REFUGE FOR JEWS IN THE EMPIRE

BISHOPS' APPEAL TO THE GOVERNMENT

The Archbishops of Canterbury, York, and Wales have issued the following statement in the name of the whole Anglican Episcopate of the three Provinces:—

The Bishops of England and Wales have been profoundly stirred by the declaration made in both Houses of Parliament on behalf of his Majesty's Government on December 17, 1942, describing the barbarous and inhuman treatment to which the Jews are being subjected in German-occupied Europe. They note that the number of victims of this policy of cold-blooded extermination is already reckoned in hundreds of thousands of entirely innocent men, women, and children.

They note further that the extermination already carried out is part of the carrying into effect of Hitler's oft-repeated intention to exterminate the Jewish people in Europe, which means in effect the extermination of some 6,000,000 persons in the territories over which Hitler's rule has been extended.

The Bishops of England and Wales declare that the sufferings of these millions of Jews and their condemnation, failing immediate rescue, to a cruel and certain death, constitute an appeal to humanity which it is impossible to resist. They believe that it is the duty of civilized nations, whether neutral or allied, to exert themselves to the utmost possible extent to provide a sanctuary for these victims.

They therefore urge the Government of the United Kingdom to give a lead to the world by declaring its readiness, in consultation with the Dominion Governments, to cooperate with the Governments of the united and neutral nations in finding an immediate refuge in territories within the British Empire as well as elsewhere for all persons threatened with massacre who can escape from Axis lands, or for those who have already escaped to neighbouring neutral countries and can make room for other fugitives to take their places.
