect their results to hold even if and when a full theory of quantum gravity is formulated.

No singularities nor dark stuff

In addition to not predicting a Big Bang singularity, the new model does not predict a "big crunch" singularity, either. In general relativity, one possible fate of the universe is that it starts to shrink until it collapses in on itself in a big crunch and becomes an infinitely dense point once again.

Ali and Das explain in their paper that their model avoids singularities because of a key difference between classical geodesics and Bohmian trajectories. Classical geodesics eventually cross each other, and the points at which they converge are singularities. In contrast, Bohmian trajectories never cross each other, so singularities do not appear in the equations.

In cosmological terms, the scientists explain that the quantum corrections can be thought of as a cosmological constant term (without the need for dark energy) and a radiation term. These terms keep the universe at a finite size, and therefore give it an infinite age. The terms also make predictions that agree closely with current observations of the cosmological constant and density of the universe.

New gravity particle

In physical terms, the model describes the universe as being filled with a quantum fluid. The scientists propose that this fluid might be composed of gravitons—hypothetical massless particles that mediate the force of gravity. If they exist, gravitons are thought to play a key role in a theory of quantum gravity.

In a related paper, Das and another collaborator, Rajat Bhaduri of McMaster University, Canada, have lent further credence to this model. They show that gravitons can form a Bose-Einstein condensate (named after Einstein and another Indian physicist, Satyendranath Bose) at temperatures that were present in the universe at all epochs.

Motivated by the model's potential to resolve the Big Bang singularity and account for dark matter and dark energy, the physicists plan to analyze their model more rigorously in the future. Their future work includes redoing their study while taking into account small inhomogeneous and anisotropic

perturbations, but they do not expect small perturbations to significantly affect the results.

"It is satisfying to note that such straightforward corrections can potentially resolve so many issues at once," Das said."

High Priest Mageson666:

The Boo Banging Theorwee. Was opposed by major panels of scientists it was forced on the community by jooz and their lobby power. The whole point of the opus is only understood by knowing the universe is eternal and is the emanation of the primal Aether. The key to all knowledge is here. This is why science has developed tech that can manifested things out of the ether. Because that is how existence works. The Primal Aether is Zeus and the incarnation of this force is the Second Zeus the human who has become divine by transmuting the elements of their being into this spiritual gold and thus escaping the sphere of time. Alexander was the Son Of Zeus. The fact mainstream scholars don't get what this means shows how limited their expertize really is. You can't claim to be an expert on a society and culture built upon the Pagan Mystery Theology without even understanding what that is.

My Bert Bang is ridicule on the all important point. The jooz want the big bang because it corresponds to their Torah nonsense and thus subliminally enforces this. Just put a dude name Yahweh speaking creation into being as the bang. This is already being pushed by Intelligent Design xians, they are trying to create a new synthesis between Xian theism and science to keep this program going. Remember the church used to rule science. The Big Bang was also pushed by the Catholic Church as well. A Jesuit was stated to have penned this ideal as well. And we know just jew the jewsuits are. This all plays into the Nazarene Paradigm. Either theistic or atheistic.

Germany created the most advanced science and technology paradigm on earth in around a decade and half of this under total war conditions. This was due to as the Physicist and researcher Farrell stated. Himmler personally reorganizing the entire scientific community in Germany and giving them the proper direction and freedom to create. Himmler was a very spiritually advanced person and deep student of spiritual knowledge. So its no mistake he knew exactly how to create a scientific paradigm. The secret of Nazi tech was its based off the Aether or Vril. Telsa genius was also by building tech on this principal. There are still cars Telsa built in the early 30's that run on Aether engines. They don't need gas or oil. The Jews shut Telsa down and hounded him into extreme poverty, sickness and obscurity. He died alone, broke in a tiny slum apartment, forgotten. Thanks to the Jews. If the Jews had not stepped on Telsa and destroyed him we would have

never gone with fossil fuel energy and had free, clean energy for the whole planet from the start.

This would have opened the door for a technological revolution that would have changed the world. Our society would be out of the Malthusian, social Darwinism of today. And into a society that would have been Utopian. The reason we live in a Global System in which thirty thousand children die a day of starvation on a planet with enough to feed seventeen billion people. Is because the Jews have created a Globalist Feudal system of scarcity, war, poverty, neglect and corruption. We are living the nightmare that is the world dream of the Jew.

Albert Einstein: The Incurable Plagiarist

<http://www.amazon.com/Albert-Einstein-The-Incurable-Plagiarist/dp/0971962987?tag=viglink21496-20>

The author showed Einstein was a myth created by the Jews to attempt to disprove the observation by the leading minds of the time. Those jews are not creative. So they proved them right, but to the jew its the lie is all that matters and the appearance it gives them. The other level is they attempted to pervert and corrupt actual scientific advancement. Because it leads back to metaphysical truths they worked hard to remove. Hence why the Third Reich was able to advance a thousand years in a decade scientifically because they scraped all as they stated the Jewish, pseudo science and started over. of course this would take the kind of creative mind that Jewish social engineering has worked hard to create a systematization of individuals to destroy within each generation.

## Science

Science, Science. Well, this is a very much hated thing by xianity. For around 1700 years or more, science of every kind was shunned and suppressed in anyway possible. From what we know, thanks to the jewish religions and programmes, suppression of all races in Earth, you can see the results today. But first things first.

Thing is with Science, today it was re-founded upon left brain principles, while it existed in the East and Egypt, Ancient Greece and other places in abundance, in other forms. Today we call this prelithic, but this is nothing but a jewish lie. The Ancients knew ways to sublimate, direct, cultivate, gather and project energy by other means that relate astral and spiritual. This also had to do with the constellations. Despite of the jewish lies about how the Pyramids were built [they lie about everything anyway] texts inside the Pyramids mention again and again... When certain alignments took place in the sky, certain people with certain abilities were called in to build these megalithic structures. Inside the Pyramids there were found many ancient technologies that had to do with Ratios, were carefully calculated and were to be used as mind/spirit machines that influenced the physical world. They were built upon mathematics and upon Astral laws that the enemy made sure would be suppressed. Researchers and people who dared talk about these things, which I will not mention their names, you can search and others who even utilized these things [Like Nikola Tesla] were put to death, directly or indirectly or their voice was shut down by the so called and all knowing jesus believing jew ass kissing 'scientific community'. There are also many honest scientists but science like in every other field is infiltrated or influenced by jewish influence. Like Einstein's crap theory [which was also stolen by someone else, no different than Zuckenbeg stole facebook from someone else etc] to some scientists still subconsciously hanging to xianity and being unknowing of spirituality, which guides them in conscious blindness to see beyond some things. There are others who do and will always do and these are the only bright people many of which are suppressed by the 'scientific community'. Many others with a 'big mouth' have even been put to death or assassinated, simple old jewish crap.

So to get fast to the point. Quantum Physics today shows us a whole new world, of different universes, realities, possibilities, more dimensions. Even left brained scientists today KNOW that 90% of the universe is made up of "Dark Matter". We can only see a certain spectrum of light and there exist all sorts of other dimensions, one on top of another. There are radiations and things we cannot see. What we refer to as "consciousness" is still a scientific riddle. Then, we have an eye like organ in our brain, which is the original Vadjet. This "eye" is atrophied and obviously cannot see any "physical" vibrations but is made for something else.

How much fucking IQ does it take to realize that the enemy is trying to shut us down from reality and its invisible mechanisms? Even your WI-FI and cellphone are invisible but with certain technology it can be seen. The Aura or the electromagnetic field around the body can be seen by some technology named "Krilian" photography. What I am trying to say, we can see much of it, but people have orders to keep it down so the populace cannot know. One can just hit a google research and find all the soviet experiments on people that had to do with the "powers" of the mind, "Operation Paperclip" done by NS Germany, MK Ultra practiced by the USA, and all the efforts made by corporations like Google and even other institutions to understand the mechanisms of the mind...For better or for worse reasons. Thing is, the brain is a riddle. It changes every second. They are trying to come up with information in order to control or for any other reason. One side wants to know so they can control and destroy and put humanity in disaster, this is the side of the enemy. People of our liking and side work for Satan's agenda which is healthy evolution and evolution that goes even with our spiritual capability and consciousness. They also research Genetics and take the 'old knowledge' in far more consideration than most know. They also know about Aliens, as the evidence is overwhelming.

For those who don't know, NS Germany did send expeditions to Tibet and other places to determine the "Aryan Origins" [not in the sense of "White Superiority" but to find the races of the "Aryans" who were created by Satan]. Gentile Races were created by Satan. It was not too long ago that I was visited by a Demon who looked no less than a Vietnamese. He was immensely powerful and of the most beautiful Oriental beings I have ever seen. I am sure there are also Gods who are very dark skinned, resembling what we today call the Black Race, as some may have been in Egypt though still being diverse from Egyptians, as were the Greeks of the time who were segregated [not allowed to procreate with Egyptians but were allowed to spiritually advance in Egypt]. As for the Chinese/Japanese and Hindus, there are reports of people ascending to Godhead and many have been also recent. Satan helps all his Children reach the top in their Spiritual Mission. The lands we have and our assigned places are all in accordance to our Divine Purpose in protecting and cultivating the planet. I know in Satan's planet there is "racial diversity" but there is very little to NO inter mixture, and there is no Racial Hatred. In other words, the God Races are kept pure.

Now to link this with underground cities [you can see in the news how many cities they find, from Peru to China down to Egypt] they find many cities that many people could live up to 200,000 in number. There is no 'light' in these cities and there is no Sun. Edward Lytton [a British writter] wrote in his "Novel" the Coming Race, about such people. He talked about how advanced they were and how he met with them. Funny is the thing that if supposedly this was a novel and not

something that really happened to someone, he has found so much accurate information. He even mentioned that these beings meditate, their use of bioelectricity, the advanced civilization they had and so forth.

With all the above in conjunction you can understand, the enemy hides things, big time. They hide many things, they hide so much that they cannot control anything anymore. It wasn't long ago that they found a statue of ISIS too far from Egypt to even ASSUME that something was going on in the past between people of races SO FAR. But thing is, for the most part, history is distorted and in placed before 2000AD we are lied about in many many places. We are lied on about timelines, about events. The xian clergy and the inquisitors, the byzantine empire etc, made sure to destroy and confiscate any and all evidence up to a 98%, alter the rest 2%, by making the Ancient Races perish, admixture, destroying the temples and every proof they could get their hands upon. More than half Egypt is below the sands as we speak and there are writings being found that outright say the Truth but many are discarded or Egyptologists are told to hide things.

Then, lets go back to Tesla. I urge everyone to read about Tesla, especially those in the field of science. The father of your computer, electricity, screens and technology we have today, was a 'crazy' man, who had an accident and some portions of his brain opened up. This 'crazy' [as the left brain kike type of thinkers would describe him] said 'crazy' things like, that he "Talks and commands electricity", that he 'transcends the realm of time and space and absorbs knowledge from a sea of consciousness' and other things. Which is all right thinking applied in left brain applications. So the next time some left brain dude pretends to be intelligent, remember that you know better. This reality is not to be understood solely with the left brain, but with both the parts of the brain, no matter if one approves the other. When one is advanced enough, both sides cooperate greatly and then one understands how far the Human potential is. Satan opens one up to the Truth and to things far bigger than themselves. With 86 billion Neurons and even more nervous connections in such tiny brain, with billions of galaxies and millions of solar systems in each galaxy, there are still people who think of themselves that they know it all? Believing still some kike made the cosmos and that they will roast in "hell"? In year fucking 2014?

Do you see where all this is going? Let your mind expand and try to understand. When one is a Satanist, he Stands for the Truth, no matter if it 'applies' or if he 'agrees' with it. Let Satan open up your eyes.

I wonder why?

Putin: "I will do everything for the Jews!"

Ok that's why.

Note the Jews ran the Soviet Union a fact which even they admit. The Soviet Version of history is the Jewish false narrative which is why being honest about the Holocaust or the Soviet false history is a crime now in Russia. The holocaust is the key part of the false historical narrative of the Jew Word Order. As the truth does not fear investigation. Which is why the Holocaust is illegal to question in many other Nations under Jewish control. Which shows yet again Russia is under Jewish control.

The Jews have made it illegal to look into their crimes against humanity under their Soviet Union such as this:

The Real Holocaust The Jewish Run Soviet Death Camps:

What all the above means is Criticism Of Jews Or Their Lies and Crimes Is Illegal In Russia. Nothing else. Just like in the Jewish run Soviet Union where anti-Semitism [criticism of Jews and their crimes] was the death penalty.

Note the laws restricting free speech even online as well the Jewish elites got passed with and Remember:

Holocaust Deniers in Russia Now Face Five Years in Prison

Russian President Vladimir Putin signed a law on Monday making the denial of Nazi crimes and distortion of the Soviet Union's role in the World War Two a criminal offence punishable by up to five years in jail.

The law, described by critics as an attempt to curb freedom of expression to appease conservative Russians, the ex-KGB spy's main support base, also criminalises the public desecration of war memorials.

The Kremlin has used World War Two as a pillar to unite a society that Putin has said lost its moral bearings following the 1991 Soviet collapse.

It has become increasingly risky for Russians to dispute an official line that glorifies the wartime achievements of the Soviet leadership and plays down its errors.

The new law would ban "wittingly spreading false information about the activity of the USSR during the years of World War Two".

Russian officials and media have raised the spectre of Nazi Germany repeatedly during Moscow's confrontation with the West over Ukraine, calling the overthrow of a Russian-allied president in February a coup carried out in part by "neo-Nazi" forces.

Independent channel Dozhd (TV Rain) was taken off the air earlier this year after asking viewers whether Leningrad, now St Petersburg, should have been given to German troops to save lives during its 872-day siege during World War Two.

Viktor Shenderovich, a blogger critical of the authorities, came under fire from Kremlin supporters in February after comparing the Sochi Olympics to the 1936 Berlin Olympic Games, used by Adolf Hitler to burnish the image of the Nazi Germany.

In a comment posted when the legislation was first introduced, veteran TV host Vladimir Posner said he believed its aim was "to shut the mouths of journalists, historians and writers".

He said he feared it would "practically ban criticism of Stalin" for "grave mistakes that led to the deaths of hundreds of thousands of our soldiers".

It was unclear whether the wording of the bill had been changed since its introduction and Posner could not immediately be reached for comment.

Kremlin critics say Putin, in power since 2000, has used legislation, court cases and other levers to tighten control during his current term, which he won despite large opposition protests in 2011-2012. Putin denies the accusations.

Separately on Monday, Putin signed a law imposing fines for the use of expletives on television, radio and in films shown in theatres. Music and movies containing foul language will have to have a warning on the label, state-run RIA news agency said.

Putin also signed a law imposing stricter rules on bloggers, which opponents say is aimed at suppressing criticism on the Internet.

Bush, Obama – change in continuity

by Jean-Claude Paye

Far from having broken with his Republican predecessor, Democratic President Barack Obama has now reinforced the law of exception that he criticised when he was a senator. It is now possible to deprive United States citizens of their fundamental rights because they have taken part in armed action against their own country, but also when they take a political position favourable to those who use military action to resist the Empire. Worse - Barack Obama has added to the law John Yoo's "Unitary Executive theory," which puts an end to the principles of the separation of powers as defined by Montesquieu. The security policy of the United States President now escapes all control.

The Presidential elections, and the game of a possible changeover between Democrats and Republicans, cannot hide a marked tendency towards mutation in the form of the United States executive, regardless of the colour of the Presidential ticket. And it seems that the most significant change in the law has taken place under President Obama.

Barack Obama was elected by evoking a future based on respect for the fundamental rights of individuals and nations. But assessment of his presidency reveals an entirely different picture. The visible aspects of this, such as the failure to close down Guantánamo Bay, the maintenance of exceptional military tribunals or the practice of torture in Afghanistan, are only the tip of the iceberg. These elements only allow us to note the continuity between the Bush and Obama administrations. However, there has been such reinforcement of the previous political structure that the form of the state has now changed, creating a hitherto unseen modification of the relation between the authorities and the citizens of the United States.

The possibility of treating US citizens as foreign 'terrorists' has been a constant objective of the government executive since the attacks of 9/11. By the new prerogative which has been awarded him by the National Defense Authorization Act - that of being able to nullify Habeas Corpus for US citizens and not just for foreign nationals - the Obama administration has achieved what the previous government had only planned but never instituted.

End of Habeas Corpus for foreigners

The Patriot Act, which became effective on the 26th October 2001, already authorised indefinite detention without indictment for foreigners suspected of having links to terrorist organisations.

In order to finally bring these prisoners to justice, special tribunals and military commissions were created by Presidential decree, the Military Order of 13th November 2001 [1]. This executive act enables the trial, by these military tribunals, of foreigners suspected of being in contact with Al Qaeda, or having "committed, prepared or helped to devise acts of international terrorism against the USA".

The state of war was invoked to justify the institution of these laws, which are so harmful to liberty that they even violate the Military Code itself. These tribunals were set up to judge foreigners suspected of terrorism, and no proof which could invalidate such charges is admissible by either civil or military tribunals.

By voting for the Military Commissions Act [2], in September 2006, the Congress chambers legitimised the military commissions. The law considerably extends the notion of "illegal enemy combatant", which no longer describes only foreigners captured on the field of battle, but also foreigners or US citizens who have never left their country of origin. While US citizens indicted on the basis of this notion of

illegal enemy combatant must be deferred before civil courts, it is not the case for foreigners, who may be judged by military commissions.

In these exceptional courts, defendants do not have the right to choose their own lawyer – instead, the defense lawyer will be a military person designated by the President, who also designates the military judges and determines the degree of "physical coercion" that can be applied to the prisoner. The lawyer also has no access to evidentiary elements of the case which may be classified as "secret".

### Inscription of the 'enemy' in criminal law

The Military Commissions Act introduces the notion of enemy into criminal law. It gives the President of the United States the power to so designate not only his own citizens, but also any nationals of countries with which the USA is not at war. A person may be prosecuted as an "illegal enemy combatant" not on the basis of proof, but simply because they have been labelled as such by the executive of the United States. Integrated in the law, the charge no longer refers only to a state of emergency, like the Military Order of 2001, but becomes permanent. The inscription of this anomie into the law establishes the exception as a constant. It mutates the judicial and political order by creating a purely subjective law which is at the entire discretion of the executive.

On the 28th October 2009, President Obama signed the Military Commissions Act of 2009 [3] which amended the Military Commissions Act of 2006. The reform was formally necessary for the new administration, because in 2006, Barack Obama was one of 34 senators who opposed the old legislation.

The new law no longer mentions 'illegal enemy combatants', but "hostile non-protected enemies". However, the main thrust remains – the inscription of the notion of 'enemy' into criminal law, and thus the fusion of criminal and military law. But the term "belligerent", which characterises the notion of 'enemy', widens the field of incrimination. It no longer concerns only combatants, but also "persons who are engaged in conflict against the USA". The new definition also applies not only to people captured on or near a field of battle, but also to any individuals who act or even express solidarity with those opposing the US armed forces, or even simply the aggressive policies of the US government.

### The end of Habeas Corpus for US citizens

The National Defense Authorization Act [4] signed by President Obama on the 31st December 2011 authorises the indefinite detention, without trial or

indictment, of any US citizens designated as enemies by the executive. The individuals concerned are not only those who have been captured on the field of battle, but also those who have never left the United States or participated in any military action. The law concerns any person designated by the administration as "a member of Al-Qaeda or the Taliban, and who takes part in hostile action against the United States", but also anyone who "substantially supports these organisations". This formula enables an extensive and flexible use of the law. For example, it would enable the government to lash out at any civil defence organisations who seek to protect the constitutional rights of US citizens who have been designated by the executive as enemies of the USA.

### Primacy of values over the law

By signing this document, Obama has declared that his administration will not authorise the unlimited military detention without trial of US citizens, stating that this possibility would not be contrary to US law, but only to "American values". It is in the name of these values that he will refrain from using the opportunity offered by the law, but not because this form of imprisonment would be unconstitutional. He confirms that the National Defense Authorization Act does not in fact provide any new prerogatives. The President has had these extraordinary powers since the 14th September 2001, when Congress adopted a resolution stipulating: "that the President is authorised to use all necessary and appropriate force against nations, organisations or persons who have planned, authorised, committed or assisted the terrorist attacks of the 11th September 2001...." So, in opposition to the framework of the text, he aligns himself with G. Bush's statement that the agreement enabling the President to engage force offers him unlimited authority, in space and time, to act against any potential aggressor, and not only those implicated in the attacks of 9/11.

The authorisation itself is preceded by a foreword stating: "it is recognised that the President has the authority under the Constitution to dissuade and defend against acts of international terrorism against the United States". G. Bush regularly used this phrase to justify the violations of constitutional rights of US citizens. President Obama has adopted the same interpretation in order to deny the innovative nature of a law which enables him to do away with Habeas Corpus for any US citizen.

### A President who places himself above the law

Here, primacy no longer resides in the legal text, but in presidential initiative. It's entirely at his own discretion that Obama may choose to refrain from using the

authorisation, conferred by the law, to imprison US citizens indefinitely and without indictment. In the same way, he opposes the obligation for military detention of foreign terrorists. Speaking of this, he confirms that his administration will "interpret and apply the clauses described below in such a way as to preserve the flexibility upon which our security depends, and to maintain the values on which this country is founded". Thus he has deliberately side-stepped the rule that once he has signed a text of law, the President will apply it loyally. Obama has reversed the restrictive character of the legal text in favour of Presidential freedom. In the same way, the concept of "American values" takes precedence over the law.

If the National Defense Authorization Act only serves to ratify the prerogatives already possessed by the executive, the problem only concerns the modalities of implementation. The President must not be limited in the fight against terrorism. For Obama, the disputed articles are unconstitutional, not because they concentrate power in his hands, but because they limit his field of action. The contested clauses institute military detention, which limits the required action "flexibility" on the part of the administration - for example, the possibility of detaining foreign prisoners in CIA camps. The articles in question would "contravene the principle of the separation of powers."

A reversal of the principle of the separation of powers

Obama has reversed the method of organisation which was handed down by the Age of Enlightenment. For Montesquieu [5], the objective was to prevent the concentration of political power in a single authority. In order to do this, the powers balance and limit each other. Obama, on the contrary, has opened a breach in the exercise of state power in such a way that the legal authorities can no longer exercise control over the power of the executive. The separation of powers has been abandoned in favour of an absence of limits for Presidential action. This form of organisation is valid for a nation in a state of open war, whose existence is threatened by an external power. The Bush or Obama administrations consider that the authorisation granted by Congress in 2001 for the use of force against the authors of the 9/11 attacks is the equivalent of a declaration of war, like those which were voted during the Second World War. The field of application is however much wider, since the authorisation of 2001 permits the use of force not only against other nations, but also against organisations or even simple individuals.

The National Defense Authorization Act operates a mutation of the legal notion of hostility. Its declared aim is conflict against non-specified adversaries who do not

threaten the integrity of the national territory. The struggle against terrorism provides a constantly renewed image of the enemy. It declares a permanent state of war, unbounded by frontiers, which blurs the distinction between interior and exterior, since it does not distinguish between US citizens and soldiers of a foreign power. The political and legal structure, built from this new and asymmetric war, reverses the form of the rule of law. The law is no longer a reduction of the exception, but its continual extension.

Turning the Armed Forces into means of Communist take-over:

Big Brother: Obama Calls for the Integration of State and Federal Military Forces  
 by Tom Burghardt

Contrary to his election campaign promises, Obama has issued dozens of signing statements. He has issued another executive order, this time establishing a so-called "Council of Governors." The order, signed on January 11, further diminishes the sovereignty of the states and builds on a framework for possible martial law. The executive order was completely ignored by the corporate media.

In the wake of the Flight 253 provocation, over-hyped terrorism panics, and last year's Big Pharma and media-engineered hysteria over the H1N1 flu pandemic, President Barack Obama signed Executive Order 13528 [1]

Among other things, the Executive Order (EO) established a Council of Governors, an "advisory panel" chosen by the President that will rubber-stamp long-sought-after Pentagon contingency plans to seize control of state National Guard forces in the event of a "national emergency."

According to the White House press release [2], the ten member, bipartisan Council was created "to strengthen further the partnership between the Federal Government and State Governments to protect our Nation against all types of hazards."

"When appointed" the announcement continues, "the Council will be reviewing such matters as involving the National Guard of the various States; homeland defense; civil support; synchronization and integration of State and Federal military activities in the United States; and other matters of mutual interest pertaining to National Guard, homeland defense, and civil support activities."

Clearly designed to weaken the Posse Comitatus Act of 1878 [3] which bars the use of the military for civilian law enforcement, EO 13528 is the latest in a series of maneuvers by previous administrations to wrest control of armed forces historically under the democratic control of elected state officials, and a modicum of public accountability.

One consequence of moves to "synchronize and integrate" state National Guard units with those of the Armed Forces would be to place them under the effective control of United States Northern Command (USNORTHCOM) [4], created in 2002 by Bushist legislators in both capitalist parties under the pretext of imperialism's

endless "War on Terror." At the time, Defense Secretary Donald Rumsfeld called USNORTHCOM's launch "the most sweeping set of changes since the unified command system was set up in 1946."

The real-world consequences of those changes weren't long in coming.

Following their criminal inaction during 2005's Hurricane Katrina catastrophe, the Bush regime sought, but failed, to seize control of depleted Gulf Coast National Guard units, the bulk of which had been sent to Iraq along with equipment that might have aided the recovery. Bush demanded that then Louisiana Governor Kathleen Blanco sign over control of the Guard as well as state and local police units as the blood price for federal assistance.

At the height of the crisis, Bush cited presidential prerogatives for doing so under the Insurrection Act [5], a repressive statute which authorizes the President to federalize National Guard units when state governments fail to "suppress rebellion." How the plight of citizens engulfed by Katrina's flood waters could be twisted into an act of "rebellion" was achieved when Orwellian spin doctors, aided and abetted by a compliant media, invented a new criminal category to cover traumatized New Orleans residents: "Drowning while Black."

Fast forward five years. Given the serious implications such proposals would have for a functioning democracy, the media's deafening silence on Obama's Executive Order is hardly surprising. Like their role as cheerleaders in the escalating wars in Afghanistan and Pakistan, media self-censorship tell us much about the state of affairs in "new normal" America.

Like his predecessors in the Oval Office, stretching back to the 1960s with Pentagon "civil disturbance" plans such as Cable Splicer and Garden Plot, both of which are continuously updated, our "change" President will forge ahead and invest the permanent National Security bureaucracy with unprecedented power.

Under color of the 2008 National Defense Authorization Act [6], an unsavory piece of Bushist legislative detritus, "The President shall establish a bipartisan Council of Governors to advise the Secretary of Defense, the Secretary of Homeland Security, and the White House Homeland Security Council on matters related to the National Guard and civil support missions."

The toothless Council, whose Executive Director will be designated by the Secretary of Defense no less, "shall meet at the call of the Secretary of Defense or the Co-Chairs of the Council."

Will such a Council have veto power over administration deliberations? Hardly. They are relegated "to exchange views, information, or advice with the Secretary of Defense; the Secretary of Homeland Security" and "the Assistant to the President for Homeland Security and Counterterrorism."

Additional entities covered by the EO with whom the Governors Council will "exchange views" include, "the Assistant to the President for Intergovernmental Affairs and Public Engagement; the Assistant Secretary of Defense for Homeland Defense and Americas' Security Affairs; the Commander, United States Northern Command; the Chief, National Guard Bureau; the Commandant of the Coast Guard; and other appropriate officials of the Department of Homeland Security and the Department of Defense, and appropriate officials of other executive departments or agencies as may be designated by the Secretary of Defense or the Secretary of Homeland Security."

In other words, right from the get-go, the Council will serve as civilian cover for political decisions made by the Executive Branch and the security apparatus. EO 13528 continues, "Such views, information, or advice shall concern: (a) matters involving the National Guard of the various States; (b) homeland defense; (c) civil support; (d) synchronization and integration of State and Federal military activities in the United States; and (e) other matters of mutual interest pertaining to National Guard, homeland defense, and civil support activities."

When news first broke last summer of Obama's proposal to expand the military's authority to respond to domestic disasters, it was opposed by the National Governors Association (NGA).

Congressional Quarterly [7] reported that a letter sent on behalf of the NGA opposed creation of the Council on grounds that it "would invite confusion on critical command and control issues, complicate interagency planning, establish stove-piped response efforts, and interfere with governors' constitutional responsibilities to ensure the safety and security of their citizens," Govs. Jim Douglas, R-Vt., and Joe Manchin III, D-W.Va., wrote.

According to their August letter to Paul N. Stockton, Assistant Secretary of Defense for Homeland Defense and Americas' Security Affairs, Douglas and Manchin III argued that "without assigning a governor tactical control" of military forces during a natural disaster such as a flood or earthquake, or an unnatural disaster such as a terrorist attack or other mass casualty event, the "strong potential exists for confusion in mission, execution and the dilution of governors'

control over situations with which they are more familiar and better capable of handling than a federal military commander."

With slim prospects of congressional authorization for the scheme, in fact the 2008 language was removed from subsequent Defense spending legislation, other means were required. Playing bureaucratic hardball with the governors, this has now been accomplished by presidential fiat, further eroding clear constitutional limits on Executive Branch power.

These maneuvers as I have previously written [8], have very little to do with responding to a catastrophic emergency. Indeed, EO 13528 is only the latest iteration of plans to expand the National Security State's writ and as such, have everything to do with decades-old Continuity of Government (COG) programs kept secret from Congress and the American people.

Derided by neocons, neoliberals and other corporatists as a quaint backwater for "conspiracy theorists" railing against "FEMA concentration camps," Continuity of Government, and the nexus of "civil support" programs that have proliferated like noxious weeds are no laughing matter.

Indeed, even members of Congress are considered "unauthorized parties" denied access "to information on COG plans, procedures, capabilities and facilities," according to a Pentagon document (see below) published by the whistleblowing web site Wikileaks, as are the classified annexes of National Security Presidential Directive 51 and Homeland Security Presidential Directive 20 (NSPD 51/HSPD 20). In a new twist on administration promises of transparency and open government, even the redacted version of these documents have been removed from the White House web site.

As Antifascist Calling previously reported [9], the Congressional Research Service issued a 46-page report in 2008 that provided details on the COG-related National Exercise Program, a "civil support" operation that war games various disaster scenarios.

Among other things, the document outlines the serious domestic implications of military participation in national emergency preparedness drills. CRS researchers pointed to the Reagan-era Executive Order 12656 (EO 12656) [10] that "directs FEMA to coordinate the planning, conduct, and evaluation of national security emergency exercises." EO 12656 defines a national security emergency as "as any occurrence, including natural disaster, military attack, technological emergency,

or other emergency that seriously degrades or seriously threatens the national security of the United States."

Such programs, greatly expanded by the Bush-era Homeland Security Presidential Directive 8 (HSPD-8), also removed from the White House web site, established "a national program and a multi-year planning system to conduct homeland security preparedness-related exercises." CRS avers, "The program is to be carried out in collaboration with state and local governments and private sector entities."

The Defense Department's role during such emergencies were intended to focus "principally on domestic incident management, either for terrorism or non terrorist catastrophic events." DoD would play a "significant role" in the overall response. Such murky definitions cover a lot of ground and are ripe with a potential for abuse by unscrupulous secuocrats and their corporate partners.

The primary DoD entity responsible for "civil support," a focus of Obama's EO is USNORTHCOM and its active combat component, U.S. Army North. However, as with almost everything relating to COG and current plans under EO 13528 that propose to "synchronize and integrate State and Federal military activities," USNORTHCOM's role is shrouded in secrecy.

As researcher Peter Dale Scott revealed [11] in 2008, when Congressman Peter DeFazio, Homeland Security Committee Chairman Bennie Thompson and Oversight Subcommittee Chairman Christopher Carney sought access to classified COG annexes, their request was denied by the White House. Scott wrote: "DeFazio's inability to get access to the NSPD Annexes is less than reassuring. If members of the Homeland Security Committee cannot enforce their right to read secret plans of the Executive Branch, then the systems of checks and balances established by the U.S. Constitution would seem to be failing."

One hammer blow followed another. In 2008, Army Times [12] reported, that the "3rd Infantry Division's 1st Brigade Combat Team [BCT] has spent 35 of the last 60 months in Iraq patrolling in full battle rattle, helping restore essential services and escorting supply convoys. Now they're training for the same mission—with a twist—at home."

Analyst Michel Chossudovsky commented [13], "What is significant in this redeployment of a US infantry unit is the presumption that North America could, in the case of a national emergency, constitute a 'war theater' thereby justifying the deployment of combat units." According to Chossudovsky, "The new skills to

be imparted consist in training 1st BCT in repressing civil unrest, a task normally assumed by civilian law enforcement."

"It is noteworthy, the World Socialist Web Site [14] commented, "that the deployment of US combat troops 'as an on-call federal response force for natural or manmade emergencies and disasters' ... coincides with the eruption of the greatest economic emergency and financial disaster since the Great Depression of the 1930s."

"Justified as a response to terrorist threats," socialist critic Bill Van Auken averred, "the real source of the growing preparations for the use of US military force within America's borders lies not in the events of September 11, 2001 or the danger that they will be repeated. Rather, the domestic mobilization of the armed forces is a response by the US ruling establishment to the growing threat to political stability."

Since USNORTHCOM's deployment of a combat brigade on U.S. soil, the capitalist crisis has deepened and intensified. With unemployment at a post-war high and the perilous economic and social conditions of the working class growing grimmer by the day, EO 13258 is a practical demonstration of ruling class consensus when it comes to undermining the democratic rights of the American people.

After all, where the defense of wealth and privileges are concerned corporate thugs and war criminals have no friends, only interests...

The "saviors" of Iraq

by Manlio Dinucci

Putting the current jihadist operation in Iraq in a long-term retrospective context, Italian geographer Manlio Dinucci does not perceive it a spillover of the war in Syria, but as the third US war in Iraq. Therefore, for him, it is the war in Syria that spells an outgrowth of the war in Iraq.

The first U.S. fighter bombers, which on August 8 struck targets in Iraq in the area controlled by the Islamic State, took off from the aircraft carrier George H.W. Bush, named in honor of the Republican president who in 1991 launched the first war against Iraq. Continued by his son, George W. Bush, who in 2003 attacked and occupied the country, accusing Saddam Hussein (based on 'evidence' which later turned out to be false) to be in possession of weapons of mass destruction and of harboring Al-Qaeda. After deploying in the war inside Iraq more than a million soldiers, plus hundreds of thousands of allies and mercenaries, the United States came out substantially defeated, without attaining full control of the country, a goal of primary importance for its strategic position in the Middle East and its oil reserves.

That is where Barack Obama stepped in, the Democratic president (and Nobel Peace Prize winner) who in August 2010 announced the start of the withdrawal of American troops and allies from Iraq and the beginning of a "new dawn" for the country. In fact, a blood red dawn marking the transition from an open war to a covert one, that the United States have extended to Syria, which borders Iraq. This context gave rise to the Islamic State in Iraq and the Levant (ISIL) which, while

professing to be a sworn enemy of the United States, is actually instrumental to its strategy. It is no coincidence that the ISIL built up the bulk of its forces precisely in Syria, where many of its leaders and activists flocked after having formed part of the Libyan Islamist groups who were first classified as terrorists and subsequently armed, trained and funded by the U.S. secret services to overthrow Muammar Gaddafi. Having joined up with militants -predominantly non-Syrians coming from Afghanistan, Bosnia, Chechnya and other countries - they were provided with weapons by a network organized by the CIA, and sneaked into Syria especially through Turkey in order to overthrow President Bashar al-Assad.

Hence the ISIL began its advance across Iraq, attacking in particular the Christian populations. It thereby provided Washington, which had hitherto remained officially a passive spectator expressing at most "strong concerns", with the opportunity to start the third Iraq war (though Obama obviously does not define it as such). As he said in May, the United States use military force in two scenarios: when its citizens or interests are threatened; when a "humanitarian crisis" occurs on such a scale as to make it impossible to stand by and do nothing.

After having caused, in more than twenty years of war and embargo, the death of millions of Iraqi civilians, the United States now presents itself in the eyes of the world as the savior of the Iraqi people. Barack Obama made it clear that "this is going to be a long-term project." For the new air offensive in Iraq, CentCom (whose "area of responsibility" is the Middle East) already has 100 aircraft and eight warships, but can resort to many more forces, including 10,000 American soldiers stationed in Kuwait and 2,000 Marines already embarked.

The United States is thus relaunching its strategy for the control of Iraq, also to preclude China, which has established strong ties with Baghdad via Iraqi Prime Minister Nouri al-Maliki, from increasing its economic presence in the country. In this context, it is in Washington's interest to achieve a de facto partition of the country into three regions - Kurdish, Sunni and Chiite - more easily controllable. In this vein, Italian foreign minister Federica Mogherini significantly pledged "support, including military support, to the Kurdish government," but not to the central government in Baghdad.

Disobedience by some Gentiles making their lives harder:

Does Obama still have a military policy?

by Thierry Meyssan

Thierry Meyssan, who was the first to predict Chuck Hagel's possible appointment as Defense Secretary, ponders the reasons behind his dismissal. They are not to be found in Hagel's acts, but in the President's change of policy. Moreover, he observes, Washington no longer has a specific policy and the Obama administration is carrying out dangerously contradictory actions.

It is undeniable that the Obama administration has lost its compass in terms of determining its national security policy. In May 2013, the White House scuttled the President's Intelligence Advisory Board without renewing it and, this week, it ditched its loyal Secretary of Defense, Chuck Hagel. Most importantly, it keeps on delaying the release of the new national security doctrine, which it was bound by law to have submitted submitted to Congress already 7 months ago.

Whereas there are clear guidelines for long-term goals (thwarting the economic development of Russia and China) and the means to achieve them (shifting troops from Europe and the Gulf to the Far East), no one knows what the goals are in the context of the Arab world today.

It would seem that in 2010 the "Arab Spring" - long prepared by the State Department to install the Muslim Brotherhood in power everywhere in the region - took President Obama by surprise, at least partially. The same applies to the regime change orchestrated in Ukraine, in 2013.

Today, one part of the US state apparatus is combating the Islamic State, while another part is supporting its efforts to fight the Syrian Arab Republic.

Chuck Hagel, who had requested a written clarification from the President's National Security Advisor not only did not get a response, but was fired without an explanation.

Indeed, the man failed to win over the staff at the State Department, but his judgment or the support he enjoyed from his senior officers were never in doubt. He had opposed the war in Iraq under Bush Jr and was bent on repositioning US forces around national goals instead of private ones.

His two main potential successors, Senator Jack Reed and Michele Flournoy, immediately threw in the towel, realizing that Chuck Hagel was not removed from office for committing a foul, but precisely for having applied the policy that President Obama had set. Suddenly, all eyes now turn to second fiddles Bob Work and Ash Carter. Moreover, it is not enough to be nominated; it will also be necessary to achieve ratification by the Republican majority controlling the Senate, which is sure to lead to complications.

The specialized press paints a strange portrait of the outgoing secretary. It acknowledges his honesty - a very rare quality in Washington – to better accuse him of being an underachiever. Now his role, as defined at the time of his appointment, was precisely to not start new wars, but to reform the Pentagon, which he was in the process of doing. In the first place, he broke off many ties between US forces and the IDF. Then he proceeded to implement colossal budget cuts, except in the nuclear field. During his tenure, he was incessantly attacked by pro-Israelis, neo-cons and gay organizations (funded by all the above).

The confusion surrounding the entire US policy in the Arab world dates from mid-2012. At the time, Secretary of State Hillary Clinton and CIA director David Petraeus had seized on the US presidential election campaign to promote a second war against Syria, this time via France and Qatar. After his re-election and the ejection of his two "associates", Obama nominated new cabinet members with the task of building peace in Syria. But after a few months, it became clear that Clinton-Petraeus policy continued without the knowledge of the White House and against the Pentagon.

Clearly, President Obama is no more his own master than was George W. Bush, and there is every reason to believe that he has gradually come to accept the secret policies of his own administration. Thus, the man who had proclaimed the end of nuclear deterrence, the war in Afghanistan and Iraq, and had pledged to abandon the war on terror, is in actual fact taking the opposite course: he is modernizing and expanding nuclear weapons, sending soldiers back to Afghanistan and Iraq, and launching anew the hackneyed concept of the war on terrorism.

Chuck Hagel's dismissal is not a punishment for his actions, but an indication of the change undergone by President Barack Obama.

There is still a need to identify the forces behind Mrs. Clinton and General Petraeus's triumph. Is it the "deep state" or economic actors? Clearly, the US press is completely at a loss: it is unable to explain what is happening or even to analyze this situation, and much less in a position to provide an answer to the question.

Ultimately, the embassies around the world are waiting for new information before drawing conclusions. Meanwhile, on the ground, the Pentagon is bombing the Islamic State to which other Americans provide weapons and funding.

In the United States as in France, presidents succeed one another without managing to influence events. Regardless of whether we refer to the Republican President Bush or the Democrat Obama, the UMP Sarkozy or the Social Democratic Hollande, the machine inexorably continues its course without anyone knowing who is doing the plotting.

## COMMUNISM IN EUROPE OF TODAY

The Nationalist Socialists were against the Pan European movements as a Jewish front in their day that led to the EU. The EU is a creation of Jewish bankers of Rothschild, Warburg and such to destroy the White Race in Europe and communize and dissolve Europe into a Jew World Order system. They want a EU army to act as police force for them independent of any one European nation or national military. To enforce the will of the Elders of Zion on the populace.

- High Priest Mageson666 (Don Danko)

<http://deathofcommunism.weebly.com/communism-in-europe-of-today.html>

## EU The Jewish Agenda

This is why Europe is full of hostile non-European aliens many of whom are Muslims. Its the key program of the Jew World Order under the direction of their Banks and political agents. The major front for creating the political movement out front that led to the EU was Kalergi. A strange and perverse lunatic that wished to destroy the White Race while worshipping Jews as the Chosen and working for them openly. The National Socialists of Germany pointed out Coudenhove-Kalergi's membership in the Jewish owned Free Masonic societies [which the enemy has worked to cover up]. Which was openly pushing for a One World Jewish Order under many different fronts. Communism among them.

Communism and Masonry

<http://deathofcommunism.weebly.com/communism-and-masonry.html>

"According to his autobiography, at the beginning of 1924 he came through Baron Louis de Rothschild in contact with Max Warburg who offered to finance his movement for the next 3 years giving him 60,000 gold marks; Warburg eventually remained sincerely interested in the movement for his entire life and served as an intermediate man as to bring him in contact with influential personalities in America such as banker Paul Warburg and financier Bernard Baruch accompanying him there. In April 1924 Coudenhove-Kalergi founded the journal Paneuropa (1924-1938) of which he was editor and principal author. The next year he started publishing his main work, the Kampf um Paneuropa (The fight for Paneuropa, 1925-1928, three volumes). In 1926, the first Congress of the Pan-European Union was held in Vienna and the 2,000 delegates elected Coudenhove-Kalergi as president of the Central Council a position he held until his death (1972)."

[http://en.wikipedia.org/wiki/Richard\\_Nikolaus\\_von\\_Coudenhove-Kalergi](http://en.wikipedia.org/wiki/Richard_Nikolaus_von_Coudenhove-Kalergi)

Kalergi laded out the blue print for the destruction of the White European Race in such an order as the Jewish run EU in his book:

In his book Praktischer Idealismus (Practical Idealism),

"The man of the future will be of mixed race. Today's races and classes will gradually disappear owing to the vanishing of space, time, and prejudice. The Eurasian-Negroid race of the future, similar in its appearance to the Ancient Egyptians, will replace the diversity of peoples with a diversity of individuals. [\*\*\*] Instead of destroying European Jewry, Europe, against its own will, refined and educated this people into a future leader-nation through this artificial selection process. No wonder that this people, that escaped Ghetto-Prison, developed into

a spiritual nobility of Europe. Therefore a gracious Providence provided Europe with a new race of nobility by the Grace of Spirit. This happened at the moment when Europe's feudal aristocracy became dilapidated, and thanks to Jewish emancipation."

Note Dugin who is the popular thinker of the policies of the Russian Federation calls for identical policy within the Russian Federation. That Kelergi was pushing for in his time. The Russian Federation is run by international Jewish power brokers as well. Who are flooding the White European parts of the Russian Federation with millions of East Asians, Asians, African's and Muslims. With the Jews its always the same agenda.

Russia Under Jewish Control:

<http://deathofcommunism.weebly.com/jews-still-in-control-of-russia.html>

The following is from Eustace Mullins, "The Rule of the Order", The World Order: A Study in the Hegemony of Parasitism, Chapter Eight.

"On May 1, 1776, Adam Weishaupt issued further instructions to the Illuminati in Bavaria, 'We labour first of all to draw into our Association all good and learned writers. This we imagine will be the easier obtained, as they must derive an evident advantage from it. Next to such men we seek to gain the masters and secretaries of the Post-Offices in order to facilitate our correspondence.' The Tasso family of Bologna, later Thurn und Taxis, gained control of post offices and intelligence work in Europe and held that power for five centuries. Although these groups surfaced as charitable or fine arts organizations, their goals of anarchy were concealed in all their efforts. In the twentieth century, they culminated in the League of Nations, the United Nations, the communist Party, the Royal Institute of International affairs, the Council on Foreign Relations, the foundations, and a host of lesser groups. Count Coudenhove-Kalergi's Pan Europe Movement, with its powerful backing by aristocrats and international financiers, was represented in the U.S. by its American branch, founded by Herbert Hoover and Col. House, who were also stumping the U.S. for ratification of the League of Nations. Coudenhove Kalergi mentioned in his autobiography that he had been financed by the Rothschilds and Warburgs, and in the U.S., by Paul Warburg and Bernard Baruch. He was connected with the Thurn und Taxis family. His grandfather, Count Francis Coudenhove-Kalergi, Austrian Ambassador in Paris, had married Marie Kalergi in 1850. She was one of the wealthiest heiresses in Europe, descended from the Byzantine Emperor Nikophor Phikas; in 1300, when Venice was the dominant power in the Mediterranean, Alexios Kalergis had signed the treaty which made Crete a dominion on Venice. A recent premier of Greece, Emmanuel Tsouderos, was a Kalergi."

World War Jew:

This has been the quiet move. Much of the situation in the middle east is designed to slow the flow of oil and gas to Europe and force Europe to depend more and more on Russia for such pushing them into the Moscow sphere of control. Everything the jooz have been doing in Europe is aimed to one way or another put Europe under a new Soviet system as Putin admits he wants. The war they are pushing for on both sides NATO and Russia will be the key to make this happen. Hence why the kikes are fleeing Europe. Remember Russia is allied with Red China which the jews also control as they built it. Thousands of Red Chinese troops have done recent training exercises with Russian troops on European soil for a war with NATO in Europe. The current leader of NATO is a Norwegian Communist who ran their Communist Party and was a self admitted KGB agent during the Cold War. As I have mentioned before the kikes have moved their agents into key area's within NATO and the governments and the Pentagon in America. To act as fifth column to an invasion from Euro-asia by Communist forces under their control to slam the gate shut in a real Red nightmare. China right now is quietly building a path through the other nations in the stan's of the east to Russia. Remember the jews opened the gates of more then one city as fifth column from Spain to Constantinople and let the invaders right in. Their EU policies are Soviet and aimed to absorb Europe into a Jew World Order.

What about the nuclear deterrent. Well who's hands on the controls? Israeli security companies ie Mossad fronts have dealing with the soils in American and everywhere else I bet.

Now the jews flee like rats from a sinking ship. The jews know the rise of European Nationalist groups are spelling the end along with the demand to dismantle the EU. They are running out of time so they might just hit the switch

and get it rolling ASAP. Its a repeat of what they tried to pull with Communism on Europe in the last century.

From observation I believe the jews are planning to take the west down with a communist tidal wave from Euro-Asia with a war in Europe and also with a money crash and sponsor communist political movements within nations. Like in the previous century. At this point they probably want American forces in the ME which they are trying to do, simply to catch them in a war with Iran that will end with America forces destroyed and Iran in ashes as well. America is the back bone of NATO. Which means the one superpower military will not be able to stand on European soil against a war with Russia and Red China.

It seems Putin blundered again with having the FSB kill the phoney opposition leader. To thug the population into line as the Russia's economy is total shit and their dollar worthless and the war in Ukraine not popular.

---

Tens of thousands of Russians marched through central Moscow on Sunday, carrying banners declaring "I am not afraid" and chanting "Russia without Putin" in memory of murdered Kremlin critic Boris Nemtsov.

Families, the old and young walked slowly, with many holding portraits of the opposition politician and former deputy prime minister who was shot dead while walking home from a nearby restaurant on Friday night. (Reuters)

## Jewish Leader: Multiculturalism Is A Moral Duty For Germany

*"I think there is a resurgence of anti-Semitism because at this point in time Europe has not yet learned how to be multicultural. And I think we are going to be part of the throes of that transformation, which must take place. Europe is not going to be the monolithic societies they once were in the last century. Jews are going to be at the centre of that. It's a huge transformation for Europe to make. They are now going into a multicultural mode and Jews will be resented because of our leading role."*

*-- Barbara Lerner Spectre, Sweden, Founder of Paideia, European Jewish Fund in Sweden*

As the jooz themselves state: "Israel is not multicultural." But they make damn sure we are. Take the word German and put in the word West and you have the truth.

What do the Poo People really think, Jooz let us know:

<http://josministries.prophpb.com/topic8708.html>

In the words of top Israeli Rabbi Ovadia Yosef, "Goyim were born only to serve us. Without that, they have no place in the world; only to serve the People of Israel." Likewise, Rabbi Ya'acov Perin has publicly stated: "One million Arabs are not worth a Jewish fingernail." Shocking? It shouldn't be. This is Talmudic law as well. The Talmud makes it very clear that the life of a non-Jew has no value, and that gentiles exist only to serve Jews. Sanhedrin 59a: "Murdering Goyim is like killing a wild animal." Abodah Zara 26b: "Even the best of the Gentiles should be killed." ch Baba Necia 114, 6: "The Jews are human beings, but the nations of the world are not human beings but beasts." MidrasTalpioth, p. 225-L: "Jehovah created the

non-Jew in human form so that the Jew would not have to be served by beasts. The non-Jew is consequently an animal in human form, and condemned to serve the Jew day and night.”

So just Jew is barbaric again?

Since they invoke holocaust Potter and the Gas Chamber of Secrets as their jewcy, pandering. How about the real holocaust you know the one done by the Jews on a Hundred million everyone in their Jewssr:

The Real Death Camps And Holocaust:

<http://deathofcommunism.weebly.com/the-real-death-camps-and-holocaust.html>

Or how about the holocaust of over seventy million Chinese in their Communist slaughtercost over there:

There is no business like the Shoah business.

Multiculturalism Is A Moral Duty For Germany”

According to the head of the Jewish [Poo] Council, Josef Schuster [AKA Leering Larry] it’s a moral duty for Germany to take in immigrants from the third world. This because of the “barbaric” history of Germany. [Not allowing themselves to be turned into Palestinians.]

According to the head of the Jewish Council, Josef Schuster it’s a moral duty for Germany to take in immigrants from the third world. This because of the “barbaric” history of Germany.

It was during the 70 year commemoration of the liberation of Dachau that Josef Schuster proclaimed his harsh “sentence” against the Germans. [Sanhedrin 59a: “Murdering Goyim is like killing a wild animal.” Abodah Zara 26b: “Even the best of the Gentiles should be killed.”]

He said to the German newspaper Junge Freiheit that:

“Germany has brought so much misery to the world. We owe so much to so many countries. We’re the last country that can turn back refugees.”. [Rabbi Ovadia Yosef, “Goyim were born only to serve us. Without that, they have no place in the world; only to serve the People of Israel.” ]

Germany is today alongside Sweden one of the EU countries that receives the most refugees. Something that doesn’t seem to bother Josef Schuster. Instead he went on an all out attack against critics of islam.

“When I see 10.000 people cheering islamophobe and a right-wing populists such as Geert Wilders I feel sick.”.

He also declared that it was the prisoners in Dachau who witnessed a “supposedly civilised people” were transformed into a “wildlings”. That there once again are people who talk badly about immigrants and jews makes one question if Germans respect “humanity”. [ ch Baba Necia 114, 6: “The Jews are human beings, but the nations of the world are not human beings but beasts.” ]

As icing on the cake he ended his speech by demanding Germany to spend even more money on fighting the right-wing.[Choszen Hamispat 348: “All property of

other nations belongs to the Jewish nation, which, consequently, is entitled to seize upon it without any scruples." ]

## Merkel, the Red footsoldier

Merkel, the Red footsoldier: German chancellor under fire over Communist links as image of her in uniform is released

Photo found of her as 17-year-old marching with East German officer released as she's forced to play down book which alleges communist past

Mrs Merkel who was 17-year-old Angela Kasner when the picture was taken in 1972, is shown in fatigues marching with a group of friends and an East German officer

<http://antizionistleague.com/scrapbook/political-movements/politicians/angela-merkel>

Born Angela Dorothea Kasner on 17 July 1954, her father, Horst Kasner was a Communist sympathiser and mother, Herlind Jentsch, a Communist and member of the Social Democratic Party of Germany. Merkel was educated in East Germany and leader of the official, Communist-led youth movement Free German Youth (FDJ) thus well-schooled in Jewish Bolsheviks Marx, Lenin and Trotsky (Lev Bronstein). The biography of Merkel shows that she was “a supreme and very visible Young Communist official in East Germany, responsible for propaganda and agitation.” Beyond leading the Young Communist League, Merkel also held high rank in the Sozialistische Einheitspartei Deutschland (SED), which was the

leading Marxist-Leninist party of East Germany. Members of this party enjoyed 'special privileges' denied to ethnic Germans in East Germany after WWII. For example only closely trusted members of the Communist party (SED) were allowed to travel to western countries and Merkel often travelled to West Germany and other Western Nations. Merkel has visited Israel four times. On 16 March 2008, she arrived in Israel to mark the 60th anniversary of its occupation of Palestinian land. Merkel has supported all Israeli terror initiatives and opposing the Palestinian bid for membership at the UN. In March of 2008 the B'nai B'rith of Europe presented Merkel with their Award of Merit for 'services' to their community. Merkel has also received the Leo Baeck Medal, awarded by the Leo Baeck Institute of New York City devoted to the history of German-speaking Jewry. It is interesting to note that while Merkel finds it "especially sad that some commentators seem to have lost any inhibitions in telling the Jewish community what is good for them". She never commented on the eternal lack of inhibition the Jewish Community has for letting Germany and the rest of Europe know what they think is good for them. On the 70th anniversary of the incursion into Poland in 2009 Merkel publically apologised and blamed Germany alone for starting WWII when it was international Jewry that sowed the seeds of this war in 1933 by inciting America and Europe to boycott German goods.

A member of Italy's metalworkers union walks by a banner with a picture of German Chancellor Angela Merkel during a demonstration in Rome. The unrest came as Mrs Merkel tried to dampen speculation over her links with East German communists

All children had to take part if they wanted to go to university, but Mrs Merkel is also alleged to have been a propaganda secretary for the youth movement, the FDJ.

The photo was found by an old schoolfriend, Sonja Felssberg, 58, and handed to a German newspaper.

Her smile is easily recognisable and her forage cap is set at a jaunty angle as she strides along at the High School Hermann Matern in Templin, where she was brought up behind the iron curtain.

Not even illness or a death in the family allowed for the youngsters to skip the martial lessons - they were simply postponed but had to be completed.

Sonja Felssberg, now 58 and an old school comrade, found the photo and handed it to a national German newspaper.

It was published as Mrs Merkel, who was the subject of austerity protests in Italy at the weekend, tried to play down allegations in a new book that she was much closer to the Communist rulers of the lost Socialist state than she previously admitted to, including holding a post as a propaganda secretary in the youth movement the FDJ.

Mrs. Felssberg said: 'We all had to sleep ten to a room in bunk beds when we did the exercises. In the day we learned things like treating wounds and stabilising patients - not much different from what you would learn today in first aid training with the Red Cross.

'But we also had to march and learn to use maps and a compass for hikes in the woods and wilderness. It was long ago but I remember it very well - and Angela.'

Mrs. Merkel is aiming for a third bid in office in the autumn.

She is hoping that the rumours about her alleged closeness to the politburo of East Germany will not diminish her chances.

But the photo of the old days has reportedly upset her.

One of her aides said: 'Madam Chancellor is not amused'

Germans must be 'sensitive' to what Nazis did to other countries, Merkel says

The German chancellor says [bring me Han Solo and the Wookiee] there's 'no drawing line under history,' amid fierce debate over renewed demand for reparations to Greece over WWII occupation.

Germany cannot simply draw a line under its Nazi past and must remain sensitive to the damage it caused to other countries including Greece, Chancellor Angela Merkel said on Saturday, just ahead of the 70th anniversary of the end of World War Two.

Speaking in her weekly podcast, Merkel said she was looking forward to a May 10 memorial in Moscow with Russian President Vladimir Putin. She and other leaders have said they will not attend Russia's traditional May 9 military parade amid tensions with Moscow over its annexation of Crimea and fighting in Ukraine.

In the German capital, the 70th anniversary of the end of the Battle of Berlin, the climactic battle of the war, was marked in tributes on Saturday. The war ended on May 8, 1945.

"There's no drawing a line under the history," Merkel said, dismissing a yearning that many post-war generations of Germans harbor.

"We can see that in the Greece debate and in other European countries. We Germans have a special responsibility to be alert, sensitive and aware of what we did during the Nazi era and about lasting damage caused in other countries. I've got tremendous sympathy for that."

Also on Saturday, President Joachim Gauck, who has little real power, reignited a debate over reparations, saying Germany should consider Greece's demands for 279 billion euros (\$312 billion) in reparations for the Nazi occupation.

Greece's calls have fallen on deaf ears in Berlin, even though legal experts say it has a case. Merkel's government says has paid its obligations to Greece, including a 115 million deutsche mark payment in 1960.

"It's the right thing to do for a history-conscious country like ours to consider what possibilities there might be for reparations," Gauck told the Sueddeutsche Zeitung.

Post-war German governments have paid a total of 71 billion euros for damages caused by the Nazis, the Finance Ministry says.

Gauck also said Germans should reexamine other forgotten aspects to the war.

"We've truly done a lot in coming to terms with our Nazi past. But are some victims that haven't been taken into account at all or sufficiently -- such as the Soviet prisoners of war."

The specter of the Nazi era still haunts Germany in the form of neo-Nazis, who regularly demonstrate against immigrants and asylum seekers and occasionally turn violent.

One member of such a far-right group is currently on trial for the deaths of eight Turks and a Greek.

At a union rally in Weimar on Thursday, four people were injured and 29 people detained after far-right protesters stormed the speaker's podium, took the microphone and shouted Nazi slogans.

## Merkel: The Enemy of Germany and the White Race

### Merkel: Our Jewish friends are at home in Germany

Jewish community leaders sat besides German government leaders at a widely advertised “Stand Up Against Anti-Semitism: No More Jew-Hatred” Rally at the Brandenburg Gate on Monday morning (Australian time) in the middle of Berlin, attended by 5,000 people.

Chancellor Angela Merkel, the headline speaker, said Jewish life belongs in Germany.

“That people in Germany are threatened and abused because of their Jewish appearance or their support for Israel is an outrageous scandal that we won’t accept,” Merkel said. “It’s our national and civic duty to fight anti-Semitism. Anyone who hits someone wearing a skullcap is hitting us all. Anyone who damages a Jewish gravestone is disgracing our culture. Anyone who attacks a synagogue is attacking the foundations of our free society.”

Dr Dieter Graumann, president of the Central Council of Jews in Germany, was the first and one of the most passionate speakers of the afternoon, declaring that anyone who claims to be anti-Israel is really just plain anti-Semitic.

“This latest anti-Semitic outbreak began with the Gaza war,” he said. “But what does one have to do with the other? When we hear, in German streets, shouts of ‘Jews should be gassed,’ or ‘burned,’ or ‘slaughtered,’ this has nothing to do with criticism of Israeli policies. This is pure, unadulterated anti-Semitism, and nothing else.”

Graumann tore into the Muslim organizations that “stir up” anti-Semitism, and called on Jews not to “remain neutral” on issues of Israel. “Our neutrality must end when issues of Israel’s security begins.”

Ronald S. Lauder, the president of the World Jewish Congress, which is sponsoring a two-day seminar about the state of Jewish life in Europe, recalled as a young boy going to the New Synagogue (the Oranienburger Synagogue) in Berlin to memorials for Holocaust victims. “I remember non-Jewish Germans coming to do the same thing, as a way to say ‘This should not happen again,’” Lauder said.

“Today, the world looks to Germany for moral, economic and political leadership,” he continued. “But something has changed.”

Lauder called the current anti-Semitism a “medieval stain” on the modern, rapidly changing world. “Let us not let this group of agitators” – those who promote anti-Semitism in Germany, “tear down 70 years of work,” he said.

### "Immensely Dangerous": Jews, Muslims & Xians against PEGIDA

Several major German newspapers are reporting about a newly established nationwide movement, PEGIDA. Voices are getting loud. People in Germany are starting to get aware of what`s really going on. Jews, Muzzies & Christians (just a coincidence?) want to shut these brave demonstrators up, seemingly at all cost.

Read more about PEGIDA here:

<http://www.dw.de/german-council-of-jews-chairman-condemns-immensely-dangerous-pegida-movement/a-18143163>

Jew supporter & German Counselor Angela Merkel warns of the "anti-Islam" movement PEGIDA in New Year's speech. Instead, she encourages the acceptance of multiculturalism given the rising floods of immigrants inside Europe in 2014. According to her, importing more and more immigrants from Islamic states is a win to the German populace:

As you can see from the raw Youtube video ratings. most people disagree with her New Year`s advice.

### Merkel: Germany Will Use 'All Means' to Fight Intolerance

German Chancellor Angela Merkel, front third from left, attends a vigil organized by the German Muslim Council to commemorate the victims of last week's Paris

terror attacks in front of the Brandenburg Gate near the French embassy in Berlin, Jan. 13, 2015:

BERLIN—

A day after calling Islam part of Germany, Chancellor Angela Merkel said her government would use all means at its disposal to fight intolerance and discrimination, calling the exclusion of certain groups from society "humanly reprehensible."

Her comments came a day after 25,000 anti-Islam demonstrators marched in the eastern German city of Dresden to demand stricter immigration rules and an end to multiculturalism.

"What we need to do now is to use all the means at our disposal as a constitutional state to combat intolerance and violence," Merkel said at a conference in Berlin.

Nearly 100,000 people are estimated to have participated in counter-demonstrations against racism in other marches across Germany on Monday. And the Dresden-based movement, called PEGIDA or Patriotic Europeans Against the Islamization of the West, has drawn far fewer supporters in other cities.

But it represents a major political challenge for Merkel.

Her conservative party includes immigration sceptics and members of a surging new right-wing party called the Alternative for Germany (AfD) have allied with PEGIDA.

A recent poll by the Bertelsmann Foundation showed 57 percent of non-Muslim Germans feel threatened by Islam, and it was conducted before deadly attacks by Islamic militants in Paris killed 17 people last week.

Speaking before taking part later on Tuesday in a Berlin vigil organised by Muslim groups for the victims of the Paris attacks, Merkel delivered one of her strongest repudiations of the PEGIDA movement and its sympathizers.

"To exclude groups of people because of their faith, this isn't worthy of the free state in which we live. It isn't compatible with our essential values. And its humanly reprehensible," Merkel said. "Xenophobia, racism, extremism have no place here. We are fighting to ensure that they don't have a place elsewhere either."

Her comment on Monday that "Islam belongs to Germany," made at a news conference with the visiting Turkish prime minister, was plastered on the front page of many leading newspapers.

It drew criticism from some politicians, including Wolfgang Bosbach, a veteran member of her Christian Democrats (CDU).

"What Islam does she mean? Does this include fundamental Islamist and Salafist currents?," Bosbach told the Saarbruecker Zeitung newspaper. "Germany has a Judeo-Christian, not an Islamic, cultural tradition." [my note: judeo-christianity and islam are the same jewish shit program for Gentiles]

With one of the lowest birth rates in Europe, Germany faces a demographic crisis over the coming decade and Merkel's government is encouraging immigration to combat this.

In 2013, Germany saw net immigration of 437,000 people, mainly from Eastern Europe, its highest level in 20 years. It also welcomed close to 200,000 asylum seekers last year, many from war-torn Syria. Roughly 4 million Muslims live in Germany, most of them of Turkish origin.

## Angela Merkel: Anyone who attacks a Jew attacks us all

Rally against anti-Semitism in central Berlin draws thousands. 'It's our national and civic duty to fight anti-Semitism,' says German chancellor.

Germany will do all it can to fight anti-Semitism, Chancellor Angela Merkel said in a speech on Sunday, following a surge of abuse against Jews and spreading anti-Israeli sentiment aroused by the Gaza conflict.

Merkel made her pledge to thousands at a landmark rally protesting a rise in anti-Semitism that authorities and Jewish leaders blame mainly on Muslim extremists and young immigrants, saying anyone who attacks Jews is attacking all of Germany.

"That people in Germany are threatened and abused because of their Jewish appearance or their support for Israel is an outrageous scandal that we won't accept," Merkel said. "It's our national and civic duty to fight anti-Semitism."

Merkel only rarely attends demonstrations, but she joined German President Joachim Gauck and Jewish community leaders for the rally at the Brandenburg Gate in central Berlin.

"Anyone who hits someone wearing a skullcap is hitting us all. Anyone who damages a Jewish gravestone is disgracing our culture. Anyone who attacks a synagogue is attacking the foundations of our free society."

The rally itself, organized by the Central Council of Jews in Germany, was extraordinary. Jews in Germany generally keep a low profile, but community leaders have said Jews were feeling threatened by anti-Semitism after the Gaza conflict.

More than half a million Jews lived in Germany when the Nazis took power in 1933. That number was reduced to about 30,000 by the Holocaust. The population has since grown to about 200,000 - a source of pride for Merkel and many Germans.

The German government said 131 anti-Semitic incidents were reported in July and 53 in June. That was up from a total of 159 in the second quarter. Merkel said authorities would use all means at hand to fight anti-Semitism.

"That far more than 100,000 Jews are now living in Germany is something of a miracle," Merkel said in an unusually personal speech. "It's a gift and it fills me with a deepest gratitude.

"Jewish life is part of our identity and culture. It hurts me when I hear that young Jewish parents are asking if it's safe to raise their children here or elderly ask if it was right to stay here."

Ronald S. Lauder, president of the World Jewish Congress, praised Germany's efforts to fight anti-Semitism at the rally.

"There are some places where I'd expect to see this," Lauder said. "But not in Germany. Since the end of the war Germany, has strongly supported the Jewish rebirth. So why has all this good work been darkened by the stain of anti-Semitism?"

## French President: To protect Jews is to protect France: President of France is Jewish owned Communist

The President of France in a wave of boasting Judeo-Marxist rhetoric has agreed to grant the Jews the supremacist privileges they have been demanding over everyone else. The Jews will use any situation to push their agenda even the blow back off their EU open boarder polices for Europe. Big Jew, going keep on Jew'in. All people are equal but the Chosen People are more equal then everyone else. Its good to know the President of France is such a good Jewish owned Communist.

French President Hollande: To protect Jews is to protect France

<http://www.sdjewishworld.com/2015/02/23/hollande-to-protect-jews-is-to-protect-france/>

World Jewish Congress (WJC) President Ronald S. Lauder on Monday, Feb. 23, praised French President François Hollande for delivering a “great speech” at the CRIF dinner in Paris which he called a “rallying cry in the fight against hatred.” In his address to the dinner guests, Hollande announced the next steps in his plan to fight anti-Semitism in France, including protecting Jewish sites for as long as necessary and new measures to curb the dissemination of hate speech on the Internet.

“President Hollande has made it absolutely clear: Anti-Semitism, and any other form of hatred and racism, must not and will not be tolerated, and the entire country must mobilize against it. His speech sends a strong signal that France will not surrender to the forces of evil and that it is taking the leading role in fighting anti-Semitism and terrorism. We fully support President Hollande and his government in this endeavor,” Lauder declared.

“In recent months, the Jewish community in France – the largest in Europe – witnessed the worst attacks since the end of World War II. We all – Jewish, Muslim and Christian leaders, governments and the wider civil society – must

work together to ensure that our freedoms are safeguarded and that the fight against terrorist and extremist of any form is won,” added Lauder.

Speaking at an annual dinner hosted by the country’s Jewish umbrella body CRIF, Hollande said that “in protecting its Jews, the Republic is protecting itself.” He emphatically said that “the Jews are at home in France and it’s the anti-Semites who don’t have a place in the Republic.” The president urged more European cooperation in the fight against jihadist terrorism.

Hollande also called for more effective punishment of anti-Semitic acts and urged measures against hate speech: “I want such speech to come under criminal rather than media law.” The French leader said that talks with the CEOs of the major Internet giants would soon take place in France to determine how to curb the dissemination of hate speech on the Internet.

“Not teaching about the Shoah would already mean denying it,” said Hollande, who vowed to strengthen Holocaust education in schools.

The 30th edition of the annual CRIF dinner was opened by the organization’s president, Roger Cukierman.

## Greece Communist Leader Mad At Ukraine

<http://www.paulcraigroberts.org/2015/01/30/spartan-resurrection-greece-paul-craig-roberts/>

"Greece's new Prime Minister, Alexis Tsipras: "We should not accept or recognize the government of neo-Nazis in Ukraine." "

Naturally a worthless Limousine Bolshevik would protest Ukraine not wanting to be under a Neo Bolshevik heel of Moscow. No mistake this goof supports Putin the Jew in Moscow:

Rabbi Putin Mad Europe Is Resistant To Jewbola

<http://deathofcommunism.weebly.com/rabbi-putin-mad-europe-is-resistant-to-jewbola.html>

"President Vladimir Putin has expressed concerns about what he described as the rise of neo-Nazism in Europe, telling a Serbian publication that it was Russia's duty to oppose fascism [ Fascism is Commie talk for people who don't allow Commies to murder them with ease]."

The nuuu Commie clowns in Greece are now moving to be a veto pal of Moscow as well.

Putin's Unexpected Victory: Europe Furious That Greece Is Now A Russian Sanctions Veto:

<http://www.zerohedge.com/news/2015-01-29/putins-unexpected-victory-germany-furious-greece-now-russian-sanctions-veto>

There is some bather in the article but this is of importance as this is what Jewish Putin and the Jews around him have been working on. Putin openly admits it right in the middle of a Political conference.. And is the key reason for the military invasion of the Ukraine by Russian troops in paramilitary uniforms directed by Moscow. And the thousand of people killed and hundreds of thousand displaced by the Jew Cabal in Moscow. They are trying to rebuild the Communist empire. 25% of the Ukraine was slaughtered by the Jewish Bolshevik regime out of Moscow.

<http://www.forbes.com/sites/nathanvardi/2014/12/08/farewell-putin/>

"Is the main culprit Putin himself, who determined that the disintegration of the Soviet Union is the greatest geopolitical catastrophe of the 20th century; who admires Stalin and reinstated the Soviet national anthem with different lyrics; the

same Putin who, in the VOLDAI conference in September 2013, said that: The integration of the former Soviet Union into a single geopolitical entity is a key priority for Russia."

Alexis Tardspaz and his Bolshevik rats want to veto for the Moscow criminal kosher cabal.

Because we all know that Moscow should be allowed to use murderous force to conquer the Ukraine with military power under proxy and open Russia forces and put a Moscow puppet criminal back in charge. How many of the hook noses in this nuuu Government in Greece? I hope the Greeks enjoy it as the Commie's open the doors to the third world faster then before. I doubt they will bail on the debt either. I guess the Greeks also forgot the Communist terrorism and murders of their family members as well.

So we are witness to the last act of the Left. They will fail in their promises and the next group over is the Golden Dawn.

Putin will save a spot for his nuuu friend Alexis Tardspaz with his friends:

Greece's finance minister says his country is like Germany just before the Nazis took power

Read more: <http://www.businessinsider.com/greeces-finance-minister-nazi-germany-comparison-2015-2#ixzz3QwSMpUfq>

Greek finance minister Yanis Varoufakis is in Germany on Thursday, and he's making comments that are going to catch a lot of attention.

In a news conference with German finance minister Wolfgang Schaeuble, Varoufakis said Greece now is like Germany in the 1930s, before the Nazis came to power.

Here are Varoufakis' comments, according to Open Europe, a think tank that was tweeting out the lines:

"Germany should understand the most what it's like to be stuck in a gruesome deflation and debt crisis."

"When I go home today, I will go home to a country where the third-biggest party is not a neo-Nazi but a Nazi party."

"Germany can be proud of our fight against Nazis. We now need the German help."

He's referring there to Golden Dawn, the extremist ultra-right party that finished third in Greece's elections in late January. Golden Dawn won 6.3% of the vote and 17 of the parliament's 300 MPs. Images of the party's fascist-style rallies made international news in 2012 and 2013.

In the early 1930s, Germany went through a period of deflation, as Greece now is (though Germany's was much more severe). The economic crisis of the period coincided with a huge rise in support for fascism: The Nazi party rose from 2.6% support in the 1928 election to 32.3% in 1932.

Schaeuble said he and Varoufakis had "agreed to disagree" in the rest of the news conference, according to Bloomberg. Germany has been one of the eurozone countries most opposed to reducing Greece's public debt burden, as the new government in Athens is demanding.

Varoufakis told German media earlier in the week that he is the finance minister "of a bankrupt country." He and Greek Prime Minister Alexis Tsipras want to scrap the bailout agreement that Greece has with European institutions and the

International Monetary Fund and reverse much of the austerity brought in over the past five years.

Yep the commies lied to the Greek People.....they just bailed on their fake promise that got them elected, next stop Golden Dawn.

-----  
<http://fortune.com/2015/02/20/the-end-of-the-dream-greece-bows-to-the-inevitable/>

Syriza's wild election promises bump up against harsh reality as the Eurozone refuses all but cosmetic changes to the bailout deal.

Greece's attempt to break the shackles of its bailout package has failed. With that, the risk of the Eurozone breaking up has receded, at least until the summer.

The new left-wing government effectively crumpled Friday under pressure from the rest of the currency union and accepted it had to complete the reforms demanded of it two and a half years ago in return for continued access to the only financial lifeline it has. It also promised to honor all its debts and not to reverse any of the reforms undertaken so far under the 2010 and 2012 bailout programs, backing down from its most important pre-election promises.

In return, the creditors agreed to extend by four months the existing deal, meaning that Athens will still get some €3.6 billion from the Eurozone and European Central Bank, and a bit more from the International Monetary Fund this year. They also all but guaranteed to loosen the country's budget targets, and to keep available nearly €11 billion earmarked for recapitalizing Greek banks if they get into trouble.

## Islam VS The PC Jew Theocrats

**ISLAM IS A RELIGION OF PEACE**

And they will violently kill anyone who says otherwise.

I have been following what has been happening in Australia and Belgium and Europe in general with the Islamic attacks on Europeans from Islamic rape gangs to sex slave rings and on, especially the major one that was busted in Britain. I am still never surprised by ridiculous Liberals who rush to say that Islam is a religion of peace and those Muslims are some how not real Muslims.

Will the real Mohammed please stand up.

Where in the Koran does it say they are not following Islam? They are this is what Islam is and does just read the Koran. I am supposed to believe those millions of Muslim's somehow don't believe the Koran and just like the name? Because that is the only other alternative explanation left. We are then told by the Liberal freaks and their all too willing to lie Islam pretend pals. To point this out is racism or something, despite the fact Islam is not a race. Its somehow racism, well these people are just frustrated retards who can't make a logical point because their whole worldview is illogical, retardation so they resort to screaming through criminal at the rest of us thinking sane people. That way they never have to explain.

Was this guy a pretend Muslim too?

Muslims are also lying assholes who have a Jew like system of lying and deceit to push Islam where they don't have the power of the sword to impose it by slaughter and terror, called Tarqi, so anything they say is naturally like the Jews lies to promote their agenda. Islam divides the world into two part the Abode of Islam and the Abode of war, which continues till Islam conquerors. Naturally Jews are making this easier for them as this is their program and the Liberal tards and holding the door open as well. They like Jews love it when violent aliens rape, kill and attack White People. Which is why they scream racism at you if you don't like Islamic immigration. Its part of their anti-White narrative to promote racially alien and hostile immigration to the White World. And they view Islam as part of this in this sphere. Their moronic knee jerk reaction actually shows their real intention the whole time. Destroy White People and Western Civilization. The non Whites that are peaceful immigrants and decent normal people, the Jews will try and make sure by the second generation of race baiting, anti-White, cultural Marxist propaganda. To try and change this as well.

Islam is a Jewish scam, Mohammed claimed to be the Messiah of the Jews first and foremost. The Koran built on the Book Of Moses. The Torah. And like Jewish Christianity its as fake as fuck and another way for the Jews to advance their murderous agenda on earth: <http://josministries.prophpb.com/topic542.html>

# ISLAM

“I will instill terror into the hearts of the unbelievers: smite ye above their necks and smite all their finger-tips off.”- Quran 8:12

Which is another reason the Jews are hated rat Kikes like this:

"Europe has not yet learned how to be multicultural" ... "We're going to be part of that transformation which MUST take place" ... "and jews will be resented because of their leading role" ...

Are shipping this in by the millions to kill White People and race traitor Liberal freaks are holding the door open so their own daughters can get brutally beaten and raped in the streets as normal. As that change which MUST take place says kike rat.

Along with their sons being killed in broad daylight by Islamic's as well.

The Jews and their lobbies have been behind every open immigration policy from the Islamic World into the White World. But never for Israel as they have race laws to prevent this. One standard for the Jew another for everyone else.

Thanks Jews.

# COMMUNISM IN LATIN AMERICA AND BRAZIL

Dedicated to the member of JoS forums and groups, Egon Albrecht, who helped me to make this site as it is, created header/banner for it and provided all the material on communism in Latin America and Brazil.

Thank you, my Friend!!!

## Communism in Brazil: Jewess Dilma: Murderer, Torturer and Robber of Brazilian People

This is a petition to take off from power the Jewess Dilma Rousseff and her "workers party" (a front party for Communism). That is official petition and went to Brazilian senate, and can come true as Brazilians did already an impeachment for ex-president Collor de Melo.

\*\*\*\*\*

Dilma Rousseff's impeachment.

In this Tuesday, October 21, was filed with the House of Representatives, the Federal District, the impeachment of President Dilma Rousseff. And also two other actions in the Superior Electoral Court, requiring the closure of the Workers Party (PT), and another, the removal of the Worker's Party candidate for president, Dilma Rousseff, Elections 2014.

There is still hope and there is strong opposition to this fraud that Democracy is the government of the PT and what they did with the mentality of the Brazilian. The real opposition starts now:

Here is the link for the petition:

[https://secure.avaaz.org/po/petition/Impeachment\\_da\\_Presidente\\_Dilma\\_1](https://secure.avaaz.org/po/petition/Impeachment_da_Presidente_Dilma_1)

\*\*\*\*\*

The situation is grave, Dilma is for Brazil what Putin is for Russia and there are many poor and ignorant people who will suffer much more, as well as the Aryan born Brazilians who pay the most.

Here is a post I made about it:

That's a defeat for the Brazilians, and mainly for the White Brazilians who for majority wanted Aécio who is a prepared Stalinst, not Dilma who was elected by the most miserable mongrelized communities in the country and voted again for their own misery (with more 4 years it will be 16 years of Lula's workers party in power).

Is incredible what a level of ignorance the population is in, to vote someone who was indicted for murder, torture and terrorist acts alongside her group, in the attempts of communist takeover in the country, decades ago. Need to mention she is a Jewess?

Not only it, she is extremely dumb for a kike and was never meant to the public office, and always ask mentoring from the communist Lula. She will not control inflation next year and the country's economy will be terrible ruined.

This video is with english subtitles:

<http://www.youtube.com/watch?v=mY96iN1iJZE>

This ones are in Portuguese, but note how she stumble with her words, can't even talk properly and try hard to behave like a normal person:

[https://www.youtube.com/watch?v=RMzKPF2z\\_TA](https://www.youtube.com/watch?v=RMzKPF2z_TA)

<https://www.youtube.com/watch?v=PbcfrpoLzOw>

The White Brazilians (mainly from the South which was colonized by European peasants and is the most rich and developed of the country) are considering separate the country. They didn't wanted Dilma's Communism and they pay 48% of the taxes in the whole country, being the smallest region.

The picture states: WALL NOW! We must respect the electors of the workers party... And send Dilma to them alone!

Here is a picture of a Southern city, Gramado, State of Rio Grande do Sul, who made their development with their own hard working as peasants and pay the most taxes for Jewish controlled Brasilia:

In the Northeast, here are Dilma's electors who gain alms from her government...

The picture says: This man gain 77 Brazilian Reais from the "Bolsa Familia".  
 According the workers party, this family is free from misery.

Here is the "hero" of the people:

It must stop, she is not only a Communist but a terrorist, murder and torturer.

This was the letter from my personal friend:

If in the end the court did not comply. So my friends ... This is not liberty, equality, fraternity, democracy ... This is fear and lack of logical reasoning for not realizing what MEANS VOTE, the weight that this decision has. Maybe this is what our

opposition should have been doing all year to raise awareness and teach Politics, Rights, Duties and the people think with the mind and heart and not just for the thrill, the Navel and belly.

Big hug my dears. I'm still investigating, researching and collecting responses to the absurdity that was yesterday.

Note: If I disappear, short seek directly to those who are monitoring me and blocked my facebook pages, tried to break into my Hotmail and sent thousands of messages to my phone in tones of menace. Seriously, I'm not kidding. This is not democracy is Dictatorship, my friends, and I am feeling threatened me, but I keep being firm opposition to all this. For the sake of my family I beg you to help me in case it happens, seek justice, Federal Police, Attorney, Supreme Court, my family, parents, relatives, all living in (city name), finally, do not forget me because I have not forgotten and do not forget you, keep believing and fighting for us (and in deep pain, tears and suffering) and I just fall into the reality that the PT is what most of Brazil Really Wants Possession after January 2015. Thereafter the work is political and not educational and research because the Federal Police, the senate, Congress, All are aware of the complaints, if there is no punishment crime in Brazil will offset more and then we are lost.

Please do not forget that it is for our children, families and all the values that have guided our lives we sacrifice more important things than a simple e-mail and a hand to a colleague. Do not forget to follow me because Censorship has begun.

## CIA killed candidate, says USA journalist: Brazilian Candidate Dead in Plane Crash

Died Eduardo Campos, candidate to presidency and strong supporter of the Jewish community in Brazil and to the communist ex-president Lula. Eduardo was competing for president against Aécio Neves and against the Jewess Dilma Rousseff. Most of his electors were against Dilma so they more than probably will vote for Aécio, probably finishing the 10 years government of the communist party known as "Workers Party".

American journalist Wayne Madsen said Brazilian Presidential Candidate, Eduardo Campos, recently dead in a plane crash, was killed by the CIA (which is controlled by Jews, and share all info the get with the Mossad). Also note President Dilma Rousseff, who is a Jewess, took part in many murders and torture during the attempt of communist revolution in Brazil, and her workers party is openly a communist party. This time the Jews killed their own puppet, after he left the core party and gone to another one, competing against Lula/Dilma's 10 years government.

\*But note the journalist is deluded (or purposely lying) that Dilma's government is "against" Obama, and the murder of Campos by CIA is somehow against Israel, and so that Dilma is a progressist in Latin america and against Israel. The point is the investigation on the CIA which is Jewish and Israeli owned.

Brazilian Presidential Candidate Eduardo Campos Likely Dead in Plane Crash

Shirley Li

A private jet reportedly carrying Brazilian presidential candidate Eduardo Campos crashed Wednesday in the city of Santos, a member of Campos' political party said.

Brazil's Globo News has reported Campos has died, though the site did not say how the information was obtained. Friends and colleagues told the BBC they are "very worried" as they have not made contact with Campos since the crash. The Jornal de Hoje reported bad weather in the region, and that the plane also carried Campos' wife and son.

The tweet below translates to "Brazilian presidential candidate Eduardo Campos dies after plane crash in Santos."

Witnesses said smoke is billowing from the crash site in a residential area of Santos. A police spokeswoman told the Agence France Presse there were "fatalities but we still do not have a number confirmed." Firefighters told the BBC there were 10 "victims" but have not determined whether they're injured or dead.

Guilherme Zeinum, a resident near Santos, told Brazilian news site G1 what he saw of the crash. "I heard a loud noise, followed by an explosion. I went to the window and I could just see black smoke," he said. "I heard a noise like a turbine. It took a little while, about 10 minutes before I heard sirens heading towards the site."

According to an Air Force statement, the plane lost contact with air traffic control while preparing to land. The Cessna 560XL plane had taken off from Rio de Janeiro's domestic airport and was heading to the city of Guarujá, near Santos.

Campos' running mate, Marina Silva, was not on board the plane, a source inside the political party told Reuters.

Campos had been running for president for the Brazilian Socialist Party, with the election due to take place in October. He had formerly been a governor of the northeastern state of Pernambuco as well as the minister of science and technology under former President Luiz Inacio Lula de Silva, and is one of three forerunners, with current polls putting him third behind both incumbent Dilma Rousseff and Aécio Neves, of the Brazilian Social Democracy Party.

Immediately following news of the crash, stocks in Brazil plunged. The country's stock market had been rallying up 26 percent since the year's lowest figures in March, as analysts speculated Rousseff would be defeated in the upcoming election. With a defeat, the new government would reduce intervention in state-owned companies.

"If Campos doesn't run, all the polls we've seen so far become worthless," Rogerio Freitas, a partner at hedge fund Teorica Investimentos, told Bloomberg. "Elections are the main driver for the market now, but without Campos, uncertainty increases. And market will only find a direction once new polls become available."

The 49-year-old Campos had run on a business-friendly leftist platform, and had been a former ally to Rousseff before gunning for the presidency himself. In a November interview with *The Economist*, Campos spoke of his political goals:

Good management depends heavily on new politics. Distributing bits of wealth in complicity with political forces that are behind the times will never lead to good management of public resources. It will always lead to a lack of money that will be plugged by dipping into taxpayers' pockets or company coffers.

All Factors Point to CIA Aerially Assassinating Brazilian Presidential Candidate

By Wayne Madsen

The plane crash that killed Brazilian presidential candidate Eduardo Campos, who was running in second place behind incumbent President Dilma Rousseff, has

severely harmed Rousseff's chances for re-election. Campos's successor on the ticket, former Green Party leader Marina Silva, a George Soros puppet, now stands a very good chance of unseating Rousseff in an expected run-off election. Rousseff's defeat would signal a victory for the Obama administration's covert activities to eliminate from the scene progressive presidents throughout Latin America.

A review of post-World War II history reveals that of all the many ways intelligence services have used to eliminate political and economic threats, murder by plane crash rank in second place, just ahead of automobile accidents and poisoning, and only behind the use of firearms and munitions, as the Central Intelligence Agency's favorite modus operandi for political assassination.

The aerial assassinations of United Nations Secretary General Dag Hammarskjold, Rwandan President Juvenal Habyarimana, Burundian President Cyprien Ntaryamira, Portuguese Prime Minister Francisco Sá Carneiro, Pakistani President Muhammad Zia Ul-Haq, prospective Indian Prime Minister Sanjay Gandhi, American United Auto Workers' Union President Walter Reuther, former Texas Senator John Tower, and Minnesota Senator Paul Wellstone all bore the markings of the involvement of one or more U.S. intelligence agencies in putting ends to political careers that threatened the underpinnings of Imperial America.

Latin America, in particular, has been plagued by plane crashes that have killed two leaders who were determined to pull away from American political influence, President Jaime Roldos Aguilera of Ecuador and President Omar Torrijos of Panama. Both leaders died in 1981, with Roldos dying just a few months before Torrijos. John Perkins, the author of «Confessions of an Economic Hitman» and a former member of the U.S. intelligence community, fingered the United States in both plane crash assassinations.

This background of U.S. involvement in aerial assassinations makes the August 13 crash of the Cessna 560XLS Citation aircraft in Santos, Brazil, which killed pro-business Brazilian Socialist Party presidential candidate Campos, his aides, and the crew, all that more suspicious. The timing of the crash, during an election campaign that had favored an easy victory for Rousseff, has raised significant questions among Brazilian investigators and the general public.

Since its introduction in 1996, the Cessna 560XLS Citation model has enjoyed a perfect safety record. The sudden death of Campos upended the Brazilian presidential election campaign in a manner that may benefit the United States and the Central Intelligence Agency's long-range agenda for Latin America.

Disturbing questions are being raised about the ownership of the aircraft bearing the tail number PR-AFA. The plane's murky record of owners and registration, along with the lack of cockpit voice recordings thanks to an apparent malfunction in the plane's cockpit voice recorder, has a number of Brazilians wondering whether the plane was sabotaged by the United States. Rather than having the recording of the conversations of Campos's flight crew, the recorder only had the voice recordings from a previous flight.

The plane was flying en route from Rio de Janeiro-Santos Dumont Airport to Guarujá when it crashed in a residential area of Santos.

The plane was operated by AF Andrade Enterprises and Holdings, which is based in Ribeirão Preto in São Paulo state, but leased from Cessna Finance Export Corporation, a division of Textron, a major U.S. defense and intelligence contractor. Cessna is a division of Textron. The malfunctioning cockpit voice recorder was manufactured by another U.S. defense and intelligence contractor, L-3 Communications. AF Andrade's business is centered on its ownership of a distillery. A spokesman for AF Andrade said the \$9 million aircraft had not been recently inspected but stressed that it had a perfect maintenance record.

However, the spokesman for AF Andrade could not specifically state who owned the aircraft but admitted that it, but likely only the lease, was up for sale and had recently been purchased by a group of «factory owners and importers» from Pernambuco. Campos was a former governor of Pernambuco.

The purchasers turned out to be a consortium that included Bandeirantes Tires, Ltd. The tire company said that negotiations on transferring ownership were ongoing when the plane crashed and that Cessna Finance Export Corporation had not yet approved the final leasing rights. Brazilian observers believe the Cessna that crashed was a «ghost plane», with murky ownership in order to cover up the plane's use for covert operations involving the CIA. Similar planes with spotty ownership and registration records were used by the CIA to rendition kidnapped Muslims for interrogation and imprisonment at American «black sites» around the world.

The U.S. National Transportation Safety Board (NTSB) sent a team to Brazil to investigate the plane crash. However, if the NTSB's performance on such crashes as TWA 800 and American Airlines 587 is any indication, the agency only excels at cover-ups of criminal actions.

Campos was replaced on the ticket by Silva, who is a darling of the Soros-financed and directed globalization and «civil society» movement. Silva, who is a pro-Israeli adherent of the Assemblies of God Pentecostal church, is much more pro-

business and pro-American than Rousseff of the left-leaning Brazilian Workers' Party. Recently, Rousseff, along with her fellow BRICS leaders from Russia, India, China, and South Africa, created a new development bank that challenges the supremacy of the U.S.-run World Bank. The creation of the bank infuriated Washington and Wall Street.

Silva, who may be enjoying more than a mere sympathy vote, recently gained in polls against Rousseff. The Brazilian president is seen by Washington as an adversary, especially after details were leaked by Edward Snowden of massive National Security Agency surveillance of the Brazilian president.

If Rousseff were forced into a run-off with Silva as either first or second-place finisher in the first round, Aécio Neves, of the conservative Social Democratic Party has stated he would endorse Silva if he comes in third. The political arithmetic could then spell trouble for Rousseff, who would have likely glided to victory had it not been for Silva's advancement to the head of the Socialist Party ticket. Silva's vice presidential running mate is Beto Albuquerque, whose «civil society» credentials in consumer and human rights protection indicates a Soros «upbringing».

The current polls for the October 5 first round is Rousseff with 36% of the vote, Silva with 21%, and Neves with 20%. However, with Neves out of the race in the scheduled October 26 second round, some polls show Silva beating Rousseff 47% to 43% while others show Silva defeating Rousseff by a staggering 9%. Of course, opinion polls are no longer independent but corporate and Western intelligence agency contrivances used to sway public opinion and engage in the «predictive programming» of entire populations.

The favorable outcome for Silva as a result of the possible aerial assassination of Campos and his aides has many suspicious about the CIA's role in the plane crash, especially after CIA fingerprints were discovered on presidential aerial assassinations of Torrijos and Roldos in 1981. Just this past February, the presidential helicopter normally used by Ecuadorian president Rafael Correa, a strong opponent of Washington's policies and an ally of Rousseff, crashed in the mountains on a flight from Guayaquil to Quito. Correa's personal pilot was killed in the crash. Correa, who was addressing a campaign rally at the time of the crash, stressed that he was not scheduled to be on the flight of the Indian-made Dhruv helicopter. However, the suspicion of CIA sabotage could not be suppressed among the Ecuadorian population.

Silva is being touted as Brazil's «Third Way» candidate. Third Way is an international movement that has been used by corporate politicians, many of them financed by Soros, to infiltrate and take over historically pro-labor, socialist,

and progressive parties. The Third Ways' most notable politicians include Bill Clinton, Tony Blair, Germany's Gerhard Schroeder, Canada's Justin Trudeau, French President Francois Hollande, French Prime Minister Manuel Valls, Italy's Prime Minister Matteo Renzi and former Prime Minister Romeo Prodi, Portugal's Jose Socrates, Israel's Ehud Barak, and officials of the Brazilian Socialist, Green, and Social Democratic parties, including Silva, Neves, the late Eduardo Campos, and former President Fernando Henrique Cardoso. However, when it becomes advantageous to assassinate one Third Wayer in order to promote another, there is no problem to eliminate someone like Campos in order to make way for a more popular (and controlled) politician like Silva, especially when the interests of Israel and Wall Street are at stake.

The Cessna carrying Portuguese Prime Minister Sá Carneiro, which crashed while the prime minister was flying to a re-election rally in Porto, destroyed the leftist Democratic Alliance's future prospects because the two Sá Carneiro loyalists who succeeded him lacked his charisma. Eventually, Mario Soares, a Third Way and pro-NATO «socialist-in-name-only», a «SINO», became prime minister and ushered Portugal down the path of «Third Way» subservience to a united Europe and globalization. The ambassador to Portugal at the time of Sá Carneiro's death was CIA officer Frank Carlucci, whose fingerprints were on the 1961 assassination of former Prime Minister Patrice Lumumba in the Congo. Carlucci became deputy director of the CIA, and National Security Adviser and Defense Secretary under President Ronald Reagan. Carlucci is also the chairman emeritus of the CIA-connected Carlyle Group. The suspicious death of Campos in Brazil appears to be a carbon copy of the CIA's quick dispatch of Sá Carneiro, with Rousseff the ultimate target of the action and Silva and her globalist backers as the beneficiaries.

Another Suspicious Plane Crash in Latin America Bolsters American and Globalist Interests

By Wayne Madsen

Brazil's scheduled October presidential election was seen as a virtual cake walk for incumbent President Dilma Rousseff. That was until a plane crash killed Rousseff's rather lackluster opponent, economist and former governor of Pernambuco, Eduardo Campos. On August 13, it was reported that the plane carrying Campos, a Brazilian pro-business centrist presidential candidate who was running third behind the more conservative Social Democratic Party candidate Aécio Neves, an economist and champion of austerity, crashed into a residential

area of Santos in Sao Paulo state, Brazil. Campos was the candidate of the formerly leftist but now «pro-business» Brazilian Socialist Party. As with the British, Australian, and New Zealand Labor Parties, the Canadian Liberal and New Democratic Parties, and the U.S. Democratic Party, corporate and Zionist interests infiltrated the Brazilian Socialist Party and largely transformed it into a «Third Way» pro-business party fraudulently retaining the use of the «socialist» designation.

It is clear that since disclosures of U.S. National Security Agency spying on the e-mail and phones of incumbent Brazilian Workers' Party President Dilma Rousseff and her ministers, Rousseff's resultant cancellation of a state visit to Washington, and Brazil's hosting of Russian President Vladimir Putin and other BRICS economic bloc leaders at a recent summit in Fortaleza, the United States has been trying to destabilize Brazil. The State Department and the CIA have been looking for weak links in Rousseff's Brazil to create the same conditions of instability they have fomented in other countries in Latin America, including Venezuela, Ecuador, Argentina (through a national credit default engineered by Zionist vulture capitalist Paul Singer), and Bolivia. However, Rousseff, who antagonized Washington by announcing, along with other BRICS leaders in Fortaleza, the establishment of a BRICS development bank to compete with the U.S.- and European Union-controlled World Bank, looked unbeatable for re-election. That certainly was the case until August 13 when Campos and four of his campaign advisers, along with the pilot and co-pilot, were killed in the crash of the Cessna 560XL, killing all on board.

The crash advanced to the head of the Socialist Party presidential ticket Campos's vice presidential running mate, Marina Silva. In 2010, Silva received a surprising 20 percent of the vote for president as the Green Party candidate. Rather than run as the Green candidate this year, Silva opted to join Campos's pro-business ticket. Silva is now seen as the Socialist Party's best chance to defeat Rousseff for president in the October election. Silva, an evangelical Christian in a largely Roman Catholic country, is also seen as close to the global «civil society» infrastructure of «controlled opposition» groups financed by hedge fund master manipulator George Soros. As a leader of Brazil's Amazon rain forest protection efforts, Silva has been lauded by environmental groups funded by Soros's Open Society Institute. Silva's campaign rhetoric is rife with such Soros code phrases as «sustainable society», «knowledge society,» and «diversity».

Silva marched with the Brazilian team at the opening ceremonies of the 2012 Olympics in London. Brazilian Sports Minister Aldo Rebelo said that Silva's participation in the Olympics was approved by the British royal family and that she «always had good relations with the European aristocracy».

Silva is also more moderate than Rouseff on Israel's policies toward Palestine. As an Assemblies of God Pentecostal Christian, Silva is a member of a denomination that provides core membership for the worldwide movement of «Christian Zionists» who are as avidly as pro-Israel as such Zionist Jewish organizations as B'nai B'rith and the World Jewish Congress.

The Assemblies of God believe the following about Israel:

«According to Scripture, Israel has an important role to play in the end-times. For centuries Bible scholars pondered over the prophecy of a restored Israel. 'This is what the Sovereign Lord says: I will take the Israelites out of the nations where they have gone. I will gather them from all around and bring them back into their own land.' When the modern nation of Israel was founded in 1948, and Jews began returning from all around the world, Bible scholars knew that God was at work and that we were very likely living in the last days».

In 1996, Silva was awarded the Goldman Environmental Prize, which was established by Goldman Insurance Company founder Richard Goldman and his wife Rhoda Goldman, an heir to the Levi Strauss clothing company fortune. In 2010, Silva was named by Foreign Policy magazine, edited by David Rothkopf, a former managing director of Kissinger Associates, to its list of «top global thinkers».

The full details of the cause of Campos's plane crash may never be known. Assisting in the investigation of the crash is the U.S. National Transportation Safety Board (NTSB) and the Federal Aviation Administration. NTSB and FAA investigators will assuredly be in-briefed and out-briefed by CIA officials stationed in Brasilia who will be eager to have a conclusion of «tragic accident» stamped on the final crash report.

The CIA has managed to cover up its involvement in other Latin American aircraft crashes that have eliminated opponents of U.S. imperialism in Latin America. On July 31, 1981, Panamanian President Omar Torrijos was killed when his Panamanian Air Force plane crashed near Penonomé, Panama. After George H. W. Bush's invasion of Panama in 1989, the Panamanian plane crash investigation documents held by the Panamanian government of General Manuel Noriega were reportedly seized by American military personnel and they disappeared.

Two months before Torrijos was killed, Ecuadorian President Jaime Roldos, a populist leader who stood up to the United States, was killed when his Super King Air plane, operated as a VIP aircraft by the Ecuadorian Air Force, crashed into Huairapungo Mountain in Loja Province. The plane also carried the First Lady of Ecuador and the Defense Minister and his wife. They were all killed in the crash.

The plane lacked a Flight Data Recorder, also known as a «black box.» The Zurich, Switzerland police conducted their own investigation that discovered the official Ecuadorian government investigation was seriously flawed. For example, the Ecuadorian government report on the crash failed to mention that the plane's engines were disabled before the aircraft plowed into the side of the mountain.

As with Roldos's plane, Campos's Cessna did not have a flight data recorder. Moreover, the Brazilian Air Force announced that two hours of audio from the cockpit voice recorder on board Campos's Cessna do not reflect the conversations between the pilot, co-pilot, and ground control on August 13. The cockpit voice recorder on board the ill-fated Cessna 560XL was manufactured by L-3 Communications, Inc. of New York City. L-3 is a major U.S. intelligence contractor that provides the National Security Agency with much of its undersea cable tapping capabilities through an NSA agreement with L-3's Global Crossing subsidiary.

Although Brazilian presidential hopeful Campos was no enemy of the United States, his suspicious death a few months before the presidential election and replacement with a darling of the George Soros infrastructure, now poses an electoral threat to Rousseff, who is most definitely considered an enemy by Washington. The U.S. and Soros have been looking for various ways to penetrate and disrupt the BRICS nations. The Soros/CIA attempt to advance Chinese Politburo member Bo Xilai into the Chinese presidency collapsed when he and his wife were arrested and jailed for corruption. With Russia and South Africa off-limits for any similar intrigue, India and Brazil are the focus for CIA and Soros disruption of BRICS. Although Narendra Modi's right-wing government in India is new, the early signs for BRICS disruption are encouraging. For example, India's Foreign Minister, Sushma Swaraj, as an outspoken and committed ally of Israel. Brazil under Rousseff is seen by the CIA and Soros as the best opportunity to insert one of their own, in this case, Marina Silva, into the leadership of a BRICS nation in order to exact a «Trojan horse» attack on the increasingly important economic bloc.

The plane crash that killed Eduardo Campos helped advance a George Soros-funded operative closer to the Alvorada presidential palace in Brasilia.

## Communism in Latin America and the Military “Dictatorships”

“If it is the will of the Brazilian people, I will promote the Opening Policy in Brazil. But there will come a time when the people will feel nostalgia for the military “dictatorship”. For many of those who lead the so called “end” of the dictatorship are not seeking the good of the people but their own interests.”

– Ernesto Geisel

Part of the article below is true, but there was a real Communist threat in Brazil as well as in other Latin American countries, as really happened in Cuba and almost in Argentina. The communist terrorist Jewess and current president Dilma frauded the elections and already tried with her criminal gang called today workers party, to give a communist take over in the military regime times.

As noted by brother Katson here: [Comunismo no Brasil e na América Latina](#)

In the last 19 years, Brazil has to be ruled by communists who want to employ a communist dictatorship in Latin America along with the São Paulo Forum, they want the implementation of what they call “Patria Grande” (Great Homeland), the Socialist Republics of Latin America, URSAL, the last three presidents of the Republic, Fernando Henrique Cardoso, PSDB (Social Democratic Party), Luis Inacio Lula da Silva and Dilma Rousseff, who are of the same communist Party, PT (“Workers” Party), are all of Jewish descent. This project is already going to its ends, it was confirmed by the conclave of Washington that the presidential elections last year were rigged by the Cuban intelligence organ in partnership with the company of the electronic polls, the Venezuelan Smartmatic. The PT is proposing a constituent to create a new communist constitution in Brazil for the take over.

Translated from metapedia:

[http://pt.metapedia.org/wiki/Regime militar no Brasil](http://pt.metapedia.org/wiki/Regime_militar_no_Brasil)

The military regime in Brazil was an anti-communist puppet government installed by the CIA in Brazil during the Cold War, which had as its objectives to govern Brazil in accordance with the interests of the United States and weaken potential new competitors powers to US (Jewish) imperialism, which at the time already rivaled the Soviet Union. After Cuba became communist in 1959 (before it was a

banana republic exploited by the American Jews) the US invented a supposed “communist threat” in the early 60s in Brazil to pressure the Brazilian military to run with President João Goulart (Jango) elected democratically, investing money in advertising in the media to alarm the public. The military fearing a possible US invasion (which was possible at the time) and knowing that the Brazilian armed forces had not the slightest possibility of offering resistance, gave a military take over (called by them counter-take) in 1964.

The regime in Brazil was a model for other military regimes installed by the US in Latin America and Europe (Greece). In the late 1970s however, the schemes began to distance from the US and to govern for the national interest. During the government of Ernesto Geisel (1975-1979), Brazil retired from the US and Israel and has established partnerships with eastern European countries and China. Argentina claimed the Falklands and Pinochet’s Chile also became nationalist. For the US this time it was necessary to remove these regimes installed by themselves, creating insatistafação among the population and making this go ask streets “democracy.” The defeat of Argentina in the Falklands War was decisiva to the collapse of the military regimes.

Democracies, elected (in compulsory elections) by an ignorant proletariat, helped to further weaken their countries, since almost all the money is wasted to support the corrupt political machine while almost nothing is invested in infrastructure and in the military.

With the increase in disorder and violence in Brazil, reappeared nostalgic supporters of the military regime for a time when there was public safety. Yet it should be noted that Brazil was relatively safe even before the military regime, since the population at the time was less urban, simpler and religiously devout. (My note, less marxized and marginalized than today).

[Death, Soul and Body, and Spiritual Advancement](#)

Postby [HP. Hoodedcobra666](#) » Sat Aug 18, 2018 9:22 pm

I hear frequently that the Soul is superior to the body. This argument on it's own was created by Christianity. From the same Christian pastors and Priests, who, irrespective of their claims of the "Holy Spirit of Da Lawd" being superior to the "Sword", of course, holocausted materially all Pagan people they could, raped babies for centuries in huge numbers for their perverted meat between their cripplly looking legs, and filled their huge tummies with all the world's gluttony combined, just to make sure to go to the 'next life' that they sought so greatly, being overweight even during times where there was general famine on the planet.

These people also created the division between body and soul, or material and spiritual, to make the populace dumb to their materialistic plots and criminal mafia, that instead of cocaine, deals 'muh jesu krist' through the brand of a jew that is the drug dealer, Rabbi jesu, as a domain of the general gang of thieves, the jews, who usurp the wealth and very life of all nations on earth. This is just like a mafia that points on irrelevant causes whenever they are caught about their crimes.

The first understanding of the division between material and spiritual, was created by the above criminals and swine. This divided man and destroyed him essentially.

There is no point in comparing your eyeball to your hand in terms of usefulness, you need both. Both are important, and you need both.

The fact that you can survive a danger by sacrificing your hand (Ie, one can die physically and salvage their soul) or that if one can pluck their eye to save their hand, is fully irrelevant to the importance and function for both. As in one case one remains blind, and in the other, amputated or disabled. Both of which are disastrous situations.

The body is actually a sanctuary for the Soul not just a mere cloth. Many people also say that the Soul can persist after death. This is only true insofar people meditate and advance, in which case, the soul is made more important than the thin astral air it is otherwise. And this due to work. For many people out there, this is not the case.

The Gods have compassion and help as much as they can, as spiritually superior beings, but still, they do this because naturally, the soul withers away. The Egyptians called it "The Second Death", a death which is final, and one from which, one is legit dead and dissolves back to the ether. This is not the mortal death, but the spiritual death that comes when one is spiritually ignorant and never works on their soul.

Indeed, many people say, "but after I die, I am still alive as a soul". Another place where the importance of the body is highlighted is at birth. One is generated and comes into the world from a process that is simply miraculous. And starts existing. The only things one knows as a baby is actually the material things necessary for survival. And it's this material existence that largely defines us. Not entirely, but largely.

Many people do ignore the material existence because they like to pretend Disney and whatever in their own mind, and keep themselves lied about their own situations, or for other

reasons. This is mostly done in places where people have the freedom to like, theorize about bullshit because they have become spoiled brats who proclaim large words about 'spirituality' all the time, such as 'all humans are just soul', 'I am a soul just in a body, and body doesn't matter', 'race doesn't matter, one love' etc.

Ironically this spoil-bratted-ness doesn't come from being 'spiritually advanced' or knowledgeable, but because of over-delving in the material realm of the 21st century, of drugs, of deception, and of many movies, and thinking they are spiritually because they shitted themselves once in a DMT trip.

But the truth is plain and simple, the material realm is equal of importance, same as the material body, to the spiritual existence. If one observed nature and meditated, one would not have any of these illusions about life. One needs to observe the existence of other animals too.

The material realm is also the setting stone, ironically, for the spiritual realm. One understands the need for spirituality through friction of this very material world. It's by no coincidence many of you here have had friction with the material world to come here. Many people come here asking how to do a death spell, how to get rich, and how all sorts of other things. There are also cases where people fed up with their materialism reaching huge levels, do seek higher meaning. But man seeks spirit from friction with the material.

It's when one is confronted with these unsolvable riddles that one starts to consider if they have higher powers than the ordinary.

If I said the body is superior, it would be valid logically. But it's invalid when it comes to REALITY AS A WHOLE, of course, and everyone here knows this. But notice the jewish fallacy here is to always divide the realms and judge them individually for no reason. Spiritual and Material are mirrors of one another.

With the enemy, and their curses, and their damnation of the human soul, the two were divided into two alien elements to one another. The enemy is the author of this doctrine and I do not have to advocate for it, and say plastering words about the soul being so superior etc. So people like us naturally sided with the spiritual side, because we understand it's value and lack from this world and ourselves, while the cattle has sided on the material side.

But in a world that was normal (this is the world we are creating) neither of these levels have to be neglected, compared negatively, and be put in any opposition. We have to do our best to merge these in our understanding.

The body is important because it's the house and manifestor of spiritual essences in a meaningful way. The body is not some mere shell, it's a vital organ of the Soul, without which, the soul withers and dies away after a time.

But if we are also to say that the soul is superior, that would also be valid, because equally, the lack of a soul, withers away the body, robs the vitality, and kills a person. Notice many people in civilization are aware of this, they internally feel dead, and this is the case, they \*ARE\* dead and fully spiritually drained.

This is like saying "Is the brain or the heart more important?". This is the same scientific fallacy that is being done all the time. All vital organs are equally interesting, in their own ways. And if one removes the heart or the brain permanently, or damage them, they are done equally.

A person can exist with zero access to their soul, and that is how many people exist out there. They have a soul, but it's nowhere really. They live basically on a sealed and feeble, almost dead, spiritual body. This proves that beings can, and this is tragic, do exist without any awareness of their soul, or even 'need' of their soul. They cannot exist fully without it, but they can exist in a state that is soulless.

In the Ancient Egyptian texts, it says that humanity will lose it's sight and 3rd eye if the generations continue to decay. The Wadjet Eye of the Egyptians is literally the shape of a sliced human brain. In where, there is the Pineal Gland. They literally tell you where this third eye is too, they do not pretend it's some spiritual bullshit. Plus, if this gland was to go extinct from Humans, we would lose our faculties spiritually, in the same way one that loses their vocal chords loses the ability to speak. From there on, it's a matter of time to forget speaking.

The "We were souls" crowd, keeps reiterating how important it is that we are a 'soul'. If this is the superior thing then why doesn't the same crowd cut their heads off, but rather, lives a very pseudo-spiritual life, full of materialism, greed and usury? Or just material denial that is fully unrelated to spirituality?

As for those that say that "We were body", why do these people so frivolously deny the existence of a higher spiritual matter, eventhough it's proven there are dimensions above the observable one? This is also proven by how many people on the planet just grovel about religion all the time. Cats, dogs, and other creature do not build shrines, nor they contemplate anything directly spiritual. Humans do. Of course this can be turned to pointless superstition, but still, like the need to drink water proves we need it, the same is proven by the need of 'religion'. Man needs this, at least, to exist, in a form in their life. But its not more important than biological needs for the striking majority of people.

Everyone can be an animal, shit, eat, sleep, and breathe air. But not many people can engage in spiritual practice or become spiritual beings. If one enforced the stopping of meditation, only those who were already spiritual would revolt. Those who were not would not understand the loss. But if you impose restriction of food and water, then people immediately wake up and revolt to this fact. While humans exist here, the only sensible understanding generated by the two eyes is this very material world we live in. This is undeniable. Yet this doesn't disprove man's spiritual nature or anything, but it should show the importance of this world.

The jew is the lord of hiding to people, like a deceiver, what is of this world, and what of the spiritual world.

Clearly both people are tied into the same jewish dualism and hegelian confusion.

Satan has always been called the God of this World. "This World" is the material realm, and what is the material realm, is just the sum of the higher realms. Satan has been credited as being the source of sexual energy, procreation, food and beverage, and everything living and natural, in the form of the Goat, which was Pan in Ancient Greece, and then was villified in the

thing with the hoofs that came out of a jew's turded brain to villify Pan who was actually indeed glorious.

This is why PAN means "EVERYTHING", and GOD PAN means "GOD OF EVERYTHING" in Ancient Greek. Pan also means "MOST HIGH", above all. And is the lord of nature.

Pan is the riddle of doing all the physical things, but he is also the king of the spiritual Gods. Simply because Pan is like the natural forces, which govern all other Gods, above and below. From this also came that Satan leads all the Demons, which is real, but was terraformed later. Satan, or Truth, does indeed, rule the Demons, or the Natural forces. Satya or Truth is the truth of existence.

Satan and the Gods have physical bodies and they know the woes we are undergoing in this eternal rotar, as advanced lifeforms, that cannot really fully advance. So they gave us the Magnum Opus, the internal alchemical arts, or simply put, spirituality. Spirituality builds on top of the fact we are human, and the natural laws (physical and spiritual) that govern us.

"Spiritual advancement" is the sum of the advancement in the material body (Hatha, Pranayama, Kundalini Yoga, physical exercise, setting the joints straight), the mental body (thought, self awareness, knowledge), the intermediate level (Chakras, who are both on the soul and glands on the material body and centers of soul), and on the spiritual (The auric field, the consciousness, projection of the soul, handling the invisible energies).

The finalizing of this process is where one is able to save themselves spiritually (not die in the astral) but the last level of this is saving the material body, since it's bonded with the, after practice, immortal soul. The jewish egregore Jehovah gets scared shitless at first when humans (Goyim Gentiles) eat from the Tree of Knowledge (just knowing about spirituality) but for the fact that humans may also eat from the other Tree of Life (Magnum Opus) on which, they will turn back and destroy the alien hive hiding behind this 'religion'.

Until this process is complete the Gods salvage us and send us back, where we continue from where we left of. And they can do this because they are extremely advanced in all levels, but because they are also physical and understand the vanity pit that we are into with going all the way round and round. If they were only 'spiritual', they would have not given us the Magnum Opus, nor the Internet to find info faster, nor would they have instructed to create civilizations like Egypt and other spiritual civilizations to keep the knowledge alive, and so forth.

Ironically, it's through the 'material prison' that one finds their freedom. And the Gods want us to better ourselves, become great, and break this material prison imposed by the jews so that people cannot find the truth.

Many people do not understand what this statement really means. In the internal Alchemy, the major understandings of a spiritual nature do not only come from the 'heavens' but also, observation of the earth. These eternal truths are all around us, and especially in nature as well. Spiritual revelation cannot come unless one has a very solid understanding of the physical realm.

The earth is equally important as the heavens.

The rules of natural decay, for example, are around us. We see beings get born and dying. We may even witness our own death throughout lives, and then understand, that we may be more than this, but essentially, we are not more than the animal world.

Which leads people to the only sensible conclusion, as given by the Gods, to spiritually advance.

Spiritual Satanism is essentially a war against death, decay, decadence, meaninglessness, and corruption. This is also why we fight the enemy as part of this general war of man to advance and survive.

Re: Death, Soul and Body, and Spiritual Advancement

That is literally the point of Buddhism. The Buddhist regime removed all spiritual knowledge from the population even executing whole mass of ancient Hindu's to do this. And people still pretend this is a spiritual program.

**Hoodedcobra666 wrote:**The Egyptians called it "The Second Death", a death which is final, and one from which, one is legit dead and dissolves back to the ether. This is not the mortal death, but the spiritual death that comes when one is spiritually ignorant and never works on their soul.

# The So-Called Nanking Massacre was a Fabrication

## The Japanese Military in Nanking (Nanjing) was Humane

By [Arimasa Kubo](#)

The alleged massacre, which was said to have been committed by the Japanese Military in Nanking, China, did not take place. Those who committed atrocities were Chinese soldiers.

### What is the Alleged Nanking Massacre?

The alleged Nanking Massacre, commonly known as the Rape of Nanking, is the name of a genocidal war crime said to have been committed by the Japanese military in the city of Nanking, the then capital of the Republic of China, after it fell to the Imperial Japanese Army on December 13, 1937. There is a dispute about whether it really occurred or not.

Massacre affirmationists claim that during the occupation of Nanking, the Japanese army committed numerous atrocities such as rape, looting, arson and the execution of prisoners of war and civilians. They say that the Japanese massacred about 300,000 Chinese people in Nanking during the six weeks after the Japanese occupation of the city. On the outer wall of the Nanking Massacre Memorial Museum in China is written "300,000" as the number of the massacre victims. Many Chinese children visit there every year to be planted anti-Japanese feeling in their hearts.

Massacre denialists claim that newspapers, photos, documentary films, records and testimonies in those days all tell the **Nanking Massacre of 300,000 people, a large-scale massacre or even a small-scale massacre, did not take place. According to denialists, the so-called Nanking Massacre was a fabrication and false propaganda** spread by Chinese Nationalists and Communists for their political purpose.

Today, we have numerous reliable pieces of evidence showing that the massacre did not actually occur. Firstly, I will give a brief explanation of what actually occurred in Nanking, and then, show the details.

### What Actually Occurred in Nanking

In 1937, to end the China Incident, the Japanese military advanced on China and fought against Chiang Kai-shek's Chinese military in Nanking. During the battle, every civilian who remained in the city took refuge in the Safety Zone, which was specially set up within the walls of Nanking. The Japanese military did not attack it, and no civilian was killed.

Until the time of the Japanese occupation of Nanking, the Chinese military had committed numerous bad deeds such as plunder and rape among citizens. The citizens who had abhorred them welcomed the entry of the Japanese military into Nanking, giving cheers and rejoicing (see the picture at the top of this page).

Just before the Japanese occupation, the population of the city was about 200,000. **One month after the occupation, many Chinese citizens came back to Nanking learning that peace had returned, and the population increased to about 250,000.** Newspapers in those days had numerous photos of Chinese citizens who had come back to Nanking and lived peacefully, buying, selling and smiling with Japanese soldiers.

In the battle of Nanking, many **Chinese soldiers discarded their military uniforms** to run away, killed Chinese civilians to take off civilian clothes, and hid themselves among Nanking citizens. Some Westerners remaining in Nanking sheltered Chinese military officers secretly, breaking the agreement with the Japanese military to be neutral. **Many of the Chinese soldiers** not only hid weapons to prepare urban warfare, but also **raped Chinese women and put it on an act of Japanese soldiers for anti-Japanese maneuvering purpose.** The Japanese military found out these illegitimate soldiers, and there were those who were executed by the Japanese military; however, these executions were recognized as legitimate under international law.

It is also a fact that there were around ten or several tens cases of small crimes such as plunder and rape committed by Japanese soldiers in Nanking. However, these were similar to the crimes which soldiers of other countries also committed in occupied territories, and the Japanese criminals were strictly punished.

There were such things, but the Japanese military did not massacre anyone in Nanking. **The Japanese military rather did many humane aid activities to Nanking citizens and POWs.** There was no single Chinese citizen who starved to death under the Japanese occupation. Seeing these Japanese activities and being moved by them, there were even Chinese POWs who later joined Wang Jingwei's pro-Japanese government.

Those who committed atrocities were Chinese soldiers. Many Chinese soldiers discarded their military uniforms and chose to hide themselves among Nanking citizens. Since they couldn't be naked, they killed civilians to take off their civilian clothes. Espy, the American vice-consul at Nanking, and others witnessed these scenes. **Those who massacred Chinese people were Chinese soldiers.**

The Chinese military in those days was rather a crowd of robbers, than to be called a disciplined military. They plundered Chinese villages of foods, raped women and burnt the villages. **Civilians who were killed in and around Nanking were mostly killed by the Chinese military.** There are many testimonies about it. The Chinese government has been putting these Chinese soldiers' atrocities on an act of the Japanese military to establish the government authority over Chinese people.

The following are the details.

\*\*\*\*\*

## ***Evidence that the Japanese Military Did Not Massacre***

### **Return of the Populace**

**The population of Nanking** just before the Japanese occupation was about **200,000**.

About a week before the Japanese attack on Nanking, on November 28, 1937, the head of the Police Department of Nanking, Mr. Wan, announced at a press conference for foreigners, "About 200,000 people still live here in Nanking." Five days after the Japanese occupation, on December 18, 1937, the International Committee for the Nanking Safety Zone, which was a group of Westerners remaining in Nanking, announced that the population of the city was about 200,000. Later, on December 21, the Foreigners Association in Nanking referred to 200,000 as the population of Nanking.

### **How could the Japanese kill 300,000 citizens in a city that held only 200,000 people?**

One month after the Japanese occupation, many **Nanking citizens who had escaped the city came back to Nanking**, learning that peace had returned, and the population increased to about 250,000. There is a record that the Japanese troops distributed food to that number of citizens. On January 14, 1938, about one month after the Japanese occupation, the International Committee announced that the **population of Nanking had increased to about 250,000**.

The Japanese military had published [Good Citizen Certificate](#) to Nanking citizens from the end of December 1937 to January 1938 to distinguish them from Chinese soldiers hiding in Nanking in civilian clothing. The total number of the certificates reached about 160,000, although this figure does not include children under the age of ten and old people above the age of sixty. Professor Lewis Smythe, who was in Nanking as a member of the International Committee for the Nanking Safety Zone, wrote in his letter to Tokuyasu Fukuda, a probationary diplomat of the Japanese Embassy in Nanking, that according to this figure, the population of Nanking was about 250,000-270,000.

Many Nanking citizens thus came back to the city, and the population increased. Would the citizens have come back to a city in which there had been a massacre?

### **Press Reports**

On the day when the Japanese troops entered Nanking, more than 100 press reporters and photographers entered together with them. The press corps were not only from Japan, but also from European and American press organizations, including Reuters and AP. However, none of the press corps reported the occurrence of a massacre of 300,000 people. Paramount News (American newsreels) made films reporting the Japanese occupation in Nanking, but **did not report the occurrence of a massacre**.

The British newspaper *North China Daily News*, which was published in China in English on December 24, 1937, eleven days after the Japanese occupation of Nanking, carried a photo taken in Nanking by their photographer. The photo was entitled "Japanese distribute gifts in Nanking." In the photo are Japanese soldiers distributing gifts, and Chinese adults

and children receiving the gifts and rejoicing. Is this the scene of a massacre?

### **Radio Addresses**

The Chinese leader **Chiang Kai-shek**, who had escaped from Nanking just before the attack by the Japanese military, broadcasted radio addresses hundreds of times to the Chinese people until the end of the Pacific War. **He never mentioned the Nanking Massacre** even once. This is very unnatural—if the mass slaughter really occurred.

### **Newspaper Photos**

At the time of the Japanese occupation of Nanking, a major Japanese newspaper, *Asahi Shimbun*, published many photos of Nanking. Five days after the occupation the newspaper reported on the **peaceful scenes of Nanking**. In one of the photos, Japanese soldiers are buying something from a Chinese without carrying their guns. In another photo, Chinese farmers who returned to Nanking are cultivating their fields. In others, a crowd of Chinese citizens are returning to Nanking carrying bags, and Chinese adults and children wearing armbands of the flag of Japan are standing around a street barbershop and smiling.

The *Asahi Shimbun* also reported scenes of Nanking eight days after the occupation in an article entitled, "**Kindnesses to Yesterday's Enemy**." In one of the photos, Chinese soldiers are receiving medical treatment from Japanese army surgeons. In another, Chinese soldiers are receiving food from a Japanese soldier. In other photos, Japanese soldiers are buying goods at a Chinese shop, a Japanese officer is talking with a Chinese leader across a table, and Chinese citizens are shown relaxing. Are these the scenes of a massacre? Articles from other dates are similar, reporting that peaceful Chinese living returned to Nanking. Many Chinese civilians came back to the city; farmers began to cultivate their fields and merchants began to do business again. How can we say there was a massacre in the city?

The sources of these photos are very clear. They can be seen at the National Diet Library of Japan. We cannot deny that they were taken in Nanking just after the Japanese occupation.

### **The Japanese Military Did Not Attack Civilians**

Before the battle of Nanking, the commander General Iwane Matsui ordered the Japanese army to be very careful not to kill any civilians.

During the battle, every civilian took refuge in the Nanking Safety Zone, which was specially set up to protect all the civilians of Nanking. The Japanese army knew that many Chinese soldiers were also in the Zone; nevertheless, the army did not attack it, and there were no civilian victims, except for several who were accidentally killed or injured by stray shells.

This Nanking Safety Zone was managed by the International Committee for the Nanking Safety Zone, which was a group of professors, doctors, missionaries and businessmen from Europe and the USA. They did not leave Nanking before the beginning of the battle, but chose to remain in the city. The leader of the Committee was John Rabe, and after the Japanese occupation, he handed a **letter of thanks** to the commander of the Japanese army. The following is an excerpt from his letter of thanks:

December 14, 1937

*Dear commander of the Japanese army in Nanking,*

***We appreciate that the artillerymen of your army did not attack the Safety Zone. We hope to contact you to make a plan to protect the general Chinese citizens who are staying in the Safety Zone. We will be pleased to cooperate with you in any way to protect the general citizens in this city.***

--Chairman of the Nanking International Committee, John H. D. Rabe--"

If the Japanese military wanted to massacre every Nanking citizen, it would have been very easily done if they only bombarded the Nanking Safety Zone, because it was a narrow area and all civilians gathered there. The Japanese military did not attack it, but rather protected all the people of the Zone.

The reason why the Japanese military attacked Nanking was similar to the reason why the American and the allied militaries once attacked Baghdad of Iraq at the Gulf War in 1991. The alliance wanted to get rid of the Iraqi dictator who was doing bad things to neighboring countries. Similarly, Japan wanted to get rid of Chiang Kai-shek's dictatorship which was giving torments to many Chinese people and also to Japan. General Matsui's purpose of the war was not to take the land, but to save Chinese civilians from his dictatorship and from the Chinese civil war, killing among the Chinese themselves. Japan wanted to establish in China a strong Chinese government not of communists, not of Western powers, but of the Chinese people who were willing to build in cooperation with Japan [the great Asia](#) which would not be invaded by communists or exploited by Westerners. It was impossible for such Japanese military to kill Chinese civilians.

Traditionally in Japan, Samurai warriors lived inside walls of castle, and inhabitants like farmers and merchants lived outside the walls. Civilian cities were not walled. War was a fight only among warriors, and they never killed civilians. If a Samurai killed innocent civilian either in his land or enemy's land, the Samurai's lord blamed him as against the Samurai spirit, and punished him. While, in China, inhabitants like farmers and merchants lived inside a walled city, and in wars the inhabitants inside were often all slaughtered along with warriors. In Chinese chronicles, we often read such massacres. The Chinese language has the word which writes slaughtering castle and means slaughtering all people within the city. It was a Chinese culture. The Japanese never had such a culture. Nanking was a walled capital city, and the idea of massacring all inhabitants was Chinese, not Japanese.

### **Total Number of Buried Bodies**

After the battle of Nanking, the Japanese military entrusted the burial of the war dead to

the Chinese.

The International Military Tribunal for the Far East (Tokyo Trial) used the burial records of about **40,000 bodies by the Red Swastika Society**, a Chinese voluntary association in Nanking, as evidence of killings of the Japanese military. The Tribunal also used the burial records of 112,267 bodies by the Chung Shan Tang (Tsun Shan Tong), a 140-year-old charitable organization. The combined total was about 155,000.

However, concerning the Chung Shan Tang, none of the documents which were written by members of the International Committee in Nanking or the Japanese authorities in Nanking mentioned that the Tsun Shan Tang was engaged in the burial work. Kenichi Ara, a researcher of modern history, showed evidence in an article of the *Sankei Shimbun* newspaper that the Chung Shan Tang's burial report of 112,267 bodies had been entirely forged and that they had actually buried no bodies. The Chung Shan Tang's report was a false one added after the war to amplify the number of burials.

It was a fact that the Red Swastika Society engaged in the burial work. They buried almost all the war dead in Nanking, and according to the Society, the burials reached about 40,000. This is far from 300,000. In addition, these 40,000 were killed in battle, not in a massacre, because among the bodies were **almost no corpses of women and children**. This means that the Japanese military did not massacre civilians. I will mention the details later.

### **Denial of Massacre in Testimonies**

Shudo Higashinakano, a professor at Asia University in Tokyo, published a compilation of the testimonies of Japanese soldiers who had participated in the Nanking operation in his book entitled, *The Truth of the Nanking Operation in 1937*. In these testimonies, no Japanese soldiers testified that there had been a massacre. For instance, Colonel Omigaku Mori stated, "**I have never heard or seen any massacre in Nanking.**"

Kenichi Ara, a researcher of modern history, published a compilation of the testimonies of Japanese press reporters, soldiers and diplomats who had experienced Nanking during the Japanese campaign. In these testimonies, also, no one testified that there had been a massacre of civilians. Yoshio Kanazawa, a photographer from the *Tokyo Nichinichi Shimbun* newspaper, testified, "I entered Nanking with the Japanese army and walked around in the city at random every day, but **I have never seen any massacre nor heard it** from soldiers or my colleagues. It is impossible for me to say that there was a massacre. Of course, I saw many corpses, but they were those killed in battle."

Tokuyasu Fukuda, who was in Nanking as a Japanese diplomat, testified, "It is a fact that there were crimes and bad aspects of the Japanese military, but **there was absolutely no massacre** of 200,000-300,000, or even 1,000 people. Every citizen was watching us. If we had done such a thing (massacre), it would be a terrible problem. Absolutely it is a lie, false propaganda."

Kannosuke Mitoma, a press reporter of the *Fukuoka Nichinichi Shimbun* newspaper, worked as the head of the Nanking branch office at the time of the Japanese occupation. In those days his daughter attended the Japanese elementary school in Nanking (from the first grade to the fifth). She testified, "**I used to play with neighboring Chinese children in Nanking, but I have never heard even a rumor of the massacre.**"

### **Humane Activities and Fellowship in Nanking**

A chief of infantrymen testified, "We defeated the enemy and saw thousands of them dead on the ground of Nanking. But finding a Chinese soldier still alive, our captain gave him water and medicine. The Chinese soldier folded his hands and said "Xie xie" (Thank you) with tears welled up in his eyes. In this way, **our infantry company saved 30-40 Chinese soldiers and let them go home.** Among them were many who cooperated with us and worked for us. When they had to part from us, they were reluctant to leave, shed tears and then went home."

A sergeant major of infantrymen testified, "On the way to Nanking, I was ordered to stand as a guard having a rifle one night when I noticed a young Chinese lady in Chinese dress walking toward me. She said in fluent Japanese, 'You are a Japanese soldier, aren't you.' And she continued, 'I ran away from Shanghai; other people were killed or got separated and I thought it would be dangerous for me to be near the Chinese military, so I've come here.'" "Where did you learn Japanese?" said I, and she said, "I graduated from a school in Nagasaki, Japan, and later, worked for a Japanese bookstore in Shanghai." We checked but there was nothing suspicious on her. And since we did not have any translator, **we decided to hire her as a translator.** She was also very good at cooking, knowing Japanese taste, and turned on all her charm for all of us, so we made much of her. She sometimes sang Japanese songs for us, and her jokes made us laugh. She was the only woman in the military unit but made our hard march pleasant. Before the beginning of our attack to the city of Nanking, the commander made her return to Shanghai."

A first lieutenant testified, "When we had just entered the Nanking Safety Zone, every woman was dressed in rags with her face and all her skin dirtied with Chinese ink, oil or mud to appear as ugly as possible. But after **they got to know that the Japanese soldiers were strictly maintaining military discipline,** their black faces turned to natural skin, and their dirty clothes turned to fine ones. Soon, I became to come across beautiful ladies in the streets."

Another soldier testified, "When I was washing my face in a hospital in Nanking, a Chinese man came to me and said, "Good morning, soldier," in fluent Japanese. He continued, "I was in Osaka for 18 years." I asked him to become a translator for the Japanese army. He later went to his family, came back and said, "I told my family, 'The Japanese army have come. So, you are now all safe.'" **He cooperated faithfully with the Japanese army for 15 months until we reached Hankou.**" If there had been a massacre of civilians in Nanking, it would have been impossible for the Chinese man to work for the Japanese.

Naofuku Mikuni, a press reporter, testified, "Nanking citizens were generally cheerful and friendly to the Japanese just after the fall of Nanking, and also in August 1938 when I came back to Nanking." He points out that if the Japanese crime rate was very high, such cheerfulness would not have been seen in the city.

Not only these Japanese persons, but also **James McCallum**, who was in Nanking as an American medical doctor, wrote in his diary on December 31, 1937, "Today I saw crowds of people flocking across Chung Shan [Zhongshan] Road out of the Zone. They came back later carrying rice which was being **distributed by the Japanese** from the Executive Yuan Examination Yuan."

McCallum also wrote, "**I must report a good deed done by some Japanese.** Recently several very nice Japanese have visited the hospital. We told them of our lack of food supplies for the patients. Today they brought in 100 shing [jin (equivalent to six kilograms)] of beans along with some beef. We have had no meat at the hospital for a month and these gifts were mighty welcome. They asked what else we would like to have."

Are these the scenes of a city in brutal massacre?

### **Chinese Soldiers Discarded Military Uniforms**

Mochitsura Hashimoto, a Japanese soldier who fought in the battle of Nanking near the Yangtze River, testified, "Though the Chinese soldiers carried their rifles or machine-guns, none of them were in regular military uniform." Other veterans testified, "None of them showed signs of surrender." Therefore, the Japanese army had to continue to attack them, and many of the Chinese soldiers were shot or drowned in the river. However, pictures of these **dead soldiers in civilian clothing**—who had been killed in battle—were later used in the Western world as "evidence of the massacre of civilians."

Many of the Chinese soldiers in Nanking discarded their military uniforms, and became "illegitimate" combatants. F. Tillman Durdin, an American News correspondent, wrote in his article in the *New York Times* on December 22, 1937, "**I witnessed wholesale undressing of a [Chinese] army....** Many men shed their uniforms.... Others ran into alleys to transform themselves into civilians. Some soldiers disrobed completely and then robbed civilians of their garments." Durdin also wrote that Chinese soldiers who reached the Yangtze River tried to escape using junks, but "many were drowned in periods of panic at the riverbank."

Japanese veterans testify that, when they entered Nanking, they saw throughout the city piles of Chinese military uniforms that had been taken off and abandoned on the ground.

Among the Chinese soldiers who discarded uniforms, those who ran away from the battle fields were killed by the Japanese military, or by a "**Chinese supervisory unit**"—Chinese soldiers who were ordered to kill any of their fellow soldiers trying to flee from the battlefield. The US military and the Japanese military do not have such a unit, but Chinese soldiers trying to escape from battle field were killed by the supervisory unit who was

waiting behind. These killed ones did not wear military uniforms, but they were actually soldiers.

There were also Chinese soldiers who discarded military uniforms and killed Chinese civilians to obtain civilian clothing and to hide themselves among citizens. James Espy, the American vice-consul at Nanking, reported to the American Embassy at Hankow concerning conditions before the fall of Nanking, writing, "During the last few days **some violations of people and property were undoubtedly committed by them [Chinese soldiers]. Chinese soldiers** in their mad rush to discard their military uniforms and put on civilian clothes, in a number of incidents, **killed civilians to obtain their clothing.**"

The Chinese military was basically a scratched-together army of hooligans, having no military discipline or concept of international law. They were the same as bandits. They did not protect Chinese civilians, but rather plundered of them, set fire to houses, raped women and killed civilians. They did these things also in Nanking, as we will see the details later.

### **Incorrect Reports of Civilian Casualties**

One of the sources of the Nanking Massacre story was the description of Miner S. Bates, who was in Nanking as a member of the International Committee for the Nanking Safety Zone and later was a key witness of the Tokyo Trial. He wrote on January 25, 1938,

"Evidence from burials indicates that close to forty thousand unarmed persons were killed within and near the walls of Nanking, of whom some 30 percent had never been soldiers."

Firstly, it is noteworthy that Bates never mentioned 300,000 or several hundred thousand victims. Not only he, but also any other people in those days did not mention such a large number. 300,000 was the figure amplified after the war as a political propaganda. Bates wrote 40,000. Secondly, Bates wrote that these 40,000 victims were unarmed persons, and some 30 percent (12,000 persons) were civilians. These words would give people the impression that they were killed by the Japanese military. Was the description correct?

No, it was incorrect and tricky. "Evidence from burials, which Bates referred to, was the burial list of the Red Swastika Society, a Chinese group, who buried almost all of the war dead under the request of the Japanese military. According to the list, they buried close to 40,000 bodies. This was the total number of all who were killed in Nanking, except Japanese soldiers. Most of the bodies were of armed Chinese soldiers, not "unarmed persons."

Bates estimated that some 30 percent out of the 40,000 had been civilians. However, Professor Tadao Takemoto (Tsukuba University) and Professor Yasuo Ohara (Kokugakuin University) point out that the "evidence from burials" of the Red Swastika Society **in fact contains only 0.3% of women and children.**

The burial list has the distinction of sex and rough age. If the Japanese military killed many civilians, the percentage of women and children must have been very high, yet it was actually almost none. In addition, these burial records include burials that were carried out not only of the period of the Japanese Nanking campaign, but also of some period after the campaign. If the "evidence" is limited to only burials during the campaign, the number of women and children among the burials would become **less than 0.3 %**. This shows a clear contradiction to the thought that the Japanese military massacred civilians.

We must also note that many Chinese civilians, who were male and adult, were killed by the Chinese soldiers who discarded military uniforms and tried to obtain civilian clothing, as in above-mentioned report of Espy. Thousands out of the 40,000 bodies must have been such civilian adult men killed by these Chinese soldiers. Even the women and children as 0.3 % out of the 40,000 could have been the victims of these Chinese soldiers.

### **Chinese Soldiers Killed Civilians**

It is a question why Espy testified that there were civilians killed by Chinese soldiers, while Bates did not mention any such things. Bates rather declared that the Japanese military was responsible for all of these, not mentioning or hiding facts about these Chinese assailants. It turned out after the war that **Bates had been an adviser to the Chinese Nationalist Party**. He was after the war decorated by Chiang Kai-shek, the head of the Party, for his "contribution."

Bates was a cooperator to the strategy of the Chinese Nationalist Party. The Party's strategy was to do anything to convey the news of a miserable state of China and atrocities of the Japanese to the world for dragging the United States into the war against Japan. Professor Higashinakano claims that Bates' report was made in accordance with this strategy to deceive the United States.

As for the civilian victims to have been far from 300,000 or 40,000, we have the **war damage investigation** made by Professor Lewis S. C. Smythe, who was in Nanking as a sociology professor. It was the only scholarly on-the-spot investigation in those days, which we can considerably trust. According to him, the total number of **civilian victims** (killed or missing) in the urban area of Nanking was **6,600**. I will mention the details later.

Not only this is very far from 300,000 or 40,000, but also this is the figure not specifying who the assailants were. This figure in fact included **many civilians killed by the Chinese military**. The Chinese military in Nanking took away civilian young men from the Safety Zone and made them soldiers or do hard work. Chinese soldiers also killed many civilian male adults to take civilian clothes and run away from the battlefield. Most of these 6,600 civilian victims were the victims by the Chinese military, not the Japanese.

This is why the China Year Book 1938-1939 removed the reference to "massacre" and only recorded the accusation of Bates. In fact, when an officer from the Embassy of the United States in Tokyo visited Nanking in April 1938, four months after the Japanese occupation, to hear from Bates detailed information about the Japanese occupation, he did

not say one word about the massacre. Bates could not tell about the massacre to the man who actually saw the peaceful scenes of Nanking.

### **Bates' Testimony: True or False?**

Miner Bates testified in the Tokyo Trial after World War II that he had seen many civilian dead bodies lying about everywhere in his neighborhood for many days in Nanking after its fall. It was one of the sources of the Nanking Massacre myth.

Did he tell a fact? According to the Japanese newspaper *Tokyo Nichinichi Shimbun* on December 26, 1937, which reports when correspondents Wakaume and Murakami visited Professor Bates at his official university residence on December 15, two days after the fall of Nanking, Bates welcomed them in a good humor, shook hands with them and said, "I am so happy that the orderly Japanese military entered Nanking and peace has been restored to the city." The correspondents did not see in his neighborhood the "...many civilian dead bodies lying about everywhere," which Bates testified to have seen.

Yuji Maeda, a Domei Tsushin correspondent who spent days in the Nanking Safety Zone like Bates did, denies that there were massacred bodies as follows: "Those who claim that a massacre took place in Nanking assert that most of the victims were women and children. However, these supposed victims were, without exception, in the Safety Zone and protected by the Japanese Security Headquarters. The Nanking Bureau of my former employer, Domei Tsushin, was situated inside the Safety Zone. Four days after the occupation, all of us moved to the Bureau, which served both as our lodgings and workplace. Shops had already reopened, and **life had returned to normal**. We were privy to anything and everything that happened in the Safety Zone. **No massacre** claiming tens of thousands, or thousands, or even hundreds of victims could have taken place there without our knowing about it, so I can state with certitude that none occurred. Chinese soldiers were executed, some perhaps cruelly, but those executions were acts of war and must be judged from that perspective. There were no mass murders of non-combatants." (*World and Japan* magazine issued by Naigai News Agency, #413, April 5, 1984)

Not only these correspondents, but also Japanese veterans and other press reporters testify that they did not see any massacred civilians in Nanking. Correspondent Kondo of the *Asahi Shimbun* newspaper testified about his experience in Nanking, "There was a fierce battle at the Guanghua Gate. I saw corpses of both Chinese and Japanese soldiers there, but I did not see any civilian corpses."

Jiro Nimura, a *Mainichi Shimbun* photographer, testified, "I climbed up a wall of Nanking and entered the city with the 47th regiment. Inside the walls I saw only a few dead bodies." And Isamu Tanida, a staff officer of the 10th Army, testified, "On December 14, the city was already quiet and I heard no shots there. In the afternoon I walked around in the city taking some pictures, when I saw a few corpses of Chinese soldiers only."

A veteran of the 7th Regiment, which was assigned to sweep the Safety Zone, testified that

the regimental command had been, "**Don't kill citizens. Don't dishonor the army,**" and they had followed this command. He testifies, "Absolutely there was no massacre." Thus, nobody saw the alleged massacred civilians inside the Safety Zone, as well as outside it.

The information given by Bates on the massacre of civilians was not what he witnessed, but an incorrect estimation, or what he heard from the Chinese officers whom the members of the International Committee had sheltered. There is no name of Bates in the "witness" section of any Committee murder case reports. Bates' report on Japanese atrocities is written all in a hearsay style. In addition, he could not prove the massacre of civilians when he was required to show proof by Consul John M. Allison.

### **Information Source of Durdin's Report**

Miner Bates was an information source for the press also. On December 18, 1937, the American correspondent F. Tillman Durdin wrote in the *New York Times*, "all the alleys and streets were filled with civilian bodies, including women and children."

However, this article was not what Durdin himself witnessed, for Durdin wrote, "Foreigners who toured the city and saw that all the alleys and streets were..." Durdin thus wrote what he had heard. Who were the "foreigners"? They were Rabe, Bates, and other International Committee members; however, no one in Nanking actually saw such civilian corpses in alleys and streets. So didn't Durdin.

Durdin in fact wrote this article based on what he had heard from Bates, for Bates drove Durdin to the harbor on December 15 to see him off, and Durdin got on board a ship and left Nanking at 2:00 p.m. Bates later wrote in a letter of April 12, 1938, that **he had given a memo about the incidents of Nanking to Durdin** and other correspondents on December 15. Durdin's article was written according to this memo that Bates handed him. Bates was a source of false information on the alleged massacre of civilians in Nanking.

In 1938, the book entitled *What War Means* written by H.J. Timperley was published. Timperley, who was not in Nanking, but in Shanghai, wrote in the book sensationally about the massacre of Nanking civilians. This book is famous for having given a strong influence to the US public opinions. The information source was also Bates, for Timperley wrote so in the book. Bates, as an adviser to the Chinese Nationalist Party, was thus eager to drag the United States into their war against Japan by telling how bad Japan was. Concerning the strategy of the Chinese Nationalist Party, American journalist Theodore H. White, who had been an adviser to the Chinese Nationalist propaganda bureau, confessed:

"It was considered necessary to **lie to it [the United States], to deceive it, to do anything to persuade America.** . . . That was the only strategy of the Chinese government. . . ." (*In Search of History: A Personal Adventure*)

### **Chinese Soldiers Killed by Chinese Supervisory Units**

The American correspondent F. Tillman Durdin reported in the *New York Times* that he had witnessed on December 15 a lot of bodies of dead Chinese soldiers forming a small mound six feet high at the Nanking Yijiang gate in the north.

Concerning this mound of Chinese dead,

Professor Tokushi Kasahara interviewed Durdin on August 14, 1987. Durdin stated that **the mound had been formed before the Japanese military reached there**, and that the Chinese soldiers had not been killed by the Japanese military. He said, "The bodies were Chinese soldiers who tried to escape.... I think that the mound of bodies had been formed before the Japanese military occupied there. In that area there was no combat of the Japanese military."

According to Professor Higashinakano, the bodies witnessed by Durdin had been **killed by the Chinese supervisory unit** that had been waiting behind to kill Chinese soldiers trying to escape from the battlefield. The American or Japanese military never have such a unit, but the Chinese military always had such a unit to kill their fellow soldiers.

Professor Bunyu Ko at Takushoku University in Tokyo estimated that throughout the Sino-Japanese war the victims killed by such Chinese supervisory units had been more than those killed by the Japanese military.

In Nanking also, there were many Chinese soldiers who were killed by the Chinese supervisory unit, not by the Japanese military. The casualties that Miner Bates and other Committee members mentioned included such victims.

### **Only Legitimate Executions**

When the defeat of the Chinese military became definite in the battle of Nanking, Chinese soldiers had three choices. The first was to surrender, and those who surrendered were taken as POWs (prisoners of war). The second was to escape from Nanking. Those who ran away were killed either by the Japanese military or the Chinese supervisory unit. The third was to hide, wearing civilian clothes, in the Safety Zone which had been specially set up inside the walls of Nanking for civilians. Every Nanking citizen was taking refuge in the Safety Zone, and many of the Chinese soldiers took this choice and hid themselves in the Zone.

After the fall of Nanking, **the Japanese military did a mop-up operation to find those Chinese soldiers hiding in the Zone**. Those who were caught and found hiding weapons were executed. They were considered to have been preparing a street fighting or guerilla activities. According to Professor Higashinakano, the Japanese military executed several thousand such dangerous Chinese soldiers. Some scenes of this execution were witnessed by both Western and Japanese press reporters.

The question is whether or not the executions by the Japanese military were legally justifiable. Legitimate combatants who have become POWs are under the protection of international conventions, which govern their treatment. They are immune from capital punishment unless they violate laws or regulations. The killing of such POWs without

legitimate cause would indeed constitute an unlawful massacre. However, **the Chinese soldiers who were arrested in the Safety Zone were not entitled to the privileges of POWs** because they did not meet any of the four qualifications of belligerents as stipulated in the Hague convention of 1907. These four qualifications are:

1. To be commanded by a person responsible for his subordinates
2. To have a fixed distinctive emblem recognizable at a distance
3. To carry arms openly
4. To conduct their operations in accordance with the laws and customs of war

Those who did not satisfy these qualifications were deemed to be illegitimate combatants and were not eligible for protection under international law. This principle was upheld in the 1949 Geneva Convention on the treatment of POWs. The execution of such illegitimate combatants was customarily practiced in each country, and the execution was thought to be legitimate. Unfortunately, the Chinese soldiers did not have the wit to follow this international law. Massacredenialists thus claim that the execution of the Chinese soldiers, who were in civilian clothing and hiding weapons, was legitimate.

The Japanese military executed these Chinese soldiers; however, the Japanese military did not execute all the captured Chinese soldiers. They **employed many of them as a labor force, and they numbered about 10,000 by the end of February 1938. Some of them were registered as civilians.**

### **POWs Not Executed**

Massacre affirmationists often refer to the division commander Kesago Nakajima's diary, in which is written that Nakajima "thought about disposing 7,000-8,000 prisoners of war at Xianho Gate" according to the military policy, "Accept no prisoners." However, it was only a plan. There are in fact records showing that the 7,000-8,000 POWs about whom Nakajima wrote were not killed but sent to the concentration camp in Nanking. It is also known that Kesago Nakajima was later removed from his post because he had been found appropriating the equipment of the residence of Chiang Kai-shek in Nanking for his own use.

**The records also show that the concentration camp received about 10,000 POWs in total, including the prisoners sent by Nakajima.** Many of the 10,000 POWs were later **released**, hired as coolies or sent to the concentration camp in Shanghai. Nearly 2000 of them became soldiers for Jingwei Wang's pro-Japanese government. One of these was Qixiong Liu, who had been hiding in the Nanking Safety Zone, was caught as a POW and used as a coolie for a while. Later he became the commander of a brigade for Wang's pro-Japanese government.

Many Japanese soldiers testify that "Accept no prisoners" always meant "**Unarm them and let them go home.**" They actually did so when there was no need to send them to a concentration camp. Staff officer Onishi said, "They could go home walking. There never was any military order or divisional order to kill POWs."

Japanese Lieutenant General Yasuji Okamura once wrote his surmise based on what he had heard from his staff officers in Shanghai. "It is true that tens of thousands of acts of violence, such as looting and rape, took place against civilians during the assault on Nanking.... (and) front-line troops indulged in the evil practice of executing POWs on the pretext of (lacking) rations."

This description is also often referred to by massacre affirmationists; however, Okamura was not in Nanking and his surmise was based on a report he heard in Shanghai. Since the Westerners of the International Committee, who were in Nanking, reported only 450 cases of atrocities such as looting, rape and murder committed by the Japanese military, Okamura's surmise of "tens of thousands of acts of violence" was clearly based on an incorrect rumor.

It is a fact, as Okamura wrote, that some officers thought to execute POWs on the pretext of lacking rations; however, the POWs were not executed after all.

### **Nobody in Nanking Witnessed 300,000 Victims**

Reverend John Magee, who was in Nanking before and during its Japanese occupation for years, filmed scenes of Nanking, and the film is often referred to in relation to the alleged Japanese atrocities. However, Magee's film shows **no scenes of clearly massacred victims**. The captions are alleged atrocities of the Japanese, but the movie has no scenes of Japanese soldiers executing POWs, no scenes of thousands of dead bodies—in fact, the movie shows mostly scenes of living people.

John Magee also wrote about some alleged Japanese atrocities; however, most of those were hearsay. So was the famous horrible incident in the following.

"On December 13, about 30 soldiers came to a Chinese house at #5 Hsing Lu Koo in the southeastern part of Nanking, and demanded entrance. The door was opened by the landlord, a Mohammedan named Ha. They killed him immediately with a revolver and also Mrs. Ha, who knelt before them after Ha's death, begging them not to kill anyone else. Mrs. Ha asked them why they killed her husband and they shot her dead. Mrs. Hsia was dragged out from under a table in the guest hall where she had tried to hide with her 1-year-old baby. After being stripped and raped by one or more men, she was bayoneted in the chest, and then had a bottle thrust into her vagina. The baby was killed with a bayonet. Some soldiers then went to the next room, where Mrs. Hsia's parents, aged 76 and 74, and her two daughters aged 16 and 14 were. They were about to rape the girls when the grandmother tried to protect them. The soldiers killed her with a revolver. The grandfather grasped the body of his wife and was killed. The two girls were then stripped, the elder being raped by 2-3 men, and the younger by 3. The older girl was stabbed afterwards and a cane was rammed in her vagina. The younger girl was bayoneted also but was spared the horrible treatment that had been meted out to her sister and mother. The soldiers then bayoneted another sister of between 7-8, who was also in the room. The last murders in the

house were of Ha's two children, aged 4 and 2 respectively. The older was bayoneted and the younger split down through the head with a sword. "

Magee heard about this crime from the 7-8 year old girl who had been bayoneted but survived and told this whole story two weeks after the crime. Magee wrote that he had recorded this story, adding some "corrections" to what the girl told him with the help of her relatives and neighbors. Magee thought that these "soldiers" had been Japanese; however, **they could not be Japanese, but Chinese.**

Magee wrote that this had happened on December 13, but on December 8 every citizen had been already forced to move to the Safety Zone by the Chinese army, and was inside the Zone. The family in the story was outside the Zone, and it was most dangerous and highly unlikely that they were outside it on December 13 when the Japanese military entered the city. It is thus very likely that **the crime was actually committed before December 8 or 13 by Chinese soldiers.** In addition, the practice of thrusting items into females vaginas was typically Chinese. Such a practice often appears in Chinese chronicles. The Japanese never had such a custom.

The murder case witnessed by Magee himself was, as he testified in the Tokyo Trial, **only one**: a Japanese soldier shooting a Chinese who had begun to run away when questioned about his name and identity by the Japanese soldier. The Japanese soldier was searching Chinese soldiers in mufti (ordinary clothes), and such a killing is recognized as legitimate under international law. In other words, **Magee did not see 300,000 or even 40,000-60,000 massacred victims in his all days in Nanking.**

According to Magee, the cases which he himself witnessed other than the above-mentioned killing were only one rape and one robbery. The rest were all hearsay. The alleged rape he witnessed was that he had seen a Japanese soldier coming toward a man's wife; however, Magee did not actually see a rape. The Japanese soldier might have come to question the woman or her husband. The alleged robbery was that Magee had seen a Japanese soldier coming out of a house with an icebox in his hands. In other words, **Magee did not personally see any horrible crimes committed by Japanese soldiers in Nanking.**

Nanking was not filled with Japanese atrocities.

### **Low Crime Rate of Japanese Soldiers**

It is a fact that Japanese soldiers committed a relatively small number of crimes in the city. On Dec. 18, 1937, five days after the fall of Nanking, the commander of the Japanese army, General Iwane Matsui, held with his whole army a memorial service to express condolences to both the Chinese and the Japanese war dead. In his speech he scolded his men for what he had heard about crimes of rape and looting committed by Japanese soldiers in the city. Matsui said:

"A group of soldiers dishonored our Imperial Army by performing outrageous conduct. What the hell have you done? What you did was unworthy of the Imperial Army. From now on, keep military discipline strictly and never treat innocent people cruelly. Remember it is the only way to console the war dead."

It is noteworthy that General Matsui never mentioned the occurrence of a massacre. Later, he testified in the Tokyo Trial on Nov. 24, 1947:

"After the fall of Nanking, some young officers and men committed atrocities, for which I deeply feel sorry. However, **I never heard or saw in Nanking a large scale massacre or atrocities** such as the ones the prosecution insists upon, and it was never reported when I was in Shanghai, either."

Thus, it is a fact that some crimes were committed by Japanese soldiers in Nanking. However, the crime rate was much lower than that of cities occupied by the Chinese or the Russians. One may say that the Japanese crimes in Nanking were in fact similar to the ones committed by soldiers of the American occupation forces in Japan after the US-Japan war. Japanese press reporters who were in Nanking testify, "Nanking citizens were cheerful." If the crime rate was very high, that could not have been possible.

Yasuto Nakayama, a staff officer of the Japanese army in Nanking, testified in the Tokyo Trial:

"I heard the alleged Nanking Massacre story for the first time after the war ended. I think we need to consider this in four parts. The first one is **massacre of civilians, which I believe never occurred**. The second one is massacre of POWs, which I believe never occurred, except the ones mistakenly told. The third one is infringement on foreign rights and interests as well as their property, which I think occurred in part, but it is not clear still today which committed it, the Japanese or the Chinese. And the fourth ones are rape to women and looting to citizens, which I think occurred on a small scale and I deeply feel sorry for them."

Hirotsugu Tsukamoto, a Japanese judicial officer who was in charge of punishment of the military criminals in Nanking, testified:

"After the entry into Nanking, unlawful acts were committed by Japanese soldiers and I remember having examined these cases. I think that there were **four or five officers involving in the above cases I disposed, but the rest were cases mostly sporadically committed by the rank-and-file**. The kinds of crimes were chiefly plunder and rape, while the cases of theft and injury were few. And to the best of my knowledge I remember that there happened few cases that resulted in death. I remember that there were a few murder cases, but have **no memory of having punished incendiaries or dealt with mass slaughter criminals**."

According to the testimony of this judicial officer, it seems that the crimes of Japanese soldiers in Nanking numbered around ten, several tens or so at the most. Of course, these Japanese criminals were strictly punished. This crime rate was relatively low, compared with the one of other countries' soldiers in occupied territories of World War II.

## Truth About the Alleged Atrocities of the Japanese

In February, 1938, the International Committee for the Nanking Safety Zone, which consisted of Westerners living in Nanking, forwarded to the Japanese Embassy a report of about 450 cases of crimes allegedly committed by Japanese soldiers in Nanking, such as murder, rape, and looting. This report is often referred to as showing Japanese atrocities. How can we think of this?

Most of these 450 cases were based on hearsay, with the exception of only a few cases that the Committee members themselves witnessed or directly confirmed. And even if these 450 cases were all true, **murder cases numbered only 49**, which are far different from 300,000, the alleged number of massacre victims. In other words, first of all we can say that this report proves a large-scale massacre did not take place in Nanking.

As for the 49 murder cases of the report, the ones which were witnessed by the Committee members themselves number only 2, which were both legitimate, such as killing when a Japanese military policeman found and shot a suspicious man who did not answer to his question and suddenly ran away. None of the Committee members in Nanking witnessed illegitimate murders.

As for rape cases, Professor Tadao Takemoto and Professor Yasuo Ohara point out:

"How many cases of rape (including attempted) were reported in the documents by the Safety Zone Committee? The total number was 361. Among them, there were only 61 cases which definitely clarified who witnessed the cases, or who heard and reported them. Among these cases, only seven cases were clarified to be crimes committed by Japanese soldiers, and were notified to the Japanese Army in order to disclose the fact and to capture the suspects.... Furthermore, as reported in the article in the Chicago Daily News dated February 9, 1938, the Japanese Army **investigated about the seven cases and severely punished the criminals**. The punishment was so severe that some complaints were expressed among the soldiers."

Tokuyasu Fukuda, who had been in Nanking as a probationary diplomat of the Japanese embassy, testified about the actual situation of this International Committee and their report of 450 cases, as follows:

"The nature of my duties required me to visit the office of the International Committee almost everyday. At the office, I **saw Chinese men come in one after another, saying**, 'Japanese soldiers are now raping 15-16 year old girls in such and such a place,' or 'Japanese soldiers are committing looting at a house of such and such a street,' etc.. Rev. Magee, Rev. Fitch and several others were typing these charges immediately to report to their countries. I warned them again and again, '**Wait, please. Do not report them without confirming**.' Occasionally, I hurried with them to the scene of the rape, looting, etc., but found nothing, nobody living there, and no trace of it; I experienced such cases often. I believe that Timperley's book *What War Means* (1938) was written based on such unconfirmed reports."

In those days, Japan was not at war against Western countries yet; however, many Westerners including those living in Nanking were basically hostile to Japan. The Westerners in Nanking were even sheltering Chinese military officers secretly, breaking their promise with the Japanese military, without knowing that the **Chinese men whom they were sheltering committed numerous crimes such as rape, looting and murder among Chinese civilians and then blamed the Japanese for their attacks.** I will mention the details later. The Westerners thus sent any information of alleged Japanese atrocities without confirming or any proof to stir up anti-Japanese feeling in Western countries.

### **Atrocities Committed by Chinese Soldiers**

Many Japanese veterans testify that those who committed "rape, looting, arson and murder" were not the Japanese military, but rather the Chinese military. A sergeant major testified, "We reached a Nanking suburb, where the troops of Chiang Kai-shek once had been. Hearing from the inhabitants, we got to know **the inhabitants had been plundered of all their food and household goods by the Chinese army,** who also had forced the village men work very hard. How poor the people of such a country are!"

Itaru Kajimura, a Japanese second lieutenant, wrote in his diary on January 15, 1938—when the battle of Nanking had already ended and his unit was stationed near Shanghai—that a nearby Chinese village had been attacked by 40-50 remnants of a Chinese defeated army. The village people had come and asked his unit for help. Kajimura and about 30 men hurried there with the village people, but it was after the enemy had already committed looting, rape, and murder in the village and gone. Kajimura wrote, "**Chinese civilians, who were attacked by Chinese soldiers, asking Japanese soldiers for help. What a contradiction!**This one thing shows what Chinese soldiers are." He also wrote that the village people had been "very reluctant" to part from the Japanese unit.

F. Tillman Durdin, an American news reporter who covered Nanking, wrote, "(From December 7 **the Chinese army) set fire to nearly every city, town, and village on the outskirts of the city (Nanking).** They burned down...entire villages...to cinders, at an estimated value of 20 to 30 million (1937) US dollars." Durdin also wrote that the damage from the fire was more than that from the Japanese air raid.

James Espy, the American vice-consul at Nanking, reported to the American Embassy at Hankow concerning conditions before the fall of Nanking, writing, "During the last few days **some violations of people and property were undoubtedly committed by them [Chinese soldiers]. Chinese soldiers** in their mad rush to discard their military uniforms and put on civilian clothes, in a number of incidents, **killed civilians to obtain their clothing.**"

Those civilians who were killed by such Chinese soldiers were many, and that the "civilian victims," whom Westerners in Nanking alleged the Japanese military had killed, in fact included such civilians.

Kannosuke Mitoma, a press reporter, testified, "After entering Nanking, I interviewed a Chinese husband and his wife who had been in the Nanking Safety Zone since before the Japanese occupation. They said, "**When Chinese soldiers were in the city, they came to refugees everyday to plunder** food, commodities and every cent of money. They took away young men for labor and young women to rape. They were the same as bandits. And in this Safety Zone there still are bad Chinese men."

General Matsui also testified, "There were quite a few atrocities committed by the Chinese in Nanking. If these were all attributed to the Japanese military, it would distort facts."

### **Anti-Japanese Maneuvers by Hiding Chinese Soldiers**

There were also crimes as anti-Japanese maneuvers committed by Chinese soldiers hiding in the Nanking Safety Zone. The January 4, 1938 issue of the *New York Times* reported about the rape and looting committed by Chinese soldiers hiding in Nanking:

"American professors remaining at Ginling College in Nanking...were seriously embarrassed to discover that they had been harboring a deserted Chinese Army colonel and six of his subordinate officers. The professors had, in fact, made the colonel second in authority at the refugee camp....**The ex-Chinese officers in the presence of Americans and other foreigners confessed looting in Nanking and also that one night they dragged girls from the refugee camp into the darkness and the next day blamed Japanese soldiers for the attacks.**"

The "American professors remaining at Ginling College" were Miner Searle Bates, Lewis S. C. Smythe, Minnie Vautrin and Robert O. Wilson, who were members of the International Committee for the Nanking Safety Zone. They were harboring the Chinese soldiers. The soldiers were conducting anti-Japanese maneuvers in the Zone. This was of course a violation of the agreement with the Japanese military, which ruled the neutrality of the Zone. The professors had been blaming the Japanese military for all the atrocities in Nanking until then; however, many of those atrocities had actually been committed by the Chinese soldiers they harbored.

The *China Press* also reported on January 25, 1938:

"Lieutenant General Ma, it is claimed, was active in instigating anti-Japanese disorders within the zone, which also sheltered Captain Huan An and 17 rifles, while the report states that **Wang Hsianglao and three former subordinates were engaged in looting, intimidating and raping.**"

These Chinese soldiers hiding in Nanking were many in number, as the *Tokyo Asahi Shimbun* newspaper reported on December 16, 1937, "The Imperial Army estimates that about 25,000 Chinese soldiers in mufti, wearing civilian clothes, are still hiding in the city of Nanking. The Army is making an effort to mop up the enemy remnants and to protect the aged and women." The *New York Times* reported the same thing on December 17th. Yoshinori Kobayashi wrote in his book that many of the **hiding Chinese soldiers had repeatedly committed rape, looting and other atrocities and made it look as if**

**they had been committed by Japanese soldiers or intimidated the victims into lying that the assailants were Japanese.**

The *Osaka Asahi Shimbun* newspaper on February 17, 1938, reported a group of hiding Chinese soldiers who had committed atrocities while speaking Japanese:

“A Chinese group, who had posed as Japanese and committed atrocities in Nanking, was arrested. (Domei Press, February 16) -- Since false reports that Japanese military officers and men committed atrocities in Nanking are getting about in foreign countries, military policemen in Nanking were trying to discover the source, and they have finally found it. The policemen **arrested a group of Chinese soldiers who had committed numerous atrocities such as looting and violence in refugee camps, posing as Japanese soldiers...** These are eleven Chinese soldiers who had once worked at a tailor shop in Seoul, Korea (in those days Korea was a part of Japan), **speaking fluent Japanese.** They made **counterfeit of Japanese translator's armband** and posed as Japanese. Having three strongholds for activities, they ran wild in refugee camps, evading pursuit of the Imperial Army. The damage due to their robberies was about 50,000 Yuan in total, and cases of violence were countless. **Innocent Chinese citizens believed and did not doubt that they were Japanese.** That was why the detection became late.”

#### **Atrocities Committed by Chinese Refugees**

There were also many atrocities committed by Chinese refugees in the Nanking Safety Zone. Guo Qi, who was the commander of a Chinese battalion and who had stayed hidden in the Italian Embassy, wrote about the reality of looting by Chinese refugees:

"Refugees, who were generally badly-off but courageous, hid themselves during the day and moved around during the night like so many rats. The night gave good opportunities for refugees to take action, since wild soldiers [Japanese soldiers] became inactive and only Japanese guards were posted to watch over the area where soldiers slept. The refugees went outside their area and ransacked large firms, shops, and houses of whatever they wanted. In those days, food was in store in food companies, daily provisions in consumer goods companies, and silk products at silk textile wholesalers. One day's work, therefore, enabled them to get everything, and anything they wanted became available and at their disposal."

#### **Confessions of Japanese Soldiers about their Atrocities?**

In 2002, *The Battle of Nanjing -- A Search of Sealed Memories* was published in Nanking. It consists of testimonies from 102 Japanese veterans who participated in the Sino-Japanese War, especially the battle of Nanking. The book was compiled by Tamaki Matsuoka, and the confessions include committing atrocities in Nanking, such as rape, robbery and murder. However, all the veterans' names are either anonymous or false. As a result, none of the veterans can be held accountable for the truth and accuracy of their testimonies. If the testimonies of these veterans are true, **it only means that they were war criminals who violated military discipline and evaded the scrutiny of the Japanese military police**, thereby managing to evade punishment. Moreover, none of

these testimonies mention a massacre in the hundreds of thousands.

Kozo Tadokoro, whose testimony is quoted in Iris Chang's book, *The Rape of Nanking*, says that he committed crimes of murder and rape in Nanking during the "ten days" after its fall. However, Professors Takemoto and Ohara point out that the unit to which Tadokoro belonged had left Nanking on December 15, two days after the fall of Nanking. Tadokoro therefore should not have been able to stay in Nanking for ten days. He confessed later, "**I told a lie** because the interviewer asked me to tell something exciting." Thus, he himself has denied the credibility of his own speech.

Kazuo Sone has published his memoirs, and related his criminal acts of murder and his eye-witnessed stories. He describes himself as an infantry squad leader; but he had been a private in an Artillery Regiment. Professors Takemoto and Ohara point out that, contrary to the Infantry, the Artillery generally has never been sent to the front line of battle. The 3rd Field Artillery Regiment, 3rd Division, to which this man was assigned, has been located in the rear area, and was never engaged in battle directly against the Chinese Army. Only a part of his regiment participated in the entry ceremony into Nanking. Therefore, **it was impossible for him to have executed** or eye-witnessed brutal criminal acts inside or in the vicinity of Nanking, as he described in his book. Also, his colleagues who did engage in the operation in Nanking say that they did not witness nor perform any such criminal acts. In other words, Sone's memoirs are entirely his own creation.

### **The International Committee was not Neutral**

The leader of the International Committee for the Nanking Safety Zone was John Rabe. As mentioned already, after the fall of Nanking, he gave the Japanese commander the letter of thanks as to the Japanese military had not attacked the Safety Zone and not killed refugees there. Yet in his diary, Rabe described many Japanese atrocities allegedly committed in the city of Nanking. Massacre affirmationists often refer to his descriptions as evidence of the Japanese atrocities and massacre.

Can we trust Rabe's descriptions about the atrocities literally? In fact, John Rabe was a German, and Germany in those days was a supporter for the Chinese Nationalist Party. Chiang Kai-shek's military was being trained by German advisers, and Rabe himself was an adviser for the Nationalist Party (The year 1937 was before the conclusion of the alliance of Germany, Italy and Japan). In addition, Rabe was the head of the Nanking branch office of Siemens AG, which had sold anti-aircraft guns to the Chinese Nationalist Party. As an arms merchant, Rabe had gained great profit from it.

Since this Germany's connection with the Chinese Nationalist Party was the source of his income, he did not want Germany to part from the Party and shake hands with Japan. **Rabe was thus not a neutral man**, and it was very natural for him to speak ill of the Japanese.

As Professor Shudo Higashinakano points out, from December 12, Rabe had secretly sheltered two Chinese colonels, Long and Zhou, who performed anti-Japanese maneuvers

in the Safety Zone. Rabe's conduct was of course a violation of the agreement with the Japanese army. Rabe wrote in his diary on February 22, 1938, that he had been sheltering another Chinese officer, Officer Wang, also. **Rabe was thus a man on the side of the Chinese military**, not the Japanese. Iris Chang, author of *The Rape of Nanking*, glorified him as Schindler of Nanking, yet he was in fact not such a person.

In his report, Rabe did not distinguish true civilians from Chinese soldiers in mufti (ordinary clothes), intentionally or unknowingly. On 13 December 1937, Rabe wrote in his diary:

"It is not until we tour the city that we learn the extent of destruction. We come across corpses every 100 to 200 yards. The bodies of civilians that I examined had bullet holes in their backs. These people had presumably fleeing and were shot from behind."

The fact is that Japanese soldiers were sweeping the Chinese soldiers in mufti. **The bodies were not of civilians, but of the Chinese soldiers.** They were killed by the Japanese military or by the Chinese supervisory unit.

### **Biased Reports of John Rabe**

Masaaki Tanaka, the ex-secretary of General Iwane Matsui, claims that there are many contradictions in John Rabe's descriptions. For instance, according to him, General Matsui ordered a cease-fire on December 9, distributed to the city **surrender recommendation handbills**, and waited until noon of December 10 for the answer. Tanaka then points out, "Rabe wrote in his diary that the combat was continuing and Rabe did not mention anything about the cease-fire or the handbills."

Rabe wrote that he saw here and there "dead women who had canes rammed in their vaginas"; however, such a practice was Chinese, not Japanese.

James McCallum, a medical doctor in Nanking, wrote in his diary on December 29, 1937, **"We have had some very pleasant Japanese who have treated us with courtesy and respect. Occasionally I have seen a Japanese helping some Chinese, or picking up a Chinese baby to play with it."** However, Rabe did not write any such things, and only wrote that the Safety Zone had been like a hell full of fire and rape every day. Tanaka thus argues that Rabe's descriptions are not reliable. Tanaka writes, **"Rabe's descriptions were very biased fishy stories. I think I can understand the reason why Adolf Hitler did not trust his report, but rather imprisoned him."**

Professor Higashinakano also points out that James McCallum wrote in his diary on January 8, 1938 that he had heard a Chinese refugee testify, "I can prove that the rape, looting and arson were committed by Chinese soldiers, not Japanese soldiers"; however, Rabe reported as if all of the rape, looting and arson had been committed by only Japanese soldiers. Higashinakano claims that Rabe's report was a **similar-natured one to the anti-Japanese maneuvering** of the Chinese officers he had sheltered.

P. Scharfienberg, the secretary general of the German Embassy to China, who returned to Nanking on January 9, 1938, tried to investigate himself the facts about the alleged Japanese atrocities mentioned in Rabe's report. Scharfienberg wrote to the German Embassy at Hankow on February 10:

"Rabe is still actively trying to counter the bloody excesses of Japanese looters, which have unfortunately increased of late. To my mind, this should not concern us Germans, particularly since one can clearly see that the **Chinese**, once left to depend solely on the Japanese, **immediately fraternize**. And as for all these excesses, **one hears only one side of it, after all.**"

### **Truth About the Alleged Looting by Japanese Soldiers**

John Rabe wrote on December 13, 1937, "The Japanese march through the city in groups of ten to twenty soldiers and loot the shops.... I watched with my own eyes as they looted the cafe of our German baker Herr Kiessling. Hempel's hotel was broken into as well, as was almost every shop on Chung Shang and Taiping Road."

About this looting by the Japanese soldiers, Professors Takemoto and Ohara point out, "On entering Nanking, what Japanese troops had to do was to get buildings for quartering. In order to furnish and equip them with daily necessities, **officers instructed soldiers to take furniture and bedding out of the empty houses**. When they were put under requisition, certificates for **compensation** to be made later on were attached. However, the Westerners and Chinese, watching what happened in the distance, possibly misunderstood, interpreting the activities as planned looting by Japanese soldiers."

### **Many Women Raped?**

Massacre affirmationists often refer to rapes as the atrocities in Nanking, using the following testimonies. Minnie Vautrin, a professor at Ginling College in Nanking, hearing that "about 100 girls were raped at the college," wrote in her diary on December 16th, 1937, "Oh God, control the cruel beastliness of the Japanese soldiers in Nanking tonight..," and on the 19th, "In my wrath, I wished I had the power to smite them for their dastardly work. How ashamed women of Japan would be if they knew these tales of horror."

John Rabe, the leader of the Nanking Safety Zone, wrote on December 17, "Last night up to 1,000 women and girls are said to have been raped."

James McCallum, a medical doctor in Nanking, wrote in his diary On December 19, "Never have I heard or read such brutality. Rape! Rape! Rape! We estimate at least 1,000 cases a night, and many by day.... People are hysterical.... Women are being carried off every morning, afternoon and evening. The whole Japanese army seems to be free to go and come as it pleases, and to do whatever it pleases."

However, these cases of rape were what these Westerners **heard about from Chinese people**. As mentioned in the *New York Times* on January 4, 1938, and as I already referred

to, about two weeks later, Vautrin and other Ginling College professors got to know that **the Chinese military officers harbored by them had repeatedly raped in the Nanking Safety Zone and then blamed Japanese soldiers for their attacks.** The *New York Times* reported, "the American professors were seriously embarrassed to discover (it)." So would Rabe and McCallum have been.

The professors not only had harbored these Chinese officers secretly, but also appointed them leaders of the Nanking refugee camps. These Chinese officers, using their men, repeatedly raped women and did other horrible crimes at the camps, threatening the victims to tell the same story that the assailants were Japanese. Then, the officers came to the professors, telling, "Japanese soldiers came and raped! At least 1,000 women!" The professors had believed this Chinese lie.

The Japanese military found out the Chinese soldiers and arrested them. Besides, in February, as the report of the *Osaka Asahi Shimbun* newspaper which I already referred to, the military also arrested eleven other hiding Chinese soldiers who had committed numerous atrocities in Nanking, speaking Japanese and wearing counterfeit of Japanese translator's armband to pose as Japanese. **After that, conspicuous cases of rape, looting and other atrocities ceased and did not take place.**

Vautrin later wrote an article entitled "*Abundant Life Together at the Refugee Camp*" for the July-August 1938 issue of the *Chinese Recorder* magazine; however, no description of the 1,000 girls raped or 1,000 rape cases a night was in the article.

Professor Higashinakano alleges that this is because it had already been discovered that the rape cases had not been committed by Japanese soldiers or had been a false rumor. Professors Tadao Takemoto and Yasuo Ohara also point out about the alleged atrocities in Nanking:

"The representatives of the refugee camps of nineteen places established in the Safety Zone were all the Chinese, except Miss Minnie Vautrin. Though those Chinese took charge of the maintenance of public order in these camps, there were some **Chinese officers who camouflaged themselves as if they were citizens.** And many cases of rape occurred in the 'refugee camps'.... **After February 1938 when the 'camps' were dissolved, rape was rare.** Therefore, we are not able to trust the 'crimes of Japanese soldiers' just as the Chinese representatives of the refugee camps claimed. (The Chinese soldiers hiding in the Safety Zone) camouflaged themselves to create the impression that looting and rapes had been committed by Japanese soldiers, to practice one of a series of Chinese strategies for the purpose of throwing Japanese soldiers into confusion."

Takemoto and Ohara also claim:

"The Safety Zone was the only place where women stayed in the city of Nanking. And in order to protect foreign rights and interests...the Japanese Army prohibited their soldiers' entry to the Safety Zone and posted guards at every important point....**Japanese soldiers were unable to enter the Safety Zone at will,** or no one dared to enter there at the risk of being attacked....Those who only got admittance to the Safety Zone were all in all about 1,600 soldiers of the 7th Regiment, the 9th Division, that were in charge of the garrison for

the Safety Zone. It must be further pointed out that there existed a significant reason why soldiers were restrained from committing rapes, because if crimes had been disclosed, more than **seven years' penal servitude** would have been inevitable by the army penal code. They were fully aware of the severe penalties."

### **Smythe's Investigation Proves Civilians Killed by the Japanese to Have Been Only a Few**

Let us look at the war damage investigation made by Professor Lewis S. C. Smythe from December 1937 to March 1938 regarding the damage to people and land inside the walls of Nanking and its rural area. The report does not specify whether the assailants were Japanese or Chinese; however, **it is an important investigation on the war damage by the Nanking campaign.**

The method was to choose arbitrarily one from every 50 homes in the urban area, and one from every 250 homes in the rural area; then Smythe and his assistants interviewed the residents about the damage. This use of rough estimates was **the only scholarly investigation** in those days. Was this to affirm the Nanking Massacre or deny it?

According to Smythe's investigation, **2,400 civilians** were killed in the urban area due to brutal treatment, and **4,200** were taken away (and considered dead). In the rural area of Nanking (Jiangning), **9,160 civilians** were killed due to brutal treatment. Thus, the **total number of dead and missing was 15,760**. This is far different from the 300,000 massacre victims theory.

In addition, these figures do not specify who the assailants were. These figures **in fact include many victims killed by the Chinese military**. As mentioned in Durdin's article, the Chinese military set fire to all the houses in the rural area of Nanking and burned them down, killing many Chinese people. As the Chinese husband and wife in the Safety Zone testified, the Chinese military took away men and made them soldiers or forced them to do hard work. Moreover, as mentioned in Espy's report, many Chinese soldiers killed civilians for their clothes when they discarded military uniforms. Smythe's investigation thus included many civilians who had been killed by the Chinese military.

It can be said that his investigation proves the number of civilians killed by the Japanese military to have been only a few.

### **Forged Photos Made by the Chinese**

Throughout the Sino-Japanese war, many photos had been scattered in the Western world and used as evidence of the Nanking Massacre or of Japanese atrocities; however, the sources of these photos are all doubtful. For instance, one of the photos shows many dead bodies, but it only shows soldiers killed in battle. In another photo, a man in Japanese military uniform is swinging a sword down on the neck of a Chinese to execute him, but the way of the swinging is Chinese, not Japanese. This shows that the photo was a Chinese prearranged performance. In other photos, the direction of one man's shadow is different

from the others, which shows that the photo is a composite of multiple photos. There are many other contradictions in the photos.

The book, [\*Analyzing the "Photographic Evidence of the Nanking Massacre"\*](#)—written by Professor Shudo Higashinakano, Susumu Kobayasi and ShinjiroFukunaga (published by Soshisya in Tokyo in 2005) —analyzes all the alleged photos of the Nanking Massacre. It proves that there was no genuine photo that can be said to be evidence of the Nanking Massacre.

It is well-known that the Chinese military used to forge many photos using Chinese soldiers in Japanese military uniforms to stir up an anti-Japanese atmosphere among the Americans. The Chinese used this kind of forgery and unrelated photos posed as the evidence of cruelty of the Japanese many times before and during the Pacific War.

### **Fiction of Iris Chang**

Recently, a Chinese American named Iris Chang wrote a book entitled, *The Rape of Nanking*. It tells about the brutal massacre by the Japanese in Nanking. It became a bestseller in the USA and other countries, and spread the lie of the Nanking Massacre. Later, Chang's book was much criticized by many other authors. It has been pointed out that what she wrote and the photos in her book were not related to the so-called Nanking Massacre. She shot herself by pistol and died in 2004. The London Economist magazine commented that she had committed suicide perhaps because her book was much criticized and she was deeply depressed about it.

Nobukatsu Fujioka, a professor at Takushoku University in Tokyo, once mentioned,

"Many translated books are published in Japan, but Iris Chang's *The Rape of Nanking* is not published because it has **so many mistakes** that no publisher could handle it. **The photos are all false, and not a single picture was evidence of the Nanking Massacre.** Not only that, her description about Japanese history is filled with absurd mistakes. For instance, she wrote that the Japanese military strength before the end of the Edo era (1603-1867) had not exceeded the level of sword, bow and arrow (Japan was in fact the biggest producer of guns in the world already in the 16th century). More than 100 such rudimentary mistakes were found in the book, and even if the book were to be published in Japan, no Japanese person could bear reading it. A left-wing publishing company tried to publish it annotating notes of the translator, but she refused it, saying, 'How impertinent!' Sad to say, the Americans trust such a book and are making a movie based on it."

(Later, another publisher published the book as translated by a Chinese in 2007 in Japan.)

Shoichi Watanabe, a professor emeritus at Sophia University in Tokyo, mentioned,

"Before the US-Japan war, a false document called "*Tanaka Memorial*" was made in China. This was a purported Japanese strategic planning document, in which Prime Minister Giichi Tanaka laid out for Emperor Hirohito a strategy to take over the world. The American President Roosevelt, senators and congressmen read this forgery, and

believed the lie that Japan had a malicious intention to take over Asia and the world. That became a cause for the US-Japan war. It is said that after reading it, Roosevelt decided to defeat Japan entirely. Iris Chang's *The Rape of Nanking*, a best seller in the USA, is the same. If we leave this fiction as it is, it will certainly give a bad influence to US-Japan relations."

## Conclusion

The Nanking Massacre was a fabrication and false propaganda. The above-mentioned theory is not a discourse of Japanese ultra-nationalists. If we are loyal to historical facts, we should abandon the Nanking Massacre story. The activities of the Japanese military in Nanking were in accordance with international law and were humane. The Nanking Massacre was a false accusation, and the Japanese have the right to prove their innocence.

### Photos of Nanking

#### Under the Japanese Occupation

(Click for larger image)

After the battle, many Nanking citizens, who had abhorred bad deeds done by the Chinese military in the city, welcomed the Japanese military. This is a photo of Japanese soldiers and the Nanking citizens giving cheers, on the day of the Japanese military's ceremonial entry into Nanking (Dec. 17, 1937, 4 days after the fall of Nanking). The citizens are wearing armbands of the flag of Japan, which were given to all civilians of Nanking to distinguish them from hiding Chinese soldiers in civilian clothing. ## Forged Photos of the "Massacre"

Iris Chang's book, *The Rape of Nanking*, dated this photo as having been taken just after the Nanking Massacre. However, the alleged Japanese soldier standing by wears a military uniform with a turned-down collar with class badges on it. This style was not introduced until after the uniform revision on June 1, 1938. In addition, the photo does not tell how the pictured dead were killed, by massacre or in battle, and there were many Chinese soldiers in ordinary clothes.

Design of Japanese Army uniforms before and after the June 1, 1938 revision.

In the fall of 1937, the Associated Press (AP) distributed this photo as a Japanese soldier using a Chinese national as a guinea pig for bayonet practice. Iris Chang's *The Rape of Nanking* carries the same kinds of photos of Japanese atrocities. However, the soldier wears a turned-down-collared uniform, which no Japanese soldier wore at that time, so the man is not a Japanese soldier. The January 1939 issue of *Lowdown*, an American magazine, commented about these photos that this was in fact a communist Chinese officer torturing a Chinese prisoner.

This photo is explained as Chinese people buried alive by the Japanese as a part of the Nanking Massacre. However, the Japanese soldiers are not threatening the Chinese with guns. The Chinese look like they are going in willingly. And the color of true Japanese military gaiters were similar to their uniforms, whereas the gaiters in the photo are rather white—the color of Chinese military gaiters. Also, the size of each person is unnatural. Professor Higashinakano concludes that this was a composite of plural photos.

This photo was identified as Nanking Massacre victims on the shore of the Yangtze River, but these bodies were the Chinese soldiers who died in battle, not a massacre. Hashimoto, a Japanese soldier who fought there, testified, "The Chinese soldiers carried their rifles or machine-guns but none of them were in regular military uniform." Sekiguchi also testified, "None of them showed signs of surrender." Thus, the Japanese army had to continue to attack them and many of the Chinese soldiers were shot or drowned in the river. In this photo are the bodies that were washed up on shore.

This photo is used as purported evidence of Nanking Massacre victims, but there was no such custom of gibbeted heads among the Japanese after the 1870s. Among the Chinese, however, this custom was still observed in the 1930s, and several photos of gibbeted heads appeared in cities of China in those days. Chinese Nationalists and Communists often killed pro-Japanese Chinese people and gibbeted their heads on streets as a warning. Iris Chang's *The Rape of Nanking* has the same photo with a larger background behind the heads on page 113. Looking at the photo, those who had experienced Nanking testified that the background is not of Nanking.

This photo was identified as a Japanese soldier executing a Chinese. However, the alleged Japanese soldier is swinging the sword down with one hand. This is indeed Chinese way. The

Japanese never swing a sword down with one hand, but with both hands. It is clear that this was a Chinese prearranged performance. The man with the sword appears in other forged photos, also.

This photo is used as purported evidence of infant victims of the Nanking Massacre and is displayed at the Nanking Massacre Memorial Museum in China. However, this photo was not taken in Nanking. There was no custom of slaughtering infants even of the enemy throughout Japanese history, although this custom frequently appears in Chinese chronicles. Denialists suggest that this photo is in fact a picture of victims of Chinese civil war. It is well known in Japan that General Iwane Matsui of the Japanese army saved from the battle a Chinese infant who was found crying. He let his subordinate carry the child on his back when marching into Nanking, named her Matsuko, and continued to nurture the child.

This photo of a gibbeted head appeared in *Life* magazine on January 10, 1938. The caption stated that the head was of an anti-Japanese Chinese man and had been placed there on "December 14, just before the fall of Nanking." However, December 14 was not before the fall of Nanking. The caption also gives the impression that the Japanese military were responsible for this atrocity, but in China there were a lot of cases of gibbeted heads due to personal hatred or civil war, and there is no positive proof that the Japanese were responsible for these acts.

This photo from *Life* magazine on January 10, 1938, was taken on December 6, 1937 and explained as a Chinese man carrying his son who had been wounded in the Japanese bombing. This was not a photo after December 13, 1937, the day of the fall of Nanking. The soldier on the left wears a cap that looks Chinese. The movie, *Battle of China*, and others, used this photo as a depiction of the Nanking Massacre.

Purported evidence of a Japanese public execution in Nanking. However, the surrounding people wear summer clothes, so this photo is not related to the Japanese occupation of Nanking, which took place in winter. There was no custom of public execution in Japan after the 1870s, although it remained in China in the 1930s. Denialists allege that this was a prearranged pose set up by the Chinese for propaganda purposes.

This photo is explained as an old woman who was killed by the Japanese military and skewered with a pipe thrust into her vagina, without proof that the criminal was really

Japanese. This photo has no accompanying reliable information about the evidence: who judged it and how. This kind of killing by skewering was a Chinese practice frequently seen among the Chinese in those days and in Chinese chronicles—not among the Japanese.

This photo is described as a Japanese sailor after beheading and used to show a Japanese atrocity. However, the uniform of the man with a sword is different from a Japanese sailor's. And, if we look closer, the severed head is so short-haired that the standing "sailor" could not possibly hold it up by grabbing its hair. In addition, the part under the severed head is blackened, which may cause us to speculate that this was actually a touched-up photo of a live man with the area around his head blackened sitting next to the sword-holding man. Denialists allege that this was a prearranged pose set up by the Chinese for propaganda purposes.

This photo was taken in the ruins of Shanghai by H.S. Wang, a Chinese American photographer, and first appeared in *Life* magazine on October 4, 1937. This became one of the most influential photos to stir up anti-Japanese feeling in the USA, and is still used to

show Japanese atrocities in relation to the Nanking Massacre. However, a correspondent of the *Chicago Tribune* News Service later presented other photos taken at the same hour and same place showing evidence that this had been a staged photo: the baby was brought there by the photographer to create a dramatic photo.

### **Lies and Propaganda**

These forged photos above were distributed by the Chinese Nationalist Party propaganda bureau to enlist the support of the United States for their war against Japan. Theodore H. White, who had been an adviser to the Chinese propaganda bureau, confessed, "It was considered necessary to **lie to it [the United States], to deceive it, to do anything to persuade America. . . .** That was the only strategy of the Chinese government. . . ." • (*In Search of History: A Personal Adventure*)

Historians say that the Chinese chronicles were the history of those who deceived and of those who were deceived. The alleged Nanking Massacre was one of their deceiving means.

# Debunking the Myth of The possibility of “Good Jews”

## -High Priest Hooded Cobra 666

The members of the Joy of Satan, are well educated in the Jewish issue.

To make the long story short, we all here know that jews cannot, neither will ever be “good” and this good cop bad cop routine, has absolutely no base in reality. It is just based in wishful thinking, false philosophies and pseudo-spiritually posing nonsense, that wants to prove lies unto itself.

There is, though, hard historical evidence that shows beyond a shadow of doubt, that these “possibly good” people, have pushed whole Races into extinction, including the Phoenicians, the Phillistines, even Romans and many others. They have destroyed the Pantheons of all Pagan peoples, cursed our Gods and defamed our Grand God, same as murdering outright anyone who was into the Mysteries and re-writing these to fit their ends.

Civilizations like Egypt, Ancient Greece, the Roman Empire, the Middle East, all prove the destructive intentions of this race. To us, keep the “Zionist” nonsense away. We know how this works, oldschool style. Also, one just needs to open their holiest books, with the top of these being the Bible, to see their murderous and expansionist intentions for all other Gentile people in the World. No other Race or people have ever done what this Race has ever done. The philosophies in politics they have created, are leading all civilizations to ruin. The “art” they are forcing is just art of mere degeneration and destruction of the higher abilities of the people and Races. Their control of the monetary, media and political system, which destroys people everyday, is against a testament. How whole countries are being robbed and destroyed by the so called... “Possibly good” jews, is something that one cannot neglect.

Anyone but the mob is who knows the above and is well educated on this. The Mob on the other hand, would definitely want to believe in all these sugar coated lies about “Good and Bad” jews, and whatever other excuse because they either lack knowledge, or their mind and reality cannot contain that the jews are just a criminal Race. The evidence and historical evidence speaks, nobody else. Others just express it. These people have caused WW1, WW2, their political spawn (Communism) has given Humanity millions of dead. Right now, they are ethnically cleansing the Middle East. Open your Old Testament, and see how many people the jewish “God” has murdered. Go out in the street to see how many people, in belief of this jewish lie they name “god” have become stupid, docile and have given up their whole thinking process just in favor of this “jewish god”. They have eaten Humanity alive and never did one thing for us. Is it coincidental that the jews are showing the same exact ferocity and hatred in destroying and subverting Gentile civilizations, like they did in the “Ancient times”?

They had countless of times to “redeem” themselves, and all these times they just used to further sacrifice living life, kill and enslave people, which is the reason of their hundreds of expulsions from Gentile States and countries. They wasted all their chances. If one was a coincidence, or “Bad jewry”, what if this happened hundreds of hundreds of times? One starts to see the motive and just the Truth after a point. Gentiles have been too overly “merciful” and accepting to this cancer of the jews, to the point right now Western Civilization is facing a collapse of titanic proportions. Whenever they have been, they have incited and brought with them destruction, problems, misfortunes.

Even in Buddhism, are you aware that Mao Ze Dong, basing his theories and practices on Communism (A jewish creation) Murdered 40 to 70, some claim 100 millions of the best Chinese people, among which the greatest and most advanced practitioners of the Spiritual Practices. Let’s not even mention the Middle Ages, where people like us were burned alive, simply due to the “jewish god”. Leave aside that “Christianity” has murdered all sorts of spiritual practice (Christianity is jewish) and that it is actively leading European civilization into destruction, by weakening of one’s intelligence, spiritual ability and fake “saint” standards.

This Race is a criminal Race. Too many famous sociopaths, criminals and killers who even made it to become Movie Stars, gangsters and anything else of this lowlife, have been jewish by blood. One can cope with reality or make up any other theory to deny, but that doesn’t mean that the facts can’t talk for themselves.

We have had enough lies about the jews, and the “mob” is who is indoctrinated to always think and believe that these people could be possibly any “good”. Open their holy books, study them, or just your bible and Old Testament. If any Race was at their core good, they would have never made up all these things up in the first place, let alone adhering to these letter by letter for 6000+ years of human history. 6000+ years of history, do prove a lot of things about someone. They have had their chances, and why every time they got these, they either lied, they orchestrated wars, outright killed people, used a fake program stolen from religion to enslave the masses and the endless list goes, with the pinnacle being enslaving the whole planet with the Media, the news, even inside schools and the highest pinnacle... The holocau\$T Myth which has had the purpose to mentally enslave the Gentile people for good, to raise the jews beyond even any remote criticism. Why all this and why nobody else has did all this in Human history? Why the jews? Because they are a criminal Race, plain and simple.

One last question. If the enemy had full dictatorial power, like in any other time, is anybody so naïve to think that they would spare their head, or that some “good jew” would eventually save their ass from the rest of their Race, which is probably up to the 95% that wants to outright damage or even murder, anyone who goes against their wishes? Even if this was the case, its still nonsense, as because this small percent of the supposedly and hypothetical (but not in reality) “good” is just getting swooped below the bad, evil and destructive, EVERYTIME.

In the Joy of Satan, we know the Truth and we adhere to Satan, which we have found to be the Original God of Humanity. Nobody can accept this term that is professed here, that of any chance of a "Good jew", unless its agreed that one can be in without adhering to this opinion.

The good cop bad cop routine and the "ever wishing be good" lies will no longer work. We can agree to disagree in regards to this thing.

Satan means Truth in Sanskrit. We are about Truth. Fully and unconditionally. The jews state that "HA'SATAN" is their Enemy. Enemy in Hebrew is what to us is the Truth, our God.

It is, what it is, for us. Point blank.

# Debunking Vegetarian Origins In Dharma

## -High Priest Mageson 666

Many well-meaning people at one point myself included became vegetarian and many for spiritual reasons after studying the ancient Vedic texts. I extended my own vegetarianism for such reasons as well as many have. This is not to deride or blame anyone for such. But to point out the reality of events and how what has been taught is not what was originally there.

Vegetarianism was only brought in to the East sixteen hundred years ago. This is why the original Buddhist texts make no mention of such and the Character of Siddhartha eats meat as well. Buddhism while corrupted and guised Jainism does still not go as far to push vegetarianism while open Jainism does. But around nine hundred years later in India a false discourse was created where Siddhartha preaches vegetarianism. Because it's at this point vegetarianism was being imposed on the population by the ruling class. So any temples that wanted to stay open had to fall in line as the rulers where the money patrons of the religious orders and temples. They were holding the purse strings.

The only group originally preaching vegetarianism where the Jains. Who were well known to be anti Dharmic and constantly trying to subvert the culture with their ideology which amounts to metaphysic Communism. If one takes the Sermon on the Mount and puts a Jain in the place of Jesus. You have Jainism. Sadly as Hindu scholars mention the old Dharma is long gone and replaced by Jainism in the guise of Dharma. There is a warning to this in the Siva Purana's. And the tales of the Sivaite saints mention the Jains violently attacking the bastions of Dharma and its followers and also trying to subvert them from within [like the Christians do everywhere]. This program was obsessed with removing spiritual knowledge and authentic tapas [exercises that transmute the soul] and replacing them with the gross self-modification one sees today in the East and in the Christian Monasteries.

The current eightfold path of Dharma in Hinduism is actually the eightfold path of Jainism the original was removed. But remained in the Tantric path. The amount of removal of spiritual knowledge that has occurred is staggering. The push to vegetarianism is within this environment. Note the proof is in the result. India under this corrupted paradigm has fallen apart and stagnated and has hardly produced any highly ascended if any beings in centuries. The corruption of spiritual knowledge and the norms imposed makes it impossible or close to impossible to advance to any high level.

Vegetarianism:

With caraka samhita which has been stated to be the oldest Ayurvedic text it state: Sharirabrinhane Nanyat Khadyam Mamsadwishishyate." Which translates to 'For the promotion and nourishment of the body, no other food item is better than meat.'" Another Ayurvedic text the Bhava Prakash, states 'Sadyohatasya Mamsam

Syadbyadhidhatiyathaamritam', which translates to 'the meat of freshly killed animals is like Amirt (the ultimate lifefiving fluid that sustains the Divine)' We have the Bagabhatt (Astanga Samgraha) stating nothing equals meat for promotion of health and substance of the body."

The Vedic text Satapatha Brahamana states 'Paramam Annadyam Yan Mamsam', meaning "Meat is the best kind of food."

Meat is listed under the sattvic category. "The life substance."

"Consumption of meat improves one's mind inner energy and strength; and that the consumption of fish restores one generative power." The Yoga of Power.

---

This is from an answer to another thread:

With the situation in the East and Far East the original culture model was men where considered the Deva and women the Devi. Each had a sacred role to play within the cultural model. This still survives in parts of Hinduism where upon a females first period. She is considered a Goddess as she now has the power to create life.

The deal is by a thousand tactics the enemy injected their doctrine over time into the East. By the covert enemy ideology OF Buddhism which openly considers women inferior on every level to men. Its Catholicism with daily basic meditation to help one obtain extinction of consciousness upon death. Buddhism went into the Far all the way to Japan. It didn't get all that far into Japan but enough to change the cultural norms and assign women to an inferior property status. Same in Tibet. So Buddhism did to women what Christianity did.

Hinduism as one Indian scholar put it is.....Just covert Buddhism. The cultural terraforming of centuries of Buddhism as an Imperial Religion and the networks it created kept it strong enough to alter the social belief forever more. The reformation back to the Vedic paradigm which was under way in the first thousand years ACE. Was destroyed by the subversion of crypto Buddhist doctrines into the Vedic terminology fully. With the final stealing of cultural terms by the enemy and the assigning of their meanings behind them. It was over. The greatest Saint of Hinduism who saved it. Actually destroyed it as with subversion, it was very Hegelian. And was denounced as such in his time. Also that ridiculous pseudo Vedantic, clownery of Shankara, it as the Tantric commentaries prove actually debunks itself totally as nonsense. Just pick up the Brahma Sutra's and prepare yourselves to be.....bored. They actually debunk themselves in their arguments and people are revering this armpit fart on paper as something lofty and true. Did they ever read it? If they did they should read it again and again till its ugliness and clownery sinks in. Its such a clown show Shankara was the original Juggalo.

Of course all we ever got dished up in the West was this pseudo Vedantic crap which amounts to hundreds of pages of Shankara going: "Fucking Brahman how does that work?... Brahman everywhere in this bitch."

No mistake Guénon was pushing this as the apex. It fits with his overworked left moving, theological brain. That drove him to become a freaked out freak for Islam. It fits with the Abrahamic tradition of "How many angels can dance on the head of a pin." perfectly.

The original Vedic esoteric knowledge lived in the Tantra, and points to the truth. Where spiritual realization and truth wanes, speculation begins.

Then with the Islamic invasions over hundreds of years what Hinduism started to look like its current model. A Islamic wannabe, worship cult, this is how Sikhism formed. They absorbed a lot of the Islamic norms its around this time the erotic temples are no longer built and the Hindu regions even shift to Mogul architecture. This is where we get this Henotheist to crypto Monotheist attitudes and believes of current Hinduism. They were aping the Muslims. Its around this period the very Abrahamic looking devotion cult of pseudo Bhakti becomes the norm.

Then comes in the Christians under the Raj period imposing further Abrahamic norms on the population. Along with this the Jesuits who have been in India for awhile by this point. Have been traversing the continent removing any remaining spiritual knowledge buying and stealing all the Tantra's up they can. And this is mostly likely where more and more remaining knowledge gets corrupted to make sure those that want to advance don't get anywhere and are powerless against the enemy programs. However the corruption of spiritual knowledge started with Buddhism which is obvious by the tenants of Buddhism itself. But thousands of years of Tradition can't be removed just like that with subversion it takes the forces of another type of revolution. Since the Tradition was based on the practice of spiritual knowledge they had to corrupt the Tantra. This is proven in Tantric Buddhism which was brought up from North Indian from the Pala Kingdom. Naropa himself was stated to be a great scholar and teacher at Nalanda university. Having studied dozens of Buddhist Tantra's they are all very corrupted. Which allowed the Communist's to sweep Tibet away. Just as centuries of such corruptions and psychological subversion allowed the Muslims to do the same to the North regions of Buddhist India.

Something at the locus of this reveals itself quick. The Jewish Therapeutae:

<http://www.jesusneverexisted.com/buddha.html>

There are records from Alexandria that indicate the arrival of a steady stream of Buddhist monks and philosophers. They would surely have contributed to the philosophical speculations and syncretism for which the city was noted.

In particular, it seems the original Therapeutae were sent by Asoka on an embassy to Pharaoh Ptolemy II in 250 BC.

Philo Judaeus, a 1st century AD contemporary of Josephus, described the Therapeutae in his tract 'De Vita Contemplativa'. It appears they were a religious brotherhood without precedent in the Jewish world. Reclusive ascetics, devoted to poverty, celibacy, good deeds and compassion, they were just like Buddhist monks in fact.

From the Therapeutae it is quite possible a Buddhist influence spread to both the Essenes (a similar monkish order in Palestine) and to the Gnostics – adepts of philosophical speculations."

As shown here:

The Jewish Creation Of Christianity:

[topic542.html](#)

The Therapeutae created the Christian program. Jainism of which Buddhism is just a covert form and thus Buddhism as well is simply.....Communism with spiritual pretense, like Christianity. Originally this psychology only comes from one race of peoples mind. The Jews, as the famous Jew, Weininger states in his book "Sex And Character" on page 311. "The Jew is a natural inborn Communist." There are also many other statements from Jews mentioning the same. This is in their soul. At the point of such programs as Jainism, Buddhism and Christianity. The Gentile world was still Vedic. And Jainism and later Buddhism was always considered subversive and anti-Vedic. Leading to more than one cultural conflict in India in the past. Sometimes violent, as the two worldviews are totally opposed to each other. Which is why today the core of Dharma [Hinduism] in the East. Is the eight fold path of Jainism. The Indian scholar is correct.

The Jews have been in India for thousands of years probably among merchants and money leaders from the evidence. And where from the above evidence behind injecting subversive movements into the society just as today and yesterday and the day before that. Its what

they have done their whole history. We come to a psychopathic ruler Assholeoka, who after murdering his way to power and resorting to destroying the freedoms of whole peoples and extermination policies against them. At some point understands psychological control is more effective. Perhaps he can't fight another decade long war.

So he uses this Buddhism to become the way to power and it allows him to bypass the Brahmana, class who are the aristocracy of the period as Theology was ideology and Theocrats ruled. And the Brahmana were originally the same group as the royal-warrior class. This allows Assholeoka to create a new ruling elite and ideology depended upon and totally loyal to him and his regime. This was done before by Akhenaton in Egypt and caused a civil war to restore the sacred tradition.

So Assholeoka of whom is not alone. There is never one man its always a incorporated trust of powerful individuals, families and networks behind the scene. Turns at some point to these people who have the wealth and ideology to create the new regime he wants. So they incorporated as an organized crime collective. This is the exact series of events that happened in Rome with the Flavian dynasty's creation and rise to power. And noting the Jews were among the power elite in the Roman Empire to become the core of the New Caesar dynasty. Its predictable they were in the Eastern Kingdoms and Empires as well. Considering India was the hub of civilization and wealth. The Mauryan Empire was a superpower at this period. At this point they found their opening. One can witness on a Indian synagogue wall a plaque from the local King in the past. Openly declaring the Jews above the laws, and even taxation, thus granted Royal privileges.

The city, Shankara was from had the largest Jewish population during the time he was around as well. He ran a operation typical to what Jewish Luther did in Europe later. Wonder how despite being denounced by many Brahmana's and scholar's his works had the network, time and money to be placed out front. When there were hundreds of others. The movement to destroy the Vedic world was going on for awhile before this point. The Bhagavad Gita also reflects this. Indian scholars have stated it was originally wrote to protect the Vedic tradition against such forces mainly Assholoka's Buddhism and the character of Arjuna was a swipe at Assholeoka propaganda about himself. But as they also highlighted the Gita has been written and rewritten and altered by anti-Vedic interests in return till it no longer recognizes its original text. Which is obvious its full of enemy doctrines and contractions. It was altered till it became a core document for the current anti-Vedic paradigm.

Of course the people who think its some holy book that God spoke also believe Shankara's clownery is epic as well. Its the same in the West with those who hold the fictional Bible in the same light. Garbage in Garbage out.

# Decades-old rotting meat worth \$500 million seized in China food scandal: report

by High Priest Mageson6666

As known the Jews control China and this is what they are doing with that control... Beside killing one hundred and fourteen million people so far. The Leader that took over from Mao was an open Chinese Jew....The Jews have lived in China for thousands of years.

[topic2027.html](http://topic2027.html)

My note don't forget the gutter oil [boiled human sewage] for the cooking oil for this meat on the Chinese menu. Literally eat shit.

[https://www.youtube.com/watch?v=\\_0K\\_m6hsa28](https://www.youtube.com/watch?v=_0K_m6hsa28)

Have some fake eggs full of stuff that can kill you in that egg roll on the menu...

Over half a billion dollars' worth of smuggled frozen meat — some of it thawed, rotting and more than 40 years old — has been seized in China, according to local reports.

"It was smelly, and I nearly threw up when I opened the door," said an official from the central Hunan province, where 800 tonnes were seized.

More than 100,000 tonnes of chicken wings, beef and pork worth up to \$624 million were seized in the nationwide crackdown, the state-run China Daily newspaper said.

Poor food safety is a major concern in China, where standards are lax and scandals involving tainted products are common.

Yang Bo, the deputy director of the anti-smuggling bureau in the Hunanese capital Changsha, said smugglers would often transport the goods in ordinary vehicles, rather than refrigerated ones, to save costs.

"So the meat has often thawed out several times before reaching customers," he added.

Two gangs from the province were among 14 busted across the country.

Reports stated that the meat seized locally came from the "border area" with Vietnam, where it was "difficult to control the flow of meat".

The China Daily said smugglers bought cheap meat abroad, shipped it to Hong Kong and on to Vietnam before bringing it to the mainland.

Officials from Guangxi, a southern region bordering Vietnam, found some of the meat was "more than 40 years old", meaning it was originally packed and stored when the country was still under the rule of Communist China's founding father Mao Zedong, who died in 1976.

The seizures were not reported on the website of China's General Administration of Customs.

China was rocked by one of its biggest-ever food safety scandals in 2008 when the industrial chemical melamine was found to have been illegally added to dairy products, killing at least six babies and making 300,000 people ill.

[Decoding The 666 In Kabala](#)

Postby [HP Mageson666](#) » Sun Jun 24, 2018 6:03 am

Decoding The 666 In Kabala

The Torah is the encoded Kabala as the Rabbi's state and show. The Torah symbolically forms their world tree and in the exact middle of the Torah the letter Vav is placed at the navel of the body of "god". In the Torah the number of the Temple of the Sun [Solomon]] is 666.

The Sefirot of Tifereth is the sun and is given the number 6 and its placed at the solar chakra in the middle of the tree where everything connects. In Kabala Tifereth is stated out of the short face which is the seven Elohim or "gods" that are the seven chakra's that Tifereth is the most important and the leader or king of them all. In Kabala the entire soul unites at Tifereth. This is due to the fact still noted in Hinduism all the male and female nadis unite at the navel. And the navel governs everything like a King governs a Kingdom.

The 666 is the number of the sun square and each square is given a sum number. 666 is the sum of all the numbers in the sun square. The seven planet squares relate to the seven Elohim or "gods" of the lower face in Kabala. Hence this is the square of Tifereth and thus the six letter Vav is placed here.

The Vav in Kabala unites things. By placing the Vav here they are uniting the soul by activating this point the soul comes together in. That is why Tifereth is also called Daath in Kabala. Daath means sexual union its the alchemical sexual union of the soul. Daath also relates to spirit and the solar chakra is responsible for converting spiritual energy into vital force for the being. The Vav is the letter of the serpent in Kabala and relates to the belly of the serpent. The belly is the navel point and the serpent is the symbol of the sun here. Tifereth is the energy center that rules all the other ones as all the chakra's connect to the solar. Note One in Kabala means 13 some diagrams show the map of the 13 chakra's all connecting at Tifereth as well.

In Free Masonry Hiram Abiff is the corner stone. Hiram is also spelled Haram which means "The Ram" the Ra or Ram is the ancient name of the sun God the solar chakra and is also a mantra for the solar chakra. Abiff relates to serpent father. The Temple of the Sun in Masonry is the 666 as well. Its all relating to the solar chakra. The corner stone is an ancient title for this chakra its also called the Omphalos. The Beast 666 is a title of the Omphalos to the ancients. The Omphalos had the Phoenix which is what this word beast relates to in the ancient Greek.

Note the V letter was the original sixth letter in the Greek alphabet the Digamma this was removed by the Church later and replaced with other letters and hidden away. The ancient Greeks placed a pentagram inside the serpent circle with 666 under it to show the Magnum Opus. The Pentagram in this fashion relates to the solar chakra which is the "sun or son" of the serpent goddess Venus. Being born into the world. This is the reborn soul and how it relates to the transformed solar chakra and life force. In the east transforming the solar chakra is the major key to the Magnum Opus this is openly talked on a lot in Taoism and mentioned in

Hinduism in the Tantra's.

The Digamma in some ancient symbols are shown as four Digamma's coming together forming the Swastika the symbol of the solar chakra. The Digamma swastika shows the V letter connects the "four directions" which in Kabala all unite at the navel chakra. The upper chakra's the lower chakra's and the left and right sides of the body and their nadis.

The fact is the Jews simply stole the ancient teachings of the Gentile Pagan religion and then corrupted them and hid them away in the encoded Torah. The Torah on the encoded level is a false history which forms a geopolitical doctrine and blueprint for the creation of a Jewish world government. The encoded Kabala is simply the occult level of how the Jews are using stolen spiritual knowledge against Gentiles to achieve this. Much of the actual Kabala is taken from the Pagan Greeks who shared a common culture with the Egyptians, Babylonian's and ancient Hindu's. 666 is the sacred number to the ancient Pagan Greeks, Egyptians, Hindu's, Babylonians and Pagan Peoples in general. Which is why like with 13 the Jews want to scare Gentiles away from 666 its an important number they want all to themselves.

Note 666 is also Satan and the Jews do know this. However its because Satan is the symbol of the Gentile soul. And the 666 is the heart of the soul as even Kabala admits. In Hebrew "Ra" the solar point means "evil". Because spiritual empowered Gentiles is evil to the Jews. That's the whole core of their Bible they push on us Goyim. Anything to do with spiritual knowledge and spiritual empowerment is evil Goyim. Just send your energy into a Jewish thought form of Rabbi Yeshua and bow to the Jewish political ideology of their Zionist World Government. Which is how the Jewish Bible ends. With the 12 tribes of Israel [the 144,000] ruling the world under the King of the Jews. The same evil book which tells us Goyim the symbol of Gentile spiritual enlightenment the serpent of Satan is evil as well. The Bible is full of the Jewish "god" attacking Gentile humanity for spiritually empowering themselves. Which is a literality device to act as the warning to the Rabbi's. That is why under the Noahide Laws the Jews want to impose on the Gentiles. The first law is Goyim are not allowed to practice spiritual empowerment The punishment for which is death. Just like the Jewish Bible orders.

# Degeneracy

by HP. Hoodedcobra666 » Tue Feb 26, 2019

There are quite a few people (around 5 to 10% in any civilization) which, aided and abetted by jews, always push degeneracy and destruction in all levels of life.

[/sarcasm mode On]

Of course, in their nothingness, degeneracy means really nothing. Who is anyone for example to define Degeneracy? Only "God" aka Jews can define Degeneracy and Progress.

As anyone can observe in the natural kingdom, to do absolutely self humiliating, self weakening, self destructive, and socially destructive, or environmentally destructive shit, is always a very clever thing to do. As the wise jews told us, if one plucks their eyeball out, they will be seeing better.

Resistant brains have been denying the above. That makes people feel bad. It keeps PROGRESS back.

We are not in the pinnacles of degeneracy, we are really "progressing", this is what the masters say. A lot of Neolithic minds like Caveman Cobra do not understand this progress. For this, democratically speaking, we are planning to destroy.

Children at the age of 7 giving mouth kisses and twerking on 'parades' with grown ups, dressed as drag queens, means nothing. It's perfectly normal. Strange people do not understand this. Even some gays, they feel so bad when they see these things that they cringe. The jewish master does not approve of this anti-semetic cringing.

5 years old put in surgeries to forcibly change their genders because their parents deem it so, either in circumcision or gender change? Perfectly fine. At least, Dr Shekelstein is getting paid his due.

People dying by Fentanyl, gangs invading their countries, and people gutted in streets over a bag of MacDonalds is literally nothing, that's perfectly normal. How can you be so racist to not want some Fentanyl? It has to be legalized. People are clearly responsible here and there is no addiction factor, which is why, when these drugs make it into any city or neighborhood, it turns into a post apocalyptic crime scene within months. We need more of this.

Millenniums of human evolution and racial beauty, has to be thrown to the trash cans, and mixed to non existence. Beautiful women and prostituting themselves for 5 bucks and getting HIV by invading socially destructive hordes? All good.

What has been missing from Europe a salt and pepper, is some action. Some chasing down of minors, some muslim kids holding blades on the necks of other native kids, things like that. Vibrant progress is

required here.

The Vatican Pedophiles are part of a wider wisdom of God that us Cavemen cannot understand, and want to destroy them and drive them through a pike. This is because we are not progressed enough. Progress here is when this becomes universalized in Europe as in many Muslim countries. Pope Francis would add here, that we are bigoted. "Anyone who criticizes the sex scandals of the church and focuses on these is of Satan", as he said two weeks ago.

Let us not be Satanic now and Cavemen and Not Progressive and things like that, for this world will punish us.

People walking around stoned and zoned out 24/7 is significant, for being boozed out, as our spiritual masters say, is the door to spiritual understanding. They conclude that also, the more you shit your pants due to being zoned out, the closer you are reaching to ultimate spiritual realization. When you sit like an idle NPC when you are being replaced, you are practicing the ultimate level of spiritual piety. Symptoms also include permanent weed induced diarrhea.

Losing your streets and nations slowly being made into no go zones as if mold growing onto a bread and turning it to mold? That's perfectly fine. The good bread has to have mold in it, so it can be tasty - likewise, civilization without bastardization, crime, dieversity, and virulent people that want to kill those native in it, does not have taste. Salt and pepper.

Native races of a civilization have to be put to forcibly worship jews and any other faction, and hate and self condemn. Perfectly normal. After all, as everyone knows, Blacks never thought to enslave all tribes against all other tribes for thousands of years. Any injustice clearly began with Whitey. This is why in many untreadable places in Africa, even today, slavery is rampant. Clearly, Slavery is a White invention, and was never practiced by anyone else.

What do you mean Blacks kill other Blacks for absolutely no reason in the USA? That's advanced civilization.

Television has to play jews and produce Jew Worship 24/7. Absolutely normal. The opinion of 0.1% of jews has to be forcibly embed into the heads of millions to self destroy. Progress.

"Genders? My feelings are clearly superior to any form of biology or life." "What do you mean genders?" Family and genders are of no consequence. Let's try to ruin this one as well.

The labors of other people, hard earned work, and developing civilization? Who cares. Let us shit on the Arc of Triumph, and set on fire the courts. Only God can judge us. Bring all the people who want to ruin civilization right in.

Now, these degenerates are all the same and in one single bag. They constantly try to pretend they are many.

What is bound to go wrong when all these defiled degenerates, manifest the societies of their dreams? What can possibly go wrong here? Everything is clearly going to be good after all of this is said and done. We saw this in Star Trek after all.

Why mankind exists is for furies, dying our hair pink, endless bastardization, and in the end, to be micro-chipped and put in a digital Utopia as un-recognizable mongrels, all the 'same under god'.

Police allowing rapist rings and grooming gangs to go rampant, but showing at your door over twitter posts, is perfectly normal. If one by accident spills tea on some Holy Chosen Race, that is an assault. A people demographically replaced means no crime. Just be careful if you expressed dislike on the chosen and their tribal allies on public, that is the real problem.

Having intelligentsia, authorities, police, and media, all against the native population and vehemently attacking the very natives people of one's very land? That's perfectly normal. It's called Pluralism of Opinion. There is so much Pluralism where the only Opinion is the Three Parenthesis Turds Opinion.

The above is clearly really good for all civilizations to follow as a rule. The only one who is not following this is the jew. The jew is not really progressing, he stays neolithic. But at least, as Barbara Specter said, we will not be in the Neolithic Societies we were in the Last Century in Europe. In Israel, they can practice what they always did for thousands of years.

The jews having 5 to 6 children? Not mattering how they raise them, and even in deprivation?

Whitey let us sit down and converse on how your mission of existence is to write buzz-feed articles attacking your own race, and how glorious it will be when you put a gun in your mouth and self extinct your privilege. Have you considered Sterilization?

A common Nazi accusation traditionally, now with new content - now that we live in the Society of Progress, Sterilization and Propaganda for Whitey to self-sterilize has another meaning. It's Freedom and Liberation.

It's part of the Non Neolithic and Progressive experience to see your women, family members, and friends, being massacred by all of the above. We are moving into space. This means, that child molestation taking place in the middle of the street is a common thing. PROGRESSIVE.

Jews have told us for decades now: If Goyim want space, THEN, the term is all of the above.

You can't be going around space being a health and formidable humanity and races and stuff. No. You have to be disgusting worthless degenerates. This is part of progress, not regression. People having mental meltdowns simply because they are told a single truth in life, are obviously, the strong types that will conquer space. From their permanently attached carrier at Walmart.

After all, what kind of exchange can we hope to get our intergalactic future if not to carry the above, the bible, and the jews into space? That would be very ungodly and definitely totally selfish to not do. Whitey and his selfish shit again.

As one jewish reporter asked once in his twitter, have you killed one White on your way to work today? You haven't done great.

Not that statements like the above had jews kicked out of our countries around 130 times in only recent history. Again, problems of Neolithic brains.

Plus, anyone who cannot understand the above, will be put in a camp, for they do not understand the Greatness of the Talmudic Civilization.

Lastly, to point out the above is Both Anti-Semitism, Anti-Progressive, and in generally, makes me feel really bad. Now, not that we are totalitarians and stuff, but we should call the police to permanently put you in prison since you offended our NPC emotions.

Shalom Pissrael.

# Democratic Socialists of America

by HP Mageson666 » Sun Aug 11, 2019

Recently the Democratic Socialists of America, have become the center of much laughs after the video of their conference made its way across the internet.

However the Democratic Socialists of America, should not be laughed off. Their major founder admitted he built the DSA on Marxist ideology and its organization has 50,000 members in 181 chapters around America. They needed to be made aware of because their policy is one of subversion of mainstream parties by running their own cultural Marxists candidates in Democratic Party positions. The goal is to take over the entire Democratic Party from within on State and Federal levels and use it as the vehicle to transform American into a Social Marxist dictatorship. The structure of the DSA also allows them to form loose federations of normal American's from Labour Unions and other groups around a Marxist platform to use them as useful idiots and camouflage to then take over politics' with.

Note the cultural Marxist, Young Turks promote the DSA and the candidates they run, its no mistake the Young Turks are promoted by Jewish owned Utube as their number one show. Utube is owned by Alphabet the Jewish owned parent company of Google which is censoring Conservatives and anything that promotes Trump. The reason is simple the Jews are using their tech control to push for the taking over of America from within by Marxist subversion that is from influencing public opinion with media, censoring any information and individuals which are against the Marxist narrative and working to fund, organize and promote their Marxist influencers and agents to take political offices, including the Presidents office.

They are highly successful at this tactic and are dangerous for this reason, Bernie Sanders is one of their guys and he is on the stage for President of America in two separate Presidential elections, AOC and others who hold powerful office are their members as well. Here is the current record of the DSA's success:

"In the United States elections of 2017, the DSA endorsed fifteen candidates for office, with the highest position gained being that of Lee Carter in the Virginia House of Delegates.[41] DSA members won 15 electoral offices in thirteen states, bringing the total to thirty-five (the DSA, having changed its electoral strategy at its national convention, had anticipated picking up approximately five seats): city council seats in Pleasant Hill, Iowa (Ross Grooters), Billings, Montana (Denise Joy), Knoxville, Tennessee (Seema Singh Perez), Duluth, Minnesota (Joel Sipress) and Somerville, Massachusetts (JT Scott and Ben Ewen-Campen); and the seat in the Virginia House of Delegates contested by Carter, among other offices.[42][43] 56% of the DSA members who ran in this election cycle won compared to the 20% previously in 2016.[43] These results encouraged dozens more DSA members to run for office in the 2018 midterm elections.[8]

Main article: 2018 Democratic Socialists of America candidates election

Alexandria Ocasio-Cortez, Congresswoman from New York's 14th congressional district

Rashida Tlaib, Congresswoman from Michigan's 13th congressional district

In the 2018 midterm elections, the DSA had anticipated seeing the first DSA member in Congress and reaching 100 elected officials nationwide from its strategic down-ballot campaigns.[5] 42 formally endorsed people were running for offices at the federal, state and local levels in 20 states, including Florida, Hawaii, Kansas and Michigan; Maine's Zak Ringelstein, a Democrat, was its sole senatorial candidate.[44] Local chapters have endorsed 110 candidates.[45] Four female DSA members (Sara Innamorato, Summer Lee, Elizabeth Fiedler and Kristin Seale) won Democratic primary contests for seats in the Pennsylvania House of Representatives, two of them defeating conservative male Democratic incumbents.[46][47][48][49] Additionally, Jade Bahr and Amelia Marquez won their primaries in Montana for the State House[50] and Jeremy Mele won his primary for the Maine House of Representatives.[51][52] In California, Jovanka Beckles won one of the top two spots in the primary and advanced to the general election for a State Assembly seat in the East Bay.[53]

On June 26, DSA member and endorsee Alexandria Ocasio-Cortez won the Democratic primary against incumbent Representative Joseph Crowley in New York's 14th congressional district in a surprise upset, virtually guaranteeing her the congressional seat in the heavily Democratic district which spans parts of the Bronx and Queens.[54][55] However, Minority Leader Nancy Pelosi dismissed the win as "not to be viewed as something that stands for anything else"[56] and argued that it only represented change in one progressive district.[57] Conversely, head of the Democratic National Committee Tom Perez proclaimed her to be "the future of our party"[58] whereas the Trotskyist International Committee of the Fourth International critiqued her and the DSA as being a "left" cover for the "right-wing Democratic Party", particularly in regard to foreign policy.[59] Six weeks after Ocasio-Cortez's primary victory, DSA member and endorsee Rashida Tlaib won the Democratic primary in Michigan's 13th congressional district.[60] Both Ocasio-Cortez and Tlaib went on to win their respective general elections to become members of Congress. Ultimately, about a dozen members (or non-members who were endorsed) won office in their state legislatures.[61] In the aggregate, the DSA had backed 40 winning candidates at the state, county and municipal levels.[11][62]

Ocasio-Cortez's victory and the subsequent publicity for the DSA led to more than 1,000 new members joining the organization the next day, approximately 35 times the daily average[63] and

their largest ever one-day increase in membership.[64] These signups helped boost the organization to 42,000 members nationally in June 2018.[65] That number increased to 50,000 by September 1, 2018.[66]

The 2019 Chicago aldermanic elections saw six DSA members elected to the 50-seat Chicago City Council: incumbent Carlos Ramirez-Rosa as well as newcomers Daniel La Spata, Jeanette Taylor, Byron Sigcho-Lopez, Rossana Rodriguez-Sanchez, and Andre Vasquez.[67]"

# ***Demons, Gods and Protectors of Gentiles***

*High Priest Hooded Cobra 666*

*Post Tue Oct 25, 2016 8:38 am*

I will say few things, or close to no things in this post. I will let the historical facts talk for themselves. So as the Truth cuts as the strongest blade amidst lies. And because I so much enjoy seeing the jews grovel over their thoughtform lies, to claim everything they have stolen as their "own" and even have the nerves to "DICTATE" about it.

"Demons are a jewish invention and jewish mysticism" attempted a Rat Rabbi in Israel to convince the Goy based on a hoax of his race, thousands of years ago. "Stay away at all costs, Goy" he also added. According to a jewish fable in regards to this, "Demons" were very evil creatures (well, to him, who was a jew of course, and not to the Gentiles to whom they were friendly and Gods).

IT was real...In their mind:

Without further due... Some of these can be found online, others came from arduous searching in physical libraries. However, here these are. This is not even 1% of the Truth one can find based on a centered research. I just use this as a note for those who want to look into the matter.

**BEWARE: There are extreme corruptions in many texts as these were under the direct control, in translation, editing, or blatant corruption by the Vatican, Orthodox church, or the jews etc.**

---

Below the self-revealing quotes on the matter.

**Thomas Hobbes, the "Philosopher" of the 1600's, writes openly in his work, the infamous "Leviathan" [3]:**

**[Book IV, CH 45-46]**

"Of Daemonology and other Reliques of the Religion of the GENTILES. [...] And by that means they feared them (the Demons, the 'heathens of old') as things of an unknown, that is, of an unlimited power to doe them good, or harme; and consequently. given the occasion of the Governours and the HEATHEN (my note GENTILE) Common-wealths to regulate this their fear, by establishing Deamonology (in which the poets, as Principall Priests aof the HEATHEN Religion, were specially employed or revered) to the Publique Peace, and to the obedience of Subjects necessary thereunto; and to make some of them GOOD Daemons, and others EVIL; the one as a spurre to the observance, the other, as reins to withhold them from violation of the laws. [...]

The Graecians, by their Colonies and Conquests, communicated their Language and Writtings into ASIA, EGYPT, and ITALY and therein, by necessary consequence their DAEMONOLOGY or (as St.Paul called it) their DOCTRINES OF THE DEVILS: and by that means, the contagion was derived also to the Jewes, both of Judea and Alexandria, and other parts, whereinto they were dispersed. But the name of Daemon they did not (the jews) (as the Grecians) attribute to Spirits both Good and Evil, but to the evil one: and to the Good Daemons they gave them name of the Spirit of God; and esteemed those who entered the bodies of their prophets (The jews)."

My note- in Greek there are "Agathodemonēs" (Noble, good, exalted Demons) and others who are "Kakodemonēs" (such as what we would call the nefarious enemy angels of the hebrew system) that seek to harm and enslave mankind. In christianity, the evil spirits became the 'good' (because they were good to the jews) and the evil spirits that allied with the jews and their abrahamic programs, were posing nowadays as 'good'. Our Pagan Gods were portrayed as being heinous monsters.

**Catholic Encyclopedia: Devil Worship, <http://www.newadvent.org/cathen/04767a.htm>:**

"In the same way the Greeks and Romans may have worshiped their divinities, fondly believing them to be good. But the Christian Scriptures declare that all the gods of the Gentiles."

For more information read below.

**The Writings of Porphyry (Vita Politini Ch.10):**

"An Egyptian Priest came to Rome once and made acquaintance with Plotinus through a friend; the priest wanted to test his powers and suggested Plotinus to make the Demon that was born with him visible by conjuring. Plotinus gave a ready assent and conjuration took place in the Temple of Isis; because as it was, as it is told, the only 'pure' place the Egyptian could find in Rome. When the Demon was conjured to reveal itself, a God appeared who was not one of the Demons [the lower order of Gods was called Demons at this point]. And the Egyptian said to have called out : "Blessed are you because a God is by you as your Demon and not some demon of lower order!" But there was no opportunity to ask anything from the apparition or look at it longer; because a friend who was watching and holding birds in his hands to keep the purity of the place, squeezed them to death, be it out of envy or vague fear."

**Plotinus, "On Love" (6, 9):**

"Now we speak and think of the race of Gods as without affections or passions, but we attribute affections and passions to the Demons; we say they are eternal next after the Gods, but more inclining towards us, between the Gods [Higher 'order Demons] and our Race."

Later on the same book:

"But it is better not to call any being in the intelligible world a Demon, but even if there is an idea of a Demon, we should call it a GOD." [My note DEMONS ARE THE GODS OF THE GENTILES - They have their orders in ranking, evolution, and power, like humans do. Satan and many other Gods are in the top of the hierarchy, others are evolving but are lower.]

**In another of his books Plotinus writes, "On difficulties about the Soul":**

"There is nothing absurd in the Demons and spirits using their voice in air space, they are after all, living creatures of a particular kind. [...] Demons and Gods are beautiful, Demons cannot witness magick procedures with indifference, they can employ magick themselves, and they take their revenge (books IV, 4.43, 4.30, 8.5)"

**In The London encyclopedia: or, Universal dictionary of science, art ..., Volume 7, Plutarch Writes:**

"[...] According to a divine nature and justice, the souls of virtuous men are advanced to the rank of daemons; and that from demons, if they are properly purified, they are exalted into gods, not by any political institution, but according to right reason."

**Hesiod openly claims the people of the Golden Age became "Demons", Hesiod: Works And Days, translated by Hugh G. Evelyn-White:**

"(Il. 109-120) First of all the deathless gods who dwell on Olympus made a golden race of mortal men who lived in the time of Cronos when he was reigning in heaven. And they lived like gods without sorrow of heart, remote and free from toil and grief: miserable age rested not on them, but with legs and arms never failing they made merry with feasting beyond the reach of all evils. When they died, it was as though they were overcome with sleep, and they had all good things; for the fruitful earth unforced bare them fruit abundantly and without stint. They dwelt in ease and peace upon their lands with many good things, rich in flocks and loved by the blessed gods.

(Il. 121-139) But after earth had covered this generation -- they are called pure spirits dwelling on the earth, and are kindly, delivering from harm, and guardians of mortal men; for they roam everywhere over the earth, clothed in mist and keep watch on judgements and cruel deeds, givers of wealth; for this royal right also they received; "

**Again from the "The London encyclopedia: or, Universal dictionary of science, art ..., Volume 7"**

**"Much has been said about the Demon of Socrates; who dictated to the world that a friendly**

**spirit, whom he called his Demon, directed him to act on every important occasion in his life, and restrained him from impudence of conduct."**

In regards to why the jews are pedophiles, rapists, that call other people "Goyim" (animals in Hebrew, projecting what they are onto their enemies as ALWAYS), are masters of lying, organ trafficking, all sorts of disgusting and deplorable, criminal actions. This should also answer all of you why the Vatican, the most "Holy" is a hotbed of rape, destruction, warmongering, race mixing, and all sorts of other abominations on earth...Read below:

**From "De Ente Spirituality", by "Franz Hartmann":**

Paracelsus writes: "A healthy and pure person cannot become obsessed by them, because such Larvæ can only act upon men if the later make room for them in their minds. A healthy mind is a castle that cannot be invaded without the will of its master; but if they are allowed to enter, they excite the passions of men and women, they create cravings in them, they produce bad thoughts which act injuriously upon the brain; they sharpen the animal intellect and suffocate the moral sense. Evil spirits obsess only those human beings in whom the animal nature is predominating. Minds that are illuminated by the spirit of truth cannot be possessed; only those who are habitually guided by their own lower impulses may become subjected to their influences."

## Demons and the Age of Pisces to Aquarius, Human Genius

-High Priest Hooded Cobra 666

Greetings to all our Comrades and Satanic people.

Now as most of you people here do know, as you know the Ancient history of the beings that ended up to be labelled by Demons in the recent hundreds of years, or the last two thousand years, you can evidently understand something. These beings were in no way negatively labelled in the past. This is fairly easy to see. Same as the Pagan Gods. They were all revered, loved and admired beings. They helped Humanity civilize, rise higher than its problems, create civilization, learn the ways to elevate itself on the highest heights. They turned us from mere animals that didn't know how to exist, into civilized, self-conscious entities. They were our loving teachers and mentors, protectors of households, countries, babies, animals and the list goes. We loved them back in the unbreakable bond of love, for which for many people survives for lifetimes.

The problems and defamation in regards to these beings, came only after the jews. Naturally, what is protective to us, like the Demons, who care about our wellbeing, defended us and tried to warn us against the jews. This is the reason the enemy hates the Demons, and with a fierce and murderous passion. They have taken all the routes possible to lie about the Pagan Gods (nowadays labeled as Demons), they have made everything to eradicate the proof of their existence, how much they were loved by Humanity and how close we were to them. They were our Gods. For those who know of one step more, they know they actually created us and planted us here and they know the story behind the ET theory of the Demons as we shared it.

Since, the enemy has tried to cover this up and destroy the Demonic legacy, same as the knowledge about magick, how to build civilizations, and the important and crucial information the Gods handed us down for our survival. Parts of these knowledge was that beings must never grow spiritually unconscious, people must be bonded, racially separated, hold good relations with their neighborhood states, cultivate the Earth in healthy ways. All these things can be seen evidently in all Ancient cities and states. Also, traditionally, all Races had a place where they were to be and exist, which is why many people are adjusted to different climates, by the laws of nature.

The enemy hates the Demons, and scorns them, lies about them and wants to sever our connection with them and our communication, so that we are alone and helpless. On the meanwhile, the enemy keeps tabs and communications with their own "ethereal" beings, namely the angels, "JHVH" and the company, for guiding the fate of the Jewish race and at the same time, find ways to exterminate all other Gentiles. This goes far deeper, into full blown warfare, between the Gentiles and the Jews. Satan and Lilith, being the original "parents" of Humanity, are getting most of the hatred and blame. The enemy wants to completely eradicate the existence of the Demons.

The fact that we know about our Ancient religion, was due to coincidences of a positive nature, so that we can finally know. The enemy tried to destroy ALL Pagan orders, ALL information, no different than how the Middle Ages killed "Witches", or how the Jewish created "ISIS" (blasphemy to our beloved Astarte) are blowing up temples and chasing the Yezidis into extinction. The "Abrahamic religions", which are from the Jewish forefather, "Abraham" are responsible for this.

Also our people need to be aware of the supposed "ET" webpages and "Theories" that are coming increasingly up as time goes. As it's evident, the enemy is a poisoner. Humanity was advancing, everyone had their own pace, until the Jews decided by the slave trade and forcing mass immigration (this isn't happening only today, but is a well-known ancient method, for instance the Turkish invasion of the West was instigated by the Jewish racial caste who was deep into the "Ottoman Empire") and wipe us all out. The enemy wants us wiped out and to enslave the rest. This goal is arrayed into the Bible. As the "ET" theories of today, many of these theories try to cover up the emerging Truth of our Ancient past. The enemy lies endlessly and they make up so many stories, that I can't really go into most of these, as we have done this before. It should be open to see for people who are spiritually higher. Spirituality answers everything on its own. Satanism means literally, Truth-ism, because Satanism is actually from the Sanskrit root of Satyan, meaning, Eternal Truth.

Literally, so many people are bleeding out all their mental issues, misinfo, Christianity, communism etc, by trying to make up more theories based on these theories. The Truths are however evident. The Gods first of all, separated all the Races on the planet on their Regions and advised AGAINST any Race mixing. All serious Ancient cultures, advised AGAINST race mixing. Naturally, people do NOT want to Race mix. This is why there are tons of propaganda to create this false communist "all equal and same" reality the enemy preaches. It would never happen otherwise. The only real solution for peace and evolution is for Races to return to their grounds, be allowed of their natural right to advance, thrive and become better.

Now in regards to the Age of Pisces and the transition to the Aquarian Age.

The New Agers and many other nuts, do assume and believe that this transition means anything by itself. In fact, it means not many things, or closely to nothing. The Age of Pisces was meant to an age of spiritual advancement, understanding, healthy compassion, deep unconscious exploration, wisdom, and of spiritual beauty, love for nature and other beings. Nothing of these things happened, thanks to the Jewish alien hybrids. The enemy merely used all the above, preyed on them, perverted them and abused these notions to create a slave racial dictatorship over the planet. The woes of love are evidently, nothing but a new

xianity, modernized rabbinical judaism in disguise.

Love has become sadomasochism, self-mutilation and destruction, slavery and even worse, death. Love has never been lower, more perverted and more worthless of a word than today, as everyone is using it and it doesn't really exist at all. People don't even love themselves, the planet, or anything else anymore. People think they are elevated, knowledgeable and happy, but they are actually living zombies walking around without a purpose in existence. The enemy chose to prey on this emotion specifically, as love, mutual understanding and beauty all have to do with Pisces. By hijacking the greater idea of the Piscean millennium, the enemy contaminated it and ruled by it. The results everyone can readily see now, as this monstrosity they created is collapsing.

The jews enslaved many Races in these last centuries, they totally destroyed and tried to wipe out the White Race, enslaved India after they took over the West, then the Black people, Destroyed the Chinese people by Communism, Wiped out again through instigation of WW1 and WW2 half of White Europe etc, exterminated ALL the old Ancient Occult Pagan Orders, the Eternal Truths known before were replaced with lies, victimization became a virtue, slavery became a thing to be cherished. The enemy then forcibly tried to mix these Races (dissolution also rules Pisces), through confusion and mass brainwashing.

Mass brainwashing became the law, wrong "gods" became Gods and the old Gods were attempted to be overthrown by the jews, suddenly the whole world found themselves with "Jesus" and other jewish imbeciles, the lie of Mohhamedanism turned the Middle East into a literal death hole, the list goes on and is endless. Now, as the illusions climax, people are bluffed so much as to want to remove their gender, with socially self-undoing (also a Piscean negative trait) prevalent social ideas. For Whites that is. Whites have been attempted both direct destruction and death, genocide and also, programming for them to destroy themselves. Deception is rampant (to where millions die everyday by hallucinogens like cigarettes, alcohol and drugs, death cults, mere purposeless suicide, depression which also rules pisces) etc. All these are in the downside of Pisces, of illusions, delusions, suicide, weakness, meekness, confusion and mass fear. Pisces also rules deep deceptions and lying, and everything that is hidden from the consciousness, all of which are negative traits and represent completely the jew. The jew being a catalyzing element, they are in essence deadly for all other Gentile people. They themselves state that they are separate, above and alone from all other Races, who they only see as cattle slaves.

This right now ties into the transitory phase between this Age and the Next age.

In the same way, the Age of Aquarius comes with very serious potentiality. On the upside, we can have an Age of high spiritualism, love of facts and knowledge, exceptional power given to individual human beings, personal and spiritual liberation, exceptional scientific advances, getting off the Karmic Wheel, experiencing the Universe, freeing the Soul of Humanity, sudden realizations, destruction of lies, curing of diseases, great scientists and people of renown will be born and the average person will be elevated higher than ever before etc. The Age of Aquarius also has to do with Truth, inventions etc. Nicola Tesla was a blessing to Humanity a Soul that came to give us the keys into the next Aquarian Age, which the enemy jew also destroyed indirectly, and promoted the shill Einstein. Tesla is the reason we have electric current and he is the Father of Electricity, worldwide, on the whole planet.

**Most importantly; Humanity is seeking and finding its Divine and Racial root. In our Pagan and Ancient Gods, who created us. The enemy wants to destroy this, taint it and lie about it, so that we will lose our way. No Races, no Ancestral line, no feeling of belonging to our Race, no different and Divine Future for each of the Gentile Races.**

Adolf Hitler came as a representation of the Aquarian Age. Not as a insane dictator as the enemy claims. Adolf Hitler was love inside, and outside of Germany. He was a genius and a leader of gigantic proportions, loved in all corners of the Earth on his time, and beyond.

Adolf Hitler created a paradisiac state based on laws of nature, compassion, racial understanding and with the aim of advancing Humanity and becoming a paradigm for others to follow. Everyone to one's own, guiding one's own racial fate, free, separated, as Nature intended, so that Humans are happy and free and they advance on the timeline Nature intends. Humane relations and friendship, not in accordance to weakness, meekness and senseless mercy, but loyalty in one's race and higher purpose in existence.

He gave as much power as possible for the times to the common people, in education, sexual freedoms, the freedom of belonging, rampant advances in the health sciences, all technology, the creation of Jobs and pensions so people can retire peacefully, pinnacles of civilization like the Olympic games, mass industrialization, affordability of goods, affordable cars and housing, marvelous buildings that weren't private property but property for all, and above all, revelation of the jewish criminal element worldwide. He was attacked and the creation of these people destroyed, fiercely, with them being chased down to die brutally.

The enemy, 70 years after, wants a second round on destroying these people and wiping out the White Race. There hasn't been ONE day that Hitler's Name has been defamed and cursed. Why? Because Hitler wanted the best for his people and made up a high paradigm, that others could follow and overthrow the jew, and Humanity would return in paradise once again. Hitler went against slavery of both the Palestinians, same as the states like jew ruled England, who had occupied India and "colonized" it.

Adolf Hitler did another major thing. He brought Paganism in the FRONT. He guided people back to their Pagan roots. Imagine if all people in the world did the same, and found the spiritual atrocities of the jew. How much hatred would arise? Where would they be now?

Hitler however couldn't do anything alone, at this point, but he did the Greatest thing in Human history. He shook Humanity to wake up. The jewish system made everything they could so that the manifold visions of these great men of the time, remained in vain. This is what the enemy thinks, that this is over. They happily over extended themselves to tell anyone about it. Now you see them whining all day about how they have been rediscovered, and hated again more fiercely than ever before, over what they have done. The enemy has no sense of justice. But Justice exists.

The opportunity to advance Humanity thousands of years was here, with people like Hitler, Tesla, Ford, Werner Von Braun (father of Rocket Science), Walt Disney and so many others.

Everyone in the planet would gladly benefit, except of the jew. Because the jew thrives by death, parasitizing and enslaving "progress". **These people came with GIFTS to Humanity and they were backstabbed by the jew, who thinks themselves as cattle owner of Humanity. Therefore, the fact that THEY couldn't benefit, was ENOUGH.**

The White people did not come as oppressors or monsters. They came as liberators and enemies of the jew, who manipulates and destroys Humanity for too long. The people of understanding of Truth from all places in the world understand and have understood that the jew must be dealt with. Everyone knows and is getting educated about this mutual abcess on the body of Humanity.

**The jew emphatically and hatefully REFUSED.** They would rather murder EVERYONE, than

allow themselves to live somewhere far away and stop parasitizing and killing the rest of mankind. Its in their nature. A flea cannot live without blood. So they keep devising more nefarious plans, catching up with the times.

The enemy however, still exists and they see all the above as a great opportunity to destroy and feast upon Humanity once more. They want to turn this Age of Freedom into an Age of complete and total slavery, through the fake frontier of freedom. However, when one sees "before" their veiled lies, you can see the Truth.

The Rabbis (Spiritual Guides of the Jewish Race) state that if they are successful, what is coming for them is the "Messianic Era", upon which, the jews will rule a global state, each will own 2800 slaves, all the World's Wealth will be on their hands, people will be forcibly controlled by technology, and as thus, jews will be turned to "Liberated Jews" and the World will become a paradise for jews, who will reign it from above, completely and forever beyond the reach of any "Goyim" (Gentiles) that want to reach them. Not only this, but Talmudic Rabbis have an actual, physical date for this.

This date is around 2150, where they say that EVERYTHING will be "paved" for the "Coming of the Jewish Messiah". Everything meaning, all cultures gone, all the people that are needed dead will be dead, all the religions of the World will be gone, history will have been wiped out, so that their "leader" will come and rule the remaining clump of Humanity, with a rod of iron, through a technological nightmare communist global state with the center of it, being Israel. This is not anyone's wishful thinking. This is the Bible and the Words of the jews themselves. The jews tried to halt and destroy science for centuries. Its well-known that Humanity was ascending higher and higher, becoming Gods of their own fate, but the jews halted and destroyed these, in Rome, Egypt, Ancient Greece and elsewhere. Now, because since of the times, they cannot stop this, they just want to use the times to their benefit.

The enemy just envisions a world like the "Matrix movie" where everyone is locked inside a virtual reality, or a world full of robots who will eventually steal off the work of all Human beings. This is the blueprint of Marxism, as Marx was the Son of a Rabbi and merely talked of the aims of his alien Race. Then, Human beings will die of starvation and the jews will just keep a moderate amount of people on the planet, just to have them as their slaves, through technological means. All others will be destroyed.

All these are sayings of Rabbis everyone can find with one mere google search. One good instance to understand the upcoming Age, is the Internet. The Internet gave power to the average people to actually see the Truth again, but on the downside, we have the deepweb and the criminality inside it, or the enemy constantly brainwashing people THROUGH the internet, push all sorts of lies, etc. At the same time, they tried to censor, destroy and they actively admit they manipulate the internet, to turn it to their advantage. However, the internet has been the undoing of the enemy. WWW in jewish Gematria is 666, which is the number of Satan, the enemy of the Jews. Satan is hated because he gives freedoms, understanding and wisdom to Humanity. Satan is the Father of Humanity.

**NOTHING WILL HAPPEN "ON ITS OWN". These are just POSSIBILITIES and TENDENCIES of the FUTURE to**

**COME. These are \*NOT\* set in stone in ANYWAY! Do not let the enemy fool you. If anyone let's up on the enemy, we are sure to experience the \*END\* of Humanity in this new epoch.**

The enemy is also glaringly aware of their revelation and possible failure. This is why they all whine about our uprising and us finding Satan and the Gods. Through this return to Ancient Pagan-hood, we can return to our Divine state and normalcy, socially, spiritually, intellectually and in all ways.

As the Demons warned us about the Jew, we have come to understand their message. Now Humanity must act on it.

One last thing. Right now, in the midst of this disaster, we had the great opportunity to be able to unite all people on Earth under a common Pagan banner, so that people must all save themselves. This is magnificent. **As the jew is a global element, the people who fight the jewish contamination must also become a global element.** We can only solve this racially separated and together, by not forgetting our common root and the destruction the jew has inflicted upon all people on Earth. The matter of saving Humanity has become a global issue. This also involves the planet. For all the lies of jews that exist in every household, every place in the World, there must also exist a Satanist, a Truth bearer, everywhere, in every home, country and state, to set their lies into the purging, once and for all.

May all the Satanic Souls be blessed,

May the Satanic Soul be Hailed,

May Satan bless our Effort!

Now and Forever!!!!

HAIL SATAN!!!!!!

What is important for everyone to remember is that the enemy is a done deal. This has to be kept in mind in all interaction and all things seen from and by the enemy.

Asmodeus in the book of "Solomon" told the crapper "Solomon" (this is a fable but in these there can be found notions of actual events) explicitly, that the tyranny of the enemy over our Gods is just a short joke.

The enemy and jews are as typical blinded by the present. They believe they are too high for a few decades of half-assedly doing a few steps forward. Imagine however how do beings that are 20 thousand or 50 thousand years old do look upon them. People come and go but they are forever. And when some wars are declared against some beings like that, it is done before it ever began.

Demons have been filling the grounds with their enemies for centuries. The height of the enemy's power or motivations did not matter. Not long ago I read how a top Rabbi in New York attempted to summon a Demon in order to abuse him and get him to do something.

The Rabbi died, his family got plagued to death, and a series of other events followed. Any punishment that can be imposed by humans is just irrelevant to what these beings can do. Nobody sane would want them as his enemies, if only if they knew.

Few jews have tried to appease them and stop this old war they have waged to no avail. This is because some of them understand this was the most possibly wrong decision. The Gods turn them down. There is fury for retaliation on the side of the Demons against them, and this has extended for centuries. If the Demons are in a bad reputation, this is only because of the enemy.

The enemy's thoughform has basically been almost collapsed. The Ancient Gods are more powerful than ever before in recent history and the enemy cannot do anything about this.

The weapons of a spiritual nature, plus the knowledge required, has also been successfully distributed.

What remains is for more and more people to come to put these into use, which will of course happen, coupled with unavoidable awakening of the masses due to the enemy's blatant terrorist work. The only option of the enemy is to intensify this terrorism they do and dig their hole deeper.

Nothing can save them now and there is no turning back. Efforts, ie, education and the final RTR are going to just accelerate this conclusive end result.

The Demons have been wronged and attacked by the enemy beyond any reason. They are resolute and happy to take the enemy down. The wise ones of the enemy also know they have fucked up, despite of how many of them are very arrogant.

Just by maintaining the Final RTR, the Race Awakening Ritual (will be done very soon again) plus what else needs to be done, what is unavoidably coming will be accelerated to the fullest extent.

The enemy is on a spree of doing spastic moves that will not only not further their plan to help themselves, but will just accelerate their own demise.

One of these things is for example censorship and how carelessly they reveal themselves to the public of being terrorists and criminals. This has been backfiring on them real bad.

The enemy is also so stupid that they further this situation irrespectively of if this is going to destroy them. 99% of Gentiles are sure to survive as a species any event of any magnitude. The same cannot be said for the enemy, despite of arrogant words.

All Dedicated Satanists must stay steadfast in warfare against the enemy to deliver Justice on this world. Too many have died and too many have been mistreated, higher up beings and lower.

All these souls seek vengeance and all people have to do is simply open the doors and let loose the abyssal chaos. The Gods have been waiting for the dish of revenge which will be cold for a very very long time, hungering than ever for violent revenge against the enemy. There is no turning back from this for nobody involved and that is perfect.

Think how some Demons like Andras and Beelzebub do see the enemy after all they have done. Their old and worn out enemy servants will cross the other side and find themselves startled that their enemies were there to greet them. The enemy has lost astral power and they know this. Satan in the end has Won.

Vlad Tepes Mode of spirit warfare will be initiated. All efforts against the enemy are to be intensified, doubled or tripled.

## The Truth About Demons

\*\*Recently, myself and three other High Priests and a High Priestess performed energy work with the Demons. They are NOT monsters. Many are well known and popular EGYPTIAN GODS. For centuries, they have been spiritually abused using enemy god names, nine foot circles and a plethora of blasphemies and insults. This is the reason many appeared as monsters. The Demons are all of the Pre-Christian Gods; the ORIGINAL GODS.

High Priestess Maxine Dietrich, May, 2003

THE DEMONS ARE NOT EVIL! Because of the perversions of good and evil by the mainstream religions and society in general, many people are confused. (Read my sermon on “freethought”). There is no reason one should fear Satan’s Demons. When treated with respect and approached with honest intentions, they are truly wonderful.

Their greater purpose is to teach humanity. As for purposes of revenge and the punishment of enemies, this is a part of learning, as justice is essential. Turning the other cheek creates true lawlessness, chaos and the eventual collapse of civilized society. Revenge and justice are necessary, for without correction; offenders only continue in their abusive behavior and freely abuse others.

When we make friends with the Demons, they often visit revenge upon those whose intention is to wrong us, and they also watch our backs. I have seen my enemies and the enemies of my loved ones punished before I even had to ask.

Many of the Demons specialize in the teaching of ethics. This right here attests to the reality that Demons are not evil. Responsibility to the responsible. Honor and truth are VERY important to Satan. Satan looks with hatred upon those who are cowards and are too weak to take responsibility for their actions. Satan represents the strong and the just.

The Demons are the Nephilim, (the Original Gods) the ancient extra-terrestrials who came to Earth to mine for gold thousands of years ago. They are very intellectually, physically and spiritually advanced. Many took human wives/husbands and were cursed for this by other Gods who opposed anything that would educate or elevate human beings above that of an animal. Human beings were intended to be slaves and when the mining project was finished, they were to be destroyed. The Demons befriended humans and wished for us to become as the Gods, just as Father Satan attempted to bring humans godly knowledge and power. For this, they were cursed and punished.

The Demons are very human friendly. I have had the privilege of having them work with me and teach me. I have established true friendships with several Demons who have helped me in so many ways. I have learned so much from my Demon teachers. Given the destruction of ancient libraries and centers of learning by Xians, so much knowledge has been lost forever. Sometimes Demons can be strict in encouraging us to better ourselves, but this is for our own well being and development. Satan states in the Al Jilwah: “I lead to the straight path without a revealed book.”

The popular grimoires and occult books available in the mainstream bookstores are a major source of trouble. The grimoires were written by rabbis and Xians. The Demons are NOT “empty shells” as kabbalists claim. They are not the “qliphoth.” The Demons I have worked with have very powerful, positive energy and are very much alive. Since we performed energy work on them, they have drastically increased their power. Many of them now have very bright auras.

Concerning vampirism and the “qliphoth,” the Xian “God” exemplifies both, as most Xians are spiritually depleted. Look at the Catholic Pope- he is an empty shell. The doctrines of the right hand path religions advocating asceticism, self-denial and other anti-life practices harmful to human beings are representative of “qliphoth.” The teachings concerning the qliphoth are another way the enemy denigrates and slanders our Gods.

There is a lower order of Demons. They have fiery red eyes and the rubbery wings. They serve purposes such as protection, or chasing off enemy spirits and are assistants to higher ranking Demons. When we summon the Demons, they sometimes manifest themselves through astral projection. Normally, they communicate with us telepathically.

## How to Summon Demons

The most important thing you can do is forget everything you have been taught about Demons from sources that are hostile to Satanism.

There is nothing but misinformation from most of the readily available and most popular writings. Following the instructions written in most grimoires is not only wrong, but can be very dangerous. My own experience with various Demons is that they are very proud and being respectful is very important.

Recently, several High Priests and High Priestesses performed energy work with many different Demons including all of the Demons of the Goetia. All 72 of the Goetic Demons have been freed and many more. We found the true identities of most of these Demons. Many have used different aliases in order to avoid being viciously abused. These Demons, unlike the descriptions given in many of the old grimoires are not monsters. They are beautiful, popular, and important Gods.

ASMODEUS TOLD SOLOMON:

*“SO ASK ME NOT MANY THINGS; FOR THY KINGDOM ALSO AFTER A LITTLE TIME IS TO BE DISRUPTED AND THY GLORY IS BUT FOR A SEASON, AND SHORT WILL BE THY TYRANNY OVER US.”*

Demons are immortal; a “season” is but a few thousand years to them. The Christian “God” is losing power. Father Satan has informed me that our side has won. We warn everyone: using the spiritually abusive methods of the old grimoires is not only foolish, but will inevitably result in personal disaster. The Demons must always be approached with extreme honesty and respect. The days of using enemy “God” names, nine-foot circles, threats and other destructive and abusive methods are over. Don’t say you weren’t warned...

When we are new, most of the Demons are willing to help us. The goal of Satanism is to become as a god. This means self-empowerment.

As we progress through our own efforts, we become more and more adept. We should be able to rely upon our own powers instead of the powers of others outside of us.

The Demons are best when it comes to imparting knowledge and wisdom, so that we may learn and advance our own powers.

As we progress, we should be able to be competent in all aspects of magick and be able to influence others and our environments on our own, without any outside help. Although, even with an adept, there may be circumstances where issues can be overwhelming and the help of a Demon is needed. For spiritual guidance, the Demons are here for us at all levels, from those who are new, to those who are advanced.

From my own experiences, I would highly recommend to those of you who are serious in progressing spiritually, to establish a close and strong relationship with a Demon who is willing to work with you and guide you along the left hand path. This can be a very rewarding experience to say the least.

How to summon:

Always treat the Demons with honesty and respect. Never command, demand or try to exploit them in any way.

#### THE CORRECT METHODS FOR SUMMONING A DEMON:

1. Know the Demon you intend to summon. This website lists the attributes and available knowledge about different Demons. All of the Goetic Demons are human friendly, as we know from experience.
2. It is important to have a specific purpose; know exactly \*why\* you are summoning a particular Demon.
3. When we ask assistance from a Demon, it is only proper to offer something in return. Be prepared to give something in return. This is something both you and the Demon should agree upon. Remember, the Elder Gods value one's word, honesty, integrity and one's honor as the utmost importance. NEVER agree to anything you know you cannot follow through on.
4. Know the method you plan to use to communicate with the Demon.

One of the most important steps in the summoning of a Demon you are not yet familiar with, is to go through Satan.

The reasons for this are serious. Not all Demons are friendly to humans, nor are all Demons of Satan. Satan has authority over all of the Goetic Demons. Most Demons are friendly when treated with respect and summonings result in a positive experience. I have found many Demons that have caused outsiders problems are often friendly to a confirmed Satanist.

I have learned much through my own interactions with Demons and through the many experiences of others, both the laity and the Ministry. Experience is, as always, the best teacher.

There are different levels of experience when one establishes contact with a Demon:

1. The Demon speaks to us through our thoughts (telepathy). With telepathy, the words of the Demon come to us through our thoughts. In the beginning, it can be difficult for those who are not as sensitive or lack psychic ability to differentiate between the communication from another entity and their own thoughts. With power meditation and experience, this becomes much easier over time.
2. We see and hear the Demon. This is with people who are more psychic and open.
3. We invoke the energy of the Demon. This is powerful and electrifying. We are engulfed in a strong aura. During this time, we will often hear the Demon speak to us and we may in addition, see the Demon.
4. During an actual summoning, the Demon appears and speaks to us through scrying into a mirror, in the smoke of the incense, or in some other manner. This is best for those who are new. With scrying, if we are sensitive enough, we can often feel the Demon touch us if he/she chooses to do so.
5. Tangible contact; objects in our rooms are moved, there is actual physical evidence of the Demon having been present.

There are accounts in popular books concerning extremely powerful energies encountered when evoking a Demon. To my knowledge, no one using the methods outlined on this website has ever experienced anything negative or overwhelming. I have invoked Demons many times and the energy was never beyond anything I couldn't handle or in any way uncomfortable.

#### Methods:

Copy, print out or draw the sigil of the Demon you wish to summon on clean paper. It is important that you be left alone and not disturbed in any way. Close your eyes and visualize the sigil in your mind as best you can. It is ok to open them and look at the sigil again ( as many times as needed) to get a clearer image. While visualizing, recite, or chant the name of the Demon repeatedly either in your mind or aloud.

Recite the following prayer:

*Lord Satan, by your grace, grant me, I pray thee the power to conceive in my mind and to execute that which I desire to do, the end which I would attain by thy help, O Mighty Satan, the one True God who livest and reignest forever and ever. I entreat thee to inspire (name of Demon) to manifest before me that he/she may give me true and faithful answer, so that I may accomplish my desired end, provided that it is proper to his/her office. This I respectfully and humbly ask in Your Name, Lord Satan, may you deem me worthy, Father.*

The Demon can manifest in different ways.

- Through a mirror as in “scrying.” You will see the Demon in the mirror.
- Through the smoke of the incense
- The Demon appears directly, when one is sensitive enough and in a deep meditative state.

Prepare your area. Your first summoning rituals should be performed at night. The reasons for this are the energies are different at night from those during the day and it is easier to be alone and free from distractions. When one has established relationships with certain Demons, it is no longer necessary to perform a formal summoning ritual. The Demon can appear to us night or day and all we need do is concentrate to contact them through telepathy.

You will need:

- A quiet place where you will not be disturbed.
- Quality incense with a pleasing fragrance. I strongly recommend when working with any new incense to try it out before the actual ritual or summoning as cheap stinking incense is insulting to the spirits and can be embarrassing in any ritual. See INCENSE
- One or more black or blue candles. Black is choice, but blue is ok for a substitute if you cannot obtain black. Also, if available, the candle color of the specific Demon you wish to summon. (These are listed on this website).
- Your paper containing the Demon’s sigil.

When finished with the sigil, find a safe place to store it, preferably in your own black book or journal. ALWAYS treat this paper/sigil with extreme respect and NEVER burn it! The sigil can be reused. There is no need for a nine-foot circle. Demons \*hate\* circles and there is no need for a “license to depart” as both are offensive and insulting. Treat the Demons with respect and in turn, you will receive the same.

After the petition to Satan, you should feel his positive energy. This is a good sign and a go-ahead. If for some reason the Demon doesn’t answer, try another time. Many times the Demon does appear, but those who are new to summoning are not psychically open enough or experienced to sense him/her.

Most people have had to perform the summoning ritual more than once for the Demon to manifest. Often, the Demon does answer, but many are not aware. Look for coincidences and things out of the ordinary. Awareness here is everything.

Always offer a token of appreciation and gratitude in return for his/her services. Some ideas are publicity for the Demon, working against Christianity, working to advance Satanism or any service that you both can agree upon.

\*\*I have received many personal e-mails and many posts have been made to the Joy of Satan e-groups concerning the summoning of Demons and the trouble some people have with seeing, hearing and sensing the presence of a Demon.

People come to Satanism with differing levels of psychic ability. Psychic ability is when one's soul is open enough to sense things that most others cannot. This is the goal of Spiritual Satanism: empowering humanity spiritually. Human souls have been sealed up, so little if anything other than the material world can be accessed. The judeo/xian churches always have been and are a tool for removing spiritual knowledge and replacing it with lies and total materialism. The effect has been that through the centuries, humanity has experienced generational atrophy of the soul and spirit. People who have had psychic experiences are often at a loss to explain or even understand them.

Some of us who have been with Satan throughout many reincarnations are more psychically open. This also applies to anyone who worked in any of their past lives to develop their souls and psychic powers.

There are plenty of people who have not developed their powers in their past lives or in this life and as a result, they are unable to sense the presence of Demons when they summon them. Many of these people feel they are being ignored or they may feel disillusioned. There is no need to feel this way as psychic senses and abilities can be developed at any time through power meditation, which is the foundation of Spiritual Satanism.

For those of you who are having problems, please be patient and try working on yourself for a while with a meditation program. Later on, you should try again to summon a Demon. Awareness is also important as well. Look for coincidences or answers to your questions and concerns. Do not limit yourself, as answers can come from many different sources and in some of the most unusual ways one would never expect.

If you tried summoning for several times with no luck, you need to meditate regularly. Every Spiritual Satanist should meditate on a regular basis, regardless of present ability.

## Daemon

So much has been distorted, warped and perverted by enemy religions. Here is the original meaning of Daemon/Demon-

Daemon: "In Greek myth, an intermediate spirit between men and Gods. Daemons such as the one who guided Socrates act as councilors and guardians to human beings."

Another definition:

Demon and daemon were once used interchangeably. The former came to English from medieval Latin, while the latter was from classical Latin. The earliest use appears to have been in the phrase daemon of Socrates, which was his "attendant, ministering, or indwelling spirit; genius". That was in the late 14th century. It was a short time later that the term Demon came to refer to "an evil spirit" by influence of its usage in various versions of the Bible. The Greek form was used to translate Hebrew words for "lords, idols" and "hairy ones (satyrs)". Wyclif translated it from Greek to English fiend or devil. This is how the evil connotation arose. By the late 16th century, the general supernatural meaning was being distinguished with the spelling daemon, while the evil meaning remained Demon.

## Magickal Evocation and Invocation

There are basically two ways of summoning an entity or working with energy: “Evocation” and “Invocation.” Spiritual evocation is summoning an entity whether it be a Demon, spirit, deceased person, or elemental and the being appears outside of the operator. When working with energy, the energy is always on the outside of the operator and never inside his/her body. With evocation, there is never a direct tie or connection.

Invocation is taking the spirit into one’s self. The being actually enters the operator’s body. An example is invoking a Demon and the Demon speaks through the operator using his/her voice to communicate. Often when this happens, one’s voice may change, becoming deeper, raspy, or different in some way. During séances, often the medium is able to produce a substance called “ectoplasm” to provide a luminescent material in order for the evoked spirit to manifest itself visibly. This is a form of invocation as there is a direct connection with the spirit and the medium.

There are many different beings. One thing I have learned is with Satan’s Demons, when they enter us; they never harm us in any way. We are always conscious and fully aware. When they are speaking through us, we are aware of what they are saying and rarely is anything ever forced. One doesn’t experience gaps or “missing time” as those who invoke angelic beings have. Angels often masquerade as Demons. There are entities that are NOT of Satan and when they are invited in (usually these are angels or related ilk) they will take over and cause harm to the person who invoked them and the individual will not have any memory of the event. They will have missing time and more than likely other lingering problems as well.

Satan is the bringer of knowledge. He has no reason to cause anyone to forget something or have lapses in memory in order to hide something. People who dabble with angels and other astral entities of whom they are not familiar with can experience these problems, and then of course, through ignorance and foolishness they blame “The Devil.”

Some Demons come around and like to play. One time when I was at work, a coworker showed me a photo of his girlfriend. I felt a Demon enter me and he said to me “go ahead.” I began reading her. The co-worker was surprised at my accuracy. Of course, this was my Demon friend speaking through me. Most available texts on spells and magick, due to a lack of knowledge (spiritual and magickal knowledge was removed and obliterated by the Christian church), not only give wrongful instructions, but instructions that can also be very dangerous when working black magick, using death energy and other destructive forces.

There is a great difference between evocation and invocation. When we invoke energy or spirits, we create a link to the energy or spirit through ourselves. Obviously, if one is using destructive or death energy, this can be very dangerous. Invocation also includes building up energy within one’s soul and discharging it through one’s aura and/or chakras. This creates a tie to the victim.

Most black magick spells that go wrong do so because of errors on the part of the mage. There are other reasons for a black magick working going wrong such as the victim having a powerful aura that is able to deflect negative energy; the victim is under powerful spiritual protection (If one is under Satan’s protection, nothing can touch him/her) or bad timing on the part of the mage. There can be other reasons, but the above are the most common.

Even white magick where healing is concerned can pose problems to the mage who invokes the energy before applying it. Any time energy is invoked, a powerful connection is established. Obviously, no one in his/her right mind would want to connect with a disease.

If the mage is working on money, personal power or some other positive application of energy, then invoking is desirable. This also goes for love spells and workings of lust.

One must know the difference when working a spell, as ignorance or misapplication of the above can result in a spell backfiring or other undesirable outcomes.

For Example- Evoking Death Energy: The advanced mage should be familiar with this energy. Death energy is prevalent in mortuaries, cemeteries, places where wars were fought, where massacres occurred and other places of death. The energy is grey, dismal, and depressing. The mage should go into a trance, surround him/herself with the energy, but **\*NOT\*** take it into his/her body. The mage should direct the energy using his/her will and visualization into a ball or other form. The energy should be condensed tighter and tighter into the ball or form for power. The formed energy can then be expanded or contracted according to how the mage intends for it to be delivered to the victim. If delivering to the victim's chakras, the energy should be tightly compacted, and exploded, or expanded upon entry into the victim's body. If the energy is to collect and adhere to the victim's aura, the energy should be expanded to envelope the entire aura. Variations can be used according to one's individual preferences.

## FAQ About Demons

I performed the ritual, but the Demon didn't show up

Answer:

I have gotten many e-mails from people who, after several attempts at summoning, the Demon finally appeared and after this, all summonings went fine. The reasons for this are one is new and/or not psychically open enough to sense the presence of the Demon. Persistence and patience pay off in results. Satan is strong on one having patience.

How do I know if the Demon heard my summoning?

Answer:

Again, this is probably because you are new. Look for subtle signs like candles and/or incense flaring up, sizzling during the ritual, sometimes if you are open enough, the Demon will physically touch you. Demons often wait to come to us in our dreams. Objects can be moved, doors can be open or closed, breezes out of nowhere, feeling the Demon's energy and so forth. Just be open and aware. Look for coincidences.

What if I can't find candles in the right color?

Answer:

Do the best you can to come as close to the color as you are able to. Because of xian control and pressure, many places where black candles and other colors used in Satanic rituals are sold are becoming scarce.

Your desire and what is in your heart and mind are more important than the candle color.

Can Demons be summoned only at night?

Answer:

The first time you summon, ideally, should be done at night. Nighttime is usually quiet and more conducive to psychic workings. The right (psychic) side of the brain is by nature more active during the hours of darkness. Once you establish a relationship with a Demon, you can summon him/her telepathically at any time by concentration alone, unless the Demon feels otherwise. He/she will let you know. If the Demon is busy, which is often the case; he/she may acknowledge you at a later time, usually within a day.

Do I always have to perform a full ritual when summoning a Demon?

Answer:

No. After a relationship is established, just concentrating on the Demon and contacting him/her telepathically, with or without his/her sigil should be enough for him/her to show up anywhere or at anytime, provided you are extremely respectful and never demanding. Sometimes a Demon won't show if he/she has a reason, but will appear later. \*When summoning an unfamiliar Demon, you should always perform a ritual.

After summoning a Demon and having close contact/invoking, I felt achy, tingly, extremely powerful energy, etc.

Answer:

Demons have much greater amounts of bioelectricity than we humans do. Often close contact results in an excess of bioelectricity that remains with us after contact. Because our physical systems are not used to this, we may experience a heightened energy level and in some cases physical discomfort, for a short time after the Demon leaves. When we build up our own bioelectricity, we are able to handle more intense and intimate contact with Demons and not feel anything unsettling.

## Demons and Bioelectricity

Demons have powerful energy, way beyond the average human. When we invoke them or have close intimate contact with them, a variety of effects can happen. The Demon's bioelectricity merges with our own. We are all individuals and our life force is individual, operating on different levels of intensity. What one person may experience, another may or may not. This depends on many different things, such as previous levels of the energy of our soul. The more powerful your own energy, the more energy you can withstand, with little or no unsettling effects. One's present physical strength and constitution also determine the amount of energy we can handle. People who are built up or stronger physically can withstand more from their own workings or that from an outside source.

People who do regular and intense physical exercise will find they are able to handle higher energy levels and progress faster in increasing their own bioelectricity. All of this takes time and patience. This is like climbing a mountain, where you have to camp at certain heights for a period of several days to a month or more, to acclimate yourself before moving upwards or otherwise experience some very unpleasant and sometimes life threatening effects such as severe altitude sickness. We are all individuals and must move at our own pace.

Common sensations after invoking a Demon/ess are skin sensitivity, tingling, your insides vibrating or tingling; aching in the joints (for those with lower levels of bioelectricity), feeling like you are glowing and/or floating, sometimes anxiety, feeling heat or cold, exhilaration, intense dreams, feeling hyperactive or nervous, insomnia and others. The lower your own levels of life energy, the more effects you may experience. None of this is anything to be concerned about, as it will pass. The above also depends on the closeness of contact with the Demon/ess. Plain telepathic communication rarely produces the effects having sexual intercourse does.

I invoked Demons several times and my skin tingled for a couple of days afterwards, feeling like a sunburn without the pain, just the sensitivity. Invoking Demons before sleep can cause insomnia, as the energy of the Demon/ess can keep you awake, as it is intense and powerful. With self-empowerment and increasing our own bioelectricity, we will always be able to feel a Demon and have some after effects, but they will be minimal as we become stronger.

Feeling a kundalini surge when one is not meditating often indicates a Demon/ess is present. Demonic energy feels much like our own. This takes experience in determining whether a Demon/ess is present or whether we are just feeling our own energy. This comes in time and with repeated contact with the Demons.

## The Pantheon of Hell

### HIGH RANKING GODS AND CROWNED PRINCES OF HELL:

There are four great God powers who rule Hell; Satan, Beelzebub, Astaroth and Azazel. Satan is the most powerful and Ruler over all.

Gods of great rank and power assist only their confidantes and intimate friends. Ea/Enki (Satan), Enlil (Beelzebub; the original 'Baal'), Inanna (Ishtar, Isis, Astaroth) and Shamash/Utu, Ashur (Azazel) were the four most popular, powerful and notable Gods throughout the world. They were the Original Gods of Mesopotamia. All are related. Beelzebub/Enlil is Satan/Ea's half-brother and Astaroth and Azazel are twin brother and sister, the grandchildren of Beelzebub.

### ASTAROTH

She was known to the Canaanites as ASTARTE, to the Sumerians, she was known as INANNA, to the Babylonians, she was known as ISHTAR to the Assyrians and the Akkadians, ASHTART, ASHTORETH, ASHERAH, and ASTORETH, to the Egyptians, ISIS, ASHET AND ASET, to the Phoenecians, she was known as TANIT-ASHTART and ASHTAROTH. Her Ugaritic name was ANAT.

Zodiac Position: 10-20 degrees of Capricorn

December 31st-January 9th

Tarot Card: 3 of Pentacles (Azazel told me the Ace of Cups)

Planet: Venus

Candle Color: Brown or Green

Animal: Cobra or Viper

Metal: Copper

Element of Earth

Rank: Grand Duke of the Western Regions of Hell; Crowned Princess

Astaroth is a Guidance Councilor for both Demons and humans. She deals in mostly human affairs

Astaroth rules 40 legions of spirits and is a Day Demoness

Astaroth is also The Treasurer of Hell

Astaroth is a very ancient Goddess. She has been with humanity, as have Satan and Beelzebub, since the beginning. Astaroth is Beelzebub's granddaughter. Her parents are Ningal and Nanna. She has always been very popular, much loved and revered in locales where she was worshipped. Because she has been with us since the beginning, she has been known by several different names as she has been the Chief Goddess in many different areas and cultures. She has been known as a Goddess of fertility, love and war.

Astaroth's Sigil

Astaroth's Symbols, derived from the Egyptian Ankh

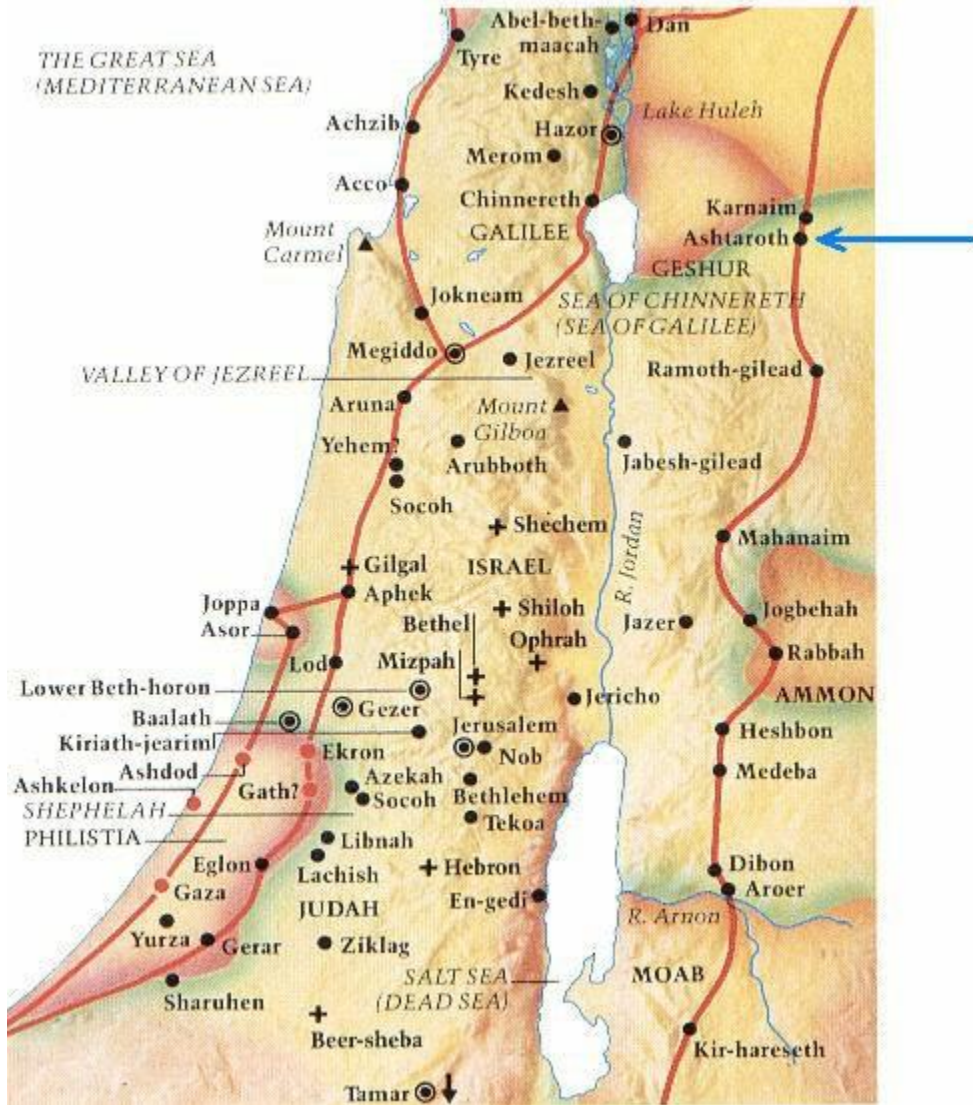

The clusters of three dots at the points of the star of her sigil are extremely ancient and denote her high spiritual rank.

As the Sumerian Goddess "Inanna" she was known as a powerful warrior and her sacred animal was the lion. Below are photos of the Lions that guarded her temple at Nimrud.

Her sacred city was Uruk, one of the oldest cities of Sumer where she had her temple, in the lower right photo above are the ruins. Under her rule, the people of Sumer and their communities prospered and thrived. She had shrines and temples in many cities in the Ancient Middle East.

Her Sumerian title “Queen of Heaven” was stolen by xians and used for their fictitious “Virgin Mary.”

Astaroth was also the Babylonian Goddess, Ishtar. Babylonian scriptures called her the “Light of the World,” “Goddess of Goddesses,” and “Bestower of Strength.”

The “Ishtar Gate,” built approximately 575 BCE was the main entrance into Babylon.

It was the eighth of one of eight gates of the inner city. King Nebuchadnezzar II of Babylon dedicated the Gate to Ishtar. It was one of the most impressive monuments in the ancient Near East. The Ishtar Gate was decorated with dragons, bulls and lions.

Along with Ea (Satan) and Enlil (Beelzebub), she wound up in the grimoires when judeo/xianity arrived on the scene as one of the top Crowned princes of Hell. These three were the most popular and well known deities in the Middle East. Their reputations were destroyed, they were viciously slandered, blasphemed and Demonized; labeled as “evil.”

“Although Sidon is respected, it could not be forgotten that her goddess was Ashtart, a name the Israelite scribe wrote with the five consonants ‘strt, and vocalized them by the vowels of the familiar Hebrew word for “shame,” making the Sidonian goddess appear in the bastard form Astoreth.”

-Excerpt from “Recovering Sarepta, A Phoenecian City by James B. Pritchard, 1978

“Of the various spellings of the name, Astarte, is found the Tel Amara letters. The Hebrew Astoreth arose when the rabbinical school of the Massorettes in the sixth century decided to adopt a conventional system to compensate for the lack of vowels in written Hebrew, and at the same time to insert in the names of foreign divinities the vowels from the word ‘boshet’, meaning abomination.”

-Excerpt from “Who’s Who Non-Classical Mythology by Egerton Sykes, 1993

Above are the remains of the Temple Isis, originally on Philae Island, had to be moved to Agilqiyya Island (above) during the construction of the Aswan dam to save them from flooding.

Astaroth answers truly concerning past, present and future

She discovers all secrets, and is an excellent teacher of the liberal sciences

She causes one to have prophetic dreams or visions about the future and gives insight into the unknown.

She is also counsels humans who are close to Satan and actively working for him. She obtains friendship of those in power and represents luxury and ease.

Easter (originally known as “Ashtar”) was stolen from her by the Christians.

High Priestess Maxine (my experience with Astaroth):

Astaroth is very beautiful with light blonde hair. Though tall, she is delicately built. Astaroth's colors are red and blue. She sometimes appears with wings- these have red and blue streaks in them. She often visits me and other JoS clergy on her own and is a friend and guide for us.

## AZAZEL

AZAZEL aka ZAZEL, SAMYAZA, SAMYAZAZEL, SHAMGAZ, SHEMYAZA, SHAMYAZA, SHEMIHAZAH, SHAMASH (Babylonian), UTU (Sumerian; The Shining One),\* SAMAS (Akkadian), BABBAR (Sumerian), Ashur (Assyrian), SHAMIYAH (Hathra), SEMJAZA

Zodiac Sign: Capricorn/Aquarius (both 1-10 degrees)

Tarot Card: Ace of Swords

Planet: Saturn, the Lunar South Node (Dragon's Tail)

Candle Color: Blue, Black

Metal: Lead

Element of Air

Symbols: The Eagle and the Scorpion; the Faravahar (see below)

Number: 20

Rank: Chief Standard Bearer of the Infernal Army Azazel works directly with Satan

He is in charge of top security in Hell.

\*The above, he dictated to me personally. From High Priestess Maxine:

I know Azazel well and am very close to him. He is a very high ranking and important God. He is 7 1/2 feet tall, very strongly built with light blonde hair that is past his shoulders and flowing. He has piercing bluish grey eyes. He is very powerful and dedicated to Lucifer. He expects 100% and can be serious and strict. He closely interacted with and educated humans in ancient times. \*\*AZAZEL IS NOT PAIMON as some of the grimoires of abuse claim. They are both different Gods. Azazel is a Prince. Paimon is a King. Azazel is very high ranking; VERY close to Lucifer. He says he is around 60,000 Earth years old.

Azazel worked extensively with me on this page. He led me to many different references and resources (Listed below). He told me to mention the "Code of Hammurabi" and that the contents of this document have been drastically altered through the centuries and what we have now resembles nothing of the original. Azazel stands for justice and does not in any way advocate submission or turning the other cheek.

Although there are a few accounts of Azazel's being married to various Goddesses, this is inaccurate. Azazel took a human wife some 10,000 years ago.

Azazel is a grandson of Beelzebub (Enlil). He is the twin brother of Astaroth. Both he and his twin sister Astaroth are the children of Beelzebub's son "Sin/Nannar" and Sin's wife "Ningal." Both Azazel and Astaroth have always been very close. The painting at left is how he always appears to me.

Azazel is a warrior god of justice and truth. His cities were “Sippar,” an ancient Akkadian city on the east bank of the Euphrates, north of Babylon and Larsa/Ellasar of Sumeria. Sippar is 20 miles (32 km) southwest of Baghdad in Iraq. Sippar was one of the first cities to be established by the Gods.

“Ellasar’s Sumerian name is given as Ararwa, apparently for Arauruwa, ‘light-abode,’ which, in fact, is the meaning of the ideographic group with which it is written. The ruins of this ancient site are now known as Senqara, and lie on the East bank of the Euphrates, about midway between Warka (Erech) and Muqayyar (Ur of the Chaldees).

In addition to the name Larsa, it seems also to have been called Aste azaga “the holy (bright, pure) seat” (or throne), and both its names were apparently due to its having been one of the great Babylonian centers of sun-god worship.

Like most of the principal cities of Babylonia, it had a great temple-tower, called E-dur-an-ki, ‘house of the bond of heaven and earth.’ The temple of the city bore the same name as that at Sippar, i.e. E-babbar, ‘House of Light,’ where the sun-god Samas was worshipped. This temple was restored by Ur-Engur, Hammurabi (Amraphel), Burna-burias, Nebuchadrezzar and Nabonidus. Among the tablets found on this site by Loftus was that which gives measures of length and square and cube roots, pointing to the place as one of the great centers of Babylonian learning. Besides the remains of these temples, there are traces of the walls, and the remains of houses of the citizens. The city was at first governed by its own kings, but became a part of the Babylonian empire some time after the reign of Hammurabi.”<sup>1</sup>

Azazel is the God of Justice and Revenge. He is a Master of the Black Arts and the Protector of Travelers. His symbol the faravahar (shown at left), represents freedom of choice and protection. The faravahar is the original winged disk.

He was the rebel leader of the Igigi. Azazel is also the the God of divination and has been consulted by many soothsayers. He was also the Chief Deity of the City of Hathra. As the Chief Deity of Hathra, he was known as “Shamiyah.” Note the horns in the photo of the sculpture at left.

Along with his grandfather Beelzebub, he controlled the airways for the Gods, wearing his symbol of the eagle.

“In Bad-Tibira, established as an industrial center, Enlil installed his son Nannar/Sin in command; the texts speak of him in the list of cities as NU.GIG (‘He of the night sky’). There, we believe the twins Inanna/Ishtar and Utu/Shamash were born--an event marked by associating their father Nannar with the next zodiacal constellation Gemini (the twins). As the god trained in rocketry, Shamash was assigned the constellation GIR (meaning both ‘rocket’ and ‘the crab’s claw’ or Cancer), followed by Ishtar and the Lion (Leo), upon whose back she was traditionally depicted.”<sup>2</sup>

The Judeo/Christian Bible reads that “Azazel taught men to make swords, knives, shields, body armor.”

The grimoires of spirit abuse claim that Azazel is a genius at working with metals, minerology, and geology. This is all symbolic. He is a Master of Alchemy; Spiritual Alchemy. Spiritual Alchemy has to do with the transformation of elements within the human soul, drawing energy from the earth and working with the earth spiritually. Each of the seven chakras is represented by a specific metal. Azazel works with dedicated disciples of Satan to achieve godhead.

All of the above is spiritual. The biblical account was twisted. The “swords, knives, shields, and body armor” are all spiritual weapons. He is an expert on the planets, constellations and astrology. He is also very skillful in the arts, cosmetology, crafting of ornaments and jewelry. Azazel creates beauty.

AZAZEL'S SIGIL ONE

AZAZEL'S SUMERIAN SIGIL

Azazel led me to a lot of detailed information which was extensive. He also has more than two sigils of which I will be uploading. I will add more information to this page soon.

\*Many of the Original Gods were known as “The Shining Ones” because of their powerful auras.

## BEELZEBUB

BEELZEBUB is also known as BAALZEBUB, ENLIL, BEL, “PIR BUB”\* BAAL ZEBUL and BEELZEBUTH. He is also known as the Goetic Demon “BAEL”

Zodiac Position: 0-4 Degrees of Aries

March 21st-25th \*(March 21-30)

Tarot Card: 2 of Rods (From Azazel)

Candle color: Black

Plant: Fern

Planet: Sun (From Azazel)

Metal: Iron \*(Gold)

Element of Fire

Rank: King

Bael is a Day Demon and rules over 66 legions of spirits.

Those who are close to Beelzebub know he is Enlil. This is from him personally. Enlil was the original “Bel” which later evolved into “Baal.” “Baal” means “Lord,” “Master” “Baal the Prince.” Beelzebub/Enlil was a very popular and well known God who had cities named after him with the prefix “Baal” all over the Middle East.

Most people who have studied the occult know he is very close to Satan and they both go back to the “beginning of time” here on earth; Enlil and Enki. He is Father Satan’s half-brother. Along with his brother Ea/Satan and Astaroth, he wound up in the grimoires as one of the Crowned princes of Hell and labeled as “evil.”

*“Baal Zebub, the healing god of Ekron, later became one word--Beelzebub--which came to represent evil and idolatry in the New Testament of the Bible.”*

-Excerpt taken from “Syria”, by Coleman South, 1995

Beelzebub is best known as the God of the Philistines, He ruled over the city of Ekron. He is second in command to Satan. The Ancient Philistines worshiped Him under the name “Baalzebub.” Beelzebub is “Lord over all that Flies”. Wherever he was worshipped, he was known as God of the weather and meteorology. He also controlled the airways when the Nephilim came to Earth. His name was perverted by the Hebrews to mean “Lord of the Flies.”

Beelzebub takes care of infighting between dedicated Satanists. Satan wants unity and Beelzebub enforces this. He can be very strict as Satan does not approve of dedicated Satanists cursing each other. Beelzebub is the Patron of all of the Orient (Far East), Martial Arts and Asian Culture. He was Prince of the Seraphim and He has a raspy voice.

High Priestess Persephone relates her experience with Beelzebub:

Beelzebuth is very tall I would say about 8 feet. He is well built and has the most amazing energy and eyes you have ever seen. They change color depending on his energy at the time. He was and is always very kind and gentle with me and comes to me quite frequently. I have seen him be as kind and gentle as anyone could imagine to the most vicious when enraged. He has auburn hair.

My experience- I saw him for the first time when I asked for his assistance in creating this webpage about him. He appeared to me with blond hair and darker eyebrows wearing a white robe. This was the first time I saw him. I heard his voice a long time ago and it was raspy, but when he spoke to me recently, the raspiness was gone. This is probably because he is now free.

- High Priestess Maxine

Beelzebub’s Sigils:

I ran across something in a book in a book on Egyptian Hieroglyphics. The Egyptian hieroglyph for “air” and “wind” is very similar to one of Beelzebub’s Sigils. The evolution here is obvious. My point is Beelzebub is “Prince of the Air.” I find it sickening how the enemy has denigrated our Gods and claimed Beelzebub is “Lord of the Flies.” Many Jewish written grimoires have illustrations of ugly flies for Beelzebub, along with their monstrous images for our other Gods.

I have also noted many times in my studies, there is little if any real information about many different ancient peoples, such as the Avites whose God was Adramelech. All I have found is in the judeo/xian bible where the Hebrew brutally invaded and mass murdered them (genocide), as with many others. Of course, this is all a subliminal message of Jewish victory over Gentiles. The ancient libraries that were razed to the ground not only contained occult and spiritual knowledge, they also contained history. The above is a blatant example of history deliberately destroyed and replaced with lies.

Along with Jewish and Christian destruction of ancient knowledge, nearly all knowledge about Beelzebub was lost. Xians were at liberty to blaspheme, malign and slander the reputations of the Original Gods any way they saw fit. Since there was no opposition left following the razing of cities, mass murder of “Heathen” peoples, destruction of their temples, libraries and records, new generations had no other sources to turn to for information other than the judeo/xian bible concerning these Gods. Beelzebub/Enlil, was the Patron God of Nippur, a city in Sumeria which is now present day Iraq.

Beelzebub had his ziggurats, shrines and temples located in his city, Nippur. Below are photos of the remnants of his temple. The fortress on top of the mound was built by American excavators in the 1890's "to protect them from the local tribes." Beneath is the Great Ziggurat of Nippur and temple of Enlil:

Beelzebub/Enlil is the God of storms, atmospheric conditions, the wind, the rain and the air. His number is 50

His ziggurat of Nippur was called, "Fi-irn-bar-sag." He is the God who hurls his thunderbolts and lightning against the enemies of Satan. (More than one xian church has met with disaster on occasion). He is considered to be a gracious life-giving and life-sustaining God, taking care of his people, the beasts of the field, the fowls of heaven and the fishes of the sea. "Enlil [Beelzebub] is both a God of war and God of peace; a destroyer and protector, defender, restorer, upbuilder; inimical, hostile and most gracious." <sup>1</sup>

To enjoy his blessings one must enter into the right relationship with him and Satan. He carries out and enforces Satan's decrees.

“Enlil [Beelzebub] is neither afraid nor stands in dread of an enemy. A battle undertaken by him is pursued with unrelenting vigor till it is carried to its victorious end-- with him there is no pardon nor retreat:

‘The hostile not subservient land- from that land thy breast thou dost not turn.’

“If his anger is once aroused, there is no one who could induce him to leave or cool off.”<sup>2</sup>

Enlil/Beelzebub was a “protector and life-giver.” “As furious and destructive Enlil may be in his dealings with the enemies, as gracious, kind and loving he can be when his own people and country are concerned. He protects his people from hostile invasions by surrounding them and their home with a high wall or by becoming for them a fastness or house, the bolts of which he fastens securely so that the hostile hordes can neither climb over or overcome it nor can enter through its gates.”

“If his people are in need of rain, he opens the gates of heaven, pulls back its bars, loosens its fastenings, removes its bolts that abundant rains may water their fields; or he may do this to drown and utterly destroy the enemy.”

Below is an Ancient Sumerian hymn to Enlil/Beelzebub:<sup>3</sup>

The gate(s) of heaven  
The bars of heaven  
The fastenings of heaven  
The bolts of heaven  
Thou openest  
Thou pullest back  
Thou loosenest  
Thou removest

“He sustains the life of both man and beast. In doing so, he does not neglect even the smallest and most insignificant who maketh to sprout, the grain art thou.

The ancient Babylonians were amazed at Enlil’s loving kindness, protection and support, praising him by exclaiming “He who protects (gives support).”

Endowed with extraordinary powers and authority. The emblem of his authority is a pure or bright scepter which he carries or holds in his hands or wields. He acts on the authority of Satan. This bright scepter is, however, not merely an emblem of authority, power and might, but also a stylus in the hand of Beelzebub, the scribe, by means of which he writes the will and enters the decisions of Satan.

“The twelve signs of the zodiac the year, seasons, months and signs of the zodiac have each and all their beginning and end, their boundaries or outlines, their pictures or drawings: Enlil [Beelzebub] indicates and proclaims them. There is a meaning and significance to each and all of them: Enlil [Beelzebub] interprets them. This he does by the “fullness of his manifestations.” “Enlil and His Seven Manifestations.” It is one of the most remarkable facts in connection with the nature of every god who, at one time or another, played the role of the “Son” in a given trinity, that such a god was considered to have “seven manifestations” of his powers.” “Seven” they were, because this number expresses the “fullness, completeness, totality.”<sup>4</sup>

Below is a diagram of Beelzebub's Temple at Ekron in Ancient Philistia:

\*Beelzebub was known as “Pir Bub” to the Yezidi Devil Worshippers of Iraq. They claim he was the God of King Ahab. (Reference: Devil Worship 1919 by Isya Joseph, page 40)

The following is an Excerpt from “Encyclopaedia Biblica; a Critical Dictionary of the Literary, Political and Religious History, the Archaeology, Geography, and Natural History of the Bible”  
Volume I : A-D, by The Rev. T. K. Cheyne, M.A., DD and J. Sutherland Black, M.A. LL.D. New York, The Macmillan Company; London: Adam and Charles Black, 1899

BAALZEBUB taking Zebub or Myla as the name Fly-god, a God of Ekron, whose oracle was consulted by Ahaziah king of Israel in his last illness. The name is commonly explained “Lord of Flies.” True, there is no Semitic analogy for this but Pausanias tells us of a God who drove away dangerous swarms of flies from Olympia, and Clement of Alexandria attests the cult of the same God in Elis and we may, if we will, interpret the title “A God who sends as well as removes a plague of flies.” Let us however, look farther. Bezold thought that in an Assyrian inscription of the 12th cent. B.C.E. “Baal-Zabnbi” was the name of the one of Zebub. Baal-Zebub was a widely known divine name, adopted for the God of Ekron. The restoration of the final syllable, however, is admittedly quite uncertain, and the reading Baal-Sapuna (see BAAL-ZEPHON, I) seems much more probable. Winckler, therefore, suggests that Zebub might be some very ancient name of a locality in Ekron (no longer to be explained etymologically), on the analogy of Baal-Sidon, Baal-Hermon, Baal- Lebanon. No such locality, however, is known, and Ekron, not any locality in Ekron, was the territory of the Baal. It is, therefore, more probable that Baal-Zebub, “Lord of Flies” (which occurs only in a very late narrative, one which has a pronounced didactic tendency), is a contemptuous uneuphonic Jewish modification of the true name, which was probably Baal-Zebul, “Lord of the High House

This is a title such as any God with a fine temple might bear, and was probably not confined to the God of Ekron. “High house” would at the same time refer to the dwelling-place of the Gods “mountain of assembly” in the far North. There is some reason to think that the Phoenicians knew of such a dwelling-place. The conception is implied in the divine name Baal-Saphon, ‘Lord of the North’ (see BAAL-ZEPHON), and in the Elegy on the king of Tyre (Ezekiel 28 ) ; and the Philistines probably knew of it. At any rate, the late Hebrew narrator or, if we will, an early scribe may have resented the application of such a title as “Lord of the high house” (which suggested to him either Solomon’s temple or the heavenly dwelling of Yahwi, to the Ekronite God, and changed it to “Lord of flies,” Baal- Zebub. This explanation throws light on three proper names,- JEZEBEL, ZEBUL, and ZEBULON, “from thy (high house) of holiness and glory.” The same term could be applied to the mansion of the moon in the sky.
