Preface

This book contains the revised Enochian Keys. Originally known as the “Enochian Calls,” Anton LaVey introduced them to Satanism and included them in his Satanic Bible © 1969

After making certain modifications, he renamed them the “Enochian Keys.” This is where most Satanists have become familiar with them. Many Satanists use the keys in Satanic ritual and prayer.

Enochian is said to be a very ancient language; the original language used by the Gods. Both Demons and angels understand and use Enochian. Anton LaVey did not bother to alter most of the keys in the Enochian language. Left as is, when recited in Enochian, using his Satanic Bible, they are extremely blasphemous to Satan.

For example:

“Asha,” “Baeovib,” “Gahoachma,” “Iabes,” “Iad,” “Iadpil,” “Iadapiel,” “Iadanahe,” “Iaida,” “Iaidon,” “Idoian,” “Idoigo,” “Ioiaad,” “L,” “Mad,” “Mada,” “Oiaad,” “Piad,” “Zilodarp,” and “Zirenaiaad” are the names/aliases of Yaweh/Jehova. Though Yaweh/Jehova is a fictitious entity, the name evokes a powerful thoughtform that directly ties into Christianity. YHVH is nothing more than Jewish magick and their version of the four elements and four corners. When one uses YHVH or any of its variations in prayer, ritual or prays to it in churches, etc., one’s energies are directed to be used by the enemies of Satan.

In addition, LaVey did not even bother to alter a few of the keys in English.

The keys contained in this booklet have been thoroughly revised to show homage to Satan, both in English and in Enochian. They are extremely powerful, especially when recited in Enochian.

The original 19 calls were intended to summon certain angelic beings, bringing about the Apocalypse/Armageddon and ensuring the victory of Yaweh/Jehova. The keys contained in this booklet have been reworded to blaspheme Yaweh/Jehova and to praise Satan and ensure HIS victory, both in English and Enochian.

About Enochian

Enochian originated with Dr. John Dee and his scyer, Edward Kelly in a series of communications with angels that took place over the years of 1582-1587 in England. The name “Enochian” was given to this language as it is alleged to have been spoken by the biblical character “Enoch,” in antediluvian times (before the biblical flood).

Dee, though intensely interested in the spirit world and the occult, had no mediumship abilities. He hired Kelly who was an alchemist, necromancer, medium and gifted psychic to scry for him, using a crystal and an obsidian (black) mirror. The angels dictated the calls, the Enochian tables, the watchtowers, and various other related information to Kelly who repeated the messages to Dee while Dee recorded them in writing. Enochian magick is a system of magick called “theurgy.” Theurgy, also known as “angel magick” is a system of magick used for summoning angelic beings. Many occult societies today,

such as the Golden Dawn, make use of the original Enochian calls to summon angels. Formal Enochian magick is quite different from just the reciting of the keys and is too extensive to go into here. It can be reversed to work Satanic magick.

My own conclusions concerning the system are, like nearly all other occult practices, the number seven and multiples thereof have to do with the awakening of and the directing of the powers of the seven major chakras. The angel "Mapsama" told Dee "These calls touch all the parts of the world. The world may be dealt withal, with her parts; therefore you may do anything."¹ Note how most of the angels have seven letters in their names. There are 49 gates (7 x 7) to the "cities of wisdom." The angels only related 48, as the 49th was "too powerful to reveal." Note that $4 + 9 = 13$ (a number of Satan) and $4 + 8 = 12$ (a number of the enemy). The angels delivered the keys backwards, one letter at a time, to prevent Dee from unintentionally using them as invocations when repeating them.

Concerning the Revised Keys

Given the experiences several of us have had with them, the Joy of Satan Ministry strongly advises those who use these keys in ritual or in prayer, to have already performed the dedication ritual, (included at the end of this book) as they may otherwise be dangerous for the new and uninitiated, especially when recited in Enochian.

When revising the keys, I encountered many obstacles and the worst of the problems came with the keys that contained the curses against Jehova. I experienced inexplicable bad luck, power outages with no explanation that required me to redo work that I had already completed, computer problems, and other unusual occurrences of a negative nature. The entire project was very grueling. This proved to me beyond any doubt, these keys are a serious threat to the enemy when reversed and modified to pay homage to Satan. I was protected because I am a blood dedicated Satanist.

Satan visited me a couple of times during the revisions and told me he was very pleased and this was long overdue. He also stated that most of us are unaware of the power of the keys.

Since revising the keys, many blood dedicated Satanists have used them with success.

-High Priestess Maxine Dietrich

The First Key

I reign over you, saith Satan/Lucifer in power exalted above the firmaments and over the earth; in whose hands the sun is as a sword and the moon as a thorough-thrusting fire:

Who measureth your garments in the midst of my vestures and trussed you together as the palms of my hands and brightened your vestments with infernal light.

I made a law to govern my sons and daughters. I delivered truth and furnished to you the power of understanding. Moreover, ye lifted up your voices and swore obedience and faith to Satan/Lucifer who liveth and triumpheth, whose beginning is not nor end cannot be. Who shineth as a flame in the midst of your palace and reigns amongst you as the balance of righteousness and truth.

Move therefore and show yourselves! Open the mysteries of your creation!

Be friendly unto me! For I am the servant of the same!

The true worshipper of Satan/Lucifer In glory and power exalted, of the kingdom of the south.

The Second Key

Can the wings of the winds understand your voices of wonder
O you, sons and daughters of Satan? Of whom hell-fire has framed within
the depths of my jaws; whom I have prepared as a gathering for a wedding,
or as the flowers in their beauty for the chambers of pleasure.
Stronger are your feet than the barren stone, and mightier are your voices
than the manifold winds; for you are become a building
such as is not, save in the mind of Satan/Lucifer, the All-Powerful.

Arise! Move!

Therefore unto his servants; show yourselves in power,
and make me a strong seer of things; for I am of Satan/Lucifer
Who lives forever!

Behold! Saith Satan, I am a circle on whose hands stand twelve kingdoms.
Nine are the seats of living breath the rest are as sharp sickles
Or the horns of death wherein the Creatures of Earth are
and are not except by mine own hands, which also Sleep and shall rise!
In the beginning I made you stewards, and placed you in the twelve seats of
government, Giving unto every one of you power successively over the nine true ages of
time, to the intent that, from the highest vessels and the corners Of your governments,
ye might work my power:
Pouring down the fires of life and increase continually upon the Earth.
Thus ye are become the skirts of justice and truth. In Satan's name, rise up!

Show yourselves! Behold! His mercies flourish!
His name is become mighty among us! In whom we say move!
Ascend! Apply yourselves unto us!
As unto the partakers of his mysteries in your creation!

The mighty sounds have entered into the fourth angle and are become
As deliverers of Lord Satan's Providence, Bringing forth strength and understanding
dwelling In the firmaments as continual comforters; Unto whom I fastened pillars

With all her creatures; and they are the sons and
Daughters of Satan. Of the first and the second and the beginning
Of their own seats which are garnished with continual burning lamps whose numbers
Are as the beginning, the ends, and the contents of time.
Therefore! Come ye and appear to your creation!

We worship Satan/Lucifer in all his glory, Everlasting!

Tenth Key

The thunders of judgment and wrath are numbered and are harbored In the South. In the likeness of an oak whose branches are nests of lamentation and weeping laid up for Jehova and his servants, which burn night and day, and vomit out the heads of scorpions, And live sulphur mingled with poison. These are the thunders that roar with a hundred mighty earthquakes and a thousand times as many surges, which rest not, nor know any echoing time. Here one rock bringeth forth a thousand even as the heart of man does his thoughts. Woe! Woe! Woe! Woe! Woe! Woe! Yea Woe! Be to he who sits on the holy throne in heaven! His iniquity is, was and shall be great. Come away! But not your mighty sounds!

O you Demons who dwell upon and are mighty governors of the earth, who execute the judgment of Satan! To you it is said: Behold the face of Satan, The beginning of comfort, whose eyes are the brightness of the stars; who provided you for the government of the Earth, and her variety, furnishing you with a power of understanding, to dispose all things according to the providence of he who reigneth on the Throne from Hell and rose up in the beginning, saying: The Earth, let her be governed by her parts. The course of her, let it run with pleasure, and as a handmaid let her serve Satan. One season, let it confound another; and let there be no creature upon or within her the same.

All her members, let them differ in their qualities; And let there be no one creature equal with another. The reasonable creatures of the Earth, let them vex and weed out one another; and the dwelling places. The works of the followers of Jehova and his pomp, let them be defaced.

The buildings of he who sits on the holy throne, let them become caves for the beasts of the field; their iniquities shall be known. For why? I regret their creation. O you sons and daughters of Satan, arise! Those in the kingdom of heaven, let them serve you. Govern those that govern; cast down such as fall; bring forth justice and destroy the rotten. No place let it remain in one number; add and diminish, until the stars be numbered. Arise, move! Appear before Satan! He has sworn unto us his justice; Open the Mysteries of your creation, and make us partakers of undefiled truth.

MAKING A COMMITMENT TO SATAN

What happens when I make a formal commitment to Satan? Almost immediately, things start to get better. Satan looks out for you. Satan gives us an inner strength. We become very strong in spirit. Unlike right hand path religions, where adherents are forever praying and searching for their god, Satan comes to us on his own. Many times, we can feel him. He comes to comfort us when we get down, worried or are experiencing problems.

He snaps us into line and directs us as to what we need to do to be focused and happy. Unlike the gods of the right hand path, Satan never turns his back on us in our time of need. In making a commitment, we engage in a formal ritual, this is done out of free will. We are making a choice, as opposed to being dragged off to some xian church, and reciting canned prayers in front of a bunch of idiots.

The initiation ritual is very personal; unless you decide to have friends participate, or are doing it as part of a group.

You will need:

- 1 or more black, blue or red candles (As many as you like)
- A sterilized needle or razor
- A piece of clean paper, large enough to write the prayer below
- A dry pen, where you sign your name in blood (dip the tip of the pen in your blood)

Write the following prayer:

BEFORE THE ALMIGHTY AND INEFFABLE GOD SATAN/LUCIFER AND IN THE PRESENCE OF ALL DEMONS OF HELL, WHO ARE THE TRUE AND THE ORIGINAL GODS, I, (state your full name) RENOUNCE ANY AND ALL PAST ALLEGIANCES. I RENOUNCE THE FALSE JUDEO/CHRISTIAN GOD JEHOVA, I RENOUNCE HIS WORTHLESS SON, JESUS CHRIST, I RENOUNCE HIS FOUL AND VILE HOLY SPIRIT.

I PROCLAIM THAT SATAN/LUCIFER IS MY ONE AND ONLY GOD. I PROMISE TO RECOGNIZE AND HONOR HIM IN ALL THINGS, WITHOUT RESERVATION, DESIRING IN RETURN, HIS MANIFOLD ASSISTANCE IN THE SUCCESSFUL COMPLETION OF MY ENDEAVORS AND THE FULFILLMENT OF MY DESIRES.

It is important to bathe before any rituals you perform, this is done out of respect. When you are ready, you can light the candle. Take the needle, prick the index finger of your left hand, squeeze some blood out.

Sign your name in blood.

Recite the prayer either aloud or in your head

Fold the paper and let it burn in the fire of the candle. Many of us have stayed and meditated until the candle had burned itself out.

At the end of the ritual, close with the words:

"So mote it be," and a BIG "HAIL SATAN!!"
